*7-11-2015 Nightly News From Key West with Greg + Wives... Key
West Tropic Cinema Movie yesterday I saw "Self/Less" and the
End had Wolkowsky's Ballast Key, island, 8 miles off Key West.
What makes this a Headline on Greg's Web Page is the Movie
was about keeping a old fart alive like Cheney got a Heart
Transplant at 88 years old. Well Wolkowsky is 89 and the
Movie Self/Less is about a MRI consciousness "Transplant"
into a younger person who is still alive. In this provocative
psychological science fiction thriller, an extremely wealthy
man (Academy Award winner Ben Kingsley) dying from
cancer undergoes a radical medical procedure that
transfers his consciousness into the body of a healthy young
man (Ryan Reynolds). But all is not as it seems when he
starts to uncover the mystery of the body's origin and the
secret organization that will kill to protect its cause. Did
Cheney have the CIA kill someone to get his Heart? I will
make a movie of this... Documentary how Cheney got a Heart
Transplant at 88. Wolkowsky needs to get a Heart Transplant
before he dies... I don't think he believes the 1980
ElectricWindmillFord Escort Invention was a Godsend that
the Pentagon give to Mecca \$\$\$ and BP Oil. Yale Key West
Medical School is what Wolkowsky should have built decades
ago. Tom Oosterhoudt in Conch Color out Today has Moe

Hospital for all the childhood cancers being treated caused*
