5-20-2015 Another Morning at Starbucks on Duval, "Conversion Therapy" for \$777 Trillion... \$777 Google gov. perks and kickbacks when to buy this Heroin + Prostitute the news article does not tell you this about Google's \$777 Trillion... A prostitute charged with killing a Google executive by injecting him with heroin on his yacht off the California coast pleaded guilty on Tuesday to involuntary manslaughter, court officials said. DA who prosecuted the Prostitute knew about the \$777 Trillion too!! Alix Catherine Tichelman, 27, was sentenced to six years in prison by a Santa Cruz Superior Court judge after she accepted a plea deal in which a manslaughter charge was reduced to involuntary manslaughter, a court official said. She also pleaded guilty to several other charges, including administering a controlled substance, destroying or concealing evidence and engaging in prostitution, according to the Santa Cruz Superior Court. Prosecutors say Tichelman, a high-priced call girl, injected Forrest Hayes, 51, with heroin during a tryst aboard his yacht off Santa Cruz in November 2013. Prosecutors said surveillance video

from the boat shows Tichelman made no effort to help Hayes, a married father of five who was an executive at the Google X research lab, and instead stepped over his body several times and sipped wine before leaving without calling 911. Tichelman's public defenders, who did not dispute she was a prostitute, said she had no intention of hurting Hayes and maintained the drug use had been consensual. "This was an accident and a panic and she is so, so sorry," Jerry Christensen, one of Tichelman's attorneys, told reporters after the sentencing, according to the San Jose Mercury News. Tichelman was arrested last year after being contacted by a police officer posing as a potential client and agreeing to a price in excess of \$1,000 authorities have said. Hayes and Tichelman are believed to have met through an online website that pairs young women with older men with money, court documents said.

conversion therapy in a Hemingway House Writing Class at
Starbucks on Duval in Key West every morning at 8 sharp...
all the MacBook Pro's are up and running at every table...
with big screen monitors on the walls... after I get \$7 Trillion
of \$777 Trillion in BP Oil \$\$\$ direct deposited in Apples
Banks Account... 101 members of the Yale School of
Medicine's Class of 2015 graduated on 5-18-2015 Yale Key
West Medical School Class of 1,001 would be graduating this
year too if our 1984 II Numb Nuts Dictators + the Key West
Admirals didn't sink its construction when Greg flew into Key
West with \$777 Trillion to build it on a Eiffel Tower
Structure... on 3-4-2011. NY Times today has a NewsAlert
Medical Story on... appendicitis and 70% don't have to be
part of the 300K statistics when the MD uses antibiotics. Each
year in the United States, more than 300,000 persons with
appendicitis have their appendix surgically removed. I
though this would be the perfect "Invention Project" for Los
Alamos Today... on second shift, grin. Oh, Yale Key West Med
School will have 3 shifts just like the Electric Windmill Ford
Escort assembly lines will have 3 shifts, 365 days a year for
decades, then the Gravity Engine Ford Escort should be
invented and ready for another Ford Assembly line... grin!

5-19-2015 Mom will be 92 on May 26, 2015. I made a BDay

West in the LaConcha Hotel Greg sits besides OJ not a SWF

Greg to write up OJ sitting next to him in Starbucks Key West

this morning, I thought about moving to a table in back, I did this a few times before when the same "Drone" vets who cheer's for a "OJ for a Black Writing Morning at Starbucks"... get the Key West Admiral's OK. Yes the Key West Admiral cheers Drone Strikes in Pakistan and Key West against Gregs Stage 4 Starbucks Brainstorming sunk again this morning... grin! I hear the Din of vets cheering from American Sniper since Mary + I saw the Movie. 1984 II watchers of Greg + Mary hear no Din of a Stage 4 Cure brainstormed in Starbucks - if they did I wouldn't be able to hear OJ next to me on his cell listening to Madonna's I Love New York.
