5-7-2015 8 Trillion Florida Standards Assessment end-of-course geometry tests at Key West High School were administered incorrectly, which invalidated the results, according to a release issued by Superintendent Mark Porter. The violation involved the use of provided calculators on the first day of the two-day test. Hand-held scientific calculators or online scientific calculators are allowed on the second day of the assessment, but not on the first. Because students were using the calculators on the wrong day of the test, the Florida Department of Education declared the results invalid.

BIOTRONIK's Closed Loop Stimulation for Smart Heart Pacing Now Available in U.S.

by EDITORS on May 5, 2015

BIOTRONIK has just announced that its Closed Loop Stimulation (CLS) physiologic sensor is now available on the Itrevia cardiac resynchronization therapy defibrillator (CRT-D) in the United States. The CLS sensor adjusts the patient heart rate in response to physical activity, even when there's no change in the respiratory rate or body movement.

Typically, CRT-Ds monitor patient movements using a built-in accelerometer, but that can be deceptive depending on the physical activity. The CLS technology uses impedance sensing to compensate for changing mental stress, similar to how the

body's own healthy nervous system works coordinates with the heart.

2002 Assembly line workers in Bombay on the ElectricWindmillFord Escorts can afford this Smart Heart Pacing state of the arts... medical invention.

5-7-2015 US, Saudi Arabia Announce 5-Day Ceasefire in Yemen 'Soon' administered incorrectly when the 2015 ElectricWindmillFord Escort would have won the "War" and given the \$777 Trillion spent on MIT WAR Toys to Med Educ. 80 people were killed across Yemen yesterday in some of the deadliest and most intense hostilities yet. 800 Women died of Stage 4, yesterday. Another 800 Crash and Burn Car Wrecks yesterday... Statistics has been administered incorrectly on the Front Page of the NY Times. Mr. Khan was found guilty of

culpable homicide for running over five homeless men in Mumbai (Bombay) in 2002 while driving drunk. One of the victims died. 2002 assembly lines in India building the 2002 Electric Windmill Ford Escorts were not a Front Page Story in the NY Times! Why + How Come... This is a Drunk Driving Arrest of the Highest Caste in India and the USA.

5-7-2015 \$777 Trillion in BP Oil Revenues were Administered incorrectly considering the "Gravity" Engine + the Gravity of the Universe!

5-7-2015 Key West High School administered incorrectly, Hemingway House Writing Classes with a Invention in every Chapter written in one day by everyone in the Key West High School class on a Apple MacBook Air + Pro with iApps that let everyone write on the same page at the same time and students have online scientific Super Computers via Los Alamos.

5-7-2015 Geometry of the Quarks spin and the spin of the quarks in electricity should have been put in a Chapter One Hemingway House Writing Class Novel by the Key West High School Students, this was administered incorrectly, grin!

5-7-2015 God's Best Invention is Women... complex force fields of inspiration that will give us the Universe once we End Endless Wars on Earth that could have been won with a "Invention" like the Electric Windmill Ford Escort. Invention

of the cell written out in a Hemingway House Writing Class vs... this; A team of researchers has discovered what they believe to be the missing link in the evolution of complex cells. In a study, published in the journal Nature on Wednesday, the researchers said the new findings will help them better understand how complex cell work. Nature of Gravity when Greg + Wives in Key West Discover this will give the team of researchers at Nature lots of "papers" to make invalid... grin! First came Gravity then the Cell. Nature Research Teams never wrote this... but they will.

5-7-2015 Super Gravity of White Dwarf Stars will also shread the Journal Nature to pieces + put 1,001 Invention Projects in the Next Issue. 1,001 Invention Projects written out for the "Cell" should be C grade work for these Elite Research Teams as they are in the same class of writers as Berkeley + Sandia Labs. Class of Writers at the New England Journal of Medicine are addicted to gov. perks and \$\$\$ from the Poison Gasoline Holocaust II Era we live in Today! 2002 SMOG + 2002 India Electric Windmill Ford Escort assembline lines... 5-7-2015 Astronomers once thought that white dwarfs — the Earth-size remnants of low-mass stars like our sun — were pristine. Their intense gravity should pull the heaviest elements down into their depths relatively quickly (thousands of years at most). "In old white dwarfs (hundreds of millions of years old), like the one we observed, one would not expect any heavy element to stay in their atmospheres for long," Observing the white dwarf star (known as SDSS J1242+5226), they saw that it was smothered in oxygen, magnesium, silicon, iron and other heavy elements. Even hydrogen was far more abundant than expected. These elements match what astronomers expect to see in a water-rich asteroid. It's likely that the asteroid passed close to the white dwarf, whose intense gravity shredded it.

5-7-2015 Roche Adminstered Incorrectly Greg's job interview in 1990 ten years after I got the Electric Windmill Ford Escort invention and 100's spun off from this technique of looking for invention projects then when I had a list of invention projects in my brains Din I could look for the "Cure!" I can remember my Roche Job Interview in my minds video better than I can remember my first wedding, grin. Well my "Talk"

to the 4 or 5 interviewers as they all knew about the suppressed Electric Windmill Ford Escort so I got a 15 min interview and I talked about Roche Administering a Rx Memory Pill and went over with them how I got the Electric Windmill Ford Escort as this was on my Resume. Well I didn't get the job... up side is the Rx Memory Pill will be invented in Key West by Greg + Wives... ZURICH (Reuters) - Swiss drugmaker Roche said on Thursday the U.S. Food and Drug Administration (FDA) has granted breakthrough therapy designation for venetoclax for the treatment of people who have relapsed or refractory chronic lymphocytic!!

5-7-2015 Roche Breakthrough Rx for a Perfect Memory... was forgotten by Roche in Zurich! This has to be a "War Crime!"

5-7-2015 Statistics are not used by NY Times reporters Shaila and Sheryl as 19K SWF will be murdered in 2015 and again in 2016. Someone at the NY Times censors this from their story one killing of one women... not 19K Women. "University of Mary Washington, Where Woman Was Killed, Faces Scrutiny" By SHAILA DEWAN and SHERYL GAY STOLBERG NY Times In a complaint to be filed Thursday, members of a feminist student group say that the University of Mary Washington in Virginia failed to protect them from a "sexually hostile" and threatening environment.
