6-6-2015 1,001 Invention Projects Profits from Los Alamos... Gravity Engine, after decades of 1984 II Dictatorial Rule by

Vietnam Vets with Syphilis in their frontal lobes + Alcohol in the rest of their gray matter. Kennedy, Jimmy Carter, Kerry, McCain built 1,001 H-Bombs at Los Alamos with their "Drug Profits" not Medical School Ports, but JFK Super Carriers under construction today for \$10 Trillion! Boom is not Stage 4 Rx Overnight cure in 2015. Drug these 1984 II Dictatorial Rulers take is light years from a Los Alamos LG-Bomb, Lobotomy Gas - Bomb!

6-6-2015 "Tennessee: Bus Driver Texted During Fatal Crash" A school bus driver in Knoxville was texting at the time of a crash that killed two young girls and an aspiring teacher last year, accident investigators said Friday. The driver, James Davenport, had sent and received multiple text messages before two buses collided

6-6-2015 "Apple Tim Cook Texted During Fatal Crash of School Bus" about the iWatch in sold Gold. Instead of Shock + Awe for the MacBook Air Ride State of the Arts Laser Guided School Buses for the Next Generation of kids who ride the School Bus in the USA as these will cost almost as the Navy's JFK Super Carrier under construction today. Bush can do the math at the 1984 II Gallows Humor Trial, Navy Admirals + McCain killed all these kids riding the School Bus. I more than one way, not just hiring people who would even think of Texting. Like the French Revolution Tim Cook will be arrested for selling the World iWatch before MacBook Air Ride School Buses!

6-6-2015 "The Police Car Provides a Home on the Job, and a False Sense of Safety" Crime Scene By MICHAEL WILSON New York Times. Michael wrote this days ago. Year ago I reposted on this web the iPhone 6 ++ dash cam cops can see, hear, talk to you on sitting in ther Cop Car far out of rage for you to shoot up their cop cars. Last Saturday, Officer Brian Moore, 25, was shot and killed behind the wheel of his unmarked police car in Queens. That killing came four

months after Officers Wenjian Liu and Rafael Ramos were fatally ambushed in their car in Brooklyn. Officers Moore, Liu, Ramos didn't even know about the suppression of iPhone 6 +++ dash cams in all cars on the road in 2015. Michael at the New York Times is a "Cop Killer" and after the New French Revolution someone who copies and pasted this will!

6-6-2015 To an officer, the POLICE CAR is, psychologically, a safe place. Officers take meal breaks in their cars, check their phones, talk, gossip, joke. "The car is your home... 2015 State of the Arts Police Cars can watch you all inside your car... with iPhone 6 +++ dash cams and 1984 III Dictators giving the Orders! Can you even imagine the 1,001 Invention in the Police Cars Greg + Wives would have gotten in the last few years!

6-6-2015 "Police Search the Car" how Out-Of-Date is our 1984 II Dictators???????? Police searched the car of a personal assistant who delivered \$40,000 to the home before the murders, which was found parked a block away from the scene of the crime, police said in court documents released Friday. The 28-year-old aide, Jordan Wallace, has not been charged or named as a suspect in the deaths of Savvas Savopolous, CEO of American Iron Works, his wife, Amy, 47; their 10-year-old son, Philip; and their housekeeper, Veralicia Figueroa, 57, who were found beaten to death in the Savopolous' burning mansion on May 14.

6-6-2015 Beau Biden Funeral in Delaware: Obamas, Clintons to Attend. St. Anthony of Padua Roman Catholic Church. The choice of Obama to deliver remarks reflected the tight personal relationship that Joe Biden and the president have developed after more than six years together in the White House. In the hours after Beau Biden died, Obama called the vice president to offer his condolences and was invited to give the remarks.

6-6-2015 Beau Biden Funeral in Delaware: Obamas, Clintons to Attend. St. Anthony of Padua Roman Catholic Church. The choice of Obama to deliver remarks is another Misdiagnosis by our 1984 II Dictators. Dr, Mrs... Obama if she

existed would have Lost this Job of giving remarks on Brain Cancers Death as Beau would be alive today if our 1984 II Dictators were all Women MD's!

6-6-2015 Beau Biden Funeral in Delaware: Obamas, Clintons to Attend. St. Anthony of Padua Roman Catholic Church... If Pope Francis were a MD he would have saved 10's of Trillions more lives than being a non MD Pope!

6-6-2015 Beau Biden Funeral in Delaware: Obamas, Clintons to Attend. St. Anthony of Padua Roman Catholic Church.

6-6-2015 Beau Biden Funeral in Delaware: Generals have always killed their own troops... Nothing Changes, but today State of the Arts Internet and Greg's Web Page in Key West is read by Generals, Admirals and many in Key West who want a Rx Overnight Cure for Brain + Breast Cancer in 2015 not more troops in Iraq. Gen. Ray Odierno, the former top U.S. commander in Iraq, where Beau Biden was once deployed. Others will come home from Iraq in 2015 and get brain cancers without Gen Odierno at their funeral. Gen need to toss his stars over the White House fence like Kerry did with his Medal of Honor for a MD White Coat. Kerry was not smart enough to get into Yale Med School + proved this by not building a 155 Story Yale New Haven Medical School on an Eiffel Tower Structure with his Wife's \$\$\$ Billions from Heinz Ketchup... grin. Now Heinz Ketchup will come packaged in Birds Eye Frozen Foods Meals @ -252 C in Liquid Hydrogen package.
