Bourbon for a hour. GF was waiting for a ride to Super Bowl. No Greg didn't fly them to the SB. grin. Told her of the crack in the sidewalk, looked at it and it's 1" wow! 3 more falls on Duval in 24 hours. Not Mary at 39 Steps, grin. 2-2-2015 "Memory" of Mary's Scar is Vivid, every time I think of it... Memorizing this web page would help Mary + Greg to get a "Perfect Memory" invention for everyone! Dr. Nancy's medical recall of diseases, her perfect anatomy recall memory is genetic... I just watched a Dr. Nancy video clip on Nightly News. Now to get everyone to think of a "Windmill" Eureka formula of the "Joy" Perfume memories + now seriously trying to invent Dr. Nancy's "Doctors Memory" for the other 99% of us with impaired "Memory" is only one Invention Away Today and will be invented before the "Gravity Engine." When the Brain is forming in Mom's womb has to be dissected and written up for Greg to read aloud again and again to all the wives who want to help me get a better memory in order to get the Stage 4 Breast Cancer Rx Cure before the Next Super Bowl... Really! Win a Game for Women by dissecting Dr. Nancy and Dr. Katrina's Godsent Memory at birth! It has to be a hormone, Really! Dr. Katrina's "Another Day In The Frontal Lobe" is the real "Super Bowl" for Humanity. Dr. Katrina needs to read up on the "Top Quarks" spin and force fields, and remember everything when she is thinking about recalling a "Memory" of her or a brain surgery patient in order to post a clue in the iApp Invention Projects and the Hemingway House Writing Class that has all of the Medical Records of Earnest Shock Treatments at the Mayo Clinic. I told Mary that the Mayo Clinic's Web page offers "Shock Treatments" Today for a fee... grin!

Obama-Bush Fire Bombing of Cop Cars in LA, Rome, Moscow, Paris, forces Chief to buy Fords, NOT Electric Windmill Ford Escorts but gasoline Fords! Sheriff's office ditches Dodge, buys 16 Fords. BY ADAM LINHARDT Citizen Staff alinhardt@keysnews.com When Ford scratched the much-loved Crown Victoria in 2011 with its beefy V8 and reliable rear-wheel drive platform, most law enforcement agencies were left scrambling for new vehicle options. Bloody Mary at 8 am in Mandy Miles Key West article today. Should have been Bloody Mary at 8 am had 50 pages of "Notes" ready for today's "Invent Something Super Bowl" brainstorming with 5 wives.

Yes I know Moslems only allow 4 wives but they don't let any of the 4 wives work at 8 am Sunday drinking a Bloody Mary or Brainstorming MRI's. Let alone Breast Cancer. I think Mandy Miles next Sunday should write up the Blood-Breast-Cancer News Mary just got from her scan at Publix and thank God its only a 10 mm tumor not stage 4 coming through her breast. Super Bowl lost for these women today and of course Greg's Mary will be watching the Super Bowl commercial next Sunday showing the Bloody-Breast-Cancer Tumor coming through her breast in the Dr.'s Office.
