3-11-2015 Eglin steel (ES-1) is a high-strength, high-performance, low-alloy, low-cost steel, developed for new generation of bunker buster type bombs, e.g. the Massive Ordnance Penetrator and the improved version of the GBU-28 bomb known as EGBU-28. It was developed in collaboration between the US Air Force and the Ellwood National Forge Company.

3-11-2015 "Din" in Hillary's thoughts of the Universe + Greg. Mary Kennedy "Din" bonds to Hillary like 3 quarks in a grain of sand on a White Sandy Beach in Key West soaked in BP Oil with the Birds Black tortured like Mary Kennedy because Yale Law taught Hillary + Bill how to lie like Bill Clinton in a 1984 II Society George Orwell would never have had this "Din" as a possible outcome of "Hidden Cameras" in your homes! "Hillary Clinton Tries to Quell Controversy Over Private Email" By AMY CHOZICK and MICHAEL S. SCHMIDT NY Times. "Din" in the minds of the NY Times writers Quell the Universe we know today as state of the arts laser guidance at millions of miles per hour into infinite space no one can "Din" this front page picture in the NY Times in place of Hillary's pictures on the front page of Today's NY Times. Mary Kennedy will be the lie that Hillary Will dei like Bill did! Who will keep Mary Kennedy's "Din" alive in the 1984 II "Din" of social issues that the top brass at Yale + Harvard have to address, I don't know who she is. I can't imagine Caroline Kennedy protecting Mary Kennedy either. Who loved Mary Kennedy? Not the Judge Hillary Bought Off for a gov. perk! "Din" of Hillary + Greg will Quell Greg Buell Stage 4 Godsend Rx Cure in 2015 only while I sit at Starbucks on Duval waiting for Greg's Mary to make contact! Eglin Steel Buster Busting Bomb bought by Hillary can be melted down by 1 Trillion

Cans of H @ -254 C made by NASA. Electricity for Hillary's home without any Aliens, Jewish Aliens are not in Hillary's Emails either, grin!

3-11-2015 What transforms the "Din" in Hillary into the doctor Hillary from huge disappointment of No Jewish Aliens at home to miracle worker letting Greg + Mary in Key West work 24/7 in a Legal Polygamous Marriage on Stage 4 Cure in these situations is simply the velocity of 777 Trillion Galaxies expanding into infinite space, which is our Universe if the State Dept. Ok's it or not. Did Hillary also spit on God in her Emails, she deleted? When the Stage 4 or Mary Kennedy is LEAKED by Snowden... which the patient seeks medical care at Publix, Whole Foods, Airport MD's replace TSA scam of \$ Trillions. Hillary had enough money on 9/11 to buy a Electric Windmill Ford Escort. Din in her head lied to her. Judge God. Din of 777 Trillion Galaxies, velocity of letting Greg + Mary in Key West work 24/7 on a Stage 4 cure instead of sitting at Starbucks on Duval is a executive decision by our 1984 II Numb Nuts Dictators who have Syphilis and give it to others at HQ. God will spit on these guys!

3-11-2015 One of the primary questions Cynthia Ozick is attempting to answer throughout this book "The Din In the Head" is the deceptively simple: What is a novel? The novel is, she writes, 'A persuasion towards dramatic interiority. A word-hoard that permits its inventor to stand undefined, unprescribed, liberated from direction or coercion.'

Quell The Din Of Stage 4 In Hillary's Emails to God...

When freed 1,001 Invention Projects on a CD and my web page

Quell The Din Of Stage 4 In Hillary's Emails to God... Greg + Mary will get the Miracle Rx Overnight Cure for Stage 4 Breast Cancer in 2015 the Din of Hillary, McCain, Kerry's 1984 II Society!

3-11-2015 That being said, a number of her essays do directly deal with leading Jewish authors such as Saul Bellow, Delmore Schwartz, Lionel Trilling, Isaac Babel, Gershom Scholem. Other authors include Updike, Tolstoy, Kipling, Plath and Henry James. Roughly half of the book

deals with Jewish authors or themes, the other half with novels in general. While the book cannot honestly be claimed as Jewish - witness Ozick's own attack on the concept, but also consider the inappropriateness of a book on literary criticism not analysing the works of such masters as Saul Bellow - Ozick's pride in her heritage is plain. But it is not the pride that comes from grandstanding or self-propelling ambition, rather, Ozick discusses these things because they have merit to herself, and by extension, to others.

3-11-2015 'The din in our heads' 2006 by Cynthia Ozick a Jewish Women... The Din in our heads that relentless inward hum of fragility and hope and transcendence and dread - where, in an age of machine addressing crowds, and crowds mad for machines, can it be found? In the art of the novel...And nowhere else.'

She writes... "intergalactic loneliness" "the mysteries of Women and Death" She has no idea one of the nearest stars to Earth will shine for the next 4 trillion years, 300 times the age of the current Universe. Cossacks murdered 300,000 Jews she writes in 2006 so she knows the suppression of the Electric Windmill Ford Escort since 1980 had murdered more than 300,000 Jews + Others! At least 300 cops fire bombed in their cop cars writing a speeding ticket rearended. She has driven by a fiery car wreck! She was born in 1928. Ozick is married to Bernard Hallote, a lawyer. 3-11-2015 Lionel Trilling, a once-famous critic whose star has long since dimmed, is given a twenty-page examination, and is the saddest essay in the novel. Trilling, though respected, even revered in his own time, always chafed against the mantle of 'critic'. He wanted to be a novelist, and envied Hemingway beyond all others.

Hurling through the galaxy at about 1,200 kilometers per second is a compact helium star with an unusual origin. Unlike most high-velocity stars, scientists say this one – thought to be the fastest unbound star in the galaxy – was set in motion not by the black hole at the center of our galaxy, but by a former companion. By measuring the velocity, trajectory and rotation of the star, known as US 708, researchers at the European Southern Observatory determined that it started life as one half of a close binary pair – two stars that closely orbited one other. Originally, US 708 was a red giant star, and its partner was a white dwarf. Once the orbit of these two stars began to tighten, helium from the red giant was transferred to the white dwarf, according to a study published in Science. Eventually, the helium ignited, causing the white dwarf to explode.
