*3-16-2015 ... "to meet one's God" Letter Calls Plea Deal for General David Petraeus a 'Profound Double Standard' same can be said of "West Point" and the 155 Story "Yale Key West Medical School." Profound is not enough! 1,001 Nobel's a year in Medicine vs 1,001 Endless Wars. Endless Infinite Space is possible, via God! They must teach this a "West Point" as being "Meaningless" but today we know better than to believe in Generals as they gave a Godsend Electric Windmill Ford Escort worth \$777 Trillion to Moslems in Mecca who use it as their Godsend in God is Great. 3-16-2015 ... "to meet one's God" A growing number of law  
enforcement agencies have acquired sophisticated  
surveillance technology to track cell phones but have done so  
with an unusual restriction: They must not talk about it.  
TALK to YOU... is what's missing for the acquired  
sophisticated surveillance technology. Call the "Cell" you are  
tracking and talk to them... especially if they are driving  
down the road in a precarious way!
