12-26-14 Climax Christmas Night... picking up a "head" in front of the house is a front page "War Story" NY Times Today. Centuries of picking up "Heads". War Novels on the best seller list are all picked and edited by the Pentagon just like Sony makes movies for the Pentagon. Tesla is a PENTAGON OWNED ELECTRIC CAR COMPANY!! NASA's was hit by a suicide bomber from the Pentagon Joint Chiefs of Staff... Really! "Star Wars Movie" and real Star Travel would kill the Pentagon. 9/11 rocketed the Pentagon into spending most of the \$777 Trillion in \$4 gas on JFK Super Carriers instead of Super Shuttle Trains and Hubble Space Telescope Trains. Tesla set to upgrade range of original Roadster to 400 miles... Tesla Motors is about increase the range of the Tesla Roadster by nearly two-thirds, three years after it stopped making its first model.

12-26-14 Climax Christmas Night... Fyodor's Passion Climaxed in 1871. He quit gambling, drinking I don't know. I know he would have written his last climax of Novels different if he was sober at the end of his life. The Gambler is a short novel by Fyodor Dostoyevsky about a young tutor in the employment of a formerly wealthy Russian general. The novella reflects Dostoyevsky's own addiction to roulette, which was in more ways than one the inspiration for the book: Dostoyevsky completed the novella under a strict deadline to pay off gambling debts. Pentagon Generals in 2014 wasted Stage 4 money on gambling and young tutors in the employment of Generals. A War Crime if you ask any Stage 4 women!!

Hell no we won't go. NASA sold its SOUL for \$777 Trillion in Orlando Tickets for thrill rides instead of the Super Shuttle Trains. Sony Movies for NASA are void... of a Climax. 007 Bond in London can look forward to the iPhone007 Spy. Gravity Engine was rejected by Sony London Studios of Bond Movies. 12-24-14 Reese Witherspoon On Sunday, in an emotional "60 Minutes" interview, the 38-year-old actress was at the peak of her career after winning an Oscar for her role in "Walk The Line" in 2006, but her personal life was at an all-time low.

Clint Eastwood divorce news also had a "Psychopaths" movie for Christmas Day 2014 "American Sniper" the wives these vets killed in cold blood coming home are in the 100's. "Gravity Bombs" will be released Christmas Day 2015 and then Gravity of God and the Universe will take on more gravity, like Super Gravity of the Soul and Soul-Mates. "American Sniper" on December 25. Bradley Cooper stars as Chris Kyle, a real-life Navy SEAL and the most lethal sniper in American military history. The film follows Kyle on his tours of Iraq, and depicts his troubled return home. Clint Eastwood has serious trouble with God. Mary will talk this over with God and get back to me, grin.

Clint Eastwood no sex for a year with another man... movie. This would be a good movie for Clint Eastwood to make. Butt I don't think it would be rated MD-Rated. The Food and Drug Administration will lift the lifetime ban on gay blood donors but require a one-year wait after they have sex with another man. Blood under the newest state of the arts microscope would win Clint a award thought... grin. How does Clint talk to our 1984 Iú Numb Nuts Dictators who all have Syphilis?
