12-28-14 The Intimidation Game code breakers hired to break is the "Inability to Memorize every Web page" give or take a few!!! Trillion dollar Invention Project or just an iApp for someone at the CIA looking for money, grin. Better Memory to get ahead at the CIA. Mic you can leave anywhere you want to listen in must be on the shelf at the CIA. Can anyone make some extra money selling these and save her life. Remember Mary Kennedy... 100's of Mary's will be tortured to commit suicide in 2015! He sleeps with a gun under his pillow so anything overheard that tells her to make a run for it would help save her life. Recorded cells calls by a Kennedy to buy a Judge... Homeland Security should be in every living room... did they watch Mary hang herself in the Kennedy Barn... until the coup will need a mic you can stick here and there and listen in on your iPhone6 Plus. Dexterity of the Agency. Invention Dexterity iApps. NYPD too. 007 NYPD after the MD Wifes Coup.
