12-29-14 Intimidator Inventor of more "MD Cops" than "Cops"  
At the end of President Obama's sixth year in office, the commander in chief who once vowed to end America's longest period of war still maintains thousands of troops in Afghanistan and Iraq - conflicts that refuse to conform to neat White House timetables. \$777 Trillion spent in Afghanistan and Iraq and cops at funerals of Officer Jason and thousands of other cops + kids fire bombed driving down the LA + Paris Freeways by Bush + Obama don't even make the front page of the NY Times. NASA sold its soul too. Papoose at Los Alamos + Sandia Labs sent me a "SECRET" file on Mr. Buell + his "Wind Car" hoping to stop fiery Cop Car Crashes 6 years ago... WOW. Key West Time. How could they the 1984 II Numb Nuts Dictators of the USA get away with this Holocaust II. Jews + the Pope sold their Souls for \$777 Trillion. At least the public in our 1984 II Society knows how much money it takes to buy your Soul. Those who sold out to BP Oil for \$777 Trillion will believe the Intimidator Inventor of her Inspirational Eyes... God. After the coup she will fast track all the TRILLION inventions lost to this Oil War for Money. Gravity Engine will replace the Electric Windmill Ford Escort sooner than anyone on Earth can imagine. Intimidating Gravity, discover how its generated and then invent a way to hear Aliens! Intimidations that will be here for the New Year 2015. 24/7 Sony Movies make for the iApps. Sony Movie winner for 2015 will be titled "iApps"

*12-28-14 The Intimidation Game code breakers hired to break is the "Inability to Memorize every Web page" give or take a few!!! Trillion dollar Invention Project or just an iApp for someone at the CIA looking for money, grin. Better Memory to get ahead at the CIA. Mic you can leave anywhere you want to listen in must be on the shelf at the CIA. Can anyone make some extra money selling these and save her life. Remember Mary Kennedy... 100's of Mary's will be tortured to commit suicide in 2015! He sleeps with a gun under his pillow so anything overheard that tells her to make a run for it would help save her life. Recorded cells calls by a Kennedy to buy a Judge... Homeland Security should be in every living room... did they watch Mary hang herself in the Kennedy Barn... until the coup will need a mic you can stick here and there and listen in on your iPhone6 Plus. Dexterity of the Agency. Invention Dexterity iApps. NYPD too. 007 NYPD after the MD Wifes Coup.*

Perplexing Fiery Car Crash's and no arrest at the NY Times or BP Oil? Alternative to fiery gasoline is simple as a windmill car. State of the Arts since 1980 is off the charts on how much electricity you can generate!*

12-28-14 The Intimidation Game code breakers hired to break... Domestic Violence. Put Homeland Security Cameras in the living room... with speakers + Mic. FLAGSTAFF, Ariz. (AP) - A 24-year-old police officer died after being shot by a domestic violence suspect who then killed himself Saturday afternoon in Arizona. World Wide there must have been TRILLIONS of Domestic Shootings! InventSomething inventors have to put a STOP to this in 2015 as mostly women are shot in cold blood. Hundreds trapped as ferry burns in seas off Greece... Trillions burn in the USA trapped by 1984 II Numb Nuts Dictators!

12-28-14 The Intimidation Game code breakers hired to break... stimulus caused by Mary entering a room, every brain lights up looking at Gods best invention. Now she brings Angels into the Universe. 12-28-14 The Intimidation Game code breakers hired to break... A recent research is suggesting that men who desire to remain looking strong and fit as they age need to also get involved in some weight training, apart from just engaging in aerobic and jogging exercises... Key west 1984 II Numb Nuts will not let me join the "Island Gym" on White Street next to Faustos because I would take to many showers there seeing I'm living in my car and the City of Key West Dock masters refuse to sell me a shower at the Bight Marina at Palm + Roosevelt. First thing when the 1984 II Numb Nuts make contact, is do 400 sit up on a real sit up designed bench. I can loose 2" inches off my waste in 2 weeks of 400 sit ups a day... 50 at a time. Dumb Bells resting up for the next 50. I can't Wait... on second thoughts Mary will come first, grin. How long has it been. I meet Teddy Kenney in 1979. She told me I should not have told her this as it gives her the advantage! Women!

12-28-14 The Intimidation Game code breakers hired to break... "Key West Time" 100's of kids were left in hot cars to die a tortured death in the summers from 1980 to 2014 suppressing the Electric Windmill Car which would be climate controlled 24/7 so today the Key West Crime Report is... KEY WEST -- A woman accused of leaving a 3-year-old in a locked car with the windows up on Duval Street was arrested last week, according to Key West police. Felicia Koehldorfer, 28.
