12-2-14 Bioscience Technology Today share oil revenue with  
Moslems who bought a kidney... war crimes! "Changes  
coming to kidney transplant waiting list" Bioscience  
Technology New rules this week are bringing changes to the  
nation's kidney transplant system that will give some  
patients a better shot at a longer-lasting organ, and move  
others up the waiting list. President Snow at MockingJay HQ  
selling kidneys and giving Cheney a Heart at 88 ahead of  
Mandatory Organ Donation, a Avalanche of the 4 MD Wives  
Coup D'Etat. MockingJay Part 5 with Dr Katniss MD and Dr.  
Katrina will bring in more \$\$\$ and awards for the women  
who inspire Mandatory Organ Donation, not a easy thing to  
do as Cheney got ahead of the Heart line at 88... a war crime  
only God will light Hells gasoline or H in a near star that  
will burn for 4 Trillion years, 600 times the age of our  
Universe! wow. Cheney + stupid criminals, 200 stitches at the  
gas station hole up in Miami out of spite for 1984 II Numb  
Nuts Dictators. Women pay for their criminal minds, that  
should have been giving the 1980 Electric Windmill Car laser  
guidance 5th generation! And no Gas Stations in 2000 in

Miami!

12-2-14 Mary in "Margaritaville" eating Hummus with Greg I said least we will get a Women MD President before a Jew President, Yes the Jews will just use Nukes in a first strike on Mecca. I know you want the \$777 Trillion confiscated from Mecca + Allah for your first strike when the 1984 II Capital MockingJays make contact... grin, she smiles about the money as she will be the richest women in the world! If we can pull off a successful coup Oil's \$777 Trillion and cure for breast cancer in 2015.

With Obama's Support, Police Body Cameras Could Become the New Normal. MockingJay Part 1 Movie was more "Reality" TV than what could be normal as I told Mary cameras have taken our picture. No reply as this would give me some insight on how much a MockingJay Mary is... in our

1984 II Society. Dating a women who has read your "Secret" file written by Los Alamos + Sandia Labs. My 5 pages are Mr Buell and the wind car... rest is blacked out! One more fall with the cane Mary will be in a Electric Wheelchair before a Electric Windmill Car... so this was on Apple Insider we can invent a center of Gravity for Mary - Greg, grin! Apple patents active fall protection system that shifts iPhones in midair Apple patents active fall protection system that shifts iPhones in midair Apple on Tuesday was awarded a patent covering a futuristic iPhone protection system that can recognize when a phone is dropped, calculate an estimated point of impact and shift its center of gravity to avoid striking sensitive components. Worthless after Mary inspires a electrical storm in my brain and I discover how Gravity is Generated. 1984 II Numb Nuts want to keep this out of the MockingJay Part 5 MD movie! And the iPhone007 built into the MacBook Air... Ride School bus in this futuristic Earth.
