In an online issue of Cancer Discovery, the scientists described the molecular steps necessary for acinar cells in the pancreas—the cells that release digestive enzymes—to become precancerous lesions. Some of these lesions can then morph into cancer.

"Pancreatic cancer develops from these lesions, so if we understand how these lesions come about, we may be able to stop the cancer

11-11-14 Mormon leaders have acknowledged for the first time that the church's founder and prophet, Joseph Smith, portrayed in church materials as a loyal partner to his loving spouse Emma, took as many as 40 wives, some already married and one only 14 years old.

11-11-14 The church's disclosures, in a series of essays online, are part of an effort to be transparent about its history at a time when church members are increasingly encountering disturbing claims about the faith on the Internet.
