Griffin Park HOLLYWOOD sign, change it to "INVENTSOMETING" Mary + Renee this is what I want for the Marriage. Change the F... Hollywood Sign to InventSomething! Now!

11-21-14 Tropic Cinema Movie "Nightcrawler" God, Oh God, Mary said I'm "A Women" and "Women are God's best invention!!"

11-21-14 Tropic Cinema Movie "Nightcrawler" 1984 culture today is not commanded by Men or Women who want to change the Hollywood sign to InventSomething. 100,000,000 Jasmín grow in a Legal Polygamous Marriage that changes the "conversations" about Chicago Historic Buildings built by Capone the Gangster... the "Gangster Movie was a few years ago to spread infect the mass of movie goers to think like a Gangster.

11-21-14 Tropic Cinema Movie "Nightcrawler" "52 Pick Up Movie starring Mary" light years from a Inventor ready to work 24/7 in breast cancer conversations TODAY. For weeks or months, until Mary screams out you got it via Mary's Inspiration!

11-21-14 Tropic Cinema Movie "Nightcrawler" I inspired the  
Rx Cure for Breast Cancer in 10K Jasmynes + roses + a top  
secret chemical formula crunched by Los Alamos. They have  
the killer instinct of a brainwashed OJ or child soldier in the  
Arab Oil Fields but use Nukes, not this time. Jasmin + Roses +  
the secret ingredient Greg just got inspired by Mary's  
Screaming Get the BC Cure sooner than later Greg!

11-21-14 Tropic Cinema Movie "Nightcrawler" Nightcrawler  
II movie. Of course it took all the worlds "Diamonds" to woo  
Mary. MD wives will have a different personality like the Cats  
in Key West without a home! No solution by the City of Key  
West just like there is no solution by Bush but to name a  
Elementary School and no, the Mac Book Air Ride School  
Bush was too expensive for Texas Oil men and Neighbors, grin!

11-21-14 Tropic Cinema Movie, well just a hour before I  
walked in and Mary was sitting by the door drinking coffee  
which is better than Starbucks Coffee... really! Well I was  
writing with the wind, and a Carnival Ship - good dramatic  
but lacking some romance and marriage. 1984 II people  
must have sensed this as a women walked by with a "Marry  
Me" T shirt.

11-21-14 Tropic Cinema Movie "Marry Me" I didn't make out  
small print listening to a non invention conversation for 15  
mins. Yes I'm not execrating as ever one was watching us. 15

mins later and many thoughts of Mary, making her the wife of the Inventor of the Electric Windmill Car. Nice thoughts of Mary with video in my hippocampus, then I told her about the Yale Student News today of Bush Elementary School. And I mentioned that 100's of Elementary Kids were killed by Bush. I said car crashes without the laser guided electric windmill car on the roads! Mary said, they just closed the door better get in. Oh spilled coffee and all getting her another cup \$1.50 and better coffee than Starbucks. Got into the door of the Peggy Dow and Dumb trailer of Birdman, Mary agrees... closed my eyes and movie came on "Nightcrawler" 20 mins late than posted time, I think some of the 1984 II people did this, grin. Well Renee was older, not as old as Greg + Mary. But the Deal to be "Driven" not by a speeding taxi like last night but "Driven" by the gravity of the Universe we live in. 10K Jasmin must be what you smell going into every Walgreen or Starbucks world wide, with the Rx Dr. Nancy said if it works to end Jealousy + crime, wars, put it in the "Air"!

11-21-14.... Mary at the Door inside the Tropic Cinema, next scene will be Mary at the Hemingway House (Writing Class) getting Married to Greg with "vows" written by Womens Inventor demanding 1,001 Nobles a year in Medicine! Better get that Hollywood Sign Changed to InventSomenting!

11-20-14 Look, Former U.S. President George W. Bush '68 was adorned with yet another honor yesterday, when it was announced that a Texas elementary school would be named in his honor.

When freed 1,001 Invention Projects on a CD and my web page

11-20-14 Look, Medal of Honor by the Pentagon + Honor of Bush name on a Elementary School when 100 kids died left in hot cars and even more Elementary School kids died and burned in fiery Car Crash... 1984 II has a "Strange" quark from physics as there has to be women MD's in this 1984 II Society that would remind Bush he is a baby killer from Vietnam as kids died left in hot cars + The FIERY Car Crash! wow This would make a great Hemingway House Writing Class assignment when no longer "Top Secret".

11-20-14 Look, Laser Guided Electric Windmill Ford Escort would have been in NYC's Times Square before 9/11 if Bush would have LEAKED it's suppression by Texas Oil men!

11-20-14 Look Alike's "Google Invent" search will not look like a Google Search!!

## When freed 1,001 Invention Projects on a CD and my web page

11-20-14 Crime Journalism, if "Google Invent" Search was up and running then doing a search on "Women Drugged + Raped" would have the STD's, Hepatitis... and Headlines not paid by someone trying to scam you on the internet by clicking on their page from a Google search. The Headlines at top would be the Statistics and why 1984 II Homeland Security is at the Airport when a million women were drugged + raped at his home. Next would be Apple iPhone 6 + but not a paid ad by Apple Search, a Apple one that calls on Apple to let "SPY" recording of calls and leave your phone at the bar iapp that catches a video of the Drugged drink. etc Days before several women claimed Bill Cosby drugged and raped them, the comedian stonewalled a reporter's questions about previous assault accusations and asked for the interview to be "scuttled". Comcast + NBC have hidden cameras everywhere, not a look alike as Congress must let Drugged and rape women set their iPhone 6 + up as a "Spy" iPhone 6 + and then the President has to sign it. Well Comcast + NBC's hidden cameras are illegal out in the real world but our world is "1984 II".
