*11-21-14 ... still Cops, Military Police only read the gas

women sucker punched, 1984 II Numb Nuts Dictators have to  
mention cops + kids burned in fiery wrecks today!*

*11-21-14 ... still China Claims Need To Censor The Internet  
In Order To Maintain Stability*

11-21-14 ... still North Vietnam Generals Maintain Stability... when the inner circle has Swiss Kick Back from BP Oil... you can imagine what this bloody revolution will be like when I drive a Electric Windmill Ford Escort in downtown Hanoi!! When I drive a Electric Windmill Ford Escort around Times Square with my 55" Big Screen lic plate reminding all 9/11 would never have happened as the 17 terrorists would have been Homeless in Mecca. Pentagon financed this 9/11 via \$4 gas when gas stations would not have existed in 2000

11-21-14 ... still "U.S., Iran in last-ditch bid to clinch historic nuclear deal" I read this at Publix + CVS. Kerry giving disinformation as the Religious leader might not sign the deal. This is disinformation. ASAP after Iran puts a A-Bomb together they will use it. Kerry is giving them the \$ Oil money to build nuts and he knows this... Millions will be homeless in Iran after I drive the Electric Windmill Ford Escort!! North Korea too will use its nukes in 2015... still \$778 Trillion in \$4 gas is to addictive to give up.

11-21-14 ... still is the "Domestic Violence" in the USA 19K in 2014 "Click Here to See If You're Under Surveillance" Click Here if you want Homeland Security to do their job to save her life not just run to the bank with \$4 Gas kickbacks in this Holocaust II. Homeland Security was created during the worst \$4 gas Holocaust in History. Bought the Judge Hell bought their soul.

11-21-14 ... still there are no plans for a "New Manhattan Project for Hawking disease" \$1 Trillion+ \$1 Trillion for the "New Manhattan Project for the Rx Cure of Breast Cancer. Still I will ask Mary B why would our 1984 II Numb-Nuts Dictators not start these projects when they have \$777 Trillion... Stephen Hawking, the British cosmologist, theoretical physicist and best-selling author, is 72 now. In 1963, when he was 21, a brash, bright-eyed Cambridge doctoral student, he began to lose control of his muscles.

*11-21-14 Tropic Cinema Movie "Nightcrawler" renamed by Greg after running into Mary on the couch at the door would be "Perpetual Rank 5 Stars" Generals NBC News Videos by their Wife filming Gas Station Wars...*

*11-21-14 Tropic Cinema Movie USA News video CUT Out is Mary's 200 stitches in 2000 at the Gas Station Hold Up in Miami, Moscow there was a Mary, Paris there was a Mary. UN is a criminal organization to say the least. Google has all the video's and on the front page of the NY Times. CIA wants to destroy everything about the suppression of the 1980 Model of the Laser Guided Electric Windmill Car... war crimes, getting Hanged at the CIA with the pretty marble CIA symbol in the video.*

*11-21-14 Tropic Cinema Movie "Nightcrawler" - She the Admirals wife demanded he get \$778 Trillion in Oil Revenues. Change the Movie from Local NBC news video of local street crime in say Chicago to "War" fighting over \$777 Trillion in Oil Revenues video with some of the Generals Wives wanting \$778 Trillion. Videos of the deals between Top Brass and "women!"*

*11-21-14 Tropic Cinema Movie "Nightcrawler" Renee screaming if you want to Marry (Mary) this is the deal. Get 1 more Invention Project. Griffin Park HOLLYWOOD sign, change it to "INVENTSOMETING" Mary + Renee this is what I*

want for the Marriage. Change the F... Hollywood Sign to InventSomething! Now!

11-21-14 Tropic Cinema Movie "Nightcrawler" God, Oh God, Mary said I'm "A Women" and "Women are God's best invention!!"

11-21-14 Tropic Cinema Movie "Nightcrawler" 1984 culture today is not commanded by Men or Women who want to change the Hollywood sign to InventSomething. 100,000,000 Jasmine grow in a Legal Polygamous Marriage that changes the "conversations" about Chicago Historic Buildings built by Capone the Gangster... the "Gangster Movie was a few years ago to spread infect the mass of movie goers to think like a Gangster.

11-21-14 Tropic Cinema Movie "Nightcrawler" "52 Pick Up Movie starring Mary" light years from a Inventor ready to work 24/7 in breast cancer conversations TODAY. For weeks or months, until Mary screams out you got it via Mary's Inspiration!

When freed 1,001 Invention Projects on a CD and my web page

11-21-14 Tropic Cinema Movie "Nightcrawler" I inspired the Rx Cure for Breast Cancer in 10K Jasmynes + roses + a top secret chemical formula crunched by Los Alamos. They have the killer instinct of a brainwashed OJ or child soldier in the Arab Oil Fields but use Nukes, not this time. Jasmine + Roses + the secret ingredient Greg just got inspired by Mary's Screaming Get the BC Cure sooner than later Greg!

11-21-14 Tropic Cinema Movie "Nightcrawler" Nightcrawler II movie. Of course it took all the worlds "Diamonds" to woo Mary. MD wives will have a different personality like the Cats in Key West without a home! No solution by the City of Key West just like there is no solution by Bush but to name a Elementary School and no, the Mac Book Air Ride School Bush was too expensive for Texas Oil men and Neighbors, grin!

11-21-14 Tropic Cinema Movie, well just a hour before I

walked in and Mary was sitting by the door drinking coffee which is better than Starbucks Coffee... really! Well I was writing with the wind, and a Carnival Ship - good dramatic but lacking some romance and marriage. 1984 II people must have sensed this as a woman walked by with a "Marry Me" T shirt.

When freed 1,001 Invention Projects on a CD and my web page

11-21-14 Tropic Cinema Movie "Marry Me" I didn't make out small print listening to a non invention conversation for 15 mins. Yes I'm not execrating as ever one was watching us. 15 mins later and many thoughts of Mary, making her the wife of the Inventor of the Electric Windmill Car. Nice thoughts of Mary with video in my hippocampus, then I told her about the Yale Student News today of Bush Elementary School. And I mentioned that 100's of Elementary Kids were killed by Bush. I said car crashes without the laser guided electric windmill car on the roads! Mary said, they just closed the door better get in. Oh spilled coffee and all getting her another cup \$1.50 and better coffee than Starbucks. Got into the door of the Peggy Dow and Dumb trailer of Birdman, Mary agrees... closed my eyes and movie came on "Nightcrawler" 20 mins late than posted time, I think some of the 1984 II people did this, grin. Well Renee was older, not as old as Greg + Mary. But the Deal to be "Driven" not by a speeding taxi like last night but "Driven" by the gravity of the Universe we live in. 10K Jasmín must be what you smell going into every Walgreen or Starbucks world wide, with the Rx Dr. Nancy said if it works to end Jealousy + crime, wars, put it in the "Air"!

11-21-14.... Mary at the Door inside the Tropic Cinema, next scene will be Mary at the Hemingway House (Writing Class) getting Married to Greg with "vows" written by Womens Inventor demanding 1,001 Nobles a year in Medicine! Better get that Hollywood Sign Changed to InventSomenting!

11-20-14 Look Alike's... 52 Pick up - Mary Smiles and is almost ready to play "52 Pickup of the Nearest 52 Stars" and Discover how to play with their Aliens + Greg, wow what a date last night. The 14 lawyers from the Mel Fisher Scam Treasure walked through the Hotel Lobby. 1984 II questions were not taken... grin!

11-19-14 Writing Classes at Hemingway House today on Today's Web as a Novel by midnight, written by everyone in the Hemingway House Writing Class would save her life tomorrow. Stay out of the Sun Mary... go to Publix and buy 10,000 Jasmine flowers, 16 dozen Roses and 1 MIT Chemist! Get Psyched up to work 24/7 as the 1984 II Numb nuts are under pressure to save her life, 40K a year and a lot more murdered by jealous drunk men. We can Win at 52 Pick up of nearest stars! Game!!

11-20-14 Look, "Remembrance of Things Past" II will be written in a Hemingway House Writing Class by everyone there for a Novel on how we remember and see the video in our brains hippocampus.

11-20-14 Look, Former U.S. President George W. Bush '68 was adorned with yet another honor yesterday, when it was announced that a Texas elementary school would be named in his honor.

**When freed 1,001 Invention Projects on a CD and my web page**

11-20-14 Look, Medal of Honor by the Pentagon + Honor of Bush name on a Elementary School when 100 kids died left in hot cars and even more Elementary School kids died and burned in fiery Car Crash... 1984 II has a "Strange" quark from physics as there has to be women MD's in this 1984 II Society that would remind Bush he is a baby killer from Vietnam as kids died left in hot cars + The FIERY Car Crash! wow This would make a great Hemingway House Writing Class assignment when no longer "Top Secret".

11-20-14 Look, Laser Guided Electric Windmill Ford Escort would have been in NYC's Times Square before 9/11 if Bush would have LEAKED it's suppression by Texas Oil men!

11-20-14 Look, Former U.S. President George W. Bush '68 was adorned with yet another honor yesterday, when it was announced that a Texas elementary school would be named in his honor.

11-20-14 Look Alike's of Mary in Publix so... 1984 II Numb Nut Dictators might make contact, let me work 24/7 in front of everyone in this George Orwell society, Rx Cure for Breast Cancer, will be "Joy II" perfumes!

**When freed 1,001 Invention Projects on a CD and my web page**

11-20-14 Look Alike's... Nobel Prize Winners will leave UCLA, Caltech, MIT and their Discoveries and Inventions will look alike MIT ones but are really from this web page's 1,001 Invention Projects.

11-20-14 Look Alike's "Google Invent" search will not look like a Google Search!!

**When freed 1,001 Invention Projects on a CD and my web page**

11-20-14 Crime Journalism, if "Google Invent" Search was up and running then doing a search on "Women Drugged + Raped" would have the STD's, Hepatitis... and Headlines not paid by someone trying to scam you on the internet by clicking on their page from a Google search. The Headlines at top would be the Statistics and why 1984 II Homeland Security is at the Airport when a million women were drugged + raped at his home. Next would be Apple iPhone 6 + but not a paid ad by Apple Search, a Apple one that calls on Apple to let "SPY" recording of calls and leave your phone at the bar iapp that catches a video of the Drugged drink. etc Days before several women claimed Bill Cosby drugged and raped them, the comedian stonewalled a reporter's questions

about previous assault accusations and asked for the interview to be "scuttled. Comcast + NBC have hidden cameras everywhere, not a look alike as Congress must let Drugged and rape women set their iPhone 6 + up as a "Spy" iPhone6 + and then the President has to sign it. Well Comcast + NBC's hidden cameras are illegal out in the real world but our world is "1984 II".

11-20-14 Look Alike's... So don't belittle your wife about her OB/GYN up's + down's!
