11-22-14 Generals who are Vietnam Vest gang-raped women at thousands of My Lai Massacres, then kill them! Really!

11-22-14 My Lai Massacre was the Vietnam War mass killing of between 347 and 504 unarmed civilians in South Vietnam on March 16, 1968. It was committed by U.S. Army soldiers from the Company C of the 1st Battalion, 20th Infantry Regiment, 11th Brigade of the 23rd (Americal) Infantry Division. Victims included men, women, children, and

infants. Some of the women were gang-raped and their bodies mutilated. [2][3] Twenty-six soldiers were charged with criminal offenses, but only Lieutenant William Calley Jr., a platoon leader in C Company, was convicted. Found guilty of killing 22 villagers, he was originally given a life sentence, but served only three and a half years under house arrest.
