ARMY AT WAR with box jellyfish "Special Forces, doctor to study jellyfish species" BY ADAM LINHARDT Citizen Staff
alinhardt@keysnews.com The rough and tough military commandos who train in Fleming Key Basin waters are concerned about a saltwater nuisance that affects everyday snorkelers and divers as well -- jellyfish. Specifically, the United States Special Operations Command (USSOCOM) wants to know more about the larger box jellyfish that delivers a painful, venomous sting.

iMailApple with \$1 Trillion to convert the USPS to iMailApple.

10-12-14 Yes this means you can pick up your package at Apple-Starbucks Stores + I was going to say gas station but there will not be any gas stations soon as the 1 trillionth Electric Windmill Ford Escort comes off the assembly line.

10-12-14 PO should be "Outsourced to Apple for iMailApple, Mandy can start writing this article tonight... grin!!

10-12-14 Mandy Miles Sunday Citizen Key West she wants... to get one big "Discovery; like USPS Mail is now... iMailApple USPS Outsourced to Apple by the 1984 II Numb-Nutz Dictators... grin!!

10-12-14 Mandy Miles Sunday Citizen Key West she wants... Homeland Security to stop the murders by scanning the Home... Who gave Homeland Security the name but not the "1984 II" Big Brother Orders to scan for this?

"School officials release names of 2 child victims in New York quadruple killing" Fox News GUILDERLAND, N.Y. - Two young brothers found slain with their parents last week in a suburban Albany home are being described by their principal as "kind, gentle and joyful" boys.

10-12-14 Mandy Miles Sunday Citizen Key West "Why in the World are 49-cent postage stamps still a part of our lives? Same reason gasoline cars are Mandy, our 1984 II Numb-Nutz Dictators! "No wonder the PO is hemorrhaging cash... Mandy knows but is prohibited from writing the cash comes from \$777 Trillion in Gas Station Hold Up by Yale Grads + Vets like McCain \$\$\$ "Their blaming technology instead of embracing it... Mandy, they gave the laster guided car to the Navy Fighter Jets, yes laster guided scooter in Key West since forever, was kill so others would get killed. McCain and the Yale Grads know they have killed a lot of people suppressing laster guided cars, trucks, bikes! Hell No you can not use Homeland Security to scan for Breast Cancer or the flu... McCain killed off or paid off all the Yale MD's when Teddy Kennedy was still alive. Mandy, she wants... the post office to scan your mail... no more stamps. Post Office takes a picture of your mail, Mandy missed this! Mandy went on and on about the Post Office. Nothing about over paying PO workers

at double what Mandy makes and managers at all PO get \$100K. Nothing to do with the PO everything to do with the Electric Windmill? Car and Homeland Security not scanning for 10 mm breast tumors. MD's get \$1 Trillion a year in kick backs for going along with the gasoline... fire bombing cop cars via Bush, its poisonous exhaust. Remember cold-hearted MD's who own Nursing Homes let you fall asleep on the toilet as a seat belt would be harming your rights! Sick MD's!

10-12-14 Back from China, (Mandy) comes down with a lung disease... Pollution in China hits 20 times safe limit. A thick haze of smog has descended on parts of northern China, pushing pollution to more than 20 times what the World Health Organization considers a safe limit. The heavy smog reduced visibility in some areas to such an extent Friday that highways were closed and residents were warned to stay indoors.

10-12-14 Back from Glasgow, (Mandy) comes down with a lung disease... Pollution in Glasgow causes 300 premature deaths per year. The city council report reveals air pollution as the cause of 300 premature deaths in the city each year. That means pollution in Glasgow is now 15 times deadlier than violent crime.

10-12-14 Vietnam War's North Vietnam Generals scrap the masses for a BP Oil Swiss Bank Account. This will cause a civil War when Leaked by Greg Lovestars... Scrap metal from used ships polluting Vietnam environment. The Vietnamese Ministry of Natural Resources and the Environment allows enterprises and individuals to import used ships for scrap steel. Environmentalists say it's causing pollution. Vietnam Net 1 Trillionth Electric Windmill Ford Escorts coming off the Hanoi Assembly Lines... North Vietnam Generals could not

pass up \$777 Trillion in a Swiss Bank Account... sick! Greed is the #1 reason why the Navy sank the JFK Super Shuttle Trains! And the PO doesn't have laser guided mail.
