10-5-14 iApp parking... To increase parking for the Duval Street store, CVS has proposed using the BendPak Four-Post Lift, a 9,000-pound capacity lift with a hydraulic power system that essentially jacks up a car atop another.

10-5-14 iApp Parting in the Eiffel Tower structure built above a city block of old town homes! Yes even in Key West this is their Utopian Novel at the Hemingway House. Yes a Eiffel Tower will be built over Hemingway House, and Earnest will watch the writing class try to write what he would think. I can almost remember reading about Hemingway going to the top of the Paris Eiffel Tower.
