9-28-14 Drive in Paris... "My Old Lady" Greg went to see this
on my 67 th BDay!

Filmed on location in a ravishing Paris of quiet back streets
and familiar locales, My Old Lady is a touching romantic
drama about inheritance and past secrets coming home to
roost. Mathias Gold (Kevin Kline) is a down-on-his-luck New
Yorker who inherits a Parisian apartment from his
estranged father. But when he arrives in France to sell the
vast domicile, he's shocked to discover a live-in tenant. His
apartment is a viager—an ancient French real estate system
with complex rules pertaining to its resale—and the feisty
Englishwoman Mathilde Girard (Maggie Smith, "Downton
Abbey"), who has lived in the apartment with her daughter

Chloé (Kristin Scott Thomas) for many years, is not prepared to budge. With no place to go, Mathias strikes a tentative lodging arrangement with Mathilde, instantly clashing with suspicious, lovelorn Chloé over his private dealings with a rapacious property developer. With its unique blend of comedy, drama and ultimately romance, My Old Lady marks the directorial debut of internationally celebrated playwright Israel Horowitz, adapting his own hit play.
