5-24-14 "Make Memorial Day for 777 Trillion Galaxies"
murdered in front of 7 Billion by Bill + Melinda Gates...
Kerry, McCain, Carter + Wife's soul-mate Habitat For
Humanity will be 4 Trillion years in Hell for suppressing the
1980 to 2014 Model of the Electric Windmill Ford Escort + a
Fleet of 1,001 Super Shuttles at NASA. Their Motive was same
as yesterdays front page of the Citizen in Key West... rob the
women at Green Parrot Bar + Gas Station via a ride home in
the rain. Sucker punch her like Mary B. at the Miami gas
station in 2001. Run her over, leave her for dead. "Blackness"
+ Numb Nuts Top Brass letting troops coming home from "Oil
Wars" kill the "Wives." No one knows the "Statistics" just like in
a "1984 II" Novel written at the Hemingway Writing Classes
in Key West.

5-24-14 Shakespeare MD... would NOT have been born in London as the Queen would have murdered him for his "Diagnosis." Aliens are out there among 777 Trillion Galaxies, the "Darkness" by Drunk Men on Earth leave Key West girls for dead, from a ride home from Green Parrot Bar + Gas Station. 2001 Miami Gas Stations should would not have been in existence. Same for the George Plantation Owner Carter. "Peanut Plantation + Gas Station" his wife's motive for Habitat For Humanity was NO Homeless in Mecca via \$777 Trillion in your \$4 gas! "Dark Matter" on Earth is the "OJ's" who wait to give you a ride home... to leave you for dead! "Make Memorial Day for 777 Trillion Galaxies" as the Pentagon with the help of NASA Top Brass left the Universe for Dead in our live time for the Glory of "Oil Wars" and troops killing the wives when they come home from war. Reads like Roman History! in 2014.

So they have murdered and "Sucker Punched" more women then Memorial Days War Dead. Stephanie Danielle Evans sat in her wheelchair Thursday -- her spine fused together by titanium pins -- holding her orange cat, Charlie, who darted between her chair and the couch. The 31-year-old former Red Fish Blue Fish and Bottle Cap bartender is often bedridden for as long as 10 days at a time on a powerful pain killer cocktail while fighting excruciating muscle spasms.... "1984" Top Brass left "Clones of OJ" for dead, didn't arrest any "OJ" Clones. Why... ask the VA guy in the news!

Admiral orders to CBS This Morning interview... to Hell with 777 Trillion Galaxies, we have no F-22's that can fly that far! Rosamaria Gonzales raised a revolver in the air early Thursday morning just off Boca Chica Naval Air Station runway and let loose a round that sounded like a 12-gauge shotgun. It was actually more like a starter pistol. There's no projectile, just a loud noise. Imagine a loud firecracker. A few yards away, a handful of birds scattered off. "I'd say about 98 percent of my work is nonlethal harassment,"
