*5-27-14 Greg watched the "Sun" Rise this morning the Day  
After Memorial Day and I thought there are 1 Trillion other  
"Sun" Rise's in this "Enormous" Universe Today... how could  
\$777 Trillion be given to Saudi Arabia, Mecca + Allah by  
Obama, Kerry, McCain, Hillary... Bill + Melinda Gates?*

*5-27-14 Missing Malaysia Airlines flight MH370 ran out of  
"Gas" and crashed into the southern Indian Ocean when  
ElectricWindmill Boeing 747's... 1 Millionth came off Assembly  
line last week... should have! How could \$777 Trillion be  
given to Saudi Arabia, Mecca + Allah by Obama, Kerry,  
McCain, Hillary... Bill + Melinda Gates?*

After Memorial Day and I thought there are 1 Trillion other  
"Sun" Rise's in this "Enormous" Universe Today... Emotional  
egocentrism plays a major role in many conflicts, as the  
inability to overcome egocentric thinking leads to*

inappropriate social behavior. People affected by this condition experience rejection, which has been shown to have a negative impact on health and development. Scientists would therefore like to understand the reasons for socially detrimental behavior and develop options for targeted intervention. The Normal Violence in a Tragic Murder Spree!! Elliot who killed so many because he couldn't get 4 Wives, 4 Women to Marry him or have sex! Women are, God's best invention... Hillary is a "Fag" who's "Hate Crimes" caused Bill to Lie, Lie, Lie + Elliot and 19,000 other women be killed in "Revenge for Hillary being a FAG!!" 1984 Society has everything recorded by Verizon so at Hillary's "Poison Gasoline Exhaust" Holocaust II trial we can include Elliot and all the other Men who killed women out of Revenge for Hillary's Social Engineering because Bill Clinton ruined her life! Today's NY Times "U.S. Trains African Commandos to Fight Terrorism" By ERIC SCHMITT I think Eric missed the story about Elliot and the statistics of how many women are killed by Terrorists Social Engineered "Fags" when Elliot and 100 million other Men want a Wife! McCain + Kerry are the ones behind spending \$1 Trillion in Africa instead of putting Hillary on Trial for Elliot's killing spree! And saving the lives of women other Elliot will kill tomorrow... more from the NY Times Today "Campus Killings Set Off Anguished Conversation About the Treatment of Women" By Jennifer MEDINA, Jennifer knows its "Fags" got these women shot and killed yet in her article I just read she does not mention the world "Wife" and this is what he wanted more than anything. Its like the Movie 1984 the guy can not figure out why women will not marry him, so he gets mad and breaks the mirror and finds the "Hidden Camera" and Hillary breaks his door down and drags him off to be conditioned to be a "Fag" and not try to pick up women! NT Times knows this is true and they know Mecca + Allah were given \$777 Trillion in your \$4 gas! wow! 4 MD Wives Coup D'Etat - MD women know young men want a wife... Coup for this!
