5-4-14 Greg got Married on 5-5-1965 I look back on this Era  
of "Love + War" at 17 and will write better than Mandy Miles  
to give us Star Travels NASA Top Brass sold to Mecca + Allah  
for \$777 Trillion... in Hard Rock Casino Chips + expensive  
Wines!

5-4-14 Greg got Married on 5-5-1965 I look back on this Era  
of "Love + War" at 17 and will write with several MD wives  
when I get a Pardon for my "Star Wars" Not "Endless Vietnam  
Wars" and looking at Hemingway + his 4 wives, no Navy  
Buddies at the Hemingway House all these Years with  
writing classes for the Hemingway Utopian Novel Classes or 1  
Trillion Turtles on Hemingway Beach in Key West.

5-4-14 Greg got Married on 5-5-1965 I look back on this Era  
of "Love + War" at 17 and will write and get my "Shock + Awe"  
from asking Mary B. if Grace Kelly was forced by the Prince to  
stop making movies like the new Kidman Trailer has on...  
wow! Grace Kelly should have married Pasteur!

5-4-14 Mandy Miles writes about Voyeurism in front of her  
house not on her George Orwell Comcast Channel... I read

between the lines and seems to Greg Mandy Miles wrote up Voyeurism "1984" and her not telling the wife who was left at home... or Priest, Bishops, Cardinals... don't tell Pope Francis... Mandy Miles as Journalist is responsible Stan too for the Catholic Child Abuse past + present as they are ready to watch another... seduction, argument, encounter... I would quote Mandy but I don't buy the Key West Citizen Newspaper.

5-4-14 Mandy Miles writes about Voyeurism in front of her house not on her George Orwell Comcast Channel... Voyeurism is the sexual interest in or practice of spying on people engaged in intimate behaviors, such as undressing, sexual activity, or other actions usually considered to be of a private nature... Mandy Miles spying on "Arguments" in front of her house in Key West as 100's of tourists a day walk up and down the residential areas to get to Duval.

5-4-14 Mandy Miles writes about Voyeurism in front of her house not on her George Orwell Comcast Channel... Veterans were telling Mandy Miles at the Citizen Newspaper what to write about Voyeurism. Stan her husband who saves Mandy Miles at the end of her Sunday front page article is up for another couple walking by their house in intense conversations. Voyeurism in front of her house not on her George Orwell Comcast Channel... I read between the lines and seems to Greg Mandy Miles wrote up Voyeurism "1984" and her not telling the wife who was left at home... or Priest, Bishops, Cardinals... don't tell Pope Francis

5-4-14 Mandy Miles writes about Voyeurism in front of her house not on her George Orwell Comcast Channel... The Technological Reason Why Cops Shouldn't Be Snooping Through Smartphones by Kashmir Hill The Atlantic... what is on Mandy Miles Smartphone about Officer Jason's fiery cop car picture with wife + baby I posted yesterday... could this get a cop mad as hell in a few years at the KW Genocide Trials over Poison Gas Exhaust and the suppression of the Electric Windmill Ford Escort and Dr. Cates stifling of Greg building the Yale Key West Medical School in 4-5-11? Yes!

5-4-14 Mandy Miles writes about Voyeurism in front of her

house not on her George Orwell Comcast Channel... GM recalls SUVs for inaccurate fuel gauges by CNN Money... Cops looking at the data on the Smartphones for inaccurate fuel gauges... \$777 Trillion given to Mecca, Allah + Saudi Arabia to buy SWF sex slaves and "Organs" made in the USA, both crimes! This is like Mandy Miles, no one at CNN went to a Duval Bar with this people and did a "Voyeurism" watch sitting at a bar instead of Mandy Miles on her front porch. Next Sunday Mandy Miles + Stan can go to several Bars on Duval, yes even Hard Rock and get Naked at the Garden of Eden... will Mandy, had she, will she write about it?

5-4-14 Mandy Miles writes about Voyeurism in front of her house not on her George Orwell Comcast Channel... Netanyahu tells cabinet: Israel in need of basic law that articulates Jewish Laws... his Smartphone in the hands of the same cops looking at what Mandy Miles said about the fire bombed Officer Jason for \$4 gas... Netanyahu + Israel Cabinet conversations about the same cop... pictured below with wife and daughter, Jew comments cell calls on their Israel Smart iPhone5s can get them convicted of Holocaust II and worst the next time they visit NYC and see a street cop who gets a text of what they said about Officer Jason fire bombed by the Pentagon Top Brass for \$4 gas.
