*7-16-14 iApp for "Secret..." Dr. Katrina in her Frontal Lobe  
Book would have made 1,001 Medical Discoveries +  
Inventions if Apple + IBM pre-loaded Invention Projects for  
Med Students. This LOSS is a Crime by the Pentagon for  
giving Mecca + Allah \$777 Trillion in \$4 Gas. Apple is  
making a play for the enterprise market with its mobile  
devices. Starting this fall, IBM is planning to partner  
exclusively with Apple to sell iPhone and iPad devices pre-  
loaded with native applications developed from the ground  
up specifically for enterprise customers. The initiative is  
called IBM MobileFirst for iOS. It combines IBM's big data  
and analytic capabilities with Apple's consumer experience,  
along with its hardware and software integration and  
developer platform. The two envision creating apps that will*

Greg bikes all over Key West and my verdict is the Mayor knows all the Owners of Vacant Lots 100's and had no desire to put a end to Towing by the City of Key West taking over all "Vacant" lots for "parking" yes! \$*

*7-16-14 iApp for Key West "Futuristic Fire House" I got this idea biking by the Fire House Museum and thought of my idea for the Futuristic Fire House and building codes. Built in fire extinguishers in the top 10 fires happen and for course the Fire Men are at Home not at the New Fire Station the Mayor built thanks to Cameras and iApps there would be no reason to keep fire fighters at the Station 24 hours a day. Hell the Swat teams live at home, grin! iApp solves invents all things to have a Futuristic Fire House and the Fire House Museum will be the last Fire House Standing after the "Oil Fortunes" Fire is put out in the minds of the Mayor + Pentagon Top Brass! Mayor used his "Oil Fortunes" kickback from suppressing the Electric Windmill Ford Escort to build a new fire house and park and sidewalks... etc. Greg will build the Yale Key West Medical School!!*
