

When freed 1,001 Invention Projects on a CD and my web page

Send cash or check to..... Greg Buell PO Box 214 Key West Fl
33041 NEW CELL # 305 340 8082 Call Greg to
InventSomething! ...Next Revolution will be won by MD
women!

9-8-14 Futuristic iPhone6 is tomorrow, hope the 1984 II
observers make contact so I can buy one, or two!

9-8-14 Futuristic iPhone007x with the new 22nm Intel Xeon
Processor E5-2600 v3 with new instructions. For iApp
Inventors who bought the New Macbook Air + Pro with the
iPhone007x built into their new MacBook Air + Pro with the
new 22nm Intel Xeon Processor E5-2600 v3 with new
instructions for iApps. Searching every New England Journal
of Medicine article, along with 1 Trillion other Medical
Journals and crunching all this we can't wait for Los
Alamos, Berkeley + Sandia Labs to give up crunching the
2015 model nuke one more time, grin.

9-8-14 Futuristic iPhone007x iBeacon iApp can warn you of
the \$699 jar of cold cream at Forever Flawless Spa and the
women in Key West who is building a 8th floor Spa on top of
Starbucks building will sell \$799 jars of face cream. Dr.
Nancy Snyderman can be a iPhone007x iApp from a MD
women who women will believe when she goes on about \$799
jars of face cream, Dr. Nancy Snyderman, did she buy one?
No Telling she is a women!!

9-8-14 Current iPhones already have iBeacon, Apple's
location-tracking software, and newer models have
fingerprint scanners that can be used for security. Apple's
Passbook app collects virtual coupons, which is basically a
mobile wallet without the credit card information. Expect to
see some combination of these features in Apple's mobile-

payment system. Starbucks (SBUX) has been accepting payments on its mobile app since 2012; now 15 percent of transactions at Starbucks's U.S. stores use mobile payments, and the coffee chain is working on a service that will let customers order and pay before even getting to the store.

9-8-14 YouTube has 1 Trillion videos of women sucker punched by "OJ... Rice NFL" 1984 Dictator in charge when the real OJ hit Nicole would have saved her life if he would have fired OJ from the NFL. This 1984 George Orwell Dictator has caused the deaths of millions of women just in the USA, yes Saudi King has beheaded all the women who drove a gasoline car to protest, will not all but a few lost their heads and Snowden-Putin will not leak this!

9-8-14 City of Key West, No, well NYC has 1 Trillion "Red Light" cameras that can be used as "Moving Traffic Violations" tickets. No flashing blue lights, Cops watching you pull out of Publix and cut off the bike rider or go over 2 lanes can email you a traffic ticket. Call you on your Dash Drop Cam in all 2015 Model Cars, a boom for garage owners installing these. Just a thought as its out-of-date to have cop cars in Publix parking lot or the Motorcycle cops when "Red Light Cameras" can get 100% of the Traffic Ticket Violations! Right!

9-8-14 YouTube has 1 Trillion videos of women sucker punched by "OJ" and suppresses them so "OJ" will not look like a Dangerous Man... this is a "War Crime by YouTube + Google" Stupid Criminals both "OJ Rice + Google" The website TMZ published video Monday that shows Rice and his fiancée in an elevator, where Rice punched her... The explicit video! Our Numb Nuts 1984 II George Orwell has Trillions of videos of women sucker punched, yes at Gas Stations, I will look for the one of Mary B. when she makes contact... and Hillary has watched all of them wishing one were Monica... grin. No, Hillary is psychotic as she has watched and knows about these trillions of videos of women sucker punched mostly by "OJ" Clones she helped create in our 1984 II Society were gas is \$4 and the Electric Windmill Ford Escort is a NYC taxi driven by women for women only riders!

9-8-14 "Compartmentalization" won Greg a Nobel in Literature yesterday! WAR propaganda... War on Cancer and

Disease... WAR propaganda! CVS No-Cigarettes, Comcast No Football. Today it's "Comcast Hypothalamus" follow up to CVS Health! Comcast Hypothalamus can stimulate or inhibit... When the Presidents mission is 1,000 Nobels a Year in Medicine Comcast will not sell football + basketball. This is futuristic, only possible if 4 MD wives have a successful Coup like the French Revolution!

WAR propaganda! CVS No-Cigarettes, Comcast No Football. War on Cancer + Disease by 4 MD Wives!

When the Presidents mission is 1,000 Nobels a Year in Medicine Comcast will not sell football + basketball. This is futuristic, only possible if 4 MD wives have a successful Coup like the French Revolution! Then Greg will move my computer from pink trike into the Harbor Place Annex and work on a Breast Cancer Cure!

PC on Pink Trike moved into Annex with Apple MacBook Pro and 24/7 MD Wives... working on the Breast Cancer War in the White House.

9-8-14 "Compartmentalization" won Greg a Nobel yesterday from the recoils of our George Orwell audience! They had the same thoughts about the compartmentalization of small smart cars by our Numb Nuts Dictators! Wow! And Cubans and the MD Med School Professors moving in next Door.

9-8-14 GE is "George Orwell" in its Nuke Electric Power Plant Sales... when H @ -254 C in 1 Trillion NASA Made Cans can cool and no waste... well we can also reinvent GE...

APPLIANCES!! The acquisition of GE's appliance business by Swedish-based Electrolux AB represents the end of an era for the storied, all-American brand. GE is out of Date like the "Train" and refused to build Futuristic Dual Rail Monorails Trains the size of Carnival Freedom driving from NY to LA with no traffic. Gasoline has been out of date since the invention in 1980 of the Electric Windmill Ford Escort. 10 cent gasoline at Exxon Mobil Shell is what reality should be today, but GE and its Psychotic Business Friends changed the world for the worst. This is a war crime... of course.

9-8-14 "Compartmentalization" USA attempts to combat Islamic State with WAR propaganda... 9/11 II will be financed by the Saudi Royal Family as the Pentagon gave Mecca \$777 Trillion from \$4 Gas and of course there is no WAR Propaganda on cleaning up the Smog that keeps Saint Jude Childrens Cancer Hospital working 24/7 from poison gasoline exhaust as the children grow their cells divide 777 trillion times a day. Atoms of smog cause a mutation the growth of children. There is NO propaganda on this from the AMA or New England Journal of Medicine as they sold their "Soul" with \$ Billions in Swiss Banks from BP oil.

9-8-14 Recoils by Cubans on yesterdays "Compartmentalization" 1 fat... fat... fat... cuban guy with wife and few kids in front of the Hemingway House Today at 10 am laying in wait. I took his picture will post it on this web as this CUBAN fat man diet is light years from even the spanish version of the 52 nearest stars to Earth with no Fat Aliens, grin. Cardiac Arrest for this fat Cuban and you know he never read any Hemingways Novels. Yelling and screaming at Greg in front of Hemingway House is not exactly Hemingway Writing Classes, this Cuban fat man was is an good example of low class Cubans in Key West, just waiting to get arrested... cardiac arrested! Stupid Criminals!

9-8-14 GM Ford Toyota "Cold-Hearted" selling SMALL "Smart Cars" Numb Nuts 1984 Dictator has no SPINE... MD's have worked 24/7 for years on all the "Broken Backs" from Kerry, McCain, Bush and even Carter + wife and Habitat for

Humanity Houses are "Hell" ...wood and termite on the few Jimmy Carter built in Key West have Termites.

"Compartmentalization" GM hides defects that kill millions, "Smart Cars" are "Danger Charters" like the Sail Boat Tours in Key West. Greg + Wives will start the Sailing Cat with "Invent + Sail" into "Dangerous iApps for Smart Cars" few are on the used car lot at Dead and Hell Duncan Ford. God had no choice but to put Duncan in Hell.

9-8-14 "Compartmentalization" of 1,000 Nobel's in Medicine every year... 12 a year for Greg + 4 MD Wives! CVS Health does not sell cigarettes, Comcast 1,000 Nobels in Medicine does not show Football, Basketball. Futuristic USA... the low class cubans outside Hemingway House screaming at Greg. I will not hear them then as my 1984 II Security will be to keep Greg + MD wives thoughts using 100% of the Frontal Lobe like the Movie Lucy I saw for the 3rd time at 4 pm yesterday! Comcast will change it name to "Comcast Hypothalamus" as the hypothalamus is responsible for certain metabolic processes and other activities of the autonomic nervous system. It synthesizes and secretes certain neurohormones, often called releasing hormones or hypothalamic hormones, and these in turn stimulate or inhibit the secretion of pituitary hormones. The hypothalamus controls body temperature, hunger, important aspects of parenting and attachment behaviors, thirst, [1] fatigue, sleep, and circadian rhythms.

9-8-14 "Compartmentalization" is the limiting of access to information... "The Technology That's Ruining the front page pictures of the New York Times..." "Smart Cars" crashed! Expanding Data Collection on Violent Deaths driving "Smart Cars + Small Cars from Ford." The Electric Windmill Ford Escort will escort you while driving with state of the arts, Navy Fighter Jet Structure in the "Cab" of your 2015 Model Electric Windmill Ford Escort. Navy will give this for free and after the coup Navy will build "Clone" the Cab of the Navy Fighter Jets to 2015 Model Electric Windmill Ford's. The website TMZ published video Monday that shows Rice and his fiancée in an elevator, where Rice punched her... The explicit video!

WAR propaganda! CVS No Cigarettes, Comcast No Football.

War on Cancer + Disease by 4 MD Wives!

HAPPY

Invent
Something

BIRTHDAY

With links to help you get started...

Greg Buell 305 340 8082 www.electricwindmillcar.com

Strategy to win 1,001 Nobels in Medicine a Year! 4 MD Wives
Coup D'Etat + Apple iApps! Then we Buy Los Alamos in the
Race for the Rx Cure, put it in the water if it works, Dr.
Nancy!!

9-7-14 President Obama on Sunday doubled down on his
pledge to combat ISIS, telling Americans that he would
outline his strategy to take on the bloodthirsty jihadist group
in a nationally televised speech Wednesday.

9-7-14 Greg + 4 MD Wives will double down work 48/7 instead
of 24/7 and all National Labs Berkeley, Los Alamos, Sandia
will all be Bloodthirsty as the Breast Cancer Cell. Breast
Cancer Cells taste of Blood might combat it enough to slow it
to a little compartment in her breast.

9-7-14 "Compartmentalization" is the limiting of access to
information... "The Technology That's Ruining Baseball" is
Obama and it has "Killed" 40K SWF who died while MD "OJ"
was watching a Basketball game as he had to Obama
wanted a huge turnout for Basketball, while Breast Cancer
women waited for MD "OJ" died waiting. This is a War Crime

+ crime by our 1984 II Numb-Nuts Dictators!

9-7-14 Intel limiting access to Xeon 12 Core CPU's, no one can use a Intel Xeon at any Public library in the USA, it was planned this way by IBM and Intel to limit what is possible, which is 1,000 Nobel's in Medicine every year...

9-7-14 "Compartmentalization" is the limiting of access to information to persons or other entities who need to know it in order to perform certain tasks.

9-7-14 The concept of "Compartmentalization" originated in the handling of classified information in military and intelligence applications.

9-7-14 The basis for compartmentalization was the idea that, if fewer people know the details of a mission or task, the risk or likelihood that such information could be compromised or fall into the hands of the opposition is decreased. Hence, varying levels of clearance within organizations exist. Yet, even if someone has the highest clearance, certain "compartmentalized" information, identified by codewords referring to particular types of secret information, may still be restricted to certain operators, even with a lower overall security clearance. Information marked this way is said to be codeword-classified.

9-7-14 "Compartmentalization" is the limiting of access to information Heart-to-Heart Transplants Cheney cut to the front of the line when 1 Nobel in Medicine he helped to suppress would have made this unnecessary!

9-7-14 "Compartmentalization" is the limiting of access to information like the MD's "OJ" ones killed someone last week and the NY Times knows this but is part of the ruling class they have "Compartmentalization" "OJ" MD mistakes that let to the patients death or worst.

9-7-14 ¡App for sure here! Compartmentalization is an unconscious psychological defense mechanism used to avoid cognitive dissonance, or the mental discomfort and anxiety caused by a person's having conflicting values, cognitions, emotions, beliefs, etc. within themselves.

9-7-14 "Compartmentalization" is the limiting of access to

information... MD's + Cuba "Compartmentalization" Long before the word "embargo" dropped a political barrier between the two islands, Key West's history and bloodlines have been intertwined with the nation of Cuba. For some 150 years.

9-7-14 "Compartmentalization" "Bloodlines" Cuba + Key West, Yale Key West Medical School will bring Elite MD Professors to Cubans who smoke + drink. This "Compartmentalization" as Castro has never read Elite MD Professors articles in the New England Journal of Medicine. Castro might have read Harvard Law... as its #1 in the World, grin! No one is going to stop smoking or drinking just because Yale Key West Medical School moves in next door! SWF's who pick "OJ" will be sucker punched and murdered. Women who wrote the book "How to Spot a Dangerous Man" quit the 1 Trillion Battered Womens Shelters as all the women smoked Cuban Cigars and drank and would pick the same type of "OJ" every decade this is why there will be 2 Trillion Battered Womens Shelters in every city and town in the USA!

9-7-14 Mandy Miles front page of the Key West Citizen. I never found a copy of last Sunday's paper to read the rest of Mandy's anesthesia, she will fair better with the Yale Key West Med School! This week its Criminal Curiosity seems a new sex offender moved into the neighborhood last week, Mandy writes the sex offenders new address along with mug shot and list of sex crimes not sex diseases is emailed to you if you sign up for it. "Compartmentalization" is the limiting of access to information...

9-7-14 Mandy Miles front page of the Key West Citizen... needs to watch the Movie "Farrah, who gave her Anus Cancer?" Sex Offender moved in next door, Yale grad or Harvard grad was in the "class" to seek out a "Farrah" or a Mary B... Yale + Harvard alumni just forget to mention the STD disease as they are not emailed to the Beautiful women before sex! This is the registered list that will be with 4 MD wives taking the place of our 1984 II Numb Nuts Dictators who have Syphilis on the Brain + Anus Cancer Virus in their Bloodthirsty goings after the most sort after women! MD women!

9-7-14 Mandy Miles... Yale + Harvard alumni just forget to

mention the STD disease as they are not emailed to the Beautiful women before sex! This is the Sex Offender registered list of STD diseases that will be emailed to all with 4 MD wives taking the place of our 1984 II Numb Nuts Dictators who have Syphilis on the Brain.

9-7-14 Mandy Miles... This is the Sex Offender registered list of STD diseases that will be emailed to all with 4 MD wives as George Orwell II.

9-7-14 "Compartmentalization" How many Saudi Princes have Syphilis, HIV, STD's, Hepatitis... this will be emailed to everyone in the USA when 4 MD wives win 12 Nobel's a Year in Medicine!

9-7-14 "Compartmentalization" is the limiting of access to information... Sex crimes by Yale Men are \$\$\$ paid off like Saudi King and Prince pay \$ Billions today as with Errol Flynn, as Robin Hood times payment was millions!
