Hyatt Hotels Corporation is in talks to acquire Starwood Hotels and Resorts Worldwide, Starwood – whose brands include St. Regis, Sheraton, W and Westin. Sheraton brand, which lags comparable Hilton and Marriott. Even if Starwood and Hyatt were to merge, their combined size would pale in comparison to Marriott and Hilton. Starwood and Hyatt's total number of rooms globally would be less than 500,000. Marriott and Hilton each have more than 700,000 rooms. Hyatt, with a market capitalization of about \$7 billion, would be acquiring its larger rival Starwood, which has a market cap of nearly twice that. For the lodging industry, the deal could be a near record, however. Blackstone's \$26 billion buyout of Hilton was the largest ever, followed by Starwood's \$15 billion acquisition in 1997 of the parent company of Westin and Sheraton.

Yale News, Each year in the United States more than 15,000 women under the age of 55 die from heart disease, ranking it as a leading cause of death for this age group. Moreover, younger women are more likely to die after being hospitalized for a heart attack than men of the same age. The most common risk factor was high cholesterol. Yale School of Public Health and published Oct. 26 in the Journal of the American College of Cardiology, examined 3,501 heart attack survivors and found that only 53% had considered themselves at risk. Even fewer, 46%, of the patients reported being told they were at risk by a healthcare

10-28-2015 Nightly News From Key West with Greg + Wives... IP invention project of the Day, Arson! A woman who owned one of the businesses destroyed in a fire that killed two Kansas City, Mo., firefighters this month was charged Tuesday with intentionally starting the blaze. The woman, Thu Hong Nguyen, 43, was charged with two counts of second-degree murder and one count of arson in the Oct. 12 fire, which killed the veteran firefighters Larry Leggio, 43, and John Mesh, 39. They died when a wall of the burning building collapsed, sending bricks and debris into the alley where they were working. The building contained several small businesses, including Ms. Nguyen's LN Salon and Spa, on the first floor and 16 apartments on the second floor. A federal investigator said in an affidavit that the fire had been intentionally set in a storage room of Ms. Nguyen's business. Video surveillance tapes show a woman leaving the spa

minutes before the first smoke is spotted. Ms. Nguyen, who was arrested Monday, was held on \$2 million bond. She told investigators that she had received insurance payments from two other fires, one in 2013 and the other in January, according to court documents. Investigators ruled that the January blaze, in a vacant apartment above Ms. Nguyen's spa, was arson.

*Warriors probably competed for status as stratified societies formed on the mainland. This developing warrior society liked to show off its power through high-quality goods, like Cretan seal stones and gold cups – “Perhaps we can theorize that this site was that of a rising chiefdom,” weapons, including a long bronze sword with an ivory hilt clad in gold and a gold-hilted dagger. On his right side were four gold rings with fine Minoan carvings and some 50 Minoan seal stones carved with imagery of goddesses and bull jumpers. “I was just stunned. 10-26-2015 Nightly News From Key West with Greg + Wives...  
MD's "critical infrastructure." for 1,001 Nobels in Medicine a  
Year has been H-Bombed by Los Alamos. In my file marked  
secret written at Los Alamos... Mr. Buell and his "Wind Car"  
dated 1990 review lacks the real worlds 1,001 Wars  
Addiction by our Top Brass 1984 II Dictators not even  
considering 1,001 Jewish Aliens or Brain + Breast Cancers of  
Beau, Carter, Kennedy etc.

MD's "critical infrastructure." Review will be rewritten at  
Harvard-MIT, Yale, Berkeley Labs Today.
