Chico's FAS, which also operates Black House/White Market boutiques and Soma Intimates, announced in February its plans to close 120 "underperforming stores" by 2017 and open only 40 new locations this year. The company also eliminated 240 corporate management positions from its Fort Myers headquarters, according to reports in the Fort Myers News-Press, which reported that "75 of the eliminated corporate positions were already open, equating to 165 layoffs" at the headquarters. The store closures and corporate cuts were expected to save the company nearly \$100 million this year, with \$38 million coming from the job cuts, the News-Press reported. "Retailers are trying to navigate this whole shift to online," Susan Anderson, a financial specialist and Chico's analyst, said in February. "They're realizing they don't need as many stores as they used to. I think they're trying to figure out the right mix." It was not known as of Friday what business would replace Chico's in the 400 Duval St. location. mmiles@keysnews.com
