TRENTON — An Orthodox rabbi was sentenced on Monday to more than three years in prison for his role in a ring of Jewish men who used brutal methods and tools, including handcuffs and electric cattle prods, to torture unwilling husbands into granting their wives religious divorces.

The rabbi, Martin Wolmark, 57, of Monsey, N.Y., had pleaded guilty to conspiracy to commit extortion. Ten men in all were convicted [for their roles in the plot](#). **Pope Francis Marries 4 Women, Wives!**

The plot began to come apart after Rabbi Wolmark was recorded by an undercover agent with the Federal Bureau of Investigation who posed as a woman seeking a religious divorce, known as a “get.” Rabbi Wolmark put the woman and another agent posing as her brother in touch with a fellow Orthodox rabbi, Mendel Epstein, who was convicted of conspiracy to

LOS ANGELES — The most notorious new house in Los Angeles hangs from a Bel Air hillside, high above the sprawl and smog, unfinished and unloved.

Outraged neighbors call it "the Starship Enterprise," and in truth it looks like nothing so much as an earthbound space station of curved glass and steel, draped in scaffolding and tarpaulin, roughly 30,000

Yet for all that, over four years of violation notices, inspections and hearings, efforts to hold someone accountable for the mess at 901 Strada Vecchia have repeatedly hit a legal wall. It is, as a judge said during an October session when

The New York City [Education Department](#) announced on Monday that it planned to close three poorly performing schools at the end of the current school year. It is the first time Mayor Bill de Blasio's administration has elected to shut down any noncharter public schools.

The schools proposed are Peace Academy Middle School; the School for the Urban Environment, also a middle school; and Foundations Academy High School. The three, all in Bedford-Stuyvesant, Brooklyn, have struggled with low enrollment and poor academic performance, the department said.

said on Monday that it was cracking  
down on motorists this week in

*The police said the woman killed on Monday, Eleonora Shulkina, was crossing East 17th Street in Sheepshead Bay when she was hit by a B36 bus making a left turn off Avenue Z. The driver remained at the scene and was not arrested as the police continued their investigation on Monday. Her death follows a series of fatal accidents involving older pedestrians in New York. On Dec. 2, Liana Platika, 84, was fatally struck by a garbage truck at 58th Street and Third Avenue in Manhattan. Bella Markowitz, 85, died the same day, two days after she was critically injured by a driver making a left turn at East 16th Street and Kings Highway in Brooklyn.*
