Los Alamos, Apple, Starbucks... Russian airstrikes in the region had not led to substantial changes in the Syrian conflict and he said that at some point, Mr. Putin would recognize that he did not want to be involved in another quagmire. Russian Brain Drain led to substantial Shock + Awe loss to Bush capture of Baghdad in a week!

When freed 1,001 Invention Projects on a CD and my web page

12-2-2015 PARIS – La Belle Équipe; The Beautiful Team with Los Alamos, Apple, Starbucks... 10 cent gasoline will bankrupt Saudi Arabia, Emirates, get their Kings beheaded... like Beau + the Walter Reed MD's. "Street Spared in Paris Attacks Embodies What Terrorists Targeted" By MICHAEL KIMMELMAN PARIS – For reasons that may never be known, maybe just by chance, the Nov. 13 assaults here, which killed 130 people, skipped over the shops, outdoor cafes and theaters along Rue Jean-Pierre Timbaud. The Bataclan theater is just around the corner; the Café Bonne Bière, where five died, is a short walk the other way. Rue Jean-Pierre Timbaud was not only the eye of the storm but also the essence of what the terrorists were targeting, which was more than a theater, a stadium and terraced cafes. They were targeting civic pluralism and street life: a kind of urban compact they loathed and feared, but whose fissures, however subterranean, they could exploit. With its bobo bars toward one end and Muslim enclave at the other, Rue Jean-Pierre Timbaud is Paris in a nutshell. People live together on the street, but separately. Vee Gomes, a Dutch-born hairstylist, tells a story about setting up her business on Rue Jean-Pierre Timbaud a couple of years ago. "I opened my shop between two other hairdressers," she recalled one recent afternoon, sitting at an inlaid wood table, piled with books, near the front of Vee Hair. "I thought

they would be furious.” PARIS By The New York Times But, Ms. Gomes said, “that’s not how it turned out.” The shops, though steps from one another, turned out to occupy separate worlds and serve separate clients whose paths hardly crossed. “We have different clients, different prices, different styles,” she said. So it is with life on the street at large, which Jean-Louis Cohen, a French architectural historian, described as “a lively place where Parisians and many people have lived forever.”

12-2-2015 PARIS — La Belle Équipe; The Beautiful Team with Los Alamos, Apple, Starbucks... 10 cent gasoline is not part of Kerry's War... Kerry said he expects numerous NATO allies to decide within coming days how to step up their contributions to the military campaign against Islamic State in Syria. 10 NATO Nations will bomb the Hell out of Syria instead of using 10 cent gasoline to win Jewish Aliens, Stage 4 Rx Overnight Cure, save the life of kids in fiery car crash + heading to Saint Jude over Holocaust II Poison Gas Exhaust on Duval Key West. Canada should join the European particle physics lab CERN, the institution that found the Higgs boson particle among other discoveries, says a top U.S. Canada will join bombing of Syria not CERN... Gravity engine brain drain; everyone is going to Syria, ha!

12-1-2015 PARIS — La Belle Équipe!! "behavior changes" The body of Lt. Col. Oleg A. Peshkov, the Russian Air Force pilot killed after his warplane was shot down by Turkey on Nov. 24, was returned to Russia on Monday. Turkey secured the release of his body from inside Syria, and it was flown from Ankara to a military airfield near Moscow, according to

Russian news reports. Defense Minister Sergei K. Shoigu and Gen. Viktor N. Bondarev, the commander in chief of the Russian Air Force, met the plane. After his Sukhoi Su-24 bomber had been shot by a Turkish F-16, Colonel Peshkov parachuted from the plane and was killed by ground fire as he floated into Syrian territory.

12-1-2015 PARIS – La Belle Équipe!! "behavior changes" Apple-Starbucks Ultra at Yale with 1 Click link to Los Alamos, how would this have changed the behavior of putting amino acids into proteins, better than putting more bang into H-Bombs... that's for sure! Apple-Starbucks with Amazon 1 Click links to get you to Los Alamos to crunch your new Rx Recipe, think the LG-Bombs could be a new Rx Recipe too! iapps for the Gravity Engine are only at the Apple-Starbucks Store School, grin. A team of researchers from Yale and Northwestern published a paper detailing a new method of incorporating synthetic amino acids into proteins. According to the paper, the new method recodes the DNA of E. coli bacteria, making it possible for the responsible enzyme to attach tRNA to synthetic amino acids. Unlike the 22 amino acids found in naturally occurring proteins, synthetic amino acids are manmade. The new technique incorporates the synthetic amino acids into polypeptides, and is the culmination of three and a half years of work by the Isaacs, Söll and Rinehart Labs at Yale.

12-1-2015 PARIS — La Belle Équipe!! "behavior changes" Robert Kennedy Jr. murdered Mary Kennedy in the Barn. Prince Charles joined delegates and envoys to call for more action to protect the world's forests from predatory corporations. Prince Charles murder Diana and calls for more protection for trees in the forest. Elite like Henry VIII inherited the Earth in a George Orwell 1984 II Society. OJ murdered Nichol Simpson and Clones of OJ in 2015 have murdered and left for dead tens of thousands of SWF's. Elite

at HQ know this and refused to make any behavior changes to save her life.

When freed 1,001 Invention Projects on a CD and my web page

12-1-2015 PARIS – La Belle Équipe!! "behavior changes" Cheney gets a heart transplant and does not make organ donation mandatory, what else is Cheney doing in the Oil Fields and with \$777 Trillion that caused others deaths? Wales' health minister Mark Drakeford said: "The latest figures show 14 people died last year in Wales while waiting for a transplant. The change to a soft opt-out system for organ donation will deliver a revolution in consent. A landmark change in the law on organ donation in Wales means all adults will automatically become donors unless they have chosen to opt out before they die. According to the latest figures, 1,000 people in the UK die every year while waiting for a transplant. And Prince Charles is making world wide headlines today in Paris talking about protecting the trees! Behavior Change at the New York Times + BBC is overdue! Pope Francis could make all Catholics world wide organ donors, then the New York Times headlines of 1 Billion Catholics will take on new meanings for the readers. Why did Jimmy Carter go fishing for Worms instead of organ donors?

12-1-2015 PARIS — La Belle Équipe!! Top Prescription Plan to Offer \$1 Alternative to \$750 Pill By ANDREW POLLACK Express Scripts is expected to promote a compounded medicine with the same active ingredient as the much more expensive Turing Pharmaceuticals drug Daraprim. Rx Recipes crunched at Los Alamos will result in a much better Rx. Amazon 1 Click link to Los Alamos, coming soon pre order here. Grin! Pyrimethamine is an antiparasitic compound commonly used as an adjunct in the treatment of uncomplicated, chloroquine resistant, *P. falciparum* malaria. Pyrimethamine is a folic acid antagonist and the rationale for its therapeutic action is based on the differential requirement between host and parasite for nucleic acid precursors involved in growth. This activity is highly selective against plasmodia and *Toxoplasma gondii*. Pyrimethamine possesses blood schizonticidal and some tissue schizonticidal activity against malaria parasites of humans. However, the 4-amino-quinoline compounds are more effective against the erythrocytic schizonts. It does not destroy gametocytes, but arrests sporogony in the mosquito.

The action of pyrimethamine against Toxoplasma gondii is greatly enhanced when used in conjunction with sulfonamides. Mechanism of Action Pyrimethamine inhibits the dihydrofolate reductase of plasmodia and thereby blocks the biosynthesis of purines and pyrimidines, which are essential for DNA synthesis and cell multiplication. This leads to failure of nuclear division at the time of schizont formation in erythrocytes and liver.

12-1-2015 PARIS — La Belle Équipe!! Rx Recipe + Penicillin burst the cell wall of the bacteria - Penicillin G is a penicillin beta-lactam antibiotic used in the treatment of bacterial infections caused by susceptible, usually gram-positive, organisms. The name "penicillin" can either refer to several variants of penicillin available, or to the group of antibiotics derived from the penicillins. Penicillin G has in vitro activity against gram-positive and gram-negative aerobic and anaerobic bacteria. The bactericidal activity of penicillin G results from the inhibition of cell wall synthesis and is mediated through penicillin G binding to penicillin binding proteins (PBPs). Penicillin G is stable against hydrolysis by a variety of beta-lactamases, including penicillinases, and cephalosporinases and extended spectrum beta-lactamases. Mechanism of Action By binding to specific penicillin-binding proteins (PBPs) located inside the bacterial cell wall, penicillin G inhibits the third and last stage of bacterial cell wall synthesis. Cell lysis is then mediated by bacterial cell wall autolytic enzymes such as

autolysins; it is possible that penicillin G interferes with an autolysin inhibitor.

12-1-2015 PARIS – La Belle Équipe!! Bill Gates policy of outsourcing killed more than WW I on the battlefields. Mirror image is Beau murdered by Walter Reed Military + VA MD's who spent more time talking tech support with people in India than working on Brain Cancer. June 1944, his blood pressure was 226/118, life-threateningly high.

Alien + the President Alienated by Walter Reed Military + VA MD's

12-1-2015 Did the President have a high salt meal that really killed him... High-Salt Warnings on New York Menus to Start Tuesday By DANIEL VICTOR Diners at chain restaurants will see warnings on menus next to items that are high in sodium, under a rule believed to be the first of its kind in the country.

Alien + the President Alienated by Walter Reed Military + VA MD's

But Roosevelt's personal physician insisted that the president's problems were "no more than normal for a man of his age." Unfortunately, Roosevelt's blood pressure remained mortally high until he died on April 12, 1945, at the age of 63, from a stroke and brain hemorrhage. Walter Reed MD's told VP Biden the same thing!!

12-1-2015 Did the President have a high salt meal that really killed him... High-Salt Warnings on New York Menus to Start Tuesday By DANIEL VICTOR Diners at chain

restaurants will see warnings on menus next to items that are high in sodium, under a rule believed to be the first of its kind in the country.

12-1-2015 PARIS — La Belle Équipe!! "behavior changes" in Reading the Rx + thinking of a new Rx to whip up, grin. 2 million students are enrolled in some 6,600 Catholic schools. Hell, Pope Francis has no vision of the Miracles in the Ultra Apple-Starbucks Store School linked to Los Alamos. Yes this will be a elite school store. "Oil Fields" the Pope walked drove by yesterday in Africa are a Cardinal Sin + the MacBook Air Ride School bus will not run on oil or gasoline, grin.

12-1-2015 PARIS — La Belle Équipe!! "behavior changes" According to the National Catholic Educational Association, nearly 2 million students are enrolled in some 6,600 Catholic schools across the country. That's a far cry from the schools' peak of popularity during the Kennedy administration, when more than 5 million students were enrolled in Catholic schools. Since then, enrollment has steadily declined due to a number of factors, including the rise of public charter schools and increasing tuition costs at the parochial schools.
