2-10-2016 George Orwell's "1984," in Key West Dating...  
Single for Valentine's Day? "There's hope for the Keys dating  
scene" BY CHARLOTTE TWINE Free Press Staff  
ctwine@keysnews.com FLORIDA KEYS — Singles who are  
bummed that they don't have a date yet for Valentine's Day  
and think that the dating scene here stinks, take heart: at  
least you didn't have the date that Robin Mansfield had last  
year. "The last guy I went out with was supposed to pick me  
up to go to dinner," the 49-year-old Key West nurse told the  
Free Press. "I waited and waited and called to see if we still  
had a date. No response. Next morning, I get a call from the  
local jail. He'd gotten arrested the night before for a DUI

*and wanted to borrow money so he could go get his car out of impound.” While Mansfield’s story takes the cake, there are many similar anecdotes out there. When the Free Press asked the followers of a Florida Keys Facebook page. “Dating here sucks,” said one woman. Another woman said, “I get hit on all the time ... “All the good ones are taken,” declared another female. “Single women say this and so do single men.” And apparently, heterosexual men are pointed out by all the women as they are in the minority. Non drinkers, Greg has not had a drink since 1983. Does not help get a date or wife in our George Orwell’s “1984,” as Orwell has code violations for telling George Orwell Society secrets... Cardiac Arrest for mom and dad is the perk George Orwell gives the Journalists who write the George Orwell stores in the Key West newspaper. Lead atoms in the air for those who can see them are ironic when meeting up with young moms with their new babies, breathing in lead atoms in a state of the arts George ORWELL SOCIETY ruled in part by Navy Admirals in Key West. So get a date for Valentines Day is Mission Impossible until George Orwell makes contact. Writing this web 24/7 in Starbucks too. Publix has 2 grocery stores within 2 blocks of each other on President Roosevelt Drive, one should have been made into a Apple-Starbucks with MacBook Pro’s at every table.*

Word of his pending release stunned Bartlett, a former assistant United States attorney who had helped prosecute Greg... "I never thought he would be released," Ms. Martin Bartlett said.
