2-16-2016 Swiss Won't Rethink Hell... Swiss Won't Rethink
1000-Franc Note as Draghi Hails Crime Fight. Swiss officials
have no plans to follow the European Central Bank and
consider withdrawing their highest-denomination
banknote to help fight crime. Swiss War Crimes are made
Blind to the Highest Mountain Ranges in Solar Systems at
the Nearest Stars. 1000-Swiss Eye Doctors tell the troops
Blinded in Syria + Iraq Wars the Masterminds are 1984 II
Dictators and Note they went to Yale + Harvard Law School

not Medical Schools, grin.

2-16-2016 CBS Nightly News Last Night Trump told the world of 9/11 was "seen" by Bush + Hillary and everyone in the World. Bush failed the Math though others were not as Blind... End to Gas Stations on Earth is the only way to prevent 9/11 II + III, Bush is not Blind to this today but he caused many troops to be Blind in the Iraq Wars when he could have put a End to all Gas Stations on Earth Vision. Hillary too.

Blind from War in Iraq. 1984 II Dictators have the Vision to see lead atoms in the DNA of kids at HQ who visit with mom and dad. iSecurityPolice Note to fight crime is the Ford assembly line... work 6 days a week 12 hours a day, to fight war crimes when 4 hospitals in Syria are bombed in one day - George Orwell Bankers will meet God "Blind" with no plans to follow up on travel to the Nearest 1 star or the Nearest 1,000 stars before declaring every star in the Universe is out of range of our ICBM's. Masterminds who build the Next Generation of ICBM are like the Pakistan workers on the H-Bomb assembly line today getting paid in 1000-Franc Notes to keep this secret. Blind to Greg + Wives in Key West is CBS Nightly News, grin.

Swiss Won't Rethink Hell of a job building 1,000,000,000-Franc-Ford Escort's all Electric Windmill's all on Assembly lines considering the highest demand in VIEW of H-Bombs going off in View of the Eiffel Tower after D-Day + V-Day 2016. Element of time the Swiss Won't Rethink unless I remind them every day Pakistan builds one more H-Bomb on its non-electric windmill Ford Escort assembly line. For Real this is not a George Orwell 1000-Franc Note from BP Oil.

better assembly line. The Galaxy Note 6 could be the standout device from Samsung in 2016, even though the Galaxy S7 retains flagship status. Samsung has chosen to pack the Galaxy Note range with outstanding specifications - Swiss have chosen not to pack our Habitat for Humanity with \$1 immune boosting and \$1 memory boosting drugs along with 1000-Note spin offs. Blind from Wars Masterminds who run assembly lines today for ICBM's and H-Bombs all financed by Banks Oil Revenues.

IBM has given this Solar System of Our Mid-range Masterminds since the 1980 invention of the ElectricWindmillFord Escort. This is a crime and a war crime. How do you bomb 4000-Noted Hospitals in a day... with IBM encryption of the 1980 Laser Guidance on the ElectricWindmillFord Escorts. 2-16-2016 *Swiss Won't Rethink Hell... Apple is being sued over its pressure-sensitive screen. War's Masterminds are being sued over pressure-sensitive "Greed" for 1000-Notes from BP Oil. Touch is all the Blind Troops have left from Bombs Bursting in Flames of 1000-Note Oil Bills. At stake is 3D Touch and Force Tech - tech introduced into the iPhone 6, 6s, and the Apple Watch that detects how hard a user presses the screen and responds accordingly. NASA can't respond accordingly to the how hard it will be to travel 4 light years in a super shuttle train in 2016. Moonshot by Biden is a Blind Mastermind who not only killed Beau with brain cancer Blinded 1000-Troops in war crimes for 1000-Notes for his secret Swiss Bank accounts and War Chest. Pressure-sensitive NASA shuttle pilots fly the F-35 today not a Super Shuttle Train. Not even Jimmy Carter will respond accordingly to his New Vision of God. Einstein was right in Gravity Waves + Greg in Key West is right in building the Gravity Engine Car with many Wives in a Legal Polygamous Marriage. Steve Jobs would be alive today if he was in a Polygamous Marriage. This is pressure sensitive with Tim Cooks hate crimes against so many women today. Harvard Crimson - The Harvard Crimson has nothing in Hell in common with the Harvard Medical School like Yale Daily News has nothing in common with Yale Medical School. Hillary and Bill never had a chance in hell of getting into the Medical School so they never applied. Law School is a scam everyone knows this. The battle over the relationship between drinking and campus social ills reemerged at Harvard last week when Mather House banned hard alcohol consumption in its Junior Common Room, a frequent campus party space, with a goal of making parties "safer. 1000-Note iHardLiquor IP invention projects are flowing to the Medical Schools Research centers, not the Law Bar, grin. Law School Affiliates Remember Alum Scalia for Fiery Personality, Contributions to Law. Scalia was too stupid to get into Harvard Medical School but smart enough to apply for Harvard Law School. Jimmy Carter's immune system booting drug with memory boosting drugs will get more to apply to Med school and have the vision to see Law School is a war crime same as the Masterminds who Blinded so many Troops in the Syrian Iraq Wars. Law Schools Harvard and Yale are Blind to War Crime of suppressing the 2016 ElectricWindmillFord Escort 1000-Note that should be 1 Trillion on the assembly lines today. F grade for Harvard Dental and Harvard Law for not suing Harvard Dental School ha. Ouch! Pull that tooth, please. A Harvard Dental School instructor has been accused of fleeing scholarship loan debts in Thailand, prompting massive outrage in the country among its citizens. In 1993, Dolrudee Jumlongras allegedly agreed to a scholarship loan of Thai Baht 8 million—which*

under current exchange rates amounts to roughly \$220,000—whereby Thailand's Mahidol University would sponsor her to study dentistry at Harvard and she would repay the loan upon returning from her studies by working at Mahidol, according to English-language news outlet the Bangkok Post. However, she is now being accused of violating her agreement by remaining at Harvard as an instructor and not paying back the loan in full. nationwide firestorm erupted in part after the publishing of a Facebook post from Padej Poonwithayakij, a Thai dentist who said he was one of the four co-signers of her loan-based scholarship from Mahidol University. In the post, he alleges that Jumlongras is currently not abiding by the loan agreement, and as a result each of the four co-signers have been required to pay back one-quarter of the actual cost of the loan, according to an article in Coconuts Bangkok, an English-language outlet. In his post, Poonwithayakij included a photo of a check that he said showed he was paying 2.2 million Baht to Mahidol to cover his share. When Hillary reads this she was forward it to Yale Law so her lawyer friends can make 1000-Note's off this Blind Dentist who teaches at Harvard Dental School. grin. Smile you have new dentures!

"Letters From Pope John Paul II Show Deep Friendship With Woman" By JOANNA BERENDT and SEWELL CHAN Do the Pope's letters mention the 1980 ElectricWindmillFord Escort, hell no this was censored out as Greg knows from the Pope's comments he knew about the suppressed 1980 ElectricWindmillFord Escort Era. A crime only God can punish Pope Francis gambles God will forgive him. WARSAW – The future Pope John Paul II, Karol Wojtyla, began a friendship with a Polish-American philosopher in 1973 that lasted the rest of his life. She hosted him when he visited New England and translated a book of his, and they stayed in touch, off and on, until his death in 2005. Pope's call them He called her "a gift from God." Allah calls the Pentagon Generals their gift of \$777 trillion as Gods on Earth. After an assassination attempt against John Paul in 1981, 1980 the ElectricWindmillFord was invented + suppressed. When did the Pope first learn about its invention + how did he react to its suppression?
