Prof Haggard said there was no reason to give any credibility to the so-called "Nuremberg defence". "We always need to be skeptical of that defence - of somebody who says, I was only obeying orders," he said. "Because very often, people have a secondary motive for saying that. They think they can avoid punishment. "Secondly, just because somebody feels they are not responsible, doesn't mean they are not responsible. Society might still want to hold them accountable."
