*2-25-2016 In Reversal, Egypt Says Terrorists Downed Russian Jet Over Sinai" By NOUR YOUSSEF After months of cautious silence, Egypt acknowledged for the first time on Wednesday that terrorists had downed the Russian jetliner that broke up over the Sinai Peninsula in the fall. The authorities made the unexpected admission after strongly urging Egyptians and the world for months to await the results of an international investigation Egypt is leading. The crash dealt a serious blow to Egypt's vital tourism industry: an*

*important source of hard currency for the country, which relies heavily on imports. "Those who downed the flight, what were they hoping for? Just to hit tourism?" President Abdel Fattah el-Sisi asked, almost casually, while on the subject of terrorism near the end of a long speech about the country's development plans for 2030, which was broadcast live. "No, but also to hit relations. To hit relations with Russia." Hours after the October downing of the Airbus A321-200, which killed 224 people, Egypt's local Islamic State affiliate claimed responsibility. The group said it had brought down the plane with a bomb concealed in a soda can. In the following weeks, Russian and Western officials quickly concluded that a bomb had indeed exploded on board and that terrorism was the cause of the crash. But Egypt, apparently unwilling to publicly concede that terrorists could have penetrated its powerful security apparatus, continued to rule out a bombing*

*2-25-2016 "Michael Skakel's Lawyer Says Trial in Killing of Martha Moxley Wasn't fair" By KRISTIN HUSSEY 15-year-old*

*Martha Moxley was found beaten to death near her home in Greenwich, Conn., a lawyer for the man convicted in the killing laid out a litany of reasons that his client, Michael C. Skakel is out on Bail in a 1984 II Society Era that lets Robert Kennedy Jr. Kill his wife in the Kennedy Barn and Buy the Judge in a George Orwell Society. 19K Martha Moxley's have been killed, murdered every year the last 15 years and the Kennedy's still have status quo in our 1984 II Society instead of being hanged for mass murder. Shock + Awe of this will be taught at the Kennedy School of Government at Harvard after the coup. Mr. Skakel's older brother, Thomas Skakel, was the most likely killer of Martha! Is in the News today. Now in her 80s, Dorothy Moxley, the widowed mother of the murdered girl, has been a steadfast presence in court proceedings that have spanned 18 years. Caroline Kennedy should have been forced into the courtroom to watch for the last 18 years too as she could have ended this courtroom scam but she didn't. Mr. Skakel's legal team, which included four lawyers and multiple investigators, had presented a strong defense. "This was far from a slipshod defense," Ms. Gill said. "This was a well-planned, well-thought-out defense" in a 1984 II George Orwell Society!! Thomas Skakel admitted to investigators that he and Ms. Moxley had a sexual encounter on the night of her killing. After the hearing, Mrs. Moxley said she still believed that it was Michael Skakel who swung the golf club and killed her daughter. Robert Kennedy Jr. knows who killed Martha but will not tell us! Robert Kennedy Jr. killed Mary Kennedy in the Kennedy Barn and bought the Judge in a 1984 II George Orwell Society too.*

2-24-2016 *Chekhov is often referred to as one of the three seminal figures in the birth of early modernism in the theater. Working the last 19 years at the Yale Medical School brainstorming 1,001 iapps in medicine "She" would have gotten many inventions! Tim Cook's hate crimes against women needs to be added to this law suit, grin. Yale filed court documents this past Monday in response to charges from a School of Medicine professor who claims that the University violated both federal and state anti-discrimination employment laws. On Dec. 17, 2015, Rossitza Lazova, an associate professor of dermatology and pathology who has worked at the medical school for 19 years, filed a federal lawsuit against Yale in Connecticut District Court for "retaliatory denial of promotion." Lazova,

who previously lodged a complaint with the state in 2012 claiming that Yale had not promoted her because of her gender, alleged that the University subsequently retaliated against that complaint by denying further applications for promotion. She said the University's actions came in violation of federal Title VII law and the Connecticut Fair Employment Practices Act, both of which prohibit employers from discriminating based on gender, race or other factors. A motion for extension of time was granted earlier this month, which allowed the University to postpone its answer to the complaint until this Monday. In the newly filed documents, Yale denied that Lazova's 2012 gender discrimination complaint played any role in its decision not to promote her. Her case, Lazova argued in the lawsuit, is reflective of a work environment at the medical school that is inhospitable to women. As of September 2014, her claim detailed, the school had 468 full professors, but only 95 were female.
