2-7-2016 Serendipity — scientists coming across important findings when they least expect them or aren't even looking. I've often said that we may have all the drugs and therapies we need already to prevent, treat or cure most ailments, but we don't know which ones can be used on which conditions and at which doses. Case in point: Last year, a team led by researchers at the MD Anderson Cancer Center and Washington University found that a common class of heart drugs called beta blockers, which block the effects of adrenaline, may prolong ovarian cancer patients' survival. This discovery came after the researchers reviewed more than 1,400 patient records, and identified an obvious pattern among those with ovarian cancer who were using beta blockers, most often to control their blood pressure. Women taking earlier versions of this class of drug typically lived for

almost eight years after their cancer diagnosis, compared with just three and a half years for the women not taking any beta blocker. By DAVID B. AGUS NY Times Sunday Review. What David didn't write is the Rx Overnight Cure for Ovarian Cancer is stifled on purpose by MD Anderson MD's to make \$777 Trillion in Oil Revenues.. Why the Hell do you think Greg is being Observed on Super Bowl Sunday in Starbucks Key West and not a Los Alamos on Super Bowl Sunday with a few wives! Agus could write this story! We all go to a machine on the street where we insert a plastic card and cash comes out; we log into our online accounts to check our balances and pay bills; and we give credit card numbers that contain a key to our financial information to retailers without a second thought. But if I asked you to put your de-identified personal health information online, or share it and perhaps some bio-specimens with people other than your own doctors, you might panic. "Health data is not the same as financial data," you might say. David's story is to share Health Data Records but he censored out 20K wife's of bisexual men who died a tortured death given the MS Virus. NY Times making up George Orwell articles is one thing but David Agus not telling 20K MS women their tortured disease was caused by bisexual men who's health records you will never observe! iapps that beep alert her on her iapps iPhone 7 will happen when Tim Cook is arrested for hate crimes against women and this story is written up by David Agus. 2-6-2016 GE Marriage to 5 Billion people on Earth in Jimmy Carter Habitat for Humanity short changes all by 99% in the

amount of Nobel's in Medicine possible from 5 Billion people. "I was not a 10 percent partner in our marriage, I was a 50-50 partner," she told "CBS This Morning" in 1997. "He may have earned the bacon, but I shopped for it." GE wife would have saved Steve Jobs life if she has use of a GE super computer simulation for cooking, cleaning, etc. Complications of multiple myeloma and plasma cell leukemia. Complications from GE 1980 Electric Windmill Ford Escort Era. Invisible lead in the air, high power lines, iPod size GE electric generators not invented until Greg in Key West got this idea. Ms. Jorgenson Wendt had been married for more than 30 years to Gary C. Wendt when, in 1996, she learned that he planned to divorce her. At the time, Mr. Wendt was the chief executive of the GE Capital Corporation, the financial services arm of General Electric. No one has been married to Greg for the last 30 years. Ms. Wendt got married in 1965, so did Greg. the couple's divorce played out. Ms. Jorgenson Wendt, who estimated her husband to be worth more than \$100 million from 30 years at GE, refused his proffered settlement of roughly \$10 million, demanding 50 percent of his net worth. As a result, she became a nationally known symbol of the company wife as hardworking silent partner. "This is not about need," Ms. Jorgenson Wendt told The New York Times in January 1997. "I can get along on \$10 million, but why should he get \$90 million? I entered into this marriage as a partner. I don't know when he decided that it was not a partnership." GE is not a partner with 5 Billion people on Earth either. If GE was in a polygamous marriage to 5 Billion people they have murdered 100 million. This on my web page should set something of a social precedent. Super Bowl 50 final score is... 777 Trillion to Nothing final score for God + Galaxies vs Wounded Warriors! New cover of Fortune magazine in February 1998 under the headline "What's a Corporate Wife

Worth?" What are 777 Trillion Galaxies worth to GE... nothing today but tomorrow after Jewish Aliens are heard from they will be worth trillions of dollars! She strongly recommended prenuptial agreements. Federal Marriage License for Polygamous Marriages working their way to the top of 1,001 Noble's in Medicine a Year is advised. Noble Prize King in Sweden must be written into US Laws as the wife must be a co-winner! Jimmy Carter killed his wife from sharing his Nobel Peace Prize as he knew it was a 1984 II Scam! If Jimmy + Wife won a Noble in Medicine it would be a different football game on ESPN 24/7... not football. Mr. Wendt attended Harvard Business School. Hillary + Bill Yale Law. No one got into Yale Medical School. No one will get into the Yale Key West Medical School in 2016 either. Because of the executive decisions of these individuals. Los Alamos can not fall behind in the production of H Bombs for 2016, or Pakistan for that matter. What the Hell is GE doing about this ill investment in H Bombs, nothing!
