Take Le Boudoir, a gilded cocktail den that opened this winter under Chez Moi, a casual French bistro. The owners, the husband-and-wife pair Tarek Debira and Patricia Ageheim, modeled the subterranean chambers after Marie Antoinette's boudoir in Versailles. All NY Times reporters will have a MD-Journalism degree after the coup! What will drive the trend for MD-Journalism degree's! American Society for Aesthetic Plastic Surgery says that 400 girls 18 and younger had labiaplasty last year, an 80 percent increase from the 222 girls who had cosmetic genital surgery in 2014. While the overall numbers remain small, the data probably understates the trend because it does not include procedures performed by gynecologists. A 2013 British report found the number of labial reductions on girls and women done by the National Health Service had increased fivefold over 10 years. Girls 18 and younger account for less than 2 percent of all cosmetic operations, but almost 5 percent of all labiaplasties. (The most popular cosmetic procedures for teenagers are ear surgery, with 11,288 procedures last year; nose surgery with 10,308; and breast reductions with 3,698.) **Clinton 1984 II Society here in Key West. Clintons visited Key West and made front page news eating "Cheeseburger's in Paradise" then Bill almost died from them. Today, will yesterday after I wrote up "Cheeseburger's in Paradise" I walked out of Starbucks and some 1984 II "Observer" in a McDonald Shirt in front of the Hotel La Concha entrance spit at me. Hillary needs to make public Bill's death from "Cheeseburger's in Paradise" as Apple is losing momentum to "Cheeseburger's in Paradise" in our 1984 II Society. addicted to "Cheeseburger's in Paradise" and warrior mentality if anyone gives you a "Cheeseburger's in Paradise" warning label with Bill Clinton on the package it's "vitriol" you too. **4-25-2016 New York Today: The New Rules of Passover - New York Today By ALEXANDRA S.**

**LEVINE** Why is this Passover different from all other Passovers? The holiday has generally forbidden followers — including more than one million Jews in New York City alone — to eat cookies, bread, rice, beans and other products during the observance period. New items for today's Passover include chickpeas, hummus and peanut-butter-dusted corn puffs called “Bamba” — a hot commodity among children. The New York area’s Jewish population — the largest outside Israel — typically honors the beginning of the holiday with a Passover Seder, which this year fell over the weekend. But the celebration continues through Saturday, and local events include matzo tours at the Museum at Eldridge Street, children’s tapestry classes at the Jewish Museum and screenings of Jewish documentaries and films at theaters and centers across the city. Be sure to pack some Bamba for the subway ride. Work on the Computer Simulation of the Universe by God too. Well at least get some Jew to make a computer simulation of all the Jewish Children's DNA on the Subway ride, get the particle detection analysis from a futuristic iPhone 007 that can detect the size of particle in the air in the subway car. MIT is a big user of Particle Measuring Machines that use a laser + air. When the laser hits a particle in the air in a subway sample of air it recorded the particle size and how many per cubic of air. This Passover really needs a better computer simulation of God. Passover, Israel’s Earth Day celebration will be taking place on Monday, April 25, in Kishon Park in Haifa, a city taxed by carbon and air pollution. By YOSEF I. ABRAMOWITZ

4-25-2016 created some controversy Saturday when she referenced Ms. Lewinsky, the former White House intern who had an affair with President Bill Clinton. Though Ms. Dawson was talking about cyberbullying and about being under pressure to support Hillary Clinton, the Clinton campaign has called the comment “vitriol.” nastiness, sarcasm, venom, contempt, disdain, hatefulness, hostility, malevolence, maliciousness, virulence, acrimoniousness! Give Bill Clinton a taste of alcohol, a piece of cheese burger, sex at the dinner table as a kid, preteen Bill Clinton. At Yale with Kerry spending thousands a week on New Haven Prostitutes. Yale Law School doesn't have the same course as Yale Medical School; Doctors + Dictators, grin. Does Caesar have syphilis, Bill Clinton, Hillary? Hillary as a preteen was Cautious but Confident, Considering Running Mates Mrs. Clinton is said to care less ideological sex desires. iPhone 007 can help preteen Hillary's today. 19K will be murdered by a drunk man in 2016. This will be called vitriol if Trump brought it up and Hillary's girl friends in Saudi Arabia, UAE have a higher death count from non-drunk men via Medal of Honor code for Muslim men, women must not drive a gravity engine car. 4-25-2016 iPhone 007; Write your Novel titled "19K SWF Murdered in 2017 in a 1984 Society" Women will find less statistics for the 19K SWF murdered in 2017 - find peace of mind in the location-tracking features in smartphones that let them keep tabs on their children. There are also the dog owners who can rest easy knowing that hired dog walkers are doing their job. And then, there is the comfort of tracking your pizza delivery. When Lora Mastrangeli orders one from Pizza Hut every other week, she does not just wait for it. She stalks it. The moment her order leaves the nearest Pizza Hut, about 30 minutes from her home in Plano, Tex., the restaurant sends Ms. Mastrangeli an alert on her smartphone with a link to a map showing an image of a pizza delivery car driving toward her house. Since she knows her driver’s location, she knows precisely when to scoop her two small dogs up and sequester them in a back room to keep them from yapping at the driver. Now!! To cut the statistics of SWF murdered in 2017 with the iPhone 007. No Way said Tim Cook I hate women! Grin. I know Tim has said this. This war

between men and women. No Gas Stations on Earth will effect this war too. And new services from Comcast and Time Warner Cable allow customers to see the exact location of the cable repairman on the way to the house. Comcast let you see OJ with the knife... as he is walking up to your sidewalk. Companies like Apple, too, have made helicopter parenting easier by letting mothers and fathers track the locations of children through their smartphones. Tracking their sex partners and sex acts so then don't end up like Bill in the White House with a wife who has to answer for his sex acts with Monica. companies like Pizza Hut, Comcast and Time Warner. FBI, Homeland security, cops, Bill Clintons first sex act at the White House was not with Monica, he just didn't get caught. Dr. Frei, the Harvard Business School professor, said customers would be happier if Comcast were more precise with its appointment estimates from the start. Dr. Frei comments on the 19K SWF murdered in 2017 will not be written up in the New York Times or written in a iapp for a smartphone. This is 1984 II and still Big Brother is watching you but not watching out for you... elite to as Mary Kennedy was murdered by Robert Kennedy Jr. who didn't get caught with Monica.
