Key West Island we have a great group of neighbors
Our solar systems neighbors within 10 light years...

Unfortunately, several within 10 light years
closest family are Alpha, Beta Proximi Centauri

No one meet them for New Years Day 2012
spirit of Yale + Harvard elite grads didn't inform you!

Thoughts of responsibility by Yale + Harvard grads!
Under no circumstances think they watch out for you!

This may seem trivial to some ...
But will make you a old maid with no desire to marry.

To marry means to invent something for Humanity
You will not help your neighbor brains form a cure for cancer.

yet you will not have a guilty conscience ...
why, because serenity, empathy, is 14 years ...

To marry means to watch out for your soul mate.
Cancer is breast cancer and domestic violence ...

I would like to wish everyone a Happy New Year 2012

you will not help your neighbor brainstorm a cure

For Breast Cancer!

And you will not stop smoking cigarettes!

Tour Guides at the Hemingway House tell you of affairs!
You must read Earnest's last wife's book of letters, MARRY

To marry means to look out for your soul mate.
MARY was not a MD woman

Hemingway was never an intellectual!
Hemingway House is about the "BRICK WALL" he built

To keep the tourists from knockin on his door
Under no circumstances knock on my door!

Everyone on the Hemingway House tour is hospitable + fun
I would like to remind you of "Utopian Novels"

Were the 2012 Hemingway and his 5 wives get a "Nobel
For the "Utopian Novel" that is "Electro Shock Cure".

Hemingway House tour Guides will help you brainstorm...

Key West Island we have a great group of neighbors
Our Solar Systems neighbors within 10 light years.

Unfortunately, several within 10 light years
closest family are Alpha, Beta Proxi Centauri

No one meet them for New Years Day 2012
spirit of Yale + Harvard elite grads didn't inform you

Thoughts of Responsibility by Yale + Harvard grads!
Under no circumstances think they watch out for you

This may seem trivial to some ...
But will make you a old maid with no desire to marry

To marry means to invent something for Humanity
You will not help your neighbor brains form a cure for cancer

yet you will not have a guilty conscience ...
why, because Serenity, Epathy, is 14 years ...

To marry means to what out for your soul mate.
Cancer is breast cancer and domestic violence ...

I would like to wish everyone a Happy New Year 2012
