Happy Birthday Poem was in the windows below Paula the owner of MacDonald's bookstore was a friend in 1975 and put the card printed in a wedding invitation format in the windows of her bookstore. In the years since 1975 I have see and talked to Paula several times, to say the least I impressed her with the invention of the electric windmill car in 1980, unfortunately Estes Park is the HQ for retired generals and full Bird Cols's who could not care who burned in fiery car wreck... the enemy or you and your kids on the highways of the USA. There will be a small Oil Genocide Trial in Estes just for the YMCA and retired Generals... Killing thousands of the enemy or 3 million in Vietnam left all the retired Generals in Estes Park callous like the 12 Roman Caesars... side effect from going into villages in Vietnam or Iraq and killing all the women and children because the men are out fighting the war. So typical behavior in war... Vietnam should have pictured the 3 million women and kids killed... now 60k women and kids killed in Iraq and 7 million in the USA will burn in fiery car wrecks for more oil money to pay for the war in Iraq. All this in a 1984 society were no observer cares if they are caught on video saying ... "let them burn in gasoline... we need the Texas Oil money...." everyone on MSNBC has said this! Clinton and his wife said this every day for 8 years.... Bush and Bush and both their wives said this every day for 8 years and now 7 million cops and kids have been burned and burned to death on the highways and roads of the USA so Texas Oil men can keep the money flowing.

Paula is 77 years old now I am 59 years old now looking back to 1975 and Paula, yes she was a fox and single... and a book store geek... we could of ended war on Earth if we hooked up in 1975!

wow - the ones who got away... grin!

Happy Birthday Poem was in the windows above, Paula the owner of MacDonald's bookstore was a friend in 1975... five years before the invention of the electric windmill car in 1980. Since then 7 million cops and kids have burned and burned to death in gasoline for more oil money for Bush and Texas to bribe the YMCA, City Hall USA and even Police Chiefs and Generals to let their troops burn to death in gasoline.

Officer Jason taunting Kennedy, McCain, Bush

Officer Jason taunting Kennedy, McCain, Bush

Officer Jason will taunt the Observers in DC

Officer Jason and the other 7 million cops and kids burned in gasoline will pour gasoline on those who profited from 7 million burned in gasoline and set them on fire on CNN live to say the least.... they will do in their revenge!

One Billionth Electric Windmill Car in 2007

Coming off the Ford Assembly line

On John Lennon's 67th BDay

Moscow -- 2007 --- Oil Czar Putin is killing KGB spies who want his oil money!

**KGB spies do not want to help Moscow cops who will be burned in gasoline
KGB spy's Putin is killing want to spend the oil genocide
money on themselves!**

Another Genocide

The fiery tanker... burning in the flames in the black smoke you can see the small flames from the SUV. This will be cloned every day in 2006 sometimes twice a day for 365 days. Boss poem and poetry reading is based on those burning in the small flames of their SUV in this picture... while those in Colorado get \$1 billion in bribes to go along with the suppression of the Electric Windmill Car.

9-11 Attack would never have happened if the Electric Windmill Car was not suppressed by the USA gov. since its invention in October 1980

9-11 Attack would never have happened if the Electric Windmill Car was not suppressed by the USA gov. since its invention in October 1980

Greg's End War on Earth web pages!!!

One Billionth Electric Windmill Car in 2007

One Billionth Electric Windmill Car in 2007

One Billionth Electric Windmill Car would be on the roads in 2006 if... the worst human beings below were not psychotic mad men and women. Letting others kids burn in gasoline for more oil money.

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis.

Worst human beings of 2007...

7 Million Cops will burn and burn to death in gasoline for more oil money.

Another Genocide

Worst human beings of 2007 goes to...

And they will be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them, and tens of thousands of cops and kids burned in gasoline will testify against them also!

Worst human beings of 2007...

7 Million Cops will burn and burn to death in gasoline for more oil money.

Worst human beings of 2007 goes to...

YMCA men and women...

Red Cross men and women...

Swiss Bankers and their wives...

UN Secretary-General...

Bill Gates and his wife...

Jews and the Pope...

Laura Bush watched 469 people burn alive in gasoline same people you see her with in the video clips of her in Lagos school with the kids. Yet she refused to expose the suppression of the Electric Windmill Car. 269 were burned alive on Christmas Day 2006 and she watched this and said nothing... worst human beings on Earth are those protiting from Oil. While some others kids burn in gasoline.

Red Cross says 269 killed in Nigerian fuel blast.

Crowds of local residents went to scoop up gasoline in plastic containers after an armed gang punctured the underground pipeline overnight to siphon fuel into road tankers. 269 people were burned alive. 160 people were taken to two hospitals in Lagos suffering from burns.

A similar explosion at a vandalized pipeline in another part of Lagos in May killed about 200 people.

Despite huge exports of crude oil, Nigeria suffers regular shortages of petrol and diesel because it relies on imports of refined fuel from the West. President Olusegun Obasanjo has billions in Swiss bank accounts. Industry experts estimate that about five percent of Nigerian crude oil is stolen for export by criminal syndicates with contacts in the military and government.

But smaller-scale theft of gasoline and diesel is also common, and much more deadly

because of the highly flammable nature of these fuels.

Of all those behind the hidden cameras in this Orwellian Society who could have exposed the suppression of the electric windmill car invented in 1980 who didn't

Leaders of the YMCA in Estes Park Colorado as the worst as they aligned with Bush one week before 9-11 and if instead they would of exposed the suppression of the electric windmill car then the news of this would of cause the 9-11 attack the next week to be nonexistence, and the USA would never have attacked Iraq twice. The men and women of the YMCA should be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them in Colorado.

Jews will lose the state of Israel for going along with the Oil Genocide that killed 6 million white cops in the USA, Moscow and around the world. Jews in 2006 profited from the oil genocide and the pay off is Swiss Bank Accounts and a suppressed Genocide by Jews for more oil money while someone else's kids and cops burn in gasoline.

Pope will lose Vatican City to those burned in gasoline... Vatican City will be a memorial to genocides that paid the Pope's billions in oil money to go along with let others burn and burn to death in gasoline for more oil money. 100's of burnt out cop cars will be nail to crosses on the roads and highways leading to Rome and the Vatican City.

Bill Gates and his wife killed hundreds of millions of inventors, and most were HS and University students.

2007 inventions

1. Prism light will replace ink cartilages.

2. Projectors will replace Sony 40" LCD TV/Monitors when projector manufacturers mass market them with LED bulbs instead of Projector Lamps.

3. Target you must have your receipt to get a refund and the Management will not take my idea to put all receipts on your credit card or Target Card... ie I also told Mark the top Manager to build a drive up window for Starbucks and the Pharmacy now Wall Greens is advertising 24 hour drive up windows for the Pharmacy and Starbucks... and the Managers just get promoted again no matter how many suggestions they shoot down from the temps from Manpower or Seasonal Target people. So much for getting promoted for merit... Merit does not exist in this Orwellian Society there are to many Observers... who are bullies... ha

2k Iraq ---- 40k from alcohol poisoning.

One Billionth Electric Windmill Car would have come off the Ford assembly line on Lennon's 66th BDay in 2006 if Yoke would have exposed the suppression of the Electric Windmill Car invented by me in Oct of 1980... observed on hidden cameras by Observers!

www.officerjason.com

Daily Camera newspaper reporters tore up Officers Jason's pictured above when I put up posters of this web page on the Pearl Street Mall, which is next to the newspaper HQ. Only a man could destroy a picture of a cop burnt in gasoline when his cop car was rear ended, a women even a women in this Orwellian Society would not have torn up the cops picture above.

DC Cops ----- will take as much oil money as possible letting other cops burn in gasoline like Officer Jason above as long as they can take the money and run to the bank, DC Cops live for the money to Hell with the Officer Jason's\$\$\$\$\$\$\$\$

Beijing Cops ----- will burn Hu and his Communist Ruling Class in gasoline when they find out the electric windmill car has been suppressed since 1980 and Hu and his gang of oil genocide nigers let them burn in gasoline since 1980 via the USA government and Texas Oil men... Hu will be burnt alive in gasoline... according to Chinese history.

Boulder Colorado USA Cops ----- will keep their jobs doing nothing for cops in Beijing or Moscow etc.

Moscow Cops ----- will Kill Putin and his whole family... just like the Czar as they will be out for

Justice against the Oil Czar and Oil Men Hitler's... Putin will be see as worst than the Czar and Hitler, Moscow Cops will have no mercy at all!

6 Million Cops will burn and burn to death in gasoline for more oil money. Another Genocide, this one I call the "oil Genocide" because the Electric Windmill Car was invented in 1980...

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

End To War on Earth

Kennedy could of used The Electric Windmill Car In 1980.To End War on Earth ! Instead he voted to suppress it. For more oil money and wars... This is a crime to say the least. Senator Kennedy observed me on hidden cameras... Brainstorming for 6 months, then getting the Electric Windmill car invention in 1980.

\$

Prosecutors will show vivid pictures of 6 million burned and burned to death in gasoline. Nancy Grace was a prosecutor in Atlanta Georgia while tens of thousands burned and burned to death in gasoline in the USA.

Ironic going after petty criminals while the Texas oil men are mass murderers.

I'm looking for wives, to brainstorm inventions, women who **want to find gravity control and a cure for cancer and are** MD PHd "ROCK CLIMBERS" and the like.

All is fair in love and war, women will inspire us to get a cure for breast cancer for the 40k women who will die in 2006, and another 40k will die in 2007 from breast cancer.

I am home alone not started working on 1,001 inventions or a breast cancer cure. Besides the electric windmill car, I have over 100 inventions some are very impressive.. I hoped to impress women enough to accept my proposal to join me in a 100 wife commune working 24/7 to get the cure for cancer and gravity control - I will have to wait to work on 1,001 invention projects and a cure for breast cancer. I am ripe and ready to work 24/7 for 30 days to say the least.

Observers in our Orwellian society are part of my life, run my life so the decision to work 24/7 is not just up to me but who ever runs things in our Orwellian society. Gen. Orwell will not let me work on a cure for cancer and gravity control because of the Vietnam War Era. Today it's the Oil Genocide Era with the Electric Windmill Car being suppressed since 1980 resulting in 6 million cops and kids burning and burning to death in fiery car wrecks. This is a crime against humanity by DC Observers and Observers.

Here in Boulder Colorado "Observers" get \$\$\$ bribes from DC. And our local University got 3 Nobel Prizes as bribes to not expose the suppression of the Electric Windmill Car - they will all hang. Those in Boulder and those in Sweden. Imagine Court TV and Nancy Grace talking about this Oil Genocide... grin!

NASA would have several new models of Space Telescopes "Today" if Katie Couric while still on the Today Show would of exposed cops and kids burned in gasoline for more oil money by USA government officials. And if NASA would not have gone along with this Oil Genocide that burns people in gasoline for more oil money.

Greg's new 2008 Model of a Space Telescope with not depend on Oil Money for bribery but will use the Top MIT scientist not the criminals at Ball here in Boulder, CO who harass me every time I bike by there buildings.

They harass me for inventing the electric windmill car.... no top scientists here at Ball Aerospace Boulder, CO.

Greg's new 2008 Model of a Space Telescope Will have 2 sections both "life Boats" that can parachute back to earth... 1st will be the telescopes. Second will be the living quarters for the Astronauts docked in orbit with the telescope section. Telescope section will have quarters for crew "lifeboat in a emergency". Both launched one at a time on the biggest launch rockets available in 2008 so we will be designing a new class of launch rockets too.

No Brainerd if the Texas Oil Men were not in charge burning 140,000 in gasoline and not even making the National News with Katie Couric... on this top story of the day. When Katie Couric announced the repair mission of Hubble she did not mention buying a new model Telescope so this news is bias to say the least. Add in those burnt in gasoline today who didn't make the news. Imagine!

Ford bombard, posting worst loss in company history

Ford Motor's loss of \$12.7 billion in 2006 -- the worst year in the company's 103-year history

2007 history will see Ford CEO hang a year after Saddam

Ford in history

lost the electric windmill car

and went along with the Presidents of the USA

to let 7 million burn and burn to death in fiery car wrecks

when gasoline should not be in any Ford car or truck built

since 1980..... recall of all gasoline cars and trucks by Ford

will Bankrupt the car company and add a history deserving of
executives who let the neighborhood kid and cops burn in gasoline.....

rather than getting Bush and Bush impeached and Hanged long

time before Saddam was attacked and hanged.

Ford bombard, posting worst loss in company history

Ford Motor's loss of \$12.7 billion in 2006 -- the worst year in the company's 103-year history -- highlighted the difficulty in living in an Oil Genocide Era when gasoline should have been 10 cents a gallon since the invention of the electric windmill car in 1980.

7 million cops and kids have been burnt and burned to death in fiery car wrecks so Texas Oil men can get more oil money... now they have bombed Ford into a strange quark helpless to save its own life drowning in an Universe of Oil still in the ground and fires of tankers and fiery car wrecks littering the highways like Jets in the sky dots on the highways of the USA pinpointing all the car fires, but CBS Nightly news nigers with Katie Couric suppressing these dots on the highways....

1 Billionth Electric windmill car should of come off the Ford assemble line on John Lennon's 66th BDay in 2006 but Yoko Ono would not or could not talk her friends in Japan Tokyo into exposing the suppression of the Electric Windmill Car and its suppression since 1980 and the consequential burning to death of 7 million cops and kids in fiery car wrecks in the USA and Japan for more Texas and Saudi Oil money.

*Vista ----- Malaria cure, I will get this to send Bill Gates to Hell!
And will try to get burnt cops to annihilate Bill Gates for Stifling
the minds of millions of HS inventors...*

Bill Gates on MSNBC Today show Today

*Monday 23 Jan 2007 Bill had a copper shirt on. Cops will annihilate Bill
Gates!*

Those burnt in gasoline since 1980

At the Oil Genocide Trials in DC and Texas

*Bill Gates comments about "let them burn in gasoline
we need the oil money for Texas..." will be aired on MSNBC Today Show.*

Microsoft Golf caused many to murder...

*Social statistics (never mentioned on Today Show) will
show social causes of murder are linked to Bill Gates decisions
at Microsoft, this will be published in textbooks
after the oil genocide trials in DC have convicted all of them
for Letting 7 million cops and kids burn and burn to death
in fiery car wrecks since the invention of the electric windmill car
in 1980*

Nationalization of Microsoft after the Oil Genocide Trials in DC and Texas

Vista Malaria Cure Software

Vista Cancer cure Software

Will be writted by a few C++ programmers probably fewer then 25

*And society will get better Vista Softwares than the 5,000 C++ Microsoft
Programmers*

who spent 5 years.... if you even believe this crap from Bill Gates.

You hit the tiger on the nose with the microphone

The tiger will swat you... you idiot.

Then everyone at MSNBC will lie for you!

University Students have missed more inventions than people who have died of Malaria... this is really sick as one the the students annihilated by Bill Gates would of found the cure for Malaria and have given the University Total Recall drugs.... grin

Bill Gates and his wife swept away by the avalance of the oil genocide trials.

Bill Gates and his wife swept away by the avalance of the oil genocide trials.

*Now Rewrite this Bill Gates Vista News below
to find the cure for Malaria and get gravity control....*

New Vista ----- ha

My Getting gravity control will still be amazing in 3006

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

*Even a HS kids can observe this
you dont have to be a rocket scientists
to observe what Bill Gates did with Vista... omitting
the cure for Malaria and 1,001 other invention projects*

When you start using Windows Vista, you will recognize familiar elements such as the Start menu, which is now faster, more streamlined, and more helpful than in previous versions of Windows. The Start menu features integrated desktop search through a new feature called Instant Search which can help you find and launch almost anything on your PC. Just type in a word, a name, or a phrase, and Instant Search can find the right file for you. But more than that, the new start menu makes it very easy for you to navigate across all of the installed applications on your PC. Eliminating the slow performing, cascading "All Programs" view, the new start menu can help you get something started more quickly than ever.

Key elements of the Explorers in Windows Vista are designed to help you get to the information you need, when you need it. Instant Search is always

available to help you find files instantly. The navigation pane contains the new Search Folders found in Windows Vista, as well as traditional folders that you have created on your computer. Command Bars display only the tasks that are most appropriate for the files being displayed. With new Live Icons (scalable thumbnails) used throughout Windows Vista, you can see the first page of documents, the actual image of a photo, or the album art for individual songs in your music collection, making it easier to find exactly what you are looking for.

Your company's most valuable resource is its people. People garner insights and make decisions—they close deals, invent new products, and find new efficiencies. They work together to overcome your business challenges. And they use technology to make the most of their talents and abilities.

Windows Vista introduces powerful new technologies that will help your people do their best work. It will help them collaborate and communicate more effectively—easily connecting them to corporate resources, to the Internet, and to each other—regardless of their locations. It will also help your business lower costs, improve security, and comply with regulatory requirements.

Now Rewrite this Bill Gates Vista

Oil money spent on Saudi Princes at the Bush Texas Ranch.... is impeachable!

Impeach Bush

Before he flees to Saudi Arabia

He has sold organs illicitly to Saudi Princes

Letting Americans die waiting for a organ transplant

He is to stupid to make organ donation mandatory

His best friends in Saudi Arabia knew of the 9-11 attack

And didn't tell him.

Dream Houses in Aspen are for Saudi Princes

90k trailers decaying in a mucky field today

Aspen is on his mind

Meanwhile back on the streets of the USA

6 million cops and kids burn in fiery car wrecks

6 million patients are misdiagnosed by Bush's black MD's

1 million kids die in hot cars every year,

in the summer mostly

In his kid brothers state of Florida

Aliens cross the boarders in the tens of millions

Because Mexican Oil is part in the Oil Genocide Era

Mexicans murder Denver cops and

Bush spits on the dead cops

Then Bush goes to the Police Chiefs meetings

unmolested!

Cop Killer Bush

Aid and abetting Mexican cop killers

**Do Police Chiefs really support cops,
who have been burning
and burning to death in gasoline since 1980?**

No !!!!!!!

Cops in fiery car wrecks.

Aliens to eavesdrop on are on the Texas border

Not in Arabia - Iraq

Meanwhile at The Falls Bar in NYC

Rice's black lover rapes (3) and kills 1 white woman

Cameras are everywhere were Rice is

Rice's upper class Black MD's kill patients...

6 million patients are misdiagnosed

mostly by Black MD's

Black MD's from Yale Medical School -

Bush knows this.

President of Yale Medical School

knows this too

IBM has software to track misdiagnosis via MD's

but its not public as this is another

Genocide by the Bush Government and IBM

Bush got them into Medical School

via politics not merit!

No child left behind

then Bush lets his Black MD kill them!

Organs go to Saudi Arabia

while Americans die waiting!

CIA knows about the Saudi Organ trade

and Americans dying.

FEMA has 90k trailers

decaying

And they will be there in 90 years from today

Everyone on TV from New Orleans

has a front tooth missing!

Bush dentist has more money than Bushs MD!

Price fixing indictments from our Attorney General

4% of Priest molest boys

84% of Lawyers molest boys

And our Attorney General indicts 0%

Perverts are hidden Camera "Observers"

Who watch you in our Orwellian Society

Jacking off observing you behind hidden cameras

Benefits of working for the government

in an Orwellian Society

Whole Foods in Boulder CO

fired all the women and hired girly men

None of them has safe sex

or washes their hands after taking a shit

This is their lifestyle...

Bush knows this and eats it up for their vote,

Their support

Gates will get Bush to Kill a \$100 notebook

without Windows

Gates got Bush to let him lobotomize 6 million kids

minds

**Gate murdered 6 million inventors,
most were HS kids
Who turned to something else
because they could not afford same software as Bush at Yale
Microsoft's Office, Server, Programming C#
Software that cost \$10,'s of thousands
Not for your PC user in HS
according to Gates
Microsoft Golf and Poker is for HS
Thus Making Gates a mass murder
of HS students
Only via Bush could Gates get away with this
murderous plan
In order to make Microsoft like the Oil Companies
Making \$billions in profit every 3 months
Yet the side effects of Gates mass murder
are only pictured
In Officer Jason face burnt in gasoline
20 years after the invention of the electric windmill car
Bush is in bed with Gates and Texas Oil Men
Together they are today's mass murderers!
99% of American Observers believe this
FEMA is in bed with NCAR
Lightning will strike the Earth until NCAR
government workers are fired
Simple invention like keeping Lightning striking the Earth
Is killed by NCAR's Top Brass**

here in Boulder CO
Bush wife lets 40k women a year die
from breast cancer
And makes NBC Today Show give false hope
and tells them to never mention the 40k
Breast Cancer deaths for 2006
Husband and Wife Impeachment
is what this really is
Add in Bush Mon and Dad
and they will get the death penalty
When convicted in the Oil Genocide Trials
NVIDIA QuadroR FX 4400 and
AutoCAD design software are required
In the Real World \$100 notebook fails
F F F F F
Get you a high paying job
MIT fails in the real world
F F F F F
Required courses to graduate,
NVIDIA is a must to see the small print
In The Real World void of MIT advice
Locking Gates up next to Peterson
will only solve the software problem
\$500 Billion Bush gave to Iraq
\$500 Billion would put \$100 notebook
out of business
\$500 Billion would buy all HS kids

NVIDIA notebooks

**So they can read the small print
That caused 6 million cops to burn and burn to death
in gasoline since 1980
25 years after the invention
Of the Electric Windmill Car Invented in 1980
Department of Education
is next to FEMA and NCAR in DC
FEMA might have infected the Treasury Dept
As the new \$10 bills have no
bar code serial numbers
1st President after Bush is Impeach
will rename Dept of Education
To Department of Inventors
IBM will not longer get the most patents
Individual Americans will get more patents than IBM
Gravity Control invention will not be owned
by an American Corporation
Roche of Sweden
will not steal memory the memory Pill invention
Roche plant in Boulder CO will be a memorial site
For corporate sponsorship that let 6 million Cops
and kids burn in fiery car wrecks
Roche Impeachment will be a criminal trial
Roche has committed mass murder
because of Bush Politics
Total Recall was a Swartznigger movie**

from my invention project
Kennedy's will have to flee to Saudi Arabia
with the Bush's
Bush gave us a Universe
Without Aliens
To Eavesdrop on via MIT
MIT profited from Texas Oil men
During our Oil Genocide Era more than most Universities
Universe without any Aliens to eavesdrop on
Impeach Bush
Eavesdropping on Americans and the rest of the World
Bush's Universe
Yale Medical School is not part of Bush's Universe
Universe without any Aliens to eavesdrop on is Bush Universe
F grade
Bush murdered the rest of the Universe
Side Effects were not mentioned
The Falls Bar

Gravity is deleted from the Today show by Matt Lauer

Gravity is deleted from the Today show by Matt Lauer

Gravity is deleted from the Today show by Matt Lauer. This is not overlooked or forgotten by the staff at MSNBC but deleted on purpose.

Matt Lauer deletes all intellectual and medical news stories from the Today Show this is why Katie Couric clashed with him.

The spinning of quarks could create gravity...

Gravity could be an Element like U-235

Time could be an Element like U-235

The spinning of Quarks could create time....

MSNBC wants innovation, would like me to invent a gravity control device and a gravity engine for traveling through space at warp speed being pulled by gravity and propelled by gravity but the top brass are girley men... depraved fags, who do not want the fear of God put in into the masses or themselves.

Gravity is deleted from the Today show with Matt Lauer

Gravity is deleted from the Today show with Matt Lauer. This is not overlooked or forgotten by the staff at MSNBC but deleted on purpose.

MSNBC wants innovation, would like me to invent but wants to keep the status quo of promoting news stories the top brass picks, like Bush jumping out of a plane with a parachute on his 82nd BDay... this is so far from light years travels and working on gravity research no one in their right mind would not classify this as CIA disinformation to keep the masses who watch Today Show ignorant of Gravity and the fact that no one on Earth knows what gravity is and how its created....

It's premeditated....

Its murder of innovation same thing Bill Gates has been doing with Microsoft Golf for decades... Microsoft Malaria will never happen it will be Microsoft Golf until Bill Gates is hanged at the Oil Genocide Trials. After the electric windmill car and all its spin off inventions are documented at the trial.

Dr. Faust's fifth book, "Mothers of Invention:

Omits the suppression of the electric windmill car invented in 1980 when Dr Faust was 33.

"One of the things that I think characterizes my generation... is the suppression of the electric windmill car.

As its inventor Greg Buell is also 59 years old, 60 on Sept. 27, 2007 and he was born at Yale Medical School not Harvards medical school.

CAMBRIDGE, Mass., Feb. 11 — Recalling her coming of age as the only girl in a privileged, tradition-bound family in Virginia horse country, Drew Gilpin Faust, 59, has often spoken of her "continued confrontations" with her mother "about the requirements of what she usually called femininity." Her mother, Catharine, she has said, told her repeatedly, "It's a man's world, sweetie, and the sooner you learn that the better off you'll be."

"One of the things that I think characterizes my generation — that characterizes me, anyway, and others of my generation — is that I've always been surprised by how my life turned out,"

In that world, said one of Dr. Faust's brothers, M. Tyson Gilpin Jr., 63, a lawyer in Clarke County, his sister did some of what was expected of her: She raised a beef cow, joined the Brownies and took dancing lessons. But she resisted other things — becoming a debutante.

"My sister took off on her own track in prep school on," Tyson Gilpin said. "I think she read the scene pretty well. She was ambitious. She wanted to accomplish stuff." but would not expose the suppression of the electric windmill car invented in 1980.

At Penn, Dr. Faust, who was divorced from her first husband, Stephen Faust, in 1976, met Charles Rosenberg, a professor who is regarded as a leading historian of American medicine, and who became her second husband.

She and Professor Rosenberg have a daughter, Jessica, a Harvard graduate who works at The New Yorker.

She also has a stepdaughter, Leah.

Dr. Faust's fifth book, "Mothers of Invention:

Omits the suppression of the electric windmill car invented in 1980 when Dr Faust was 33.

Kennedy owns Harvard and MIT this is why Faust had to choice but to go along with the Oil genocide Era.

Saddam's vice president to hang
Gulf News - 6 hours ago

Saddam Hussain's vice president was sentenced to death by hanging by an Iraqi court on Monday. It

was anticipated that Taha Yassin Ramadan, who is the fourth member of the ousted regime to face death, would be hanged after an appeal court deemed his ...

Cheney vice president for the Texas Oil Men who burned and burn to death 7 million cops and kids in the USA several million more through the World during the suppression of the electric windmill car...

Bill Gates and Kennedy to hang....

Era that will make Sony billions probably more billions than Texas Oil men made from 1980 to 2007 -- In Movies!!!

No testimony so far has supported the idea, proposed by some critics, that Mr. Cheney deliberately sought to punish Mr. Wilson by ordering the exposure of the covert employment of his wife, Valerie Wilson, by the Central Intelligence Agency. It was the disclosure of Ms. Wilson's C.I.A. job that prompted the criminal investigation that ultimately led to perjury and obstruction of justice charges against Mr. Libby...

NASA's crazy women.

700 Shuttles should of been built by today.... 7 Feb 2007

NASA to Review Psychological Screening Process on President Bush.

NASA's crazy women...

I want some of them to work with on a cure for cancer and gravity control...

Excitement of blasting off...

In the Shuttle...

Excitement of blasting off...

In brainstorming inventions with the inventor of the Electric Windmill Car...

Excitement of blasting off...

When the observers come out from behind the hidden cameras...

I will jet off to MIT, Yale and Harvard Medical School and try to find some crazy women who have been married for 20 years and are now ready, ripe and crazy enough to hook up with an inventor to End War On Earth...

and get some new inventions in the process...

I also have to stop by Court TV in NYC and try to find a few crazy Lawyer women - (no not Nancy Grace she is not Man Crazy.... ha Nancy Grace's mentality is one of Widow Forever after her lover was murdered... ----- Nancy Grace would not hook up with the inventor of the electric windmill car to End War on Earth.)

Mentality I'm looking for in a Crazy Lawyer a woman is...

War is Enough....Enough of War by the insane men

lets end war on Earth or die trying.

We will sue the Pentagon and Rice for going along with the oil genocide era that burned 7 million cops and kids in gasoline since 1980.

This could bankrupt the Pentagon if they have to pay all the widows \$1 Billion each... for all the cops and husbands killed in fiery car wrecks since 1980 when the Pentagon Generals found out about my Electric Windmill Car invention but sold out to Kennedy and the Texas Oil men.

Pentagon will have to pay those burned in fiery car wrecks for the rest of their life. And a lump sum for being burned in gasoline when the Pentagon Generals knew but would not stop the Oil Genocide Era from 1980 to 2007

MD's in our Orwellian Society have sued into Bankruptcy those burned in gasoline.

MD's who have does this will be tortured....

And 9-11 Widows will get \$1 Billion more each

As the Pentagon Generals profited from the Oil Genocide bribes to the Pentagon and the 9-11 attack would of been could of been prevented by Rice and the Pentagon Generals so they are libel for \$1 Billion for each 9-11 widow... this will help Bankrupt the Pentagon....

And if nothing else we can End War on Earth by Bankrupting the Pentagon.

NASA to Review Psychological Screening Process on USA Presidents and Senators who voted for War

in Iraq and then spent \$700 billion on the war instead of buying 700 Shuttles for the same price....

\$700 Billion, Bush McCain Kennedy spent on Iraq

Insane President of the USA shipped \$8.5 billion in cash on pallets to Baghdad

NASA women have been spending too much time between shuttle flights and the Shuttle has been living in any Oil Genocide Era instead of an era of 700 Shuttles being built with the \$700 Billion Bush McCain Kennedy spent on Iraq War...

Insane President of the USA shipped \$8.5 billion in cash on pallets to Baghdad for pay offs while NASA in this Orwellian Society could only watch on Orwellian TV... this would drive anyone crazy.

I'm looking for Crazy Women like Lisa Nowak.... as she is Lost and Yes Lost is on TV tonight.

Seduce women to invent something, to be the Goddess of inspiration.

Don't put her on hold until Bush, McCain, Kennedy get drunk enough on Texas Oil money.

Tolstoy

A Confession

by Lev Nikolayevich Tolstoy
Distributed by the Tolstoy Library OnLine

First distributed in Russia in 1882

I

I was baptized and brought up in the Orthodox Christian faith. I was taught it in childhood and throughout my boyhood and youth. But when I abandoned the second course of the university at the age of eighteen I no longer believed any of the things I had been taught.

Judging by certain memories, I never seriously believed them, but had merely relied on what I was taught and on what was professed by the grown-up people around me, and that reliance was very unstable.

I remember that before I was eleven a grammar school pupil, Vladimir Milyutin (long since dead), visited us one Sunday and announced as the latest novelty a discovery made at his school. This discovery was that there is no God and that all we are taught about Him is a mere invention (this was in 1838). I remember how interested my elder brothers were in this information. They called me to their council and we all, I remember, became very animated, and accepted it as something very interesting and quite possible.

I remember also that when my elder brother, Dmitriy, who was then at the university, suddenly, in the passionate way natural to him, devoted himself to religion and began to attend all the Church services, to fast and to lead a pure and moral life, we all -- even our elders -- unceasingly held him up to ridicule and for some unknown reason called him "Noah". I remember that Musin-Pushkin, the then Curator of Kazan University, when inviting us to dance at his home, ironically persuaded my brother (who was declining the invitation) by the argument that even David danced before the Ark. I sympathized with these jokes made by my elders, and drew from them the conclusion that though it is necessary to learn the catechism and go to church, one must not take such things too seriously. I remember also that I read Voltaire when I was very young, and that his raillery, far from shocking me, amused me very much.

My lapse from faith occurred as is usual among people on our

level of education. In most cases, I think, it happens thus: a man lives like everybody else, on the basis of principles not merely having nothing in common with religious doctrine, but generally opposed to it; religious doctrine does not play a part in life, in intercourse with others it is never encountered, and in a man's own life he never has to reckon with it. Religious doctrine is professed far away from life and independently of it. If it is encountered, it is only as an external phenomenon disconnected from life.

Then as now, it was and is quite impossible to judge by a man's life and conduct whether he is a believer or not. If there be a difference between a man who publicly professes orthodoxy and one who denies it, the difference is not in favor of the former. Then as now, the public profession and confession of orthodoxy was chiefly met with among people who were dull and cruel and who considered themselves very important. Ability, honesty, reliability, good-nature and moral conduct, were often met with among unbelievers.

The schools teach the catechism and send the pupils to church, and government officials must produce certificates of having received communion. But a man of our circle who has finished his education and is not in the government service may even now (and formerly it was still easier for him to do so) live for ten or twenty years without once remembering that he is living among Christians and is himself reckoned a member of the orthodox Christian Church.

So that, now as formerly, religious doctrine, accepted on trust and supported by external pressure, thaws away gradually under the influence of knowledge and experience of life which conflict with it, and a man very often lives on, imagining that he still holds intact the religious doctrine imparted to him in childhood whereas in fact not a trace of it remains.

S., a clever and truthful man, once told me the story of how he ceased to believe. On a hunting expedition, when he was already twenty-six, he once, at the place where they put up for the night, knelt down in the evening to pray -- a habit retained from childhood. His elder brother, who was at the hunt with him, was lying on some hay and watching him. When S. had finished and was settling down for the night, his brother said to him: "So you still do that?"

They said nothing more to one another. But from that day S.

ceased to say his prayers or go to church. And now he has not prayed, received communion, or gone to church, for thirty years. And this not because he knows his brother's convictions and has joined him in them, nor because he has decided anything in his own soul, but simply because the word spoken by his brother was like the push of a finger on a wall that was ready to fall by its own weight. The word only showed that where he thought there was faith, in reality there had long been an empty space, and that therefore the utterance of words and the making of signs of the cross and genuflections while praying were quite senseless actions. Becoming conscious of their senselessness he could not continue them.

So it has been and is, I think, with the great majority of people. I am speaking of people of our educational level who are sincere with themselves, and not of those who make the profession of faith a means of attaining worldly aims. (Such people are the most fundamental infidels, for if faith is for them a means of attaining any worldly aims, then certainly it is not faith.) these people of our education are so placed that the light of knowledge and life has caused an artificial erection to melt away, and they have either already noticed this and swept its place clear, or they have not yet noticed it.

The religious doctrine taught me from childhood disappeared in me as in others, but with this difference, that as from the age of fifteen I began to read philosophical works, my rejection of the doctrine became a conscious one at a very early age. From the time I was sixteen I ceased to say my prayers and ceased to go to church or to fast of my own volition. I did not believe what had been taught me in childhood but I believed in something. What it was I believed in I could not at all have said. I believed in a God, or rather I did not deny God -- but I could not have said what sort of God. Neither did I deny Christ and his teaching, but what his teaching consisted in I again could not have said.

Looking back on that time, I now see clearly that my faith -- my only real faith -- that which apart from my animal instincts gave impulse to my life -- was a belief in perfecting myself. But in what this perfecting consisted and what its object was, I could not have said. I tried to perfect myself mentally -- I studied everything I could, anything life threw in my way; I tried to perfect my will, I drew up rules I tried to follow; I perfected myself physically, cultivating my strength and agility by all sorts

of exercises, and accustoming myself to endurance and patience by all kinds of privations. And all this I considered to be the pursuit of perfection. the beginning of it all was of course moral perfection, but that was soon replaced by perfection in general: by the desire to be better not in my own eyes or those of God but in the eyes of other people. And very soon this effort again changed into a desire to be stronger than others: to be more famous, more important and richer than others.

II

Some day I will narrate the touching and instructive history of my life during those ten years of my youth. I think very many people have had a like experience. With all my soul I wished to be good, but I was young, passionate and alone, completely alone when I sought goodness. Every time I tried to express my most sincere desire, which was to be morally good, I met with contempt and ridicule, but as soon as I yielded to low passions I was praised and encouraged.

Ambition, love of power, covetousness, lasciviousness, pride, anger, and revenge -- were all respected.

Yielding to those passions I became like the grown-up folk and felt that they approved of me. The kind aunt with whom I lived, herself the purest of beings, always told me that there was nothing she so desired for me as that I should have relations with a married woman: 'Rien ne forme un jeune homme, comme une liaison avec une femme comme il faut'. [Footnote: Nothing so forms a young man as an intimacy with a woman of good breeding.] Another happiness she desired for me was that I should become an aide-de-camp, and if possible aide-de-camp to the Emperor. But the greatest happiness of all would be that I should marry a very rich girl and so become possessed of as many serfs as possible.

I cannot think of those years without horror, loathing and heartache. I killed men in war and challenged men to duels in order to kill them. I lost at cards, consumed the labor of the peasants, sentenced them to punishments, lived loosely, and deceived people. Lying, robbery, adultery of all kinds, drunkenness, violence, murder -- there was no crime I did not commit, and in spite of that people praised my conduct and my contemporaries considered and consider me to be a comparatively moral man.

So I lived for ten years.

During that time I began to write from vanity, covetousness, and pride. In my writings I did the same as in my life. to get fame and money, for the sake of which I wrote, it was necessary to hide the good and to display the evil. and I did so. How often in my writings I contrived to hide under the guise of indifference, or even of banter, those strivings of mine towards goodness which gave meaning to my life! And I succeeded in this and was praised.

At twenty-six years of age [Footnote: He was in fact 27 at the time.] I returned to Petersburg after the war, and met the writers. They received me as one of themselves and flattered me. And before I had time to look round I had adopted the views on life of the set of authors I had come among, and these views completely obliterated all my former strivings to improve -- they furnished a theory which justified the dissoluteness of my life.

The view of life of these people, my comrades in authorship, consisted in this: that life in general goes on developing, and in this development we -- men of thought -- have the chief part; and among men of thought it is we -- artists and poets -- who have the greatest influence. Our vocation is to teach mankind. And lest the simple question should suggest itself: What do I know, and what can I teach? it was explained in this theory that this need not be known, and that the artist and poet teach unconsciously. I was considered an admirable artist and poet, and therefore it was very natural for me to adopt this theory. I, artist and poet, wrote and taught without myself knowing what. For this I was paid money; I had excellent food, lodging, women, and society; and I had fame, which showed that what I taught was very good.

this faith in the meaning of poetry and in the development of life was a religion, and I was one of its priests. To be its priest was very pleasant and profitable. And I lived a considerable time in this faith without doubting its validity. But in the second and still more in the third year of this life I began to doubt the infallibility of this religion and to examine it. My first cause of doubt was that I began to notice that the priests of this religion were not all in accord among themselves. Some said: We are the best and most useful teachers; we teach what is needed, but the others teach wrongly. Others said: No! we are the real teachers, and you teach wrongly. and they disputed, quarrelled, abused, cheated, and tricked one another. There were also many among us who did not care who was right and who was wrong, but were

simply bent on attaining their covetous aims by means of this activity of ours. All this obliged me to doubt the validity of our creed.

Moreover, having begun to doubt the truth of the authors' creed itself, I also began to observe its priests more attentively, and I became convinced that almost all the priests of that religion, the writers, were immoral, and for the most part men of bad, worthless character, much inferior to those whom I had met in my former dissipated and military life; but they were self-confident and self-satisfied as only those can be who are quite holy or who do not know what holiness is. These people revolted me, I became revolting to myself, and I realized that that faith was a fraud.

But strange to say, though I understood this fraud and renounced it, yet I did not renounce the rank these people gave me: the rank of artist, poet, and teacher. I naively imagined that I was a poet and artist and could teach everybody without myself knowing what I was teaching, and I acted accordingly.

From my intimacy with these men I acquired a new vice: abnormally developed pride and an insane assurance that it was my vocation to teach men, without knowing what.

To remember that time, and my own state of mind and that of those men (though there are thousands like them today), is sad and terrible and ludicrous, and arouses exactly the feeling one experiences in a lunatic asylum.

We were all then convinced that it was necessary for us to speak, write, and print as quickly as possible and as much as possible, and that it was all wanted for the good of humanity. And thousands of us, contradicting and abusing one another, all printed and wrote -- teaching others. And without noticing that we knew nothing, and that to the simplest of life's questions: What is good and what is evil? we did not know how to reply, we all talked at the same time, not listening to one another, sometimes seconding and praising one another in order to be seconded and praised in turn, sometimes getting angry with one another -- just as in a lunatic asylum.

Thousands of workmen laboured to the extreme limit of their strength day and night, setting the type and printing millions of words which the post carried all over Russia, and we still went on teaching and could in no way find time to teach enough, and were always angry that sufficient attention was not paid us.

It was terribly strange, but is now quite comprehensible. Our real innermost concern was to get as much money and praise as possible. To gain that end we could do nothing except write books and papers. So we did that. But in order to do such useless work and to feel assured that we were very important people we required a theory justifying our activity. And so among us this theory was devised: "All that exists is reasonable. All that exists develops. And it all develops by means of Culture. And Culture is measured by the circulation of books and newspapers. And we are paid money and are respected because we write books and newspapers, and therefore we are the most useful and the best of men." This theory would have been all very well if we had been unanimous, but as every thought expressed by one of us was always met by a diametrically opposite thought expressed by another, we ought to have been driven to reflection. But we ignored this; people paid us money and those on our side praised us, so each of us considered himself justified.

It is now clear to me that this was just as in a lunatic asylum; but then I only dimly suspected this, and like all lunatics, simply called all men lunatics except myself.

III

So I lived, abandoning myself to this insanity for another six years, till my marriage. During that time I went abroad. Life in Europe and my acquaintance with leading and learned Europeans [Footnote: Russians generally make a distinction between Europeans and Russians. -- A.M.] confirmed me yet more in the faith of striving after perfection in which I believed, for I found the same faith among them. That faith took with me the common form it assumes with the majority of educated people of our day. It was expressed by the word "progress". It then appeared to me that this word meant something. I did not as yet understand that, being tormented (like every vital man) by the question how it is best for me to live, in my answer, "Live in conformity with progress", I was like a man in a boat who when carried along by wind and waves should reply to what for him is the chief and only question. "whither to steer", by saying, "We are being carried somewhere".

I did not then notice this. Only occasionally -- not by

reason but by instinct -- I revolted against this superstition so common in our day, by which people hide from themselves their lack of understanding of life....So, for instance, during my stay in Paris, the sight of an execution revealed to me the instability of my superstitious belief in progress. When I saw the head part from the body and how they thumped separately into the box, I understood, not with my mind but with my whole being, that no theory of the reasonableness of our present progress could justify this deed; and that though everybody from the creation of the world had held it to be necessary, on whatever theory, I knew it to be unnecessary and bad; and therefore the arbiter of what is good and evil is not what people say and do, nor is it progress, but it is my heart and I. Another instance of a realization that the superstitious belief in progress is insufficient as a guide to life, was my brother's death. Wise, good, serious, he fell ill while still a young man, suffered for more than a year, and died painfully, not understanding why he had lived and still less why he had to die. No theories could give me, or him, any reply to these questions during his slow and painful dying. But these were only rare instances of doubt, and I actually continued to live professing a faith only in progress. "Everything evolves and I evolve with it: and why it is that I evolve with all things will be known some day." So I ought to have formulated my faith at that time.

On returning from abroad I settled in the country and chanced to occupy myself with peasant schools. This work was particularly to my taste because in it I had not to face the falsity which had become obvious to me and stared me in the face when I tried to teach people by literary means. Here also I acted in the name of progress, but I already regarded progress itself critically. I said to myself: "In some of its developments progress has proceeded wrongly, and with primitive peasant children one must deal in a spirit of perfect freedom, letting them choose what path of progress they please." In reality I was ever revolving round one and the same insoluble problem, which was: How to teach without knowing what to teach. In the higher spheres of literary activity I had realized that one could not teach without knowing what, for I saw that people all taught differently, and by quarrelling among themselves only succeeded in hiding their ignorance from one another. But here, with peasant children, I thought to evade this difficulty by letting them learn what they

liked. It amuses me now when I remember how I shuffled in trying to satisfy my desire to teach, while in the depth of my soul I knew very well that I could not teach anything needful for I did not know what was needful. After spending a year at school work I went abroad a second time to discover how to teach others while myself knowing nothing.

And it seemed to me that I had learnt this abroad, and in the year of the peasants' emancipation (1861) I returned to Russia armed with all this wisdom, and having become an Arbiter [Footnote: To keep peace between peasants and owners.--A.M.] I began to teach, both the uneducated peasants in schools and the educated classes through a magazine I published. Things appeared to be going well, but I felt I was not quite sound mentally and that matters could not long continue in that way. And I should perhaps then have come to the state of despair I reached fifteen years later had there not been one side of life still unexplored by me which promised me happiness: that was my marriage.

For a year I busied myself with arbitration work, the schools, and the magazine; and I became so worn out -- as a result especially of my mental confusion -- and so hard was my struggle as Arbiter, so obscure the results of my activity in the schools, so repulsive my shuffling in the magazine (which always amounted to one and the same thing: a desire to teach everybody and to hide the fact that I did not know what to teach), that I fell ill, mentally rather than physically, threw up everything, and went away to the Bashkirs in the steppes, to breathe fresh air, drink kumys [Footnote: A fermented drink prepared from mare's milk.--A. M.], and live a merely animal life.

Returning from there I married. The new conditions of happy family life completely diverted me from all search for the general meaning of life. My whole life was centred at that time in my family, wife and children, and therefore in care to increase our means of livelihood. My striving after self-perfection, for which I had already substituted a striving for perfection in general, i.e. progress, was now again replaced by the effort simply to secure the best possible conditions for myself and my family.

So another fifteen years passed.

In spite of the fact that I now regarded authorship as of no importance -- the temptation of immense monetary rewards and applause for my insignificant work -- and I devoted myself to it as a means of improving my material position and of stifling in my

soul all questions as to the meaning of my own life or life in general.

I wrote: teaching what was for me the only truth, namely, that one should live so as to have the best for oneself and one's family.

So I lived; but five years ago something very strange began to happen to me. At first I experienced moments of perplexity and arrest of life, and though I did not know what to do or how to live; and I felt lost and became dejected. But this passed and I went on living as before. Then these moments of perplexity began to recur oftener and oftener, and always in the same form. They were always expressed by the questions: What is it for? What does it lead to?

At first it seemed to me that these were aimless and irrelevant questions. I thought that it was all well known, and that if I should ever wish to deal with the solution it would not cost me much effort; just at present I had no time for it, but when I wanted to I should be able to find the answer. The questions however began to repeat themselves frequently, and to demand replies more and more insistently; and like drops of ink always falling on one place they ran together into one black blot.

Then occurred what happens to everyone sickening with a mortal internal disease. At first trivial signs of indisposition appear to which the sick man pays no attention; then these signs reappear more and more often and merge into one uninterrupted period of suffering. The suffering increases, and before the sick man can look round, what he took for a mere indisposition has already become more important to him than anything else in the world -- it is death!

That is what happened to me. I understood that it was no casual indisposition but something very important, and that if these questions constantly repeated themselves they would have to be answered. And I tried to answer them. The questions seemed such stupid, simple, childish ones; but as soon as I touched them and tried to solve them I at once became convinced, first, that they are not childish and stupid but the most important and profound of life's questions; and secondly that, occupying myself with my Samara estate, the education of my son, or the writing of a book, I had to know **why** I was doing it. As long as I did not know why, I could do nothing and could not live. Amid the thoughts of estate management which greatly occupied me at that time, the

question would suddenly occur: "Well, you will have 6,000 desyatinas [Footnote: The desyatina is about 2.75 acres.--A.M.] of land in Samara Government and 300 horses, and what then?" ... And I was quite disconcerted and did not know what to think. Or when considering plans for the education of my children, I would say to myself: "What for?" Or when considering how the peasants might become prosperous, I would suddenly say to myself: "But what does it matter to me?" Or when thinking of the fame my works would bring me, I would say to myself, "Very well; you will be more famous than Gogol or Pushkin or Shakespeare or Moliere, or than all the writers in the world -- and what of it?" And I could find no reply at all. The questions would not wait, they had to be answered at once, and if I did not answer them it was impossible to live. But there was no answer.

I felt that what I had been standing on had collapsed and that I had nothing left under my feet. What I had lived on no longer existed, and there was nothing left.

IV

My life came to a standstill. I could breathe, eat, drink, and sleep, and I could not help doing these things; but there was no life, for there were no wishes the fulfillment of which I could consider reasonable. If I desired anything, I knew in advance that whether I satisfied my desire or not, nothing would come of it. Had a fairy come and offered to fulfil my desires I should not have known what to ask. If in moments of intoxication I felt something which, though not a wish, was a habit left by former wishes, in sober moments I knew this to be a delusion and that there was really nothing to wish for. I could not even wish to know the truth, for I guessed of what it consisted. The truth was that life is meaningless. I had as it were lived, lived, and walked, walked, till I had come to a precipice and saw clearly that there was nothing ahead of me but destruction. It was impossible to stop, impossible to go back, and impossible to close my eyes or avoid seeing that there was nothing ahead but suffering and real death -- complete annihilation.

It had come to this, that I, a healthy, fortunate man, felt I could no longer live: some irresistible power impelled me to rid myself one way or other of life. I cannot say I *wished* to kill myself. The power which drew me away from life was stronger,

fuller, and more widespread than any mere wish. It was a force similar to the former striving to live, only in a contrary direction. All my strength drew me away from life. The thought of self-destruction now came to me as naturally as thoughts of how to improve my life had come formerly. and it was seductive that I had to be cunning with myself lest I should carry it out too hastily.

I did not wish to hurry, because I wanted to use all efforts to disentangle the matter. "If I cannot unravel matters, there will always be time." and it was then that I, a man favoured by fortune, hid a cord from myself lest I should hang myself from the crosspiece of the partition in my room where I undressed alone every evening, and I ceased to go out shooting with a gun lest I should be tempted by so easy a way of ending my life. I did not myself know what I wanted: I feared life, desired to escape from it, yet still hoped something of it.

And all this befell me at a time when all around me I had what is considered complete good fortune. I was not yet fifty; I had a good wife who lived me and whom I loved, good children, and a large estate which without much effort on my part improved and increased. I was respected by my relations and acquaintances more than at any previous time. I was praised by others and without much self-deception could consider that my name was famous. And far from being insane or mentally diseased, I enjoyed on the contrary a strength of mind and body such as I have seldom met with among men of my kind; physically I could keep up with the peasants at mowing, and mentally I could work for eight and ten hours at a stretch without experiencing any ill results from such exertion. And in this situation I came to this -- that I could not live, and, fearing death, had to employ cunning with myself to avoid taking my own life.

My mental condition presented itself to me in this way: my life is a stupid and spiteful joke someone has played on me. Though I did not acknowledge a "someone" who created me, yet such a presentation -- that someone had played an evil and stupid joke on my by placing me in the world -- was the form of expression that suggested itself most naturally to me.

Involuntarily it appeared to me that there, somewhere, was someone who amused himself by watching how I lived for thirty or forty years: learning, developing, maturing in body and mind, and how, having with matured mental powers reached the summit of life from which it all lay before me, I stood on that summit -- like an

arch-fool -- seeing clearly that there is nothing in life, and that there has been and will be nothing. And *he* was amused. ...

But whether that "someone" laughing at me existed or not, I was none the better off. I could give no reasonable meaning to any single action or to my whole life. I was only surprised that I could have avoided understanding this from the very beginning -- it has been so long known to all. Today or tomorrow sickness and death will come (they had come already) to those I love or to me; nothing will remain but stench and worms. Sooner or later my affairs, whatever they may be, will be forgotten, and I shall not exist. Then why go on making any effort? ... How can man fail to see this? And how go on living? That is what is surprising! One can only live while one is intoxicated with life; as soon as one is sober it is impossible not to see that it is all a mere fraud and a stupid fraud! That is precisely what it is: there is nothing either amusing or witty about it, it is simply cruel and stupid.

There is an Eastern fable, told long ago, of a traveller overtaken on a plain by an enraged beast. Escaping from the beast he gets into a dry well, but sees at the bottom of the well a dragon that has opened its jaws to swallow him. And the unfortunate man, not daring to climb out lest he should be destroyed by the enraged beast, and not daring to leap to the bottom of the well lest he should be eaten by the dragon, seizes a twig growing in a crack in the well and clings to it. His hands are growing weaker and he feels he will soon have to resign himself to the destruction that awaits him above or below, but still he clings on. Then he sees that two mice, a black one and a white one, go regularly round and round the stem of the twig to which he is clinging and gnaw at it. And soon the twig itself will snap and he will fall into the dragon's jaws. The traveller sees this and knows that he will inevitably perish; but while still hanging he looks around, sees some drops of honey on the leaves of the twig, reaches them with his tongue and licks them. So I too clung to the twig of life, knowing that the dragon of death was inevitably awaiting me, ready to tear me to pieces; and I could not understand why I had fallen into such torment. I tried to lick the honey which formerly consoled me, but the honey no longer gave me pleasure, and the white and black mice of day and night gnawed at the branch by which I hung. I saw the dragon clearly and the honey no longer tasted sweet. I only saw the unescapable dragon and the mice, and I could not tear my gaze from them. and this is not a

fable but the real unanswerable truth intelligible to all.

The deception of the joys of life which formerly allayed my terror of the dragon now no longer deceived me. No matter how often I may be told, "You cannot understand the meaning of life so do not think about it, but live," I can no longer do it: I have already done it too long. I cannot now help seeing day and night going round and bringing me to death. That is all I see, for that alone is true. All else is false.

The two drops of honey which diverted my eyes from the cruel truth longer than the rest: my love of family, and of writing -- art as I called it -- were no longer sweet to me.

"Family"...said I to myself. But my family -- wife and children -- are also human. They are placed just as I am: they must either live in a lie or see the terrible truth. Why should they live? Why should I love them, guard them, bring them up, or watch them? That they may come to the despair that I feel, or else be stupid? Loving them, I cannot hide the truth from them: each step in knowledge leads them to the truth. And the truth is death.

"Art, poetry?"...Under the influence of success and the praise of men, I had long assured myself that this was a thing one could do though death was drawing near -- death which destroys all things, including my work and its remembrance; but soon I saw that that too was a fraud. It was plain to me that art is an adornment of life, an allurements to life. But life had lost its attraction for me, so how could I attract others? As long as I was not living my own life but was borne on the waves of some other life -- as long as I believed that life had a meaning, though one I could not express -- the reflection of life in poetry and art of all kinds afforded me pleasure: it was pleasant to look at life in the mirror of art. But when I began to seek the meaning of life and felt the necessity of living my own life, that mirror became for me unnecessary, superfluous, ridiculous, or painful. I could no longer soothe myself with what I now saw in the mirror, namely, that my position was stupid and desperate. It was all very well to enjoy the sight when in the depth of my soul I believed that my life had a meaning. Then the play of lights -- comic, tragic, touching, beautiful, and terrible -- in life amused me. No sweetness of honey could be sweet to me when I saw the dragon and saw the mice gnawing away my support.

Nor was that all. Had I simply understood that life had no meaning I could have borne it quietly, knowing that that was my

lot. But I could not satisfy myself with that. Had I been like a man living in a wood from which he knows there is no exit, I could have lived; but I was like one lost in a wood who, horrified at having lost his way, rushes about wishing to find the road. He knows that each step he takes confuses him more and more, but still he cannot help rushing about.

It was indeed terrible. And to rid myself of the terror I wished to kill myself. I experienced terror at what awaited me -- knew that that terror was even worse than the position I was in, but still I could not patiently await the end. However convincing the argument might be that in any case some vessel in my heart would give way, or something would burst and all would be over, I could not patiently await that end. The horror of darkness was too great, and I wished to free myself from it as quickly as possible by noose or bullet. that was the feeling which drew me most strongly towards suicide.

V

"But perhaps I have overlooked something, or misunderstood something?" said to myself several times. "It cannot be that this condition of despair is natural to man!" And I sought for an explanation of these problems in all the branches of knowledge acquired by men. I sought painfully and long, not from idle curiosity or listlessly, but painfully and persistently day and night -- sought as a perishing man seeks for safety -- and I found nothing.

I sought in all the sciences, but far from finding what I wanted, became convinced that all who like myself had sought in knowledge for the meaning of life had found nothing. And not only had they found nothing, but they had plainly acknowledged that the very thing which made me despair -- namely the senselessness of life -- is the one indubitable thing man can know.

I sought everywhere; and thanks to a life spent in learning, and thanks also to my relations with the scholarly world, I had access to scientists and scholars in all branches of knowledge, and they readily showed me all their knowledge, not only in books but also in conversation, so that I had at my disposal all that science has to say on this question of life.

I was long unable to believe that it gives no other reply to life's questions than that which it actually does give. It long seemed to me, when I saw the important and serious air with which science announces its conclusions which have nothing in common with the real questions of human life, that there was something I had not understood. I long was timid before science, and it seemed to me that the lack of conformity between the answers and my questions arose not by the fault of science but from my ignorance, but the matter was for me not a game or an amusement but one of life and death, and I was involuntarily brought to the conviction that my questions were the only legitimate ones, forming the basis of all knowledge, and that I with my questions was not to blame, but science if it pretends to reply to those questions.

My question -- that which at the age of fifty brought me to the verge of suicide -- was the simplest of questions, lying in the soul of every man from the foolish child to the wisest elder: it was a question without an answer to which one cannot live, as I had found by experience. It was: "What will come of what I am doing today or shall do tomorrow? What will come of my whole life?"

Differently expressed, the question is: "Why should I live, why wish for anything, or do anything?" It can also be expressed thus: "Is there any meaning in my life that the inevitable death awaiting me does not destroy?"

To this one question, variously expressed, I sought an answer in science. And I found that in relation to that question all human knowledge is divided as it were into two opposite hemispheres at the ends of which are two poles: the one a negative and the other a positive; but that neither at the one nor the other pole is there an answer to life's questions.

The one series of sciences seems not to recognize the question, but replies clearly and exactly to its own independent questions: that is the series of experimental sciences, and at the extreme end of it stands mathematics. The other series of sciences recognizes the question, but does not answer it; that is the series of abstract sciences, and at the extreme end of it stands metaphysics.

From early youth I had been interested in the abstract sciences, but later the mathematical and natural sciences attracted me, and until I put my question definitely to myself, until that question had itself grown up within me urgently demanding a decision, I contented myself with those counterfeit answers which

science gives.

Now in the experimental sphere I said to myself: "Everything develops and differentiates itself, moving towards complexity and perfection, and there are laws directing this movement. You are a part of the whole. Having learnt as far as possible the whole, and having learnt the law of evolution, you will understand also your place in the whole and will know yourself." Ashamed as I am to confess it, there was a time when I seemed satisfied with that. It was just the time when I was myself becoming more complex and was developing. My muscles were growing and strengthening, my memory was being enriched, my capacity to think and understand was increasing, I was growing and developing; and feeling this growth in myself it was natural for me to think that such was the universal law in which I should find the solution of the question of my life. But a time came when the growth within me ceased. I felt that I was not developing, but fading, my muscles were weakening, my teeth falling out, and I saw that the law not only did not explain anything to me, but that there never had been or could be such a law, and that I had taken for a law what I had found in myself at a certain period of my life. I regarded the definition of that law more strictly, and it became clear to me that there could be no law of endless development; it became clear that to say, "in infinite space and time everything develops, becomes more perfect and more complex, is differentiated", is to say nothing at all. These are all words with no meaning, for in the infinite there is neither complex nor simple, neither forward nor backward, nor better or worse.

Above all, my personal question, "What am I with my desires?" remained quite unanswered. And I understood that those sciences are very interesting and attractive, but that they are exact and clear in inverse proportion to their applicability to the question of life: the less their applicability to the question of life, the more exact and clear they are, while the more they try to reply to the question of life, the more obscure and unattractive they become. If one turns to the division of sciences which attempt to reply to the questions of life -- to physiology, psychology, biology, sociology -- one encounters an appalling poverty of thought, the greatest obscurity, a quite unjustifiable pretension to solve irrelevant questions, and a continual contradiction of each authority by others and even by himself. If one turns to the branches of science which are not concerned with the solution of

the questions of life, but which reply to their own special scientific questions, one is enraptured by the power of man's mind, but one knows in advance that they give no reply to life's questions. Those sciences simply ignore life's questions. They say: "To the question of what you are and why you live we have no reply, and are not occupied with that; but if you want to know the laws of light, of chemical combinations, the laws of development of organisms, if you want to know the laws of bodies and their form, and the relation of numbers and quantities, if you want to know the laws of your mind, to all that we have clear, exact and unquestionable replies."

In general the relation of the experimental sciences to life's question may be expressed thus: Question: "Why do I live?" Answer: "In infinite space, in infinite time, infinitely small particles change their forms in infinite complexity, and when you have understood the laws of those mutations of form you will understand why you live on the earth."

Then in the sphere of abstract science I said to myself: "All humanity lives and develops on the basis of spiritual principles and ideals which guide it. Those ideals are expressed in religions, in sciences, in arts, in forms of government. Those ideals become more and more elevated, and humanity advances to its highest welfare. I am part of humanity, and therefore my vocation is to forward the recognition and the realization of the ideals of humanity." And at the time of my weak-mindedness I was satisfied with that; but as soon as the question of life presented itself clearly to me, those theories immediately crumbled away. Not to speak of the unscrupulous obscurity with which those sciences announce conclusions formed on the study of a small part of mankind as general conclusions; not to speak of the mutual contradictions of different adherents of this view as to what are the ideals of humanity; the strangeness, not to say stupidity, of the theory consists in the fact that in order to reply to the question facing each man: "What am I?" or "Why do I live?" or "What must I do?" one has first to decide the question: "What is the life of the whole?" (which is to him unknown and of which he is acquainted with one tiny part in one minute period of time. To understand what he is, one man must first understand all this mysterious humanity, consisting of people such as himself who do not understand one another.

I have to confess that there was a time when I believed this.

It was the time when I had my own favourite ideals justifying my own caprices, and I was trying to devise a theory which would allow one to consider my caprices as the law of humanity. But as soon as the question of life arose in my soul in full clearness that reply at once flew to dust. And I understood that as in the experimental sciences there are real sciences, and semi-sciences which try to give answers to questions beyond their competence, so in this sphere there is a whole series of most diffused sciences which try to reply to irrelevant questions. Semi-sciences of that kind, the juridical and the social-historical, endeavour to solve the questions of a man's life by pretending to decide each in its own way, the question of the life of all humanity.

But as in the sphere of man's experimental knowledge one who sincerely inquires how he is to live cannot be satisfied with the reply -- "Study in endless space the mutations, infinite in time and in complexity, of innumerable atoms, and then you will understand your life" -- so also a sincere man cannot be satisfied with the reply: "Study the whole life of humanity of which we cannot know either the beginning or the end, of which we do not even know a small part, and then you will understand your own life." And like the experimental semi-sciences, so these other semi-sciences are the more filled with obscurities, inexactitudes, stupidities, and contradictions, the further they diverge from the real problems. The problem of experimental science is the sequence of cause and effect in material phenomena. It is only necessary for experimental science to introduce the question of a final cause for it to become nonsensical. The problem of abstract science is the recognition of the primordial essence of life. It is only necessary to introduce the investigation of consequential phenomena (such as social and historical phenomena) and it also becomes nonsensical.

Experimental science only then gives positive knowledge and displays the greatness of the human mind when it does not introduce into its investigations the question of an ultimate cause. And, on the contrary, abstract science is only then science and displays the greatness of the human mind when it puts quite aside questions relating to the consequential causes of phenomena and regards man solely in relation to an ultimate cause. Such in this realm of science -- forming the pole of the sphere -- is metaphysics or philosophy. That science states the question clearly: "What am I, and what is the universe? And why do I exist, and why does the

universe exist?" And since it has existed it has always replied in the same way. Whether the philosopher calls the essence of life existing within me, and in all that exists, by the name of "idea", or "substance", or "spirit", or "will", he says one and the same thing: that this essence exists and that I am of that same essence; but why it is he does not know, and does not say, if he is an exact thinker. I ask: "Why should this essence exist? What results from the fact that it is and will be?" ... And philosophy not merely does not reply, but is itself only asking that question. And if it is real philosophy all its labour lies merely in trying to put that question clearly. And if it keeps firmly to its task it cannot reply to the question otherwise than thus: "What am I, and what is the universe?" "All and nothing"; and to the question "Why?" by "I do not know".

So that however I may turn these replies of philosophy, I can never obtain anything like an answer -- and not because, as in the clear experimental sphere, the reply does not relate to my question, but because here, though all the mental work is directed just to my question, there is no answer, but instead of an answer one gets the same question, only in a complex form.

VI

In my search for answers to life's questions I experienced just what is felt by a man lost in a forest.

He reaches a glade, climbs a tree, and clearly sees the limitless distance, but sees that his home is not and cannot be there; then he goes into the dark wood and sees the darkness, but there also his home is not.

So I wandered in that wood of human knowledge, amid the gleams of mathematical and experimental science which showed me clear horizons but in a direction where there could be no home, and also amid the darkness of the abstract sciences where I was immersed in deeper gloom the further I went, and where I finally convinced myself that there was, and could be, no exit.

Yielding myself to the bright side of knowledge, I understood that I was only diverting my gaze from the question. However alluringly clear those horizons which opened out before me might be, however alluring it might be to immerse oneself in the limitless expanse of those sciences, I already understood that the

clearer they were the less they met my need and the less they applied to my question.

"I know," said I to myself, "what science so persistently tries to discover, and along that road there is no reply to the question as to the meaning of my life." In the abstract sphere I understood that notwithstanding the fact, or just because of the fact, that the direct aim of science is to reply to my question, there is no reply but that which I have myself already given: "What is the meaning of my life?" "There is none." Or: "What will come of my life?" "Nothing." Or: "Why does everything exist that exists, and why do I exist?" "Because it exists."

Inquiring for one region of human knowledge, I received an innumerable quantity of exact replies concerning matters about which I had not asked: about the chemical constituents of the stars, about the movement of the sun towards the constellation Hercules, about the origin of species and of man, about the forms of infinitely minute imponderable particles of ether; but in this sphere of knowledge the only answer to my question, "What is the meaning of my life?" was: "You are what you call your 'life'; you are a transitory, casual cohesion of particles. The mutual interactions and changes of these particles produce in you what you call your "life". That cohesion will last some time; afterwards the interaction of these particles will cease and what you call "life" will cease, and so will all your questions. You are an accidentally united little lump of something. that little lump ferments. The little lump calls that fermenting its 'life'. The lump will disintegrate and there will be an end of the fermenting and of all the questions." So answers the clear side of science and cannot answer otherwise if it strictly follows its principles.

From such a reply one sees that the reply does not answer the question. I want to know the meaning of my life, but that it is a fragment of the infinite, far from giving it a meaning destroys its every possible meaning. The obscure compromises which that side of experimental exact science makes with abstract science when it says that the meaning of life consists in development and in cooperation with development, owing to their inexactness and obscurity cannot be considered as replies.

The other side of science -- the abstract side -- when it holds strictly to its principles, replying directly to the question, always replies, and in all ages has replied, in one and the same way: "The world is something infinite and

incomprehensible part of that incomprehensible 'all'." Again I exclude all those compromises between abstract and experimental sciences which supply the whole ballast of the semi-sciences called juridical, political, and historical. In those semi-sciences the conception of development and progress is again wrongly introduced, only with this difference, that there it was the development of everything while here it is the development of the life of mankind. The error is there as before: development and progress in infinity can have no aim or direction, and, as far as my question is concerned, no answer is given.

In truly abstract science, namely in genuine philosophy -- not in that which Schopenhauer calls "professorial philosophy" which serves only to classify all existing phenomena in new philosophic categories and to call them by new names -- where the philosopher does not lose sight of the essential question, the reply is always one and the same -- the reply given by Socrates, Schopenhauer, Solomon, and buddha.

"We approach truth only inasmuch as we depart from life", said Socrates when preparing for death. "For what do we, who love truth, strive after in life? To free ourselves from the body, and from all the evil that is caused by the life of the body! If so, then how can we fail to be glad when death comes to us?"

"The wise man seeks death all his life and therefore death is not terrible to him."

And Schopenhauer says:

"Having recognized the inmost essence of the world as *will*, and all its phenomena -- from the unconscious working of the obscure forces of Nature up to the completely conscious action of man -- as only the objectivity of that will, we shall in no way avoid the conclusion that together with the voluntary renunciation and self-destruction of the will all those phenomena also disappear, that constant striving and effort without aim or rest on all the stages of objectivity in which and through which the world exists; the diversity of successive forms will disappear, and together with the form all the manifestations of will, with its most universal forms, space and time, and finally its most fundamental form -- subject and object. Without will there is no concept and no world. Before us, certainly, nothing remains. But what resists this transition into annihilation, our nature, is only that same wish to live -- *Wille zum Leben* -- which forms ourselves as well as our world. That we are so afraid of

annihilation or, what is the same thing, that we so wish to live, merely means that we are ourselves nothing else but this desire to live, and know nothing but it. And so what remains after the complete annihilation of the will, for us who are so full of the will, is, of course, nothing; but on the other hand, for those in whom the will has turned and renounced itself, this so real world of ours with all its suns and milky way is nothing."

"Vanity of vanities", says Solomon -- "vanity of vanities -- all is vanity. What profit hath a man of all his labor which he taketh under the sun? One generation passeth away, and another generation commeth: but the earth abideth for ever....The thing that hath been, is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun. Is there anything whereof it may be said, See, this is new? it hath been already of old time, which was before us. there is no remembrance of former things; neither shall there be any remembrance of things that are to come with those that shall come after. I the Preacher was King over Israel in Jerusalem. And I gave my heart to seek and search out by wisdom concerning all that is done under heaven: this sore travail hath God given to the sons of man to be exercised therewith. I have seen all the works that are done under the sun; and behold, all is vanity and vexation of spirit....I communed with my own heart, saying, Lo, I am come to great estate, and have gotten more wisdom than all they that have been before me over Jerusalem: yea, my heart hath great experience of wisdom and knowledge. And I gave my heart to know wisdom, and to know madness and folly: I perceived that this also is vexation of spirit. For in much wisdom is much grief: and he that increaseth knowledge increaseth sorrow.

"I said in my heart, Go to now, I will prove thee with mirth, therefore enjoy pleasure: and behold this also is vanity. I said of laughter, It is mad: and of mirth, What doeth it? I sought in my heart how to cheer my flesh with wine, and while my heart was guided by wisdom, to lay hold on folly, till I might see what it was good for the sons of men that they should do under heaven the number of the days of their life. I made me great works; I builded me houses; I planted me vineyards; I made me gardens and orchards, and I planted trees in them of all kinds of fruits: I made me pools of water, to water therefrom the forest where trees were reared: I got me servants and maidens, and had servants born in my house; also I had great possessions of herds and flocks above all that

were before me in Jerusalem: I gathered me also silver and gold and the peculiar treasure from kings and from the provinces: I got me men singers and women singers; and the delights of the sons of men, as musical instruments and all that of all sorts. So I was great, and increased more than all that were before me in Jerusalem: also my wisdom remained with me. And whatever mine eyes desired I kept not from them. I withheld not my heart from any joy...Then I looked on all the works that my hands had wrought, and on the labour that I had laboured to do: and, behold, all was vanity and vexation of spirit, and there was no profit from them under the sun. And I turned myself to behold wisdom, and madness, and folly... But I perceived that one even happeneth to them all. Then said I in my heart, As it happeneth to the fool, so it happeneth even to me, and why was I then more wise? then I said in my heart, that this also is vanity. For there is no remembrance of the wise more than of the fool for ever; seeing that which now is in the days to come shall all be forgotten. And how dieth the wise man? as the fool. Therefore I hated life; because the work that is wrought under the sun is grievous unto me: for all is vanity and vexation of spirit. Yea, I hated all my labour which I had taken under the sun: seeing that I must leave it unto the man that shall be after me.... For what hath man of all his labour, and of the vexation of his heart, wherein he hath laboured under the sun? For all his days are sorrows, and his travail grief; yea, even in the night his heart taketh no rest. this is also vanity. Man is not blessed with security that he should eat and drink and cheer his soul from his own labour.... All things come alike to all: there is one event to the righteous and to the wicked; to the good and to the evil; to the clean and to the unclean; to him that sacrificeth and to him that sacrificeth not; as is the good, so is the sinner; and he that sweareth, as he that feareth an oath. This is an evil in all that is done under the sun, that there is one event unto all; yea, also the heart of the sons of men is full of evil, and madness is in their heart while they live, and after that they go to the dead. For him that is among the living there is hope: for a living dog is better than a dead lion. For the living know that they shall die: but the dead know not any thing, neither have they any more a reward; for the memory of them is forgotten. also their love, and their hatred, and their envy, is now perished; neither have they any more a portion for ever in any thing that is done under the sun."

So said Solomon, or whoever wrote those words. [Footnote: tolstoy's version differs slightly in a few places from our own Authorized or Revised version. I have followed his text, for in a letter to Fet, quoted on p. 18, vol. ii, of my "Life of Tolstoy," he says that "The Authorized English version [of Ecclesiastes] is bad." -- A.M.]

And this is what the Indian wisdom tells:

Sakya Muni, a young, happy prince, from whom the existence of sickness, old age, and death had been hidden, went out to drive and saw a terrible old man, toothless and slobbering. the prince, from whom till then old age had been concealed, was amazed, and asked his driver what it was, and how that man had come to such a wretched and disgusting condition, and when he learnt that this was the common fate of all men, that the same thing inevitably awaited him -- the young prince -- he could not continue his drive, but gave orders to go home, that he might consider this fact. So he shut himself up alone and considered it. and he probably devised some consolation for himself, for he subsequently again went out to drive, feeling merry and happy. But this time he saw a sick man. He saw an emaciated, livid, trembling man with dim eyes. The prince, from whom sickness had been concealed, stopped and asked what this was. And when he learnt that this was sickness, to which all men are liable, and that he himself -- a healthy and happy prince -- might himself fall ill tomorrow, he again was in no mood to enjoy himself but gave orders to drive home, and again sought some solace, and probably found it, for he drove out a third time for pleasure. But this third time he saw another new sight: he saw men carrying something. 'What is that?' 'A dead man.' 'What does *dead* mean?' asked the prince. He was told that to become dead means to become like that man. The prince approached the corpse, uncovered it, and looked at it. 'What will happen to him now?' asked the prince. He was told that the corpse would be buried in the ground. 'Why?' 'Because he will certainly not return to life, and will only produce a stench and worms.' 'And is that the fate of all men? Will the same thing happen to me? Will they bury me, and shall I cause a stench and be eaten by worms?' 'Yes.' 'Home! I shall not drive out for pleasure, and never will so drive out again!'

And Sakya Muni could find no consolation in life, and decided that life is the greatest of evils; and he devoted all the strength of his soul to free himself from it, and to free others; and to do

this so that, even after death, life shall not be renewed any more but be completely destroyed at its very roots. So speaks all the wisdom of India.

These are the direct replies that human wisdom gives when it replies to life's question.

"The life of the body is an evil and a lie. Therefore the destruction of the life of the body is a blessing, and we should desire it," says Socrates.

"Life is that which should not be -- an evil; and the passage into Nothingness is the only good in life," says Schopenhauer.

"All that is in the world -- folly and wisdom and riches and poverty and mirth and grief -- is vanity and emptiness. Man dies and nothing is left of him. And that is stupid," says Solomon.

"To life in the consciousness of the inevitability of suffering, of becoming enfeebled, of old age and of death, is impossible -- we must free ourselves from life, from all possible life," says Buddha.

And what these strong minds said has been said and thought and felt by millions upon millions of people like them. And I have thought it and felt it.

So my wandering among the sciences, far from freeing me from my despair, only strengthened it. One kind of knowledge did not reply to life's question, the other kind replied directly confirming my despair, indicating not that the result at which I had arrived was the fruit of error or of a diseased state of my mind, but on the contrary that I had thought correctly, and that my thoughts coincided with the conclusions of the most powerful of human minds.

It is no good deceiving oneself. It is all -- vanity! Happy is he who has not been born: death is better than life, and one must free oneself from life.

VII

Not finding an explanation in science I began to seek for it in life, hoping to find it among the people around me. And I began to observe how the people around me -- people like myself -- lived, and what their attitude was to this question which had brought me to despair.

And this is what I found among people who were in the same

position as myself as regards education and manner of life.

I found that for people of my circle there were four ways out of the terrible position in which we are all placed.

The first was that of ignorance. It consists in not knowing, not understanding, that life is an evil and an absurdity. People of this sort -- chiefly women, or very young or very dull people -- have not yet understood that question of life which presented itself to Schopenhauer, Solomon, and Buddha. They see neither the dragon that awaits them nor the mice gnawing the shrub by which they are hanging, and they lick the drops of honey. but they lick those drops of honey only for a while: something will turn their attention to the dragon and the mice, and there will be an end to their licking. From them I had nothing to learn -- one cannot cease to know what one does know.

The second way out is epicureanism. It consists, while knowing the hopelessness of life, in making use meanwhile of the advantages one has, disregarding the dragon and the mice, and licking the honey in the best way, especially if there is much of it within reach. Solomon expresses this way out thus: "Then I commended mirth, because a man hath no better thing under the sun, than to eat, and to drink, and to be merry: and that this should accompany him in his labour the days of his life, which God giveth him under the sun.

"Therefore eat thy bread with joy and drink thy wine with a merry heart.... Live joyfully with the wife whom thou lovest all the days of the life of thy vanity...for this is thy portion in life and in thy labours which thou takest under the sun.... Whatsoever thy hand findeth to do, do it with thy might, for there is not work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest."

That is the way in which the majority of people of our circle make life possible for themselves. Their circumstances furnish them with more of welfare than of hardship, and their moral dullness makes it possible for them to forget that the advantage of their position is accidental, and that not everyone can have a thousand wives and palaces like Solomon, that for everyone who has a thousand wives there are a thousand without a wife, and that for each palace there are a thousand people who have to build it in the sweat of their brows; and that the accident that has today made me a Solomon may tomorrow make me a Solomon's slave. The dullness of these people's imagination enables them to forget the things that

gave Buddha no peace -- the inevitability of sickness, old age, and death, which today or tomorrow will destroy all these pleasures.

So think and feel the majority of people of our day and our manner of life. The fact that some of these people declare the dullness of their thoughts and imaginations to be a philosophy, which they call Positive, does not remove them, in my opinion, from the ranks of those who, to avoid seeing the question, lick the honey. I could not imitate these people; not having their dullness of imagination I could not artificially produce it in myself. I could not tear my eyes from the mice and the dragon, as no vital man can after he has once seen them.

The third escape is that of strength and energy. It consists in destroying life, when one has understood that it is an evil and an absurdity. A few exceptionally strong and consistent people act so. Having understood the stupidity of the joke that has been played on them, and having understood that it is better to be dead than to be alive, and that it is best of all not to exist, they act accordingly and promptly end this stupid joke, since there are means: a rope round one's neck, water, a knife to stick into one's heart, or the trains on the railways; and the number of those of our circle who act in this way becomes greater and greater, and for the most part they act so at the best time of their life, when the strength of their mind is in full bloom and few habits degrading to the mind have as yet been acquired.

I saw that this was the worthiest way of escape and I wished to adopt it.

The fourth way out is that of weakness. It consists in seeing the truth of the situation and yet clinging to life, knowing in advance that nothing can come of it. People of this kind know that death is better than life, but not having the strength to act rationally -- to end the deception quickly and kill themselves -- they seem to wait for something. This is the escape of weakness, for if I know what is best and it is within my power, why not yield to what is best? ... I found myself in that category.

So people of my class evade the terrible contradiction in four ways. Strain my attention as I would, I saw no way except those four. One way was not to understand that life is senseless, vanity, and an evil, and that it is better not to live. I could not help knowing this, and when I once knew it could not shut my eyes to it. the second way was to use life such as it is without thinking of the future. And I could not do that. I, like Sakya

Muni, could not ride out hunting when I knew that old age, suffering, and death exist. My imagination was too vivid. Nor could I rejoice in the momentary accidents that for an instant threw pleasure to my lot. The third way, having understood that life is evil and stupid, was to end it by killing oneself. I understood that, but somehow still did not kill myself. The fourth way was to live like Solomon and Schopenhauer -- knowing that life is a stupid joke played upon us, and still to go on living, washing oneself, dressing, dining, talking, and even writing books. This was to me repulsive and tormenting, but I remained in that position.

I see now that if I did not kill myself it was due to some dim consciousness of the invalidity of my thoughts. However convincing and indubitable appeared to me the sequence of my thoughts and of those of the wise that have brought us to the admission of the senselessness of life, there remained in me a vague doubt of the justice of my conclusion.

It was like this: I, my reason, have acknowledged that life is senseless. If there is nothing higher than reason (and there is not: nothing can prove that there is), then reason is the creator of life for me. If reason did not exist there would be for me no life. How can reason deny life when it is the creator of life? Or to put it the other way: were there no life, my reason would not exist; therefore reason is life's son. Life is all. Reason is its fruit yet reason rejects life itself! I felt that there was something wrong here.

Life is a senseless evil, that is certain, said I to myself. Yet I have lived and am still living, and all mankind lived and lives. How is that? Why does it live, when it is possible not to live? Is it that only I and Schopenhauer are wise enough to understand the senselessness and evil of life?

The reasoning showing the vanity of life is not so difficult, and has long been familiar to the very simplest folk; yet they have lived and still live. How is it they all live and never think of doubting the reasonableness of life?

My knowledge, confirmed by the wisdom of the sages, has shown me that everything on earth -- organic and inorganic -- is all most cleverly arranged -- only my own position is stupid. and those fools -- the enormous masses of people -- know nothing about how everything organic and inorganic in the world is arranged; but they live, and it seems to them that their life is very wisely arranged!

...

And it struck me: "But what if there is something I do not yet know? Ignorance behaves just in that way. Ignorance always says just what I am saying. When it does not know something, it says that what it does not know is stupid. Indeed, it appears that there is a whole humanity that lived and lives as if it understood the meaning of its life, for without understanding it could not live; but I say that all this life is senseless and that I cannot live.

"Nothing prevents our denying life by suicide. well then, kill yourself, and you won't discuss. If life displeases you, kill yourself! You live, and cannot understand the meaning of life -- then finish it, and do not fool about in life, saying and writing that you do not understand it. You have come into good company where people are contented and know what they are doing; if you find it dull and repulsive -- go away!"

Indeed, what are we who are convinced of the necessity of suicide yet do not decide to commit it, but the weakest, most inconsistent, and to put it plainly, the stupidest of men, fussing about with our own stupidity as a fool fusses about with a painted hussy? For our wisdom, however indubitable it may be, has not given us the knowledge of the meaning of our life. But all mankind who sustain life -- millions of them -- do not doubt the meaning of life.

Indeed, from the most distant time of which I know anything, when life began, people have lived knowing the argument about the vanity of life which has shown me its senselessness, and yet they lived attributing some meaning to it.

From the time when any life began among men they had that meaning of life, and they led that life which has descended to me. All that is in me and around me, all, corporeal and incorporeal, is the fruit of their knowledge of life. Those very instruments of thought with which I consider this life and condemn it were all devised not be me but by them. I myself was born, taught, and brought up thanks to them. They dug out the iron, taught us to cut down the forests, tamed the cows and horses, taught us to sow corn and to live together, organized our life, and taught me to think and speak. And I, their product, fed, supplied with drink, taught by them, thinking with their thoughts and words, have argued that they are an absurdity! "There is something wrong," said I to myself. "I have blundered somewhere." But it was a long time

before I could find out where the mistake was.

VIII

All these doubts, which I am now able to express more or less systematically, I could not then have expressed. I then only felt that however logically inevitable were my conclusions concerning the vanity of life, confirmed as they were by the greatest thinkers, there was something not right about them. Whether it was in the reasoning itself or in the statement of the question I did not know -- I only felt that the conclusion was rationally convincing, but that that was insufficient. All these conclusions could not so convince me as to make me do what followed from my reasoning, that is to say, kill myself. And I should have told an untruth had I, without killing myself, said that reason had brought me to the point I had reached. Reason worked, but something else was also working which I can only call a consciousness of life. A force was working which compelled me to turn my attention to this and not to that; and it was this force which extricated me from my desperate situation and turned my mind in quite another direction. This force compelled me to turn my attention to the fact that I and a few hundred similar people are not the whole of mankind, and that I did not yet know the life of mankind.

Looking at the narrow circle of my equals, I saw only people who had not understood the question, or who had understood it and drowned it in life's intoxication, or had understood it and ended their lives, or had understood it and yet from weakness were living out their desperate life. And I saw no others. It seemed to me that that narrow circle of rich, learned, and leisured people to which I belonged formed the whole of humanity, and that those milliards of others who have lived and are living were cattle of some sort -- not real people.

Strange, incredibly incomprehensible as it now seems to me that I could, while reasoning about life, overlook the whole life of mankind that surrounded me on all sides; that I could to such a degree blunder so absurdly as to think that my life, and Solomon's and Schopenhauer's, is the real, normal life, and that the life of the milliards is a circumstance undeserving of attention -- strange as this now is to me, I see that so it was. In the delusion of my pride of intellect it seemed to me so indubitable that I and

Solomon and Schopenhauer had stated the question so truly and exactly that nothing else was possible -- so indubitable did it seem that all those milliards consisted of men who had not yet arrived at an apprehension of all the profundity of the question -- that I sought for the meaning of my life without it once occurring to me to ask: "But what meaning is and has been given to their lives by all the milliards of common folk who live and have lived in the world?"

I long lived in this state of lunacy, which, in fact if not in words, is particularly characteristic of us very liberal and learned people. But thanks either to the strange physical affection I have for the real labouring people, which compelled me to understand them and to see that they are not so stupid as we suppose, or thanks to the sincerity of my conviction that I could know nothing beyond the fact that the best I could do was to hang myself, at any rate I instinctively felt that if I wished to live and understand the meaning of life, I must seek this meaning not among those who have lost it and wish to kill themselves, but among those milliards of the past and the present who make life and who support the burden of their own lives and of ours also. And I considered the enormous masses of those simple, unlearned, and poor people who have lived and are living and I saw something quite different. I saw that, with rare exceptions, all those milliards who have lived and are living do not fit into my divisions, and that I could not class them as not understanding the question, for they themselves state it and reply to it with extraordinary clearness. Nor could I consider them epicureans, for their life consists more of privations and sufferings than of enjoyments. Still less could I consider them as irrationally dragging on a meaningless existence, for every act of their life, as well as death itself, is explained by them. To kill themselves they consider the greatest evil. It appeared that all mankind had a knowledge, unacknowledged and despised by me, of the meaning of life. It appeared that reasonable knowledge does not give the meaning of life, but excludes life: while the meaning attributed to life by milliards of people, by all humanity, rests on some despised pseudo-knowledge.

Rational knowledge presented by the learned and wise, denies the meaning of life, but the enormous masses of men, the whole of mankind receive that meaning in irrational knowledge. And that irrational knowledge is faith, that very thing which I could not

but reject. It is God, One in Three; the creation in six days; the devils and angels, and all the rest that I cannot accept as long as I retain my reason.

My position was terrible. I knew I could find nothing along the path of reasonable knowledge except a denial of life; and there -- in faith -- was nothing but a denial of reason, which was yet more impossible for me than a denial of life. From rational knowledge it appeared that life is an evil, people know this and it is in their power to end life; yet they lived and still live, and I myself live, though I have long known that life is senseless and an evil. By faith it appears that in order to understand the meaning of life I must renounce my reason, the very thing for which alone a meaning is required.

IX

A contradiction arose from which there were two exits. Either that which I called reason was not so rational as I supposed, or that which seemed to me irrational was not so irrational as I supposed. And I began to verify the line of argument of my rational knowledge.

Verifying the line of argument of rational knowledge I found it quite correct. The conclusion that life is nothing was inevitable; but I noticed a mistake. The mistake lay in this, that my reasoning was not in accord with the question I had put. The question was: "Why should I live, that is to say, what real, permanent result will come out of my illusory transitory life -- what meaning has my finite existence in this infinite world?" And to reply to that question I had studied life.

The solution of all the possible questions of life could evidently not satisfy me, for my question, simple as it at first appeared, included a demand for an explanation of the finite in terms of the infinite, and vice versa.

I asked: "What is the meaning of my life, beyond time, cause, and space?" And I replied to quite another question: "What is the meaning of my life within time, cause, and space?" With the result that, after long efforts of thought, the answer I reached was: "None."

In my reasonings I constantly compared (nor could I do otherwise) the finite with the finite, and the infinite with the

infinite; but for that reason I reached the inevitable result: force is force, matter is matter, will is will, the infinite is the infinite, nothing is nothing -- and that was all that could result.

It was something like what happens in mathematics, when thinking to solve an equation, we find we are working on an identity. the line of reasoning is correct, but results in the answer that a equals a , or x equals x , or o equals o . the same thing happened with my reasoning in relation to the question of the meaning of my life. The replies given by all science to that question only result in -- identity.

And really, strictly scientific knowledge -- that knowledge which begins, as Descartes's did, with complete doubt about everything -- rejects all knowledge admitted on faith and builds everything afresh on the laws of reason and experience, and cannot give any other reply to the question of life than that which I obtained: an indefinite reply. Only at first had it seemed to me that knowledge had given a positive reply -- the reply of Schopenhauer: that life has no meaning and is an evil. But on examining the matter I understood that the reply is not positive, it was only my feeling that so expressed it. Strictly expressed, as it is by the Brahmins and by Solomon and Schopenhauer, the reply is merely indefinite, or an identity: o equals o , life is nothing. So that philosophic knowledge denies nothing, but only replies that the question cannot be solved by it -- that for it the solution remains indefinite.

Having understood this, I understood that it was not possible to seek in rational knowledge for a reply to my question, and that the reply given by rational knowledge is a mere indication that a reply can only be obtained by a different statement of the question and only when the relation of the finite to the infinite is included in the question. And I understood that, however irrational and distorted might be the replies given by faith, they have this advantage, that they introduce into every answer a relation between the finite and the infinite, without which there can be no solution.

In whatever way I stated the question, that relation appeared in the answer. How am I to live? -- According to the law of God. What real result will come of my life? -- Eternal torment or eternal bliss. What meaning has life that death does not destroy? -- Union with the eternal God: heaven.

So that besides rational knowledge, which had seemed to me the

only knowledge, I was inevitably brought to acknowledge that all live humanity has another irrational knowledge -- faith which makes it possible to live. Faith still remained to me as irrational as it was before, but I could not but admit that it alone gives mankind a reply to the questions of life, and that consequently it makes life possible. Reasonable knowledge had brought me to acknowledge that life is senseless -- my life had come to a halt and I wished to destroy myself. Looking around on the whole of mankind I saw that people live and declare that they know the meaning of life. I looked at myself -- I had lived as long as I knew a meaning of life and had made life possible.

Looking again at people of other lands, at my contemporaries and at their predecessors, I saw the same thing. Where there is life, there since man began faith has made life possible for him, and the chief outline of that faith is everywhere and always identical.

Whatever the faith may be, and whatever answers it may give, and to whomsoever it gives them, every such answer gives to the finite existence of man an infinite meaning, a meaning not destroyed by sufferings, deprivations, or death. This means that only in faith can we find for life a meaning and a possibility. What, then, is this faith? And I understood that faith is not merely "the evidence of things not seen", etc., and is not a revelation (that defines only one of the indications of faith, is not the relation of man to God (one has first to define faith and then God, and not define faith through God); it not only agreement with what has been told one (as faith is most usually supposed to be), but faith is a knowledge of the meaning of human life in consequence of which man does not destroy himself but lives. Faith is the strength of life. If a man lives he believes in something. If he did not believe that one must live for something, he would not live. If he does not see and recognize the illusory nature of the finite, he believes in the finite; if he understands the illusory nature of the finite, he must believe in the infinite. Without faith he cannot live.

And I recalled the whole course of my mental labour and was horrified. It was now clear to me that for man to be able to live he must either not see the infinite, or have such an explanation of the meaning of life as will connect the finite with the infinite. Such an explanation I had had; but as long as I believed in the finite I did not need the explanation, and I began to verify it by

reason. And in the light of reason the whole of my former explanation flew to atoms. But a time came when I ceased to believe in the finite. And then I began to build up on rational foundations, out of what I knew, an explanation which would give a meaning to life; but nothing could I build. Together with the best human intellects I reached the result that 0 equals 0 , and was much astonished at that conclusion, though nothing else could have resulted.

What was I doing when I sought an answer in the experimental sciences? I wished to know why I live, and for this purpose studied all that is outside me. Evidently I might learn much, but nothing of what I needed.

What was I doing when I sought an answer in philosophical knowledge? I was studying the thoughts of those who had found themselves in the same position as I, lacking a reply to the question "why do I live?" Evidently I could learn nothing but what I knew myself, namely that nothing can be known.

What am I? -- A part of the infinite. In those few words lies the whole problem.

Is it possible that humanity has only put that question to itself since yesterday? And can no one before me have set himself that question -- a question so simple, and one that springs to the tongue of every wise child?

Surely that question has been asked since man began; and naturally for the solution of that question since man began it has been equally insufficient to compare the finite with the finite and the infinite with the infinite, and since man began the relation of the finite to the infinite has been sought out and expressed.

All these conceptions in which the finite has been adjusted to the infinite and a meaning found for life -- the conception of God, of will, of goodness -- we submit to logical examination. And all those conceptions fail to stand reason's criticism.

Were it not so terrible it would be ludicrous with what pride and self-satisfaction we, like children, pull the watch to pieces, take out the spring, make a toy of it, and are then surprised that the watch does not go.

A solution of the contradiction between the finite and the infinite, and such a reply to the question of life as will make it possible to live, is necessary and precious. And that is the only solution which we find everywhere, always, and among all peoples: a solution descending from times in which we lose sight of the life

of man, a solution so difficult that we can compose nothing like it -- and this solution we light-heartedly destroy in order again to set the same question, which is natural to everyone and to which we have no answer.

The conception of an infinite god, the divinity of the soul, the connexion of human affairs with God, the unity and existence of the soul, man's conception of moral goodness and evil -- are conceptions formulated in the hidden infinity of human thought, they are those conceptions without which neither life nor I should exist; yet rejecting all that labour of the whole of humanity, I wished to remake it afresh myself and in my own manner.

I did not then think like that, but the germs of these thoughts were already in me. I understood, in the first place, that my position with Schopenhauer and Solomon, notwithstanding our wisdom, was stupid: we see that life is an evil and yet continue to live. That is evidently stupid, for if life is senseless and I am so fond of what is reasonable, it should be destroyed, and then there would be no one to challenge it. Secondly, I understood that all one's reasonings turned in a vicious circle like a wheel out of gear with its pinion. However much and however well we may reason we cannot obtain a reply to the question; and o will always equal o, and therefore our path is probably erroneous. Thirdly, I began to understand that in the replies given by faith is stored up the deepest human wisdom and that I had no right to deny them on the ground of reason, and that those answers are the only ones which reply to life's question.

X

I understood this, but it made matters no better for me. I was now ready to accept any faith if only it did not demand of me a direct denial of reason -- which would be a falsehood. And I studied Buddhism and Mohammedanism from books, and most of all I studied Christianity both from books and from the people around me.

Naturally I first of all turned to the orthodox of my circle, to people who were learned: to Church theologians, monks, to theologians of the newest shade, and even to Evangelicals who profess salvation by belief in the Redemption. And I seized on these believers and questioned them as to their beliefs and their understanding of the meaning of life.

But though I made all possible concessions, and avoided all disputes, I could not accept the faith of these people. I saw that what they gave out as their faith did not explain the meaning of life but obscured it, and that they themselves affirm their belief not to answer that question of life which brought me to faith, but for some other aims alien to me.

I remember the painful feeling of fear of being thrown back into my former state of despair, after the hope I often and often experienced in my intercourse with these people.

The more fully they explained to me their doctrines, the more clearly did I perceive their error and realized that my hope of finding in their belief an explanation of the meaning of life was vain.

It was not that in their doctrines they mixed many unnecessary and unreasonable things with the Christian truths that had always been near to me: that was not what repelled me. I was repelled by the fact that these people's lives were like my own, with only this difference -- that such a life did not correspond to the principles they expounded in their teachings. I clearly felt that they deceived themselves and that they, like myself found no other meaning in life than to live while life lasts, taking all one's hands can seize. I saw this because if they had had a meaning which destroyed the fear of loss, suffering, and death, they would not have feared these things. But they, these believers of our circle, just like myself, living in sufficiency and superfluity, tried to increase or preserve them, feared privations, suffering, and death, and just like myself and all of us unbelievers, lived to satisfy their desires, and lived just as badly, if not worse, than the unbelievers.

No arguments could convince me of the truth of their faith. Only deeds which showed that they saw a meaning in life making what was so dreadful to me -- poverty, sickness, and death -- not dreadful to them, could convince me. And such deeds I did not see among the various believers in our circle. On the contrary, I saw such deeds done [Footnote: this passage is noteworthy as being one of the few references made by Tolstoy at this period to the revolutionary or "Back-to-the-People" movement, in which many young men and women were risking and sacrificing home, property, and life itself from motives which had much in common with his own perception that the upper layers of Society are parasitic and prey on the vitals of the people who support them. -- A.M.] by people of

our circle who were the most unbelieving, but never by our so-called believers.

And I understood that the belief of these people was not the faith I sought, and that their faith is not a real faith but an epicurean consolation in life.

I understood that that faith may perhaps serve, if not for a consolation at least for some distraction for a repentant Solomon on his death-bed, but it cannot serve for the great majority of mankind, who are called on not to amuse themselves while consuming the labour of others but to create life.

For all humanity to be able to live, and continue to live attributing a meaning to life, they, those milliards, must have a different, a real, knowledge of faith. Indeed, it was not the fact that we, with Solomon and Schopenhauer, did not kill ourselves that convinced me of the existence of faith, but the fact that those milliards of people have lived and are living, and have borne Solomon and us on the current of their lives.

And I began to draw near to the believers among the poor, simple, unlettered folk: pilgrims, monks, sectarians, and peasants. The faith of these common people was the same Christian faith as was professed by the pseudo-believers of our circle. Among them, too, I found a great deal of superstition mixed with the Christian truths; but the difference was that the superstitions of the believers of our circle were quite unnecessary to them and were not in conformity with their lives, being merely a kind of epicurean diversion; but the superstitions of the believers among the labouring masses conformed so with their lives that it was impossible to imagine them to oneself without those superstitions, which were a necessary condition of their life. the whole life of believers in our circle was a contradiction of their faith, but the whole life of the working-folk believers was a confirmation of the meaning of life which their faith gave them. And I began to look well into the life and faith of these people, and the more I considered it the more I became convinced that they have a real faith which is a necessity to them and alone gives their life a meaning and makes it possible for them to live. In contrast with what I had seen in our circle -- where life without faith is possible and where hardly one in a thousand acknowledges himself to be a believer -- among them there is hardly one unbeliever in a thousand. In contrast with what I had seen in our circle, where the whole of life is passed in idleness, amusement, and

dissatisfaction, I saw that the whole life of these people was passed in heavy labour, and that they were content with life. In contradistinction to the way in which people of our circle oppose fate and complain of it on account of deprivations and sufferings, these people accepted illness and sorrow without any perplexity or opposition, and with a quiet and firm conviction that all is good. In contradistinction to us, who the wiser we are the less we understand the meaning of life, and see some evil irony in the fact that we suffer and die, these folk live and suffer, and they approach death and suffering with tranquillity and in most cases gladly. In contrast to the fact that a tranquil death, a death without horror and despair, is a very rare exception in our circle, a troubled, rebellious, and unhappy death is the rarest exception among the people. and such people, lacking all that for us and for Solomon is the only good of life and yet experiencing the greatest happiness, are a great multitude. I looked more widely around me. I considered the life of the enormous mass of the people in the past and the present. And of such people, understanding the meaning of life and able to live and to die, I saw not two or three, or tens, but hundreds, thousands, and millions. and they all -- endlessly different in their manners, minds, education, and position, as they were -- all alike, in complete contrast to my ignorance, knew the meaning of life and death, laboured quietly, endured deprivations and sufferings, and lived and died seeing therein not vanity but good.

And I learnt to love these people. The more I came to know their life, the life of those who are living and of others who are dead of whom I read and heard, the more I loved them and the easier it became for me to live. So I went on for about two years, and a change took place in me which had long been preparing and the promise of which had always been in me. It came about that the life of our circle, the rich and learned, not merely became distasteful to me, but lost all meaning in my eyes. All our actions, discussions, science and art, presented itself to me in a new light. I understood that it is all merely self-indulgence, and the to find a meaning in it is impossible; while the life of the whole labouring people, the whole of mankind who produce life, appeared to me in its true significance. I understood that *that* is life itself, and that the meaning given to that life is true: and I accepted it.

And remembering how those very beliefs had repelled me and had seemed meaningless when professed by people whose lives conflicted with them, and how these same beliefs attracted me and seemed reasonable when I saw that people lived in accord with them, I understood why I had then rejected those beliefs and found them meaningless, yet now accepted them and found them full of meaning. I understood that I had erred, and why I erred. I had erred not so much because I thought incorrectly as because I lived badly. I understood that it was not an error in my thought that had hid truth from me as much as my life itself in the exceptional conditions of epicurean gratification of desires in which I passed it. I understood that my question as to what my life is, and the answer -- and evil -- was quite correct. The only mistake was that the answer referred only to my life, while I had referred it to life in general. I asked myself what my life is, and got the reply: An evil and an absurdity. and really my life -- a life of indulgence of desires -- was senseless and evil, and therefore the reply, "Life is evil and an absurdity", referred only to my life, but not to human life in general. I understood the truth which I afterwards found in the Gospels, "that men loved darkness rather than the light, for their works were evil. For everyone that doeth ill hateth the light, and cometh not to the light, lest his works should be reprov'd." I perceived that to understand the meaning of life it is necessary first that life should not be meaningless and evil, then we can apply reason to explain it. I understood why I had so long wandered round so evident a truth, and that if one is to think and speak of the life of mankind, one must think and speak of that life and not of the life of some of life's parasites. That truth was always as true as that two and two are four, but I had not acknowledged it, because on admitting two and two to be four I had also to admit that I was bad; and to feel myself to be good was for me more important and necessary than for two and two to be four. I came to love good people, hated myself, and confessed the truth. Now all became clear to me.

What if an executioner passing his whole life in torturing people and cutting off their heads, or a hopeless drunkard, or a madman settled for life in a dark room which he has fouled and imagines that he would perish if he left -- what if he asked

himself: "What is life?" Evidently he could not other reply to that question than that life is the greatest evil, and the madman's answer would be perfectly correct, but only as applied to himself. What if I am such a madman? What if all we rich and leisured people are such madmen? and I understood that we really are such madmen. I at any rate was certainly such.

And indeed a bird is so made that it must fly, collect food, and build a nest, and when I see that a bird does this I have pleasure in its joy. A goat, a hare, and a wolf are so made that they must feed themselves, and must breed and feed their family, and when they do so I feel firmly assured that they are happy and that their life is a reasonable one. then what should a man do? He too should produce his living as the animals do, but with this difference, that he will perish if he does it alone; he must obtain it not for himself but for all. And when he does that, I have a firm assurance that he is happy and that his life is reasonable. But what had I done during the whole thirty years of my responsible life? Far from producing sustenance for all, I did not even produce it for myself. I lived as a parasite, and on asking myself, what is the use of my life? I got the reply: "No use." If the meaning of human life lies in supporting it, how could I -- who for thirty years had been engaged not on supporting life but on destroying it in myself and in others -- how could I obtain any other answer than that my life was senseless and an evil? ... It was both senseless and evil.

The life of the world endures by someone's will -- by the life of the whole world and by our lives someone fulfills his purpose. To hope to understand the meaning of that will one must first perform it by doing what is wanted of us. But if I will not do what is wanted of me, I shall never understand what is wanted of me, and still less what is wanted of us all and of the whole world.

If a naked, hungry beggar has been taken from the cross-roads, brought into a building belonging to a beautiful establishment, fed, supplied with drink, and obliged to move a handle up and down, evidently, before discussing why he was taken, why he should move the handle, and whether the whole establishment is reasonably arranged -- the beggar should first of all move the handle. If he moves the handle he will understand that it works a pump, that the pump draws water and that the water irrigates the garden beds; then he will be taken from the pumping station to another place where he will gather fruits and will enter into the joy of his master, and,

passing from lower to higher work, will understand more and more of the arrangements of the establishment, and taking part in it will never think of asking why he is there, and will certainly not reproach the master.

So those who do his will, the simple, unlearned working folk, whom we regard as cattle, do not reproach the master; but we, the wise, eat the master's food but do not do what the master wishes, and instead of doing it sit in a circle and discuss: "Why should that handle be moved? Isn't it stupid?" So we have decided. We have decided that the master is stupid, or does not exist, and that we are wise, only we feel that we are quite useless and that we must somehow do away with ourselves.

The consciousness of the error in reasonable knowledge helped me to free myself from the temptation of idle ratiocination. The conviction that knowledge of truth can only be found by living led me to doubt the rightness of my life; but I was saved only by the fact that I was able to tear myself from my exclusiveness and to see the real life of the plain working people, and to understand that it alone is real life. I understood that if I wish to understand life and its meaning, I must not live the life of a parasite, but must live a real life, and -- taking the meaning given to live by real humanity and merging myself in that life -- verify it.

During that time this is what happened to me. During that whole year, when I was asking myself almost every moment whether I should not end matters with a noose or a bullet -- all that time, together with the course of thought and observation about which I have spoken, my heart was oppressed with a painful feeling, which I can only describe as a search for God.

I say that that search for God was not reasoning, but a feeling, because that search proceeded not from the course of my thoughts -- it was even directly contrary to them -- but proceeded from the heart. It was a feeling of fear, orphanage, isolation in a strange land, and a hope of help from someone.

Though I was quite convinced of the impossibility of proving the existence of a Deity (Kant had shown, and I quite understood him, that it could not be proved), I yet sought for god, hoped that

I should find Him, and from old habit addressed prayers to that which I sought but had not found. I went over in my mind the arguments of Kant and Schopenhauer showing the impossibility of proving the existence of a God, and I began to verify those arguments and to refute them. Cause, said I to myself, is not a category of thought such as are Time and Space. If I exist, there must be some cause for it, and a cause of causes. And that first cause of all is what men have called "God". And I paused on that thought, and tried with all my being to recognize the presence of that cause. And as soon as I acknowledged that there is a force in whose power I am, I at once felt that I could live. But I asked myself: What is that cause, that force? How am I to think of it? What are my relations to that which I call "God"? And only the familiar replies occurred to me: "He is the Creator and Preserver." This reply did not satisfy me, and I felt I was losing within me what I needed for my life. I became terrified and began to pray to Him whom I sought, that He should help me. But the more I prayed the more apparent it became to me that He did not hear me, and that there was no one to whom to address myself. And with despair in my heart that there is no God at all, I said: "Lord, have mercy, save me! Lord, teach me!" But no one had mercy on me, and I felt that my life was coming to a standstill.

But again and again, from various sides, I returned to the same conclusion that I could not have come into the world without any cause or reason or meaning; I could not be such a fledgling fallen from its nest as I felt myself to be. Or, granting that I be such, lying on my back crying in the high grass, even then I cry because I know that a mother has borne me within her, has hatched me, warmed me, fed me, and loved me. Where is she -- that mother? If I have been deserted, who has deserted me? I cannot hide from myself that someone bore me, loving me. Who was that someone? Again "God"? He knows and sees my searching, my despair, and my struggle."

"He exists," said I to myself. And I had only for an instant to admit that, and at once life rose within me, and I felt the possibility and joy of being. But again, from the admission of the existence of a God I went on to seek my relation with Him; and again I imagined *that* God -- our Creator in Three Persons who sent His Son, the Saviour -- and again *that* God, detached from the world and from me, melted like a block of ice, melted before my eyes, and again nothing remained, and again the spring of life

dried up within me, and I despaired and felt that I had nothing to do but to kill myself. And the worst of all was, that I felt I could not do it.

Not twice or three times, but tens and hundreds of times, I reached those conditions, first of joy and animation, and then of despair and consciousness of the impossibility of living.

I remember that it was in early spring: I was alone in the wood listening to its sounds. I listened and thought ever of the same thing, as I had constantly done during those last three years. I was again seeking God.

"Very well, there is no God," said I to myself; "there is no one who is not my imagination but a reality like my whole life. He does not exist, and no miracles can prove His existence, because the miracles would be my imagination, besides being irrational.

"But my *perception* of God, of Him whom I seek," I asked myself, "where has that perception come from?" And again at this thought the glad waves of life rose within me. All that was around me came to life and received a meaning. But my joy did not last long. My mind continued its work.

"The conception of God is not God," said I to myself. "The conception is what takes place within me. The conception of God is something I can evoke or can refrain from evoking in myself. That is not what I seek. I seek that without which there can be no life." And again all around me and within me began to die, and again I wished to kill myself.

But then I turned my gaze upon myself, on what went on within me, and I remembered all those cessations of life and reanimations that recurred within me hundreds of times. I remembered that I only lived at those times when I believed in God. As it was before, so it was now; I need only be aware of God to live; I need only forget Him, or disbelieve Him, and I died.

What is this animation and dying? I do not live when I lose belief in the existence of God. I should long ago have killed myself had I not had a dim hope of finding Him. I live, really live, only when I feel Him and seek Him. "What more do you seek?" exclaimed a voice within me. "This is He. He is that without which one cannot live. To know God and to live is one and the same thing. God is life."

"Live seeking God, and then you will not live without God." And more than ever before, all within me and around me lit up, and the light did not again abandon me.

And I was saved from suicide. When and how this change occurred I could not say. As imperceptibly and gradually the force of life in me had been destroyed and I had reached the impossibility of living, a cessation of life and the necessity of suicide, so imperceptibly and gradually did that force of life return to me. And strange to say the strength of life which returned to me was not new, but quite old -- the same that had borne me along in my earliest days.

I quite returned to what belonged to my earliest childhood and youth. I returned to the belief in that Will which produced me and desires something of me. I returned to the belief that the chief and only aim of my life is to be better, i.e. to live in accord with that Will. and I returned to the belief that I can find the expression of that Will in what humanity, in the distant past hidden from, has produced for its guidance: that is to say, I returned to a belief in God, in moral perfection, and in a tradition transmitting the meaning of life. There was only this difference, that then all this was accepted unconsciously, while now I knew that without it I could not live.

What happened to me was something like this: I was put into a boat (I do not remember when) and pushed off from an unknown shore, shown the direction of the opposite shore, had oars put into my unpractised hands, and was left alone. I rowed as best I could and moved forward; but the further I advanced towards the middle of the stream the more rapid grew the current bearing me away from my goal and the more frequently did I encounter others, like myself, borne away by the stream. There were a few rowers who continued to row, there were others who had abandoned their oars; there were large boats and immense vessels full of people. Some struggled against the current, others yielded to it. And the further I went the more, seeing the progress down the current of all those who were adrift, I forgot the direction given me. In the very centre of the stream, amid the crowd of boats and vessels which were being borne down stream, I quite lost my direction and abandoned my oars. Around me on all sides, with mirth and rejoicing, people with sails and oars were borne down the stream, assuring me and each other that no other direction was possible. And I believed them and floated with them. And I was carried far; so far that I heard the roar of the rapids in which I must be shattered, and I saw boats shattered in them. And I recollected myself. I was long unable to understand what had happened to me. I saw before me nothing but

destruction, towards which I was rushing and which I feared. I saw no safety anywhere and did not know what to do; but, looking back, I perceived innumerable boats which unceasingly and strenuously pushed across the stream, and I remembered about the shore, the oars, and the direction, and began to pull back upwards against the stream and towards the whore.

That shore was God; that direction was tradition; the oars were the freedom given me to pull for the shore and unite with God. And so the force of life was renewed in me and I again began to live.

XIII

I turned from the life of our circle, acknowledging that ours is not life but a simulation of life -- that the conditions of superfluity in which we live deprive us of the possibility of understanding life, and that in order to understand life I must understand not an exceptional life such as our who are parasites on life, but the life of the simple labouring folk -- those who make life -- and the meaning which they attribute to it. The simplest labouring people around me were the Russian people, and I turned to them and to the meaning of life which they give. That meaning, if one can put it into words, was as follows: Every man has come into this world by the will of God. And God has so made man that every man can destroy his soul or save it. The aim of man in life is to save his soul, and to save his soul he must live "godly" and to live "godly" he must renounce all the pleasures of life, must labour, humble himself, suffer, and be merciful. That meaning the people obtain from the whole teaching of faith transmitted to them by their pastors and by the traditions that live among the people. This meaning was clear to me and near to my heart. But together with this meaning of the popular faith of our non-sectarian folk, among whom I live, much was inseparably bound up that revolted me and seemed to me inexplicable: sacraments, Church services, fasts, and the adoration of relics and icons. The people cannot separate the one from the other, nor could I. And strange as much of what entered into the faith of these people was to me, I accepted everything, and attended the services, knelt morning and evening in prayer, fasted, and prepared to receive the Eucharist: and at first my reason did not resist anything. The very things that had

formerly seemed to me impossible did not now evoke in me any opposition.

My relations to faith before and after were quite different. Formerly life itself seemed to me full of meaning and faith presented itself as the arbitrary assertion of propositions to me quite unnecessary, unreasonable, and disconnected from life. I then asked myself what meaning those propositions had and, convinced that they had none, I rejected them. Now on the contrary I knew firmly that my life otherwise has, and can have, no meaning, and the articles of faith were far from presenting themselves to me as unnecessary -- on the contrary I had been led by indubitable experience to the conviction that only these propositions presented by faith give life a meaning. formerly I looked on them as on some quite unnecessary gibberish, but now, if I did not understand them, I yet knew that they had a meaning, and I said to myself that I must learn to understand them.

I argued as follows, telling myself that the knowledge of faith flows, like all humanity with its reason, from a mysterious source. That source is God, the origin both of the human body and the human reason. As my body has descended to me from God, so also has my reason and my understanding of life, and consequently the various stages of the development of that understanding of life cannot be false. All that people sincerely believe in must be true; it may be differently expressed but it cannot be a lie, and therefore if it presents itself to me as a lie, that only means that I have not understood it. Furthermore I said to myself, the essence of every faith consists in its giving life a meaning which death does not destroy. Naturally for a faith to be able to reply to the questions of a king dying in luxury, of an old slave tormented by overwork, of an unreasoning child, of a wise old man, of a half-witted old woman, of a young and happy wife, of a youth tormented by passions, of all people in the most varied conditions of life and education -- if there is one reply to the one eternal question of life: "Why do I live and what will result from my life?" -- the reply, though one in its essence, must be endlessly varied in its presentation; and the more it is one, the more true and profound it is, the more strange and deformed must it naturally appear in its attempted expression, conformably to the education and position of each person. But this argument, justifying in my eyes the queerness of much on the ritual side of religion, did not suffice to allow me in the one great affair of life -- religion --

to do things which seemed to me questionable. With all my soul I wished to be in a position to mingle with the people, fulfilling the ritual side of their religion; but I could not do it. I felt that I should lie to myself and mock at what was sacred to me, were I to do so. At this point, however, our new Russian theological writers came to my rescue.

According to the explanation these theologians gave, the fundamental dogma of our faith is the infallibility of the Church. From the admission of that dogma follows inevitably the truth of all that is professed by the Church. The Church as an assembly of true believers united by love and therefore possessed of true knowledge became the basis of my belief. I told myself that divine truth cannot be accessible to a separate individual; it is revealed only to the whole assembly of people united by love. To attain truth one must not separate, and in order not to separate one must love and must endure things one may not agree with.

Truth reveals itself to love, and if you do not submit to the rites of the Church you transgress against love; and by transgressing against love you deprive yourself of the possibility of recognizing the truth. I did not then see the sophistry contained in this argument. I did not see that union in love may give the greatest love, but certainly cannot give us divine truth expressed in the definite words of the Nicene Creed. I also did not perceive that love cannot make a certain expression of truth an obligatory condition of union. I did not then see these mistakes in the argument and thanks to it was able to accept and perform all the rites of the Orthodox Church without understanding most of them. I then tried with all strength of my soul to avoid all arguments and contradictions, and tried to explain as reasonably as possible the Church statements I encountered.

When fulfilling the rites of the Church I humbled my reason and submitted to the tradition possessed by all humanity. I united myself with my forefathers: the father, mother, and grandparents I loved. They and all my predecessors believed and lived, and they produced me. I united myself also with the missions of the common people whom I respected. Moreover, those actions had nothing bad in themselves ("bad" I considered the indulgence of one's desires). When rising early for Church services I knew I was doing well, if only because I was sacrificing my bodily ease to humble my mental pride, for the sake of union with my ancestors and contemporaries, and for the sake of finding the meaning of life. It was the same

with my preparations to receive Communion, and with the daily reading of prayers with genuflections, and also with the observance of all the fasts. However insignificant these sacrifices might be I made them for the sake of something good. I fasted, prepared for Communion, and observed the fixed hours of prayer at home and in church. During Church service I attended to every word, and gave them a meaning whenever I could. In the Mass the most important words for me were: "Let us love one another in conformity!" The further words, "In unity we believe in the Father, the Son, and Holy Ghost", I passed by, because I could not understand them.

XIV

It was then so necessary for me to believe in order to live that I unconsciously concealed from myself the contradictions and obscurities of theology. But this reading of meanings into the rites had its limits. If the chief words in the prayer for the Emperor became more and more clear to me, if I found some explanation for the words "and remembering our Sovereign Most-Holy Mother of God and all the Saints, ourselves and one another, we give our whole life to Christ our God", if I explained to myself the frequent repetition of prayers for the Tsar and his relations by the fact that they are more exposed to temptations than other people and therefore are more in need of being prayed for -- the prayers about subduing our enemies and evil under our feet (even if one tried to say that *sin* was the enemy prayed against), these and other prayers, such as the "cherubic song" and the whole sacrament of oblation, or "the chosen Warriors", etc. -- quite two-thirds of all the services -- either remained completely incomprehensible or, when I forced an explanation into them, made me feel that I was lying, thereby quite destroying my relation to God and depriving me of all possibility of belief.

I felt the same about the celebration of the chief holidays. To remember the Sabbath, that is to devote one day to God, was something I could understand. But the chief holiday was in commemoration of the Resurrection, the reality of which I could not picture to myself or understand. And that name of "Resurrection" was also given the weekly holiday. [Footnote: In Russia Sunday was called Resurrection-day. -- A. M.] And on those days the Sacrament of the Eucharist was administered, which was quite

unintelligible to me. The rest of the twelve great holidays, except Christmas, commemorated miracles -- the things I tried not to think about in order not to deny: the Ascension, Pentecost, Epiphany, the Feast of the Intercession of the Holy Virgin, etc. At the celebration of these holidays, feeling that importance was being attributed to the very things that to me presented a negative importance, I either devised tranquillizing explanations or shut my eyes in order not to see what tempted me.

Most of all this happened to me when taking part in the most usual Sacraments, which are considered the most important: baptism and communion. There I encountered not incomprehensible but fully comprehensible doings: doings which seemed to me to lead into temptation, and I was in a dilemma -- whether to lie or to reject them.

Never shall I forge the painful feeling I experienced the day I received the Eucharist for the first time after many years. The service, confession, and prayers were quite intelligible and produced in me a glad consciousness that the meaning of life was being revealed to me. The Communion itself I explained as an act performed in remembrance of Christ, and indicating a purification from sin and the full acceptance of Christ's teaching. If that explanation was artificial I did not notice its artificiality: so happy was I at humbling and abasing myself before the priest -- a simple, timid country clergyman -- turning all the dirt out of my soul and confessing my vices, so glad was I to merge in thought with the humility of the fathers who wrote the prayers of the office, so glad was I of union with all who have believed and now believe, that I did not notice the artificiality of my explanation. But when I approached the altar gates, and the priest made me say that I believed that what I was about to swallow was truly flesh and blood, I felt a pain in my heart: it was not merely a false note, it was a cruel demand made by someone or other who evidently had never known what faith is.

I now permit myself to say that it was a cruel demand, but I did not then think so: only it was indescribably painful to me. I was no longer in the position in which I had been in youth when I thought all in life was clear; I had indeed come to faith because, apart from faith, I had found nothing, certainly nothing, except destruction; therefore to throw away that faith was impossible and I submitted. And I found in my soul a feeling which helped me to endure it. This was the feeling of self-abasement and humility.

I humbled myself, swallowed that flesh and blood without any blasphemous feelings and with a wish to believe. But the blow had been struck and, knowing what awaited me, I could not go a second time.

I continued to fulfil the rites of the Church and still believed that the doctrine I was following contained the truth, when something happened to me which I now understand but which then seemed strange.

I was listening to the conversation of an illiterate peasant, a pilgrim, about God, faith, life, and salvation, when a knowledge of faith revealed itself to me. I drew near to the people, listening to their opinions of life and faith, and I understood the truth more and more. So also was it when I read the Lives of Holy men, which became my favourite books. Putting aside the miracles and regarding them as fables illustrating thoughts, this reading revealed to me life's meaning. There were the lives of Makarius the Great, the story of Buddha, there were the words of St. John Chrysostom, and there were the stories of the traveller in the well, the monk who found some gold, and of Peter the publican. There were stories of the martyrs, all announcing that death does not exclude life, and there were the stories of ignorant, stupid men, who knew nothing of the teaching of the Church but who yet were saved.

But as soon as I met learned believers or took up their books, doubt of myself, dissatisfaction, and exasperated disputation were roused within me, and I felt that the more I entered into the meaning of these men's speech, the more I went astray from truth and approached an abyss.

XV

How often I envied the peasants their illiteracy and lack of learning! Those statements in the creeds which to me were evident absurdities, for them contained nothing false; they could accept them and could believe in the truth -- the truth I believed in. Only to me, unhappy man, was it clear that with truth falsehood was interwoven by finest threads, and that I could not accept it in that form.

So I lived for about three years. At first, when I was only slightly associated with truth as a catechumen and was only

scenting out what seemed to me clearest, these encounters struck me less. When I did not understand anything, I said, "It is my fault, I am sinful"; but the more I became imbued with the truths I was learning, the more they became the basis of my life, the more oppressive and the more painful became these encounters and the sharper became the line between what I do not understand because I am not able to understand it, and what cannot be understood except by lying to oneself.

In spite of my doubts and sufferings I still clung to the Orthodox Church. But questions of life arose which had to be decided; and the decision of these questions by the Church -- contrary to the very bases of the belief by which I lived -- obliged me at last to renounce communion with Orthodoxy as impossible. These questions were: first the relation of the Orthodox Eastern Church to other Churches -- to the Catholics and to the so-called sectarians. At that time, in consequence of my interest in religion, I came into touch with believers of various faiths: Catholics, protestants, Old-Believers, Molokans [Footnote: A sect that rejects sacraments and ritual.], and others. And I met among them many men of lofty morals who were truly religious. I wished to be a brother to them. And what happened? That teaching which promised to unite all in one faith and love -- that very teaching, in the person of its best representatives, told me that these men were all living a lie; that what gave them their power of life was a temptation of the devil; and that we alone possess the only possible truth. And I saw that all who do not profess an identical faith with themselves are considered by the Orthodox to be heretics, just as the Catholics and others consider the Orthodox to be heretics. And I saw that the Orthodox (though they try to hide this) regard with hostility all who do not express their faith by the same external symbols and words as themselves; and this is naturally so; first, because the assertion that you are in falsehood and I am in truth, is the most cruel thing one man can say to another; and secondly, because a man loving his children and brothers cannot help being hostile to those who wish to pervert his children and brothers to a false belief. And that hostility is increased in proportion to one's greater knowledge of theology. And to me who considered that truth lay in union by love, it became self-evident that theology was itself destroying what it ought to produce.

This offence is so obvious to us educated people who have

lived in countries where various religions are professed and have seen the contempt, self-assurance, and invincible contradiction with which Catholics behave to the Orthodox Greeks and to the Protestants, and the Orthodox to Catholics and Protestants, and the Protestants to the two others, and the similar attitude of Old-Believers, Pashkovites (Russian Evangelicals), Shakers, and all religions -- that the very obviousness of the temptation at first perplexes us. One says to oneself: it is impossible that it is so simple and that people do not see that if two assertions are mutually contradictory, then neither of them has the sole truth which faith should possess. There is something else here, there must be some explanation. I thought there was, and sought that explanation and read all I could on the subject, and consulted all whom I could. And no one gave me any explanation, except the one which causes the Sumsky Hussars to consider the Sumsky Hussars the best regiment in the world, and the Yellow Uhlans to consider that the best regiment in the world is the Yellow Uhlans. The ecclesiastics of all the different creeds, through their best representatives, told me nothing but that they believed themselves to have the truth and the others to be in error, and that all they could do was to pray for them. I went to archimandrites, bishops, elders, monks of the strictest orders, and asked them; but none of them made any attempt to explain the matter to me except one man, who explained it all and explained it so that I never asked any one any more about it. I said that for every unbeliever turning to a belief (and all our young generation are in a position to do so) the question that presents itself first is, why is truth not in Lutheranism nor in Catholicism, but in Orthodoxy? Educated in the high school he cannot help knowing what the peasants do not know -- that the Protestants and Catholics equally affirm that their faith is the only true one. Historical evidence, twisted by each religion in its own favour, is insufficient. Is it not possible, said I, to understand the teaching in a loftier way, so that from its height the differences should disappear, as they do for one who believes truly? Can we not go further along a path like the one we are following with the Old-Believers? They emphasize the fact that they have a differently shaped cross and different alleluias and a different procession round the altar. We reply: You believe in the Nicene Creed, in the seven sacraments, and so do we. Let us hold to that, and in other matters do as you please. We have united with them by placing the essentials of faith above the

unessentials. Now with the Catholics can we not say: You believe in so and so and in so and so, which are the chief things, and as for the Filioque clause and the Pope -- do as you please. Can we not say the same to the Protestants, uniting with them in what is most important?

My interlocutor agreed with my thoughts, but told me that such conceptions would bring reproach to the spiritual authorities for deserting the faith of our forefathers, and this would produce a schism; and the vocation of the spiritual authorities is to safeguard in all its purity the Greco-Russian Orthodox faith inherited from our forefathers.

And I understood it all. I am seeking a faith, the power of life; and they are seeking the best way to fulfil in the eyes of men certain human obligations. and fulfilling these human affairs they fulfil them in a human way. However much they may talk of their pity for their erring brethren, and of addressing prayers for them to the throne of the Almighty -- to carry out human purposes violence is necessary, and it has always been applied and is and will be applied. If of two religions each considers itself true and the other false, then men desiring to attract others to the truth will preach their own doctrine. And if a false teaching is preached to the inexperienced sons of their Church -- which as the truth -- then that Church cannot but burn the books and remove the man who is misleading its sons. What is to be done with a sectarian -- burning, in the opinion of the Orthodox, with the fire of false doctrine -- who in the most important affair of life, in faith, misleads the sons of the Church? What can be done with him except to cut off his head or to incarcerate him? Under the Tsar Alexis Mikhaylovich people were burned at the stake, that is to say, the severest method of punishment of the time was applied, and in our day also the severest method of punishment is applied -- detention in solitary confinement. [Footnote: At the time this was written capital punishment was considered to be abolished in Russia. -- A.M.]

The second relation of the Church to a question of life was with regard to war and executions.

At that time Russia was at war. And Russians, in the name of Christian love, began to kill their fellow men. It was impossible not to think about this, and not to see that killing is an evil repugnant to the first principles of any faith. Yet prayers were said in the churches for the success of our arms, and the teachers

of the Faith acknowledged killing to be an act resulting from the Faith. And besides the murders during the war, I saw, during the disturbances which followed the war, Church dignitaries and teachers and monks of the lesser and stricter orders who approved the killing of helpless, erring youths. And I took note of all that is done by men who profess Christianity, and I was horrified.

XVI

And I ceased to doubt, and became fully convinced that not all was true in the religion I had joined. Formerly I should have said that it was all false, but I could not say so now. The whole of the people possessed a knowledge of the truth, for otherwise they could not have lived. Moreover, that knowledge was accessible to me, for I had felt it and had lived by it. But I no longer doubted that there was also falsehood in it. And all that had previously repelled me now presented itself vividly before me. And though I saw that among the peasants there was a smaller admixture of the lies that repelled me than among the representatives of the Church, I still saw that in the people's belief also falsehood was mingled with the truth.

But where did the truth and where did the falsehood come from? Both the falsehood and the truth were contained in the so-called holy tradition and in the Scriptures. Both the falsehood and the truth had been handed down by what is called the Church.

And whether I liked or not, I was brought to the study and investigation of these writings and traditions -- which till now I had been so afraid to investigate.

And I turned to the examination of that same theology which I had once rejected with such contempt as unnecessary. Formerly it seemed to me a series of unnecessary absurdities, when on all sides I was surrounded by manifestations of life which seemed to me clear and full of sense; now I should have been glad to throw away what would not enter a health head, but I had nowhere to turn to. On this teaching religious doctrine rests, or at least with it the only knowledge of the meaning of life that I have found is inseparably connected. However wild it may seem to my firm old mind, it was the only hope of salvation. It had to be carefully, attentively examined in order to understand it, and not even to understand it as I understand the propositions of science: I do

not seek that, nor can I seek it, knowing the special character of religious knowledge. I shall not seek the explanation of everything. I know that the explanation of everything, like the commencement of everything, must be concealed in infinity. But I wish to understand in a way which will bring me to what is inevitably inexplicable. I wish to recognize anything that is inexplicable as being so not because the demands of my reason are wrong (they are right, and apart from them I can understand nothing), but because I recognize the limits of my intellect. I wish to understand in such a way that everything that is inexplicable shall present itself to me as being necessarily inexplicable, and not as being something I am under an arbitrary obligation to believe.

That there is truth in the teaching is to me indubitable, but it is also certain that there is falsehood in it, and I must find what is true and what is false, and must disentangle the one from the other. I am setting to work upon this task. What of falsehood I have found in the teaching and what I have found of truth, and to what conclusions I came, will form the following parts of this work, which if it be worth it and if anyone wants it, will probably some day be printed somewhere.

1879.

The foregoing was written by me some three years ago, and will be printed.

Now a few days ago, when revising it and returning to the line of thought and to the feelings I had when I was living through it all, I had a dream. This dream expressed in condensed form all that I had experienced and described, and I think therefore that, for those who have understood me, a description of this dream will refresh and elucidate and unify what has been set forth at such length in the foregoing pages. The dream was this:

I saw that I was lying on a bed. I was neither comfortable nor uncomfortable: I was lying on my back. But I began to consider how, and on what, I was lying -- a question which had not till then occurred to me. And observing my bed, I saw I was lying on plaited string supports attached to its sides: my feet were resting on one such support, by calves on another, and my legs felt uncomfortable. I seemed to know that those supports were movable, and with a movement of my foot I pushed away the furthest of them at my feet - it seemed to me that it would be more comfortable so. But I

pushed it away too far and wished to reach it again with my foot, and that movement caused the next support under my calves to slip away also, so that my legs hung in the air. I made a movement with my whole body to adjust myself, fully convinced that I could do so at once; but the movement caused the other supports under me to slip and to become entangled, and I saw that matters were going quite wrong: the whole of the lower part of my body slipped and hung down, though my feet did not reach the ground. I was holding on only by the upper part of my back, and not only did it become uncomfortable but I was even frightened. And then only did I ask myself about something that had not before occurred to me. I asked myself: Where am I and what am I lying on? and I began to look around and first of all to look down in the direction which my body was hanging and whiter I felt I must soon fall. I looked down and did not believe my eyes. I was not only at a height comparable to the height of the highest towers or mountains, but at a height such as I could never have imagined.

I could not even make out whether I saw anything there below, in that bottomless abyss over which I was hanging and whiter I was being drawn. My heart contracted, and I experienced horror. To look thither was terrible. If I looked thither I felt that I should at once slip from the last support and perish. And I did not look. But not to look was still worse, for I thought of what would happen to me directly I fell from the last support. And I felt that from fear I was losing my last supports, and that my back was slowly slipping lower and lower. Another moment and I should drop off. And then it occurred to me that this cannot be real. It is a dream. Wake up! I try to arouse myself but cannot do so. What am I to do? What am I to do? I ask myself, and look upwards. Above, there is also an infinite space. I look into the immensity of sky and try to forget about the immensity below, and I really do forget it. The immensity below repels and frightens me; the immensity above attracts and strengthens me. I am still supported above the abyss by the last supports that have not yet slipped from under me; I know that I am hanging, but I look only upwards and my fear passes. As happens in dreams, a voice says: "Notice this, this is it!" And I look more and more into the infinite above me and feel that I am becoming calm. I remember all that has happened, and remember how it all happened; how I moved my legs, how I hung down, how frightened I was, and how I was saved from fear by looking upwards. And I ask myself: Well, and now am I not

hanging just the same? And I do not so much look round as experience with my whole body the point of support on which I am held. I see that I no longer hang as if about to fall, but am firmly held. I ask myself how I am held: I feel about, look round, and see that under me, under the middle of my body, there is one support, and that when I look upwards I lie on it in the position of securest balance, and that it alone gave me support before. And then, as happens in dreams, I imagined the mechanism by means of which I was held; a very natural intelligible, and sure means, though to one awake that mechanism has no sense. I was even surprised in my dream that I had not understood it sooner. It appeared that at my head there was a pillar, and the security of that slender pillar was undoubted though there was nothing to support it. From the pillar a loop hung very ingeniously and yet simply, and if one lay with the middle of one's body in that loop and looked up, there could be no question of falling. This was all clear to me, and I was glad and tranquil. And it seemed as if someone said to me: "See that you remember."

And I awoke.

Drew Barrymore

Drew Barrymore's her next 27 movies will be about her life growing up without the Electric

Windmill Car invented by Greg Buell in 1980 when Drew was 5 years old...

I love romance. I'm a sucker for it. I love it so much. It's...

I love romance. I'm a sucker for it. I love it so much. It's touching.

I love romance. I'm a sucker for it. I love it so much. It's inspirational.

Imagine Drew on Leno and Today Show talking about this crime committed by the Top Brass of the USA...

Drew will be pissed off if she does not get an electric windmill car for her 33rd BDay in 2008 those are responsible for suppressing the electric windmill car will be in her next 27 movies.

Bush McCain Kennedy drunk on oil... in a Drew Barrymore Movie... WOW!!!!

GPS for sending transmitting a signal for family and friends to track you were you parked your electric windmill car.... at the airport, were GE jets engines run on hydrogen produced by a gallon of H₂O in your electric windmill car.

Enough of stifling spin off inventions by Vista's Top Brass. After the oil genocide trials in NYC and DC...

Vista of Inventions lost since Bill Gates sold out to the Government for Billions in payoff and perks to keep out of jail, poor Martha did not kill nearly as many students as Bill Gates has.

Drew Barrymore's birth Feb. 22, 1975 five years before the invention of the electric windmill car.

Drew Barrymore lost 27 years of making movies... riding in cars with boys, who drive electric windmill cars,

Let her run naked... just don't let Drew go on the Today Show without talking about the Top Brass who lost her a life with the electric windmill car from 1980 - 2007

32nd BDay for Drew hope to give her a electric windmill car for her 33rd BDay then she can make me a movie of all the "lost" episodes we missed not growing up with the electric windmill car and all its spin off inventions - like light year travels and meeting greeting aliens...

Drew will be pissed off if she does not get an electric windmill car for her BDay ... and those are responsible will be in her next 27 movies... Bush McCain Kennedy drunk on oil... in a Drew Barrymore Movie... WOW!!!!

Sony will make \$ billions after the Oil Genocide Era is exposed \$\$\$\$

Once a Assistant attorney general John Bolton, also ambassador to the United Nations, approved enlisting the FBI.

Bolton will hang at the Oil Genocide Trials with the UN chiefs, for going along with letting 7 million cops and kids burn in gasoline for more oil money.

In UN history and USA history Bolton helped kill 7 million cops and kids for more oil money... sick, psychotic and of course brain washed by oil money.

Enlisting the FBI in a oil genocide that will kill 7 million. FBI could not have though they could possible get away with helping kill millions for more oil money. No Way!

New UN Health Chief Sets Her Priorities

Animal Farm Windmill

Story of getting the Electric Windmill car Invention is in 1984 Mirror poem
But what lead up to reading Animal Farm was taking the RTD Broadway bus
Past CU campus a student got on at the UMC with Animal Farm I had just
finished 1984 - So next day I got a used copy of Animal Farm for \$2 and read it
in the George Reynold Library at Table Mesa and got the Electric Windmill car
invention in Oct of 1980..... thanks to this tip to read this book Animal Farm.
Today is 4 Feb 2007 and 7 million cops and kids have been burned and burned
to death in gasoline since 1980... needlessly except for more Texas and Saudi
Arabia oil money... via USA Presidents... who committed the worst Genocide
in History the Oil Genocide is an American Genocide and Moscow and Beijing
go along solely because of USA bullies and greed for Oil Money and perks.
NCAR in Boulder has 3 super computers that should of been used by the DA
and inventors to find more Animal Farm windmill for spin off inventions....
Someday after the Oil Genocide Trials in DC, NYC, Moscow, Beijing and Boulder.

Title: Animal Farm
Author: George Orwell (pseudonym of Eric Blair) (1903-1950)

Chapter I

Mr. Jones, of the Manor Farm, had locked the hen-houses for the night, but was too drunk to remember to shut the pop-holes. With the ring of light from his lantern dancing from side to side, he lurched across the yard, kicked off his boots at the back door, drew himself a last glass of beer from the barrel in the scullery, and made his way up to bed, where Mrs. Jones was already snoring.

As soon as the light in the bedroom went out there was a stirring and a fluttering all through the farm buildings. Word had gone round during the day that old Major, the prize Middle White boar, had had a strange dream on the previous night and wished to communicate it to the other animals. It had been agreed that they should all meet in the big barn as soon as Mr. Jones was safely out of the way. Old Major (so he was always called, though the name under which he had been exhibited was Willingdon Beauty) was so highly regarded on the farm that everyone was quite ready to lose an hour's sleep in order to hear what he had to say.

At one end of the big barn, on a sort of raised platform, Major was already ensconced on his bed of straw, under a lantern which hung from a beam. He was twelve years old and had lately grown rather stout, but he was still a majestic-looking pig, with a wise and benevolent appearance in spite of the fact that his tushes had never been cut. Before long the

other animals began to arrive and make themselves comfortable after their different fashions. First came the three dogs, Bluebell, Jessie, and Pincher, and then the pigs, who settled down in the straw immediately in front of the platform. The hens perched themselves on the window-sills, the pigeons fluttered up to the rafters, the sheep and cows lay down behind the pigs and began to chew the cud. The two cart-horses, Boxer and Clover, came in together, walking very slowly and setting down their vast hairy hoofs with great care lest there should be some small animal concealed in the straw. Clover was a stout motherly mare approaching middle life, who had never quite got her figure back after her fourth foal. Boxer was an enormous beast, nearly eighteen hands high, and as strong as any two ordinary horses put together. A white stripe down his nose gave him a somewhat stupid appearance, and in fact he was not of first-rate intelligence, but he was universally respected for his steadiness of character and tremendous powers of work. After the horses came Muriel, the white goat, and Benjamin, the donkey. Benjamin was the oldest animal on the farm, and the worst tempered. He seldom talked, and when he did, it was usually to make some cynical remark--for instance, he would say that God had given him a tail to keep the flies off, but that he would sooner have had no tail and no flies. Alone among the animals on the farm he never laughed. If asked why, he would say that he saw nothing to laugh at. Nevertheless, without openly admitting it, he was devoted to Boxer; the two of them usually spent their Sundays together in the small paddock beyond the orchard, grazing side by side and never speaking.

The two horses had just lain down when a brood of ducklings, which had lost their mother, filed into the barn, cheeping feebly and wandering from side to side to find some place where they would not be trodden on. Clover made a sort of wall round them with her great foreleg, and the ducklings nestled down inside it and promptly fell asleep. At the last moment Mollie, the foolish, pretty white mare who drew Mr. Jones's trap, came mincing daintily in, chewing at a lump of sugar. She took a place near the front and began flirting her white mane, hoping to draw attention to the red ribbons it was plaited with. Last of all came the cat, who looked round, as usual, for the warmest place, and finally squeezed herself in between Boxer and Clover; there she purred contentedly throughout Major's speech without listening to a word of what he was saying.

All the animals were now present except Moses, the tame raven, who slept on a perch behind the back door. When Major saw that they had all made themselves comfortable and were waiting attentively, he cleared his throat and began:

"Comrades, you have heard already about the strange dream that I had last night. But I will come to the dream later. I have something else to say first. I do not think, comrades, that I shall be with you for many months longer, and before I die, I feel it my duty to pass on to you such wisdom as I have acquired. I have had a long life, I have had much time for thought as I lay alone in my stall, and I think I may say that I understand the nature of life on this earth as well as any animal now living. It is about this that I wish to speak to you.

"Now, comrades, what is the nature of this life of ours? Let us face it: our lives are miserable, laborious, and short. We are born, we are given just so much food as will keep the breath in our bodies, and those of us who are capable of it are forced to work to the last atom of our strength; and the very instant that our usefulness has come to an end we are slaughtered with hideous cruelty. No animal in England knows the meaning of happiness or leisure after he is a year old. No animal in England is free. The life of an animal is misery and slavery: that is the plain truth.

"But is this simply part of the order of nature? Is it because this land of ours is so poor that it cannot afford a decent life to those who dwell upon it? No, comrades, a thousand times no! The soil of England is fertile, its climate is good, it is capable of affording food in abundance to an enormously greater number of animals than now inhabit it. This single farm of ours would support a dozen horses, twenty cows, hundreds of

sheep--and all of them living in a comfort and a dignity that are now almost beyond our imagining. Why then do we continue in this miserable condition? Because nearly the whole of the produce of our labour is stolen from us by human beings. There, comrades, is the answer to all our problems. It is summed up in a single word--Man. Man is the only real enemy we have. Remove Man from the scene, and the root cause of hunger and overwork is abolished for ever.

"Man is the only creature that consumes without producing. He does not give milk, he does not lay eggs, he is too weak to pull the plough, he cannot run fast enough to catch rabbits. Yet he is lord of all the animals. He sets them to work, he gives back to them the bare minimum that will prevent them from starving, and the rest he keeps for himself. Our labour tills the soil, our dung fertilises it, and yet there is not one of us that owns more than his bare skin. You cows that I see before me, how many thousands of gallons of milk have you given during this last year? And what has happened to that milk which should have been breeding up sturdy calves? Every drop of it has gone down the throats of our enemies. And you hens, how many eggs have you laid in this last year, and how many of those eggs ever hatched into chickens? The rest have all gone to market to bring in money for Jones and his men. And you, Clover, where are those four foals you bore, who should have been the support and pleasure of your old age? Each was sold at a year old--you will never see one of them again. In return for your four confinements and all your labour in the fields, what have you ever had except your bare rations and a stall?

"And even the miserable lives we lead are not allowed to reach their natural span. For myself I do not grumble, for I am one of the lucky ones. I am twelve years old and have had over four hundred children. Such is the natural life of a pig. But no animal escapes the cruel knife in the end. You young porkers who are sitting in front of me, every one of you will scream your lives out at the block within a year. To that horror we all must come--cows, pigs, hens, sheep, everyone. Even the horses and the dogs have no better fate. You, Boxer, the very day that those great muscles of yours lose their power, Jones will sell you to the knacker, who will cut your throat and boil you down for the foxhounds. As for the dogs, when they grow old and toothless, Jones ties a brick round their necks and drowns them in the nearest pond.

"Is it not crystal clear, then, comrades, that all the evils of this life of ours spring from the tyranny of human beings? Only get rid of Man, and the produce of our labour would be our own. Almost overnight we could become rich and free. What then must we do? Why, work night and day, body and soul, for the overthrow of the human race! That is my message to you, comrades: Rebellion! I do not know when that Rebellion will come, it might be in a week or in a hundred years, but I know, as surely as I see this straw beneath my feet, that sooner or later justice will be done. Fix your eyes on that, comrades, throughout the short remainder of your lives! And above all, pass on this message of mine to those who come after you, so that future generations shall carry on the struggle until it is victorious.

"And remember, comrades, your resolution must never falter. No argument must lead you astray. Never listen when they tell you that Man and the animals have a common interest, that the prosperity of the one is the prosperity of the others. It is all lies. Man serves the interests of no creature except himself. And among us animals let there be perfect unity, perfect comradeship in the struggle. All men are enemies. All animals are comrades."

At this moment there was a tremendous uproar. While Major was speaking four large rats had crept out of their holes and were sitting on their hindquarters, listening to him. The dogs had suddenly caught sight of them, and it was only by a swift dash for their holes that the rats saved their lives. Major raised his trotter for silence.

"Comrades," he said, "here is a point that must be settled. The wild creatures, such as rats and rabbits--are they our friends or our enemies? Let us put it to the vote. I propose this question to the meeting: Are

rats comrades?"

The vote was taken at once, and it was agreed by an overwhelming majority that rats were comrades. There were only four dissentients, the three dogs and the cat, who was afterwards discovered to have voted on both sides. Major continued:

"I have little more to say. I merely repeat, remember always your duty of enmity towards Man and all his ways. Whatever goes upon two legs is an enemy. Whatever goes upon four legs, or has wings, is a friend. And remember also that in fighting against Man, we must not come to resemble him. Even when you have conquered him, do not adopt his vices. No animal must ever live in a house, or sleep in a bed, or wear clothes, or drink alcohol, or smoke tobacco, or touch money, or engage in trade. All the habits of Man are evil. And, above all, no animal must ever tyrannise over his own kind. Weak or strong, clever or simple, we are all brothers. No animal must ever kill any other animal. All animals are equal.

"And now, comrades, I will tell you about my dream of last night. I cannot describe that dream to you. It was a dream of the earth as it will be when Man has vanished. But it reminded me of something that I had long forgotten. Many years ago, when I was a little pig, my mother and the other sows used to sing an old song of which they knew only the tune and the first three words. I had known that tune in my infancy, but it had long since passed out of my mind. Last night, however, it came back to me in my dream. And what is more, the words of the song also came back-words, I am certain, which were sung by the animals of long ago and have been lost to memory for generations. I will sing you that song now, comrades. I am old and my voice is hoarse, but when I have taught you the tune, you can sing it better for yourselves. It is called 'Beasts of England'."

Old Major cleared his throat and began to sing. As he had said, his voice was hoarse, but he sang well enough, and it was a stirring tune, something between 'Clementine' and 'La Cucaracha'. The words ran:

Beasts of England, beasts of Ireland,
Beasts of every land and clime,
Hearken to my joyful tidings
Of the golden future time.

Soon or late the day is coming,
Tyrant Man shall be o'erthrown,
And the fruitful fields of England
Shall be trod by beasts alone.

Rings shall vanish from our noses,
And the harness from our back,
Bit and spur shall rust forever,
Cruel whips no more shall crack.

Riches more than mind can picture,
Wheat and barley, oats and hay,
Clover, beans, and mangel-wurzels
Shall be ours upon that day.

Bright will shine the fields of England,
Purer shall its waters be,
Sweeter yet shall blow its breezes
On the day that sets us free.

For that day we all must labour,
Though we die before it break;
Cows and horses, geese and turkeys,
All must toil for freedom's sake.

Beasts of England, beasts of Ireland,
Beasts of every land and clime,
Hearken well and spread my tidings
Of the golden future time.

The singing of this song threw the animals into the wildest excitement. Almost before Major had reached the end, they had begun singing it for themselves. Even the stupidest of them had already picked up the tune and a few of the words, and as for the clever ones, such as the pigs and dogs, they had the entire song by heart within a few minutes. And then, after a few preliminary tries, the whole farm burst out into 'Beasts of England' in tremendous unison. The cows lowed it, the dogs whined it, the sheep bleated it, the horses whinnied it, the ducks quacked it. They were so delighted with the song that they sang it right through five times in succession, and might have continued singing it all night if they had not been interrupted.

Unfortunately, the uproar awoke Mr. Jones, who sprang out of bed, making sure that there was a fox in the yard. He seized the gun which always stood in a corner of his bedroom, and let fly a charge of number 6 shot into the darkness. The pellets buried themselves in the wall of the barn and the meeting broke up hurriedly. Everyone fled to his own sleeping-place. The birds jumped on to their perches, the animals settled down in the straw, and the whole farm was asleep in a moment.

Chapter II

Three nights later old Major died peacefully in his sleep. His body was buried at the foot of the orchard.

This was early in March. During the next three months there was much secret activity. Major's speech had given to the more intelligent animals on the farm a completely new outlook on life. They did not know when the Rebellion predicted by Major would take place, they had no reason for thinking that it would be within their own lifetime, but they saw clearly that it was their duty to prepare for it. The work of teaching and organising the others fell naturally upon the pigs, who were generally recognised as being the cleverest of the animals. Pre-eminent among the pigs were two young boars named Snowball and Napoleon, whom Mr. Jones was breeding up for sale. Napoleon was a large, rather fierce-looking Berkshire boar, the only Berkshire on the farm, not much of a talker, but with a reputation for getting his own way. Snowball was a more vivacious pig than Napoleon, quicker in speech and more inventive, but was not considered to have the same depth of character. All the other male pigs on the farm were porkers. The best known among them was a small fat pig named Squealer, with very round cheeks, twinkling eyes, nimble movements, and a shrill voice. He was a brilliant talker, and when he was arguing some difficult point he had a way of skipping from side to side and whisking his tail which was somehow very persuasive. The others said of Squealer that he could turn black into white.

These three had elaborated old Major's teachings into a complete system of thought, to which they gave the name of Animalism. Several nights a week, after Mr. Jones was asleep, they held secret meetings in the barn and expounded the principles of Animalism to the others. At the beginning they met with much stupidity and apathy. Some of the animals talked of the duty of loyalty to Mr. Jones, whom they referred to as "Master," or made elementary remarks such as "Mr. Jones feeds us. If he were gone, we should starve to death." Others asked such questions as "Why should we care what happens after we are dead?" or "If this Rebellion is to happen anyway, what difference does it make whether we work for it or not?", and the pigs had great difficulty in making them see that this was contrary to the spirit of Animalism. The stupidest questions of all were asked by Mollie, the white mare. The very first question she asked Snowball was: "Will there still be sugar after the Rebellion?"

"No," said Snowball firmly. "We have no means of making sugar on this farm. Besides, you do not need sugar. You will have all the oats and hay you want."

"And shall I still be allowed to wear ribbons in my mane?" asked Mollie.

"Comrade," said Snowball, "those ribbons that you are so devoted to are the badge of slavery. Can you not understand that liberty is worth more than ribbons?"

Mollie agreed, but she did not sound very convinced.

The pigs had an even harder struggle to counteract the lies put about by Moses, the tame raven. Moses, who was Mr. Jones's especial pet, was a spy and a tale-bearer, but he was also a clever talker. He claimed to know of the existence of a mysterious country called Sugarcandy Mountain, to which all animals went when they died. It was situated somewhere up in the sky, a little distance beyond the clouds, Moses said. In Sugarcandy Mountain it was Sunday seven days a week, clover was in season all the year round, and lump sugar and linseed cake grew on the hedges. The animals hated Moses because he told tales and did no work, but some of them believed in Sugarcandy Mountain, and the pigs had to argue very hard to persuade them that there was no such place.

Their most faithful disciples were the two cart-horses, Boxer and Clover. These two had great difficulty in thinking anything out for themselves, but having once accepted the pigs as their teachers, they absorbed everything that they were told, and passed it on to the other animals by simple arguments. They were unflinching in their attendance at the secret meetings in the barn, and led the singing of 'Beasts of England', with which the meetings always ended.

Now, as it turned out, the Rebellion was achieved much earlier and more easily than anyone had expected. In past years Mr. Jones, although a hard master, had been a capable farmer, but of late he had fallen on evil days. He had become much disheartened after losing money in a lawsuit, and had taken to drinking more than was good for him. For whole days at a time he would lounge in his Windsor chair in the kitchen, reading the newspapers, drinking, and occasionally feeding Moses on crusts of bread soaked in beer. His men were idle and dishonest, the fields were full of weeds, the buildings wanted roofing, the hedges were neglected, and the animals were underfed.

June came and the hay was almost ready for cutting. On Midsummer's Eve, which was a Saturday, Mr. Jones went into Willingdon and got so drunk at the Red Lion that he did not come back till midday on Sunday. The men had milked the cows in the early morning and then had gone out rabbiting, without bothering to feed the animals. When Mr. Jones got back he immediately went to sleep on the drawing-room sofa with the News of the World over his face, so that when evening came, the animals were still unfed. At last they could stand it no longer. One of the cows broke in the door of the store-shed with her horn and all the animals began to help themselves from the bins. It was just then that Mr. Jones woke up. The next moment he and his four men were in the store-shed with whips in their hands, lashing out in all directions. This was more than the hungry animals could bear. With one accord, though nothing of the kind had been planned beforehand, they flung themselves upon their tormentors. Jones and his men suddenly found themselves being butted and kicked from all sides. The situation was quite out of their control. They had never seen animals behave like this before, and this sudden uprising of creatures whom they were used to thrashing and maltreating just as they chose, frightened them almost out of their wits. After only a moment or two they gave up trying to defend themselves and took to their heels. A minute later all five of them were in full flight down the cart-track that led to the main road, with the animals pursuing them in triumph.

Mrs. Jones looked out of the bedroom window, saw what was happening, hurriedly flung a few possessions into a carpet bag, and slipped out of

the farm by another way. Moses sprang off his perch and flapped after her, croaking loudly. Meanwhile the animals had chased Jones and his men out on to the road and slammed the five-barred gate behind them. And so, almost before they knew what was happening, the Rebellion had been successfully carried through: Jones was expelled, and the Manor Farm was theirs.

For the first few minutes the animals could hardly believe in their good fortune. Their first act was to gallop in a body right round the boundaries of the farm, as though to make quite sure that no human being was hiding anywhere upon it; then they raced back to the farm buildings to wipe out the last traces of Jones's hated reign. The harness-room at the end of the stables was broken open; the bits, the nose-rings, the dog-chains, the cruel knives with which Mr. Jones had been used to castrate the pigs and lambs, were all flung down the well. The reins, the halters, the blinkers, the degrading nosebags, were thrown on to the rubbish fire which was burning in the yard. So were the whips. All the animals capered with joy when they saw the whips going up in flames. Snowball also threw on to the fire the ribbons with which the horses' manes and tails had usually been decorated on market days.

"Ribbons," he said, "should be considered as clothes, which are the mark of a human being. All animals should go naked."

When Boxer heard this he fetched the small straw hat which he wore in summer to keep the flies out of his ears, and flung it on to the fire with the rest.

In a very little while the animals had destroyed everything that reminded them of Mr. Jones. Napoleon then led them back to the store-shed and served out a double ration of corn to everybody, with two biscuits for each dog. Then they sang 'Beasts of England' from end to end seven times running, and after that they settled down for the night and slept as they had never slept before.

But they woke at dawn as usual, and suddenly remembering the glorious thing that had happened, they all raced out into the pasture together. A little way down the pasture there was a knoll that commanded a view of most of the farm. The animals rushed to the top of it and gazed round them in the clear morning light. Yes, it was theirs--everything that they could see was theirs! In the ecstasy of that thought they gambolled round and round, they hurled themselves into the air in great leaps of excitement. They rolled in the dew, they cropped mouthfuls of the sweet summer grass, they kicked up clods of the black earth and snuffed its rich scent. Then they made a tour of inspection of the whole farm and surveyed with speechless admiration the ploughland, the hayfield, the orchard, the pool, the spinney. It was as though they had never seen these things before, and even now they could hardly believe that it was all their own.

Then they filed back to the farm buildings and halted in silence outside the door of the farmhouse. That was theirs too, but they were frightened to go inside. After a moment, however, Snowball and Napoleon butted the door open with their shoulders and the animals entered in single file, walking with the utmost care for fear of disturbing anything. They tiptoed from room to room, afraid to speak above a whisper and gazing with a kind of awe at the unbelievable luxury, at the beds with their feather mattresses, the looking-glasses, the horsehair sofa, the Brussels carpet, the lithograph of Queen Victoria over the drawing-room mantelpiece. They were just coming down the stairs when Mollie was discovered to be missing. Going back, the others found that she had remained behind in the best bedroom. She had taken a piece of blue ribbon from Mrs. Jones's dressing-table, and was holding it against her shoulder and admiring herself in the glass in a very foolish manner. The others reproached her sharply, and they went outside. Some hams hanging in the kitchen were taken out for burial, and the barrel of beer in the scullery was stove in with a kick from Boxer's hoof, otherwise nothing in the house was touched. A unanimous resolution was passed on the spot that the farmhouse should be preserved as a museum. All were agreed that no animal must ever live there.

The animals had their breakfast, and then Snowball and Napoleon called them together again.

"Comrades," said Snowball, "it is half-past six and we have a long day before us. Today we begin the hay harvest. But there is another matter that must be attended to first."

The pigs now revealed that during the past three months they had taught themselves to read and write from an old spelling book which had belonged to Mr. Jones's children and which had been thrown on the rubbish heap. Napoleon sent for pots of black and white paint and led the way down to the five-barred gate that gave on to the main road. Then Snowball (for it was Snowball who was best at writing) took a brush between the two knuckles of his trotter, painted out MANOR FARM from the top bar of the gate and in its place painted ANIMAL FARM. This was to be the name of the farm from now onwards. After this they went back to the farm buildings, where Snowball and Napoleon sent for a ladder which they caused to be set against the end wall of the big barn. They explained that by their studies of the past three months the pigs had succeeded in reducing the principles of Animalism to Seven Commandments. These Seven Commandments would now be inscribed on the wall; they would form an unalterable law by which all the animals on Animal Farm must live for ever after. With some difficulty (for it is not easy for a pig to balance himself on a ladder) Snowball climbed up and set to work, with Squealer a few rungs below him holding the paint-pot. The Commandments were written on the tarred wall in great white letters that could be read thirty yards away. They ran thus:

THE SEVEN COMMANDMENTS

1. Whatever goes upon two legs is an enemy.
2. Whatever goes upon four legs, or has wings, is a friend.
3. No animal shall wear clothes.
4. No animal shall sleep in a bed.
5. No animal shall drink alcohol.
6. No animal shall kill any other animal.
7. All animals are equal.

It was very neatly written, and except that "friend" was written "freind" and one of the "S's" was the wrong way round, the spelling was correct all the way through. Snowball read it aloud for the benefit of the others. All the animals nodded in complete agreement, and the cleverer ones at once began to learn the Commandments by heart.

"Now, comrades," cried Snowball, throwing down the paint-brush, "to the hayfield! Let us make it a point of honour to get in the harvest more quickly than Jones and his men could do."

But at this moment the three cows, who had seemed uneasy for some time past, set up a loud lowing. They had not been milked for twenty-four hours, and their udders were almost bursting. After a little thought, the pigs sent for buckets and milked the cows fairly successfully, their trotters being well adapted to this task. Soon there were five buckets of frothing creamy milk at which many of the animals looked with considerable interest.

"What is going to happen to all that milk?" said someone.

"Jones used sometimes to mix some of it in our mash," said one of the hens.

"Never mind the milk, comrades!" cried Napoleon, placing himself in front of the buckets. "That will be attended to. The harvest is more important. Comrade Snowball will lead the way. I shall follow in a few minutes. Forward, comrades! The hay is waiting."

So the animals trooped down to the hayfield to begin the harvest, and when they came back in the evening it was noticed that the milk had disappeared.

Chapter III

How they toiled and sweated to get the hay in! But their efforts were rewarded, for the harvest was an even bigger success than they had hoped.

Sometimes the work was hard; the implements had been designed for human beings and not for animals, and it was a great drawback that no animal was able to use any tool that involved standing on his hind legs. But the pigs were so clever that they could think of a way round every difficulty. As for the horses, they knew every inch of the field, and in fact understood the business of mowing and raking far better than Jones and his men had ever done. The pigs did not actually work, but directed and supervised the others. With their superior knowledge it was natural that they should assume the leadership. Boxer and Clover would harness themselves to the cutter or the horse-rake (no bits or reins were needed in these days, of course) and tramp steadily round and round the field with a pig walking behind and calling out "Gee up, comrade!" or "Whoa back, comrade!" as the case might be. And every animal down to the humblest worked at turning the hay and gathering it. Even the ducks and hens toiled to and fro all day in the sun, carrying tiny wisps of hay in their beaks. In the end they finished the harvest in two days' less time than it had usually taken Jones and his men. Moreover, it was the biggest harvest that the farm had ever seen. There was no wastage whatever; the hens and ducks with their sharp eyes had gathered up the very last stalk. And not an animal on the farm had stolen so much as a mouthful.

All through that summer the work of the farm went like clockwork. The animals were happy as they had never conceived it possible to be. Every mouthful of food was an acute positive pleasure, now that it was truly their own food, produced by themselves and for themselves, not doled out to them by a grudging master. With the worthless parasitical human beings gone, there was more for everyone to eat. There was more leisure too, inexperienced though the animals were. They met with many difficulties--for instance, later in the year, when they harvested the corn, they had to tread it out in the ancient style and blow away the chaff with their breath, since the farm possessed no threshing machine--but the pigs with their cleverness and Boxer with his tremendous muscles always pulled them through. Boxer was the admiration of everybody. He had been a hard worker even in Jones's time, but now he seemed more like three horses than one; there were days when the entire work of the farm seemed to rest on his mighty shoulders. From morning to night he was pushing and pulling, always at the spot where the work was hardest. He had made an arrangement with one of the cockerels to call him in the mornings half an hour earlier than anyone else, and would put in some volunteer labour at whatever seemed to be most needed, before the regular day's work began. His answer to every problem, every setback, was "I will work harder!"--which he had adopted as his personal motto.

But everyone worked according to his capacity. The hens and ducks, for instance, saved five bushels of corn at the harvest by gathering up the stray grains. Nobody stole, nobody grumbled over his rations, the quarrelling and biting and jealousy which had been normal features of life in the old days had almost disappeared. Nobody shirked--or almost nobody. Mollie, it was true, was not good at getting up in the mornings, and had a way of leaving work early on the ground that there was a stone in her hoof. And the behaviour of the cat was somewhat peculiar. It was soon noticed that when there was work to be done the cat could never be found. She would vanish for hours on end, and then reappear at meal-times, or in the evening after work was over, as though nothing had happened. But she always made such excellent excuses, and purred so affectionately, that it was impossible not to believe in her good intentions. Old Benjamin, the donkey, seemed quite unchanged since the Rebellion. He did his work in the same slow obstinate way as he had done it in Jones's time, never shirking

and never volunteering for extra work either. About the Rebellion and its results he would express no opinion. When asked whether he was not happier now that Jones was gone, he would say only "Donkeys live a long time. None of you has ever seen a dead donkey," and the others had to be content with this cryptic answer.

On Sundays there was no work. Breakfast was an hour later than usual, and after breakfast there was a ceremony which was observed every week without fail. First came the hoisting of the flag. Snowball had found in the harness-room an old green tablecloth of Mrs. Jones's and had painted on it a hoof and a horn in white. This was run up the flagstaff in the farmhouse garden every Sunday morning. The flag was green, Snowball explained, to represent the green fields of England, while the hoof and horn signified the future Republic of the Animals which would arise when the human race had been finally overthrown. After the hoisting of the flag all the animals trooped into the big barn for a general assembly which was known as the Meeting. Here the work of the coming week was planned out and resolutions were put forward and debated. It was always the pigs who put forward the resolutions. The other animals understood how to vote, but could never think of any resolutions of their own. Snowball and Napoleon were by far the most active in the debates. But it was noticed that these two were never in agreement: whatever suggestion either of them made, the other could be counted on to oppose it. Even when it was resolved--a thing no one could object to in itself--to set aside the small paddock behind the orchard as a home of rest for animals who were past work, there was a stormy debate over the correct retiring age for each class of animal. The Meeting always ended with the singing of 'Beasts of England', and the afternoon was given up to recreation.

The pigs had set aside the harness-room as a headquarters for themselves. Here, in the evenings, they studied blacksmithing, carpentering, and other necessary arts from books which they had brought out of the farmhouse. Snowball also busied himself with organising the other animals into what he called Animal Committees. He was indefatigable at this. He formed the Egg Production Committee for the hens, the Clean Tails League for the cows, the Wild Comrades' Re-education Committee (the object of this was to tame the rats and rabbits), the Whiter Wool Movement for the sheep, and various others, besides instituting classes in reading and writing. On the whole, these projects were a failure. The attempt to tame the wild creatures, for instance, broke down almost immediately. They continued to behave very much as before, and when treated with generosity, simply took advantage of it. The cat joined the Re-education Committee and was very active in it for some days. She was seen one day sitting on a roof and talking to some sparrows who were just out of her reach. She was telling them that all animals were now comrades and that any sparrow who chose could come and perch on her paw; but the sparrows kept their distance.

The reading and writing classes, however, were a great success. By the autumn almost every animal on the farm was literate in some degree.

As for the pigs, they could already read and write perfectly. The dogs learned to read fairly well, but were not interested in reading anything except the Seven Commandments. Muriel, the goat, could read somewhat better than the dogs, and sometimes used to read to the others in the evenings from scraps of newspaper which she found on the rubbish heap. Benjamin could read as well as any pig, but never exercised his faculty. So far as he knew, he said, there was nothing worth reading. Clover learnt the whole alphabet, but could not put words together. Boxer could not get beyond the letter D. He would trace out A, B, C, D, in the dust with his great hoof, and then would stand staring at the letters with his ears back, sometimes shaking his forelock, trying with all his might to remember what came next and never succeeding. On several occasions, indeed, he did learn E, F, G, H, but by the time he knew them, it was always discovered that he had forgotten A, B, C, and D. Finally he decided to be content with the first four letters, and used to write them out once or twice every day to refresh his memory. Mollie refused to learn any but the six letters which spelt her own name. She would form these very neatly

out of pieces of twig, and would then decorate them with a flower or two and walk round them admiring them.

None of the other animals on the farm could get further than the letter A. It was also found that the stupider animals, such as the sheep, hens, and ducks, were unable to learn the Seven Commandments by heart. After much thought Snowball declared that the Seven Commandments could in effect be reduced to a single maxim, namely: "Four legs good, two legs bad." This, he said, contained the essential principle of Animalism. Whoever had thoroughly grasped it would be safe from human influences. The birds at first objected, since it seemed to them that they also had two legs, but Snowball proved to them that this was not so.

"A bird's wing, comrades," he said, "is an organ of propulsion and not of manipulation. It should therefore be regarded as a leg. The distinguishing mark of man is the HAND, the instrument with which he does all his mischief."

The birds did not understand Snowball's long words, but they accepted his explanation, and all the humbler animals set to work to learn the new maxim by heart. FOUR LEGS GOOD, TWO LEGS BAD, was inscribed on the end wall of the barn, above the Seven Commandments and in bigger letters. When they had once got it by heart, the sheep developed a great liking for this maxim, and often as they lay in the field they would all start bleating "Four legs good, two legs bad! Four legs good, two legs bad!" and keep it up for hours on end, never growing tired of it.

Napoleon took no interest in Snowball's committees. He said that the education of the young was more important than anything that could be done for those who were already grown up. It happened that Jessie and Bluebell had both whelped soon after the hay harvest, giving birth between them to nine sturdy puppies. As soon as they were weaned, Napoleon took them away from their mothers, saying that he would make himself responsible for their education. He took them up into a loft which could only be reached by a ladder from the harness-room, and there kept them in such seclusion that the rest of the farm soon forgot their existence.

The mystery of where the milk went to was soon cleared up. It was mixed every day into the pigs' mash. The early apples were now ripening, and the grass of the orchard was littered with windfalls. The animals had assumed as a matter of course that these would be shared out equally; one day, however, the order went forth that all the windfalls were to be collected and brought to the harness-room for the use of the pigs. At this some of the other animals murmured, but it was no use. All the pigs were in full agreement on this point, even Snowball and Napoleon. Squealer was sent to make the necessary explanations to the others.

"Comrades!" he cried. "You do not imagine, I hope, that we pigs are doing this in a spirit of selfishness and privilege? Many of us actually dislike milk and apples. I dislike them myself. Our sole object in taking these things is to preserve our health. Milk and apples (this has been proved by Science, comrades) contain substances absolutely necessary to the well-being of a pig. We pigs are brainworkers. The whole management and organisation of this farm depend on us. Day and night we are watching over your welfare. It is for YOUR sake that we drink that milk and eat those apples. Do you know what would happen if we pigs failed in our duty? Jones would come back! Yes, Jones would come back! Surely, comrades," cried Squealer almost pleadingly, skipping from side to side and whisking his tail, "surely there is no one among you who wants to see Jones come back?"

Now if there was one thing that the animals were completely certain of, it was that they did not want Jones back. When it was put to them in this light, they had no more to say. The importance of keeping the pigs in good health was all too obvious. So it was agreed without further argument that the milk and the windfall apples (and also the main crop of apples when they ripened) should be reserved for the pigs alone.

Chapter IV

By the late summer the news of what had happened on Animal Farm had spread across half the county. Every day Snowball and Napoleon sent out flights of pigeons whose instructions were to mingle with the animals on neighbouring farms, tell them the story of the Rebellion, and teach them the tune of 'Beasts of England'.

Most of this time Mr. Jones had spent sitting in the taproom of the Red Lion at Willingdon, complaining to anyone who would listen of the monstrous injustice he had suffered in being turned out of his property by a pack of good-for-nothing animals. The other farmers sympathised in principle, but they did not at first give him much help. At heart, each of them was secretly wondering whether he could not somehow turn Jones's misfortune to his own advantage. It was lucky that the owners of the two farms which adjoined Animal Farm were on permanently bad terms. One of them, which was named Foxwood, was a large, neglected, old-fashioned farm, much overgrown by woodland, with all its pastures worn out and its hedges in a disgraceful condition. Its owner, Mr. Pilkington, was an easy-going gentleman farmer who spent most of his time in fishing or hunting according to the season. The other farm, which was called Pinchfield, was smaller and better kept. Its owner was a Mr. Frederick, a tough, shrewd man, perpetually involved in lawsuits and with a name for driving hard bargains. These two disliked each other so much that it was difficult for them to come to any agreement, even in defence of their own interests.

Nevertheless, they were both thoroughly frightened by the rebellion on Animal Farm, and very anxious to prevent their own animals from learning too much about it. At first they pretended to laugh to scorn the idea of animals managing a farm for themselves. The whole thing would be over in a fortnight, they said. They put it about that the animals on the Manor Farm (they insisted on calling it the Manor Farm; they would not tolerate the name "Animal Farm") were perpetually fighting among themselves and were also rapidly starving to death. When time passed and the animals had evidently not starved to death, Frederick and Pilkington changed their tune and began to talk of the terrible wickedness that now flourished on Animal Farm. It was given out that the animals there practised cannibalism, tortured one another with red-hot horseshoes, and had their females in common. This was what came of rebelling against the laws of Nature, Frederick and Pilkington said.

However, these stories were never fully believed. Rumours of a wonderful farm, where the human beings had been turned out and the animals managed their own affairs, continued to circulate in vague and distorted forms, and throughout that year a wave of rebelliousness ran through the countryside. Bulls which had always been tractable suddenly turned savage, sheep broke down hedges and devoured the clover, cows kicked the pail over, hunters refused their fences and shot their riders on to the other side. Above all, the tune and even the words of 'Beasts of England' were known everywhere. It had spread with astonishing speed. The human beings could not contain their rage when they heard this song, though they pretended to think it merely ridiculous. They could not understand, they said, how even animals could bring themselves to sing such contemptible rubbish. Any animal caught singing it was given a flogging on the spot. And yet the song was irrepressible. The blackbirds whistled it in the hedges, the pigeons cooed it in the elms, it got into the din of the smithies and the tune of the church bells. And when the human beings listened to it, they secretly trembled, hearing in it a prophecy of their future doom.

Early in October, when the corn was cut and stacked and some of it was already threshed, a flight of pigeons came whirling through the air and alighted in the yard of Animal Farm in the wildest excitement. Jones and all his men, with half a dozen others from Foxwood and Pinchfield, had

entered the five-barred gate and were coming up the cart-track that led to the farm. They were all carrying sticks, except Jones, who was marching ahead with a gun in his hands. Obviously they were going to attempt the recapture of the farm.

This had long been expected, and all preparations had been made. Snowball, who had studied an old book of Julius Caesar's campaigns which he had found in the farmhouse, was in charge of the defensive operations. He gave his orders quickly, and in a couple of minutes every animal was at his post.

As the human beings approached the farm buildings, Snowball launched his first attack. All the pigeons, to the number of thirty-five, flew to and fro over the men's heads and muted upon them from mid-air; and while the men were dealing with this, the geese, who had been hiding behind the hedge, rushed out and pecked viciously at the calves of their legs. However, this was only a light skirmishing manoeuvre, intended to create a little disorder, and the men easily drove the geese off with their sticks. Snowball now launched his second line of attack. Muriel, Benjamin, and all the sheep, with Snowball at the head of them, rushed forward and prodded and butted the men from every side, while Benjamin turned around and lashed at them with his small hoofs. But once again the men, with their sticks and their hobnailed boots, were too strong for them; and suddenly, at a squeal from Snowball, which was the signal for retreat, all the animals turned and fled through the gateway into the yard.

The men gave a shout of triumph. They saw, as they imagined, their enemies in flight, and they rushed after them in disorder. This was just what Snowball had intended. As soon as they were well inside the yard, the three horses, the three cows, and the rest of the pigs, who had been lying in ambush in the cowshed, suddenly emerged in their rear, cutting them off. Snowball now gave the signal for the charge. He himself dashed straight for Jones. Jones saw him coming, raised his gun and fired. The pellets scored bloody streaks along Snowball's back, and a sheep dropped dead. Without halting for an instant, Snowball flung his fifteen stone against Jones's legs. Jones was hurled into a pile of dung and his gun flew out of his hands. But the most terrifying spectacle of all was Boxer, rearing up on his hind legs and striking out with his great iron-shod hoofs like a stallion. His very first blow took a stable-lad from Foxwood on the skull and stretched him lifeless in the mud. At the sight, several men dropped their sticks and tried to run. Panic overtook them, and the next moment all the animals together were chasing them round and round the yard. They were gored, kicked, bitten, trampled on. There was not an animal on the farm that did not take vengeance on them after his own fashion. Even the cat suddenly leapt off a roof onto a cowman's shoulders and sank her claws in his neck, at which he yelled horribly. At a moment when the opening was clear, the men were glad enough to rush out of the yard and make a bolt for the main road. And so within five minutes of their invasion they were in ignominious retreat by the same way as they had come, with a flock of geese hissing after them and pecking at their calves all the way.

All the men were gone except one. Back in the yard Boxer was pawing with his hoof at the stable-lad who lay face down in the mud, trying to turn him over. The boy did not stir.

"He is dead," said Boxer sorrowfully. "I had no intention of doing that. I forgot that I was wearing iron shoes. Who will believe that I did not do this on purpose?"

"No sentimentality, comrade!" cried Snowball from whose wounds the blood was still dripping. "War is war. The only good human being is a dead one."

"I have no wish to take life, not even human life," repeated Boxer, and his eyes were full of tears.

"Where is Mollie?" exclaimed somebody.

Mollie in fact was missing. For a moment there was great alarm; it was feared that the men might have harmed her in some way, or even carried her off with them. In the end, however, she was found hiding in her stall with her head buried among the hay in the manger. She had taken to flight as soon as the gun went off. And when the others came back from looking for her, it was to find that the stable-lad, who in fact was only stunned, had already recovered and made off.

The animals had now reassembled in the wildest excitement, each recounting his own exploits in the battle at the top of his voice. An impromptu celebration of the victory was held immediately. The flag was run up and 'Beasts of England' was sung a number of times, then the sheep who had been killed was given a solemn funeral, a hawthorn bush being planted on her grave. At the graveside Snowball made a little speech, emphasising the need for all animals to be ready to die for Animal Farm if need be.

The animals decided unanimously to create a military decoration, "Animal Hero, First Class," which was conferred there and then on Snowball and Boxer. It consisted of a brass medal (they were really some old horse-brasses which had been found in the harness-room), to be worn on Sundays and holidays. There was also "Animal Hero, Second Class," which was conferred posthumously on the dead sheep.

There was much discussion as to what the battle should be called. In the end, it was named the Battle of the Cowshed, since that was where the ambush had been sprung. Mr. Jones's gun had been found lying in the mud, and it was known that there was a supply of cartridges in the farmhouse. It was decided to set the gun up at the foot of the Flagstaff, like a piece of artillery, and to fire it twice a year--once on October the twelfth, the anniversary of the Battle of the Cowshed, and once on Midsummer Day, the anniversary of the Rebellion.

Chapter V

As winter drew on, Mollie became more and more troublesome. She was late for work every morning and excused herself by saying that she had overslept, and she complained of mysterious pains, although her appetite was excellent. On every kind of pretext she would run away from work and go to the drinking pool, where she would stand foolishly gazing at her own reflection in the water. But there were also rumours of something more serious. One day, as Mollie strolled blithely into the yard, flirting her long tail and chewing at a stalk of hay, Clover took her aside.

"Mollie," she said, "I have something very serious to say to you. This morning I saw you looking over the hedge that divides Animal Farm from Foxwood. One of Mr. Pilkington's men was standing on the other side of the hedge. And--I was a long way away, but I am almost certain I saw this--he was talking to you and you were allowing him to stroke your nose. What does that mean, Mollie?"

"He didn't! I wasn't! It isn't true!" cried Mollie, beginning to prance about and paw the ground.

"Mollie! Look me in the face. Do you give me your word of honour that that man was not stroking your nose?"

"It isn't true!" repeated Mollie, but she could not look Clover in the face, and the next moment she took to her heels and galloped away into the field.

A thought struck Clover. Without saying anything to the others, she went to Mollie's stall and turned over the straw with her hoof. Hidden under the straw was a little pile of lump sugar and several bunches of ribbon of different colours.

Three days later Mollie disappeared. For some weeks nothing was known of her whereabouts, then the pigeons reported that they had seen her on the other side of Willingdon. She was between the shafts of a smart dogcart painted red and black, which was standing outside a public-house. A fat red-faced man in check breeches and gaiters, who looked like a publican, was stroking her nose and feeding her with sugar. Her coat was newly clipped and she wore a scarlet ribbon round her forelock. She appeared to be enjoying herself, so the pigeons said. None of the animals ever mentioned Mollie again.

In January there came bitterly hard weather. The earth was like iron, and nothing could be done in the fields. Many meetings were held in the big barn, and the pigs occupied themselves with planning out the work of the coming season. It had come to be accepted that the pigs, who were manifestly cleverer than the other animals, should decide all questions of farm policy, though their decisions had to be ratified by a majority vote. This arrangement would have worked well enough if it had not been for the disputes between Snowball and Napoleon. These two disagreed at every point where disagreement was possible. If one of them suggested sowing a bigger acreage with barley, the other was certain to demand a bigger acreage of oats, and if one of them said that such and such a field was just right for cabbages, the other would declare that it was useless for anything except roots. Each had his own following, and there were some violent debates. At the Meetings Snowball often won over the majority by his brilliant speeches, but Napoleon was better at canvassing support for himself in between times. He was especially successful with the sheep. Of late the sheep had taken to bleating "Four legs good, two legs bad" both in and out of season, and they often interrupted the Meeting with this. It was noticed that they were especially liable to break into "Four legs good, two legs bad" at crucial moments in Snowball's speeches. Snowball had made a close study of some back numbers of the 'Farmer and Stockbreeder' which he had found in the farmhouse, and was full of plans for innovations and improvements. He talked learnedly about field drains, silage, and basic slag, and had worked out a complicated scheme for all the animals to drop their dung directly in the fields, at a different spot every day, to save the labour of cartage. Napoleon produced no schemes of his own, but said quietly that Snowball's would come to nothing, and seemed to be biding his time. But of all their controversies, none was so bitter as the one that took place over the windmill.

In the long pasture, not far from the farm buildings, there was a small knoll which was the highest point on the farm. After surveying the ground, Snowball declared that this was just the place for a windmill, which could be made to operate a dynamo and supply the farm with electrical power. This would light the stalls and warm them in winter, and would also run a circular saw, a chaff-cutter, a mangel-slicer, and an electric milking machine. The animals had never heard of anything of this kind before (for the farm was an old-fashioned one and had only the most primitive machinery), and they listened in astonishment while Snowball conjured up pictures of fantastic machines which would do their work for them while they grazed at their ease in the fields or improved their minds with reading and conversation.

Within a few weeks Snowball's plans for the windmill were fully worked out. The mechanical details came mostly from three books which had belonged to Mr. Jones--'One Thousand Useful Things to Do About the House', 'Every Man His Own Bricklayer', and 'Electricity for Beginners'. Snowball used as his study a shed which had once been used for incubators and had a smooth wooden floor, suitable for drawing on. He was closeted there for hours at a time. With his books held open by a stone, and with a piece of chalk gripped between the knuckles of his trotter, he would move rapidly to and fro, drawing in line after line and uttering little whimpers of excitement. Gradually the plans grew into a complicated mass of cranks and cog-wheels, covering more than half the floor, which the other animals found completely unintelligible but very impressive. All of them came to look at Snowball's drawings at least once a day. Even the hens and ducks

came, and were at pains not to tread on the chalk marks. Only Napoleon held aloof. He had declared himself against the windmill from the start. One day, however, he arrived unexpectedly to examine the plans. He walked heavily round the shed, looked closely at every detail of the plans and snuffed at them once or twice, then stood for a little while contemplating them out of the corner of his eye; then suddenly he lifted his leg, urinated over the plans, and walked out without uttering a word.

The whole farm was deeply divided on the subject of the windmill. Snowball did not deny that to build it would be a difficult business. Stone would have to be carried and built up into walls, then the sails would have to be made and after that there would be need for dynamos and cables. (How these were to be procured, Snowball did not say.) But he maintained that it could all be done in a year. And thereafter, he declared, so much labour would be saved that the animals would only need to work three days a week. Napoleon, on the other hand, argued that the great need of the moment was to increase food production, and that if they wasted time on the windmill they would all starve to death. The animals formed themselves into two factions under the slogan, "Vote for Snowball and the three-day week" and "Vote for Napoleon and the full manger." Benjamin was the only animal who did not side with either faction. He refused to believe either that food would become more plentiful or that the windmill would save work. Windmill or no windmill, he said, life would go on as it had always gone on--that is, badly.

Apart from the disputes over the windmill, there was the question of the defence of the farm. It was fully realised that though the human beings had been defeated in the Battle of the Cowshed they might make another and more determined attempt to recapture the farm and reinstate Mr. Jones. They had all the more reason for doing so because the news of their defeat had spread across the countryside and made the animals on the neighbouring farms more restive than ever. As usual, Snowball and Napoleon were in disagreement. According to Napoleon, what the animals must do was to procure firearms and train themselves in the use of them. According to Snowball, they must send out more and more pigeons and stir up rebellion among the animals on the other farms. The one argued that if they could not defend themselves they were bound to be conquered, the other argued that if rebellions happened everywhere they would have no need to defend themselves. The animals listened first to Napoleon, then to Snowball, and could not make up their minds which was right; indeed, they always found themselves in agreement with the one who was speaking at the moment.

At last the day came when Snowball's plans were completed. At the Meeting on the following Sunday the question of whether or not to begin work on the windmill was to be put to the vote. When the animals had assembled in the big barn, Snowball stood up and, though occasionally interrupted by bleating from the sheep, set forth his reasons for advocating the building of the windmill. Then Napoleon stood up to reply. He said very quietly that the windmill was nonsense and that he advised nobody to vote for it, and promptly sat down again; he had spoken for barely thirty seconds, and seemed almost indifferent as to the effect he produced. At this Snowball sprang to his feet, and shouting down the sheep, who had begun bleating again, broke into a passionate appeal in favour of the windmill. Until now the animals had been about equally divided in their sympathies, but in a moment Snowball's eloquence had carried them away. In glowing sentences he painted a picture of Animal Farm as it might be when sordid labour was lifted from the animals' backs. His imagination had now run far beyond chaff-cutters and turnip-slicers. Electricity, he said, could operate threshing machines, ploughs, harrows, rollers, and reapers and binders, besides supplying every stall with its own electric light, hot and cold water, and an electric heater. By the time he had finished speaking, there was no doubt as to which way the vote would go. But just at this moment Napoleon stood up and, casting a peculiar sidelong look at Snowball, uttered a high-pitched whimper of a kind no one had ever heard him utter before.

At this there was a terrible baying sound outside, and nine enormous dogs

wearing brass-studded collars came bounding into the barn. They dashed straight for Snowball, who only sprang from his place just in time to escape their snapping jaws. In a moment he was out of the door and they were after him. Too amazed and frightened to speak, all the animals crowded through the door to watch the chase. Snowball was racing across the long pasture that led to the road. He was running as only a pig can run, but the dogs were close on his heels. Suddenly he slipped and it seemed certain that they had him. Then he was up again, running faster than ever, then the dogs were gaining on him again. One of them all but closed his jaws on Snowball's tail, but Snowball whisked it free just in time. Then he put on an extra spurt and, with a few inches to spare, slipped through a hole in the hedge and was seen no more.

Silent and terrified, the animals crept back into the barn. In a moment the dogs came bounding back. At first no one had been able to imagine where these creatures came from, but the problem was soon solved: they were the puppies whom Napoleon had taken away from their mothers and reared privately. Though not yet full-grown, they were huge dogs, and as fierce-looking as wolves. They kept close to Napoleon. It was noticed that they wagged their tails to him in the same way as the other dogs had been used to do to Mr. Jones.

Napoleon, with the dogs following him, now mounted on to the raised portion of the floor where Major had previously stood to deliver his speech. He announced that from now on the Sunday-morning Meetings would come to an end. They were unnecessary, he said, and wasted time. In future all questions relating to the working of the farm would be settled by a special committee of pigs, presided over by himself. These would meet in private and afterwards communicate their decisions to the others. The animals would still assemble on Sunday mornings to salute the flag, sing 'Beasts of England', and receive their orders for the week; but there would be no more debates.

In spite of the shock that Snowball's expulsion had given them, the animals were dismayed by this announcement. Several of them would have protested if they could have found the right arguments. Even Boxer was vaguely troubled. He set his ears back, shook his forelock several times, and tried hard to marshal his thoughts; but in the end he could not think of anything to say. Some of the pigs themselves, however, were more articulate. Four young porkers in the front row uttered shrill squeals of disapproval, and all four of them sprang to their feet and began speaking at once. But suddenly the dogs sitting round Napoleon let out deep, menacing growls, and the pigs fell silent and sat down again. Then the sheep broke out into a tremendous bleating of "Four legs good, two legs bad!" which went on for nearly a quarter of an hour and put an end to any chance of discussion.

Afterwards Squealer was sent round the farm to explain the new arrangement to the others.

"Comrades," he said, "I trust that every animal here appreciates the sacrifice that Comrade Napoleon has made in taking this extra labour upon himself. Do not imagine, comrades, that leadership is a pleasure! On the contrary, it is a deep and heavy responsibility. No one believes more firmly than Comrade Napoleon that all animals are equal. He would be only too happy to let you make your decisions for yourselves. But sometimes you might make the wrong decisions, comrades, and then where should we be? Suppose you had decided to follow Snowball, with his moonshine of windmills--Snowball, who, as we now know, was no better than a criminal?"

"He fought bravely at the Battle of the Cowshed," said somebody.

"Bravery is not enough," said Squealer. "Loyalty and obedience are more important. And as to the Battle of the Cowshed, I believe the time will come when we shall find that Snowball's part in it was much exaggerated. Discipline, comrades, iron discipline! That is the watchword for today. One false step, and our enemies would be upon us. Surely, comrades, you do not want Jones back?"

Once again this argument was unanswerable. Certainly the animals did not want Jones back; if the holding of debates on Sunday mornings was liable to bring him back, then the debates must stop. Boxer, who had now had time to think things over, voiced the general feeling by saying: "If Comrade Napoleon says it, it must be right." And from then on he adopted the maxim, "Napoleon is always right," in addition to his private motto of "I will work harder."

By this time the weather had broken and the spring ploughing had begun. The shed where Snowball had drawn his plans of the windmill had been shut up and it was assumed that the plans had been rubbed off the floor. Every Sunday morning at ten o'clock the animals assembled in the big barn to receive their orders for the week. The skull of old Major, now clean of flesh, had been disinterred from the orchard and set up on a stump at the foot of the flagstaff, beside the gun. After the hoisting of the flag, the animals were required to file past the skull in a reverent manner before entering the barn. Nowadays they did not sit all together as they had done in the past. Napoleon, with Squealer and another pig named Minimus, who had a remarkable gift for composing songs and poems, sat on the front of the raised platform, with the nine young dogs forming a semicircle round them, and the other pigs sitting behind. The rest of the animals sat facing them in the main body of the barn. Napoleon read out the orders for the week in a gruff soldierly style, and after a single singing of 'Beasts of England', all the animals dispersed.

On the third Sunday after Snowball's expulsion, the animals were somewhat surprised to hear Napoleon announce that the windmill was to be built after all. He did not give any reason for having changed his mind, but merely warned the animals that this extra task would mean very hard work, it might even be necessary to reduce their rations. The plans, however, had all been prepared, down to the last detail. A special committee of pigs had been at work upon them for the past three weeks. The building of the windmill, with various other improvements, was expected to take two years.

That evening Squealer explained privately to the other animals that Napoleon had never in reality been opposed to the windmill. On the contrary, it was he who had advocated it in the beginning, and the plan which Snowball had drawn on the floor of the incubator shed had actually been stolen from among Napoleon's papers. The windmill was, in fact, Napoleon's own creation. Why, then, asked somebody, had he spoken so strongly against it? Here Squealer looked very sly. That, he said, was Comrade Napoleon's cunning. He had SEEMED to oppose the windmill, simply as a manoeuvre to get rid of Snowball, who was a dangerous character and a bad influence. Now that Snowball was out of the way, the plan could go forward without his interference. This, said Squealer, was something called tactics. He repeated a number of times, "Tactics, comrades, tactics!" skipping round and whisking his tail with a merry laugh. The animals were not certain what the word meant, but Squealer spoke so persuasively, and the three dogs who happened to be with him growled so threateningly, that they accepted his explanation without further questions.

Chapter VI

All that year the animals worked like slaves. But they were happy in their work; they grudged no effort or sacrifice, well aware that everything that they did was for the benefit of themselves and those of their kind who would come after them, and not for a pack of idle, thieving human beings.

Throughout the spring and summer they worked a sixty-hour week, and in August Napoleon announced that there would be work on Sunday afternoons

as well. This work was strictly voluntary, but any animal who absented himself from it would have his rations reduced by half. Even so, it was found necessary to leave certain tasks undone. The harvest was a little less successful than in the previous year, and two fields which should have been sown with roots in the early summer were not sown because the ploughing had not been completed early enough. It was possible to foresee that the coming winter would be a hard one.

The windmill presented unexpected difficulties. There was a good quarry of limestone on the farm, and plenty of sand and cement had been found in one of the outhouses, so that all the materials for building were at hand. But the problem the animals could not at first solve was how to break up the stone into pieces of suitable size. There seemed no way of doing this except with picks and crowbars, which no animal could use, because no animal could stand on his hind legs. Only after weeks of vain effort did the right idea occur to somebody--namely, to utilise the force of gravity. Huge boulders, far too big to be used as they were, were lying all over the bed of the quarry. The animals lashed ropes round these, and then all together, cows, horses, sheep, any animal that could lay hold of the rope--even the pigs sometimes joined in at critical moments--they dragged them with desperate slowness up the slope to the top of the quarry, where they were toppled over the edge, to shatter to pieces below. Transporting the stone when it was once broken was comparatively simple. The horses carried it off in cart-loads, the sheep dragged single blocks, even Muriel and Benjamin yoked themselves into an old governess-cart and did their share. By late summer a sufficient store of stone had accumulated, and then the building began, under the superintendence of the pigs.

But it was a slow, laborious process. Frequently it took a whole day of exhausting effort to drag a single boulder to the top of the quarry, and sometimes when it was pushed over the edge it failed to break. Nothing could have been achieved without Boxer, whose strength seemed equal to that of all the rest of the animals put together. When the boulder began to slip and the animals cried out in despair at finding themselves dragged down the hill, it was always Boxer who strained himself against the rope and brought the boulder to a stop. To see him toiling up the slope inch by inch, his breath coming fast, the tips of his hoofs clawing at the ground, and his great sides matted with sweat, filled everyone with admiration. Clover warned him sometimes to be careful not to overstrain himself, but Boxer would never listen to her. His two slogans, "I will work harder" and "Napoleon is always right," seemed to him a sufficient answer to all problems. He had made arrangements with the cockerel to call him three-quarters of an hour earlier in the mornings instead of half an hour. And in his spare moments, of which there were not many nowadays, he would go alone to the quarry, collect a load of broken stone, and drag it down to the site of the windmill unassisted.

The animals were not badly off throughout that summer, in spite of the hardness of their work. If they had no more food than they had had in Jones's day, at least they did not have less. The advantage of only having to feed themselves, and not having to support five extravagant human beings as well, was so great that it would have taken a lot of failures to outweigh it. And in many ways the animal method of doing things was more efficient and saved labour. Such jobs as weeding, for instance, could be done with a thoroughness impossible to human beings. And again, since no animal now stole, it was unnecessary to fence off pasture from arable land, which saved a lot of labour on the upkeep of hedges and gates. Nevertheless, as the summer wore on, various unforeseen shortages began to make them selves felt. There was need of paraffin oil, nails, string, dog biscuits, and iron for the horses' shoes, none of which could be produced on the farm. Later there would also be need for seeds and artificial manures, besides various tools and, finally, the machinery for the windmill. How these were to be procured, no one was able to imagine.

One Sunday morning, when the animals assembled to receive their orders, Napoleon announced that he had decided upon a new policy. From now onwards Animal Farm would engage in trade with the neighbouring farms: not, of

course, for any commercial purpose, but simply in order to obtain certain materials which were urgently necessary. The needs of the windmill must override everything else, he said. He was therefore making arrangements to sell a stack of hay and part of the current year's wheat crop, and later on, if more money were needed, it would have to be made up by the sale of eggs, for which there was always a market in Willingdon. The hens, said Napoleon, should welcome this sacrifice as their own special contribution towards the building of the windmill.

Once again the animals were conscious of a vague uneasiness. Never to have any dealings with human beings, never to engage in trade, never to make use of money--had not these been among the earliest resolutions passed at that first triumphant Meeting after Jones was expelled? All the animals remembered passing such resolutions: or at least they thought that they remembered it. The four young pigs who had protested when Napoleon abolished the Meetings raised their voices timidly, but they were promptly silenced by a tremendous growling from the dogs. Then, as usual, the sheep broke into "Four legs good, two legs bad!" and the momentary awkwardness was smoothed over. Finally Napoleon raised his trotter for silence and announced that he had already made all the arrangements. There would be no need for any of the animals to come in contact with human beings, which would clearly be most undesirable. He intended to take the whole burden upon his own shoulders. A Mr. Whymper, a solicitor living in Willingdon, had agreed to act as intermediary between Animal Farm and the outside world, and would visit the farm every Monday morning to receive his instructions. Napoleon ended his speech with his usual cry of "Long live Animal Farm!" and after the singing of 'Beasts of England' the animals were dismissed.

Afterwards Squealer made a round of the farm and set the animals' minds at rest. He assured them that the resolution against engaging in trade and using money had never been passed, or even suggested. It was pure imagination, probably traceable in the beginning to lies circulated by Snowball. A few animals still felt faintly doubtful, but Squealer asked them shrewdly, "Are you certain that this is not something that you have dreamed, comrades? Have you any record of such a resolution? Is it written down anywhere?" And since it was certainly true that nothing of the kind existed in writing, the animals were satisfied that they had been mistaken.

Every Monday Mr. Whymper visited the farm as had been arranged. He was a sly-looking little man with side whiskers, a solicitor in a very small way of business, but sharp enough to have realised earlier than anyone else that Animal Farm would need a broker and that the commissions would be worth having. The animals watched his coming and going with a kind of dread, and avoided him as much as possible. Nevertheless, the sight of Napoleon, on all fours, delivering orders to Whymper, who stood on two legs, roused their pride and partly reconciled them to the new arrangement. Their relations with the human race were now not quite the same as they had been before. The human beings did not hate Animal Farm any less now that it was prospering; indeed, they hated it more than ever. Every human being held it as an article of faith that the farm would go bankrupt sooner or later, and, above all, that the windmill would be a failure. They would meet in the public-houses and prove to one another by means of diagrams that the windmill was bound to fall down, or that if it did stand up, then that it would never work. And yet, against their will, they had developed a certain respect for the efficiency with which the animals were managing their own affairs. One symptom of this was that they had begun to call Animal Farm by its proper name and ceased to pretend that it was called the Manor Farm. They had also dropped their championship of Jones, who had given up hope of getting his farm back and gone to live in another part of the county. Except through Whymper, there was as yet no contact between Animal Farm and the outside world, but there were constant rumours that Napoleon was about to enter into a definite business agreement either with Mr. Pilkington of Foxwood or with Mr. Frederick of Pinchfield--but never, it was noticed, with both simultaneously.

It was about this time that the pigs suddenly moved into the farmhouse and

took up their residence there. Again the animals seemed to remember that a resolution against this had been passed in the early days, and again Squealer was able to convince them that this was not the case. It was absolutely necessary, he said, that the pigs, who were the brains of the farm, should have a quiet place to work in. It was also more suited to the dignity of the Leader (for of late he had taken to speaking of Napoleon under the title of "Leader") to live in a house than in a mere sty. Nevertheless, some of the animals were disturbed when they heard that the pigs not only took their meals in the kitchen and used the drawing-room as a recreation room, but also slept in the beds. Boxer passed it off as usual with "Napoleon is always right!", but Clover, who thought she remembered a definite ruling against beds, went to the end of the barn and tried to puzzle out the Seven Commandments which were inscribed there. Finding herself unable to read more than individual letters, she fetched Muriel.

"Muriel," she said, "read me the Fourth Commandment. Does it not say something about never sleeping in a bed?"

With some difficulty Muriel spelt it out.

"It says, 'No animal shall sleep in a bed with sheets,'" she announced finally.

Curiously enough, Clover had not remembered that the Fourth Commandment mentioned sheets; but as it was there on the wall, it must have done so. And Squealer, who happened to be passing at this moment, attended by two or three dogs, was able to put the whole matter in its proper perspective.

"You have heard then, comrades," he said, "that we pigs now sleep in the beds of the farmhouse? And why not? You did not suppose, surely, that there was ever a ruling against beds? A bed merely means a place to sleep in. A pile of straw in a stall is a bed, properly regarded. The rule was against sheets, which are a human invention. We have removed the sheets from the farmhouse beds, and sleep between blankets. And very comfortable beds they are too! But not more comfortable than we need, I can tell you, comrades, with all the brainwork we have to do nowadays. You would not rob us of our repose, would you, comrades? You would not have us too tired to carry out our duties? Surely none of you wishes to see Jones back?"

The animals reassured him on this point immediately, and no more was said about the pigs sleeping in the farmhouse beds. And when, some days afterwards, it was announced that from now on the pigs would get up an hour later in the mornings than the other animals, no complaint was made about that either.

By the autumn the animals were tired but happy. They had had a hard year, and after the sale of part of the hay and corn, the stores of food for the winter were none too plentiful, but the windmill compensated for everything. It was almost half built now. After the harvest there was a stretch of clear dry weather, and the animals toiled harder than ever, thinking it well worth while to plod to and fro all day with blocks of stone if by doing so they could raise the walls another foot. Boxer would even come out at nights and work for an hour or two on his own by the light of the harvest moon. In their spare moments the animals would walk round and round the half-finished mill, admiring the strength and perpendicularity of its walls and marvelling that they should ever have been able to build anything so imposing. Only old Benjamin refused to grow enthusiastic about the windmill, though, as usual, he would utter nothing beyond the cryptic remark that donkeys live a long time.

November came, with raging south-west winds. Building had to stop because it was now too wet to mix the cement. Finally there came a night when the gale was so violent that the farm buildings rocked on their foundations and several tiles were blown off the roof of the barn. The hens woke up squawking with terror because they had all dreamed simultaneously of hearing a gun go off in the distance. In the morning the animals came out of their stalls to find that the flagstaff had been blown down and an elm

tree at the foot of the orchard had been plucked up like a radish. They had just noticed this when a cry of despair broke from every animal's throat. A terrible sight had met their eyes. The windmill was in ruins.

With one accord they dashed down to the spot. Napoleon, who seldom moved out of a walk, raced ahead of them all. Yes, there it lay, the fruit of all their struggles, levelled to its foundations, the stones they had broken and carried so laboriously scattered all around. Unable at first to speak, they stood gazing mournfully at the litter of fallen stone. Napoleon paced to and fro in silence, occasionally snuffing at the ground. His tail had grown rigid and twitched sharply from side to side, a sign in him of intense mental activity. Suddenly he halted as though his mind were made up.

"Comrades," he said quietly, "do you know who is responsible for this? Do you know the enemy who has come in the night and overthrown our windmill? SNOWBALL!" he suddenly roared in a voice of thunder. "Snowball has done this thing! In sheer malignity, thinking to set back our plans and avenge himself for his ignominious expulsion, this traitor has crept here under cover of night and destroyed our work of nearly a year. Comrades, here and now I pronounce the death sentence upon Snowball. 'Animal Hero, Second Class,' and half a bushel of apples to any animal who brings him to justice. A full bushel to anyone who captures him alive!"

The animals were shocked beyond measure to learn that even Snowball could be guilty of such an action. There was a cry of indignation, and everyone began thinking out ways of catching Snowball if he should ever come back. Almost immediately the footprints of a pig were discovered in the grass at a little distance from the knoll. They could only be traced for a few yards, but appeared to lead to a hole in the hedge. Napoleon snuffed deeply at them and pronounced them to be Snowball's. He gave it as his opinion that Snowball had probably come from the direction of Foxwood Farm.

"No more delays, comrades!" cried Napoleon when the footprints had been examined. "There is work to be done. This very morning we begin rebuilding the windmill, and we will build all through the winter, rain or shine. We will teach this miserable traitor that he cannot undo our work so easily. Remember, comrades, there must be no alteration in our plans: they shall be carried out to the day. Forward, comrades! Long live the windmill! Long live Animal Farm!"

Chapter VII

It was a bitter winter. The stormy weather was followed by sleet and snow, and then by a hard frost which did not break till well into February. The animals carried on as best they could with the rebuilding of the windmill, well knowing that the outside world was watching them and that the envious human beings would rejoice and triumph if the mill were not finished on time.

Out of spite, the human beings pretended not to believe that it was Snowball who had destroyed the windmill: they said that it had fallen down because the walls were too thin. The animals knew that this was not the case. Still, it had been decided to build the walls three feet thick this time instead of eighteen inches as before, which meant collecting much larger quantities of stone. For a long time the quarry was full of snowdrifts and nothing could be done. Some progress was made in the dry frosty weather that followed, but it was cruel work, and the animals could not feel so hopeful about it as they had felt before. They were always cold, and usually hungry as well. Only Boxer and Clover never lost heart. Squealer made excellent speeches on the joy of service and the dignity of labour, but the other animals found more inspiration in Boxer's strength and his never-failing cry of "I will work harder!"

In January food fell short. The corn ration was drastically reduced, and it was announced that an extra potato ration would be issued to make up for it. Then it was discovered that the greater part of the potato crop had been frosted in the clamps, which had not been covered thickly enough. The potatoes had become soft and discoloured, and only a few were edible. For days at a time the animals had nothing to eat but chaff and mangels. Starvation seemed to stare them in the face.

It was vitally necessary to conceal this fact from the outside world. Emboldened by the collapse of the windmill, the human beings were inventing fresh lies about Animal Farm. Once again it was being put about that all the animals were dying of famine and disease, and that they were continually fighting among themselves and had resorted to cannibalism and infanticide. Napoleon was well aware of the bad results that might follow if the real facts of the food situation were known, and he decided to make use of Mr. Whymper to spread a contrary impression. Hitherto the animals had had little or no contact with Whymper on his weekly visits: now, however, a few selected animals, mostly sheep, were instructed to remark casually in his hearing that rations had been increased. In addition, Napoleon ordered the almost empty bins in the store-shed to be filled nearly to the brim with sand, which was then covered up with what remained of the grain and meal. On some suitable pretext Whymper was led through the store-shed and allowed to catch a glimpse of the bins. He was deceived, and continued to report to the outside world that there was no food shortage on Animal Farm.

Nevertheless, towards the end of January it became obvious that it would be necessary to procure some more grain from somewhere. In these days Napoleon rarely appeared in public, but spent all his time in the farmhouse, which was guarded at each door by fierce-looking dogs. When he did emerge, it was in a ceremonial manner, with an escort of six dogs who closely surrounded him and growled if anyone came too near. Frequently he did not even appear on Sunday mornings, but issued his orders through one of the other pigs, usually Squealer.

One Sunday morning Squealer announced that the hens, who had just come in to lay again, must surrender their eggs. Napoleon had accepted, through Whymper, a contract for four hundred eggs a week. The price of these would pay for enough grain and meal to keep the farm going till summer came on and conditions were easier.

When the hens heard this, they raised a terrible outcry. They had been warned earlier that this sacrifice might be necessary, but had not believed that it would really happen. They were just getting their clutches ready for the spring sitting, and they protested that to take the eggs away now was murder. For the first time since the expulsion of Jones, there was something resembling a rebellion. Led by three young Black Minorca pullets, the hens made a determined effort to thwart Napoleon's wishes. Their method was to fly up to the rafters and there lay their eggs, which smashed to pieces on the floor. Napoleon acted swiftly and ruthlessly. He ordered the hens' rations to be stopped, and decreed that any animal giving so much as a grain of corn to a hen should be punished by death. The dogs saw to it that these orders were carried out. For five days the hens held out, then they capitulated and went back to their nesting boxes. Nine hens had died in the meantime. Their bodies were buried in the orchard, and it was given out that they had died of coccidiosis. Whymper heard nothing of this affair, and the eggs were duly delivered, a grocer's van driving up to the farm once a week to take them away.

All this while no more had been seen of Snowball. He was rumoured to be hiding on one of the neighbouring farms, either Foxwood or Pinchfield. Napoleon was by this time on slightly better terms with the other farmers than before. It happened that there was in the yard a pile of timber which had been stacked there ten years earlier when a beech spinney was cleared. It was well seasoned, and Whymper had advised Napoleon to sell it; both Mr. Pilkington and Mr. Frederick were anxious to buy it. Napoleon was

hesitating between the two, unable to make up his mind. It was noticed that whenever he seemed on the point of coming to an agreement with Frederick, Snowball was declared to be in hiding at Foxwood, while, when he inclined toward Pilkington, Snowball was said to be at Pinchfield.

Suddenly, early in the spring, an alarming thing was discovered. Snowball was secretly frequenting the farm by night! The animals were so disturbed that they could hardly sleep in their stalls. Every night, it was said, he came creeping in under cover of darkness and performed all kinds of mischief. He stole the corn, he upset the milk-pails, he broke the eggs, he trampled the seedbeds, he gnawed the bark off the fruit trees. Whenever anything went wrong it became usual to attribute it to Snowball. If a window was broken or a drain was blocked up, someone was certain to say that Snowball had come in the night and done it, and when the key of the store-shed was lost, the whole farm was convinced that Snowball had thrown it down the well. Curiously enough, they went on believing this even after the mislaid key was found under a sack of meal. The cows declared unanimously that Snowball crept into their stalls and milked them in their sleep. The rats, which had been troublesome that winter, were also said to be in league with Snowball.

Napoleon decreed that there should be a full investigation into Snowball's activities. With his dogs in attendance he set out and made a careful tour of inspection of the farm buildings, the other animals following at a respectful distance. At every few steps Napoleon stopped and snuffed the ground for traces of Snowball's footsteps, which, he said, he could detect by the smell. He snuffed in every corner, in the barn, in the cow-shed, in the henhouses, in the vegetable garden, and found traces of Snowball almost everywhere. He would put his snout to the ground, give several deep sniffs, and exclaim in a terrible voice, "Snowball! He has been here! I can smell him distinctly!" and at the word "Snowball" all the dogs let out blood-curdling growls and showed their side teeth.

The animals were thoroughly frightened. It seemed to them as though Snowball were some kind of invisible influence, pervading the air about them and menacing them with all kinds of dangers. In the evening Squealer called them together, and with an alarmed expression on his face told them that he had some serious news to report.

"Comrades!" cried Squealer, making little nervous skips, "a most terrible thing has been discovered. Snowball has sold himself to Frederick of Pinchfield Farm, who is even now plotting to attack us and take our farm away from us! Snowball is to act as his guide when the attack begins. But there is worse than that. We had thought that Snowball's rebellion was caused simply by his vanity and ambition. But we were wrong, comrades. Do you know what the real reason was? Snowball was in league with Jones from the very start! He was Jones's secret agent all the time. It has all been proved by documents which he left behind him and which we have only just discovered. To my mind this explains a great deal, comrades. Did we not see for ourselves how he attempted--fortunately without success--to get us defeated and destroyed at the Battle of the Cowshed?"

The animals were stupefied. This was a wickedness far outdoing Snowball's destruction of the windmill. But it was some minutes before they could fully take it in. They all remembered, or thought they remembered, how they had seen Snowball charging ahead of them at the Battle of the Cowshed, how he had rallied and encouraged them at every turn, and how he had not paused for an instant even when the pellets from Jones's gun had wounded his back. At first it was a little difficult to see how this fitted in with his being on Jones's side. Even Boxer, who seldom asked questions, was puzzled. He lay down, tucked his fore hoofs beneath him, shut his eyes, and with a hard effort managed to formulate his thoughts.

"I do not believe that," he said. "Snowball fought bravely at the Battle of the Cowshed. I saw him myself. Did we not give him 'Animal Hero, first Class,' immediately afterwards?"

"That was our mistake, comrade. For we know now--it is all written down in

the secret documents that we have found--that in reality he was trying to lure us to our doom."

"But he was wounded," said Boxer. "We all saw him running with blood."

"That was part of the arrangement!" cried Squealer. "Jones's shot only grazed him. I could show you this in his own writing, if you were able to read it. The plot was for Snowball, at the critical moment, to give the signal for flight and leave the field to the enemy. And he very nearly succeeded--I will even say, comrades, he WOULD have succeeded if it had not been for our heroic Leader, Comrade Napoleon. Do you not remember how, just at the moment when Jones and his men had got inside the yard, Snowball suddenly turned and fled, and many animals followed him? And do you not remember, too, that it was just at that moment, when panic was spreading and all seemed lost, that Comrade Napoleon sprang forward with a cry of 'Death to Humanity!' and sank his teeth in Jones's leg? Surely you remember THAT, comrades?" exclaimed Squealer, frisking from side to side.

Now when Squealer described the scene so graphically, it seemed to the animals that they did remember it. At any rate, they remembered that at the critical moment of the battle Snowball had turned to flee. But Boxer was still a little uneasy.

"I do not believe that Snowball was a traitor at the beginning," he said finally. "What he has done since is different. But I believe that at the Battle of the Cowshed he was a good comrade."

"Our Leader, Comrade Napoleon," announced Squealer, speaking very slowly and firmly, "has stated categorically--categorically, comrade--that Snowball was Jones's agent from the very beginning--yes, and from long before the Rebellion was ever thought of."

"Ah, that is different!" said Boxer. "If Comrade Napoleon says it, it must be right."

"That is the true spirit, comrade!" cried Squealer, but it was noticed he cast a very ugly look at Boxer with his little twinkling eyes. He turned to go, then paused and added impressively: "I warn every animal on this farm to keep his eyes very wide open. For we have reason to think that some of Snowball's secret agents are lurking among us at this moment!"

Four days later, in the late afternoon, Napoleon ordered all the animals to assemble in the yard. When they were all gathered together, Napoleon emerged from the farmhouse, wearing both his medals (for he had recently awarded himself "Animal Hero, First Class", and "Animal Hero, Second Class"), with his nine huge dogs frisking round him and uttering growls that sent shivers down all the animals' spines. They all cowered silently in their places, seeming to know in advance that some terrible thing was about to happen.

Napoleon stood sternly surveying his audience; then he uttered a high-pitched whimper. Immediately the dogs bounded forward, seized four of the pigs by the ear and dragged them, squealing with pain and terror, to Napoleon's feet. The pigs' ears were bleeding, the dogs had tasted blood, and for a few moments they appeared to go quite mad. To the amazement of everybody, three of them flung themselves upon Boxer. Boxer saw them coming and put out his great hoof, caught a dog in mid-air, and pinned him to the ground. The dog shrieked for mercy and the other two fled with their tails between their legs. Boxer looked at Napoleon to know whether he should crush the dog to death or let it go. Napoleon appeared to change countenance, and sharply ordered Boxer to let the dog go, whereat Boxer lifted his hoof, and the dog slunk away, bruised and howling.

Presently the tumult died down. The four pigs waited, trembling, with guilt written on every line of their countenances. Napoleon now called upon them to confess their crimes. They were the same four pigs as had protested when Napoleon abolished the Sunday Meetings. Without any further prompting they confessed that they had been secretly in touch with

Snowball ever since his expulsion, that they had collaborated with him in destroying the windmill, and that they had entered into an agreement with him to hand over Animal Farm to Mr. Frederick. They added that Snowball had privately admitted to them that he had been Jones's secret agent for years past. When they had finished their confession, the dogs promptly tore their throats out, and in a terrible voice Napoleon demanded whether any other animal had anything to confess.

The three hens who had been the ringleaders in the attempted rebellion over the eggs now came forward and stated that Snowball had appeared to them in a dream and incited them to disobey Napoleon's orders. They, too, were slaughtered. Then a goose came forward and confessed to having secreted six ears of corn during the last year's harvest and eaten them in the night. Then a sheep confessed to having urinated in the drinking pool--urged to do this, so she said, by Snowball--and two other sheep confessed to having murdered an old ram, an especially devoted follower of Napoleon, by chasing him round and round a bonfire when he was suffering from a cough. They were all slain on the spot. And so the tale of confessions and executions went on, until there was a pile of corpses lying before Napoleon's feet and the air was heavy with the smell of blood, which had been unknown there since the expulsion of Jones.

When it was all over, the remaining animals, except for the pigs and dogs, crept away in a body. They were shaken and miserable. They did not know which was more shocking--the treachery of the animals who had leagued themselves with Snowball, or the cruel retribution they had just witnessed. In the old days there had often been scenes of bloodshed equally terrible, but it seemed to all of them that it was far worse now that it was happening among themselves. Since Jones had left the farm, until today, no animal had killed another animal. Not even a rat had been killed. They had made their way on to the little knoll where the half-finished windmill stood, and with one accord they all lay down as though huddling together for warmth--Clover, Muriel, Benjamin, the cows, the sheep, and a whole flock of geese and hens--everyone, indeed, except the cat, who had suddenly disappeared just before Napoleon ordered the animals to assemble. For some time nobody spoke. Only Boxer remained on his feet. He fidgeted to and fro, swishing his long black tail against his sides and occasionally uttering a little whinny of surprise. Finally he said:

"I do not understand it. I would not have believed that such things could happen on our farm. It must be due to some fault in ourselves. The solution, as I see it, is to work harder. From now onwards I shall get up a full hour earlier in the mornings."

And he moved off at his lumbering trot and made for the quarry. Having got there, he collected two successive loads of stone and dragged them down to the windmill before retiring for the night.

The animals huddled about Clover, not speaking. The knoll where they were lying gave them a wide prospect across the countryside. Most of Animal Farm was within their view--the long pasture stretching down to the main road, the hayfield, the spinney, the drinking pool, the ploughed fields where the young wheat was thick and green, and the red roofs of the farm buildings with the smoke curling from the chimneys. It was a clear spring evening. The grass and the bursting hedges were gilded by the level rays of the sun. Never had the farm--and with a kind of surprise they remembered that it was their own farm, every inch of it their own property--appeared to the animals so desirable a place. As Clover looked down the hillside her eyes filled with tears. If she could have spoken her thoughts, it would have been to say that this was not what they had aimed at when they had set themselves years ago to work for the overthrow of the human race. These scenes of terror and slaughter were not what they had looked forward to on that night when old Major first stirred them to rebellion. If she herself had had any picture of the future, it had been of a society of animals set free from hunger and the whip, all equal, each working according to his capacity, the strong protecting the weak, as she

had protected the lost brood of ducklings with her foreleg on the night of Major's speech. Instead--she did not know why--they had come to a time when no one dared speak his mind, when fierce, growling dogs roamed everywhere, and when you had to watch your comrades torn to pieces after confessing to shocking crimes. There was no thought of rebellion or disobedience in her mind. She knew that, even as things were, they were far better off than they had been in the days of Jones, and that before all else it was needful to prevent the return of the human beings. Whatever happened she would remain faithful, work hard, carry out the orders that were given to her, and accept the leadership of Napoleon. But still, it was not for this that she and all the other animals had hoped and toiled. It was not for this that they had built the windmill and faced the bullets of Jones's gun. Such were her thoughts, though she lacked the words to express them.

At last, feeling this to be in some way a substitute for the words she was unable to find, she began to sing 'Beasts of England'. The other animals sitting round her took it up, and they sang it three times over--very tunefully, but slowly and mournfully, in a way they had never sung it before.

They had just finished singing it for the third time when Squealer, attended by two dogs, approached them with the air of having something important to say. He announced that, by a special decree of Comrade Napoleon, 'Beasts of England' had been abolished. From now onwards it was forbidden to sing it.

The animals were taken aback.

"Why?" cried Muriel.

"It's no longer needed, comrade," said Squealer stiffly. "'Beasts of England' was the song of the Rebellion. But the Rebellion is now completed. The execution of the traitors this afternoon was the final act. The enemy both external and internal has been defeated. In 'Beasts of England' we expressed our longing for a better society in days to come. But that society has now been established. Clearly this song has no longer any purpose."

Frightened though they were, some of the animals might possibly have protested, but at this moment the sheep set up their usual bleating of "Four legs good, two legs bad," which went on for several minutes and put an end to the discussion.

So 'Beasts of England' was heard no more. In its place Minimus, the poet, had composed another song which began:

Animal Farm, Animal Farm,
Never through me shalt thou come to harm!

and this was sung every Sunday morning after the hoisting of the flag. But somehow neither the words nor the tune ever seemed to the animals to come up to 'Beasts of England'.

Chapter VIII

A few days later, when the terror caused by the executions had died down, some of the animals remembered--or thought they remembered--that the Sixth Commandment decreed "No animal shall kill any other animal." And though no one cared to mention it in the hearing of the pigs or the dogs, it was felt that the killings which had taken place did not square with this. Clover asked Benjamin to read her the Sixth Commandment, and when

Benjamin, as usual, said that he refused to meddle in such matters, she fetched Muriel. Muriel read the Commandment for her. It ran: "No animal shall kill any other animal WITHOUT CAUSE." Somehow or other, the last two words had slipped out of the animals' memory. But they saw now that the Commandment had not been violated; for clearly there was good reason for killing the traitors who had leagued themselves with Snowball.

Throughout the year the animals worked even harder than they had worked in the previous year. To rebuild the windmill, with walls twice as thick as before, and to finish it by the appointed date, together with the regular work of the farm, was a tremendous labour. There were times when it seemed to the animals that they worked longer hours and fed no better than they had done in Jones's day. On Sunday mornings Squealer, holding down a long strip of paper with his trotter, would read out to them lists of figures proving that the production of every class of foodstuff had increased by two hundred per cent, three hundred per cent, or five hundred per cent, as the case might be. The animals saw no reason to disbelieve him, especially as they could no longer remember very clearly what conditions had been like before the Rebellion. All the same, there were days when they felt that they would sooner have had less figures and more food.

All orders were now issued through Squealer or one of the other pigs. Napoleon himself was not seen in public as often as once in a fortnight. When he did appear, he was attended not only by his retinue of dogs but by a black cockerel who marched in front of him and acted as a kind of trumpeter, letting out a loud "cock-a-doodle-doo" before Napoleon spoke. Even in the farmhouse, it was said, Napoleon inhabited separate apartments from the others. He took his meals alone, with two dogs to wait upon him, and always ate from the Crown Derby dinner service which had been in the glass cupboard in the drawing-room. It was also announced that the gun would be fired every year on Napoleon's birthday, as well as on the other two anniversaries.

Napoleon was now never spoken of simply as "Napoleon." He was always referred to in formal style as "our Leader, Comrade Napoleon," and this pigs liked to invent for him such titles as Father of All Animals, Terror of Mankind, Protector of the Sheep-fold, Ducklings' Friend, and the like. In his speeches, Squealer would talk with the tears rolling down his cheeks of Napoleon's wisdom the goodness of his heart, and the deep love he bore to all animals everywhere, even and especially the unhappy animals who still lived in ignorance and slavery on other farms. It had become usual to give Napoleon the credit for every successful achievement and every stroke of good fortune. You would often hear one hen remark to another, "Under the guidance of our Leader, Comrade Napoleon, I have laid five eggs in six days"; or two cows, enjoying a drink at the pool, would exclaim, "Thanks to the leadership of Comrade Napoleon, how excellent this water tastes!" The general feeling on the farm was well expressed in a poem entitled Comrade Napoleon, which was composed by Minimus and which ran as follows:

Friend of fatherless!
Fountain of happiness!
Lord of the swill-bucket! Oh, how my soul is on
Fire when I gaze at thy
Calm and commanding eye,
Like the sun in the sky,
Comrade Napoleon!

Thou are the giver of
All that thy creatures love,
Full belly twice a day, clean straw to roll upon;
Every beast great or small
Sleeps at peace in his stall,
Thou watchest over all,
Comrade Napoleon!

Had I a sucking-pig,

Ere he had grown as big
Even as a pint bottle or as a rolling-pin,
He should have learned to be
Faithful and true to thee,
Yes, his first squeak should be
"Comrade Napoleon!"

Napoleon approved of this poem and caused it to be inscribed on the wall of the big barn, at the opposite end from the Seven Commandments. It was surmounted by a portrait of Napoleon, in profile, executed by Squealer in white paint.

Meanwhile, through the agency of Whymper, Napoleon was engaged in complicated negotiations with Frederick and Pilkington. The pile of timber was still unsold. Of the two, Frederick was the more anxious to get hold of it, but he would not offer a reasonable price. At the same time there were renewed rumours that Frederick and his men were plotting to attack Animal Farm and to destroy the windmill, the building of which had aroused furious jealousy in him. Snowball was known to be still skulking on Pinchfield Farm. In the middle of the summer the animals were alarmed to hear that three hens had come forward and confessed that, inspired by Snowball, they had entered into a plot to murder Napoleon. They were executed immediately, and fresh precautions for Napoleon's safety were taken. Four dogs guarded his bed at night, one at each corner, and a young pig named Pinkeye was given the task of tasting all his food before he ate it, lest it should be poisoned.

At about the same time it was given out that Napoleon had arranged to sell the pile of timber to Mr. Pilkington; he was also going to enter into a regular agreement for the exchange of certain products between Animal Farm and Foxwood. The relations between Napoleon and Pilkington, though they were only conducted through Whymper, were now almost friendly. The animals distrusted Pilkington, as a human being, but greatly preferred him to Frederick, whom they both feared and hated. As the summer wore on, and the windmill neared completion, the rumours of an impending treacherous attack grew stronger and stronger. Frederick, it was said, intended to bring against them twenty men all armed with guns, and he had already bribed the magistrates and police, so that if he could once get hold of the title-deeds of Animal Farm they would ask no questions. Moreover, terrible stories were leaking out from Pinchfield about the cruelties that Frederick practised upon his animals. He had flogged an old horse to death, he starved his cows, he had killed a dog by throwing it into the furnace, he amused himself in the evenings by making cocks fight with splinters of razor-blade tied to their spurs. The animals' blood boiled with rage when they heard of these things being done to their comrades, and sometimes they clamoured to be allowed to go out in a body and attack Pinchfield Farm, drive out the humans, and set the animals free. But Squealer counselled them to avoid rash actions and trust in Comrade Napoleon's strategy.

Nevertheless, feeling against Frederick continued to run high. One Sunday morning Napoleon appeared in the barn and explained that he had never at any time contemplated selling the pile of timber to Frederick; he considered it beneath his dignity, he said, to have dealings with scoundrels of that description. The pigeons who were still sent out to spread tidings of the Rebellion were forbidden to set foot anywhere on Foxwood, and were also ordered to drop their former slogan of "Death to Humanity" in favour of "Death to Frederick." In the late summer yet another of Snowball's machinations was laid bare. The wheat crop was full of weeds, and it was discovered that on one of his nocturnal visits Snowball had mixed weed seeds with the seed corn. A gander who had been privy to the plot had confessed his guilt to Squealer and immediately committed suicide by swallowing deadly nightshade berries. The animals now also learned that Snowball had never--as many of them had believed hitherto--received the order of "Animal Hero, First Class." This was merely a legend which had been spread some time after the Battle of the

Cowshed by Snowball himself. So far from being decorated, he had been censured for showing cowardice in the battle. Once again some of the animals heard this with a certain bewilderment, but Squealer was soon able to convince them that their memories had been at fault.

In the autumn, by a tremendous, exhausting effort--for the harvest had to be gathered at almost the same time--the windmill was finished. The machinery had still to be installed, and Whymper was negotiating the purchase of it, but the structure was completed. In the teeth of every difficulty, in spite of inexperience, of primitive implements, of bad luck and of Snowball's treachery, the work had been finished punctually to the very day! Tired out but proud, the animals walked round and round their masterpiece, which appeared even more beautiful in their eyes than when it had been built the first time. Moreover, the walls were twice as thick as before. Nothing short of explosives would lay them low this time! And when they thought of how they had laboured, what discouragements they had overcome, and the enormous difference that would be made in their lives when the sails were turning and the dynamos running--when they thought of all this, their tiredness forsook them and they gambolled round and round the windmill, uttering cries of triumph. Napoleon himself, attended by his dogs and his cockerel, came down to inspect the completed work; he personally congratulated the animals on their achievement, and announced that the mill would be named Napoleon Mill.

Two days later the animals were called together for a special meeting in the barn. They were struck dumb with surprise when Napoleon announced that he had sold the pile of timber to Frederick. Tomorrow Frederick's wagons would arrive and begin carting it away. Throughout the whole period of his seeming friendship with Pilkington, Napoleon had really been in secret agreement with Frederick.

All relations with Foxwood had been broken off; insulting messages had been sent to Pilkington. The pigeons had been told to avoid Pinchfield Farm and to alter their slogan from "Death to Frederick" to "Death to Pilkington." At the same time Napoleon assured the animals that the stories of an impending attack on Animal Farm were completely untrue, and that the tales about Frederick's cruelty to his own animals had been greatly exaggerated. All these rumours had probably originated with Snowball and his agents. It now appeared that Snowball was not, after all, hiding on Pinchfield Farm, and in fact had never been there in his life: he was living--in considerable luxury, so it was said--at Foxwood, and had in reality been a pensioner of Pilkington for years past.

The pigs were in ecstasies over Napoleon's cunning. By seeming to be friendly with Pilkington he had forced Frederick to raise his price by twelve pounds. But the superior quality of Napoleon's mind, said Squealer, was shown in the fact that he trusted nobody, not even Frederick. Frederick had wanted to pay for the timber with something called a cheque, which, it seemed, was a piece of paper with a promise to pay written upon it. But Napoleon was too clever for him. He had demanded payment in real five-pound notes, which were to be handed over before the timber was removed. Already Frederick had paid up; and the sum he had paid was just enough to buy the machinery for the windmill.

Meanwhile the timber was being carted away at high speed. When it was all gone, another special meeting was held in the barn for the animals to inspect Frederick's bank-notes. Smiling beatifically, and wearing both his decorations, Napoleon reposed on a bed of straw on the platform, with the money at his side, neatly piled on a china dish from the farmhouse kitchen. The animals filed slowly past, and each gazed his fill. And Boxer put out his nose to sniff at the bank-notes, and the flimsy white things stirred and rustled in his breath.

Three days later there was a terrible hullabaloo. Whymper, his face deadly pale, came racing up the path on his bicycle, flung it down in the yard and rushed straight into the farmhouse. The next moment a choking roar of rage sounded from Napoleon's apartments. The news of what had happened sped round the farm like wildfire. The banknotes were forgeries! Frederick

had got the timber for nothing!

Napoleon called the animals together immediately and in a terrible voice pronounced the death sentence upon Frederick. When captured, he said, Frederick should be boiled alive. At the same time he warned them that after this treacherous deed the worst was to be expected. Frederick and his men might make their long-expected attack at any moment. Sentinels were placed at all the approaches to the farm. In addition, four pigeons were sent to Foxwood with a conciliatory message, which it was hoped might re-establish good relations with Pilkington.

The very next morning the attack came. The animals were at breakfast when the look-outs came racing in with the news that Frederick and his followers had already come through the five-barred gate. Boldly enough the animals sallied forth to meet them, but this time they did not have the easy victory that they had had in the Battle of the Cowshed. There were fifteen men, with half a dozen guns between them, and they opened fire as soon as they got within fifty yards. The animals could not face the terrible explosions and the stinging pellets, and in spite of the efforts of Napoleon and Boxer to rally them, they were soon driven back. A number of them were already wounded. They took refuge in the farm buildings and peeped cautiously out from chinks and knot-holes. The whole of the big pasture, including the windmill, was in the hands of the enemy. For the moment even Napoleon seemed at a loss. He paced up and down without a word, his tail rigid and twitching. Wistful glances were sent in the direction of Foxwood. If Pilkington and his men would help them, the day might yet be won. But at this moment the four pigeons, who had been sent out on the day before, returned, one of them bearing a scrap of paper from Pilkington. On it was pencilled the words: "Serves you right."

Meanwhile Frederick and his men had halted about the windmill. The animals watched them, and a murmur of dismay went round. Two of the men had produced a crowbar and a sledge hammer. They were going to knock the windmill down.

"Impossible!" cried Napoleon. "We have built the walls far too thick for that. They could not knock it down in a week. Courage, comrades!"

But Benjamin was watching the movements of the men intently. The two with the hammer and the crowbar were drilling a hole near the base of the windmill. Slowly, and with an air almost of amusement, Benjamin nodded his long muzzle.

"I thought so," he said. "Do you not see what they are doing? In another moment they are going to pack blasting powder into that hole."

Terrified, the animals waited. It was impossible now to venture out of the shelter of the buildings. After a few minutes the men were seen to be running in all directions. Then there was a deafening roar. The pigeons swirled into the air, and all the animals, except Napoleon, flung themselves flat on their bellies and hid their faces. When they got up again, a huge cloud of black smoke was hanging where the windmill had been. Slowly the breeze drifted it away. The windmill had ceased to exist!

At this sight the animals' courage returned to them. The fear and despair they had felt a moment earlier were drowned in their rage against this vile, contemptible act. A mighty cry for vengeance went up, and without waiting for further orders they charged forth in a body and made straight for the enemy. This time they did not heed the cruel pellets that swept over them like hail. It was a savage, bitter battle. The men fired again and again, and when the animals got to close quarters, lashed out with their sticks and their heavy boots. A cow, three sheep, and two geese were killed, and nearly everyone was wounded. Even Napoleon, who was directing operations from the rear, had the tip of his tail chipped by a pellet. But the men did not go unscathed either. Three of them had their heads broken by blows from Boxer's hoofs; another was gored in the belly by a cow's horn; another had his trousers nearly torn off by Jessie and Bluebell. And when the nine dogs of Napoleon's own bodyguard, whom he had instructed to

make a detour under cover of the hedge, suddenly appeared on the men's flank, baying ferociously, panic overtook them. They saw that they were in danger of being surrounded. Frederick shouted to his men to get out while the going was good, and the next moment the cowardly enemy was running for dear life. The animals chased them right down to the bottom of the field, and got in some last kicks at them as they forced their way through the thorn hedge.

They had won, but they were weary and bleeding. Slowly they began to limp back towards the farm. The sight of their dead comrades stretched upon the grass moved some of them to tears. And for a little while they halted in sorrowful silence at the place where the windmill had once stood. Yes, it was gone; almost the last trace of their labour was gone! Even the foundations were partially destroyed. And in rebuilding it they could not this time, as before, make use of the fallen stones. This time the stones had vanished too. The force of the explosion had flung them to distances of hundreds of yards. It was as though the windmill had never been.

As they approached the farm Squealer, who had unaccountably been absent during the fighting, came skipping towards them, whisking his tail and beaming with satisfaction. And the animals heard, from the direction of the farm buildings, the solemn booming of a gun.

"What is that gun firing for?" said Boxer.

"To celebrate our victory!" cried Squealer.

"What victory?" said Boxer. His knees were bleeding, he had lost a shoe and split his hoof, and a dozen pellets had lodged themselves in his hind leg.

"What victory, comrade? Have we not driven the enemy off our soil--the sacred soil of Animal Farm?"

"But they have destroyed the windmill. And we had worked on it for two years!"

"What matter? We will build another windmill. We will build six windmills if we feel like it. You do not appreciate, comrade, the mighty thing that we have done. The enemy was in occupation of this very ground that we stand upon. And now--thanks to the leadership of Comrade Napoleon--we have won every inch of it back again!"

"Then we have won back what we had before," said Boxer.

"That is our victory," said Squealer.

They limped into the yard. The pellets under the skin of Boxer's leg smarted painfully. He saw ahead of him the heavy labour of rebuilding the windmill from the foundations, and already in imagination he braced himself for the task. But for the first time it occurred to him that he was eleven years old and that perhaps his great muscles were not quite what they had once been.

But when the animals saw the green flag flying, and heard the gun firing again--seven times it was fired in all--and heard the speech that Napoleon made, congratulating them on their conduct, it did seem to them after all that they had won a great victory. The animals slain in the battle were given a solemn funeral. Boxer and Clover pulled the wagon which served as a hearse, and Napoleon himself walked at the head of the procession. Two whole days were given over to celebrations. There were songs, speeches, and more firing of the gun, and a special gift of an apple was bestowed on every animal, with two ounces of corn for each bird and three biscuits for each dog. It was announced that the battle would be called the Battle of the Windmill, and that Napoleon had created a new decoration, the Order of the Green Banner, which he had conferred upon himself. In the general rejoicings the unfortunate affair of the banknotes was forgotten.

It was a few days later than this that the pigs came upon a case of whisky

in the cellars of the farmhouse. It had been overlooked at the time when the house was first occupied. That night there came from the farmhouse the sound of loud singing, in which, to everyone's surprise, the strains of 'Beasts of England' were mixed up. At about half past nine Napoleon, wearing an old bowler hat of Mr. Jones's, was distinctly seen to emerge from the back door, gallop rapidly round the yard, and disappear indoors again. But in the morning a deep silence hung over the farmhouse. Not a pig appeared to be stirring. It was nearly nine o'clock when Squealer made his appearance, walking slowly and dejectedly, his eyes dull, his tail hanging limply behind him, and with every appearance of being seriously ill. He called the animals together and told them that he had a terrible piece of news to impart. Comrade Napoleon was dying!

A cry of lamentation went up. Straw was laid down outside the doors of the farmhouse, and the animals walked on tiptoe. With tears in their eyes they asked one another what they should do if their Leader were taken away from them. A rumour went round that Snowball had after all contrived to introduce poison into Napoleon's food. At eleven o'clock Squealer came out to make another announcement. As his last act upon earth, Comrade Napoleon had pronounced a solemn decree: the drinking of alcohol was to be punished by death.

By the evening, however, Napoleon appeared to be somewhat better, and the following morning Squealer was able to tell them that he was well on the way to recovery. By the evening of that day Napoleon was back at work, and on the next day it was learned that he had instructed Whymper to purchase in Willingdon some booklets on brewing and distilling. A week later Napoleon gave orders that the small paddock beyond the orchard, which it had previously been intended to set aside as a grazing-ground for animals who were past work, was to be ploughed up. It was given out that the pasture was exhausted and needed re-seeding; but it soon became known that Napoleon intended to sow it with barley.

About this time there occurred a strange incident which hardly anyone was able to understand. One night at about twelve o'clock there was a loud crash in the yard, and the animals rushed out of their stalls. It was a moonlit night. At the foot of the end wall of the big barn, where the Seven Commandments were written, there lay a ladder broken in two pieces. Squealer, temporarily stunned, was sprawling beside it, and near at hand there lay a lantern, a paint-brush, and an overturned pot of white paint. The dogs immediately made a ring round Squealer, and escorted him back to the farmhouse as soon as he was able to walk. None of the animals could form any idea as to what this meant, except old Benjamin, who nodded his muzzle with a knowing air, and seemed to understand, but would say nothing.

But a few days later Muriel, reading over the Seven Commandments to herself, noticed that there was yet another of them which the animals had remembered wrong. They had thought the Fifth Commandment was "No animal shall drink alcohol," but there were two words that they had forgotten. Actually the Commandment read: "No animal shall drink alcohol TO EXCESS."

Chapter IX

Boxer's split hoof was a long time in healing. They had started the rebuilding of the windmill the day after the victory celebrations were ended. Boxer refused to take even a day off work, and made it a point of honour not to let it be seen that he was in pain. In the evenings he would admit privately to Clover that the hoof troubled him a great deal. Clover treated the hoof with poultices of herbs which she prepared by chewing them, and both she and Benjamin urged Boxer to work less hard. "A horse's lungs do not last for ever," she said to him. But Boxer would not listen. He had, he said, only one real ambition left--to see the windmill well under way before he reached the age for retirement.

At the beginning, when the laws of Animal Farm were first formulated, the retiring age had been fixed for horses and pigs at twelve, for cows at fourteen, for dogs at nine, for sheep at seven, and for hens and geese at five. Liberal old-age pensions had been agreed upon. As yet no animal had actually retired on pension, but of late the subject had been discussed more and more. Now that the small field beyond the orchard had been set aside for barley, it was rumoured that a corner of the large pasture was to be fenced off and turned into a grazing-ground for superannuated animals. For a horse, it was said, the pension would be five pounds of corn a day and, in winter, fifteen pounds of hay, with a carrot or possibly an apple on public holidays. Boxer's twelfth birthday was due in the late summer of the following year.

Meanwhile life was hard. The winter was as cold as the last one had been, and food was even shorter. Once again all rations were reduced, except those of the pigs and the dogs. A too rigid equality in rations, Squealer explained, would have been contrary to the principles of Animalism. In any case he had no difficulty in proving to the other animals that they were NOT in reality short of food, whatever the appearances might be. For the time being, certainly, it had been found necessary to make a readjustment of rations (Squealer always spoke of it as a "readjustment," never as a "reduction"), but in comparison with the days of Jones, the improvement was enormous. Reading out the figures in a shrill, rapid voice, he proved to them in detail that they had more oats, more hay, more turnips than they had had in Jones's day, that they worked shorter hours, that their drinking water was of better quality, that they lived longer, that a larger proportion of their young ones survived infancy, and that they had more straw in their stalls and suffered less from fleas. The animals believed every word of it. Truth to tell, Jones and all he stood for had almost faded out of their memories. They knew that life nowadays was harsh and bare, that they were often hungry and often cold, and that they were usually working when they were not asleep. But doubtless it had been worse in the old days. They were glad to believe so. Besides, in those days they had been slaves and now they were free, and that made all the difference, as Squealer did not fail to point out.

There were many more mouths to feed now. In the autumn the four sows had all littered about simultaneously, producing thirty-one young pigs between them. The young pigs were piebald, and as Napoleon was the only boar on the farm, it was possible to guess at their parentage. It was announced that later, when bricks and timber had been purchased, a schoolroom would be built in the farmhouse garden. For the time being, the young pigs were given their instruction by Napoleon himself in the farmhouse kitchen. They took their exercise in the garden, and were discouraged from playing with the other young animals. About this time, too, it was laid down as a rule that when a pig and any other animal met on the path, the other animal must stand aside: and also that all pigs, of whatever degree, were to have the privilege of wearing green ribbons on their tails on Sundays.

The farm had had a fairly successful year, but was still short of money. There were the bricks, sand, and lime for the schoolroom to be purchased, and it would also be necessary to begin saving up again for the machinery for the windmill. Then there were lamp oil and candles for the house, sugar for Napoleon's own table (he forbade this to the other pigs, on the ground that it made them fat), and all the usual replacements such as tools, nails, string, coal, wire, scrap-iron, and dog biscuits. A stump of hay and part of the potato crop were sold off, and the contract for eggs was increased to six hundred a week, so that that year the hens barely hatched enough chicks to keep their numbers at the same level. Rations, reduced in December, were reduced again in February, and lanterns in the stalls were forbidden to save oil. But the pigs seemed comfortable enough, and in fact were putting on weight if anything. One afternoon in late February a warm, rich, appetising scent, such as the animals had never smelt before, wafted itself across the yard from the little brew-house, which had been disused in Jones's time, and which stood beyond the kitchen. Someone said it was the smell of cooking barley. The animals sniffed the air hungrily and wondered whether a warm mash was being

prepared for their supper. But no warm mash appeared, and on the following Sunday it was announced that from now onwards all barley would be reserved for the pigs. The field beyond the orchard had already been sown with barley. And the news soon leaked out that every pig was now receiving a ration of a pint of beer daily, with half a gallon for Napoleon himself, which was always served to him in the Crown Derby soup tureen.

But if there were hardships to be borne, they were partly offset by the fact that life nowadays had a greater dignity than it had had before. There were more songs, more speeches, more processions. Napoleon had commanded that once a week there should be held something called a Spontaneous Demonstration, the object of which was to celebrate the struggles and triumphs of Animal Farm. At the appointed time the animals would leave their work and march round the precincts of the farm in military formation, with the pigs leading, then the horses, then the cows, then the sheep, and then the poultry. The dogs flanked the procession and at the head of all marched Napoleon's black cockerel. Boxer and Clover always carried between them a green banner marked with the hoof and the horn and the caption, "Long live Comrade Napoleon!" Afterwards there were recitations of poems composed in Napoleon's honour, and a speech by Squealer giving particulars of the latest increases in the production of foodstuffs, and on occasion a shot was fired from the gun. The sheep were the greatest devotees of the Spontaneous Demonstration, and if anyone complained (as a few animals sometimes did, when no pigs or dogs were near) that they wasted time and meant a lot of standing about in the cold, the sheep were sure to silence him with a tremendous bleating of "Four legs good, two legs bad!" But by and large the animals enjoyed these celebrations. They found it comforting to be reminded that, after all, they were truly their own masters and that the work they did was for their own benefit. So that, what with the songs, the processions, Squealer's lists of figures, the thunder of the gun, the crowing of the cockerel, and the fluttering of the flag, they were able to forget that their bellies were empty, at least part of the time.

In April, Animal Farm was proclaimed a Republic, and it became necessary to elect a President. There was only one candidate, Napoleon, who was elected unanimously. On the same day it was given out that fresh documents had been discovered which revealed further details about Snowball's complicity with Jones. It now appeared that Snowball had not, as the animals had previously imagined, merely attempted to lose the Battle of the Cowshed by means of a stratagem, but had been openly fighting on Jones's side. In fact, it was he who had actually been the leader of the human forces, and had charged into battle with the words "Long live Humanity!" on his lips. The wounds on Snowball's back, which a few of the animals still remembered to have seen, had been inflicted by Napoleon's teeth.

In the middle of the summer Moses the raven suddenly reappeared on the farm, after an absence of several years. He was quite unchanged, still did no work, and talked in the same strain as ever about Sugarcandy Mountain. He would perch on a stump, flap his black wings, and talk by the hour to anyone who would listen. "Up there, comrades," he would say solemnly, pointing to the sky with his large beak--"up there, just on the other side of that dark cloud that you can see--there it lies, Sugarcandy Mountain, that happy country where we poor animals shall rest for ever from our labours!" He even claimed to have been there on one of his higher flights, and to have seen the everlasting fields of clover and the linseed cake and lump sugar growing on the hedges. Many of the animals believed him. Their lives now, they reasoned, were hungry and laborious; was it not right and just that a better world should exist somewhere else? A thing that was difficult to determine was the attitude of the pigs towards Moses. They all declared contemptuously that his stories about Sugarcandy Mountain were lies, and yet they allowed him to remain on the farm, not working, with an allowance of a gill of beer a day.

After his hoof had healed up, Boxer worked harder than ever. Indeed, all the animals worked like slaves that year. Apart from the regular work of

the farm, and the rebuilding of the windmill, there was the schoolhouse for the young pigs, which was started in March. Sometimes the long hours on insufficient food were hard to bear, but Boxer never faltered. In nothing that he said or did was there any sign that his strength was not what it had been. It was only his appearance that was a little altered; his hide was less shiny than it had used to be, and his great haunches seemed to have shrunk. The others said, "Boxer will pick up when the spring grass comes on"; but the spring came and Boxer grew no fatter. Sometimes on the slope leading to the top of the quarry, when he braced his muscles against the weight of some vast boulder, it seemed that nothing kept him on his feet except the will to continue. At such times his lips were seen to form the words, "I will work harder"; he had no voice left. Once again Clover and Benjamin warned him to take care of his health, but Boxer paid no attention. His twelfth birthday was approaching. He did not care what happened so long as a good store of stone was accumulated before he went on pension.

Late one evening in the summer, a sudden rumour ran round the farm that something had happened to Boxer. He had gone out alone to drag a load of stone down to the windmill. And sure enough, the rumour was true. A few minutes later two pigeons came racing in with the news; "Boxer has fallen! He is lying on his side and can't get up!"

About half the animals on the farm rushed out to the knoll where the windmill stood. There lay Boxer, between the shafts of the cart, his neck stretched out, unable even to raise his head. His eyes were glazed, his sides matted with sweat. A thin stream of blood had trickled out of his mouth. Clover dropped to her knees at his side.

"Boxer!" she cried, "how are you?"

"It is my lung," said Boxer in a weak voice. "It does not matter. I think you will be able to finish the windmill without me. There is a pretty good store of stone accumulated. I had only another month to go in any case. To tell you the truth, I had been looking forward to my retirement. And perhaps, as Benjamin is growing old too, they will let him retire at the same time and be a companion to me."

"We must get help at once," said Clover. "Run, somebody, and tell Squealer what has happened."

All the other animals immediately raced back to the farmhouse to give Squealer the news. Only Clover remained, and Benjamin who lay down at Boxer's side, and, without speaking, kept the flies off him with his long tail. After about a quarter of an hour Squealer appeared, full of sympathy and concern. He said that Comrade Napoleon had learned with the very deepest distress of this misfortune to one of the most loyal workers on the farm, and was already making arrangements to send Boxer to be treated in the hospital at Willingdon. The animals felt a little uneasy at this. Except for Mollie and Snowball, no other animal had ever left the farm, and they did not like to think of their sick comrade in the hands of human beings. However, Squealer easily convinced them that the veterinary surgeon in Willingdon could treat Boxer's case more satisfactorily than could be done on the farm. And about half an hour later, when Boxer had somewhat recovered, he was with difficulty got on to his feet, and managed to limp back to his stall, where Clover and Benjamin had prepared a good bed of straw for him.

For the next two days Boxer remained in his stall. The pigs had sent out a large bottle of pink medicine which they had found in the medicine chest in the bathroom, and Clover administered it to Boxer twice a day after meals. In the evenings she lay in his stall and talked to him, while Benjamin kept the flies off him. Boxer professed not to be sorry for what had happened. If he made a good recovery, he might expect to live another three years, and he looked forward to the peaceful days that he would spend in the corner of the big pasture. It would be the first time that he had had leisure to study and improve his mind. He intended, he said, to devote the rest of his life to learning the remaining twenty-two letters

of the alphabet.

However, Benjamin and Clover could only be with Boxer after working hours, and it was in the middle of the day when the van came to take him away. The animals were all at work weeding turnips under the supervision of a pig, when they were astonished to see Benjamin come galloping from the direction of the farm buildings, braying at the top of his voice. It was the first time that they had ever seen Benjamin excited--indeed, it was the first time that anyone had ever seen him gallop. "Quick, quick!" he shouted. "Come at once! They're taking Boxer away!" Without waiting for orders from the pig, the animals broke off work and raced back to the farm buildings. Sure enough, there in the yard was a large closed van, drawn by two horses, with lettering on its side and a sly-looking man in a low-crowned bowler hat sitting on the driver's seat. And Boxer's stall was empty.

The animals crowded round the van. "Good-bye, Boxer!" they chorused, "good-bye!"

"Fools! Fools!" shouted Benjamin, prancing round them and stamping the earth with his small hoofs. "Fools! Do you not see what is written on the side of that van?"

That gave the animals pause, and there was a hush. Muriel began to spell out the words. But Benjamin pushed her aside and in the midst of a deadly silence he read:

"'Alfred Simmonds, Horse Slaughterer and Glue Boiler, Willingdon. Dealer in Hides and Bone-Meal. Kennels Supplied.' Do you not understand what that means? They are taking Boxer to the knacker's!"

A cry of horror burst from all the animals. At this moment the man on the box whipped up his horses and the van moved out of the yard at a smart trot. All the animals followed, crying out at the tops of their voices. Clover forced her way to the front. The van began to gather speed. Clover tried to stir her stout limbs to a gallop, and achieved a canter. "Boxer!" she cried. "Boxer! Boxer! Boxer!" And just at this moment, as though he had heard the uproar outside, Boxer's face, with the white stripe down his nose, appeared at the small window at the back of the van.

"Boxer!" cried Clover in a terrible voice. "Boxer! Get out! Get out quickly! They're taking you to your death!"

All the animals took up the cry of "Get out, Boxer, get out!" But the van was already gathering speed and drawing away from them. It was uncertain whether Boxer had understood what Clover had said. But a moment later his face disappeared from the window and there was the sound of a tremendous drumming of hoofs inside the van. He was trying to kick his way out. The time had been when a few kicks from Boxer's hoofs would have smashed the van to matchwood. But alas! his strength had left him; and in a few moments the sound of drumming hoofs grew fainter and died away. In desperation the animals began appealing to the two horses which drew the van to stop. "Comrades, comrades!" they shouted. "Don't take your own brother to his death!" But the stupid brutes, too ignorant to realise what was happening, merely set back their ears and quickened their pace. Boxer's face did not reappear at the window. Too late, someone thought of racing ahead and shutting the five-barred gate; but in another moment the van was through it and rapidly disappearing down the road. Boxer was never seen again.

Three days later it was announced that he had died in the hospital at Willingdon, in spite of receiving every attention a horse could have. Squealer came to announce the news to the others. He had, he said, been present during Boxer's last hours.

"It was the most affecting sight I have ever seen!" said Squealer, lifting his trotter and wiping away a tear. "I was at his bedside at the very last. And at the end, almost too weak to speak, he whispered in my ear

that his sole sorrow was to have passed on before the windmill was finished. 'Forward, comrades!' he whispered. 'Forward in the name of the Rebellion. Long live Animal Farm! Long live Comrade Napoleon! Napoleon is always right.' Those were his very last words, comrades."

Here Squealer's demeanour suddenly changed. He fell silent for a moment, and his little eyes darted suspicious glances from side to side before he proceeded.

It had come to his knowledge, he said, that a foolish and wicked rumour had been circulated at the time of Boxer's removal. Some of the animals had noticed that the van which took Boxer away was marked "Horse Slaughterer," and had actually jumped to the conclusion that Boxer was being sent to the knacker's. It was almost unbelievable, said Squealer, that any animal could be so stupid. Surely, he cried indignantly, whisking his tail and skipping from side to side, surely they knew their beloved Leader, Comrade Napoleon, better than that? But the explanation was really very simple. The van had previously been the property of the knacker, and had been bought by the veterinary surgeon, who had not yet painted the old name out. That was how the mistake had arisen.

The animals were enormously relieved to hear this. And when Squealer went on to give further graphic details of Boxer's death-bed, the admirable care he had received, and the expensive medicines for which Napoleon had paid without a thought as to the cost, their last doubts disappeared and the sorrow that they felt for their comrade's death was tempered by the thought that at least he had died happy.

Napoleon himself appeared at the meeting on the following Sunday morning and pronounced a short oration in Boxer's honour. It had not been possible, he said, to bring back their lamented comrade's remains for interment on the farm, but he had ordered a large wreath to be made from the laurels in the farmhouse garden and sent down to be placed on Boxer's grave. And in a few days' time the pigs intended to hold a memorial banquet in Boxer's honour. Napoleon ended his speech with a reminder of Boxer's two favourite maxims, "I will work harder" and "Comrade Napoleon is always right"--maxims, he said, which every animal would do well to adopt as his own.

On the day appointed for the banquet, a grocer's van drove up from Willingdon and delivered a large wooden crate at the farmhouse. That night there was the sound of uproarious singing, which was followed by what sounded like a violent quarrel and ended at about eleven o'clock with a tremendous crash of glass. No one stirred in the farmhouse before noon on the following day, and the word went round that from somewhere or other the pigs had acquired the money to buy themselves another case of whisky.

Chapter X

Years passed. The seasons came and went, the short animal lives fled by. A time came when there was no one who remembered the old days before the Rebellion, except Clover, Benjamin, Moses the raven, and a number of the pigs.

Muriel was dead; Bluebell, Jessie, and Pincher were dead. Jones too was dead--he had died in an inebriates' home in another part of the country. Snowball was forgotten. Boxer was forgotten, except by the few who had known him. Clover was an old stout mare now, stiff in the joints and with a tendency to rheumy eyes. She was two years past the retiring age, but in fact no animal had ever actually retired. The talk of setting aside a corner of the pasture for superannuated animals had long since been dropped. Napoleon was now a mature boar of twenty-four stone. Squealer was so fat that he could with difficulty see out of his eyes. Only old

Benjamin was much the same as ever, except for being a little greyer about the muzzle, and, since Boxer's death, more morose and taciturn than ever.

There were many more creatures on the farm now, though the increase was not so great as had been expected in earlier years. Many animals had been born to whom the Rebellion was only a dim tradition, passed on by word of mouth, and others had been bought who had never heard mention of such a thing before their arrival. The farm possessed three horses now besides Clover. They were fine upstanding beasts, willing workers and good comrades, but very stupid. None of them proved able to learn the alphabet beyond the letter B. They accepted everything that they were told about the Rebellion and the principles of Animalism, especially from Clover, for whom they had an almost filial respect; but it was doubtful whether they understood very much of it.

The farm was more prosperous now, and better organised: it had even been enlarged by two fields which had been bought from Mr. Pilkington. The windmill had been successfully completed at last, and the farm possessed a threshing machine and a hay elevator of its own, and various new buildings had been added to it. Whymper had bought himself a dogcart. The windmill, however, had not after all been used for generating electrical power. It was used for milling corn, and brought in a handsome money profit. The animals were hard at work building yet another windmill; when that one was finished, so it was said, the dynamos would be installed. But the luxuries of which Snowball had once taught the animals to dream, the stalls with electric light and hot and cold water, and the three-day week, were no longer talked about. Napoleon had denounced such ideas as contrary to the spirit of Animalism. The truest happiness, he said, lay in working hard and living frugally.

Somehow it seemed as though the farm had grown richer without making the animals themselves any richer--except, of course, for the pigs and the dogs. Perhaps this was partly because there were so many pigs and so many dogs. It was not that these creatures did not work, after their fashion. There was, as Squealer was never tired of explaining, endless work in the supervision and organisation of the farm. Much of this work was of a kind that the other animals were too ignorant to understand. For example, Squealer told them that the pigs had to expend enormous labours every day upon mysterious things called "files," "reports," "minutes," and "memoranda". These were large sheets of paper which had to be closely covered with writing, and as soon as they were so covered, they were burnt in the furnace. This was of the highest importance for the welfare of the farm, Squealer said. But still, neither pigs nor dogs produced any food by their own labour; and there were very many of them, and their appetites were always good.

As for the others, their life, so far as they knew, was as it had always been. They were generally hungry, they slept on straw, they drank from the pool, they laboured in the fields; in winter they were troubled by the cold, and in summer by the flies. Sometimes the older ones among them racked their dim memories and tried to determine whether in the early days of the Rebellion, when Jones's expulsion was still recent, things had been better or worse than now. They could not remember. There was nothing with which they could compare their present lives: they had nothing to go upon except Squealer's lists of figures, which invariably demonstrated that everything was getting better and better. The animals found the problem insoluble; in any case, they had little time for speculating on such things now. Only old Benjamin professed to remember every detail of his long life and to know that things never had been, nor ever could be much better or much worse--hunger, hardship, and disappointment being, so he said, the unalterable law of life.

And yet the animals never gave up hope. More, they never lost, even for an instant, their sense of honour and privilege in being members of Animal Farm. They were still the only farm in the whole county--in all England!--owned and operated by animals. Not one of them, not even the youngest, not even the newcomers who had been brought from farms ten or

twenty miles away, ever ceased to marvel at that. And when they heard the gun booming and saw the green flag fluttering at the masthead, their hearts swelled with imperishable pride, and the talk turned always towards the old heroic days, the expulsion of Jones, the writing of the Seven Commandments, the great battles in which the human invaders had been defeated. None of the old dreams had been abandoned. The Republic of the Animals which Major had foretold, when the green fields of England should be untrodden by human feet, was still believed in. Some day it was coming: it might not be soon, it might not be with in the lifetime of any animal now living, but still it was coming. Even the tune of 'Beasts of England' was perhaps hummed secretly here and there: at any rate, it was a fact that every animal on the farm knew it, though no one would have dared to sing it aloud. It might be that their lives were hard and that not all of their hopes had been fulfilled; but they were conscious that they were not as other animals. If they went hungry, it was not from feeding tyrannical human beings; if they worked hard, at least they worked for themselves. No creature among them went upon two legs. No creature called any other creature "Master." All animals were equal.

One day in early summer Squealer ordered the sheep to follow him, and led them out to a piece of waste ground at the other end of the farm, which had become overgrown with birch saplings. The sheep spent the whole day there browsing at the leaves under Squealer's supervision. In the evening he returned to the farmhouse himself, but, as it was warm weather, told the sheep to stay where they were. It ended by their remaining there for a whole week, during which time the other animals saw nothing of them. Squealer was with them for the greater part of every day. He was, he said, teaching them to sing a new song, for which privacy was needed.

It was just after the sheep had returned, on a pleasant evening when the animals had finished work and were making their way back to the farm buildings, that the terrified neighing of a horse sounded from the yard. Startled, the animals stopped in their tracks. It was Clover's voice. She neighed again, and all the animals broke into a gallop and rushed into the yard. Then they saw what Clover had seen.

It was a pig walking on his hind legs.

Yes, it was Squealer. A little awkwardly, as though not quite used to supporting his considerable bulk in that position, but with perfect balance, he was strolling across the yard. And a moment later, out from the door of the farmhouse came a long file of pigs, all walking on their hind legs. Some did it better than others, one or two were even a trifle unsteady and looked as though they would have liked the support of a stick, but every one of them made his way right round the yard successfully. And finally there was a tremendous baying of dogs and a shrill crowing from the black cockerel, and out came Napoleon himself, majestically upright, casting haughty glances from side to side, and with his dogs gambolling round him.

He carried a whip in his trotter.

There was a deadly silence. Amazed, terrified, huddling together, the animals watched the long line of pigs march slowly round the yard. It was as though the world had turned upside-down. Then there came a moment when the first shock had worn off and when, in spite of everything-in spite of their terror of the dogs, and of the habit, developed through long years, of never complaining, never criticising, no matter what happened--they might have uttered some word of protest. But just at that moment, as though at a signal, all the sheep burst out into a tremendous bleating of--

"Four legs good, two legs BETTER! Four legs good, two legs BETTER! Four legs good, two legs BETTER!"

It went on for five minutes without stopping. And by the time the sheep had quieted down, the chance to utter any protest had passed, for the pigs had marched back into the farmhouse.

Benjamin felt a nose nuzzling at his shoulder. He looked round. It was Clover. Her old eyes looked dimmer than ever. Without saying anything, she tugged gently at his mane and led him round to the end of the big barn, where the Seven Commandments were written. For a minute or two they stood gazing at the tatted wall with its white lettering.

"My sight is failing," she said finally. "Even when I was young I could not have read what was written there. But it appears to me that that wall looks different. Are the Seven Commandments the same as they used to be, Benjamin?"

For once Benjamin consented to break his rule, and he read out to her what was written on the wall. There was nothing there now except a single Commandment. It ran:

ALL ANIMALS ARE EQUAL
BUT SOME ANIMALS ARE MORE EQUAL THAN OTHERS

After that it did not seem strange when next day the pigs who were supervising the work of the farm all carried whips in their trotters. It did not seem strange to learn that the pigs had bought themselves a wireless set, were arranging to install a telephone, and had taken out subscriptions to 'John Bull', 'Tit-Bits', and the 'Daily Mirror'. It did not seem strange when Napoleon was seen strolling in the farmhouse garden with a pipe in his mouth--no, not even when the pigs took Mr. Jones's clothes out of the wardrobes and put them on, Napoleon himself appearing in a black coat, ratcatcher breeches, and leather leggings, while his favourite sow appeared in the watered silk dress which Mrs. Jones had been used to wearing on Sundays.

A week later, in the afternoon, a number of dog-carts drove up to the farm. A deputation of neighbouring farmers had been invited to make a tour of inspection. They were shown all over the farm, and expressed great admiration for everything they saw, especially the windmill. The animals were weeding the turnip field. They worked diligently hardly raising their faces from the ground, and not knowing whether to be more frightened of the pigs or of the human visitors.

That evening loud laughter and bursts of singing came from the farmhouse. And suddenly, at the sound of the mingled voices, the animals were stricken with curiosity. What could be happening in there, now that for the first time animals and human beings were meeting on terms of equality? With one accord they began to creep as quietly as possible into the farmhouse garden.

At the gate they paused, half frightened to go on but Clover led the way in. They tiptoed up to the house, and such animals as were tall enough peered in at the dining-room window. There, round the long table, sat half a dozen farmers and half a dozen of the more eminent pigs, Napoleon himself occupying the seat of honour at the head of the table. The pigs appeared completely at ease in their chairs. The company had been enjoying a game of cards but had broken off for the moment, evidently in order to drink a toast. A large jug was circulating, and the mugs were being refilled with beer. No one noticed the wondering faces of the animals that gazed in at the window.

Mr. Pilkington, of Foxwood, had stood up, his mug in his hand. In a moment, he said, he would ask the present company to drink a toast. But before doing so, there were a few words that he felt it incumbent upon him to say.

It was a source of great satisfaction to him, he said--and, he was sure, to all others present--to feel that a long period of mistrust and misunderstanding had now come to an end. There had been a time--not that he, or any of the present company, had shared such sentiments--but there had been a time when the respected proprietors of Animal Farm had been regarded, he would not say with hostility, but perhaps with a certain measure of misgiving, by their human neighbours. Unfortunate incidents had

occurred, mistaken ideas had been current. It had been felt that the existence of a farm owned and operated by pigs was somehow abnormal and was liable to have an unsettling effect in the neighbourhood. Too many farmers had assumed, without due enquiry, that on such a farm a spirit of licence and indiscipline would prevail. They had been nervous about the effects upon their own animals, or even upon their human employees. But all such doubts were now dispelled. Today he and his friends had visited Animal Farm and inspected every inch of it with their own eyes, and what did they find? Not only the most up-to-date methods, but a discipline and an orderliness which should be an example to all farmers everywhere. He believed that he was right in saying that the lower animals on Animal Farm did more work and received less food than any animals in the county. Indeed, he and his fellow-visitors today had observed many features which they intended to introduce on their own farms immediately.

He would end his remarks, he said, by emphasising once again the friendly feelings that subsisted, and ought to subsist, between Animal Farm and its neighbours. Between pigs and human beings there was not, and there need not be, any clash of interests whatever. Their struggles and their difficulties were one. Was not the labour problem the same everywhere? Here it became apparent that Mr. Pilkington was about to spring some carefully prepared witticism on the company, but for a moment he was too overcome by amusement to be able to utter it. After much choking, during which his various chins turned purple, he managed to get it out: "If you have your lower animals to contend with," he said, "we have our lower classes!" This BON MOT set the table in a roar; and Mr. Pilkington once again congratulated the pigs on the low rations, the long working hours, and the general absence of pampering which he had observed on Animal Farm.

And now, he said finally, he would ask the company to rise to their feet and make certain that their glasses were full. "Gentlemen," concluded Mr. Pilkington, "gentlemen, I give you a toast: To the prosperity of Animal Farm!"

There was enthusiastic cheering and stamping of feet. Napoleon was so gratified that he left his place and came round the table to clink his mug against Mr. Pilkington's before emptying it. When the cheering had died down, Napoleon, who had remained on his feet, intimated that he too had a few words to say.

Like all of Napoleon's speeches, it was short and to the point. He too, he said, was happy that the period of misunderstanding was at an end. For a long time there had been rumours--circulated, he had reason to think, by some malignant enemy--that there was something subversive and even revolutionary in the outlook of himself and his colleagues. They had been credited with attempting to stir up rebellion among the animals on neighbouring farms. Nothing could be further from the truth! Their sole wish, now and in the past, was to live at peace and in normal business relations with their neighbours. This farm which he had the honour to control, he added, was a co-operative enterprise. The title-deeds, which were in his own possession, were owned by the pigs jointly.

He did not believe, he said, that any of the old suspicions still lingered, but certain changes had been made recently in the routine of the farm which should have the effect of promoting confidence still further. Hitherto the animals on the farm had had a rather foolish custom of addressing one another as "Comrade." This was to be suppressed. There had also been a very strange custom, whose origin was unknown, of marching every Sunday morning past a boar's skull which was nailed to a post in the garden. This, too, would be suppressed, and the skull had already been buried. His visitors might have observed, too, the green flag which flew from the masthead. If so, they would perhaps have noted that the white hoof and horn with which it had previously been marked had now been removed. It would be a plain green flag from now onwards.

He had only one criticism, he said, to make of Mr. Pilkington's excellent and neighbourly speech. Mr. Pilkington had referred throughout to "Animal Farm." He could not of course know--for he, Napoleon, was only

now for the first time announcing it--that the name "Animal Farm" had been abolished. Henceforward the farm was to be known as "The Manor Farm"--which, he believed, was its correct and original name.

"Gentlemen," concluded Napoleon, "I will give you the same toast as before, but in a different form. Fill your glasses to the brim. Gentlemen, here is my toast: To the prosperity of The Manor Farm!"

There was the same hearty cheering as before, and the mugs were emptied to the dregs. But as the animals outside gazed at the scene, it seemed to them that some strange thing was happening. What was it that had altered in the faces of the pigs? Clover's old dim eyes flitted from one face to another. Some of them had five chins, some had four, some had three. But what was it that seemed to be melting and changing? Then, the applause having come to an end, the company took up their cards and continued the game that had been interrupted, and the animals crept silently away.

But they had not gone twenty yards when they stopped short. An uproar of voices was coming from the farmhouse. They rushed back and looked through the window again. Yes, a violent quarrel was in progress. There were shoutings, bangings on the table, sharp suspicious glances, furious denials. The source of the trouble appeared to be that Napoleon and Mr. Pilkington had each played an ace of spades simultaneously.

Twelve voices were shouting in anger, and they were all alike. No question, now, what had happened to the faces of the pigs. The creatures outside looked from pig to man, and from man to pig, and from pig to man again; but already it was impossible to say which was which.

Vista Breast Cancer
Carly's next album "Into White"

In an 1984 Oil Genocide era

Were 7 million cops and kids have burned to death in fiery car wrecks.

Suppose your risk of breast cancer is 14%. If you smoke, your risk goes up by 32% (about a third higher risk). That means your risk of breast cancer from smoking is 32% higher than the 14% risk if you don't smoke. That's the relative risk increase from smoking. But how big a difference does a 32% increase really make for you? To figure out the change to your absolute risk, see what happens when you make your risk of 14% go up by a third: Multiply your risk of 14% by the relative risk increase of 32%. You get 4% ($14\% \times 32\% = 4.48\%$, or 4%). 4% is the size of the increase in risk. Add the 4% increase to the 14% risk you started out with, and you end up with 18% risk ($14\% + 4\% = 18\%$). That means your absolute risk for breast cancer is 18% if you have no history of the disease and you smoke

It happened in December 2000 that I was diagnosed with breast cancer.... Cancer, I can hardly believe it. Me, I have cancer, who would have thought. I feel fine. Went in for my regular gynecologist appointment and bang, she found a lump and told me to get a mammogram. This was my first knowledge of the lump. I hadn't felt it, nor had my husband. I was told it's best to get a mammogram at the end of one's period so it was scheduled for November 27 when they showed the lump and proclaimed it "suspicious". This was hard news but the worse was yet to come. A biopsy was scheduled next and I called my mother in New York City. I was a mess, I was scared. She flew out and was here for me for the news that I had cancer, breast cancer. I'm still in shock actually but have already gone for the lumpectomy where they took out that nasty lump. Next, who knows exactly. All this happened right before the Christmas and New Year's holiday breaks so I', kinda in limbo. I've been told I'll have to start chemotherapy soon and could also face a mastectomy. So guess what, we are going on a cruise. Forget it all for a brief moment before I lose my hair and face all the toxins.....

I'm trying to be strong and face this with my chin up and a smile on my face but I'm terrified and not looking forward to all that will follow. I've had a few good cries and even a wee small panic attack. Heck, this is hard news to take. My mother lost her breast way back in the 1970's and doesn't really know what to say. Another friend has just gone through it all and is still on the journey to recovery. She has offered to hold my hand and guide me through, drive me to chemo and another has offered to help make me laugh. They say to keep your humour...but I don't feel like I have any....

Update- end of December

I went into the hospital December 14th as planned for the procedure (operation is passe). First was the lovely injection of radioactive solution into my boob, four times mind you. Luckily they also had given me four shots of a local pain killer. The solution burned and stung....ouch. Then they used a fancy camera to record the image. I then had to wait in the waiting room for hours...nice chance to catch up on some magazines. Finally I was brought back into the imaging room for more pictures....and then into pre-op where I was suited up and iv-ed. But there was a problem...my blood pressure was sky high.... I had not known I had high blood pressure and maybe I don't but I sure did on Thursday! They medicated me and tried to bring my pressure down..also gave me some calming drugs to help my stress. After four hours it was decided not to do the surgery. Yikes huh. So off I went to a room to spend the night. They kept checking my vitals every hour and a half...so much for sleep. Now the trip was that the amount of drugs I was shot up with I should have been a mess and not remember anything, but, nope, not me, guess I was just way too stressed! Yikes. Surgery was on Thursday and went well. Doc took 26 lymph nodes and my lump. The next night was a bit hectic as well but thanks to the medications I slept pretty well considering. Friday morning I got my first look at my poor boob...it's about half the size it was but my tattoo is fine. Tee hee! It was quite a shock seeing and I burts into tears while the dressing was replaced...poor Trent, he also was crying... I'm home now and I hurt, I feel fragile and anti social.... Finally we got the pathology report and it seems I might end up with a possible re-occurrence in my skin so even after chemo I might have to have a masectomy. Not quite sure what I do next but make phone calls, talk to doctors, and figure out the plan for treatments.....sigh....

Update-Mid January

The other day I had a bone scan as part of this journey towards deciding on treatment and discovering where I am at in this cancer process. The bone scan involves injecting a radioactive isotope into my veins and then two and a half hours later running me through an imaging camera kinda like a huge x-ray machine. The stuff makes your bones and organs glow and highlights any bad spots in your system. The tech showed me the scans which looked pretty neat. I'd wished I could have had a copy to take home with me for artwork. The only glowing spots I could see were my bladder and kidneys, and bones. BUT, after a little wait in the waiting room I was ushered into another x-ray room and 8 x-rays were done on my right arm/shoulder area. A "hot spot" had been found. I had to wait until my oncologist appointment yesterday to be told the results. It's not good....I have a hole in my bone. I now could be at stage 4 cancer rather than stage 2 and this supposedly is "incurable". I am in shock and despair. It is hard to think positive with this new report. A CATscan was ordered and I was immediately told to go to the hospital for the test. After almost three bottles of that lovely white barium drink Trent showed up crying. This was not the news we needed days before our anniversary. I finished off the last bottle and was off for the test. After two scans of the machine then inject me with iodine which floods my system with warmth and I feel like I am peeing. A very weird and disconcerting feeling, but the tech reminds me it's only and feeling! By the last time the other scans are finished I am freezing and shaking. This apparently happens to some folks whose regular body temp is a wee bit lower than normal. All was done and I went home with Trent stopping off for Chinese food for dinner. By the time he came home I felt awful as that barium in my tummy was heavy and making me cramp. Dinner did not sit well and finally after lying down it took the pressure off and I felt better several hours later. It was a yucky afternoon and early evening. And to top it off the oncologist suggests that I do NOT take the herbals I have been on. This makes no sense to me and I almost want to find another doc. But I will listen to her and

ask more questions. I am scheduled for my first chemotherapy treatment on Thursday.

Update- January 28

Well, I went in for what I thought was going to be my first treatment of chemotherapy but my oncologist had met with a "Tumour Board" and showed my scans and x-rays and now they have changed their minds on what to do with/for me. Actually we still don't know. She will be showing all to another orthopedic surgeon as we might have to do a bone biopsy and most likely radiation there. Two different courses of chemo have been suggested due to the aggressive nature of what they said might be inflammatory cancer. So I await a phone call as to the next step. Could be an MRI or bone biopsy. Then depending I will start weekly sessions of Taxol and or a combo depending on what the radiologist and orthopedic want. I am still amazed that anything is wrong with me. After all I feel fine, I have no pain in my arm, heck.... The good news is that the CATscan gave me a clean bill of health and all my organs seem to be fine. Who knows..... Went for an MRI yesterday, oh that wasn't fun. Very loud banging noises and being cramped in a tube was a bit un-nerving.....

Update- February 8

Monday, I had my first chemo treatment and I'm doing fine! It was scheduled for 10:45 but the office was behind so I didn't get a needle into me until 12:30. After settling into a comfy chair with Trent by my side eventually I was given the premeditation which eases nausea and other allergic reactions to the drugs. Then after about 30-45 minutes the nurse comes in with this HUGE RED hypo. I am not exaggerating either, this thing is for an elephant! It is 107 cc, or maybe is mgs. I dunno, it's just HUGE! This now gets injected into the iv port in my hand which hurt going in let me tell you! Definitely bigger than anything that has been stuck in me before. Ok, so now I'm seeing this scary red fluid going into me. "Humming bird food" the nurse says and I laugh. I am imagining this drug as missile seeking monsters eaking out my cancer cancer cells, and I am imagining the sunlight I see behind my eyes and golden light protecting all my other cells. It's hard to not cry just a little as this is all so scary but my music helps me and Trent comes over every now and then to make sure I am ok. Then soon after the next drug is released in to the iv and enters my body. I'm told it might make me want to sneeze and cause some sinus pain but I feel no pain and only sneeze once about an half an hour later. Feels like regular allergies to me. Times passes and finally I am finished about an hour and a half treatment. In the car I feel clammy and hot and I couldn't geting a comfy position all evening..... Trent made me a small bowl of pasta and really I feel pretty good! So soon I will take a really cool pill that should help any nausea and hit the pillows. I'm happy, I did good, hubby has been nice tonight and has even told me I can't empty the kitty litter box anymore as it is a risk of infection! WOW! Cool! Thanks you Trent!!!!

ps- today I am feeling fragile and weepy. Had a bunch of nightmares this week and last nights one was so real and scary. I feel like someone kicked me....some days I am hopeful and ok, and today I am sad and scared. My hubby Trent broke down crying last night which was nice to see his caring but sad too. He hurts inside and can't believe I am sick.....

Feb.19 - Update

Yes, the tests showed that the tumor in my arm is cancer. A low grade chondrosarcoma. This is a very, very, slow growing cancer luckily. So I am facing surgery in the Fall on my right arm. The GOOD news I am probably NOT going to have to have an amputation. At this point I'm not really sure what they will be doing on me but I will be going to New York City's Sloan Kettering which apparently has the latest and greatest in bone cancer treatments. My oncologist said something about them going in and basically scrapping the cancer out and then rebuilding my bone with some sort of fake bone stuff. Yikes huh. I am lucky that my mother lives in NYC so she can be with me and help me through the next stages. I am so depressed today....apparently this is very rare and I am now being labeled as a "Special Case". Well, hell, I always had to be different didn't I?!!!! I can't help but wonder what lessons the universe is trying to tell me here..... I'm trying my best to keep a positive attitude but shit, this is hard...I'd hoped so much that the thing in my arm was benign but no such luck.... Well, it's off to bed for me right now to take a nap, try and dream of better things, let my mind wander for awhile instead of sitting here feeling sorry for myself....whaaaaaaa. Well, the nap did not work so it was back to cleaning the house, doing dishes and then more email. Today, Tuesday 2/20, my hair is starting to fall out....just made an appointment for my hairdresser to shave my head bald!

Update-Feb.23rd

Well after close to a week of dealing with my hair falling out and me starting to look like a mangy dog I went to my hairdresser and got clipped. It was an odd feeling seeing my hair fall to the ground and the buzz cutters tickled but I wasn't as freaked out as I thought. It was actually kinda nice to be relieved of the distressing feelings of seeing my hair shedding and globs of it in my brush. This was a gift from my hairdresser, and with hugs and smiles I was off to pick up my wig. I HATE the wig. Sure it looks ok and is close to my style of teen age days but it itches and just plain old feels weird. As soon as I was finished with my errands I pulled it off and went bald the rest of the day. Burrrrr, it's a bit chilly with no hair. I've got to find some hats now as I'm still not quite ready to be bald in public.....

Update-Feb. 27

I guess I'm on phase two of this cancer journey. Going bald and then getting shaved was quite the shock but I really wasn't as weirded out as I thought I would be. It's still really hard to look in the mirror. My buzz cut nubbees are also falling out and making my head itch. Hubby Trent resorted to rolling the sticky lint remover over my head and I am getting shinier by the day. Better for the little knit caps I got, less itchy. So yesterday I had my second chemo and they started my up with the Cytoxin first followed by the Adriamycin (how do I spell that?) in two smaller hypos but it still looks scary. I just have to keep thinking hummingbird food and cancer seeking missiles which will pop those cancer cells and dissolve them out of my body. Hubby went with me and actually took a few pictures so I'll be posting those soon. I was tired and really sleepy the rest of the day, dinner was cooked up by Trent as comfort food, macaroni with brocolli. Chemos messes up ones digestive systems so one is constanly burping. Then dutifully took my medications and went to bed after watching all my favorite mind escaping sci-fi shows. Today I feel pretty good and am opting NOT to take the nausea preventing drugs. It's scary when you start doing the research on what all the side effects and precautions and warnings these drugs have. So while the chemo is especially scary and the medications I just have to be calm and assume the best, that they will help me and I will be cured!!!! Course one is NOT really cured, just put into "remission"...sigh....

March 30th

So far, so good. I am so grateful that I am not experiencing nausea with these rounds of chemo. I have one more session with this set of drugs and then four more with one called Taxol. I am nervous about that drug as I have heard some scary side effects can occur like nerve damage in the finger tips... This last treatment of chemo has left me again with mouth sores and it's hard to taste foods and my tongue feels yucky, kinda like it is hairy and my throat hurts so I'm on antibiotics. So far I still have my eyebrows and lashes, for this I am ever so grateful! It's hard enough being bald top and bottom. And yet, I'm sure it will feel good once the heat of summer starts bearing down on us. My latest concerns are with the bone cancer. So far I have just been cruising along not thinking about it. But the other day I started to worry. How long will the surgery take, will it go anything, will I have to be in the hospital for days or weeks, will I be in an arm cast, or a body cast, will I have to be immobile, will I have use of my ar, my hand????? I started to get scared, after all I am right handed. All this unknown is driving me crazy. And I will not know anything until I go see the specialist in New York and that will not be until June or so. I should not worry about it as I can't do anything but it still looms in my mind. Well after getting over that I spoke with my mother in NYC and she told me her painter friend, Jane Freilicher loved my idea about decorating my head. So I got to fantasizing about making all the art I receive with my decorated head into a book. Maybe I really could get it published and have some of the proceeds go to breast cancer research. So now my mind is off and running, an art book on mailer and cancer. So many folks have told me I should write a book about my cancer journey, so here is the plan. Get my postcard made up and sent out to all my mail art buddies, send a bunch to my mother to give to her artist friends, and then maybe have an exhibition at a cancer care center or someplace here in Santa Fe and then start putting together a book. What's fun too is my friend in Dallas, Aardvark has sent out his own versions of my bald head to his contacts so I'm getting those in the mail too. They will add visual interest to the book idea as well. I'm I'm rolling and rocking with ideas! But what is hard is I have all this cancer treatments to go through...I have fears too, will I make it through, will I be ok, will I live to beyond 80 like I've dreamed? It's scary enough having one cancer but I have TWO! Dang it all, I still have so much I want to do in my life I can't let this get me down! Oh, I almost forgot, a very exciting thing happened. I got an email from a mail artist who is a professor at a university in Canada, she had seen my breast cancer awareness stamp and asked me to be in an art show she was curating! So not only is my art on display it also sold as well as two sheets of my artistamps!

Updated April 10th

Being stricken with this damn cancer is not a fun thing and somedays life just gets put on hold while I try and heal and rest. Had my forth chemo on Monday April 9th and now that puts me at the halfway mark! I am done with the dreaded Adriamycin (still don't know how to spell that) and my chemical cocktail now turn to Taxol. I'm hoping I am like "most people" and have an easy time of it. Have heard some scary stories about side effects but I have hope. I am lucky that I have had a pretty easy time of it so far. All in all chemo isn't so terribly bad for me, I've had a handful of side effects the worst of it has been the tongue sores, can't taste food very well about 3-4 days after treatment and it lasts about a week. But I've got a new mouth wash I am hoping helps. OK, so enough about that. I made an appointment with the bone specialist in New York City and will make about a week trip to be wined and dinner by mom and her cousin Terry and consulted, and consulted. My surgeon still recommends we do a mastectomy and that probably means a double one. I'm not too weird out, I'd rather be safe than sorry and she promises she can save the tattoos! It might be a little weird being flat chested the rest of my life but I'm not really thinking of reconstruction. So I'm be quite the pretty picture eh? Bald, fat, flat chested and tattooed. On a positive note I am getting excited about my dream of a book about my cancer journey with the bald is beautiful art work coming in for my mail art call. It could be a really wild book, fun to look at as well and a personal journey of the cancer battle. So if anyone out there has publishing experience and can lend a hand or some guidance in anyway

I'm open. I'm way behind on my web site but will try and get a few of the new digital contributions to Bald is Beautiful up soon. And I still owe documentation for Message in a Bottle. Shame on me! But please forgive me, life has become precious, time even more so. I'd rather play, do mail art, love my animals and husband and escape with the television.....

Updated April 17th

Been moody lately, it's hard on the body, mind and soul having a "life threatening disease". I get these letters or emails from folks that say stuff like "heard you have been very ill" and it just boggles my mind. I am NOT ill, I am Not sick, I AM diseased. Now how does that make you feel reading that? Diseased...sounds awful. So my buttons get pushed when day after day I am asked by the many folks I come in contact with "how are you?". Basically it just makes me want to scream and yell "I'M NOT FINE, I'VE GOT TWO GOD DAMN CANCERS THANK YOU VERY MUCH!". But I politely answer I'm fine and you? They don't really want to know, it's just the way our culture is trained, everyone asks the same question, the grocery clerk, the paperboy, the waitress, the delivery truck man, etc. I can't blame them, it just pushes all my buttons. And so these feelings build up in me and I get moody. I'm fine, I really am, I just have this deadly disease which I have to beat. And not only one but two kinds...it's so weird. Wonder what I came in contact with oh so many years ago that got into my system and decided to wreck havoc with my cells. I wonder what lessons I am supposed to learn from this? Is it that they really are strangers out there who care like the wonderful ladies who send me care baskets and hand knitted hats, and the women who read my online journals who say I have inspired them to go get a mammogram, or the children in Belgium who draw me pictures of myself with tears falling down my cheeks wishing me good luck. So while parts of me feel shielded with an armor of strength, keep your chin up, other parts of me are weeping at the kindness being showered on me. So some lesson is in receiving. And today I sit and be moody and that's ok. I am grateful that I have the time alone to sit and answer emails, to write letters, to play and make some art to mail. Thank you for listening!

Updated- Somewhere around April 30th

Had my 5th chemo on Monday, a new cocktail of drugs, the main one being Taxol which takes 3 hours to infuse. Plus an hour of premedications. I gave in and bought a portable DVD player so I could watch movies. I watched a cool film about an old director, James Whale of Frankenstein fame. It was called Gods and Monsters. The whole process yesterday took 5 hours...a long day. Hubby has been in a foul mood as he recently lost his dear old friend and mentor. But instead of dealing he is fussing at me and picking on me and making life a wee bit unbearable. I am looking forward to my trip alone to New York City soon. Poor fellow, I know a lot of it has to do with the fact that he is a man and can't fix me or my cancers....The Taxol treatment went really well and I did not have any allergic reactions. I am crossing my fingers and hoping that none of the other side effects I have heard of don't show up. I am assuming since I did so well with the other chemo this will be a piece of cake. I have heard that folks do much better on Taxol so wish me luck! Looks like I will still be bald for months and the weight gain persists. I have even more steroids with this drug...sigh... Oh well, at least I am here and dealing and am alive!!! I am continuing to get wonderful versions of my bald head decorated via the postcards I have sent out. It's a blast seeing what people come up with. Don't forget to check out the site <http://www.dragonflydream.com/BaldisBeautiful.html> and download your own picture of me to play with.

Updated- May 24th

Just back from a fun trip to my home town, the big city of New York. Had to go to get a second opinion on my breast cancer and get an initial consultation on my bone cancer. Had some fun with mom, she wined and dined me royally and I got to take her out for a belated mother's day dinner. I had a quick visit from my old gal friend Jennifer which was great but all too brief. And then later that day a visit from my best gal friend from high school. We had not seen each other in 18 years!!!! We had the whole day together plus going to see the Broadway performance of The Rock Horror Show. Oh that was so much fun, a real blast from the past. As in the movie version of the show we got an audience participation bag filled with a newspaper, a small flash light, confetti, a playing card, and a red feather boa. These are meant to be tossed into the crowd and we could sing along with the songs and dance the time warp again. At the end of the show one of the dancers kissed my bald head! We had front row seats and it really felt as if we were part of the show. Upon leaving the theater though we couldn't get a taxi cab, we waited and waited, and it started to rain. It was cold in NYC and I did not have the right clothes let alone a warm coat. I am much colder with my bald head. WE had to end up taking the subway and our cross town stop was deserted. Times like that I felt to venerable and sad that I am sick. Of course I don't feel sick but as all my feelings and fears are right up to the surface I even broke into a little tears. Through out all this cancer journey I have been so strong and seeing my dear old friend and all that lies ahead of me, I just broke down a wee bit. I have not allowed myself to break down since December so it was good. Alone in the subway was not quite the place to do it though.....

During this visit I saw a well known doctor for his opinion of my BC and he saw no reason to do a mastectomy let alone two. He says he doesn't see this cancer as the bad one, inflammatory. I still have to see what my surgeon here thinks after the NYC doc and she spoke. I'm hoping they both agree. Then I had a

consult at Sloan Kettering about what to do about my bone cancer. This part is pretty worrisome as even after doing an open biopsy while I am out (this will be in August/September), we will not know the final analysis until a week or so later. So, the proposed is a scrapping out of the tumor which could go from stage 1 to stage 2,3,4 depending on the pathology reports.

Want more info, see <http://cancernet.nci.nih.gov/dictionary/dictionaryfull.html#chondrosarcoma>.

Or, heck, it could even be benign. The doc is fairly certain it will be the stage one version and the next procedure would be a freezing on the bone to kill off any cells that might be left after the scrapping out. Then they fill it with a cement like stuff and add a few metal pins. Sew me up and I'm in the hospital for about 5 days. Then depending on the final results I'm either good to go, or the have to do another procedure which would involved taking out what the just did, cutting my bone out and then replacing the bone with a bone from my leg. All of this just has me nuts with the fears of the unknown..Then on Friday mom took me to see Rent, another fabulous Broadway production. I loved it, poor mom hated it. It was a loud rock musical filled with hard life, drug addiction, AIDS, homelessness, artistic struggles in hard times. It reminds us to live for today, "no other day like today". Then on Saturday I finally wrote my will thanks to my financial advisor and lawyer who came to visit. Nothing like having a life threatening disease to get some of the serious things in life handled. Next came the tattoo convention at which I was photographed by Skin and Ink magazine. I guess I do look a wee bit different being bald and tattooed. Most folks here are trying to out do one another with being as wild as the can. So here I am upset about having two cancers, 15 pounds heavier thanks to the chemo/steroids, and having no eyelashes or eye brows and BALD, I get asked to pose. It really lifted my spirits! I visited with my tattoo artist James Kern and his twin and felt like a tattoo groupie. James is really good and it's nice to watch him work. He is actually gentle compared to some folks in the biz. Later a last dinner out with mom and back to NM at the crack of dawn. My friend Paula picked me up and we did lunch and the mall thing. But the real treat came when I went to the Aveda Salon looking for an eye brown pencil. The young lady there showed me how to do up my non existent brows with shadow. She also keyed into my baldness and cancer and gave me the products free and then gifted me with a full complimentary facial. Apparently Aveda is big on giving to women with cancer. After my incredible treatment she did up my brows again and asked if she could ask me a personal question. "What have I learned through this journey of cancer?" Or something like that. It brought tears to my eyes and then I answered to accept the gifts people are giving me without guilt. It has always been hard to accept gifts and with this cancer stuff I have been blessed by many a friend and even folks I don't even know, with gifts of hats, letters, food, email, etc. It has truly been a heart opening experience.

Updated June 25th

Chemo last Wenesday wasn't so bad....I just hate getting the needle stuck in my arm and I am still bruised. The infusion takes about three hours but since I handle it so well it was speeded up to 2 1/2. I tried to watch a moive called Painted Skin but it was in Japanese with sub titles that were hard to read. Plus it wasn't about tattoos which I had thought.... Taxol smells horrible and as soon as it is in my viens I can smell it for awhile, very weird... Taxol has some side effects which I am getting a few , joint and bone pain about two days after the infusion and this lasts about 2-3 days. I feel like and old lady. Due to all these months of chemo I am also thrown into pre-menapause. Hot flashes suck! Thank goodness for drugs as the one they put me on really helps. I was getting them about every 20 minutes. Now maybe one every two hours or so. What makes me nuts though is the no eyelashes and eyebrows. I tried to draw on some eyebrows the other day and it just looked silly. And this damn weight gain drags me down. I was pretty much ok with my weight as it was, I'd even lost some weight last year and was happy to be down a few sizes in my pants. And now I'm back up there. Apparently breast cancer patients gain, almost all other cancers lose. Lucky me. Oh well, I'm alive and kicking. The bald postcards are coming in and going out daily. I'm giving some away and all who see them are giggling with the possibilities of what to do to my bald head. My mother has even gotten into the spirit and promises to send me one. She is in France now and giving the bald heads to her artist friends there too. I imagine the future book will be a success! Sadly I keep hearing about more and more folks coming down with one cancer or another...it makes my heart sigh...when will there be a cure? Untill then, remember live each day to it's fullest, there is no day but today!

Updated August 6th

I have finally ended my chemotherapy treatments. I really did well on it, I was only a wee bit nauseous once, lost all my hair on my head, eyebrows and eyelashes dissapeared and down below on my privates. Oddly enough I still have peach fuzz on my arms. I gained over 20 pounds thanks to the steroids but all the doctors were fine with this. They kept telling me it was better for me to gain than lose. So now I'm getting my hair back, I have all of about 1/8th of an inch and it look like a serious five o'clock shadow. I've started radiation treatments which will go for 6 and 1/2 weeks. I opted for the little tattoos they use to line up me with hte machine exactly each time. They did 6 tiny little freckle like tattoos that hardly hurt at all. Some of the

ladies on my Breast Cancer bulletin board said they killed but heck, I'm jaded being as tattooed as I am. But I don't really like the extra black tattoo I now have right up on collar bone. Radiation seems a breeze after chemo and I plan on feeling fine the whole time. I definitely have more energy now that I'm off the chemo and life feels good. I did have a bad day today I just felt so moody and angry that I ended up with CANCER. It's still hard to say even, I have cancer.....my financial advisor even was talking to me like I was going to die soon. That felt really bad and I reminded him that I plan on living until way past 80!

Updated August 17th

I started radiation treatments on 8/2, I'll be having the standard dose of 33 treatments, once a day except weekends through Sep.18th. I'm doing pretty well as far as I can tell. I have some soreness/tenderness in my breast and my arm is still swollen from all those lymph nodes being removed. I'm crossing my fingers it is not lymphedema.... I had a special massage treatment for lymph drainage and am trying to do the same sweeping motions to hopefully re-direct the flow of drainage. I plan on using a permanent marker and writing on my arm "No needles, No blood pressure on this arm" when I go for the surgery in NYC. I also hope the surgeon can cut away from my dragonfly tattoo, so I'll also have written on that arm "Cut on the dotted line" and hope for the best! Being in this fight with cancer has definitely changed my perspective on life. I feel each day is a gift and should be lived to it's fullest. I also finally know what I want to do when I grow up! I am in the process of forming a foundation to make up and give out comforting, pampering gift baskets to the newly diagnosed with breast cancer. I already have been given office space, and have three companies willing to donate product. I believe I will be up and running by the end of the year. I am so excited and everything seems to be coming together. Stay tuned for the progress of Dragonfly's Delight's.

Being that I do mail art and art is my life I've issued a mail art call to decorate my head add hair, horns, wings, etc.

In the meantime, you ladies out there who have not ever had a mammogram, go get one! Do your monthly breast exams and please be aware that one in 8 women will develop breast cancer. Let's find a cure soon people, this sucks.....

January 2002

I'm quite stressed these days, finally after just over a year of healing from cancer I have touched my anger around . I had to stay strong, act ok, struggle along with disease and now that I consider myself cured I have go inside to sob deeply, it sucked having cancer!!!! I am forever changed, I am not ok.....and yet I am. I am different though. High blood pressure, menopause brought on by chemo, hot flashes, cough, 30 or more pounds heavier thanks to the steroids in the chemo and on many medications...I feel like a drug addict..... Side effects have lessened due to going off Tamoxifen and onto Arimidex thankfully. But now I face the next stage of healing, feeling the anger, the why me? God damn it I didn't need this, deserve this, create this, fuck!! Ok, enough of that or I'll start sobbing again...too late...I'm in tears..... Ok, so I've cried, blown my nose, come back to calm...sort of. Hearing the words "you know it's probably cancer" and going into shock, denial, action, surgery, chemo radiation, then bone cancer, more surgery and physical therapy, on and one...it's been compared to the mythic journey of the hero's tale. You know, initiations, the journey, the battles, triumph.... Trent's and I just had our 10 year anniversary. He has been mean lately, he can't deal. He sits and plays a hand held video game for hours and in the meantime there is so much that can be done around the house if he put himself into it. But sadly after 10 years I know he never will so I will hire someone. I asked him what he wanted for an anniversary present, he answered a healthy wife. Sorry, that I am not. Did he ask me what I wanted? No. So I asked him for something he has promised me three times to complete. Wonder if it will happen? Nope but he did get me a sweet little gold charm, a postcard saying I love you. We, or opps, I mean me, I took out a loan to build myself a studio attached to the house. Trent made up some simple plans over a year ago and lost them. I spent the afternoon doing print making. I believe I produced some powerful work as I have touched my anger, my sadness, my fears of living with and beyond cancer. Wish me luck, light a candle for me.

Brushes with fame a 4:00 am ramble March 10th

I was just at a cool conference in Philly about The Young Survival Coalition which is dedicated to young women who have suffered through breast cancer. Check out this web page. <http://www.youngsurvival.org/> I'd like to open a branch of this organization here in Santa Fe soon. As if I had nothing else to do besides have an art show 3/22, run my non profit, do a koi show 9/22, do my taxes, clean up the house, fuss at the Jag dealer, get the broken things fixed around my house, design an addition for my studio, etc, etc , etc.

Been really jazzed about my foundation, in fact that why I can't sleep tonight, I am just wired. Good things are happening in my life and I wouldn't be surprised if Oprah called me up for a spotlight feature on her show. Seriously! I am losing weight, dyed my hair red, am cleaning out old stuff and learning how to ask people for money point blank. And guess what, it's all very exciting and challenging. The wish list for the

foundation is HUGE, and I must remember that as I try and tackle it all by myself. One of the items on my wish list is a helper. I need a personal assistant. Ever watch that old tv show Fantasy Island? I need Tatu. Giggles, I think I am obsessed with this new dream as almost everything jazzes me and is added to my wish list. For example, we will need a delivery vehicle for delivering the gift baskets to the hospital and other distribution points and so I'm wishing for a PT Cruiser that we can get the Espanola kids to trick out as a low rider and the paint it up with dragonflies as a school art project to benefit the Foundation.

And so as with my life these days I am always talking to folks about what I want and what we need and the ball just keeps on rolling and picking up speed. I never thought of myself as a fundraiser, let alone a writer or a public speaker but I'm here now. Remember the old days when I was quiet, shy and always bored? Well those days are gone forever, I'm going to famous. I can't help hearing the words to an old song that goes something like this....gonna get my picture on the cover of Rolling Stone. Heck, see that, another good analogy, rolling stones, that make a good name for a rock band huh? Oh you say there already is one well heck I knew that. Oh and that reminds me about my case of identify theft. I trademarked my business name Dragonfly Dream, years ago and yet folks keep on stealing it. I am in battle with several folks on this issue right now. What's the big problem you say? Can't there be room enough in the world for two Dragonfly Dream's? NOT!!!! Imagine how Cola Cola would feel if I went out there and started up a soda company called Coca Cola's? They would be all over my ass in a heartbeat. Oh and speaking of heartbeats that reminds me of another song. "the itsy bitsy spider went up the water spout, down came the rain and washed the spider out....." One of my best moments in life was way back when I owned and ran my shop called Spirit's Rising in Oak Bluffs, Mass. One day while folks were shopping before dinner a little girl became very unhappy for what ever reason it was that ailed her and she broke into a crying fit, a wee bit of a temper tantrum and her mother was having no luck at all quieting her. And then suddenly from the corner of my eye I spotted a tall and lovely woman turn around and come over to the little child. She asked the mother if she could help and the next thing I knew was she was singing the itsy bitsy spider song and I think she even picked up the little girl in her arms and comforted her with her voice. She was like a nightengail in the mist, a beacon of hope on the harbor, my mother singing to me, my mother who sang to me in her womb, my mother who abandoned me because I was a love child. And I cried with the same passion of abandonment and anger that the woman with the lovely voice was singing to this child. Now over 15 years have passed and I always smile when I hear that song. I feel as if a Guardian Angel of sorts touched me on the shoulder that day, and that angel was Carly Simon. Carly if you are out there reading this someday please know that you truly touched my heart. And as we all know how small the world is I had the opportunity to be in your house one day as my friend Barney Zietz was showing me some stained glass he did for you. I felt so comfortable in your home as we had the very same tastes back then, it was kinda haunting. Perhaps we were sisters in another lifetime..... I never thought I would be a writer or a singer or the head of my own powerful business and founder of a foundation either. Oh my that sounds bad, but here I am a mover and a shaker like I never thought I would be. I think I'll add Carly Simon and The Manhattan Transfer to my wish list. Wouldn't it be great if I could entice them to join my team and do a free concert as a donation to the foundation. Yeah right I can hear you say, but shoot, stranger things have happened. Did I ever tell you that Annajean Brown coached one of the guys in Manhattan Transfer? Yep, she was one of his voice teachers. And now here I am wanting to learn how to sing. Here I am remembering old times and old friends. I miss Annajean, she is locked in her past too now I think. I miss Jan Cable too, and speaking of two, these two lovely ladies were also my heroes. I called them my second moms. Did I ever tell you of my love for vintage aircraft particularly the planes of World War 2. Well I bet you didn't know that a beautiful woman taught me how to fly and airplane. She was one of my heroes in life too. Caroline Cullen passed away many years ago but she lives deep in my heart. I recently saw her name in a museum honoring the women pilots of WW2. So why am I talking about airplanes? I guess I want one! Now wouldn't that be a nice dream come true, my own corporate jet. Might as well add in a pilot too! Bingo. On now there goes my mind again wandering and singing old show tunes again. And speaking of show tunes another hero that comes to mind is Terry Crane. You know it was just the other day we spoke and cried and I told him how I loved him so. I got off the phone and declared him as a father figure. Heck mine died when I was so young Terry really is like a dad to me now. And speaking of fathers I'd sure like to find out who my biological father is someday. I'd really like to know where I came from as I don't really know where I am heading these days, but it certainly looks like I'm headed in the right direction don't you think? I feel as if whatever path I am on is the right one and no matter where the road leads me I will face each fork in the road as an opportunity rather than a problem. Geeze ending up with breast cancer certainly has turned my life around don't you think?

There are so, so many links out there that I am only going to include a few here. As soon as you go to one or two you see tons of links and info.

My Getting gravity control will still be amazing in 3006

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

CBS Nightly News Nigers are mass murders! Katie Couric killed her husband

via cancer as in 1980 the Electric Windmill Car was invented....

1980's would of observed a cure for cancer, that killed Katies Husband. If Katie Couric would of exposed the suppression of the Electric Windmill Car.

Because they did not report the invention of the Electric Windmill Car, this caused 7 million cops and kids to burn and burn to death in gasoline since 1980 when the electric windmill car was invented.

Because they did not report the invention of the Electric Windmill Car, this caused 7 million cops and kids to burn and burn to death in gasoline since 1980 when the electric windmill car was invented.

Tenneco ship building of new Air Craft Carriers in the Reagan and Bush Era kept the electric windmill car suppressed causing 7 million cops and kids to burn and burn to death in gasoline, Reagan and his wife on CBS Bush and his wife on CBS while behind the cameras real Americans burned and burned to death in gasoline for more oil money and CBS did not report this news... CBS will be bankrupt, Katie Couric and the other nigers will be reporting from a prison built for CBS nightly news reporters like the Japanese internment camps of WW II and those holding Iraqi terrorists... if CBS Nightly News nigers would of reported the suppression of the electric windmill car 9-11 would never have happened with oil at 10 cents a gallon at all the Shell gas station in the USA... Iraq would not have had any money. Baghdad would be regarded as it has been for the last 3 thousand years. Today CBS Nightly News Nigers are now responsible for the 3k troops killed and 20k with blown off arms and legs, lost eyes and burned bodies like the 7 million cops and kids burned and burned to death in fiery car wrecks since 1980 and to add insult in those like Officer Jason CBS Nightly News Nigers are following orders from Bush not to report these burned in gasoline statistics and put on video all the fiery car wrecks.

If You burn in a fiery car wreck don't bitch about the government or oil men not paying for your medical bills.

The Boulder Medical Center will sue you and kill you to get the money from your burns in gasoline.

And all the MD's know the electric windmill car is being suppressed, they go along with this for a new Hospital and get out of jail free for medical mistakes that kill a few people a year... sick orwellian society. Even sicker is the face Black MD's have killed a million patients since 1980 by mistakes white MD's would never make. 1 trillion FBI files track all these mistakes but you will never get a malpractice suite as the government and Congress will not let you sue these Niger MD's for a million deaths and injuries.

Over kill is the FBI's way of life with a trillion files on the inventor of the electric windmill car.

Yet the FBI killed this inventors new Toshiba and dentures by importing illegal Mexicans into the IBM plant in Boulder Colorado in 2006 2007

Foggy bottoms in an Orwellian society is the FBI that Targets me for a \$8 a hour job at Target for my Christmas 2006 present.

FBI that profits from street cops burning and burning to death in fiery car wrecks for more oil money.

FBI gets more to let street cops burn in gasoline.

7 million cops and kids burned in gasoline is reaching the over kill mark... watch out...

as Mexicans at IBM in Boulder Colorado will be arrested and deported then at 60 years old the poverty stricken inventor of the electric windmill car will be given a \$10 a hour job at IBM putting in tapes... ha

7 Jan 2007 Now I want a new invention given to the public

a GPS tracker... (not a map) to make up for the 1 million wives killed by the husbands while 7 million cops and kids burned in gasoline since 1980.

GPS that lets everyone log on to... track me option on their cell phone... help out Nancy Graces murdered and missing wives and kids.

No GPS to track your wife, kids the FBI has been infected with over kill.

New York Times today when I read between the lines about people hanging from lamppost in Baghdad

5 Jan 2007 the New York Times can see into the future of ...

FBI in NYC hanging from lamppost in Times Square when the NYPD find out the FBI got bribes to let 7 million street cops burn in fiery car wrecks....

NYC cops will taunt them only like a New York City cop can when he get the criminal and can kill him himself..

FBI in NYC will be hung from lamppost in Times Square by the NYPD for letting the street cops burn and burn to death in gasoline for more oil money.

FBI in NYC will be hung from lamppost in Times Square by the NYPD for letting the street cops burn and burn to death in gasoline for more oil money.

"We March with dinosaurs" in 2006

Katie Couric is a Widow

Her husband died from colon cancer

Probably from red meat

Today Show with Katie

*Has Medical Stories to say the least
But
Katie would never have thought
To start a Cable TV channel
For Women's Medical School Channel
Better than most Cable Channels
To say the least
Katie on orders from the Pentagon
Missed the cure for cancer
Cancer cure I could have found
If she would of Exposed the
Suppression of the Electric Windmill Car
I invented in 1980
Katie went along with Greg Buell
Being stifled, prohibited from working
On a cure for cancer
After I invented the Electric Windmill Car
Today
No Cancer cure work for Greg Buell
I will be Flagging with a Stop sign
At Safeway in Boulder Colorado
Local Observers from behind the cameras
Will be watching --- In our Orwellian society
I will watch the first 30 mins of the Today Show
I will write in my diary
No cancer cure work today
Have to get Gen. Orwell to ok
Cancer Cure work for me Today

Enthusiasm for

Inventing is influenced by News

George Orwell is at the news desk

1,001 things you can invent

CNN can't invent a better cable channel

Vaccinations to cure cancer?

By Orwellian Journalists

Orwellian Journalists

Cable Channel for Medical School

This causes more harm than good

This causes more harm than good

Bush's MD will say

As he will lose money

MD's will lose money

With a new Med School

Cable TV Channel

Bush's MD has made millions

Off the suppression of the

Electric Windmill Car

This is not reported by NBC

Who is sick as hell now - NBC!

Who is Libel for exhaust?

That killed Superman's Widow - NBC!

Who is libel for...

Fiery car crashes - NBC!

Picture people in a car on fire

From a gas tank fire

Texas Oil Kings

Putting people to death people stealing gas

While the same people from Texas

Burn cops and kids in fiery car wrecks

*Those who sell gas
To fiery crash victims
500 oil wells were set on fire
With the Electric Windmill
Car in the Pentagons garage
West Point should be bankrupted
For creating Generals
Who are afraid of our modern Caesar
Compassion for Humanity died via oil money
City Hall Boulder Colorado is proof
Of this bribery
Amtrak train hit a Gasoline Tanker truck
Woman waiting for the train to pass
Incinerated holding the steering wheel
Picture of this is for the Memorial
To the Oil Kings Victims
George Orwell's Animal Farm book
Rewritten with the Electric Windmill Car

"We March to Alpha Centauri"*

"We March into the Universe"

CIA disinformation,

On NBC's Today Show

Generals and Popes could have been Saints

Instead of bullies working for Oil Kings

Oil is poison and the worst carcinogenic

Oil money will be ranked as

#1 corruption of all time

Pope John Paul II

Took oil money from the USA

To let people in car wrecks

Burn in gasoline fires

Pope John Paul II Today

Is burning in Hell

And the New Pope still takes oil money

Bribes to the Vatican Bank

West Point Generals protect Texas Oil kings

Thus letting more burn to death

In fiery car crashes

Compound this with most of the Oil money

Going for wars

9-11 Attack would never have happened

If Oil was \$5 a barrel since 1980

Bush is addicted to oil money

Oil Plague

That can burn you to death

And get NYC attacked on 9-11

Influenced by modern culture

*A cancer cure
Would bankrupt more MD's
Than Oil Kings
MD's Today could suppress
A cure for Cancer
With Bush's help
Another bribe for going alone
With the suppression of the
Electric Windmill Car
So do you think the Bush Administration?
Would bankrupt this many doctors - Hell No
Most MDs have taken Oil money
To go along with Texas Oil Men
Payback everyone knows
Will be the cancer cure suppression
Our Times did not invent themselves
George Orwell at the news desk
Influencing the masses
Vaccinations that cure cancer
Are suppressed along with the inventor
Of the Electric Windmill Car
Society sick as Hell
Society sick as Hell
Gravity did not create itself
Is never reported in the News
Today Show and Gravity - No!
Gravity did not create itself
Sing "We March to Gravities dissection"*

*Today Show mistreated kids
Singing about Dinosaurs
Gravity is never reported in the News
Black MD's misdiagnosis is not on
The Today Show
Yet 10's of thousands of Katie's
Cancer patients are misdiagnoses
And mistreated by Black MD's
Katie is responsible for not
Reporting this news on the Today Show
News's helps keep medical records private
Search everyone's medical records
And you will find the dumb Niger MD's
DNA of the Doctors paperwork
Caught then killing patients
By being stupid!
Star Trek society and Journalists
Misdiagnosis statistics
Can bankrupt the Black MD's today
Before more die
From misdiagnoses
George Orwell at the news desk
Will not report this Black News
He will let 10,000 patients die first
Before the correct diagnosis
Is put in the Headlines
This in the rewrite of
Animal Farm - we are living Today
Hillary's Fags influenced
Boston Priest to molest kids
Their influence is against the*

Laws of God

Their reasoning is like Texas Oil Money

Wanting more money - sex! Greed!

"Cruel Intentions" in a Orwellian Society

End of the movie the Diary is published

Exposing the Observers

Hiding behind the hidden cameras

Traumatizing the students and Priests

Today Show will not report

Most things beneficial to society

Considering fiery car wrecks

Kill 10's of thousands in 2006

Free University from the 70's

Never materialized

Billion people never learned

Exotic mesons combine with quarks

In unusual ways

If they would have learned this

They would have questions

About how gravity is created

Since they do not know enough to ask

Injurious news articles

Easily influence them

1980 suppression of the

Electric Windmill Car

Was the greatest loss to

Humanity for Oil money - greed!

Adding insult to injury to Humanity

Was setting 500 Oil wells on fire

To warm the Earth
Adding insult to injury to Humanity
9-11 Attack would never have happened
If Oil was \$5 a barrel since 1980
Oil Kings could have given Humanity
Free Universities, Health Care.
Dentures, and the Universe
Oil tyrants!
Oil tyrants!
Oil tyrants!
Oil tyrants!
Have their own lifestyle
They even influenced Bill Gates
To be a Predatory on the masses
Killing HS inventors with the high
Cost of Software \$\$\$\$
In Russia more people die
Than are born every day - today
Because of Alcohol and Tobacco
Yet the Russian President
Is afraid to order Prohibition
One reason is the
Russian Oil reserves
Oil money has influenced the
Russian President
To go along with harming the masses
Instead of finding a cure
Reinventing the Prohibition Era
To work in Russia

Overcome drunk reasoning in

Russia today

Invent something for Alcoholics

\$1 million for every drunk death

Paid for by Taxes on Breweries

Or Invent a diet pill for drinkers

The fiery tanker... burning in the flames in the black smoke you can see the small flames from the SUV. This will be cloned every day in 2006 sometimes twice a day for 365 days. Boss poem and poetry reading is based on those burning in the small flames of their SUV in this picture... while those in Colorado get \$1 billion in bribes to go along with the suppression of the Electric Windmill Car.

Bradford B. McKane MD
The physicians at the Boulder Medical Center
Assume no responsibility for the electric car
Its suppression since 1980
Its invention in Boulder Colorado in 1980
Millions in "Oil Genocide" bribes
Given to Boulder Community Hospital
To let 6 million cops and kids burn in gasoline
History changed...
Iraq would never have invaded Kuwait
If the physicians would have
assumed responsibility
The physicians at the Boulder Medical Center
Assume no responsibility for the electric car
AMA headquarters
Will answer for these physicians' mistakes
Criminal charges after Bush is Beheaded**

Bush can no longer protect MD criminals
MD's let 6 million burn in gasoline
For more oil money
AMA headquarters should be shut down
By the World Court
These physicians no longer wish
to assume responsibility
For Humanity
These physicians want money and rank
From the Pentagon and the businesses of War
Generals from the Vietnam Era who were not
Killed by their own troops in Vietnam
Now kill their current troops
In fiery car wrecks for more oil money
In the Oil Genocide Era
Suppose to be the Electric Windmill Car Era
As the Pentagon
is in bed with the Texas Oil Men
And the "Oil Genocide Era"
Orwell's foggy bottoms visibility is zero
They no longer wishing to
assume responsibility
Read my poem Veterans Day will become
Oil Genocide Day
Generals from the Vietnam Era

Hillary and Clinton

Could have prevented the 9-11 attack...

Texas oilmen could have prevented 9-11

As they are the one's who suppressed...

The electric windmill car since 1980

Hillary and the mayor of NYC

Knew about the electric windmills cars suppression

Years before the world trade center attack

And they refused to expose its suppression...

To CNN on the day of the 9-11 attack

Hillary and her husband Clinton

Will be put on trial and put to death

When the electric windmill car is no longer...

Suppressed - when oil is \$5 a barrel

And terrorists will only have

the oil money they saved

**During the Clinton and Bush
administrations.**

As I'm being stifled

By the observers

In our Orwellian society

I can invent many more

"Electric windmill cars"

The cure for cancer

And gravity control

When the observers

Come out from behind

The hidden cameras

And let me work as

An inventor!

When Hillary,

Clinton and bush are on trial

For crimes against American!!!!

Thanks

**Pope prays to the pentagon
The pentagon has more money than god**

**Before the big bang
Space and time are tiny vibrating strings**

**Ideas won't be firmed up until we have a
Proper understanding of space and time**

My theory is time and gravity is elements

Yet to be discovered

So, without knowing how gravity was created

Texas oilmen burn and burn to death Americans

For 22 years for more oil revenues

Orwellian news of kids in the back seat

on fire in car wrecks

Orwellian news of kids in the back seat on fire in car crashes

Orwellian news of kids in the back seat

on fire in car wrecks

No, wonder why journalists must use cocaine

Suppressing this news would cause any observer stress

Well

Universe is persona non-grate

And NASA might as well be bankrupt

700 shuttles and 700 moon bases have been burned

Texas oilmen could have bought 700 shuttles

In the last 22 years

Oh what if - what if - - -

2002 with 700 shuttles and no WTC attack

Imagine people around every star in the night sky

Imagine people around every star in the night sky

Bush is not this insane

No people are in the bush universe besides humans

Nothingness was before the big bang

The big bang materialized out of nothingness

Strings of space, time, and gravity

Theories of what was before the big bang

**Caesar in Rome must have had the
same idea of the universe**

As our American Caesar of 2002 has

Burning fuel rushing into the WTC offices

Burning fuel rushing into the

Lawsuit seeks damages of over \$100 trillion

From Saudi Arabia

When the USA has a warp speed shuttle

Burning fuel rushing into the WTC offices
The president of the USA will nuke Mecca

Someone in Mecca knew about the 9-11

Someone in Mecca knew about the 9-11

Mecca and black rapists are innate killers
Behavior is their right for being slaves

Sheriff let black males rape women
Bush and his oilmen let Saudi Arabia
Prostitute women young as 13
Yet their pictures are illegal
Bush is guilt of being a pimp
For 13 year old girls for Saudi Men

Protons are baryons, formed
by two up and one down quark
Neutrons are baryons,
formed by one up and two down quarks

President will never address the nation

On the goings-on before the big bang

Like it really matters

Hell even the pope prays to the pentagon

Mecca + Rome are lost in a time warp

Mecca + Rome are lost in a time warp

Mecca + Rome do not want any

new elements discovered

They want the church to rule

not physics and star travels

Catholic church might say

travel to other stars is a sin

Mecca will never let women

drive a car on the moon

Time as an element

is not addressed by Rome or Mecca

They want the status quo as it is

President will never

address the nation on protons + neutrons

9-11 address of the nation

by bush will not address oil money

Oil money built the WTC

Oil money destroyed the WTC

Oilmen are worst than bill gates

Bill gates just burns generations of inventor's minds

Bill gates burned the mind of the scientists

Who would have discovered times element?

Bill gates burned the mind of the scientists

Who would have discovered the element gravity?

Bush sucks up to bill gates for Microsoft money

Texas oilmen let back seat driver's

burn in fiery car wrecks

Bush sucks up to Saudi princes at his

Texas ranch

Bush spit on china

China's manned space mission scheduled for next year

Saudi prince will be king next year

Why would bush spit on china and

suck up to Saudi's?

Shouldn't he spit on the Saudi's

and suck up to china?

Oilmen stick together in war

War between oilmen is a game played by top quarks

9-11 is the oilmen's world war III \$\$\$\$\$\$\$\$\$\$\$\$\$

9-11 is the oilmen's world war III \$\$\$\$\$\$\$\$\$\$\$\$\$

Researchers puzzle over the

cause of vulgar visibilities

Researchers puzzle over

the cause of black rapists

Top researchers search for more oil

22 years after the electric windmill car

Seems like government is run by

Niger's with no merit

Boss is like Caesar

UN has failed every nation on earth

Because it's, top quark is a

black male with no merit

And he took oil bribes from Kennedy

To Let kids and cops

Burn in fiery car wrecks

Usa politics picked the UN chief

To follow orders from the USA

Theory of the UN

Has failed because of the USA

Un chief fails

Letting people starve and

burn to death via politics

Chancre levy's remains provided no

clues about her killer

Dc has more hidden cameras

than any city in the USA

But none are used to protect women

DC cameras are used

to protect the politicians

Moscow is not any smarter than dc

As a mi-26 helicopter

Was shot down in Chechnya

Burning fuel rushing

into the Russian helicopter cockpit

Burning fuel rushing I

nto the Russian helicopter cockpit

Moscow let 700 Russian oilmen

suppress the electric car too

**Moscow could have sat back
And fired old IBM's into Chechnya**

**Burning fuel rushing into the
Russian helicopter cockpit
Sending helicopters into
Chechnya is more a "war game"**

**Firing old IBM's into Chechnya
Is more like winning the
war and getting on with the universe?**

**Russian oil men + Russian generals
Which should the Russian people sue?**

**Orlando, FLA. (August 11, 2002 11:08 a.m. edit) -
A gasoline tanker collided with another vehicle
Burst into flames Sunday morning killing people**

**Bushes brother watched this on video
Knowing the electric car is
being suppressed for oil money**

**Pope will put your gifts to god in bank one
Red cross will put your gifts to god in bank one**

**Government will withhold your social security checks
If you have not paid back your student loan**

by the time, you retire

Oil money could have paid

college tuition for 100 million students

Who would have invented

warp speed and much more faster than ever

Inventions faster than ever before in history

Was lost to oil men and bill gates greed

Quest for new elements to be discovered has ended

For our top quarks they have retired from "work"

Quest for new elements to be discovered has ended

Bush gates Mecca pope

does not want any new element

Electrolysis of water would be cheap

with electric cars

Electric windmill cargo ships

with electrolysis plants

Electric windmill cargo ships

with electrolysis plants

Electric windmill cargo ships

with electrolysis plants

Cost of a barrel of water and a barrel of oil

Saudi prince bush sucks up to has a house in aspen

Someone in aspen knew of the

WTC attacks before 9-11

Aspen would not like this published

Aspen will use its water in the

drought of 2002 to make snow

CU student fountain is dry and

full of dirt at the fall semester 2002

Students will not learn about the rich + powerful for years

They trust the university president

in turning off the fountain

Aspen wants snow for the rich oilmen

Electrolysis of water for crops

and people to drink is spit out

Like the universe is spit on

Texas oilmen are the actual black rapists

Texas oilmen are the actual black rapists

Texas oilmen are the actual black rapists

Can we sue aspen observers for \$1 billion?

For knowing of the electric car + helping suppress it?

Not telling anyone?

Both 22 years after the invention

Of the electric windmill car

2006 Coup d'etat,

Overthrowing the world's oilmen

WW III will end with the

introduction of the electric windmill car

Easier said than done

Easy way to put an end to the worlds oil men

sheriff's office admitted no wrongdoing

sheriff's office admitted no wrongdoing

Sheriff's office admitted no wrongdoing in letting

Americans burn to death in gasoline fires

Since 1980,

the sheriff let Americans burn to death in gasoline

Our American Caesar is more powerful than the roman Caesar was

Oil \$\$\$\$\$\$\$\$\$\$ bought

presidents and university presidents

Red cross + the pope will put your gifts

While people burn to death in gasoline

And you will never see these gross pictures

on a bank one web page

Black rapists are pictured in ads

Of course, they do not tell you the

black male is a rapist

Women against rape will sue

the NAACP for \$1 billion

For failing to stop this innate behavior

in black males

Sheriff let black males rape women

for the last 222 years

Sheriff's office admitted no wrongdoing

Sheriff's office admitted no wrongdoing

sheriff's office admitted no wrongdoing

University educated police do not really pay off

Any more than high school educated police

Caesar gives the orders

Kennedy gives the orders

Bush and his father

are in a different universe from us

Bush spat out the universe

and any hell that could be there

Bush spat out the universe and any

hell that could be there

Bush spat out the universe and any

hell that could be there

Bush spat out the universe

And any new elements that could be discovered

Bush spat out the universe

And any new laws of physics that

could be discovered

Bush-gates want more oil and

Microsoft money

Bush-gates want more oil and

Microsoft money

Pope prays to the pentagon

The pentagon has more money than god

Before the big bang

Space and time are tiny vibrating strings

Ideas won't be firmed up until we have a

Proper understanding of space and time

My theory is time and gravity is elements

Yet to be discovered

So, without knowing how gravity was created

Texas oilmen burn and burn to death Americans

For 22 years for more oil revenues

Orwellian news of kids in the back seat

on fire in car wrecks

Orwellian news of kids in the back seat on fire in car crashes

Orwellian news of kids in the back seat

on fire in car wrecks

No, wonder why journalists must use cocaine

Suppressing this news would cause any observer stress

Well

Universe is persona non-grate

And NASA might as well be bankrupt

700 shuttles and 700 moon bases have been burned

Texas oilmen could have bought 700 shuttles

In the last 22 years

Oh what if - what if - - -

2002 with 700 shuttles and no WTC attack

Imagine people around every star in the night sky

Imagine people around every star in the night sky

Bush is not this insane

No people are in the bush universe besides humans

Nothingness was before the big bang

The big bang materialized out of nothingness

Strings of space, time, and gravity

Theories of what was before the big bang

Caesar in Rome must have had the

same idea of the universe

As our American Caesar of 2002 has

Burning fuel rushing into the WTC offices

Burning fuel rushing into the

Someone in Mecca knew about the 9-11

Mecca and black rapists are innate killers

Behavior is their right for being slaves

Sheriff let black males rape women
Bush and his oilmen let Saudi Arabia
Prostitute women young as 13
Yet their pictures are illegal
Bush is guilt of being a pimp
For 13 year old girls for Saudi Men

Protons are baryons, formed
by two up and one down quark
Neutrons are baryons,
formed by one up and two down quarks

President will never address the nation
On the goings-on before the big bang

Like it really matters
Hell even the pope prays to the pentagon

Mecca + Rome are lost in a time warp
Mecca + Rome are lost in a time warp

Mecca + Rome do not want any
new elements discovered
They want the church to rule
not physics and star travels

Catholic church might say

travel to other stars is a sin

Mecca will never let women

drive a car on the moon

Time as an element

is not addressed by Rome or Mecca

They want the status quo as it is

President will never

address the nation on protons + neutrons

9-11 address of the nation

by bush will not address oil money

Oil money built the WTC

Oil money destroyed the WTC

Oilmen are worst than bill gates

Bill gates just burns generations of inventor's minds

Bill gates burned the mind of the scientists

Who would have discovered times element?

Bill gates burned the mind of the scientists

Who would have discovered the element gravity?

Bush sucks up to bill gates for Microsoft money

Texas oilmen let back seat driver's

burn in fiery car wrecks

**Bush sucks up to Saudi princes at his
Texas ranch**

Bush spit on china

China's manned space mission scheduled for next year

Saudi prince will be king next year

**Why would bush spit on china and
suck up to Saudi's?**

**Shouldn't he spit on the Saudi's
and suck up to china?**

Oilmen stick together in war

Seems like government is run by

Niger's with no merit

Boss is like Caesar

UN has failed every nation on earth

Because it's, top quark is a

black male with no merit

And he took oil bribes from Kennedy

To Let kids and cops

Burn in fiery car wrecks

Usa politics picked the UN chief

To follow orders from the USA

Theory of the UN

Has failed because of the USA

Un chief fails

Letting people starve and

burn to death via politics

Chancre levy's remains provided no

clues about her killer

Dc has more hidden cameras

than any city in the USA

But none are used to protect women

DC cameras are used

to protect the politicians

Moscow is not any smarter than dc

As a mi-26 helicopter

Was shot down in Chechnya

Burning fuel rushing

into the Russian helicopter cockpit

Burning fuel rushing I

nto the Russian helicopter cockpit

Moscow let 700 Russian oilmen

suppress the electric car too

Moscow could have sat back

And fired old IBM's into Chechnya

Burning fuel rushing into the

Russian helicopter cockpit

Sending helicopters into

Chechnya is more a "war game"

Firing old IBM's into Chechnya

Is more like winning the

war and getting on with the universe?

Russian oil men + Russian generals

Which should the Russian people sue?

Orlando, FLA. (August 11, 2002 11:08 a.m. edit) -

A gasoline tanker collided with another vehicle

being suppressed for oil money

Pope will put your gifts to god in bank one

Red cross will put your gifts to god in bank one

Government will withhold your social security checks

If you have not paid back your student loan
by the time, you retire

Oil money could have paid

college tuition for 100 million students

Who would have invented

Aspen would not like this published

Aspen will use its water in the

drought of 2002 to make snow

CU student fountain is dry and

full of dirt at the fall semester 2002

Students will not learn about the rich + powerful for years

They trust the university president

in turning off the fountain

Aspen wants snow for the rich oilmen

Electrolysis of water for crops

and people to drink is spit out

Like the universe is spit on

Texas oilmen are the actual black rapists

Texas oilmen are the actual black rapists

Texas oilmen are the actual black rapists

Can we sue aspen observers for \$1 billion?

For knowing of the electric car + helping suppress it?

Killer Lovers how do we Stop This?

Lousy Lover comments are not taught in sex education classes in HS and Universities. Yet more wives are killed than are given herpes and

std's. This is a failure of the Dept of Education which in reality is a personal banker for JP Morgan Chase in NYC. Nancy Grace and the Court TV women are hung up in the Oil Genocide Era, which they will all hang for along side Saddam. Simple twist of fate, when Carly Simon In White can not write 10 new songs for the inventor of the Electric Windmill Car, Carly Simon as my lover would inspire 10 new inventions, possible even the cure for breast cancer.

**The lousy lover.
The lousy lover.**

**Please dream up a miracle cure
For the lousy lover**

**Treasured lover
And the lousy lover**

**Lover's kisses
The ecstasy and agony**

**Eccentric Manhattan people
In the penthouse ivory towers**

**Are deaf to lousy comments
Most of the time**

**Treasures are lover's kisses
And the kiss of money**

**Don't kill the lady for her comments
Just remember she kisses frequently**

**Just remember she kisses frequently
Kisses for the memory bank**

**Oldest women you have kissed
And the youngest**

**In the memory bank
In the memory bank**

Don't kill the lady for her comments

Just remember she kisses frequently

Don't kill the lady for her comments

Don't kill the lady for her comments

**Just remember they all kiss
For deposit in your memory bank**

**Read the ladies complete cookbook
More than 150 involved recipes**

**Getting involved with nourishment
Salty foods are bad for you**

**Soy recipes are the most beneficial
In preventing cancer + heart attack**

**The most beneficial kiss
Prevents violence against society**

**Achievements for the kisses
Try to find one miracle cure**

**Brain cancer treatment
For comments that are cancerous**

**New type of therapy
Conventional therapy failed society**

**Resulting in Manhattan murders
For the lousy lover comment**

**World trade center bombing
Futuristic nuke going off in NYC**

**Conventional peace talks failed
Conventional cancer cure failed**

**Skin cancer can spread to the brain
Comments can lead to nuclear war**

**Patient is I've with boron 10
Neutron beam hits the brain tumor**

**Alpha particles explode out
Only a short distance**

**4.3 light years is a long distance
World leaders are the patients**

**They explode out
Only a short distance**

**4.3 light years is a long distance
Judge the wars between nations**

**In a light years long society
4.3 light year capture therapy**

**Years of intense weapons research
By top MIT engineers and scientists**

**Stifled light year travels
By humanity**

**World trade center bombing
Futuristic nuke going off in NYC**

**Please dream up a miracle cure
For the lousy lover - world leaders**

**Libido and whatever
Violent behavior can be called**

**Compulsions directed to invent
A cure for the lousy world leaders**

**Distant solar systems with aliens
Is to big an achievement for humanity**

**100 years behind the times
They don't think of time as an element**

**Radiating like a neutron beam
Light years aimed at the brain tumor**

**Social cancer of world leaders
Light years aimed at their cancers**

**They stifle your new lovers kisses
Putting them at a light years reach**

**So you visit the kisses in the bank
In the memory bank**

**Who built the bank from scratch
They say it built itself by accident**

**How do weapon scientists
View morality amid light years?**

**View husband and wife comments
Lousy universe has been built**

**By lousy world leaders
National holiday for presidents**

**For destroying the earth
For not traveling any light years**

**For suppressing the electric car
When no city on earth has clean air**

Presidents show no real sense

Of being part of the universe

**Eccentric people
In the ivory towers**

**Blind to the universe
And what time is**

**100 years behind the times
Light years from space travels**

**Call them lousy lovers of humanity
And they won't let you**

**Find a cancer cure
Or seek political asylum**

**In a nation
That viewed the Vietnam War**

**As a crime against humanity
By a super power bully**

**For the lousy lover comment
He hit her with a golf club
Then stabbed her repeatedly**

**Please dream up a miracle cure
For the lousy lover**

**Write the complete cookbook
For the making of a universe**

**More than 150 involved recipes
Make gravity and time from scratch**

**E mail the recipes
To the lousy lovers of humanity**

**Solution to the use of top scientists
Forever building new weapons**

**Solution for the
Manhattan murderer
Sheldon Wassermann**

**For the lousy lover comment
He hit her with a golf club
Then stabbed her repeatedly**

**He was 63
Carole was 59**

**Court report writes
Sheldon shows no sense of remorse**

**Manhattan murders
For the lousy lover comment**

**World trade center bombing
Futuristic nuke going off in NYC**

**Conventional peace talks failed
Conventional cancer cure failed**

**Conventional marriages fail
To make a list of inventions they want**

**And work to achieve them
By searching the Internet**

**Invention pursuits
From golf balls to gravity control**

**Inventor of the soymilk container
Should be exiled to Siberia**

**A Siberian could invent
A better soymilk container**

**So get started writing
The universe recipe book**

**Bank on getting more kisses
To deposit in the memory bank**

**Please don't kill the lady for her comments
Just remember she kisses frequently**

**Just remember she kisses frequently
Kisses for the memory bank**

**Recipe for memory
Make a list of the ingredients**

**We're light years from veggie soy Chile
On the school menu**

**And light years from
Making memory from scratch**

**But we're not light years
From buying a add on thesaurus
For word 7 that Microsoft forgot**

**And we're not light years
From adding total recall
To our memory recipe**

**We're not light years from
Husbands and wives who search**

**Dream up a miracle cure
For the lousy lovers**

**Who are light years?
From the universe recipes**

6 Million Cops Burn to Death

6 Million Cops will burn and burn to death in gasoline for more oil money.

Another Genocide,

this one I call the "oil Genocide"

because the Electric Windmill Car was invented in 1980...

Senator Kennedy observed me brainstorming on hidden cameras...

getting the Electric Windmill car invention in 1980.

Any donation will help me expose the electric windmill car,

thanks

\$

My Getting gravity control will still be amazing in 3006

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

*Happy Birthday
Today's your Birthday
A day to look back at Before the Big Bang
A day to look at your Universe
A day to look at yourself as a Star
To understand all your recent realizations
That happens with Birthdays
A Day to Invent Something
A Happy Day
A Special Day
For a Very Special Person

Introduction to the Light Year Conquest Corporation

**My deck of cards has 52 nearest solar systems
My deck of cards has 52 nearest solar systems**

My deck of cards has 52 nearest solar systems
NASA has not even mapped out 52 nearest solar systems
Let alone made plans to travel to another solar system
Lets play 52 pick up
With new card and board games
Coerce NASA into another Moon Landing
Make NASA stick up for themselves against the Pentagon
In the year 2000 Joint Chiefs of Staff news article
Approved a new Moon Base but it never materialized
The Joint Chiefs of Staff canceled Apollo
30 years of wars substitutes Apollo scientists with troops
NASA director sold out in 1980 when the Electric Windmill Car
Was invented
NASA director sold out to the Joint Chiefs of Staff
Hidden safely behind hidden cameras no one complained
NASA also lost humanity its first Aircraft Carrier Hospital Ships
Electric Windmill Ships windfall is a new Hospital ship
NASA coerced into doing the wrong thing
This could not happen if the hidden cameras were exposed
NASA's unequivocal triumph of genius was shot in the head
by those with the guns
No avoiding WW III now
After the NYC WTC attack
Nukes will eventually be planted in NYC
Unless the other side is totally, bankrupt
Invent an Electric Windmill Car + Ship a stroke of luck
Idiot Generals suppress luck and genius
Promoted to General after you walk on the Moon
Thousands could be living on the Moon in 2002
Inventions in landing on the Moon
Destroy by the Joint Chiefs of Staff
Invention board game on the computer
You land on the moon and all these inventions pop up
To invent 1,001 spin off inventions
Game more sophisticated than any Microsoft game
You land on Curie, Bell, or Edison and pop up windows
List all their inventions
Atomic age poetry just before Nukes blast off in NYC
We must change all the worlds madmen
WW III before we visit another solar system
Thanks to the NASA directors who sold out to Generals
Joint Chiefs of Staff wanted it this way
Unequivocal triumph of Madness
There is no avoiding WW III now
Now we must win WW III
Parish in Nuclear War over the suppressed Electric Car
Oil Kings have no mercy on the masses
TV News went along with this for Oil Money payoffs
Double-dealer they took cancer research funds
CNN and MSNBC did this to humanity
On a scale of \$\$\$\$ Hundreds of Billions of dollars
TV stifles
This takes on another connotation today
Electric Windmill Car + Ship would have drove humanity
To the nearest 52 nearest solar systems in 1980
Generals get new glasses and the Rx with their benefits
5 billion people pay dearly for these Generals
Bridges and crowns are the most expensive
So, false teeth are suppressed to billions by dentists

Everyone's mentality is that of Oil Kings and their Court
Government lets those who prey on us rule
Big Brother is watching, but not watching out for you
Big Brother is watching, but not watching out for you
There is no seizing hole of Big Brothers conscience
He is like a Black Rapists taking what gets him off
Cold-blooded killers
Blacks are born; the Army coerces Whites
NASA could dominate over these environments
But choose not to fight for the right to Moon Landings
NYC will join club Hiroshima
Jews will spread their war to the shores of America
Intellectuals in a unpublished war behind hidden cameras
Oil was bankrupt in 1980
Cancer could have been cured with real Intellectuals
Who could outsmart the Jews and Generals
Moreover, land on the Moon
With thousands of troops who would be promoted to general
Intellectual talk about what is gravity
Is never published on the News
News keeps the masses uninsured and in debt with student loans
Comprehend the News media doing this to 5 billion people
News of the new atom laser at MIT
Does nothing if its not in your computer invention games
Waves or particles in physics
Even Physics News Updates on the web sold out to Warriors
52 nearest solar systems are out of their mind
Really, they are out of their minds
Impossible for men at war to see 52 nearest solar systems
Let alone trade their war inventions for space inventions
Genius of a computer board game
That brings up all the inventions in history of man
Finally a program that needs more computing power
Than Microsoft Golf
Observe protons in multimedia giving off light and gravity
Warp speed space ships with gravity satellite engines
Aliens on the way to the nearest 52 nearest solar systems
Joint Chiefs of Staff never wanted you to know about this
Even the Joint Chiefs of Staff could not avoid being sucked into
OK'ing black hole of Faggot Sex in the Army Oil Kings wanted
Misleading you are the idle rich
Misleading you are the idle rich
How is gravity generated can be misleading
How hard it is to find this invention is also misleading
USA is mobilizing for WW III not a gravity invention
Mobilization of the intellectuals waits until the war is won
Between wars we land on the Moon
In addition, install smart lasers on cars
War is more addictive than landing on the Moon
It's in the atrocities that's hard to comprehend for Astronauts
News she knew it was wrong to drown her five kids
No news about 5,000 kids burning in gasoline fires
Our American Caesar and Oil Kings
Will be reincarnated in a distant galaxy of Hell
Consciousness transported at warp speed
To some Hell hole 52 million light years from here
Turn to your consciousness and brain inventions
Brain will have a slot in my computer board game
Lobotomy history up to the gas that can tame Generals

**Jew Generals who get off on killing PLO girls
A lobotomy gas can suppress this desire
It just has to be invented
A perpetual motion machine creates gravity
There are thousands of perpetual motion machines
They exist in their own spectrum
Far from the Judgments of our Supreme Court
Conduct of this highest Court
Is responsible for the NYC WTC attack
Business as usual
Even when mobilization is for war not Universe Conquest
Sailing over cosmic rays, gamma rays, x-rays going fast
Some s-rays can travel 450 times the speed of light
Next generation of high tension lines from Public Service
Public Service will not invent these
Someone playing the computer board game
My deck of cards has 52 nearest solar systems will
Mobilization catalysts can be war or universe
Top leadership of Earth has picked war for now
Observe Ivy League selfishness in their web pages
You need a password even to pay your tuition
Pay Channels on Cable TV do not offer a University
CEO forgot to have any mercy on 5 billion people
Miracle of vision
If you land on this on my board game, you get Mercy
No mercy in the number of pop up windows
As they will fill your computer screen
Throw the dice in the Casino
Lawmakers threw billions of people to the trash bin
Godsend of perception that created itself
Ha
52 pick up is more than picking up on 52 solar systems
52 pick up is more than picking up on 52 solar systems
Commanding Officers do not second-guess vision
Big Brother is watching on hidden cameras
But not for consciousness inventions
Public Services is not know for its innovativeness
Light year travel depends on these Public Utilities too
Train wrecks and car wrecks are beyond their innovations
How do you expect them to travel a few light years?
How do you expect them to travel a few light years?
Docking rocket sections in orbit
Docking 747's in flight
Train concept is one of the places you can land on my game
100% power from your Intel CPU will be used
When you land on this Hotel
Hotel is not a Casino - you can win here
Photographic memory can be made into a pill
You just have to make the gamble to find these pills
Nuclear scientists are occupied
Smarter scientists can pick and choose invention games
Bankers have been intimidated by Oil money
Fiery car crashes with people on fire inside didn't intimidate
Bank One went along with the oil genocide
NYC Banks did too
One-arm bandits are the makers of idiot gamblers
Introduction to the Light Year Conquest Corporation
Introduction to the Light Year Conquest Corporation
Introduction to the Light Year Conquest Corporation**

My deck of cards has 52 nearest solar systems
My deck of cards has 52 nearest solar systems
Land on any of the 52 solar systems
And all the inventions in history will pop up
In one of those annoying, pop up windows
Most annoying thing about Microsoft programs
Is their lack of pop up windows with histories inventions
Getting a PhD in Light Year Travel is eons away from reality
All of Chinas masses could profit from the sale of Taiwan
Using force how much could they get in dollars for Taiwan?
More billions than Bill Gates and Microsoft have
Using the money for tuition would double their money
Sailing Shangri and Calcutta into a Riviera
Winds of the Electric Windmill Car and Ship
Would do more for these parts of the World than any other
Worst off would be Corpus Christi and Mecca
Profits from Oil have bought more cocaine than penicillin
ATT know who spends big bucks on long distance
Big Brother is listening to the cash
Injustice is by way of the Black MD's who misdiagnose so much
Pointless to make a Black a MD
Just to have Black MD's
When their statistics makes them mass murderers
VIA the Medical School policies in place by the government
Introduction to the Light Year Conquest Corporation
I introduce you to a God invented Universe
My deck of cards has 52 nearest solar systems
That contains more things that are unimaginable
Than Humans could imagine
Than Humans could imagine
That could be living in the nearest 52 solar systems

**Underprivileged and the Electric Windmill Car
Suppression of the masses by the Presidents Mother
Bush's Mom said Katrina victims are "underprivileged"
And now their better off
Bush's Mom will be taken out and shot
In the 4th day of the Oil Genocide Trials
Martha Stewart will be taken out and shot
In the 5th day of the Oil Genocide Trials
The "underprivileged" are underprivileged via Bush
Via Yale and Harvard
Presidents of Yale and Harvard will be shot to death
In the 6th day of the Oil Genocide Trials
"underprivileged" all of them in the Katrina videos
Would have a University degree - all of them 100%
If the Electric Windmill Car was not suppressed in 1980
Bush and Texas Oil men profited by \$ Trillions of dollars
More than enough to make every University in the USA free
Bush's Mom never wanted Yale free
Bush's Mom will never want Yale free of tuition
Bush's Mom infected the Generals wife and daughters
Pentagons Trillions is less than the Oil Men's Trillions
Since 1980 and the suppression of the Electric Windmill Car
Cops and kids burned to death in fiery car wrecks since 1980
Pentagons casualties in Wars since 1980 is less than this
On the 7th Day Rumsfeld will be taken out and shot
On the 7th Day of the Oil Genocide Trials
"underprivileged" 1 billion people maybe 3 billion people
All would have a University degree in 2005
If it were not for the Presidents Mother
This is why she will be taken out and shot on the 4th Day
Of the Oil Genocide Trials
Presidents of Yale, Harvard, and MIT
Will be taken out and shot too
Imagine the true testimony of Scott killing his pregnant wife
Now at this trial we have cops and kids burnt in gasoline
Like the naked Vietnamese girl running down the street
Napalmed by a different USA President
Her parents made \$2 a day being "underprivileged"
Testimony from Cops and Kids with burnt faces like Jason
Will inflame the Judges and Court TV viewers
Judge - Jury, and executioner will be one person
1 Billion Persons watching the Oil Genocide Trials
On Court TV
Will drag Bush's Mom out of the trial
And shoot her to death in a flame of passion!
Bill Gates will also be dragged out and shot
Learning Microsoft Excel will be free after the trial
Oil Genocide Era burned more than a million to death
For each \$ Trillion dollars of oil money since 1980**

Greg's new 2008 Model of a Space Telescope with not depend on Oil Money for bribery but will use the Top MIT scientist not the criminals at Ball here in Boulder, CO who harass me every time I bike by there buildings.

They harass me for inventing the electric windmill car.... no top scientists here at Ball Aerospace Boulder, CO.

Greg's new 2008 Model of a Space Telescope Will have 2 sections both "life Boats" that can parachute back to earth... 1st will be the telescopes. Second will be the living quarters for the Astronauts docked in orbit with the telescope section. Telescope section will have quarters for crew "lifeboat in a emergency". Both launched one at a time on the biggest launch rockets available in 2008 so we will be designing a new class of launch rockets too.

NASA and Ball Aerospace here in Boulder CO

Took bribes from Bush to go along with the

Suppression of the Electric Windmill Car

Bribes were not good enough to get a

2006 Model Hubble Space Telescopes

Because both Bush's have wasted \$1 Trillion USD

On Iraq ----- and 6 million cops and kids have burned

In fiery car wrecks... \$1 Billion each for these

Causalities of war lead by Bush, McCain, Rumsfels + Rice

Will come from Saudi money in the USA

As I'm a POW of Bush and McCain etc

And not allowed to work on a cure for cancer or gravity control

Observers here in Boulder CO spit on the cure for cancer

If I get it... so the make sure I have no resources to even

Get a cancer research database going.

2006 Model Hubble Space Telescopes

2006 Model Electric Windmill Car

NASA and Ball Aerospace here in Boulder CO

Took bribes from Bush to go along with the

Suppression of the Electric Windmill Car

Bribes were not good enough to get a

2006 Model Hubble Space Telescopes

Because both Bush's have wasted \$1 Trillion USD

On Iraq ----- and 6 million cops and kids have burned

In fiery car wrecks... \$1 Billion each for these

Causalities of war lead by Bush, McCain, Rumsfelds + Rice

Will come from Saudi money in the USA

Please send me a donation, cash or check

To Greg Buell PO Box 1113 Boulder CO 80306

As I'm a POW of Bush and McCain etc

And not allowed to work on a cure for cancer or gravity control

Observers here in Boulder CO spit on the cure for cancer

If I get it... so the make sure I have no resources to even

Get a cancer research database going.

Laser Guided Cars Vs The Laser Guided Bombs

Your world leaders buy laser guided bombs for you

Even though cars kill more people

There is no mandate by the USA

To End War On Earth

The Military Channel is the newest on Cable TV

The Military Channel is the newest on Cable TV

Clinton wants the retired military

To be the role model for students

One of the Denver kids who killed

Was in a retired military household

Buy metal detectors for schools

Airport security for schools and factories

Going Postal

Cult of violence is War related

Clinton will stem school violence

And win the war with Yugoslavia

This cult of violence is the USA government

This cult of violence is the USA government

One of the Denver kids who killed

Was in a retired military household

War not peace talks - is the talk

War not peace treaties - is the talk

Land Mine Treaty hasn't been signed by the USA

Light Year Travel treaty hasn't been signed by the USA

President of the USA

Is willing to kill 30 million people to free Tibet

President of the USA

Observes Nepali girls on their way to brothels in India

Presidents turn a blind eye to this

7 to 12 thousand girls a year is big business

President of the USA

Is also a liar, rapist, and womanizer

Security cameras are mounted throughout society

Security cameras are mounted throughout society

Security guards spit at you

If you don't want to kill the enemies of the USA

If you don't want to kill the enemies of the USA

This cult of violence is the USA government

This cult of violence is the USA government

Observers come out from behind the cameras

Long enough to taunt you

Then run and hid behind hidden cameras

And watch your response

Security guards and Observers

Are willing to kill 30 million people to free Tibet

Yet let 7 to 12 thousand girls from Nepal

Be sold into sex slavery

NATO should be bombing Nepal not Yugoslavia

But the British are probably making money

From the sex slaves

From the sex slaves

Clinton will stem school violence

And win the war with Yugoslavia

President of the USA

Is also a liar, rapist, and womanizer

National Rifle Association is to meet in Denver

American Medical Association shoots society in head

World Association of (high paid) Inventors

Is for those who think up weapon systems

Their paid by their governments

Majority of Kids in High School

Will work for the government designing weapons

Will design a next generation of weapon systems

Will design a next generation of weapon systems

Government workers

Designing the next generations of weapon systems

Minority of students will work on a cancer cure

Minority of students will work on a cancer cure

Minority of MD's

Kill more patients than the best Doctors

Only the AMA knows who this minority is

Other wise you would discriminate

Clinton will pardon the minority Doctors anyway

Because of past discrimination

Pollution is weapon systems

And what the government must do

To get student to invent the next generation

While forgetting about laser guided cars

Cult of War

Cult of War

American Medical Association shoots society in head

For the spoils of War

Doctors want Pentagon rank

A craving that will lead to WW III

Doctors want Pentagon rank

This lead to immoral medical research at VA Hospitals

Top Gun Movie

Has nothing to do with Moon Bases and Star Travel

Cult of War

Is the governments cult

Security guard behind the security cameras

Will spit at you

If you are against War

And want to drive a laser guided electric car

Laser guided bombs

Will get even more sophisticated quickly

Laser guided electric car

Will rust in the minds of car engineers

Metal detectors will be at schools, factories

And Post Offices

Going Postal

At schools and Post Offices will still happen

Long as the President of the USA

Is a liar, rapists, and womanizer

Who suppresses the electric car

Students would be driving to a different Universe

Our Universe

Would be different

If the electric car

And the laser guided car

Weren't suppressed by the USA government

IBM officials in the real world

IBM Boulder CO hired 99% Mexicans just like the meat packing plant in Greely CO
But IBM has more defence dept connections so the Fed's will never ever raid IBM
and arrest all the Mexicans... After the Oil Genocide Trials IBM will be asked to leave
the USA as they are no longer an "American Corporation"... most of the IBM CEO's from
1980 to 2007 will hang with the Texas Oil men and 4 Star Generals who fragged those driving
down the highways for more Texas Oil money for Bush to spend on the Iraq War... more
computers and software contracts for IBM... all this will be documented at the Oil Genocide Trials in
DC.

ps I worked out at IBM vaccuming under the floors for \$8 a hour 25 years after I invented the
Electric Windmill Car... in 1980... revenge will be sweet to say the least.

IBM officials in the real world
went along with the suppression of the
electric windmill car since 1980

IBM officials in the real world
went along with the suppression of the
electric windmill car since 1980.

Misdiagnosis software program will catch and convict all the MD's
who have killed tens of thousands of patients via misdiagnosis in this
Orwellian Society in front of the observers.

IBM officials say they've found a method for speeding up the way large computer networks
retrieve and share information by as much as 600 percent, a move that could impact data-intensive,
high-performance computing environments.

For its "Project Fastball," IBM used the combination of the compute power of ASC Purple, the
massive

IBM-designed Blue Gene supercomputer at Lawrence Livermore National Laboratories in Livermore, Calif., and IBM's General Parallel File System software.

The combination demonstrated more than 102GB per second of sustained read-and-write performance on a single file, which is more than a 600 percent jump in the speed of data, said Chris Maher, development director for HPC development at IBM.

Read more here about the state of the art for today's supercomputers.

The GPFS software was used to manage the flow of information between the thousands of processors and disk storage devices in the supercomputer.

The project used 104 Power-based eServer p575 nodes and 416 storage controllers, according to IBM, based in Armonk, N.Y.

The project resulted in a file system of 1.6 petabytes, one of the largest in the world, Maher said. The performance of the file was maintained as more than 1,000 clients pushed workloads into the file.

Maher equated that speed to downloading 25,000 songs in a second.

NASA launches an SGI supercomputer. [Click here to read more.](#)

"This kind of capability opens doors to new kinds of applications in high-performance computing," he said.

Such applications include online gaming, customized medicine and homeland security, where massive amounts of data need to be analyzed quickly, all of which would benefit from being able to move data between machines in massive supercomputing environments, he said.

Such environments are growing, as is the need to manage the large amounts of data stored in them.

"It's not just 1,500 servers, but a collection of 1,500 servers that act like a single computer system," Maher said.

ASC (Advanced Simulation and Computing) Purple is the third-most powerful supercomputer in the world, and was built through IBM's Blue Gene supercomputer project.

On the Top 500 list of the fastest computers released in November 2005 at the Supercomputing conference, the ASC Purple computer topped out at 63.39 teraflops—or 63.39 trillion calculations per second—on 10,240 processors.

IBM's Blue Gene program produced the top three fastest systems, and four in the top 10.

IBM is pushing to have the GPFS software used on other platforms, including through an initiative that offers some clients access to the software's source code with the idea that they may adapt it to work on non-IBM hardware.

MIT Fails in the Real World

with its \$100 Notebook

NVIDIA QuadroR FX 4400 and AutoCAD

design software are required!!!!

In the Real World

MIT's \$100 notebook won't get you an A in English

MIT's \$100 notebook won't get you an A in phonics

You need the phonics software and sound chip

Log on to MIT's courses on line

They are a failure too.... F F F F F

NVIDIA is a must to see the small print in

The Real World

If MIT saw the small print

From Texas Oil Men back in 1980

Electric Windmill Car would of been sold

In the GM dealers showrooms in 1981

MIT will Hang for this...

Locking Gates up next to Peterson

will only solve the software problem

\$500 Billion Bush gave to Iraq

\$500 Billion would put MIT's \$100 notebook

out of business

Department of Education
is next to FEMA and NCAR in DC
1st President after Bush is Impeach
will rename Dept of Education
To Department of Inventors –
IBM will not longer get the most patents
Individual Americans will get more patents than IBM
MIT will no longer Fail
In the Real World
Once its Big Daddy the Pentagon
is out of business
Once War on Earth is over and done with!
By the Light Year Conquest Inventors...
Who are at MIT today
but work for the Pentagon not NASA
4.3 light years is the nearest Star
2.2 million light years is the nearest Galaxy
When will MIT start getting A's ?
When they invent something to eavesdrop on Aliens
This will put the fear of God into the Pentagons Generals
Letting 6 million cops and kids burn in fiery car wrecks
does nothing to the Pentagon's Generals conscience.
Please send cash or check to

That has been traveling for billions of years**

**"CIA director John Deutch's return to a teaching position
CIA reflects everything contrary to the spirit of the
university"**

**CIA forces MIT to work on weapon systems
CIA out ranks NASA by intimidation not intelligence**

**John Deutch is a patriot in "war" not light-year travel
Nations war fever is give a boost to by CIA media events**

**Arrogant CEO can bankrupt a company
All people into war are arrogant SOB's**

Willing to bankrupt Earth
In a nuclear war

"We will kill every last one of the enemy"
In reality, they kill a galaxy for each person killed

Top-secret classified information
On your home computer

And
Out in the Universe

Once contact is made with galactic broadcasts
Aliens goings-on will bankrupt the CIA

So how do we make contact
On a project more extensive than the Manhattan Project?

Feb 29, 2000 is the first leap year since 1600
Soar into light year travel

Soaring into light year travel
Does not ignite passion at the CIA

There is no Light Year Conquest cable tv channel
There is no Light Year Conquest cable tv channel

Wars ignite the Nations passion for War
Psychotic madmen ignite wars not stars

They preach stars ignite themselves without any intelligence
Electrons spin inside atoms without any intelligence

Atoms, quarks, meson, all created themselves
Atoms, quarks, meson, all created themselves

**Intelligence agencies have brainwashed themselves
Mechanics of gravity is top secret and not sort after**

**CIA director goes after top secrets
Gravity is top secret and not sort after, why?**

**Fever of war
Fever of war**

**Every galaxy is moving away from the Earth
In addition, gaining more speed daily**

**Empty space is more important than the Big Bang
As it goes on for infinity**

**How could space go on for infinity?
How could space go on for infinity?**

**MIT chiefs have done Humanity injustice
By taking in the CIA**

**CIA must have bullied MIT
CIA must have bullied MIT**

**Visit MIT, and invent gravity control
Go public with your idea to invent gravity control**

**Offer a reward more than a lottery win
State could even use lottery revenue**

**To offer a reward
To anyone who discovers gravity control**

And

And

**Seeing the people who buy lottery tickets
Have given up any and all ideas about inventing**

**Gravity control or anything else
Gravity control or anything else**

**Intellectual pursuits have suffered from the lottery
Lottery promoters bullied state Governors**

**Governor Bush of Texas
Made a decision that diminished intellectual pursuits**

**Executive decision
That diminished the human spirit of intellectual pursuits**

**Why would a Governor do this to people
Looking for intellectual pursuits?**

**What could government leaders have done
To stimulate intellectual pursuits in the masses?**

**Why didn't they
Why didn't they?**

**The wrong kind of people
Are running the government**

**Everyone knows this
Everyone knows this**

**No wonder the electric car is suppressed
While cops and kids smell car exhaust every day**

Environmental cop cars are a pretty green color
And burn gas in an era that should be electric

Sirius is 8 light years away
And puts out 22 times more light than our Sun

With different government leaders
We could be on our way to Sirius

4 light years away is the nearest star to Earth
And all the worlds' governments are at war

There are not enough organs for all needing transplants
Because Senators are Arrogant Lawyers not Doctors

One law can turn the tables
Giving Doctors the choicest organs in transplants

5 star hotel
5 star organs

Qualities of budget organs will be unacceptable
In better times

Governor Bush of Texas
Made a decision that diminished intellectual pursuits

Senators
Made a decision that diminished intellectual pursuits

SALT talks were a treaty
Salt in food is worst than smoking

Salt Manufacturers' Association
Has bullied the Senators too

Just like tobacco bullied the Senators
Senators and Governors can be bullied

They are arrogant
They like the taste of salt

They do not use their education
On the job

Governor Bush of Texas
Made a decision that diminished intellectual pursuits

Even the littlest thing
To help the poorest of the poor

Was vetoed by the Governors
Deposit on beer cans would be a windfall

To can collectors
At the bottom rung of the social ladder

"Infinity" movie could scare them to death

If its not dominated by the "Big Bang"

Everyone is undermining peace negotiations
News about the Light Year Conquest Peace Treaty

Is suppressed

Is suppressed

Helping every Nation on Earth
Build their own Shuttle is out of the question

Is suppressed as a news story

Is suppressed as a news story

Landmine treaty cannot clear millions of mines
Why?

Because intellectual pursuits
Are led off course

Sirius is 8 light years away

Sirius is 8 light years away

A star 8 billion light years away
Exists too

Casino owners gamble on nothingness
There being nothing after you die

No hell for war
From "Hell to Eternity" was a movie

"Infinity" movie could scare them to death
If its not dominated by the "Big Bang"

**Microsoft showed its contempt for humanity
In publishing Microsoft Golf**

**Senators showed their contempt for humanity
In promoting the lottery**

**This caused millions to forgo intellectual pursuits
In the hope of winning a million dollars**

**Side effects from gambling are documented
Side effects from salt are almost top secret**

**Visit MIT, invent gravity control
Make inventing gravity control your intellectual pursuit**

**Mechanics of gravity are top secret
A top secret the CIA does not want**

**Because it could expose
The intelligence that created gravity**

Her Inventions

Is the Most Powerful Anticipation!

Dynamic Dramatic anticipation

In creating invention project ideas

Gravity control

Suppression of lightning

What needs to be invented for women?

Male dominated inventing opened to women

Convince women they can invent better than any man

Seduce her - come over to my place and invent something

Seducer is the inventor of the Electric Windmill Car

Seduced women have more than an affair

Dynamic anticipation of what the seduced women will invent

Her partner does not seduce her with invention projects

Convince women they can invent better than any man

Convince women to have more dynamic affairs

Show her how to get a mans invention for herself

Or be supportive in a halalu idea, which leads me to an invention

Light upon one word

I pick up on it and invent something

She now sees how it's done first hand

She will now anticipate her first invention idea

Jet engine to keep the Los Alamos fire

From crossing the parking lot to her house

She cried over the little girls burned in the forest fires

Twice, second time because Bush did not use C5 Cargo planes

To drop fire retardant on the forest fire
So my friends at the New York Times published a picture
Of over 100 giant C5 planes going to Iraq and Kuwait
No C5 Cargo planes will ever be used by Bush on forest fires
All those people who burned in the forest fire
Bush could have saved them all with C5 cargo planes but didn't
This is a crime he can be convicted of
And not a mere impeachment but murder
Confine all your personal thought to her
Leslie Stahl will comment about them on "60 Minutes"
When the observers come out from behind the cameras?
For the first time will she be (Leslie Stahl) knocking on my door?
Convince women they can invent better than any man
Do a world tour with Cher - on Invent Something Woman!
Powerful men and women today and tomorrow
Anticipation of better orders to put out "forest fires" of tomorrow
All those people who burned in the forest fire
Bush could have saved them all with C5 cargo planes but didn't
This is a crime he can be convicted of
And not a mere impeachment but murder
Advanced poetry that leads the reader to an invention
Autobiographical poetry of mine, I inventing things for humanity
I want to seduce women
I want to get married to many women
I anticipate working 24/7 for a week or more with 10 women
In my room brainstorming invention projects and writing
Better than the 100 virgins I will get in Heaven
Or the 1 virgin I might get trekking through Nepal
A mans thoughts are not a women's
So were does the drive to invent come from?
So were does the drive to invent come from?
How can I pass this desire, lust, and proposal on to women?
How can I pass this desire, lust, and proposal on to women?
Advanced poetry that leads to better skiing
I skied 20 runs today, many 300% faster than ever before
Now I need to come up with inventions 300% faster
Than ever before, to make up for Bush's suppression

Now I need to seduce women
Into inventing to make up for Bush's suppression
I need to get a lesbian dyke upset
Set her on a mans invention project
Help her brainstorm ideas
Get her adrenaline flowing, anticipate her getting his invention
New Paradise for Greg - Married!
Working 24/7 with 10 women in my room
Autobiographical poetry of Greg is not Ben Franklins
Old Ben writing the Farmers Almanac and how to live life
Now we have Greg
A dynamic poet-inventor
I want to seduce as many women as I can
I want to marry my girlfriend but she said no
Autobiographical poem
In an Orwellian Society
Powerful men and women reading and listening to everything
Therapy for their question - what is the purpose of life
Now it's more oil money
Tomorrow it will be more inventions from women
Some women halt getting married
Others are on their 3rd, 4th, 5th husband
Others have had sex with 50, 100 men
I don't care
I want to seduce her for more inventions not fucks
The seductress will have an e-z time with me - grin
Seductress ambitions
Ambitious women
I want to seduce women to work 24/7
Invent or die proposal
Get a mans invention for yourself
Or be supportive in a halayalu idea, that I get the invention
Light upon one word
I pick up on and invent something
She will turn misery to joy
For Millions diagnosed with breast cancer when we get the cure
Hot Flashes, light comes on, we invent something together

Hot Flashes, light comes on, we invent something together

How many women can I seduce to invent with me?

Many I hope

I see women as a Goddess

Every time I look at her I see Gods creation

I love my girlfriend

Even though she said no to me on New Years Day

Asking women to marry you when you are 55

And the inventor of the electric windmill car

Living in front of hidden cameras 24/7

Listening to Orwellian comments on "60 Minutes"

I think someone behind the camera

Told her to say no

Beginning a forever relationship at 55

Is like being Picasso

But putting Picassos women's name on the painting

Picasso was so predictable in seducing women for sex and inspiration

Painting her nude

I want her nude and talking about Free Associations

In a Orwellian Society too

This is in an Orwellian Society!

Surgeons have a 73% mortality rate with women

Picasso had a 100% mortality rate with women

I will keep my women alive and well in Boulder Colorado

There are no women Picassos

In painting or invention history

I will change the future

By painting women as Picasso Inventors

Invent a Picasso Women

Come over to my place and I will show you how to invent - grin

Set her up with a mans invention project
See her chew into it like a hungry sex starved man

Lesbian dykes can invent anything a man can
And they are tasty in bed - for my palate and observations

Risk is alimenting the Generals women
Risk is aging oilrigs in the North Sea

Mad Cow is nothing to Mad Oil men
Addicted to oil money like a murderous addict

Cambridge University is in the "Age of Oil"
Producing graduates to build more 10 Story Oil Rigs

British-Americans sent me to Siberia
I did nothing like a Dosevesky for years

Souleniskin knew of the electric windmill car
And was made a hero for not exposing it

Putkin was a KGB agent in 1980
When the electric windmill car was invented

Kennedy's observers were watching me 24/7 then
They still are watching me 24/7 today

So want are all the women observers doing
Crying about kids burned in forest fires

Crying about cops burned in fiery rear-ended car wrecks
Crying about troops killed in Iraq for more oil money

Mad Lesbian Observers should have toppled the government
Next revolution never materialized

Women Generals on TV

Pentagon spokeswomen

Let the same artillery shells blind young men

Same as male 3 star generals do today

Male and Female Generals know about the Electric Windmill Car

Its suppression and anticipate what I can invent when not suppressed

CU here in Boulder Colorado profits

From oil money

University education has failed to stop oilmen

University has no money for free tuition for all

University has no seduction policy

To seduce women to work on a man's invention project

Where has all the oil money gone?

Some paid off University of Colorado Presidents

Some paid off City of Boulder Colorado officials

Some bought luxuries for city government here

This is an autobiographical poem in an Orwellian Society

Invention by oilmen

To keep the oil flowing

Thought burning those in car wrecks

How the hell did they invent this?

This is the greatest invention in history!

Next great inventions to come

Hopefully they will come by women I seduced to invent

Space telescope to hear alien conversations
Are alien women sexy, do they have affairs?

Picasso as a Woman
Freud as a Woman

Inventors as Women
Women inventing electric windmill cars of the future

After I seduce them
Into working with me 24/7 on invention projects

Love is an element
Time is an element

Social, economic, intellectual advancement
For 1 billion people

This is what my women are working on
24/7 in my room

We work to change the lives of 1 billion people overnight
This is the most powerful anticipation in our inventing

Mirror Mirror on the Wall in my Room
Women are the Fair-mindedness of them All

In front of the mirror, Leslie Coon is the Fairest of them All
In front of the mirror, Leslie Coon is the Fairest of them All

We're suppose to be friends
And I have us married for life in the rest of this poem below

We're suppose to be friends
And I have us married for life in the rest of this poem below

I took our picture in front of the Mirror
Same mirror I told Leslie the "1984" story about him breaking the mirror

Finding the hidden camera
Finding out why things didn't go good for the Lovers

Leslie Coon is the Fairest of them All
Climbing with Greg Buell, Inventor of the Electric Windmill Car

Finding romance, Greg will not break the mirror to find the camera
Greg will doctor up those behind the hidden cameras

Beg them to change policy behind the hidden cameras
Let Greg invent something impressive for Leslie working together

I held Leslies hand and she got very Emotional
I took Leslies picture and fell in Love that same Day

Genius strives to impress women
Men have changed the world through inventions for women

Over and over again and again inventions come
And the greatest inventions ever invented

All for the Love of Women
Goddess Leslie Coon, created by a marvelous God

Mirror Mirror on the wall with your Orwellian cameras
Orwellian society in George Orwell's "1984"

Orwell had him break the Mirror and find the camera
This did not "fix" those keeping couples apart

What mentality behind a mirror
Would choose to hinder couples seeking romance?

Orwellian Top Brass could have been matchmakers
Couples matched up by someone hidden behind the mirror

Goddess Leslie Coon created by a marvelous God
Observers need to see the Goddess in women

War is Good – Peace is Bad
General Orwell how did he ever get a wife?

Leslie Coon is the Fairest of them All
Climbing with Greg Buell, Inventor of the Electric Windmill Car

Leslie was very impressed with the Cobra trap
Save 5,000 women a year for their husbands

Save another 5,000 women a year from Murderous husbands
So many things we have to invent working together

Leslie Coon is the Fairest of them All
Climbing with Greg Buell Inventor, of the Electric Windmill Car

Big Brother is watching, but not watching out for you
Leslie and Greg will doctor up those behind the hidden cameras

We need a Big Brother who is kind and considerate
Who will help couples wanting to get together?

I held Leslies hand and she got very Emotional
I took Leslies picture and fell in Love that Day

7-11-03 is the day I got a wife for life – I hope

If those behind the cameras let us invent gravity control

We will give the World a great invention - Gravity Control
In exchange for the Observers to Ok us to get married for Life

A wife for life

Was this her realization that caused the show of emotions?

A wife for life

Was this her realization that caused the show of emotions?

Leslie Coon is a Passionate Woman
Who would never have gone off to the Vietnam War to kill people

Fair exchange – gravity control for Leslie Coon's hand
Leslie Coon is the one I want to work with inventing

Mirror, and pin hole cameras
I know Leslie Coon watches me on hidden cameras

So what can I do about it?
Take here on for Life as a Wife

I asked Leslie if she could make contact
Tell me she watches me on hidden cameras

I want to Climb the highest peaks with a Rock Climbing woman
I watched Leslie at the Rock Climbing Gym

She taught me how to do Belaying
I taught Leslie how to invent gravity control

Fair exchange
Leslie Coon is the one I want to work with inventing

Leslie Coon is the one I want to work with inventing
Climbing with Greg Buell, Inventor of the Electric Windmill Car

Falling while rock climbing
Gravity control was a good invention to impress Leslie with

Men invent to impress women
Tensions in the rope pick up the slack in inventions

I want to invent 1,001 inventions
Leslie Coon is the one I want to work with inventing

Lottery players do not want to invent anything
Government leaders did this to society on purpose, lost inventors

Same warped minds that keep couples apart
By some government worker behind a hidden camera

I can't move up the mountain of inventing
Without the company of Leslie Coon

Leslie Coon is the one I want to work with inventing
Leslie Coon is the one I want to work with inventing

Conversations with Leslie Coon work toward an invention
Those behind the cameras limit our conversations and time together

Longest time I spent with Leslie was 15 hours working together flagging
I begged Leslie to stay longer in my room longer

I wanted to talk, brainstorm about the history of inventing
I got Leslie to stay for 30 minutes longer, but she was reading

I was happy anyway
Just to have her company

Desire for Leslie
Desire is burning in my heart

To get in another 15 hours with Leslie
Talking non-stop about the history of inventing

We will do this
When we get engaged

Engaged to gravity control
To the non-poisonous cobras

God forbid if we don't marry
Society will lose gravity control for centuries

Poisonous Cobras will kill 5,000 women a year for decades more
God forbid if we don't marry

To get in another 15 hours with Leslie
Talking non-stop about the history of inventing

We will do this
When we are engaged to 1,001 inventions

My recipe for getting an invention
Say my mantra, not the transcendental mantra

Say gravity control over and over again
As your mantra, while talking and reading

As you read the article
As you brainstorm with Leslie Coon

Leslie Coon is the one I want to work with inventing
Leslie Coon is the one I want to work with inventing

It's been 24 hours since Leslie left this room
I think she is watching me write this via hidden cameras

We're suppose to be friends
And I have us married for life in this poem

Poetic license I will tell her
I told her I was going to write this poem

I asked her many questions about writing this poem
I told her about Vietnam and meeting Kennedy

I told her about the "Oil Embargos" ending
The day I invented the Electric Windmill Car

I told her about the 2 girl friends I had in 1979
That they told me they watched me on hidden cameras

I asked her if she could make contact
Tell me she watches me on hidden cameras

She got so Emotional as we parted outside
She will tell me someday, what happened

I though about this all night
When women are overcome by emotions

I love them even more for being women
Men cannot show emotions like this

My emotions direct my thoughts to doctoring up

Those who are keeping us apart behind hidden cameras

I would beg Bush
If it would do any good

To let me have Leslie for a wife for life
To let us work on gravity control

Begging Bush will do no good
Have to figure out something else

In front of the mirror, Leslie Coon is the Fairest of them All
Climbing with Greg Buell, Inventor of the Electric Windmill Car

To get in the 15 hours with Leslie
Talking non-stop about the history of inventing

We will do this
When we are engaged to inventing 1,001 things

Is there any way you can make contact?
Tell me you watch me on hidden cameras?

It's been 24 hours since I asked Leslie this
7 pm to 7 pm tonight

Observers have been with me all day
They were on the sidewalk in front of me

One even talked to me about working on a Saturday
I was surprised at this bold move by the observers

At 3 pm when I got off work flagging at 9th and Canyon
Truck ran over a car today, just a scratch this time

Forman for Colorado Clean Up didn't fix this danger
He drove off in his truck the VIP he is

Made fun of the car driver not being able to pronounce Forman
Not taking responsibility for setting up the Flaggers wrong

The cat driver digging out the sub basements
Moved one flagger to the entrance

Only because the truck drivers complained
Rick the Forman was home sleeping off the accident

And his wrong decision placing flaggers
He would have covered this up if I were not one of his Flaggers

Inventor of the Electric Windmill Car working as a Flagger
One Construction worker stopped to say hi to me as an Inventor

Rick's favorite flagger was on his cell phone for 3 hours
This has to tell you never hire Colorado Clean Up CCC

To dig a sub basement for your building
Or anything else – until Rick gets fired

Sheriff is the only one who can get Rick the Forman fired
For not putting a Flagger at the entrance where the semis pull in

I did get one invention I can market to those digging out a basement
Steel carpet for traction for the semi dump trucks

No one rents these or even markets them
For when the trucks get stuck on a steep grade

I'm stuck on a steep grade
I want Leslie for a wife for life

I cannot climb behind the hidden cameras
I cannot climb behind the hidden cameras
I cannot climb behind the hidden cameras
I cannot climb behind the hidden cameras

Dan Rather made Orwellian comments for 2 decades
About the Electric Windmill Car

I cannot climb behind the hidden cameras
I cannot climb behind the hidden cameras

I'm stuck on a steep grade with idiot Bosses
Who don't care who is watching on the hidden cameras

Semi dump trucks turning right from the left lane
Sheriff driving by must have observed this hazard

Truck drivers got screwed with this stress
By Rick the Forman being the Boss

It's hard to kill a Caesar

Oil Embargos ended the day I invented the Electric Windmill Car

Caesar with oil did not die
Caesar with oil wells survived the Electric Windmill Car hit

I went to George Reynolds branch library for months
Working on the Electric Car invention when Oil Embargos were going on

I showed Leslie Coon the brick wall I sat on
When the idea came to me

I was reading "Animal Farm"
There is a windmill that is destroyed many times in this book

Leslie parked her car across from this brick wall on purpose
I knew she was an observer this day

Leslie had the loveliest smile
Driving over to this area

Maybe I fell in love with her that day
Leslie had the loveliest smile when I told her the story

I saw smoke rising on Table Mesa
I watched the cars pass by

I was reading "Animal Farm"
I thought of the Electric Windmill Car

Leslie Coon is the one I want to work with inventing
Climbing with Greg Buell, Inventor of the Electric Windmill Car

24 hours ago I got a wife for life
24 hours ago I got a wife for life
24 hours ago I got a wife for life
24 hours ago I got a wife for life

My mantra is gravity control
My inspiration is my Goddess Leslie Coon

My biography is on hidden camera videotapes
My life is on videotape

I invited Leslie to sleep over on the air chair – she said no
I had a feeling she said no because of the hidden cameras

In my room
I will find out when we are engaged inventing

Didn't get a Kiss goodbye, got a "Extremely Emotional" Leslie
I got an emotional woman; I could feel + see her emotional stress

I could observe her emotional stress
I love women – I fell in love with Leslie Coon

They can show their emotions so brilliantly
Brilliantly she drives me on wooing her

Much better than getting a mail order bride
I don't have to work for

I'm stressed out writing this poem
I wonder if she will marry me and work with me on gravity control

I'm working overtime-wooing Leslie Coon
Romantic movies, The Thomas Crown Affair

Dramatic scenes test their desires, do they want love
\$10 million dollars is added to her wedding night + life

Every man who loves women would give them \$10 million
If every man had this much money to give to women

I will give Leslie Coon \$10 million
I will give my entire wife's \$10 million

I will give all my money to women
I only work for money to give it to women

Oil Men since the Oil Embargo Era
Are the exceptions, they turn women into whores

Because they do not want women to invent with
They do not want women to brainstorm with

Observers let men from Saudi Arabia buy sex
Mistreat American women for oil money

Oil was replaced with the Electric Windmill Car in 1980
Kennedy and others are worst than Hitler

Suppressing the Electric Windmill Car

Letting cops and kid's burn and burn to death in gasoline

These are the people I have to beg to let me have Leslie Coon
To work on gravity control and 1,001 other inventions

They set someone else's kids on fire for more oil money
They let Saudi men turn USA women into whores for oil money

Our Ruling Class gives nothing back to society
For illegal oil money profits since 1980

Conversations with Leslie Coon work toward an invention
Those behind the cameras limit our conversations and time together

Longest time I spent with Leslie was 15 hour working together flagging
I begged Leslie to stay longer in my room

I wanted to talk, brainstorm about the history of inventing
I got Leslie to stay for 30 minutes longer, but she was reading

Ruling Class did this deed to me
Worse deeds are all part of their Class

Invention productivity fades with age + marriage
Is a new story in the news

Satoshi Kanazawa writes in the British weekly New Scientist
Invention productivity fades with age + marriage

Not in a marriage like I want for Leslie and Greg
Leslie Coon is the one I want to work with inventing

Marriage with the couple working together brainstorming
1,001 invention projects

Our Ruling Class would never promote this kind of marriage
Our Ruling Class would never promote this kind of marriage

A Ruling Class decisions that affect 5 billion people
Marriage with the couple working together brainstorming

Are not in the British weekly New Scientists
British Ruling Class are famous Caesars to say the least

Some other psychologist will write up Leslie and Greg
By getting the gravity control invention we will win for society

What the Ruling Class has lost
By getting the gravity control invention we will win for society

We are at war against the Ruling Class
Before you get a wife for life you must win part of this war

My theory is after you are settled down in a marriage
You can want more inventions to change the Ruling Class some more

Newton hated the British Ruling class
So much he stifled any couples from inventing gravity control

How can I write this?
Same as George Orwell did with the troubled couple at the mirror

He breaks the mirror
And finds the hidden camera

Those behind the cameras hindered the couples getting together
Caesar has never been for the people's social mobility

Caesars is a casino – you lose at
My 1,001 inventions projects have never been published

I would be on my second 1,001 inventions you can invent
If Kennedy was sane

If the Ruling Class was sane
If I had more wife's than the King of Saudi Arabia

Genius strives to impress women
When women are looked at as Goddesses of creation

Whoever created the Universe
Will not let us get away with murder

I told Leslie I think our brain waves, consciousness
Leaves the body at death, and travels like satellite waves

I told Leslie she would break my heart
If I lost her climbing Everest

As at this point in our marriage – when she climbs Everest
We would have gotten gravity control and be long time Lovers

Poison less Cobras
And climber's clamps for surgeries

We will give the World Gravity Control
In exchange for the Ruling Classes Ok to get married for Life

Fair exchange
Leslie Coon is the fairest of them all

Mirror Mirror on the wall
Observers behind the hidden cameras

Fair exchange is give Greg Leslie, for a wife for life
We both will give society gravity control

Fair exchange
Not yet as I am all alone writing this

24 hours after Leslie left this room
I have not heard from her

Observers carry on in their Orwellian Society
Business as usual

Big Brother is watching but not watching out for you
Introduction to the Light Year Conquest Corporation

52 nearest stars in the poem
Have never been published in the New York Times

I would beg Bush
If it would do any good

To let me have Leslie for a wife for life
To let me show her the 52 nearest stars to Earth

I'm missing out on so many conversations with Leslie
Lonely nights have been part of my life since 1979

I'm missing out on so many conversations with Leslie
Leslie Coon is the Fairest of them All

Climbing with Greg Buell, Inventor of the Electric Windmill Car
Observing Greg Buell on hidden cameras

Genius strives to impress women

We love the creation of women

Emotional Leslie when she left this room 24 hours ago
Yet she has not called me in 24 hours

I would have been back in less than 24 hours if I were she
I would not have been able to stay away

Leslie Coon is the one I want to work with inventing
Leslie Coon is the one I want to work with inventing

I held Leslies hand and she got very Emotional
I took Leslies picture and fell in Love that Day

In front of the mirror, Leslie Coon is the Fairest of them All
Same mirror I took our pictures and told her the story

"1984's" couple never got together to invent gravity control
Observers behind the hidden cameras have company meetings

They are deciding our fate
Leslie and Greg

And the fate of gravity control
And non-poisonous cobras

Simple twist of fate
Nothing is simple any longer

Atom has 150 parts and several force fields today
I told Leslie when we were in high school the atom

Had the electron, proton and neutron
Today Leslie and Greg can get the gravity control invention

Right before Leslie got in her car and drove off
I told her the observers would be surprised

When we get gravity control
I will not be surprised

I have faith in Women
I can observe my climbing with Leslie Coon

Reaching the peak called gravity control
I took our picture in front of the Mirror

Same mirror I told Leslie the "1984" store about him breaking the mirror
This poem is my Doctor

Miracle cure for the ills of Earth
Climb to the gravity control peaks

This poem is my Doctor
My stress waiting to hear from Leslie Coon is unbearable

This poem is my Doctor
Leslie Coon is my climbing partner

I hope to hear from her today
Sunday 13 July 2003

We're suppose to be friends
And I have us married for life in this poem

Engaged to getting 1,001 inventions working together
I hope Leslie says ----- Yes! To my proposal

Mirror Mirror on the Wall in my Room
Leslie Coon is the Fairest of them All

Assembly Line Auditors don't Record a Friends Mistakes

Assembly line auditors do not record friend's mistakes
Affirmative is asserting that something is true
"Affirmative action" is not based on fact
MD statistics show "affirmative action"
MD's kill and mismanagement patient treatments
The top manager replaced merit with "unmeritorious"
And blames the assemblers for the low production
Americans reject "affirmative action" at the ballot box
The top manager replaced merit with "unmeritorious"
Stockholders reject mismanagement
In the low value of the stock
Vice President Al Gore urged Americans to reject
Ballot initiatives that chip away at "affirmative action"
A statisticians report on "affirmative action"
Would impeach Gore before he was elected President
Affirmative is asserting that something is true
Gore would never visit an "affirmative action" MD
Gore would never visit an "affirmative action" MD
Gore would never visit an "affirmative action" MD
The unmentionable is now a medical issue
With "affirmative action", MD's are killing their patients
Statistics show the assembly line numbers declined
Manager blames the same assemblers who broke records
Police don't give everyone they observe speeding a ticket
Assembly line auditors do not record friend's mistakes
Statistics can show MD mistakes
Throughout their lifetime when they become a MD
Statistics are sophisticated
The development of the theory of probability
Increased the merit of statistics
Probability is used in surgery and everywhere!
A statisticians report on "affirmative action"
Would impeach Gore before he was elected President
Scientists from France's Pasteur Institute
Developed a vaccine against dysentery
Dysentery will kill a million people in 1999
"Affirmative action" is a serious management mistake
If a virus researcher
Is given the job via "affirmative action"
Manager on the assembly line

Can lower production and blame the assemblers
 Manager of the Medical school
 Is faced with "affirmative action" students
 Whose kills will total a million people in 2010?
 Whose kills will total a million people in 2010?
 A statisticians report on "affirmative action"
 Would impeach Gore before he was elected President
 WHO at the United Nations
 Knows this is true
 So, who is suppressing this statisticians report?
 So, who is suppressing this statisticians report?
 Assembly line auditors do not record friend's mistakes
 Friends of "affirmative action"
 Do not want to record their mistakes on the job
 Study of mismanagement case histories
 Point to friends who do not record a friend's mistake
 Car factories recall cars every month
 Assembly line auditors do not record friend's mistakes
 FDA recalls on the Internet
 Makes you wonder how they caught them
 30 of the 118 original rocket men who came here
 From Hitler's Germany are still alive
 They all worked on V2 rockets that bombed London + Paris
 They all worked on the Apollo Moon rockets
 Wernher von Braun led the engineering
 To land on the Moon
 Von Braun and his engineers were transformed
 From servants of Hitler's war machine
 To heroes of America's race to the Moon
 To heroes of America's race to the Moon
 Rocket scientist's heroes of America's race to the Moon
 Rocket scientist's heroes of America's race to the Moon
 Then American mismanagement left the Moon
 Because the cost of Vietnam
 Because of the many Vietnam's
 Statistics could predict
 An oil war
 With a electric car suppressed
 Therefore, the wars go on
 WHO at the United Nations knew of this?
 WHO at the United Nations
 Knows this is true
 Therefore, what does the United Nations stand for?
 They stand in awe of the Bully
 They stand in awe of the Bully
 They stand in awe of the Bully
 Same can be said for the Nobel Prize committee
 Who are Bullied into giving Nobel Prizes?
 They stand in awe of the Bully
 They stand in awe of the Bully
 "Affirmative action" Nobel Prize winners
 Are picked by bullies in the USA
 Vice President Al Gore urged Americans to reject
 Ballot initiatives that chip away at "affirmative action"
 "Affirmative action" Nobel Prize winners

Nobel Prize committee
 They stand in awe of the Bully
 They stand in awe of the Bully
 WHO at the United Nations
 WHO at the United Nations
 Knows this is true
 Rocket scientist's heroes of America's race to the Moon
 Rocket scientist's heroes of America's race to the Moon
 Killed thousands
 With V2 rockets bombing London and Paris
 Third man to walk on the Moon
 Charles ``Pete" Conrad. Apollo 12 (1969)
 Was killed Thursday in a motorcycle accident
 Last week at age 69
 Anyone who knows the statistics of motorcycles
 Would never ride one
 WHO at the United Nations knows this?
 However, they stand in awe of the Bully
 Assembly line auditors do not record friend's mistakes
 Assembly line auditors do not record friend's mistakes
 You do not have to be rocket scientists
 To know "affirmative action" stifles social mobility
 Mobilize for War
 Mobilize for Star Travel
 "Affirmative action" belongs on the car assembly lines
 Not among the auditors who record the mistakes
 Not among Doctor scientists
 Who invent new vaccines and diagnostic technique?
 What "Dreams" are made of?
 What "Thoughts" are made of?
 Human consciousness is at stake
 How it was created can be discovered
 Can it travel?
 To the other side of the Galaxy
 After death?
 Can consciousness travel through space?
 Marconi invented radio in 1901
 Marconi invented radio in 1901
 Marconi an Italian engineer and inventor
 Who in 1901 transmitted long-wave radio signals?
 Across the Atlantic Ocean
 He shared the 1909 Nobel Prize in Physics
 In 1900
 "Interpretation of Dreams"
 Was Freud's most important work?
 In addition, I read this book in 1985
 Interpretation of Everything
 Is interpretation of the Universe?
 WHO at the United Nations knows this?
 Nevertheless, they stand in awe of the Bully
 Bullies brings guns to Colorado High Schools
 Bullies bring war
 When society has the electric car
 When society has the electric car
 Bullies bring war
 To keep the oil flowing
 When they have the electric car
 Bullies bring war to keep the oil flowing for the money
 Nobel Prize committee

Salutes the Bullies
 WHO at the United Nations
 Salutes the Bullies
 Vice President Al Gore urged Americans to reject
 Ballot initiatives that chip away at “affirmative action”
 You do not have to be rocket scientists
 To know "affirmative action" stifles social mobility
 So why is a Vice President
 Calling the voters fools?
 For voting against "affirmative action"?
 Because he is being a Bully
 Why is he mismanaging?
 Because he hasn't enough merit
 You have to be rocket scientists
 To launch rockets
 You cannot accept rocket parts
 Friends have audited
 For more than a century
 In 1774, France experienced periodic crisis
 From royal mismanagement
 This finally brought elections, the ballot box
 Now
 Now
 Vice President Al Gore urged Americans to reject
 Ballot initiatives that chip away at “affirmative action”
 Managers are found guilty of mismanagement
 By assemblers
 Vice President of the Company is their friend
 Friends do not record friend's mistakes
 Statisticians can actually tell you
 How many Nations and Companies go bankrupt
 By mismanagement
 In addition, you can look it up in Microsoft Bookshelf 2000
 Just type in mismanagement
 In addition, you will get a thousand years
 Of cases of mismanagement naming names
 Using Microsoft Bookshelf 2000
 For more than a century
 In 1774, France experienced periodic crisis
 From royal mismanagement
 This finally brought elections, the ballot box
 Now
 Now
 Vice President Al Gore urged Americans to reject
 Ballot initiatives that chip away at “affirmative action”
 Bullies bring war
 Bullies bring war
 When society has the electric car
 When society has the electric car
 Bullies bring war
 To keep the oil flowing money
 Nobel Prize committee
 Salutes the Bullies
 WHO at the United Nations
 Salutes the Bullies
 Affirmative is asserting that something is true
 Whole Earth can go bankrupt in WW III
 Bullies we have today
 Could start WW III

To keep the oil flowing money
Even though they have the electric car
Nobel Prize committee
Must Salute the Bullies
WHO at the United Nations
Must Salute the Bullies
They stand in awe of the Bully

I RENOUNCED MY USA CITIZENSHIP
WHEN MILLIONS OF BOAT PEOPLE
GOT THEIR USA CITIZENSHIP
MILLIONS OF BOAT PEOPLE
USA'S EMOTIONAL INVESTMENT
IS IN WITH THE BOAT PEOPLE
HUMILIATION AT A MILITARY LOSS
MIRACLE CURES WERE SUPPRESSED
ANGER AND RAGE OF MASSACRING
MONEY, PEOPLE AND MIRACLE CURES
LOOKING BACK - COST OF VIETNAM
WOULD HAVE PAID FOR
A CANCER CURE
LOOKING BACK - ELECTRIC CAR
WHEN THEY WENT INTO THE GULF
THOSE OPPOSED TO THE WAR
KNOW WHAT MONEY CAN BUY
THOSE OPPOSED TO THE WAR
IN VIETNAM SAW MASSACRING
MASSACRING OF WOMEN AND KIDS
MASSACRING OF MONEY
YET VIETNAM WAS SORT AFTER
BY THE USA GOVERNMENT
MORE THAN A CURE FOR CANCER
MORE THAN A CURE FOR CANCER
MORE THAN 1,001 MIRACLE CURES
CONTEMPT FOR LIFE PREVAILS
THERE IS NO FEAR OF GOD
NO FEARING A BILLION
LIGHT YEAR TREK OF STARS
DISTRESS OF LIGHT YEAR TRAVEL
ELATION OF LEAVING THE EARTH
SURVIVAL OF THE EARTH ?
IN QUESTION BECAUSE OF LEADERS
PUT YOU IN WITH
BLACK MERCENARIES
WHO WANT MONEY
NOT ALL YOUR INVENTIONS
BRAINS LET US KNOW WHO TO AVOID
STATISTICS IN FAVOR OF WHITES
ONLY BECAUSE THEY STUDY
40 HOURS A WEEK AFTER WORK**

**IN ORDER TO GET INVENTIONS
 NO GOVERNMENT WELFARE HERE
 BEING GROSS IS A TRAIT
 OF THE IRATE
 WHO WANT EVERYTHING
 IRATE RAPISTS ARE
 IN WAR AND PEACE
 THEY GROSS OUT THE MASSES
 YET THEY GET AWAY WITH MURDER
 MURDERING THEIR EX-WIFE
 GOVERNMENT AUTHORIZED
 HIS GETTING AWAY WITH THIS
 DESTROYING THE WHOLE EARTH
 GOVERNMENT HAS NO REGRETS
 AT LOSING MIRACLE CURES
 CURE FOR VIOLENT BEHAVIOR
 HAS BEEN SUPPRESSED TOO
 REGRETS AT LOSING
 THE VIETNAM WAR
 SO THEY STIFLE
 THOSE AGAINST WAR
 BY SACRIFICING
 THE CANCER CURE
 AND SUPPRESSING
 THE ELECTRIC CAR
 LETTING US KNOW
 WE MUST RENOUNCE
 OUR USA CITIZENSHIP
 CORRUPT MEDICAL RESEARCH
 HAS NEVER BEEN MORE CORRUPT
 MOTIVATOR OF FINDING A CURE
 HAS BEEN LOST TO THE MILITARY
 FAMOUS DOCTORS OF JOHN HOPKINS
 SUPPORT MILITARY HARASSMENT
 OF ANTI WAR CANCER RESEARCHERS
 YEARS LOST TO THIS CORRUPTION
 FEARING WHO FINDS A CANCER CURE
 FEARING I WILL FIND A CANCER CURE
 MEDICAL RESEARCH WAS CORRUPTED
 A CRIME AGAINST HUMANITY
 I WILL NOT LET THEM
 GET AWAY WITH IT
 I WILL RENOUNCE
 MY USA CITIZENSHIP !
 RESENTMENT AT CHRONIC ILLNESS
 MASSACRING OF RESEARCH MONEY
 IN WAR
 IN PEACE THEY GO AFTER
 THE ANTI WAR PEOPLE
 WORKING ON A MIRACLE CURE
 FOR CANCER
 USA ENDS UP
 WITH A MILLION BOAT PEOPLE
 AND THE INVENTOR
 OF THE ELECTRIC CAR
 RENOUNCING HIS
 USA CITIZENSHIP
 AND MISSING THE CANCER CURE
 FEARING ME FINDING A CANCER CURE**

**CAN THEY STIFLE ME WHERE EVER I GO ?
DOES ANYONE MISS
THE CANCER CURE
THAT WAS LOST
BY THE GOVERNMENT ?
FEARING WHO FINDS A CANCER CURE
BIG OIL SUPPRESSED THE ELECTRIC CAR

POW INVENTOR
INVENT A END TO WAR ON EARTH

INVENT A END
TO VIOLENT BEHAVIOR

**HYPOTHETICAL INVENTOR
WHO SAILS THROUGH INVENTIONS**

**HYPOTHETICALLY I SAIL THROUGH
INVENTION PROJECTS SUCCESSFULLY**

**BASED ON SAID PREMISE
MY POW STATUS STIFLES STAR TRAVELS**

**MY POW STATUS STIFLES
A CANCER CURE**

**THIS POW INVENTOR
FIRED FROM HIS POST OFFICE JOB
OF DELIVERING INVENTIONS**

**SO I RENOUNCE MY USA CITIZENSHIP
ON CHRISTMAS DAY**

**REMINDS ME OF THE CHRISTMAS DAY
THE USA BOMBED HANOI**

**NOT TO WIN A WAR BUT TO MOCK GOD
NOT TO WIN A WAR BUT TO MOCK GOD**

**THE USA BOMBED HANOI
SAME TIME THEY STIFLED STAR TRAVELS**

**IN 1987 A PHILIPPINES FERRY
WAS SUNK BY A OIL TANKER**

**1,600 PEOPLE DIED
DI WOULDN'T HAVE DIED EITHER**

**IN A ELECTRIC CAR SOCIETY
DI AND THE 1,600 WERE SUNK BY OIL**

**BY THE SUPPRESSION
OF THE ELECTRIC CAR SOCIETY**

**POW STATUS FOR THE MASSES
BY THOSE WHO ORDER THE BOMBING**

**ON CHRISTMAS DAY
THEY MOCK GOD INTENTIONALLY**

**TORMENTORS ARE SICK
BUT PSYCHIATRIST ARE AFRAID
TO TELL THEM OR CURE THEM**

**SO THEY PUBLISH A PAPER
SAYING FAGS ARE NOT SICK EITHER**

**NO ONE BELIEVES THEM
NO ONE BELIEVES THEM**

**WE KNOW THEY ARE BULLIED
BY THE RICH FAGS**

**WHO FORGOT TO OBSERVE
THE UNIVERSE**

**ONE CAN LOSE COUNT OF GALAXIES
AND KILL THEIR SUPERIOR STATUS**

**MAKE WAR MORE IMPORTANT
THAN STAR TRAVELS**

**GALAXY TO GALAXY TRAVEL
IS KILLED BY WAR**

**THEY INTENTIONALLY MOCK GOD
INTENTIONALLY STIFLE**

**MY FINDING A CANCER CURE
AND 1,001 OTHER INVENTIONS**

**A CANCER CURE
THEY'LL PROBABLY SUPPRESS**

**TO KEEP THE STATUS QUO
TO KEEP THE STATUS QUO**

**ELECTRIC CAR AND CANCER CURE
WOULD CHANGE THE WORLD**

**IN 1987 A PHILIPPINES FERRY
WAS SUNK BY A OIL TANKER**

**1,600 PEOPLE DIED
DI WOULDN'T HAVE DIED EITHER**

**IN A ELECTRIC CAR SOCIETY
DI WAS SUNK BY OIL TOO**

**THIS POW INVENTOR
FIRED FROM HIS POST OFFICE JOB
OF DELIVERING INVENTIONS**

**DOESN'T KILL HIS SUPERVISOR BUT -
INVENTS A CURE FOR VIOLENT BEHAVIOR**

**TORMENTORS ARE SICK
BUT PSYCHIATRIST ARE AFRAID
TO TELL THEM OR CURE THEM**

**SO THEY PUBLISH A PAPER
SAYING FAGS ARE NOT SICK EITHER**

**NO ONE BELIEVES THEM
NOT EVEN THE TORMENTORS**

**THEY CHOOSE TO MOCK GOD
THEY WANT GOD TO SHOW HIMSELF**

**DID GRAVITY CREATE ITSELF ?
DID GRAVITY CREATE ITSELF ?**

WARS EXTREMELY PSYCHOTIC MADMEN

IS AN UNDERSTATEMENT

**EARTH'S TORMENTORS ARE SICK
BUT PSYCHIATRIST ARE AFRAID
TO TELL THEM OR CURE THEM**

**POW INVENTOR
INVENT A END TO WAR ON EARTH**

**INVENT A END
TO VIOLENT BEHAVIOR**

**HYPOTHETICAL INVENTOR
WHO SAILS THROUGH INVENTIONS**

**DELIVERS THE INVENTIONS
WITHOUT KILLING THE MADMEN**

**GOVERNMENT CAN'T INVENT
WAY TO STOP MAIL MEN FROM KILLING
EACH OTHER AND GOD KNOWS WHO ELSE**

**GOVERNMENT WON'T EVEN TRY
TO STOP MADMEN FROM STARTING WAR**

**DI AND THE 1,600 WERE SUNK BY OIL
DI AND THE 1,600 WERE SUNK BY OIL**

**IF I WAS ALLOWED TO DRIVE ON
AFTER THE ELECTRIC CAR INVENTION**

**1,001 OTHER INVENTIONS
WOULD BE IN SOCIETY**

**AND ONE OF THEM WOULD BE
A CURE FOR VIOLENT BEHAVIOR**

**THIS IS WHY
I RENOUNCE MY USA CITIZENSHIP**

ON CHRISTMAS DAY

**LAST RASH OF POST OFFICE KILLINGS
WOULDN'T HAVE HAPPENED**

**DI AND 1,600 PEOPLE
WOULD BE ALIVE**

**BUT THEY WERE SUNK BY OIL
DI AND THE 1,600 PEOPLE**

**WOULDN'T HAVE DIED
IN AN ELECTRIC CAR SOCIETY**

**IN A SOCIETY
FREE FROM VIOLENT BEHAVIOR
AND MADMEN**

**STATUS QUO CAN CHANGE
FOR THE GOOD**

**EVEN IF OIL KINGS GO BANKRUPT
AND CANCER MD'S HAVE TO FIND A JOB**

**MOTIVATED BY DESIRE
TO END WAR ON EARTH**

**SHERIFF DIBARTOFO SHOT HIS WIFE
OF 19 YEARS IN THE HEAD**

**MOTIVATED BY DESIRE
TO COLLECT \$100 GRAND INSURANCE**

**FASTER THAN LIGHT TRAVEL
IS IMPOSSIBLE THE MADMEN SAY**

**SO IS ENDING VIOLENT BEHAVIOR
POSSIBLE FOR ME TO INVENT**

**WHEN A SHERIFF
SHOOTS HIS WIFE IN THE HEAD
FOR THE INSURANCE ?**

**HYPOTHETICAL INVENTOR
WHO SAILS THROUGH INVENTIONS**

**HYPOTHETICALLY I SAIL THROUGH
INVENTION PROJECTS SUCCESSFULLY**

**BASED ON SAID PREMISE
MY POW STATUS**

**HAS LOST HUMANITY 1,001 INVENTIONS
HAS LOST HUMANITY 1,001 INVENTIONS**

Kennedy's Nobel Prize

Kennedy's Nobel Prize

Kennedy's Nobel Prize

Kennedy limits the number of students who get into Medical Schools

Kennedy limits the number of students who get into Medical Schools

Newspapers have really bankrupted our society

With George Orwell at the news desk

Cause of the accident or tragedy is seldom reported

Analysis is left to the CIA

Start of the year 2000

Top stories are Y2K malfunctions

*Function of the Universe is mute
Universe is not a top story of 2000*

Pentagon is mated to 20 wars

With no way out

Kennedy is still driving drunk

This time on oil money

Pollution from oil in the big cities drowns thousands

While Kennedy swims to clean waters

2000 top stories are Y2K malfunctions

George Orwell is alive and well in the USA

Newspapers Kennedy "owns" have bankrupted our Universe

Top Stories of 2000 are Y2K faults

Microsoft's General Protection Faults are in the newsgroups

Ie5, Ie5.01 and win98SE cause millions of illegal operations

Microsoft's response is unpaid technicians, MVP's

MVP's delete your message - they're stressed out

You don't have to be a rocket scientist to observe this

Top Stories of 2000 are Y2K faults

MSNBC news did not report this Microsoft newsgroups story

Other stories are Y2K faults

Million men Armies of many Nations

Play the centuries old game of War

2010 attack on Taiwan is in the planning stage

2000 attacks are daily goings on in the world's war rooms

Washington think tank is light years from NASA

NASA Struggling to get off the ground in a World into Wars

With no way out

The 20 odd wars go on indefinitely - for Centuries

End to war on Earth protesters should not go to Beirut

Cause of the war is left to CIA analysis

Newspapers seldom report the cause of the conflict

George Orwell is at the news desk

Totally in control of what is and is not reported

Microsoft's response is unpaid technicians, MVP's

Are in total control of Microsoft newsgroups on the web
Minorities fail the High School exam after 12 years in school

Kennedy and others ordered the Dept. of Education
To process student loans at their top priority, not education

MSNBC ran student loan stories to bully opinions
Generations of kids were killed by this journalism

George Orwell is alive and well at the news desk in the USA
Causing harm to society

MSNBC never ran a story on making the University mandatory
Because Kennedy and others did not want a Free University

\$1 cd-rom with all the Universities courses is illegal
Kennedy and others made this illegal

But Microsoft could sell one cd-rom for \$500 profit
To cancer researchers

George Orwell wanted to point out what was unethical

Bill Gates failed the 10 Commandments test

Veterans who failed the 10 Commandments test

And went off to a war in Vietnam

Now harm family members because of post-traumatic stress

Caused by combat situations that would sicken normal people

1,800 political prisoners were slain at Taejon, Korea

More were massacred the next week with the USA in charge

This is Korea; Vietnam was no different in massacring people

Top Secrets are classified for a good reason

Normal people would protest this behavior

Newspapers would put them on trial for genocide

Newspapers have really bankrupted our society

With George Orwell at the news desk

Student loans dominate the news not the Free University

China with 1.2 million PhD's would be an intellectual superpower

Yet, China limits the number who can go to the University too

Yet, China limits the number who can go to the University too

Congress and the Supreme Court will rule on Nike University

As the best way to turn assemblers into University graduates

1% of employees use the companies tuition programs

Nike University would up this to 99%

Kennedy and others would make this illegal

This is just the nature of the rich and famous

They cannot see beyond the horizon

To the stars and galaxies humanity must travel to

Chappaquiddick drunk driving did not give us prohibition

*Tens of thousands have died from drunk driving since
Chappaquiddick*

George Orwell is at the news desk

Drunk on money from the liquor industry

Drunk on money from Big Oil

*Microsoft drowning the cancer cures for the highest profit margins
possible*

Nations with million man armies massacring someone else's citizens

To have it come back on them via troops killing friends and family

12 million vets will kill and harm family and friends

From the horrors of war via post traumatic stress disorders

Flu, influenza has reached epidemic proportions

Because flu shots are still shots and not a pill

Medial Schools limit the number of students who can become Doctors

Without thinking of the "Plagues", still active in the year 2000

This is just the nature of the rich and famous

And with George Orwell at the news desk they can hide

Many schools ban pupils from having mobile phones on the premises

Many factories ban assemblers from having cell phones

This is the nature of the rich and famous

Cell phones should be mandatory

With mandatory hot line, phone numbers for whistle blowers

With mandatory hot line, phone numbers for whistle blowers

For Mountain climbers and hikers on the city streets

Hot line to report the schoolyard bullies instantly

Chappaquiddick drunks leaving with their girlfriend

Are observed without calling it in to authorizes

Question authority is what George Orwell is all about

"Down and Out In Paris and London" written in 1933

Nike assembly line workers are down and out in 2000

Only an act of Congress can change their fate

Kennedy and others in Congress

*Would have to go against their nature to pass a law for Nike
assemblers*

To make Nike University part of employee benefits at Nike

*Kennedy and others in Congress would have to go against their
nature*

Kennedy limits the number of students who get into Medical Schools

Without thinking of the "Plagues", still active in the year 2000

Kennedy and others in Congress have the nature of the rich

Keep a mandatory University debate out of the news

This is Kennedy's Nobel Prize to society

Pentagon is mated to 20 wars

With no way out

12 million vets will kill and harm family and friends

From the horrors of war

Start of 2000

Start of 2000

Start of 2000

Start of 2000

1,184,758 legal abortions were reported

After the fact pill is in the first part of trial stages

Pill to keep 1 million girls from getting an abortion

Each year

Kennedy and others have harmed a millions girls

Kennedy and others have harmed millions of vets

*Videotaping surgeries helps surgeon's technique
Profound impact on getting a 10% or 100% grade by MD's*

With George Orwell at the news desk

Only 10% of Doctors know of the better techniques

Only 10% of Student goes on to the University

Only 10% of these go on to Medical Schools

0% of Nike assemblers get a University education

Nike University is in Congress on a back burner

Alpha Centauri is in Congress on a back burner

Space heaters constantly burn down houses every winter

Drunks freeze to death every winter in Russia

Now in record numbers

Start of 2000

Start of 2000

Start of 2000

Start of 2000

Gravity control is in Congress on a back burner

Army of Physicists not troops will conquer gravity control

Total Recall is still an old movie, though it's a great movie

Total Recall in a pill has not been invented

Gravity wave detector, the Nautilus in Italy

Has detected a cosmic wave but no gravity waves

Detector consists of a 2300 kg aluminum cylinder

Cooled to 0.1 K

How would you go about detecting gravity waves?

How would you go about getting this into all the textbooks?

1,001 Things You Can Invent published on cd-rom and DVD

1,001 Things You Can Invent published on cd-rom and DVD

1,001 Things You Can Invent published on cd-rom and DVD

1,001 Things You Can Invent published on cd-rom and DVD

Kennedy and others have made this illegal

Because it's their nature

Their version of George Orwell is at the news desk

This is Kennedy version of the Nobel Prize

New gadgets are not incorporated into society

Cell phones, University courses on DVD, Web cameras.

Web camera incorporated into Medical schools

Cell phones incorporated into Medical schools

Web camera in the classroom and assembly line

Kennedy and others can observe all this and more

It's not their nature to incorporate it into society in General

Y2K faults is the story they want to dominate 2000

2,000 other news stories were more important

2,000 reporters could not report on these stories

George Orwell is alive and will at the news desk

All the books George Orwell wrote fail to influence

Kennedy and others to do the right thing

To pass the 10 Commandments test

So, we could be on our way to the 10 nearest stars to Earth

So, we could be on our way to the 10 nearest stars to Earth

*Drinking is behind many violent and accidental deaths in Russia
Drinking is left behind at Chappaquiddick*

Drunk on money from oil is left out of the news

Those who drown from pollution are casualties of war

Those who are drown by drunk drivers are casualties of war

Social wars that spill over into international wars

Pentagon is mated to 20 wars with no way out

China is planning to attack Taiwan in 2010

China's 1.2 billion PhD's are on the back burner

Taiwan is no were near as important as 1.2 billion PhD's

Yet, it is to "Kennedy" and others who rule China

"Kennedy" and others who rule the USA

Same nature of the beast in their soul

Afraid to blast off in the Shuttle to other stars

Can't invent a 747 Shuttle to fly off to other stars

Because other wars are in their hearts and news

1 million of the 1.2 billion PhD's will invent gravity control

1.1 Billion PhD's will go on to invent 1,001 other things

Newspapers have really bankrupted our society

With George Orwell at the news desk

2,000 stories were more important than the Y2K stories

George Orwell is in total control of what is reported

Kennedy and others are George Orwell

This is Kennedy's Nobel Prize to Humanity

Still drunk after all these years

Still letting people drown

Now they drown on pollution

While Kennedy swims to cleaner waters

Because Kennedy is drunk on Oil Money

Money spent on the Vietnam War ended Apollo landings

Kennedy still spends our money on wars

Still light years from landing men on the moon permanently

This is Kennedy's Nobel Prize to Humanity

This is the nature of the rich and famous

This is Kennedy's Nobel Prize to Humanity

Kennedy's Nobel Prize

1 Billion Wild Women MD's
No Women Left Behind by Bush
And His Yale Medical School
Comcast's newest cable TV channel
Women's Medical School Channel
After Bush is Beheaded
After the Oil Genocide Trials in DC
All the Saudi Oil money will pay
For all the burnt cops and kids
And the newest Comcast TV channel
The Women's Med School Channel
The Military Channel will blow up
When these guys are put on trial
for suppressing the Electric Windmill Car
And taking bribes from Texas Oil Men
That could of lead to letting
1 Billion Cops and kids burn in gasoline
for more oil money + bribes

1 Billion Wild Women MD's

1 Billion Wild Women MD's

1 Billion Wild Women MD's

Her aspirations are galaxy to galaxy
Easily surpass the Joint Chiefs of Staff
Billion wild women md's
Her aspirations are star-to-star travels
Wild woman in the female soul
Her higher aspirations are galaxy to galaxy
Easily surpass the Joint Chiefs of Staff
Billion wild women md's
Love star to star travels
Love galaxy to galaxy travels
Lot better than search and destroy missions
Better than 150 combat missions over Vietnam
Better for the pilot flying to Alpha Centauri
And eventually ANDROMEDA galaxy
2.2 million light years down range
Billion doctors will be need for this
Operate on fatness - fat repulses
Because it's over kill by big business
Big brother is watching
But not watching out for your
Health or wealth
All capital gains tax is used for weapons
War profiteers are the bosses in our universe
Awareness of war profiteers in the news
Swiss make billions helping Hitler's
They probably made billions from Vietnam
They love you for your money
War profits awakening the passion
Alcoholism of wars profits afflicts men
Not the wild woman in the female soul
Her higher aspirations are after love
Love star to star travels
Love galaxy to galaxy travels
2.2 million light years down range
Billion doctors will be need for this
Swiss madmen made billions from wars
Billions of galaxies are in a blind spot

How could this be possible?
They're all alcoholics out of their minds
Books of cruel and naked revelations
500 oil wells burned, the electric car too
Blind spot is a windmill galaxy
Blind to a billion windmill galaxies
Swiss bankers financed the wrong cause
Swiss bankers financed the wrong cause
God will spit on the pope and all the blind men
Who knew the war profiteers inside story?
A women pope would spit on war profiteers
A woman pope would see god in the universe
Women are in love with love
Higher aspirations are star-to-star travels
Madness of war afflicted our men
They mock god and galaxy-to-galaxy travel
Their blind spot is a billion windmill galaxies
And the billion doctors need to travel there
Mans real war is with alcoholism
Fat old men are conditioned by commercials
They can't live without the profits of alcohol
They're not ready to give up their alcoholism
Dissect the elements of addiction
Invention catalyst is a billion dollars
Invention catalyst of a billion galaxies
Will surpass the Joint Chiefs of Staff easily
Billions speeding by your thoughts
Billion doctors are required for galaxy travels
Woman pope and women md's
Is the invention catalyst to cure addiction?
Swiss have been around for a long time
Financing the wrong war
Star wars is the star traveling war
That leads to galaxy-to-galaxy travels
Easily surpass the Joint Chiefs of Staff
150 combat missions over Vietnam
Brokered by the Swiss bankers

Addicted to accumulating one more billion

Billion doctors are need

To travel 2.2 million light years

To ANDROMEDA galaxy

CU Medical School and Clinton failed 300 million People - Clintons have failed 5 billion people total. This will be Mr. and Mrs. Clintons History after the Oil Genocide Trials convict and sentence both of them To death for letting 6 million cops and kids burn to Death for more oil money. Poem below me wrote while Working at the CU Bookstore and the Clinton heart Surgery. CU Medical School limits the numbers of Medical students - all the Medical Schools in the USA Limit the number of students so MD's can make more Money - this is why the local MD's at Boulder Community Hospital made me persona non grata and took bribes From DC to let cops and kids burn in gasoline... Money. After the Oil Genocide Trials organ donation will be Mandatory - this will solve the shortage of organs for Transplants. Also there will be another Trial called The "Saudi Arabia Organ Donation Abuse Trial" and many, 10's of thousands of top MD's will be sent to prison for Life convicted of selling USA organs to Saudi Arabia and Letting Americans die... for more money. Same as they didBy going along with the suppression of the electric Windmill car. Sick MD's to say the least. Katrina by © Greg Buell 10 Sept 2005 Poem is below Also poem In Americas Forest

below.Poem... University of Colorado accepted into Medical School 59 Women and 73 Men in September 2004 This is not the "ideal state" of governing Clinton is just one of many millions who did not follow the rules But Clinton is "1 in a million" who can get the best heart surgery This is not the "ideal state" of governing Lies from Bill, and now Hillary will never be totally exposed Lies from the University of Colorado make front-page news Gravity control is a social invention, like Bush and Stem cells My getting gravity control will still be amazing in 3004President Hoffman is unfit to run a football department According to the Grand Jury Grand Jury investigation just mentioned One Department I worked 8 weeks during Rush at the CU Bookstore - textbooks

I Observed Bullies -

Yes Bullies in the workplace were supposed to be cleaned up!

I suspect Hoffman was bullied by the Football Coaches

Campus Bullies Movie would make a great series of Sony Movies

Hoffman is bullied; she ok's the uses of the word Cunt

Telling CBS its ok to use the word, so the women suing CU

Cannot use this against the Football Coaches

In getting money from CU for being called Cunts

I Observed State Employees - screaming and swearing, fighting

Logging onto the Internet all times

Government employees on the web on taxpayer time

1 hour a day, I observed 3 hours a day by many

1st hour of work for 2 employees every day

Were conversation, burritos, and coffee

No matter how many web page orders for textbooks

Needed to be processed and shipped out the door

"Were not going out of our way to get the address correct"

"Type what they typed in on the web order," he ordered me

Though I knew UPS would not be able to deliver the books

I was a Temp - Temps at CU are Niger's

CU Temps - Are Today's Nigger Class, are screamed at 8:15 am

Coming up to the door - of the bookstore

Door has a card swipe and temps have no badge

Screaming women was a boss

Who didn't go to the Temp Orientation?

Screaming women was a boss...

So she screamed don't ever use this door again

And she was the number 2 boss who didn't know

The Personal Directors orientation to the temps.

Told them to use these door 15 mins before start time

Screamer was probably logged on at orientation time

I though the state keeps check of computer use?

The ideal state according to Plato

Is composed of 3 classes

State of Colorado today Temps are the Niger Class Today

And mistreatment breaks ethical, moral, and legal laws!

The stereotype of government workers is a true stereotype

1-hour conversation and coffee to start the day

1 to 3 hours logging on the web out of an 8-hour day

Stereotype of government workers is a true stereotype

Merchant class selling textbooks to the students

Marconi was left out of most Publishers textbooks

Hertz is in the textbooks but there is no test question

About how he got his inventions

How did they invent that?

Textbooks left this chapter out of all the textbooks

Teaching Invention - futuristic course for EDUC, teachers

Publisher's employee looking over the books, I told her this

Teaching Invention - I told the CU Chemistry Professor

Everything helps when you are looking for inventions

I Observed Bullies -

Yes Bullies - "Teaching About Bullies" A required Textbook!

Gravity control is a social invention

Like Bush and Stem cells

Bush will not let me work on Gravity Control

Bush-Kennedy will not let me work on a Cancer Cure

Politics of the Vietnam War in 2004

Kills women + kids today via cancer and suppressing my inventions

Observers who know of my 100 inventions besides the

Electric Windmill Car

Will testify I can get the cure for cancer and gravity control

40k women a year since 1980 have died of breast cancer

Hidden Politics of the Vietnam War

Hidden in our Orwellian Society

Vietnam Vets you see on TV ever day hate me

More than they hate Kerry, I refused to kill women and kids!

They hide behind hidden cameras with their pissed off revenge

Preventing me from getting a cancer cure and gravity control

This has been going on since 1980

Breast cancer has killed 40k women every year since 1980

These psychotic Vietnam vets have kill 40k more women a year

By getting Bush-Kennedy to Behead my working on a cancer cure

Lies from Clinton about this "Crime" will come on his deathbed

Lies from his wife caused 40k women's deaths since 1980

Politics of the Vietnam War

Kerry killed 100's of women and children in Vietnam

Clone of Kerry - Greg who refused to massacre women and kids

Invents the Electric Windmill Car + is suppressed by Vietnam Vets

Vets in a psychotic mental state over "Baby Killers" in textbooks

And Kerry's confessions about killing 100's of women and children

Memorial for the Breast Cancer deaths

DC Memorial of burned out cop cars and moms mini vans

Texas and Russian Oil men in a psychotic state over Oil Money

Baby Killers who burned kids in the back seat of fiery car wrecks

For more oil money

Russians infected by Texas Oil Men

Husbands and wives burn and burned to death in gasoline

24 years after the invention of the electric windmill car

This is not the "ideal state" of governing

"A Confession" by Tolstoy

"THE CONFESSIONS" OF JEAN-JACQUES ROUSSEAU

"A Confession" by Tolstoy

Confession by Tolstoy + The Confession by Rousseau

NO Professor! Ordered these books for any class at CU

"Baby Killers" Kerry killed babies in Vietnam

General Powell was a black rapist in Vietnam

Yet General Powell will not write in his autobiography

About the women he raped in Vietnam

We need to write Powell's autobiography

We need to re-write Clintons autobiography

In "1984" as the Top Brass who know all the lies

As the Grand Jury who knows the true story

In HIST 2240 one of the books is titled

"Rape in War" No Generals are named as Rapists in War

Grand Jury should write their reports here too

Name the names of the rapists Generals you see on TV

A "1984" biography should be written of Gen Powell

A "1984" biography should be written of the men who are Senators

Textbook department has 3 versions of the book

Autobiography of Ben Franklin

Tolstoy, Rousseau, Bush, Kerry, Clinton, Powell

A "1984" biography should be written of government Leaders

Lies from Clinton will come on his deathbed

Lies from his wife lost the cure for cancer and gravity control

Era of an Ex President lying in a best selling book

In an Orwellian Society were only the Top Brass know its all lies

Cameras in the White house and Senate

24/7 in a "1984" Society were we listen to their lies by live web cam

Lies from Clinton and Senators

Will be History, if we can watch them on live web cams

Video camera put into 747's in 1990 would have prevented

9-11

Pilots who read this invention idea on my web page in 1990

Vetoed the invention of cameras in the cockpit

Cameras in the Doctors office is on my web page

MD's publicized Clinton is 1 in a million in getting surgery

MD's do not care who gets the worst care

So you will never see cameras in your Doctors office

Bookstore has 22 cameras and caught 11 shoplifters

Cost of the cameras and security men was \$1 million

You do the math

You can change government workers with cameras watching

Bullies in the workplace caught on camera - grin

Security men will have no best buddies to wine and dine - ha

Bookstore has 22 cameras

100 cameras should be in every Senators Office and Home

Lies suppressed the Electric Windmill Car since 1980

Putin was infected by Texas Oil and lost 350 kids last week

Putin was out spending his ill-gotten Oil Genocide Money

Instead of being a Russian President, KGB director

9-11 would never have happened with the Electric Windmill Car

On the streets of Manhattan

Bush, Kerry, Clinton, Powell all know about

The Electric Windmill Car invented in 1980

Look what just happened to Putin

He was living high life spending Oil Genocide money

No one wrote his daily biography of spending Oil Money

Now 350 are dead because he was partying with Oil Kings

Those watching shoplifters should have been watching Putin

Save the lives of 350 kids by exposing a President spending oil \$\$\$

NASA wined and dined Oil Kings in Texas

And Lost 2 Shuttles

Biographies of NASA will never "tell all" about the Oil Money

The on the job Bullies at NASA who wanted to party with Oil Men

The ERA of Oil Genocide and the Electric Windmill Car

Conversations at NASA should have been on security cameras

Bill Gates was infected by the Oil Genocide too

He killed off millions of inventors by the cost of his Software

And infected "all" other software companies

To overcharge to the point of killing millions of inventors

Bill Gates is a mass murderer of inventors

In my autobiography - in the Real World

One in a million is all Bush-Kennedy wants

Out of the masses of 5 billion people to be an inventor

I want millions out of a billion to be inventors

I want millions out of a billion to be inventors

I want millions of MD to replace the 59 women

I want millions out of a billion to be MD's

I want cameras in your MD's office

I want your exam on recorded on a web page

1 wants to work 24/7 on a cure for cancer

And gravity control with you watching me on a web cam

These inventions will have no "1984" imitator

Marconi was almost "beheaded" before he got radio

Sending voices through the air is amazing today

Getting gravity control will still be amazing in 3004

Bush-Kennedy have "beheaded" my getting the inventions

Just read my web page... www.inventor-warp-speed.com

Observers who know of my 100 inventions besides the
Electric Windmill Car
Will testify I can get the cure for cancer and gravity control
Bush-Kennedy have "beheaded" my getting the inventions
Kerry has not called or made any Orwellian Comments on TV
Saying he will let me get these 2 invents and 1,001 others
Vietnam Vets you see on TV ever day hate me
More than they hate Kerry, because I refused to kill women and kids!
Yet they hide behind hidden cameras with there pissed off revenge
Preventing me from getting a cancer cure and gravity control
This has been going on since 1980
In our Orwellian Society hidden behind the hidden cameras
Government leaders are corrupt + psychotic
From Pukin and Russian Oil money
To Colorado State employees wasting the 1st hour of work
Just to log on the web for 2 more hours during the day
To President Hoffman
Incompetent to run the football department
On the Front Page of the Newspapers
Journalist have been in the bookstore
I know because I helped them find textbooks
Mexican temp. I worked with for 8 weeks
Has 9 DUI's and got away with all of them
I told him joking I will tell a investigative Journalists
And he will be on the front page of the newspapers
He laughed - not knowing if someday he will be news
Rousseau was born in Geneva in 1712
Today Observers in Geneva know about the Electric Windmill Car
Some in Geneva have made as much money as Putin from oil
Only 1 in a million in Geneva have viewed Officer Jason's
Gasoline burned face picture on my web and his web page
CNN and CBS will not let Julie Chen interview 100's of Jason's
Burned in fiery car wrecks
All you get to see on the government controlled news
Is a one-minute video clip of 35 car pill ups with a few flames?
CNN and CBS are not allowed to show you the burned people

I have skied dramatic dynamic parallel skiing

Down Breckenridge slopes

Today on their web cam there was snow in the picture

I will get some web cams set up when I start working 24/7

On a cure for cancer and gravity control so you can watch me

MD's will resist having their workday on web cameras

Clinton will get his surgery this week

Million others will die of the exact heart problems Clinton has

University of Colorado accepted into Medical School

59 Women and 73 Men in September 2004

This is not the "ideal state" of governing

Bush's MD helps suppress the Electric Windmill Car

And millions who would be MD's

Bill Gates has murdered millions of inventors

Bush's MD has murdered millions of aspiring MD's

This is not the "ideal state" of governing

Open Space land in Boulder Colorado has more Presidents

Than the Universe - the nearest Star, Alpha Centauri

In the minds and hearts of Government workers in Colorado

Lies from Clinton will come on his deathbed

Lies from his wife cause the loss of the cure for cancer

My inventions will have no "1984" imitators

Cure for Cancer and Gravity Control are Real Inventions

I will get if I don't get beheaded

By government workers first!

One in a Million can get the Best Heart Surgery

Poem by Greg Buell © 11 Nov. 2005

PO Box 1113 Boulder CO 80306 My Getting gravity control will still be amazing in 3005 Veterans Day it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day" Picture cop and kids with burnt faces

Looking at the Generals as their Stars... Now Light years from Alpha Centauri...

Because they went along with a Oil Genocide for more oil money Kids look up to Generals with all their Stars

No one will survive the Oil Genocide Trials Not even Veterans Day, it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day" Burnt faces of cops and kids in USA Oil Genocide

For more Oil Money is the only reason too \$\$\$\$\$\$ In 2005 we are in the Oil Genocide Era

Bush did not honor Officer Jason today - burnt face! Bush attacked those who wanted the Electric Windmill Car

On the streets of the USA today but got a Psychotic President Bush in Iraqi forever!

Bush and Rice made up all the war Stories Like sex-addicted nymphomaniacs, Bush and Rice

There was no sane reason to invade Iraq with an Electric Car In the Pentagons Garages

Bush's waning credibility is Zero with the electric windmill car With 166,000 fiery car wrecks in the Orwellian News

And the Pentagons top secret number of Burnt cops + kids Tens of thousands with burn faces from fiery car wrecks

CNN TV people will be replaced by some of these causalities Oil Genocide Trial will rewrite history of Bush + Rice

Sex-addicted nymphomaniacs, Bush and Rice UN oil for money scandal didn't get them at the UN Beheaded

But UN Generals will be beheaded in the Oil Genocide Trials Big Brother is not looking out for anyone.

Moscow cops are #1 in being burnt to death in gasoline Kids look up to this new 5 Star General - at the Pentagon

He tells war stories about Vietnam in an Oil Genocide Era Will this new 5 Star General at the Pentagon

Survive the Oil Genocide Trials by letting kids die for him. In fiery car wrecks...? In 2006, In 2007 etc.

CIA tortures terrorist, and they know kids burn in gasoline Back in the USA

This is not criminal talk at CIA HQ But politics of Presidents + Generals not CIA agents

Bush's argument is we need the Oil Money Judy Miller of the New York Times

www.judymiller.org <<http://www.judymiller.org>>

I sent her e-mail in her last days at the NYT Asking her to expose the suppression of the Electric Windmill Car
Judy refused... Kids look up to Generals will all their Stars

No one will survive the Oil Genocide Trials Not even Veterans Day, it will become Oil Genocide Day

Exxon-Mobil CEO Lee Raymond will be Beheaded The CIA will kill Saudi King and Prince

VIA our Post Oil Genocide President of the USA's first executive order! Windfall profits will finally go to the Electric
Windmill Car

The new President will freeze \$5 trillion in oil money Electric Windmill Car...

In its first year of production I will get 101 more inventions Possibly even the cure for cancer and gravity control

IBM mainframe computers will track misdiagnosis by MD's Bill Gates will not survive my free OS for PC's

My reinvented PC will turn on like a TV History of Microsoft will be rewritten with the Electric Windmill Car

1980 invention of the Electric Windmill Car + Microsoft's IQ Genocide It was irresponsible for Bill Gates to go along
with its suppression

No Time - time did not create itself This will get the President of CU here in Boulder CO fired

Cooks who never wash their hands will freak out freshmen Campus newspaper never wrote up non-hand washing cooks

Timeline for ending the Iraqi war Today's Veterans Day Bush said he did not mislead!

166,000 fiery car wrecks with cops and kids burning in gas This is the real reason Bush looks like a nervous wreck

166,000 fiery car wrecks burning cops and kids in gas Rice profited from white cops burning to death in fiery wrecks

Kennedy + Kerry have know about the Electric Windmill Car Since its invention in 1980

This is why Bush keeps saying you went along with it With burning cops and kids to death in fiery car wrecks

Kennedy + Kerry backed Bush in this Oil Genocide Veterans who are Generals backed this Oil Genocide

For more Oil Money Kids look up to Generals with all their Stars

No one will survive the Oil Genocide Trials Not even Veterans Day, it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day"

2 Nov. 2005 === 2nd fiery tanker crash and the pictures were suppressed as the Observers in our Orwellian society
didn't want me to post pictures of a 2nd gas tanker on fire. ABC reported this week 166,000 fiery car wrecks have taken
place since my invention of the electric windmill car in 1980... Carter is on TV as I type this talking about Rumsfeld's
torturing terrorists in secret prisons what is so ironic is Carter was the first USA President when I invented the electric
windmill car and will be put on trial in the Oil Genocide trials after the suppression of the electric windmill car is
exposed... And Rumsfeld knows about the suppression of the electric windmill car. Cops and kids walking around with
burnt faces from gasoline burns. Crimes finally published by CNN, CBS - 10's of thousands of causalities from Texas Oil
men who are USA terrorists. All these 166,000 fiery car wrecks in the USA for more oil money... \$ 5 Trillion dollars in
oil profits since 1980. \$\$\$\$\$\$\$\$\$\$

FORT LAUDERDALE · An adult and a child were killed Tuesday evening when their car smashed into a tanker truck
hauling 1,000 gallons of diesel fuel. The tanker truck from Fort Lauderdale-based HyPower Inc. was heading north in
the 6300 block of Northwest Ninth Avenue when a Dodge Neon swerved into the truck's path about 6:15 p.m., said Sgt.
Bill Schultz, spokesman for the Fort Lauderdale Police Department.

Take along a gallon of water in your Electric Windmill car and you get Oxygen and Hydrogen from free electrolysis.

Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free

27 Sept. 2005 My BDay 58 today -

For my BDay I want a new computer and wives so we can work on 1,001 inventions. Keep the next Katrina and Rita at
sea with an invention. Help save the 40,000 women who will die from breast cancer in 2005 and the next 40,000 who will
die in 2006. 1,001 inventions I will give you for your BDay present when Bush gives me the OK to work as an Inventor. I
will get the cure for cancer and gravity control I promise you!

In 1980 Electric Windmill Car was invented by myself and suppressed.

"underprivileged" all of them in the Katrina videos
Would have a University degree - all of them 100%
If the Electric Windmill Car was not suppressed in 1980
Bush and Texas Oil men profited by \$ Trillions of dollars
More than enough to make every University in the USA free
Bush's Mom never wanted Yale free
Bush's Mom will never want Yale free of tuition
Bush's Mom infected the Generals wife and daughters
Pentagons Trillions is less than the Oil Men's Trillions
Since 1980 and the suppression of the Electric Windmill Car
Cops and kids burned to death in fiery car wrecks since 1980
Pentagons casualties in Wars since 1980 is less than this
On the 7th Day Rumsfeld will be taken out and shot
On the 7th Day of the Oil Genocide Trials
"underprivileged" 1 billion people maybe 3 billion people
All would have a University degree in 2005
If it were not for the Presidents Mother
This is why she will be taken out and shot on the 4th Day
Of the Oil Genocide Trials
Presidents of Yale, Harvard, and MIT
Will be taken out and shot too
Imagine the true testimony of Scott killing his pregnant wife
Now at this trial we have cops and kids burnt in gasoline
Like the naked Vietnamese girl running down the street
Napalmed by a different USA President
Her parents made \$2 a day being "underprivileged"
Testimony from Cops and Kids with burnt faces like Jason
Will inflame the Judges and Court TV viewers
Judge - Jury, and executioner will be one person
1 Billion Persons watching the Oil Genocide Trials
On Court TV
Will drag Bush's Mom out of the trial
And shoot her to death in a flame of passion!
Bill Gates will also be dragged out and shot
Learning Microsoft Excel will be free after the trail
Oil Genocide Era burned more than a million to death
For each \$ Trillion dollars of oil money since 1980
This is outside the boundaries of human decency
And social norms for anyone let alone Yale Graduates
Yale and Harvard will be ranked differently
After the Oil Genocide Trials
"underprivileged" all of them in the Katrina videos
Will have a University degree - all of them 100%
Moms will send their kids on Light Year Flights
To Alpha Centauri not to Iraqi for needless oil
A Universe Bush's Mom could never envision

This - Generals have suppressed 10 Billion Galaxies MD's will have cameras in their offices when Bush is exposed for suppressing the Electric Windmill Car. Bush made those burned in fiery car wrecks responsible for medical bills adding insult to injury. Pain from being burned in gasoline is part of this marriage that made life on Earth Hell for 1,000's burned in fiery car wrecks.. Now the Marriage between Bush, Texas Oil Men and MD's. Goes on Years after the suppression of the Electric Windmill Car - Years of insult + pain of burns and the bills. This is a marriage that makes life on Earth Hell for a long time and it's still together not ready to divorce Oil + Money and put cameras in all MD's offices.

For This - Generals have suppressed 10 Billion Galaxies ps - MD's don't want a national health insurance which Roosevelt should of added to Social Security a long time ago, and Bush would never add health insurance to Social Security today with his Oil Genocide Money. ps - Saudi Arabia has national health insurance for all its citizens. Not the USA - Will the Electric Windmill Car on the road change more than the price of gas? Will 100% of Americans have health (and dental) insurance when the Electric Windmill car is on the streets of the USA --- Yes! Then marriages will make life on Earth more like Heaven than Hell. So let's push Bush into divorcing Saudi Arabia and the Hell of our Oil Genocide Era. Take along a gallon of water in your Electric Windmill car and you get Oxygen and Hydrogen from free electrolysis. Rumsfeld knows the electric windmill car would have prevented 9-11 but went after Iraq, not the Texas Oil men who ordered the suppression of the electric windmill car invented by me in 1980 and its invention is on video too. As the Observers in our Orwellian society were watching me. 1 May 2005 ----- BROWN DWARF REVEALS MAGNETIC FIELD

The space telescope stared at the minuscule star LP 944-20 in Fornax for 12 hours last December, looking for any evidence of a corona around the object. The star remained unchanged for 9 hours, but then there was an abrupt brightening that lasted about 2 hours.

Astronomers say the surge of X-rays was due to a stellar flare, not unlike the aurora-producing flares of our Sun. LP 944-20 is about 16 light-years away and estimated to be only 500 million years old. For This - Generals have suppressed 10 Billion Galaxies NASA could be designing a new fleet of Shuttles and Space Telescopes if they would be the "Whistle Blowers" on the suppression of the Electric Windmill Car. NASA has made a misjudgment that cost 1,000's of cops and kids their lives in fiery car wrecks decades after the invention of the Electric Windmill Car. NASA's misjudgments cost "Society" dual-core Hubble Space Telescopes, a new model every year - 2005 model Space Telescope was not purchased by the Top Brass at NASA. They ignored 5 billion people on Earth and sold out to Texas Oil men - pain of burning in gasoline never enters the thoughts of NASA brass, for Shuttles or fiery car wrecks - both the top brass at NASA and the Pentagon could of prevented cops and kids burning in fiery car wrecks since 1980. The 2005 Model of the Shuttle and Space station would both have "life boats". A law passed by a non-Bush Senate in a Post Oil Genocide Era, as NASA would never in a million years put "life boats" on Shuttles and Space Stations in their current state of mind. For This - Generals have suppressed 10 Billion Galaxies LP 944-20 is about 16 light-years away. 500 years away from Humanity because of the Top Brass. Cure for cancer and gravity control, my 2 pet invention projects are 500 years away from Humanity too, because of the Top Brass. Even the Pope knew and the New Pope knows about the Electric Windmill cars suppression and they take this to Top Secret to Judgment Day as even the Pope's fear Gen. Orwell more than they fear God. The Electric Windmill car was a Godsend suppressed by Carter, Bush, Clinton and Bush + the "Popes" Clinton spent most of his time with "sex" at the same time 1,000's burned and burnt to death in fiery car wrecks - Bush has a black mistress to take his mind off the 1,000's who burn and burn to death in fiery car wrecks. For This - Generals have suppressed 10 Billion Galaxies I take my mind off being stifled by the Top Brass by knowing I will get the cure for cancer and gravity control when they come out from behind the hidden cameras and let me work as a Inventor. I will make up for all the lost inventions since 1980. I will not be getting any black mistresses (grin) but will get many wives for inspiration... and my wives will get many inventions. I take my mind off being stifled by the Top Brass by knowing I will get the cure for cancer and gravity control. For This - Generals have suppressed 10 Billion Galaxies Faster than the speed of light is possible - by inventing a gravity satellite dish that sucks in gravity - sends it through a gravity engine - that propels your Shuttle faster than the speed of light by hooking up with gravities pull and using this same gravity coming in through the satellite dish for propulsion. To help you get started inventing... West Point Generals should hang on a Christmas Day For letting cops and kids burn to death in gasoline for more oil money \$

22 years after the Invention of the Electric Windmill Car 1 June 2003 Sunday Cheney at West Point did not mention police officer Jason burned in gasoline Please email his picture to everyone at West Point Cops should arrest Cheney War News 1 June 2003 Sunday Cheney at West Point did not mention police officer Jason burned in gasoline. Please email his picture to everyone at West Point.

More of these new Generals troops will burn to death in gasoline than be killed in battle in combat and the Electric Windmill Car can bankrupt Saudi Arabia, hang Bush and Cheney for "Oil Genocide" elect a real President of the USA

who will nuke Mecca and take all Saudi Arabia's oil money for Officer Jason and the other Americans burned and burned to death in gasoline 22 years after the invention of the Electric Windmill Car. Lt. John Fernandez, who lost most of his left foot and his right leg below the knee during fighting near Baghdad, Fernandez, who attended the West Point ceremony, was given a standing ovation Cheney at the West Point graduation ceremony did not mention police officer Jason burned in gasoline. Or the 5,784 others burned or burned to death in gasoline since the invention of the Electric Windmill Car in 1980. Cheney did not look at Police Officers Jason's burned face but Cheney set up Lt. Fernandez for a standing ovation at West Point, cops should arrest Cheney and Fernandez. For not exposing the Electric Windmill Car. Bush is going to burn more kids and cops selling Iraqi oil. 5,784 more Americans will burn to death via Iraqi oil in 2003 and 2004 for more oil money 22 years after the Electric Windmill Car invention... previous war news has been moved to its own page click below.

24 Sept 2003 New News about Leslie + Greg - Click Here 1 April 2004 News about the Inventor of the Electric Windmill Car, me, Greg Buell. Observers have been stalking me, harassing me at every intersection. Easter is the worst time of the year for Boulder Colorado Observers as they have a guilty conscience for taking oil genocide money while cops and kids burn in fiery car wrecks. 600 Troops have been killed in Iraq and this could have been prevented by using the Electric Windmill Car to bankrupt oil. 9-11 would have been prevented by bankrupting oil. Our Orwellian society is traveling at warp-speed the wrong way. Observers have not helped me get Leslie back and have not helped me in any way get the cure for cancer and gravity control. I don't know who is in charge behind the hidden cameras but wish I could break the mirror like in "1984". Gasoline tanker truck accident in the News one reporter said over 300 gasoline tanker trucks have crashed and burned in the last year. I imagine in France, China, India tens of thousands have burned and burned to death in fiery car wrecks while all these government leaders help suppress the Electric Windmill Car. Please help if you are an observer, send me a donation, and send an e-mail to everyone who does not know about the Electric Windmill Car. Since I wrote the poems below for Leslie more than 10,000 people have found out about the Electric Windmill Car. Thanks and this is not an April Fools Joke - The Joke will be on those taking oil money pay offs that let troops, kids and cops burn for more oil money. Last thing Leslie said to me was "Go To Hell" I think she is worried about Hell as she is a Women Observer in our Orwellian Society. With the new pictures from the Space Telescope of 10,000 galaxies NASA should name one of these most distant Galaxies Hells. Thanks Greg Buell April 1, 2004 Leslie left me, today is Jan 19, 2004 I still hope to get her back as my inspiration and wife to get a cancer cure, gravity control and several other miracle cures. I just talked to her on the phone and said I asked you to marry me, she said you are not serious, why she would say this after I wrote "Sisters Rescued by No More Oil" is hard to believe. Well I can not call her ever again or she will call the police so I have to wait for the Observers to come out from behind the cameras. 501 Marines have been killed in Iraq for more oil money 22 years after I invented the Electric Windmill Car so Everyone is waiting for the Electric Windmill Car to be exposed and Oil Bankrupted so the troops can come home from Baghdad the next day. It's going to be a hard waiting to get Leslie for my wife and a hard wait for the Electric Windmill Car to Bankrupt Oil. Waiting for a women you Love more than anything in the World to call makes for the longest days of your life. I hope Leslie has a change of heart and believes I seriously want to Marry her. And I hope someone can expose the Electric Windmill Car so 501 more troops do not die for more oil money. Greg 23 May 2004

The worst is yet to come for DC and Boulder, Colorado.

Defense Secretary Donald Rumsfeld told Congress. Worse than pictures of naked Arab men being tortured, raped and humiliated by American soldiers is the "Oil Genocide" were Rumsfeld and Gen Meyers made \$100 Billion from the suppression of the Electric Windmill Car to pay for war - suppressing the cure for cancer and gravity control at the same time because Rumsfeld the intellectual was not motivated to get a cure for cancer or gravity control. Rumsfeld's Universe is War, not the conquest of 10 Billion Galaxies.

Rumsfeld knows the electric windmill car would have prevented 9-11 but went after Iraq, not the Texas Oil men who ordered the suppression of the electric windmill car invented by me in 1980 and its invention is on video too.

10,000 people have burned in gasoline in Iraq and in the USA in the last 24 years since the invention of the Electric Windmill Car. Suppression of the Electric Windmill Car and not helping its inventor get the cure for cancer and gravity control is blatantly sadistic, cruel and inhuman, embattled Defense Secretary Donald Rumsfeld will tell Congress.

Rumsfeld will tell this to Congress, when CBS and Rather put pictures of 10 windmills on the front of a car, truck, ship... these pictures and the pictures of cops and kids burned in fiery rear-end car wrecks have never been published on the front page of the New York Times, yet the Top Brass at the New York Times have seen these pictures years ago.

Analysts describe the pictures of cops and kids burned in gasoline for more oil money as great recruiting tools to undermine America's claims to a moral high ground in the government's war on cancer, and Texas Oil men's genocide.

This USA Oil genocide is the worst genocide ever in the history of Earth.

Torture, repression, suppression in Boulder Colorado caused cops and kids to die burning in fiery car wrecks for more oil money. In this case Boulder, Colorado was following orders from DC - this is on video tapes!

Boulder Colorado lawyers who hang out at the Boulder Rock Club rape boys (and there probably are pictures in some observer's digital camera scrapbook.) It's blatantly sadistic fag behavior but all the fags in Boulder Colorado know it feels good to ram it in boys - or men in Iraq. The worst is yet to come for DC and Boulder Colorado. Generals have suppressed 10 Billion Galaxies 2 May 2004

News about the Inventor of the Electric Windmill Car, me, Greg Buell. Observers have a guilty conscience for taking oil genocide money while cops and kids burn in fiery car wrecks.

784 Troops have been killed in Iraq and using the Electric Windmill Car to bankrupt oil could have prevented this.

9-11 would have been prevented by bankrupting oil with the electric windmill car.

1,084 Troops will be killed by Election Day in this Orwellian Society - this does not make much sense - about as much sense as suppressing the electric windmill car for more oil money.

Observer's sex abuse of Iraqi prisoners is related to the New York Times failure to expose the electric windmill car. New York Times could have prevented 9-11 The Times knows months and years ahead what is going on before it makes the front page. Sex abuse Pictures and Pictures of cops and kids burned to death in fiery rear-end car wrecks will never be on the front page of the New York Times. - This does not make any sense!

Observers have not helped me in any way get the cure for cancer and gravity control. I don't know who is in charge behind the hidden cameras but wish I could break the mirror like in "1984".

Since I wrote the poems below for Leslie more than 10,000 people have found out about the Electric Windmill Car. Thanks - Many Observers wish they would have cut Leslie off as my inspiration ASAP but they didn't. But they will not help me get Leslie back as my inspiration. YMCA top brass knows about Leslie cutting and running to protect her married man lover, a Boulder Colorado lawyer. What is Leslie trying to protect him from? All Observers know, even the Lawyer Justices at the Supreme Court know about this Orwellian Gossip.

Observers let Leslie cut and run to protect her married man lover - even though this lost humanity "Dramatic Dramatic Autobiography Poetry", I write, and at least one minor invention a week I manage to invent, this is a dramatic lost to all Humanity and I hope the Top Brass in this "1984" society will have mercy on Greg, Leslie and Humanity ASAP!

Boulder Colorado sex abuse scandal at CU our local University has been know for years by Elizabeth Hoffman the President, she also knows about the electric windmill car and has known for years. After the electric windmill car has been exposed I would like to see Football at CU expelled from campus and the Football Stadium converted to a medical school to show all the Football Moms their kids would be better off as Doctors. At this time none of the Football Moms protesting ever have a thought about Med School replacing Football at CU or for that matter Expelling Football from every University and converting all the Football Stadiums to Medical Schools. One reason medical cost is sky high is Medical Schools limit the number of Doctors like Oil is limited and oil should be bankrupted with the electric windmill car. MD's who profited from cops and kids burned in gasoline should be exposed.

Coors is responsible for the rapes by CU football players according to Dr. Hoffman and now Coors is running for Senate - - this does not make much sense - about as much sense as suppressing the electric windmill car for more oil money.

And yes Coors knows about the electric windmill car and has known for years. And yes Dr. Hoffman knows about keeping the number of students getting into her Denver Medical School low to keep the price of health care high, this is a crime against Humanity by a University President, one of many.

Marines can come home when Oil is Bankrupting, to protect the next Laic Peterson from being murdered by her Husband Famous Wife in a Orwellian Society Revolution - Invention Revolution starts with 1,001 invention projects you can click on and start working on a invention project I cooked up for you... to get started inventing.

Moscow... Vladimir Putin let Russian cops burn and burn to death in fiery car wrecks for more oil money. I expect the Moscow cops will dispose of Putin in a fiery gasoline revolution when they find out the electric windmill car was invented in 1980. 1 Jan 2005 Happy New Year

1 Jan. 2005 200,000 Tsunami deaths

1 Jan. 2005 200,000 will burn in gasoline

For This - Generals have suppressed 10 Billion Galaxies Excruciating and Agonizing pain of burning in gasoline.

UN Oil for Food Scandal really lets 200,000 a year burn in gasoline for more Texas Oil money via Bush For This - Generals have suppressed 10 Billion Galaxies Kuwait oil tycoons employ the Tsunami area women as sex slaves and housekeepers, these are the lucky ones who were not killed in the tsunami waves or from the lack of OIL MONEY donations afterwards to pay for clean water and health care to those who survived the disaster. This is a crime against Humanity!

For This - Generals have suppressed 10 Billion Galaxies Tsunami Deaths + Oil genocide deaths Sweden says deaths will reach 200k for both the tsunami and the oil genocide and Swedish Oil will profit by \$200 billion in 2005 yet only \$1 billion in aid is going to the tsunami relief effort. Even the UN people you see on TV know oil producing Nations are profiting from the suppression of the Electric Windmill Car by \$500 billion a year these Nations are not exposed by the UN for not sending hundreds of billions to the tsunami areas that lost 200,000 dead and another 200,000 will die because

the oil producing nations will not spend their ill gotten oil profits to help save 200,000 lives this will be added to the charges in the Oil Genocide Trials...

For This - Generals have suppressed 10 Billion Galaxies Porsche and BMW owners will be beheaded in Berlin for following orders not to expose the Electric Windmill Car. Germans were taught a lesson not to follow orders that cause a Genocide and the same Germans who lived through the WW II trials are following orders from the USA - Bush + Kennedy ect. To go along with Genocide that burns cops and kids in fiery car wrecks. For more oil money.

Excruciating and agonizing pain of burning in gasoline does not enter into the German conscious thoughts - Germans are like Niger's who rape their mothers and sisters. UN report that is mostly suppressed says 99% of black males in African nations have raped their mothers and sisters this is just their culture. So same can be written up of the Germans in a UN document that will be esoteric. Germans will go along with Genocide in 50 years too. Cure for cancer will be found and the Germans will go alone with suppressing it for the big Germany Pharmaceutical companies.

Roche in Boulder Colorado interviewed me for job. They knew I was the inventor of the Electric Windmill Car and knew I would come up with some innovative ideas on memory pills for total recall and I would gain immense insight into drugs for a cancer cure working on their assembly line in Boulder Colorado but they did not hire me on Orders from Bush and Kennedy etc who want to stifle my inventions. This is a crime against Humanity by Roche. Below is the Roche web page news about the tsunami but no mention of the Electric Windmill Car they know about or the stifling of a memory pill and even the stifling of the cure for cancer the Roche top brass in Basel, Switzerland, going along with for the USA which they know is a crime against Humanity.

**Basel, 30 December 2004 Roche support for victims of the tsunami disaster in Asia
Donation of antibacterial and antibiotic medicines**

Roche has decided to donate antibacterial and antibiotic medicines for - depending upon usage - up to 80,000 patients affected by the tsunami disaster. The donation comes in addition to the immediate medical and financial support given by the local Roche affiliates in these countries. The decision is based on a careful assessment of the medical needs and logistic hurdles by the local Roche affiliates in close contact with their local authorities and locally active aid organizations. As a first reaction, Roche reserved yesterday all available stocks of Bacterium (sulfamethoxazole plus trimethoprim) and Rocephin (ceftriaxone) at the Headquarters in Basel to support emergency healthcare delivery in the affected countries in Asia. A total of 220,000 packs are being donated. The medicines are being made available to an international aid organization. This globally active organization will co-ordinate the delivery in the affected countries and will ensure a responsible usage of the donation. About Roche

For This - Generals have suppressed 10 Billion Galaxies 1. Excruciating and agonizing pain of burning in gasoline does not enter into the Swiss conscious. 200,000 will burn in gasoline for more oil money because Bush and the Texas Oil Men have bullied Switzerland into not exposing the electric windmill car.

2. Excruciating and Agonizing pain of burning in gasoline.

3. Oil Tycoons in Kuwait and Texas buy sex and really don't want to pay for it... so much so that in Texas Bush got a Federal court to take away \$88 million given to Anna Smith by her 90 year old oil tycoon husband.

4. Tsunami area women working as sex slaves in Oil rich nations fair as badly as Anna Smith as the courts go along with "Bush" and let the "Oil Tycoons" have their sex for free...

For This - Generals have suppressed 10 Billion Galaxies 1 Jan. 2005 Happy New Year from Greg Buell the inventor of the Electric Windmill Car in Oct 1980

Christmas Day 2004 - Mankind didn't get the Electric Windmill Car unsuppressed from the American Government. CNN didn't report the deaths and burns! For This - Generals have suppressed 10 Billion Galaxies Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen, to heat your house and cook your food (and heat your hot water to take a shower which I had no hot water for my shower on Christmas day thanks to the observers behind the cameras... their present to the inventor of the Electric Windmill Car). Ha, Orwellian sense of humor in an Oil Genocide State. For This - Generals have suppressed 10 Billion Galaxies Oil Genocide for more oil money. DC has paid \$ hundreds of millions to Boulder Colorado to go along with letting cops and kids burn and burn to death in fiery car wrecks for more oil money. Mankind's worst genocide in history is an American one for more oil money. Greg Buell -
Christmas Day - December 25, 2004 - noon - Boulder Colorado 4th of July no Independence from Oil Genocide
\$\$\$\$\$\$\$\$

4th of July car wrecks bursting into flames via gasoline. MD's will profit from the suppression of the Electric Windmill Car. Torture, repression, suppression in Boulder Colorado caused cops and kids to die burning in fiery car wrecks for more oil money. In this case Boulder, Colorado was following orders from DC - this is on video tapes! Boulder Colorado lawyers who hang out at the Boulder Rock Club rape boys (and there probably are pictures in some observer's digital camera scrapbook.) It's blatantly sadistic fag behavior but all the fags in Boulder Colorado know it feels good to ram it in boys - or men in Iraq. The worst is yet to come for DC and Boulder Colorado. 4 March 2005 --- Martha Stewart out of Jail for lying to the Fed's, yet the Fed's lie to us about the electric windmill car... this is a strange Orwellian society. Martha Stewart will now be creative and brainstorm a new line of sheets and towels, yet I am still

stifled by the same Fed's as they will not let me have any wives, supercomputers, etc to be creative. To brainstorming a cure for cancer and gravity control. Gravity of the crime of suppressing the electric windmill car and stifling my getting gravity control is Galactic. 1 April 2005 APRILS fools today is March 31 but should be APRILS FOOLS DAY WITH JANE FONDA IN THE NEWS ABOUT VIETNAM IN 1972. FONDA said the largest lapse of judgment.... in 2005 she said this! About Vietnam in 1972, yet Jane Fonda and Ted Turner have know about the Electric Windmill Car since 1980 and know exactly how many cops and kids burned and burned to death from its suppression!

"Both sides were using the POWs for propaganda. Now POW, Senator McCain who as a POW did not have gasoline poured on him and set on fire by Hanoi now lets USA Cops and USA Kids get set on fire in fiery car wrecks - POW's from Vietnam will be charged with Crimes Against American Cops and Kids when the electric windmill car is exposed !
!!!! Jane Fonda ... (And CBS 60 Minutes)

The actress defended her trip to Vietnam in 1972, which won her the nickname "Hanoi Jane." But she said her visit to a North Vietnamese anti-aircraft gun site used to shoot down U.S. pilots was a "betrayal" of the U.S. military. "The largest lapse of judgment that I can even imagine." Now POW, Senator McCain betrayed those burned and burned to death in fiery car wrecks so what we though about "Baby Killers" was true - as American babies have burned to death in fiery car wrecks... and Senator McCain and Jane Fonda did not speak out about the suppression of the electric windmill car. Who was right and who was wrong in Vietnam can be viewed in our Oil Genocide Era. Our society with the same Top Brass napalming USA cops and kids with Saudi gasoline on the Streets and Highways of the USA. And CBS 60 Minutes with Rather failing to report the truth in 2005 and in 1972. This is a sick Orwellian society to say the least. I believe Joan Kennedy's alcoholism is because she saw all the American cop and kids burning in fiery car wrecks and could not get her ex-husband to expose the suppression of the Electric windmill car... instead Ted Kennedy profited from Oil and our Oil Genocide Era. Take along a gallon of water in your Electric Windmill car and you get Oxygen and Hydrogen from free electrolysis. 24 March 2005 - British Oil Genocide in the USA with 14 killed 100 burned in gasoline at Texas City BP Oil refinery and you will not hear any Orwellian comments on CNN about the Electric Windmill Car as Bush issued a gag order as Observers in this Orwellian Society are mad as Hell, but still have to put up with Oil Refinery fires and fiery car wrecks burning cops and kids for more BP Oil Genocide money. Queen will hopefully be put in the Tower of London before she is beheaded for these 14 deaths (and 1,000's of others burnt to death in British gasoline) which would have been prevented if the Electric Windmill Car was not suppressed.

Introduction to the Light Year Conquest Corporation 20 March 2005 --- Spring --- First Day of Spring and it brings news that will not be on CNN --- Gasoline prices will be over \$2 a gallon 25 years after my invention of the Electric Windmill Car in 1980. Take along a gallon of water in your Electric Windmill car and you get Oxygen and Hydrogen from free electrolysis. Statistics on how many cops and kids will burn in fiery car wrecks this Spring will not be reported on CNN but the statistics are know by high ranking Orwellian Observers in our society.

I would guess 100 people a month for the next 3 month of Spring will burn and burn to death in gasoline for more Texas Oil money - this is a perpetual Oil Genocide for more oil money in a Orwellian society were everyone at CNN knows this Top Secret yet CNN will not expose the Electric Windmill Car has been suppressed since 1980. White House on CNN at 7 am this first day of Spring was sick even for a Orwellian Society, Bush and Congress are dominating the news over putting in Terri's feeding tube - White House spokesperson talking about defending life while cops and kids will burn in gasoline today for more Texas Oil money. This is sick as an Orwellian Society can possibly get! Statistically bed sores and falls in nursing homes are more important and there are ways to prevent these. I will sue Good Samaritan when free. Xishui Coal Mine explosion yesterday killed 60, 25 years after the invention of the Electric Windmill Car - Ship - Train - Plane.

Rice on Google news said China is buying weapons today that will be used against the USA in 25 years when we are at war with China - Top Brass of China and the USA are preparing for war over Taiwan. 700 Shuttles docked together like a train for a 4.3 light year journey to Alpha Centauri is science fiction. NASA is stuck in Texas with the Texas Oil men.

Gravity of this means we will not get Gravity Control invention because these men are seducing other things. Nancy Grace is sick about the crack cocaine guy who confessed to killing the little girl, but she knows the next one will bloom with spring. Perpetual sex killers, only thing Nancy Grace can't report is if this is # 644 like Peterson number. 100 cops and kids will burn in gasoline this spring. Nancy Grace and CNN will not report all these people burned for more Texas Oil money in an Era that should be The Electric Windmill Car Era on CNN News. 20 March 2005 --- Spring --- First Day of Spring and it brings news that will not be on CNN --- Gasoline prices will be over \$2 a gallon 25 years after my invention of the Electric Windmill Car in 1980. For This - Generals have suppressed 10 Billion Galaxies For This - Generals have suppressed 10 Billion Galaxies 14 March 2005 --- Taiwan as the 51st State of the USA and Rice as President of the USA with CBS's Julie Chen Governor of Taiwan - Orwellian news for Monday March 14, 2005. In an Era that should be called the Electric Windmill Car Era we actually live in the Oil Genocide Era were Bush and the Pentagon want Taiwan as our 51st State of the USA - My temp assembly job in Boulder Colorado ended by the company HQ in Boston shipping everything I was assembling in Boulder Colorado to Taiwan - Tons of parts shipped to Taiwan then assembled and shipped back to Boulder Colorado and put on the shelf... Top Brass at the Pentagon is affected by the same mentality as this example but on a larger scale being the Pentagon. Bush can spit on China because the Pentagon will back him up as they are all in bed with the Electric Windmill Car suppression and paying out \$ billions in oil genocide money to get their way... City of Denver has gotten \$ Billions in oil genocide pay offs from DC and now after the Atlanta Judge was killed wants \$500 million for a new city jail and courthouse, a clone of the Atlanta one we all saw on the news the last few days - No one on CNN in Atlanta mentioned crime prevention. No one in Denver mentioned crime prevention. Only one with a Orwellian comment was Nancy Grace as she worked in the same Court Room the

Judge was shot - I had a chat session with Nancy Grace on line and asked her to help me invent a Lobotomy pill as my idea for crime prevention - she never replied in the chat session but I know she read what I typed in to her. She has little Orwellian comments now and then but is brainwashed by the Oil Genocide Era and all the \$ billions in oil money Bush uses to pay for bribes to get them to go along with what he wants. I think a lobotomy pill could have prevented the Judge being shot and the other Judge's mom and husband from being killed but my invent ideas are being suppressed same as my invention of the electric windmill car is suppressed 14 March 2005 --- Taiwan as the 51st State of the USA and Rice as President of the USA with CBS's Julie Chen Governor of Taiwan - Orwellian news for Monday March 14, 2005. PS.

Sell your oil stock and buy GE My Getting gravity control will still be amazing in 3005 Introduction to the Light Year Conquest Corporation Excruciating and Agonizing pain of burning in gasoline. For more Texas Oil money 25 years after the invention of the electric windmill car. Bush just added insult to all the 200,000 cops and kids who burned in gasoline by signing a Bill that prevents them from suing Texas Oil men for \$1 Billion each in a class action Law Suit...

Texas Oil men have made more than \$200 billion from oil in 2005 yet they don't want to pay anything to those burned in gasoline.

And if anyone at CNN would have exposed the electric windmill car in 1980 when it was invented by me, then 9-11 would never have happened as oil would have been 10 cents a gallon on this date.

Our Orwellian society is psychotic at the top... As Nancy Grace would say they are murderers without a conscience! So I hope some day soon as someone burns in gasoline everyday even though CNN does not report the daily death count.

Texas Oil men murder someone every day in a fiery car wreck... So someone with the personality of Nancy Grace should expose these Mass Murders from Texas who let kids and cops burn in gasoline every day for more oil money
\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$ CNN didn't report the 200,000 deaths from burning in gasoline or the suppression of the electric windmill car! War News 17 June 2003

5,784 more Marines and 5,784 more cops and kids will die 22 years after the invention of the Electric Windmill Car because the Top Quarks want more Oil Money... these guys are sicker than George Orwell in "1984" could have ever imagined ! 700 Shuttles to End War on Earth --

Local Observers are more interested in getting their names in my autobiography for stifling me than protesting about cops and kids who will burn to death in a fiery car wreck today... Boulder Colorado has taken \$100's of millions from DC to go along with the Oil Genocide Era. Even the Boulder Daily Camera Newspaper got mad at me for applying for a job with them last week - grin! And the Journalism students at CU were laying in wait to harass me for not massacring women in Vietnam, they had no comments about today's goings-on of cops + kids burning in gasoline for more Texas oil money. Strange Orwellian Society to say the least.

9 July 2005 -- CIA --- In London should be fired!

9-11 would never have happened if the Electric Windmill Car wasn't suppressed.

My Getting gravity control will still be amazing in 3005

Introduction to the Light Year Conquest Corporation

4 July 2005 -- 284 car wreck deaths in the last 6 months in Colorado. Local newspapers and TV news didn't report any fiery wrecks burning someone in gasoline. Because Bush has a gag order prohibiting this kind of news because the Electric Windmill Car was invented shortly after 4 July 1980, it was invented in October 1980.

Iran and Texas have used all this oil money, I estimate at \$\$\$\$\$ 2 trillion dollars - Iran used the money for nukes, Texas for sex slaves and jet planes - grin.

Moscow - probably more Moscow cops and kids burned and burned to death than Americans. Learning these statistics will be interesting at the "Oil Genocide Trials"... and yes they will be broadcast on Court TV.

9-11 was mention by Bush 5 times in 30 minutes.

9-11 would never have happened if the Electric Windmill Car wasn't suppressed.

News about this below...

My Getting gravity control will still be amazing in 3005

Introduction to the Light Year Conquest Corporation

June 25, 2005 ----- C5A cargo planes used to fight forest fires is an invention idea of mine I came up with 3 years ago and sent to General Orwell ha.

It seems Rumsfeld does not want to share his fleet of 100, C5A cargo planes.

Rumsfeld has a private C5A equipped better than Bush's 747... Nice perk of the job, grin.

Well 100 C5A's dropping fire retardant bundles that explode over the forest fire would put out the fire instantly.

Pentagon and Bush will not deploy this sernearo. 2005 forest fires have started, now Politics of not putting out the forest fires of the summer of 2005 is going on in our Orwell a society.

**I wish I had Observer status and could watch the Top Brass talking about burning Americans to death in forest fires.
This would be better than Alias.**

Criminal charges against all USA Electric Power
Companies
and their top brass.

Gas Tanker fire is cloned everyday
365 days a year since 1980

Observers in this Orwellian Society
are guilty of Oil Genocide and will be
put on trail and here is the evidence.

Look in the front of the flames
you can see the SUV with 3 people inside
on flames its gas tank exploding in flames.

This gas truck in flames
going down this mountain road in the
summer time last year... one of tens of thousands
of gasoline trucks that crash in a fiery wreck while
the electric windmill car has been suppressed since
1980
by a crazy government and government workers who
go
along with this oil genocide for more oil money.

**you know their out there
you know their out there**

**the woman doctor said
when I made my sales pitch**

**now all we need is a invention
that eavesdrops on aliens**

**eavesdrop on aliens
a breakthrough invention**

**a windfall for NASA
a end to the military era on earth**

**NASA's coup
against the pentagons billions**

**depends on one invention
a invention
that eavesdrops on aliens**

**world attitude
will turn towards space**

**and what if the aliens chatter
is intelligent ?**

**What if the aliens chatter
is centuries ahead of us?**

**This will bankrupt the pentagon
this will bankrupt the pentagon**

**end to the military era on earth
if the aliens we listen in on**

**are extremely intelligent
centuries ahead of us**

**alien doctors and nurses
listen in on their diagnosis**

**their anti-bused for tobacco
their anti-buse for alcohol**

**canals on mars
and pink canals in beings**

**alien doctors and nurses
remark on pink canals**

**optical scopes observe
pink canals on another world**

**making my sales pitch
doctor and nurse in a pink canal**

**I became a veggie
when Reagan had surgery**

alpha Centauri is on my home page

it's next to the southern cross

**resting your arm on my hip
soft not hard on the nerves**

**no hard on headway today
slowly we move the scope in**

**thinking about my position
sales pitch to all my doctors**

**couple inventions are needed
to end the military era on earth**

**one invention is to
eavesdropping on aliens**

**scope in the pink canal
carrying on intercourse**

**future thrills dreamed of
the future of inventing**

**thrills dreamed of
finding the invention**

**that eavesdrops on aliens
earth's future route here**

**alien doctors and
medical records to observe**

**observe the doctors looking in
pink canals from alien TV**

scope of cancer in body canals
scope of social mobility

on earth a veggie who exercises
can pass the colon cancer test

lovely Audrey Hepburn
died quickly from colon cancer

millions fail the test
influenced by the wrong poet

in making my sales pitch
I know everyone is listening in

advance ahead by centuries
in months and years

by listening in on aliens
by listening in on aliens

brightest aliens in the galaxy
might live around
the brightest star in the galaxy

Cygnus ob2 number 12
the brightest star in the galaxy

better known are
Rigel and Betelgeuse

best know of the aliens
we'll all have our favorites

once we start eavesdropping

on a universe of aliens

you know their out there
you know their out there

the woman doctor said
when I made my sales pitch

one breakthrough invention
that will end the military era

resting her arm on my hip
arm sales make it hard

to eavesdrop on aliens
to dream of this future invention

time traveling through centuries
of breakthrough inventions

to eavesdrop on aliens
to dream of this future invention

nights of
passionate brainstorming

to rid the earth
of its military era

invent a way to eavesdrop on aliens
dream of this future invention

you know their out there
you know their out there

the woman doctor said
when I made my sales pitch

using force of intelligence
air force is in the radio waves

end to military use of air forces
when I scope in on alien chatter

opportunities in using " I" force
opportunities in a peaceful world

brought to you
by eavesdropping on aliens

in the galactic bulge
there are old metal rich stars

star populations in the galaxy
alien populations in the galaxy

old knowledge rich aliens
you know their out there

the woman doctor said
when I made my sales pitch

unexploded explosive devices
left over from the Vietnam war

explode in school yards
maim and kill hundreds a year

victory in a nuclear war
has been the goal of the USA

**50,000 nuclear missiles
ready to launch in 15 minutes**

**your taxes pay for this
misuse of force to win a war**

**electric car
was in the pentagons garage**

**when 500 oil wells burned
misuse of intelligence to win**

**now listen in on aliens
you know their out there**

**the woman doctor said
when I made my sales pitch**

**antibodies fight the infection
vaccinations produce antibodies**

**antibodies are too specific
what we need is a generic antibody**

**you know it's possible
I tell the observers listening in**

**you know their out there
you know their out there**

**the woman doctor said
when I made my sales pitch**

thrills dreamed of

finding the invention

**that eavesdrops on aliens
earth's elevated roadways**

**military helicopters harvest
crops**

**earth elevated to space travel
even if it's only listening in**

**on aliens traveling from galaxy
to galaxy**

**you know their out there
you know their out there**

**the woman doctor said
when I made my sales pitch**

Lightning Suppression
by NCAR in Boulder CO USA

This is who we have to sue.....

Top court annuls rejection of claim for lightning-caused disability
Monday, March 13, 2006 at 16:08 EST

TOKYO — The Supreme Court on Monday quashed a lower court rejection of a civil lawsuit by a man seeking damages for disability caused by lightning striking him during a high school soccer game in 1996. Mitsutoshi Kitamura, 25, was left blind with paralyzed arms and legs as a result of the lightning strike on Aug 13, 1996, in Takatsuki, Osaka Prefecture.

Kitamura and his family filed the lawsuit two and a half years after the incident. The suit seeks damages for his disability from a Kochi Prefecture high school and others. Justice Ryoji Nakagawa said, "A teacher who supervises extracurricular activities has a responsibility to predict the danger of accidents. Considering how cloudy it was and that thunder was heard at the time, it was possible to foresee the danger," he said, quashing the Takamatsu High Court ruling that denied the possibility.

Take along a gallon of water in your Electric Windmill car
and you get Oxygen, and Hydrogen from free electrolysis.
Take a canister of your free hydrogen
made with your electric windmill car
into your house and you will get free electricity and free fuel
for your furnace
and air conditioning. Xcel will be completely out of business -
Our Public Service Co. ps

Your electric windmill car will be climate controlled
just like your home so no more "Hot" cars
and kids dying from being left in a hot car in the summer time...
MD's + Presidents have known about this spin off invention
for the last 20 years and 100 kids a year have died in hot cars...

Bush is sickening!

**Today --- CNN hears the screams of those burnt in fiery car wrecks
Today --- CNN can't report the screams of those burnt in fiery car wrecks**

**Today when cops and kids burn to death in fiery rear-ended car wrecks
Screams are heard on ABC NBC CBS CNN in our Orwellan Forest - only.**

**George Orwell created Big Brothers Texas Oil Genocide.
Senators McCain and Kennedy spit gasoline on the masses
then set it on fire in fiery car wrecks since 1980 killing and
burning 10's of thousands innocent cops and kids.**

**In our Texas Oil Men's forest not only are cops and kids burned
In gasoline every single day but other Perpetual Motion Machines
besides the Electric Windmill Car are suppressed from the University
Minds -**

**Students don't know now is probable that there are 1,001 other
Perpetual Motion Machines in the Universe -- this is as much a crime
Against Humanity as burning cops and kids to death in gasoline for
More oil money \$\$\$\$\$\$**

**Even the Nobel Prize was given to CU (Colorado University) professors
here in Boulder Colorado as a pay off to the University community
to go along with suppressing the Electric Windmill Car.**

**King of Sweden did a worst crime than those who pour gasoline over
the masses and set it on fire for more oil money - The King of Sweden's
crimes against humanity King gave 2 CU professors a Nobel Prize on orders
from Bush and Texas Oil men. Spitting on Nobel and all others who
earned their Nobel Prize. King killed millions of students in their freshman
year at the University by going along with the suppression of the Electric
Windmill Car and its being 1 of 1.001 Perpetual Motions Machines in
our Universe. The King of Sweden should be beheaded at the UN for this
crime against 5 Billion People who live on Earth.**

Veterans Day it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day"

**Picture cop and kids with burnt faces
Looking at the Generals as their Stars...**

**Now Light years from Alpha Centauri...
Because they went along with a Oil Genocide for more oil money**

**Kids look up to Generals with all their Stars
No one will survive the Oil Genocide Trials**

**Not even Veterans Day, it will become "Oil Genocide Day"
Veterans Day it will become "Oil Genocide Day"**

**Burnt faces of cops and kids in USA Oil Genocide
For more Oil Money is the only reason too \$\$\$\$\$\$\$**

**In 2005 we are in the Oil Genocide Era
Bush did not honor Officer Jason today - burnt face!**

**Bush attacked those who wanted the Electric Windmill Car
On the streets of the USA today**

But got a Psychotic President Bush in Iraqi forever!

Bush and Rice made up all the war Stories

**Like sex-addicted nymphomaniacs, Bush and Rice
There was no sane reason to invade Iraq with an Electric Car**

**In the Pentagons Garages
Bush's waning credibility is Zero with the electric windmill car**

**With 166,000 fiery car wrecks in the Orwellan News
And the Pentagons top secret number of Burnt cops + kids**

**Tens of thousands with burn faces from fiery car wrecks
CNN TV people will be replaced by some of these casualties**

**Oil Genocide Trial will rewrite history of Bush + Rice
Sex-addicted nymphomaniacs, Bush and Rice**

**UN oil for money scandal didn't get them at the UN Beheaded
But UN Generals will be beheaded in the Oil Genocide Trials**

**Big Brother is not looking out for anyone.
Moscow cops are #1 in being burnt to death in gasoline**

**Kids look up to this new 5 Star General - at the Pentagon
He tells war stories about Vietnam in an Oil Genocide Era**

**Will this new 5 Star General at the Pentagon
Survive the Oil Genocide Trials by letting kids die for him.**

**In fiery car wrecks... ? In 2006, In 2007 etc.
CIA tortures terrorist, and they know kids burn in gasoline**

**Back in the USA
This is not criminal talk at CIA HQ**

**But politics of Presidents + Generals not CIA agents
Bush's argument is we need the Oil Money**

**Judy Miller of the New York Times www.judymiller.org
I sent her e-mail in her last days at the NYT**

**Asking her to expose the suppression of the Electric Windmill Car
Judy refused...**

**Kids look up to Generals will all their Stars
No one will survive the Oil Genocide Trials**

**Not even Veterans Day, it will become Oil Genocide Day
Exxon-Mobil CEO Lee Raymond will be Beheaded**

The CIA will kill Saudi King and Prince

VIA our Post Oil Genocide President of the USA's first executive order!

**Windfall profits will finally go to the Electric Windmill Car
The new President will freeze \$5 trillion in oil money**

Electric Windmill Car...

In its first year of production I will get 101 more inventions

**Possibly even the cure for cancer and gravity control
IBM mainframe computers will track misdiagnosis by MD's**

**Bill Gates will not survive my free OS for PC's
My reinvented PC will turn on like a TV**

**History of Microsoft will be rewritten with the Electric Windmill Car
1980 invention of the Electric Windmill Car + Microsoft's IQ Genocide**

**It was irresponsible for Bill Gates to go along with its suppression
No Time - time did not create itself**

**This will get the President of CU here in Boulder CO fired
Cooks who never wash their hands will freak out freshmen**

**Campus newspaper never wrote up non-handwashing cooks
Timeline for ending the Iraqi war**

**Today's Veterans Day Bush said he did not mislead!
166,000 fiery car wrecks with cops and kids burning in gas**

**This is the real reason Bush looks like a nervous wreck
166,000 fiery car wrecks burning cops and kids in gas**

**Rice profited from white cops burning to death in fiery wrecks
Kennedy + Kerry have know about the Electric Windmill Car**

Since its invention in 1980

This is why Bush keeps saying you went along with it

**With burning cops and kids to death in fiery car wrecks
Kennedy + Kerry backed Bush in this Oil Genocide**

**Veterans who are Generals backed this Oil Genocide
For more Oil Money**

**Kids look up to Generals with all their Stars
No one will survive the Oil Genocide Trials**

**Not even Veterans Day, it will become "Oil Genocide Day"
Veterans Day it will become "Oil Genocide Day"**

Veterans Day it will become "Oil Genocide Day"

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning.

Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this

I spent my 57th Bday Re-Inventing Gravity

© Greg Buell

PO Box 1113 Boulder CO 80306

Copyright 2006

Rewritten on March 20, 2006 1 pm

2 hours after Bush speech in Cleveland on CNN

www.electricwindmillcar.com

www.inventor-warp-speed.com

I spent my 57th Bday Re-Inventing Gravity

In my Dreams...

My computer was the NEC supercomputer

**The fastest computer in the world and cost
\$100 million dollars**

NCAR here in Boulder CO has 3 of them

And they can't suppress lightning

But they can go along

With suppressing the Electric Windmill Car

**Electric Windmill Car would have bought me One
Or two or several of these supercomputers**

57 inventions

57K inventions is what I would have gotten

On my 57th BDay

By my 57th Bday on 27 September 2004

But the world runs on oil + oil money + Oil Genocide

I spent my 57th Bday Re-Inventing Gravity

I spent my 57th Bday Re-Inventing Gravity

57,000 inventions to date

My wives and mistresses would be keeping track

And inspiring the next thousands of inventions

I spent my 57th Bday Re-Inventing Gravity

As a prisoner of War

To End War on Earth

Inventor POW

Prisoner of War on Earth

The dumb bomb

Win the war by wits would bankrupt the Pentagon

Electric Windmill Car

Would have bankrupt the Pentagon

Their 2006 budget would be a few billion

Just enough to pay the Generals

No need for a million man Army

With oil at \$5 a barrel in 2006

Oil is \$65 a barrel today 3-20-2006

The first day of Spring

And there is a snow storm here

In Boulder CO today

Smart bomb is smarter than Bush

Bombs are not psychotic Bush is Psychotic

I listened to him in Cleveland 2 hours ago

On CNN before I left the house

Bush's Universe has no Electric Windmill Car

Bush on CNN 2 hours ago on 3-20-2006

And even the camera man at CNN

Knows about the Suppression of the

Electric Windmill Car

And that oil should would be \$5 a barrel today

Bush was Psychotic going into Baghdad

Bush is psychotically against my getting

Gravity control

And the cure for cancer

I spent my 57th Bday Re-Inventing Gravity

I spent my 57th Bday Re-Inventing Gravity

57,000 inventions to date

My wives and mistresses would be keeping track

And inspiring the next thousands of inventions

I spent my 57th Bday Re-Inventing Gravity

CU University has failed

Gravity spectrum goes from oil to hand washing

Unwashed hands prepares food for students

I'm blacklisted for Whistle-blowing this crap

**Hallet Hall on CU Campus
Kitchen staff fails to wash their hands
After taking a shit**

**Gravity spectrum goes from oil to hand washing
I'm blacklisted for Whistle-blowing this crap**

**I'm a Whistle-blower
In a Orwellian society**

**A Poet-Inventor
I couldn't have made it to 57 without both skills**

**Gravity spectrum goes from oil to Coors
Student death from drinking too much this week**

**University has failed
University has failed**

**So they pass the blame on to --- students
Grin**

**I will sue Coors after the Oil Genocide Trials
We will have Trials for Drunk drives deaths**

**With Coors paying \$1 million for every
Drunk driver and student
Who died from drinking**

Saudi Oil money in the USA
\$1 billion will go to each cop burned in gasoline
Since 1980 and the invention
Of the Electric Windmill Car

Week of my 57th Bday
Students are to blame for drinking themselves to death!

"1984" the book belongs to Coors
1984" the book belongs to Coors

1,400 will die from drinking this semester
Each University will blame the student body

Coors will get elected Senator from Colorado
He will pin a Medal of Honor on a CU University President

Post Medal of Honor to Senator McCain
Senator McCain gets a Medal of Honor for what?

For keep America prisoner of the Oil Genocide
For bombing cops and kids with gasoline tank bombs!

POW's have their own license plate
POW's of our Universe are alone in Society

We are alone in space

Space that contains 10 Billion Galaxies

Gravity spectrum goes from Mexicans to Aliens

Aliens could be 4 light years away and we wouldn't know

Light year travels beyond F-22's mentalities

Kids bodies pulled from bombed out buildings on TV

USA Kids burned in gasoline are not shown on TV

Government controlled TV will not show this

CBS news count of burned + burned to death in gasoline

6 million cops and kids will burn and burn to death

In fiery car wrecks

Government controlled TV will not let CNN

Report this statistics

Electric windmill car invention in 1980

Gravity spectrum goes from lost inventions

To a USA Genocide

Government controlled TV will not show this

I spent my 57th Bday Re-Inventing Gravity

I spent my 57th Bday Re-Inventing Gravity

57,000 inventions to date

My wives and mistresses would be keeping track

And inspiring the next thousands of inventions

I spent my 57th Bday Re-Inventing Gravity

Government control TV in the USA

Senators burn + burn to death their own children

In fiery gasoline car wrecks

For more oil money

How many have burned and burned to death

On my 57th Bday? In this day in history?

This is classified information

This is the USA we live in today

I spent my 57th Bday Re-Inventing Gravity

57,000 inventions to date

My wives and mistresses would be keeping track

And inspiring the next thousands of inventions

I spent my 57th Bday Re-Inventing Gravity

I would have if ex-POW Senator McCain

Was not a madman - still lost in a Vietnam prison

Pilots bombing women and kids

When 6 million cops burn in fiery car wrecks

When oil should be \$5 not \$65 in 2006

What Madmen invent Napalm?

Vietnamese girl naked burned running down the street

American kids in the back seat in a ball of fire

Last report on CNN several years ago was

3 kids in the back seat of a car

Rear ended and burst into flames

Then Bush ordered CNN never again to report

News about kids in the back seat of a car

Rear ended and bursting into flames

Because he feels guilty for suppressing

The Electric Windmill Car in 2006

Vietnamese girl is on CBS Good Morning show

**Americans kids in the back seat
Of their parents car rear ended in a ball of fire**

**Do not get interviewed by Julie Chen on CBS
911 callers with the wrong address is interviewed**

I spent my 57th Bday Re-Inventing Gravity

I spent my 57th Bday Re-Inventing Gravity

57,000 inventions to date

My wives and mistresses would be keeping track

And inspiring the next thousands of inventions

I spent my 57th Bday Re-Inventing Gravity

**Alone for the whole day on my 57th Bday
Observers behind the hidden cameras watched all day**

**I write in my diary
Powell and McCain are leading the world to nuclear war**

**Columbus is not a General
Getting ships from the Pentagon for a light year conquest**

**Today Columbus is a USA Senator
Leading us to Nuclear War + profiting from oil genocide**

This is the USA we live in today on my 57th Bday

Panic rooms have been built all over the USA

Just like Fall-Out shelters were build in the Cold War

Harvard students walking down the street at 2 am

Screamed at by a group of Mexicans drunk on Coors

Harvard students are stupid

CU students know streets are rules by drunken Mexicans

Every campus every street in the USA

Has drunk Mexicans screaming at passers by

Yet a Harvard Student kills a drunk Mexican

Stupid students from Harvard

Rest of us know life in the real world

Yale - Bush and Kerry went to Yale

I was born at Yale-New Haven hospital 57 years ago

Jodie Foster's movie Panic Room

Should have had Jodie working on a Lobotomy gas

Jodie Foster knew about the electric windmill car

When she was making the movie "Panic Room"

"Contact" will be my invention

I get with my wives and mistresses to find Aliens

Nancy Gibbs was my last contact before the electric car

She introduced me to Kennedy before its invention

On my 57th Bday Rumsfeld and McCain are on TV Talking about the number of troops reenlisting

Gravity of Particle Measuring Systems or PMS - Grin

Gravity of Particle Measuring Systems or PMS - Grin

For the New Year 2001

I asked President Kelley to build a gravity particle unit

Build a unit that detects gravity particles

I asked the woman programmer how would she write

A program that detects gravity particles

I asked President Kelley to build a gravity particle unit

He is also an Orwellian Observer

Behind the hidden cameras

Build a unit that detects gravity particles

Gravity of Particle Measuring Systems or PMS - Grin

Strange quarks

There is always one more quark to be discovered

There is always one more invention to be thought about

"The fifth and sixth quarks were originally called truth and beauty, but even physicists thought that was too cute.

Now they are called TOP and BOTTOM"

Politics at Particle Measuring System

Politics on the job at Particle Measuring Systems

Overlooks hammering of a laser into place by a Laos's woman

Woman from Laos got her job via the Vietnam War

Woman from Laos hammers the laser to get it to fit in the unit

Woman from Laos is the supervisor's favorite - love

Supervisor was in the AF looking for MIA's in Vietnam

He looked for MIA's in Vietnam and is very psychotic from it

James Shipley is his name his father also works at PMS

They are bullies ganging up on any one who complains

Everyone knows this is their favorite tactic to win an argument

Shipley's stories and comments are all about violence

And suicide

Kathy Campitelli was my manager and lied to the temporary agency

I quit, Kathy told Staffing Solutions I walked off job

So, I was fired at Staffing Solutions with no way to appeal this lie

Only after 4 weeks of stopping by Staffing Solutions looking for a job

Did they tell me I was fired.

Well training was chaotic at PMS

I did not know a revision from the Laos woman's inclinations

Technician at the end of the line missed most assembly mistakes

Even though he was the highest paid at \$30 a hour

Rest of us made \$10 an hour

Scratches on the stainless steel were caught and rejected

Until Kathy changed the process and accepted them all

We ran out of parts every other day
This had driven James Shipley mad
He could not set up a training program as parts took all his attention
Engineer seemed distant in his Orwellian comments to me about me
Like General Orwell was in charge at PMS
General torments me hiding behind the hidden cameras
Not out of character for my treatment in this Orwellian Society
Strange Quarks
Gravity of Particle Measuring Systems or PMS - Grin
Gravity of Particle Measuring Systems or PMS - Grin
Build a unit that detects gravity particles
President and General were more into tormenting me
Politics picks the women Manager Kathy
And the wife
United Nations is persona non grata
21 years after the Electric Windmill Car invention
General's assemblers fabricate real world statistics
MD's in Boulder CO made me persona non grata too
Politics of American in a world ruled by Texas Oil Kings
Fiery car crashes with people burning up inside
Boulder Colorado officials took pay offs to let this go on
If they do not hang in a post Electric Windmill Car administration
We can sue the Doctors for charging the burn patients
So, they let Americans burn to death in car wrecks
They let women from Laos do as she pleases on the assembly line
Exabyte did the same for Iraqi's
Hired 100 Iraqi's and made them Leads and Supervisors over Americans
Reward for leaving Saddam
And one told me "I will kill you" for inventing the
Electric Windmill Car

Strange quarks in our Orwellian Society

Gravity of the Electric Windmill Car is to keep the oil money flowing

Both sides using the money to finance terrorists

Even Pope John Paul II profits from Oil donations

Even Priest in Boulder Colorado molest kids

Even though it is only exposed in Boston

I must find out how they managed to expose this in Boston

As the Priest in Boulder are just as horny

Bush in China demanding Priest populate China

During the Headlines about Boston Priest molesting kids

China should publish the statistics = If Boston Priests in China

Priest in China would molest 100 million kids

Per capita compared to Boston rates in China

Donations by Bill Gates is politics at its worst

Bill Gates would not exist in an Electric Car Era

Microsoft only exists because the Electric Car was suppressed

Bill Gates gave money to fight diseases

But charged the inventors even more for the software

Strange quarks in an Orwellian Society

10 times as many programmers are needed

Programs with pop-up windows with inventions

All the inventions in history popping up in pop-up windows

Bill Gates sells Visual Studio for \$5,000 each

Each computer each student learning programming

Government policy backs this up with laws from Congress

Strange quarks in an Orwellian Society

Laos is a communist Nation with few programmer and few pirates

Few software pirates wanting to learn programming - grin

University of Colorado at Boulder

Division of Continuing Education

Will charge you \$3,000 for night courses to learn programming

\$100 for every 45 minutes in a classroom

This is night school in 2001

Sticker shock is not just for gas guzzling cars

UN cannot stop this madness

They have sold out with the Pope to Oil Kings for dollars

Payoffs from DC and Texas

4 Shuttles left in NASA

When NASA gets down to One and None revolution will blast off

Star Travels via 700 Shuttles docked in Orbit

China and Russian will put Nukes in orbit first

To counter Bush and his Missile defense

No one can shoot down Nukes in Orbit

Make peace with all the Nations at the UN

USA lets Americans burn to death in fiery crashes for money

They are not about to help the World

Gravity of Particle Measuring Systems or PMS - Grin

Gravity of Particle Measuring Systems or PMS - Grin

Build a unit that detects gravity particles

Build a unit that detects gravity particles

Exabyte is going out of business

Partly due to 100 Iraqi's supervising Americans

Partly due to the Generals daughter a Exabyte Supervisor

Making war blunders that are top secret

Politics of the nearest star

Are not the politics of anyone in the USA or UN

Not even a telescope that can peer into deepest space

Is financed by Texas Oil Kings

Texas Oil Kings will never buy 700 Shuttles

NASA will have to do a Coup

To get 700 Shuttles built

Plan a light year voyage to Alpha Centauri

George Orwell is alive and well at the CNN News desk

High on cocaine and into suppressing Space Exploration

Boulder Colorado MD has made me persona non grata

USA has made the Universe persona non grata

Oil is King

Oil money is God to the Pope

Hidden cameras are the MD's worst state of affairs

Politics of Planes and Trains

After 9-11 terrorist attack on the WTC

Politics of Planes is another new quark

Oil money 6 months later is still God to Bush and the Pope

Oil money is God

Let them die in fiery car crashes Bush said

They cannot have the Electric Windmill Car

I need more Oil money

Politics of Oil money

Politics of using Oil money for a free bus ride is not one in Colorado

Bus fares are the highest in history \$1.10

Gasoline money is used for Orwellian Leaders luxuries

3 million people visit Estes Park

None arrive by bus only Shuttle Vans at \$45 one-way

Politics to get the most out of the poor masses

Is the politics of Colorado

China - Tibet railway should use unused 767's

Airline travel will never recover after 9 - 11 anyway

767 train cars for the China - Tibet railway

London politics is still ruled by Royalty

As they cannot prevent train wrecks

767's on reinvented train tracks can not wreck
Tunnel fires from car crashes leave 33 burned to death
Can we sue them for suppressing the Electric Windmill Car?
Mayor of NYC dared terrorists to Nuke NYC
He was made a Hero after the 9 - 11 attack
Politics of making peace with all Nations at the UN
George Orwell at the news desk is suppressing this News
NYC will light up by terrorist Nukes paid for by Oil Money
Light show memorial does nothing to stop terrorists Nukes
New Yorkers are strange quarks at the mercy of oil money
Gravity Particles will never be found
Politics makes strange bedfellows
Politics of the Generals will Nuke NYC someday
Nuke Memorial design for NYC will be designed
No exodus to the nearby stars
USA politicians believe God is Oil Money
1,001 spin off inventions from the Electric Windmill Car
Has been lost by the Presidents of the USA
Mechanics that generate gravity
Create the gravity particles
Will remain alien
London trains will crash and burn for the next century
British Petroleum will not buy any Shuttles for the Royals
World Trade Center building dominated NYC
Skyscrapers are against the law in Boulder Colorado
Tibet will get train service before Boulder gets a bus to Estes Park
Coal train will stop in Boulder for the next century
Particles are filtered out of the 4 smoke stacks at the Power Plant
How many particles in the air are top secret
Sticker shock of new cars and 700 Shuttles

Nearby Stars are out of the price range of Oil Kings
Who at Exabyte hired 100 Iraqi's and made them leads over Americans?
Who at Exabyte let a General's Daughter lose the company millions?
Who at PMS let a woman from Laos hammer into place a laser?
Politics of George Orwell at the news desk
Making up fabricated stories
I will build a unit that detects gravity particles
Employees at PMS who tormented me behind hidden cameras
Will be sued when the world changes in my favor
One vaccine that vaccinates you against everything
Is not in the news from George Orwell
MD's in Boulder Colorado made me persona grata for a reason
So, I could not work on medical inventions
Everything is already programmed into your immune system
Clone a lion's immune system into Humans
If you question your fabricated medical bills you are persona non grata
Lawyers will sue you knowing the Orwellian truth
Truth about Americans burning to death in fiery car crashes
Will put the Orwellian Lawyers between a rock and a Boulder - grin
Memory particles in the brain will remember after the revolution
Create memory from scratch
Gravity particles can create a black hole
Blacks in Africa rape their mothers, sisters and daughters
Without feeling guilty
UN statistics say 90% of African blacks rape someone
They want a cure from the USA - ha
Black Americans boxers rape on their way to being a millionaire
Politics of rape and exposing Priest in Boston but not Boulder
What has driven these men mad enough to okay this behavior?
Not knowing the size of gravity particles

Model of the universe

On the kitchen table she lay reflecting

Just like a woman

On the kitchen table she lay reflecting

Stars linked with women

Horse head nebula postcard mailed

Picture perfect universe

Both on the kitchen table lay reflecting

Who are we in the universe?

Just mad men at war destroying a universe!

We are alone in the universe because of

Mad men

Mock war games lay reflecting on their tables

Earth's humanity is in wartime isolation

On starry, starry nights

Star to star travel money

Is spent by mad men

On covert wars around the earth

Not like women

Mad men incite war

Not like women

Mad men seduce war

On the kitchen table she lay reflecting

Women as distant as the stars

Incite star-to-star travel

Seduce the violent madmen

To travel into the universe

Leaders need a lobotomy invention

Universe is too big a deal to be

Stifled by bullies

Reading the stars and women

We are poor and illiterate star farmers

City hall spends more money on sports fields

Not star fields

Than stellar education

Reading between the lines in books

I think of answers to 1,001 invention projects

"Animal farm" windmill changed the world

Proved mad men would suppress a cancer cure

Invented crops are not harvested

Because inventions are suppressed

Like the 4 rotor helicopter for farmers

Because wars majors

Is a general plague on earth?

Name names

Who, whose inciting war on earth

Because the USA protects those inventing war

The USA is \$\$\$ financing those

Bush flees to Saudi Arabia

Pentagon General kill their own troops

Like the troops killed their own Generals in Vietnam

Bush kill more Americans via the Oil Genocide Era

than Saddam ever killed Iraqi's and Iranians....

Ironic.....

Saddam hanged, Bush will be burned alive in gasoline like the 7 million cops burned in gasoline since the invention of the electric windmill car.

Vacation Diary

Biked 15 days in a row in July 2001 and I can tell you this is a record that will not be broken until I am a Nobel Prize winner with a satellite dish on my bike. I took the bus to Nederland from Boulder Colorado 8 am got to Nederland at 9 am and started biking up the mountain road its called Peak to Peak highway leads to Estes Park. Allen's Park and Ward. 14 miles uphill to Ward I kept a schedule for my times biking from tent one to Ward as I had a tent set up at the scenic overlook 1 hour up the mountain road from Nederland. All the times are in my diary and I cannot remember good enough to write them up here. Some days it took me 45 mins longer than the shortest time. Three hour is about the average time biking up hill from 8,200 feet to 9,500 feet. I got to Ward then turned off to the National Forest area and biked 45 mins at the steepest part of the ride. When I started this route a few years ago I had to push my bike half the way, now even on bad days I bike the 45 mins without stopping but at only 1 mph grin. I had a tent I called tent 2 at the top right before the Pay Booth to the forest. This year they change the cost to \$1 for bikes it use to be free. In almost 10 years of collecting fees, they have not reworked even one trail so some one is getting rich behind a Nation Forest computer grin. Therefore, I only went into the Forest one time in 2001 as I hit the hiking trail right before the pay station. Trail is a Brainard Lake trail that goes down hill about 30 mins they you can turn right or left at a bridge with a mountain stream that is about 30 yards wide. Really, a nice place to take a break and watch the little birds fly. This is a mountain bike trail but only about 2 or 3 a day a best use the trail as it's just for the 1% of extreme mountain bike riders with all the rocks which average a foot in width. It would wear me out in a few mins and break my bike. The best days with clear skies I hiked down, turned left to the Forest Lakes 1 hour, and found a rest area with a scenic view of Mt Audubon. This spot is my 3.5-hour or 4-hour mark in calculating the calories burned going uphill. I got my weight down to 122 lbs by the end of July 2001 biking and hiking the month of July 2001. I ended up getting a cooking job at the University in August 2001 and gained 15 lbs in 4 months so back to dieting and biking for the New Year 2002. The highway department put down oil and gravel on 14 miles of this highway so ran into a lot of trucks and got hit in the eyeglasses about 25 times with gravel. No overnight camping as I can only find my six person tent. My 2-person tent is lost and I had three tents at one time two were taken by Observers in our Orwellian society as I left them setup all the time in an area hidden in the trees around a switchback. Only reason to camp overnight is to be able to start hiking at 5 am up to Mt Audubon in order to get back down by dark and dark is 9 pm in July. I only camp out one night at a time at this site, Ready for sitting behind this computer after 2 days of biking, hiking and camping out one night. I could not get to Estes Park in 2001 because of the bus. There is no bus from Denver or Boulder to the National Park the city of Estes wants it this way so only Van Shuttles at \$45 each way are allowed by City Hall. Low paid workers are hard to come by for the business owners as they have no way to Estes as most low paid workers relies on the bus. Bush was in Estes at the YMCA in 2001 right before the 9-11 attack on NYC. YMCA people knew about the Electric Windmill Car since it was invented in 1980 so the Church is guilty of suppressing the electric car and letting oil money be

spent financing terrorist around the world.

Today is March 2, 2002 and I am working on my web page on my new web host, ATT sold their web hosting to Interland and I quit the first day because the tech support hung up on me. I plan to rewrite all 135 poems I posted on my home page. Warmest winter in history and least amount of snow it was tempting to take the bus to Nederland and bike but you have to dress for winter biking downhill at 40 mph so I never did this. It finally snowed 10 inches yesterday the most snow all winter. I should have went skiing today but it would have been packed at Eldora this being the first big snow of winter and a sat. I might go skiing on Monday.

News - 18 Aug. 2001

2,000 people on Elkhorn in Estes no black limo and newspaper people were disappointed at not seeing Bush. 2,000 times, I have walked up and down Elkhorn and I imagine Paula my friend since 1975 was at her bookstore on Elkhorn with the crowd. Last message I e-mailed her told her about the Electric car and the oil genocide, she never replied and has not heard from her in over a year. Thousands of Americans have burned to death in gasoline fires in their cars via car wrecks and no one in Estes Park could even protest this - so much for a Orwellian society. I am curious how this could happen and will write a poem when I find out when the observers come out from behind the hidden cameras.

"After speeding through downtown Estes Park in a 24-car motorcade, Bush spent

The morning clearing brush for fire prevention and working on a trail in the
Emerald Mountain area that borders the YMCA and Rocky Mountain National
Park.

At the urging of the Secret Service, demonstrators who planned on gathering
At the YMCA, grounds were told to set up camp at Bond Park in downtown Estes
Park, where 150 people showed up to protest Bush's environmental policies.

Approximately 2,000 people lined Elkhorn and Moraine Avenues to witness the
Motorcade cruises by. One man was arrested and charged with disorderly
Conduct after witnesses told police that he was encouraging people to throw
Rolls of toilet paper at the motorcade"

So, although the only president to visit Estes Park since Herbert Hoover was
President had made his way through the heart of Estes Park - it was all over
Before anyone knew it - leaving what some may describe as a small feeling of

Disappointment in the air

Bush is coming to Estes on 14 Aug 2001 I will update this page then.

News - 11 Aug 2001

Bush is coming to Estes on 14 Aug 2001 I will update this page then.

I cannot make it to Estes this year as there is no bus service and the Shuttle Van companies are out of my price range at \$75 a round trip.

Bush might visit Estes by Helicopter, this could bring Helicopter flights to the National Park if Bush has a good flight and wants others to have the same.

June 2000 computer is still running ok with the P3 600e cpu so it lasted 1 year and 2 months while my other computer needed a new motherboard which I installed a couple months ago so both computers with Abit motherboards are running side by side again. Other computer is a Celeron 533 overclocked to a P3 at 720. When freed I want to invent a way to overclock the P4 2 gig CPU to three gig in a casing that keeps the CPU at absolute zero.

This is my best STRAGITY for backup as if one computer goes out all I have to do is plug in the phone line to the other and I am back in business. I use a cd-r writer to copy all files so both computers have the same files.

News - 15 days in a row biking 48 miles a day and hiking 2 to 4 hours. This is a record that will not be broken until I get a wife, car, and house in Siberia - grin.

130 lbs now wanted to get down to 122 lbs as I was last year at this time but will keep working on it all year round this year and not gain any weight back.

Spending days and weeks in front of the computer writing poems and researching warp speed and a cure for cancer I put on weight.

News from the George Orwell news desk is about the NYC cops drinking + drunk. Drinking all the time in the police parking lot. I think cops and society in general are brainwashed by Coors and others and this should be the defence they use for the NYC Cop killing 3 people running a red light drunk, it will not get the cop freedom but will save thousands of others each year who also drink and drive and run over people. You can be brainwashed, this is a textbook example. Gamblers are another.

ANTIBUSE pill over the counter has been suppressed for many decades by the Presidents of the USA via politics of Coors and others.

700 fleet of Space Shuttles are not getting built, ruling class is still building Nuke Subs and Aircraft Carriers in an Electric Car Era that should be building 700 Shuttles that can be docked together in orbit like a train and set on their way exploring our solar system while working on a Gravity engine that will propel Humanity into the Warp Speed Era.

Texas Oil Kings think they will get away with letting Americans burn to death in Gasoline fires via car wrecks for more oil money.

We will just have to wait and observe if they do - grin

July 14th 2001

So I am on vacation, got a picture of a button mushroom in the forest today - a red one too bad we can't eat these as they are much prettier than the white mushrooms - grin.

Rain and T-showers every day in July so far and its July 14.

I biked 48 miles the last 3 days in a row since I was fired on Wed. Today is a zero calorie day have biked 48 miles and eaten no calories so I burned 3,000 calories and lost almost a pound today. I can hardly wait for my soy protein shake in the morning. I mix so milk, frozen fresh strawberries and frozen banana pieces and two scoops of soy protein. Then much on a no salt rice cake with peanut butter and raisins.

Hope to lose 10 lbs and bike 48 miles 10 days in a row form now until 25 July 01.

My bike fell out of the RTD Bus Friday as the bus driver left the bay door open under the bus. Bent the handle bars and front break lever and put a hole in the seat but rides ok at 45 mph coming down the mts.

9 July 2001

One computer died the ide one, it was the motherboard. I traded 10 DVD movies for another identical abit motherboard BE6-2 so I would not have to change information on the hard drive. Got it installed and booted up except I was reinstalling win98 when it went out and picked up at 17 mins left to install win98 which was not good and no way to quit install so just had to keep trying to reinstall. Got blue screen of death from Creative Labs chip on the sound card and conflict with the 533 celery CPU so took out the sound card and no bluer screen. None of the Microsoft people on Microsoft news groups knew this I found out from the guy I bought the new 533 CPU from he id'ed the error numbers to the sound card.

Microsoft's people got pissed and slandered me and spit on me because I asked them why they did not know - ha. Microsoft was going to take over the news groups on its servers but back out this was not a wind fall for the posters as the Microsoft people are idiots who reply to help posts but nothing we can do until Bill Gates gets fired, grin.

Lava does not work without illegal operations but I can live with this as I have wake to cd music back working for my 5 am alarm. 2 speakers work out of the sound card sound blaster live value for the window media player but only one for the windows cd player. Not going to use the DVD any more as this is what killed the motherboard - I suspect it did.

Got another Kodak Photo CD of a roll of film, Kodak labs changed its name and did not enclose any order forms for the next roll of film strange. I will post my new bunk bed pictures and room set up in general.

3" inches of rain in Estes and Longs Peak, I was up there last year at this time with little or no rain for 10 nights, 3" inches of rain sleeping in a tent would float it around - grin. Estes has a flash flood warning for tonight... wet campers and hikers.

And no warm showers for any of the 300 campers in the National Park campsites as the Park VIP's refuse to upgrade the campsites to shower let alone hot tubs for sore muscles.

I soaked in the shower with sore muscles for an hour at a time last year. At the private campgrounds, I camped at. 10 hours of hiking, you can hardly move and not having a shower is cruel and unusual punishment.

2 camps were closed because 50 people got sick as the Organization running the camps did not provide soap or wash the tables that ate off of and bugs spread quickly getting everyone sick, this was not fixed after the first group got sick but another group of campers visited the next week and they got sick too so finally they caught on - and found the problem was bugs from no soap and not washing the tables they use to eat off of. This was not India but the USA in 2001 near Estes Park.

No bus to Estes or the National Park this year so probably will not make it up there in 2001. 3 million people drive to Estes and the Park and the Government lets the expensive van companies suppress buses.

Used truck to get 18 2X4's at the recycled lumber place for \$25

Bought bolts but did not use them, next time I build a bunk bed I will but the guy with the drill did not have it so had to use a nail gun, paid him \$20 to help which paid off as the plywood would not fit in had to saw it in half and put in 2 pieces. Took one night to make after I got home from work at 6 pm. Really helps in my room as its about 9'X12 ----- 108 square feet is my living space, I will enjoy a 5,000 square foot house this is for sure, but want a 50,000 square foot home to make up for lost space. Room enough for my supercomputers.

4 July 2001

4 July 2001 today

Electric car was invented and suppressed in 1980 log time before Iraq invaded Kuwait

Did 6 bike rides of 48 miles last 3 weekends - biking to Brainard Lake, I had a tent set up there last year but Gen Orwells observers stole it so have to set up another tent in July so I can spend the night and get up early to hike Mount Audubon at 13,000 feet its almost as tall as Longs Peak and its a nice hike.

15 July 2000

Back from 10 nights camping in Estes Park 9 Days in a row of hiking with almost no, rain best Estes Vacation ever.

Emerald Shuttle cancelled my 9:30 am ride I booked 3 weeks earlier said it was full.

Rick Star the new owner told Anita the driver at 12:30 pm we do not stop in Boulder any longer while I was on the phone with him.

So I waited at RTD 1.5 hours and RTD Cop threatened me five times to move on and I had two coolers and a pack ready for camping.

I will sue these nigers after I get my Nobel Prize.

4:30 pm I got to Estes Campground

After 50 calls to Emerald and Rick Star. Still had to pay \$20 and no sorry or thank you from Rick Star.

My 3 100 lb boxes I shipped by UPS were at the Campground or I would have been sleeping on the ground for 10 days. Got a new six person Coleman tent up by 8:30 pm with 12x16 foot tarp over the top. Also, put a 10x12 foot tarp under the tent and one inside the tent. I had the picnic table under the awning of the tarp.

I sent three rolls of film to Kodak for photo cd and will post the picture in 3 weeks. 122 pounds 128 pound when I left 10 days ago now back to 125 so some was water. Did lose the fat off my waist, now going to start a weight lifting and Nordic track work out program instead of hiking Boulder City Park trails.

Posted the message below about my hike

13 July 2000 back from 9 days of hiking and climbed to Keyhole at Longs Peak, I stayed one night at Boulder Brook and was cold in tent with sweats with jacket but waking up and looking at the stars made up for waking up cold. I found the seven sisters easily and the others were so bright I had a hard time recognizing them all, wish I knew the names and distances of all the stars in the sky from Boulder Brook camp site... wish we were a society that traveled to all the stars in the night sky, but then the cost of gas would be \$5 a gallon.

I could not carry my pack from Boulder Brook to BoulderField because of sore shoulders. So just carried water and soy shake. Left Boulder Brook at 5:30 am on 6 July thursday and got to the Keyhole at 11:10 am took pictures and wind was 70

mph at times but was warmest day so far at Estes Park Campground at East Portal where I started from 88 F.

11:30 am started back and got to campground at almost 7 pm. Took Granite Pass to Boulder Brook to Storm Pass to Wind River

Jesse, I did see my first bear a brown colored 2 year old black bear on Wind River trail by the Wind River Bluff back country site on 4 July at 7:35 pm he was coming over a hill and I saw him first and went the other way and made a big circle to connect to the trail again and looked back and the bear was moving his nose from side to side on the trail I was 100 feet up into the forest and he did not see me again so I kept on going did not get a picture as my camera was in a water tight box and did not get the camera out, but found out that if you yell and make noise the bear will get off the trail for you and let you take pictures, grin.

I called the bear on trail in to the Park and they said thanks.

Jesse you could track the bear easily as tracks are all over by Wind River Bluff and large rock outcroppings are where the bears sleep so good luck bear hunting with your camera if you go looking for trouble, bears, grin.

I have three rolls of film but will not post these for 3 weeks as I send them to Kodak for the photo cd and it takes Kodak 3 weeks to get me the cd. I also saw a large bull elk at Boulder Brook trail second log bridge from the top but did not get camera out in time

I hiked 9 days in a row average 6 hours a day and lost 4 lbs almost 5 as my weight when I got home this morning was 122 lbs, no more pot belly at all, grin. 53 YRS OLD.

NEW -- Had to delete 10 Megs of vacation pictures.

My trion web host went out of business.

I had 50 Megs for \$15 a month

How I have ATT for a web host.

I pay \$25 a month for 25 Megs.

Or \$50 for 50 Megs what I use to pay \$15

So will add a few more pictures here when I can.

I just deleted most of the pictures moving to the ATT web host.

22 Nov. 99

Trail to Longs Peak I make it .5 miles from the top ridge 3 days in a row at exactly the same time after hiking form 6 am got here at 3:30 pm and thundershower started at exactly the same time and lasted for one hour each time.

NEWEST PICTURES POSTED 27 September 99

FROM 15 August 99 VACATION IN ESTES PARK

Adding new vacation picture here

Just got the Kodak Photo cd

Address for Kodak Photo cd is...

Kodak digital Processing

PO Box 8610

Gaithersburg, MD 20898-9935

Tell Kodak you want windows and a photo cd

In your letter with the roll of film

One roll of unprocessed film 24 prints is \$15

24 prints with your order is \$5

Shipping is \$4

\$24 for one roll - Dollar a picture and you get better digital images

Than you get from an \$800 digital camera and you get prints

Plus it is easier to carry the film camera than the big heavy digital is

Camera so it is a win - win situation

Now all we need to do is convince Kodak

We could down load 4.5 Meg pictures

In pcd format to our PC and we would not have

To bother with a cd disk at all. Some manager at Kodak will

Put this in as a suggestion in 2000 or so, grin.

Estes Park Campgrounds next to the YMCA. I broke the zipper on the first red tent that was only a few days old as I bought it in Nederland at the thrift store for \$22 a week ago.

First I put hole in the bag dragging it from my

House to the bus stop in Boulder and this shaved off the tops of

Three of the tent pole ends - I took duct tape with me at the last minute.

So I shoved the ends of the tent poles in the shaved off holes and

Ducted taped them together. Next to last day of camping I broke

The zipper on one side so had to zip and unzip just half the tent

Boulder Brook trail runs along a brook for a mile and has 4 bridges

You have to cross; this is the best trail in the National Park far as I

Am concerned. Steep as hell for 100 yards with 100 small waterfalls.

This rock was my rest stop 7 or 8 times in two vacations of 5 days

Each... it took me 3 hours to get to this rock. I got up at 5 am

With my Casio travel alarm and was on the trail at 6 am every

Day. Yes, it took me an hour to get ready every day. Well I reached

This rock at nine is every day and it was a brisk 3-hour hike as I

Walked fast to keep warm - I took off my sweat shirt and pants after

The first hour so the air was brisk in short and shirt for 2 hours.

I took 1 ten minute break to touch my toes and stretch or else

I would not be able to move after hiking 10 hours a day every day.

I touched my toes and stretched every hour for a couple of minutes

At a time, and did 10 minutes of stretching every 3 hours.

These are my legs and I am sitting in my red chair on the rock.

I had the store bought Java coffee and mixed up soy protein and

Creatin with a quart of strawberries in the blender, so I drank
This every day and munched on granola, this was my longest
Break of the day close to a hour long in the sun most days and
Listening to the brook, which I can still hear as I heard this
Brook for 40 hours or more in 10 days of hiking along side of it.
Wore a red shirt so humming birds would come into my view.
Three humming birds did just that - flying in front of my face a
Foot away, almost had time to get the camera out. Told the woman in
The bird store in Estes someone should invent a humming bird feeder
Hikers can hike with.

This sign is at the end of Boulder Brook I keep on going to Granite
Pass that leads to Boulder Field that is at the bottom of the cliff of
Longs Peak I got to within .5 miles of this three times and had to turn
Back because of the thundershowers. Last day of my vacation, I got
Pictures of the most vivid rainbow ever created, I sent the film to
Kodak yesterday so it will be 4 weeks until I get the photo cd.

Gas for all the cars that bring 3 million to Estes
Greyhound is not in Estes because of the town leaders
Moreover, the leaders of the USA do not care because they have
The electric car, which they use as a weapon against big oil
50 of these gas tankers wreck and burn killing
Hundreds every year and the electric car was invented in 1980

New July 4, 1999

Adding new vacation picture here just got the Kodak Photo cd in the mail today so will post them as I get time the first one is me on top of Flattop Mt with Longs Peak in the background and the sign that says Bear Lake 4.4 miles. Took me 4 hours from Bear Lake the total hiking time was 11 hours to and from the East Portal and the Estes Park Campground over there.

Spent an hour on top half walking around and half sitting in my chair.

Tips of all 10 fingers turned numb so I thought I better get down to tree line and sure enough the numb finger tips went away. I suspect this was a lack of oxygen.

Managed to turn my nail on the big toe black again this year coming down the same Flattop Mt. This year I wore a pair of Nike air low cut boots and they were a size 9 last year I hiked in regular top air hiking boots size 10 and got a black left big toe from my toe hitting the top of my boot a few times hiking down when my foot went forward this year my right big toe turned black from the big toe hitting the top of the boot. This has only happened twice in my life and both times were on Flattop Mt coming down.

July 4, 1999 Hiked here, you must zoon in to read the text. Taking me a week to recover from this hike, I hiked 12 hours on the fourth. Stayed on top of Flattop Mt for 30 minutes in 80-degree temperature and 50 mph winds. Was a perfect day to hike the mountain? Stayed at the Estes Park Campground this year and the shower was hot, this was nice compared to no shower last year at the campground inside RMNP. The Estes Park Campground is next to the YMCA and at the East Portal trailhead. Going back for 5 nights on 17 July and five more nights on 7 Aug. so going to have to pace my self a lot better so I do not get so sore I cannot move.

Bike by tent under four feet of snow near Mount Audubon. I camp in the tent when I climb Mt. Audubon because I get up at 3 am to get started on the climb. Nevertheless, this is not until August because the snow stays on the trail for a long time.

This is a Killdeer bird in the Exabyte parking lot, there are four eggs under the bird, they all hatched, and there were small

killdeer birds running around the parking lot for a week before they flew away. This is the bird that pretends to be injured with a broken wing and lets you get real close to it. Would make a great mpg file on this page when I get a cam.

Sign at Glacier Basin Camp Grounds phone 800 365 2267 for Reservations

Campsite at Glacier Basin testing the one-person tent, had to use 10" nails because the ground had so many stones I bent all the lightweight aluminum tent stakes. I had to dig a trench around the tent to keep water from running under it during the rain. The tent was so small there was no place for a backpack. After all this testing I wrote out a sign FREE TENT WATERPROOF and gave the tent away. Now I will only buy a three or 4-pole dome tent though they are twice as heavy the dome tents win out in weight because the 10 10" nails weighted more than the one-person tent. The dome tent didn't require any tent stakes, I used string to keep it from blowing away, I tied the 4 corners of the dome tent to 4 trees, this was much more practical as with the stones in the ground tent stakes were impossible. Most of the time the dome tent stood free with no strings attached, I did keep the nylon tarp handy incase of rain. The dome tent had enough space for sleeping area and area to store gear. At Glacier Gorge campsite, mosquitoes were so thick even with DEET on I had to cook the evening tea in the tent. Therefore, I am sold on dome tents

Dome tent by Fern Lake backcountry campsite. After walking 8 hours from Frozen Lake I stopped at the first campsite at Fern Lake, this was the group site and no one was there so I pitched camp. Later I found out there is another camp site 100 yards further that has 4 back country sites at Fern Lake and this is were I should have camped.

There is a Ranger Cabin at Fern Lake I wish was open just for pictures but the cabin is boarded up, wire meshed up, and no way could I get a good picture of the insides.

Hail storm at gate when I was leaving, lasted 15 minutes, first rain in 4 days after temperatures soared to 100 degrees every day I was out hiking 4 days in a row.

Full screen picture of the crevice below

Crevice in this first picture is the next picture after I hiked 5 hours.

Right side of the picture above is the Crevice, it is between the second and third mountain in the large picture above counting from the top right. At the right side top of this large picture above the mountain is Flattop Mountain, this is the mountain I climbed. There are 3 trails at the top of Flattop one leading to the Mountain next to it with the peak pointed, this is a 8 mile hike but a little impossible to do in one day even starting at 6 am from Bear Lake. However, this is the trail I will try this year, 1999 because the view is great for hours and hours of hiking, though there is no stream running along side of the trail.

This is by Estes at the Rocky Mountain National Park. Camping at Glacier Basin is great except for the shuttle bus to the trailheads. You cannot start at 6 am because the first bus is at 9 am. If you get to the shuttle bus stop after 9 am the crowds are so large you must wait for an hour in line for four shuttles 15 mins apart to pick up those ahead of you. The park VIP's are not thinking of you or trying to make your vacation the best ever when you vacation at Rocky Mountain National Park. Government workers just do not care. One park VIP named Bitz stopped the shuttle drivers from keeping a tip jar the second week of summer of 98. There are not many summer jobs you can earn tips and now there is one less. Though Bitz earned more than all the shuttle drivers put together on her government paycheck she was so shellfish she would not let a few bus drivers earn a windfall in tips for the summer of 98. The shuttle goes from Glacier Basin campground to Bear Lake were all the trailheads I hiked were. There is a horse trail from Bear Lake to Glacier Park Campground, which I hiked once, it was a 2-hour hike and had to use a lot of DEET bug repellent. Had to use DEET bug repellent every day but the horse trail was the test that the stuff really works. Spent 2 nights camping at a backcountry site alone in the middle of the park. These sites were much different from the large campground at Glacier Basin. Both had there plus and minus... The plus of the large Glacier Basin camp ground is running water, firewood for sale and camp fires, you can't have a fire in the back country camp sites, and ice for sale. In addition, there are many people around to ask about the trails and directions. I had an aluminum frame backpack, which I had the straps to high up and I carried too much. Fortunately, my 3 nights camping had no rain as the backcountry sites were on dirt that would have been an inch thick mud with rain. There are a million better places to pitch a tent but the park picks the worst sites and the view they pick for their back country tent sites is the worst view too. So much for government workers picking the sites to pitch a tent. At one back country site named Glacier Gorge you had to walk across two logs six feet above a stream that was 6 feet deep, this was a bit thrilling as you had to carry your loaded back pack and hand bag across to get to the site to pitch your tent. Then each time you leave your tent you have to hike across these two logs, the hike across the logs is about twenty feet, and there is no handrail on these logs. Insects were thick here I cooked my nighttime tea inside the tent even with much DEET on. I think it took me 4 hours to get to this tent site from Bear Lake trailhead. Then I hiked another 2 hours to get to the crevice that is in two of the pictures above, the trail finally ended in an area of several glaciers in a 350-degree circle. The last few hundred yards up to the glaciers were over rocky ledges with the only trail marker being piles of rocks. I could hear other hikers a few hundred yards up where the glacier snow was but could not find a trail, other than hiking through a marsh of water and mud. The park should mark this trail or make a trail here as the area is the end of a 8 hour hike and after investing so much effort you want to touch the glaciers that I could see only a few hundred yards ahead of me but I could not get to because of the trail ending. This was a great hike, and will be even better the second time if I make it back in 1999. Several lakes along the trail and the stream is always nearby on the long hike, and my 3 days of hiking in the park in 1998 the temp was 101 and 105 in downtown Estes so it must have been 100 degrees on the trail. This was hot but I could not complain, as I

have to enjoy the cold water from the stream. At one point in time, I had to splash cold water on my face and head every 10 minutes to cool down before a melt down. The water was ice cold and wonderful on such a hot hike. I took a complete shower cool down three times and stayed in the ice cold water longer than I ever could. After leaving the crevice by the glaciers, I headed back to Bear Lake and then hiked to Fern Lake. This hike took me 8 hours and there was no stream along the way. There were small one-foot streams and patches of snow, which help me from melting down. This was the hardest hike of the vacation but worth the effort in burning calories, I figured I burned 600 calories a hour for 8 hours that is over a pound I lost in one day as I only consumed 1100 calories. 4800 calories burned and ate 1100 calories so that leaves 3700 calories and a pound are 3600 calories. It felt good getting that good of a workout especially when you are 50 years old. Well I made it to Fern Lake camp site and ran into the group sign, this being my first time at Fern Lake I didn't know there were 2 camp sites at this location and could not hike another yard so I pitched my tent and took a ice cold shower in Fern Lake. This is the first time I needed my Pur water filter and the first time I used the water filter. I could not understand the instructions for first time use so just did the instructions for normal use of pumping a half gallon of water before drinking any. Never got sick so the Pur water filter must have worked ok even not getting the instructions for first time use right. I had tested out sports tape for my heels and ankles but taped a different style and ended up removing some skin as the tape moved and this caused the skin on the end of the tape to peel back, not to bad but it took a few days to heal and a hour to tape up with band aids and ointment. I put the sports tape in strips from one ankle to the other ankle on the other side and then put one strip all the way around my ankle at the top, this was a mistake as it was too tight and caused the tape to move. When the tape moved from hiking it took off the skin at the ends of the tape as the tape moved down. So, if anyone has used sports tape with better results let me know your taping technique. I can still tape my heels with the tape and not suffer any ill effects. It is just trying to tape the ankle that I ran into problems. Hiking down from 13,000 feet one toe started hitting the top of the hiking boot inside. I did not stop because there was no pain and I did not think it would cause an injury. Well this was the wrong move, as the big toe hitting the top of the boot caused a black spot under the nail and now in December it's still has a half inch to grow out before the black spot is outgrown. The hike to Flattop Mountain was the better view of the white cap mountain but the hike into the crevice was scenic also, hiking through the forest. Next year I hope to hike the mountain next to Flattop Mountain for the hours of viewing white cap mountains. Going to make reservations at the large Glacier Basin campgrounds for 7 nights and pitch my 3-pole dome tent there for the 7 nights.

Then go off hiking Flattop Mountain carrying as little as possible. I carried much too much on this hike in 1998. I had frozen bottles of water, 1-liter bottles that stayed frozen for 2 days in a soft cooler. This was nice in 100-degree weather. Too much to carry in the backcountry. I can get bags of ice at Glacier Basin at 6 pm to 8 pm every night so I just have to be back when I need ice, and hopefully I will not hike in 100 degree temps 2 years in a row but after those 500 oil wells were on fire the weather has hit record highs all around the world, and to think the USA has suppressed the electric car for so long, tons of carbon are put into the air every year from exhaust. The electric car would have prevented 100 million tons of carbon from polluting the Earth. The ruling class must have decided not to save a sinking ship, until the USA conquers the world via war instead of intelligent inventions.

Well I am getting a late start on cross-country skiing. It's December 26 and there is not enough snow in Colorado to go skiing over my 3 days off for Christmas. Last year I went skiing 8 times in 16 days over Christmas and New Years.

Eldora ski area not much snow in 1999 and this is the only ski area served by bus from Boulder

My Pentium 100 computer with one scsi 2 gig drive in case and one 2 gig scsi drive under fan -- the 2nd cd player is the white one sticking out its a use 40 x cd rom and would not slide into the case so have to leave the cover off.

Was going to upgrade to a Pentium III 450 but the memory prices when up more than \$100 in 2 weeks so going to wait until sometime in 2000 when memory prices come down. Going to get an Abit be2-2 motherboard because there are no jumpers for all the settings, are the setting are controlled in the bios on the screen. Hope to overclock this 450 to 500, grin.

New computers built from some of the parts of the old one above. Bought 2 Abit motherboards BE6-2 and 2 celery 366 cpu chips in Jan 2000 and in June 2000 I bought one P3 600e and one 533a for exactly the same price almost with cost of fan and heatsink they both cost about \$240 each. It was a mistake in buying the 533a but I was checking the price on the 600e every week and it would not drop until I bought the 533a then the next week the 600e price dropped to #199 the lowest ever and to think this was selling for \$350 four weeks earlier. So I have one all scsi computer and one ide with ultra 66 which boots up win98 3 times faster than the scsi computer, put the 600e is the best cpu.

Pentium 4 is what I want now at 1.5 gig the 600e is .6 gig so it will be faster and by the time I buy this I will have MIT programmers working for me writing AI software for Invention Projects I will post both software and projects on the web

From BP, Conoco gas stations

Crude Oil and Crude Queen

Unsophisticated British Ruling Class

Superpowers who burn their own in gasoline

Pour gasoline on a car full of people

Set it on fire

This is what the British are doing

To Americans who drive on the 4th of July

Fiery car wrecks

For more oil money

Record \$30 billion profits in 3 months

All profits

As none goes to those burned in gasoline

Until their caught

Until after the 2006 Coup D'Etat

Model of the Universe

Model of the universe

On the kitchen table she lay reflecting

Just like a woman

On the kitchen table she lay reflecting

Stars linked with women

Horse head nebula postcard mailed

Picture perfect universe

Both on the kitchen table lay reflecting

Who are we in the universe?

Just mad men at war destroying a universe!

We are alone in the universe because of

Mad men

Mock war games lay reflecting on their tables

Earth's humanity is in wartime isolation

On starry, starry nights

Star to star travel money

Is spent by mad men

On covert wars around the earth

Not like women

Mad men incite war

Not like women

Mad men seduce war

On the kitchen table she lay reflecting

Women as distant as the stars

Incite star-to-star travel

Seduce the violent madmen

To travel into the universe

Leaders need a lobotomy invention

Universe is too big a deal to be

Stifled by bullies

Reading the stars and women

We are poor and illiterate star farmers

City hall spends more money on sports fields

Not star fields
Than stellar education
Reading between the lines in books
I think of answers to 1,001 invention projects
"Animal farm" windmill changed the world
Proved mad men would suppress a cancer cure
Invented crops are not harvested
Because inventions are suppressed
Like the 4 rotor helicopter for farmers
Because wars majors
Is a general plague on earth?
Name names
Who, whose inciting war on earth
Because the USA protects those inventing war
The USA is \$\$\$ financing those
Inventing war at MIT
The USA is \$\$\$ financing those inciting war
USA'S mad men have no desire for her
On the kitchen table
Never with a woman, these men are queers
War is right
Fags are normal propaganda sucks
CIA disinformation
CIA disinformation
The USA is \$\$\$ \$\$\$ \$\$\$
Financing those who invent war
The USA is \$\$\$ \$\$\$ \$\$\$
Financing those who incite war
Just like women
On the kitchen table she lay reflecting,
Inciting what?
Inciting star travel
Nearest star is 4.3 light years down range

Mad men and fags have no desire for her

The universe on the table the model

Model of the universe lay on the kitchen table

Under construction she is taking form

Circles of 5, 10, 15, 20 light year distances

3-d of the nearest stars begins to take form

Sun is in the center

Alpha Centauri is 4.3 light years down range

North, south, east, and west

Nearest 52 stars surround the earth and sun

Picture perfect universe

On the kitchen table she lay reflecting

Conquering Alpha Centauri documentary

Documentary of mad men's mercenaries

Has been made

War crimes trials

All say they were following orders

War crime of suppressing the cure for cancer

President's doctors will answer

"Animal farm" windmill changed the world

Proved mad men would suppress a cancer cure

Mad men and fags stifled the cure for cancer

We were following orders

To suppress the cure for cancer

Mad men govern the earth

Make the models they want

Their models are war toys

Not models of the universe in 3-d

Aliens - their address

Is some unknown light year?

Alien women

Are the mad men's women?

Seven stars in the big dipper

What alien could possibly live way up there?

Prevented from speak with us

Edison could invent alien communications

Scientists are working on weapon systems

Eavesdrop on alien's invention

Not a Pentagon one

Just following orders from mad men

Courting our system

Courts follow orders from mad men too

Reach for the stars

Watching "a star is born" movie

Documentary movie

"Conquering Alpha Centauri"

Displaying nearby "circle" of stars

Plastic model star erector set

Lights up a 25 light year "circle"

Ready for accurate expansion circles

3-d model of the universe

With lights reflecting real stars

Illuminated like birthday cakes

On Christmas day

Light the candles + surprise an alien

Surprise party for an alien adventure

Heartbeats of the universe

High fat consumers are the mad men

USA'S mad men have no desire for her

On the kitchen table

Never with a woman, these men are queers

War is right

Fags normally molest boys

Even in an Orwellian society

High fat foods are healthy

Eat, drink, and smoke you fools

CIA disinformation

CIA disinformation

CIA is just following orders from mad men

We are lost in the universe

Brain of the universe

Is a wavelength?

Elements from every star

Are known by their wave length

Communicating profoundness when incited

Waves from 15 billion years ago

Smashing into the space telescope

Breaking apart war lords worlds

The intellectual one's

The intellectual warlords

Fly from earth compelled wars

There's a universe to conquer!

Woman of the time's

More complex than good nutrition

Injected into the human model

The model of the universe in 3-d

Dining in front

Of the picture windows

She lay reflecting on the table

Huge thousand-dollar

Model of the universe

Fish tank

Observe the stars and think

Visit with 100 stars

Of medicine, physics, and outer space

When they publish their full textbook

On the Internet

Then visit the poor of Calcutta on live camera

Poorest of the poor

Waiting for mad men to give to the poor
And take from the rich warlord
Poorest of the poor
Waiting for reincarnation
On a more just solar system
Mad men of earth will be reincarnated
In some distant black hole of hell!
Untouchables get to observe
Agony and ecstasy of begging for a universe
Greatest contortionist is the warlord
Twisted brain waves with no conscience
Forces that light the stars
Don't impress mad men
13 billion light years
To the edge of the universe
Don't impress mad men
On the kitchen tables
"She", the model lay reflecting
Like a plastic aquarium but with star lights
With flickering Christmas lights
Representing the known universe
Hoping the unknown will change things
Oblivion obviousness
Once upon a time there was no matter
Where did the big bangs matter come from?
Does not matter to the mad man
Creation's candles are flickering
Plastic models are selling!
Singing of the isolation
Waiting upon the junk food clique
To be converted
To starry eyed star travelers
To climb the star mountains

Start by building the universe model

Hundreds of nearest stars

Hundreds of mad men war lords

Stone throwing juveniles

Seeking a home land

A dr. land from amongst

Space telescope builders

Take a picture that will change the world

A bomb Manhattan projects lead no where

Oblivion of the earth!

Disinformation gave us the a bomb project

In "1984" mad men made up stories

Mad men of "1984" have suppressed a

Cancer cure

And obliterated the universe from earth

Forgot to invent a memory pill

A bomb was a better invention project

If all your information is disinformation

Some mad man has made up

Where did the big bangs matter come from?

Where did the big bangs matter come from?

Where did the big bangs matter come from?

WORK EXPERIENCE

I invented an Electric Windmill Car, I put 10 windmills on the front of a car and created a perpetual motion machine. I call this invention the Electric Windmill Car. I have 100 other inventions besides the Electric Windmill Car.

Willing and able to work any job or any shift. I have an AA degree plus am very inventive. I will give many innovative ideas to my employer to help make a larger profit and I will profit by getting the cure for cancer by keeping my mind active on the job. PS I hope to get gravity control too.

Any donation will help me expose the electric windmill car,

thanks

\$

My Getting gravity control will still be amazing in 3006

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

Schwarzenegger Burnt Cops

Total Recall the invention project of mine has been suppressed Schwarzenegger and his wife....

I will still get Total Recall ---- after the Oil Genocide Trials

Electric Windmill Car was invented in 1980

Schwarzenegger became a U.S. citizen in 1983

Schwarzenegger has buned more California cops in fiery rear ended crashed than the Gov. of Colorado.

Knowing Kennedy Schwarzenegger knew about the suppression of the electric windmill car in October of 1980 and had profited from all those American citizens burnt and burned to death in gasoline, Schwarzenegger will hang of course... grin End of the terminator.

You have been Terminated ---- by cops with faces burnt in gasoline.

In 1978 Arnold was dating Susan Moray, a hairdresser at Wm & Donald Salon on Main St., Ocean Park, CA. Both Arnold and Wm & Donald had omelettes named for them at The Omelette Parlor, also on Main St.

In 1986, Schwarzenegger married TV journalist Maria Shriver, niece of the past President of the United States John F. Kennedy. The couple have four children: daughters Katherine (born December 13, 1989) and Christina (b. July 23, 1991), and sons Patrick (b. September 18, 1993) and Christopher (b. September 27, 1997).

Blacks and Mexicans have profited from this gasoline genocide via our George Orwell who sets the gringo cat on fire along with 100's a day in LA fiery wrecks and no Rx Penicillin miracle cure for Breast Cancer! 100 breast cancer deaths every day all semester and no one will let you in on these statistics or who fired Greg Buell from the CU Bookstore. Genocide via our George Orwell's suppression and firing Greg Buell Lovestar at the CU Bookstore, I was replaced by a Mexican who will never ever work on a Rx Penicillin Miracle cure for Breast Cancer.

One-Billionth Electric Windmill Car

On John Lennon's 69th BDay

End War On Earth

I got the ElectricWindmillCar invention during the Oil Embargo of 1980.

<http://www.electricwindmillcar.com/pictures/gastanker7mile.jpg>

In this picture in the small flames in front of the burning gasoline tanker is a SUV with Mon Dad and 2 kids in the back seat, are burning to death. Bush, McCain and Kennedy did this to Americans. This is a hate crime because 99.9% of those burned in gasoline since the invention of the ElectricWindmillCar in 1980 are white cops and kids in the back seat in the fiery car wrecks.

22 Aug 2009 ---- gov. perks for Blacks and Mexicans, even on NBC Today Show Hero Al Roker while GE spits on Officer Jason burned to death sitting in his cops car writing a niger a ticket, Matt and all the women went on and on making Al Roker a Saint instead of a "Vick" setting the dog on fire via gasoline... GE profits from this gasoline genocide! CIA was blackmailed to let the

Temps are now USA Citizens while our George Orwell hires Mexicans and Blacks without a resume or background check. Best Buy, Safeway, Kroger, Stop sign holder at every construction site everywhere Mexicans are working. CU Campus CU Bookstore Mexicans replaced Gringos, via orders from the TOP our George Orwell... only in a "Oil Genocide Era" would they set so many cats on fire while in LA 100's a day burn and burn to death in fiery gasoline wrecks. Breast cancer Rx Penicillin cure is spit on by the 5 women who run the CU Bookstore this semester how many women will die of breast cancer this semester... don't ask in the CU Bookstore they will spit in your face and call a Mexican to escort you out the door without letting you stop to read a textbook.

Kelly Services a Temp agency and Manpower go along with this genocide that kills 10's of thousands of gringo temps a year. It's now a genocide! FBI will arrest everyone at Kelly and Manpower when the suppression of the ElectricWindmillCar is exposed for killing gringos in the USA, Boulder CO.

New York Times Today 10 Aug 2009

CBS Early show had 1 Orwellian comment this morning, about suppressing the electricwindmillcar since 1980 caused a cascade of government genocides... one on top of the other leading up to today when our "George Orwell" has several "cascading genocides" all going on today killing 100's today and tomorrow just in the USA. All are government run genocides. From burning in gasoline in fiery wreck, to mom drinking Coors, smoking pot with the kids in the minivan, to fat with no Ephreda, to MIT scientists working on War Toys today instead of a Rx Penicillin for Breast Cancer. And there are several more on going genocides just read the rest of the web page. Last I have to mention I'm still suppressed by our local MD's in Boulder CO and the Tebo Family Cancer Center from working on a Rx Penicillin cure for Breast Cancer Today and Tomorrow. No telling when our "George Orwell" will come out from behind the hidden cameras and put Greg Buell Lovestar to work with a few wives... ps if you are a gov. employee or former one and want to help send cash as our George Orwell has kick me out of the CU Bookstore as cashier as I stopped to read to many text books on the way back from break. They hired Mexican Pit Bulls for cashiers who never, ever read a text book on the way back from break! Grin.. Only our "George Orwell" could "cascade" so many genocides! Even Mexican Pit Bull Cashiers are a Genocide as they lost 1 billion social inventions from the gringos who were fired!

Electric Windmill Car...

Coup D'Etat News has be updated daily on the link below...

<http://home.att.net/~inventor84/index.html>

So Coup D'Etat News 9 Aug 2007 <<<<<<< Finally got a new web host Network Solutions \$119 for 1 year and got 3 domain names, End War on Earth wow no one wanted this domain name in our "1984" War is great society.

Kennedy drove off the bridge killing the girl and 1 billion other people.

Those who let Kennedy keep his Senate Seat after he drove off the bridge never imagined their decision would lead to Kennedy killing 1 billion people

Kennedy turn out to be the worst mass murderer via suppressing the Electric Windmill Car. In the history of the Earth killing 1 billion to 4 billion people by suppressing the electric windmill car wow!

Those who let Kennedy keep his Senate Seat after he drove off the bridge never imagined their decision would lead to Kennedy killing 1 billion people by driving off the bridge of political decisions going along with the suppression of the electric windmill car and letting cops like office Jason burn in fiery car wrecks in their cop cars.

Still Kennedy would not expose the suppression as he is a leader of its suppression. 9-11 took off from Boston, Kennedy had since 1980 when he Observed me on hidden cameras brainstorming the invention of the ElectricWindmillcar and voted in the Senate to suppress it... Kennedy could of prevented 9-11 besides killing 1 billion others via the suppression of the Electric Windmill Car since 1980

Kennedy will Hang in Boston Square and a memorial eternal flame from a burnt out cop car will be by next to his grave, though I want Kennedy buried next to Saddam. Ha.

Jews will lose the state of Israel for going along with the Oil Genocide Era that killed 6 million white cops in the USA, Moscow, Beijing, and around the world. Jews in 2006 profited from the oil genocide and the pay off is Swiss Bank Accounts from oil money. Genocide by Jews for more oil money while someone else's kids and cops burn in gasoline.

When freed 1,001 Invention Projects on a CD and my web page

Pope will lose Vatican City to those burned in gasoline... Vatican City will be a memorial to genocides that paid the Pope's billions in oil money to go along with let others burn and burn to death in gasoline for more oil money. 100's of burnt out cop cars will be nail to crosses on the roads and highways leading to Rome and the Vatican City.

Bill Gates and his wife killed hundreds of millions of inventors, and most were HS and University students.

Happy Birthday Poem was in the windows below Paula the owner of MacDonald's bookstore was a friend in 1975 and put the card printed in a wedding invitation format in the windows of her bookstore.

Bush drove by this MacDonald's store window 3 weeks before 9-11 heading for the YMCA Resort to bribe YMCA leaders into going along with the suppression of the Electric Windmill Car and me... from getting any more inventions. And to stop me from even visiting Estes Park which bush succeeded to do as I have not been to Estes Park in 10 years.

In the years since 1975 I have see and talked to Paula several times, to say the least I impressed her with the invention of the electric windmill car in 1980, unfortunately Estes Park is the HQ for retired generals and full Bird Cols's who could not care who burned in fiery car wreck... the enemy or you and your kids on the highways of the USA.

There will be a small Oil Genocide Trial in Estes

just for the YMCA and retired Generals...

Killing thousands of the enemy or 3 million in Vietnam left all the retired Generals in Estes Park callous like the 12 Roman Caesars... side effect from going into villages in Vietnam or Iraq and killing all the women and children because the men are out fighting the war.

So typical behavior in war... Vietnam should have pictured the 3 million women and kids killed... now 60k women and kids killed in Iraq and 7 million in the USA will burn in fiery car wrecks for more oil money to pay for the war in Iraq.

All this in a 1984 society were no observer cares if they are caught on video saying ...

"let them burn in gasoline... we need the Texas Oil money...."

everyone on MSNBC has said this!

Clinton and his wife said this every day for 8 years.... Bush and Bush and both their wives said this every day for 8 years and now 7 million cops and kids have been burned and burned to death on the highways and roads of the USA so Texas Oil men can keep the money flowing.

Paula is 77 years old now I am 59 years old now looking back to 1975 and Paula, yes she was a fox and single.... and a book store geek... we could of ended war on Earth if we hooked up in 1975!

wow - the ones who got away... grin!

Happy Birthday Poem was in the windows above, Paula the owner of MacDonald's bookstore was a friend in 1975... five years before the invention of the electric windmill car in 1980. Since then 7 million cops and kids have burned and burned to death in gasoline for more oil money for Bush and Texas to bribe the YMCA, City Hall USA and even Police Chiefs and Generals to let their troops burn to death in gasoline.

>

Officer Jason will hang Kennedy, McCain, Bush
Officer Jason will taunt Kennedy, McCain, Bush

Daily Camera newspaper reporters tore up Officers Jason's pictured above when I put up posters of this web page on the Pearl Street Mall, which is next to the newspaper HQ. Only a man could destroy a picture of a cop burnt in gasoline when his cop car was rear ended, a women even a women in this Orwellian Society would not have torn up the cops picture above.

DC Cops ----- will take as much oil money as possible letting other cops burn in gasoline like Officer Jason above as long as they can take the money and run to the bank, DC Cops live for the

money to Hell with the Officer Jason's\$\$\$\$\$\$\$\$

Beijing Cops ----- will burn Hu and his Communist Ruling Class in gasoline when they find out the electric windmill car has been suppressed since 1980 and Hu and his gang of oil genocide nigers let them burn in gasoline since 1980 via the USA government and Texas Oil men... Hu will be burnt alive in gasoline... according to Chinese history.

Boulder Colorado USA Cops ----- will keep their jobs doing nothing for cops in Beijing or Moscow etc.

Moscow Cops ----- will Kill Putin and his whole family... just like the Czar as they will be out for Justice against the Oil Czar and Oil Men Hitler's... Putin will be see as worst than the Czar and Hitler, Moscow Cops will have no mercy at all!

<http://www.electricwindmillcar.com/pictures/gastanker7mile.jpg>

In the small flame in front of the burning gasoline tanker are 3 people in a SUV burning to death for more oil money, Bush and the Observers in our Orwellian Society admitted they are addicted to oil money to pay for their wars in Iraq... not 700 new Shuttles and the cure for cancer, free University and of course Sicko... free health care.

no one burned in gasoline was remembered on Nightly News on Independence Day 2007 because they are all being suppressed, 10's of thousands of Americans who have been burned in gasoline... all were missing in action from the Nightly News yesterday. PS GE owns NBC so after the oil genocide trials in DC. GE will be prohibited from building any electric windmill cars or parts for any and no hydrogen jet engines (remember we get free hydrogen from our gallon of h2o in our electric windmill car) so none from GE as they are oil genocide criminals on Independence Day

Coup D'Etat News **18 June 2007**

5 Star General Pace got fired day after I got fired from my warehouse job at Blue Mountain Arts.

I will get the Coup D'Etat leaders, the one's who do pull off a successful Coup D'Etat of the suppression of the Electricwindmillcar since Oct. 1980. To replace the picture under the glass on General Pace's desk with the picture of Officer Jason's burned face... Gen Pace should of replaced it himself. Why didn't the General save the thousands of cops and kids who will burn in gasoline in 2007? We will find out when Gen Pace testifies at the Oil Genocide Trials in DC.

18 June 2007 Coup D'Etat News 18 June 2007

Monday, Coup D'Etat leaders are still hidden behind the hidden cameras in our Orwellian Society; Nightly News on CBS, ABC, NBC reported on some of the governments genocides this week if you read between the lines.

CBS Nightly News portrayed MD's as being worse than the Texas and Saudi Oil men combined when you realize they profited off cancer surgery and drugs... by \$100's of billions billed to Medicare and cancer patients. Selling worthless drugs that are placebos for huge oil mentality profits.

ABC Nightly News reported that All the MD's at Martin Luther King Hospital are mass murderers, and everyone knows this. Yet Bush can not stop this killing of patients in massive numbers because he would have to admit he ordered it in the first place, via getting them into Yale Medical School and passing them when they really failed at Yale Medical School. ABC Nightly News would have enough on Bush to Hang him in public.

When freed 1,001 Invention Projects on a CD and my web page

MD's in Boulder Colorado just build a new \$10 million dollar cancer building to cash in on the Medicare rip off profits.

Government Observers in this Orwellian Society let this Cancer Center be built when they knew the \$\$\$\$ statistics MD bill Medicare is a crime.

This is a government perk to steal from Medicare and cancer patients in Boulder Colorado because MD's let cops and kids burn and burn to death in our Oil Genocide Era and don't protest the suppression of the electric windmill car and... the stifling of Greg Buell from getting a true cure for cancer.

Nightly News will expose these perks paid to Boulder Colorado MD's when the electric windmill car is exposed.

City of Boulder DA call to tell me they have a witness to testify against me getting run over in the cross walk on my bike. Of course they hid behind hidden cameras in this Orwellian Society when they called me but I imagine most the DA's in Boulder and in the USA will be arrested for Genocide by cops with faces burned in gasoline, [like officer](#)

Jason's burned face in gasoline.

Young women DA's have been seduced by a government that is so addicted to oil money that it pours gasoline over 100's of people a week and sets them on fire.

Worst than this is the lost inventions from the suppression of the electric windmill cars.

Loss of other no yet invented perpetual motion machines other than the electric windmill car.

Add in the insult from Bush of a Free University for Saudi Arabia for the last 30 years, and \$1 trillion in student loans here in the USA while Bush has \$4 trillion in oil money sitting idle in Banks. Not used for a TB cure or 700 new Shuttles.

This week University of Colorado Foundation employees came out of their building I bike by and spit at me... as they have \$400 million in cash in Colorado Banks, they do not spend any of their donations on Campus or on Students... or on a cure for anything, Stupid, I think they have been brain washed by the Oil Genocide Mentality, talk between observers behind the hidden cameras. Leno Jokes repeated by CU employees, let them burn in gasoline we need the oil money... Oil Genocide Trials in Boulder Colorado will not be a Joke to the cops with faces burned in gasoline.

When freed 1,001 Invention Projects on a CD and my web page

Coup D'Etat News 18 June 2007

Hilton is in jail and the **NY Times put Kennedy and Hilton on the front page** of the NY Times yesterday and did not mention Kennedy drove off a bridge killing his girlfriend and didn't go to jail. Needless to say Kennedy observed the video of me brainstorming and inventing the Electricwindmillcar in Oct. of 1980... and then let the Texas Oil men run the worst Genocide in the history of the human race killing 7 million via gasoline. Kennedy will hang at the Oil Genocide Trials in Boston. To say the least...

Coup D'Etat news for 10 June 2007 on the personal front is I sent out 75 resumes and the resume is posted on my www.electricwindmillcar.com web page.

No one has offered me a job or sent a donation.

Government observers are worst than George Orwell could of ever written about - grin.

Went to court here in Boulder Colorado for **getting hit on my bike in the middle of a cross walk by a CU student with no license, no insurance and no registration.**

George Orwell writing in any of his books about getting run over in a cross walk and getting a ticket... it's not 1984 and things are worst - big brother is watching with cameras at every intersection but he is not watching out for you as those who drive with a suspended or restricted license and no insurance are about 25% of the drivers on the

roads.

Not just here in Boulder Colorado but in every city in the USA... ha! Coup D'Etat leaders will put **air bags on the outside** of electricwindmillcars and license plates and drivers license's will be tracked live every time you get in your new electricwindmillcar not just that you have a valid drivers license but that you have insurance, registration and are not to old, drunk or drugged to drive....

Big Brother is watching now you know why I wrote Big Brother is not watching out for you.

Electricwindmill Coup D'Etat leaders will **build 700 new shuttles paid for by all the money the oil men have in Swiss banks**, and the heat titles on the new shuttles will not peel back on launch... I will update this news when Atlantis lands or disintegrates in orbit while trying to land...

NASA has taken to many oil genocide bribes to say the least. Coup D'Etat leaders will not be anyone from NASA as John Glenn sold out to the oil men 20 years ago.

When freed 1,001 Invention Projects on a CD and my web page

Electricwindmill Coup D'Etat leader will not be the Pope as he just meet with Bush a couple days ago and did not expose the suppression of the electricwindmillcar and help those who will burn in gasoline in 2007.

Pope will burn in hell in God's gasoline... Priest will too.

Coup D'Etat News 10 June 2007

Greg at Blue Mountain Arts June 2007

Picture is now on my ATT Web....

<http://home.att.net/~inventor84/>

The machine I'm sitting in front of is called a Longford and it put the greeting cards with the envelopes then they get put in plastic... Most 99% of Blue Mountain Arts work is done in Asia to make more money... I wondered if Susan invested in oil knowing about the suppression of the electricwindmillcar? After writing the kind of super sentimental cards and books she is famous for. Oh Joyce Carol Oats was in Boulder Colorado last Tuesday, she did not call me, I sent her some postcards of Officers Jason's burnt face last year too.

When freed 1,001 Invention Projects on a CD and my web page

<http://home.att.net/~inventor84/>

Picture of Blue Mountain Arts is on the web above...

Greg all I want is my 2 front teeth for Christmas; Blue Mountain Arts management didn't help me get a set of dentures... I think General Orwell had something to do with this management decision, but I did get a new Rx for my eyeglasses and got some new bifocals, which I have been without for the last 5 years because of being a temp in a Orwellian Society. In a Oil Genocide Era probably is more accurate as the oil men hate me and I hate them for burning so many in gasoline for more oil money.... this is a sick Orwellian Society in an Oil Genocide Era and the guy in a Denver Hospital with TB is another story of Big Brother watching but not getting a cure for TB with the oil money in Swiss banks... Bush and the top brass would rather keep their ill-gotten oil money in Swiss Banks than use it to get a cure for TB.

Greg's new FS bike I picked up for \$90 to bike up the Mt. I biked to Mount Audubon on the first day the Forest Service opened the road. Great design as this is the first time in my life 59 years old that I have ever ridden a FS bike and its great for going straight up the mountain road, as you are bent over forward and all your pressure is on the peddles... I biked from Ward to Audubon without stopping 45 mins uphill... wow I did some shop talk with the guy getting new breaks and came up with a gear box in the rear wheel to replace the chain and your shifters could have AA batteries to sent the shift signal to the gear box in the rear wheel wow... no chain and no gear cables... but we will have to wait until after the Oil Genocide Era as the top brass is not giving out any orders for any social inventions. Ha.

When freed 1,001 Invention Projects on a CD and my web page

This is one of my invention projects Schwarzenegger made the movie after reading my Total Recall poem. Then stifled me in working on a total recall memory pill.

This in the cross I was run over by a right turn CU student with no license, no insurance and no registration yet I got the a bike ticket for crossing with the flashing red wait, which the DA said no one waits. The CU student hit the back of my bike in the second white stripe in the cross walk I was right in front of him again the DA said what was he looking at when he drove into my bike... you guess what the students are on... grin.

Ward small town at 9k feet you turn left a mile up this road and then bike straight up the mountain road for 45 minutes without stopping to get to the Forest Service pay station \$8 a car \$1 a bike and the government has trillions of dollars from the Oil Genocide Era... and everyone in Saudi Arabia gets free University and free health care and organ transplants from Americans as Bush makes money selling organs from Americans to Saudi Princes while other Americans waiting for the same organs die... wow!

Queen Elizabeth toasted the "let them eat cake" and "let them burn in gasoline... we need the oil money."

Coup D'Etat News 8 May 2007

Cops at the White House failed to arrest the Queen of England and King Bush, Why? Bush's toast to the Queen is Why!

Queen Elizabeth II toasted the "let them eat cake" and "let them burn in gasoline... we need the oil money."

Queen Elizabeth II toasted the "let them eat cake" and "let them burn in gasoline... we need the oil money."

Yet the cops at the White House failed to Arrest the Queen of England for pouring gasoline on cops in their cop cars and setting them on fire, thousands of cops, tens of thousands of cops...

And thousands of teens set on fire by an 81 year old Queen of England...

And the cops at the White House didn't arrest her. Why?

Queen Elizabeth II beheaded at the White House...beheaded at the Tower of London.

Judgment of Henry the VIII infected Elizabeth's decision to go along with suppressing the electric windmill car.

1980 to 2007

For more oil money, while Saudi Arabia makes hundreds of times more money than BP and Texas Oil men combined.

Queen visited NASA today May 8, 2007 and talked to those at the Space Station. Yet the \$700 billion Bush wasted on Iraq War would of built 700 new shuttles and they could of landed at 700 moon bases.

have now been replace with the Jay Leno joke that he knows nothing about the 7 million cops and kids burned and burned to death in fiery car wrecks since 1980 when the electric windmill car was invented while Observers behind the hidden cameras observed the thought process leading up to the invention of the electric windmill car and then reported this to the Top Brass in Kennedy's Ruling Class in October of 1980...

Then Kennedy's judgment poured gasoline over millions of cops in their cop cars and ruined the lives of tens of thousands of teens burned in fiery car wrecks.

flesh burning in gasoline

Leno's jokes about Boulder Colorado and people's sizzling flesh burning in gasoline have been replace with the Jay Leno joke that he knows nothing about the 7 million cops and kids burned and burned to death in fiery car wrecks since 1980 when the electric windmill car was invented while the Observers behind the hidden cameras observed and reported to the Top Brass in this Sick Orwellian Society...

5 May 2007 married to getting the cure for cancer and gravity control when General Orwell comes out from behind the hidden cameras in this Orwellian Society, a Orwellian Society George Orwell would never believe. Orwell would never have thought the Queen of England would be in the USA in 2007 for the running of the 133rd Kentucky Derby after going along with the worst genocide in history, burning 133,000 cops and kids every year since 1980 in gasoline for more British Oil money.

Fiery 2007 Coup D'Etat News

I will rewrite "1984" to "1984 to 2007" and have the Queen executed by cops with faces burned in gasoline. Queen will burn in gasoline while watching Street Sense win the Derby.

Street Sense celebrates after winning the 133rd Kentucky Derby at Churchill Downs

Barbaro below was pictured millions of times since the last running of the Kentucky Derby last year.

Officer Jason and tens of thousands who were burned in gasoline had their pictures suppressed by Google and the Bush controlled news media in this Orwellian society.

Laura Bush watched 469 people burn alive in gasoline

Laura Bush watched 469 people burn alive in gasoline same people you see her with in the video clips of her in Lagos school with the kids. Yet she refused to expose the suppression of the Electric Windmill Car. 269 were burned alive on Christmas Day 2006 and she watched this and said nothing... worst human beings on Earth are those protiting from Oil. While some others kids burn in gasoline.

Red Cross says 269 killed in Nigerian fuel blast.

Crowds of local residents went to scoop up gasoline in plastic containers after an armed gang punctured the underground pipeline overnight to siphon fuel into road tankers. 269 people were burned alive. 160 people were taken to two hospitals in Lagos suffering from burns.

A similar explosion at a vandalized pipeline in another part of Lagos in May killed about 200 people.

But smaller-scale theft of gasoline and diesel is also common,

Despite huge exports of crude oil, Nigeria suffers regular shortages of petrol and diesel because it relies on imports of refined fuel from the West. President Olusegun Obasanjo has billions in Swiss bank accounts. Industry experts estimate that about five percent of Nigerian crude oil is stolen for export by criminal syndicates with contacts in the military and government.

But smaller-scale theft of gasoline and diesel is also common, and much more deadly because of the highly flammable nature of these fuels.

When freed 1,001 Invention Projects on a CD and my web page

Of all those behind the hidden cameras in this Orwellian Society who could have exposed the suppression of the electric windmill car invented in 1980 who didn't...

Leaders of the YMCA in Estes Park Colorado as the worst as they aligned with Bush one week before 9-11 and if instead they would of exposed the suppression of the electric windmill car then the news of this would of cause the 9-11 attack the next week to be nonexistence, and the USA would never have attacked Iraq twice. The men and women of the YMCA should be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them in Colorado.

I'm looking for wives, to brainstorm inventions

I'm looking for wives, to brainstorm inventions,

women who want to find gravity control and a cure for cancer and are MD PHd "ROCK CLIMBERS" and the like.

All is fair in love and war, women will inspire us to get a cure for breast cancer for the 40k women who will die in 2006, and another 40k will die in 2007 from breast cancer.

I am home alone not started working on 1,001 inventions or a breast cancer cure. Besides the electric windmill car, I have over 100 inventions some are very impressive.. I hoped to impress women enough to accept my proposal to join me in a 100 wife commune working 24/7 to get the cure for cancer and gravity control - I will have to wait to work on 1,001 invention projects and a cure for breast cancer. I am ripe and ready to work 24/7 for 30 days to say the least.

Observers in our Orwellian society are part of my life, run my life and so far will not let me work on a cure for cancer 24/7

Observers in our Orwellian society are part of my life, run my life so the decision to work 24/7 is not just up to me but who ever runs things in our Orwellian society. Gen. Orwell will not let me work on a cure for cancer and gravity control because of the Vietnam War Era. Today it's the Oil Genocide Era with the Electric Windmill Car being suppressed since 1980 resulting in 6 million cops and kids burning and burning to death in fiery car wrecks. This is a crime against humanity by DC Observers and Observers.

Here in Boulder Colorado "Observers" get \$\$\$\$ bribes from DC. And our local University got 3 Nobel Prizes as bribes to not expose the suppression of the Electric Windmill Car - they will all hang. Those in Boulder and those in Sweden. Imagine Court TV and Nancy Grace talking about this Oil Genocide... grin!

Quid Pro Quo Hubble Space Telescope - Bribes to Ball Aerospace. 1965 Chevy rebuilt in Orbit or buy a new Escalade with all the options....A no Brainerd --- Texas Oil men who have burnt kids and cops Search Goggle, for "burned in gasoline"... 140,000 have been burned by our Government for more oil money... this is a sick Orwellian Society.

NASA would have several new models of Space Telescopes "Today" if Katie Couric while still on the Today Show would of exposed cops and kids burned in gasoline for more oil money by USA government officials. And if NASA would not have gone along with this Oil Genocide that burns people in gasoline for more oil money.

When freed 1,001 Invention Projects on a CD and my web page

Greg's new 2008 Model of a Space Telescope with not depend on Oil Money for bribery but will use the Top MIT scientist not the criminals at Ball here in Boulder, CO who harass me every time I bike by there buildings.

They harass me for inventing the electric windmill car.... no top scientists here at Ball Aerospace Boulder, CO.

Greg's new 2008 Model of a Space Telescope Will have 2 sections both "life Boats" that can parachute back to earth... 1st will be the telescopes. Second will be the living quarters for the Astronauts docked in orbit with the telescope section. Telescope section will have quarters for crew "lifeboat in a emergency". Both launched one at a time on the biggest launch rockets available in 2008 so we will be designing a new class of launch rockets too.

No Brainerd if the Texas Oil Men were not in charge burning 140,000 in gasoline and not even making the National News with Katie Couric... on this top story of the day. When Katie Couric announced the repair mission of Hubble she did not mention buying a new model Telescope so this news is bias to say the least. Add in those burnt in gasoline today who didn't make the news. Imagine!

Those who let Kennedy keep his Senate Seat after he drove off the bridge never imagined their decision would lead to Kennedy killing 1 billion people by driving off the bridge of political decisions going along with the suppression of the electric windmill car and letting cops like office Jason burn in fiery car wrecks in their cop cars.

Still Kennedy would not expose the suppression as he is a leader of its suppression. Kennedy will Hang in Boston Square and a memorial eternal flame from a burnt out cop car will be next to his grave, though I want Kennedy buried next to Saddam. Ha.

Alpha and Beta Centauri are in the constellation "Centaurus", the Centaur.

(Hence those names for the stars.) The Southern Cross is a different constellation, "Crux", the Latin word for cross.

The two constellations are next to each other in the southern sky, with the front legs of the Centaur on one side of the Cross, and the back legs on the other side of it.

Alpha is a multiple star system, consisting of two stars close to one another, and a third, called Proxima Centauri, orbiting that pair at a large distance.

At present, Proxima is about 0.1 light-years closer than Alpha and its companion.

PS 60th Birthday is coming up on 27 Sept 2007 I want a few wives for my BDAY - Observers in our Orwellian have surppressed wives and the electricwindmillcar since 1980. For a inventor who's main inspiration is women, this is torture. I put my cell phone number 303 548 9904 on the top of End War On Earth web page when I got my web running again and have gotten 40k hits and not a single phone call. So the Observer have the technology to prevent you from calling me... especially if you are a hot women interested in inspiring the cure for cancer and gravity control. Bush is pretty much a Madman, I wrote this up for todays news too. So send me e mail and we can try to get a few inventions while the observers are working, observing us.... grin \$\$\$\$\$\$\$\$\$\$

Happy Birthday Poem was in the windows below Paula the owner of MacDonald's bookstore was a friend in 1975 and put the card printed in a wedding invitation format in the windows of her bookstore. In the years since 1975 I have see and talked to Paula several times, to say the least I impressed her with the invention of the electric windmill car in 1980, unfortunately Estes Park is the HQ for retired generals and full Bird Cols's who could not care who burned in fiery car wreck... the enemy or you and your kids on the highways of the USA. There will be a small Oil Genocide Trial in Estes just for the YMCA and retired Generals... Killing thousands of the enemy or 3 million in Vietnam left all the retired Generals in Estes Park callous like the 12 Roman Caesars... side effect from going into villages in Vietnam or Iraq and killing all the women and children because the men are out fighting the war. So typical behavior in war... Vietnam should have pictured the 3 million women and kids killed... now 60k women and kids killed in Iraq and 7 million in the USA will burn in fiery car wrecks for more oil money to pay for the war in Iraq. All this in a 1984 society were no observer cares if they are caught on video saying ... "let them burn in gasoline... we need the Texas Oil money...." everyone on MSNBC has said this! Clinton and his wife said this every day for 8 years.... Bush and Bush and both their wives said this every day for 8 years and now 7 million cops and kids have been burned and burned to death on the highways and roads of the USA so Texas Oil men can keep the money flowing.

Paula is 77 years old now I am 59 years old now looking back to 1975 and Paula,

yes she was a fox and single.... and a book store geek... we could of ended war on Earth if we hooked up in 1975!

wow - the ones who got away... grin!

Happy Birthday Poem was in the windows above, Paula the owner of MacDonald's bookstore was a friend in 1975... five years before the invention of the electric windmill car in 1980. Officer Jason taunting Kennedy, McCain, Bush

Officer Jason taunting Kennedy, McCain, Bush

Officer Jason will taunt the Observers in DC

Officer Jason and the other 7 million cops and kids burned in gasoline will pour gasoline on those who profited from 7 million burned in gasoline and set them on fire on CNN live to say the least.... they will do in their revenge!

One Billionth Electric Windmill Car in 2007

Coming off the Ford Assembly line

On John Lennon's 67th BDay

Moscow -- 2007 --- Oil Czar Putin is killing KGB spies who want his oil money!

**KGB spies do not want to help Moscow cops who will be burned in gasoline
KGB spy's Putin is killing want to spend the oil genocide
money on themselves!**

Another Genocide

The fiery tanker... burning in the flames in the black smoke you can see the small flames from the SUV. This will be cloned every day in 2006 sometimes twice a day for 365 days. Boss poem and poetry reading is based on those burning in the small flames of their SUV in this picture... while those in Colorado get \$1 billion in bribes to go along with the suppression of the Electric Windmill Car.

9-11 Attack would never have happened if the Electric Windmill Car was not suppressed by the USA gov. since its invention in October 1980

One Billionth Electric Windmill Car in 2007

One Billionth Electric Windmill Car in 2007

One Billionth Electric Windmill Car would be on the roads in 2006 if... the worst human beings below were not psychotic mad men and women. Letting others kids burn in gasoline for more oil money.

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis.

Worst human beings of 2007...

7 Million Cops will burn and burn to death in gasoline for more oil money.

Another Genocide

Worst human beings of 2007 goes to...

And they will be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them, and tens of thousands of cops and kids burned in gasoline will testify against them also!

Worst human beings of 2007...

7 Million Cops will burn and burn to death in gasoline for more oil money.

Worst human beings of 2007 goes to...

YMCA men and women...

Red Cross men and women...

Swiss Bankers and their wives...

UN Secretary-General...

Bill Gates and his wife...

Jews and the Pope...

*Laura Bush watched 469 people burn alive
in gasoline same people you see her with in*

the video clips of her in Lagos school with the kids. Yet she refused to expose the suppression of the Electric Windmill Car. 269 were burned alive on Christmas Day 2006 and she watched this and said nothing... worst human beings on Earth are those protiting from Oil. While some others kids burn in gasoline.

Red Cross says 269 killed in Nigerian fuel blast.

Crowds of local residents went to scoop up gasoline in plastic containers after an armed gang punctured the underground pipeline overnight to siphon fuel into road tankers. 269 people were burned alive. 160 people were taken to two hospitals in Lagos suffering from burns.

A similar explosion at a vandalized pipeline in another part of Lagos in May killed about 200 people.

Despite huge exports of crude oil, Nigeria suffers regular shortages of petrol and diesel because it relies on imports of refined fuel from the West. President Olusegun Obasanjo has billions in Swiss bank accounts. Industry experts estimate that about five percent of Nigerian crude oil is stolen for export by criminal syndicates with contacts in the military and government.

But smaller-scale theft of gasoline and diesel is also common, and much more deadly because of the highly flammable nature of these fuels.

Of all those behind the hidden cameras in this Orwellian Society who could have exposed the suppression of the electric windmill car invented in 1980 who didn't

Leaders of the YMCA in Estes Park Colorado as the worst as they aligned with Bush one week before 9-11 and if instead they would of exposed the suppression of the electric windmill car then the news of this would of cause the 9-11 attack the next week to be nonexistence, and the USA would never have attacked Iraq twice. The men and women of the YMCA should be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them in Colorado.

Jews will lose the state of Israel for going along with the Oil Genocide that killed 6 million white cops in the USA, Moscow and around the world. Jews in 2006 profited from the oil genocide and the pay off is Swiss Bank Accounts and a suppressed Genocide by Jews for more oil money while someone elses kids and cops burn in gasoline.

Pope will lose Vatican City to those burned in gasoline... Vatican City will be a memorial to genocides that paid the Pope's billions in oil money to go along with let others burn and burn to death in gasoline for more oil money. 100's of burnt out cop cars will be nail to crosses on the roads and highways leading to Rome and the Vatican

City.

Bill Gates and his wife killed hundreds of millions of inventors, and most were HS and University students.

2007 inventions

1. Prism light will replace ink cartilages.

2. Projectors will replace Sony 40" LCD TV/Monitors when projector manufacturers mass market them with LED bulbs instead of Projector Lamps.

3. Target you must have your receipt to get a refund and the Management will not take my idea to put all receipts on your credit card or Target Card...

ie I also told Mark the top Manager to build a drive up window for Starbucks and the Pharmacy now Wall Greens is advertising 24 hour drive up windows for the Pharmacy and Starbucks... and the Managers just get promoted again no matter how many suggestions they shoot down from the temps from Manpower or Seasonal Target people. So much for getting promoted for merit.... Merit does not exist in this Orwellian Society there are to many Observers... who are bullies... ha

2006 statistics

40k breast cancer --- 12k skin cancer ---- 6k pain pills ---
2k Iraq ---- 40k from alcohol poisoning.

One Billionth Electric Windmill Car would have come off the Ford assembly line on Lennon's 66th BDay in 2006 if Yoke would have exposed the suppression of the Electric Windmill Car invented by me in Oct of 1980... observed on hidden cameras by Observers!

Officer Jason will hang Kennedy, McCain, Bush

Officer Jason will taunt Kennedy, McCain, Bush

www.officerjason.com

Daily Camera newspaper reporters tore up Officers Jason's pictured above when I put up posters of this web page on the Pearl Street Mall, which is next to the newspaper HQ. Only a man could destroy a picture of a cop burnt in gasoline when his cop car was rear ended, a women even a women in this Orwellian Society would not have torn up the cops picture above.

DC Cops ----- will take as much oil money as possible letting other cops burn in gasoline like Officer Jason above as long as they can take the money and run to the bank, DC Cops live for the money to Hell with the Officer Jason's\$\$\$\$\$\$\$\$

Beijing Cops ----- will burn Hu and his Communist Ruling Class in gasoline when they find out the electric windmill car has been suppressed since 1980 and Hu and his gang of oil genocide nigers let them burn in gasoline since 1980 via the USA government and Texas Oil men... Hu will be burnt alive in gasoline... according to Chinese history.

Boulder Colorado USA Cops ----- will keep their jobs doing nothing for cops in Beijing or Moscow etc.

Moscow Cops ----- will Kill Putin and his whole family... just like the Czar as they will be out for Justice against the Oil Czar and Oil Men Hitler's... Putin will be see as worst than the Czar and Hitler, Moscow Cops will have no mercy at all!

6 Million Cops will burn and burn to death in gasoline for more oil money. Another Genocide, this one I call the "oil Genocide" because the Electric Windmill Car was invented in 1980...

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

End To War on Earth

Kennedy could of used The Electric Windmill Car In 1980.To End War on Earth ! Instead he voted to suppress it. For more oil money and wars... This is a crime to say the least. Senator Kennedy observed me on hidden cameras... Brainstorming for 6 months, then getting the Electric Windmill car invention in 1980.

\$

Prosecutors will show vivid pictures of 6 million burned and burned to death in gasoline. Nancy Grace was a prosecutor in Atlanta Georgia while tens of thousands burned and burned to death in gasoline in the USA. Ironic going after petty criminals while the Texas oil men are mass murderers.

I'm looking for wives, to brainstorm inventions, women who **want to find gravity control and a cure for cancer and are** MD PHd "ROCK CLIMBERS" and the like.

All is fair in love and war, women will inspire us to get a cure for breast cancer for the 40k women who will die in 2006, and another 40k will die in 2007 from breast cancer.

I am home alone not started working on 1,001 inventions or a breast cancer cure. Besides the electric windmill car, I have over 100 inventions some are very impressive.. I hoped to impress women enough to accept my proposal to join me in a 100 wife commune working 24/7 to get the cure for cancer and gravity control - I will have to wait to work on 1,001 invention projects and a cure for breast cancer. I am ripe and ready to work 24/7 for 30 days to say the least.

Observers in our Orwellian society are part of my life, run my life so the decision to work 24/7 is not just up to me but who ever runs things in our Orwellian society. Gen. Orwell will not let me work on a cure for cancer and gravity control because of the Vietnam War Era. Today it's the Oil Genocide Era with the Electric Windmill Car being suppressed since 1980 resulting in 6 million cops and kids burning and burning to death in fiery car wrecks. This is a crime against humanity by DC Observers and Observers.

Here in Boulder Colorado "Observers" get \$\$\$\$ bribes from DC. And our local University got 3 Nobel Prizes as bribes to not expose the suppression of the Electric Windmill Car - they will all hang. Those in Boulder and those in Sweden. Imagine Court TV and Nancy Grace talking about this Oil Genocide... grin!

Iran launches missiles paid for by Texas Oil Men

Iran nukes are paid for by Texas Oil men

Quid Pro Quo Hubble Space Telescope - Bribes to Ball Aerospace. 1965 Chevy rebuilt in Orbit or buy a new Escalade with all the options....A no Brainerd --- Texas Oil men who have burnt kids and cops Search Goggle, for "burned in gasoline"... 140,000 have been burned by our Government for more oil money... this is a sick Orwellian Society.

NASA would have several new models of Space Telescopes "Today" if Katie Couric while still on the Today Show would of exposed cops and kids burned in gasoline for more oil money by USA government officials. And if NASA would not have gone along with this Oil Genocide that burns people in gasoline for more oil money.

Greg's new 2008 Model of a Space Telescope with not depend on

Oil Money for bribery but will use the Top MIT scientist not the criminals at Ball here in Boulder, CO who harass me every time I bike by there buildings.

They harass me for inventing the electric windmill car.... no top scientists here at Ball Aerospace Boulder, CO.

Greg's new 2008 Model of a Space Telescope Will have 2 sections both "life Boats" that can parachute back to earth... 1st will be the telescopes. Second will be the living quarters for the Astronauts docked in orbit with the telescope section. Telescope section will have quarters for crew "lifeboat in a emergency". Both launched one at a time on the biggest launch rockets available in 2008 so we will be designing a new class of launch rockets too.

No Brainerd if the Texas Oil Men were not in charge burning 140,000 in gasoline and not even making the National News with Katie Couric... on this top story of the day. When Katie Couric announced the repair mission of Hubble she did not mention buying a new model Telescope so this news is bias to say the least. Add in those burnt in gasoline today who didn't make the news. Imagine!

Happy Birthday Poem Card was in the windows below. Paula the owner of MacDonald's bookstore was a friend in 1975 and put the card, printed in a wedding invitation format in the windows of her bookstore. In the years since 1975 I have see and talked to Paula several times, to say the least I impressed her with the invention of the electric windmill car in 1980, unfortunately Estes

Park is the HQ for retired generals and full Bird Cols's who could not care who burned in fiery car wreck... the enemy or you and your kids on the highways of the USA. There will be a small Oil Genocide Trial in Estes just for the YMCA and retired Generals... Killing thousands of the enemy or 3 million in Vietnam left all the retired Generals in Estes Park callous like the 12 Roman Caesars... side effect from going into villages in Vietnam or Iraq and killing all the women and children because the men are out fighting the war. So typical behavior in war... Vietnam should have pictured the 3 million women and kids killed... now 60k women and kids killed in Iraq and 7 million in the USA will burn in fiery car wrecks for more oil money to pay for the war in Iraq. All this in a 1984 society were no observer cares if they are caught on video saying ... "let them burn in gasoline... we need the Texas Oil money..." everyone on MSNBC has said this! Clinton and his wife said this every day for 8 years.... Bush and Bush and both their wives said this every day for 8 years and now 7 million cops and kids have been burned and burned to death on the highways and roads of the USA so Texas Oil men can keep the money flowing.

Paula is 77 years old now I am 59 years old now looking back to 1975 and Paula, yes she was a fox and single.... and a book store geek... we could of ended war on Earth if we hooked up in 1975!

wow - the ones who got away... grin!

Face Burned in Gasoline

Face this Orwellian Society, see the small flames in front of the burning gasoline tanker... 3 people are in their SUV, this happens every day somewhere around the world, all for more oil money while the electric windmill car has been suppressed since 1980 by Bush and the Texas Oil men... who live their lives without anyone with a face burned in gasoline in their thoughts, they can only think of oil money as they are addicted to money almost as much as Bill Gates!!!

Face Burned in Gasoline

While the rest of us live our Life

Face Burned in Gasoline

So Bush and the Saudi King can cash in

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

Face Burned in Gasoline

Even the CIA profited from your Torture

Even Bill Gates could have prevented your pain

But didn't because of his greed

Face Burned in Gasoline

When your cop car was rear-ended

Chief sucked up to Bush

While you were in the burn unit

Sick Orwellian Society to say the least

MD's prevented the cure for cancer

To cash in during the Oil Genocide Era

From 1980 to 2007

MS Society in Denver

Spit in my face, they do not want a cure

Revenge, I would arrest them all for Genocide

Revenge, I would arrest them all for Genocide

Face Burned in Gasoline

Revenge when these guys are the Judge, Jury,

Executioners

Face of the Supreme Court Justices

*After the **Coup D'Etat***

Faces Burned in Gasoline

All the Supreme Court Justices will have

faces burned in gasoline

Next President after the Coup D'Etat

Will be a cop burned in gasoline for oil money

Revenge will be worse than Baghdad Today

Katie Couric will be hanged on CBS Nightly News

NY Times

Everyone will be burned at the stake

CBS Nightly News

Everyone will have a face burned in gasoline

New Look

Like Katie Couric's first night on Nightly News

Some poor cop was burned in gasoline that day

Bush had an executive order not to report this on CBS

Doctors were having meetings about cancer profits

Making sure I did not get a chance in getting a cure

City Hall in Boulder Colorado when along with the MD's

CU grads cashing in on their University degree in kickbacks

CU football player's gang raped Katie

And got away with it, and kept their CU scholarships

CU Law School got a new building for \$400 million

From gasoline profits

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

MD's in Colorado made \$400 million extra from cancer

And made sure I did not have a chance in getting a cure

Behind the cameras

They didn't take any chances in letting me get a cure

Saturday, March 31, 2007 4:30 pm

Cameras in my living room

They still don't want me working

On a cure for breast cancer

Face Burned in Gasoline

Revenge, I would arrest them all for Genocide

Face Burned in Gasoline

While the rest of us lives our Life

9-11 would never have happened

If Katic Couric would have exposed

The suppression of the electric windmill car

Invented in 1980

Katic Couric's husband wouldn't have died of cancer

If the MD's in Colorado didn't work hard to stifle me

Made 100% sure I had no chance in finding a cure

As they believed I could cure cancer if given a chance

They didn't take any chances with their cancer profits

Of losing them to a cancer cure

Face Burned in Gasoline

Face Burned in Gasoline

While the rest of us live our Life

Russian Oil Czar is Putin

He has spent trillions from Oil on Russians

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

Not 1 Moscow cop burned in gasoline has made the news

As Putin controls the Nightly News in Moscow

More Moscow cops have been burned in gasoline

Than any other city on Earth

Czar of Russia

Didn't burn to death as many surfs

King of Saudi Arabia

Thinks he will keep Trillions in Oil Money

He earned after the electric windmill car invention

In 1980

Revenge will nuke

RIYADH and Saudi King Abdullah

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

Everyone with a face burned in gasoline

Will get \$1 Billion

Everyone with breast cancer and cancer

Will get \$1 Million

Czar of this Orwellian Society

Will have a Face Burned in Gasoline

As he will be elected after Bush is hanged

Our Current Czar is an Oilman with a crazy Doctor

Taking care of his every pain

Taking care to prevent a cure for cancer and oil

Until the Coup D'Etat

Until those with Faces Burned in Gasoline

Come into our daily lives

No longer hidden by a Presidents executive order

Bush added insult to injury via Saudi Arabia

As Bush sold organs to Saudi Princes

While Americans waiting for the same transplant died

Bush is a Yale Grad... Who became a mass murderer!!!

Yale will never recover from Bush

Those with cancer today can recover

If I get a chance to brainstorm a cure for cancer

With my new wives...

Face Burned in Gasoline

While the rest of us live our Life

Saturday, March 31, 2007 4:30 pm

CIA

October 1980 Greg Buell (Greg Lovestar when freed) invented the Electric Windmill Car in front of Orwellian hidden cameras with CIA agents watching me on their monitors at CIA HQ... Valerie Plame (nee Valerie E. Wilson), wife of retired U.S. Ambassador Joseph C. Wilson IV went along with the suppression of the electric windmill car and the deaths of 7 million cops and kids who burned and burned to death in fiery car wrecks from 1980 to 2007 for more oil money which the CIA got a new HQ build from the Oil Genocide Era.

CIA agents like Valerie Plame and U.S. Ambassador Joseph C. Wilson are cold-blooded killers. Cops and kids in fiery car wreck or troops in Hummers in Baghdad all burned to death in gasoline because of CIA agents like Valerie and her CIA directors like Bush Senior.

July 14, 2003,

Valerie Plame (nee Valerie E. Wilson), wife of retired U.S. Ambassador Joseph C. Wilson IV, was exposed on as a CIA covert agent...

October 1980 Greg Buell (Greg Lovestar when freed) invented the Electric Windmill Car in front of Orwellian hidden cameras with CIA agents watching me on their monitors at CIA HQ...

CIA options at the time if you search google OPEC and Saudi Arabia on orders from Kissinger were having an oil embargo to raise gas prices, this crisis ended a few weeks after I invented the electric windmill car. The files on how it ended are in the CIA files.

CIA when along with suppressing the Electric Windmill Car in 1980.

CIA new HQ pay off in oil money for letting 7 million cops and kids burn in fiery car wrecks.

Cia new and old HQ buildings

CIA had second thought and third, and fourths, ha but took a new HQ building and pay raises and perks for going along with the suppression of the electric windmill car since 1980.

CIA intelligence did not consider the spin off inventions from the electric windmill car, the surge in inventors, the Invention University... etc

CIA did not really care about those burnt in gasoline in fiery car wrecks as these cops and kids in the back seat of a fiery car wreck are just casualties of war.

Post traumatic stress is just for the weak at heart, killing women and children in Vietnamese villages or in Baghdad is just life at war... tell God its just war on Earth.

Post traumatic troops have the fear of God driving them crazy, thinking they might not get away with killing women and kids in war.

CIA agents like Valerie Plame and U.S. Ambassador Joseph C. Wilson are cold-blooded killers.

CIA agents like Valerie Plame and U.S. Ambassador Joseph C. Wilson are cold-blooded killers.

CIA agents like Valerie Plame and U.S. Ambassador Joseph C. Wilson are cold-blooded killers.

CNN exposed her covertness but CNN and the CIA will not expose the suppression of the electric windmill car because they both get oil money bribes, pay raises, government perks... for letting 7 million cops and kids burn and burn to death in fiery car wrecks...

CNN no longer reports on the 3 kids in the back seat of a fiery rearend car wreck burned to death... on orders from Bush and the CIA = this can no longer be reported on CNN or your local news.

Coup D'Etat USA CIA

Coup D'Etat

Coup D'Etat H2O

My Getting gravity control will still be amazing in 3006

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

Coup D'Etat USA

General Orwell or General Pace - Gonzalez's the attorney general has seized control of the times, do not believe this Gonzalez has a Secret Swiss Bank Account full of oil bribes to go along with the deaths of 7 million in the USA alone - Let them burn in gasoline for more oil money is Gonzalez favorite greeting to Bush.

Intel was on the ABC nightly news last night 16 March 2007 about giving a girl \$100,000 for her science project.

Intel got \$100 Billion in Oil Genocide Bribes to let 7 million cops and kids burn and burn to death in fire car wrecks in the USA since 1980 when the electric windmill car was invented.

NBC's Dr Snyderman MD was on nightly news this week too, she must have read my <http://www.electricwindmillcar.com/cumedschool.html> CU med school poem... about the shortage of MD's just like the shortage of gasoline in an Electric Windmill Car Era.

Harvard Med School Dean will hang with the Texas oil

men... at the Genocide trials in Boston, NYC, DC...

Spin Off Inventions from Texas Oil Men since 1980 when the electric windmill car was invented have killed 100 million people world wide and the Observers at the CIA, KGB etc have gone along with the Ruling Class.

Coup D'Etat

Coup D'Etat USA

Spin off inventions from the electric windmill car.... free Hydrogen!!!

Spin off inventions from the Coup D'Etat - will hang all the fag reporters at the Daily Camer Newspaper, and the NY Times... who lead worst life styles than Michel Jackson they just don't report this news - grin.

Spin off inventions from the Coup D'Etat

Spin off inventions from the Coup D'Etat

Microsoft will become the Dept of Education and the Dept of Education will get out of the student loan business all the money Saudi Arabia has for free University to its citizens will be used for the next generation of USA Students.

Bill Gates will hang with the Texas Oil men of course.... sorry Bill but you deserve worst... like Officer Jason with the burt face.

Spin off inventions from the Coup D'Etat

FBI Kills Cops

Saturday, March 10, 2007

Bush had a shit eating grin...

Talking to Mueller and Gonzales about killing cops!!!!

Mueller, Gonzales others in the Bush government from the CIA to the Pentagons 4 and 5 star generals poured gasoline over the cop pictured below and set him on fire in his cop car for more oil money.

And to add insult to injury 1 million Palaces like you see on CBS Nightly news with Katie Couric reporting from Iraq on Saddams 99 Palaces which the 3 Star Pentagon general lives in today Saturday, March 10, 2007.

1 million of these Palaces were built while 7 million cops were burned and burned to death by the FBI and DA...

This is what a Orwellian Society with Kennedy, McCain, Carter, Clinton, Bush, and others have done to the USA -

Adding more insult to injury the cops and kids who will burn and burn to death today Saturday, March 10, 2007 will not be on the Nightly CBS news because Bush has a executive order not to show fiery car wrecks or gas tankers on fire...

Bush had a shit eating grin when he was interviewed with Katie Couric hinting for the Observers who know we live in a hidden camera society that the public will no longer see fiery car wrecks on the CBS Nightly News every night.... grin.

1 Million Palaces have been built at the same time 7 million cops and kids have burned and burned to death in fiery car wrecks since the invention of the electric windmill car in October of 1980.

Attorney General Alberto Gonzales

FBI Director Robert S. Mueller

WASHINGTON - The nation's top two law enforcement officials acknowledged Friday the FBI broke the law to secretly pry out personal information about Americans. They apologized and vowed to prevent further illegal intrusions.

Attorney General Alberto Gonzales left open the possibility of pursuing criminal charges against FBI agents or lawyers who improperly used the USA Patriot Act in pursuit of suspected terrorists and spies.

The FBI's transgressions were spelled out in a damning 126-page audit by Justice Department Inspector General Glenn A. Fine. He found that agents sometimes demanded personal data on people

without official authorization, and in other cases improperly obtained telephone records in non-emergency circumstances.

The audit also concluded that the FBI for three years underreported to Congress how often it used national security letters to ask businesses to turn over customer data. The letters are administrative subpoenas that do not require a judge's approval.

"People have to believe in what we say," Gonzales said. "And so I think this was very upsetting to me. And it's frustrating."

"We have some work to do to reassure members of Congress and the American people that we are serious about being responsible in the exercise of these authorities," he said.

Under the Patriot Act, the national security letters give the FBI authority to demand that telephone companies, Internet service providers, banks, credit bureaus and other businesses produce personal records about their customers or subscribers. About three-fourths of the letters issued between 2003 and 2005 involved counterterror cases, with the rest for espionage investigations, the audit reported.

Shoddy record-keeping and human error were to blame for the bulk of the problems, said Justice auditors, who were careful to note they found no indication of criminal misconduct.

Still, "we believe the improper or illegal uses we found involve serious misuses of national security letter authorities," the audit concluded.

FBI Director Robert S. Mueller said many of the problems were being fixed, including by building a better internal data collection system and training employees on the limits of their authority. The FBI has also scrapped the use of "exigent letters," which were used to gather information without the signed permission of an authorized official.

"But the question should and must be asked: How could this happen? Who is accountable?" Mueller said. "And the answer to that is, I am to be held accountable."

Mueller said he had not been asked to resign, nor had he discussed doing so with other officials. He said employees would probably face disciplinary actions, not criminal charges, following an internal investigation of how the violations occurred.

The audit incensed lawmakers in Congress already seething over the recent dismissals of eight U.S. attorneys. Democrats who lead House and Senate judiciary and intelligence oversight panels promised hearings on the findings. Several lawmakers — Republicans and Democrats alike — raised the possibility of scaling back the FBI's authority.

"It's up to Congress to end these abuses as soon as possible," said Sen. Edward M. Kennedy, D-Mass., who sits on the Senate Judiciary Committee. "The Patriot Act was never intended to allow the Bush administration to violate fundamental constitutional rights."

Rep. Pete Hoekstra, top Republican on the House Intelligence Committee, said the audit shows "a major failure by Justice to uphold the law."

"If the Justice Department is going to enforce the law, it must follow it as well," said Hoekstra, of Michigan.

The American Civil Liberties Union said the audit proves Congress must amend the Patriot Act to require judicial approval anytime the FBI wants access to sensitive personal information.

"The attorney general and the FBI are part of the problem, and they cannot be trusted to be part of the solution," said ACLU's executive

director, Anthony D. Romero.

Both Gonzales and Mueller called the national security letters vital tools in pursuing terrorists and spies in the United States. "They are the bread and butter of our investigations," Mueller said.

Gonzales asked the inspector general to issue a follow-up audit in July on whether the FBI had followed recommendations to fix the problems.

Fine's annual review is required by Congress, over the objections of the Bush administration. It concluded that the number of national security letters requested by the FBI skyrocketed in the years after the Patriot Act became law. Each letter issued may contain several requests.

In 2000, for example, the FBI issued an estimated 8,500 requests. That number peaked in 2004 with 56,000. Overall, the FBI reported issuing 143,074 requests in national security letters between 2003 and 2005.

But that did not include an additional 8,850 requests that were never recorded in the FBI's database, the audit found. A sample review of 77 case files at four FBI field offices showed that agents had underreported the number of national security letter requests by about 22 percent.

Additionally, the audit found, the FBI identified 26 possible violations in its use of the letters, including failing to get proper authorization, making improper requests under the law and unauthorized collection of telephone or Internet e-mail records.

The FBI also used exigent letters to quickly get information — sometimes in non-emergency situations — without going through proper channels. In at least 700 cases, these letters were sent to three telephone companies to get billing records and subscriber information, the audit found.

NEW YORK (Reuters) - New York City symbolically banned use of the word nigger on Wednesday, the latest step in a campaign that hopes to expunge the most vile of racial slurs from hip hop music and television.

The City Council unanimously declared a moratorium that carries no penalty but aims to stop youth from casually using the word, considered by most Americans to be the most offensive in the English language.

The New York City measure follows similar resolutions this month by the New York state assembly and state senate, and supporters of the ban are taking their campaign to The Recording Academy, asking it not to nominate musicians for Grammy awards if they use the word in their lyrics.

Many rap artists and young New Yorkers toss the word around as a term of endearment or as a substitute for black, angering some black leaders who consider those who use it as ignorant of the word's hate-filled history in slavery and segregation.

"This could be the beginning of a movement," councilman Albert Vann said.

Councilman Leroy Comrie, a sponsor of the moratorium, said the campaign against the word has gained strength since comedian Michael Richards spewed it in a racially charged tirade in Los Angeles.

The Laugh Factory club where Richards performed has since banned comedians from using the word there and the former "Seinfeld" television star has apologized.

"The Michael Richards incident really brought it to another level. It has forced people to express their outrage. Many people had been seething quietly," Comrie said.

Comrie also asked TV network Black Entertainment Television to stop using the word in its shows. Representatives of BET did not immediately respond to a request for comment.

A Grammy spokesman said he doubted the academy's 11,000 voting members would support any

measure that might censor artists.

"They are not going to be supportive of something that excludes someone simply because they are using a word that is offensive," said Ron Roecker, vice president of communication for the Recording Academy.

The city resolution calling for the moratorium traces the etymology of the word from the Latin "niger," meaning black, to its first documented written use in 1786 as a term slave masters used to label their African slaves.

Use of the word by blacks exploded with the rise of rap music in recent years, and some black comedians like Chris Rock continue to use it in their routines.

"What, is there a fine? Am I going to get a ticket?" Rock mocked in a Reuters interview when asked about the City Council move. "Do judges say, '10 years, nigger!'"

Rock said politicians were trying to divert attention from real problems: "Enough real bad things happen in this city to worry about how I am going to use the word."

Mayor Michael R. Bloomberg, building on the success of the City's NYC GirlsREACH program, today announced the creation of the public-private partnership NYC BoysREACH to expand opportunities for young men. As part of the gender-specific programming created by the Commission on Women's Issues and the Department of Youth and Community Development, NYC GirlsREACH and NYC BoysREACH will provide high school students in the five boroughs with a number of education and mentorship opportunities by connecting young New Yorkers with strong professional female and male role models.

NYC GirlsREACH was created last year by the NYC Commission on Women's Issues and the NYC Department of Youth and Community Development. The program pairs high school students with professional women in the private and public sectors and offers weekly workshops on issues including health, financial literacy, college admissions, and public policy. The initiative broadens perceptions of roles of women in the workforce and enables high school students to work directly with New York City professional women. Interns who have participated in NYC GirlsREACH report a new understanding of pathways to success, particularly regarding their aspirations to go to college.

A U.S. soldier who pleaded guilty to raping and murdering a 14-year-old Iraqi girl

Drew Gilpin Faust's as the 28th President of Harvard

She will not live up to her words as she is the President to the ruling class, Kennedy etc

She has kissed and shaken hands with those who raped and killed 14 year old girls in Vietnam, probably dined with them too.

Here in Boulder Colorado lesbians are protesting...

Search google and find out what, I can tell you it's not cops and kids being burned in gasoline as they have been paid off by the Mayor and others in our Orwellian society... \$\$\$\$ rights \$\$\$ money and perks will buy lesbians off to let cops and kids burn in gasoline....

During the court-martial, a sometimes emotional Cortez recounted how he and his companions drank whiskey, played cards and plotted to attack the family at Mahmudiya, south of Baghdad, in March 2006. The group poured kerosene on the girl's body and lit her on fire in an attempt to cover up the crime. Once at the house, Green, the suspected ringleader, took the girl's mother, father and little sister into a bedroom, Cortez said, while he and Barker took the teenager, Abeer Qassim al-Janabi, to the living room, where they took turns raping her

FT. CAMPBELL, Kentucky (Reuters) - A U.S. soldier who pleaded guilty to raping and murdering a 14-year-old Iraqi girl and killing her family was sentenced to 100 years.

Drew Gilpin Faust's expected election as the 28th President of Harvard College will spark a flurry of attention. Worldwide, headlines will herald Harvard's first female leader in its 371-year history. But as the world takes note of Harvard's milestone, it will likely ignore the far more significant crossroads at which Harvard finds itself today.

The new president will have to build consensus while making decisions bound to alienate, lead a 17th century institution facing 21st century problems, and respect Harvard's traditions while simultaneously making bold changes for the future. Faust is a woman in a man's world—both as a historian of the Civil War South and now as the lone woman in a succession of 27 men. She is a woman who makes her living studying the past but who now must look to the future.

Institutionally, Harvard's president is the person best able to direct overarching changes and interdisciplinary initiatives, such as the nascent Harvard Stem Cell Institute. Such projects can require the president to act as a mediator between often-tribal faculty departments, bringing together, for example, scientists and philosophers to tackle the academic riddles of the future. Past presidents, from Lawrence H. Summers to Charles W. Eliot, Class of 1853, have adopted a confrontational management style, attempting to force through initiatives with a blunt stick. If we, as observers of Harvard University, learned anything from the rapid downfall of former University President Summers, it is that no man—now, no person—can push Harvard in his or her own direction as its leader.

One of the stickiest situations facing the new president will be redefining her office's role in relation to the faculty. Harvard's radically decentralized structure overly empowers its faculties and inhibits reform, encouraging wide disparities in funding among schools, and promoting internecine squabbling over major initiatives. Managing this entrenched academic sphere was the puzzle that cost Summers his job.

Harvard is, after all, in dire need of reform. The new president cannot afford to sit idle while undergraduate education slides into confusion under the watch of an indecisive Faculty. The most recent and final general education report outlines a range of new distribution requirements, but sorely lacks details for its implementation. After a curricular review process that has taken over four years and the release of a pedagogy report that risks being ignored, the onus is on Faust to ensure that no more time is wasted in fixing Harvard's broken undergraduate experience.

Faust will also be Harvard's helmswoman through one of the most dramatic changes in its history: the expansion in Allston. The 50-year

Allston Master Plan, released last month, roughly outlines plans for the University's great undertaking, but the success of the implementation to follow will largely depend on the effectiveness of Harvard's new president and the leaders she appoints.

Four of Harvard's schools, including the Faculty of Arts and Sciences, will rely on Faust's judgment for their new deans, decisions which will be among the most important of her presidency. It is certainly far from easy to find leaders capable of motivating tenured professors, who live cloistered in their labs or offices. Combating this academic apathy is a challenging task, but one that Harvard's new deans can achieve not through fiat, but by reaching out to critics and supporters alike. Harvard's leaders cannot be the faculty's handmaidens but neither can they be firebrands.

As president of Harvard, Faust will also have the opportunity to project her presence across the country and around the world. The early tenure of Nathan M. Pusey '28 is emblematic of the power of the office, as Pusey used his newfound stature to become a leading national voice against McCarthy-era attacks on the academy.

It would be all too easy for Faust to become backseat president instead of following Pusey's example. We hope that Faust, even in the face of adversity, will have the courage to defend the right decision even when it is unpopular and the wisdom to recognize when an unpopular decision is wrong.

Faust's gender is undeniably significant as a historical fact, something that Faust herself, as one of the world's leading historians on gender issues in 19th century America no doubt appreciates. Moreover, it is expected that Faust will approach her job with a much different outlook than her predecessors toward issues of women, gender, and sexuality; in her first interview with *The Crimson* in 2001, she politely referred to Harvard's support for these topics as "not the strongest."

We hope, however, that Faust does not arrive at the door of Massachusetts Hall with an unshakeable label as the "anti-Summers": the woman, the historian, the life-long academic, the gentle administrator.

Two years ago, Faust gave a speech to the Harvard College Class of 2005. She told the graduates, "When you hear—in this most wonderfully tradition-bound institution—that something is because it always has been that way, take a moment to ask which of the past's assumptions are embedded in that particular tradition."

We hope that she has the fortitude to stand by her words.

One Billionth Electric Windmill Car coming off the Ford assembly line
on Lennon's 66th BDay...

When freed 1,001 Invention Projects on a CD and my web page

www.electricwindmillcar.com

9 Nov 2006 ----- Rumsfeld has his own "Universe". Those burned in gasoline and forest fires had no chance of being saved by Rumsfeld as he is a "Mad Man" traveling light years to Baghdad not Alpha Centauri. But he was not fired by Bush for this. Bush fired him for not winning the war! Gates will not convert Rumsfeld's C5A to fight forest fires and Gates will not expose the suppression of the electric windmill car and save those who will burn in gasoline today.

Nancy Pelosi has 5 kids and 5 grandchildren none have been burned in gasoline and she does not care about the "observers" kids who will burn in gasoline today. Let someone else's kids burn in gasoline as long as Nancy Pelosi's kids don't burn in a fiery car wreck. She is a typical "women observer" in a sick "Orwellian Society" that has burned more than 140,000 cops and kids in fiery car wrecks since the invention of the electric windmill car in Oct. of 1980.

General Pace observed what happened to his boss Rumsfeld but General Pace is also in his own "military Universe". he can not see that Bush and the Texas and Saudi Oil men will let him and his Generals Hang for burning 140k in gasoline for more oil money. Only way Gen Pace can save his life and his Generals is to pull off a successful Coup D'Etat. Arrest Bush for burning 140k in fiery car wrecks and go on the "Today" Show at 7 am for 2 hours documenting the comments from Bush and the Texas and Saudi Oil men... "Let them burn in gasoline... we need the oil money \$\$\$\$\$\$\$" Let them Eat Cake... French revolution will happen the next day and Moscow Cops will Kill Putin and his whole family after they find out the "Oil Czar" Putin is a worst mass murders of Russian surfs than the Russian Czar Lenin killed.

10-9-2006 Yoko went from the Pearl Street Mall to REYKJAVIK, for John Lennon's 66th BDay almost the exact day I invented the Electric Windmill Car in 1980, Lennon was killed in 1980 Ford would be celebrating the 1 Billionth Electric Windmill Car coming off the Ford assembly line on Lennon's 66th BDay if Yoko would have exposed its suppression. So much for her \$50k award in Lennon's memory to Doctors Without Borders, a group of MD's who also know Bush sold organs to Saudi Princes while Americans waiting for the same organs died. This is sick... Yoko and the Doctors, in a World without the 1 Billionth Electric Windmill Car coming off the Ford assembly line on Monday 10-9-2006

Anna Politkovskaya with a face burnt in gasoline from a fiery rearend car wreck like the burnt cop pictured above.... This story will be suppressed from the New York Times on 10-9-2006, though Anna's picture will appear in the New York Times on Columbus Day.

10-9-2006 Columbus Day will be Alpha Centauri Day when the Bush's quit buying Aircraft Carriers and start buying a fleet of 700 Shuttles for NASA... I can't believe NASA did not expose the suppression of the Electric Windmill Car yesterday when Bush christened his newest "War Toy" paid for by "Oil Genocide" money that has left 10's of thousands of Americans with burnt faces like the cop above. NASA will hang for this just like the Senators who knew about Foley will hang.

10-9-2006 700 Bush Air Craft Carriers in 2006 when we need 700 Shuttles more than more War Toys for Bush.... in an Era that should be christening the 1 Billionth Electric Windmill Car off the Ford assembly line - Bush Genocide a father and son Genocide and either could of prevented 9-11 with the Electric Windmill Car.

10-9-2006 Anna Politkovskaya a Journalists in Moscow didn't tear up any of my web posters of Officer Jason with his burnt face pictured above like the Daily Camera Newspaper journalists did, but she has know for 20 years that more cops in Moscow have burns from fiery car wrecks than American Cops and has helped Putin stifle this news.. Putin is stifling 1 Billion Electric Windmill Cars coming off the Ford assembly line. Putin and his whole family will be killed, like Anna Politkovskaya was kill but for being a Czar of Russia killing the surfs (cops) for more Oil Genocide Money. Picture Anna Politkovskaya below with a face burnt in gasoline from a fiery rearend car wreck like the burnt cop pictured above....

Newspaper Novaya Gazeta Alexander Lebedev, who owns a large minority stake in the paper, offered to pay a reward of 25 million roubles (\$933,500) for information about those who ordered and carried out Politkovskaya's assassination

Newspaper Journalists and owners know who burnt Officers Jason's face for more oil money.

Blacks and Mexicans have profited from this gasoline genocide via our George Orwell who sets the gringo cat on fire along with 100's a day in LA fiery wrecks and no Rx Penicillin miracle cure for Breast Cancer! 100 breast cancer deaths every day all semester and no one will let you in on these statistics or who fired Greg Buell from the CU Bookstore. Genocide via our George Orwell's suppression and firing Greg Buell Lovestar at the CU Bookstore, I was replaced by a Mexican who will never ever work on a Rx Penicillin Miracle cure for Breast Cancer.

I got the ElectricWindmillCar invention during the Oil Embargo of 1980.

In this picture in the small flames in front of the burning gasoline tanker is a SUV with Mon Dad and 2 kids in the back seat, are burning to death. Bush, McCain and Kennedy did this to Americans. This is a hate crime because 99.9% of those burned in gasoline since the invention of the ElectricWindmillCar in 1980 are white cops and kids in the back seat in the fiery car wrecks.

22 Aug 2009 ---- gov. perks for Blacks and Mexicans, even on NBC Today Show Hero Al Roker while GE spits on Officer Jason burned to death sitting in his cops car writing a niger a ticket, Matt and all the women went on and on making Al Roker a Saint instead of a "Vick" setting the dog on fire via gasoline... GE profits from this gasoline genocide! CIA was blackmailed to let the

Temps are now USA Citizens while our George Orwell hires Mexicans and Blacks without a resume or background check. Best Buy, Safeway, Kroger, Stop sign holder at every construction site everywhere Mexicans are working. CU Campus CU Bookstore Mexicans replaced Gringos, via orders from the TOP our George Orwell... only in a "Oil Genocide Era" would they set so many cats on fire while in LA 100's a day burn and burn to death in fiery gasoline wrecks. Breast cancer Rx Penicillin cure is spit on by the 5 women who run the CU Bookstore this semester how many women will die of breast cancer this semester... don't ask in the CU Bookstore they will spit in your face and call a Mexican to escort you out the door without letting you stop to read a textbook.

Kelly Services a Temp agency and Manpower go along with this genocide that kills 10's of thousands of gringo temps a year. It's now a genocide! FBI will arrest everyone at Kelly and Manpower when the suppression of the ElectricWindmillCar is exposed for killing gringos in the USA, Boulder CO.

New York Times Today 10 Aug 2009

CBS Early show had 1 Orwellian comment this morning, about suppressing the electricwindmillcar since 1980 caused a cascade of government genocides... one on top of the other leading up to today when our "George Orwell" has several "cascading genocides" all going on today killing 100's today and tomorrow just in the USA. All are government run genocides. From burning in gasoline in fiery wreck, to mom drinking Coors, smoking pot with the kids in the minivan, to fat with no Ephreda, to MIT scientists working on War Toys today instead of a Rx Penicillin for Breast Cancer. And there are several more on going genocides just read the rest of the web page. Last I have to mention I'm still suppressed by our local MD's in Boulder CO and the Tebo Family Cancer Center from working on a Rx Penicillin cure for Breast Cancer Today and Tomorrow. No telling when our "George Orwell" will come out from behind the hidden cameras and put Greg Buell Lovestar to work with a few wives... ps if you are a gov. employee or former one and want to help send cash as our George Orwell has kick me out of the CU Bookstore as cashier as I stopped to read to many text books on the way back from break. They hired Mexican Pit Bulls for cashiers who never, ever read a text book on the way back from break! Grin.. Only our "George Orwell" could "cascade" so many genocides! Even Mexican Pit Bull Cashiers are a Genocide as they lost 1 billion social inventions from the gringos who were fired!

4th of July 2009 Inventors will go with a dual-socket Intel Xeon 5500-series system. The Xeon (DP) W5580 offers more speed than the AMD 2400 series. HP offers the W5580 processor only in a 1-way configuration in its Z800 system, which sells for about \$6700. A dual-socket E5530-based Z800 is available for \$7800. Dell the only major vendor to sell a dual-socket W5580 workstation. A Precision T5500 system equipped with two W5580 processors currently sells for about \$6620.

9-11 would never have happened if the ElectricWindmillCars were on the streets of the USA in 1980. Kennedy was drunk in 1980 when he was watching me on

hidden cameras, he then started the worst gasoline genocide in history. All 100 Sentators will end up hanging for the gasoline genocide.

This is a large very large picture of Officer Jason with burnt face and with the logos of many fortune 500 corporations who profited via bribes and gov perks to let 10k cops in the USA Moscow and Beijing, like officer jason burn in their cop car years and decades after the invention of the electric windmill car in 1980. The worst corporations are GE and Bill Gates at Microsoft, and Whole Foods as they are wind powered yet they got bribes and perks from the government to let a genocide go on...

Electric Windmill Car...

Coup D'Etat News has be updated daily on the link below...

<http://home.att.net/~inventor84/index.html>

So Coup D'Etat News 9 Aug 2007 <<<<<<< Finally got a new web host Network Solutions \$119 for 1 year and got 3 domain names, End War on Earth wow no one wanted this domain name in our "1984" War is great society.

Kennedy drove off the bridge killing the girl and 1 billion other people.

Those who let Kennedy keep his Senate Seat after he drove off the bridge never imagined their decision would lead to Kennedy killing 1 billion people

Kennedy turn out to be the worst mass murderer via suppressing the Electric Windmill Car. In the history of the Earth killing 1 billion to 4 billion people by suppressing the electric windmill car wow!

Those who let Kennedy keep his Senate Seat after he drove off the bridge never imagined their decision would lead to Kennedy killing 1 billion people by driving off the bridge of political decisions going along with the suppression of the electric windmill car and letting cops like office Jason burn in fiery car wrecks in their cop cars.

Still Kennedy would not expose the suppression as he is a leader of its suppression. 9-11 took off from Boston, Kennedy had since 1980 when he Observed me on hidden cameras brainstorming the invention of the ElectricWindmillcar and voted in the Senate to suppress it... Kennedy could of prevented 9-11 besides killing 1 billion others via the suppression of the Electric Windmill Car since 1980

Kennedy will Hang in Boston Square and a memorial eternal flame from a burnt out cop car will be by next to his grave, though I want Kennedy buried next to Saddam. Ha.

Jews will lose the state of Israel for going along with the Oil Genocide Era that killed 6 million white cops in the USA, Moscow, Beijing, and around the world. Jews in 2006 profited from the oil genocide and the pay off is Swiss Bank Accounts from oil money. Genocide by Jews for more oil money while someone else's kids and cops burn in gasoline.

When freed 1,001 Invention Projects on a CD and my web page

Pope will lose Vatican City to those burned in gasoline... Vatican City will be a memorial to genocides that paid the Pope's billions in oil money to go along with let others burn and burn to death in gasoline for more oil money. 100's of burnt out cop cars will be nail to crosses on the roads and highways leading to Rome and the Vatican City.

Bill Gates and his wife killed hundreds of millions of inventors, and most were HS and University students.

<http://www.inventor-warp-speed.com/>

Happy Birthday Poem was in the windows below Paula the owner of MacDonald's bookstore was a friend in 1975 and put the card printed in a wedding invitation format in the windows of her bookstore.

Bush drove by this MacDonald's store window 3 weeks before 9-11 heading for the YMCA Resort to bribe YMCA leaders into going along with the suppression of the Electric Windmill Car and me... from getting any more inventions. And to stop me from even visiting Estes Park which bush succeeded to do as I have not been to Estes Park in 10 years.

In the years since 1975 I have see and talked to Paula several times, to say the least I impressed her with the invention of the electric windmill car in 1980, unfortunately Estes Park is the HQ for retired generals and full Bird Cols's who could not care who burned in fiery car wreck... the enemy or you and your kids on the highways of the USA.

There will be a small Oil Genocide Trial in Estes

just for the YMCA and retired Generals...

Killing thousands of the enemy or 3 million in Vietnam left all the retired Generals in Estes Park callous like the 12 Roman Caesars... side effect from going into villages in Vietnam or Iraq and killing all the women and children because the men are out fighting the war.

So typical behavior in war... Vietnam should have pictured the 3 million women and kids killed... now 60k women and kids killed in Iraq and 7 million in the USA will burn in fiery car wrecks for more oil money to pay for the war in Iraq.

All this in a 1984 society were no observer cares if they are caught on video saying ...

"let them burn in gasoline... we need the Texas Oil money...."

everyone on MSNBC has said this!

Clinton and his wife said this every day for 8 years.... Bush and Bush and both their wives said this every day for 8 years and now 7 million cops and kids have been burned and burned to death on the highways and roads of the USA so Texas Oil men can keep the money flowing.

Paula is 77 years old now I am 59 years old now looking back to 1975 and Paula, yes she was a fox and single.... and a book store geek... we could of ended war on Earth if we hooked up in 1975!

wow - the ones who got away... grin!

Happy Birthday Poem was in the windows above, Paula the owner of MacDonald's bookstore was a friend in 1975... five years before the invention of the electric windmill car in 1980. Since then 7 million cops and kids have burned and burned to death in gasoline for more oil money for Bush and Texas to bribe the YMCA, City Hall USA and even Police Chiefs and Generals to let their troops burn to death in gasoline.

>

Officer Jason will hang Kennedy, McCain, Bush
Officer Jason will taunt Kennedy, McCain, Bush

Daily Camera newspaper reporters tore up Officers Jason's pictured above when I put up posters of this web page on the Pearl Street Mall, which is next to the newspaper HQ. Only a man could destroy a picture of a cop burnt in gasoline when his cop car was rear ended, a women even a women in this Orwellian Society would not have torn up the cops picture above.

DC Cops ----- will take as much oil money as possible letting other cops burn in gasoline like Officer Jason above as long as they can take the money and run to the bank, DC Cops live for the

money to Hell with the Officer Jason's\$\$\$\$\$\$\$\$

Beijing Cops ----- will burn Hu and his Communist Ruling Class in gasoline when they find out the electric windmill car has been suppressed since 1980 and Hu and his gang of oil genocide nigers let them burn in gasoline since 1980 via the USA government and Texas Oil men... Hu will be burnt alive in gasoline... according to Chinese history.

Boulder Colorado USA Cops ----- will keep their jobs doing nothing for cops in Beijing or Moscow etc.

Moscow Cops ----- will Kill Putin and his whole family... just like the Czar as they will be out for Justice against the Oil Czar and Oil Men Hitler's... Putin will be see as worst than the Czar and Hitler, Moscow Cops will have no mercy at all!

<http://www.electricwindmillcar.com/pictures/gastanker7mile.jpg>

In the small flame in front of the burning gasoline tanker are 3 people in a SUV burning to death for more oil money, Bush and the Observers in our Orwellian Society admitted they are addicted to oil money to pay for their wars in Iraq... not 700 new Shuttles and the cure for cancer, free University and of course Sicko... free health care.

ElectricWindMillCar Coup D'Etat News

4 July 2007

\$\$\$\$\$\$\$\$\$\$\$\$ Independence Day from Oil - Lets start building 700 Shuttles for Alpha Centauri 4.3 light years from Earth \$\$\$\$\$\$\$\$\$\$\$\$

Day after Independence Day I wrote in my diary

no one burned in gasoline was remembered on Nightly News on Independence Day 2007 because they are all being suppressed, 10's of thousands of Americans who have been burned in gasoline... all were missing in action from the Nightly News yesterday. PS GE owns NBC so after the oil genocide trials in DC. GE will be prohibited from building any electric windmill cars or parts for any and no hydrogen jet engines (remember we get free hydrogen from our gallon of h2o in our electric windmill car) so none from GE as they are oil genocide criminals on Independence Day

\$\$\$\$\$\$\$\$\$\$\$\$ Independence Day from Oil Lets start building 700 Shuttles for Alpha Centauri 4.3 light years away \$\$\$\$\$\$\$\$\$\$\$\$

6 Million Cops will burn and burn to death in gasoline for more oil money. Another Genocide, this one I call the "oil Genocide" because the Electric Windmill Car was invented in 1980...

Take along a gallon of water in your Electric

Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

My Getting Gravity Control will still be Amazing in 3007

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

Coup D'Etat News **18 June 2007**

5 Star General Pace got fired day after I got fired from my warehouse job at Blue Mountain Arts.

I will get the Coup D'Etat leaders, the one's who do pull off a successful Coup D'Etat of the suppression of the Electricwindmillcar since Oct. 1980. To replace the picture under the glass on General Pace's desk with the picture of Officer Jason's burned face... Gen Pace should of replaced it himself. Why didn't the General save the thousands of cops and kids who will burn in gasoline in 2007? We will find out when Gen Pace testifies at the Oil Genocide Trials in DC.

18 June 2007 Coup D'Etat News 18 June 2007

Monday, Coup D'Etat leaders are still hidden behind the hidden cameras in our Orwellian Society; Nightly News on CBS, ABC, NBC reported on some of the governments genocides this week if you read between the lines.

CBS Nightly News portrayed MD's as being worse than the Texas and Saudi Oil men combined when you realize they profited off cancer surgery and drugs... by \$100's of billions billed to Medicare and cancer patients. Selling worthless drugs that are placebos for huge oil mentality profits.

ABC Nightly News reported that All the MD's at Martin Luther King Hospital are mass murderers, and everyone knows this. Yet Bush can not stop this killing of patients in massive numbers because he would have to admit he ordered it in the first place, via getting them into Yale Medical School and passing them when they really failed at Yale Medical School. ABC Nightly News would have enough on Bush to Hang him in public.

When freed 1,001 Invention Projects on a CD and my web page

MD's in Boulder Colorado just build a new \$10 million dollar cancer building to cash in on the Medicare rip off profits.

Government Observers in this Orwellian Society let this Cancer Center be built when they knew the \$\$\$\$ statistics MD bill Medicare is a crime.

This is a government perk to steal from Medicare and cancer patients in Boulder Colorado because MD's let cops and kids burn and burn to death in our Oil Genocide Era and don't protest the suppression of the electric windmill car and... the stifling of Greg Buell from getting a true cure for cancer.

Nightly News will expose these perks paid to Boulder Colorado MD's when the electric windmill car is exposed.

City of Boulder DA call to tell me they have a witness to testify against me getting run over in the cross walk on my bike. Of course they hid behind hidden cameras in this Orwellian Society when they called me but I imagine most the DA's in Boulder and in the USA will be arrested for Genocide by cops with faces burned in gasoline, [like officer](#)

Jason's burned face in gasoline.

Young women DA's have been seduced by a government that is so addicted to oil money that it pours gasoline over 100's of people a week and sets them on fire.

Worst than this is the lost inventions from the suppression of the electric windmill cars.

Loss of other no yet invented perpetual motion machines other than the electric windmill car.

Add in the insult from Bush of a Free University for Saudi Arabia for the last 30 years, and \$1 trillion in student loans here in the USA while Bush has \$4 trillion in oil money sitting idle in Banks. Not used for a TB cure or 700 new Shuttles.

This week University of Colorado Foundation employees came out of their building I bike by and spit at me... as they have \$400 million in cash in Colorado Banks, they do not spend any of their donations on Campus or on Students... or on a cure for anything, Stupid, I think they have been brain washed by the Oil Genocide Mentality, talk between observers behind the hidden cameras. Leno Jokes repeated by CU employees, let them burn in gasoline we need the oil money... Oil Genocide Trials in Boulder Colorado will not be a Joke to the cops with faces burned in gasoline.

Coup D'Etat News 18 June 2007

Hilton is in jail and the **NY Times put Kennedy and Hilton on the front page** of the NY Times yesterday and did not mention Kennedy drove off a bridge killing his girlfriend and didn't go to jail. Needless to say Kennedy observed the video of me brainstorming and inventing the Electricwindmillcar in Oct. of 1980... and then let the Texas Oil men run the worst Genocide in the history of the human race killing 7 million via gasoline. Kennedy will hang at the Oil Genocide Trials in Boston. To say the least...

Coup D'Etat news for 10 June 2007 on the personal front is I sent out 75 resumes and the resume is posted on my www.electricwindmillcar.com web page.

No one has offered me a job or sent a donation.

Government observers are worst than George Orwell could of ever written about - grin.

Went to court here in Boulder Colorado for **getting hit on my bike in the middle of a cross walk by a CU student with no license, no insurance and no registration.**

George Orwell writing in any of his books about getting run over in a cross walk and getting a ticket... it's not 1984 and things are worst - big brother is watching with cameras at every intersection but he is not watching out for you as those who drive with a suspended or restricted license and no insurance are about 25% of the drivers on the

roads.

Not just here in Boulder Colorado but in every city in the USA... ha! Coup D'Etat leaders will put **air bags on the outside** of electricwindmillcars and license plates and drivers license's will be tracked live every time you get in your new electricwindmillcar not just that you have a valid drivers license but that you have insurance, registration and are not to old, drunk or drugged to drive....

Big Brother is watching now you know why I wrote Big Brother is not watching out for you.

Electricwindmill Coup D'Etat leaders will **build 700 new shuttles paid for by all the money the oil men have in Swiss banks**, and the heat titles on the new shuttles will not peel back on launch... I will update this news when Atlantis lands or disintegrates in orbit while trying to land...

NASA has taken to many oil genocide bribes to say the least. Coup D'Etat leaders will not be anyone from NASA as John Glenn sold out to the oil men 20 years ago.

When freed 1,001 Invention Projects on a CD and my web page

Electricwindmill Coup D'Etat leader will not be the Pope as he just meet with Bush a couple days ago and did not expose the suppression of the electricwindmillcar and help those who will burn in gasoline in 2007.

Pope will burn in hell in God's gasoline... Priest will too.

Greg at Blue Mountain Arts June 2007

Picture is now on my ATT Web....

<http://home.att.net/~inventor84/>

The machine I'm sitting in front of is called a Longford and it put the greeting cards with the envelopes then they get put in plastic... Most 99% of Blue Mountain Arts work is done in Asia to make more money... I wondered if Susan invested in oil knowing about the suppression of the electricwindmillcar? After writing the kind of super sentimental cards and books she is famous for. Oh Joyce Carol Oats was in Boulder Colorado last Tuesday, she did not call me, I sent her some postcards of Officers Jason's burnt face last year too.

When freed 1,001 Invention Projects on a CD and my web page

Picture of Blue Mountain Arts is on the web above...

Greg all I want is my 2 front teeth for Christmas; Blue Mountain Arts management didn't help me get a set of dentures... I think General Orwell had something to do with this management decision, but I did get a new Rx for my eyeglasses and got some new bifocals, which I have been without for the last 5 years because of being a temp in a Orwellian Society. In a Oil Genocide Era probably is more accurate as the oil men hate me and I hate them for burning so many in gasoline for more oil money.... this is a sick Orwellian Society in an Oil Genocide Era and the guy in a Denver Hospital with TB is another story of Big Brother watching but not getting a cure for TB with the oil money in Swiss banks... Bush and the top brass would rather keep their ill-gotten oil money in Swiss Banks than use it to get a cure for TB.

Greg's new FS bike I picked up for \$90 to bike up the Mt. I biked to Mount Audubon on the first day the Forest Service opened the road. Great design as this is the first time in my life 59 years old that I have ever ridden a FS bike and its great for going straight up the mountain road, as you are bent over forward and all your pressure is on the peddles... I biked from Ward to Audubon without stopping 45 mins uphill... wow I did some shop talk with the guy getting new breaks and came up with a gear box in the rear wheel to replace the chain and your shifters could have AA batteries to sent the shift signal to the gear box in the rear wheel wow... no chain and no gear cables... but we will have to wait until after the Oil Genocide Era as the top brass is not giving out any orders for any social inventions. Ha.

When freed 1,001 Invention Projects on a CD and my web page

This is one of my invention projects Schwarzenegger made the movie after reading my Total Recall poem. Then stifled me in working on a total recall memory pill.

This in the cross I was run over by a right turn CU student with no license, no insurance and no registration yet I got the a bike ticket for crossing with the flashing red wait, which the DA said no one waits. The CU student hit the back of my bike in the second white stripe in the cross walk I was right in front of him again the DA said what was he looking at when he drove into my bike... you guess what the students are on... grin.

Ward small town at 9k feet you turn left a mile up this road and then bike straight up the mountain road for 45 minutes without stopping to get to the Forest Service pay station \$8 a car \$1 a bike and the government has trillions of dollars from the Oil Genocide Era... and everyone in Saudi Arabia gets free University and free health care and organ transplants from Americans as Bush makes money selling organs from Americans to Saudi Princes while other Americans waiting for the same organs die... wow!

Queen Elizabeth toasted the "let them eat cake" and "let them burn in gasoline... we need the oil money."

Coup D'Etat News 8 May 2007

Cops at the White House failed to arrest the Queen of England and King Bush, Why? Bush's toast to the Queen is Why!

Queen Elizabeth II toasted the "let them eat cake" and "let them burn in gasoline... we need the oil money."

Queen Elizabeth II toasted the "let them eat cake" and "let them burn in gasoline... we need the oil money."

Yet the cops at the White House failed to Arrest the Queen of England for pouring gasoline on cops in their cop cars and setting them on fire, thousands of cops, tens of thousands of cops...

And thousands of teens set on fire by an 81 year old Queen of England...

And the cops at the White House didn't arrest her. Why?

Queen Elizabeth II beheaded at the White House...beheaded at the Tower of London.

Judgment of Henry the VIII infected Elizabeth's decision to go along with suppressing the electric windmill car.

1980 to 2007

For more oil money, while Saudi Arabia makes hundreds of times more money than BP and Texas Oil men combined.

Queen visited NASA today May 8, 2007 and talked to those at the Space Station. Yet the \$700 billion Bush wasted on Iraq War would of built 700 new shuttles and they could of landed at 700 moon bases.

Then Kennedy's judgment poured gasoline over millions of cops in their cop cars and ruined the lives of tens of thousands of teens burned in fiery car wrecks.

Laura Bush watched 469 people burn alive in gasoline

Laura Bush watched 469 people burn alive in gasoline same people you see her with in the video clips of her in Lagos school with the kids. Yet she refused to expose the suppression of the Electric Windmill Car. 269 were burned alive on Christmas Day 2006 and she watched this and said nothing... worst human beings on Earth are those protiting from Oil. While some others kids burn in gasoline.

Red Cross says 269 killed in Nigerian fuel blast.

Crowds of local residents went to scoop up gasoline in plastic containers after an armed gang punctured the underground pipeline overnight to siphon fuel into road tankers. 269 people were burned alive. 160 people were taken to two hospitals in Lagos suffering from burns.

A similar explosion at a vandalized pipeline in another part of Lagos in May killed about 200 people.

But smaller-scale theft of gasoline and diesel is also common,

Despite huge exports of crude oil, Nigeria suffers regular shortages of petrol and diesel because it relies on imports of refined fuel from the West. President Olusegun Obasanjo has billions in Swiss bank accounts. Industry experts estimate that about five percent of Nigerian crude oil is stolen for export by criminal syndicates with contacts in the military and government.

But smaller-scale theft of gasoline and diesel is also common, and much more deadly because of the highly flammable nature of these fuels.

I'm looking for wives, to brainstorm inventions

I'm looking for wives, to brainstorm inventions,

All is fair in love and war, women will inspire us to get a cure for breast cancer for the 40k women who will die in 2006, and another 40k will die in 2007 from breast cancer.

I am home alone not started working on 1,001 inventions or a breast cancer cure. Besides the electric windmill car, I have over 100 inventions some are very impressive.. I hoped to impress women enough to accept my proposal to join me in a 100 wife commune working 24/7 to get the cure for cancer and gravity control - I will have to wait to work on 1,001 invention projects and a cure for breast cancer. I am ripe and ready to work 24/7 for 30 days to say the least.

Observers in our Orwellian society are part of my life, run my life and so far will not let me work on a cure for cancer 24/7

Observers in our Orwellian society are part of my life, run my life so the decision to work 24/7 is not just up to me but who ever runs things in our Orwellian society. Gen. Orwell will not let me work on a cure for cancer and gravity control because of the Vietnam War Era. Today it's the Oil Genocide Era with the Electric Windmill Car being suppressed since 1980 resulting in 6 million cops and kids burning and burning to death in fiery car wrecks. This is a crime against humanity by DC Observers and Observers.

Here in Boulder Colorado "Observers" get \$\$\$\$ bribes from DC. And our local University got 3 Nobel Prizes as bribes to not expose the suppression of the Electric Windmill Car - they will all hang. Those in Boulder and those in Sweden. Greg's new 2008 Model of a Space Telescope Will have 2 sections both "life Boats" that can parachute back to earth... 1st will be the telescopes. Second will be the living quarters for the Astronauts docked in orbit with the telescope section. Telescope section will have quarters for crew "lifeboat in a emergency". Both launched one at a time on the biggest launch rockets available in 2008 so we will be designing a new class of launch rockets too.

Alpha and Beta Centauri are in the constellation "Centaurus", the Centaur.

(Hence those names for the stars.) The Southern Cross is a different constellation, "Crux", the Latin word for cross.

The two constellations are next to each other in the southern sky, with the front legs of the Centaur on one side of the Cross, and the back legs on the other side of it.

Alpha is a multiple star system, consisting of two stars close to one another, and a third, called Proxima Centauri, orbiting that pair at a large distance.

At present, Proxima is about 0.1 light-years closer than Alpha and its companion.

This is a large very large picture of Officer Jason with burnt face and with the logos of many fortune 500 corporations who profited via bribes and gov perks to let 10k cops in the USA Moscow and Beijing, like officer jason burn in their cop car years and decades after the invention of the electric windmill car in 1980. The worst corporations are GE and Bill Gates at Microsoft, and Whole Foods as they are wind powered yet they got bribes and perks from the government to let a genocide go on...

PS 60th Birthday is coming up on 27 Sept 2007 I want a few wives for my BDAY - Observers in our Orwellian have surppressed wives and the electricwindmillcar since 1980. For a inventor who's main inspiration is women, this is torture. I put my cell phone number 303 548 9904 on the top of End War On Earth web page when I got my web running again and have gotten 40k hits and not a single phone call. So the Observer have the technology to prevent you from calling me... especially if you are a hot women interested in inspiring the cure for cancer and gravity control. Bush is pretty much a Madman, I wrote this up for todays news too. So send me e mail and we can try to get a few inventions while the observers are working, observing us.... grin \$\$\$\$\$\$\$\$\$\$

Sandia "Oil Genocide Era Work"...

This work -----this work at Sandia Gov. Labs. and its worker scientists are a clone of "Vick" who set the dog on fire, and a CLONE of kids in a George Orwell Oil Genocide Era. Boys and girls, their parents working for the USA gov. in an Oil Genocide Era from 1980 - 2009, long time to get use to setting the cat on fire.

Tear the head off of the Dog! Like the Niger CLONES of Vick do... Vick is not a Niger home alone there are millions of Niger males who tear the head off their white girlfriend but our gov. suppresses this news.

And long time cops and kids in LA have been burning in fiery car wrecks on the LA Freeway.

I think Caroline Kennedy will be hanged on the first day of the Coup...

Caroline Kennedy could be hanged by the Coup leaders as Ted Kennedy watched the Hidden Camera Video of the invention of the ElectricWindmillCar in 1980 then used his power to beat the hell out of the Georgia Peanut farmer Carter who should have stayed with his Niger slaves Picking peanuts..., as he could not stand up against the Kennedy's who tasted Oil money.

ElectricWindmillCar Coup D'Etat

To End War on Earth

To use Sandia Gov. Lab. workers to make clean drinking water from H

To use Sandia Gov. Lab workers to reinvent the Lobotomy for "Vick" and " Clintons"

To not Clone Sandia Gov. Lab. kids to set the cat on fire to suppress a "gravity engine" as adults working at the Sandia Gov. Lab.

Clinton just toasted leaving Africa. Not clean water from H from Sandia Lab or a NASA Lab but toasted with Texas and Saudi and British Oil Men and the Queen of England - Let them Eat Cake, Let them burn in gasoline, We are addicted to Oil Money...

Clinton drunk driving her mini van driving drunk and stoned on "Oil and Money" Oil is the wrong way to make your first million. Clinton kills 800 million people by not giving them clean water from H from Sandia Gov. Lab. not just 8 in upstate New York drunk driving wreck by mom drunk and stoned driving the wrong way with her Husband knowing she was drunk and stoned. Clintons Kids in Africa and at the State Dept. set the cat on fire in our George Orwell Social Era. Clinton and the State Dept raped Moslem Men in Iraq using Niger Marines, and Vick sets the Dogs on fire, Vick quarter horsed them like the Kings and Queens of England use to do to people, because Vick is

a "Niger"! Clone of a "Madman" Like the Niger CLONES of Vick do... Vick is not a Niger home alone there are millions of Niger males who tear the head off their white girlfriend but our gov. suppresses this news.

Let the Sandia Gov. Lab work on reinventing the Lobotomy for violence and greed! Fat Obese Lesbian Dykes on CU Campus are CLONED from Governments Top Brass the Idle Rich who have molested boys + girl since the beginning of Time. NY Times editors are just back from their "Teen" prostitutes in Vegas! Social engineering like in the movie "Gattica"! Let them Eat Cake, yes the French are pouring gasoline on mom, dad and the two kids in the back seat and setting them on fire... so whats holding up the Revolution? So can you pardon Vick ? Without giving him a reinvented Lobotomy? No! I will have hidden cameras in every room Vick ever goes into and I bet you Vick is still a mean lowlife Niger who sets the cat and dog on fire if he thinks you are not watching him.

Can you pardon the 900 workers at Sandia Lab's? No! Not without a reinvented Lobotomy Lab working 24/7 to keep them busy...

I think Caroline Kennedy will be hanged on the first day of the Coup...

I think Caroline Kennedy will be hanged on the first day of the Coup... to get even with Ted Kennedy for being a bully to Carter, a poor simple minded Georgia peanut farmer with slaves and a sweeter disposition than Kennedy could ever have. Carter would never kill 800 million slaves like Clinton just did on her African Trip via H that stayed on the shelf at Sandia Gov. Labs!

Ps I don't have wifi at home any more in my new room so I log in at Starbucks, FedEx, Barns and Nobel on ATT Wifi HotSpots for \$20 a month.

The City of Boulder Colorado stifles you in the Public Library as it prevents you from up loading your web to the server so I can't work in the Library. CU Campus administration cut me off from all wifi on Campus last week, the Fat Obese Lesbian Dyke at the IT help desk refused to give me a guest login id and password but I bet the Observers have her on video giving a guest id and pass word to a fat obese Lesbian Dyke.

So I was at Barns and Nobel, their new store and looking at all the books. Picked up a kids "Cat Book" and broke out laughing... I will rewrite the kids "Cat Book" and have the kids of Sandia Gov. Workers setting the cats on fire while in the back ground of the picture H from the lab. is chained and huge locks while African nigers are pictured drinking dirty water... you would break out laughing too

Come on 100's a week burn to death in fiery wrecks just in LA and CA... (100's a week die of breast cancer and Sandia Lab women can't help Greg work on a Rx

Penicillin Cure) so a kids book about setting the Cat on fire will show them Government Social Engineering does more than CLONE fat obese lesbian dykes who can only work for the gov... Feds or a State gov. or City as City of Boulder has more fat obese Lesbian Dykes than any City and only 20% of the general population in Colorado are Obese.. to hear the Dykes talking about why they eat ie why they eat to be fat... they are mentally ill for sure just like the Niger Vick but thank God our Lesbian Dykes will not set the cat on fire or tear the head off of the Dog! Like the Niger CLONES of Vick do... Vick is not a Niger home alone there are millions of Niger males who tear the head off their white girlfriend but our gov. suppresses this news.

SANDIA NOW

Sandia Now - A half-hour television interview program that features guests from Sandia National Laboratories' California site. Broadcast on Community Television Channel 30 in the Tri-Valley area, the show is hosted by Mike Janes and features top scientists and research experts from Sandia. Topics include Sandia's microfluidics technology, hydrogen research, facility protection and other homeland security efforts, and the laboratory's community outreach activities. "Sandia Now" can be seen on Channel 30 in Livermore, Pleasanton, Dublin, and San Ramon, as well as on streaming video.

 [Sandia NOW](#) — **Sandia/CA vice president Paul Hommert**, July 2007 (27:27)

Mike speaks with Sandia/California vice president Paul Hommert for the full half-hour. Paul discusses his background, vision for Sandia/California, and a number of current research activities. Included are discussions on the Reliable Replacement Warhead (RRW), bioenergy, and homeland security.

 [Photonics West and fiber lasers](#) — April 2007 (29:13)

A key Sandia program initiative involves the creation of a new generation of compact, efficient, laser sources based on optical fibers. Focusing on this exciting area of research, "Sandia Now" host Mike Janes takes you inside "Photonics West", North America's largest commercial exhibition on optics, lasers, biomedical optics, optoelectronic components, and imaging technologies. In addition to "Photonics West" coverage, correspondent Jennifer Hallstrom reports on several other activities happening back at Sandia.

 [Coal combustion and Biofuels](#) — January 2007 (27:55)

Can coal be used to help pave the way toward a hydrogen economy? Mike interviews research scientist Chris Shaddix from Sandia's Combustion Research Facility about the energy-producing advantages of coal. In the show's second segment, Sandia's Grant Heffelfinger discusses the lab's biofuels activities, including partnerships with Monsanto Company and LiveFuels and the Bay Area's Joint Bio-Energy Institute.

 [Interns 2006, RDCDS](#) — September 2006 (27:26)

Each year a new crop of students from all over the country come to Livermore to experience an internship at Sandia National Laboratories. Reporter Jennifer Hallstrom talks with a handful of these students to find out what they're working on and what makes an internship at Sandia worthwhile. Mike Janes reports on the latest Sandia news and developments and talks with chemical engineer, Ben Wu about RDCDS (Rapidly Deployable Chemical Detection System), recently tested at an Oakland A's homestand.

 [TufFoam/BROOM](#) — July 2006 (25:55)

LeRoy Whinnery, Polymer Scientist in the Materials Sciences department at Sandia discusses TufFoam®, the low density, environmentally friendly foam that is making its way into the surfboard blank industry. Also, Jane Anne Lamph, Sandia engineer and business development associate, talks about BROOM — Building Restoration Operations Optimization Model — Sandia's software system developed for managing the collection, visualization, and analysis of environmental sampling data.

 [Sandia/California's 50th Anniversary](#) — April-August 2006 (27:12)

Sandia/California celebrates its golden anniversary year in 2006, so "Sandia Now" takes a look at the site's history and provides an inside peek into the lab's recent anniversary celebration. Ron Stoltz, who

served as the event chair for the Celebration/Rededication, is interviewed, and various speakers from the celebration are also featured.

[? **Supercomputing show in Seattle**](#) — January-March 2005 (24:45)

"Sandia Now" again reports from the floor of the Supercomputing show, this time in Seattle, Washington. Among those Sandians interviewed are Ken Washington, Barry Hess, Curtis Janssen, Mitch Williams, and Philippe Pebay. In addition, several news updates from back at Sandia are featured, including items on the Holiday Spirit campaign, border security software, airport protection, the Combustion Research Facility's 25th Anniversary, and others.

[? **CRF 25th Anniversary**](#)

CRF recognizes 25 years of research — November/December 2005 (29:35)

Sandia's Combustion Research Facility (CRF) turns 25 years old this year, and "Sandia Now" looks to the future by interviewing several current CRF researchers and scientists. Among those interviewed are Jackie Chen, Rob Barlow, Chris Shaddix, Chris White, John Dec, Dahv Kliner, and Craig Taatjes.

[? **Supercomputing 2004 in Pittsburgh**](#) — April/May 2005 (25:35)

Ken Washington, Ginny To, Ann Gentile, and Jamie VanRandwyk are among those Sandians interviewed at the 2004 Supercomputing trade show, held this year in Pittsburgh. Topics covered include StorCloud and InfoStar. The episode also includes news updates from Sheryl Stewart on the Explosive Destruction System, ARM-UAV, and Sandia partnerships with General Motors, Tenix Corporation and CH2M Hill.

[? **Hydrogen Storage; 2004 Student Interns; DISL Dedication; Emergency Responders**](#) — July 2004 (29:30)

Jim Wang, manager of the analytical materials science department, discusses SNL/CA's "Center of Excellence" for the development of metal hydride storage materials. Also, public relations intern Janine Scott introduces viewers to this year's crop of summer interns. The program also includes news updates on the DISL dedication ceremony and the recent emergency responders forum held here on-site.

[? **Remote Sensing and Benefits**](#) — March 2004 (28:06)

Tom Kulp, a scientist in Sandia's remote sensing and diagnostics department, discusses BAGI and gas imaging. In addition, manager Robert Petro of the Benefits and Health Services department talks about the various benefits offered by Sandia.

[? **Supercomputing 2003**](#) — December 2003 (28:59)

Phoenix is the site of this year's Supercomputing trade show, and "Sandia Now" is there to capture the festivities. Sandia's Scott Cranford, Ann Gentile, Barry Hess, Curtis Janssen, Larry Rahn, Tim Toole, and Ken Washington are among those interviewed.

[? **Hydrogen and Community Outreach**](#) — November 2003 (27:08)

Jay Keller, Sandia's Hydrogen Program Manager, discusses the lab's hydrogen research programs. Sheryl Stewart, Community Relations and Protocol Officer, then offers insight into Sandia's community outreach efforts.

[? **MicroChemlab hand-held device and the Center for Cyber Defenders \(CCD\)**](#) — August 2003 (29:05)

Julie Fruetel walks us through Sandia's MicroChemLab technology, a device designed for first-responders that detects harmful agents quickly and accurately. Then, the CCD's John Howard describes the Center for Cyber Defenders, its mission, and current projects.

 [State of the Labs, 2003](#) — May 2003 (28:13)

Paul Robinson and Joan Woodard offer their insights on Sandia's recent achievements and future plans. Learn how our leaders see Sandia's role in the emerging new threats to the nation's security, and other challenges.

 [Safeguarding transportation facilities and Sandia's EDS system](#) (29:00)

Susanna Gordon explains how PROTECT and PROACT are protecting subway and airport facilities, while Brent Haroldsen offers an update on the Explosive Destruction System (EDS). On-the-spot reporter Sheryl Stewart also offers a news update.

 [Supercomputing 2002. "Sandia Now" visits the annual Supercomputing event in Baltimore](#) — December 2002 (28:00)

Fat Obease Lesbian Dyke hung up on me yesterday at the UMC she works for IT on CU Campus

I walked over to the IT building with my Dell and got into a screaming fight with the Dyke, a CU employee who is not working on a Rx Penicillin cure for Breast Cancer but she and her Fat Obese Dyke lickens are the highest risk... more than half of her friends will die of breast cancer before I get a Rx Penicillin cure. Well she called time out from our screaming. No she will not give me a guest id and password girl came out of the corner office the Boss Lady told her I was working on 1,001 invention projects she told me to give the fat obese lesbian dyke my Colorado drivers license which I did in hopes of getting a guest log in for CU to work on Invention Projects. No good! Both women told me CU pays to much for IT and the wifi to let me log in. I told the Boss Lady this was Unethical as social inventions were lost... she did not care. CU Foundation today has \$4 Billion in cash by the way and does not give any away for a Rx Penicillin cure for breast cancer. This is mass murderer by CU Foundation but Harvard Foundation is guilty of the same mass murderer of breast cancer women! Well I left IT office with no guest password. Told the Boss Lady I would write this up on my web page. 10 am this am today Thursday, August 13, 2009 cops on the Hill and CLONE of the Fat Obese Lesbian Dyke in a cop uniform pulled up in front of me as I pushed the on button on my Dell at the Cafe. Our George Orwell has a sense of humor. Lucky the NYPD knows the Boulder CO cops have profited form Officer Jason's death burned to death in his cop car writing a student a ticked rear ended bursting into flames. This happens every day in LA. The electricwindmillcar was invented in Boulder CO in 1980 and CU Campus built half its Campus Building from Oil Genocide bribes from Texas and Saudi Oil Men. Well I wrote the Boss Lady up as I told her when I get some cop CLONES who are working on 1,001 invention projects I will post the Boss Ladies picture and video of the fat obese lesbian dyke who works for CU and is a State of Colorado employee on this web along with 100's of burned out cop cars and cops burned to death in fiery wrecks while gov employees on CU Campus profit in dollars and perks but will die of breast cancer via their sick life style before I get a guest id and pass word to login to get a Rx Penicillin cure for breast cancer.

CBS Early show had 1 Orwellian comment this morning, about suppressing the electricwindmillcar since 1980 caused a cascade of government genocides... one on top of the other leading up to today when our "George Orwell" has several "cascading genocides" all going on today killing 100's today and tomorrow just in the USA. All are government run genocides. From burning in gasoline in fiery wreck, to mom drinking Coors, smoking pot with the kids in the minivan, to fat with no Ephreda, to MIT scientists working on War Toys today instead of a Rx Penicillin for Breast Cancer. And there are several more on going genocides just read the rest of the web page. Last I have to mention I'm still suppressed by our local MD's in Boulder CO and the Tebo Family Cancer Center from working on a Rx Penicillin cure for Breast Cancer Today and Tomorrow. No telling when our "George Orwell" will come out from behind the hidden cameras and put Greg Buell Lovestar to work with a few wives... ps if you are a gov. employee or former one and want to help send cash as our George Orwell has kick me out of the CU Bookstore as cashier as I stopped to read to many text books on the way back from break. They hired Mexican Pit Bulls for cashiers who never, ever read a text book on the way back from break! Grin.. Only our "George Orwell" could "cascade" so many genocides! Even Mexican Pit Bull Cashiers are a Genocide as they lost 1 billion social inventions from the gringos who were fired!

ps... again I just stopped by CU Law School a hour ago BioChair conference in energy and the girl at the door was going to put my my electricwindmillcar.com bookmarks but I put endwaronearth.com as the starting link and she refused to put them up telling me I was crazy to try to endwaronearth I told her the electricwindmillcar will help end war on Earth, I left the CU Law School pocketing my pink bookmarks a at the CU Law School a hour ago. 10 am

Guys at Los Alamos never ever though of inventing a Hubble 2 \$1 Trillion dollar space telescope to help endwaronearth.com by observing Aliens in the Universe. 1980 - 2009 the Oil Genocide Era that suppressed the Electricwindmillcar IBM built several state of the arts supercomputers for Los Alamos never ever thinking Aliens are the A-Bombs for our Era, if IBM were not covered in blood, burns from 100's of cops burnt in gasoline. 9-11 would have been prevented with the ElectricWindmillCar IBM could have helped but didn't they wanted to sell Los Alamos another supercomputer. To Hell with Aliens and a different A-Bomb... A Bomb from Observing Aliens 4.3 light years from Earth at Alpha Centauri with a state of the arts Hubble 2 costing \$1 Trillion dollars. IBM made \$1 Trillion dollars from Los Alamos supercomputers from 1980 - 2009 and they were a waste of money, time and stifled building a Hubble 2. Tortured by loneliness and his lack of success with women, George Sodini developed a plan to get even. On Tuesday night, he executed it, opening fire in a fitness center here and hitting 12 women, 3 fatally, before turning a gun on himself.

Mr. Sodini, 48, described his anger and frustration in painstaking detail in notes he carried with him and left at his home and in a chilling online diary, offering an extraordinarily stark portrait of a killer's motives.

One Invention project is video compression 100 times better...

Stanley Steamer did this in Estes, he invented a way to develop pictures 100 times faster and sold the idea to Kodak for \$1 million while he was in Estes. I heard this on the Stanley Steamer tour.

Search engine giant Google said it will pay an estimated \$106.9 million in stock to buy On2 Technologies. On2 is a company specializing in video compression technology and Google's YouTube needs technology like this. The Mountain View firm's technology was described by a Google representative today as an essential element of the Web.

I just rented a minivan from Enterprise, nice 2008 Dodge listened to Madonna for 24 hours as I took 4 cd's with me. Forgot one in the cd player but it was a copy of Hard Candy so I'm sure who ever found it got off. I'm still waiting for Madonna to start a Rx Breast Cancer Cure cd and Tour reinvent herself as a MD women researching the Rx Penicillin cure for Breast Cancer in songs she writes. I moved from one room to another room on the 1st my new room has Comcast basic cable tv but no wifi my old room had Comcast wifi and no basic cable tv. So it feels like I changed Universes. One thing I hit upon driving up Trail Ridge Road was "Reverse Gravity" as no one knows how Gravity is generated and it will take the Pentagon 100 years as they are into another "100 Year War like the French and English did a long time ago. I want 100 Years of Invention but have to get McCain, Kennedy, and Gen Powell hanged for Treason for not exposing the suppression of the Electricwindmillcar before 911. After the Coup there will be a windfall of inventions that speed things up 100 times, and social inventions will be speeding up 100 times faster too. So think of "Reverse Gravity" next time you read "Animal Farm" but not on your Amazon electronic Kindle ha as they will delete it. After the Coup all Books will be at Los Alamos on IBM's fastest supercompute in the world to search for the "Windmill" for a invention. Alien life has been detected by the Pentagon. Orwell just made up this story, but the

invention project is a real one. We must detect Alien life or we will all die at the hands of the Pentagon's Nigers... ie Gen. Powell and Kennedy! McCaine is a psychotic General too, his kids will set the cat on fire in 2009 grow up and become clone mass murderers of Senator McCain suppressing "Total Recall" or "Total Immunity" so MD's can keep making as much money as Texas and Saudi Oil men. Coors and Tobacco will be bankruped after the ElectricWindmillcar coup as this trickle down coup will elimiate some of the smaller government genocides going on in 2009. Just super-airbags on the outside of cars and trucks, suppressed for the last 10 years. Just you wait until I gain control of the front page of the New York Times I will publish detailed "torture pictures" of "Rapes" the gov. Observers have on video tape, and other Observer Crimes, even the Queen of England toast to... Let them Eat Cake, Let them Burn in Gasoline, were addicted to oil money \$ Sick as letting dirty Mexicans give little babies (and other gringo's) hepatitis C by the 100's of thousands and you will not read this on the front pages of the New York Times until I gain control of the Paper! Then we can invent a video compression 100 times faster and put a end to Coors and Tobacco overnight. Overnight Rx Penicillin cure for Breast Cancer will be invented when I take over the New York Times too! Observers will be the one's with a wifi web cam on the dash of their "Minivan" so you can be the one observing them driving drunk, like Kennedy drove drunk all his life. Can you Imagine Caroline Kennedy being hanged for Treason after Kennedy dies of brain cancer? Tell McCaine and Gen. Powell they will be hanged for Treason... 911 would never have happened if any one of them would have exposed the suppression of the ElectricWindmillCar since 1980! Delete this from George Orwells future books, I don't think so! Sony will even prosper after the Coup with AA batteries in thier MP3 player and Netbook, and Cell phones, and don't let Sony make any 32" LCD monitors without an Alarm Clock popup and Hard Drive and Blue Ray Movies on your Sandisk 64 gig flash drive. I was told Sony Blue Ray movies only take 4 gigs... so on a 64 gig Sandisk flash drive - you do the math I will make sure Sony fills this full of several HD moves! One about the Suppression of the ElectricWindmillCar for sure! And what Sony and Japan did during the Oil Genocide Era from 1980 - 2009! My 1st YouTube video turned out great so I'm trying to make a 2nd YouTube video in HD but can not find anyone to do this. Girl at Best Buy is going to turn in a suggestion for the Geeks at Best Buy to offer this service at \$39.95 for 5 mins. If anyone in Boulder, Colorado has a HD camcorder please email or call Greg Buell as I'm ready to put some invention projects for you on my 2nd YouTube video, this one in HD. 303 548 9904 call Greg thanks

The findings betrayed much of what had been known about what caused Diane Schuler to drive the wrong way on the Taconic State Parkway 10 days ago. She had a blood-alcohol level of 0.19 percent, and even more alcohol still in her stomach, so fresh that it had yet to be metabolized. There were high levels of a chemical found in marijuana, enough to pinpoint her last use at 15 minutes to an hour before her death in the worst traffic accident in Westchester County in 75 years. Diane and Daniel Schuler with their son, Bryan, 5, and daughter, Erin, 2. For all the misguided and well-meaning speculation about what may have caused Diane Schuler to drive the wrong way on the Taconic State Parkway 10 days ago, killing eight people in a head-on collision, the real reason was stark in its tragedy and simplicity: She was drunk.

1 hr 51 mins ago BALTIMORE - NASA's Hubble Space Telescope is offering a glimpse of atmospheric debris from an object that plunged into Jupiter in a rare collision with the planet. NASA says the new images prove repairs done on the Hubble in May were successful. And they didn't mention a few \$1 Trillion Dollar Hubble 2 Space Telescopes would propel NASA from writing news briefs about Jupiter to 4.3 light years to Alpha Centauri which would give humanity a small edge in winning the lottery that pays off with the Universe. Which NASA forgot to mention 1 hr 51 mins ago on its Yahoo News post. Miller of NASA's Goddard Space Flight Center in Greenbelt, Md., says the magnitude of the impact is believed to be rare. Simon-Miller estimates the diameter of the object that hit the planet was the size of several football fields. The debris possibly came from a comet or asteroid that hit Jupiter. NASA also says the new images prove repairs done on the Hubble in May were successful. Trillion Dollar Hubble 2 Space Telescopes would be more successful you don't have to be a rocket scientist to realize this. So who do the MIT cops arrest at NASA? Bill Gates for sure! Gates the Niger telling the cop to see his Mama... crazy Orwellian Society we have here. NASA is putting out news briefs about Hubble being success via a picture

from Jupiter. While at the same time not putting out a news brief about NASA building the next Generation Super Space Telescope costing more than \$1 Trillion each. Gates, got 8 F-22 fighter jets cancelled after building 187 instead of 1 Trillion dollar Hubble II Why? Gates the Niger is crazy, anyone telling a cop to go outside and we will talk to your Mama is crazy. Bill Gates is crazy with greed proving he is still addicted to money with Win 7 even after millions of Observers in our Orwellian society realize Bill Gates is responsible for killing billions of aspiring Inventors and losing Humanity a billion social inventions.

Gates the Pentagon chief is crazy thinking the Universe will not retaliate against the Pentagon Chief. 2 hours ago MIT scientist were still working with AutoCAD designing our Hubble II and already over budget on for a \$1 Trillion dollar Manned Space Telescope. Winning the Universe in Earth newest Lottery has not infected Putin or Hu - Putin closed all the casinos in Russia but not for a micro-burst of social inventions. China 4 hours ago are still building new Casinos brainwashed by the CIA. CBS news and the New York Times refuse to do a full feature story about Putin closing all the casinos in Russia... I wonder why. What goes on in Vegas stays in Vegas now the news is hinting Vegas Casinos Owners are running a teen Prostitution Ring for you gamblers. You were on video tape with teens and only paid them \$50 this is a crime that will have your video on my web page after the coup. NASA says the new images prove repairs done on the Hubble in May were successful. And they didn't mention a few \$1 Trillion Dollar Hubble 2 Space Telescopes would propel NASA from writing news briefs about Jupiter to 4.3 light years to Alpha Centauri witch would give humanity a small edge in winning the lottery that pays off with the Universe.

1 hr 51 mins ago. *Doctor and Patient Getting Good Value in Health Care* By PAULINE W. CHEN, M.D. Published: July 23, 2009 Like most doctors I know, every time I see a patient in clinic, questions scroll down my mind's eye like credits at the end of a movie. Over the years, I have whittled down the number of questions, from the exhausting repertoire I memorized as a medical student to the streamlined clinical checklist I use today. I ask are generic: What brings you here today? What medications are you taking? Some are specialized: Was your liver transplant done "piggy back"? Have you had any episodes of rejection? But a few of the questions have nothing to do with the work I do or the care I am trained to offer. Rather, they are questions about being well and preventing disease: Are you exercising? Do you smoke?

Doctor and Patient Getting Good Value in Health Care By PAULINE W. CHEN, M.D. Editorial in the *New York Times* is more "1984" Orwellian as the Editors at the *New York Times* just got back from Vegas and their teen Prostitutes so they are not into writing about Getting A Good Value out of reading the *Times* or Getting A Good Value out of MIT Scientist working on a Trillion dollar Hubble 2 4 hours and 15 mins ago. After the Coup all VA Hospitals will be closed and the MD's put on the do not hire list... VA patients will be moved to Chen's Medical School and other Medical Schools as this Medical Genocide has gone on long enough... the only lower rank is Alabama and Arkansas hospitals and you didn't see Kennedy checking out the lowest ranking MD's for brain surgery. I wrote Mom and Dad as they meet Kennedy right before I invented the ElectricWindmillCar. I told them Alice Buell would be alive today if she lived in New Haven or Boston instead of Little Rock... which is true you don't have to be a Kennedy to have realized this. I can reinvent Little Rock, AK hospitals and MD's to be in the same rank as Boston and New Haven after the coup. Kennedy could have reinvented this in 1984 but he was drunk. Kennedy was so drunk he missed getting a bill through for Mandatory Organ Donation too. Chen will never ever write up Making Organ Donation Mandatory in her *New York Times* articles, as they will kill her on the spot and sell her organs to a Saudi Prince!

... little Orwellian humor from a inventor being tortured!

Alpha Centauri By NATALIE ANGIER

New York Times

Alpha Centauri, is about 4.4 light-years from the Sun, and a light-year is equal to almost six trillion miles. The next nearest star, Sirius, is 8.7 light-years from home. To give a graphic sense of what these distances mean, Dr. Geoffrey A. Landis of the NASA John Glenn Research Center in Cleveland, pointed out that the fastest objects humans have ever dispatched into space are the Voyager interplanetary probes, which travel at about 9.3 miles per second .Scientists Reach Out to Distant Worlds

Invention of a Gravity satellite dish to suck in gravity waves and a Gravity Engine will advance space propulsion," Rockets and their fuel would be so heavy that they would prevent a starship from reaching the necessary velocity to go anywhere in a sane amount of time.

55,000 miles per second.

At that pace, a crew would reach Alpha Centauri in under 50 years.

40th anniversary of a humbling correction published in The New York Times. It appeared on July 17, 1969, a day after Apollo 11 blasted off to the moon. It referred to a 1920 Times editorial that had scathingly taken the rocket pioneer Robert H. Goddard to task for asserting that

rockets could function in a vacuum and might even make it to the moon. "He only seems to lack the knowledge ladled out daily in high schools," the editorial said of Goddard.

E-mail: haberman@nytimes.com

On July 20, 1969, humans first landed and walked on the Moon. After centuries of dreams and prophecies, a decade of resolute commitment and four days of flight, American astronauts of Apollo 11 had reached the Moon. Neil A. Armstrong and Edwin E. (Buzz) Aldrin Jr. set foot on the arid Sea of Tranquility, while millions of people on Earth watched their steps and heard their voices on television. The third member of the Apollo crew, Michael Collins, remained alone in the main spacecraft, in lunar orbit.

For two hours and 21 minutes, Armstrong and Aldrin tramped about on the barren, rock-strewn lunar plain. They tested their agility in the alien environment, hopping about like bundled-up kangaroos. They planted an American flag, erected scientific instruments to be left behind and collected rock and soil samples. Altogether, the first human visit to the Moon lasted 21 hours and 37 minutes.

The landing was the fulfillment of a goal set by President John F. Kennedy on May 25, 1961. "I believe," he declared to Congress, "that this nation should commit itself to achieving the goal, before the decade is out, of landing a man on the moon and returning him safely to earth."

It was in the time of the cold war between the two superpowers, the Soviet Union and the United States, and Sputnik and other Soviet successes had turned up the heat. The beep-beep-beep of Sputnik, Earth's first artificial satellite, surprised and alarmed Americans as a demonstration of Russian technological prowess with ominous military implications. So began the so-called space race, and in those first years the Russians one stunning feat after another, including the first

human flight in Earth orbit, in the month before President Kennedy's speech.

Sputnik and now the Apollo challenge had altered the nature and scope of the cold war. With its firm political mandate and popular support, the Apollo Project mobilized scientists, engineers and workers at all levels to build the necessary rockets and spacecraft. About 20,000 industrial contractors, scores of university laboratories and some 400,000 people had a hand in reaching the Moon. In terms of money, the program cost \$24 million, not counting additional costs for the forerunner Mercury and Gemini missions.

For an endeavor of such complexity, the mobilization proceeded with unusual efficiency, and with only one serious setback. A cockpit fire during a 1967 rehearsal on the launching pad killed the three astronauts who were to make the first test flight in the new Apollo spacecraft. A year and a half of modifications and testing followed before astronauts eventually flew in an Apollo craft. The critical precursor flights were Apollo 8, which circumnavigated the Moon in December 1968; Apollo 9, a test of the lunar landing craft in Earth orbit; Apollo 10, a shakedown flight to the Moon to rehearse just about everything except a landing. That was two months before Apollo 11 lifted off from the Kennedy Space Center in Florida on July 16, 1969.

The success of the Apollo 11 mission effectively ended the space race. The Russians, handicapped by failures testing their heavy-lift rocket, never attempted a human flight to the Moon. Ten more American astronauts, on five missions, walked on the Moon. No one has been back since Apollo 17, at the end of 1972.

As 1969 drew to a close, New York and the rest of the world got the first glimpse of what jumbo-jet service would look like when a Boeing 747 flew into Kennedy International Airport from Seattle. No less than Charles A. Lindbergh — you can Google him, kids — was at Kennedy to greet the crew.

But the granddaddy of all anniversaries this year is, of course, that of men walking on the moon, 40 years ago on Monday. You may not think of it as a particularly New York moment. But the Apollo 11 lunar module was built by Grumman engineers and technicians on Long Island.

It is not surprising, then, that 40th anniversaries of major events have a way of capturing people's imaginations (the mystical allure of the number enhanced perhaps by a pragmatic concern that principal figures may not be around for a 50th anniversary).

And, once you've taken that quiz, here are the three extra-credit questions:

1. Voyager 1 is moving at 17 kilometers per second. If it were moving directly towards it, how long would it take to reach the nearby star Alpha Centauri, which is about 4.4 light years away?

Every year, the average American adult drinks the equivalent of 38 six-packs of beer, a dozen bottles of wine and two quarts of distilled spirits like gin, rum, single malt Scotch, or vodka that aspires to single malt. We are by no means the most bibulous people: according to the World Health Organization, 39 other nations out drink us, a list topped by Luxembourg, where residents manage to ingest roughly 284 bottles of beer and 88 bottles of wine annually, no doubt to salve the indignation of explaining that their country isn't part of Belgium.

Certain things should never be taken for granted, among them your spouse, your mother, and the precise meaning of words that are at the heart of your profession. The professor explained that the shorthand definition of a "behavior" is "what animals do." O.K., that's the freshman-friendly definition. Now how about the unabridged, professional version out in the "real world"!

15 July 2009 --- I got back from Estes Park.

7,689 motorists were killed in January through March this year... CIA knows how many burned to death in gasoline's fiery wrecks as this is Top Secret statistics in a gov. that suppresses the ElectricWindmillCar Era from 1980 - 2009.

100 kids will die in hot cars in the summer of 2009

Albert Einstein would have Kennedy-Obama-Clintons arrested for genocide! Just for this one tragic genocide of leaving 100 kids to die in hot cars in the summer of 2009!

Cardiac arrest refers to a sudden, profound disturbance in the heart's rhythm. Cardiac arrest is not the same as a heart attack. 85% die being treated for CA with no one reinventing anything! 85% of 300k die at the hands of MD's working in vain. Drink Coors and don't Hike... and you will die!

15 July 2009 --- I got back from Estes Park.

Lost 3,500 calories maybe more I hiked from Bear Lake to Granite Falls 9.5 miles then back to Bear Lake as I left my Igloo cooler I could not carry it. The ice cold water and ice coffee were great after hiking back 9.5 miles 19 miles then I hiked back to Granite Falls were my tent is 9.5 miles. 28.5 miles now This round trip I left at 6 am got back to tent at 7 pm. Next I packed for the hiked back to Bear Lake another 9.5 miles = 38 miles TOTAL. I then walked Elkhorn Ave in Estes for the next 2 nights 3 days walking to the Stanley Hotel, Safeway, Riverside Drive, Tramway, and the Estes Power Plant that used water and has 5 huge 5 story generators... no more daily tours because of 9-11 of course. I got a few good picture's of the Stanley Steamer. All my new pictures of the hike and Stanley Hotel and Elkhorn Lodge and McDonalds Book Store were it all started in 1975 with Paula the owner putting my HB card in her Book Store window, {take a look at the books Paula put in her window today} they are in the PHOTO directory link below scroll down to Estes this is were all the new pictures start. I will set up my 1,001 Inventions Projects research center on a Island off Key West as I want to be the one who cures cancer with a Rx Penicillin reinvented and get total recall for 5 billion people. And figure out how gravity is generated. End War on Earth via Aliens. To many "Niger Observers" in Colorado to get any inventions let alone these Nobel Prize inventions as I have to work at it... Bill Gates would never think inventors have to work. They can work finding the MENUS in WORD this is probably fun for Bill Gates as he has already made it big. As for the 1 billion aspiring inventors we need MENUS in our OS!

15 July 2009 --- I got back from Estes Park.

Federal Driver's License with reinvented GPS wifi technology!

Motor vehicle deaths happen like a constant drumbeat every day of the year.

Breast Cancer deaths happen at 100 a day a constant drumbeat every day of the year.

If 100 Marines a day were dying in Afghan or Iraq the public would demand action.

Imagine if more than 100 people were dying in a plane crash every day. The country's air fleet would be grounded and the media and the public would be demanding that something be done.

Albert Einstein would have Michael Sivak arrested for genocide!

Michael Sivak at the University of Michigan Transportation Safety Institute in Ann Arbor knows 100 people a day burn in fiery wrecks and can not mention gasoline and the suppression of the ElectricWindmillcar.

Albert Einstein would have Dr. Furie arrested for genocide!

Dr. Furie, He is professor of clinical medicine at Albert Einstein College of Medicine and associate professor of medicine at New York University School of Medicine. He knows about the suppression of the ElectricWindmillCar and knows the statistics of burn patients from fiery wrecks.

Albert Einstein would have Dr. Furie arrested for genocide!

15 July 2009 --- I got back from Estes Park.

Albert Einstein would have everyone at Albert Einstein College of Medicine arrested for Genocides, Oil, Medical Mistakes by MD's who did not pass the test because Kennedy and Clinton wanted Black MD's, this is a genocide. Kids left in hot cars in the summer of 2009... yes it gets this hot even in NYC. Genocide Trial held at Albert Einstein College of Medicine will be hotter news than Israel Marines exposing War Crimes in Gaza! White Fire Fighters watch a mock Supreme court hearing, how many Genocides can Albert Einstein keep track of? Trump sued asking for \$5 billion the Judge through it out... Even Trump can be arrested for not preventing 9-11 by exposing the suppression of the ElectricWindmillCar! AirForce fleet of C5A cargo planes to fight forest fires lost out to Boeing CEO who wants a fleet of C5A planes for refueling fighter jets in an Era that should be for the ElectricWindmillCar! Bill Gates is the worst of the worst Orwellian Genocide criminals, yes even worst than those in NYC at the New York Times who could have prevented 9-11 because Bill Gates is going to hide the "MENUS" in WORD 2010 -- Bill Gates does not care about the 100 kids who will die in hot cars, the 100 women who will die from breast cancer the 100 burned in fiery wrecks in LA Freeways today. Bill Gates is light years from the 100 inventors looking at the WaterWheel on vacation in Estes Park thinking how Quarks, Mesons, could be moved by Gluon into generating Gravity. Memory invention is not even in Bill Gates MENUS - Bill Gates is out to suppress all MENUS no matter how many people want MENUS for to be A Inventor. I will give everyone wanting to work on 1,001 Invention Projects a Operating System better than Win 7. In Reality Clintons a Husband and Wife are probably the worst Orwellian Genocide Mass Murderers in our ElectricWindmillCar Era that has been suppressed since the invention of the ElectricWindmillCar in 1980! Even though Carter-Kennedy master minded the suppression! WHO at the UN sold out 5 billion people, let them drink dirty water, get sick as Hell and die. Because WHO MD's wanted to keep their \$\$\$\$\$\$ six figure incomes at the UN even though they know the electrolysis accessory in your ElectricWindmillCar would give 5 billion people H and O and free clean drinking water. Sick this Orwellian Society is Sick. Even NASA is suppressing a reinvented Shuttle that will never be hit by ice blasting off to Alpha Centauri 4.3 Light Years down range. Moon is fine for Generals who don't dance to the Universe and sing out Windmills... like Sandra Bullock does in her movie the Proposal. I hope Sony puts her and the other beautiful women in Inspire... as she could inspire men to travel into the Universe and End War on Earth!

Today is 4 July 2009... We Live in an "Oil Genocide Era"

4 July 1965 - 4 July 1970 Buddhist setting themselves on fire to protest the Vietnam War

4 July 2009 Buddhist got \$40 Million in Oil bribes to let "Humanity" burn in Fiery Wrecks

4th of July 2009 Fiery LA Freeway wrecks will go unreported in our Orwellian Nightly News...

4th of July 2009 In an "ElectricWindmillCar Era" Inventors will go with...

4th of July 2009 Inventors will go with a dual-socket Intel Xeon 5500-series system. The Xeon (DP) W5580 offers more speed than the AMD 2400 series. HP offers the W5580 processor only in a 1-way configuration in its Z800 system, which sells for about \$6700. A dual-socket E5530-based Z800 is available for \$7800. Dell the only major vendor to sell a dual-socket W5580 workstation. A Precision T5500 system equipped with two W5580 processors currently sells for about \$6620.

Workstation Notebooks will replace all these Oil Genocide Era workstations after the ElectricWindmillCar Coup D'Etat, and your Win 7 will be "Inventor 1,001 OS" for the 1,001 invention projects that will be preinstalled, all 1,001 invention projects will have tips to help you get started brainstorming the successful win to your invention. And your Nvidia Quadro video card will let you watch the Government Lotto people hang, and Bill Gates hang, while you work on 1,001 invention projects. Casino Era profited as much as Blacks and Dirty Mexicans with Hepatitis C profited from gov. perks! Micro-burst of social inventions now will get us a Rx Penicillin cure for Breast Cancer and MD's grads from Yale Medical School who really passed on merit not for being a Niger Slave 100 years ago. These Niger MD's on 4 July will kill again - who killed 100's of patients will finally be caught by the cops! Who did pass the test! New Haven FireMen and Women can work on 1,001 inventions at work now, while waiting for the next fire. Today they can't you know how outdated our government Observers are... watching us on monitors warps their rules and regulations... there are more "no camping" signs in the National Forest in Colorado than there are no skateboarding signs Downtown. After the ElectricWindmillCar Coup D'Etat all this will change for the best "social environment" goings on to create White Fire Fighters who passed a test will be upgraded to inventors at work to Hell with this sitting around idle, prohibited from inventing rules today, today we live in an "Oil Genocide Era" that has infected everything. Letting Niger MD's and Niger FireMen pass is a crime. Nightly News could not report Niger MD's who failed Yale Med School were ok'ed by the Government even though government statistics knew they were going to kill 100's of patients a year... And the infected AMA went along with this kind of Government! Sick! Micro-burst of social inventions and Cops out for Revenge for all the Cops burned and burned to death in gasoline for oil money will get the rest of us our Revenge on this "Oil Genocide Government" we have had from 1980 to 2009. 4th of July will never be the same - we will Invent Something on the 4th of July! Car Crash Victims from 1980 - 2009 will get \$1 Billion each from Confiscated Texas and Saudi Oil Mens Cash and Swiss Bank Accounts! Widows of 9-11 will get \$1 Billion each, those killed by Dirty Mexicans too. Putin has \$7 Trillion in Oil Money since the invention of the ElectricWindmillCar, 100's of Moscow and Saint Petersburg cop have burned and burned to death in fiery wrecks so Putin could acquire so much money. Sick, How could the Russian Czar be so cruel?

Katie Couric reporting on a car wreck that would have caused no life long injuries to a little girl like her 2 daughters if our Oil Genocide Government would have put Super AirBags on the outside of Cars and Trucks on 4 July 1998 when I came up with this idea - Katie Couric almost broke down sobbing out of control over our sick government leaders she has to live with every day.

Chen sobs out of control over the deaths caused by DUI drivers... Our Oil Genocide Government has been infected by A Kennedy who drove off a bridge drunk killing his girlfriend, getting a pardon from Obama to become a mass murderer of women since Mary Jo drown.

I posted a message on Craigslist Boulder Colorado looking for women to Brainstorm the Rx Penicillin cure for Breast cancer and our Local "Observers" don't care about the 40k women who will die of breast cancer in 2009 they report False Hope Cancer Cure News on the Nightly News every night last week. June 30, 2009 --- From 1965 - 1970 Buddhist were pouring gasoline over themselves and setting them self on fire to protest the Vietnam War, today in Boulder Colorado the Buddhist-inspired Naropa University gets bribes from "Texas and Saudi Oil Men" \$50 million, for "Buddhists Students" to study being "A Green Campus" in an "Oil Genocide Era from 1980 to 2009" Buddhist after the Coup will have to answer why they went along and profited from Oil with the Mass Murder of Americans driving down the "Freeways of the USA" getting hit by gasoline bombs tossed by Kennedy-Obama-Bush. Your ElectricWindmillCar will be climate controlled 24/7. I posted a ad on Craigslist for women to Brainstorm a Rx Miracle Penicillin Cure for Breast Cancer with Greg, and the local Boulder, Colorado Observers would not let any women reply to the ad. Today is the 5th day of the Summer of 2009 I'm sure the New York Times would have put more "honest" pictures in Today's New York Times Front Page if this "Orwellian Society" were not in the mist of Several on Going Genocides, the worst being Kennedy-Obama tossing gasoline bombs at SUV's driving down the LA freeways today. Indeed, after months of lobbying by Mr. Maliki and other government officials, most of the world's big oil companies, including ExxonMobil, Royal Dutch Shell, British Petroleum and Chevron, are expected to submit bids. The companies were expelled from Iraq in 1972, after Mr. Hussein nationalized the oil industry. How Did Steve Jobs Get a Liver Transplant? By Tara Parker-Pope

Thor Swift For The New York Times

Steve Jobs. Given the scarcity of donor organs, how did Apple co-founder Steve Jobs get to the head of the line on the liver transplant list?

In today's New York Times, reporters Denise Grady and Barry Meier attempt to provide answers.

Whenever someone rich and famous receives a transplant, suspicions inevitably arise about whether that person managed to jump to the head of the waiting list and take an organ that might have saved the life of somebody just as desperate but less glamorous. The dark theories are a holdover from the case of Mickey Mantle, who waited all of one day for a liver in 1995, and then died from liver cancer anyway, just two months later.

In Mr. Jobs's case, doctors say there was no need, and little opportunity, to cheat the system. Under current procedures, any transplant center ranks potential liver recipients on its waiting list, with the highest rankings based on how sick the patients are and how long they have been that sick. Jumping ahead of a sicker patient is not allowed.

And yet, there are ways to work the system to one's advantage. Waiting times for a liver vary in different parts of the country, and people who can afford to travel are free to go to a city or state with the shortest wait and bide their time until they have reached the top of the list, a donor dies and an organ becomes available. Indeed, some patients rent apartments or stay in hotels near a hospital and wait for the phone to ring. It may not seem fair, but it is not illegal.

Commander Carpenter said that the Naval Academy began expanding its recruiting in urban areas, including New York, two years ago, and that the effort had begun to pay off, not only in more applicants from those areas, but also more minority applicants.

40,000 Linda McCartney's died every since 1980 on the Pentagons Battlefields

Applications from minority students were up by 57 percent this year over last, he said. But Commander Carpenter noted that interest in the Marine Corps among Naval Academy students has been on the rise in recent years, even though Marines represent the second-largest group of casualties in those wars.

40,000 dead USA women aren't on the mind of Commander Carpenter.

MEXICO'S economy has suffered a series of blows in recent months — drug violence, swine flu and the worldwide economic downturn. Yet some companies on each side of the border with the United States are prospering because they serve the expanding Mexican-American market in the United States.

"Japanese and Korean executives buy here, and they go to inspect the ranches in Mexico, too," said Jesus Tarriba, manager of Viz Cattle's warehouse operation in Compton, in southeast Los Angeles County. I invented the ElectricWindmilCar in 1980 I could have gotten a Rx Penicillin cure for breast cancer in 1981... our government has 10 on going genocides and all the 1984 Observers know it!

Reporters were calling about the death of his close friend Linda McCartney, who had died two days earlier at age 56 from breast cancer that had spread to her liver. Devastated by what he heard, Fields reached for the phone. "I called Paul right away," says Fields. "I said, 'Oh, Paul,' and his voice cracked for 10 seconds. We both started to cry. But then I couldn't stop, and he was consoling me. He said, 'Wasn't she great? Wasn't she beautiful? Wasn't she smart and together and wonderful and loving?' "

Praising his wife was an occupational as well as an emotional habit for McCartney, 55, who wrote dozens of love songs to her during their 29-year marriage. Indeed, his was the last voice she heard as she lay dying, surrounded by her four children—Heather, 35, Mary, 27, Stella,

26, and James, 20. While press reports gave Santa Barbara, Calif., as her place of death, McCartney is now believed to have died in Tucson, at the family's 150-acre ranch. An official in the Santa Barbara County coroner's office said, "There has been no death certificate filed," and a source close to the family told PEOPLE that Linda in fact died in Tucson. In either case, "the kids and I were there when she crossed over," said McCartney in a statement. "They each were able to tell her how much they loved her. Finally I said to her, 'You're up on your beautiful Appaloosa stallion. It's a fine spring day...and the sky is clear blue.' I had barely got to the end of the sentence when she closed her eyes and gently slipped away."

Her death was "totally unexpected," says McCartney's spokesman Geoff Baker. In fact, Linda, who was first diagnosed with her illness in 1995, spent her last days on vacation with Paul, going for horseback rides. "They were having a lovely time," says TV writer Carla Lane, Linda's longtime friend. "She wasn't hanging around being ill—it was quick."

Many believed that Linda McCartney, the willowy, blond photographer who dashed the hopes of countless teens by marrying the last unattached Beatle in 1969, had battled her cancer into remission. Edward Sexton, a friend of the couple's, had lunch with them on March 11 in Paris after they attended the fashion show of their daughter Stella, chief designer for Chloe. "Linda seemed buoyant," says Sexton. "She had lost weight but she looked very healthy." But it was also in March that McCartney discovered that her cancer had spread. It was a type of cancer that "can progress quickly," says Dr. Linnea Chap, a Los Angeles oncologist. Some 44,000 women in the United States die each year from complications of breast cancer. (In fact, Paul's mother also died of the disease when he was 14.) After Linda's death her remains were cremated and, with only close family present, scattered on the lush

grounds of the family's farmhouse in Sussex, England. "The poor man," says Sexton. "Paul loved Linda more than life."

As celebrities' marriages went, theirs was an anomaly—a limelit couple who couldn't bear to be apart even after three decades. "The only 11 days we ever did not spend the night together," Paul told PEOPLE in 1993, "was when I got put in jail in Japan for pot. That's quite amazing." Says their close friend, stained-glass artist Brian Clarke: "Paul and Linda were like teenage lovers, holding hands, giggling. They were fascinated with one another."

A passionate vegetarian who crafted two bestselling cookbooks and developed a successful line of meatless frozen foods, Linda McCartney was also a talented photographer whose work has been collected in five books and shown at countless galleries. At Paul's urging she also sang and played keyboard in his post-Beatles musical projects while helping to keep their four children—three from her marriage to Paul and her eldest, Heather, from a previous marriage—away from the media's glare. "We used to chat about our children on the phone," Yoko Ono, John Lennon's widow, told PEOPLE. "Linda was always loyal to her husband and very protective of her children."

Beyond that, she never stopped being her husband's best friend. "Even though we have our ups and downs, we really do like being together," Paul told PEOPLE in 1993. "My Love," "No More Lonely Nights," "The Lovely Linda"—one of the world's best songwriters could not stop putting his feelings into music. "Any love song I write," Paul said last year, "is written for Linda."

And while she changed in the public's eye—from an eccentric hippie who inexplicably held a Beatle in thrall, to Paul's charitable, well-respected soul mate—Linda never strayed from her values. "She was happiest throwing a bale of hay over a fence," says Danny Fields. Paul's estimated worth was \$860 million, yet Linda told PEOPLE in 1993, "I don't need a lot of money. Simplicity is the answer for me."

It was not an answer many children learned growing up in privileged Scarsdale, a posh suburb in New York's Westchester County. The second of four children, she was raised by her Harvard-educated father, Lee Eastman, a well-known entertainment lawyer, and her mother, Louise, a department store heiress. An indifferent student in high school, Linda attended the University of Arizona, and it was there that she came into her own, largely through her interest in photography. When she was 19, her mother died in a plane crash; Linda flew back for the funeral but didn't stick around long. "Instead of staying back East and helping my family," she told Vanity Fair, "I just escaped." Back in Arizona she married a fellow student, Joseph Melville See, in 1962 (they had daughter Heather and divorced after three years). "Linda stood out," says See, 60, a retired geologist who lives in Tucson. "I idolized her presence, her being."

Linda's next stop was New York City, where she landed a job as a receptionist for Town & Country magazine. It was there in 1966 that she seized her moment, coming across an invitation to a press party for the Rolling Stones, she grabbed her camera and kick-started a lucrative career as a photographer of rock stars, several of whom she reportedly dated before ever meeting McCartney. "She was a real rock and roller," says Fields, recalling Linda's shooting Jimi Hendrix, Jim Morrison,

Janis Joplin and other seminal acts. "And with all that going on, she maintained a household suitable to raise a child."

In 1967, Linda went to London to take photographs of the Beatles and was introduced to Paul at a London nightclub. Two days later, at a party, the pair clicked. "A lot of the girls I had met were just girls," Paul revealed to Vanity Fair. "She was a real woman." Paul stayed with Linda in New York in 1968 and even babysat Heather when Linda went out on errands.

Later that year, Linda accompanied Paul to England. "Every now and then I would get a one-word postcard: 'Wow!' " says Fields. Yet Linda repeatedly told McCartney she had no intention of remarrying. "I wanted to be me and not have men tell me what I should be," she said to PEOPLE in 1993. But four months pregnant in March 1969, Linda changed her tune, and the couple married at London's Marylebone Register Office.

A year later, Paul shocked the world by announcing that the Beatles were disbanding. "He was heartbroken, just devastated," says rock critic Anthony DeCurtis. "Linda gave him the confidence that there was life after being a Beatle." She also paid dearly for marrying a teen idol. "They would get back home, and there was graffiti—American Slut Go Home," says Fields. "She had to deal with the hatred of fans. That was a difficult time for her."

Things only got worse when Paul talked her into touring with Wings, the

enormously successful band he put together in 1972 and took on and off the road until 1981. "I'm only there because we like being together," Linda said of her musical partnership with Paul, but her unpolished vocals invited derision. She thought of quitting "a hundred thousand times, but I'm still here," she later recalled. "I don't like being told what to do."

Since the '70s the McCartneys pursued a shaggy, iconoclastic lifestyle, raising their children in the remote countryside of Sussex and educating them in the free public school there. Besides Paul's run-in with Tokyo authorities, Linda had her own scrapes with the law: She was arrested for marijuana possession three times, once in 1975 and twice in 1984. "I think hard drugs are disgusting," she told PEOPLE in 1993. "But I must say, I think marijuana is pretty lightweight."

She was no less outspoken about her life's passions—protecting animal rights and promoting vegetarianism. "When she looked into the eyes of a sheep, a rat or a dog, she could see a sensitive creature inside," says Dan Mathews, an executive with People for the Ethical Treatment of Animals. A vegetarian for nearly 25 years, Linda campaigned tirelessly to save animals from stoves and medical experiments.

In 1989 she published Linda McCartney's Home Cooking, a best-selling collection of vegetarian recipes. Two years later she launched McVege, a line of vegetarian products that has grown into England's most successful, with sales of more than \$56 million in 1997.

But everything abruptly changed one day in December 1995. At a routine checkup at London's Princess Grace Hospital, doctors discovered a malignant tumor in her breast; she had it removed that month and soon began chemotherapy. Linda didn't attend Paul's knighting ceremony on March 11, 1997, but four months later her hair had grown back, and she seemed on the road to recovery.

Then in March 1998, tests revealed that the cancer had spread to her liver. Not long after that, the McCartneys packed up for a long vacation in the U.S. "I think Linda just wanted a holiday," says Brian Clarke. "I don't think she thought of herself as someone who was about to die. That was not her style." The day before she left Sussex, Linda took a walk with Clarke. "She seemed a little weak and needed to sit down now and then," he says. "But she kept looking around and saying, 'Aren't we lucky? Look at all this beauty. Just think, that tree will be there long after we've gone.' "

*Two days after Linda died, her first husband, Joseph See, got a call from their tearful daughter Heather. "She said, 'Mommy has passed away in the arms of Daddy,' " says a distraught See. Brian Clarke, who strolled with Paul as he fed the horses on his Sussex estate the Monday after Linda's passing, says Paul is "feeling what most people feel when this happens: loneliness, fear, just trying to keep your head up." McCartney has been greatly consoled by his son James, a fledgling musician who played guitar on his father's last album, *Flaming Pie*. "He's been a tremendous help," says Clarke. "James has inherited much of his mother's strength."*

Linda McCartney leaves other legacies: At the time of her death, she was

working on a new cookbook, a new photography book and a new line of food, all of which are expected to be brought to completion over the next year or two. And for the past six months, potted flowers ordered by Linda have been faithfully arriving at the local clinic in Rye, a small town four miles from their Sussex farm. For his part, Paul is planning a tribute album featuring songs he and Linda recorded together. "He's being very spiritual about her death," says Carla Lane, who spoke with Paul shortly after Linda died. "He feels she is still around." But behind the bravery, says Lane, there is profound sorrow. "She was his life. I just hope he can cope when it really hits him."

with the same title End War On Earth. The payoff will give Humanity the Universe, Star Travel to Alpha Centauri, and a few \$1 Trillion Dollar Hubble 2 Space Telescopes manned with Men, women and Life Boats, which NASA forgot.

"1984" the Book seems to have gotten by the censors so how do you write a Novel that has to expose our Orwellian Society genocide of suppressing the Electric Windmill Car since 1980 and \$1 Trillion in oil bribes in Secret Swiss Bank Accounts? You can't? Second the Utopia Novel "End War on Earth" after all the Orwellian junk is written would have to have 1,001 invention project from everything to the 1st Aliens real ones we hear via NASA's new Hubble 2 and what the Aliens are talking about... their Shuttle its speed all true not made up... so I would jump to the future like LOST move the Earth with a discovery that Gravity is a Element. Gravity how its generated could be a Coup Starter. The \$1 Trillion Dollar Hubble 2 could be a Coup Starter.

100k Cops burnt in gasoline via gasoline bombs tossed at SUV's driving down the highways by Kennedy-Obama-Bush is not a Coup Starter.

Yet the CIA did not burn any 9-11 Terrorists in gasoline as torture.

In the opening pages!!!

There is no one who would publish this unless you left off the "1984" reality of our Society so how do you write a Utopia Novel for a Society were you can not put in all the Orwellian stuff?

But the pay off to Endwaronearth is a Must, or we are LOST in a Universe full of Aliens we will never listen to in our life time because of never ending wars.

Saudi Arabia kills and burns in gasoline more wives than Americans do, and we just have one wife now so in the ending of "1984" were he breaks the mirror and finds the hidden camera - the government men today are the "Fags" + "Nigers" who are profiting from Oil behind todays Orwellian Mirrors.

They are the same government Fags + Nigers (oil genocide profiteering with Swiss Bank Accounts) who are causing so many murders and divorces. This will be exposed after the Coup D'Etat too

I will invent ---- "Dynamited-Hydrogen"

6/1/2009 7:38 AM I will invent ---- "Dynamited-Hydrogen" is simply some sort of absorbent material in the H gas and H liquid that makes Hydrogen much more stable.

"Dynamited-Hydrogen" will use a blasting cap from Micro Motion which is sophisticated enough to detect any leaks stop them with gunk sealant inside the can of H and or call 9-11 on its own.

Nitroglycerin, for example, has the chemical formula $C_3H_5(ONO_2)_3$. The carbon and hydrogen combine with oxygen, and the nitrogen is liberated.

Dynamite is simply some sort of absorbent material (like sawdust) soaked in nitroglycerin. The absorbent material makes the nitroglycerin much more stable. You normally use a blasting cap to detonate dynamite -- a blasting cap creates a small explosion that triggers the larger explosion in the dynamite itself. Dynamite is an explosive based on the explosive potential of nitroglycerin, initially using diatomaceous earth or another absorbent substance such as sawdust as an absorbent. It was invented by Swedish chemist and engineer Alfred Nobel in 1866 in Krümmel (Geesthacht, Schleswig-Holstein, Germany), and patented in 1867. Another form of dynamite consists of nitroglycerin dissolved in nitrocellulose and a small amount of ketone. This form of dynamite is similar to cordite. This form of dynamite is much safer than the simple mix of nitroglycerin and diatomaceous earth absorbent.

Hydrogen has the chemical formula H

"Dynamited-Hydrogen" is simply some sort of absorbent material in the H gas and H liquid that makes Hydrogen much more stable.

"Dynamited-Hydrogen" will use a blasting cap from Micro Motion which is sophisticated enough to detect any leaks stop them with gunk sealant inside the can of H and or call 9-11 on its own. As you read above the inventions of absorbent will be endless someone inventing a better absorbent every year, along with the valve.

Remember you ElectricWindmillCar will give you a can of H fuel to heat your house, generate your electricity, and you get clean pure water for drinking and showering via yet to be invented faucet you connect to a can of H and O turn it on and get your H₂O water.

Monday, June 1, 2009 H can generate your homes apartments electricity well at keeping your car climate controlled 24/7 so the 100 kids left in hot cars that will die in the summer of 2009 this will be the last of this Genocide by Bush, Kennedy, (Yes Caroline Kennedy too will let these 100 kids die in a hot car this summer) Hillary Clinton is so much into via mentality being a mass murderer she does not consider these 100 deaths worth mentioning - until the Genocide Trial of course.

Nigers and their Fag accomplices will hang for letting 1 trillion whites burn in gasoline for more oil money.

Before then like in LOST MIT and other Scientists reading this will start designing our \$1 Trillion dollar "Hubble 2" manned space telescope - with 2 "Life Boats" and 10 sections with different kinds of Telescopes...

None of these sections launched at the Cape will be check for tile damage from ice chunks falling from the rock as they all will be sitting on top of a huge rocket... you don't have to be a Rocket Scientists to figure this out!

Stupid Nigers and Fags at NASA spent too much time with Saudi and Texas Oil men from 1980 - 2009 while 100's of thousands - mostly "white People" burn and burned to death beyond recognition in fiery wrecks for more oil money...

Obama will never release these "White" tortured via gasoline by him and Kennedy. President of the USA tossed gasoline bombs at SUV's driving down the road in the USA not Baghdad so they can sell you oil from Iraq and even the Pope in Israel knows and profited from this Oil Genocide via \$1 Trillion deposited in the Vatican's Swiss Bank accounts!

NASA scam by all these guys...

Shuttle Atlantis and the Hubble Space Telescope sailed over Western Australia, the shuttle's robot arm, with K. Megan McArthur at the controls, reached out, oh, so slowly, and grabbed the telescope.

“Houston, Atlantis, Hubble has arrived on board,” said the shuttle’s commander, Scott D. Altman.

The first sight of the telescope after seven years produced gasps of elation among the telescope’s astronomers and engineers. It did not look bad at all, at least on first examination by eyes sore for the sight.

“Just looking out the window here, and it’s an unbelievably beautiful sight,” said John M. Grunsfeld, a veteran astronaut. “Amazingly, the exterior of Hubble, an old man of 19 years in space, still looks in fantastic shape.”

Dr. Grunsfeld, who is on his third Hubble repair trip, was one of the last humans to see the telescope in March 2002 and arguably knows it better than anyone on or above Earth knows.

Jon Morse, director of astrophysics for the National Aeronautics and Space Administration, working his first Hubble mission at the Johnson Space Center in Houston, said, “I was really blown away seeing the telescope up close on the screen.”

As I was fired by "Niggers and Fags", from working on the Rx Penicillin Breast Cancer Cure at the Bookend Café, on the Pearl Street Mall in Boulder, Colorado. USA "1984" Oil Genocide Era! "Getting Used to the Gruesome." Breast Cancer Genocide, Coors Genocide, Tobacco Genocide, Steak House Red Meat Genocide. Lotto Genocide of Inventors, AMA Genocide via Greed. Microsoft Genocide via Greed. No Mandatory Organ Donation this is a Genocide, Saudi Prince got your Kidney Genocide, Universities in Saudi Arabia are free, they would be free and mandatory for HS kids in the USA if the ElectricWindmillCar was on the streets of Manhattan. 9-11 was a genocide caused by Carter, Kennedy, Bush, Clintons, suppressing the ElectricWindmillCar invention since 1980, Getting use to the Gruesome Genocides, Take your memory pill, remember Bush and his brother left 100 kids in hot cars to die! Is this getting to Gruesome for you? Then I will tell you no 9-11 terrorists were burn to death in gasoline, just Americans out for a Sunday drive! Getting Used to the Gruesome! Hepatitis C... poor babies did the diseased Mexican at Taco Bell or the CU Freshman Dorms give you Hepatitis C! Chen would sob out of control about these new born babies getting Hepatitis C and the 100 kids who will die left in hot cars in the coming

Women playing the role model of Goddess of Inspiration...

Einstein, if he had many wives playing the role model of Goddess of Inspiration we today in 2009 would know how gravity is generated. Were gravity comes from. Einstein was inspired by his wife, if he would have had many wives all

playing the role model of a Goddess of Inspiration to get more Inventions out of him we would know were gravity comes from today in 2009. So this is a argument for polygamy, and letting women be the Goddess of Inspiration!

And any guys wanting to discover how gravity is generated has a pick up line for a wife who is willing to play the role model of a Goddess of Inspiration. Gravity is a bitch then you marry one... not in this marriage. He can tell her you and I, we can get Gravity Control, you are Hot, Hot, Hot! Marry me!

Saving Lives 101 Dr Susan Love,

Dr. Susan Love said a Doctor can take out your appendix and save your life, we need to save lives, "LOST" our losses are double, first those who lost getting into a medical school, second "LOST" is the millions who died from their "appendix" (or what ever medical emergency needing a MD there right now!) bursting with not enough Doctors.

Medical Schools after the ElectricWindmillCar Coup will be free but not mandatory! Factory shift workers, 3 shifts at the Harvard Medical School right after the ElectricWindmillCar Coup as we are short millions of MD's. A bilion medical inventions have been lost by having so few MD's too. CIA statistics guys will have to testify at the "Oil Genocide Trial" about how many people didn't get into medical Schools and how many MD'S were needed just to do all the appendix operations, and how many new MD's we need to get a billion medical inventions in the shortest amount of time from today.

E-mc2 Big Ideas in Science. The Spitzer Space Telescope 2003. Infrared pictures. The telescope is not manned and it must be cooled to near absolute zero -459F and the working half must be a room temperature, now if NASA could have done this for cars in Florida were 100 kids are left to die each summer we would save lives, and jail time for the parents.

Gen. Orwell should be the one to hang as 1 is a accident but Gen Orwell has killed 100 kids left in hot cars every summer since 1980 when the ElectricWindmillCar was invented. This is one argument why every General at the Pentagon should be hanged in a mass hanging after the Coup.

Dr. Michelle Thaller argument to Dr. Susan Love's daughter not being able to pass subsets in astrophysics was the only way they were going to get me out of Harvard was kicking and screaming.

Invent or Die is really true.

As millions have died since 1980 because they could not invent anything, mostly because of Bill Gates \$ GREED, and the government lottery brainwashing Inventors into gamblers, who died by the millions. And LOST society a billion inventions just during this Lotto Era \$\$\$.

This "LOTTO ERA" has been the worst genocide for aspiring "Inventors" in the history of the USA.

This is related to Katie Couric telling us they found a cure for breast cancer when she typed up the story in her office, to give false hope to the 100 women who died of breast cancer today. I think Katie Couric should hang for this and I will tell the Coup leaders this!

Dr. Michelle Thaller; I fell in love with Carl Sagan, this was Michelle's Goddess of Inspiration! I don't think they have a Goddess of Inspiration for women but if they did Carl Sagan was Dr. Michelle Thallers. He got her through the tooth pulling at Harvard and she stayed up all night until sunrise for the first time in her life, at Harvard with Carl Sagans Universe - book learning at Harvard.

Dr. Michelle Thaller is promoting Galileo's telescope yet she works for NASA who lost 700 manned space telescopes by sucking off Texas and Saudi Oil men instead of exposing the suppression of the ElectricWindmillCar in 1980. But these guys are all Fags now as the Saudi Prince was to tempting with so much oil money, they should have watched the Tempest before taking that free NASA trip to Saudi Arabia.

700 manned space telescopes LOST by NASA's top brass I hope Dr. Michelle Thaller puts it on her space. Below link is to Michelle's videos.

http://coolcosmos.ipac.caltech.edu/cosmic_classroom/ask_astronomer/video/index.html

Dr. Kirsten H. Sanford, KiKi is the Skinny Bitch Michelle wants to be for her husband... looking up Michelle's videos she was a skinny bitch not to long ago - grins. The Bird Brain is the name of her web page.

I get a script error on her page... do you want to run the script, I have no way to email her to tell her about this.

<http://www.kirstensanford.com/>

Observing and Observations were her opening Orwellian comments. I wonder how our Orwellian Universe exists. Kirsten wants to try some of my "total recall" memory pills as soon as I invent them. Ha. Vaccine comments to for my "Total Immunity" invention, yes Kirsten thinks I will get this invention someday. Thinks "total immunity" will be invented.

Einstein, if he had many wives playing the role model of Goddess of Inspiration we today in 2009 would know how gravity is generated. Were gravity comes from. Einstein was inspired by his wife, if he would have had many wives all playing the role model of a Goddess of Inspiration to get more Inventions out of him we would know were gravity comes from today in 2009. So this is a argument for polygamy, and letting women be the Goddess of Inspiration!

Erase your bad memories is for the Pentagon General the one star Generals at the Pentagon who have to look at the Goss and grosses pictures of cops burned in gasoline beyond recognition as these are Pentagon friendly fire kills on the streets of the USA ordered by the 5 star Generals for the oil money.

Goss and grosses pictures of cops and kids in the back seat burned in gasoline beyond recognition - all friendly fire kills from Kennedy, Bush, Obama, 5 Star Generals etc.

Goss and grosses pictures of cops and kids in the back seat burned in gasoline beyond recognition - all friendly fire kills from Kennedy, Bush, Obama, 5 Star Generals etc.

University will change after every General at the Pentagon is hanged for treason.

University will be mandatory and free, yes free textbooks and Microsoft Software, so everyone, not only Dr. Susan Love can get ahead with C++ grin. I don't think Dr. Susan Love every tried to learn C++. I tried to learn C++ for over a year but not having the money to spend on the software and not having the money to spend on a Microsoft tutor it was to no avail, and all the Observers in Vail observed me at this time.

Dr. Susan Love said a Doctor can take out your "appendix and save lives"", Susan did not mention the top brass at the AMA are mass murderers" because they limit the number of medical students thus millions over the years died from a ruptured appendix as there were not enough MD's in society Dr. Susan Love wants to save lives... I think she needs to expose the limiting of medial students and its side effects that are covered up by the AMA's top brass.

Top brass at the AMA are "mass murderers" because they limit the number of medical students getting into every Medical School in the USA

Top brass at the AMA are "mass murderers" because they limit the number of medical students getting into every Medical School in the USA

Dr. Susan Love mentioned the Bill Gates Foundation as she could use Bill's help but so could the millions of students who died because of Bill Gates GREED \$\$\$.

Susan told us about a DNA test being tested in India to replace the Pap test as millions of women in India die of cervical cancer. 5,000 a year die from Cobra bits working in the fields, I wish Susan would have had time to read all my webs as this is in there buried deep. I will invent a Cobra trap the first week freed. As this will only take a couple days working with my MD and FBI wives.

Doctor can take out your "appendix and save lives", Susan did not mention the top brass at the AMA are mass murderers because they limit the number of medical students thus millions over the years died from a "ruptured appendix" as there were not enough MD's in society. I know who would taunt the AMA top brass after I put the Saddam noose around their necks.

Susan mention identical twin girls one with breast cancer on without, why?

Link below is to my old ATT.net web page. Japan is the top story here and no one from Japan was at the CU Conference on World Affairs, this page will explain why no one from Japan wants to be on the "security cameras" in Boulder Colorado...

[Japan is a criminal State in the suppression of the ElectricWindmillCar and the burning in gasoline of cops and kids beyond recognition as friendly fire kills by the USA and Japan government leaders. No one from Japan was in Boulder Colorado because all the Japanese Observers believe more people will hang in Boulder after the ElectricWindmillCar is exposed and 9-11 would never have happened. And when the CIA statistics guys testify at the Oil Genocide Trials at CU how many were burned to death in gasoline for more oil money beyone recognition with the burned bodies on the Front Page of the Tokyo Times and the New York Times. WW II hanged a lot of Japanese more will hang this time!](#)

4/9/2009..... Final Exam Grade _on the Cure for Breast Cancer. This picture has no head on it, no face, no name to the woman, and is not on the cover of her book! Dr Love could have gotten a real women with a name, a face and a story for a shocking gross and grosses book cover for the 100 women who died today and were not mentioned by the New York Times! ElectricWindmillCar - same gov guys will let 100 kids die in hot cars in the summer of 2009. 3009 kids left in a hot car will be ok. As the 3009 models cars will be climate controlled via H

4/9/2009 4:15 PM Dr. Susan Love's Noon Lecture was a Very Good C++

4/9/2009 4:15 PM Dr. Susan Love's Noon Lecture was a Very Good C++

Dr. Susan Love heard about her C- for her Breast Cancer book, so she did some extra homework overnight and managed to get a C+ grade for her noon lecture on Breast Cancer at CU World Affairs Conference.

Dr. Susan Love spoke of her Army of a million women working, not working 24/7 brainstorming a Rx Penicillin cure, inspiring men! No mention of women as the Goddess of Inspiration for Breast Cancer Work.

Dr. Susan Love didn't mention women inspiring men!

Dr Susan Love mention men scientists, said they like to work on rats, give them cancer and cure it because rats do not get cancer on their own scientist have to give it to them. And scientists don't like to work on women because their messy.

Dr Susan Love said 25% of breast cancer cells sleep, some sleep the woman's entire life span others wake and sleep and wake and sleep, but don't kill her!

Dr Susan Love said men kill, slash, burn, poison.... Women I would guess.

Dr. Susan Love said the old fart a man was looking for his keys under the light, were did you lose your keys... up

there on the top of the hill, why are you looking for them down here? Because there's a light. Not looking in the right place for a breast cancer cure. I would say not using women as the Goddess of Inspiration. All she has to do is look pretty, say the right things, don't bitch, look good in the new dress, and wam bang thank you mama we will get the Rx Penicillin cure for you!

Dr Susan Love estrogen only fuels 15% of all breast cancer.

Dr. Susan Love blue cheese the veins in the breast this is were breast cancer originates. Breast stick straight out, lots of laughter, and for sagging breast too.

Dr. Susan Love said there are six different kinds of breast cancer, no slides or post card hand outs.

Dr. Susan Love invented a needle that goes into the nipple of the breast to check the cells for breast cancer, this is experimental. And I will note Dr Love didn't get supercomper time on the Los Alamos Supercomputer and IBM didn't offer any supercomputer time for breast cancer research.

Dr. Susan Love's Petri dish can grow cancer cells, current Rx Penicillin kills gram-positive bacteria not cancer cells. Dr. Love didn't brainstorm what poison, burns, etc kills the suckers growing in a Petri dish.

Dr. Susan Love cancer cells are one of our own cells, they are not foreign invaders. So how do we get an Rx Penicillin cure for our home grown cancer cells. Dr Love didn't brainstorm any ideas with the audience.

Final Grade for a Breast Cancer Cure is F
if you were to take the Final Today,

The New York Times did not mention 100 women who died of breast cancer today, one woman in NYC was fatally shot twice by 2 NYPD cops, and this is the only woman they mentioned today.

100 women were burned in gasoline today; the New York Times or Dr Susan Love did not mention this either. I doubt if any kids were left in hot cars and died today.

Dr. Susan Love ended the lecture saying, "Rich White Women get Breast Cancer... more than any Women" She did not mention red meat or Coors!

Dr. Susan Love can get you 30 women in 24 hours.

I need 30 women right now, who are willing to play the roll model of Goddess of Inspiration. Dr Love didn't offer me 30 virgins or any women if any age or occupation ie MD. Though in her inventory of women she has them from 18 to 100 years old.

Armyofwomen.org is Dr. Love's web page she ended the Lecture with, my www.endwaronearth.com was not even mentioned by Dr. Love and if she had not read it yesterday she would not have given such a much improved Breast Cancer speech than what she had written in the 4th edition of her Breast Cancer Book.

One last note the women who is the City Manager of Boulder Colorado was the only person on stage with Dr. Love and their comments suggested she had breast cancer. I live in Boulder, Colorado and the woman manager of Boulder, Colorado has not helped me get the Rx Penicillin cure, Why not? Hell Gen Orwell wouldn't shoot her on the spot if she helped me out, would he?

4/9/2009 4:15 PM Dr. Susan Love's Noon Lecture was a Very Good C++... now Dr. Love needs to get some C++ software code from Bill Gate's Army at Microsoft.

4/9/2009 4:15 PM Dr. Susan Love's Noon Lecture was a Very Good C++ but she does need to get half her Army of a Million women to play the roll model of Goddess of Inspiration for men, as lots are Einstein's Love Women more than Dr. Love loves women!

4/9/2009 4:15 PM Dr. Susan Love's Noon Lecture was a Very Good C++

4/9/2009..... Final Exam Grade _on the Cure for Breast Cancer.

Below is the my book review, above is what I wrote after attending Dr. Love's CU lecture

Dr Susan Love's 4th edition book is only a C- grade as this picture has no head on it, no face, no name to the woman, and is not on the cover of her book! Dr Love could have gotten a real women with a name, a face and a story!

Dr. Susan Love Final Exam Grade is only a C- because she is a Lesbian Dyke. I want to ask her if she realizes this lesbian dyke shit, mentality, no diseased shit on her penis, but diseased thoughts short circuit out for her to get the Rx Penicillin cure. Dr Susan Love is giving the only lecture on Breast Cancer at the CU Conference on World Affairs at noon 9 April 3009 "Breast Cancer Cure 1 Poster no head from Harvard Medical School every Medical School Medical Students in Dr Chen's book the cadavers dont have a face or real name so what is real to MD's who pass with an A grade?"

I gave Dr Love a C- grade after reading her 4th edition of the same book she has written 4 times on breast cancer. There are no Breast Cancer Posters with tumors coming through the skin, why not! 40k deaths a Lesbian Dyke should have written 40k murders by the government of the USA! Every year via breast cancer since 1980 when the ElectricWindmillCar was invented.

Michelle Thaller, gave 2 lectures better than Dr Love and I have been to Dr Love's lecture yet, yet I know this is fact not fiction. Nonfiction, Michelle is a happy married woman who adores her husband but wants to give him more, she should give him a skinny bitch wife! Husbands by the millions divorce in the hope of getting a skinny bitch for a wife. I hope Michell as a Observer takes this advice and at her age it will be critical to lose weight and exercise 2 hours a day to prevent breast cancer by 10% I would also tell Michelle to quit drinking, Dr Love's 4th edition book tells women to drink in moderation this is malpractice and I hope Dr Love gets sued \$\$\$\$ I will update this after Dr Love gives her 10 year plan to cure breast cancer without a Rx Penicillin miracle cure by Greg Buell Boulder Colorado

3009 CU Conference on World Affairs I will have gotten Gravity Control and invented Gravtiy Control with my wives,

Goddess of Inspiration, women playing the roll model, even Einstein tells everyone his wife inspired him, image if Einstein had a few wives we would of had Gravity Control in 2009 or at least knew how Gravity is generated. Kill Bill Movie is really Kill Bill Gates, Kill the Lesbian Dykes, as they killed their husbands best inventions, and dismembered his body, so we don't know what Dr Love's murdered husband could have been inspired to invent if he would have married a Goddess of Inspiration, not a Lesbian Dyked who's disinformation stifles the Rx Penicillio cure for the headless dismembered women pictured here, MD's who work at the JAMA did this to the women pictured here so you could not lead any student protest. Paul Danish a old fart from 1970 at CU Observes the daily body count from Vietnam, from Breast Cancer from those burned in fiery car wrecks today from gasoline.

3009 the ElectricWindmillCar will be invented in Boulder Colorado... except for the Observers in an Orwellian Society who know the difference between fiction and nonfiction and read books. Book on 2009 will have the ElectricWindmillCar invented in Boulder Colorado in 1980 and the body count for 40k breast cancer murders every year by our Orwellian Senators, who have names and faces Gen Orwell cant invent a way to have faceless and nameless Senators doing his dirty work. Grin.

3/1/2009 8:13 AM Lets time travel ahead to after a successful Coup and the Autobiographical Sony Movie about Greg Buell Lovestar's life in Boulder Colorado in an Oil Genocide Era that suppressed the ElectricWindmillCar and clean water for 1 billion people from 1980 to 2009. I stopped by George (Orwell) Reynolds branch library in Table Mesa yesterday. Some niger from the city of Boulder put bars over the concrete edge I was sitting on when I saw smoke rising from NCAR, noticed the wind and the traffic coming down the hill on Table Mesa Drive from NCAR and got the idea of the ElectricWindmillCar because inside the library on the table I was reading "Animal Farm" which I saw a CU student on the RTD bus reading a couple days before. Fate!

2/27/2009 9:07 PM FINAL EXAMS by Pauline Chen M.D. In Dr Chen's book the breast tumor is breaking through the skin... women at work are disgusted, grossed out, uck! Repulsive sounds and facial expressions go along with the words and they want payback from Bush-Obama, all the MD's and MIT war toy scientists who jilted women with a breast cancer tumor breaking through the skin.

3/1/2009 8:25 PM Dr Chen writes that Medical School attracts people with a high anxiety about dying.

3/3/2009 2:25 PM Dr Chen writes that when Chen was 17 her mother died in a car wreck, no mention if it was a fiery car wreck.

3/1/2009 8:28 PM Dr Chen writes death which the aspiring MD is so afraid of because they have no thoughts about trillions of galaxies. Now God just now, last year hurled trillions of Galaxies at Bush almost hitting him and the Ruling Class Nigers with two!

3/1/2009 8:30 PM Dr Chen writes we MD students mimicked the old MD's thought process. Thought process of the inventor or the ElectricWindmillCar has been suppressed since 1980 with the physical ElectricWindmillCar.

3/1/2009 8:32 PM When Dr Chen entered Medical school in the late 1980's she never dreamed the Oil Embargo of 1980 was ended secretly by the ElectricWindmillCar invention, and Kennedy bribed the Peanut Farmer Carter into starting the worst Genocide Holocaust in History.

3/1/2009 8:35 PM Dr Chen when entering Medical School dreamed of a futuristic Medical School with state of the Arts Supercomputers at every Nursing Station, and never ever dreamed of a free University that was mandatory. The story of how High School in the USA became mandatory has been prohibited news at CBS, NBC, and ABC via our Ruling Class who do not want a free University for the masses.

2/27/2009 8:11 PM Los Alamos supercomputer Tyranny of Diagnosis (Not being able to use the Los Alamos supercomputers on the web for medical diagnosis) By PAULINE W. CHEN, M.D.

2/27/2009 8:17 PM The LOST Invention Curriculum of Medical Schools during the era (1980-2009) that suppressed the Invention of the Electric Windmill Car by Pauline Chen M.D.

2/27/2009 8:21 PM FINAL EXAMS by Pauline Chen MD Page 90 yes it took Chen 90 pages of writing before she mentioned gasoline burns. Burns in general, caused by Pentagon Generals going along with the worst genocide, the Oil Genocide by Texas and Saudi Oil Men! 100k cops burned in gasoline are on page 90!

3/3/2009 2:27 PM Nationalize IBM and Microsoft after the Coup for a futuristic Era not possible otherwise.

2/27/2009 8:23 PM War's Diagnosis and cure. Holds the fate of Star Travel to Alpha Centauri and the cure for breast cancer.

2/27/2009 8:26 PM Orders to obtain the highest levels of "Inventions" are illegible notations like the MD's who refuse to use a computer, Our Orwellian Top Brass refuse to let anyone but Nuke scientist at Los Alamos use the #1 supercomputer in the world. IBM sales pitch was for nuke use not medical uses and to cure breast tumors that have broke through the skin. IBM is libel, don't sue IBM, nationalize IBM like Microsoft, as their mentality will never change. Why reboot Windows 7 when you can have the Inventor Operating system for 1 billion aspiring inventors. IBM and Bill Gates will suppress any debate about the Inventor Operating System to replace Windows 7 for the money just like Texas and Saudi Oil men burn students in fiery car crashed for more oil money. IBM mimicked the Saudi Oil men's greed no matter how many Inventors or Inventions

are killed, burned beyond recognition.

3/1/2009 12:09 PM IBM sales pitch was for nuke use not medical use.

2/27/2009 8:28 PM Current orders by our Orwellian Ruling Class are to suck off Obama and Nigers! Promote nigers, not a cure for breast cancer.

2/27/2009 8:26 PM Orders to obtain the highest levels of "Inventions" were drown by Kennedy like he drown his girlfriends driving drunk off the bridge, Kennedy left 40k women a year to die a horrible death, tumors breaking through the breast... Kennedy divorced her, Kennedy is a mass murderer of women via being a Senator and "Niger Lover".

2/28/2009 8:37 PM University Presidents highest level of Inventions will build Medical Schools over every Football Stadium on every campus. And yes the Med School will be free with more tutors than the students will want in their social life. Sony's biggest LCD screens will be everywhere in HD. For the gross breast cancer tumors breaking through the skin.

2/28/2009 8:38 PM CU Bookstore women kicked me out, to suck off Mexican pit bulls who never ever read a textbook walking back from break. Payback will be sending the FBI woman who has breast cancer to arrest them for felony harassment of a senior citizen who might have found the Rx Penicillin cure for breast cancer opening one of the textbooks on the way back from break. I was a cashier at the CU Bookstore for 4 semesters until Niger Lovers hired all Mexicans to work as Cashiers. Never mind the fatal mistake of killing 40k women a year.

3/1/2009 7:44 AM An easy-to-read Avalanche Awareness Guide in all of our catalogs. Our DVD, "Take Charge: Leading a Companion Rescue" teaches you how to safely and efficiently organize a rescue. I listened to our President Bruno on this DVD, he must have rewritten it a million times as it was very instructional. Now we need an instructional DVD

for 1,001 Invention Projects.

3/3/2009 7:37 AM Bruno "ran over" all of Greg's "rescue inventions" the inventor of the ElectricWindmillCar.

3/3/2009 7:31 AM Avalanche Beacon Factory in Boulder CO "ran over" the ElectricWindmillCar inventors cure for breast cancer tumors coming through the skin by alienating Greg as a Temp! And this cost Greg \$5k.

3/3/2009 7:31 AM Avalanche Beacon Factory in Boulder CO "ran over" the ElectricWindmillCar inventors star to star travels with a Love Sick NASA MD woman.

3/2/2009 2:59 PM Now we need an instructional DVD for Inventions!

3/1/2009 7:46 AM DVD to organize a rescue of 40k women doesn't exist - Tiffany Hampshire can give you the Avalanche statistics faster than the speed of light but not the Breast Cancer statistics because women General Managers have no awareness of this or who in Hell is working on a Rx Penicillin invention cure.

3/2/2009 3:00 PM Is you husband an inventor at heart, then give him an invention project close to your heart or divorce him and marry Greg!

2/28/2009 8:44 PM Talking with other temps at the Avalanche Beacon Factory about paybacks, for being treated like Niger Slaves and cheated out of \$5,000 the Temp agency got.

3/3/2009 7:31 AM Avalanche Beacon Factory in Boulder CO "ran over" Temps with insults, alienation, hostility, loss of income of \$5,000 for being a Temp

3/3/2009 7:31 AM Avalanche Beacon Factory in Boulder CO "ran over"

the ElectricWindmillCar inventor.

*3/3/2009 7:31 AM Avalanche Beacon Factory in Boulder CO "ran over"
the ElectricWindmillCar inventor.*

*3/2/2009 3:08 PM I will get my FBI wife with breast cancer to go after
Che, Manjo, Karan, Chris the lesbian dyke, Terra Lewis the bitch... giving
a new car to everyone else except Bruno the President of Backcountry
Access, the Avalanche Beacon Builders.*

*3/2/2009 3:09 PM I said to the other Temps in the conversation the
people who really want paybacks worst than the temps at Backcountry
Access do are the 100k cops burned in gasoline! They will hang
everyone on their payback list! These cops want retaliation and
payback way more than the people in Gaza!*

*3/1/2009 7:55 AM Chris the lesbian dyke has the highest risk for breast
cancer etc as she is obese and doesn't exercise at all. Chris is a typical
100% serotype lesbian dyke you can read her lips before she speaks, as
you know what she will say and is thinking. I think Chaney and his
lesbian daughter brainwashed 1 million women. No one in Chaney's
family even though of getting an Rx Penicillin breast cancer cure.
Chaney made sure the CIA MD's didn't pronounce gasoline brain dead.*

3/1/2009 7:59 AM Avalanche Awareness Guide on DVD

*3/1/2009 8:10 AM Boulder Bike Awareness Guide on DVD and a web
page.*

3/3/2009 2:36 PM Bikers Avalanche of cars...

*3/1/2009 8:11 AM Arden Brent Graber, 30, is brain dead and now dead,
dead, from a bike wreck that happened at a spot I have biked at 100
times since 1980. Underpass is being dug out for CU students on the
other side of campus... if this were not a Oil Genocide Era this
intersection would have a underpass or overpass but CU President is an*

Oil Man in an Oil Genocide Era that profits from the suppression of the ElectricWindmillCar Era. Era that lost a reinvented bike path for cities and 10's of thousands of CU student inventors as CU has MBA degrees but no Masters in Inventions!

3/3/2009 2:37 PM Brent didn't have an instructional DVD for Car Avalanches!

3/1/2009 8:11 AM Graber was riding his bike southbound on 30th Street just north of Colorado Avenue when Shirley Scott, 82, drove up behind him and hit him with the front of her car, sending him up onto her windshield, she didn't have super air bags on the outside of her car because the Orwellian Top Brass didn't put super air bags on semi trucks... this invention of mine has been LOST.

3/1/2009 8:11 AM Brent Graber recently received his MBA from CU

3/1/2009 8:12 AM "That's why we were so excited to have him here," said Bruce Edgerly, co-founder of Backcountry Access. "Now there is a huge vacuum because Brent was incredibly positive, and his attitude was infectious."

3/1/2009 8:12 AM "We have all been in a bit of a somber mood since this happened," company president Bruce McGowan, said. "We work in a life-and-death industry, with avalanches, but we aren't touched by tragedy like this very often."

3/2/2009 3:10 PM Avalanche of Breast Cancer, but we aren't touched by tragedy like this very often.

3/1/2009 9:06 PM Avalanche of Breast cancer tumors breaking through the skin, our General Manager and the other woman were touched by the tragedy that very, often hits women, hits 40k woman a year. This is a horrible Avalanche that has been going on since 1980 - 40k tumors breaking through the skin every year and yes the Top Brass knew this,

the CIA's MD's jilted these women for War!

3/1/2009 9:11 PM The bitch Terra Lewis a Backcountry Access employee not a temp. harassed me every day. And refused to listen to my mp3 poetry reading of the poem.. "Rx Penicillin for Breast Cancer" she walked off after 3 mins of a 20 min poetry reading calling me a Niger for not massacring women and kids in Vietnam.

2/27/2009 8:29 PM Orders for the last 8 years of Bush let 40k women every year die of breast cancer because our Orwellian Top Brass were Occupied with suppressing the ElectricWindmillCar Era! And ordering War Toys from MIT scientists. Avalanches of MIT Scientists for War Toys.

3/3/2009 7:22 AM Avalanches of MIT Scientists for War Toys.

2/28/2009 8:38 AM CAMP LEJEUNE, N.C. – President Obama declared the beginning of the end of one of the longest and most divisive wars in American history on Friday as he announced that he would withdraw combat forces from Iraq by August 2010 and all remaining troops by December 2011. The decision, outlined before thousands of camouflage-clad Marines... only Marines knowing about the killing of 4,200 Marines by Bush and Obama are the Generals and they are worried this Genocide will make the front page of the New York Times when the NYPD pulls off a successful Coup exposing the fiery wrecks that burned 100,000 cops from 1980 - 2009!

2/28/2009 8:05 PM ...worries of the Pentagon Generals

2/28/2009 8:05 PM ... 9-11 and the ElectricWindmillCars

2/28/2009 7:44 AM worries of the generals... Nigers like Obama profiting from the 100's of thousands burned in gasoline since the suppression of the ElectricWindmillcar. Worried Pentagon Generals helped suppress the ElectricWindmillCar so they could invade Iraq... worried Pentagon Generals killed 4,250 Marines instead of using the suppressed ElectricWindmillCar to win the war in Iraq with Bush #1.

Bush #2 worried the Pentagon Generals, the idiots who are West Point Grads thought they could kill 4,250 Marines while suppressing the ElectricWindmillCar. Obama leaned heavily toward field commanders' preferences in settling a time frame for ending the war in Iraq, as he weighed the fervent desires of the anti-war community that propelled him into office and the equally strong worries of the generals. Worries of the Pentagon Generals are, will the NYPD Coup leaders hang all the Pentagon Generals along with everyone at the New York Times? Remember 9-11 would never have happened if the ElectricWindmillCar was not suppressed by the Pentagon Generals! Yes! Payback is a bitch far worst than the bitch Terra Lewis!

She believes the world is divided into two industries: peace and war. "The war industry people are very together; they know exactly what they want; they don't even have to talk to each other. The peace industry people are just intellectuals who are very critical of each other...Unless the peace industry is powerful we're always going to have war. It is as simple as that."

foods and no one at Los Alamos is even thinking... About inventing a cure for food poisoning or a way to preserve foods, futuristic way to preserve foods invented today.

3/1/2009 4:30 PM CU students News Paper the Colorado Daily has run over students biking and walking on orders from Texas and Saudi Oil men. Supercomputer Inventions 101 to cure the tyranny of food poisoning from the dirty Mexicans cooking at the freshmen dorms on campus will never be written by any Journalism Student!

3/1/2009 9:20 PM CIA's MD's can't remember writing orders to invent a cure for food poisoning and invent a better preservative at the same time. "Tin Can Generals..."

2/27/2009 8:43 PM Los Alamos scientist don't care who they work for, so its up to the top brass to work on the highest level of inventions, which is the Rx Penicillin cure for breast cancer using Los Alamos scientists and their supercomputers on Google and the web.

2/27/2009 8:45 PM The most powerful supercomputer in the world is up and running at Los Alamos today. IBM sold its nuke inventions to a USA government, covered in gasoline burns, that don't turn up until page 90 of Dr Chen's book.

2/27/2009 8:46 PM Toshiba's U.S. subsidiary Westinghouse signed an agreement to build 2 nuke power plants and go along with the suppression of the electric windmill car letting more cops burn in gasoline in the USA and Japan so they can make genocide money off building 2 nuke plants for the electricity utility for San Antonio, Texas. The plants, each to have a capacity of 1,400 megawatts, are scheduled to start operations in 2016, and 2017, Toshiba said in a statement.

2/28/2009 8:24 PM H and O from the gallon of water in your Electric Windmill Car will heat your home, generate your electricity.

2/27/2009 8:23 PM War's cure! Holds the fate of Star Travel to Alpha Centauri

2/27/2009 8:40 PM The hidden cause of war... Was Bush #2, he killed 4,250 Marines for nothing. Ordered Pentagon Generals to kill their own troops instead of using the ElectricWindmillCars to win the war.

2/27/2009 8:50 PM Yoko Ono sounds off "I'm a witch," warbles Yoko Ono on the title track of her latest album. "Yes, I'm a witch, I'm a bitch, I don't care what you say. My voice is real. My voice speaks truth. I don't fit your ways." And indeed there is something elegantly witchy about the tiny, astonishingly well-preserved figure (Ono is now nearly 76) who strides into Tokyo's plush Hotel Okura.

2/27/2009 8:53 PM "I'm Going To tell You A Secret" is a documentary from MADONNA. For anyone who has seen Madonna Truth or Dare (Blonde Ambition Tour 1990) you know how entertaining Madonna can be. If you are looking for a Truth or Dare part 2 you are going to be disappointed. This is Madonna 14 years later (Reinvention Tour 2004) and she is not pushing the boundaries of sexuality as she did in the early 90's. What Madonna is doing is what we all at one point in our lives or another do, and that is question the purpose of our lives and that we try to be better people. At times I do miss the early sexuality in your face Madonna

3/1/2009 8:23 AM President Barack Obama recently announced the deployment of 17,000 additional troops to bolster 38,000 already in the country, increasing the U.S. focus on Afghanistan while a draw down begins in Iraq. The latest casualty toll among U.S. forces could portend a deadlier year in Afghanistan than the U.S. military has experienced since the Taliban's ouster in 2001. Twenty-nine U.S. troops died in Afghanistan the first two months of 2009.

3/1/2009 8:26 AM ... worried Pentagon Generals killed these 29 Marines in Afghanistan... by not driving a "Toyota" Electric Windmill Car. The 1 billionth one that came off the Toyota assembly line on John Lennon's BDay!

3/1/2009 8:27 AM The Niger Obama is sending these Marines going to Afghanistan to their deaths... in exchange for the New York Times sucking off nigers and sucking up to Nigers who are profiting from the worst Oil Genocide in the history of Humanity!

3/1/2009 8:29 AM Stereotype of the money-grubbing Jew

3/1/2009 8:29 AM Stereotype of the money-grubbing Jew when 100,000 cops burned in gasoline since 1980 so Jews can profit from gasoline, On page 90 of Dr Chen's book.

3/1/2009 8:29 AM *Stereotype of the money-grubbing Jew goes back a long way. Zacchaeus was a greedy little tax collector. Fagin was a hideous creature who forced orphans into his organized network of pickpockets. And Shylock, perhaps the most infamous Jewish moneylender of all?*

3/1/2009 8:32 AM *Stereotyped Jews --- fast forward in time after the successful Coup by the NYPD. Ten million Jews will be sent to prison and another 10 million will hang and "The Oil Genocide Holocaust Memorials" will be built over the WW II Jew Memorials as this genocide is far, far worst than the any the Jews bitch about...from WW II 100k cops just in the USA burned and burned to death in gasoline's fiery crash so the Jews could cash in and put their oil money in the same Swiss Banks Hitler put the Jews life savings in \$\$\$.*

3/1/2009 8:33 AM *Cops stereotyped... 100k burned in gasoline do not show up until page 90 in Dr Chen's book.*

3/1/2009 8:38 AM *Today Dr Chen writes a new article in the New York Times, reading between the lines I pick up on UN, My poetry reading on this web UN no clean H2O had gotten the most hits ever recently.*

3/2/2009 3:23 PM *Do the Observers realize it now, the fatal mistake of suppressing the Electric Windmill car invented in 1980?*

3/2/2009 3:25 PM *Deaths caused by Temp on the job that is libel?*

3/2/2009 3:25 PM *Deaths caused by dirty Mexicans, hepatitis C and Journalists are ordered by the ruling class not to name names or publish statistics no one will be held libel or criminally negligent until after the Coup.*

3/2/2009 3:27 PM *Avalanche of Hepatitis C cases caused by importing so many Mexicans*

3/3/2009 2:46 PM *After a successful Coup how do the Coup Leaders stop this Avalanche of Hepatitis C?*

3/2/2009 3:28 PM *CIA's MD's knew how many gringos would get Hepatitis C before the Alien Mexicans entered the USA.*

3/1/2009 8:40 AM *What the Hell is going on...?*

3/2/2009 3:29 PM *Dr Chen is a transplant surgeon. Mandatory donation of organs was shot down by the ruling class the same day they decided not to put super air bags on the outside of semi's and cars.*

3/2/2009 3:33 PM *Dr Chen never mentioned Mandatory Organ Donation! Why?*

3/2/2009 3:34 PM *Dr Chen never wrote about Saudi Princes buying*

Kidneys and other organs, Why?

3/2/2009 3:35 PM Dr Chen writes infections, staph are a potential risk in any surgery, but she does not write up a futuristic inventions or even mention space suits for MD surgeons. Why?

3/2/2009 3:41 PM Temps working in Dr Chen's hospital, Dr Chen observed mistakes, errors that harmed and possibly killed patients yet Dr Chen could not mention all the Temps working at the Hospital because this is against the rules set down by the ruling class behind the hidden cameras in our Orwellian Society!

3/2/2009 3:43 PM Avalanche of Temps and not even the CIA's MD's can file a complaint.

3/2/2009 3:44 PM Fiery Wreck few miles from Los Alamos happened last week, 5 students burned to death one didn't but was burned over most of his body.

3/2/2009 3:46 PM Fiery Wrecks today... no you can not Google "Fiery Wrecks" and find out how many for today or were they were... after a successful coup by the NYPD you will be able to Google all the Fiery Wrecks and see exactly what was suppressed from the mass of humanity by the Ruling Class.

3/1/2009 8:40 AM What the Hell is going on...?

3/1/2009 9:27 PM Can someone get Sony to hurl several trillion galaxies at everyone watching the HD Monitors in this Orwellian Society... state of the arts Medical Schools lost out to state of the arts monitors behind the "1984" mirror!

3/2/2009 3:55 PM Kidney dialysis, everyone in the USA on Kidney Dialysis today would have a new kidney transplant if the ruling class decided to make organ donation mandatory, who what happened?

3/2/2009 3:58 PM Dr Chen's Aunt Grace had been on the kidney transplant waiting list for 7 years. And Dr Chen is now a fully trained kidney transplant surgeon. Tortured not knowing who is doing the torturing... now I expose the ruling class. The ruling class tortured Dr Chen and Aunt Grace for 7 years by their priorities that were kept secret from the mass of humanity.

3/2/2009 4:06 PM The World Must Know

3/2/2009 4:06 PM Famous - H and O from a gallon of water in your ElectricWindmillCar!

3/2/2009 4:16 PM Now The World Must Know

3/2/2009 4:16 PM "you are going to kill one of your patients" "after the fatal mistake" you will know it.

3/2/2009 4:18 PM Ruling Class in the USA watched the fiery wreck and didn't stop to help because they were making money on "Oil". Same ruling class sold Kidneys to Saudi Princes. Ruling Class also imported Mexican Aliens with Hepatitis C that infected millions of innocent people. The list goes on and on as the Ruling Class even gave the Pentagon Generals war powers instead of the ElectricWindmillCar as the Pentagon Generals wanted war powers... not an ElectricWindmillCar to win a War!

3/2/2009 4:29 PM 4,250 Marines were killed by their own Generals

3/2/2009 4:30 PM 40k women a year were killed by the Presidents of the USA since Carter!

3/1/2009 9:27 PM Can someone get Sony to hurl several trillion galaxies at everyone watching the HD Monitors in this Orwellian Society... state of the arts Medical Schools lost out to state of the arts monitors behind

the "1984" mirror!

3/3/2009 7:49 AM DVD rescue invention is a web cam on the dash of your car! When the cop car behind you can see you via the web cam on your dash... little futuristic isn't it?

3/3/2009 7:50 AM Ask the General Manager Tiffany Hampshire to get you all these statistics on a graph.

3/1/2009 8:13 AM Lets time travel ahead to after a successful Coup and the Autobiographical Sony Movie about Greg Buell Lovestar's life in Boulder Colorado in an Oil Genocide Era that suppressed the ElectricWindmillCar and clean water for 1 billion people from 1980 to 2009. I stopped by George (Orwell) Reynolds branch library in Table Mesa yesterday. Some niger from the city of Boulder put bars over the concrete edge I was sitting on when I saw smoke rising from NCAR, noticed the wind and the traffic coming down the hill on Table Mesa Drive from NCAR and got the idea of the ElectricWindmillCar because inside the library on the table I was reading "Animal Farm" which I saw a CU student on the RTD bus reading a couple days before. Fate!

3/3/2009 2:50 PM Breaking through.....

3/3/2009 2:50 PM The skin.....

Greg with dentures finally! Now I need some wives to work on 1,001 Invention Projects on this web page with! Dr. Rennaker 303 444 2129 Comfort Dental. My gift to Dr Rennaker and his girls (grin) will be a new car. And a course in the use of Sodium pentothal for all the dentists, it's an extremely fast-acting barbiturate whose generic name is thiopental Sodium. Sodium pentothal is used most commonly to put patients to sleep for dental work. Novocain is what Comfort Dental used and you are awake listening to Dr Rennaker telling you his wrist is sore from pulling the tooth... Dr. Lisa Coburn had to help on the worst broken tooth, in the upper left back, the last 3 pulled at the end! Wow she commented, at least the Novocain is working... ha. Dr. Lisa Coburn will get free training in the use of Sodium Pentothal when I sell an invention. All the Oral Surgeons in Boulder Colorado kicked me out of their Office; this will be in my Sony Autobiographical movie. They all use Sodium Pentothal \$375 a visit for this. So I will invent a cheaper dose of Sodium Pentothal. But I think it's the same politics as our Oil Genocide Era "let them eat cake, let them burn in gasoline, we're addicted to oil money..." yes the Top Brass in Boulder Colorado toasts this with their Oral Surgeons for the \$\$\$ "Oil Money" like revenues Oral Surgeons charge!

2/14/2009 9:04 am Valentines Day demands speed dating, dating for a cure, walk for a cure "Breast Cancer" women were out in 20 F temp. 2/14/2009 9:05 am This Rx Penicillin cure for Breast Cancer is the best gift for Valentines Day. A Gift to "Women" from men who Love Women more than "War Toys"! And this Rx Penicillin cure for Breast Cancer was not in the New York Times article today - Valentines Day 2009.

2/14/2009 8:43 pm New York Times 5,000 Women Died from Breast Cancer on Valentines Day 2009!

2/14/2009 8:43 pm New York Times put 50 who died in Continental flight 3407 in a fiery crash that would never have exploded when they landed on top of the house if Jets today were fueled with Hydrogen with a modern Nobel's invention that's prevents Hydrogen from ignite outside the engine. 50 people who died were on the front page of the New York Times on Valentines Day - A day when 5,000 women with Breast Cancer will die without making any headlines in this Orwellian News Era that stifles and suppresses anything and everything good for social progress, this is a society far worst than in the Book "1984" could have imagined. These Journalists are Mad Men... Mass murderers with no conscience just like Big Brother in "1984" They all work for the Pentagon!

2/14/2009 8:48 pm 9-11 widow Beverly Eckert was on the front page of the New York Times as one on Flight 3407 that burst into flames landing on a house, Beverly never imagined 1 Billion ElectricWindmillCars on the Streets of Manhattan before 9-11 or after a successful Coup on Texas and Saudi Oil men In the Sony movie all the illegal Oil Money will be confiscated by the Coup Leaders giving \$1 Billion to all the 9-11 widows and other victims of the Saudis who flew the planes

into the World Trade Center buildings and the Presidents of the USA from Carter to Bush to Obama who profited from suppressing the ElectricWindmillCar from 1980 to 2009.

2/15/2009 8:04 am We have to bankrupt the Pentagon Generals before we can get a Rx Penicillin for Breast Cancer!

2/15/2009 8:33 am Graft in Iraq Focuses on bribes and scams by everyone in Iraq... Skin graft inventions for those burned in gasoline on the streets of the USA has been lost to the graft in Iraq... and all those like Kennedy who drive by the fiery car wrecks without stopping to help those in the burning car!

2/15/2009 8:00 am Lt. Gen. Benjamin C. Freakley is on the front page of the New York Times the day after Valentines Day recruiting Iraqi Aliens to become USA citizens... "The American Army finds itself in a lot of different countries where cultural awareness is critical," said Lt. Gen. Benjamin C. Freakley, the top recruitment officer for the Army, which is leading the pilot program. "There will be some very talented folks in this group." The program will begin small — limited to 1,000 enlistees nationwide in its first year, most for the Army and some for other branches. If the pilot program succeeds as Pentagon officials anticipate, it will expand for all branches of the military. For the Army, it could eventually provide as many as 14,000 volunteers a year

2/15/2009 8:04 am We have to bankrupt the Pentagon Generals before we can get a Rx Penicillin for Breast Cancer!

2/15/2009 8:11 am Pentagon has had wartime authority to recruit immigrants since shortly after the Sept. 11 attacks, military officials at the Pentagon know the ElectricWindmillCar would have prevented 9-11 and the Iraq War thus the Generals know in their hearts all Maries killed and burned by road side bombs in Iraqi were in vain for nothing just like all the fiery car wrecks in the USA, Kennedy and the other Senators drove by not stopping to help those on fire!

2/15/2009 8:04 am We have to bankrupt the Pentagon Generals before

we can get a Rx Penicillin for Breast Cancer!

2/14/2009 9:05:48 am Valentines Eve Leslie and I read a page in Dr Chen's book "Final Exam" ... the breast cancer broke through the skin..

2/14/2009 8:45 am Leno a bear hug on Natasha for Valentine Day "Speed" Dating video clip, 12 men 6 minutes each. She has to ask the questions and get the right answer to get laid bare between the sheets tonight. With the guy who can invent a Rx for breast cancer via her inspiration!

2/14/2009 8:47 am Natasha speed dating looking for a Valentine's Day Lover-Inventor!

2/14/2009 8:48 Hydrogen and Oxygen mix to give us "Water".

2/14/2009 8:49 "Water" in your ElectricWindmillCar gives us Hydrogen.

2/14/2009 8:50 am ElectricWindmillCars are meant to stimulate vaccine makers stimulate every man and woman on Valentines Day into making a list of Invention Projects...“Brainstorm while ejaculating in love, knowledge about the physiology kissing brings” Goddess of Inspiration brings women back to men!

2/14/2009 8:56 am Knowing, Learning that Natasha, Shelly, etc is the Valentines Day Goddess of inspiration that can give men so many love ejaculations, physiology is physical and mental; we will get the Rx Penicillin cure for Breast Cancer as the “Best Gift” men should be giving women on Valentines Day. To Hell with the Pentagon recruiting Aliens today, when eye catching women have their breast cancer cure table set up on the Pearl Street Mall

2/14/2009 8:59 am Leslie can't inspire this, she doesn't kiss or cum with you, this is what speed dating end result is for. To find the right Natasha or Shelly to be your Goddess of inspiration, to cum at the same time. Invent the Best Rx for women in what they need today, Rx Penicillin for breast cancer on Valentines Day.

2/14/2009 9:02 am Watching Paris Hilton sex video is a distraction created by PARIS (AFP) - Energy giant Total, France's biggest firm, announced the highest annual net profit in French corporate history on Thursday, sounding a rare positive note in a week of grim financial news. In 2008 the firm made 13.9 billion euros (18.0 billion dollars) thanks to record oil prices in the first half of the year, which generated big enough revenues to overshadow a post credit crunch collapse in demand.

2/14/2009 9:04 am Valentines Day demands from speed dating!

2/14/2009 9:05 am Valentines Day Gift to "Women"

2/14/2009 9:05:48 am Valentines Eve Leslie and I read a page in Dr Chen's book "Final Exam" ... the breast cancer broke through the skin.. this did not inspire Leslie to Brainstorm with Greg to cum together so today I'm speed Dating on Valentines Day for Natasha or Shelly etc any women wanting to speed date Greg, call or stop by the Bookend Café on Valentines Day sit at my table and ask me your questions just like Natasha did on Leno last night but please talk about Dr Chen and the breast tumor breaking through the skin... as I have to be the guy who gets the Rx Penicillin cure for all the "women" in the world who could not find the right guy to date on Valentines Day... Leslie is helpful but not a lover, I need a lover, a Natasha or Shelly to Marry on Valentines Day! One lover that caught my eye was a woman to tall for any man but an Inventor after the Rx Penicillin for breast cancer.

2/14/2009 8:23 pm RIYADH, Saudi Arabia (AFP) - King Abdullah on Valentines Day - No Saudi women in Saudi Arabia can drive a car. Pentagon Generals in Saudi Arabia spit on these women and women in the USA who think the Pentagon Generals in Saudi Arabia should do a coup enough to let Saudi women drive a car.

2/14/2009 8:23 pm RIYADH, Saudi Arabia (AFP) - King Abdullah on Saturday made sweeping changes to his government, axing the head of the religious police and appointing Saudi Arabia's first-ever woman deputy minister in the biggest shakeup since he took over the throne.

2/14/2009 8:29 pm This news article was written by "Mad Men" reporters same one's who the NYPD will hang when the coup is successful as "Women In Saudi Arabia can't drive a car" yet this was suppressed from the article on purpose by "Mad Men" reporters guilty of genocide around the world in every Nation on Earth.

2/14/2009 8:32 pm Abdullah, who ascended the throne after the death of his half-brother King Fahd in August 2005, had made mainly minor changes in the government since then, and expectations had grown for him to put his mark more deeply on the administration.

2/14/2009 8:33 pm King Abdullah will be hanged by USA women who will drive an ElectricWindmillCar to the gallows. And put the noose around King Abdullah's neck he will look just like Saddam but USA women will be taunting and spitting in his face for their revenge, for Saudi Women and King Abdullah's fiery car wrecks in the USA that burned husbands in gasoline for more oil money from 1980 to 2009! Millions of Americans burned and burned to death in Saudi gasoline for in vain for nothing, uselessly died and burned in Iraq in vain too, all for Saudi Oil Revenues and USA Presidents and Senators who created the worst oil genocide in the history of Earth! Jews will be hanged right next to King Abdullah... how ironic!

2/14/2009 8:40 am \$787 billion stimulus bill

2/14/2009 8:41 am \$9 trillion Putin has this much from Oil Revenues

2/14/2009 8:43 pm 100 kids left in hot cars to die will never ever make the front page of the New York Times but 50 who died in Continental flight 3407 were on the front page of the New York Times on Valentines Day - A day when 5,000 women with Breast Cancer will die without making any headlines in this Orwellian News Era that stifles and suppresses anything and everything worst than in the Book "1984" could have imagined. These Journalists are Mad Men... Mass murderers with no conscience just like Big Brother in "1984"

2/14/2009 8:48 pm 9-11 widow Beverly Eckert who never imagined 1 Billion ElectricWindmillCars on the Streets of Manhattan on 9-11 or after a successful Coup on Texas and Saudi Oil men all the illegal Oil Money will be confiscated by

the Coup Leaders giving \$1 Billion to all the 9-11 widows and other victims of the Saudis who flew the planes into the World Trade Center buildings and the Presidents of the USA from Carter to Bush to Obama who profited from suppressing the ElectricWindmillCar from 1980 to 2009.

2/14/2009 8:53 pm Here in Boulder, Colorado Fags have profited so much from the Oil Genocide Era they have organized a kissing on CU Campus that would not have happened if 9-11 would not have happened... BOULDER, Colo. — Most Friday mornings, the fountain area outside the University Memorial Center serves as hub for any number of run-of-the-mill student activities, from studying and chatting with friends to just passing through on the way to class. Just before noon this Friday, however, the University of Colorado's Dalton Trumbo Fountain will play host to something a bit steamier a mass make-out session. Student organizers say the demonstration, entitled "Make Out Stake Out," will give gay, lesbian, bisexual and transgender students — along with their straight allies — an avenue to playfully challenge societal norms about public displays of affection. If all goes as planned, at precisely 11:53 a.m., a "flash mob" of student couples of varying sexual orientations suddenly will appear at the UMC fountain square, make out for two minutes — and then disperse." We're trying to remove the stigma that surrounds same-sex affection in public and, more importantly, the misconception that if you are queer and you are expressing affection in public that you are rubbing it in people's faces," junior Spencer Watson said. Watson, who helped organize the event... Saudi's who organized 9-11 and Texas and Saudi Oil men who organized the burning and burning to death of those in fiery crashes let the Fags Profit for their support in Suppressing the ElectricWindmillCar on CU Campus!

2/14/2009 8:58 pm Experts say parents often link vaccines with their children's symptoms because they are vaccinated at an age when autism and related disorders are often first diagnosed.

2/14/2009 8:59 pm I have spent years writing about building a State of the Arts Medical School over the Football Stadium on CU Campus to have the story suppressed in the Campus Newspaper the Colorado Daily, yet they write up Fags kissing at the University Memorial Fountain. After the ElectricWindmillCar is on the streets of Manhattan the Memorials at Ground Zero and UMC here on Campus will be Memorials to those burned and burned in gasoline, in the Oil Genocide Era in the USA! Mad Men organized this Genocide and work out the details on a daily agenda

2/14/2009 9:03 pm Stimulate vaccine makers into "Total Immunity" from one vaccination!

2/14/2009 9:04 pm stimulate Rx makers into "Total Recall" the memory pill.

2/14/2009 9:05 pm Stimulate, we have the Erection Pills, now we need the Goddess of Inspiration to use them on!

2/14/2009 9:06 pm Stimulate women to become play the role model of Goddess of Inspiration!

2/14/2009 9:07 pm Stimulate Los Alamos into inventing something besides the next generation of Nukes. Next Generation of Nuke Scientist for Los Alamos are being inspired and recruited unknowingly to them those on Campuses but not to Big Brother who is observing the next generation of Los Alamos Nuke workers. This government let 100 kids die in hot cars to suppress the climate controlled ElectricWindmillCar, these Senators are worst than the 12 Caesars'!

2/14/2009 8:40 am \$787 billion stimulus bill

2/14/2009 8:41 am \$9 trillion Putin has this much from Oil Revenues

2/14/2009 9:14 pm Lawyers plan to argue that Stuart Hess became hooked on cigarettes because of deceptive practices by Philip Morris that hid the dangers of smoking.

2/14/2009 9:14 pm NYPD Coup leaders will not argue they will hang everyone at the New York Times, take over their new 55 story building they got from Texas and Saudi Oil men.

2/14/2009 9:16 pm I will get to publish my Valentines Day Speed Dating to get the guy who will invent the Rx Penicillin for Breast Cancer on the front page of

the New York Times.

2/14/2009 9:17 pm Cigarettes and Gasoline will die in the USA in the same year!

2/14/2009 9:19 pm Coors in Colorado and their bed mates in Canada responsible for selling Coors on Sunday and the ensuing fiery car crash in the gasoline powered car... after everyone at the New York Times is hanged Coors and his bed mates in Canada will be hanged just like Saddam. Mothers against drunk driving will put the noose on Coors and spit in his face for their revenge!

2/14/2009 9:22 pm Deceptive practices by Coors, Phillip Morris, Exxon Mobil, Peanut and Meat packers, lead pain from China and the 84 kids taking cough syrup in Nigeria own their poor luck to the 100 Senators in the Senate of the USA who are worst than the 12 Caesars of Rome.

2/14/2009 8:41 am \$9 trillion Putin has this much from Oil Revenues

2/14/2009 9:30 pm \$787 billion stimulus bill that aims to rush emergency government spending and tax cuts to a nation in the grip of a severe recession.

2/14/2009 9:30 pm \$54 billion to help states with their budget deficits and to modernize schools, \$27.5 billion for highway projects, \$8.4 billion for public transportation and \$9.3 billion for Amtrak and high-speed rail service.

2/14/2009 9:31 pm GPS in your license plate - no!

2/14/2009 9:31 pm Auto Insurance, Checked by cops - no!

2/14/2009 9:33 pm Super Air Bags on the outside of Semi Trucks and Cars - no!

2/14/2009 9:33 pm Dash cams in every car with wifi so the cops with the flashing lights on behind you can see inside your car before you pull over - no!

2/14/2009 9:34 pm \$27 billion for highway projects that leaves the same 27 million drunk drivers on the road - yes!

2/14/2009 9:36 pm Vision test for drivers, one by cops not some idiot at the DMV HQ - no!

2/14/2009 9:04 am Valentines Day demands from speed dating!

2/14/2009 9:38 pm 900 Super Shuttles demands speedy inventions from NASA scientists.

2/14/2009 9:39 pm Speeding up Social Inventions by taking away the MIT scientists from the Pentagon is imperative if we are going to travel to Alpha Centauri and gram stain Aliens in the Universe with the next generation of Space Telescopes costing more than \$2 Trillion dollars each. Bush's idiot father wasted \$1 billion building a Nuclear Aircraft Carrier, not counting the jet fighters that will sail with it. All in vain, for nothing but waste in an Oil Genocide Era by 2 mad men named Bush. I hope they hang together! With the Iraqi guy who hurled his shoes at Bush, As God is Hurling 9 Trillion Galaxies through Space and no one in the USA Congress can Observe them!

2/14/2009 9:41 pm Space Telescopes costing more than \$2 Trillion dollars is the stimulus invention light years from the Senators who are reincarnated Caesars.

2/14/2009 9:42 pm House Majority Leader Steny Hoyer chastised Republicans, saying they were letting another 40,000 women in the USA die of breast cancer in 2009 instead of putting a stop to these tortured deaths by letting Greg Buell work on a Rx Penicillin cure for breast Cancer... sticking to the same precepts that proved a failure for the 40,000 women who died every year of the 8 years Bush was President. Just to get even with Greg Buell... they let 40,000 women die a torturous death from Breast Cancer... they were organized and Lead by Kennedy who left his girlfriend to drown driving off a bridge drunk...

2/14/2009 9:52 pm Kennedy has been brain dead since he left his girlfriend to drown.

2/14/2009 9:54 pm Kennedy drove by 10 million fiery car wrecks since the invention of the ElectricWindmillCar in 1980 leaving those in a car on fire to burn and burn to death.

2/14/2009 9:55 pm Men ejaculate, Kennedy is responsible for 1 million deaths just in the USA from 1980 to 2009.

2/14/2009 9:58 pm Kennedy spit on God, got the Popes to spit on God for Oil Money deposits in the Vatican Bank, got WHO at the UN to let 1 billion people die from drinking dirty water when the gallon of water in your ElectricWindmillCar would provide 5 billion people on Earth with clean drinking water.

2/14/2009 10:02 pm Los Alamos nuclear weapons laboratory in New Mexico is missing 67 computers,

2/14/2009 10:05 pm American society is missing computers with the Invention Operating System, Windows 7 will kill millions more people... Coal power plants like the one in Boulder Colorado run by Xcel kill 3 people per 100,000 - they know this and build more coal power plants when cans of hydrogen from your ElectricWindmillCar should be heating your home and generating your electricity.

2/14/2009 10:08 pm Bill Gates knows 4 people per 100,000 will die from Windows 7 yet will not give up his status or money generated from a run of the mill Windows 7 Operating System and 100 Senators will go along with these deaths...

2/14/2009 9:04 am Valentines Day demands speed dating! A Rx Penicillin cure for Breast Cancer is the Best Gift men can give women.

2/14/2009 10:24 pm Read the page in Dr Chen's book "Final Exam" ... the breast cancer broke through the skin.... Page 192.

2/14/2009 10:28 pm Kennedy had brain cancer since he drove off the bridge drunk leaving his girlfriend to drown.

2/14/2009 10:28 pm Kennedy had brain cancer since he Observed Greg Buell at the George Orwell Reynolds branch Library in Boulder Colorado brainstorming and inventing the ElectricWindmillCar in 1980.

2/14/2009 10:31 pm Kennedy has had brain cancer since he went to President Carter the peanut farmer from Georgia, together they organized the worst genocide, holocaust in the history of Earth for more oil money.

2/14/2009 10:28 pm Kennedy had brain cancer since he toasted with the Queen of England and Sir Paul McCartney... let them eat cake, let them burn in gasoline, we are addicted to oil money!

2/14/2009 8:41 am \$9 trillion Putin has this much from Oil Revenues

2/14/2009 10:34 pm Natasha in Moscow and Saint Petersburg drive a car, Russian women can't drive home the Rx Penicillin cure for breast cancer to alcoholics who eat bacon to wash down the vodka.

2/14/2009 10:36 pm Vodka causes 100 breast cancer per 100,000 women.

2/14/2009 10:37 pm Putin with \$9 trillion dollars from oil revenues will not build even 1 state of the arts Medical School.

2/14/2009 10:38 pm Dr Chen graduated from Harvard and Yale Medical School, she came from Taiwan.

2/14/2009 9:05:48 am Valentines Eve Leslie and I read a page in Dr Chen's book "Final Exam" ... the breast cancer broke through the skin..

2/14/2009 10:41 pm I spent the morning speed dating "Orwellian Women" failing to get a date for Valentines Night, Wedding Night that would have been spent mostly brainstorming the Rx Penicillin cure for breast cancer because General Orwell is not finished getting even with Greg Buell,,, Greg Lovestar when I get many more wife's than King Abdullah has. As my wives can drive a car, get the ElectricWindmillCar equipped with dash cams with wifi that let the cops in the car behind you with the flashing lights on observe you before they pull you over etc... futuristic inventions.

2/14/2009 10:45 pm Futuristic woman MD's, from Taiwan like Dr. Chen and even some from Saudi Arabia who die from lack of a woman MD today. Will be the Goddess of Inspiration for men who ejaculate. Physiology of kissing women inspires light year inventions for NASA.

2/14/2009 10:52 pm Causes for delayed ejaculation are from those who do the torture in an Orwellian Society. Causes include: Lack of a partner a woman playing the roll model of Goddess of Inspiration because those like Kennedy organizing society have secretly picked the unsuspecting students who will be the next generation nuke scientist at Los Alamos. Kennedy and the other Mad Men will never, ever pick up on the Rx Penicillin cure for Breast Cancer.

2/14/2009 10:56 pm stimulate speed dating at the Bookend Café on the Pear Street Mall, not just Orwellian speed dating that ends in failure to get a Goddess and Man hooked up brainstorming because the Generals are addicted to War, and War Toys.

2/14/2009 10:58 pm LOST is on at 11 pm

2/14/2009 10:59 pm WOMEN who lost the battle with breast cancer on this Valentines Day want revenge on Kennedy and the other organizers who will not let women drive an ElectricWindmillCar in the USA.

2/14/2009 11:00 pm stimulate men and women on Valentines Day to Invent Something via inspiration, which is real, caused by real women devoted to being a Goddess of Inspiration, not intimidated by 9 trillion galaxies hurling through the

Universe. Or the Mad Men Kennedy's who buy their Senate Seat just like in ancient Rome.

2/14/2009 11:04 pm Dr Chen's book "Final Exam" ... the breast cancer broke through the skin... Torture of women in the USA and Saudi Arabia by the King.

2/14/2009 11:06 pm Kennedy did not stop for the accident victims in the fiery car wreck, in fact Kennedy organized the fiery car wrecks. Kennedy is responsible for 1 million deaths world wide.

2/14/2009 11:09 pm What stimulates men and women...

2/14/2009 11:10 pm Organizers of speed dating on Valentines Day 2009 want to stimulate Valentine Women into playing the role model of Goddess of Inspiration to get a man to invent the Rx Penicillin for Breast Cancer.

2/14/2009 11:12 pm Organizers on CU Campus secretly pick the students for the next generation of Nuke Scientists at Los Alamos and promote a Fag Era.

2/14/2009 11:13 pm Oil Genocide Era on CU Campus has replace the ElectricWindmillCar Era which would have driven Saudi Arabia's free University and free health care to all everyone in the USA, from the Profits of the ElectricWindmillCar Era.

2/14/2009 11:15 pm Bill Gates would be the guy who shot John Lennon in 1980 the same year the ElectricWindmillCar was invented in Boulder, CO.

2/14/2009 11:17 pm The 1 millionth ElectricWindmillCar coming off the Toyota assembly line will have to wait with the Valentine Day Goddesses of Inspiration for the Pentagon to go Bankrupt when the Torture of Breast Cancer is exposed on the Front page of the New York Times.

2/14/2009 11:19 pm No sane person would let so many millions of women die a

tortuous a death from breast cancer... No sane person would let so many millions burn and burn to death in fiery car wrecks...We watch 100 Senators drive by the fiery wrecks not stopping to help those in the cars on fire!

2/14/2009 11:22 pm Valentines Day 2009 Best Gift to "Women" is the Rx Penicillin cure for Breast Cancer! I hope I get a date soon!

2/14/2009 11:25 pm I hope I get a date soon!

2/15/2009 8:27 am I hope I get a date soon! I hope I get the Rx Penicillin cure for Breast Cancer before Valentines Day speed dating in 2010! I hope I get a date soon!

2/15/2009 8:28 am We have to bankrupt the Pentagon Generals before we can get a Rx Penicillin for Breast Cancer! Pentagon has had wartime authority to recruit "aliens" since shortly after the Sept. 11 attacks, Pentagon Generals have know abut the suppression of the ElectricWindmillCar and the deaths of 40,000 women a year just in the USA from 1980 to 2009 from a torturous Breast Cancer death!

2/15/2009 8:27 am I hope I get a date soon! I hope I get the Rx Penicillin cure for Breast Cancer before Valentines Day speed dating in 2010! I hope I get a date soon!

I wrote 3 Valentines Day Updates for End War On Earth as we might have to bankrupt the

Pentagon Generals before we can get a Rx Penicillin for Breast cancer

2/14/2009 8:43 am Men ejaculate, Mad Men burned 100 Million in Oil.

2/14/2009 8:45 am Leno holding on to Natasha for Valentine Dating.

2/14/2009 8:47 am Natasha speed dating looking for a Valentine Day Lover.

2/14/2009 8:48 Hydrogen and Oxygen mix to give us "Water".

2/14/2009 8:49 "Water" in your ElectricWindmillCar gives us Hydrogen.

2/14/2009 8:50 am ElectricWindmillCars are meant to stimulate vaccine makers, stimulate every man and woman on Valentines Day into making a list of Invention Projects... "Brainstorm while ejaculating, knowledge about the high kissing brings"

2/14/2009 8:56 am Knowing, Learning that Natasha, Shelly, etc is the Valentines Day Goddess of inspiration that can give men so many ejaculations the get the Rx Penicillin cure for Breast Cancer as the "Best Gift" men should be giving women on Valentines Day.

2/14/2009 8:59 am Leslie can not inspire this, she does not kiss or cum with you, this is what speed dating is for. To find the right Natasha or Shelly to be your Goddess of inspiration, to cum at the same time. Invent the Best Rx for women in what they need today, Valentines Day.

2/14/2009 9:02 am Watching Paris Hilton sex video is a distraction created by PARIS (AFP) - Energy giant Total, France's biggest firm, announced the highest annual net profit in French corporate history on Thursday, sounding a rare positive note in a week of grim financial news. In 2008 the firm made 13.9 billion euros (18.0 billion dollars) thanks to record oil prices in the first half of the year, which generated big enough revenues to overshadow a post credit crunch collapse in demand.

2/6/2009 5:47 pm RN's reinvented job duties with an Avalanche Beacon Tracker... reinvented!

2/6/2009 5:47 pm RN's reinvented job duties with an Avalanche Beacon Tracker, well a reinvented Avalanche Beacon Tracker, that has been reinvented to as a Nursing Home Tracker and Assisted Living Tracker, and an Alzheimer's Ward tracker, with motion sensors, light and heat sensors, distance sensors, the next generation of RN's will even know the name of the MD who spread Staph to another patient with their reinvented Avalanche Tracker.

2/6/2009 5:56 pm Stimulus Plans by Nigers will make you sick as the tainted peanuts they knowing shipped with gasoline that burst into flames with your kids in government approved kids seats in back.

*2/6/2009 6:01 pm Google put 1.5 million books in your pocket
The Mountain View Calif. Company will let iPhone users make searches, browsing and reading over 1.5 million digitized books much more convenient. Two things Google suppressed from its news, first reading "Animal Farm" without knowing the story of the invention of the ElectricWindmillCar and the Windmills in "Animal Farm", second is the genocide in California on the highways. Cars and trucks bursting into flames, when gasoline and smoke breaks should be nonexistent at Google in California and at the Avalanche Beacon Factory in Boulder,*

Colorado. Letting employees get paid for smoking a cigarette should be a government crime by employers! I calculated the cost in my head but have not talked to the President about this yet.

2/6/2009 6:14 pm Yesterday, Chase Bank JP Morgan analysis downgraded Round Rock, Texas's Dell Inc. to Unintelligent from Stupid Nigers in Texas sucking off Texas Oil Men citing the company's lack of diversification in a declining market that stifles 1,001 Invention Projects worth \$84 Trillion dollars in revenues. The analyst also adjusted his previous rate of global PC sales decline from -3.7% to -13.5% - due primarily to expected corporate computer replacement orders being held hostage and USA Citizens being tortured by their Niggardly Government for more oil genocide revenues. Until 2010 or until there is no more oil in Texas and Saudi Arabia.

2/6/2009 6:29 pm Los Alamos just got the newest IBM supercomputer up and running this week, now IBM's successor is the IBM BlueGene supercomputer, it will offer a computing power of 20 Petaflop and it will be operational in 2012, at Lawrence Livermore National Laboratory, as the Department of Energy's National Nuclear Security. IBM stifles 1,001 Invention Projects worth \$84 Trillion dollars in revenues. The Top Brass at IBM will hang for profiting from the worst series of genocides and holocaust the most and worst in the History of the USA. WHO at the UN will testify against IBM and the Individuals Nigers who profited from Exxon Mobil's \$45 Billion dollars in profits which were earned by suppressing the ElectricWindmillCar. Analyze This!

2/6/2009 6:40 pm Analyze these Mad Men at IBM, 3 supercomputers for Los Alamos related Nukes, instead of 300,000 million Dell's for inventors in the USA. Adjusted rate of global PC sales with no Nigers being

interviewed by Katie Couric, telling Katie they are a gangster, a rapper, not an interview by Katie Couric from a Campus Inventor.

2/6/2009 6:45 pm Yesterday, Stanford released Open Molecular Mechanics version 1.0. The software library is designed to greatly accelerate molecular computations through a standard library of simulation and advanced GPU utilization, OpenMM will allow simulations to run 100 times faster than was previously possible without GPU abilities. Harvard and MIT didn't release Inventor 1.0 to greatly accelerate the 1,001 Invention Projects that should be spelled out on this web page.

2/6/2009 6:49 pm NASA workers watch as Space Shuttle Discovery moves atop the crawler transporter onto launch complex ... Space Shuttle CAPE CANAVERAL, Florida (Reuters) - NASA Friday delayed the launch of the shuttle Discovery's mission to the International Space Station by three more days, to February 22, to allow more time to test potentially troublesome fuel valves.

2/6/2009 6:51 pm NASA workers watch the Top Brass at NASA suck off Texas and Saudi Oil Men, losing the workers 900 Super Shuttles that would be blasting off in 2009.

2/6/2009 6:53 pm MIT news just gave Fags \$100 million for Aids research when 100,000 million women have died from Breast cancer!

These MIT Nigers have the same mentality as the Gangster Rapper Katie Couric interviewed.

2/6/2009 6:55 pm Madonna has 4 mins to save the world! Write all the lyrics for her Penicillin Rx for Breast Cancer CD and World Tour.

2/6/2009 6:55 pm Madonna has 4 mins to save the world! Write all the lyrics for her Penicillin Rx for Breast Cancer CD and World Tour.

2/6/2009 6:55 pm Madonna has 4 mins to save the world! Write all the lyrics for her Penicillin Rx for Breast Cancer CD and World Tour.

2/6/2009 6:57 pm Sir Paul McCartney just released "Electric Arguments" his new CD. I have not looked up the lyrics on Google.

I imagine Sir Paul McCartney and the Queen of England toasted Let them Eat Cake, Let them Burn in Gasoline, We are Addicted to Oil Money.

2/6/2009 7:00 pm NASA Air Force Generals toasted the same toast with the Nigers Bush=Obama, Kennedy, Kerry and his rich wife, all the ruling class in the USA and the World. Even Paris Hilton and her parents know Bourne is Alive and Well in this Orwellian Society.

2/6/2009 7:08 pm NYC's "elevators" fleet needs to be reinvented like the RN's newly sophisticated Tracker. NYC all skyscrapers should have their elevators on the ousides of the building not in the center of the buildings

2/6/2009 7: the Niger Kennedy could have prevented 12 pm 9-11. Kennedy has been sucking off Nigers since the invention of the ElectricWindmillCar in October of 1980.

2/6/2009 7:14 pm Toyota could have prevented 9-11 by building the 1 billionth ElectricWindmillCar, have it come off the assembly line on John Lennon's BDay decades ago. Japan is a Criminal Nation guilty of letting its citizens in Tokyo burn and burn to death in gasoline's fiery car crashes.

2/6/2009 7:16 pm The tech world received a major announcement today. Fusion-io, a startup storage company, has lured one of the most intelligent individuals in the computer industry - Apple's co-founder

Steve Wozniak. Wozniak will serve as the company's chief scientist.

2/6/2009 7:17 pm The "Breast Cancer World" put a commercial on the Dom and Jane radio talk show in Denver, about being part of the Biggest Event in History to Celebrate, Walk for the Bravest Women in the World, be best friends when you get into camp for the night. This Breast Cancer Event as has been played on the Dom and Jane radio talk show 84 times this week alone.

2/6/2009 7:20 pm Pancreatic cancer is often deadly, although the court said doctors apparently found Ginsburg's growth at an early stage. In 1999, she had colon cancer surgery, underwent radiation and chemotherapy, and never missed a day on the bench. Statistics suggest this could be a tougher fight. Ginsburg underwent the surgery at the Memorial Sloan-Kettering Cancer Center in New York. She will remain in the hospital for seven to 10 days, said her surgeon, Dr. Murray Brennan

2/6/2009 7:23 pm Rx Penicillin Rx for an overnight cure for cancer was stifled and suppressed by every Justice on the Supreme Court since 1980. The Justices could have prevented 9-11 too.

2/6/2009 7:24 pm BOULDER, Colo. — The University of Colorado will ask the state to go through with its commitment to help fund a \$63.5 million visual arts complex that's being built on the campus. The state had agreed to pay \$18.47 million for the visual arts complex, which crews began building last April. But amid the economic downturn, the building landed on the state's "construction freeze" list along with two other CU projects that have yet to be started." We've got a CU gigantic concrete shell of a building at the heart of our campus," said CU spokesman Bronson Hilliard. "It's important we complete it." Our University President is an Oil Man in a Oil Genocide Era, we don't want a Medical School built on Campus in our current Oil Genocide Era

2/6/2009 7:30 pm The Universe at the University of Colorado is void of

Aliens and any CU student inventors working on a new gram stain to observe anything Alien in our Universe.

2/6/2009 7:32 pm "Tin Can" University, University of Colorado should be free, stocked with quad core Dells with touch screens with a non-Microsoft Operating System, not Vista or even Windows 7 but with the Inventor Operating System. Bill Gates sucked off Texas and Saudi Oil Men and got Aids. MIT Inventors don't use Vista and will never use Windows 7 no matter how many Fags Bill Gates sucks off.

2/6/2009 7:36 pm Estrogens have a major effect on the development of breast cancer. About 60% of premenopausal and 75% of postmenopausal breast cancer patients have estrogen-dependent tumors. In estrogen-dependent breast tumors, estrogens induce the production of peptide growth factors which are responsible for the proliferate response of cancer cells. Aromatase is the enzyme that synthesizes estrogens, so an abnormality in the function of aromatase in breast cancer tumors must have a significant influence on tumor growth in breast cancer patients.

2/6/2009 7:40 pm Breast cancer survivors whose bodies make the least estrogen have the lowest chance of breast cancer recurrence, a long-term study shows. Estrogen levels -- measured soon after initial breast cancer treatment -- were twice as high in women whose breast cancer returned as in those whose breast cancer did not come back. So where did the estrogen come from? Fat cells, tissue, says study investigator Cheryl Rock, PhD, RD, a professor in the cancer prevention program at the University of California, San Diego. "Fat cells, tissue are the primary non-ovarian site for estrogen production in the body, "And what makes this worse is that the elevated insulin levels associated with obesity are suppressing sex-hormone binding globulin [which removes free estrogen from the circulation]."

2/6/2009 7:46 pm Suppressing the Penicillin Rx Miracle Overnight Cure for Breast Cancer...

2/6/2009 7:48 pm a Study points to cancers financial malignancy, addicted to cancer revenues, MD's have been successfully diagnosed with greed. When Christine Franklin was diagnosed with breast cancer, she spent at least \$7,000 in out-of-pocket medical expenses, but was able to continue working as a busy sales executive.

2/6/2009 7:52 pm Stimulus...Wives, I want to get many Wives, 2 or 3 with breast cancer. Greg's Wives will play the role model of Goddess of Inspiration so I can get the Penicillin Rx for Breast Cancer for your wives with breast cancer, and everyone else who has a wife with breast cancer today.

2/6/2009 9:01 pm Stimulus are the Roses, the women I look at dreaming, and Valentine Day card in anticipation of finally being allowed by the worst genocidal government in history to work on a miracle Penicillin Rx for breast cancer with a house jam-packed with Greg's wives.

2/6/2009 8:44 pm Stimulus is driving down the highway in your new ElectricWindmillCar with more wives than Heftner, celebrating getting the Rx Penicillin for a breast cancer cure and knowing love crazy MD women at NASA will be too busy working to get in any trouble. Working on building 900 Super Shuttles, docked like a train in orbit. To Hell with light rail and trains on Earth, monorails with 2 rails wide enough for a semi to drive on, will prevent you from getting run over by a gasoline tanker truck on the highway.

2/6/2009 9:20 pm RN's reinvented job duties with an Avalanche Beacon Tracker, well a reinvented Avalanche Beacon Tracker, that has been reinvented to as a Nursing Home Tracker and Assisted Living Tracker, and an Alzheimer's Ward tracker, with motion sensors, light and heat sensors, distance sensors, the next generation of RN's will even know the name of the MD who spread Staph to another patient with their reinvented Avalanche Tracker.

1/30/2009 9:57 pm Secret Senate votes since 1980 when the ElectricWindmillCar was invented lead to this Oil Genocide and even the Jews have no regrets about the American Citizens burned and burned to death... 2,009 or 200,000 only the CIA know the exact number of Genocide victims in the USA.

1/30/2009 9:57 pm Exxon Mobil record 45.22 billion dollar profit in 2008

1/30/2009 10:08 pm ABC + NBC Nightly News tonight reported the Exxon Mobil record profits are the top record in the history of the USA ever. Then ABC and NBC Nightly news on their closing stories both had Nigers giving away peanuts to some poor people in the USA.

1/30/2009 10:15 pm What was the drunks psychological boost toast over the 45 billion that lead to Exxon Mobil, The Senate, and The Pentagon to report on ABC and NBC Nightly News today that they have no regrets about any fiery wrecks and anyone and everyone burned and burned to death in gasoline is their poor luck in life?

1/30/2009 10:31 pm Pfizer faces the expiration of its patent rights to Lipitor, the best-selling drug in the world, in 2011, which accounted for a quarter of the company's 2007 revenue of \$48 billion.

1/30/2009 10:32 pm 1,001 Invention Projects spelled out on this web page since 1980 would have generated \$84 Trillion dollars and lead to the Pentagons Bankruptcy and the rise of NASA's light year travels at faster than the speed of light by docking 700 Super Shuttles in Orbit then blasting off.

1/30/2009 10:35 pm Leno starts the monolog with the Super Bowl. Then a Nudists Resort joke. New York Times 2 lbs of bacon the explosion is your heart after eating this. All preventable heart problems. Evidence Exxon Mobil profits infect Bacon Sellers and the MD's who profit from Bacon Eaters. Post Office has to ask the Senate when they want to do fewer inventions, which is the right people to ask to get a Yes! Several video clips instead of jokes, TGIF Leno is burned out on giving this monolog tonight, no I didn't look up from writing to watch the several video clips in tonight's monolog.

1/30/2009 10:46 Recent automobile accidents with tragic results have prompted questions about the eyesight of elderly drivers, motion sensors, sensors over intersections, radar for cars, super air bags on the outside of semi trucks and passenger cars. All have been "Lost" to Nigers in Obama's inner circle who's profit comes from "Whites" who have burned and burned to death in the worst genocide, holocaust in history, another "Record" the worst genocide, holocaust in the history of the Earth!

1/30/2009 10:56 pm Now that they know what causes the swarming behavior, scientists can begin looking for ways to prevent it.

1/30/2009 10:57 pm WASHINGTON DC A chemical that affects people's moods also can transform easygoing desert locusts into terrifying swarms that ravage the countryside, scientists report. "Here we have a solitary and lonely creature, the desert locust. But just give them a little serotonin, and they go and join a gang." The brain chemical serotonin has been linked to mood in people. It plays a role in sexual desire, appetite, sleep, memory and learning, promoting inventing or state lotteries.

1/30/2009 10:59 pm Pfizer earned \$48 billion since I applied for a job there, putting on my resume my total recall memory pill invention project, Pfizer failed to get a Total Recall Memory pill but succeeded in suppressing me from inventing a Total Recall Memory pill for students on Campus and society in general for the advancement of society, this is a crime they should be put on trail for.

1/25/2009 10:14 am God - The Niger Obama is giving money to those who do abortions while thousands of women in the USA will die from Breast Cancer today, their friends and daughters woke to read our new Niger President of the USA is giving money to those who do abortions ASAP not to those who are working on a Penicillin Rx cure for Breast Cancer Today!

1/25/2009 10:14 am 1,300 people died in Gaza during the offensive, by Jewish troops, Nigers too stupid to know they were scammed by their governments Top Brass forever! All Eternity in Hell because you killed for your Niger Government!

1/25/2009 10:14 am 1,300 Galaxies were left out of the invasion briefings to the troops the Generals regarded as stupid Nigers.

1/25/2009 10:15 am If these troops were told about God hurling Trillions of Galaxies at Bush they would have killed the Top Brass in the government

before women and kids in Gaza.

1/25/2009 10:15 am God will sort this out but it does not look good for the Israeli Troops who are guilty of war crimes in any God's Judgments of what goes on, on Earth!

1/25/2009 10:15 am Hell in the USA is gasoline burning those who toasted let them eat cake, were addicted to oil money!

1/25/2009 10:16 am Obama profited from 9-11 and "White Cops" burned in gasoline. By becoming the President of the USA in an Oil Genocide Era, the worst Genocide, and Holocaust in the history of Earth! And our President is a Niger... how appropriate!

1/20/2009 9:29 pm Today Kennedy left the car crash victims to burn to death, while Caroline Kennedy watched and did nothing to save them from the gasoline flames.

1/25/2009 10:10 Today Caroline Kennedy broke with Ted Kennedy, refusing to become a Roman Senator watching the fiery car wrecks caused by Bush and Obama tossing gasoline bombs at SUV's on the streets of the USA for more oil money!

1/25/2009 10:25 Caroline Kennedy broke with Ted and the rest of the 100 gasoline Senators of the USA

1/25/2009 10:27 am No longer will Caroline Kennedy sit and watch fiery wrecks with American Civilians burring to death inside for more Oil Money.

1/25/2009 10:28:08 am Senator Ted Kennedy brain dead to Trillions of Galaxies just hurled at Bush

1/25/2009 10:10 Today Caroline Kennedy broke with Ted Kennedy, refusing to become a Roman Senator watching the fiery car wrecks caused by Bush and Obama tossing gasoline bombs at SUV's on the streets of the USA for more oil money!

1/25/2009 10:24 am Caroline Kennedy has been tortured not by God buy by Senator Ted Kennedy.

1/25/2009 10:25 Caroline Kennedy broke with Ted and the rest of the 100 gasoline Senators of the USA

1/25/2009 10:27 am No longer will Caroline Kennedy sit and watch fiery wrecks with American Civilians burring to death inside for more Oil Money.

1/25/2009 10:37 What in God's Universe waits for Caroline Kennedy now that she broke off with Ted?

1/20/2009 9:40 pm Obama profited from 9-11 and "White Cops" burned in gasoline. By becoming the President of the USA in an Oil Genocide Era, the worst Genocide, and Holocaust in the history of Earth! And our President is a Niger... how appropriate!

1/20/2009 9:26 pm Sen. Kennedy OK after seizure at Obama's luncheon.

1/20/2009 9:29 pm Today Kennedy left the car crash victims to burn to death, while Caroline Kennedy watched and did nothing to save them from the gasoline flames.

1/20/2009 9:32 pm "Lost" and "24" I will work 24/7 with 7 wives to make up for what has been lost by Kennedy since he observed me and spit on me at the George (Orwell) Reynolds library in Table Mesa when I came in, ran to the camera behind the mirror, smashed it just like in "1984" and told the Observers I just invented the ElectricWindmillCar. This was in October 1980.

1/20/2009 9:32 pm "Lost" and "24" I will work 24/7 with 7 wives to make up for what has been lost by Kennedy.

1/20/2009 8:03 pm X-ray crystallography routinely yields the structures of proteins

1/20/2009 8:04 pm Ice acoustics for detecting neutrinos, something else for detecting more quarks. The manufacturing process of the glue that holds strange quarks together.

1/20/2009 8:04 pm 2009 Model Space Telescope for detecting Aliens

1/20/2009 8:32 pm 900 new Super/Shuttles not yet designed or built by Ball Aerospace

1/20/2009 8:05 pm CU Mercenaries at Ball Aerospace spit on me, Greg Buell as I bike by their buildings at 55th and Arapahoe while inside they were working on repairs for an antiquated antique Hubble Space Telescope. Same Marriage conflicts with the Shuttle when they all know about the Top Secret idea to dock a 900 Supers\Shuttles Train in Orbit, same niger mentality moved the old train station to behind Pollard Jeep Dealership in order to bring passenger train travels to Boulder, Colorado. This are the train tracks were Leno made the joke in Boulder, Colorado a guy got hit by a train twice in the same day. You can not search for this joke on Leno's web, as NBC is not that sophisticated in designing Leno's web page. You can search my web pages for this joke as I wrote it up too. http://www.nbc.com/The_Tonight_Show_with_Jay_Leno/

1/20/2009 8:28 pm Ice acoustics for detecting neutrinos

1/20/2009 8:34 pm X-ray crystallography routinely yields the structures of proteins

1/20/2009 8:44 PM Scientists from MIT's Division of Comparative Medicine and Department of Biological Engineering have found that nitric oxide produced by inflammatory cells during bacterial infection can cause colon cells to become cancerous.

1/20/2009 8:35 pm CU Mercenaries working for Nigers Obama, Colin Powell, McCain, Kennedy, Bush... suppress the ElectricWindmillCar Era that would have given CU students 1,001 Invention projects like detecting Aliens in the Universe with ideas to go along with the invention project such as in this End War News Update about Ice acoustics for detecting neutrinos and X-ray crystallography routinely yields the structures of proteins. Also MIT's nitric oxide discovery.

1/20/2009 8:41 pm Nitric oxide shown to cause colon cancer Study offers proof of compound's role in disease Anne Trafton, News Office January 19, 2009 Researchers long ago established a link between inflammation, cancer and the compound nitric oxide, which may be produced when the immune system responds to bacterial infections, including those of the colon. However, the exact nature of the relationship was unknown -- until now. Scientists from MIT's Division of Comparative Medicine and Department of Biological Engineering have found that nitric oxide produced by inflammatory cells during bacterial infection can cause colon cells to become cancerous.

1/20/2009 8:42 pm Ice acoustics for detecting neutrinos Several experiments are operating or being built to detect astrophysical neutrinos. Ranging up to about a cubic kilometer in size, those experiments are embedded in ice or in a liquid such as water, where they watch for telltale flashes of Cherenkov radiation. (See the article by Francis Halzen and Spencer Klein in *Physics Today*, May 2008, page 29.) But the highest-energy neutrinos, with energies of an exaelectron volt (1EeV = 10¹⁸ eV) or higher, are so scarce that installations spanning 100 km³, along with massivenumbers of expensive photomultiplier tubes, would be needed to collect adequate event statistics in a reasonable time. So other detection schemes are being explored, one of which involves acoustics: When a very-high-energy neutrino interacts with water or ice, a sudden localized thermal expansion occurs and the resulting wave propagates farther than the light flashes. To explore that method, the Aachen Acoustic Laboratory was set up in late 2007 and its first experiment made a precise measurement of the speed of sound in ice that is entirely devoid of bubbles and cracks. The Aachen physicists carefully positioned an array of sensors--six detectors and one emitter--in a 3-m³ water tank (shown here) equipped with a freeze-control unit and a degassing system. The difference in arrival times of an acoustic pulse at adjacent receivers determined the speed of sound. Between 0 °C and ?17 °C, where they took measurements, the speed ranged from about 3840 m/s to 3890 m/s, agreeing well with earlier laboratory experiments. The team is also part of SPATS (the South Pole Acoustic Test Setup), which is currently obtaining complementary in situ measurements.X-ray crystallography routinely yields the structures of proteins with 0.1-nm resolution. But how does one take a detailed look at something far bigger a chromosome, say, or a cell nucleus? Such objects don't crystallize, because no two individual examples have the same shape. And at a micron or so in size, they're too thick for electron microscopy. X rays, of course, pass through whole animals, not just single cells. For the past decade, the practitioners of a technique called x-ray diffraction microscopy have been steadily improving their ability to image single, biological samples. XDM's latest milestone is shown here. Made at the SPring-8 synchrotron in Sayo, Japan, this image of a pair of human chromosomes is the first from XDM in three dimensions. In general, determining a structure from a diffraction pattern requires obtaining the phases of the scattered photons. Those phases are lost when the diffraction pattern of a crystalline sample is detected; ingenious methods are needed to recover them. In XDM, the phases remain within the continuous diffraction pattern cast by the isolated sample. If the pattern is measured on a fine enough spatial scale, a computer algorithm can yield the structure by iterating between real space and diffraction space. he multiple exposures required to create this three-dimensional image damaged the sample and limited resolution to 120 nm. In principle, further improvements could push the resolution down to 10 nm

1/20/2009 8:50 pm What is new, however, is the ability to induce plants to create new products by tinkering with the plants' own synthetic pathways. O'Connor's laboratory has studied periwinkle for several years because it produces a variety of alkaloid compounds of pharmacological interest, including

vinblastine, a drug commonly used to treat cancers such as Hodgkin's lymphoma. Periwinkle also produces serpentine, which have shown promise as anti-cancer agents, and ajmalicine, which is used to treat hypertension. Other plant-produced compounds have shown pharmacological activity but are too toxic for use in humans.

1/20/2009 8:51 pm CU Mercenaries spit on the periwinkle!

1/20/2009 8:51 pm CU Mercenaries spit on the 900 car train of Super Shuttles docked in orbit, for nine or ninety new buildings on CU campus selling out the class of 2009 for Oil Money bribes that are covered not in blood but in humans burned in fiery car wrecks.

1/20/2009 8:51 pm CU Mercenaries spit on the idea of building a state of the arts Space Telescope, manned 24/7 like I will be working on Invention projects when these CU Niger Mercenaries come out from behind the hidden cameras. May they all hang together and on Campus!

1/20/2009 8:51 pm CU Mercenaries spit on God, even after God hurled trillions of Galaxies at Bush for his war crimes in Iraq killing his own troops by not ending the war with the ElectricWindmillCar Invention.

1/20/2009 9:02 pm CU Mercenaries sold their soul, hopefully their conscious thought in the brain that travels to a distant galaxy when we die.

1/20/2009 9:04 pm Dr. Pauline Chen who wrote the book "Final Exam" will have multiple organisms when the Coup leaders build a Medical School over every Football Stadium on every Campus in the USA. Dr. Chen missed the ElectricWindmillCar's era of spin off inventions and Dr Chen missed not having a list of 1,001 Inventions Projects on her 1st day at Harvard Medical School in 1981, one year after the invention of the ElectricWindmillCar in Boulder, Colorado.

1/20/2009 9:08:51 pm Formaldehyde and Mandatory Organ Donation have the same bouquet. Perfumes of Paris Hilton and Madonna aren't well known outside of their inner circle of acquaintances.

Tuesday, January 20, 2009 9:14 pm "Lost" is on TV tomorrow.

Tuesday, January 20, 2009 9:14 pm "Lost" a Penicillin Rx to cure Breast Cancer via CU Mercenaries who hopefully will all hang together on Campus.

Tuesday, January 20, 2009 9:14 pm "Lost" State of the Arts Space Telescope via CU Alumni working at Ball Aerospace at 55th and Arapahoe. With time enough to come out of their office when I bike by and spit at me.

Tuesday, January 20, 2009 9:14 pm "Lost" Senator Kennedy drunk when he drove off the Chappaquiddick Bridge, he then left and left his girlfriend to drown. Then Senator Kennedy became a Mad Man worst than the 12 Caesars. Caroline Kennedy has been infected with the same killer virus, she caught from Ted. She helped kill 40k women with Breast Cancer. Caroline Kennedy left babies in hot cars to die too.

1/20/2009 9:26 pm Sen. Kennedy OK after seizure at Obama's luncheon.

1/20/2009 9:29 pm Today Kennedy left the car crash victims to burn to death, while Caroline Kennedy watched and did nothing to save them from the gasoline flames.

1/20/2009 9:32 pm "Lost" and "24" I will work 24/7 with 7 wives to make up for what has been lost by Kennedy since he observed me and spit on me at the George (Orwell) Reynolds library in Table Mesa when I came in, ran to the camera behind the mirror, smashed it just like in "1984" and told the Observers I just invented the ElectricWindmillCar. 1/20/2009 9:39 pm Kennedy a Mad Man worst than the 12 Caesars.

1/20/2009 9:40 pm Kennedy could have prevented 9-11

1/20/2009 9:40 pm Bush could have prevented 9-11

1/20/2009 9:40 pm Carter could have prevented 9-11

1/20/2009 9:40 pm Clinton's could have prevented 9-11

1/20/2009 9:40 pm Obama profited from 9-11 and "White Cops" burned in gasoline. By becoming the President of the USA in an Oil Genocide Era, the worst Genocide, and Holocaust in the history of Earth! And our President is a Niger... how appropriate!

1/20/2009 5:22 AM Obama meet with Powell not any Whites burned in gasoline!

1/20/2009 5:22 AM this is a hate crime - A Oil Genocide that is a hate crime by Nigers who profit from White Cops and kids burning in gasoline for more oil money\$\$\$

1/20/2009 5:22 AM "White Cops" and Kids burned in gasoline while the Nigers Obama, Colin Powell, McCain, Kennedy, Bush... suppress the ElectricWindmillCar Era that would have given checks not \$5k to Each passenger on the Crashed Jet of last week but \$1.1 Billion to the widows of 9-11 years waiting for the suppression of the ElectricWindmillCar to end so their complaints about how 9-11 would have been prevented with 1 billion ElectricWindmillcars coming off the Toyota assemble line on John Lennons BDay 1981.

1/20/2009 5:22 AM Obama meet with Powell not any Whites burned in gasoline!

1/20/2009 5:22 AM \$5,000 to Each Passenger on Crashed Jet. Saying that luggage and other belongings might be stuck with investigators for months — or "unrecoverable" — US Airways sent \$5,000 checks over the weekend to each of the 150 passengers on Flight 1549 to help compensate for items left behind when their plane crash-landed in the Hudson River. Barry Leonard, a passenger who suffered a cracked sternum and bruising during the splash landing, received his checks on Monday morning at his home in Charlotte, N.C. — the original destination of Flight 1549.

1/20/2009 5:22 AM WASHINGTON - A relaxed and upbeat Barack Obama invoked the spirit of Martin Luther King Jr. and lavished praise on two prominent Republicans in calling for a new spirit of bipartisanship. After visiting wounded veterans and helping volunteers paint a dorm for homeless teens in Washington, Obama dashed to three black-tie dinners Monday night. One honored Sen. John McCain, the Republican he defeated in November, and another honored Colin Powell, who was secretary of state for President George W. Bush.

1/18/2009 9:59 pm. News about the New York Times on 1/20/2009

1/18/2009 9:59 pm. 40k more women just in the USA in 2009 will be killed by "Bush then Obama" starting on 1/20/09. None will make the front page of the New York Times on 1/20/09. Every picture you see of Obama on the front page of the New York Times, replace this in your minds eye with 40k dead white women, all killed by Obama. Who profits from the suppression of the ElectricWindmillCar and the suppression of the Penicillin Rx for Breast Cancer. The miracle Rx cure for Breast Cancer was suppressed by Obama in an Orwellian Society.

1/18/09 "White Cops + kids burned in gasoline - picture them when you see Obama on the front page of the New York Times. Mentally replace Obama's

pictures with whites burned in gasoline. Obama won only because he profits from White men's faces burned in gasoline, White Cops are burning for revenge in our Orwellian Society, they are mocked by Caroline Kennedy and the brain dead Ted Kennedy on the front page of the New York Times. Picture this; after the NYPD hangs everyone at the New York Times the only pictures on the front page will be of "White Cops" burned in gasoline, everyday for months, years until every "White Person" burned in gasoline during the Oil Genocide Era has made the Front Page of the New York Times! Then the 40k women killed by Bush every year he was President of the USA will have their revenge. Will Bush Obama be tried for Burning white cops + kids in gasoline first, or losing the Penicillin Rx for a breast cancer cure? Neither maybe, 100 babies a year died left in hot cars, when the ElectricWindmillCar would have been climate controlled just like your home. These baby killers are from the mentality of the Vietnam Era, yes babies were killed then and now and the New York Times does not print these baby pictures on the front page... Only Obama and Bush get their pictures on the front page of the New York Times.

1/18/2009 9:57 pm Successful Coup D'Etat that Ends War on Earth and gives us real inventors who want to get the Rx miracle cure of a Penicillin Rx for Breast Cancer. As 40k more women just in the USA in 2009 will be killed by Bush-Obama and the Pentagon Generals playing War Games instead of working on a Penicillin Rx for Breast Cancer

1/18/2009 10:27 pm Just a short update before 1/20/09 as the old women at the Avalanche Beacon factory what a giant screen TV in the production area for Obama on Tuesday the 20th. They killed in their minds eye all 40k women who died of Breast Cancer, and the 40k who will die of Breast Cancer this year! "1984" the book by George Orwell, when I rewrite this book the old women at the Avalanche Beacon factory in Boulder, Colorado will be the co-workers of the couple who smash the mirror and find Observers watching and murdering babies left in hot cars, [cold cars in Moscow] by suppressing the climate controlled ElectricWindmillCar.

1/18/2009 10:34 pm Alpha Centauri is light years from being on the front page of the New York Times too!

1/3/2009 7:25 PM Greg Buell inventor of the ElectricWindmillCar is Alive and Well in Boulder, Colorado!

1/3/2009 7:25 PM Avalanche of Oil Money Bribes \$.

1/3/2009 7:25 PM And you will die in "A Colorado Avalanche" of Oil Money Bribes \$\$\$ More people have been killed by those taking oil genocide bribes than any other Genocide or Holocaust in history and the center of this Universe is Boulder, Colorado. You better watch Leno on Monday 5 Jan. 2009!

1/3/2009 7:25 PM God hurling Several Trillion Galaxies is the End War News for this update. I knew I would write something about the Iraqi who hurled his shoes at Bush. Wanted to write this in the days the story was making news but Observers stopped me from writing for the longest time in years, no telling what's going on behind the hidden cameras in this Orwellian Society. Dad at 85 wrote today that he saw Tom Cruise movie on Christmas Day and it had a sad ending. I hope the cops with gasoline burns on their faces and bodies don't have a sad ending for 2009 like they had for 2008, unable to pull off a successful Coup d'état on Bush and the Pentagon Generals! Troops burned in Iraq are in almost the same place as the NYPD and California Highway Patrol cops burned in the USA. Between a rock and a hard place with even the Pope taking bribes from Texas and Saudi Oil men for the Vatican Banks Christmas presents of 2008 \$\$\$\$. I've been rewriting this End War news since I first published it at 2 am this morning and it's getting better every hour. This time next year we'll know if I succeeded in starting a Revolution that stopped the Orwellian President of the USA, and the Pentagon Generals from hurling gasoline bombs at SUV's driving down the streets of the USA and letting troops in Iraq burn in vain instead of using the ElectricWindmillcar to win the War Overnight... Caesar was killed by his own Palace Guards. So far the FBI has let 1 million Americans be burned and burned to death by the Orwellian Presidents of the USA who are reincarnated Caesar's financing their War Games with Oil Genocide Revenue. Lenin in 2009 going up against Putin with \$9 Trillion dollars in cash from Oil and Gas revenue would fail to pull off the Russian Revolution. Caesar is not our only option, but the quickest one! You can call a cop, but not the FBI!

1/3/2009 7:25 PM Greg Buell inventor of the ElectricWindmillCar and future inventor of the Rx of Penicillin Cure for Breast Cancer is Alive and Well in Boulder, Colorado. No thanks to the fraud by the City of Boulder in my working as a real Inventor, I will bribe the ElectricWindmillCar Coup leaders at the NYPD to taster more than just Boulder's lesbian dykes. Who stifle inventors by their killing inventive husbands... grin. Its been so long..... since the last update of End War News. I just wanted to publish this on my web page before its been rewritten! Now its been rewritten a few times its 1/4/2009 9:20 am now. I now have for 2009 a student copy of Office 2003 it this 2009? What year is it at Microsoft? Bill Gates is going to Hell... I tried Office 2007 at FedEx Kinkos and wasted my time looking for copy and paste ha... never even found save as... I like Office 2003 and Word 2003. ElectricWindmillCar Coup leaders will give us a free copy of Office 2009 with a on line grammar and spell checker on a Server, if they pull off a successful Coup this year. Bill Gates protection by Bush is wearing thin as Windows 7. Windows 7 will have the same greed mentality Bill Gates is known for. Texas and Saudi Oil men Toast with Bill Gates\$. I just wrote this End War News update after working 8 hours at the Avalanche Beacon Factory here in Boulder, Colorado from 7 to 3 pm today so enjoy it and invent something in 2009!

1/3/2009 7:25 PM 009 waiting for Sony to release the "Quantum of Solace," on DVD and ready to help Sony write the next Bond Movie! E-mail all your ideas for the next 007 to Sony, they will read them all, and use any good ideas. Sony is not Microsoft!!!

1/3/2009 7:25 PM I told the engineers at the Avalanche Beacon Factory I have a new years resolution for all of you. Write out that you will invent something to make your first million dollars in 2009... Then give it to your wife along with a cattle taster to get you started, grin. I got a better joke than Leno will have about New Year's resolutions when he comes back on Monday.

My new years resolution is to pull off a Coup that Ends War on Earth and gives us real inventors who want to get the Rx miracle cure of a Penicillin Rx for Breast Cancer as 40k more women just in the USA in 2009 will be killed by Bush-Obama and the Pentagon Generals playing War Games instead of working on a Penicillin Rx for Breast Cancer.

1/3/2009 7:25 PM Madonna: Generals wives should cut off the Generals tits!

1/3/2009 7:25 PM Madonna: Generals wives should cut off the Generals tits!

1/3/2009 7:25 PM 40k killed every year for the last 8 years via breast cancer!

1/3/2009 7:25 PM Caroline Kennedy spit on Katie Couric when she reported the 40K

1/3/2009 7:25 PM Madonna: beat goes on

1/3/2009 7:25 PM Don't sit there like some silly girl

1/3/2009 7:25 PM If you wait too long you'll be too late

1/3/2009 7:25 PM I'm not telling you something new

1/3/2009 7:25 PM There ain't no time to lose (No time to lose)

1/3/2009 7:25 PM Madonna: Gravity control invention was lost by MIT grads.

1/3/2009 7:25 PM Madonna's mother died from breast cancer.

1/3/2009 7:25 PM That would have been cured if we would have used Vietnam's \$\$\$.

1/3/2009 7:25 PM Vietnam will hang its current President and top Leaders because they let Vietnamese burn and burn to death in exchange for oil bribes from the President of the USA!

1/3/2009 7:25 PM Coup d'état will have a domino effect.

1/3/2009 7:25 PM Swiss Bankers who took Hitler's money.

1/3/2009 7:25 PM Will finally hang for taking Oil Genocide money from Texas and Saudi Arabia!

1/3/2009 7:25 PM Cops in Italy will hang the Pope!

1/3/2009 7:25 PM Coup d'état at the Yale New Haven Medical School.

1/3/2009 7:25 PM Will give us a windfall of Medical Schools build over every Football Stadium!

1/3/2009 7:25 PM CU students asked to vote on new campus buildings built by Illogical Philosophers.

1/3/2009 7:25 PM Philosophers who drink gasoline money to build "Buildings" that are harmful as gasoline exhaust to students adult inventions to cure disease and gram stain trillions of galaxies. The futuristic gram stain is not dead, just not in the current editions of Philosophy text books sold by CU Bookstore.

1/3/2009 7:25 PM CU students are ripped off by CU Alumni and Landlords!

1/3/2009 7:25 PM Fraud ok'ed by the City of Boulder, Colorado.

1/3/2009 7:25 PM People on every Ocean need a "Tracker"

1/3/2009 7:25 PM God hurling Several Trillion Galaxies.

1/3/2009 7:25 PM And you will die in a Colorado Avalanche of Oil Money Bribes \$\$\$.

1/3/2009 7:25 PM I will use the ElectricWindmillCar money to bribe people too...

1/3/2009 7:25 PM God hurling Several Trillion Galaxies.

1/3/2009 7:25 PM Madonna: Ray of light speeding faster than the speed of light. 900 Super Shuttles docked together in orbit like a Train ready to blast off for Alpha Centauri.

1/3/2009 7:25 PM Madonna: Coup d'état at the Yale New Haven Medical School.

Then we can go faster than the speed of light

Getting the Over night Penicillin cure for breast cancer is past due!

1/3/2009 7:25 PM CU football stadium

1/3/2009 7:25 PM CU Alumni are building new buildings on CU today for football fans not inventors after the Penicillin for Breast Cancer!

1/3/2009 7:25 PM President Gee's wife died of breast cancer at the University Med School in Denver.

1/3/2009 7:25 PM In 1984 four years after the ElectricWindmillCar Invention in Boulder, Colorado.

1/3/2009 7:25 PM She died knowing about its suppression

1/3/2009 7:25 PM She didn't know its suppression also suppressed her Rx for Breast Cancer Penicillin

1/3/2009 7:25 PM God hurling Several Trillion Galaxies.

1/3/2009 7:25 PM Bush ducked out of the way of two Galaxies.

1/3/2009 7:25 PM Several Trillion Galaxies are mind-blowing, so 12 million will be diagnosed with some form of cancer in 2009. And the Jews today invaded Gaza instead of starting work on a Penicillin Rx to cure cancer with one Rx.

1/3/2009 7:25 PM 7.6 million people will die from cancer in 2009.

1/3/2009 7:25 PM Madonna's Sticky and Sweet Tour at age 50. Madonna in 1980 when the ElectricWindmillCar was invented in Boulder, Colorado. Tacky and Unattractive thoughts of all those who crashed in burned in a fiery wrecks between 1980 to 2009. Needlessly and killed, burned in vain just like the troops in Iraq and by the same Mad Men running the USA!

1/3/2009 7:25 PM Madonna: so energetic, missed one beat, to expose the suppression of the ElectricWindmillCar at her concert in Denver... Why?

1/3/2009 7:25 PM Madonna: the tireless architect of the gravity controlled car, futuristic inventions we know will be here in 2009. Madonna: Hurling insults at Bush, being a New York Pussy, Madonna: is waiting for the NYPD to arrest Bush. I Love New York...

1/3/2009 7:25 PM Pope Benedict said Galaxies, trillions of Galaxies hurling through the Universe can stimulate understanding and appreciation of God! Catholic Church condemned Galileo in the 17th century for supporting Nicholas Copernicus' discovery that the Earth revolved around the sun; church teaching at the time placed Earth at the center of the universe. In 1992, Pope John Paul II apologized, saying that the denunciation was a tragic error. In 2009 the tragic error of Pope Benedict is in taking \$\$\$ billions in Oil Bribes from Texas and Saudi Oil men. This is a tragic error more so than the condemning of Galileo. My invention project to End War on Earth is a gram stain invention to observe Aliens in the Universe. Same telescope Galileo used 400 years ago to observe our right place in the Universe. Tragic is Oil Money and Microsoft greed. All are linked in our Era; one would not happen without the others. Avalanche!

1/3/2009 7:25 PM "MIT researchers have found that the pigments responsible for the blue-green stain of the mucus that clogs the lungs of cystic fibrosis patients are primarily signaling molecules that allow large clusters of the opportunistic infection agent, Pseudomonas aeruginosa, to organize themselves into structured communities. For decades, these pigments, called phenazines, have been wrongly regarded as antibiotics, generated by P. aeruginosa to kill off the microbe's bacterial competitors in the lungs. This new insight about the leading cause of death of people with CF suggests that the phenazine-processing machinery could become a potential target for drugs to treat P. aeruginosa infections in CF patients"

1/3/2009 7:25 PM Physician Autonomy to spread staph infections from patient to patient then cutting off limbs to save the patients. Protected by the Orwellian President of the USA! This protection is wearing thin as Bill Gates protection. John Lennon would sing the song... Imagine! - "No Physician Autonomy", "No Bill Gates greed \$\$\$". Let's start a Revolution! Chairman Mao lost, 1 billion in China their ElectricWindmillCar Era and the 1 Trillion spin off inventions and inventors from the ElectricWindmillCar Invention. Yoko lives at the same address at the Dakota were John Lennon was shot in 1980 the same year the ElectricWindmillCar was invented in Boulder Colorado. Paul McCartney was found out! He has had teeth with decay all his life, this, not Yoko broke up the Beatles! When I'm 65... was played at Paul McCartney's divorce to Heather Mills. Paul McCartney never wrote a song for Linda McCartney when she died of breast cancer, Paul McCartney never exposed me, Greg Buell, my suppression from working on a cure for breast cancer. That the USA government

has an order signed by a President of the USA, OK'ed by Queen Elizabeth to stifle me from getting a cure for breast cancer. Paul McCartney was Knighted by the Queen and on the same day 100's burned in gasoline's fiery crashes world wide, thousands of women died from breast cancer on the day Paul McCartney was Knighted by the Queen of England. Yoko was right all along!

1/3/2009 7:25 PM Physician Independence to sell Organs to Saudi Princes while Americans waiting for the same organs died. This is our USA medical system in 2009. Do you think they quit selling organs to Saudi Princes just because I wrote it up on my web page? Fiery car wrecks, this very minute a spark will ignite gasoline! In Saudi Arabia health care is free. In Saudi Arabia the University is free. Imagine this all free in the USA.

1/3/2009 7:25 PM John Needham, discharged from the Army, was charged in the fatal beating of his girlfriend, Jacquelyn Villagomez. Nine current or former members of Fort Carson's Fourth Brigade Combat Team have killed someone or were charged with killings in the last three years after returning from Iraq. Five of the slayings took place last year alone. In addition, charges of domestic violence, rape and sexual assault have risen sharply. Prodded by Senator Ken Salazar, Democrat of Colorado, the base commander began an investigation of the soldiers accused of homicide. An Army task force is reviewing their recruitment, medical and service records, as well as their personal histories, to determine if the military could have done something to prevent the violence. The inquiry was recently expanded to include other serious violent crimes. Now the secretary of the Army, Pete Geren, says he is considering conducting an Army-wide review of all soldiers "involved in violent crimes since returning" from Iraq and Afghanistan

1/3/2009 7:25 PM Determine if the Pentagon could have done something to prevent the domestic violence.

1/3/2009 7:25 PM The New York Times published articles examining the cases of veterans of the wars in Iraq or Afghanistan charged with homicide after their return. At the time, it counted at least 121 such cases.

1/3/2009 7:25 PM The New York Times publishes its stories, while they moved into a new 55 story building they got as a bribe for going along with the Oil Genocide Era. I will build the first 55 story building in Boulder Colorado and name it the New New York Times Building. This is like New England. New Solar Systems and New Galaxies hurling through our Universe have passed us by because of Texas and Saudi Oil men passing out bribes like they were "Hard Candy" no these words are not in the lyrics to Madonna's "Hard Candy" song. God is hurling Several Trillion Galaxies. President of the USA has successfully ducked 2 of the Galaxies but does not stand a chance in Hell of not being hit hard and often by trillions of Galaxies being hurled at him. MIT gram stain for CF, my gram stain for Observing Aliens in the Universe. Its been so long... since the last update of End War News. 1,001 Invention Projects on this web page are a long time in coming! Like all my wives I will marry when freed to work as a real Inventor. Goddesses of Inspiration, playing the role model to inspire the Penicillin Rx for Breast Cancer! Before another 40k women in the USA die of it in 2009! Invent something for the New Year 2009. Call a Cop, you can't call on the FBI, sorry!

Madonna: Time is waiting. Gravity is an Element, will be when discovered!

Justin: We only got 4 minutes to save the world.

Madonna: No hesitating.

21 Nov 2008 Sony 007 James Bond movie — "Quantum of Solace,"

21 Nov 2008 Sony should have titled it... "Bond's Hydrogen As Hydrogen Dynamite" 007 Sony movie the next Bond Movie with Hydrogen Dynamite with a Hydrogen Dynamite "Blasting Cap" Cap for your can of nonexplosive Hydrogen that you will use to fuel your furnace, generate your electricity and get your clean H2O with your cans of Oxygen... Xcel here in Boulder, Colorado will try to kill Bond before he shows this Nobel Invention of Hydrogen Dynamite. Coal Era in Boulder, Colorado no matter what the Daily Camera News Reporters say...

21 Nov 2008 Sony 007 James Bond movie — "Quantum of Solace,"

21 Nov 2008 Sony should have titled it... "Bond's Hydrogen As Dynamite"

21 Nov 2008 "Quantum of Solace," is an Orwellian 007 Movie with Bourne actions scenes cloned, jumping into windows and balcony's. Hydrogen and Water will replace all the Worlds Oil Men... Hydrogen in Nobel's workshop will be safe to take the canister from your ElectricWindmillCar into your home, plug it into your furnace, and use it to generate your electricity. A personal note about the Electric Company here in Boulder Colorado, they are called Xcel and came out and check the furnace in the house I rent a room in. They found out the Landlord and his sister knew the furnace was giving off carbon monoxide for the last 2 winters. That's why the hall was 35F all winter... Light Year run to the shower... grin. So Bruce and Ruth and their grandkids in the office retaliated... kicked me and my bike out in the snow. I went to the cops... as 777,000 have burned in fiery cop car wrecks since I invented the ElectricWindmillCar here in Boulder Colorado in 1980. Well I would guess the Landlords see more cop cars on the streets of Boulder than they have ever seen! Landlords have been like Oil Men for decades, its time to jail them all as Bruce Jones and his sister Ruth Tilsley 12115 W 61 St Ave Arvada 303 918 9087 + 303 442 4908 are typical Landlords who let your furnace give off carbon monoxide keep the window open all winter to freeze you in the hall then they you call the City of Boulder Environmental cops they evict you and make up rules that your bikes must go out in the snow because we need the inside space for green recycle bins from the City of Boulder Colorado, and the Observers in this Orwellian Society watch on hidden cameras and do nothing... but remember a cop will burn in gasoline today and the same Observers at City Hall Boulder Colorado watch this cop burn in a fiery car wreck and do nothing to prevent the cop who will burn in gasoline tomorrow... President Orwell in DC is behind this genocide the City Hall Observers in Boulder Colorado are just following orders.

17 Nov 2008 "Bond's ReInvented Hydrogen As Hydrogen Dynamite"

17 Nov 2008 The opening song, performed by Jack White and Alicia Keys will remind you of the Rap Music Lyrics that the "White Cops" asked President Orwell to stop as they caused the deaths of Street Cops!

17 Nov 2008 Sony's didn't put Alfred Nobel's Dynamite invention in the new 007 Bond movie "Quantum of Solace" which Sony should have titled "Bond's Hydrogen As Hydrogen Dynamite" Alfred Nobel worked hard to improve nitroglycerine as an explosive that could be used in blasting rock and in mining. He made one of his most important discoveries when he found that by mixing nitroglycerine, an oily fluid, with kieselguhr, the mixture could be turned into a paste. This material could be kneaded and shaped into rods suitable for insertion into drilling holes. He called his paste dynamite and went on to develop a blasting cap, which could be used to detonate dynamite under controlled conditions. "Bond's Hydrogen As Hydrogen Dynamite"

17 Nov 2008 The 1 Billionth ElectricWindmillCar coming off the Toyota assembly line on John Lennon's BDay this year would all have the electrolysis accessory that automatically converts Hydrogen and Oxygen to Hydrogen Dynamite and Oxygen Dynamite, which are light years from today's mentality and the nitroglycerine invention by Nobel in 1867.

17 Nov 2008 66 Nigers caught fire in Burkina Faso today. Africa!

17 Nov 2008 BOROMO, Burkina Faso Africa! 66 Nigers caught fire in Burkina Faso when a bus and a truck collided, AP and even the New York Times will report this.

17 Nov 2008 World Wide... 777,000,000 "white cops" burned in gasoline since 1980

17 Nov 2008 AP and even the New York Times will never report this crime by the Orwellian President of the USA

17 Nov 2008 Racial epithets scrawled on cars... The Niger Obama profited from 777,000 white cops burned in gasoline since 1980, mostly in their cop cars!

17 Nov 2008 Sony 007 James Bond movie — "Quantum of Solace,"

17 Nov 2008 Sony should have titled it... "Bond's Hydrogen And Dynamite"

17 Nov 2008 "Bond's ReInvented Hydrogen And Dynamite"

17 Nov 2008 The opening song, performed by Jack White and Alicia Keys will remind you of the Rap Music Lyrics that the "White Cops" asked President Orwell to stop as they caused the deaths of Street Cops!

17 Nov 2008 Consideration of the deeper meanings of "Quantum of Solace" and Sony in Japan. Sony in Japan supported giving Iran \$1 Trillion dollars in gasoline revenues to build missiles and nukes. Sony Guys did this consciously. And at the Same time Sony Guys in Japan suppressed from the Japan Times all the 777,000 cops burned in gasoline since 1980.

17 Nov 2008 The Sony Bond Universe is Orwellian

17 Nov 2008 USA space shuttle Endeavour -NASA Guys lost \$1 Trillion for New Shuttles...

17 Nov 2008 NASA Guys lost another \$1 Trillion for New Manned Space Telescopes.

17 Nov 2008 The planet with Aliens orbiting the star Fomalhaut, only 25 light-years from Earth was Nuked by NASA Guys who took Saudi Bribes and deposited them in Secret Swiss Bank Accounts.

17 Nov 2008 Sony spent \$1 Trillion on gasoline instead of 700 New Shuttles that can be docked in Earth Orbit to be blasted off into a reinvented Universe, not Sony's Bond's Universe in this new movie.

17 Nov 2008 Bourne actions is now Bond's action scenes, clone action jumping into the windows, jumping onto a balcony etc.

17 Nov 2008 \$1.1 Billion dollars for every window of every burnt cop!

17 Nov 2008 New York Times is reporting that White Cops Kids Chanting "Assassinate Obama" are Incidents of Hating a Niger who profited from White Dads burning and burning to death in fiery car wrecks around the country. New York Times is referring that no one had burned in gasoline so Nigers can profit... Orwellian kids know different, the current President Orwell of the USA has sentenced President-elect Barack Obama to death... Bush and Kennedy are this stupid. Remember Bush and Kennedy Toast... Let them eat cake, let them burn in gasoline; we're addicted to oil money. Bush and Kennedy are the only ones sad about the dampening of the postelection glow of racial progress and harmony, highlighting the stubborn racism that remains in America because Nigers profited from White Cops burning in fiery car wrecks since 1980.

17 Nov 2008 Carter, Kennedy, Reagan, Bush, Clinton, and Bush "Once said racism is like cancer," "It's never totally wiped out, it's in remission." Because Carter, Kennedy, Reagan, Bush, Clinton, and Bush made a deal with Yale MD's and AMA MD's to treat cancer and make as much money as the Texas and Saudi Oil men, we don't need a "Miracle Overnight Cure for Cancer" is on the stationary of all MD's at the White House in DC.

17 Nov 2008 Associated Press writers Errin Haines, Jerry Harkavy, Jay Reeves, Johnny Taylor and researcher Rhonda Shafner and everyone at the New York Times knows of the 777,000,000 whites burned and burned to death in gasoline since 1980.

17 Nov 2008 Sony 007 James Bond movie — "Quantum of Solace,"

17 Nov 2008 Sony should have titled it... "Bond's Hydrogen As Hydrogen Dynamite"

17 Nov 2008 And the Bond women Judi Dench, returning as Grandma M — one Gemma Arterton a doomed casual plaything, the other a more serious dramatic foil and potential romantic interest. That one, called Camille, is played by Olga Kurylenko... Saudi Women are not Japanese Women yet Sony guys must vacation in Saudi Arabia to often. Sony Guys and Saudi Guys and Texas Oil Men, and of course British Oil men all visit the 13 year old prostitutes in Thailand.

17 Nov 2008 13 year old prostitutes in Thailand

17 Nov 2008 New York Times people visit the 13-year-old prostitutes in Thailand too.

17 Nov 2008 Dominic Greene, a ruthless economic predator disguised as an ecological do-gooder is given a quart of oil to drink in the end. Greene drinks the oil M tells Bond. M if she lives in London has toasted the Let them eat cake, let them burn in gasoline; we're addicted to oil money toast of the British CIA.

17 Nov 2008 M needs dentures almost as much as Greg Buell need dentures. She would not be fuckable, to men even if she had dentures. Sony's taste in women is better with the 13-year-old prostitutes they visit in Thailand I bet ya!

17 Nov 2008 Dominic Greene, a sex predator...

17 Nov 2008 Saudi Women are Light Years from Japanese Women!

17 Nov 2008 White House Women know Bush killed 40k women every year via not letting Greg Buell work on a Miracle Windmill Cure, a Overnight Cure for Breast Cancer after I invented the ElectricWindmillCar in 1980.

17 Nov 2008 Jews killed 40k Christian women a year... since 1980

17 Nov 2008 Even the Pope's killed 40k women a year... and took the King of Saudi Arabia into the Vatican so he could deposit \$100 Billion in the Vatican Bank.

17 Nov 2008 Dominic Greene, a ruthless economic predator... who is not shown spending his money on 13 year old prostitutes in Thailand, this is how Sony, Saudi and Texas Oil men spend their money.

17 Nov 2008 On October 21, 1833 Alfred Nobel was born in Stockholm, Sweden. His family moved to St. Petersburg in Russia when he was nine years old. Nobel prided himself on the many countries he lived in during his lifetime and considered himself a world citizen. In 1864, Albert Nobel founded Nitroglycerin AB in Stockholm, Sweden. In 1865, he built the Alfred Nobel & Co. Factory in Krümmel Near Hamburg, Germany. In 1866, he established the United States Blasting Oil Company in the U.S. In 1870, he established the Société général pour la fabrication de la dynamite in Paris, France.

17 Nov 2008 "Bond the Inventor" would have found safe Hydrogen and free from your suppressed ElectricWindmillCar for the 1980's in the USA. Saving the lives of 777,000,000 worldwide who were burned and burned to death in gasoline between 1980 and 2008.

17 Nov 2008 And the Bond women Judi Dench, returning as Grandma M — one Gemma Arterton a doomed casual plaything, the other a more serious dramatic foil and potential romantic interest. In this documentary Maryam D'Abo sits down for one-on-one interviews with Ursula Andress, Honor Blackman, Luciana Paluzzi, Jill St. John, Lois Chiles, Maude Adams, Carey Lowell, Halle Berry and Rosamund Pike. The discussions center on the changing role of the Bond girl through the series.

17 Nov 2008 Bond Women are the catalysts for inventors, their Oxygen and Hydrogen from the Sea's of the Universe light years from Sony in Japan

17 Nov 2008 Sony took the "Man with the Golden Gun" and painted the Bond Woman in "Quantum of Solace" in Oil, same image of the Bond Woman painted in gold laying in the bed naked... Today Sony Painted this Bond Woman in thick Black Oil, and M told Bond they make her drink the Black oil as well.

17 Nov 2008 Bond Women are the catalysts for inventors, their Oxygen and Hydrogen from the Sea's of the Universe light years from Sony in Japan

17 Nov 2008 Today NASA could have had a fleet of 700 New Super Shuttles surpassing Endeavour --- Endeavour lost by NASA --- Endeavor lost by Madonna in Denver on Nov. 11th and 12th. Mix 100 CBS talk radio in Denver Tessa one of Dom and Jane's women reported that Madonna was Amazing and Awesome and the crowd in Denver was waiting for Madonna to say something Orwellian to the audience... Tessa was disappointed with everyone else in Denver, as Madonna did not want to be the Golden Girl. Painted in Oil left dead and naked on the bed by the Texas and Saudi observers, so I told the gang at work at the Avalanche Beacon Factory I was still waiting for Madonna to call me about her Breast Cancer Cure Tour and CD I'm willing and able to write with the Super Star Madonna to inspire the Miracle Overnight Cure for Breast Cancer! Then I went back to soldering wires on the Avalanche Beacons Printed Circuit Board.

17 Nov 2008 Sony 007 James Bond movie — "Quantum of Solace,"

17 Nov 2008 Sony should have titled it... "Bond's Hydrogen And Dynamite"

17 Nov 2008 "Quantum of Solace," is an Orwellian 007 Movie with Bourne actions scenes cloned, jumping into windows and balcony's. Hydrogen and Water will replace all the Worlds Oil Men... Hydrogen in Nobel's workshop will be safe to take the canister from your ElectricWindmillCar into your home, plug it into your furnace, and use it to generate your electricity. A personal note about the Electric Company here in Boulder Colorado, they are called Xcel and came out and check the furnace in the house I rent a room in. They found out the Landlord and his sister knew the furnace was giving off carbon monoxide for the last 2 winters. That's why the hall was 35F all winter... Light Year run to the shower... grin. So Bruce and Ruth and their grandkids in the office retaliated... kicked me and my bike out in the snow. I went to the cops... as 777,000 have burned in fiery cop car wrecks since I invented the ElectricWindmillCar here in Boulder Colorado in 1980. Well I would guess the Landlords see more cop cars on the streets of Boulder than they have ever seen! Landlords have been like Oil Men for decades, its time to jail them all as Bruce Jones and his sister Ruth Tilsley 12115 W 61 St Ave Arvada 303 918 9087 + 303 442 4908 are typical Landlords who let your furnace give off carbon monoxide keep the window open all winter to freeze you in the hall then when you call the City of Boulder Environmental cops they evict you and make up rules that your bikes must go out in the snow because we need the inside space for green recycle bins from the City of Boulder Colorado, and the Observers in this Orwellian Society watch on hidden cameras and do nothing... but remember a cop will burn in gasoline today and the same Observers at City Hall Boulder Colorado watch this cop burn in a fiery car wreck and do nothing to prevent the cop who will burn in gasoline tomorrow... President Orwell in DC is behind this genocide the City Hall Observers in Boulder Colorado are just following orders.

This is what the Worlds Leaders toast to... Let them eat cake, let them burn in gasoline. We're addicted to oil money... click here see the picture of the cop!](#)

1 Nov 2008 You Bet Ya ---- as Sara would say

1 Nov 2008 Sarah Palin let 100's of kids die in hot cars last summer.

1 Nov 2008 Carter, Kennedy, Reagan, Bush, Clinton, and Bush voted, McCain Obama will vote the same as they all did..

1 Nov 2008 You Voted to burn American Citizens in gasoline for more oil money

1 Nov 2008 You Voted to Invade Iraq and stifle the ElectricWindmillCar

1 Nov 2008 You Voted for the NYC Politicians who could have prevented 9-11

1 Nov 2008 You Voted for Kennedy who drove off a bridge drunk killing a girl.

1 Nov 2008 You Voted not to give Widows \$1.1 Billion each from Saudi Oil money

1 Nov 2008 You Voted in free Universities in Saudi Arabia not the USA

1 Nov 2008 You Voted for NASA's decision not to travel 4.3 Light Years

- 1 Nov 2008 Your Vote burned 100's of thousands in gasoline for more oil money
- 1 Nov 2008 GE and MSNBC have profited from the worst genocide, holocaust in the history of humanity.
- 1 Nov 2008 Sarah Palin indicated Wednesday that she will not disappear from the national politics but will let kids die in hot cars again next summer, mostly in Florida by suppressing the climate control accessory on your ElectricWindmillCar.
- 1 Nov 2008 100's of times, Obama's picture was on the front pages of the New York Times
- 1 Nov 2008 MIT "Inventors" were paid \$1 Trillion dollars to "Invent" War Toys!
- 1 Nov 2008 100's of thousands of "Officer Jason's" "White Cops", their faces burned in gasoline never made the front pages of the New York Times
- 1 Nov 2008 John McCain says racism will play virtually no role when voters head to the polls next Tuesday because it will be trumped by Texas and Saudi Oil Men!
- 1 Nov 2008 The London Times, The Moscow Times, WW III firebombing of cop cars by all the World Leaders!
- 1 Nov 2008 MIT "Inventors" were paid \$1 Trillion dollars to "Invent" War Toys! 1 Nov 2008 MD's at Yale passed Staph from Patient to Patient-killing thousands!
- Add 1,001 lost inventions and 1,001 lost invention projects on this web page... 1 Nov 2008 Free cans hydrogen produced via electrolysis from the gallon of water in your ElectricWindmillCar will heat your home and generate your electricity, keep your hot car climate controlled 24/7 so kids never again die in hot cars. (Or freeze in cold cars in Alaska and Moscow) Super Air Bags on the outside of your ElectricWindmillCar will save your life. GPS tracking in your license plate will keep the criminals off the road. On Star wifi and satellite cams will give you one upmanship on George Orwell who is a Big Brother who is watching but not watching out for your health and well being.
- 1 Nov 2008 New York Times added insult to injury printing Obama's picture on the front pages of the New York Times when widows of 9-11 did not get \$1.1 Billion in compensation from Texas and Saudi Oil Men. Tens of thousands of Black Obama's profited from tens of thousands of white cops burning and burning to death in gasoline, this is a hate crime by those who profit and a hate crime by Carter, Kennedy, Reagan, Bush, Clinton, and Bush who Promote Blacks on the Front Pages of the New York Times at the expense of Whites who are majority burned and burned to death in fiery car crashes. Whites burned in gasoline are not Promoted, but suppressed by the New York Times!
- 1 Nov 2008 Carter, Kennedy, Reagan, Bush, Clinton, and Bush voted to suppress the electrolysis accessory on your ElectricWindmillCar thus letting 1 Billion people on Earth get sick as Hell from drinking dirty water. MD's at WHO at the UN went along with this and observed 1 Billion people get sick as hell from drinking polluted water and die... this is your UN today, these are your MD's! WHO tomorrow the UN will be the UA... Universe Alliance. Tomorrow MD's will be free like they are in Saudi Arabia today. Ps Bush sold organs to Saudi Princes and let Americans who needed these organs die! Ps MD transplant surgeons made a huge profit from Saudi Princes too.
- 1 Nov 2008 You Voted to burn American Citizens in gasoline for more oil money
- 1 Nov 2008 You Voted to Invade Iraq and stifle the ElectricWindmillCar
- 1 Nov 2008 You Voted for the NYC Politicians who could have prevented 9-11
- 1 Nov 2008 You Voted for Kennedy who drove off a bridge drunk killing a girl.

- 1 Nov 2008 Sarah Palin indicated Wednesday that she will not disappear from the national politics that will let kids die in hot cars next summer, mostly in Florida, not Alaska and let McCain or who ever is President Orwell firebomb SUV's with gasoline tanker trucks driven by Mexicans.
- 1 Nov 2008 Madonna living out this American Dream
- 1 Nov 2008 Marines rape and kill women with breast cancer... by being in Iraq.
- 1 Nov 2008 Marines raped and kill women and 14-year-old girls in Iraq today.
- 1 Nov 2008 Bill Gates has killed more "Inventors" than all the Pentagon Generals!
- 1 Nov 2008 MIT "Inventors" were paid \$1 Trillion dollars to "Invent" War Toys!
- 1 Nov 2008 MD's at Yale passed Staph from Patient to Patient-killing thousands!
- 1 Nov 2008 Madonna living out this American Dream, without any lyrics about the ElectricWindmillCar.

1 Nov 2008 in 1980 the ElectricWindmillCar was invented in Boulder, Colorado

1 Nov 2008 There is a Law School in Boulder, Colorado adding insult to burn victims of fiery car crashes. CU Football Stadium will be remodeled to a State of the Arts Medical and Dental School.

1 Nov 2008 Saudi luxury car sales are strong despite the crisis of cops and kids burning and burning to death in fiery (cop) car wrecks Because this crisis is suppressed from the Headlines of the New York Times via Texas and Saudi Oil Men's bribes. New York Times got a 55 Story Building for letting cops and kids burn and burn to death in fiery car wrecks since 1980!

1 Nov 2008 Christian von Koenigsegg, head of Sweden's Koenigsegg Automotive, was in Jeddah, Saudi Arabia to sell cars not cops burned and burned to death in gasoline's fiery car wrecks.

1 Nov 2008 Gasoline cars keep coming off the assembly line keep exploding in gasoline firebombs, Presidents of every Nation on Earth are hideous criminals, 100's of thousands of fiery car wreck victims world wide.

1 Nov 2008 2009 Model - ElectricWindmillCar has successfully been suppressed!

1 Nov 2008 ElectricWindmillCar Coup D'Etat has failed!

1 Nov 2008 Microsoft Windows Vista has failed, but was not recalled like lead pained toys and tainted milk from China, but it's responsible for more deaths!

1 Nov 2008 Microsoft's next operating system, dubbed Windows 7 previewed at their annual Professional Developers Conference, Developers of what?

1 Nov 2008 What could Microsoft and Bill Gate Develop in an Era in which Bill Gates toast... Let them Eat Cake, Let them burn in Gasoline, We're addicted to oil money... develop what?

1 Nov 2008 Today - ALBANY, NY - Nearly 40,000 electric utility customers remain without power in eastern New York after more than a foot of snow fell on some areas.

1 Nov 2008 Free cans hydrogen produced via electrolysis from the gallon of water in your ElectricWindmillCar will heat your home and generate your electricity, keep your hot car climate controlled 24/7 so kids never again die in hot cars or cold cars in Alaska and Moscow.

1 Nov 2008 State of the Union speech by every President of the USA since 1980. Carter lied like Clinton... this lie let 9-11 happen. No lie and 9-11 would never have happened with the 1 Billionth ElectricWindmillCar coming off the Toyota assembly line on John Lennon's BDay.

1 Nov 2008 Gasoline cars keep coming off the assembly line keep exploding in gasoline firebombs, Presidents of every Nation on Earth are unsympathic by the situation, of 100's of thousands of fiery car wreck victims world wide.

1 Nov 2008 2009 Model - ElectricWindmillCar has successfully been suppressed!

1 Nov 2008 2009 Model - ElectricWindmillCar has successfully been suppressed!

1 Nov 2008 2009 Model - ElectricWindmillCar has successfully been suppressed!

1 Nov 2008 ElectricWindmillCar Coup D'Etat has failed!

1 Nov 2008 If the ElectricWindmillCar Coup D'Etat would have been successful CBS Katie Couric would be moving to NBC to replace Jay Leno on the Tonight Show. Katie would give an inspirational monolog to inspire Inventors, who need a woman's inspiration! No video clips that suck like the comic Jay Leno who is burnt out, from to many jokes about people burned in gasoline. Leno's most famous Orwellian Joke about people burned and burned to death in gasoline is the one about your flesh sizzling in a fiery gasoline fire. From Jay Leno's 1st monolog to his last the ElectricWindmillCar was suppressed while thousands in Lenos audience were burned and burned to death in gasoline for more oil money. The Leno years when the Tonight Shows audience burned and burned to death in fiery car wrecks. and only joked about in Jay Lenos Orwellian Jokes.

1 Nov 2008 Sarah Palin let 100's of kids die in hot cars last summer. Mostly in Florida. And when Bush's brother was Governor of Florida his state led in

the numbers of kids left in hot cars that died. Sarah and Bush's brother, what else has Big Brother done over the decade that deserves Hell? You do the math. Our government and its Soccer Mom Politicians in every State committed crimes, like letting kids left in hot cars die, over and over again and again because CBS Katie Couric and the New York Times would not report these criminals who were only following orders from Texas and Saudi Oil men.

1 Nov 2008 Unknown looms after breast cancer diagnosis

1 Nov 2008 We know Bush spent \$1 Trillion on MIT War Toy Inventors while 40k women a year died of breast cancer every year Bush was President of the USA

1 Nov 2008 Unknown looms at Alpha Centauri, 4.3 light years from Earth

1 Nov 2008 Unknown Aliens looms at the Nearest Stars to Earth

1 Nov 2008 NASA's Top Brass knows they killed a "Love Sick Woman Astronaut" who only wanted to marry Aliens.

1 Nov 2008 Everything is fine one minute and the next, all hell is breaking loose!

1 Nov 2008 Cops catch criminals...

1 Nov 2008 Carter, Kennedy, Reagan, Bush, Clinton, and Bush voted, McCain Obama and Sara are cold-blooded killers! Kennedy proved that Elite First Class Criminals are untouchable when he drove off the Bridge drunk leaving his girlfriend to drown. Carter, Kennedy, Reagan, Bush, Clinton, and Bush voted, McCain Obama and Sara followed Kennedy's lead by letting kids die in hot cars, toasting in secret, Let them Eat Cake, Let them burn in gasoline, we're addicted to oil money.

1 Nov 2008 Cops catch criminals...

1 Nov 2008 Carter, Kennedy, Reagan, Bush, Clinton, and Bush, McCain, Obama and Sara are cold-blooded killers in their own Universe driving gasoline engine cars, gravity engine Super Shuttles and ElectricWindmillCars will never ever be voted for by these Elite Drivers.

1 Nov 2008 Cops catch criminals... NYPD would hang Sara before Obama if some Florida cop lost his son or daughter from dying in a hot car!

1 Nov 2008 Jay Leno's Orwellian Jokes about "Sizzling Flesh burning in gasoline" will be exposed as gruesome, hideous, horrid side of life behind the hidden cameras in our George Orwell Society. George Orwell Humor.

1 Nov 2008 Cops catch criminals...

1 Nov 2008 Cops catch criminals... would someone please call the cops before the mad dash on Election Day and more hideous "Your Flesh Sizzling in Gasoline" jokes are told by Jay Leno on Election Night.

1 Nov 2008 Cops watch these Elite Criminals get elected... not arrested!

1 Nov 2008 You Bet Ya ---- as Sara would say, Women Cops arresting Bill Gates will taster him over and over, again and again for killing the "Inventors" who would have gotten the "Miracle Overnight Cure for Breast Cancer"...

1 Nov 2008 You Bet Ya ---- as Sara would say Cops will get their revenge on the criminals you Voted for and are about to elect again!

18 Oct 2008 Gravity of our situation in the Universe is thought provoking!

18 Oct 2008 Gravity on the Chart of the Elements as the Newest Element - Invent Something! Work on 1,001 Invention Projects. Yes you can go faster than the speed of light! You can invent a way to expand the Verizon Cell Tower range 10 times.

18 Oct 2008 Eight out of 10 women do not know the Gravity of our Situation in the Universe. Or their increase risk of getting breast cancer by drinking.

18 Oct 2008 Here on Earth Women are the catalysts for inventors, their Oxygen!

18 Oct 2008 Here on Earth Women are the catalysts for inventors, their Oxygen!

18 Oct 2008 Here on Earth Women are the catalysts for inventors, their Oxygen!

18 Oct 2008 Lesbian Dykes at work should be sent to prison as they constantly harass the women who are willing to play the "Role Model of Goddess of Inspiration" to their husbands who will discover the Element Gravity, and build a gravity engine for NASA's 700 car Shuttle Train to Alpha Centauri.

18 Oct 2008 Crazy NASA women in diapers are love sick crazy for Light Year Travels to Alpha Centauri, but were sold out by the Top Brass at NASA. Who have secret Swiss Bank Accounts opened by Texas and Saudi oilmen.

18 Oct 2008 Gravity of our situation in the Universe is thought provoking, as Gravity will be the newest Element on the Chart of the Elements after the ElectricWindmillCar Coup D'Etat Ends War on Earth

18 Oct 2008 After the ElectricWindmillCar Coup D'Etat Ends War on Earth a University education will be mandatory and free, Vaccinations listed below will be mandatory and free... Hepatitis A

Hepatitis B

Influenza

Japanese Encephalitis

Twinrix (Adult Hep A & B)

MMR (Measles, Mumps, Rubella)

Meningitis Vaccine (Menomune or Menactra)

Polio

Pneumococcal

Rabies (pre/post exposure)

Tetanus - Diphtheria - Pertussis (Whooping Cough)

Typhoid (Live Oral & Injectable)

Varicella (Chicken Pox)

Yellow Fever

Zostavax (Shingles)

Gardasil (HPV)

18 Oct 2008 Gravity of our situation will be realized when Katie Couric and Jay Leno joke unenthusiastically about the worst Genocide, Holocaust in the History of Humanity that they both watched tens of thousands civilian drivers in the USA firebombed by the Presidents of the USA from Carter to Bush, with Kennedy lighting the match that burned and burned to death 100's of thousands of cops and kids since 1980 just to keep the oil revenues flowing.

18 Oct 2008 NYPD, Moscow Cops, Tokyo Cops, Italian Cops... will hang General Petraeus for his 9-11 neglect of duty, to expose the suppression of the ElectricWindmillCar in 1980, thus 9-11 would never have happened. Baghdad would never have happened like it did under Bush.

18 Oct 2008 West Point, I sent them email few years ago urging future Generals to expose the suppression of the ElectricWindmillCar before Texas Oil Men start WW III to kept the oil revenues flowing into Texas.

18 Oct 2008 General Petraeus will be willing to hang Bill Gates to save his own life; I would make this deal as Bill Gates killed more Inventors than all the Pentagon Generals combined.

18 Oct 2008 Windows Vista will be recalled, Microsoft will become a part of the Department of Education. Department of Education will become the Department of Inventors and Inventions. Student loans will be part of our genocide history.

18 Oct 2008 Women are the catalysts for inventors yet Sony, CBS, and their executive producers of Movies and TV shows are killing off the women, CSI, LOST, NCIS, Stargate Atlantis, are killing off women who are the catalysts for aspiring inventors.

18 Oct 2008 U S Marine Colorado license plate # 267OHO, driver was stalking me on CU Campus at 8 am on a Sunday morning not satisfied with his Marines killing and raping 10's of thousands of women in Baghdad. So in our George Orwell Society he goes out of his way on Sunday morning at 8 am to spit on me, Greg Buell for working on the cure for Breast Cancer that his Boss Bush decided was not as important as killing Saddam in Baghdad. Dead are 40k breast Cancer women each year Bush was President of the USA buying war toy and brain washing Marines into killing and raping women in Baghdad to win the War, when the ElectricWindmillCar would have won the War in Baghdad overnight like the Miracle Breast Cancer cure will Cure Breast Cancer Overnight, Just pick up the Rx at your Target Pharmacy... Breast Cancer Cure Colorado License Plate # 402OGX, is one of Gen. Orwell's women in Boulder Colorado who is brainwashed by our Local General Orwell's in Boulder, Colorado into also spitting on me, getting the Miracle Overnight Cure for Breast Cancer, she plays the Colorado Lotto and sleeps with Orwellian Generals who sell her on Wine that caused breast cancer.

18 Oct 2008 Pope Benedict XVI on Thursday said that Pope Pius XII, had worked "secretly and silently" to save Jews during World War II, and he said he hoped that Pius's beatification would "proceed happily." Some Jews have opposed the beatification; the last step to sainthood, saying Pius did not act aggressively enough during the Holocaust --- Jews have profited from USA cops burning and burning to death in gasoline since 1980.

18 Oct 2008 NYPD, Moscow Cops, Tokyo Cops, Italian Cops... will try to get Pope Benedict XVI hanged by the Italian Cops who want revenge for all their Police Officers burned and burned to death since 1980 while the Popes took \$ Billions from Texas and Saudi Oil Men.

18 Oct 2008 Gravity of our situation in the Universe, Even the Pope's follow orders from Mad Men with \$ Trillions in oil money.

18 Oct 2008 Women are the catalysts for inventors, and their Oxygen!

18 Oct 2008 Women are the catalysts for inventors this is one reason Pope Benedict took Texas and Saudi Oil money to let Cops burn and burn to death in gasoline, Pope's don't have any women catalysts for inspiration, just God, and the Kennedy's, Bush's are feared by the Popes like Hitler was by Pius more than the Pope's fear God.

18 Oct 2008 Strategy for Pakistan were the New Presidents Wife was assimilated should be to get the ElectricWindmillCar to the masses ASAP, let women drive, show the women in Saudi Arabia they can drive a ElectricWindmillCar and talk about Invention Projects that will spin off from the ElectricWindmillCar.

18 Oct 2008 Boulder Colorado Mayor Shaun McGrath and his wife, Becca Heaton, have moved on to another sister city: Lhasa, Tibet. I will try to solve the crime of the Ramsey Girl's murder not far from were I'm at at this moment... I think a guy from Tibet killed the Ramsey girl on Christmas Eve because the Tibet Population in Boulder Colorado hates Christmas in Boulder... so the Ramsey Killing was a spur of the moment crime, on Christmas Eve by a guy from Tibet living in Boulder, Colorado.

18 Oct 2008 Lesbian Dykes at work should be sent to prison as they constantly harass the women who are willing to play the "Role Model of Goddess of Inspiration" to their husbands who will discover the Element Gravity, and build a gravity engine for NASA's 700 car Shuttle Train to Alpha Centauri.

18 Oct 2008 Gravity of our situation in the Universe demands we kill all the Lesbian Dykes before they destroy Earth. Our one chance in life to move out into the Universe.

18 Oct 2008 Women are the catalysts for inventors, not Lesbian Dykes at work, not 3 year old living Goddesses in Nepal, Not women in Tibet, not women in Saudi Arabia, not women at the Vatican, Not the Wives of Texas Oil men who profited almost as much as Obama and the Niger Condoleezza Rice from White cops burning and burning to death for more oil money \$

18 Oct 2008 Russian Czar with \$5 Trillion dollars in cash like Putin has from the sale of Oil, Lenin would never have happened. 9-11 would never have happened if the Pentagon Generals didn't get bribed by \$1 Trillion dollars worth of war toys.

18 Oct 2008 Women are the catalysts for inventors, and their Oxygen!

18 Oct 2008 Strategy to free the women who are willing to play the Role Model of Goddess of Inspiration to their husbands. This is my proposal of marriage, a marriage that will let future Madonna's not have their mom's die of breast cancer, and the future Paul McCartney's not have their wife Linda die of breast cancer. Sir Paul McCartney toasted with the Queen of England decades after the invention of the ElectricWindmillCar invention of 1980 toasted... Let them eat cake, Let them burn in gasoline; We're addicted to oil money. Eight out of 10 women do not know that alcohol is a cause of breast cancer and are seduced by Generals in Boulder Colorado into loving wine, despite the link between alcohol consumption and breast cancer having been well established for a number of years. CIA disinformation had killed 10's of millions of women with breast cancer. CIA disinformation about not to use ant microbial soap... Today millions believe this disinformation and will get staph. staph cross-infections can be passed on. HIBICLENS® the ant microbial, antiseptic skin cleanser can be part of an effective defense for preventing the spread of MRSA. Its active ingredient¹ works in a unique way - it kills germs on contact and bonds with the skin to keep killing microorganisms even after washing.² this same ingredient with alcohol is available in convenient towelettes called HIBISTAT. Staph has killed millions of patients, even at Yale University School of Medicine Hospital were I was born. MD's at Yale killed 10's of thousands by passing Staph from patient to patient and not one MD has been arrested for this crime! Gravity of our situation in our George Orwell Era, we are living in the mist of the worst Genocide, Holocaust in the history of humanity, the Queen of England is toasting with Bush, McCain, Obama, Let them eat cake, Let them burn in gasoline, We're addicted to oil money. Gravity of our situation in this George Orwell Era brought down NASA, made a Love Crazy Women willing to play the Role Model of Goddess of Inspiration a Jay Leno Joke for weeks. Joke is on Jay Leno and Katie Couric, or will be Gravity of our situation Gravity of our situation in the Universe is thought provoking, as Gravity will be the newest Element on the Chart of the Elements after the ElectricWindmillCar Coup D'Etat Ends War on Earth. After the ElectricWindmillCar Coup D'Etat Ends War on Earth a University education will be mandatory and free, Vaccinations listed below will be mandatory and free... Hepatitis A Hepatitis B

18 Oct 2008 Corona transplants will take place before we go blind... today the MD will let you go blind if you don't have the money to pay for the eye surgery.

18 Oct 2008 Lesbian Dykes at work should be sent to prison as they constantly harass the women who are willing to play the "Role Model of Goddess of Inspiration" to their husbands who will discover the Element Gravity, and build a gravity engine for NASA's 700 car Shuttle Train to Alpha Centauri.

18 Oct 2008 Gravity of our situation in the Universe, should be more thought provoking than Jay Leno's Monolog, Leno is burned out about doing a Monolog so he now plays video clips that take up half the Monologs time. Leno said he is just killing time until NBC GE replaces him. A woman Jay Leno with an inspirational Monolog will dock 10's of thousands of Super Shuttles together like a train in Orbit, ready to blast off into a profound Universe we know nothing about. She will inspire men to invent, go faster than the speed of light! Women are the Goddess of Inspiration!

4 Oct 2008 George Orwell USA will hang for Treason just like Saddam!

4 Oct 2008 Do you want to start a Revolution the song by John Lennon, It's not to Late...to start a Revolution inspired by John and Yoko... forget Paul McCartney, he betrayed Linda, after she died of breast cancer by not helping me, Greg Buell the inventor of the ElectricWindmillCar get a Miracle overnight cure for Breast Cancer, a present to Linda McCartney he didn't buy her. Instead Paul McCartney spent his money and time on Heather Mills. Sir Paul McCartney new song lyrics say Heather Mills betrayed everyone, in reality Sir Paul McCartney betrayed everyone on Earth, and Linda McCartney in Heaven's Galaxy... Sir Paul McCartney first song on his new album Electric Arguments is being interpreted as a direct attack on Heather Mills The lyrics for Nothing Too Much, Just Out Of Sight include: "The last thing you do was to try and betray me/ In new morning light/ I'll never forget it/ And that's just outta sight." "I remember you well/ Oh woman betrayed you/ I couldn't resist you/ When I made you." "And you have money/ And no manners" Since the court battle, Sir Paul has been traveling with his new girlfriend American heiress Nancy Shevell. The couple has just traveled to the Middle East. Miss Shevell is an old family friend of Sir Paul and his first wife, Linda, who died 10 years ago. She is the vice-president of her family's transport firm, a conglomerate worth £250 million, and is separated from her husband, lawyer Bruce Blakeman

4 Oct 2008 NYPD, Lt. Pigottwent, Thursday 2 Oct 08 at 8 AM, fatally shot himself over a "mental shock wave of guilt" he was not guilty of. Guilty are the George Orwell Cops, the one's who know about the ElectricWindmillCar Suppression and the 10's of thousands of cops burned and burned to death in fiery cop car wrecks. Who didn't tell NYPD's Lt. Pigottwent at Police HQ Thursday 2 Oct 08 at 8 AM, before he fatally shot himself in the head over a Order he gave to taster a Mentally ill guy who died, scenario that would have not have happened like 9-11 would never have happened if 1 Billion ElectricWindmillCars were on the streets of Manhattan in 1980.

4 Oct 2008 NYPD has the \$ 1.1 Billion dollar Incentive to start a Revolution, as this cops widow will get \$1.1 Billion from Texas and Saudi Oil Men if the NYPD Coup D'Etat leaders are successful.

4 Oct 2008 "GPS Tracker" can track all your Wives, girlfriends, friends, co-workers, Vacation guest, ski and Sail group etc. Years and years ago this could have been introduced before the iPhone; Now Nokia launched its first touch-screen phone 5800 Xpressmusic to rival Apple's popular iPhone. GPS Tracker can save lives and prevent falls, yet its not being launched by Nokia or Apple or Sony, or BackCountryAccess in Boulder, Colorado... plane and simple it's being suppressed by the Top Brass of the USA! The same Treasonous George Orwell Generals who let 9-11 happen instead of letting you track your Wives driving the new 1980's to 2008 new Model ElectricWindmillCar you bought them new every year. Pentagon Generals won't let you buy a GPS Tracker from the Avalanche Beacon Factory in 2008 because the Pentagon Generals will not let them bring "GPS Trackers" to the mass market, they even got Jay Leno to do a Boo joke about tracking Grandma in the toilet, Jay Leno said why do I need to track Grandma in the Toilet, he was paid a bonus by the Pentagon to say this. 10's of thousands of other Grandma's do need to be tracked by the futuristic "GPS tracker" with built in Verizon voice capabilities so Grandma or the Grandkids can avoid being killed by Texas and Saudi Oil men.

4 Oct 2008 Sony lost Blu-ray DVD disc long term mass marketing to SSD Solid State Hard drives, Which would be mass marketed Today, if the Treasonous Generals and Politicians didn't stifle this idea of selling HD movies on SSD's!

4 Oct 2008 Sanyo Electric Co said Friday it has developed a blue-violet semiconductor laser diode that can deliver the world's highest optical output for Blu-ray disc products. The company plans to start mass production of the 450-milliwatt laser diode in two or three years... as this scam is in place.

4 Oct 2008 Thanks to Sally Field, we've all heard plenty about osteoporosis. Not as familiar is sarcopenia, the age-related decline in muscle mass and function. As a rule, muscle mass declines with age, starting in the 40s and picking up speed after age 50. Then the typical rate of muscle loss really begins to outpace the rate of muscle gain, so that there's an increasing net deficit. I just joined 24 Hour Fitness to build muscle mass at 61. No Thanks to Sally Field not all have heard about the suppression of the ElectricWindmillCar, which Sally Field knows about. In my Sony Autobiographical Movie I will put in Sally Field, when and how she learned about the suppression of the ElectricWindmillCar.

4 Oct 2008 Do you want to start a Revolution the song by John Lennon; It's not to Late...to start a Revolution inspired by John and Yoko...

4 Oct 2008 NYPD has the \$ 1.1 Billion dollar Incentive to start a Revolution, as cops widows from 9-11 and the 10's of thousands of cops burned and burned to death in fiery car wrecks the Presidents of the USA have been tossing gasoline bombs at since the invention of the ElectricWindmillCar in October of 1980, will get \$1.1 Billion from Texas and Saudi Oil Men if the NYPD Coup D'Etat leaders are successful.

4 Oct 2008 A Successful Revolution is not easy, the President of France just killed every University Student in every University in Paris on orders from President Bush!

4 Oct 2008 Putin has \$5 Trillion dollars in cash from selling oil!

4 Oct 2008 Do you want to start a Revolution the song by John Lennon; It's not to Late...to start a Revolution inspired by John and Yoko...

4 Oct 2008 France, Russia, China... This Revolution will be started by the NYPD in revenge for 9-11 and for compensation from Texas and Saudi Oil Men who paid the all the Presidents of the USA from Carter, to Bush to toss gasoline bombs at cop cars and SUV's driving down the streets of the USA!

4 Oct 2008 500 Milky Way Galaxies

4 Oct 2008 Even NASA sold out for Texas and Saudi Oil Money, not for a 500 Car Shuttle Train in orbit ready to blast off for Alpha Centauri, but for cash they all put in a Secret Swiss Bank Account...

4 Oct 2008 Paul McCartney Betrayed Linda McCartney and every woman on Earth who will die from Breast Cancer in 2008!

4 Oct 2008 Do you want to start a Revolution inspired by John and Yoko...

4 Oct 2008 Do you want to start a Revolution inspired by John and Yoko...

27 Sept 2008 Yale-New Haven Hospital, I was born here on 27 Sept 1947

27 Sept 2008 Age of the Universe is 13-14 billion years old, this is thought provoking!

27 Sept 2008 Alien's 1st BDay will finally provoke the Pentagon into Ending War On Earth.

27 Sept 2008 Then the 1 Billionth Shuttle will come off the assembly line on its way to Alpha Centauri, buy a ticket for this train today.

27 Sept 2008 ElectricWindmillCar's BDay is October 1980, this is the day Carter and Kennedy lead the USA into the worst Genocide - Holocaust which burned 10's of thousands of cops in their cop cars, writing a ticket. Revenge for all these cops killed by all the Carter's, Kennedy's Bush's will be a Coup D'Etat

27 Sept 2008 Mandatory Organ Donation, who in this Orwellian Society obstructed Justice for all, needing an Organ Transplant, a kidney. Old women are to old to qualify for a kidney, our General Orwell lets millions of old women die rather than make Organ Donation Mandatory... this is the reality of our George Orwell Era.

27 Sept 2008 Yale gave birth to Bush's Oil Holocaust + celebrates by getting expensive gifts from Texas and Saudi Oil men. NYPD, + cops burnt in gasoline on 9-11 and their widows should have gotten Yale's \$ Billions. Yale and every University in the USA would have be free like the Universities in Saudi Arabia if it weren't for Bush bribing all of Yale's Presidents since the birth of the ElectricWindmillCar in October of 1980. Possibly even on John Lennon's BDay October 9th!

27 Sept 2008 John Lennon was born on October 9th. Yoko Ono has read this End War On Earth web page on John Lennon's BDay year after year hoping for this BDay John Lennon will get the 1 billionth Toyota ElectricWindmillCar coming off the assembly line in Japan.

27 Sept 2008 1 billionth Toyota ElectricWindmillCar would have stopped 9-11, is Japan also libel like Texas and Saudi Oil men are - Yes!

27 Sept 2008 Gravitational wave research, gravity engine for the Shuttle, gravity control for humans.

27 Sept 2008 Xeon Workstation Notebooks Inventor, 6 core cpu, Trillion inventions from Yale and CU Students from 1980 - 2008, all lost by our George Orwell Era.

27 Sept 2008 Yale and CU Students from 1980 - 2008 lost the ElectricWindmillCar BDay's! + its presents of spin off inventors and inventions!

27 Sept 2008 Yale and CU Students from 1980 - 2008 lost the ElectricWindmillCar BDay's! its presents of spin off inventors and inventions!

27 Sept 2008 Yale and CU Students from 1980 - 2008 lost the ElectricWindmillCar BDay's! its presents of spin off inventors and inventions!

27 Sept 2008 ElectricWindmillCar's Inventors BDay is 27 Sept 2008 at Yale, A Yale University that went along with the worst genocide, Holocaust in the History of Humanity. Carter and Kennedy, Bush lead the USA into the worst Genocide - Holocaust which burned 10's of thousands of cops in their cop cars, writing a ticket. Revenge for all these cops killed by all the Carter's, Kennedy's Bush's will be a Coup D'Etat - If it's a successful BDay party everyone burned in gasoline (and all the 9-11 victims and widows) from 1980 - 2008 will get a windfall of \$1 Billion dollars tax free from Texas and Saudi Mad Men!

\$1.1 Billion, as Japan should pay for the crime of going along with the worst genocide in the history of Humanity!

1 Sept 2008 "The Girlfriend's Guide to Breast Cancer" ABC News October 11th.

1 Sept 2008 Senator John McCain introduced Gov. Sarah Palin of Alaska

1 Sept 2008 Senator John McCain introduced Gov. Sarah Palin of Alaska; both are part of the worst genocide, holocaust in the history of Humanity. Both will not expose the Suppression of the ElectricWindmillCar, and the Discovery of the "Penicillin Cure for Breast Cancer. To Hell with treating Breast Cancer, this is a scam by MD's to make as much money as Oil Men. McCain could have ended the Iraq war in 1 day with the ElectricWindmillCar, he didn't! He killed 4k Marines, he alone could have saved by driving the ElectricWindmillCar on to the NBC GE stage as Jay Leno gives his monolog.

1 Sept 2008 The Discovery of the "Penicillin" for Breast Cancer!

1 Sept 2008 Standup2cancer.org ABC CBS, + NBC owned by GE

1 Sept 2008 GE stifles the "Penicillin" for Breast Cancer + "gasoline Cars"

1 Sept 2008 Penicillin in the 1940s, opened up the Era of Antibiotics!

1 Sept 2008 ElectricWindmillCar in the 1980's opened up a GE Holocaust

1 Sept 2008 GE murderers back in 1980 killed off the Era that could have Ended War on Earth, and cured cancer in 1981 from the Euphoria of spin off Inventors and Inventions the days after the ElectricWindmillCar was invented in 1980.

1 Sept 2008 Kennedy and Carter did this to Humanity in 1980, GE profited \$

1 Sept 2008 Only in a "1984" society could Kennedy and Carter start the worst genocide, holocaust in the history of Earth. Add losing the cure for cancer, Kennedy and Carter should be burned at the stake, not just hanged like Saddam.

1 Sept 2008 Curriculum for the discovery of "Penicillin" for breast cancer doesn't exist at the University here in Boulder, Colorado because "Oil Men are cold blooded killers with immunity, like Saudi Arabia has immunity from 9-11"

1 Sept 2008 Saudi Arabia has a free Universities since 1980. CU students lost a free University via Texas and Saudi Oil men plotting against students in the USA.

1 Sept 2008 Steering CU Freshmen Away From High Risk Alcohol Use, In an era that should be the ElectricWindmillcar Era. CU students wouldn't have any thoughts about drinking alcohol driving in their ElectricWindmillcar in an Era of Euphoria that turns students into Inventors.

1 Sept 2008 Christina Applegate calls a double mastectomy tough. When Christian finds out Mad Men from Carter to Bush spent \$5 Trillion dollars on War Toys she will call them mass murderers of their wives and girlfriends, via breast cancer. I think this started when Kennedy got away with the murder of his girlfriend, when he drove off the bridge drunk leaving her to drown.

1 Sept 2008 Texas and Saudi Oil Men have spread their "Oil Genocide" to the cure for cancer by selling all the Presidents MD's that they can make more money off treatments for cancer than the "Discovery of the "Penicillin" for Breast Cancer"

1 Sept 2008 Standup2cancer.org ABC CBS, + NBC owned by GE Sept. 5th 8 pm EDT Discovery of new "Therapies", not The Discovery of the "Penicillin" for Breast Cancer!

1 Sept 2008 GE and the ElectricWindmillCar Era; 1980 - 2008! GE stifled fueling every jet engine they make with free hydrogen from the electrolysis accessory they could be making and selling for the ElectricWindmillcar Era.

1 Sept 2008 Euphoria of the Invention of the ElectricWindmillCar in 1980 would have given Humanity the cure for Breast Cancer in 1981 by its inventor, Greg Buell

1 Sept 2008 Worst loss than this by GE is the 1 billion people from 1980 to 2008 who drank dirty water, got sick as Hell and died because GE didn't make the electrolysis accessory on you ElectricWindmillCar. Everyone on Earth would have had access to free clean drinking water from H and O

1 Sept 2008 On Sept. 5th Katie Couric will report on potentially life-saving research, speaking to scientists. Katie Couric will never, ever speak to the

inventor of the ElectricWindmillCar. Give the interview about brainstorming "The Discovery of "Penicillin" for Breast Cancer.

1 Sept 2008 Discovery of new "Therapies", not the Discovery of the "Penicillin" for Breast Cancer!

1 Sept 2008 Stand Up To Cancer's approach to research is to enable the best and brightest investigators from leading institutions across the country and internationally to work together. These collaborative "Dream Teams" will pursue the most promising research, accelerating the discovery of new therapies for patients. ---- Quote is "therapies" - Magic bullet: A theoretical substance that can kill breast cancer is "Penicillin!"

1 Sept 2008 Katie Couric will never report on the Women Suicide Bombers with Breast Cancer waiting outside CBS in Manhattan. Waiting for the NYPD to do a Coup... for all the cops burned and burned to death in gasoline, since the ElectricWindmillCar was invented in 1980.

1 Sept 2008 10's of thousands of Cops have burned in gasoline since 1980!

1 Sept 2008 Spin off of this Coup will be The Discovery of the "Penicillin" for Breast Cancer! "Manhattan Project" for "Penicillin for Breast Cancer". 1st Manhattan Project got the A-Bombs, then they were dropped on Japan, today Japan is giving Iran \$ 2 trillion dollars for gasoline, and Iran is using Japanese money to build Nukes. Japan is guilty of being a criminal Nation again.

1 Sept 2008 "The Girlfriend's Guide to Breast Cancer" - Brought to you by the Women of ABC News" will be broadcast exclusively on ABC News Now on Thursday, October 11.

1 Sept 2008 ABC Women Suicide Bombers with Breast Cancer waiting in Manhattan for the NYPD to do a Coup

1 Sept 2008 "The Girlfriend's Guide to the NYPD Coup"

1 Sept 2008 Girlfriend's learn the secrets of our "1984" society.

1 Sept 2008 GE is responsible for the deaths of 1 billion people from 1980 to 2008

1 Sept 2008 Kennedy with Brain Cancer has been Brain Dead since 1980 when he observed me on hidden cameras brainstorming the ElectricWindmillCar. Kennedy then went to Carter to get it suppressed for oil money.

1 Sept 2008 Kennedy with Brain Cancer. He has been Brain Dead since 1980!

1 Sept 2008 Kennedy, Brain Dead... poured gasoline over cop cars and cops since 1980!

1 Sept 2008 10's of thousands of Cops have burned in gasoline since 1980!

1 Sept 2008 Kennedy Brain Dead to Rap Lyrics that cops tried to stop

1 Sept 2008 Kennedy Brain Dead to Rap Lyrics that cops tried to stop

1 Sept 2008 Kennedy Brain Dead to Rap Lyrics that cops tried to stop, remember when the cops were in the news trying to stop Rap Lyrics in 1980! Kennedy, Kerry and the other elite white Nigger's hidden behind hidden cameras let Rap Lyrics lead millions to a life of crime, alcoholism, drug addiction, and lost humanity a cure for breast cancer and 1 billion social inventions.

1 Sept 2008 NYPD will arrest Kennedy for this when the 2nd Circuit Court in Manhattan reverses itself saying Saudi Arabia is libel to 9-11 widows and those burned and burned to death in gasoline since 1980.

1 Sept 2008 Then all the Supreme Court rulings protecting Microsoft will be reversed in favor of Student Inventors on a course to get Miracle cures for Breast Cancer and Bill Gates pet Malaria Cure which he never ever expected to get a cure for, but it made good news.

1 Sept 2008 Bush bribed the Russians; Bush gave Putin \$5 Trillion from oil sales!

1 Sept 2008 Bush bribed the Russians; Bush gave Putin \$5 Trillion from oil sales!

1 Sept 2008 10's of thousands of Cops have burned in gasoline since 1980!

1 Sept 2008 Moscow and Saint Petersburg cops have burn in fiery car wrecks!

1 Sept 2008 Tokyo Cops will arrest the Emperor of Japan for killing Cops in 10's of thousands of fiery cop car wrecks!

1 Sept 2008 Today Bush stabbed Putin in the back!

1 Sept 2008 worst Bush killed 40k women a year each year he was President via Breast Cancer.

1 Sept 2008 Bush ordered the Discovery of new "therapies", not The Discovery of the "Penicillin" for Breast Cancer! So MD's could have their own money making Genocide like the Texas and Saudi Oil Men.

1 Sept 2008 Women Suicide Bombers with Breast Cancer are waiting in Manhattan for the NYPD to do a Coup...

1 Sept 2008 NYPD Coup leaders will start up a "Manhattan Project" for The Discovery of the "Penicillin" for Breast Cancer!

1 Sept 2008 Women Suicide Bombers with Breast Cancer will take over the New 55 story New York Times building and will start writing Front Page News about The Discovery of the "Penicillin" for Breast Cancer!

1 Sept 2008 The New Intel Xeon X7460 will sell for \$2,729. This is just for the CPU in your new Xeon Notebook Workstation. 25 Million Inventors will need this Intel 6 core Xeon 7460 Notebook after the Coup. With Pirated Microsoft xp pro 64 bit software.

1 Sept 2008 I'm waiting for the Manhattan Women with Breast Cancer to seduce the Coup leaders, hopefully the NYPD. As the State Dept, and Rice have profited from "White Cops" burning and burning to death in fiery cop car wrecks from 1980 to 2008. Rice will be arrested for a "Hate Crime" CIA is Lost In Space or Just Lost, no direction home... they just follow orders in an American Made Oil Genocide Era! After women with Breast Cancer seduce the NYPD Coup Leaders, then I will set up a Laptop assemble line in NYC to build 25 million Xeon Notebooks with Win XP Pro 64 bit modified to crunch Excel like spread sheets that will be looking for the "Windmills" + "Penicillins" in 1,001 Invention Projects that come preinstalled as high tech "Inventor Software" on your new "Inventor" Laptop... this will not be a Dell with a million trail software programs that don't fully work but just stife aspiring inventors who bought a Dell before the Coup. Madonna's "Sticky and Sweet" tour will be over by this time, Madonna will be starting her "Breast Cancer" tour and you will be able to crunch all of Madonna's lyrics + every book ever written + every Medical Journal + every Scientific Journal you can not even read for free today, with your new Xeon laptop for several Miracle "Penicillins" that students who don't listen to Rap Lyrics will be working to invent. A Texas Court ruling like the one that said Saudi Arabia has immunity from 9-11 ruled cops will be able to track students with a history of skipping school under a new program requiring them to wear ankle bracelets with GPS monitoring. These kids who are skipping school are Brain Dead like Kennedy from Rap Lyrics, would someone please get the Coup started so a "Penicillin" oriented Supreme Court can rule Rap Lyrics kill people! GPS Inventions 101 will start at CU here in Boulder Colorado for Fall Semester 2020, grin. Course leadership people here are still sailing in Battleships not 700 Shuttles docked together like a train. Powered by a GE Gravity Engine that runs on free gravity sucked in by a Satellite Dish, sent through a gravity engine to create propulshion. CU has a Oil Genocide Man for President of the University, cops will arrest him, pour gasoline over him, set him on fire, for the 10's of thousands of cops burned and burn to death from 1980 to 2008. Today's headlines, NY Times is trying to sell you Hydrogen for \$5 a gallon when it would have been free since 1980 from the GE electrolysis accessory in your ElectricWindmillCar. Japanese girls on the Pearl Street Mall will not be getting interviewed for a job serving food and alcohol after the Coup, they will be working on their new Xeon laptop crunching "Excel for Penicillin" spread sheets. Invention based spreadsheets. NASA sold its soul to the "devil" Texas and Saudi Oil Men! Losing 5 billion inventors the chance of a lifetime... working on Star Travel to Alpha Centuri 4.3 Light years down range. Kennedy bought NASA these drinks and caviar that kill the trip to Alpha Centuri by NASA. Breast cancer in Israeli women, highest in the world! War Toys in Israel, is highest "Penicillin" for University Engineers. Breast cancer in Israeli women, highest in the world! MOSCOW - Russian Prime Minister Vladimir Putin accused the United States on Thursday of pushing Georgia toward war and said he suspects a connection to Bush and Chaney wanting to make this news like the 007 movie that started wars to make the news a profit. Bush, Chaney, Israeli Generals, and yes-even MIT, motivation is War and War Toys, paid for from the profits + bribes from suppressing the ElectricWindmillCar. MIT infected Harvard Medical School students with the war virus. Harvard MD's in Iraq own their windfall profits to MIT students motivated by War and War Toy inventions. Breast cancer in Israeli women, highest in the world! War Toys in Israel, is the highest "Penicillin" for University Engineers. Breast cancer in Israeli women, highest in the world! Cell phone GPS could be used by everyone to pinpoint where someone is today...A livesaving Invention that the Top Brass suppress! Verizon Navigation Map opens and shows where they are at. Cell phone GPS could give cops another powerful tool to track criminals. But the top Criminals are the Top Brass who stifle this GPS invention and 1,001 Invention Projects that will be on this web page (for those who don't get 1 of the 25 million Xeon Inventor Laptops) to get you started inventing something! After the Manhattan Court reverses itself we will get a windfall of a \$ Trillion dollars in Saudi Oil money to build 100 Million Xeon Inventor Laptops! Coup by the NYPD is the only powerful tool to track down and hang these World Leaders for being as brain dead as Kennedy to women with Breast Cancer. Ultimatum... Let the inventor of the ElectricWindmillCar, Greg Buell get the invention of the "Penicillin" for Breast Cancer started, come out from behind the hidden cameras in this Orwellian Society! Inventor, Greg Buell will be the USA'S 1st legal polygamist, with wives who play the role model of the Goddess of Inspiration, to inspire, brainstorm a "Penicillin" for Breast cancer CURE. Yoke will get her Bday present for John Lennon at the same time, the 1 billionth ElectricWindmillCar coming off the Toyota assemble line on John Lennon's 70th Bday. "Sometimes, you know, I cry and sometimes I scream and I get really angry and I get really like, you know, into wallowing in self-pity sometimes," Christina said. "And I think that's — it's all part of healing, and anyone who's going through breast cancer out there, it's OK to cry. It's OK to fall on the ground and just scream if you want to." Penicillin in the 1940s, which opened up the era of antibiotics, GE suppressed the "Penicillin Era in the 1980's" going along with the suppression of the ElectricWindmillCar. Egyptians had the practice of applying a poultice of moldy bread to infected wounds. Penicillin, it was based upon historical records that had originated as early as 1500 B.C. There were already records describing the use of molds and fermented materials in the treatment of diseases. Because such treatments were carried out without an understanding of the nature of the cure or an understanding of cellular and biochemical processes of the human body. Pasteur was an inventor, The French President in 2008 killed, murdered all aspiring Pasteur's in every University in Paris on Orders from Bush! The first real test for the Florey lab came when Albert Alexander, a 48-year-old London policeman had nicked himself while shaving. It was only a minor cut and was ignored for several days, but this would have a major impact on medical history. After a time, Alexander's face became swollen and infected and developed a temperature that rose to 105F. The minor cut had developed septicemia. When he was rushed to Radcliffe Hospital, sulfa drugs were administered without success. When the doctors believed that the policeman only had several more hours of life remaining, Florey and Chain requested that they be given permission to treat this patient with their "purified" penicillin. This would be their first human subject to which penicillin was applied. Florey and Chain took charge of the case personally and injections of penicillin were begun. After five days, the impossible had happened, the patient was recovering. Unfortunately, because penicillin was in such short supply, that small amounts had to be extracted from the patient's urine. after five days, the supply of penicillin that was produced for experimentation had been used up. There was no more penicillin available, and the policeman had a relapse and died five days later. Magic bullet: A theoretical substance that could kill disease, without harming the infected organ. Steering CU Freshmen Away From High Risk Alcohol Use... to working on 1,001 Invention Projects spelled out on their "Inventor Laptops". Paris Universities are not Boulder, Colorado Universities - The students in every University in Paris have been killed, murdered in the 1st week of classes! By the President of France! Do you think the CU students here in Boulder, Colorado have a chance in Hell of getting the "Penicillin" for Breast Cancer - - - - Hell No!

9 Aug 2008 Socialite Paris Hilton is not one of the Women Suicide bombers with breast cancer. Electricwindmillcar and a windmill cure for breast cancer are married to the success of the Women Suicide bombers with breast cancer. 9 Aug 2008 "Penicillin for Breast Cancer" I want to be the one who gets this Miracle Cure, after working 24/7 with my MD/PhD wife's, brainstorming 24/7.

9 Aug 2008 License Plate for "Purple Heart" connotations are now the winners killed women by rape and murder of their ElectricWindmillCar Era. The Pentagon Generals stifled the glory of a breast cancer cure for the glory of war, which could have been won by using the ElectricWindmillCar as a weapon to end the Iraq war and get the cure for breast cancer at the same time. 9-11 would never have happened with the ElectricWindmillCar on the streets of Manhattan in 1980.

9 Aug 2008 *Glory of War In Afghanistan* for 3 sisters all pilots Kelly Smith, A Smith, Lacy Smith flying a black hawk, flying high who made the end story on ABC news, no ABC did not put on a lead story about the 3,000 women who died of breast cancer today. Who crashed and burned. Adding insult to injury ABC snubbed the 3k women who died of Breast Cancer today. I am Woman song..proud members of the USA military. And yes their Mother sunbathes in the Euphoria of winning the war. Women at war are not working as Inventors on a cure for breast cancer.

9 Aug 2008 John Edwards confessed to an affair with a hot young skinny blond when his fat old wife was diagnosis with breast cancer. Yes he stayed at the Hilton with his mistress.

9 Aug 2008 Hiroshima + Nagasaki, A pacifist Japan suppressed the ElectricWindmillCar Era killing 140 million in every city around the world. Killing 1 billion inventions for peace. Only 140,000 died at Hiroshima, not 140 million.

9 Aug 2008 Japan is guilty of on going War Crimes, of letting Bush kill 140 million people around the world, suppression of the ElectricWindmillCar, its electrolysis accessory, to give you free cans of hydrogen to generate your own electricity in your home, its GPS, its super airbags on the outside, and up most Japan is guilty of losing the cure for Breast Cancer.

9 Aug 2008 Women suicide bombers with breast cancer wait for to question Yoko about John Lennon's revolution to end war on Earth in 1980. 1 billionth ElectricWindmillCar coming off the Toyota assembly line on his Bday. When?

9 Aug 2008 Women suicide bombers with breast cancer wait outside the White House, and Beijing Olympics, Electricwindmillcar and a windmill cure for breast cancer are married to their success. Chinese President Hu is a mass murderer of 140 million people around the world and the Olympics Committed and UN know this.

26 July 2008 Japanese and Bush will be hanged, like Saddam but this time by a bunch of bitches with breast cancer as their Judge, Jury and Hangman!

9 Aug 2008 Japan spent a \$ Trillion dollars on Gasoline, 90% of the money went for war toys by Moslems. Iraq is a Moslem War, War for more oil money by Bush.

9 Aug 2008 Delivering a speech at the memorial, Hiroshima mayor Tadatashi Akiba has no thoughts of being hanged like Saddam by a bunch of bitches with breast cancer, Hiroshima mayor Tadatashi Akiba spit on the 140,000 USA women who died of breast cancer while Bush was President of the USA.

9 Aug 2008 Toyota "Hiroshima-BreastCancer" 2009 model car. Lets the world know more women died from Breast Cancer in 1 year than those killed at Hiroshima.

9 Aug 2008 Goti and Japan, criminal behavior by a gangster and the Nation of Japan. Neither expected to be arrested and hanged for murder and mass murder.

9 Aug 2008 Survivors are those burned in their Toyota's fiery crash. With a face burned in gasoline.

9 Aug 2008 Toyota "Hiroshima-Fiery Car Wrecks", 2009 Model car.

9 Aug 2008 140k burned in a Toyota fiery car wreck Bush tossing gasoline bombs.

9 Aug 2008 140k burned in Hiroshima.

9 Aug 2008 140k women died from Breast Cancer at 40k a year just in the USA

9 Aug 2008 Black males raped and killed 140k women.

9 Aug 2008 Queen Elisabeth was not at Hiroshima, she was toasting with Bush, Let them eat cake, let them burn in gasoline, were addicted to oil money.

9 Aug 2008 IBM has sold the Pentagon \$140 Billion in computers, none for use in getting the Penicillin cure for Breast Cancer

9 Aug 2008 Boeing has sold the Pentagon \$140 billion in planes, Oil tanker refueling fleet of 600 747 planes, no fleets of 600 planes for forest fighting.

9 Aug 2008 Toyota CEO is a War Criminal - WW III we must stop the Japanese from selling gasoline. Toyota's that will crash and burn 140 million people around the world before the suppression of the ElectricWindmillCar is exposed by Yoko.

9 Aug 2008 140k cops were burned in gasoline sitting in their cop cars, in Paris, Moscow, etc

9 Aug 2008 Coors has killed more than the 140k who died at Hiroshima; Yes all governments suppress my drunk driving accessories on the ElectricWindmillCar.

9 Aug 2008 140 kids like the twins Nancy Grace just had, Lucy and John were left in hot cars in the Summer of 2008 and died, when the electrolysis accessory will keep the ElectricWindmillCar climate controlled 24/7

9 Aug 2008 Kennedy a drunk drove off a bridge leaving his girlfriend to drown. Sony will make a biography of Kennedy saying he alone is responsible for killing 1 billion people by suppressing the ElectricWindmillCar.

9 Aug 2008 Socialite Paris Hilton is not one of the Women Suicide bombers with breast cancer. Paris Hilton is a mass murderer of women with breast cancer by not exposing the suppression.

9 Aug 2008 Socialite Paris Hilton deprived 5 billion people on Earth a life driving a "hot" ElectricWindmillCars, and getting high on the snub to Moslems who have oil and no one to sell it to.

9 Aug 2008 Google has a pizza-sized box that holds a self-contained search system for managing an organization's electronic files, can store up to 10

million documents in a single box. Mountain View, based Google has this elite enterprise software and search services aimed at corporate users. Google deprived 5 billion people on Earth a life as an Inventor. I visited Bill at Boulder Community Hospital this week; he has Brain Cancer from Smoking. We talked about the "Windmill" in "Animal Farm" and the ElectricWindmillCar. I told him if the Observers behind the hidden cameras in our Orwellian Society come out soon, I would search for other "Windmills" to get a Windmill Cure for Cancer. Google deprived me of this search by not putting this elite corporate search service on their web page. I will certainly purchase it from Google when General Orwell lets me work as an Inventor not a temp at the Avalanche Beacon factory in Boulder, Colorado. (One of our bosses here does not believe smoking caused cancer) This is were Bill worked too but as a temp for years he has no health insurance. The women at the temp agency are criminals in our Temp Society. Killing every Bill with no health insurance after years and decades working as a Temp. Skimming \$5,000 off every Temps yearly income. This Temp Era only survives because the ElectricWindmillCar is suppressed. I will certainly try to get Prison for these Temp Employment employees and owners to retire to when the ElectricWindmillCar is no longer suppressed. 1980 -2008 everyone would have quit smoking if the ElectricWindmillCar was not suppressed, as the Tobacco Senators would have been hanged a long time ago. Coors has killed more than the 140k who died at Hiroshima. Toyota will come out with a Coors-DUI model car for 2009. Kennedy too has brain cancer, but Kennedy has been brain dead since he drove off the bridge and let his girlfriend drown. CU student drowned in Katmandu, Nepal, where she was spending the summer with a study-abroad program called the Passage Project. Keenan Fernandez, 19, was swimming in the Sundarjal reservoir, 15 kilometers northeast of Katmandu, when a current swept away her friend, Kesang Rajyal, 28, a Tibetan national. "She has been pretty busy — living with a host family and learning the Nepalese language," Her heroism in death is reminiscent of another CU student who died this year while trying to protect his mother from would-be robbers in Mexico. Junior David Parrish, 21, died March 26 from a gunshot wound to the stomach. CU spokesman Bronson Hilliard said the school has been sending CU students around the World since 1980 when the ElectricWindmillCar was invented in Boulder, Colorado. CU would be hosting a Summer School for CU student inventors if the ElectricWindmillCar Era was not suppressed. 1980 -2008 All CU students missed out on CU hosting a Summer School for student inventors. Socialite Paris Hilton deprived 5 billion people on Earth a life driving "hot" ElectricWindmillCars, and working as "Inventors" Invention is not a major at CU because of the Hiltons, Kennedy's, Bush's. 5 Billion social inventions have been lost. Worst than this loss is they were replaced by 5 billion Pentagon Inventions. We lost Inventors to war. Humanity will never recover from this Holocaust by Socialites like Paris Hilton and her Mother. My Mom too at 85 lives in the Euphoria of winning the War against Japan. Mom sent me a letter 3 weeks ago after I sent her the last End War News below this one, saying I do not want you to send me any more End War On Earth News you write. I don't want to Travel to Alpha Centauri or any of the 1,001 Nearest Stars. Sony in Japan will not have any mercy on my Mother making my Autobiographical Movie. At 85 my Mom is still Euphoric about winning the war in Japan. My mom belongs to the "Veterans of Foreign Wars" these are the cards she sends me knowing I'm trying to End War On Earth, and this is her Alpha Centauri and to Hell with Aliens in the Universe, she has no use for them. CU students would be winning the Light Year Conquest War, traveling to Alpha Centauri 4.3 Light Years down range. If Paris Hiltons Mother was not a mass murderer. Yes Paris Hilton and her Mother are mass murderers of everyone who died in a fiery car crash, and died of cancer since 1980. As the Euphoria of the ElectricWindmillCar would have spun off a cure for cancer. When the NYPD pulls off the coup, I want the new 55 story New York Times building, and I will use the New York Times, to document the crimes from 1980-2008. Day after I wrote this sentence above the NY Times headlines called it "delusions" from those seeking justice from the New York Times suppression of the ElectricWindmillCar and stifling the miracle overnight cure for breast cancer. "Penicillin for Cancer" will be invented, women suicide bombers waiting outside the White House want to let the socialites like Paris Hilton they want the "Penicillin for Breast Cancer" without a Rx and they want it in 2008. No women with breast cancer have "delusions" of talking over the New 55 story New York Times building; they will take control of the New York Times and write the front page. They will call on cops, burnt in gasoline, friends of cops burnt in gasoline. Cops whose wife and daughters and Mothers died from breast cancer since 1980 when the current owners of the new 55 story New York Times building suppressed the cure for breast cancer along with the ElectricWindmillCar. Euphoria of the ElectricWindmillCar invention at the height of the Oil Embargo in 1980 with long lines at every gas station in the USA.. would have let me Greg Buell get the cure for breast cancer and make the University mandatory and free. Carter and Kennedy are mass murderers over and over again for their crime suppressing all this from 5 billion people on Earth. Socialites like Paris Hilton and her Mother deprived 5 billion people on Earth a life driving a "hot" ElectricWindmillCars, and getting high on the snub to Moslems who have oil and no one to sell it to. Socialite's like Paris Hilton and her Mother deprived everyone in the USA of a Free University, State of the Arts Medical School built over every football stadium on every campus in the USA, this goes on and on. NY Times headlines calls this "delusions" from those seeking justice from the New York Times suppression of the ElectricWindmillCar and stifling the miracle overnight cure for breast cancer. "Penicillin for Cancer" New York Times was "delusional" in 1980 thinking they could escape from women suicide bombers with breast cancer after stifling their cure from 1980 - 2008. "Delusions" at the New York Times bought them a 55-story building from profits from their crimes. Oil money bribes from Saudi and Texas Oil Men. Criminals are not allowed to keep profits from their crimes, this is why the New 55 story building will be remodeled into a State of the Arts Medical School publishing the New York Times will be women suicide bomber with breast cancer, working with me Greg Buell 24/7 until we get the "Penicillin for Breast Cancer" without a Rx and they want it in 2008. No women with breast cancer have "delusions" of talking over the New 55 story New York Times building, and rewriting the front page. There is nothing "delusional" about women with breast cancer wanting an overnight cure. "Delusional" are the Owners of the New York Times who write the front page today. Their secret Swiss bank account will be as public as John Edwards cheating on his wife the day she was diagnosed with breast cancer. Paris Hilton diagnosed with breast cancer, from alcohol, smoking, drugs, exhaust, salt, feminine products, what is the cause of breast cancer? "Penicillin for Breast Cancer" I want to be the one who gets this Miracle Cure, after working 24/7 with my MD/PhD wife's, brainstorming in front of the Hidden Cameras, better TV show than Kendra, and Holly with Hefner at the Playboy Mansion. As we have no "delusions" We will get the "Penicillin for Breast Cancer" and you will be watching us brainstorming on live HD TV. Greg Buell and his wives!

26 July 2008 Women suicide bombers with breast cancer wait outside the White House, and Beijing Olympics, Electricwindmillcar and a windmill cure for

breast cancer are married to their success.

26 July 2008 Bush has no thoughts of being hanged like Saddam by a bunch of bitches with breast cancer

26 July 2008 Bush has no thoughts of... A Pinwheel galaxy 27 million light-years away in the constellation Ursa Major that has one of the highest known gradients of metals, elements heavier than helium of all nearby galaxies in our universe.

26 July 2008 Bush has no thoughts of being hanged like Saddam by a bunch of bitches with breast cancer

26 July 2008 Bush spent a \$ Trillion dollars on War Toys for the Pentagon Generals

26 July 2008 Bush killed 40k women every year by spending their money on War Toys

26 July 2008 Vietnam Memorial Wall was trucked into Boulder Colorado

26 July 2008 Exhaust from this caused cancer, 3 in 100,000

26 July 2008 Exhaust in Beijing caused cancer in 3k in every 100k wow!

26 July 2008 Exhaust from delivering the Vietnam Memorial Wall to Boulder Colorado caused a few cancer per 100k people. None of the male reporters at the Daily Camera Newspaper writing up this story mentioned or even thought about...

26 July 2008 Women Suicide bombers with breast cancer. Who first lost the cure for breast cancer because of the Vietnam War Cost.

26 July 2008 Now They will have a Memorial for Breast Cancer deaths 100 times more dead woman from breast cancer than all the names at the Vietnam Wall.

26 July 2008 And all killed by USA males, Madmen into War. Reporters who wrote up the Vietnam Wall visiting Boulder Colorado left out

26 July 2008 the breast cancer memorial which will never be built by any of the War Mongers who still live in the Vietnam Era and polluted the air... here and in Beijing Olympics- same Era today but the

26 July 2008 Women are being massacred in Boulder Colorado today not Vietnam, and have no breast cancer Memorial Wall No Manhattan Project for a breast cancer cure. No Greg Buell working 24/7 on a windmill cure for breast cancer.

26 July 2008 Women suicide bombers with breast cancer want a "War Toys Design for their Breast Cancer Memorial",

26 July 2008 think of a good design for a Breast Cancer Memorial and put under it a replica of the Vietnam Wall saying to these guys who designed and built this Vietnam Wall you also massacred women in Boulder Colorado who died of breast cancer by going to Vietnam... Hell no we will not go!

26 July 2008 Beijing women suicide bombers with breast cancer wait for Hu.

26 July 2008 Bush has no thoughts of being hanged like Saddam by a bunch of bitches with breast cancer.

26 July 2008 Bush will retire to Texas with a clear conscience void of the 40k women he killed every year he was President of the USA.

26 July 2008 Texas will pay compensation for all these breast cancer murderers by Bush and his family.

26 July 2008 \$1 billion in confiscated Pentagon Money to every women with breast cancer... who lost the cure via War Toys.

26 July 2008 Help the Inventor of the ElectricWindmillCar guide the Killer T cells to the target, an overnight "Windmill" cure for breast cancer - the cure for breast cancer was killed by Bush and his wife and his 2 daughters because of the Vietnam War.

26 July 2008 99.9% of women are apprehensive...about breast cancer.

26 July 2008 99.9% of women are confident... an overnight "Windmill" cure for breast cancer will be their "Windfall Profit" from the Inventor of the ElectricWindmillCar Greg Buell, when he is allowed to work as an Inventor not a Temp assembling Avalanche beacons in Boulder, Colorado.

26 July 2008 Bush let Kodak sell x-ray results to 100 Million women for a profit, knowing x-rays are old technology like the gasoline car the Bush family drives.

26 July 2008 Kodak CEO is a Bill Gates, a clone of Bill Gates, The one and only Bill Gates who killed the students who would have invented something better than x-ray film for breast cancer detection, Bill Gates killed 100 million student inventors from ever inventing anything to save a few of the 40k deaths every year. Bill Gates with his Microsoft policies of Greed killed a few breast cancer women or 1k a month out of the 40k dead a year. Use Microsoft software to calculate the percent of breast cancer women every year since 1980 Bill Gates and his greed infected CEO clones killed for x-ray film profits.

26 July 2008 Women suicide bombers with breast cancer wait outside Microsoft for Bill Gates

26 July 2008 Women, who son's and daughters died from depression, missed out on an Era of mandatory and free University. This Era would have driven them into a different Universe with 1,001 Invention Projects you can work on software from Microsoft.

26 July 2008 Breast self-exam is worthless ABC reported today

26 July 2008 IBM Supercomputers are worth too much to be used by a Manhattan Project for a breast cancer cure.

26 July 2008 windmill cure, a overnight cure like the electricwindmillcar ended the oil embargo in 1980 - Billion of spin off inventions and miracle cures were lost by Carter and Kennedy from 1980 - 2008 from this crime against humanity just for more oil money.

26 July 2008 Clinton's adultery, Clinton perjured himself in front of 100 million people

26 July 2008 Bill and Hillary have no conscience. Clinton with Gore, both tossing gasoline bombs at SUV's driving down the streets of the USA bursting into fiery car wrecks while Clinton and Gore suppressed the ElectricWindmillCar

26 July 2008 Suppress the Inventor of the ElectricWindmillCar, stifling him from working as an Inventor on the cure for breast cancer.

26 July 2008 Clinton had sex at the White House while 40k women died of breast cancer.

26 July 2008 Clinton and Hillary have no conscience. They killed women with breast cancer by stifling the electricwindmillcar and Greg Buell was not allowed to get a windmill cure for Breast Cancer... Hillary and Bill did this, killed all these women while having sex in the White House.

26 July 2008 Women suicide bombers with breast cancer wait for Clinton and Gore to hang - for their crimes against women, then lying about it in an "1984" Orwellian Society.

26 July 2008 should Bush hang alone or with all the Presidents of Yale who went along and profited from several of Bush genocides going on simultaneously?

26 July 2008 Yale Medical School

26 July 2008 Yale Medical School will do a self-exam... and the test results will reveal they failed to save the lives of 40k women Bush killed every year he was President of the USA

26 July 2008 self-esteem, breast cancer, intellect burning with the desire to get a cure for breast cancer, stopped dead by Bush and the Pentagon.

26 July 2008 not letting Greg Buell work on a windmill cure for breast cancer,

26 July 2008 Teen on a skate board spit at me today

26 July 2008 via General Orwell in Boulder Colorado. Teens on skateboards invent nothing under our current Gen. Orwell in Boulder, Colorado. They spit at the inventor of the electricwindmillcar, because some Generals sitting behind hidden cameras ---not knowing women suicide bombers with breast cancer are asking the Generals wife for an invitation to the Generals next party.

26 July 2008 Beijing trying to reduce pollution before Olympics.

26 July 2008 Beijing pollution of the ruling class, massacred 1 billion Chinese by going along with the suppression of the ElectricWindmillcar, causing fiery crashes that burned 100 million Chinese women over most of their body.

26 July 2008 Hu and the other Presidents of China never felt the pain of being burned in gasoline

26 July 2008 Chinese women suicide bombers with breast cancer lay in wait, for the next Chinese Revolution.

26 July 2008 women with breast cancer who want a windmill cure will bring down Hu and the others who massacred 1 billion Chinese for Texas Oil Men.

26 July 2008 a windmill cure that should have driven into her life in 1980 day after the long lines at gas stations ended the oil embargo.

26 July 2008 Beijing Olympics of 1980 took a bribe from Texas Oil Men

26 July 2008 Beijing masses would never have sucked off Texas Oil Men for perks like Hu did.

26 July 2008 Knowing 1 billion Chinese will experience the pain of being burned in gasoline over most of his or her body, and the Chinese kids burning in gasoline.

26 July 2008 Beijing trying to reduce pollution before Olympics. Pollution of the cure for cancer by Beijing leaders, all male of course. Bribed Hu, Bush, Carter, and Kennedy, Clinton well one women Hillary. So a woman can buy War Toys

26 July 2008 Hillary just finished sucking off Obama, her part in a scam in this Orwellian Society.

26 July 2008 OJ really killed his white ex-wife and Clinton and Hillary gave him a Presidential Pardon

26 July 2008 10's of thousands of white women who befriended Niger Males were killed by them. Or just had the shit beat out of them several times!

26 July 2008 Pit Bulls are for Niger's to make money and Euphoria with at dogfights in their back yards.

26 July 2008 Niger Males are not going to buy a Xeon Workstation and brainstorm the cure for cancer instead of staging a pit bull dog fights. It's not in their genetic or social make up. TB rates are the highest among Africans and African Americans who also have no conscience in giving you and your kids TB.

Today a Niger Male with the White women teen jumped out in front of me, Greg Buell at Ben and Jerry's on the Pearl Street Mall, spit at me because I write that Niger's are Pit Bulls willing to bite any white person who befriends them, give the white girlfriend a knife job like OJ or just AIDS or Hepatitis etc. Video of this on the Pearl Street Mall exists behind the hidden cameras, I can track down this White girl when the Observers come out from behind

the hidden cameras and show her video of Niger's, killing, raping and beating the shit out of white women every day, scenes of blood worst than the front door and sidewalk at OJ's murder of his ex-wife. Yes Clinton and Hillary gave OJ a Presidential Pardon after observing this bloody murder... why, because we live in an Orwellian Society that lets a black and white couple lay in wait for me on the Pearl Street Mall, same Generals behind the hidden cameras called the Niger Male and White women teen and told them I was coming down the Pearl Street Mall, lay in wait for Greg Buell and spit at him. Generals give the orders for all kinds of harassment hidden behind hidden cameras. In "1984" you could break the mirror and find the hidden camera, not today. TB given to Whites who befriend Niger's does not stop the Generals behind hidden cameras. Big Brother is watching but not watching out for you. In fact the Orwellian Generals give you the White Guy, Gal, TB, Hepatitis, AIDS, Staf, STD knowing the statistics on who the Niger Males give what to in our Society. The Generals are brainwashed like in "1984" War is Good. Teens on skateboards should be working on Intel Xeon workstations: Generals spent this money on War Toys. When you walk down the Pearl Street Mall and see and black and white couples you now know some Generals hidden behind hidden cameras in an Orwellian Society sent them. War is stopping the spread of TB, Syphilis, HIV, and STD, all off the Excel Charts in the Black population. In this social War the Generals side with the diseased Niger's not telling you they will infect you. Exhaust from gasoline cars has given the Orwellian Generals brain cancer like Kennedy's. Kennedy has had a hang over since 1980, since he drove off the bridge and left his girlfriend to drown. Then Kennedy ran for President, after leaving his girlfriend to drown. Because all the Presidents from Carter to Bush have let 40k women a year die of breast cancer without starting a Manhattan Project for a breast cancer cure. Saddam was more important to Bush than 40k women. Why, because Bush - Bush has no thoughts of being hanged like Saddam by a bunch of bitches with breast cancer. Carters Mother sucked off the Chinese Leaders. Good enough to make Hu and the others kill (burn in gasoline) 1 billion Chinese for the riches and perks an American President and his wife can give China. Bush has no thoughts of being hanged like Saddam by a bunch of bitches with breast cancer. Our environment might look like Chinese rush hour traffic with no exhaust from the ElectricWindmillCar if Carter, Reagan, Bush, Clinton, Bush, and Kennedy didn't toss gasoline bombs at SUV's on the streets of the USA after suppressing Greg Buell from working as a Inventor, not a temp building Avalanche Beacons in Boulder Colorado. What the environment of China might look like if Hu and the others from the Chinese Ruling Class didn't burn and burn to death 1 billion Chinese for the Perks an American President gave them. China would have 1 billion spin off inventions from the ElectricWindmillCar. Women suicide with breast cancer and women suicide bombers who's sons, daughters, and cop husbands burn and burned to death in fiery car wrecks wait outside the Olympics for Hu. Geneva is about to smash Quarks; Top Quarks around the world have the same hangover Bush has. Delusions that bitches with breast cancer will never hang them like Saddam was hanged. Geneva is looking for new Quarks. Society is looking at the next Revolution. Beijing Olympics, little does Hu know women suicide bombers with "breast cancer" are waiting for him outside the Olympics!

Ps...Ruth Tilsley and her brother Bruce Jones, my Orwellian landlords from Hell can't see well enough to drive at 70 years old. I was going to turn them in to the Colorado driver's license people. So ABC puts on a story that 30% of semi truck drivers have the same poor vision as these old farts I have as landlords. Then a GM story about a futuristic windshield that will let old farts keep driving safer with Jet Fighters data displayed on the car windshield. In the mean time a story about old farts like Ruth Tilsley and her brother Bruce Jones, hitting a pedestrian in Denver. Driving through a red light crashing into another victim of letting old farts drive way past their 70's because the Top Quarks do not enforce the vision laws. Beep, Beep, Beep backing up sounds, and no sounds for running a red light. Well this only got started because the landlords Ruth Tilsley and her brother Bruce Jones started harassing me every day, about my bike parking spot. They want to put 20 recycle bins from the City of Boulder Colorado in my bike spot in the basement and wrote me a letter telling me to park my bike and groceries on the bike, etc out in the thunders showers and snow in the winter time. This is crazy, recycling bins in the basement bike parking spots. It was planned harassment by the landlords. Once they put my dirty dishes I left in the sink in the clean dish rack with the clean dishes, maybe twice as it took me a while to catch on. What happened to my dirty dishes I left in the sink? I might have gotten sick as Hell before I figured out what the landlords were doing. I just hope our Orwellian Society has a hidden camera above the sink in the basement to see if I used any of the dirty dishes and got sick as Hell. Oh yes the guy across the hall is blinder than the landlords and his MD said no driving for Cecil, Ruth Tilsley said to me Cecil only lives to drive to Longmont 30 miles every morning for coffee with his friends. Ruth told me she would not stop him from driving or turn him in to the Colorado driver's license people. This goes on so much I would say 30 % just like the semi truck drivers crash and burn into victims who would not be crashed into or hit by a car or truck if the Top Brass enforced the vision laws on the books. CBS and ABC and NBC will do another story about truck drivers with poor vision and old farts like Cecil, Ruth Tilsley and her brother Bruce Jones with poor vision who should not be driving. If I get a note from Ruth Tilsley and her brother Bruce Jones I will write a note to the Colorado Drivers License people turning them in for poor vision, I can not do this until I lose my bike parking spot in the basement to city of Boulder recycling bins as this will be a fight to the death... over a parking spot... is Boulder Colorado becoming like NYC already? 1 Billion ElectricWindmillCars would have prevented 9-11 now the news reporters are writing up Hells Canyon -outside Boulder, Colorado. Hell gets more likely every time I write up 1,001 nearest stars. After humanity visits 1,001 nearest stars and meets there Aliens reporters in Boulder Colorado will rewrite the stories about "Hells Canyon" giving it a afterlife especially for those who took oil money for suppressing the ElectricWindmillCar in 1980 - Little did they know this bribe would send them to Hell for 9-11, not just taking a bribe from Texas and Saudi Oil men.

Hells Canyon, Colorado and in the Universe!

12 July 2008 One comment leads to another and Jane is screwed, hopefully not killed by Texas or Saudi Oil men when she exposes the suppression of the ElectricWindmillcar since 1980. Jane could document its 1980 invention and suppression going on to 2008 in 3 minutes flat. Another moron at CBS radio screens callers to make sure no one "Would Could" expose the suppression of the ElectricWindmillCar, though not in 3 mins flat like Jane could - grin.

12 July 2008 All this time I'm listening to Dom and Jane I'm not working as Boss of the Manhattan Project for a Breast Cancer but assembling Avalanche Beacons in Boulder, Colorado as a temp.

12 July 2008 GPS accessory for Avalanche Beacons is a hard sell as the electrolysis accessory for your ElectricWindmillCar.

12 July 2008 Just keeping my bike parking spot in the basement from my Landlord who what's to put me and my bike out in the snow, and T-Showers so they can keep the City of Boulder happy with 20 recycling bins, out of the rain is going to cause me to take a week off from the Manhattan Project to put my landlady in jail. My Landlord pays employees cash... forward this to the IRS ASAP!

12 July 2008 Building owners don't want you climbing it, even though they got the building as a bribe from Texas and Saudi Oil men.

12 July 2008 Landlords got their buildings from a Godsend, thought their willing to let 100 kids die in hot cars in the summer of 2008 rather than help the

inventor of the ElectricWindmillCar get the 24/7 climate control accessory through Congress, but only after the current 100 Senators are charged with treason and hanged.

12 July 2008 Brain dead Kennedy was on CBS, ABC, and NBC returning to the Senate before he dies of brain cancer. No Senator mentioned the Manhattan Project for a Breast Cancer cure.

12 July 2008 Madonna issued a statement saying that she has "nothing to do with this state of marriage or what spiritual path you may choose to study," apparently referring to reports that she had introduced her married ballplayer lover to Kabbalah, a form of Jewish mysticism. Which in a million years will never give women a cure for breast cancer. What transformation will be in store for Madonna if she gets breast cancer? Will she help me start the Manhattan Project for a breast cancer cure? Will Madonna's breast cancer reinvent her again - Absolutely!

12 July 2008 MIT is light years from Idiot Proofing Boston hospitals from Black MD's

12 July 2008 AMA is light years from apologizing to 1,001 white cops burned and burned to death in gasoline for not exposing the suppression of the ElectricWindmillCar and for adding insult to injury by causing the white cops pain after leaving the burn center by billing them. AMA is addicted to MD drug abuse at work and Oil bribes from Texas and Saudi Oil Men. Some white cop who needed a kidney transplant for his mom or dad will learn at the AMA Genocide trials the AMA Niger's sold the kidney to a Saudi Prince.

12 July 2008 Galapagos Islands

12 July 2008 Galapagos Islands after you visit 1,001 nearest stars...

12 July 2008 Good place to take several of your wives for an Invention Vacation

12 July 2008 Jane at CBS radio in Denver will coin the term Invention Vacation tomorrow when I turn her on. Though Jane has never ever mentioned if she would ever consider being a wife of a Polygamist. All the Texas Polygamist's Kids missed out on the Invention Camp. ALL Presidents of the USA since Carter killed the Invention Camps 1,001 nearest stars, all could be habitable for Humans. Galapagos Islands in a different perspective after Humans have visited all 1,001 Nearest Stars and documented their Aliens. All Presidents of the USA since Carter blew up 700 New Model 2008 Super Shuttles long before they were even delivered to NASA. All Pentagon Generals since 1980 killed their own Marines instead of using the ElectricWindmillCar to win the war. Pentagon Generals and their War Toy makers invented 1,001 false inventions for the front page of the New York Times. Goings-on since 1980 caused the Newspaper Reporters in Boulder, Colorado at the Daily Camera to walk across the street and tear down posters of Officer Jason burn in gasoline while sitting in his cop car. Yesterday on CBS Nightly News Katie Couric interviewed one of the top oilmen in Texas about windmills to generate electricity over power lines. Next day on CBS Nightly News Katie Couric said this is not a good idea as the electricity would need millions of more miles of power lines built. What happen to the can of free hydrogen from your ElectricWindmillCar electrolysis accessory, it was suppressed. Every student on Earth from 1980 - 2008 was suppressed by the suppression of the ElectricWindmillCar. Yoko came to Boulder, Colorado and didn't stop by my place. Now Toyota is trying its best to race ahead of any trials in Tokyo for genocide, holocaust, and crimes against humanity. MIT engineers have no thoughts about being arrested by the FBI. MIT engineers are all working on War Toys for the Pentagon. Bill Gates is apprehensive, so he distanced himself from Microsoft. Distance humanity has to travel to reach the 1,001 nearest stars and their Aliens has been made a longer harder trip because of Bill Gates policies of greed at Microsoft. Gravity engine that sucks in gravity waves via gravity satellite to use for propulsion in a gravity engine. Bill Gates could live long enough to observe the gravity engine in a shuttle if he is not hanged. Defense Secretary Gates took the job know Bush has several dozen genocides going on simultaneously. Gates went along with the killing of his own Marines, rather than use the ElectricWindmillCar to win the war in Iraq. Bill Gates went along with Toyota suppressing super air bags on the outside, and 24/7 climate control. 1,001 futuristic car accessories lost by Humanity from these 2 madmen named Gates. Lovestar, I will change my name to Greg Lovestar, get some women willing to work on the Manhattan Project cure for breast cancer. Make Polygamy legal in the USA. Yoko in Boulder, Colorado never stopped by my place. Yoko and Lennon, Give Peace a Chance, shot down like Lennon's imagine the 1 billionth ElectricWindmillCar coming off the Toyota assemble line on John Lennon's 58th Bday. Shot down by just about everyone who is anyone in the USA and Japan. Paul McCarty married and divorced Heather Mills in just a few short years. Consider 1980 - 2008, 1 billion ElectricWindmillCars could have come off the Toyota assembly line on John Lennon's 50th Bday. Yoko in Boulder, Colorado never stopped by my place to talk about what if... how can we End War on Earth. The new 2009 Toyota will disappoint its buyers. Lacking all the 1,001 futuristic accessories the 2009 ElectricWindmillCar would have. Katie Couric reported on melanoma tonight. At Target Neutrogena SPF 85 will cost you about \$1,000 a gallon. \$10 for 3 oz. CDOT Colorado Dept of Transportation doubled the fine for speeders in a construction area, yet more flaggers and construction workers will die from Melanoma than getting hit by a Toyota. Hard hats fall off and have no visors on the front, back or sides. I could reinvent the hard had in 3 minutes flat. One of our engineers at the Avalanche Beacon job had his last day today; he got a job with Valley Labs. They make medical equipment. Which I could have reinvented for the better of humanity 10 years ago if the temp agency would have let me work there. Jane at CBS radio in Denver. I should hire her to document what I could have reinvented at Valley Labs, Boulder Community Hospital, Good Sam Nursing Home, IBM Boulder, in 3 minutes flat. She would be worth hiring. I would have been worth hiring at the places above. Just for the Habitat for Humanity inventions. Carter as a mass murderer, no one thinks of Carter as a mass murderer. Jane at CBS radio in Denver could document Carters crimes that make him a mass murderer in 3 minutes flat. Melanoma deaths are rising into epidemic numbers while the AMA apologizes to Niger's for an invented story someone in our Orwellian society made up. Drunks are epidemic. Breast Cancer is an epidemic; you will never ever hear anyone from our Orwellian Society say. Because they have been told not to use the world epidemic with Breast Cancer... like in the book "1984". FBI came to the Avalanche Beacon job today, just a guy wearing an FBI t-shirt. In 3 minutes flat Jane at CBS radio in Denver could document the FBI goings-on from 1980 - 2008. FBI has never arrested one MD for killing a patient by passing on a staf infection, which killed them and 1,001 other patients. I just summarized the FBI and our infected Orwellian Society precisely, several dozen genocides going on at the same time. AMA is the worst one morally! Don't shake hands with your MD, ever again!

PS The New 52 story New York Times building will be a state of the arts Medical School enrolling the masses of humanity after the Coup D'Etat. And no tuition.

4 July 2008 Independence Day from England is a Scam...

4 July 2008 Independence Day from England is a Scam as NASA will not build 700 Super Shuttles until England is defeated, in its suppression of the ElectricWindmillcar and the Queen is hanged for burning 1,001 people in gasoline for more oil money. The 100 year war is now 100 light years war, Orwellian Observers, Pentagons Top Brass want to put off star travel to Alpha Centauri for 100 years, to profit from the oil genocide, holocaust, even the

Jews and Pope profit from as serfs + cops burn in gasoline.

28 June 2008 Thoughts of Revenge by 1,001 "White Cops" burnt in gasoline!

28 June 2008 Thoughts of Revenge by 1,001 "White Cops" burnt in gasoline!

28 June 2008 Thoughts of Revenge by 1,001 "White Cops" burnt in gasoline!

28 June 2008 Thoughts of Revenge by 1,001 "White Cops" burnt in gasoline (while sitting in their cop cars writing a ticket, most likely for a DUI) Revenge thoughts of 1,001 "White Cops" burnt in gasoline, the world will know these thoughts as they will be carved in stone at the entrance to the Supreme Court if Cops are the Coup Leaders

These thoughts of Revenge will be carved in stone at the entrance to the Supreme Court if Cops are the Coup Leaders

These thoughts of Revenge will be carved in stone at the entrance to the Supreme Court if Cops are the Coup Leaders

28 June 2008 "a very important shift in our priorities," said Lt. Gen. Stephen Speakes, the army's deputy chief of staff - Only when the World knows the Pentagon Generals killed 4k of their own Marines in Iraq instead of using the ElectricWindmillCar to win the war in Iraq.

28 June 2008 Revenge thoughts from this Inventor, Greg Buell are when Bush and the Top Brass at the Pentagon finally decide to let me work as an Inventor my best Revenge will be getting a overnight cure for breast cancer after Bush killed 40k women a year every year he was "President"!

28 June 2008 Thoughts of Revenge by 1,001 "White Cops" burnt in gasoline while sitting in their cop cars writing a ticket (most likely for a DUI). the world will know these thoughts were "Lets Outlaw Coors Forever!" after the coup!

28 June 2008 Revenge by 1,001 cops burnt in gasoline "a very important shift in our priorities," from the current priorities of the Texas and Saudi Oil men. \$100 dollar can of Coors!

28 June 2008 Best Revenge will be getting \$\$\$\$\$\$\$\$\$ 1 Billion for every 9-11 Widow, and \$\$\$\$\$\$\$\$\$ 1 Billion for every "White Cop" burned in gasoline since the invention and suppression of the ElectricWindmillCar in 1980.

28 June 2008 Best Revenge will be When the Leaders of the ElectricWindmillCar Coup Nuke Mecca !

28 June 2008 Best Revenge will be When we confiscate all the oil money in Saudi Arabia, Kuwait, UAE, in every Secret Swiss Bank Account in NYC + USA.

28 June 2008 The World Is Not Enough 007 Bond Movie about a Oil Pipeline, Revenge on All Oil men, "a very important shift in our priorities" Moscow will hang Putin but more Oil Men will hang in Canada!

28 June 2008 1,001 "white cops" in the USA, Moscow, England, have thoughts of revenge on the Top Brass who profited from so many for so long burning in gasoline. 1980-2008

28 June 2008 Revenge Thoughts by NYPD, cops who know about the suppression of the ElectricWindmillCar and cops who don't but will eventually find out. That the Mayor of NYC and even the Chief of Police in NYC could have prevented 9-11 and all the NYPD deaths by not taking \$ Billion dollar bribes from Texas and Saudi Oil Men decades before 9-11. NYC Mayors started taking Oil Bribes in 1980.

28 June 2008 World Revenge on the Saudi Oil men, "a very important shift in our priorities," Coup Leaders will Nuke Mecca!!!!

28 June 2008 "white cops" Mad as Hell at the Chief for sucking off Bush, Texas and Saudi Oil men. Revenge thoughts when Bush addressed the Chiefs of Police, Bush didn't even mentioning the 1,001 "white cops" burned and burned to death in a fiery cop car wreck. Mad as Hell at the Chief for sucking off Bush!

28 June 2008 Revenge thoughts can see the abolishment of the Supreme Court for its rulings dealing with the suppression of the ElectricWindmillCar. Adding a Universe of insult to 1,001 "white cops" burned in gasoline with the Exxon Oil Spill at Price William Sound ruling by the Supreme Court.

28 June 2008 Revenge thoughts that Exxon got out of paying \$5 Billion for Exxon Oil spill, and \$1 Billion to each to every dead "white cops" widow from 9-11 decades after the invention and suppression of the ElectricWindmillCar.

9-11 those burned and burned to death in Jet Fuel when Boeing Jets should have been flying burning Hydrogen and the 17 guys from Saudi Arabia would have been living in poverty in Saudi Arabia if the Niger's like Kennedy and Carter didn't suppress the ElectricWindmillCar in 1980.

28 June 2008 Thoughts of Revenge for Obama's \$35 Million a month in donations in the New York Times Headlines, Every Day, while there are no donations for 1,001 "white cops" burnt in gasoline every year since 1980.

28 June 2008 Revenge thoughts about Obama and Niger's on the CBS Nightly News when 1,001 cops and 1,001 million of other "Whites" burnt in gasoline are not the lead or ending story on CBS Nightly News because Bush signed an Executive Order ordering CBS not to cover 1,001 "White Cops" burnt in gasoline, 28 June 2008 Obama was a Niger by going along with the Suppression of the ElectricWindmillCar since he started running for "President"

28 June 2008 The Niger Obama will let "White Cops" burn in gasoline today!

28 June 2008 The Niger Obama will let "White Cops" burn in gasoline today!

28 June 2008 The Niger Obama will let "White Cops" burn in gasoline today!

28 June 2008 The Niger Obama will let "White Cops" burn in gasoline today!

28 June 2008 The Niger Obama will let "White Cops" burn in gasoline today!

28 June 2008 Wife of the The Niger Obama will promote and then let Niger Fags

28 June 2008 Wife of the The Niger Obama will promote and then let Niger Fags

28 June 2008 Wife of the The Niger Obama will promote and then let Niger Fags

28 June 2008 Wife of the The Niger Obama will promote and then let Niger Fags

28 June 2008 Wife of the The Niger Obama will promote and then let Niger Fags with HIV/AIDS/STD/Hepatitis C give 1,001 stupid white kids these Niger Fag diseases as these white kids don't know you should not befriend Niger's at all!

28 June 2008 Revenge thoughts for Obama and Niger's on the CBS Nightly News when 1,001 cops and 1,001 million of other "Whites" burnt in gasoline are not the lead or ending story on CBS Nightly News because Bush signed an Executive Order ordering CBS not to cover 1,001 "White Cops" burnt in gasoline,

28 June 2008 Revenge thoughts about Bush issued an Executive order for the Media not to cover those with a burnt face from a fiery wreck, yet "sizzling flesh" is a famous Jay Leno Joke about "white cops" burning in a fireball crash.

28 June 2008 Thoughts of Revenge for Jay Leno when Leno has a video clip in the monolog showing someone's flesh burning in flames. And Leno laughing at his own video clip in the monolog, when the cameras return to Leno. Leno jokes about 1,001 million who have been burned in gasoline in his Orwellian Society.

28 June 2008 Revenge on Jay Leno's monologs video clips, "a very important shift in our priorities,"

28 June 2008 "a very important shift in our priorities," will be a Jay Leno monolog with "1,001 Invention Project jokes" Starting with a million women observing Greg Buell brainstorming a cure for breast cancer that works overnight... observing me 24/7 working in an Orwellian Society in front of the hidden cameras, grin.

28 June 2008 Revenge thoughts are not only by "white cops" but also by "White Parents" whose kid was given hepatitis C by 40 million dirty Mexicans. Mostly at daycare.

28 June 2008 Revenge thoughts, Hepatitis C was given to an infant by a Mexican working at Taco Bell here in Colorado. This is just one of 1,001 infants and gringo kids given Hepatitis C by dirty Mexicans.

28 June 2008 Revenge thoughts about MD's complications from major surgery as half are preventable in 2008 and 99% would have been prevented if the White House MD's did not stifle students getting into Medical School in order to keep the MD status Quo \$\$\$\$ \$\$\$\$ \$\$\$\$.

28 June 2008 Revenge thoughts about Saudi Princes - especially Saudi Princes walking around with a "white Persons Organ donation". Given to the Prince by Bush.

28 June 2008 Revenge thoughts about Kuwait, when Kuwait should have sold its last barrel of oil in 1980 when the ElectricWindmillCar was invented in the USA.

28 June 2008 There is no reinvented General anesthetic for those burned in a fiery car crash, postoperative pain and painful cleaning of the gasoline burn for 1,001 maybe even a million and one people since the suppression of the ElectricWindmillCar by Carter and Kennedy in 1980. Stifled spin off inventions.

28 June 2008 Revenge thoughts about Pentagon Generals getting paid extra with War Toy" bribes. from Oil and gasoline.

28 June 2008 "These Pentagon Generals even killed 4k Marines in Iraq instead of using the ElectricWindmillCar to win the Iraq War.

28 June 2008 Gates, no not Bill Gates the other one the Militaries Gates just got \$160 billion and spent it all on speeding advanced rockets, robots and ultra-light drones to its infantry in Iraq and Afghanistan as part of a reshaped \$160 billion modernization program.

28 June 2008 Gates killed 4k Marines in Iraq instead of using the ElectricWindmillCar to win the Iraq War.

28 June 2008 Congress, our Orwellian Roman Senate just approved another \$160 Billion for another year of war in Iraq after Bush is no longer President. Are the Pentagon Generals being forced to continue the Iraq War, and kill their own Marines instead of using the ElectricWindmillCar to end the Iraq War?

28 June 2008 "a very important shift in our priorities," said Lt. Gen. Stephen Speakes, the army's deputy chief of staff - Only when the World knows the Pentagon Generals killed 4k of their own Marines in Iraq instead of using the ElectricWindmillCar to win the war in Iraq.

28 June 2008 Bill Gates when along with the suppression of the ElectricWindmillCar in 1980 then used this to kill off generation after generation of HS Inventors with his \$ greed. Bill Gates is not insane, he knows he kill off generations of HS Inventors and lost humanity 100 Billion Inventions these HS kids would have gotten if they could have afforded Office, C++, AutoCAD etc.

28 June 2008 Best Revenge to Bill Gates and Microsoft will be the Nationalization of Microsoft with the confiscation of Microsoft Money and Bill Gates

Money, which was only made because the ElectricWindmillCar was suppressed.

28 June 2008 Revenge thoughts at IBM and MD's as Doctors Aren't Using Electronic Health Records because they know IBM has a program that can detect misdiagnosis and MD negligence.

28 June 2008 IBM and Dell, if you are an inventor after the miracle overnight cures for breast cancer or a woman with breast cancer you are Mad as Hell at IBM and Dell for stifle software and hardware and saturating the market with games.

28 June 2008 Bill Gates at Microsoft gave us Microsoft Golf when 40k USA women died from Breast Cancer every year Bill Gates published his Golf game. Revenge thoughts about this are directed at our FEMA Government leaders who lost every HS kid since 1980 the right to be an Inventor.

28 June 2008 World Revenge on the Saudi Oil men, "a very important shift in our priorities,"

28 June 2008 Revenge thoughts from this Inventor, Greg Buell is when Bush and the Top Brass at the Pentagon finally decide to let me work as a Inventor I will get a miracle cure that works overnight to cure breast cancer while a million women observers behind the hidden cameras watch Greg Buell and his many wives brainstorm 24/7 for weeks, months, years... until we get a miracle cure that works overnight to cure breast cancer. Kodak still using x-ray film, because the governments lets them. Government banned ephedra and 1 million got diabetes in the last year from being fat. Now Ephedra is in Zyrtec-D, Zyrtec-D consists of 5 milligrams of cetirizine HCl, an antihistamine, and 120 milligrams of the decongestant pseudoephedrine. Pseudoephedrine is one of the two active ingredients with ephedra. Zyrtec-D is distributed by McNeil Consumer Healthcare, which also markets Tylenol and Motrin. Love sick women at NASA, have thoughts of revenge at the Director of NASA for taking Oil Bribes and Oil Perks instead of exposing the suppression of the ElectricWindmillCar which would have gotten NASA 700 Super Shuttles built and in Orbit long before 2008. Revenge for the fag sex (and Leno Gay Jokes) that is the largest HIV transmission category in the US, and the only one associated with an increasing number of HIV/AIDS/STD/Hepatitis C diagnoses, according to a report from Centers for Disease Control and Prevention. # 1 are Niger males, #2 is Mexican Males. Don't fail this street-smart test or you will get HIV/AIDS/STD/Hepatitis C from 1 Niger or 1 Mexican you befriend. F Grade! "A very important shift in our priorities," said Lt. Gen. Stephen Speakes, the army's deputy chief of staff - Only when the World knows the Pentagon Generals killed 4k of their own Marines in Iraq instead of using the ElectricWindmillCar to win the war in Iraq. Intel's decision not to use Vista on any of the entire companies PC, Intel will use XP Pro. FEMA at the US Government will never recall Vista and make Microsoft give a refund because the suppression of the ElectricWindmillCar and Bill Gates going along with it are linked to Vista never being recalled by our FEMA Government. Coors will never be libel for the DUI deaths and injuries either. This is from when Kennedy drove off Chappaquaddick Bridge drunk on Coors and left his girlfriend to drown. Kennedy then lived a life of a drunkard in the Roman Senate. Kennedy gave us drug-resistant staf and tuberculosis. Kennedy gave us HIV/AIDS/STD/Hepatitis C by promoting fags, Kerry and his wife are guilty too and those who got HIV/AIDS/STD/Hepatitis C from Boston fags will sue her. Revenge on all the Mexican Cop Killers, I'm certain a year or two after 1 Billion ElectricWindmillCars are on the streets NYC the cops will track down all the Mexican Cop killers living in Mexico. Personally I will ask a friendly cop to arrest Dr Foley my dental Oral Surgeon and his Mexican Receptionists/mistress on stifling my not getting dentures when I needed them in 2002 the first time I asked Dr Foley for Dentures. So much for thoughts of Revenge. Many millions of copies of Vista are in use, with Microsoft saying that more than 140 million copies are installed on PCs around the globe. I will then say Humanity lost 140 million inventions by having 140 million copies of Vista forced on them, same as forcing them to drive gasoline cars, when the ElectricWindmillCar was invented in 1980. Revenge on Bill Gates will be ruthless by Parents who wanted their kids to "invent something" not play computer games all their teen years. Revenge from all the "Students" who grew up and got married all while the ElectricWindmillCar was suppressed. Worst than this is the fate of so many cops and kids burned and burned to death in fiery car wrecks, only because of money - Kennedy wanted more money from Oil and the Senate went along with Kennedy. Carter was a Georgia peanut farmer in 1980 not a "President" Carters book about his Mother, never told us what she said about the ending of the Oil Embargo with the invention of the ElectricWindmillCar and if Mom approved of the suppression of the ElectricWindmillcar. You would think Caters Mother could have exposed the suppression of the ElectricWindmillCar before she died. Kennedy will die a slow death from brain cancer, not as painful as being burned to death in gasoline though. Knockin on Heavens Door by Dylan, even Dylan knew about the ElectricWindmillCar in 1980. Kennedy is knockin on Hells door and soon it will be opened for him for eternity. Hell is a distant Galaxy NASA will never travel to because Bush spent all NASA's 700 Super Shuttles Money on the Iraq War and War Toys to bribe the Pentagon Generals. Boston's MIT students and grads were fully employed during the suppression years 1980 - 2008 by the Pentagon instead of at Toyota, Ford, and GM adding new accessories to the ElectricWindmillCar. Humanity will never make up all these lost inventions, I hope the coup leaders can think up more ways to get Revenge on the Texas and Saudi Oil men than I can. PS On those who have a Swiss Bank Accounts full of Oil Money too! \$\$\$!

21 June 2008 First full day of summer

21 June 2008 In 1980, the year the Electricwindmillcar was invented - it would have made the University Free and mandatory for everyone in the USA. Free textbooks too!

21 June 2008 Criminals rule the Governments of Japan, India, Russia, USA, Italy!

21 June 2008 The Popes God is the Vatican Bank with \$100 Billion in Oil bribes.

21 June 2008 First full day of summer 21 June 2008 Summer of 2008 and 100 kids left in hot cars will die this summer, just in the USA.

21 June 2008 Summer of 1980 and 100 kids left in hot cars died. 1,001 were burned in gasoline too.

21 June 2008 Every Summer since the invention of the ElectricWindmillCar in 1980 100 kids were left in hot cars died, mostly in Florida. World wide statistics are top secret as those responsible for the suppression of the climate controlled ElectricWindmillCar don't want you to know their crimes.

21 June 2008 Japan hanged 3 people today.

21 June 2008 Criminals have ruled the Government of Japan for 100 years.

21 June 2008 Is Yoko Ono the conscience of Japan? Could Yoko Ono summon the courage of John Lennon and get Bush hanged for crimes against Humanity?

21 June 2008 Japan government has led a life of crimes. It's time for the Japanese to make restitution to Humanity and bring this suppression of the Electricwindmillcar to a climax?

21 June 2008 Toyota CEO will hang in Tokyo when the ElectricWindmillCar wins

21 June 2008 Japan hanged 3 people today. Toyota CEO, GE CEO, Emperor of Japan

21 June 2008 Every summer since 1980 100 kids left in hot cars died.

21 June 2008 You could be 1 of the thousands burned to death in gasoline in the summer of 2008

21 June 2008 Japan hanged 3 people today.

21 June 2008 Japan hanged 3 people today, none for suppression of the ElectricWindmillcar.

21 June 2008 Japan hanged 3 people today.

21 June 2008 None for suppressing the ElectricWindmillcar

21 June 2008 Criminals have ruled the Government of Japan for 100 years.

21 June 2008 Today 21 June 2008 the government of Japan goes along with the suppression of the ElectricWindmillCar, with its climate control accessory, with its electrolysis accessory that lets you get Hydrogen and Oxygen from a gallon of water. Hydrogen will give your home electricity for heat and air conditioning.

21 June 2008 Japan will hang 3,000 people in one day for profiting from the suppression of the Electricwindmillcar. When Oil genocide criminals with Swiss Bank accounts no longer run the government of Japan.

21 June 2008 Treasonous Criminals rule the Air Force today; same old farts that burned kids in Vietnam in Napalm burn kids around the world in fiery car wrecks for more oil money. Let Bush and Putin toss gasoline bombs at SUV's.

21 June 2008 Air Force Research Laboratory engineers have invented 24/7 temperature control for satellites, while suppressing 24/7 climate control for hot cars. Treasonous AF Generals know 100 kids will die when left in hot cars in the summer of 2008.

21 June 2008 Criminals run CNN, Nancy Grace on CNN has a new baby girl named Lucy. Lucy will be one of the kids who will not be burnt in gasoline or left in a hot car in the summer of 2008.

21 June 2008 Nancy Grace on CNN knows this but can't do a Nancy Grace Show about the 100 kids who will be left in hot cars in the summer of 2008 to die. And to add insult to injury Nancy Grace has a new baby girl named Lucy. One of the kids who will not be left in a hot car in the summer of 2008

21 June 2008 Japan hanged 3 people today.

21 June 2008 Japan hanged 3 people today, none for crimes against humanity.

21 June 2008 Japan hanged 3 people today.

21 June 2008 None for stifling climate control accessory on the Electricwindmillcar

21 June 2008 Japan hanged 3 people today.

21 June 2008 1,001 Cops around the world will be burned to death in gasoline in the summer of 2008. While sitting in their cop car writing a ticket for drunk driving. Another drunk will ram into the back of the cop car with its flashing lights on causing a fireball like the ones pictured on my web pages.

21 June 2008 FoxFire the other Internet Explorer got its name inspired from those who have burned and burned to death in fiery car wrecks since 1980. Observers add insult to those burned in fiery car wrecks. Even Jay Leno has a famous joke about your flesh sizzling in gasoline.

21 June 2008 Japan hanged 3 people today. 21 June 2008 Japan hanged 3 people today. 21 June 2008 Japan hanged 3 people today.

21 June 2008 Fiery rear end car wrecks by drunk Niger's and Mexicans with no drivers license plowing into the back of a stopped (cop) car. Coors is criminal and Mr Coors will hang after the ElectricWindmillCar is on the streets of the USA. ElectricWindmillCar will not let those who drank a Coors start the car. GPS will be built into ever ElectricWindmillCar. Along with super air bags on the inside and outside.

21 June 2008 Japan hanged 3 people today

21 June 2008 Japan will hang 3,000 people in one day for profiting from the suppression of the Electricwindmillcar. When Oil genocide criminals with Swiss Bank accounts no longer run the government of Japan.

21 June 2008 India develops ballistic missiles, fighter jets, and goes along with the suppression of the Electricwindmillcar for a few \$ Billion dollars in bribes from Bush.

21 June 2008 India's Brahman Caste helped suppress 1 Trillion inventions by the masses of the lower castes.

21 June 2008 Brahman, Kshatria, Vaisia and Sudra caste system developed ballistic missiles and fighter jets during the suppress of the Electricwindmillcar from 1980 - 2008

21 June 2008 Brahman Caste from 1980 - 2008 are the germs, antigens building ballistic missiles and fighter jets, now they are stimulating a revolution of helper T cells that will kill them all so Society will be cancer free. War Toys Free.

21 June 2008 Japan hanged 3 people today

21 June 2008 draw blood from a person, locate the helper T cells, and grow more of them in the laboratory, then infused roughly 5 billion of the cells back into the person for "Total Immunity" invention.

21 June 2008 High School kids in 1980, the year the Electricwindmillcar would have made the University Free and mandatory for everyone in the USA.

21 June 2008 What would India have done in 1980 to celebrate the invention of the Electricwindmillcar?

21 June 2008 Brahman Caste built ballistic missiles and fighter jets, from the suppression of the Electricwindmillcar. How will India celebrate the invention of the Electricwindmillcar?

21 June 2008 "Total Immunity" invention... LOST by the Highest Caste! From the masses enrolled in a University that is free and mandatory for HS kids.

21 June 2008 Japan hanged 3 people today, none for leaving 100 kids in a hot car to die, none for burning kids in gasoline, none for profiting from the suppression of the Electricwindmillcar, Swiss bank accounts will no longer be secret after the Japanese hang 3,000 Swiss Bankers in one day. And hang those who raised tuition at the University every year since 1980 when the University should be free to celebrate the Electricwindmillcar invention. In 1980 Esoteric Killer T Cells are in the immune system can be grown in a lab dish then put in mass back in the body to kill antigens. News of this would have been in 1980 not 2008. In society Bush Musharraf Ahmadinejad, Hu, Putin and the rest of the World Leaders stifled every High School kid on Earth from 1980 - 2008 by not providing a free and mandatory University education. Pay back from this Student Loan would have been 1 Trillion inventions from all these kids. To add insult to injury to society these madmen, with Bush leading the world's leaders killed 100 Kids every summer just in the USA who were left in hot cars. Bush arrested mom and Grandma for this crime of leaving the kid in a hot car too. Japan Police raided Tanimoto Seikei hospital in Iga, Mie Prefecture, on suspicion of professional negligence after a woman died and 18 other patients became sick after being administered with intravenous drips at the hospital. Police in Boulder Colorado or NYC could have raided their local Hospitals for professional negligence after women die from breast cancer. Our criminal government lets MD's Scam by treating breast cancer not getting an overnight cure. Professional negligence crimes by MD's in Boulder, Colorado is they stifle me, Greg Buell from working 24/7 on a cure for breast cancer. With many wives to Inspire me and brainstorm with me. Nancy Grace would be HOT MAD on her CNN TV show if I win the right from our Orwellian Leaders to work on a cure for breast cancer with several wives, a legal Polygamist in an Orwellian Society. Jay Leno would keep his job at NBC with a monolog full of invention jokes. In an Electricwindmillcar Era. GE does own NBC; you would never know this from the suppression of the Electricwindmillcar. CNN's Nancy Grace Burned in a fiery car wreck. Or baby Lucy her newborn baby girl dies in a hot car in the summer of 2008. We have to win the right from our Orwellian Leaders to stop these crimes that will happen in the summer of 2008. Will Japan ever come to the USA and hang our Orwellian Leaders, save newborn Lucy from a fiery car wreck or death being left in a hot car. Putin, Hu and the Highest Castes in India are all in on these horrifying crimes. Crimes from Japan on Aug 18, 1945, three days after Japan's surrender - this document may well be the first seemingly official text to indicate that the sex slaves were made to work as nurses after the war. Earlier, witness accounts by former Japanese troops and a publication by an Australian journalist showed that Japanese forces had made the women work as nurses. A separate instruction, issued on Aug 20 that year to 'all civil administration heads' from the 8th Communication Station, says 'You will have Japanese women in all localities assigned to their local hospital (branches of Hospital No. 102 or Civil Administration Hospitals) in the capacity of nurses. Surabaya and Jogjakarta (Yogyakarta), however, will act in accordance with special orders. "Burn this dispatch when thoroughly understood," it says. Japan government has led a life of crimes. It is time for the Japanese to make restitution to Humanity and bring this suppression of the Electricwindmillcar to a climax? The Emperor of Japan escaped the hangman at the end of WW II when 100's of Japanese Generals were hanged. Will the CEO of Toyota escape the hangman at the end of the suppression of the Electricwindmillcar? Japanese Generals provided 200,000 women for sex with Japanese soldiers before and during the war. Every General in Japan Today knows about the suppression of the Electricwindmillcar. Japan government has led a life of crimes. - Japan government has led a life of crimes. - Japan government has led a life of crimes. 21 June 2008 Japan hanged 3 people today. Who would never have committed their horrifying crimes. Japan didn't save these women from the 3 criminals hanged. Japan government knows 100's will burn in a fiery car wreck in the summer of 2008, 100's of new born babies like Nancy Grace's baby Lucy will be left in a hot car to die in the summer of 2008. Pope is Bush's conscience. Oil Money in the Vatican Bank is the Popes God! Things are different in Japan, just asks Yoko Ono. Is Yoko Ono the conscience of Japan? Could Yoko Ono summon the courage of John Lennon and get Bush hanged for crimes against Humanity? 40k USA women have died every year Bush has been President via Breast Cancer and not one woman can get me, Greg Buell permission from the Orwellian Leaders of the USA to work on a cure for breast cancer. The 2009 Corvette ZR1 has a top speed of 205 mph, making it the fastest Corvette ever produced. Criminals run GM, Ford, and Toyota today. 2008 ElectricWindmillCar will never go faster than the 2009 Corvette ZR1, which runs on gasoline. Criminals have run the government of Japan for the last 100 years. Sex slaves instead of Polygamy to inspire inventors and world leaders to blast off into the Universe. Criminals even run NASA as they know all about the suppression of the ElectricWindmillCar and the burning of 1,001 people in gasoline for more oil money. Is Yoko Ono the only one who is not a criminal? Is Yoko Ono the conscience of Japan? Could Yoko Ono summon the courage of John Lennon and get Bush hanged for crimes against Humanity? Japan government has led a life of crimes. It is time for the Japanese to make restitution to Humanity and bring this suppression of the Electricwindmillcar to a climax? Japanese have to fight to get into Tokyo University when the University would be free and mandatory to celebrate the invention of the ElectricWindmillCar. Medicaid fraud and patient neglect by MD's and Dentists are alive and well in Boulder, Colorado. Dr Foley in Boulder, Colorado is a criminal in our Orwellian Society for his conspiracy to keep dental rates high and clinics out of Boulder and the USA in general. Dr. Foleys Mexican receptionists/mistress kicked me out of his office when I told her Dental Aid in Boulder, Colorado will not take Gringos, only Mexicans. Every job site you drive by is 100% Mexicans. The only way our criminal leaders know how to govern is by overkill, being Nukes or Oil Money or Mexicans on the jobs in the USA. Cops will burn in fiery cop car wrecks in the summer of 2008. Baby Lucy will be left in a hot car and die. Students write your Orwellian paper about

the summer of 2008 - then rewrite it to flash back to 1980 when the invention of the ElectricWindmillCar would have given us free and mandatory Universities. Is Yoko Ono the conscience of Japan? Could Yoko Ono summon the courage of John Lennon and get Bush hanged for crimes against Humanity? 1 billionth ElectricWindmillCar coming off the Toyota assembly line on John Lennon's Bday 2008. Yoke is late for our date!

10k galaxies and the Pentagon Generals see no Stars to travel to besides the one's on their uniform. This is a crime against humanity in an ElectricWindmillCar Genocide Era by the Joint Chiefs of Staff who let Bush, McCain, Kennedy toss gasoline bombs at SUV's on the streets of the USA burning people in gasoline. This is Torture by the CIA right here in the USA just for more oil money \$\$\$\$ CIA tortures American civilians by pouring gasoline over them and letting Bush, McCain, Kennedy light the flames in fiery car wrecks!

14 June 2008 1,000 trillion calculations per second Computer is being shipped by IBM to Los Alamos unless - NASA blast off a Coup for Alpha Centauri 4.3 light years down range, out of site and out of the minds of IBM who only hires temps from Manpower Today, another swindle by IBM against humanity... IBM will hang for this.

14 June 2008 Food for thought... Food that never spoils invention -not at IBM, not in the 1,000 trillion calculations per second, expenditures by Pentagon Generals.

14 June 2008 MIT can't even work on an invention to preserve food with the newest IBM 1,000 trillion calculations per second, supercomputer.

14 June 2008 IBM's fastest Supercomputer in the News is going to Los Alamos

14 June 2008 Los Alamos does not work on the next generation of food preservatives. 5 Billion people LOST by IBM's management swindle of the Pentagon

14 June 2008 Food for thought... not at IBM. At IBM they SCAM the Pentagon. Not with Oil in Iraq but with a \$100 Million dollar supercomputer they will ship free to Lost Alamos not to the Health Department or to the Agriculture Department, this invention will be better than any crop yield invention in history as no food will ever spoil and the health Department will get a spin off invention of fewer food poisonings - why not use this IBM computer to solve the problem of food poisoning? Because IBM Managers are Psychotic Madman scamming the Pentagon is Easy.

14 June 2008 Computer is a speed demon. It will allow IBM to solve tremendous problems," said Thomas D'Agostino, head of the National Nuclear Security Administration, which oversees nuclear weapons research and maintains the warhead stockpile. But officials said the computer also could have a wide range of other applications in civilian engineering, medicine and science, from developing biofuels and designing more fuel-efficient cars to finding drug therapies and providing services to the financial industry.

14 June 2008 Computer's speed in perspective, it has roughly the computing power of 100,000 of today's most powerful laptops

14 June 2008 100k Laptops given to student inventors will get more Food inventions for humanity than this War Toy from IBM, MIT, and the Psychotic Pentagon.

14 June 2008 According to IBM. Or, if each of the world's 6 billion people worked on hand-held computers for 24 hours a day, it would take them 43 years to do what the Roadrunner computer can do in a single day

14 June 2008 6 billion people would not work on building better nukes, they have more sense than the top scientists at IBM; you don't have to be rocket scientists to figure this out.

14 June 2008 David Turek, vice president of IBM's supercomputing programs. In some ways, he said, it's "a very souped-up Sony PlayStation 3. This reminds me to tell IBM every football stadium on every University Campus will be converted to a state of the arts Medical School when the ElectricWindmillCar is no longer suppressed.

14 June 2008 ABC Nightly News had a Prom for teens with cancer confined to one of the nearby NYC hospitals for its ending story, I hope we can bring an end to IBM and the Pentagon wasting this supercomputer being shipped to Los Alamos. The Revolution NASA will ignite blasting off for Alpha Centauri with

1 Trillion Super Shuttles docked together in orbit will bankrupt the Pentagon and IBM war mongers mentality. 1,000 trillion calculations per second - NASA Revolution for Star Travels IBM's new Computer consists of 6,948 dual-core computer chips and 12,960 cell engines, and it has 80 terabytes of memory housed in 288 connected refrigerator-sized racks. The cost: \$100 million. David Turek, vice president of IBM's supercomputing programs said the computer in a two-hour test on May 25 achieved a "petaflop" speed of sustained performance, something no other computer had ever done. It did so again in several real applications involving classified nuclear weapons work this past weekend Michael Anastasio, director of the Los Alamos lab, said that for the first six months the computer would be used in unclassified work including activities not related to the weapons program. After that, about three-fourths of the work will involve weapons and other classified government activities. Anastasio said the computer, in its unclassified applications, is expected to be used not only by Los Alamos scientists but others as well. He said there could be broad applications such as helping to develop a vaccine for the HIV virus, examine the chemistry in the production of cellulosic ethanol, or to understand the origins of the universe. Computer - and more so the technology that it represents - marks a future of Space Travel to Alpha Centauri only if NASA does a coup, failure of NASA's Rocket Scientists to blast off with this supercomputer leaves the troops in Iraq for longer than troops have been in Korea. Can NASA's aspiring Astronauts wait this long for Star Travel - Hell No! Alpha Centauri 4.3 light years down range. War is the only game in town for IBM, GE, Lockheed-Martin Mad men Executives, NASA is having a hard time getting the best of IBM, GE, Lockheed=Martin. NASA is having a hard time getting the best of the Pentagon Generals who wasted 5 years on Iraq War when NASA could have built 5,000 Super Shuttles and docked then together in orbit... How could the Pentagon Generals kill off 5,000 Super Shuttles? This is Treason by the Generals! Alpha Centauri 4.3 light years from Earth. NASA working on Star Travels to Alpha Centauri 4.3 Light Years from Earth - No the Pentagon killed everyone at NASA. For the Iraq War. Psychotic Madmen at IBM swindled the Pentagon Generals. Los Alamos nuke scientists were never invited to a NASA Shuttle launch or a ride to the Space Station, Why? Is NASA out of touch with winning the war of Star Travels - Yes! 1,000 trillion calculations per second, and NASA never visited Los Alamos to win over some nuke scientists. 1,000 trillion stars with Aliens. 1,000 trillion stars with Aliens. 1,000 trillion stars with Aliens. Catastrophe looms under oil money spent on war toys when Moslems should be bankrupt from the ElectricWindmillCar invention in 1980. Apologizes for insufficient health care is a lie by MD's who killed 1,000 a year with staf infections from going from patient to patient spreading disease. Every time I bike by the University football stadium Observers lay in wait and spit at me because they know I will build a state of the arts Medical School over the CU Campus Football Stadium soon as the ElectricWindmillCar is no longer suppressed by mad men! Tobacco will end up like gasoline after the ElectricWindmillCar is on Campus. Parking will be a spin off invention of the ElectricWindmillCar, as everyone will get a free parking spot on every Campus in the USA for their ElectricWindmillCar! Inappropriateness in treatment of Breast cancer women will be addressed long before the state of the arts Medical School is built over the Football Stadium. Manhattan Project with Nuke \$ money will treat every woman with breast cancer like kidney dialysis patients are covered today. IBM has scammed the Pentagon out of its last \$100 Billion dollars! Women with Breast Cancer will get IBM's money. 9.2 million people worldwide were diagnosed with tuberculosis and 1.7 million died. These TB patients will get a windfall from the spin off invention fever of MIT and what's left of IBM working on a Manhattan Project cure and treatment for Breast Cancer. Clip broke off Discovery's rudder. For today's landing. More than a clip broke off NASA. NASA was defeated by IBM selling to Los Alamos. The White House MD's who limited the number of students getting into Yale Medical School since 1980 defeated Medical Schools. 40k women died every year since 1980 while the White House MD's limited the numbers of students getting into Yale Medical School so to keep the status quo... are these White House MD's "Mad Men" - just ask a woman with breast cancer. Football players will fight like hell to keep their stadiums from being built over by a state of the arts Medical School. IBM and Los Alamos will fight like Hell to keep the shipping date of the 1,000 trillion calculations per second computer to Los Alamos. NASA will analyze the data about 4.3 Light Years before attempting a Coup.

7 June 2008 CBS Katie Couric, lead story from Katie Couric is your breast cancer can be cured by tomorrow morning. Greg Buell the inventor of the ElectricWindmillCar during the Oil Embargo of 1980 just invented a "Windmill" cure for breast cancer, this is the formula, and you can pick it up at any Target Pharmacists.

7 June 2008 MD's at Massachusetts General Hospital LOST this cure for breast cancer.

7 June 2008 Kennedy and Kerry, Senators from Massachusetts LOST this cure for breast cancer.

7 June 2008 Bush and his wife LOST this cure for breast cancer.

7 June 2008 Women who are five times more likely to die of breast cancer don't know if their in this group of statistic because the MD suppress these statistics.

7 June 2008 Lots of Statistics are suppressed by Government Policy Makers who also hide themselves behind hidden cameras in our Orwellian Society.

7 June 2008 Gasoline exhaust is a cause of breast cancer. Coors is a cause of breast cancer.

7 June 2008 NYC Jews will be hanged at the World Trade Center site for not exposing the suppression of the electricwindmillcar - Holocaust Trials in NYC.

7 June 2008 NYC Jews bought enough gasoline to pay of all the 100 Nukes Iran is building to use on the Jews... ironic is not the correct word, word is money.

7 June 2008 New York Times just moved into a new skyscraper that was a bribe from Bush and the Texas and Saudi Oil Men... everyone at the New York Times will hang! At the World Trade Center site for not exposing the suppression of the electricwindmillcar. Windmills will be installed on top of this skyscraper too.

7 June 2008 New York Times new skyscraper will be a New Medical School after the ElectricWindmillCar Coup. Newspaper reporters here in Boulder, Colorado at the Daily Camera tore down and tore up pictures, posters of Officer Jason burned in his cop car when it was rear-ended making a traffic stop.

7 June 2008 MD's at Massachusetts General Hospital will be put on trail for the 40k breast cancer deaths every year since 1980 when the ElectricWindmillCar was invented and suppressed by Kennedy. Kennedy then stifling Greg Buell from working on a miracle overnight cure for breast cancer. Windmill Cure!

7 June 2008 Kennedy will be in History for driving off a bridge drunk on Coors, leaving his girlfriend behind to drown, then living the rest of his life a drunkard killing 40k women a year by stifling Greg Buell from working on a miracle overnight cure for breast cancer. Windmill Cure!

7 June 2008 UN chief Ban Ki-moon took a \$ bribe from Bush and failed humanity. UN chief Ban Ki-moon needs one invention, like "Total Recall" " Total Preservatives", no food ever goes bad again, this is not your \$ Trillion dollar war toys research project at MIT, paid for by Psychotic Pentagon Generals is it!!!!

7 June 2008 when the North Carolina Surgeons were removing the cancerous parts of Kennedy's brain, Massachusetts General Hospital counted the lost business from Kennedy flying off to an Alien University Hospital. And asked why did Kennedy do this to us?

7 June 2008 Why did Kennedy stifle the overnight cure for breast cancer?

7 June 2008 Why did Kennedy suppress the ElectricWindmillCar for more oil money?

7 June 2008 Why did the Terrorist from Saudi Arabia pick Boston for their flight to NYC? --- Kennedy!

7 June 2008 Saudi Princes know well Massachusetts General Hospital from buying Organs for transplant there.

7 June 2008 WHO at the UN will never report that Massachusetts General Hospital sold organ transplants to Saudi Princes, killing Americans.

7 June 2008 UN will be replaced by the Universe Alliance, the UA will help Cuba build an ElectricWindmillCar factory so Cubans in Florida can go home.

7 June 2008 White House MD sets the policy that lets Americans die waiting for an organ transplant a Saudi Prince.

7 June 2008 World-renowned liver surgeon Dr. Ronald W. Busuttill, executive chairman of UCLA's surgery department, took a bribe, let Americans die.

7 June 2008 Japan's Mr. Goto a criminal in Japan got a liver transplant, when 186 patients who needed new livers died while waiting for the same operation in LA. Under US Law this is legal as the constitution was changed behind hidden cameras in our Secret Orwellian Society.

7 June 2008 UN when it's the UA Universe Alliance and the World is ruled by the ElectricWindmillCar Coup leaders. They will urge every woman on Earth to avoid Niger Males, the "Black Male" will be on an Official ElectricWindmillCar governments and UA Warning List. And a list of all the side effect printed up just like tobacco warning.

7 June 2008 A gasoline tanker truck overturned and exploded about 4 p.m. today on Interstate 75 near U.S. 301, shutting down the highway in both directions.

7 June 2008 186 patients who needed new livers died just in LA in one week.

7 June 2008 1 million drivers, kids in the back safety seat died in a fiery wreck.

7 June 2008 Under US Law this is legal as the constitution was changed behind hidden cameras in our Secret Orwellian Society. For more oil money.

7 June 2008 Texas Oil Men spent \$ Billions on DC Madams and Thailand Sex.

7 June 2008 \$1 million in buckle your seat belt ads by the government are disinformation, when 1 million drivers died in a fiery wreck. Their SUV crashed and exploded.

7 June 2008 Repealing America's blue laws not only decreased church attendance, donations and spending, but it also led to a rise in alcohol and drug use among people who had been religious, according to a new study by economists Jonathan Gruber of MIT and Daniel Hungerman of the University of Notre Dame.

7 June 2008 Coors does not care to wear a condom or refrain from drinking and driving. Criminal behavior from Coors, drunken business owners don't care about food Preservative inventions of the futuristic kind. Coors will care about a Billion dollar ad complain by the ElectricWindmillCar government leaders promoting a newly invented abstinence for alcoholics.

7 June 2008 A tanker truck carrying gasoline burned, rolled over on I-91 in Chicopee. The truck exploded at impact sending a fireball 60 feet in the air. The trucker was identified as Aaron Staelens of Richmond, N.H. the 43-year-old truck driver died at about 8 p.m. on Friday night at the Massachusetts General Hospital, according to hospital spokesperson Jennifer Gundersen.

7 June 2008 MD's at Massachusetts General Hospital, profit from the suppression of the ElectricWindmillCar.

7 June 2008 MD's have given 1 million patients a stap, Staphylococcus aureus infection from not washing their hands between patients. Massachusetts General Hospital MD's let 40k women die every year since 1980 via breast cancer. Policy making MD's at Harvard Medical school are designing the New Doctors work load so malpractice and mistakes can not be tracked back to any one MD. New York Times new skyscraper will be a New Medical School after

the ElectricWindmillCar Coup. Newspaper reporters here in Boulder, Colorado at the Daily Camera tore down and tore up pictures posters of Officer Jason burned in his cop car when it was rear-ended making a traffic stop. The Roman Senate along with the Senators in DC have made this legal, fiery car wreck. As the US Congress decided to go with more oil money instead of the ElectricWindmillCar. A tanker truck carrying gasoline burned, rolled over on I-91 in Chicopee. The truck exploded at impact sending a fireball 60 feet in the air. ElectricWindmillCar will be climate controlled, have super airbags on the outside and inside. Have built in GPS. Have web wifi cams on the inside and outside. Have an electrolysis accessory to convert a gallon of water to cans of O and H to generate your electricity in your home. Besides being a perpetual motion machine when you realize this you know Bush lied about the War and everything else for 8 years. Clinton had a woman under his desk giving him some good head. Bush hooked up with Rice giving him STD's. Bush hooked up with Mexican Oil Men giving us 40 million dirty illegal Aliens. Aliens from Alpha Centauri 4.3 Light Years from Earth were LOST by every NASA chief since the invention of the ElectricWindmillcar in 1980. In 2008 there would be 700 Super Shuttles docked together in Earth Orbit. LOST is this Island Earth in a Universe were even the Pope sold out for \$100 Billion in Oil Money bribes deposited in the Vatican Bank. Coors caused breast cancer literally and figuratively. Cocaine causes breast cancer literally and figuratively. Business owners like Susan Polis Schutz of Blue Mountain Arts Greet Cards she set out sugar bowels of cocaine every week since before 1980. Feeding the Columbian Drug Dealers more USD \$ than employee payroll since 1980. This is not the Tatum O'Neal story of one actress. So why did the NYPD arrest Tatum O'Neal and not Susan Schultz? Thoughts of Love: by Susan Polis Schutz Blue Mountain Arts. Mostly Mexicans pick the greeting cards for shipping at her factory, and not 1 Mexican buys her cards, in fact horseplay is making fun of the super sentimental collection of cards and books they pack for shipping. If Susan ever got the transcripts of the Mexican Card Pickers who work for her she would fire all of them, as they are sicker than Susan's super sentimental greeting cards and books. Back to the cocaine. The Bill Gates of cocaine buyers is not arrested. Tatum O'Neal is arrested. Tatum O'Neal has not spent \$50 million on cocaine since before 1980. Texas Oil Men and Saudi Oil Men have to be the biggest buyers of cocaine. This is sort of like the Jews buying gasoline from Iran, and then Iran used the money from the Jews to build nukes to use on the Jews. Meanwhile the suppression of the ElectricWindmillCar goes on, like the endless war in Iraq. Which would end overnight with the end of the suppression of the ElectricWindmillCar. End of Breast Cancer overnight... with the "Windmill" Cure for Breast Cancer all women with breast cancer would turn on Katie Couric, lead story from Katie Couric is your breast cancer can be cured by tomorrow morning. Greg Buell the inventor of the ElectricWindmillCar during the Oil Embargo of 1980 just invented a "Windmill" cure for breast cancer, this is the formula, and you can pick it up at any Target Pharmacists.

City of Boulder will not tell the HS girls I see with blacks this life alternating disease white women catch in bulk from Niger's they befriend who turn out to be a Bill Clinton sticking their penis in anyone, anywhere!

1 June 2008 Paul McCartney fails to warn his women fans who befriend Niger's they have a high risk of getting syphilis, STD's and end up like OJ's murdered wife.

1 June 2008 President Bush half hearted warning, avoid sex just say No did not convince any white HS girls because the warning was half hearted Bush should have told the HS girls Niger Males have the highest rate of Syphilis in the World because they fuck each other in the ass when not trying to seduce white HS girls.

1 June 2008 Save the Children unreported Syphilis risk by white HS girls.

1 June 2008 100's of white HS girls had a life alternating experience with Niger's.

1 June 2008 Bush warned them all 500k of your will get Syphilis this year.

1 June 2008 Bush did not name names - say Niger's and Mexicans.

1 June 2008 Niger's - OJ did kill his white ex-wife!

1 June 2008 100's of recent white HS girls have been murdered by Niger's, this goes unreported too.

1 June 2008 Save the Children said there were significant levels of child rape all of it unreported and unless the silence ended, attempts to stamp out exploitation would be the same as reporting of the ElectricWindmillcar and the 100's of kids burned in gasoline everyday for more oil money.

1 June 2008 HS kids spitting at me at RTD bus station.

1 June 2008 HS kids spitting at me at RTD bus station because they are not getting paid this summer to work on 1,001 Invention projects on their new Dell Notebook, their BOSS lost them their ElectricWindmillCar Era.

1 June 2008 100 million white HS kids grew up without ElectricWindmillCars.

1 June 2008 Bush imported 40 million diseased Mexicans with Mexican Oil.

1 June 2008 Amnesty International does not report nasty sickening Niger Males.

1 June 2008 More than a few, several on going genocides, holocausts by Bush

1 June 2008 Amnesty International is in on several on going genocides, holocausts.

1 June 2008 Amnesty International a CIA Unit.

1 June 2008 Katie Couric will raise money on the Today show for a cancer cure, not \$5 Trillion \$ though the Pentagon just spent on War Toys.

1 June 2008 Katie Couric can't even mention on the CBS Nightly News the \$5 Trillion the Pentagon just spent on War Toys

1 June 2008 Katie Couric can't mention Bush hand in hand with the Saudi King and Saudi Sex Slaves and DC Madam's windfall profits from Saudi Princes.

1 June 2008 Katie Couric can't mention U. N. Peacekeepers who rape kids everyday!

1 June 2008 U. N. Peacekeepers in Haiti, Liberia, Ivory Coast, Congo, all Niger's

1 June 2008 UN is about to go out of business and become the UA Universe Alliance

1 June 2008 UN peacekeepers enjoy an endemic of rape protected by the Oil Genocide Era of Bush

1 June 2008 UN Niger's and we get Obama, who most likely has had syphilis, who is also a child rapists, who has had anal sex with no condom, yet no one will report this and we live in an Orwellian Society, yet everyone covering the election knows this, just like they know the UN Peacekeepers rape kids every day. Boys and Girls.

1 June 2008 Save the Children said there were significant levels of child rape all of it unreported and unless the silence ended, attempts to stamp out exploitation would be the same as reporting of the ElectricWindmillcar and the 100's of kids burned in gasoline everyday for more oil money.

1 June 2008 The Niger Obama knows about the ElectricWindmillCar the hate lyrics from black rap music aimed at white cops!

1 June 2008 Laura Bush observing Chaney's lesbian daughter with a 12-year-old girl, did not report this rape. Laura Bush knows Save the Children said there were significant levels of child rape all of it unreported and unless the silence ended, attempts to stamp out exploitation would be the same as reporting of the ElectricWindmillcar and the 100's of kids burned in gasoline everyday for more oil money.

1 June 2008 African U.N. peacekeepers were identified as the child rapists, just like the lesbian rapists here in the USA yet all of it goes unreported because of the suppression of the ElectricWindmillCar.

1 June 2008 Three Days of the Condor with a young Fay Dunaway, today we have a older Fay Dunaway with new teeth I envy, I want as soon as the observers come out from behind the hidden cameras in my living room.

1 June 2008 Ellen Degenerate is guilty of child rape by a lesbian yet no one who knows this and has watch the video will report it until the ElectricWindmillCar is on the streets of DC and NYC. A unit of the CIA, the New York Times will not report child rape it knows about.

1 June 2008 Is Ellen Degenerate TV show a unit of the CIA...

1 June 2008 Nancy Grace can't mention the Lesbian child rapes she knows from her days at Court TV.

1 June 2008 1 June 2008 Syphilis cases climbed for the seventh straight year and increases in the disease among gay men and blacks largely contributed, government researchers reported Wednesday. City of Boulder will not warn the white HS girls I see with blacks about this life alternating disease white women catch in bulk from Niger's they befriend who turn out to be a Bill Clinton sticking their penis in anyone, anywhere! Save the Children from getting syphilis from a Niger male! Niger's - OJ did kill his white ex-wife! Today this is all unreported by the New York Times, a Unit of the CIA. Today with an older Fay Dunaway with a face lift, lipso suction, and new breast and the best set of new teeth in the world and are pictured on my www.electricwindmillcar.com web page. Same old New York Times, Redford taking his invasion of Baghdad to the New York Times not knowing the New York Times is a Unit of the CIA. Better movie than the Pelican Briefs about killing the Supreme Court Judges over oil. Not a very good plot for an Oil Genocide Orwellian Society. 9 Supreme Court Judges, all 9 will hang for burning 1,000,000 in gasoline for more oil money. 90k white kids died from Staphylococcus aureus, Clostridium difficile, these 9 on the Supreme Court watched these toddlers in day care get sick as hell and die to keep Bush happy about importing dirty Mexicans to work in white day care centers, Mexicans and Mexican Oil, neither one needed in an ElectricWindmillCar Era. More than a few... several on going genocides, holocausts by Bush. The woman who died last week when the power went off, Bush suppresses cans of free Hydrogen from your ElectricWindmillCar to generate your electricity. Kids who will die in hot cars in the summer of 2008, Bush suppresses Electricwindmillcar with climate control 24/7. HS kids spitting at me at RTD bus station because they are not getting paid this summer to work on 1,001 Invention projects on their new Dell Notebook with my Invention OS not Windows 7 or Vista. Hospital generated infections. Yale Medical School was to occupied with passing Niger MD's who really didn't pass Medical School to clean up the hospital generated infections, and the MD's were happy with Medicare paying the padded medical bills. Kennedy was making a whole class of MD's almost as rich as Bill Gates with hospital generated infections, falls and painful bedsores. Same time Bill Gates killed 1 million HS Inventors with his Microsoft Greed compounded by losing humanity 1 million inventions. More than a few... several on going genocides, holocausts by Bush. Pneumonia vaccination will be mandatory under the ElectricWindmillCar Coup leaders. Many more vaccinations for babies, kids, dirty Mexicans, and seniors will be mandatory too. 99,000 people died from these hospital-associated infections. 99,000 people died from dirty Mexicans Bush imported with Mexican Oil we don't need in an ElectricWindmillCar Era. Abolish the Monarchies; Emperor of Japan should hang with his family for letting Toyota build Hybrid Cars instead of ElectricWindmillCars. All the drunks who walked out of the bar in Moscow or Breckenridge and frozen to death in a snow bank are casualties of selling more and more alcohol with no one responsible for the 100 students a semester who die of alcohol poisoning, add in the Mothers against Drunk Drivers who were just spit on by the Governor of Colorado. He wanted to sell Coors on Sunday, 7 days a week, if this goes on like the several other genocides and holocaust by Bush Coors will be sold 24/7 and no students will be asked to work 24/7 on 1,001 invention projects. Amnesty International in the news all these Niger's will hang, Massachusetts General Hospital in Boston all the MD's will hang, well 99% of them as we can track down who killed who with unwashed hands via the hospital video. More than a few, several on going genocides, holocausts by Bush all okayed by the White House MD. 99k killed by dirty Mexicans; the White House MD Oked this! Manhattan Project for breast cancer - Not started yet, women will start the Manhattan Project for Breast Cancer the day after the Electricwindmillcar coup happens. White House MD will also hang on this day. Massachusetts General Hospital in Boston will be overwhelmed treading all the women with breast cancer the first day the Manhattan Breast Cancer Project gets going as this is a Pentagon battle to save as many as possible until I can get the miracle overnight cure. Not really a Pentagon Battle as the Pentagon Generals sold their women to Saudi Princes. Who will rescue the USA women kept as sex slaves in Saudi Arabia today? Greg Buell will! Three Days of the Condor Redford reads books, all he does is read books to get an idea to win the war for the Pentagon. ElectricWindmillCar won the end to the Oil Embargo in 1980. Then Kennedy bullied Carter and now Bush has more than a few genocides and Holocausts going on at the same time. Massachusetts General Hospital in Boston has more than a few genocides, holocausts going on at the same time. NEW HAVEN Connecticut Paul McCartney can now add one more honor to the numerous awards, accolades and the knighthood an honorary Doctor of Music degree from Yale University. McCartney on Sunday toured a downtown art gallery and dined with Yale dignitaries. Did not write any lyrics to inspire you to work on a cure for breast cancer or invent anything. Paul McCartney is dead, long live John Lennon. Madonna will write a Breast Cancer CD and do a world Tour for Breast Cancer only after she gets Breast Cancer. American Idol judges and lyrics are regulated by the government like the New York Times. Katie Couric going on a fund raising tour for Breast Cancer can create some spin off inventions like a song from Madonna! Haiti, Liberia, Ivory Coast and the Congo, Madonna's visited all these places without saving a single pre-teen girl from being raped by UN Peacekeepers, in a hard hitting lyrics. All these Niger's will hang we have the names of all the UN Peacekeepers. More than a few, several on going genocides, holocausts by Bush. 99,000 people died from Bush importing dirty Mexicans, most were little kids at day care who got sick as hell then died. Like the 100 kids left in hot cars in the summer of 2007. Bush has more than a few genocides, holocausts going on at the same time. McCartney on Sunday toured a downtown art gallery and dined with Yale dignitaries. I will be the one working 24/7 when I visit New Haven, meeting with all the Woman MD's in New Haven, brainstorming with them all 24/7 for one week just to get started getting the overnight miracle cure for breast cancer. Picasso with women MD's, painting the pictures of antigen-antibodies going faster than the speed of light. Running one antigen-antibody video after another until most of the women MD's pass out from over work. McCartney visited a downtown art gallery with no pictures of antigen-antibodies. Why? He just got an honorary degree from Yale. Most of the people in charge at Yale Today will hang with Bush. 99,000 people died from Bush importing dirty Mexicans, most were little kids at day care who got sick as hell then died. Like the 100 kids left in hot cars in the summer of 2007. No one at Yale exposed this child abuse by Bush. Laura Bush wants you to read books, but not the Confession books by and Rousseau and Tolstoy. Kennedy who paid out bribes that burned and burn to death 1 million whites driving down the road in their SUV and BANG Bush tossed a gasoline bomb at them for more oil money. Kennedy is thinking about writing his Confessions Book. LOST Kennedy lost humanity Alpha Centauri 4.3 light years from Earth. Collateral Damage is Alpha Centauri the nearest star to Earth. Kennedy killed 700 Super Shuttles going along with the suppression of the ElectricWindmillCar. Collateral Damage Kennedy killed 40k women a year since 1980 by driving off the Senate bridge drunk on Coors leaving his girls to die of breast cancer. <http://www.electricwindmillcar.com/photos/tolstoyconfessions.txt> Kennedy writing his confessions like Tolstoy. Russia 1882 Boulder Colorado 1980 invention of the ElectricWindmillCar, Russian leaders since 1980 killed their own people same as the Presidents of the USA did all for more oil money, Collateral Damage they lost humanity the cure for cancer and 1 billion other inventions. This is the Worst Holocaust in History and even the Jews took the Oil Money Bribes from Kennedy and ran to the Swiss Bank. <http://www.electricwindmillcar.com/photos/rousseauconfess.txt> This confession was written in 1782 in France. Today the President of France has \$1.5 Billion in oil money bribes in a Secret Swiss Bank Account. A Confession by Lev Nikolayevich Tolstoy. Vladimir Milyutin (long since dead), visited us one Sunday and announced as the latest novelty a discovery made at his school. This discovery was that there is no God and that all we are taught about Him is a mere invention. Kennedy in his A Confession will write there is no invention to Gravity, Gravity created itself and if I didn't suppression the ElectricWindmillCar in 1980 its inventor Greg Buell would have invented Gravity Control, a Gravity Satellite Dish that sucks in gravity and a gravity engine for propulsion to Alpha Centauri. THE CONFESSIONS OF JEAN-JACQUES ROUSSEAU by Jean-Jacques Rousseau I have studied mankind and know my heart; I am not made like any one I have been acquainted with, perhaps like no one in existence; Kennedy again writing his Confessions. Kennedy is like no one in existence, he got away with driving off a bridge drunk on Coors leaving his girlfriend to drown. Then got the entire Senate drunk as Hell on Coors. Leaving 5 billion people on Earth to grown up since 1980 without the ElectricWindmillCar. A Confession and Confessions are

not required reading at CU here in Boulder, for any class on campus. In face the 2 Confession books have never been sold at the CU Bookstore, ever! Carter just published a book about his Mother Peace Corps Volunteers travel the world. Carter was bullied by Kennedy to suppress the ElectricWindmillCar in 1980. Before Carters Mother died she learned about the ElectricWindmillCar and its suppression, what did Carters Mother say to him. This was unreported in Caters new book about his Mother but we will find out when there are 1 billion ElectricWindmillCars driving around Carters Peanut Plantation. A Peanut Farmer from Georgia could not be trusted to be brave enough to just say no to Kennedy when Kennedy bullied President Carter into suppressing the ElectricWindmillCar. After 1980 when Kennedy failed to bully someone Kennedy had to use money for a bribe. In Kennedy's Confession books he will tell all of all the bribes he ever passed under the table. Collateral Damage at NASA is 700 Super Shuttles lost by the diseased USA government that gave the whole world its diseases for more oil money. Collateral Damage at the Day Care Center is the deaths of 99k gringo kids by dirty Mexicans. Collateral Damage for White House women is the 40k dead every year since Carter of Breast Cancer. And even this had to go unreported to not make tidal waves for the President. Kennedy was almost a President who drowns 1 billion people in gasoline while instigating the suppression of the ElectricWindmillCar in 1980. Kennedy would have created far, far worst Holocausts than Bush. Brain Cancer will be in history books with the Plague. When all the worlds Monarchies are Abolish. Emperor of Japan let Toyota build hybrid cars instead of ElectricWindmillCars. Queen of England toasted, Let them eat cake, let them burn in gasoline, were addicted to oil money. All this went unreported. All this and much much more went unreported since 1980 when the ElectricWindmillCar was invented in Boulder, Colorado just down the street from NCAR. NASA lost 700 Super Shuttles in the years since 1980, I hope Rocket Scientists can recover from this mental illness and become the ElectricWindmillCar Coup D'Etat leaders! Before Kennedy dies of Brain Cancer, so I can work 24/7 on Breast Cancer while Kennedy watches me like he watches me in my living room today!

10k galaxies and the Pentagon Generals see no Stars to travel to besides the one's on their uniform. This is a crime against humanity in an ElectricWindmillCar Genocide Era by the Joint Chiefs of Staff who let Bush, McCain, Kennedy toss gasoline bombs at SUV's on the streets of the USA burning people in gasoline. This is Torture by the CIA right here in the USA just for more oil money \$\$\$\$ CIA tortures American civilians by pouring gasoline over them and letting Bush, McCain, Kennedy light the flames in fiery car wrecks!

24 May 2008 Kennedy - Brain cancer with no cure - Knocking on Hells Door!

24 May 2008 Kennedy has \$475 million in the Bank he should have spent it on finding a cure for cancer. Harvard has \$20 Billion in the Bank it should have spent it on finding a cure for cancer.

24 May 2008 Kennedy will Observe me, Greg Buell brainstorming a overnight miracle cure for breast cancer on his monitor while he dies of brain cancer. If the observers come out from behind the hidden cameras that are in my living room and let me work on a cure for breast cancer before Kennedy dies. As I meet Kennedy in 1979 and the years since have been Hell for getting the cure for cancer because of Kennedy!

24 May 2008 Winds of Hell, Kennedy will spit in the face of God before the Winds of Hell catch Kennedy in their windmill blades, for suppressing the ElectricWindmillcar and stifling the miracle overnight cure for breast cancer I would have gotten with another "Windmill" same as I got in 1980 during the Oil Embargo. Boston Hospital were Kennedy was, has billed those burned in gasoline, during the Oil Genocide Era started by Kennedy and Carter.

24 May 2008 Kennedy, I meet Kennedy in 1979 In Kiwot Colorado

24 May 2008 Kennedy watched me on hidden cameras get the Electricwindmillcar in 1980

24 May 2008 Kennedy then bullied Carter to suppress the Electricwindmillcar

24 May 2008 Kennedy and Carter are responsible for the worst Holocaust in history

24 May 2008 Boston - 15 guys from Saudi Arabia got on the planes that flew into the World Trade Center building in Boston, Kennedy was in Boston at the same time.

24 May 2008 Boston - 1 billion ElectricWindmillCars on the streets of Boston would have prevented 9-11, Kennedy is the one who did the most to suppress the ElectricWindmillCar.

24 May 2008 Kennedy then went out of his way to stop me, Greg Buell from finding the "windmill" for a miracle overnight cure for cancer, in 1980.

24 May 2008 Kennedy will spit in Gods face when he dies, as Kennedy and Carter and the Bush Family all spit on God, as they do not believe the ElectricWindmillcar is a Godsend.

24 May 2008 Kennedy on MSNBC Nightly News making an Orwellian comment about the Winds... Kennedy has had brain cancer since 1980 and will spit in Gods face no matter how many comments he makes about the Winds... sailing on the Wind of the ElectricWindmillcar. Kennedy reflecting on his suppressing it since 1980.

24 May 2008 MSNBC Nightly News ended with Ann Curie, about her father's death from cancer, Ann Curie is responsible for the worst Holocaust in history and she too will spit in God's face, in death as all the Observers spit on God in life.

24 May 2008 40k women died of breast cancer every year since 1980

24 May 2008 Kennedy and Carter are responsible for this, as they stifled breast cancer deaths on the Nightly News.

24 May 2008 Kennedy will die a slow death from brain cancer thinking about me, Greg Buell getting the cure for cancer same as I got the Electricwindmillcar during the Oil Embargo Era.

24 May 2008 Kennedy's Era killed 1,000,000

24 May 2008 Kennedy's MD are all accomplices of the Electricwindmillcar suppression.

24 May 2008 Kennedy will meet God, God who created the Universe and gave humanity the Electricwindmillcar invention in 1980.

24 May 2008 Kennedy will reflect at Key West as they pump gasoline at \$4 a gallon

24 May 2008 The Pentagon Generals who spent \$ 5 Trillion dollars on war toys also lost the War against cancer. War against cancer has been lost by the Pentagon Generals who will not let me work on a miracle overnight cure for cancer.because of the Vietnam War which was a crime against Humanity. Kennedy's Era killed 1,000,000 The "Windmill" cure for cancer - same as the one I found in the book "Animal Farm" in 1980 during the Oil Embargo Era has been stifled by Kennedy. Pentagon now goes along with the Niger Era, but not the Cancer Cure Era. Boston Hospital were Kennedy was, billed those burned in gasoline, during the Oil Genocide Era 1980 - 2008. This is official Pentagon business, stifling Greg Buell from working on a miracle cure for breast cancer. A cure that will cure all women with breast cancer overnight. False and misleading Wars and statistics continue from the Top Brass at the Pentagon about what is a threat. Oil Genocide Era. Pentagon Generals moved into FEMA trailers, Medical Students moved into the Pentagon Building. ElectricWindmillcar Coup leaders must evict the Generals from the Pentagon. 1.5 million women died from breast cancer every year the Generals have occupied the Pentagon Building. Long time to let this cancer go uncured. Generals will let it go on for another 50 years if no one puts a stop to the Pentagon Generals crimes against women. Rape in war is in textbooks. Breast Cancer is not. Era of the Breast Cancer Holocaust caused by Generals buying War Toys. Kennedy bullied Carter to suppress the Electricwindmillcar; no one had to bully the Pentagon to let Bush toss gasoline bombs at SUV's on the streets of the USA. Pentagon Lawyers couldn't have gotten into a Medical School on Psychiatric issues. Vietnam War, where we were told that we won every battle and that we killed many more of the enemy in every engagement. And yet the war was a failure and in the end we admitted it, stopped deceiving the public, and moved on to a different approach to stop the needless loss of lives. Today it appears that the war with Iraq will ultimately end the same way. Kennedy's Era killed 1,000,000. Bush Era killed 1 million American women because Bush spent his time and money tossing gasoline bombs at SUV's on the streets of the USA. Bush's wife and daughter Jenna on Leno last night talking about reading books not mentioning Greg Buell reading "Animal Farm" finding the windmill for the ElectricWindmillCar. This is a crime against Humanity as if they talked up looking for the "Windmill" for the cure for breast cancer today right now everyone reading a book would be looking for the "Windmill" in the book they are reading. No one reading a book today is looking for the cure for breast cancer in the book because Bush's wife and daughter Jenna did not mention this on Leno last night. Kennedy's Era killed 1,000,000. Boston Hospital were Kennedy was, billed those burned in gasoline. Kennedy suppressed the ElectricWindmillCar in 1980. In 2008 his Boston Hospital bills those burned in fiery car wrecks in Boston. Kennedy knows this is wrong, he never ever thinks this is painful for those burned in gasoline. Kennedy is the kind of Roman Senator who thinks he will spit in the face of God and go to Hell. Statistics are suppressed. CIA keeps track of the daily count of those burned and burned to death in gasoline, not the daily count of American women who die from Breast Cancer. To the CIA women are sold to Saudi Princes for sex... War is Hell. Boston's Massachusetts General Hospital treats Saudi Princes under the table too. MIT has a campus in Saudi Arabia; MIT did not care about the 1.5 million women who will die in 2008 of breast cancer. MIT was thinking about the \$1.5 billion Saudi Arabia will deposit in a Swiss Bank account for MIT. War is hell. Kennedy was taking both blood pressure medication and statin drugs to lower cholesterol, some link to brain cancer exist from taking statin drugs. So did the famous MD's at Boston's Massachusetts General Hospital give Kennedy the brain cancer - Yes, most likely Yes! State of the art Medical Schools will change all this for the next generation of patients. Boston's Massachusetts General Hospital has no supercomputers for patient treatment decisions. MD who wrote the Rx for statin drugs for Kennedy did not ask anyone for a second opinion as he thought he was smart enough... wrong! Blood pressure medication typically reduces the flow of nutrition and oxygen to your brain promoting brain cancer. Kennedy's MD didn't give this a second thought as he thought he was right writing the Rx for blood pressure medication. MD's at Boston's Massachusetts General Hospital do the same thinking in treating Breast Cancer women... and the women die at 100's a day just from the MD's at Boston's Massachusetts General Hospital. Cindy McCain heiress beer distributorship made \$6 million in 2007, Hell Beer killed more than 6 million people world wide mostly by drunk men killing their wife or like Kennedy drunk on Coors drove off a bridge and left his girlfriend to drown. So much for a Beer Wife of McCain. Society and women need to suppress Coors and Coors will have brain cancer when the ElectricWindmillCar is suppressed by McCain and his rich wife. Three-time melanoma survivor McCain appears cancer-free. There is no way in Hell McCain will remain cancer free until 2012. I just bought SPF 85 Ultra Sheer from Neutrogena just to get through the summer of 2008. I will certainly work on reinventing SPF 85-sun screen when the Observers come out from behind the hidden cameras in my living room. July 3, 1992 Victoria Reggie married Ted Kennedy in a small, private ceremony in Kennedy's home in McLean, Virginia. In 1992 40k women in the USA died of breast cancer and 40k cops and kids in the USA were burned and burned to death in gasoline bombs tossed by Clinton. Mrs. Kennedy is the President and co-founder of Common Sense about Kids and Guns, which focused awareness to gun deaths and injuries. 40k kids did not die from Guns; 40k kids were burned to death in gasoline since 1980 when her husband Mr. Kennedy suppressed the ElectricWindmillCar. Kennedy's - malignant glioma is the worst kinds of brain cancer malignant gliomas strike almost 9,000 Americans a year. Survival statistics are grim - half die within a year. 4k Marines died in 4 years in Iraq. Pentagon Generals must be evicted from the Pentagon building ASAP - State of the Arts Medical School and Invention University will serve the USA better than the Pentagon Generals did. The cancer digs tentacle-like roots into normal brain tissue. Pentagon Generals are also a cancer that digs tentacles into the brain. Hell no we won't go... we want a cure for cancer, the flu and 100's of other diseases that have plagued humanity for the last 100 years. End to War on Earth will give humanity Total Immunity invention, not to mention 700 Super Shuttles that can be docked in orbit like a train. Every Nation on Earth can have a crew on several Super Shuttles. Deaths due to cancer, cardiovascular diseases and traffic accidents can all be cured with the End to War on Earth. Kennedy drove off a bridge drunk on Coors leaving his girlfriend to drown, Mrs. Kennedy must not care about her husband leaving women to die, or she must not think Mr. Kennedy stifles the cure for breast cancer. If so Mrs. Kennedy has brain cancer too. The

Roman Senate would have outlawed Smoking and alcohol consumption if they knew what we know today. USA Senate took bribes, small ones compared to the gasoline bribes, from tobacco and Coors. Does everyone have brain cancer? GENEVA, Swiss Banks have \$ 5 Trillion dollars in Swiss Bank Accounts from bribes. The ElectricWindmillCar Coup leaders will confiscate this money for a New GI Bill that will make the University and yes even Medical School free for all. Windfall profit from the ElectricWindmillCar. Marines in Iraq shooting guns at the Quran. Mecca will be nuked by 100's of Nukes if all the gasoline money since 1980 is not returned. Then Mecca might still be nuked for burning 1,000,000 cops and kids in gasoline for more oil money. The cancer, which digs tentacle-like roots into normal brain tissue - Oil money burned tentacle roots into the brains of every President of the USA since 1980. Every Senator, every Governor, every Police Chief in the USA knows Kennedy suppressed the ElectricWindmillCar. Does everyone have brain cancer? Reckless decisions, risk-taking behavior, and grandiose Oil Bribes \$. Bill Gates took advantage of this and killed 1,000,000 HS inventors via Microsoft Greed. Losing humanity 1 million inventions. I will document what inventions were lost and try to make up most of these lost inventions by building a State of the Arts Medical School over every University Football Stadium in the USA. With a free OS a spin off of xp 64 bit called "Inventor" OS. Going faster than the speed of light will be possible, mostly all textbooks will be rewritten to let students know inventing a way to go faster than the speed of light is ok and giving them ideas how to invent this. The Gravity satellite sucking in gravity waves while the gravity engines uses gravity for propulsions. Department of Education went along with Bill Gates killing 1 million HS students, and the government workers all GS 20 killed another 1 million students from their idea of Student Loans instead of Exposing the suppression of the ElectricWindmillCar invented in 1980 which would have given all students a free University Education with a real Department of Education. Kennedy and his wife at Cape Cod on his sail boat, Kennedy making Orwellian comments about the Wind. Referring to the ElectricWindmillCar, these 2 husband and wife since 1992 lost humanity and Mr. Kennedy a cure for cancer. I Greg Buell would have gotten a cure for cancer in 1981 on the Winds of Euphoria from the ElectricWindmillCar invention in 1980. I would have become a Polygamist in 1980 brainstorming 1,001 inventions with my wives. Flown by helicopter to Massachusetts General Hospital in a Gasoline engine helicopter. Hell in 2008 there should not be any gasoline engine helicopters in use, as even the Roman Senate would have outlawed gasoline Helicopters in an ElectricWindmillCar Era. Peasants in the rice patties all over the world would be flying 4 rotor ElectricWindmillHelicopters planting and harvesting rice, never getting their feet wet and muddy ever again. Arnold Schwarzenegger and his wife, Maria Shriver, Kennedy's niece both have brain cancer... they let 100's a day burn and burn to death on California freeways in an Era that should be free of gasoline engine cars. Statistics are top secret. I bet California has the highest number of cops and kids burned and burned to death in fiery car wrecks, 100 a day? Only after the Coup will we finally learn the correct Statistics. Sen. John Kerry of Massachusetts and his \$ billionaire wife did not need \$ another billion from the King of Saudi Arabia. But who can turn down a \$1 Billion dollar bribe? Windmills of Hell, Kennedy will spit in the face of God. 5 Billion people on Earth missed out growing up with an ElectricWindmillCar since 1980, because Kennedy bullied Carter into suppressing it. Kennedy did not think. Kennedy had brain cancer way back in 1980. Oil Embargo was ended by Greg Buell's reading "Animal Farm" getting the windmill from reading a book. Leno should be shot during the monolog for not writing this into his talk with Bush's wife and daughter Jenna. Reading a book, Bush's wife and daughter Jenna on Leno promoting reading a book and they didn't mention "Animal Farm" and its famous windmill. Next time you read or read a book don't just read between the lines, but look for the windmill cure for breast cancer. Read to find an invention. When the observers come out from behind the hidden cameras in my living room I will write up 1,001 invention projects you can keep in mind as you are reading. And you will be able to send Bill Gates to Hell with Kennedy as Microsoft will be dead too. Inventor OS, yes faster than the speed of light is possible. Start rewriting the textbooks now, as even the textbooks will be free in the ElectricWindmillCar Era. Kennedy in 1980, Kennedy in 2008. Kennedy spent \$5 Trillion on War Toys instead of a cure for cancer. Kennedy, the Bush Family, they all spit in God's face, as they don't believe the ElectricWindmillcar was a Godsend. Kennedy - with Brain cancer with no cure and it's his own fault there is no cure and no ElectricWindmillCar Era today! If 1 billion ElectricWindmillCars were on the streets of Boston Today there would also be a cure for cancer and 700 Super Shuttles in Orbit docked like a train. Kennedy has been drunk on Coors since he drove off the bridge and left his girl to drown. Kennedy left 5 billion people to drown while he had another beer. Even the Roman Senate would have outlawed Bars and Smoking. Read a book, be a detective when reading, look for the "Windmill" in "Animal Farm", work on 1,001 invention projects as you read, work, brainstorm with your 4 wives! Grin. 1 billion ElectricWindmillCars on the streets of Boston - after Kennedy is dead.

17 May 2008 President Bush's daughter Jenna was married by a Niger Minister while 1,000,000 whites burned in gasoline.

17 May 2008 1k people worldwide burned in gasoline on her Wedding Day... Jenna knew this on her wedding night and still had an organism.

17 May 2008 Inventors want Niger's as Pets of the Idle Rich Class stopped.

17 May 2008 Inventors want Jenna Bush divorced from killing white people via gasoline genocide era while promoting blacks.

17 May 2008 Inventors want Jenna Bush divorced from stifling a miracle overnight breast cancer cure that killed 40k women every year Bush was President of the USA while his daughter spent her time looking for a Niger Minister! At the expense of white women with breast cancer. 40k dead in 2008 because Jenna Bush got married by a Niger Minister! And devoted no time looking for a breast cancer cure.

17 May 2008 Air Force One 747 is only for Bush - You and your house burn in a California forest fire no Air Force 747's will be used to save you, this is another Holocaust years old by the Bush Family and the Pentagon Generals. Boeing is building 434 new 747's for refueling Jet Fighters not any for fighting forest fires. Another holocaust by the Bush Family.

17 May 2008 Jenna Bush killed even more Whites, by her meddling in Yale's pass fail system, she used her influence and bully powers to let Black MD's that did not pass Yale Medical School pass. IBM has misdiagnosis software that will put 100% of Black MD's in prison and in civil court being sued for malpractice. Whites who were misdiagnosed and harmed, killed by these Niger MD's are casualties of another Holocaust By the Bush Family.

17 May 2008 Inventors want the Presidents daughter to be married by a white Minister Want her to be an inspiration to white inventors not run of the mill Niger's who will never in a million years get the cure for breast cancer for white women!

17 May 2008 Inventors want Niger's expelled from the classroom too, as Niger's are disruptive, distracting 1,000,000 white inventors from getting 1,000,000 inventions.

17 May 2008 TV Observers in an Orwellian "1984" society made the Niger Oprah famous in an Oil Holocaust Era 1980 -2008 In her new book "The Age of Oprah: Cultural Icon for the Neoliberal Era," University of Colorado at Boulder journalism Professor Janice Peck charts the rise of Oprah Winfrey from highly rated TV "trash talk" host to one of the most influential cultural icons of our times. CU Professor left out 1,000,000 Whites who burn in gasoline during the Oprah Neoliberal Era This Niger Oprah let so many millions of white people burn and burn to death in gasoline over so many decades - Oprah observed whites burning in gasoline! Oprah was made famous because she signed an agreement to go along with suppressing the ElectricWindmillCar. This is another Holocaust against White People by the Bush Family.

17 May 2008 Inventors can't invent with Rap Music Lyrics killing white cops + 100 + 1k people world wide burn in gasoline every day and all we get from Rap Music is kill the white cops Lyrics!

17 May 2008 Inventors want Microsoft expelled for annoying society \$ with greed 17 May 2008 Inventors want Microsoft expelled for annoying society \$ with greed 17 May 2008 Inventors want Microsoft expelled for annoying society \$ with greed

17 May 2008 Inventors want a Department of Invention, + Inventors! I will write a new OS called "Inventor" it will be a spin off of xp pro 64 bit and will only run on a Intel Xeon quad core cpu. Department of Invention, + Inventors will train 100 million white Americans to invent using this Quad-Core Intel Xeon on high performance software better than Microsoft Excel, software Bill Gates never wrote and never will write, software that will crunch inventions like Excel crunches spread sheets.

17 May 2008 Inventors want the Department of Education deported to Hell

17 May 2008 You don't see the Pentagon frantic on TV asking for money for the kids who will die in hot cars in the summer of 2008, another Holocaust by the Bush Family.

17 May 2008 You do see the Pentagon frantic for Hummer Tanks to protect troops from IUD's but the same Generals let kids get crushed to death in Smartcars the size of a can of Coors with no Super Airbags on the outside. This is treason by all Pentagon Generals and another Holocaust by the Bush Family.

17 May 2008 Inventors want Microsoft Nationalized, free for all Inventors

17 May 2008 Inventors want the University free and mandatory for HS students.

17 May 2008 Inventors want mandatory Vaccinations, free and in a public database.

17 May 2008 Inventors want to be Polygamists, marry many Wives, and Get the Goddesses of Inspiration to work 24/7 on 1,001 Invention Projects.

17 May 2008 Inventors want the Minister to be White, not a Niger profiting from the Oil Holocaust Era at the expense of whites burning in gasoline.

17 May 2008 Illegal Aliens working everywhere you drive or walk, Aliens make up 100% of every construction and concrete crew you pass on the street. This is another Holocaust by the Bush Family. And not getting vaccinated and getting gringo's kids sick and sick for life with Hepatitis B. This is another Holocaust by the Bush Family. Aliens Not working on getting NASA 700 New model 2008 Super Shuttles that can dock in orbit like a train, giving the Post Oil Holocaust Era Society a chance to make up for 9 or 10 the worst Genocide's on Earth by the Bush Family. Cops burned in gasoline over most of their body will be the Coup leaders, who like in the French Revolution will hang all the Bush's. <http://www.smartusa.com> Model 2008 Smart micro car without Super Airbags on the outside, these car makers not only went along with the suppression of the ElectricWindmillCar they crushed kids in cans of Coors on wheels. Bush Holocaust Era got worst towards the end of 2008. Breast Cancer cure for little girls is now exercise, while I Greg Buell wait for the Observers to come out from behind the hidden cameras in my living room to let me work brainstorming 24/7 a overnight miracle cure for the 40k women who will die in Model Year 2008 from breast cancer. Burma, also known as Myanmar, cyclone victims are stalked by disease and starvation, but the military junta that has ruled since 1962 is more concerned about its own survival. The Nightly News reporters screaming about the Military Junta in Burma are enlisted in the USA Oil Holocaust that lets Bush toss gasoline bombs at SUV's driving down the streets of the USA. Military Junta at the Pentagon these Generals killed 4k of their own Marines instead of exposing the suppression of the ElectricWindmillCar, and killed 40k women with breast cancer. By spending their money for a cure on war toys. No Super Air Bags on SUV's killed many times more than the IUD's in Baghdad yet the Pentagon Generals sold out civilians stole their money for more armor for Hummers, which failed the test after wasting billions. Small Tanks are the New Hummers in Baghdad and cars on the streets of the USA didn't get fitted with Super Air Bags on the outside. This is another Holocaust by the Bush Family. Kids left in Hot cars are another Bush Pentagon Holocaust for the Summer of 2008 you don't see the Pentagon frantic on TV asking for money for the kids who will die in hot cars in the summer of 2008 this is Treason by the Pentagon Generals. This is an Orwellian Society; veiled Saudi women cannot drive a car or make news about heir husbands and sons using the USA Prostitutes of the DC Madams. In 1633 the astronomer Galileo's persecution was tried as a heretic and forced to recant his theory that the Earth revolved around the sun. In 2008 the Pope lost the 2008 Model Super Shuttles NASA needs to make the Light Year Jump for society. \$100 Billion in Oil Holocaust money ended up in the Vatican Bank not on NASA's 700 Super Shuttle assemble line. This is another Genocide the Catholic Church will have to live with in History, hopefully the Pope gets Hanged and the Catholic Church is bankrupt from Earth as this is the 100th crime by the Catholic Church in History. Funes said science, especially astronomy, does not contradict religion, touching on a theme of Pope Benedict XVI, who has made exploring the Universe a OK long as NASA does not get any of the Oil Money in the Vatican Bank \$\$\$ Saudi Oil Bribes to the Pope and the faith God will kill the Pope when the coup starts! Then when the Pope is hanged he will go to Hell for going along with the suppression of the ElectricWindmillcar and helping stifle the inventor of the ElectricWindmillCar from working as an inventor instead of a prisoner hidden away behind hidden cameras, isolated by a psychotic Bush from working on a cure for breast cancer and 1,001 other invention projects. A key aspect of the Popes papacy is the oil money, \$100 billion for the church 8 or 10 holocaust by the Bush family - Pope knows Black MD's will lose every malpractice suite and the one thing the Pope did not go along with is Passing Black MD's at the Vatican's Medical Schools when they really failed. Marriage of Jenna Bush might just inspire the Pope to let Priest Marry to clean up marriage, after Bush let his daughter marry pet Niger's who can only write Rap Lyrics about killing white cops and white society. No lyrics about kids left to die in hot cars. Lyrics by Niger's kill white cops and this is a OK by Bush because he needs more oil money and blacks to go along with this Oil Holocaust Era In history this will be the same Era as Rap Music Lyrics that kill white cops and white society just another holocaust by the Bush Family. Holocaust that put smart cars the size of a can of Coors on the road to crush kids to death... burn them in gasoline cars or crush them to death in the smallest cars on the road. With no Super Air Bags on the outside. Black MD's who never passed Yale Medical School or any other one. Warning Label on Rap Music Niger's, OJ's ex-wife would be alive if she knew the true nature of Niger's. Official government warning labels on people will be a reality in an ElectricWindmillCar Society. Men murder million wives and ex-girlfriends worldwide every year; Government should have issued a warning label years ago. 9-11 would never have happened if 1 billion ElectricWindmillCars were on the streets of Manhattan on Lennon's 50th Bday. Holocaust of Swiss Bankers with trillions in Oil Money in the Bank, this is worst than Paul McCartney gave Heather Mills more money than he will ever give to breast cancer research. Pentagons list of Holocaust for 2008 goes on and on, we must add Cerebral Palsy, Autism, Hepatitis B plague by dirty Mexicans. Failure of any government official to make vaccinations mandatory for everyone. Mandatory University would have been since 1980 when the ElectricWindmillCar was invented. Instead the University is worst than Bill Gates on steroids of greed. Yale President should hang for creating a President of the USA like Bush. Yale failed society, Vatican failed society and will be bulldozed for an ElectricWindmillCar assembly plant. Coup leaders will punish Yale severely for the 8 or 10 plus simultaneous Holocaust. Last but not least Inventors want MIT out of the Pentagon War Toy Business. 700 Super Shuttles that can be docked like a train in orbit will be plenty to tax MIT minds. Add in the Gravity Engine, and Gravity Satellite Dish and Gravity Control here on Earth MIT does not need Pentagon War Toys work. Kennedy and Kerry have run MIT while 1,000,000 burned in gasoline. Upgrades to Oak Ridge National Laboratory's Jaguar supercomputer have more than doubled its performance, more than double the number of U.S. Navy's next-generation destroyers, DDG 1000, and cruisers

while 1,000,000 burned in gasoline. Admiral who is today the Joint Chief of Staff the top 5 Star General at the Pentagon was treasonous since 1980 when the ElectricWindmillCar was invented and suppressed by Carter and Kennedy. Pentagon building will be converted to a state of the arts Medical School and University after the Coup. Quad-Core Intel Xeon workstations at the Pentagon, millions of them will be installed with the "Inventor" OS and given to Medical Students to work on a list of 1,001 disease that plague humanity. Given the Pentagons \$ Trillion dollars for war toys Measles will be History along with breast cancer. Pentagon Generals are treasonous and have been since 1980 - Holocausts by the Bush Family and the Pentagon Generals number 8 or 10. At the same time, the USA government has 8 or 10 of the worst Holocaust in History running, killing 1,000,000 people. This is the Era Jenna Bush got married in and had an organism in.

10 May 2008 Beatles - Revolution Lyrics with the ElectricWindmillCar.

10 May 2008 Rap Music Lyrics 1980 - 2008 They Hate Kill "White Cops" Lyrics.

10 May 2008 Beatles Give Peace A Chance Lyrics.

10 May 2008 We need the Pentagons \$ Trillions for Linda McCartney's breast cancer cure. Paul gave Heather Mills more millions than he gave to breast cancer research.

10 May 2008 Generals at the Pentagon killed 4k of their own Marines instead of ending the Iraq war with the ElectricWindmillCar.

10 May 2008 Beatles - Let me tell you now Revolution is 700 Shuttles docked in Orbit.

10 May 2008 Beatles - Carrying pictures of Chairman Mao You ain't going to make it.

10 May 2008 Black Rap Lyrics makes it with Rice and Obama hating "White Cops" and getting away with it, because we live in an Oil Holocaust Era.

10 May 2008 Blacks killing cops in their Lyrics is a trade off ok'ed by Bush and the Texas Oil men for Blacks going along with the Oil Holocaust Era that burns white cops in fiery rear end cop car wrecks.

10 May 2008 Sun Yat-sen, China's revolutionary hero his Lyrics in an Oil Genocide Era that burns 100 Chinese Peasants a day in gasoline.

10 May 2008 Now today Chairman Hu burns the masses in gasoline, fiery crashes another seduction by Bush and the Texas Oil men responsible for 100's a day in China burning in gasoline, does Hu care about these Chinese peasants burning in gasoline, no!

10 May 2008 United Nations, Ev'rybody's talking about John and Yoko in Bed.

10 May 2008 Universe Alliance. Ev'rybody's talking about UN's Gasoline Holocaust.

10 May 2008 Hu arrives in Japan on a visit of worries about Revolution - Gasoline Holocaust Revolution, Madonna will not write these Lyrics, on her visit to Colorado.

10 May 2008 Hu will meet with Prime Minister Yasuo Fukuda for an informal dinner Tuesday at a Tokyo restaurant known for its links with Sun Yat-sen, China's revolutionary hero. Hu will meet Emperor Akihito and Empress Michiko on Wednesday, all they will talk about is the Gasoline Holocaust Era.

10 May 2008 Today Chairman Hu burns the masses in gasoline, 100 Chinese a day burn in gasoline, remember Jay Leno's famous gasoline joke about your flesh sizzling - Leno wrote this joke for real people around the world who will burn in gasoline today. It's a joke to Jay Leno and his guests donate nothing to the world's burn centers.

10 May 2008 More than 200 million children worldwide under age 5 do not get basic health care, leading to nearly 10 million deaths annually from treatable ailments, and Bush gives Dr DeBakey a Medal of Honor he does not deserve. I will build a state of the arts Medical School with unlimited numbers of Medical Students over every University Football Stadium in the USA.

10 May 2008 Hu, Fukuda, Emperor Akihito, Empress Michiko will all Hang!

10 May 2008 Chairman Hu burns the masses in gasoline, fiery crashes.

10 May 2008 Outbreak of enterovirus is another headache for the communist government as it prepares for the Beijing Olympics already tarnished by an uprising among Tibetans. Bush protects Hu from Tibet in a secret treaty covering the suppression of the ElectricWindmillCar. United Nations, every UN Member Nation has signed a secret treaty agreement that burns 100's of thousands in gasoline every day for more oil money. And 100,000 people burning in gasoline never make the front page of the New York Times LOST the TV show with the rich old guy Mr. Witmore who financed the fake Oceanic plane wreckage, Bush is the one suppressing the daily count of fiery SUV and cop car wrecks. New York Times goes along with this fiery suppression order from the President of the USA too. Chairman Hu now burns the masses in gasoline, fiery crashes. Olympics Committee and the Nobel Prize Committee know about the suppression of the ElectricWindmillCar. President Carter was on Jay Leno talking about Bush ordering a 43 car fiery pileup in Gaza Peace Talks, thus deleting 700 Super Shuttles from NASA inventory. ElectricWindmillCar suppression is the cause of not having a Miracle Overnight Cure for Breast Cancer, as Bush is addicted to oil money not finding a cure for breast cancer. Rice and Obama hate "White Cops" this is in their Rap Music Lyrics. Beatles - Revolution Lyrics with the ElectricWindmillCar. Beatles Give Peace A Chance we need the Pentagons \$ Trillions. Sun Yat-sen, China's revolutionary hero has been replaced with a fake Mr Hu who lets 100's of Chinese burn to death every day in fiery car wrecks for more oil money. Chairman Mao Observing this from a distant Galaxy can't believe Hu was seduced by the USA. Dead DC Madam and her prostitutes had a wind fall profits era from Bush and the Saudi King walking hand in hand. Texas Oil Men are behind the taking away of 434 kids from Polygamists moms. Only in an Oil Genocide Era could his happen to 434 kids. Only in an Oil Genocide Era could another 434 kids in the back seat of an SUV burn to death and not make the front page of the New York Times. These 434 kids were suppressed from the front page of the New York Times. Yes the guys who write the New York Times know the exact number of Mom's and kids burned and burn to death in fiery car wrecks 100 a day - 1k a day --- and total burned to death since the invention of the

ElectricWindmillCar in 1980. Beatles - Revolution Lyrics with the ElectricWindmillCar, French Revolution was sparked with Let them Eat Cake, USA's Revolution is sparked with Jay Leno's jokes about your flesh sizzling in gasoline, and Bush toasting with the Saudi King, Let them burn in gasoline, We are addicted to oil money. DC Prostitutes enjoy an era of Windfall Profits from Saudi Arabia. 100's of thousand other people burn in Saudi gasoline without making the front page of the New York Times. Generals at the Pentagon killed 4k of their own Marines instead of ending the Iraq war with the ElectricWindmillCar. Beatles - Revolution Lyrics with the ElectricWindmillCar. Rap Lyrics that hate White Cops are the reason the suppression of the ElectricWindmillCar lasted from 1980 - 2008. Rice and Obama hate White Cops, Bush and his elite Yale colleagues were helped in their Oil Holocaust by every Niger in the USA who Bush paid off with hate crime Rap Lyrics in public while White Cops have to sit back and listen to these lyrics. White Cops sat back in their cop cars writing a ticket and were rear ended in a fiery wreck. Bush addressed the Chiefs of Police several times and was never molested. Generals at the Pentagon killed 4k of their own Marines instead of exposing the suppression of the ElectricWindmillCar. Chiefs of Police let 100,000 cops burn in fiery rear end car wrecks instead of exposing the suppression of the ElectricWindmillCar. French Revolution was sparked by a lot less than this, were is the lighting strike that will take out the leaders of the Oil Holocaust Era? The National Center for Atmospheric Research (NCAR) has taken delivery of a new IBM supercomputer that will advance research into severe weather and the future of Earth's climate. The supercomputer, known as a Power 575 Hydro-Cluster, is the first in a highly energy-efficient class of machines to be shipped anywhere in the world. Nowhere in the world can I Greg Buell (in Boulder, Colorado) the inventor of the ElectricWindmillCar in 1980 during the Oil Embargo work as a real inventor on the cure for breast cancer or even on cloud to cloud lightning rods to keep lightning from striking anywhere on Earth. Only in an Oil Genocide Era could this happen to an inventor. Add in the 100 million students who graduated today in a car less society. When the 1 billionth ElectricWindmillCar should have come off the Toyota assembly line on John Lennon's Bday 2008. Beatles - Revolution Lyrics with the ElectricWindmillCar. Memory pill would let Bush and the Pentagon Generals remember if 1 billion ElectricWindmillCars were on the streets of Manhattan on 9-11 - 9-11 would never have happened. Only in an Oil Genocide Era could 434 kids burn in gasoline and not make the front page of the New York Times.

3 May 2008 "Mission Accomplished" is the "Gasoline Holocaust".

3 May 2008 "Mission Accomplished" is the "Breast Cancer Holocaust".

10k galaxies and the Pentagon Generals see no Stars to travel to besides the one's on their uniform. This is a crime against humanity in an ElectricWindmillCar Genocide Era by the Joint Chiefs of Staff who let Bush, McCain, Kennedy toss gasoline bombs at SUV's on the streets of the USA burning people in gasoline. This is Torture by the CIA right here in the USA just for more oil money \$\$\$\$ CIA tortures American civilians by pouring gasoline over them and letting Bush, McCain, Kennedy light the flames in fiery car wrecks!

Nancy Grace, who has a daughter, Lucy... like the baby above

Psychotic Bush and his father, USS George H. W. Bush Nimitz class aircraft carrier. Mission Accomplished US President George W. Bush addressing the nation aboard the nuclear aircraft carrier USS Abraham Lincoln, 1 May 2003. Psychotic Bush, McCain, Kennedy killed 4k Marines and burned 400k in the USA in gasoline for more oil money, even Katie Couric and Nancy Grace, who has a daughter, Lucy... like the baby above have gone along with the suppression of the ElectricWindmillcar, which if exposed would have saved all these people being burnt in gasoline and would have bankrupt the Pentagons and Pope's Moslem war in Iraq when the first Psychotic Bush went into Iraq. Pentagon had 50k ElectricWindmillCars already assembled, but everyone, Bush, McCain, Kennedy, even Jay Leno voted for Desert Storm. This is a Holocaust even the Jews are profiting with \$ Trillions of Oil Genocide bribes in Swiss Bank Accounts. ps the Swiss profit from the Oil Holocaust too

3 May 2008 "Mission Accomplished" is the "Breast Cancer Holocaust".

3 May 2008 "Mission Accomplished" is the "Mexican Hepatitis B Holocaust".

3 April 2008 "Mission Accomplished" is the "Kids left in hot cars to die Holocaust".

3 May 2008 Psychotic Bush "Mission Accomplished" his "700 New Shuttles Holocaust".

3 May 2008 Israel; Jews celebrate The Holocaust, profit from The Gasoline Holocaust

3 May 2008 CBS Nightly News with Katie Couric; she is stifling The Coup d'état. 3 May 2008 Psychotic Bush killed 4k Marines for nothing, burned 400k in gasoline.

3 May 2008 Wives of Bush, McCain, Schwarzenegger, and Clinton. Watch people burn in gasoline every day in their Orwellian Universe.

3 May 2008 400k Americans burned to death in fiery car wrecks for oil money.

3 May 2008 "Mission Accomplished" is the "Gasoline Holocaust".

3 May 2008 "Gasoline Holocaust". Is an Israel Jewish Holocaust of 2008

3 May 2008 Hospital ship Aircraft Carrier and the ElectricWindmillCar would End War on Earth. 700 New model 2008 Super Shuttles that can be docked together like a train will propel Humanity into Light Year Travel. This will put an End to War Toy Aircraft Carriers bought by the Pentagon while the Presidents of the USA are tossing gasoline bombs at SUV's on the streets of the USA for more oil money. USS George H. W. Bush Nimitz class aircraft carrier and the famous Mission Accomplished banner on the USS Abraham Lincoln. Pentagon was light years from the Universe they should have been living in. Rice and Obama hate "White Cops" I would say the Pentagon would hate "NASA" if NASA had 700 New 2008 model Super Shuttles, as the Pentagon would be bankrupt as a war machine. Hospital Ship Aircraft Carriers would be the fatal conversion to kill off the Pentagon from Earth. Alpha Centauri 4.3 light years from Earth. "Mission Accomplished" his "Gasoline Holocaust". "Mission Accomplished" should be the windfall profits and spin off inventions from the ElectricWindmillCar. Psychotic Bush killed off the ElectricWindmillCar Mission Accomplished banner for his Mission Accomplished banner on the USS Abraham Lincoln aircraft carrier. Pentagon talks about the mental health of troops coming back from Iraq after killing people in cold blood. Killing of the ElectricWindmillCar by a Psychotic Bush created a Holocaust more merciless than the WW II Holocaust of gassing Jews in concentration camps. More merciless than the WW II Holocaust of gassing the Jews because today Israel and the Jews are also tossing gasoline bombs at SUV's on the streets of the USA and all around the world. The government of Israel is fully participating in the worst Holocaust in History, the Oil Holocaust. Bill Gates killed millions of HS inventors; Jews killed 1 billion people who would have been inventing something from 1980 to 2008. The Oil Holocaust Era. Gravity and Memory inventions have only been theorized by elite MIT professors from 1980 - 2008 instead of given to the masses of High School and University students because of this Gasoline Holocaust Worldwide. UN debated Israel in public while in private the UN Observers watched 1 billion people drink dirty water, get sick as hell and die while they suppressed clean water from the free electrolysis accessory in your ElectricWindmillCar. This is the one invention we know, there are millions of other inventions the UN member nations lost for humanity while profiting from the Gasoline Holocaust. 25 Million dirty Mexicans not only got into the USA because of Mexican Oil but got sick Little kids like the one in the picture above in Day Care got Hepatitis and Measles, etc from dirty Mexicans. Then these 25 million Mexicans killed cops, raped women, will total immunity from the Bush government. Statistics were suppressed from the Front Page of the New York Times if they were ever published gringos would have burnt down the White House. Sick is what Bush is. Bush burned Americans in gasoline, gave them Mexican nannies to get their kids sick, sick for life with Hepatitis B. All this knowing the statistics, and the one thing besides the fiery car wrecks you don't see any more on Nightly News. The statistics from importing 25 dirty Mexicans into the USA, hell this would be covered in Elementary Schools in the USA if the Mission Accomplished was an Hospital Ship Aircraft Carrier not War Toy Aircraft carriers for Pentagon Generals to play war games with. Universe is off limits long as we have the Pentagon. Newspapers had covered Germany's persecution of Jews in the 1930s, and stories about mass executions of Hungarian Jews appeared in 1944. New York Times has known about the Gasoline Holocaust from 1980 - 2008. Newspaper reporters in Boulder, Colorado tore up the poster of the cop burnt in gasoline pictured above. Hitler's regime didn't have hidden cameras in your living room; Bush government has hidden cameras in your living room, in my living room. Bush government can stifle statistics of those burned and burned to death in fiery car wrecks, from the front pages of the New York Times while ordering the New York Times to publish false stories. Worldwide statistic of those burned in gasoline, given Hepatitis B, Measles, TB when world leaders could have prevented this instead they caused these diseases and violent criminals, because they are psychotic from the Gasoline Holocaust Era. U.S. Holocaust Memorial Museum is being celebrated in the Nightly News and Internet News while some cop and kids flesh are sizzling in a fiery SUV crash. U.S. Holocaust Memorial Museum was conceived and built and propaganda written white Bush was tossing gasoline bombs at SUV's driving down the streets of the USA. Henry Greenbaum, 76, survived Auschwitz - gave a speech yesterday about Auschwitz did not mention the ElectricWindmillCar being suppressed from 1980 - 2008, the millions around the world burned in gasoline, the \$ 1 Trillion Israel and the Jews have made from Oil between 1980 - 2008. Sick Jews, Sick Mexicans, then we have Rice and Obama who hate "White Cops"... Obama's minister would give you a sermon why Rice and Obama hate "White Cops". Mexicans hate "Gringos" Holocaust Memorial news was written By Rosalind S. Helderman Washington Post Staff Writer. DC madam committed suicide yesterday. Bush in hand and hand with the Saudi King, did both these guys buy prostitutes from the DC madam? The King of Saudi and all the Princes in Saudi Arabia, Kuwait, and United Arab Emirates certainly bought millions of American women into prostitution during the Gasoline Holocaust Era from 1980 - 2008. Bush walking hand in hand with the King of Saudi Arabia knew the DC Madam, what he didn't know is she would hang herself. Now what all of us don't know is who will hang Bush and the King of Saudi Arabia for creating the Gasoline Holocaust. I hope its NASA rocket scientist who these 2 guys screwed out of 700 New Model 2008 Super Shuttles that can be docked in orbit like a train. Or White House women who watched 40k women die of breast cancer every year Bush was President who want to hang the decadent Yale Graduate who failed to rescue women and the World from cancer so he could invade Iraq. Bush spent the \$5 Trillion dollars for a miracle overnight breast cancer cure on the Iraq War. Can Yale take away Bush's degree for this failure in life? Breast Cancer Holocaust. Grandma leaves three kids in hot locked car in KEY WEST, they die Grandma is arrested not Bush and Yale colleagues who suppress the Climate Control accessory in your ElectricWindmillCar. Kennedy drove off a bridge drunk on Coors, left his girlfriend in the water to drown. Kennedy has \$435 million dollars. Maybe she was just a prostitute from a DC Madam. Kennedy failed to rescue women too. If Kennedy and Bush would have become Polygamists I think they never would have gone along with

the suppression of the ElectricWindmillCar, and its Gasoline Holocaust that mushroomed into the worst Genocide in the History of the World. I will become a Polygamist, work on getting a cure for breast cancer that works overnight, so MD's at Yale Medical School have no chance in Hell of suppressing it with another President of the USA who graduated from Yale. The ElectricWindmillCar was invented between NCAR and CU Campus and this year's graduation May 8th the graduation speaker is going to be an ex-boss of Wal-Mart. You would think CU could have gotten one of NASA Rocket Scientists to give an Orwellian read between the lines graduation speech for the students who will find out they were tortured for the last 4 years, by Bush walking hand in hand with the King of Saudi Arabia not caring about a DC Madam hanging herself while they enjoyed the mist of the worst Holocaust in History. Breast Cancer Holocaust and the "Gasoline Holocaust" by Bush and the King of Saudi Arabia. While you spent the last 4 years in classes, taking test. Inventing no ElectricWindmillCar spin off inventions. Learning no statistic about dirty Mexicans with Hepatitis B and murder in mind. While you spent the last 4 years in classes, learning nothing about the New Holocausts by New Psychotic Madmen... Bush, Kennedy, McCain!

26 April 2009 Jews and Blacks killed 40k USA women via breast cancer in 2008

26 April 2009 Jewish UN Ambassadors finally defeated by the ElectricWindmillCar Coup Leaders will be hanged by the NYPD at the UN for letting a Psychotic Bush toss gasoline bombs at cop cars since 1980. Never mind Bush spending \$ Trillions on Israel when 40k American women a year died from breast cancer. Did the Jews complain about so many women dying from cancer, no! Rev. Sharpton and Obama's Reverend never complain about 40k white women dying every year since Cater was President from breast cancer. At age 99 Dr. DeBakey; a former Army surgeon who conceived of the mobile surgical unit MASH got a Medal from Psychotic Bush. Every year Dr. DeBakey worked as a MD 40k women died of breast cancer. 70 years time 40k and Dr DeBakey kept the status Quo by limiting the number of students getting into Medical School. Pentagon converted to a State of the Arts Medical School is the only way for women to get their revenge! Revenge by all those burned in gasoline will be to give them Katie Courics job, let them report the Nightly News about the suppression of the ElectricWindmillCar from 1980 to 2008. Chairman of the Joint Chiefs of Staff Adm. Mike Mullen accused Iran on Friday of spending its oil money to train an Army and to buy Nukes. Adm. Mike Mullen at a Pentagon news conference didn't accuse anyone in the US Government of killing 40k women with breast cancer. 4K Marines do not add up to 40k Women. Yet 100's of Generals and Admirals think nothing of killing them all by spending the \$5 Trillion dollars for a Manhattan Project to find a breast cancer cure on war toys and promoting Black Males to join the Army. Pentagon converted to a State of the Arts Medical School is the way it will be after women get their revenge on the Generals. Gang Rape by Football Players at CU and every University revenge for women will be a new State of the Arts Medical School built over the University Football Stadium! For killing so many women year

after year after year. SAN ANGELO, Texas - Dozens of mothers from a polygamist retreat of the Jesus Christ of Latter Day Saints Mormon sect were bused away from their 434 children Thursday, The church's leader, Warren Jeffs, was convicted and in police custody was tortured. Now the same State of Texas employees who live in Our Oil Genocide Era, who have \$ millions of dollars extra to live on because some cop in LA burns in a fiery car wreck today have put 434 kids in danger in foster homes. (Schwarzengger was on the Jay Leno show last night talking about hydrogen cars seeing Leno has one on loan to drive around LA and parks it at his Beverly Hills home. Leno did not do his famous joke about your flesh sizzling in gasoline flames in your fiery car wreck on the LA freeways!) The FBI Observer in this Orwellian Society know the statistics on how many boys will be raped in foster homes, how many girls will be raped in foster homes. Yet the FBI will not protect these 434 kids. This is a crime by the FBI in a hidden camera society. Yes even the FBI gets more money \$ to live on in an Oil Genocide Society as a perk from Texas and Saudi Oil men to go along with the suppression of the ElectricWindmillCar. I would order the FBI to but hidden cameras in every one of the Foster Homes and let the FBI employees watch the monitors 24/7. Some psychotic government worker in Texas has forgotten the ElectricWindmillCars suppression is the only reason why Texas can take 434 kids away from mom. These Polygamists wife's should be the Goddess of Inspiration for the kids and their Husbands. Hell the Pentagon, and the Texas government employees have let 40k women die from breast cancer every year since 1980 when the ElectricWindmillCar was invented its about time the Polygamists were given a change to get a overnight miracle cure for breast cancer. I think these Texas State Employees are spending their extra Oil Genocide Era money on vacations in never, never land instead of working on 1,001 invention projects. Polio cases have nearly doubled this year in the West African nation of Nigeria, because Nigeria's Niger's take a vacation in never, never land USA with their Oil Genocide Era Money. They gave up on "inventing something" because they have enough oil money. State Lottery is a lot easier than "inventing something". And the State of Texas and Colorado hires some huge NYC PR firm to make the most dramatic Lottery Commercials ever. So why work on "inventing something". Feds in Key West close a sand bar created from the last hurricane instead of naming the Sandbar Invent Something Sandbar. Besides spending \$5 Trillion of our Wives Manhattan Breast Cancer Project the Feds have no sense of "inventing something". This is the same mentality of Dr DeBaakey, limiting the numbers of students admitted to every Medical School in the USA to keep the status quo of MD's. Pentagon converted to a State of the Arts Medical School, hang 100's of Generals and Admirals for crimes against women with breast cancer. Then put the Generals on trial for Treason, for not exposing the suppression of the ElectricWindmillCar by a Psychotic Bush! Who has spent the last 8 years tossing gasoline bombs at SUV's on LA Freeways and stifling me Greg Buell from getting a miracle cure that cures breast cancer overnight, like the ElectricWindmillCar did in 1980 to the Oil Embargo when Carter was President of the USA.

23 April 2008 Pope Benedict XVI

23 April 2008 Pope Benedict XVI 81st Bday celebrated same as he did his 18th as a 'Hitler Youth' member in a Nazi Society. Our Orwellian Hidden Camera Society is our 2008 "Nazi Oil Genocide Society". Pope is a member of the 'Nazi Oil Genocide Society' and has taken \$100 Billion in Oil money bribes for his Church.

23 April 2008 Pope Benedict XVI 81st Bday celebrated in NYC in an Oil Genocide Era run by the USA Government.

23 April 2008 Pope Benedict XVI could have prevented 9-11 by exposing the suppression of the ElectricWindmillCar.

23 April 2008 Pope Benedict XVI How can live with knowing he could have prevented 9-11 but didn't?

23 April 2008 Pope Benedict XVI has spoken out about growing up under the "monster" of Nazism.

23 April 2008 Pope Benedict XVI tormenter torturer of millions burnt in gasoline since 1980

23 April 2008 Pope Benedict XVI 100's of kids left in hot cars, Pope kill then all left in hot cars.

23 April 2008 Pope Benedict XVI lost Humanity getting the cure for cancer in 1981

23 April 2008 Pope Benedict XVI hepatitis B from dirty Mexicans infected a million gringo kids.

23 April 2008 Pope Benedict XVI has not spoken out about Mexicans killing 1 million Gringos, but on the other hand the Pope makes NY Times headlines for 1 Bishop killed in Iraq.

23 April 2008 Pope Benedict XVI has not spoken out about the "Oil Genocide Nazis" The Texas and Saudi Oil Men

23 April 2008 Pope said his teenage years had been "marred by a sinister regime".

23 April 2008 Gasoline Regime that has infiltrated the Vatican, given \$100 Billion to the Vatican Bank.

23 April 2008 Saudi Sex slaves are paid "peanuts" compared to what the Pope got.

23 April 2008 Pope knows about the Saudi and Texas Oil men's sex slaves and prostitutes and has not spoken out.

23 April 2008 Pope didn't say his 81st BDay was marred by a Psychotic Bush suppressing the ElectricWindmillCar!

23 April 2008 Pope was a Hitler Youth member as a teen, USA teens are "Orwellian's" far worse as they torture and torment you hidden behind hidden cameras.

23 April 2008 Pope Benedict XVI in his Hitler Youth Era with Hidden Camera would have tortured anyone who was against Hitler's War... Today Youth in our USA society torments anyone against the Pentagons war and war toys spending, even when their parents die of cancer that gets "peanuts" compared to the Pentagons \$5 Trillion dollars for war and war toys. MIT leads the way in profiting from the Pentagon's war toys.

23 April 2008 Teens in Boulder Colorado were at the Farmers Market on Saturday laying in wait for me, to harass me for not massacring women + kids in Vietnam. Mexicans and some white HS girls.

- 23 April 2008 CIA brainwashed MIT and at the same time suppressed the cure for cancer and even the statistics of cancer during the 8 years of Bush.
- 23 April 2008 Pope condemned pedophile Catholic priests.
- 23 April 2008 City of Boulder sucks up to Pedophile's fags who are protected and promoted by the City of Boulder, Colorado.
- 23 April 2008 No Priests in Boulder Colorado ever confessed, and I would guess they are still molesting boys today.
- 23 April 2008 Pope deserted the German army towards the end of the war and was briefly held as a prisoner of war by the Allies in 1945.
- 23 April 2008 Nazis "As their influence grew, infiltrating schools and civic bodies, as well as politics and even religion, before it was fully realized for the monster it was," he said. "It banished God and thus became impervious to anything true and good.
- 23 April 2008 Our Orwellian Society is a clone of Nazism. Nazism with hidden cameras and Orwellian Youth willing to torment anyone who wants to travel to Alpha Centauri 4.3 Lt. Yrs. Away.
- 23 April 2008 Texas oilmen wined and dined NASA's Top Brass and they sold out NASA for a bribe and some personal perks. NASA lost 700 New Super Shuttles since 1980 by their bosses at NASA sucking off Texas and Saudi oilmen.
- 23 April 2008 Gas, Nazism used gas on people, 100's of Pentagon Generals let Bush toss Gasoline Bombs at SUV's driving down the street then the Nightly News suppress this interview in favor of the one where the 1 in a million the cancer person with 1 in a millionth chance gets cancer free. No mention of the 40k who died this month from cancer. The counter is broken, the CIA broke the cancer counter, and it's only allowed for burgers in this society.
- 23 April 2008 9-11 would have been prevented by the Pope, if he would have exposed the suppression of the ElectricWindmillCar!
- 23 April 2008 100's of Pentagon Generals could have won the Iraq war by exposing the ElectricWindmillCar! 4,000 Marines died for nothing in Iraq, as the ElectricWindmillCar will bring home the troops overnight.
- 23 April 2008 Warner Bros Japan will hold the Japan premiere for "Speed Racer", using the world's largest screen, at Tokyo Dome on June 29. Warner Bros said the massive screen will be 7.45 meters tall and 37 meters wide.
- 23 April 2008 "Speed Racer", is me Greg Buell getting an overnight miracle cure for breast cancer.
- 23 April 2008 Fired by the CU Bookstore, they stifled the inventor of the ElectricWindmillCar. Nazism has infiltrated City Hall and CU Bookstore, these Observers have hidden cameras to hide behind, can you imagine. Pope as a teen Nazi watching others on hidden cameras, he would have to live with the memories of torturing people while hidden behind hidden cameras as he would have tortured me, Greg Buell same as the HS kids at the Boulder, Farmers Market. Marines in Iraq have raped and killed 100k 14-year-old girls. Rape as a weapon of War is a book in the CU Bookstore.
- 23 April 2008 CIA Torture is pouring gasoline on a family of 4 in their SUV.
- 23 April 2008 Bush orders the CIA and Generals to set them on fire, in their SUV
- 23 April 2008 Can you imagine the CIA and Pentagon Generals on Court TV defending their letting so many millions burn and burn to death in gasoline, obeying a Psychotic Bush!
- 23 April 2008 Pope Benedict XVI has known about the invention of the ElectricWindmillCar since its invention in 1980, When he addressed the UN he complained but didn't expose the suppression of the ElectricWindmillCar publicly. Pope knows 1 billion people will get sick as Hell from drinking dirty water in 2008; many will die when they could have clean water from the "Electrolysis" accessory on the ElectricWindmillCar. Pope knows the ElectricWindmillCar will be climate controlled so no kids left in hot cars will die. Pope grew up as a teen under the Nazis without hidden cameras in his living room, I Greg Buell have had hidden cameras in my living room since 1979, and Oil Genocide Observers stalking me, spitting on me, stifling me from getting an overnight breast cancer cure since 1980 and in 2008 it's worst. I have 100's of cell phone pictures of Observers and 1k license plate numbers. All just from Observers behind the cameras in Boulder, Colorado harassing me in this Oil Genocide Nazi Society. Dirty Mexicans with Hepatitis have infected more Gringos than Marines killed in Iraq, yet there is no memorial. There is no Memorial for the 40k women a year who Bush killed by starting a war with Iraq instead of starting a Manhattan Project for Breast Cancer. \$5 Trillion for Breast Cancer will only happen in this Orwellian Society when the Pentagon is converted to a Medical School. All the University football stadiums will also be converted to state of the arts Medical Schools. No Black MD will ever be allowed to pass when he really failed at these New Medical Schools. 4.3 Light year travels are over the head of 100's of Pentagon Generals. West Point taken over by NASA will produce top of the line Rocket Scientists, who will work on Gravity Rockets. West Point never gave society a Rocket Scientists; society was never able to appreciate Rocket Scientists. ElectricWindmillCar is only the 1st Perpetual Motion Machine. The Gravity Engine will be the second, the 3 is out there too. Among the 10's of thousands of Galaxies suppressed by a Psychotic Bush!
- 19 April 2008 CBS Katie Couric lives in an Oil Genocide Era

19 April 2008 Need protection from a post oil genocide era

19 April 2008 Texas will be sued for "all" burnt in gasoline

19 April 2008 Texas will be sued for the Polygamists kids

19 April 2008 Katie and her Bosses thrive in a oil genocide era

19 April 2008 CBS viewers are stifled in this oil genocide era. You should be watching Katie Couric interviewing people about their brainstorming a cure for breast cancer, gravity control, total recall memory pill, 1,001 other invention projects. In a Post oil genocide era there will be a CBS anchor women with these interviews. Stifled - you have been stifled out of everything by Katie Couric and her Bosses. Even the hard drive with no moving parts has been stifled by Seagate's Top Brass for the last 10 years so they can sell you old technology. Now in a bold move Seagate is suing the makers of the new solid state hard drives with no moving parts. Even Toshiba could have sold you a HD DVD with no moving parts but the Top Brass at Toshiba did not want to make a DVD with no moving parts. Bill Gates not only stifled HS kids he killed millions of HS inventors for money. This is just the tip of the iceberg. Dr. Catherine D. DeAngelis, editor of the Journal of the American Medical Association (JAMA). This week said, articles in JAMA say Merck not only conducted its own studies on the pain pill Vioxx, it also hired a company to ghostwrite reports for medical journals which were stated as being written by scientists, but weren't the Medical Journal articles were made up stories. The Icebergs is MD's who fail medical schools, mostly Black MD's aren't written up by Dr. Catherine D. DeAngelis, editor of the Journal of the American Medical Association (JAMA) for killing and harming millions of their patients since 1980 because of government control of everything in this Oil Genocide Era! IBM has had software for years that can crunch malpractice in your treatment and diagnosis yet the governments top brass stifle IBM from selling this software to the FBI or Justice Department. FBI and the Justice Department also live in an Oil Genocide Era. They have broken the law of Genocide since 1980 when the ElectricWindmillCar was invented and suppressed by Carter, Kennedy, Reagan, Bush, Clinton, and Bush. Day 4 of the Pope's visit to the USA he told the UN the Oil Genocide Era will get them all hanged and get the UN put out of business. The next UN will be the Universe Alliance, UA. Post Oil Genocide Era for the UN will be the UA. 9-11 visit by the Pope - Yes the Pope could have prevented 9-11 by exposing the suppression of the ElectricWindmillCar. The Pope should hang, but what really counts for the Pope who lives in a Oil Genocide Era is Hell. Hell is full of burning gasoline and the Pope will burn in Hells gasoline forever. God will torture the Popes brain waves, his consciousness for the Pope for letting all the kids burn in gasoline. A Galaxy Named Hell exists! This is worst than the Priests molesting kids; this is Priest, and Popes letting some little Lucy or John David not Nancy Graces but some other woman's Lucy and John David's burn in gasoline today. For more oil money for Texas. Katie Couric's 2 little girls have burned to death in gasoline many times since the invention of the ElectricWindmillCar.in 1980. No one from Texas is protecting these kids. In fact the Texas State Employees that are prosecuting the Polygamists Kids are getting perks from our Oil Genocide Era. Polygamists Women should play the role Model of Goddess of Inspiration + Inventions for their Husband and Kids. Not tortured by State Government Workers who live in an Oil Genocide Era who stifle even the cure for breast cancer. Iraqi Commanders know the ElectricWindmillCar would bring all the troops home overnight. Just like the overnight miracle cure for Breast Cancer. Same Top Brass gave you Black MD's who never passed Medical School. Ephedra is the best Appetite Suppressant, yet the government took it out of Vitamin Cottage without giving us another diet pill that works. Millions burn in gasoline yet the oil genocide era is not taken off the market. Millions get and die from diabetics from gaining weight. This government of the USA is the worst genocidal government in History. Our current Oil Genocide Era Government is responsible for millions of deaths. This is far worst than the Jewish Holocaust and to add insult to injury Israel is profiting from Oil. Going along with letting everyone burn and burn to death in gasoline. Lucy and John David Nancy Graces new twins, Katie Couric's 2 daughters. This kids were burn and burn to death by the Jews going along with the suppression of the ElectricWindmillCar. 400 kids at the Polygamists compound, compound this by millions and this is how many have been burned and burned to death in our Oil Genocide Era that Katie Couric lives in!

12 April 2008 Gen. Petraeus task, is to let kids burn in gasoline

12 April 2008 Psychotic Bush ordering Generals to Kill Americans

12 April 2008 Petraeus, all Pentagon Generals following Orders!

12 April 2008 100's of the top Pentagon Generals are following Orders from a Psychotic Bush to let cops and kids burn in fiery car wrecks for more oil money for Texas and Saudi Oil Men. At their trial in DC the Pentagon Generals will plead Guilty. Hang for the worst Oil Holocaust in History! 4k Marines killed in Iraq by Gen. Petraeus have died for nothing; this will be on Gen Petraeus tombstone. 58k Names carved in stone for Vietnam will be destroyed, replaced by the names of millions of cops and kids killed by crazy Pentagon Generals following orders from a Psychotic Bush. Carter plans to visit Israel, to tell the Jews the Gasoline Holocaust will destroy the state of Israel, so prepare for the end of Israel when the ElectricWindmillCar's coup takes place. Carter was the President of the USA in 1980 when the ElectricWindmillCar was invented, Carter was seduced by Kennedy to suppress it and let millions of Americans burn and burn to death in fiery car wrecks. Carter does not watch the fiery car wrecks, none of us do as Bush told Katie Couric and the rest of the Nightly News staff to not report the fiery car wrecks. This is documented in our Orwellian Society in a Presidential Order hidden behind the hidden cameras. Carter, won the Nobel Peace Prize in 2002, Sweden has taken \$100's of Billions in oil bribes to let cops + kids burn and burn to death in fiery car wrecks. Nobel is a scam even given to CU here in Boulder, Colorado as a perk for letting people burn in gasoline. China is mad as Hell about the Tibet protesters, because as a perk for China's going along with the worst oil genocide in History it got Tibet, via Bush. This is also documented in our Orwellian Society. Behind the hidden cameras. Guns were used in nearly half of the slayings of violent deaths, 75% of those killed by men were women. Little, no progress has been made in the last 8 years of Bush, as he is too psychotic to even care to save the lives of these women. 40k women died every year for the last 8 years of Bush via Breast Cancer, the White House MD made more than some Texas Oil men treating Breast Cancer, as this is a scam to treat breast cancer not cure it. This is the one reason I'm held in isolation in Boulder, Colorado not allowed to brainstorm an overnight miracle cure for Breast Cancer, find the "windmill" like I did in 1980 during the oil embargo. Hell even the CU Bookstore fired me via orders from Observers just so I didn't get any inventions! Conference on World Affairs is here in Boulder, Colorado again for the 29th time since I invented the ElectricWindmillCar in 1980. Bush, Chaney, McCain, Kennedy all killed millions of Americans since 1980 and even in just the last 8 years. Generals and the CIA know full well they live in the worst genocide in History! Profits for the Generals were the perk of the Iraq war when the ElectricWindmillCar would have Bankrupt all Moslems. Iran is using its Oil Money to build Nukes; it would have been bankrupt in 1980, along with Texas Oil men. This was the trade off. Sickest Orwellian Society ever and its protected by Pentagon Generals. CIA interrogation methods tortured Iraqi's to death; 14-year-old girls were raped and murdered by Marines as the CIA used rape as a weapon of war. British troops hit one Iraqi 93 times before he died of torture, you can imagine 93 or 930 others were also tortured to death by the British troops in Iraq. British Petroleum - BP - Conoco burned and burned to death many more Americans driving down the streets of the USA so the Queen of England can toast with Bush - "Let them eat cake, Let them burn in gasoline, were addicted to oil money" This is a actual toast behind the hidden cameras in our Orwellian Society. The Non-Orwellian Kennedy lambasted what he described as "yet another astonishing disclosure about the Bush administration and its use of torture." Who would have thought that in the United States of America in the 21st century, the top officials of the executive branch would routinely gather in the White House to approve torture?" Kennedy said in a statement. "Long after President Bush has left office, our country will continue to pay the price for his administration's renegade repudiation of the rule of law and fundamental human rights." Kennedy has been tossing gasoline bombs at SUV's on the streets of the USA since 1980 as I meet him in 1979 and he started using hidden cameras to watch me in my living room, this is how he happened to video tape me brainstorming and getting the ElectricWindmillCar in 1980. Instead of giving it to the public during the Oil Embargo he made deals that lead to millions burning and burning to death in fiery car wrecks and now we have the worst genocide in History via Kennedy and Carter. Dalai Lama is just one of millions who have gone alone with letting so many burn and burn to death in fiery car wrecks, I will ask the ElectricWindmillCar coup leaders to hang the Dalai Lama. Buddhist in Boulder Colorado are really terrorists as they aid the Texas and Saudi Oil men and profit form going along with the suppression of the ElectricWindmillCar and stifling me Greg Buell from brainstorming the overnight miracle cure for Breast Cancer here in Boulder, Colorado. Kuwait, Bahrain, United Arab Emirates, Saudi Arabia have spent \$25 Trillions dollars on their citizens while Bush and the Pentagon have been tossing gasoline bombs at American Citizens. White House MD's have killed as many Patients as fiery car wrecks have. Interest from all this oil money has infected everyone. Coors will start selling its Beer on Sundays in Boulder Colorado as part of its perk to go along with the worst oil genocide in History. The Gov of Colorado will sign the bill allowing Coors to sell its Beer on Sundays next week. Kennedy drove off a bridge drunk leaving his girlfriend to drown, this is how the oil genocide started, as if he was not a Kennedy, Kennedy would have been convicted of manslaughter and gone to prison. In Our Orwellian Society Kennedy's get away with Murder and Rape, the other Kennedy who raped a girl is now a MD... grin. Goes alone with the White House MD's scam of treating breast cancer while at the same time preventing me Greg Buell from brainstorming an overnight miracle cure for Breast Cancer. Imagine the 1 Billionth ElectricWindmillCars coming off the Toyota assembly line on John Lennon's B-Day. 2008 - This and a Universe of 10k galaxies pictured above has been lost by Pentagon Generals obeying orders from a Psychotic Commander in Chief, a CIA that pours gasoline over prisoners (American Citizens driving down the road) and sets them on fire for a Psychotic Bush! CSI NY will have a whole season of NYPD and 9-11 as a documentary of our Oil Genocide. Two NY Governors spent their oil genocide bribes on highflying Call Girls. Texas government workers have taken away 400 kids from a polygamists compound when Texas Oil men gave birth to the worst genocide in History. Elton John and Ellen Degenerate both molest kids yet Hillary Clinton will not expose this. Hillary a person of trust will not turn in Orwellian child molesters. Instead she sucks up to Elton John and Ellen Degenerate on TV. CSI another CSI, I think it's called Law and Order Special Unit, will document Hillary Clintons knowledge of fags molesting kids, as she will only admit it when impeached like her husband. Jay Leno jokes about fags molesting kids could cover many more than just Michael Jackson. 24/7 web cam on the next President of the USA. 24/7 I will be working with many wives when the Observers come out from behind the hidden cameras and let me finally get the long awaited overnight miracle cure for Breast Cancer! May the Generals wife's put off getting breast cancer until I'm freed - grin!

- 5 April 2008 ElectricWindmillCar coup leaders will recall Vista
- 5 April 2008 Inventor of the ElectricWindmillCar will write a new OS
- 5 April 2008 1,001 invention projects will be included with the OS
- 5 April 2008 OS will be named "Inventors" to promote inventing
- 5 April 2008 Breast Cancer Cure will be #1 of 1,001 invention projects
- 5 April 2008 Bill Gates has the Breast Cancer Cure last, Why?
- 5 April 2008 Bill Gates is infected with Texas Oil Men's Greed!
- 5 April 2008 Old, very old Barbara Walters is infected too
- 5 April 2008 1980 Barbara Walters hid the ElectricWindmillCar
- 5 April 2008 "View" TV show, 40k women killed by Breast Cancer

5 April 2008 "Windmill" for the cancer cure stifled by "View" TV

5 April 2008 ElectricWindmillCar coup leaders will recall Vista, recall the years 1980 - 2008 the "Oil Genocide Era" brought to you by Carter, Reagan, Bush, Clinton, Bush and 1 million "Observers" like Katie Couric, Barbara Walters, Regis and Kelly, Jay Leno... etc. Jay Leno jokes about the "View" TV show, its 5 women screaming all at the same time non-stop. Well Barbara Walters spit in someone's face. Literally and figuratively she is only one woman but acted as a "Pride" of women Lionesses obeying the "Male" Gen. Orwell or President Orwell who ever is "Top Gun" in the USA's Orwellian Society. This behavior caused the worst "Oil Genocide" which now is the worst "Genocide" in History! "View" TV show and "Vista" OS both and a million others will be held libel for the worst Genocide in History when the ElectricWindmillCar coup leaders successfully expose the suppression of the ElectricWindmillCar since 1980. Super model mad as Hell spitting at those trying to calm her down. Not the same thing as the Inventor of the ElectricWindmillCar spitting in the face of those who have suppressed the ElectricWindmillCar since 1980 and to make this an even worst Genocide than the worst one in History I could have gotten a Cure for Cancer in 1981. OS, Operating System like Vista should have been recalled back in 1980. Bill Gates sucked off Texas and Saudi Oil men in 1980 when he found out they could successfully suppress the newly invented ElectricWindmillCar. Breast Cancer Cure for 1981 was not one of Bill Gates invention projects, he wanted to be as rich as the Texas Oil men, and could only pull this off with the successful suppression of the ElectricWindmillCar and its inventor. As I would have had the power to write a free OS and of course name the OS "Inventors" even way back in 1980. Other invention projects of mine, Drug Discoveries like Total Recall were even stifled by Roche of Switzerland 20 years after the invention of the ElectricWindmillCar. Switzerland is part of the worst Genocide in History. Hang every UN Ambassador since 1980, anything might happen. French Revolution was over "Let them Eat Cake", today the gasoline revolution will be over the President of the USA toasting "Let them Eat Cake, Let them Burn to death in gasoline, We are addicted to Oil Money \$\$\$". Pope and the Pentagon were both bribed with Oil Money and perks to let millions around the Globe burn and burn to death in fiery car wrecks. Clintons made \$100 Million since 2000. \$100 Trillion has been made off "Oil" since the invention and suppression of the ElectricWindmillCar. Clinton's and a million other Governors, Mayors, etc have Swiss Bank accounts that hold their bribes. Billions in Oil Money has been spent on women Prostitutes. No one chased after a cure for breast cancer. Chase Bank were I bank, everyone knows about the ElectricWindmillCar. Polygamist lifestyle has been excluded from the acceptable lifestyles in the USA. Yet millions of women have been murdered by their husbands and lovers. With no end in sight to these murders. Nance Grace has job security for the next 50 years, as no one is Chasing after a cure to stop these murders. I would promote a polygamist lifestyle; count the dead wife's after 10 years. Compare the statistics to the current statistics of husband wife killings. Better than not chasing after a cure. Better than most of the current acceptable lifestyles in the USA now. Millions of Men who earned their windfall profits from Oil or Software spend it on millions of Prostitutes. This is not a lifestyle that helps women. Playing a Goddess of Invention would be a role model that benefits women. CEO's of Boeing, Intel, IBM don't Chase after any social invention that will stop the wife from being murdered. GM CEO in the news wants Hydrogen gas stations, when you can get free hydrogen from the electrolysis accessory in your ElectricWindmillCar. Our Orwellian government deposited something in his Swiss Bank account for him to say this in the news. \$100 Trillion in oil money can buy a lot of bribes, and the Swiss will accept all the Oil Genocide Bribe money with no questions asked. Britain admits its troops abused Iraqi prisoners, hitting one 93 times before he died from being tortured. CIA does not torture Iraq men and women by pouring gasoline over them and setting them on fire. But the Directors of the CIA and FBI in DC know Americans will burn and burn to death in fiery car wrecks every day of 2008, for more oil money. 4,000 dead Marines in Iraq for nothing. ElectricWindmillCar will end the war and bankrupt Moslems overnight. Chasing after the cure for Breast Cancer that will cure a woman overnight is my #1 invention project. Bush or McCain will be the 1st President to Hang... ElectricWindmillCar coup leaders will probably hang more people than the Leaders of the French Revolution did. Bill Gates does not have a chance in Hell of keeping his illegal profits from Microsoft. 1,001 Invention Projects given to University students will cost more than the Pentagon's Budget. \$ Budget for 1,001 Invention Projects will be \$1 Trillion the 1st year. Start up cost will be just the beginning as we have a Universe to travel to and Old Psychotic Presidents of the USA vetoed travel to Alpha Centauri. Gravity satellite dish sucks in gravity to the gravity engine, pull and propulsion at the same time. One of 1,001 inventions we'll get out of University Students. MIT will no longer be a subsidiary of the Pentagon. Japanese protest the criminal behavior of US Sailors. Never again, as they will be drafted as "Inventors" and given a free Dell loaded with "Inventors" OS and 1,001 invention projects to get them started inventing. "View" TV Show and Jay Leno will be "Invention" orientation. We cannot coexist with war, with lifestyles that kill more than the 4,000 Marines killed in Iraq. 40k will be killed by breast cancer in 2008. Yet the Observers will not let me Chase after an Overnight Cure, long, as Bush is President of the USA. Long Time we wait for the ElectricWindmillCar coup leaders to hang them all! For the worst genocide in History!

1 April 2008 Next Cuba will be Puerto Vallarta, Mexico

1 April 2008 CU Students will be in their dorms on Spring Breaks working on 1,001 Invention Projects!

1 April 2008 Puerto Vallarta, Mexico, a CU student murdered in a robbery

1 April 2008 Next generation of students will be Inventors

1 April 2008 Not going to Mexico on Spring Break with the Herd

1 April 2008 Economic slowdown with 1 billion ElectricWindmillCars

1 April 2008 Wall Street and the Super Rich Oil Genocide Observers

1 April 2008 Men with \$500 million pay a prostitute \$5k occasionally

1 April 2008 I will make a list of these men and post it here ASAP

1 April 2008 Maria Shriver the American Idealists Wife knows them all

1 April 2008 Puerto Vallarta, Mexico, a CU student murdered in a robbery

1 April 2008 New York Governors were in the news for 2 weeks, not CU students!

1 April 2008 Daily Camera Newspaper was told not on the front page!

1 April 2008 CU student murdered by a Mexican is a Oil Holocaust killing by the ruling class promoting Mexico spring break instead of Inventors on campus

1 April 2008 4k Marines killed in Iraq, 40k gringos kill by Mexicans

1 April 2008 40k gringos killed by Mexicans, 4 million gringo kids got sick as Hell from dirty Mexicans in the USA. Hepatitis C will be a life long trial for thousands of gringo babies on the short end of the Super Rich Oil Genocide Observers. Who are these men... Bush, McCain, Kennedy, the ex-Governor of New York who has \$500 million in his checking account. Even after getting caught with a prostitute. Super Rich Oil Genocide Observers hide behind hidden cameras publishing 15 minutes of news about a CU student murdered in Puerto Vallarta, Mexico, during a robbery. Everone interviewed said this is just a quark, when it's not. Statistics are suppressed just like 1 billion ElectricWindmillCars. Those who will burn in a fiery car wreck are stifled even more than CU students killed on Spring Break in Puerto Vallarta, Mexico. 4,000 Marines have been killed in Iraq; Many times more Americans have been killed, murdered by Mexicans in the same time span. Super Rich Oil Genocide Observers know the facts and figures and suppress all statistics that would expose this Killing Fields supported by Super Rich Oil Genocide Observers! 4,000 Marines their widows got \$100k from the government the 40k Americans killed, murdered by Mexicans got nothing. But will when the Oil Genocide Oil Holocaust Era is exposed. Mexican Oil Men and the Mexican Government Oil industry will be held libel by a New ElectricWindmillCar American Government that is not killing its own citizens in Iraq and the USA via illegal Mexicans and fiery car wrecks. Super Air Bags on the outside of all cars and trucks will be for those killed by Mexicans and the Bush government. Our Super Rich Oil Genocide Observers are murderers just like the Mexican robber of the CU student except these guys have \$500 million and \$5 billion in their bank accounts. \$5.6 trillion to \$9.3 trillion is what Bush did to the Federal deficit since he took office, and this is in an Oil Genocide Era that took in \$25 Trillion dollars selling you gasoline. ISLAMABAD Pakistani 4 FBI agents wounded in a bombing. 100's in Pakistan are now Super Rich Observers buying 14 year old prostitutes thanks to the American government. This is sick, the Governor of New York buys prostitutes but the same Governor in Pakistan with his newfound wealth via the USA government buys 14 year old prostitutes in Pakistan. White House women are mad as Hell, they would pour gasoline over Bush and set him on fire if they could. And will if the ElectricWindmillCar coup leaders let them. Statistics behind the hidden cameras are not suppressed. ElectricWindmillCars are. Bush, McCain, and Kennedy suppresses 1 billion of them. If these guys can do this they can kill us all without batting an eye or a conscience. McCain is in the news promoting his military heritage. Pentagon will be bankrupt; West Point will be closed as a University when 1 billion ElectricWindmillCars are on the streets of Manhattan. Bankrupt homeowners are caught by guys who have \$500 million and \$5 billion who are more interested in buying prostitutes than what happens to someone in a fiery car wreck. Hell even the top brass at the YMCA sold their soul to the Super Rich Oil Genocide Observers. Pope sold his soul to the Super Rich Oil Genocide Observers who talked him into a Holy War against the Moslems. So hidden behind the hidden camera society we call our Orwellian Society the Pope is spending his time plotting War against the Moslems. This is out of the Middle Ages when the Kings and Queens did the same thing to the Popes mentality. Now they all can hide behind hidden cameras, give the New York Times and Katie Couric false stories with immunity. ISLAMABAD Pakistani 4 FBI agents wounded in a bombing. Many times more FBI agents have been burned and burned to death in a fiery car wreck since the start of the suppression of the ElectricWindmillCar in 1980. CIA behind the hidden cameras in our Orwellian Society are mad as Hell about Bush, McCain, Kennedy burning people in gasoline for more oil money. While the CIA has to protect these Super Rich Oil Genocide murderers. Britain admits its troops tortured Iraqi prisoners, hitting one 93 times before he died being tortured. Queen Elizabeth will not admit British Petroleum lets cops and kids all over the World burn in BP Conoco gasoline for more oil money. This is almost as bad as Bill Gates wanting more money from win98 and Office 2000 killing millions of Student Inventors. Super Rich Oil Genocide Observers are also Super Rich Software Observers. Those in Pakistan and Africa Bill Gates made rich are spending their new found wealth on 14 year old prostitutes. This is sick! The 1 million babies sickened by Mexicans with Hepatitis C will die of the disease eventually. The Bill Gates and Kennedy's could have promoted 1 Billion Student Inventors, who would never have visited Puerto Vallarta, Mexico, on Spring Break. They would have worked on 1,001 Invention Project in the CU dorms instead of going to Puerto Vallarta, Mexico. What the Super Rich Oil Genocide Observers promote is dicticated by their mentality. Right now their minds are on prostitutes. Millions of these guys with \$500 million dollar in the bank are addicted to buying prostitutes. They have no aspirations to find a cure for Hepatitis C, Malaria, breast cancer etc. Trillions of dollars have been wasted by Pentagon Generals on Iraq. When stars in the Universe are traveling at 3 million miles an hour. This type of behavior is criminal. McCain will be charged with treason and Oil genocide by the ElectricWindmillCar coup leaders. This type of behavior belongs to Mexican Murders who rob CU students on Spring Break in Puerto Vallarta, Mexico. Next generation of CU students will make Puerto Vallarta, Mexico, the next Cuba. Not by USA government laws but because the CU Students will be in their dorms on Spring Breaks working on 1,001 Invention Projects!

27 March 2008 4,000 dead in Iraq, Medal of Honor war stories by Bush

27 March 2008 40k dead breast cancer, Bush suppressing this War News

27 March 2008 A hero of the bridge collapse given a medal by Gen. Powell

27 March 2008 A sunrise ceremony at Arlington National Cemetery

27 March 2008 4 million cops, kids dead from Bush tossing gasoline bombs

27 March 2008 Gen. Powell given a Swiss Bank Account by Oil Men

27 March 2008 All the Pentagon Generals given \$ Billions in Oil Money

27 March 2008 Tomb Of The Unknowns is Breast Cancer + Burnt Cops

27 March 2008 700 Super Shuttles Blasting off if it weren't for Iraq

27 March 2008 Gen. War Stories without the ElectricWindmillCar

27 March 2008 Hero General with the Congressional Medal of Honor is not a true, war story, he killed 40k women with breast cancer by spending \$4 Trillion on Iraq and War Toys in one year. He filled gasoline bombs and gave them to President Bush to toss at SUV's on the highways of the USA killing American civilians for more oil money. This is how Gen. Powell earned his Medal of Honor, rest of the Pentagon Generals are in bed with Gen. Powell. New York Governor has \$500 million dollars and spends \$5k on prostitutes. His replacement New York Governor has group sex affairs with his wife and both use cocaine with sex. Hillary has not had sex with Bill Clinton since he got a blowjob under his White House desk. Leno was shocked at the Governors replacement. Leno can joke about your HMO but the terrible horrible deaths are from Black MD's who unlike the New Governor of New York works as a MD misdiagnosing diseases and treatment plans. Black and Blind Governor is a token Black just like Gen. Powell and Rice. Powell and Rice profited from Bush tossing gasoline bombs at SUV's full of white people. This is a hate crime by Powell and Rice, as they both hate white cops. Quest for water was lost by Powell and Rice for 1 Billion in Africa as they got \$1 Billion in a Swiss Bank to let 1 Billion in Africa die from dirty water when they would have been drinking the cleanest water possible from Hydrogen and Oxygen produced by the electrolysis accessory on your ElectricWindmillCar. Medal of Honor War

Stories by Gen Powell and the rest of the Pentagon Generals are like Hillary's war story about dodging sniper bullets in Bosnia. True story about Bosnia Niger's are they are working at Boulder Community Hospital in surgery serialization when I should be working there and working on medical inventions. I got screwed out of this job by local MD's who fear I will invent an overnight miracle cure for Breast Cancer and Cancer in General. This would kill millions of MD's around the country who scam cancer patients and Medicare out of \$450 Billion dollars in 2008. No MD in Boulder Colorado could live with me, Greg Buell getting the overnight miracle cure for cancer like I got the ElectricWindmillCar during the Oil Embargo of 1980. Hepatitis infections are tied to illegal Mexicans cooking and washing dishes at CU Campus dorms. I was blacklisted from the freshman dorms by the Food Service Supervisor for filing a complaint about the Mexicans taking a shit and not washing their hands, the Colorado Daily the local campus paper puts all kinds of crazy stories on in the campus press, but will not touch with one with a stick, grin. A diamond ring is a component in a device for producing and detecting single photons. Japanese astronaut Takao Doi experimented with a boomerang's performance in the absence of gravity and confirmed that it flies back much like on Earth. Emperor of Japan escaped hanging for WW II there is no way he and his family will escape the hangman for going along with the suppression of the ElectricWindmillCar from 1980 to 2008. Hiroshima was a giant fireball, Bush tossing gasoline bombs at SUV's on the highways around the world added up to a greater A Bomb than Hiroshima, and no one in Japan protested. Thousands of Japanese attended a protest rally in Okinawa against crimes by US soldiers. How about Oil Genocide and Oil Holocaust crimes by US Presidents. I will do a skit about this on my Jay Leno monolog when I start a monolog video. Like this End War News I will have a Jay Leno monolog in a video clip on this web page when the ElectricWindmillCar is on the streets of the USA and Japan. Doctors struggle to eradicate polio but run into parents who fail to vaccinate their children. Here in Boulder Colorado Leanin Tree Greeting Cards their CEO, owner lets the Mexicans refuse free flu shots; lets Mexicans get others sick as hell. Observers watching all this on hidden cameras are trying to get vaccinations mandatory, 1980 to 2008 is the time line for the suppression of the ElectricWindmillCar, if the same Observers who watched Bush toss gasoline bombs at American civilians are the ones trying to get vaccinations mandatory Hell will freeze over first. MD's don't want anything to do with mandatory vaccinations for the entire civilian population of the USA as they have already gotten out their Excel spreadsheets and know exactly how many \$ Billions they will lose over a life time. Texas and Saudi Oil men will have to pay back the \$12 Trillion dollars they stole from American civilians. Cops and kids burned in gasoline will push to Nuke Mecca for their pain from being burned in gasoline so they could get more American dollars. Swiss bankers will probably run into a real sniper Hillary Clinton made up. French Revolution beheaded millions who toasted... Let them Eat Cake, Let them Burn in Gasoline, We're addicted to Oil Money. McCain in the News Today said we have a moral responsibility in Iraq, he didn't mention the ElectricWindmillCar suppression or his Swiss Bank account of \$1.5 Billion, and yes torture is burning in gasoline. North Vietnam never burned any POW in gasoline. Yet McCain went along with burning civilians in gasoline. Torture has to be being burned to death in gasoline. In your expensive SUV adds insult to injury. The cars that went off the bridge collapse the government are discussing how much the widows will get. The cops widow will get a new grave at Arlington and \$1 Billion, to get even with McCain, Bush, Kennedy and all the Pentagon Generals. All the husbands who lost their wife to breast cancer by the neglect of Bush and the White House MD's will have to suck it in, take it like a man. Cheer like hell when Bush and the Pentagon Generals Hang for their crimes against American civilians!!!! Endeavor will land just in time to learn the Pentagon is buying NASA 700 new Super Shuttles - grin. Train to Alpha Centauri buy your ticket now. 4,000 dead in Iraq for nothing killed by the same Generals, McCain's, Kennedy's, Bush's, as those in the USA who Bush tossed gasoline bombs at successfully. 4,000 dead in Iraq for nothing! 9-11 with 1 billion ElectricWindmillCars in Manhattan, Hillary could have prevented 9-11 but the sniper got in her way. Bill jumped out of the way bumping the snipers shot of Hillary. Ha! The government employed sniper killed the ElectricWindmillCar on 9-11

21 March 2008 I will visit CIA HQ with 100's of cops + kids burnt in gasoline

21 March 2005 CIA missed the mark on torture by not burning people in gasoline

21 March 2008 We pledge not to repeat the waste of war - A scam from Tokyo

21 March 2008 Flame throwers used on enemy bunkers

21 March 2008 CIA let the King of the USA pour gasoline on American civilians

21 March 2008 To our King enemy bunkers are now SUV's on the streets of the USA

21 March 2008 Today 50k tanker trucks will leave the refinery's filled with gasoline

21 March 2008 CIA is the top partner in crime, oil holocaust with their Boss

21 March 2008 Boss is psychotic, completely insane suppressing the ElectricWindmillCar

21 March 2008 Schwarzenegger lets kids die in hot cars suppressing the ElectricWindmillCar

21 March 2008 Colorado lic plate # 711PHD 685KIJ 188HSP 326JZN Observers, some are psychotic as the Boss, stalk me, lay in wait to zoom toward me in their car, harass me for not massacring women and children in Vietnam. Me Lai was in the news couple weeks ago 502 civilians killed by troops in Vietnam in one hour. 711PHD woman observer from behind the hidden cameras in yellow knows she lets other Mom's kids burn and burn to death in gasoline. She worships King Orwell, the Boss of our Orwellian Society. Sick, she is sick as all the other troops who followed a mass murderers in WW II. As her Boss is tossing gasoline bombs at SUV's in the USA in front of the CIA and FBI. No one can stop this criminal behavior. Cops will protest outside CIA HQ some burnt over most of their body in the cop cars fiery rearend crash. Holding signs at CIA agents entering the parking lot... "You let civilians in the USA burn and burn to death in gasoline... Why?" There is little or nothing the run-of-the-mill CIA Agent can do but realize the President of the USA will hang someday. 711PHD woman observer in yellow will be arrested only after a President of the USA is hanged at the White House, so she doesn't have to lose to much sleep over this. Phd's at the University know they live in Oil Genocide, Oil Holocaust Society that not only burns its civilians in fiery car wrecks but also lets kids die in hot cars. Spring was a couple days ago summer will be here with the first of the kids left in hot cars, to die. Parents will be arrested not the Boss who suppresses ElectricWindmillCar's and its climate controlled accessory. CIA will not testify for the Parents and against their Boss. So the Parents will hang for the President of the USA's suppression of the ElectricWindmillCar. The first ship in its class, the agile, 377-foot Freedom was designed and built by a Lockheed Martin. Class of madmen at Lockheed Martin, what name can we give to the men at Lockheed Martin. They know even better than Phd's on CU Campus, MIT Campus that our Orwellian Society is suppressing the ElectricWindmillCar. CIA Campus. Boeing, which aims to build some 2,000 Dream liners over the next two decades, maintains that it will consume 20 percent less fuel; free hydrogen fuel would have put Xcel out of business two decades ago with the electrolysis accessory on your ElectricWindmillCar. Boeing is like the woman observer 711PHD who lets some other Mom's kids burn in gasoline, left in hot cars. How can so many people in the USA from all classes. From the CIA to the idiot woman Observer in Boulder, Colorado let so many burn in gasoline? Disinformation on the front pages of the New York Times has not stopped... launch of France's fourth nuclear-armed submarine, the "Terrible" (Fearsome), Sarkozy said his nation had to face new security threats, including Iran, and needed to be able to strike back forcefully if attacked. Iran would have been bankrupt in 1980 when the ElectricWindmillCar was invented in Boulder, Colorado. The President of France spit

in the face of American women with breast cancer building its fourth nuclear submarine, the "Terrible". It's beyond Terrible what the President of France and the USA Presidents did to those dying of cancer. To add insult to injury they make up false stories of hope for those dying of cancer and even Katie Couric reports stories she knows is only false hope. Beyond Terrible is our Boss, your boss of this Orwellian Society. McCartney, still grieving the loss of his first wife Linda, wore the wedding ring she gave him throughout the early years of his romance with Mills and only removed it when he married Mills. Terrible is Paul McCartney's behavior in this Orwellian Society, as he knows the Boss goes out of his way to stop me from inventing an overnight Miracle cure for Breast Cancer. Passion enough to expose the ElectricWindmillCar suppression and the way the Top Brass stifles me, Greg Buell from getting the overnight miracle cure for breast cancer. No not even from a guy who lost his beloved wife Linda McCartney! No not even CIA Agents can stop the Boss from his Oil Genocide for more oil money. The New York Times will report on the 5th French Nuclear Submarine next year, and will never mention Iran would be bankrupt with the 1 Billionth ElectricWindmillCars coming off the Toyota assemble line on John Lennon's BDay 2008. I will visit CIA HQ with 100's of cops + kids burnt in gasoline.

16 March 2005 CIA missed the mark on torture by not burning people in gasoline

16 March 2005 Beijing Exhaust should cancel the Olympics

16 March 2005 China's Gasoline Holocaust should cancel the Olympics

16 March 2005 The Free Tibet organization cited 30 killed not 30 million burned

16 March 2005 Hu killed 30 million Chinese by suppressing the ElectricWindmillCar

16 March 2005 Hu has a secret... Swiss Bank Account with \$ 1.5 Billion USD

16 March 2005 Tibet's exiled spiritual leader, the Dalai Lama lied, killed millions

16 March 2005 Beijing traffic increase is related to the ElectricWindmillCar

16 March 2005 Bribe taken, the side effects are now realized as Exhaust, burns!

16 March 2005 Additional side effects are a Billion lost spin off inventions

16 March 2005 Mass of Humanity has only limited success ie French Revolution

16 March 2005 President of France has \$ 1.5 Billion dollars in a secret Swiss Bank Account. Bribe from Texas and Saudi Oil Men to gas people with Exhaust, and let them burn in fiery car wrecks. ElectricWindmillCar on the streets of Paris was lost by the Presidents of France. A Capital Crime of course, this is what started the French Revolution. Tibet monitoring organizations are criminal as they stifle the ElectricWindmillCar. Embarrass China with pictures of Exhaust. Dishonorable discharge of duties by the Communist Party of China. They were bribed by Texas and Saudi Oil men. Mao with \$ 1.5 Billion dollars in a secret Swiss Bank Account. When Hu and the other mass murderers in the Ruling Class are exposed Chinese's auto makers will build 1 billion ElectricWindmillCars. 1 billion new inventions will trickle down from the ElectricWindmillCar. Tibet's exiled spiritual leader, the Dalai Lama will lose his head with the rest of those who stifled the ElectricWindmillCar. Japanese astronaut Takao Doi entered the Space Station looking lost, wondering why Tokyo sold out to the USA for 1 Japanese astronaut. WASHINGTON (Reuters) - The government's debt limit would be raised to \$10.2 trillion under a budget plan for next year approved by Congress. Texas and Saudi Oil men will lose \$10.2 trillion for burning millions in fiery car wrecks for more oil money. Mecca could be Nuked by the ElectricWindmillCar 's Revolutionary Leaders especially if most are cops burnt in gasoline. CIA torture missed its mark by not burning people in gasoline. Dell deletes your message on their forums, sure you will post this on you web, and if President of the USA you will kick Dell out of the USA for hiring Jerks in India. But if your are burned in gasoline over most of your body so the Ruling Class can make more money from oil you might just Nuke Mecca to get even. After you have confiscated \$10.2 trillion from Saudi Arabia. Endeavour docks at space station same day the Japanese take possession of the 7,750-ton Ashigara built by Mitsubishi Heavy Industries Ltd at the Nagasaki Shipyard. Japan's sixth destroyer equipped with the advanced Aegis radar. You do the math, how could the Ruling Class add this so wrong? Because they don't believe in the Universe. 4.3 Light Years can not be comprehended by the Pentagon Generals so they annihilate the Universe. Breast cancer deaths proliferate while the Pentagon Generals use Rocket Scientists to invent more War Toys. According to the American Cancer Society, about 1.3 million women worldwide are diagnosed each year with breast cancer, and nearly half-a-million succumb to the disease. Pentagon spent \$5 Trillion dollars on the Iraq War while half a million women a year died of breast cancer. 5 years into the Iraq War and McCain, Kennedy, Bush would let it go on for 50 year like the Korean War. When a Wife Gets Cheated On, Survival Mode Kicks In. White House women would pour gasoline over Bush and set him on fire if they are there for the Revolution. Gov. Eliot Spitzer's liaisons with high-priced prostitutes, the question on many women's minds was: How could she? How could the Harvard Law-educated Silda Wall Spitzer stand beside him at the podium. He has \$500 million dollars in the bank, Kennedy has \$480 million dollars in the bank. White House women know about the ElectricWindmillCar's suppression and the \$10 billion in oil money mostly spent on War Toys while Bush let 40k USA women die of breast cancer every year he has been President. How can they stand and watch Bush at the podium? King of Saudi Arabia walked Bush hand in hand through his Harem. White House women have a drivers license and expensive cars. Hillary Clinton, Gennifer Flowers, Monica Lewinsky, they all know about the suppression of the ElectricWindmillCar and the Ruling Class toast, Let them eat cake, let them burn in gasoline, we are addicted to oil money. Katie Couric will lose her job to someone who was burned in gasoline over most of their body. Today show Ann Curie will lose her job to someone who was burned in gasoline over most of their body. CIA missed the mark on torture by not burning people in gasoline. Toshiba owns US nuclear plant maker Westinghouse, Japan has built 58 nuke power plants over an earthquake zone. Can of hydrogen, free from the electrolysis accessory built into your ElectricWindmillCar will put Toshiba out of business. Put Dell out of business; just kick them out of the USA for hiring Jerks in India who delete your messages, the day after you got your new Dell delivered to the UPS Store. Which the same Jerk in India screwed up. If anyone in Boulder Colorado knows the password Key for the wifi BIH or Walkabout please email it to me as I'm home alone with a new Dell Vostro 1400 and no wifi as I don't have any password keys to login. Thanks. CIA missed the mark on torture by not burning people in gasoline.

12 March 2008 Endeavour blasts off for Alpha Centauri 4.3 Lt. Years down range

12 March 2008 \$5 Trillion for Iraq War We pledge not to repeat the waste of war

12 March 2008 Endeavour blasts off for Alpha Centauri 4.3 Lt. Years down range

12 March 2008 Invention Shuttle, Endeavour Shuttle; We pledge not to repeat the waste of war - A scam from Tokyo. Flames from millions of fiery car wrecks and not one Madonna song, Why? Madonna scam from 1980 - 2008, the ElectricWindmillCar Era. Paul McCartney toasted with Queen Elizabeth, let them burn in gasoline; we're addicted to oil money. Breast Cancer killed Linda McCartney. Paul's accomplishments are light years from John Lennon's! Paul will give Heather Mills more money than he gave to finding a cure for Breast Cancer. If you die from Breast Cancer what will your Husband do with his money, if he's a rich man? You better ask him! Queen Elizabeth let millions burn in gasoline for more oil money, you know she had Princes Di murdered, and this is a no Brainard. Like the King of Cocaine drug dealers selling to the owners of Blue Mountain Arts since 1980, you tower above the laws of the mass of Humanity you think you are Henry the VIII. Flames from millions of fiery car wrecks and not one Madonna song, Why? Jews are guilty as Hell of tossing gasoline bombs at SUV's on the streets of the USA. Jews will plead guilty at the gasoline Holocaust Trials. Jews tower above the laws of the mass of Humanity so they think in their minds there is nothing cops in the USA burned in gasoline can do to the Jewish Nation. We pledge not to repeat the waste of war - A scam from Tokyo as the Japanese are promoting the wastes of war in Israel and Iraq by not exposing the suppression of the ElectricWindmillCar. 22-year-old Eve Marie Carson was killed by a shot from a handgun to her right temple. 18-year-old Lauren Burk, Auburn University student who was found shot to death, a black just back from the Iraq War confessed. In a normal society we could sue the Pentagon for financial compensation. We live in a Psychotic Orwellian Society run by the Pentagon Generals + Bush. Texas and Saudi Oil men warped time and space of our Universe via \$5 Trillion dollars in oil revenue in 2008. CU President Benson is an oilman who knows in his subconscious awareness someone in the USA will be involved in a fiery car wreck today, 12 March 2008. CU President Benson knows there will not be any students with posters on fire outside of his Office of the President. As he lives in a very sick Orwellian Society. Jews tower above the laws of the mass of Humanity so they think in their minds there is nothing cops in the USA burned in gasoline can do to the Jewish Nation. CU President Benson knows there will not be any students with posters on fire outside of his Office of the President. Newspaper reporters in Boulder, CO tore up posters of Officer Jason burned in his cop car! NEW YORK (Reuters) - A 31-year-old software programmer has the title of having the best memory in the United States. "Total Recall" is not just an old movie. It would be a New invention project at CU Campus if Benson was history. 1,001 Invention Projects will be financed by the ElectricWindmillCar and its Euphoria. We pledge not to repeat the waste of war - A scam from Tokyo. Tokyo University is not working on any Post ElectricWindmillCar Era invention projects. Tokyo is repeating the waste of war today 12 March 2008. DVD with no moving parts is only an idea on a post card I mailed to Toshiba. Dell loaded with 1,001 Invention Projects by Greg Buell will have faster than the speed of light moving parts. A gravity satellite dish that fuels a gravity engine that goes faster than the speed of light in your new Dell. Bizarre Foods With Andrew Zimmer I have to comment on Andrew, as all Observers know red meat is the cause of colon cancer and the test for polyps has been in the news all week. This guy has to have millions of polyps in his colon, yet no one will tell him. In Nebraska feedlots Cattle, are given ear implants that provide a slow release of trenbolone, and anabolic steroid. Trenbolone and millions of other drugs are now in the news for being in all the water we drink. Remember the Breast Cancer researchers finding high out breaks of breast cancer in some cities of the USA, well they better check the water in these cities for pharmaceutical drugs Rx drugs. Better yet just ask the drug makers which of these drugs in our drinking water caused breast cancer. 1 in 4 teen girls has sexual disease. When I was a teen back in 1960 the Roche and U.S. partner Genentech Inc, Merck & Co, Amgen etc were going to give us more miracles like the Polio shot. I saw a girl in an iron lung when I was 13. In our Sick Orwellian Society Roche from Switzerland is just a much a scam as Swiss Bankers with Oil Genocide money. Holocaust money of WW II ended up in Swiss Banks. The Swiss never said "We pledge not to repeat the waste of war" From what I observe as the inventor of the ElectricWindmillCar in 1980 the Swiss both the Bankers and the Roche drug Scientists tower above the laws of the mass of Humanity so they think in their minds there is nothing cops in the USA burned in gasoline can do to Switzerland. Not that many people are burned to death in gasoline in Switzerland. Waste of the Iraq war has nothing to do with Switzerland. The Universe has been here forever and always will be. Shuttle travels to Alpha Centauri and other stars have to wait for a healthier Orwellian Society. 9-11 would have been prevented if the Swiss in Geneva at the UN HQ there had exposed the suppression of the ElectricWindmillCar. That's history. We pledge not to repeat the waste of war - A scam from Tokyo.

8 March 2008 Aliens and illegal Aliens, why did Bush suck off illegal Aliens?

8 March 2008 Texas and Mexican Oil Men pay for this in Thailand, Worldwide

8 March 2008 60 Minutes and Dateline know some of these Oil Men by Name

8 March 2008 CU President Benson a Oil Man will be libel for alcohol poisoned students

8 March 2008 Aliens and illegal Aliens, why did Bush suck off illegal Aliens?

8 March 2008 Illegal is the key as suppression of the ElectricWindmillCar is illegal

8 March 2008 Illegal. Bush's brother let 100's of kids die in hot cars in Florida

8 March 2008 Illegal. Bush and his father and mother could have prevented 9-11

8 March 2008 Death Penalty - UN employees will hang for Bush's Capital Crimes

8 March 2008 VATICAN CITY, March 8 (UPI) Vatican to establish a Catholic-Muslim Forum. Catholic Gasoline Holocaust Genocide Forum is not on the Popes agenda for 8 March 2008. The Pope is tossing gasoline bombs at SUV's on the streets of the USA and the Vatican. UN employees know this - this is why all UN employees face the death penalty. Universe Alliance, the next UN for humanity will try to prove there are Aliens around every Star in the Universe. There are Humans in this Solar System therefore there are Aliens in every Solar System. Well most of them anyway. Lot better than the Pentagons Universe that killed off 100's of Trillions of Aliens. GENEVA (Reuters) - U.N. High Commissioner for Human Rights Louise Arbour, to speak out against abuses worldwide despite political pressures. \$100's of Trillions in Oil Genocide money is in Swiss Banks today, 8 March 2008. UN employees have oil genocide bribes in Swiss Banks. No one on Earth is speaking out about those tossing gasoline bombs at SUV's on the streets of the USA. Pentagon Generals with Swiss Bank accounts... profiting from Americans burning in gasoline. Seventh year at war, in Afghanistan and Iraq. Waste all a waste, total waste by the Pentagon. Plus 7 more years of Americans burning in gasoline at home driving down the street of the USA in their SUV's. Worst Gasoline Holocaust Genocide is from the Pentagon. Death Penalty - UN employees will be the first to hang for suppressing the ElectricWindmillCar. WHO at the UN all of them for letting 1 billion people drink polluted water, get sick as hell and die. MD's working for the UN did this to 1 billion people. You know the MD's at WHO have a lot of money in Swiss Bank accounts. Microsoft says its new Singularity OS is like a concept car and that it is giving the prototype to researchers in hopes that they will develop new a new society that will not suppress another ElectricWindmillCar and more importantly cannot suppress the next ElectricWindmillCar. Bill Gates and his wife could have prevented 9-11 by exposing the suppression of the ElectricWindmillCar. Why did the richest man in the world suck off what was illegal? Because he though he would never get the death penalty. Bill Gates and his wife could have helped me get the overnight miracle cure for Breast Cancer but didn't. Gasoline exhaust didn't kill as many Americans as fiery car wrecks. Vaccinations save lives but not as many as clean pure drinking water for 5 billion people would have from the electrolysis accessory in the ElectricWindmillCar. Mandatory vaccinations will be part of the Pentagon Generals mentality in the new UN, Universe Alliance will incorporate. 5 billion people getting mandatory vaccinations. Alcohol poisoning of students will die with the new CU President Benson. American Literature and World Literature failed to influence CU President Benson. He is a real live oilman who has been tossing gasoline bombs at SUV's on the streets of the USA. Fall of the all the Worlds Governments is imminent. In the cards is Universe Alliance and travel to Alpha Centauri 4.3 light years. WHO MD's deserve the death penalty. Most of the MD's in the USA also deserve the death penalty for billing Medicare for \$450 billion more for bed sores and falls they could have prevented, instead these MD's arranged for patients to fall and break a hip. Daylight Saving time is this weekend to save energy. 100 Senators face the death penalty for tossing gasoline bombs at SUV's on the streets of the USA. Senator McCain could be the first President of the USA hanged at the White House, unless those burned in gasoline and those mad as Hell at the Bush's and Kennedy's for burning Americans in gasoline for more Texas and Saudi Oil money arrest, convict and hang them first. Aliens and illegal Aliens, why did Bush suck off illegal Aliens? Bush is Psychotic; he infected all the Worlds Leaders with gasoline money. Putin has \$5 Trillion dollars in cash from selling gasoline. Saudi Arabia has spent \$5 Trillion on arms and Iran is building Nukes with its illegal gasoline profits. Jews did not learn a thing from the Holocaust as they put their illegal gasoline money in the Same Swiss Banks who took WW II Holocaust money. Aliens and illegal Aliens, why did Bush suck off illegal Aliens? Eve Carson shot in the head, by a Mexican? Mexican men have shot in the head 100's of gringos since the invention of the ElectricWindmillCar, all a product of Bush sucking off illegal Aliens. So why did Bush burn Americans in gasoline, let them be raped and killed by illegal Mexicans, let 40k American women die of breast cancer every year he was President of the USA without creating a Manhattan Project, because he wanted to hang Saddam more than he wanted to get the cure for Breast Cancer. Bush is Psychotic; he will be the first President of the USA to hang in the White House. I hope! But I will settle for McCain, as he carries a gas can were ever he goes.

5 March 2008 Teens in every City around the World, crash and burn, murdered

5 March 2008 Murdered by GM, Ford and Toyota CEO's

5 March 2008 Model 2008 cars with super air bags on the outsides - suppressed

5 March 2008 Texas A&M Oil Men murder their wives and daughters

5 March 2008 CEO of Exxon, Conoco, Shell, murdered of wives and daughter

5 March 2008 Leno's joke your flesh is sizzling in gasoline, we're addicted to oil money

5 March 2008 Teens crash and burn in their new car without outside super airbags

5 March 2008 Katie Couric reported the crash test and is now an accomplice to murder

5 March 2008 Yoko's lawyers will help sue Toyota, Tokyo Cops will bankrupt Toyota

5 March 2008 Toyota passed the fake safety test on CBS News with Katie Couric

5 March 2008 Falling asleep at the wheel, Toyota failed to invent anything

5 March 2008 \$5 Trillion dollars in the Banks from Oil Money. Another \$3 Trillion dollars in the Banks from University Gifts. GM and Ford hidden secret offering "Buy Outs" in order to hire temps at \$10 an hour to build you 1 billion ElectricWindmillCars. Same CEO's at GM, Ford, Toyota will be "double" mass murderers if they are not arrested and hanged today. They will build unsafe ElectricWindmillCars. You don't have to be a rocket scientist or Psychiatrists to know these guys are psychotic killers of everyone who buys their cars in 2008 as they suppressed super airbags on the outside of all 2008 Model Cars. Space shuttle Endeavour cleared for March 11 launch to deliver a huge Japanese research complex to the International Space Station. 700 Shuttles were Lost by the Japanese Government going along with the worst USA genocide Holocaust in History. Oil, the suppression of the ElectricWindmillCar since 1980. 5 Trillion car and medical inventions lost by this American Genocide, Holocaust. Jews going along with this USA Holocaust in order to kill women and kids in Gaza. Like the Marines tossing puppies off a cliff in Iraq, all the Jews in Israeli want to kill all the kids in Gaza; the Jews are as Psychotic as "Gasoline Ali Bush". UN lost 5 Billion people clean water by suppressing the ElectricWindmillCar so WHO at the UN knows about Genocide Trials. UN Ambassadors, they're not stupid criminals. Look up the USA Ambassador to the UN. He is responsible for the deaths of millions of civilians. Rice our Sec. of State will be convicted of "Road Rage" that killed 100 million people during the Bush Administration. Adm. William Fallon said he expects Gen. David Petraeus will suggest to him that, "it's prudent to make an assessment of where we are." Lost in the Universe. Alpha Centauri is 4.3 light years from Earth. Yet no one wants to buy stock in the Light Year Conquest Corporation. Well I should say they are bullied by Bush, McCain, and Kennedy. Knowing the risks can help you keep from burning in gasoline and in Hell. Bush, McCain, Kennedy will keep the nearest 10 stars suppressed. Aliens could be on every one of the nearest 10 stars. This is why Bush, McCain and Kennedy want star travels suppressed. Crazy drunkard driving off a bridge drowning his girlfriend, Kennedy was not jailed, hanged but will be when finally when arrested 50 years after this poor girls murder. RFK and JFK will pay

for their little brother murderous life. Burnt out cop cars with an eternal flame will be a memorial added to the graves of RFK and JFK. Memorial to the girl Kennedy drown driving of the bridge will finally be built. Harvard Medical School and Harvard University kept \$19 Billion in the Bank while 40k women a year died from Breast Cancer. Sure Safeway collects a few dollars for Breast Cancer, but what Harvard did by keeping \$19 billion in the bank is a crime they will hang for when Kennedy is finally submerged in the gasoline genocide, holocaust he created in 1980 when he instigated the suppression of the ElectricWindmillCar. Teens in every City around the World, crash and burn, murdered by the CEO of GM, Ford, Toyota. Adm. William Fallon said he expects Gen. David Petraeus will suggest, "it's prudent to make an assessment of where we are." West Point will be as bankrupt as Toyota. We are in the middle of a Universe, and will never travel to our Nearest Star as long as people like Bush, McCain and Kennedy drive off of bridges leaving their girlfriends to drown. Jay Leno is off this week after taking 3 months off for the writers strike. 1,001 invention jokes will replace Leno after NBC and GE retire him. Invention Channel, 1,001 Things You can Invent. Already invented is the super airbag on the outside of 2008 Model cars and trucks. All the carmakers are guilty of mass murder of teens in every city around the world. Infected by Texas Oil men they let teens crash and die, when all 2008 Model cars could have been built with super airbags on the outside. As Nancy Grace would say the car makers are guilty of premeditated murder of teen drivers. Texas and Saudi Oil men let teens crash and burn since 1980. Adm. William Fallon said he expects Gen. David Petraeus will suggest, "it's prudent to make an assessment of where we are." Secretary of State Condoleezza Rice is to tell Israel to ease the humanitarian suffering in Gaza and avoid attacks that might kill civilians. No I don't think so. Condoleezza Rice is a slave to Texas Oil men who have no humanitarian concern for teens in Texas who crash and burn in cars. People in a position of Power and Trust are killing everyone they can. GAZA (Reuters) - Israeli troops pulled out of the Gaza Strip after killed more than 150 Palestinians in cold blood, savoring the killings like madmen. 150 crash and burn teen's will happen around the World next weekend. Audi CEO and the other carmakers CEO's know what is going on, suppressing super airbags on the outside of 2008 Model Cars. Suppressing the ElectricWindmillCar. At their trial they will say they were bullied by Bush and the Texas Oil men. Grin. Hang them all the Judge will say! Recall of Toyota ElectricWindmillCars, as they will be unsafe if built by today's Toyota CEO. Recall of Vista, as it stifles everyone who buys a Dell. Adm. William Fallon said he expects Gen. David Petraeus will suggest, "it's prudent to make an assessment of where we are." --- in the Universe! Knowing the risks can help teens invent a better Vista that invents more than it locks up the Dell. Lock up Bill Gates and the other CEO's who let teen drivers and student crash and burn. 150 every weekend. Killers and the Military Madmen savor their kills...

- 1 March 2008 BI Incorporated, Behavioral Interventions 6400 Lookout Road
- 1 March 2008 Cops own BI in an Oil Genocide Era HQ'ed in Boulder Colorado
- 1 March 2008 Internet behavior of these BI Cops in Boulder CO burns us to a crisp
- 1 March 2008 Innocent kids in every City around the World, burn in gasoline
- 1 March 2008 BI Cops sells rehabilitation solutions to governments in a Gas Holocaust
- 1 March 2008 Gasoline Holocaust relations at BI on Lookout Road, Boulder CO Pays Off
- 1 March 2008 3.7 million alcohol related crimes are committed each year via Coors
- 1 March 2008 Like selling Colorado State Lottery tickets to alcoholics, it pays off
- 1 March 2008 Sobrietor at BI breath tester is 1k times bigger than a cell phone
- 1 March 2008 Samsung could make a Verizon Iphone Sobrietor with ignition pin #

1 March 2008 BI Cop owners living in a Government sponsored Gasoline Holocaust burns to a crisp any Behavioral Interventions to stop Bush, McCain, Kennedy and the local Denver and Boulder Mayors from profiting from some innocent little kid who will burn to a crisp in gasoline today. Sick Orwellian Society that has cop owners of BI building out of date Sobrietor breath testers when gasoline burns more people to a crisp than drunk drivers. 3.9 million. Bush put more people in Jail in the last 8 years than any other nation on Earth. Bush is the criminal responsible for burning more people to a crisp in gasoline than any other head of state in any other Nation on Earth. Chemical Ali will hang. Gasoline Ali is Bush, McCain, and Kennedy. Breast Cancer Ali is Bush, McCain and Kennedy. Several genocides besides gasoline, and stifling a breast cancer cure are part of the USA Government Today. Mexicans with Staph, Hepatitis, and even the flu kill more Americans than DUI drivers yet BI cops who knows how to sell the government Sobrietor breath testers. AURORA - The new University of Colorado Hospital has valet parking, yet the placement of its helipad puts patient care at risk. When critically injured patients are flown by medical helicopters to most hospitals, they can be wheeled on stretchers from the helipads directly into emergency rooms. However, at the University of Colorado Hospital - Anschutz Medical Campus in Aurora, the trip to the ER isn't over after the helicopter touches down. Since the helipad is across the street from the hospital, flight medics have to load the patient into an ambulance and then drive to the hospital. Medics then unload the patient from the ambulance and roll them on the stretcher into the emergency room. Medical Director Bruce Evans interviewed on NBC is an arrogant fag MD who made this decision and sticks to it in the NBC News interview. CBS Nightly News just reported last week the MD's are letting people fall and get bed sores to get another \$1k to \$100k out of Medicare illegally. BI cops have no Sobrietor monitor for MD criminals yet they kill more patients than DUI drivers. On Friday, gunmen kidnapped Chaldean Catholic Archbishop Paulos Faraj Rahho as he left Mass, Pope Benedict XVI called for Rahho's release, saying the kidnapping was an "abominable" attack. Pope knows the Bush government burns 3.9 million kids to a crisp in gasoline yet he called the kidnapping of one Archbishop in Iraq an abominable attack, what the hell is burning kids to a crisp in gasoline? Pope Ali is more like it, I really think the Pope this one or the next one could be hanged at the Vatican for going along with Gasoline Ali Bush. Accurate alcohol content measurements using fuel cell technology, I worked on these Sobrietor's at BI and they are not accurate. I will testify to this when the observers come out from behind the hidden cameras. Samsung and Verizon can build a state of the arts Sobriety Tester with blue tooth linking it to the drunk's ignition via pin number and alcoholic content, and picture of the drunk blowing into his Samsung Cell phone. Medical Director Bruce Evans should be in prison today not at the new Denver Medical Center running day-to-day goings-on. MD behavior in our Oil Genocide Society has caught the worst disease to hit humanity, Texas Oil mans greed. This is a disease, a psychological disease. Millions of HS teachers will rejoice when Bill Gates is hanged next to Chemical Ali. Bill Gates killed more American HS kids than Chemical Ali gassed Kurds in Iraq too. Halabja, a city near the Iranian border. Boulder, Colorado Denver Colorado, Newest State of the Arts Hospital here and for the third time a burn victim was flown to the hospital heliport and the ambulance was not ready and waiting to drive over to the Newest State of the Arts Hospital. This is criminal behavior from Medical Director Bruce Evans and 100's of Observers in this Orwellian Society that let this crime go on without reporting it to the cops. LONDON (Reuters) - Britain's Prince Harry had been secretly fighting on the front lines for 10 weeks. Killing kids while at home at the New Scotland Yard the cop observers in an Orwellian London know more kids have been burned to a crisp in British Petroleum gasoline than Di

son killed on the front lines. Shouldn't Price Harry be working on a cure for Breast Cancer, or some other plague infection England today? No the Queen sent him to war for the glory, to hell with the Breast Cancer women. English Observers are sick, psychotic to let this go on in an Orwellian Society. This week in Wired, the Air Force is eliminating access for its troops to virtually any site that uses the term "blog." The AF eliminated any Internet web that seeks a missile to cure breast cancer and other wars that are non-military. Breaking News --- WASHINGTON - Northrop Grumman Corp. and the maker of Airbus planes won a multibillion-dollar Air Force contract to build 179 jet fuel tankers used to refuel military aircraft mid-flight, 600 more will be built for the AF in an Era that should be for the ElectricWindmillCar. Major blow to Boeing Co. Major blow to Humanity, to Yoko who hoped to get 1 billion ElectricWindmillCars on the streets of Manhattan for John Lennon's 68th Bday this year. Front page of the New York Times this week another story about Ford and GM buy outs so they can hire temps at \$10 a hour to build 1 billion ElectricWindmillCars next year. Miss Congeniality is Dr. Emily Senay were at Mount Sinai School of Medicine where she continues to pursue preventive medicine and public health. Cops who own BI pursue the drunk drivers with out of date technology except for the ability to pursue the Bush government to jail more people than any other nation on Earth, while Bush is the Gasoline Ali of the world burning more babies in gasoline than the Jews in Gaza. A burn victim was flown to the hospital and the ambulance was not ready and waiting when the helicopter landed at the Newest state of the arts Hospital in Denver. At a time when no helicopters should be landing in Iraq. AF is still using bombs to win the war in Iraq, when the ElectricWindmillCar would have bankrupted Texas and Saudi and Iraq oil in 1980 when it was invented. BI in 1980, the local cops in Boulder, Colorado learned about the invention of the ElectricWindmillCar in 1980. Yet there were no whistle blowers. Should the cop owners of BI be arrested and sent to prison for not preventing kids around the world from burning to a crisp in gasoline. Yes! They are the real criminals not the millions Gasoline Ali Bush put in jail. ExpressCard technology for Dell notebooks is ripe for inventors; Samsung cell phones can be the state of the arts alcohol breath tester with Verizon, Bluetooth and the carmakers support. Drunks will never drive again. Navy Pilots could just bomb Coors out of existence after the coup. As the Navy knows more about drunk Sailors than the AF. Gasoline Ali Bush is still driving Observers to drink. Mandatory flu shot idea came from the Observers watching the Mexicans at Leanin Tree Greeting Cards here in Boulder. The Mexicans refused to get the free flu shots, got gringos kids sick and got away with a crime! Now the top MD will get mandatory flu shots, and eventually mandatory Hepatitis shots. Mexicans at Leanin Tree Greeting Card Co got this going, if I would have never have written them up in End War News millions of gringo kids would have gotten flu and Hepatitis. Shows you the Observer are still alive and well in Boulder, Colorado!... Chemical Ali Bush is alive and well in DC, sorry to say. Kids will burn in gasoline today and tomorrow because Bush is not in Jail. Even an Orwellian Society needs to be protected from a psychotic President of the USA - Gasoline Ali Bush!

25 Feb 2008 United Nations treachery obliterated clean pure H2O for 5 billion people

25 Feb 2008 Alliance with the Bush administration will get everyone at the UN hanged

25 Feb 2008 French Revolution at the UN

25 Feb 2008 UN's Clean Water Genocide

25 Feb 2008 UN will be renamed Universe Alliance UA

25 Feb 2008 Intellectually awe-inspiring, universe instead of Nukes in Orbit

25 Feb 2008 A neutron star is racing out of the Milky Way Galaxy at 3 million mph

25 Feb 2008 Murder for hire Blacks and Mexicans firebombed SUV's and Minivans

25 Feb 2008 Burning people in gasoline for profit, hired by Bush, McCain, Kennedy

25 Feb 2008 UN's Clean Water Genocide killed more than 1 billion people since the invention of the ElectricWindmillCar in 1980. Perpetual motion machine and much, much more. United Nations treachery firebombed 700 new 2008 Model Shuttles. Intellectually awe-inspiring, Universe Alliance UA instead of the UN = UN Cop Killers tossing gasoline bombs at SUV's in Moscow, Beijing, and every Capital of every Nation on Earth. Sony's Casino Royal will be Invention Royal. God save the Queen from a Hell of burning gasoline, I hope not! UN's Clean Water Genocide was lead by the Bush administration. McCain and Kennedy are part of the Bush administration. Drunkards making policy about giving 5 billion people clean water via electrolysis in the ElectricWindmillCar spin off invention or letting them drink polluted water, all 3 of these drunkards treachery let a billion people drink polluted water, get sick as hell and die. WHO at the UN made up of MD's was bribed to go along with this genocide. Coors has also been associated with traffic crashes; suicides, crimes, violence, unemployment, absenteeism and now UN's Clean Water Genocide lead by the Bush administration. Saudi Arabia Religious Police arrested 100's on Valentines Day for flirting. Pope at the Vatican is in bed with the UN's Clean Water Genocide. Mental Health of the Pope has to be called into question, is the Pope a Psychotic Madman like Bush, Yes! Men's treachery gave the world the UN's Clean Water Genocide. One woman, Hillary is also a Psychotic Madman, as she could have prevented 9-11 by exposing the suppression of the ElectricWindmillCar. Leno had a clip of Kennedy singing in Spanish with a group of Mexicans, drunk as Hell without a thought about anything but getting off on the music. Alcoholic Madmen are famous in Moscow. Putin has a war chest of \$5 Trillion dollars from selling gasoline, this would get anyone drunk! NYC bartender to the top celebrities was in the news for having Hepatitis A - Mexicans cooking at Farrand Hall, one of the freshman dorms here on CU Campus has Hepatitis, A, B, C and the state of Colorado Health Dept get an F - grin. There must have been a million bartenders in the USA with Hepatitis A before the New York Times published this one story, really. Google --- Benson Mineral Group, Inc. Benson is the new President of CU. He is an Oil and Gas Madman. Some at CU, whose climate researchers shared a Nobel Prize with former Vice President Al Gore, were nervous about all these Madmen being exposed on End War On Earth News. CU should have started construction of a State of the Arts Medical School over the football Stadium years ago. I can get a miracle overnight cure for Breast Cancer soon as I'm free of this Orwellian Societies Madmen stifling me. But there are still 1,001 other invention projects least you forget total recall, and total immunity. Pentagon successfully shot down another galaxy just like the Milky Way Galaxy. These Madmen at the Pentagon want perpetual war, not more Perpetual Motion Machines like the ElectricWindmillCar. Israel scam on the world is letting Iran sell its oil to build nukes when the Jews could have bankrupt Iran in 1980 by exposing the suppression of the ElectricWindmillCar. Universe Alliance UA will scrutinize Microsoft's Bill Gates murder of student inventors in its first session. Bush administration no longer protecting Bill Gates, Sony will make millions on this documentary. Microsoft student inventors Genocide. Teachers testifying in front of Bill Gates will be mad as hell screaming like they were screaming at a serial killer of HS girls. Marine Lance Cpl. Maria Lauterbach who was burned in the fire pit with her 8-month-old fetus is not forgotten. Marines forgot to invade Mexico to capture her Marine killer though. Aruba will be put off limits of Americans in the first session of the Universe Alliance UA, This will get Natalee Holloway's murders arrested and tried. Nancy Grace would certainly say they will be convicted in a trial. Bars in Aruba and around the world will be on the agenda of the Universe Alliance UA. Kennedy drunk, singing in Spanish with Mexicans as Rome Burns, as Americans burn in gasoline for more oil money. UN will be renamed Universe Alliance UA, everyone at the UN will be taken out and hanged, just like the French Revolution. UN's Clean Water Genocide and the suppression of the ElectricWindmillCar, will give birth to a new star... the Universe Alliance UA,

- 21 Feb 2008 Burning people in gasoline is CIA Torture via Bush, McCain, Kennedy
- 21 Feb 2008 \$50 Trillion from Oil since the ElectricWindmillCar was invented in 1980
- 21 Feb 2008 Bush is building a memorial to the genocide in Darfur, not his in the USA
- 21 Feb 2008 Bush tossing gasoline bombs at SUV's in the USA needs to End
- 21 Feb 2008 559,312 people in the USA will died from cancer in 2008, 40k breast Cancer
- 21 Feb 2008 Stifling me, from getting the overnight miracle cure for cancer must End
- 21 Feb 2008 This Era of Bush + Oil, Manhattan Projects are only for "A Bombs"
- 21 Feb 2008 Genocide by those at the Univ. of Texas M.D. Anderson Cancer Center
- 21 Feb 2008 Texas Oil Men pour gasoline over Americans and set them on fire
- 21 Feb 2008 In this Inferno Bush, McCain, Kennedy are the genuine mass murderers
- 21 Feb 2008 Genuine Microsoft Vista, XP Pro 64x Bill Gates is a mass murderer too

21 Feb 2008 1,001 Invention Projects from Microsoft and Bill Gates will come when Microsoft is part of the Dept of Education and Bill Gates is hanged for his part in the Oil Genocide 1980 - 2008. Manhattan project for a Malaria Cure, will spin off Total Immunity, Total Recall. Medicare's do-not-pay list for MD's not washing their hands and spreading Staph is only the tip of the MD Genocide, MD's are in the same class as Texas Oil Men. I applied for an CNA job at Good Samaritan, I told the RN I would end falls and bed sores for her if she hired me, little did I know the MD's at all Good Samaritan Hospitals programs falls and bed sores to make \$10k to \$100k more off Medicare. Here in Boulder Colorado Bush signed a Pardon for all MD's for Medicare Fraud as a perk for stifling me getting a Miracle Overnight Cure for Breast Cancer. Beginning Oct. 1, Medicare no longer will pay those extra-care costs for injuries from falls, I will sue Good Samaritan Hospitals for all falls from 1980 to 2008 as they caused the old woman to fall and break her hip to get the extra Medicare money. CU Law School here must cover this in more than one Law School Class. Sterilize Techs at Boulder Community Hospital are all from Bosnia, I worked with them at Exabyte then applied to Boulder Community Hospital for the Sterilization Tech job and did not get hired, few months later I found out the woman who interviewed me hired 4 people from Bosnia via State Dept. Politics not merit, now we know they killed 100's via drug resistant Staph infections. Medical Journals have 100's of articles were this Staph hides in surgical instruments. Babies are given Hepatitis C via dirty Mexicans who the Hospital also hired over me via Oil Genocide Politics. Grin. 1,001 Hospital Inventions were lost by Bill Gates and Microsoft to give us Genuine Microsoft Vista, XP Pro 64x. Bush is Psychotic, Bill Gates is Psychotic, and this proves it. Addicted to killing anyone and everyone who makes a 2nd copy of Vista or XP Pro and getting the FBI to enforce this while at the same time Hospitals lost 1,001 medical inventions. Don't drink the water in Mexico, ElectricWindmillCar spun off electrolysis of water to give the world clean H2O yet even the UN has suppressed this spin off invention from the ElectricWindmillCar, shall I call this the UN's clean water genocide? U.S. Forces in Japan will designate Feb 22 2008 as a "Day of Reflection" for all U.S. military facilities in Japan, setting up a "Sexual Assault Prevention and Response Task Force" in an effort to prevent rape of 14-year-old Japanese girls. "Day of Reflection" for Bush, McCain, Kennedy will come when they hang for several of the worst Genocides ever to hit Humanity in an Orwellian Society. Presidents of Canada and Mexico are participating in several Genocides, the worst Genocides Humanity has ever seen, and it's all done in an Orwellian Society. MIT's top 10 list of technologies that are most likely to alter industries, fields of research, and even the way we live - MIT has gone along with the many Genocides of Bush, McCain and Kennedy. God only knows why as they are smart enough at MIT to know they will hang with Kennedy. "Day of Reflection" from the Generals in Japan. Reflecting on the Universe, Air Force has destroyed Our Universe. For everyone who expected to have 700 Shuttles in orbit in 2008. This is also a crime against Humanity by the Pentagon, but it will be the hardest one to get the Pentagon Generals hanged for! Genuine Microsoft Vista, XP Pro 64x... Bear in mind that Dell notebooks are shipped from Malaysia. Lazy Moslems in Malaysia do not update any BIO's or drivers on your new Dell Notebook, you have to do this before you start. Dell techs tell me I have to reinstall the OS and everything!!! I have been searching Dell scratch and dent, refurbished computers as my 2 Pentium 3 desktops are rebooting and freezing every day. 15 reboots one day writing End War On Earth News. Yes Pentium 3 with pirated win 98se... Dell is like Yahoo and Toshiba, I mailed Toshiba a postcard, sent it to NYC telling Toshiba if they want to do a Coup on Sony invent a DVD Blue Ray with no moving parts. MIT students could have invented this for their final exam but didn't. UN could have given 5 Billion people clean water but didn't. These are both crimes against Humanity, really. I doubt if Toshiba in NYC ever calls me about my idea for a Blue Ray DVD with no moving parts, I will invent this when the Observers come out from Behind the Hidden Cameras, and put 1,001 Invention Projects on the first one in mass production. People burned in gasoline by Bush, McCain, Kennedy should be given Katie Couric's job, and the jobs of those we watch on Today Show etc. Sterilization Techs from Bosnia at the Boulder Community Hospital, got my job, bought a new Dell Notebook years ago, invented nothing. "Day of Reflection" about our Orwellian Society leaves us in an Inferno, Stars burning, burning desire to travel light years in our life time shot down by the worst Madmen to be Presidents of the USA, Carter 1980, Reagan, Bush, Clinton, Bush. ElectricWindmillCar was invented in 1980. \$50 Trillion dollars was made by illegal oil money. Compounded by a genuinely psychotic Bill Gates. IBM fired 75k Americans in order to hire and train 75k in India to make \$1 Billion in profits ever 3 months. Loss to Humanity by IBM is the Universe, to say the least. Dell notebooks are shipped from Malaysia. Lazy Crazy Managers do not update any bios or drivers on your brand new Dell or your scratch and dent Dell Notebook. So I will be spending more time updating my scratch and dent Dell than writing End War On Earth News, when I get my tax refund deposit... End to the Era of my Pentium 3 running a Pirated copy of win 98se. Grin. End to Americans burning in gasoline... CIA will not end this type of torture until they're out of gasoline. Sorry the CIA is psychotic as Bush, McCain Kennedy and Bill Gates. Anti-Psychotic pills for the CIA agents pouring gasoline on Americans, setting them on fire. This is illegal torture!

16 Feb 2008 TOKYO (Reuters) - 16 Feb 2008 ElectricWindmillCar - 1 Billionth coming off the Toyota assembly line. Four U.S. Marines based in southwest Japan have been charged with raping a Japanese woman last October, a U.S. military spokesman said on Friday, days after the arrest of another Marine for suspected rape of a 14 year old schoolgirl on the southern island of Okinawa. Mexican Marine rapists-murderer who burned Mom and charred the 8-month baby inside her is still in Mexico. Marine Camp Lejeune Commander has never been interviewed by Nancy Grace, Why? Secretary of State Condoleezza Rice said Wednesday she will appoint a special envoy for energy issues to deal with the use of oil and gas for political means, mean spirited Condoleezza Rice will be sued by the NYPD for profiting from "White Cops" burning in gasoline. Barack Obama will be sued by the NYPD for profiting from "White Cops" burning in gasoline. Oprah Winfrey will be sued by the NYPD for profiting from "White Cops" burning in gasoline. The Marine, 38-year-old Tyrone Hadnott, has denied raping the 14-year-old schoolgirl but acknowledged forcing her to kiss him. 16 Feb 2008 ElectricWindmillCar - 1 Billion coming off the Ford assembly line today. One-Billionth ElectricWindmillCar coming off the assembly line on Lennon's BDay in 2008. With this in your mind and current news about GM and Ford offering assembly line workers buy outs in order to hire temps at \$10 an hour. What the Hell is going on? How in the Hell could this be happening in our Orwellian Society? IBM fired 75k Americans in order to hire 75k in India for petty cash. Dell presales and sales email is signed by someone in India. Fiery Car wrecks in India are not on the mind of the President of India any more than its on Bush's mind as he flies to Africa. Leno has the writers back so we'll get some more jokes about Fiery car wrecks and your flesh sizzling in gasoline. A Joke to everyone running for President, even McCain. McCain has personally burned people in gasoline, napalm. So you see it does not matter to the Air Force Jet Fighter Pilots who burns in gasoline. Freeways of California or the naked Vietnamese girl on fire on the front page of the New York Times. Pentagon Generals came on TV with we will hang the 9-11 Terrorists in a Military Trial. One Billion ElectricWindmillCars should have been on the streets of Manhattan on 9-11, this Pentagon General knows this. MEXICO CITY (Reuters) - Mexico City has started a women-only bus service to protect female passengers. Pentagon needs to start a Military Only Society. End War On Earth is light years from bankrupting the Pentagon General who wants to hang the 9-11 Terrorists but not the Texas and Saudi Oil men who suppressed Manhattan from getting the one billionth ElectricWindmillCar on or before 9-11 happened. This is not Dell shipping your SPX 1210 notebook from its scratch and dent leftovers. Pentagon said it would try to shoot down a spy satellite loaded with hydrogen. Same can of hydrogen you should have forgotten to pick up on your way home tonight from Safeway or Kroger with the cans of Coke. Free Hydrogen from the gallon of water in your ElectricWindmillCar with the electrolysis accessory. Katie Couric on the CBS Nightly news just announced we now know the name of the shooter at the University. Katie Couric will announce we now know the names of the Pentagon Generals who could have prevented 9-11 by exposing the suppression of the ElectricWindmillCar. Graduate Sociology student was the shooter. Sociology Today is a failure because Texas and Saudi Oil men are the top rapist-murderers, and pay Bush to toss gasoline bombs at SUV's on the streets of the USA. Forget the Genocide in Africa this is here on American Soil at Camp Lejeune, a Mexican raped, killed and burned in a fire pit an American Marine Woman and is eating tacos and drinking Coors in Mexico Today. Reason being Mexican Oil - same as Texas Oil and Saudi Oil, now I must say same as Texas Oil Men and Saudi Oil Men. Oil Runs the World. When the ElectricWindmillCar and electrolysis of water to get hydrogen and oxygen should be running the world. Japan is mad as hell about the sailor rapists of 14-year-old girls, well Japan has 58 Nuke Power Plants over an Earthquake Zone. Sooner or later they will be destroyed by an Earthquake. Japan has known about getting free cans of hydrogen to shut down all its 58 Nuke Power Plants since 1980. Lawsuit and Trail for not converting to free hydrogen will hang the Emperor of Japan! Let alone the sailor rapists of 14-year-old Japanese girls. You can see these are light years apart. Like Humanity is light years from NASA having 700 Shuttles docked together in Orbit. No the Pentagon is getting ready to shoot down a spy satellite filled with 1,000 lbs of Hydrogen that is its fuel. Gravity Engine fueled by the Gravity Satellite is a futuristic invention. One that will come after the lobotomy gas for rapists-murderers. A preventive gas, that will prevent the Mexican Marine at Camp Lejeune from raping a marine on base or anywhere else on Earth. The University shooter was a sociology graduate student more frustrated than lovesick NASA women, bored to death without any chance in hell of getting 7 new Shuttles out of Bush and the Pentagon Generals let alone getting 700 New Shuttles for less money than Bush spent on the Iraq War. Frustrated lesbian dykes rape 14-year-old girls, just like the Marines do. Yet people like Cheney likes to watch the sex, Jodie Foster in Panic Room with the 14-year-old girl. In a Panic! Panic at the Pentagon right now, as all the Observers in our Hidden Camera Orwellian Society know the ElectricWindmillCar would have prevented 9-11. Soon the Public will know this! Panic at the Pentagon Today, 16 Feb 2008 Obama will be sued by the NYPD for profiting from "White Cops" burning in gasoline. Condoleezza Rice will be sued by the NYPD for profiting from "White Cops" burning in gasoline. Oprah Winfrey will be sued by the NYPD for profiting from "White Cops" burning in gasoline. Panic Room 2 Movies. Sony will show how 58 Nuke Power Plants shut down for years will still destroy most of Japan... to little to late from the Japanese. (Except for Yoko, grin I need the Peace Prize Money)

10 Feb 2008 Harem of Saudi Arabia's King Abdullah, Nuked by Inventive Women

10 Feb 2008 Bush walked arm-in-arm with Abdullah through this Harem

10 Feb 2008 Harem of Inventive Women waits for the ElectricWindmillCar Era

10 Feb 2008 Bush's Harem of White House women will testify against him - ha!

10 Feb 2008 He tossed gasoline bombs at women + kids for 8 years, unrestrained

10 Feb 2008 Restraining Orders under his administration got a million women killed

10 Feb 2008 40k women a year times 8 years = all dead from Breast Cancer

10 Feb 2008 Marines have not lost this many men in all Wars ever fought

10 Feb 2008 Katie Couric lost her 2 daughters 8 years of growing up in an era of ElectricWindmillCar Euphoria. Ecstasy light years from any ancient Greek or Italian Renaissance Era. Newton had no chance in Hell of dissecting gravity let alone building a Gravity Engine, Gravity Satellite dish, and of course a Gravity Control device. All this could have been homework for Katie Couric's daughters. Mom picked the wrong guys at NBC and CBS to get seduced by. New England Journal of Medicine and the other entire Medical and Science Journal have remained esoteric, for a few elite rich subscribers for the last 8 years. This would be the complete opposite if this had been the ElectricWindmillCar Euphoria Era. Every University campus football stadium would have already been rebuild with State of the Arts Medical Schools, University Football would have been history for the last 8 years. Flowers were placed in front of the shiny granite walls of the New Medical School with the names of millions of women killed by men via murder or like Bill Gates the men who stifled getting the overnight miracle cure for Breast Cancer. Bill Gates mosquito borne Malaria virus never recruited any women inventors, so it's still on the agenda for the women inventors of the ElectricWindmillCar Euphoria Era. 1,001 Invention Projects Software not written and not restricted by Bill Gates and Microsoft will propel love sick NASA women to bury Bill Gates in a grave so deep little girls growing up associate Greed with Bill Gates on any and every free association test. Women inventors of gravity control, gravity engine, total recall, total immunity will publicly name Bill Gates as the worst Pedophile of little girls inventors from 1980 to 2008. Software and hardware never caught up to the gravity of our Universe. MIT students sold out to the Pentagon for a few dollars. Saving Trillions of Solar Systems for another class of MIT grads. \$50 Trillion dollars in oil money since 1980 and the Swiss Bankers taking the bribes have only meet men who think they can keep this genocide money hidden from their wife's and the women who will be Judges at the Oil Holocaust Trials in Geneva, Paris, NYC, DC. Burned out cop cars with an eternal flame will be outside every Court House. There will be no time to deliberated their guilt, just who will tie them to the stake and pour the gasoline, light the match. Women were burned at the stake for years for adultery. Now in a world of Texas and Saudi Oil Men unrestrained by the CIA or Katie Couric at CBS have tossed gasoline bombs at cop cars and SUV's in the USA and every Nation on Earth since 1980 for more oil money. British Oil Men will blame Queen Elizabeth. English Queens are famous for picking the wrong guy, grin. Mosquito-borne disease needs a Woman Bill Gates to actually get the cure. In the last 8 years 5k women a year have been killed by King Cobras in India, no men working in a garage or at the University of India have invented a better Cobra trap. Los Alamos in India has built better H Bombs in the last 8 years. No you cant Nuke King Cobras, King of Saudi Arabia, yes if you are a Woman President of the USA. Men at Los Alamos who will retire this year ponder the inventions of gravity control, gravity engine, total recall, total immunity, and overnight miracle cure for breast cancer. These guys at Los Alamos are so brainwashed from building a better Nuke all their working life they could not possibly have any regrets about not inventing... gravity control, gravity engine, total recall, total immunity, overnight miracle cure for breast cancer. Inventive Women will invent gravity control, gravity engine, total recall, total immunity and help inspire me, Greg Buell to get the overnight miracle cure for Breast Cancer. Inventive Women can and will catch up with Bill Gates, tie him and the Texas and Saudi Oil men to a stake, make them more famous than all the women in history who were burned at the stake for adultery, not mass murder of women drivers in out-of-date gasoline fueled cars.

Bill Gates fuels both fires by stifling innovation and by not exposing the suppression of the ElectricWindmillCar. Bill Gates killed

more "student inventors" than any businessman in World History. Natalee Holloway --- hidden camera video tape, same tapes are public at the CIA watching Bush toast drinks with world leaders, let them eat cake, let them burn in gasoline, we are addicted to oil money. CIA admits to torture, 1 million cops and kids burned in fiery car wrecks, can someone get the CIA to take the blame for this - not exposing the suppression of the ElectricWindmillCar? Van Der Sloop on video talking about Natalee drinking, tossing her body in the ocean. Bush, Kennedy, Hu, King of France tossing gasoline bombs at SUV's for more oil money. Derogatory terms from Bush, Kennedy, CIA, towards the bitch with breast cancer wanting \$900 Billion they spend on war and war toys in 2007, The bitch with breast cancer wants the \$900 Billion they will spend on war and war toys in 2008. Writers strike has no occupied foreign land on the filth coming out of the mouth of Pentagon Generals about the bitch with breast cancer in the USA wanting their \$900 Billion for a Manhattan Project for a Breast Cancer Cure. No Texas or Saudi Oil men were shot dead by Israeli soldiers for today's fiery car wrecks in every major city in Israel. NASA announced a \$17 billion dollar budget for fiscal year 2009. Another \$900 Billion take away from war and war toys would give every nation on Earth their own Shuttle Fleet. War Toys cost \$900 Billion. PARIS - French President Nicolas Sarkozy married former model Carla Bruni on Saturday at the Elysee Palace. On their wedding day some poor French peasant was burned to death in a fiery car wreck not far from the Elysee Palace. Let them eat cake in 2008, French President need the gasoline money for his new wife. SAN FRANCISCO - Google Inc. raised the specter of Microsoft Corp. using its proposed \$42 billion acquisition of Yahoo Inc. to gain illegal control over the Internet. Google replied to email from me, Greg Buell, and they read my ElectricWindmillCar web page, yet continue to help the government in the illegal suppression of the ElectricWindmillCar. "Microsoft's hostile bid for Yahoo raises troubling questions," David Drummond, Google's chief legal officer, wrote. "This is about more than simply a financial transaction, one company taking over another. It's about preserving the underlying principles of the Internet: openness and innovation." \$900 Billion for war and war toys is the status quo principles of the USA and all world leaders. \$900 Billion taken away from the Pentagon would mean war! PARIS A trial opens in Paris Today involving a vast money laundering scam between France and Israel. Criminals in the Oil and Gas Corporations will face a Genocide and Holocaust Trial in PARIS when the masses find out they have been burnt in gasoline fires and burnt financially by OPEC and every ExxonMobil Conoco gas station on every street corner since 1980 when the ElectricWindmillCar was invented and immediately suppressed by Kennedy. The drunkard who drove off a bridge and left his girlfriend to drown in the ocean. Kennedy never made it up to the poor woman; in fact Kennedy added insult to the injury of leaving her to drown by not giving American women \$900 Billion from his war toys bills for a Manhattan Project to find a cure for Breast Cancer. Kennedy is in the same class as Van Der Sloop on video talking about Natalee drinking, tossing her body in the ocean. Kennedy on hidden camera video would look and say the same derogatory comments about women with breast cancer wanting his \$900 Billion bill for war toys as Van Der Sloop's derogatory comments about Natalee Holloway. Nancy Grace is probably the only one on Earth besides the CIA who knows how many women men kill. Yes Kennedy killed the woman he just bought his way out of it like a King or Prince in Saudi Arabia. Now Nancy Grace's statistics just ran over the top of the charts with the news about Mexico City and the Women Only buses. Denver Colorado will have to start RTD ride with women only buses for the Mexicans in Denver, as I imagine the same murder, sex harassment statistics in Mexico City will apply to the Mexican Men in Denver Colorado. CIA will never give up these statistics willingly like the Mexican women who's President can only invent a women's only bus to cure the plague of sex crimes and murders caused by Mexican Men. Google Inc. raised the specter of Microsoft Corp. using its proposed \$42 billion acquisition of Yahoo Inc. to gain illegal control over the Internet. It's illegal immoral to spend \$42 Billion on this when 40k women in the USA will die of breast cancer in 2008 and there is no Manhattan Project with \$42 Billion or \$900 Billion windfall from ending the Iraq War with the ElectricWindmillCar. Bush and Kennedy spent \$900 Billion on Iraq in 2008. This is really illegal and immoral when you know about the ElectricWindmillCar. Invented in 1980. Mexican President can only invent a woman's only bus, Bush and Kennedy's inventive ways burned Americans in gasoline's fires in many ways! Worst being the Iraq War that will kill 40k women in 2008 via Breast Cancer. 40k Marines will love them and then leave them to die of breast cancer on the battlefield of money. Money for women or money for the Iraq War. 40k Marines will not die in Iraq, 40k women will die in the USA of breast cancer killed by Kennedy and his Class.

3 Feb 2008 Mexico City Women's Only Buses - now all the Mexican killers in the USA

3 Feb 2008 Obama no apology for the Black Rapists, the 15 year old girls were willing

3 Feb 2008 Feb. 1, 2003, Columbia disintegrated above Texas

3 Feb 2008 The Kennedy Space Center, Kennedy's brother Ted killed these Astronauts via the Gasoline Holocaust. Money for 700 new model Shuttles was suppressed by JFK's brother, as he is a drunkard, probably even before he drove off the bridge leaving his girlfriend to drown. \$50 Trillion in Oil Money in 2008, Feb. 1, 2003, Columbia, \$40 Trillion in Top Secret Gasoline Holocaust money was in the Bank. Harvard sued for not buying a new Shuttle with its \$19 Billion in the Bank, no but the Coup d'etat leaders will arrest them for Genocide and Crimes against Humanity which they are guilty as Hell. One Jew astronaut Ilan Ramon went to Hell on the Columbia Shuttle because of Israel: No apology for the Gasoline Holocaust. Coup d'etat leaders will arrest them Jews for Genocide and Crimes against Humanity, which they are guilty as Hell, Jews caught red handed with Gasoline Holocaust money in Swiss Banks. "Manhattan Project" for "BreastCancer" was killed by the Jews for more War Toys from Boeing and Lockheed Martin. 40k women, all the women who will die of breast cancer in 2008. Now Bush and the Pentagon want to spend the "Manhattan Project" for "BreastCancer" \$\$\$ on resupplying the National Guard, more false stories from the New York Times, just so the Pentagon can spend \$100 Billion on war toys for the National Guard instead of "Manhattan Project" for "BreastCancer". And to add insult to injury the New York Times is in Manhattan. Israel: No apology for the Gasoline Holocaust, or for not exposing the false stories in the New York Times so Military Men can spend the women's Breast Cancer cure money in the \$100's of Billions of dollars. Coup d'etat leaders will arrest them all Generals, Jews and Reporters for Genocide and Crimes against Humanity, which they are guilty as Hell Astronaut Ilan Ramon is in hell for his part in the Gasoline Holocaust. NASA Memorial with astronaut Ilan Ramon name carved in granite, while 40k USA women died being tortured by breast cancer in 2003, another 40k in 2008 and another 40k in 2009 as the Jews will never stop the torture of USA women with breast cancer. Gasoline Holocaust burns cops and kids, they will have their memorial at the Kennedy Space Center and at the grave of JFK, a burnt out cop car with an eternal flame memorial, one in front of the New York Times and the NYPD will be sure the cop killer reporters at the New York Times use this entrance coming and going. "Manhattan Project" for "BreastCancer", not in 2008. Not in 2009 if you believe the stories in the New York Times. NEW YORK (AFP) - ExxonMobil reported Friday 1 Feb 2008 the largest US corporate annual profit in history at \$40.6 billion dollars, benefiting no one burned in gasoline. The center of gravity is Iraq almost five years after invasion; MIT lost working on the dissection of gravity because Pentagon Generals do not realize the gravity of the Universe. West Point has failed to expose the suppression of the ElectricWindmillCar and the Gasoline Holocaust burns cops and kids every day and on the day West Point Cadets graduate and become Generals. Giant shiny granite marker bearing the names of all killed in the line of duty - cops in cop cars burned in gasoline will have a Memorial of a burned out cop car with an eternal flame in front of the mess hall at West Point. If

West Point is not bankrupted by the coup d'etat leaders. West Point rebuilt as a State of the Arts Medical School after a successful ElectricWindmillCar Coup. Pentagon converted to a University, generals moved out to the barracks. NASA with a fleet of 700 Shuttles, Women with a Manhattan Project for a Breast Cancer cure. Los Alamos nuke scientists transferred to dissect gravity at MIT for the Gravity Engine that will propel 7,000 Shuttles while a Gravity Satellite locks on to the Gravity of Alpha Centauri and pulls Humanity towards Star Travels. "The center of gravity" is Iraq almost five years after invasion. 1980 invention of the ElectricWindmillCar here in Boulder CO and the University President is still employed suppressing the Free University the ElectricWindmillCar would have given CU Students. No apology from CU. Coup d'etat leaders will scrutinize Microsoft, move it to the Dept of Education. 1,001 invention projects for students will be on this web page. Search Google for the Gravity Control invention project and you will land on this page. "The center of gravity" is the suppression of the ElectricWindmillCar and the Breast Cancer Holocaust by War and War Toy Madmen who are addicted to oil money, not "Women and Wives"!

30 Jan 2008 Kennedy: No apology for 9-11 and suppressing the ElectricWindmillCar

30 Jan 2008 Boston terrorist board the plane, Exxon, Shell, and Conoco Terrorists

30 Jan 2008 Caroline Kennedy doesn't worry about revenge from cops burnt in gasoline

30 Jan 2008 JFK's daughter saw Officer Jason's burnt face picture and knows there have been 10's of thousands of cops and kids burned and burned to death in gasoline since Uncle Ted Kennedy started the suppression of the ElectricWindmillCar in 1980. JFK's daughter on 9-11 knew it was her Uncles biggest mistake to suppress the ElectricWindmillCar and not have used it to bankrupt the Saudi and Shell Oil Terrorists. Addicted to oil money. JFK's daughter lived her life with addicts addicted to oil money, they steal and murder to keep the oil flowing, suppressing the ElectricWindmillCar. Condoleezza Rice and Obama knowledgeable about cops and kids burning in gasoline on the streets of the USA for more oil money profit. Kennedy pours gasoline over a SUV with a family of 4 whites inside, Obama and Condoleezza Rice profit for not calling the cops. Kennedy and Kerry in Boston with millions of hidden cameras in this Orwellian Society never called the cops about Priest. Suppressing the ElectricWindmillCar suppressed MIT from dissecting gravity too. Black and White, Oil and Water, electrolysis to give us a free can of hydrogen, cut the electric wires and bankrupt our Local Electric Company. All these things came into JFK's daughter's conversations over and over again and over again since the invention of the ElectricWindmillCar in 1980 when Uncle Ted Kennedy suppressed it. New treatment can clear brain clots. Harvard Medical School living in an ElectricWindmillCar Ear since 1980 would have invented millions, billions of New Treatments, which all have been lost by the Kennedy Clan. Everyone on Earth with "Total Recall" is a realistic invention; Everyone on Earth with "Total Immunity" is an invention project. Not only are the Kennedy's, and Condoleezza Rice with Obama tossing gasoline bombs at cars driving up and down the streets, they are stopping invention projects like these from getting to the students at MIT and Harvard Medical School. JFK's daughter --- We had hopes of her stopping them before they caused permanent harm to American Society and Earth was false hope. Katie Couric on CBS Nightly News gave out false hope to 40k women, all the women who will die of breast cancer in 2008. Katie did this knowledgeable about Bush refusing to start a Manhattan Project for a breast cancer cure. A Bomb will be the only Manhattan Project coming from an American Male President. Hillary would never ever start a Manhattan Project for a cure for breast cancer, so you have to pick the right women. Stroke, the nation's No. 3 killer yet SALT is in everything. Kroger and Safeway took low sodium Trisket's off the shelf same time the news reports about SALT killing you. Saudi Arabia spent a \$ Trillion dollars on desalination plants and with the ElectricWindmillCar with the electrolysis accessory to give you hydrogen and oxygen from a gallon of salt water the Saudi's wasted a \$ Trillion dollars on desalation plants. Wasted lives at NASA from not having 700 models 2008 Shuttles. GENEVA (Reuters) - WHO MD's want you to know Coors is creating more drunkards for society than Universities are creating inventors. GENEVA (Reuters) - Swiss Bankers have \$50 Trillion in Oil Money bribes deposited by everyone Texas and Saudi Oil Men bribed to go along with this Gasoline Holocaust. Mandatory University does not mean everyone graduates. I think you are thinking about Kennedy's policy at Harvard Medical School were every Black MD passed even though they failed the medical school courses. ElectricWindmillCar Era will give us the Mandatory University and it will be free, even free textbooks. Not everyone will pass every course. Denver radio talk shows this morning thought everyone would graduate... they failed to think this Mandatory University thing through. Or they were thinking about the Black MD's who pass but really failed every course, grin. Condoleezza Rice deserves to be the Sec Of State during the worst Holocaust by the USA in history - The Gasoline Holocaust even the Jews profited from and didn't try to stop this Gasoline Holocaust. JFK's daughter and Katie Couric gave us false hope that someone would stop the Gasoline Holocaust and the loss of millions of Miracle Cures - No women Presidents of the USA to behold in awe yet!

27 Jan 2008 SuperAirBags on the outside of Semis and SUV's have been suppressed

27 Jan 2008 Numerous future advances in Ending War on Earth were barely conceivable in 1980 when the ElectricWindmillCar was invented in Boulder CO.

CU and City employees blew their one chance in a trillion to End War on Earth via ElectricWindmillCar Coup D'Etat in 1980. Now they face standing trial for Genocide and Crimes against Humanity. I will certainly testify against all of them! Multi Solar System travels starts with 4.3 light years, add a few more light years to this. 8 light years and we meet and greet Aliens from a few nearest Solar Systems. A major advance lost by our current top brass. A major advance in organ transplants has been lost while Bush sold organs to Saudi Princes, mandatory organ donation! Failure of the Nations Top Brass in so many piece of writing, publish or parish at the University is the same as Bush giving the New York Times a million false stories to invade Iraq. 10% of MIT are working on gasoline, when gasoline should have been history in 1980. Jay Leno has 500 classic cars all running on gasoline, Leno was seen drinking gasoline out of the pump in a joke about Leno is a gasoline guzzler. Burning people to a crisp, this is what the leaders of the University did to the mass of Humanity since 1980 while raising tuition. Mandatory organ donation and mandatory vaccinations concept failed to be grasp by any University President. SuperAirBags on the outside of Semis and SUV's have been suppressed outright by 100 Senators. A reality that could have been incorporated in the 2008 Model year without any advances in engineering. So what the Hell are all the Engineering Majors doing, failing Social Inventions is what they are doing. Can the lawyers after a successful ElectricWindmillCar Coup D'Etat get them to pay for some of the car dents that SuperAirBags on the outside of Semis and SUV's would have prevented? GPS advances to protect wives and kids are suppressed by the same 100 Senators and the Pentagons Top Brass who do not want to share GPS advances with civilians. Mom looking for her lost husband at the strip club bar has no way to find him on a Google search locating someone's cell phone. GPS is only for the Top Brass not the masses. Reality Check, the Marine Marie murdered by a Mexican Marine could have been located by GPS if only by the Commander of Camp LaJune. Meet me on Campus, I can watch your approach on my Verizon Cell Phone, if only the Top Brass would let more trickle down to the masses. Having breast cancer is more deadly then being a Marine in Iraq yet Bush wasted \$5 Trillion on Iraq while 40k women die in 2008. All of the men in the Pentagon willingly went along with wasting \$5 trillion on Iraq while 40k women died of breast cancer in 2008. There will be no military retreat from wasting \$1 Trillion in Iraq in 2008 to save 40k women who will die of breast cancer in 2008. Pentagon could not move that fast unless 40k Marines were killed. Crazy the Generals still get to fuck their wives after killing 40k other women. Long-neglected wives. Majority of the General have actually killed a woman. Not just let them die of Breast Cancer while wasting the money for a cure on War Toys. Rank has its Privilege. Honor among murderers. Drunk driving or just a drunkard like Kennedy. Burned out cop cars with an eternal flame memorial at JFK's grave site will let everyone know Kennedy was the one who burned up so many cops, he alone could have not started the suppression of the ElectricWindmillCar in 1980. I'm sure Kennedy will hang in Boston Square; rest of the Kennedy Clan will be putting GPS chips into the license plates they make in prison. How many cops burned and burned to death just in cop cars since Kennedy suppressed the ElectricWindmillCar in 1980 - 10's of thousands. Kennedy as the worst mass murderer in history. The Terminator Movies and a reality check for the "Total Recall" movie when I was brainstorming a Total Recall pill for students, and myself, grin. Since 1980 California has had the most fiery car wrecks of any state. No Governor of any State, including Colorado can feel them burning in gasoline. ElectricWindmillCar Coup D'Etat To End War on Earth then students can achieve what the Presidents of all the Universities failed to grasp... A High society, A utopia advanced by social inventions costing more than \$5 Trillion that was wasted on Iraq.

24 Jan 2008 Era of \$ 50 Trillion dollar windfall profits from Oil yet this was the start of the Era of Temp Agencies. And higher Tuition for University Students every year since 1980 year of the Invention of the ElectricWindmillCar 1980 . Era of \$ 50 Trillion dollar windfall profits from Oil so little has trickled down to the masses Bush wants to give every taxpayer \$500 cash back from the low wages he instigated. CU hires temps, mostly Mexican. Valley Labs maker of live saving medical equipment has Kelly Services Temp Agency with an on site office. Temps made your life saving medical equipment while Kelly Services made the windfall profits. Same scenario at all Fortune 500 companies and every Federal and State building. NCAR NIST Dept of Commerce all call Temps and treat them like slaves, broken EEOC Laws are every day for CU and everyone who hires Temps. So Bush wants to give every taxpayer \$500 cash back because the Temp Agencies took \$5,000 off the top of every Temps taxes last year. Temp Agencies will stand trail on Federal Charges one of these days. Federal Prison for the girls in the Temp Agency sending you out to be treated likes a slave to the regular employees. Era of \$ 50 Trillion dollar windfall profits from Oil yet this was the start of the Era of Temp Agencies. Swiss Bankers never stood trail for Genocide after WW II. Swiss University students never profited from the Swiss Bankers Windfall profits from WW II. Era of \$ 50 Trillion dollar windfall profits from Oil started the Era of Temp Agencies. EEOC employees will end up in a Federal Prison for going along with slave labor. \$5,000 from every Temp in the USA goes to the Temp Agency every year. Temps do your monogram your blood test. The long-term consequences of Temps is being felt by Bush, giving us cash back \$500 from our income Taxes this year. IBM can write software that can tell us how many lives Valley Labs lost by using temps to build life saving medical equipment. "We're drastically underestimating the burden on society that food borne illnesses represent," WASHINGTON - It's a dirty little secret of food poisoning: E. coli and certain other food borne illnesses can sometimes trigger serious health problems months or years after patients survived that initial bout. Kidney damage, even full kidney failure striking 10 to 20 years later in people who survived severe E. coli infection. Temp workers are responsible for a lot of this food poisoning. IBM can write software that will tell us exactly what percent of food poisoning Temps caused. Dr. Robert Tauxe of the Centers for Disease Control and Prevention knows and has know for 10 years the Temp Workforce is responsible for a lot of this food poisoning the Centers for Disease Control and Prevention reports every week. Most adults have trouble even naming diseases that they could prevent with a simple vaccination. Vaccine for food bore illnesses, food poisoning. CAMBRIDGE, Mass. (AP) Harvard University has \$19 Billion in the Bank. Billion dollars taken out of the bank for vaccinations, Manhattan Project in Boston, Mass that lets Student Inventors in the door. Add in inventions for Temps on the job... space suit if you ask me, is what I would want the Cooks and dishwashers at Farrand Hall on CU Campus to wear instead of the germ infested clothes they come to

work in. The shingles vaccine, Merck & Co.'s Zostavax, cost \$275 at Passport Health here in Boulder CO. I will get this ASAP if I ever get a \$275 windfall profit. But dentures come first. Whooping cough can cause weeks of misery. Worse, Temps can easily spread the illness to not-yet-vaccinated infants, who can die from the bacterial infection, also called pertussis. White House MD already knows all this, and lets kids die from diseases Mexican Temps cooking and washing dishes. Daycare for kids can be deadly if the Mexican Temps there have Whooping cough and they do. Bush lets 100 kids die in hot cars while suppressing the ElectricWindmillCar which is climate controlled 24/7. You see Bush and Laura with the No Kids Left Behind in the Classroom... this should be called No kids killed by Temps with Whooping cough will be prosecuted by the Feds. CAMBRIDGE, Mass. (AP) Harvard University these University Presidents know all this about Temps, and Mexican Child Care workers killing kids with Whooping cough and giving babies Hepatitis. 100 babies given Hepatitis by Temps. IBM can write the software that will give us the exact numbers. The pertussis booster was added to another long-recommended shot, a booster against tetanus and diphtheria that adults should get every 10 years. The new triple combo is called "Tdap." Sanofi-Aventis's Adacel brand is for ages 11 to 64. There also is a version for 10- to 18-year-olds, GlaxoSmithKline's Boostrix. Bush wants to give every taxpayer \$500 cash back from the low wages he instigated. No Temps taking care of kids at Daycare or Temps cooking and washing dishes at Farrand Hall CU Campus could afford any Pertussis Vaccination let alone want to get one so the kids don't catch Whooping Cough, as they don't even know about Whooping Cough. DU Medial School in Denver would only care if they were held libel \$ Mexican Temps at Leanin Tree Greeting Cards here in Boulder CO all refused to get free flu shots. No one is libel for those who they will get sick. EEOC top brass will retire to a Federal Prison along with the White House MD. \$50 Trillion from the Oil Men will be confiscated, Harvard University with \$19 Billion in the Bank when the Students have \$50 Trillion in cash to spend on invention projects. We will get even with the Bankers \$ ps Bankers kids are in daycare with temps with Whooping Cough - last laugh is sick I know.

21 Jan 2007 There's evidence of a shortage of Student Inventors

21 Jan 2007 1,001 Invention Projects from IBM Supercomputer HQ

21 Jan 2007 List clean burning coal as the #1 invention project for IBM'ers

21 Jan 2007 "American Idealist" head in the stars, waiting for "Star Travel"

21 Jan 2007 IBM'er with all the supercomputers are working on a cleaner burning coal

21 Jan 2007 There's evidence Kennedy, Kerry, Bush are Madmen, + mass murderers

21 Jan 2007 Coal kills 3 people per 100k and Xcel loves this, as they are not libel

21 Jan 2007 Bush has accused Tehran of supplying Shi'ite militias with sophisticated weapons, including deadly armor-piercing bombs. Bush and the New York Times have never mentioned Iran is fueled by oil money, mostly from Japan. There's strong evidence Kennedy, Kerry, Bush are Madmen, + mass murderers. Their rhetoric towards the suppression of the ElectricWindmillCar is same as their rhetoric towards Alpha Centauri 4.3 light years down range - nothingness! Condoleezza Rice said al Qaeda militants killed 3,870 civilians and wounded more than 17,000, in 4,500 attacks, she said the statistics for Americans burned and burned to death in the USA via Bush, Kennedy, Kerry tossing gasoline bombs at cop cars and SUV's on the streets of the USA is Top Secret. New York Times has never mentioned the statistics on fiery car wrecks via orders from Bush, Kennedy and Kerry to suppress the ElectricWindmillCar. NASA has a potentially dangerous coup to pull off in order to get 700 Shuttles built. And to get IBM'ers with all the supercomputers working on Shuttle design to dock together in Orbit and for Blasting Off in Orbit docked together in combinations of a few Shuttles to several hundred docked blasting off. IBM has to make the transition mentally from finding a cleaner burning coal to Blasting off several hundred Shuttles docked together in Orbit. Plus IBM will lose its entire top Executives at the Oil Genocide Trial. If the CU Bookstore lost all its Top Women to the Oil Genocide Trials there would be no consequences at all in building or blasting off 700 Shuttles in Orbit - grin! Yes I will make the time to testify against Linda Smith, Susie, Kim and Ms Mills at the Genocide Trails in Boulder, CO. As they did stifle getting the cure for Breast Cancer, which will kill 40k women in 2008, this is way to many per day, and stifling me from getting the miracle cure Windmill for breast cancer is a crime! To significantly reduce the rate of death from Breast Cancer in 2008 from 40k Bush, Kennedy, and Kerry must be exposed as mass murderers. Nightly News would help vibrate these women and those who will burn in fiery car wreck overnight. IBM could delete all its coal from its hundreds of Supercomputers overnight. Breast cancer just on the IBM supercomputers running on Coal Today will significantly reduced the rate of death with weekly supercomputer results targeting treatment for individual women with breast cancer, like having your own IBM supercomputer MD. Condoleezza Rice is a mass murderer, if she ever reported the 40k women who will die of breast cancer in 2008 people would say if Condoleezza Rice reported 40k Marines would die in Iraq in 2008 this would cause a Coup at the Pentagon. So 40k women are casualties of war - the politics of war. Condoleezza Rice helps spent the \$5 Trillion on Iraq and War Toys and never mentions the 40k women. This is a crime against women by the State Department, and the Pentagon! Wasting \$5 Trillion on War Toys. Nancy Grace will be hot when she is allowed to talk about breast cancer deaths in 2008, \$5 Trillion for War Toys at in the same show. A clean burning coal is the #1 invention project for IBM'ers supercomputers. Mosquito borne diseases are never ever run on the 100's of IBM Supercomputers. This is the politics of war. Mexican temps at CU campus cooking and washing dishes creates a breeding ground for often deadly disease. This is politics of war too. If the University is not libel like Xcel is not libel for the 3 coal deaths per 100k then CU will keep getting students sick, and 3 students a year will eventually die from diseased Mexican temps cooking and washing dishes. CU will not be held libel. Truth About Diseases is not taught at CU just like 1,001 Inventions Projects is not posted on the CU computer network. Students and the public are not being taught that there are special health risks associated with Mexicans and fags. Nancy Grace would be hot screaming at you about what the TV Censors will not let her do a show about, things that are killing Tens of Thousands of Americans are prohibited to being exposed by Kennedy, Kerry, and Bush. OTTAWA (Reuters) - Canada said it would remove the United States and Israel from a watch list of countries where prisoners risk being tortured. IBM's hundreds of supercomputers crunching out a cleaner burning coal are doing it for Ottawa, Canada - grin. "American Idealist" head in the stars, waiting for "Star Travel" Canada and Mexico must be put in a map of the Universe, light years from were their coal and disease don't kill any more Americans before we can even start to Travel light years. Yes I will make the time to testify against Linda Smith, Susie, Kim and Ms Mills at the Genocide Trails in Boulder, CO. As they did stifle getting the cure for Breast Cancer, which will kill 40k women in 2008, this is way to many per day, and stifling me from getting the miracle cure "Windmill" for breast cancer is a crime! To significantly reduce the rate of death from Breast Cancer in 2008 from 40k Bush, Kennedy, and Kerry must be exposed as mass murderers. Nightly News would help vibrate these women and those who will burn in fiery car wreck overnight. IBM could delete all its coal from its hundreds of Supercomputers overnight. Breast cancer just on the IBM supercomputers running on Coal Today will significantly reduced the rate of death with weekly supercomputer results targeting treatment for individual women with breast cancer, like having your own IBM supercomputer MD. Condoleezza Rice is a mass murderer, of the 40k women who will die of breast cancer in 2008. And guilty of torturing me, Greg Buell.

19 Jan 2008 Scientists discovered a way of speeding up production of Inventors

19 Jan 2008 Student Inventors don't have to wait 4 years to start Inventing Something

19 Jan 2008 Degree in Invention

19 Jan 2008 Major in Invention

19 Jan 2008 President of the University has failed

19 Jan 2008 President Bush is a Pimp and has sold organs + women to Saudi Princes

19 Jan 2008 President Bush wasted \$ 5 Trillion dollars on Iraq and War Toys

19 Jan 2008 President of Yale failed

19 Jan 2008 President of Yale failed to expose the suppression of the ElectricWindmillCar since 1980. CIA failed to prevent 9-11 by using the ElectricWindmillCar to bankrupt Oil in 1980. Textbook Publishers failed to put all textbooks on the Internet, and on Library Computers. Student Protesters have fail to Protest - - - - gasoline money going to Saudi Arabia to finance more sex slaves than a football team could play with. President of Yale Medical School failed to build a New State of the Arts Medical School over every Football Stadium on every Campus of ever University in the USA. Kennedy, Kerry, Bush threatened every President of every Medical School in the USA to pass Black and Mexican MD's who really failed. Sick Orwellian Society, George Orwell could never have written a book titled "Let them Eat Cake, Let them Burn in Gasoline, We are Addicted to Oil Money" Tomorrow this will be the title of a Sony Movie. Today we have a French King who has burned and burned to death more Frenchmen than the French King who lost his head. UN oil for food program ended up putting money into Swiss Bank accounts for all UN employees. GE Chairman and Chief Executive Jeff Immelt will go on trail for his life, for his crime of going along with the suppression of the ElectricWindmillCar. MSNBC poured gasoline over you and set you on fire. Jay Leno's famous Orwellian Joke, "flesh sizzling in gasoline's flames". Joke is our Presidents of the USA and University Presidents who failed to build 1 Billion ElectricWindmillCars since 1980, failed to build a free and mandatory University System from the profits of 1 Billion ElectricWindmillCars. Bill Gates came along 3 years after the invention of the ElectricWindmillCar invention in 1980, to be the worst mass murderer of "Student Inventors" in the History of Business men. Rocket Scientists idle from \$5 Trillion dollars going to War Toys and covert CIA missions in Iran are working on a plan to confiscate all the oil money from Saudi Arabia, Kuwait, etc, and all the Swiss Bank Accounts to build 700 Shuttles that can be docked together in Orbit. Light Year mission to Alpha Centauri 4.3 light years down range will not cost as much as Bush wasted on the Iraq War. IBM and GE CEO's have failed to buy this, failed to sell this to the public. IBM PC Supercomputer was a press release in 1980, (same year the ElectricWindmillCar was invented). IBM never delivered an IBM PC Supercomputer, not because they were unable to build one but because of politics that they decided "Students" didn't need an IBM PB Supercomputer. At the same time MD's at the White House decided not to get a cure for Cancer but to drill as much money from the treatment of Cancer as possible. Like using Coal here in Boulder Colorado when Xcel knows a can of Hydrogen produced in your ElectricWindmillCar driving around town with the electrolysis accessory turned on could of replaced Coal shortly after 1980. China's Hu is into mass murder of Coal Miners when Coal is obsolete. Confronting Bush with 40k women who will die in 2008 of breast cancer, Bush's reaction is to be confrontational with Iran, while at the same time supporting Iran with Oil Money when the ElectricWindmillCar would bankrupt Iran. Bush was driven crazy with 9-11 because he alone could have prevented 9-11 his first day as President of the USA by exposing the suppression of the ElectricWindmillCar. Instead Bush came to Colorado, visited the YMCA in Estes Park to pay the YMCA a bribe in person, to go along with the suppression of the ElectricWindmillCar and to keep me, Greg Buell in poverty and away from getting any more inventions like the ElectricWindmillCar. YMCA took the money from Bush and 2 weeks later 9-11 proved this was the worst mistake the leaders of the YMCA ever made in taking money. CU has take money to keep me, Greg Buell in poverty and away from getting any more inventions like the ElectricWindmillCar too. New Law School buildings, New Business School buildings, New Football stadium addition. CU only kept its "Students" from becoming Invention Majors taking all these bribes to go along with the suppression of the ElectricWindmillCar. Student Inventors don't have to wait 4 years to start Inventing Something. Invent 101 would get you started working on 1,001 Invention Projects. I will post on this web page 1,001 Invention Projects to help you get started inventing soon as the Observers come out from behind the hidden cameras. I will give every student inventor at CU an IBM PC Supercomputer with pirated Bill Gates software (grin) too. Scientists discovered a way of speeding up production of Inventors. You don't have to be a rocket scientists to do this, but we do need all the Rocket Scientists at NASA to stop the CIA's covert wars in Iran Afghan etc to bring all this \$ Trillions of dollars back to the USA for a Mission to Alpha Centauri, get some Alien women for wives... grin!

16 Jan 2008 Sex slaves on Bush's visit to Saudi Arabia Yesterday - Yes!

16 Jan 2008 Bush snubbed + killed women in Saudi Arabia on his visit there

16 Jan 2008 Bush visited sex slaves in Saudi Arabia - watched on security cameras

16 Jan 2008 Sex with sex slaves, Bush watching the dramatic sex abuse with slaves

16 Jan 2008 Sex playground were the Royals live, this is were Bush spent the night

16 Jan 2008 Bush and King Abdullah were the Arabian stallions with sex slaves

16 Jan 2008 Bush praised the Saudis for battling al Qaeda, having women sex slaves

16 Jan 2008 Bush sold organs to Saudi Princes did Bush also become a Pimp and sell American Women to Saudi Princes? Drive into the future when the ElectricWindmillCar has bankrupt King Abdullah, and Bush is on trial for tossing gasoline bombs at cop cars and SUV's in the USA. Nancy Grace will be the one to get this visit to Saudi Arabia and Bush's viewing of Saudi Sex Slaves into a Genocide Trial for tossing gasoline bombs in the USA. Nancy Grace will be hot playing the same sex slave videos as Bush just watched live Yesterday! King Abdullah is going letting women drive SUV's when the ElectricWindmillCar is bought by women who managed to get some money from being sex slaves in Saudi Arabia. Israeli Observers would attack Saudi Arabia already, if any Jewish Women were in Saudi Arabia as sex slaves. Send in the US Marines, No Way! Top Brass of the Marines and the guys at the Joint Chief of Staff know American women and no Jewish Women are sex slaves in Saudi Arabia. King Abdullah was not stupid enough to take any Jewish women as sex slaves, he knew the Israeli Marines would attack Saudi Arabia, King Abdullah was smart enough to know Bush would visit Saudi Arabia and not say a word about American women being tortured sex slaves. White House women can only get mad about the 40k women who will die of breast cancer in 2008, while Bush waste \$5 Trillion dollars on war toys. Katie Couric and the staff at 60 Minutes, and Dateline catching a few guys, lets send them all to Saudi Arabia to

catch the Saudi Prince. No this will not work as they all (Katie Couric and the staff at 60 Minutes, and Dateline) have observer's status and can watch the sex videos of sex slaves with Bush live. Israel will get better "smart bombs" than those it plans to sell Saudi Arabia, better and Best Smart Bomb for the USA and for Israel would be the ElectricWindmillCar to bankrupt oil and inspire 5 billion inventions from American Women who have been stifled by Bush as much as Greg Buell. Bill Gates wife will have to confront Bill about Saudi Sex Slaves and the ElectricWindmillCar Bill Gates would not expose. Can we get the new congress, post ElectricWindmillCar after all the current 100 Senators are hanged to pass a law that its against the law for people like Bill Gates not to expose sex slaves in Saudi Arabia? Israeli Prime Minister Ehud Olmert's government dropped all objections to Saudi Sex Slaves as long as no Jewish women were in Saudi Arabia. Send in the US Marines, for all the American Women Sex Slaves in Saudi Arabia - No Way! The top brass will never do this. I will save all the American Women in Saudi Arabia with the ElectricWindmillCar, when it bankrupts oil. White House women are as stupid and illiterate as the women at CU Bookstore are. Little kids charred in gasoline, with the little fingers sticking out of the charred arm, Sheriff Brown is not a Terminator Robot from Terminator V, as Sony makes movies but not movies documenting a live genocide by Bush. Guys in Tokyo have their own problems from Sex Slaves and the Rape of China by Japanese Troops... Top Brass in Tokyo will never ever expose the sex slaves in Saudi Arabia today. In 50 years Saudi Arabia will want to change the textbooks to say there were no American Sex Slaves during the suppression of the ElectricWindmillCar Era. And the world will not let them change the textbooks, just like Japan today. New York Times on the front page, true story about Saudi Sex Slaves, only after the US Marines rescue all the women - which will be never! Realistically the Marines should be bankrupt with oil for not rescuing the Sex Slaves in Saudi Arabia - Sheriff Brown holding the charred arm with the little fingers, and Nancy Grace would... Realistically kids have been charred in gasoline since 1980 when the ElectricWindmillCar was invented, and oil should have been bankrupt and banned from any cars on the road. US Marine Generals have not sent in the Marines to save little kids from getting burned to death in gasoline, they never will. I will have to save them all with the ElectricWindmillCar Exposed!

14 Jan 2008 "Windmill" in a book at the CU Bookstore to cure breast cancer

14 Jan 2008 Today is the 1st day of classes at the University

14 Jan 2008 CU Students learn, CU Bookstore Boss stifles a breast cancer cure

14 Jan 2008 At the CU Bookstore there is a "Windmill" in a book to cure cancer

14 Jan 2008 Inventor of the ElectricWindmillCar is in a pit bull dogfight

14 Jan 2008 Linda Smith, Susie, Kim, Ms Mills in a violent and stupid attack on Greg

14 Jan 2008 Linda, Susie never read a book to find a cure for breast cancer!

14 Jan 2008 "Windmill" at the CU Bookstore a cure for breast cancer found by reading a textbook, and all these women bosses at the CU Bookstore will never be held libel for stifling me, Greg Buell from getting the cure for breast cancer, right? Susie the supervisor of the Cashiers bought a Mexican pit bull named Hector. Hector is not house trained as oil and gasoline from Mexican sent Hector to the CU Bookstore for the purpose of harassing, attacking the gringo inventor of the ElectricWindmillCar when ever he enters the CU Bookstore to find another "Windmill" in a book like Animal Farm to cure the plague that will kill 40k women in 2008. Linda Smith, Susie, Kim, Ms Mills in a violent and stupid attack on Greg Buell took a bribe \$ and took perks from Bush. Bush stifles my reading the textbook with the "Windmill" for a miracle breast cancer cure, 40k dead women ever year Bush has been President. CU Students will not Protest. Sorority women will not Protest outside the bookstore, maybe next semester you will see the leftovers from 40k mastectomies when 40K CU Women protest at the CU Bookstore. Linda Smith, Susie, Kim, Ms Mills in a violent and stupid attack on Greg Buell the inventor of the ElectricWindmillCar, in 1980. Long time for no CU Students to protest this suppression. Sheriff Brown just talked about the murdered Marine Maria, finding her baby she had in her belly for 8.5 months in a grill charred, holding her arm, looking at the little fingers. Hank Brown CU President poured gasoline over other Marie's and set them on fire in fiery car wrecks by going along with Bush to suppress Greg Buell and the ElectricWindmillCar. Send in the Marines to save these women from being murdered by Hank Brown. Not until we run out of gasoline. 121 Marine Murders on the front page of the New York Times on Sunday, one was stabbed and set afire by fellow Marines a day after they all returned from Iraq. I imagine they were all drunk on Coors, fighting over a woman. Hector the Mexican Pit Bull Susie owns, will kill a gringo for talking to his girlfriend, it's just his behavior to kill anyone who talks to his girlfriend. It's a Mexican Pit Bull thing. "The remains of a Maria and her unborn child were found in a fire pit in the corporal's back yard, buried under about a foot of dirt and ash". CU Bookstore at the UMC, University Memorial Center Building will have burnt out cop cars with an eternal flame by the Fountain Area for a Memorial when the ElectricWindmillCar starts coming off the Ford Assembly line. Hector will be caged up and sent back to Mexico, finally no more Mexican Pit Bulls violent attacking gringos, working on 1,001 Invention Projects. It's hard to read a book when a Mexican Pit Bull is attacking you. Greg Buell is not working at the CU Bookstore today, skimming through textbooks on my break because the CU Bookstore Women, Linda Smith, Susie, Kim, Ms Mills bought a Mexican Pit Bull and named him Hector. Bush cut all red tape in hiring Hector from Mexico and gave Hector a Pardon from rape, murder, assalting gringo's who talk to his girlfriend. And killing cops in Denver. New York Times will put the statistics for Mexican cop killers in next Sunday's paper. CU President Hank Brown is libel for CU Bookstore goings on. Brown is also libel for fiery car wrecks when he takes bribes \$ and perks from Bush for going along with the suppression of the ElectricWindmillCar. Camp Lejeune Marines need the ElectricWindmillCar driven by CU Students. "Windmill" at the CU Bookstore to cure breast cancer. This is a violent Pit Bull attack with Mexican Pit Bulls at the CU Bookstore. This attack by Linda Smith, Susie, Kim, Ms Mills is brainless from illiterate women who never read a book looking for the "Windmill" in Animal Farm to cure breast cancer overnight. I'm looking for a job, if you have a job offer give me a call. Thanks 303 548 9904

13 Jan 2008 "The Marines did not protect her, and now she's dead."

13 Jan 2008 "The CU Alumni did not protect her, and now she's charred in gasoline"

13 Jan 2008 Sheriff Brown on TV held the charred little hand mad as hell

13 Jan 2008 Sheriff was talking about Maria's baby and babies charred in gasoline

13 Jan 2008 Rape of Marine Maria Lauterbach, same as Football gang rapes at CU

13 Jan 2008 CU's Hank Brown as a Marine General at Camp Lajune, keys their cars

13 Jan 2008 ElectricWindmillCar invented in 1980 mile from CU, at Table Mesa

13 Jan 2008 Charred body of an 8 ½ month baby in the grill Sheriff Brown holding the babies hand looking at the tiny fingers. Getting mad as hell, at this murder of a Marine who was raped, and at all the babies charred in gasoline by Bush tossing gasoline bombs at SUV's on the streets of the USA, for more oil money. CU's Hank Brown as a Marine General at Camp Lejeune or President of CU, he did not protect them. Charred in gasoline for more oil money "The CU Alumni did not protect her, and now she's charred in gasoline" ElectricWindmillCar invented in 1980 mile from CU, bribes and perks from going along with suppressing the ElectricWindmillCar and now we find charred bodies at the UMC fountain with tiny fingers sticking up. Hank Brown the President of the University has his Swiss Bank account, if the gasoline flames come to close he can always flee to Saudi Arabia with Bush. Sheriff Brown would be in hot pursuit. Mad as hell still holding the little kids charred arm with the tiny fingers. Sheriff Brown will be getting madder as they find more charred remains at the UMC. CU Bookstore in the UMC building added injury to insult to all those burned in gasoline since 1980 by replacing me Greg Buell with Mexican cashiers for rush to buy textbooks. Last semester Susie the Cashier supervisor let Hector spit at me at my Cash Register, while Hector screwed up the students receipts, and every other Cashiers cash draw as he gave us a break, and of course he only reported to Susie the gringos came back late from break, all the Mexican Cashiers got away with murder and mistakes Susie would of fired a gringo for on the spot. Send in the Marines is now send in the Mexicans. Only reason the Mexicans are dominate employees at CU Bookstore is related to the charred kids bodies buried at the UMC fountain outside CU Bookstore. Gasoline we don't need with the ElectricWindmillCar invented in 1980. CU Bookstore has been cashing in from this suppression for a long time, now they are viciously biting the inventor of the ElectricWindmillCar, ran him out of the CU Bookstore with Mexican Pit Bulls being petted by Susie the supervisor of the Cashiers. I would call the Boulder Humane Society but they got a \$5 million dollar dog shelter from some little kids charred body... no she did not leave the Boulder Humane Society money, they got the money by going along with the suppression of the ElectricWindmillCar. Camp Lejeune Marine Generals know about rape, murder, and genocide. Textbooks at the CU Bookstore document rape, murder, and genocide. Few CU students think they can get away with stealing a textbook in front of 1k cameras in the bookstore, Hank Brown thinks he can out run Sheriff Brown, even when Sheriff Brown is holding a charred hand with little fingers. What we read in the textbooks and what is going on at CU Bookstore with me Greg Buell the inventor of the suppressed ElectricWindmillCar... I will add another crime for Sheriff Brown to come to the CU Bookstore for, looking for the "Windmill" in a book at the CU Bookstore to cure breast cancer. Susie will not let me past the Mexican Pit Bulls tomorrow, the first day of Classes at CU. I will still find the "Windmill" that will cure breast cancer then call Sheriff Brown to arrest Susie for all the women who die of breast cancer before I got to the right textbook and found the "windmill" in Animal Farm in another Campus Bookstore that did not have Susie with Mexican Pit Bulls stopping me from reading textbooks. Ps I still need a job, call me if you have one 303 548 9904

12 Jan 2008 I need to get the cure for breast cancer, as I need wives for 2008

12 Jan 2008 OJ Simpson is not the only one who got away with killing his ex-wife

12 Jan 2008 MD's from the White House stifle me from working on a cancer cure

12 Jan 2008 Bush in Israel talking up the Holocaust not 40k dead women from Cancer

12 Jan 2008 I need a women with dual mastectomies to drive my mind to think harder

12 Jan 2008 I got the ElectricWindmillCar invention during the Oil Embargos gas lines

12 Jan 2008 I need to get a overnight cure for breast cancer, zap it's cured for good

12 Jan 2008 I find this Orwellian Society is a violent universe built of hidden fags like Kennedy and Kerry trying to influence you to murder a Universe that has Aliens and other Perpetual motion machines, drunkards like Kennedy and Kerry could never see. False stories by Katie Couric who knows red meat killed her husband yet refused to expose this on CBS Nightly News. I would certainly marry a widow who lost her husband in a fiery wreck. And I will look for women burned in gasoline who are home alone. Marian Jones lied about steroids for a decade and everyone at the Olympics knew she lied. Hank Brown the new President of CU here in Boulder, CO will always lie about gang rape by football players. I find this Orwellian Society is a violent universe built of hidden Holocaust with only the Jews allowed to go public. CIA covert operations killed more people than any Holocaust of WW II. Bush tossing gasoline bombs at cop cars and SUV's on the streets of the USA too. Nancy Grace just reported a burned skeleton the remains of the pregnant woman Marine have been found. Statistics of Military women is top secret. Search Google for statistics and you will get the fewest hits of any Google search, as the government does not want you to know statistics. Comcast is in the news about the futuristic cable tv; it does not include an Anatomy and Physiology Cable Channel. IBM stifled the IBM PC Supercomputer from humanity on purpose. Bill Gates killed millions of HS inventors since 1980 and everyone watched, and let Bill run to the President of the USA to get protection from intellectual murder, protecting Microsoft's intellectual property. Courts in the USA are just as unfair as today in the news the SS Norway a cruise ship register in the USA the judge sent the law suits to Philippines for 18 people burned when the boiler blew up so they would not get much less money. 8 died burned to death, widows will get very little money. Widows of cops burned in their cop cars will get \$1 Billion each. Widows of 9-11 will get \$1 billion each after the coup the new leaders will confiscated all the oil money in every Swiss Bank and all Saudi Oil money for this Billion dollar pay out of Widows who's husbands and kids were burned in gasoline, so Bush could have more oil money. I find this Orwellian Society is a violent universe built of hidden Holocaust. CIA covert operations are the worst genocide in the history of Earth, and cause the loss of 5 Billion Social Inventions. UN oil for food program really is Oil for a Swiss Bank account by everyone at the UN who took a bribe from Bush. Cedars-Sinai Medical Centers, Jewish Hospital in Denver Colorado, meet behind hidden cameras in this Orwell Society and said they don't want the inventor of the ElectricWindmillCar working on a cure for Breast Cancer. This is documented by the CIA. A synthetic version of a protein found in the venom of the Giant Israeli scorpion may one day offer real hope to patients suffering from a deadly form of brain cancer. Disinformation by Jews in control of CBS Nightly News. When I get my wives and IBM PC Supercomputer scorpion venom will not be in my database of breast cancer research. Jay Leno made the joke last night... Now they say Scorpion venom will cure cancer someday, what will they say next... that pit bull dog's adrenalin will cure cancer - exhausted Jay Leno waits for the audience to think about this cancer cure disinformation by the government. Earth in 40 million years will be in a fiery rearend collision, with a Galaxy traveling toward us at 150 miles a second. You cannot comprehend 150 miles a second yet you let Kennedy and Kerry influence you with a drunkards lifestyle. MIT students were not killed in as great as numbers as Bill Gates killed HS students but the loss to humanity will be documented in a Sony Utopia Movie. Top Brass could have saved tens of millions instead of killing tens of millions. Everyone at the UN profited from oil for a Swiss Bank Account. Our Orwellian Society is a violent universe, CU Bookstore bosses all women stifled my looking through 100's of textbooks next week by not giving me a job. All these women bosses at CU Bookstore have no idea I could of hit on the miracle cure just like reading Animal Farm and finding the windmill for the ElectricWindmillCar. These CU Bookstore women bosses will be in my autobiography; I will give their names, husband's jobs, etc. Everyone wants to name the boss who fired you, caused you to not open the book with the windmill for a breast cancer. CU Bookstore women, and they are all employees of the State of Colorado making \$89k a year. They hire 30 temps a semester for 3 weeks at \$9 a hour. I will visit the CU Bookstore Monday 14 Jan the first day of classes at the University too see if 29 of the temps are Mexicans who do not open any textbooks, let alone open 100 in one week like I would be doing next

week, looking for the windmill for the breast cancer cure. So if you have a job offer call me, 303 548 9904

11 Jan 2008 NASA's love sick women's war, covert operation to get 700 Shuttles

11 Jan 2008 At age 77, John Glenn lost the covert war to get 700 Shuttles

11 Jan 2008 Tom Hanks, Julia Roberts War movie documents the loss of 700 Shuttles

11 Jan 2008 CIA covert operations in Afghan and Iran cost more than 700 Shuttles

11 Jan 2008 NASA "Rocket Scientists" have a covert operation, to get 700 Shuttles

11 Jan 2008 Kennedy, Kerry, 100 Senators sabotaged 700 Shuttles for the Iraq War

11 Jan 2008 Boeing, Lockheed sabotages 700 Shuttles for Tankers for refueling jets

11 Jan 2008 Glenn became the first person to orbit Earth on Feb. 20, 1962. Then took a Shuttle for a joy ride. Giving nothing back to NASA. In fact Glenn sabotaged 700 New Model 2008 Shuttles by supporting the Iraq War. Sir Edmund Hillary conquered Mount Everest out of something relating to our Love Sick NASA Women aliment. Idea to climb 4.3 light years is in the realm, class of Rocket Scientists, not fighter pilots like John Glenn. John Glenn showed his true colors by sending Senate dollars in the \$Trillions to Iraq instead of using it for 700 Shuttles. Kennedy and Kerry are two fags in bed with social agendas that are 10 Billion light years from what students at MIT should be love sick about. Kerry coming out voting for Black MD's who are mass murderers via misdiagnosis, yes we can prove this with IBM's misdiagnosis software! Kerry telling us we should vote for Black MD's who fail at Harvard Medical School but that's ok. Kerry and Kennedy both visited Boulder, Colorado and know on CU Campus at Farrand Hall 40-60% of the cooks, kitchen worker don't wash their hands after taking a shit. (99% are Mexicans) I was black listed by the Farrand Hall Kitchen Supervisor for even mentioning some were not washing their hands. This is an Orwellian Society, 100 Observers were behind the hidden cameras taking notes. Not for Class as there is no class in this kind of personal hygiene. Jay Leno's hand washing joke was 40% didn't wash their hands 40% did and 20% punched out the guy doing the statistics. This is a poor white trash comedians joke; a sophisticated Jay Leno would name names like the rats at the NYC Kentucky Fried Chicken store he made several jokes about. Essays about hand washing will not be any final exam at CU, Boulder CO - audience laughs! 11 Jan 2008 Kennedy, Kerry, 100 Senators sabotaged 700 Shuttles for the Iraq War Kennedy and Kerry spend more time in Boston than Boulder. Their influence on students at MIT and Harvard has lost America 700 Shuttles for the Iraq War. This is as real as Alpha Centauri is sitting here 4.3 light years away in space. Love Sick people are the ones who climb Everest and Mts that are 4.3 light years high. New Year seemed like a good time to do a coup on CIA covert operations in the Afghan Mts, as the CIA will waste \$1 Trillion dollars in 2008 if there is no whistle blower. And I need several wives for 2008, love sick NASA women are hot... so a gift of 700 Shuttles should get me a new wife from NASA. Here in Boulder, CO I'm still out of a job, CU Bookstore bosses must have blacklisted me for my End War on Earth Web - audience laughs. So if you have a job for me, give me a call 303 548 9904 thanks

10 Jan 2008 100 kids left in hot cars, buried at Arlington to Punish the Pentagon

10 Jan 2008 Pentagon Generals left 100 kids in hot cars and they all died

10 Jan 2008 Nancy Grace the Iron Woman of those Murdered can't arrest Generals

10 Jan 2008 Nance Grace, new mom of twins can't arrest a murder of kids

10 Jan 2008 Murderers, Hilton, Pentagon, Shell, Exxon, Mobil, Conoco, Black MD's

10 Jan 2008 Utopia Society, Then Criminal Minds don't murder anyone

10 Jan 2008 CU Bookstore bosses do not want to help End War On Earth

10 Jan 2008 CU Bookstore, criminals are students stealing books that should be free

10 Jan 2008 Gary Michael Hilton, 61, showed investigators the spot where Meredith Emerson's body lay dead. Nancy Grace is so hot about men killing women, few times a week. Really it's a few hundred times a week. But the FBI doesn't make these statistics public. Philip Agee, a former CIA spy who exposed its undercover operations in Latin America in a 1975 book. Agee was alive in 2000 and did not expose the suppression of the ElectricWindmillCar, I wonder why? His widow, German ballet dancer Giselle Roberge, said he died; he did not survive surgery for perforated ulcers. Agee worked for the Central Intelligence Agency for 12 years in Washington, Ecuador, Uruguay and Mexico. He resigned in 1968 in disagreement with U.S. support for military dictatorships in Latin America and became one of the first to blow the whistle on the CIA's activities around the world. His book "Inside the Company: CIA Diary" revealed mass murder by the USA. Bush, Kennedy, Kissinger are mass murderer of those 100 kids who died in hot cars, and all cops and kids in SUV's Bush tossed gasoline bombs at on the streets of the USA. Kissinger might have killed more people than anyone in History; we'll know when the FBI gives us these statistics. Barbara Bush, the wife of former U.S. president George Bush, who was CIA director in 1976, blamed Agee in her memoirs for the murder of the Athens station chief, Richard Welsh, in 1975. Agee denied any connection and sued her for \$4 million, forcing her to revise the book to settle the libel case. No one is libel for the 100 kids left in hot cars to die. ElectricWindmillCar with its climate control accessory would have prevented these 100 tragic deaths every year since 1980. 100 kids left in hot cars, buried at Arlington to Punish the Pentagon Generals. Nancy Grace cannot arrest all the Pentagon Generals for mass murder of 100 kids in hot cars. Bury all these little kids at Arlington National Cemetery will be the only revenge all these parents will ever get on our Nations Generals, maybe this will start to tarnish all the Stars at West Point. I hope they get the Point of being libel for these little kids tortured deaths, maybe this is why the Pentagon generals did not send in the Marines to rescue 100 little kids in hot cars, they are conditioned to torture and murder anyone. Criminal Minds reinvented with the IBM PC Supercomputer could IBM be held libel for not selling this computer? Utopia Movies from Sony have been replaced by games. Sony is libel for this undersupplied Utopia Movies of social progress? Argentina, Brazil, Chile, Uruguay, Paraguay, Guatemala, El Salvador, Mexico, USA, they were military dictatorships with death squads, all criminal minds. 700 Shuttles one for each of these Nations would have helped limit the murder rate but inventors working with IBM PC Supercomputer would be needed to reinvent the criminal mind, society. Wright-Patterson Air Force Base Outreach Office brings together 9 to 14 year-olds kids to demonstrate their engineering and problem-solving

skills, critical thinking, teamwork, sportsmanship, and sense of community. Then they grow up to be a McCain who napalms kids in Vietnam. Utopia Movie from Sony would show the same Air Force in Tokyo led to WW II. This Sony Movie reinvents criminal minds enlisted by the Air Forces around the world to toss gasoline bombs at SUV's. Now with out F-35 jetfighters Bush tosses gasoline bombs at SUV's on the streets of the USA for more oil money. Inventors and Sony Utopia Movies to inspire young people's interest in science and technology to solve real-world engineering problems or murder and mass murder by people like Hilton, who killed the 24 year old woman hiker to Bush, Kennedy, Kissinger who is a mass murderer, including the 100 little kids lift in hot cars to die, Kissinger is libel along with Bush, and Kennedy, and Bush's Mom and dad. Pentagon generals did not send in the Marines to rescue 100 little kids in hot cars. Marine Generals who graduated from West Point read this end war news and do nothing to rescue kids from hot cars or gasoline bombs tossed by Bush. 100 kids left in hot cars, buried at Arlington to Punish the Marine Generals, the only revenge these parents will ever get. Green Beret and former CIA agent engineered the clandestine arming of the Afghan rebels who drove the Soviet Union out of the country in 1984 what was the largest covert action in the spy agency's history. In 1984 everyone at the CIA knew about the ElectricWindmillCar invented in 1980, from using it as a weapon of war to end the Oil Embargo. 700 Shuttles engineered to drive Humanity to Alpha Centauri 4.3 light years down range. NASA rocket scientists must learn covert operations or lose another 700 Model 2009 Shuttle to CIA covert operations in Afghan again. 101,000 murderers by the CIA in 2008 all covert will lose NASA 700 New Shuttles. Rocket Scientists must learn covert operations ASAP. Nancy Grace the Iron Woman of those Murdered, needs some help from Rocket Scientists. Kissinger is the Mother of all mass murderers and he is the perfect example of a criminal mind. Wright-Patterson Air Force Base Outreach Office brings together 9 to 14 year-olds kids to demonstrate their engineering and problem-solving skills, critical thinking, teamwork, sportsmanship, and sense of community. Jay Leno had a 9-year-old girl inventor on with her invention for reading in a car and not getting sick. This young inventor being a 9-year-old girl knows some of life's dangers, but I doubt if she knows about being left in a hot car. This invention is the climate controlled ElectricWindmillCar. Jay Leno joke about 1 in 4 will donate a kidney, 1 in a million will let you merge into traffic, grin. Bush sold organs to Saudi Prince and Mexican Oil men while the CIA watched. No one in the government will make organ donation mandatory, Why? End this crime by Bush! Criminals are students stealing textbooks that should be free. IBM PC Supercomputer, it's a social crime not getting this product to market. Rocket Scientists at NASA failed to do a coup on the CIA covert operations and lost us 700 New Shuttles. Sony fail to make any Utopia Movies inspiring kids to reinvent the criminal minds. Bush fail Yale, Bush got into Yale via his rich Dad then fail Yale and became a mass murderer. Bush will never help me End War on Earth. CU Bookstore bosses will not help me End War on Earth, well maybe, not working at the bookstore I have more time to write - grin. ps I'm looking for a job in Boulder, CO call me if you have one 303 548 9904 thanks.

9 Jan 2008 Steroids for inventors is the suppressed ElectricWindmillCar

9 Jan 2008 I will sue IBM for not giving me a pc supercomputer - stifled!

9 Jan 2008 Taking a break from reading Animal Farm at George Reynolds library

9 Jan 2008 Oct 1980 windy day cars on Table Mesa, smoke few blocks away

9 Jan 2008 I put Animal Farms windmill on cars driving by, got the ElectricWindmillCar

9 Jan 2008 Oil Embargo ended 10 days later, the Worst Genocide in History began

9 Jan 2008 - 1980 long time to let gasoline suppress the ElectricWindmillCar for more oil money. Steroids for inventors was invented in Oct 1980 - the ElectricWindmillCar. Euphoria of this invention would of made CU the University here in Boulder, CO free of tuition and free textbooks. Invention Center of the World not just the yearly Conference on World Affairs. Instead the cost of textbooks has gone up 500% along with tuition. Done by the guys behind the hidden cameras who also took bribes and perks from the White House to go along with the suppression of the ElectricWindmillCar. I worked 6 semesters at the CU Bookstore, classes start the 14th and it looks like I got replaced by an Army of Mexican Temps, I will write more about this the first day of class. Steroids for inventors were promised by IBM remember in 1980 IBM said we would all have supercomputers. Well IBM gave us false home and went along with the worst genocide in history. So IBM will be put on trial for helping to suppress the ElectricWindmillCar and I will question IBM about stifling the pc supercomputer. This is a social crime by IBM CEO's from 1980 to 2008. No telling how many more decades before IBM and Intel decide to give American Inventors a better pc for social inventions. Pentagon has 500 supercomputers and 5 billion servers, none used for any social inventions. Since 1980 and the end of the Oil Embargo the Pentagon has spent \$5 to \$10 Trillion dollars on War Toys. While millions of Americans are a casualty of Texas and Saudi Oil men burned and burned to death in gasoline for more oil money. Pentagon Generals will be put on trail for this Capital Crime of tossing gasoline bombs at civilians on the highways of the USA. Blood Diamonds the trial is going on now. Same trial will have the Pentagon Generals having to listen to Officer Jason with his face burned in gasoline. 100 kids left in hot cars to die when the ElectricWindmillCar would have been climate controlled 24/7. WW III talk by our Psychotic Bush with the Pentagon armed to the teeth with \$5 Trillion dollars in War Toys. NASA lost 700 Model 2008 Shuttles, fire bombed by the Pentagon Generals who wanted War Toys. Love Sick women are driven to say this Orwellian Society is sick. Leno joke, are you ready for a Black MD... this is funny as Black MD's failed Yale just like Bush failed Yale. Both are allowed to practice and only Bush kills and burns more to death only because he is the President. Both misdiagnosis as many diseases afflicting humanity. IBM lawyers do not contest that atrocities took place in suppressing the ElectricWindmillCar, but dispute inventors on steroids were misled by IBM about the pc supercomputer. IBM is also on trial for IBM software that can pick out misdiagnosed patients that it keeps from the public today. UN made news on the front page about Blood Diamonds, and here we have IBM with software that can expose every MD in the world in a few minutes using IBM's #1 supercomputer. IBM's #1 supercomputer this supercomputer is #1 out of 500 supercomputers and its used by the Pentagon and Oil Men. No one will ever use it to find patients misdiagnosed until after the Oil genocide Trial. This is a crime by IBM. Leno ask are you ready for a Black MD - Hell No we will not go - Yale Medical School was forced by Bush to pass Black MD's that failed. 100% of those behind the hidden cameras know this. Hilton, 61, showed cops the spot where Meredith Emerson's body laid dead, Nancy Grace is back on CNN. Another man killed a woman. She was from Longmont just 20 miles from my living room here in Boulder, CO. News that pills given to violent men don't work is no surprise. Steroids for inventors would have gotten this Lobotomy Pill or Gas for violent men. I sent Nancy Grace email about helping me to invent this as she gets so Hot every time a man murders a woman and this is a few times a week just on the Nancy Grace Show. IBM could be held libel for all the murdered women from 1980 to 2008 for stifling the pc supercomputer to make money off the Pentagon. Lawyers prosecuting IBM will make a strong case. NCAR gets the newest IBM supercomputer all the time, I imagine they have upgraded IBM supercomputers 100 times since 1980, and the George Reynolds Branch Library is less than a mile from NCAR, and its on the same street. And it's the invention home of the ElectricWindmillCar yet NCAR got 100 IBM supercomputers since 1980 and I the inventor of the ElectricWindmillCar got zero IBM supercomputers, I even applied for a job out at IBM and they knew I invented the ElectricWindmillCar and I never even got a interview for any IBM job pushing tapes into servers. I was dating Nancy Gibbs when Kennedy got me evicted from my apt at 1440 Folsom. The Sheriff took several hundred Happy Birthday cards I was selling by the dozen to shops around Boulder. I had them printed looking like a wedding invitation, just in black that is why I painted the gold paint around the borders, Great Bday card to give anyone, I should have been able to sell millions of them but was put out of business by Kennedy. Nancy Gibbs introduced me to Kennedy at an auction in Niwot. First person to tell me about the hidden cameras in my living room was a FBI woman who was Nancy Gibbs girlfriend. I had sex with Nancy Gibbs several times but not with the FBI woman. Grin. After I found out about the hidden camera watching me at 1440 Folsom I got mad as hell but

could not do anything, but it explained why I was not selling millions of greeting cards, instead of just a few dozen a week. Not enough to pay the rent. I just got a huge carnation plant to bloom with 30 flower when I got evicted from 1440 Folsom apt too. I think I missed this carnation more than all the Bday Cards they took. I came home from the Library and found the door lock changed. I climbed up the balcony by standing on a grocery cart and got onto the 2nd floor porch. Looked in the window of my apt and nothing was there. Completely Empty I didn't even have 1 Bday card to make more copies. I got one from another FBI agent, a couple who was friends with Nancy Gibbs. So this started by homeless era for 4 or 5 years. Got the ElectricWindmillCar invention at the George Reynolds Branch Library on Table Mesa Drive ended the oil embargo. Now 2008 40k women will die of breast cancer this year because IBM and the Pentagon would not share 1 supercomputer with me or any pc inventor. I might not even have a temp job at CU Bookstore next week, the first week of classes because of the Observers. I started writing this End War News when I was behind a cash register at CU Bookstore in Sept. and everyone found out about this web page. I also make up 5k bookmarks that said End War On Earth and gave this web page. I think the boss at CU Bookstore disapproved of me ending war on Earth - Grin! I will write more about this next week.

8 Jan 2008 FBI Reports of violent crime rates are down, but ElectricWindmillCars

8 Jan 2008 Super AirBags on the outside of all vehicles was suppressed by Tokyo

8 Jan 2008 TOKYO Deaths from traffic accidents totaled 5,743 in 2007

8 Jan 2008 FBI, but ElectricWindmillCar suppression, and spin off inventions stifled

8 Jan 2008 No FBI Reports on Genocide by Bush, Ford, GM, GE, Shell, Exxon, Conoco

8 Jan 2008 Climate Controlled vehicles, OnStar with web cams, wifi drivers lic + ins

8 Jan 2008 Just getting the Mexicans off the road will save 1,000 lives a month

8 Jan 2008 FBI Reports of violent crime rates are down today, but the FBI suppressed any and all statistics about the ElectricWindmillCar. Mexicans in the USA spit on gringos from behind hidden cameras; this is a violent crime the FBI should be arresting the Mexicans for. But for one thing, White House is giving this order. FBI Lets the Mexicans spit on the Inventor of the ElectricWindmillCar. FBI Lets the Mexican spit on gringo Temps. White House is suppressing that will work on Black Ice. White House has protected Bill Gates since 1983; the ElectricWindmillCar was invented in 1980 but suppressed. Bill Gates should not even be alive. As the ElectricWindmillCar would of given the world its Windows for free and there would be no re-booting. Crazy things Bill Gates does to Vista and Office 2007, he hid everything you need to write, publish to the web, and fax and FTP are only included in Vista Ultimate. Crazy to let Black MD's misdiagnose patients on their test at Yale Medical School and pass the course. White House gives more crazy orders than all the Caesars and Henry VIII. Nancy Grace is back with her new twins and Britney Spears and a hiker at the foot of Blood Mountain, Hilton killed her hiking on 1 Jan. cops found her blood stained clothes Meredith's. Now for the twins Lucy and John Davis Nov 4th Twins Miracles - Now Nancy Grace will expose the suppression of the ElectricWindmillCar before any Lucy's or John's are left in hot cars that are not climate controlled ElectricWindmillCars Nancy Graces mom broke both arms on an icy fall. Another invention is needed here! 100 kids will burn and burn to death in gasoline today. Crazy suppression of the ElectricWindmillCar by the White House. WW III about bringing the kids to the TV Studio at CNN. John and Lucy will live to drive an ElectricWindmillCar bought for them by Nancy Grace. Ashley Kennedy was one of Nancy's nurses. Were the Hell is Kennedy, the one person responsible for the worst Genocide in history? Kennedy watched me on hidden cameras invent the ElectricWindmillCar in 1980 then ran to Carter to get it suppressed. Crazy Kennedy would do this, knowing gasoline is flammable. But Kennedy is a drunkard who let his girlfriend drown when he drove off a bridge. I was going to George Reynolds branch library here in Boulder, Colorado. I was homeless as Kennedy got me evicted for non-payment of rent. My Greeting Card Company was suppressed. I sent gold painted Happy Birthday Cards to everyone at the Boston Globe too. Well I was working out of the George Reynolds Branch Library but it was really the George Orwell Branch Library as there were hidden cameras in the library watching me. Well after 6 months and the Oil Embargo in the News I was reading Animal Farm by Orwell and got to the Windmill in the book. Took a Break from reading in front of the Library on the concrete wall. It's on Table Mesa Drive, the cars were going by about 40 mph, it was a little windy, and smoke was in the distance about 200 yards up the road... this is the road to get to NCAR here in Boulder, Colorado. Well I put the Animal Farm windmill on the cars coming down Table Mesa from the wind and blowing smoke. And got the ElectricWindmillCar, I rushed into the library and got in front of the Mirror with the camera behind it and told the observers watching this story. The Oil Embargo ended in less than 10 days. Crazy why Kennedy, Carter and the other Top Brass would just use the ElectricWindmillCar to end the Oil Embargo. There were 1,001 Orwellian comments about the ElectricWindmillCar invention in all the news media, if you were an Observer you could read between the lines. Dan Rather made 1,001 comments about the Perpetual Motion Machine referring to the ElectricWindmillCar. So today is 2008. Millions have burned and burned to death in gasoline cars needlessly. 9-11 should have been stopped like the Oil Embargo was stopped by the ElectricWindmillCar. We could of won the war in Iraq with the ElectricWindmillCar by bankrupting oil to 10 cents a barrel. Today oil is \$100 a barrel. Crazy goings on at the White House. Now the FBI is a criminal organization suppressing the ElectricWindmillCar. FBI will let kids burn in gasoline so Bush can get more oil money. Just getting the Mexicans off the road will save 1,000 lives a month. FBI could do this without exposing the suppression of the ElectricWindmillCar. Anything from the FBI would help save the lives of 100 gringos a day.

7 Jan 2008 Mexican assaults on American tourists appear to be police as the bandits

7 Jan 2008 They're indignant about Electricwindmillcar bribes and payouts, who gets \$

7 Jan 2008 Shakedown, Mexican police mad about oil money bribes they didn't get

7 Jan 2008 Carignan, Baja's tourists director we're indignant about who gets bribed \$

7 Jan 2008 Indignant about Electricwindmillcar bribes they attack with immunity

7 Jan 2008 Mexican President can't arrest those who didn't get a big enough bribe

7 Jan 2008 \$100 Oil -- Mexican President got \$1.5 Billion in a Swiss Bank account

7 Jan 2008 Indignant about Mexico's President getting \$1.5 Billion in bribes to go along with the suppression of the ElectricWindmillCar Mexican Police know they cannot be arrested, as they will bitch about the ElectricWindmillCar even more than they do today. Charles Smith, spokesman for the U.S. consulate in Tijuana, said the U.S. government has found oil money wealth and bribes are as visible in Mexico as they are in the USA. . Bush bought his father a Nuclear Aircraft Carrier. Everyone in town knows who got a bribe from Bush or Mexican Oil men. Rice at the State Department with \$1.5 Billion in a Swiss Bank account. In an Orwellian society you would have to be a stupid _____ to do something like this. CIA could give me the list of everyone with \$1.5 Billion or more in a Swiss Bank within minutes of deciding to do this. Why would the CIA make this public, they are indignant as everyone else in this Orwellian Society. Misguided money from Mexican Oil most ending up in someone's Swiss Bank account while social spending is nothing, because 30 million Mexicans were sent to the USA in a deal with Bush. Mexicans acknowledge this is a Genocide, the worst Genocide in the history of Earth. 1k people a day burn and burn to death in gasoline just in Mexico. MD's in Mexico make as much money as they can get out of those burned in gasoline. Jay Leno's first shows after two months off because of the strike, phone sex with teachers and Priests stalking late night TV host helped Leno dominant ratings a win over Mr. Letterman. This was considered a coup for Mr. Leno even without any Mexican jokes the first week back, but you can bet Jay Leno will get back to the Mexican jokes next week. Hillary said she would shoot Leno in the balls if he makes any more sex jokes about her instead of Bill. But Hillary as a nutcracker got by the censors Hillary has observing. Someone else is making sure the Mexican jokes by Jay Leno don't make Americans more indignant and resentful about fiery car wrecks on the LA Freeways. Jay Leno has joked about your flesh sizzling in gasoline flames, but there was no punch line by Leno linking Mexican Oil, just inference of the suppressed ElectricWindmillCar. In considered a when and were a coup will occur I would pick the NYPD as the ElectricWindmillCar would of prevented 9-11. This is a crime the NYPD they could not take a bribe to forget. I would also think the CIA will be getting more worried every day that they are the fall guys who get blamed by Bush. WHO at the UN will lose their medical license for not exposing the suppression of the ElectricWindmillCar. So the MD's who work for WHO at the UN are hoping for a coup that over looks the UN in the worst Genocide in History. Grin... this will not happen. The UN is History, there will be total demolishing of all UN buildings in NYC and Geneva, maybe burned out cop cars with eternal flames will be parked there for years. The leap in technology to make up for the lost inventions from 1980 to 2008 the years the ElectricWindmillCar was suppressed, will have to be taken from the War Toy Makers. Bush bought his father a Nuclear Aircraft Carrier while 100 people a day were burned and burned to death in gasoline just in the USA. The War Toy Maker who built Bush's Father his Aircraft Carrier knew 100 people a day would burn and burn to death in gasoline while he was using oil money to build an Aircraft Carrier for Bush's father. Indignant about Bush wasting \$5 Trillion dollars. Losing 5 billion inventions from HS kids who Bush left behind for his addiction to oil money. Bush bought his father a Nuclear Aircraft Carrier while 100 people a day were burned and burned to death in gasoline just in the USA. U.S. consulate in Tijuana, said the U.S. government has found oil money wealth and bribes are as visible in Mexico as they are in the USA. Mexican Presidents have bought their fathers Nuclear Aircraft Carriers; this is why everyone is so indignant about the Electricwindmillcar.

6 Jan 2008 Kids will invent a Blu-ray DVD player with no moving parts

6 Jan 2008 12 Diseases That Altered History and now kids charred in fiery car wrecks

6 Jan 2008 Kids left in hot cars die, adults in Estes Park were here at the inception

6 Jan 2008 Schwarzenegger let kids die not knowing the ElectricWindmillCar

6 Jan 2008 Two weeks before 9-11 adults at the YMCA in Estes Park meet with Bush

6 Jan 2008 YMCA knowing about the ElectricWindmillCar went along with its suppression

6 Jan 2008 Not knowing Saudi Arabia citizens were deploying to attack on 9-11

6 Jan 2008 YMCA made the worst decision in History, to go along with Bush's suppression of the ElectricWindmillCar 2 weeks before 9-11. Same YMCA people learned about the invention of the ElectricWindmillCar in 1981, I think they were harassing Bush, this is why in came to Estes Park. I guess Bush managed to Bribe the leaders of the YMCA 2 weeks before 9-11. YMCA made the worst decision in History. Estes Park Trail Gazette, wrote an article for the New Year 2008. I would say this newspaper reporter is having a hard time sleeping knowing kids are being charred in fiery car wrecks and left in hot cars, since Bush's visit 2 weeks before 9-11. Estes Park Trail Gazette reporter writes --- "Look into the faces of children and think about the future they will inherit. Will it be a safe environment with clean air to breath and water to drink? Does the industrial age of the past serve their future? These children have an idea of what they want their future to look like, but they need a little help from the community of Estes Park. www.eptail.com " Estes Park Police Dept is part of the community of Estes Park and from what this reporter has written in the Estes Park Trail Gazette they have been bribed by Bush with SUV's and other expensive Toys to let clean air, fill with gasoline fumes every 4 th of July in Estes Park instead of renaming the Stanley Hotel the ElectricWindmillCar Hotel. "Looking into the faces of children and think about the past hell they lived through since 9-11 because of these people in Estes Park". "Looking into the faces of children and think about the future." \$5 Trillion dollars the Saudi's have to buy War Toys, some of this money from the sale of gasoline on the 4th of July in Estes Park. Needlessly as the ElectricWindmillCar was invented in October of 1980 just down the road from Estes Park, in Boulder, Colorado. ElectricWindmillCar was the leap in technology to eradicate gasoline and Saudi Arabia. Bush when he visited Estes Park was selling organs to Saudi Princes 2 weeks before 9-11. YMCA and reporters at the Estes Park Trail Gazette should of done better background check on Bush before selling generations of kids out for a White House bribe and some perks for Estes Park. "Look into the faces of children and think about the future they will inherit. All these kids in Estes are being forced to learn Spanish, they have no idea there are 1,001 things they can invent because the reporters at the Estes Park Trail Gazette didn't write this up for the New Year 2008. YMCA is indoctrinating the next generation of kids into Spanish instead of 1,001 things they can invent. I will try my best to get these Estes Park adults arrested for Genocide when the suppression of the ElectricWindmillCar is on the front page of The New York Times. YMCA in Estes Park must make up what these kids lost since 1980 by investing \$ billions on YMCA computers for the leap in technology to make up for killing all these kids inventions since 1980. Spanish must be exposed for what it is... its part of Mexican Oil we don't need filling the clean air in Estes Park on the 4th of July. Bush must secretly be selling organs to Mexican Oil men too. While Americans waiting for the same organs die. Someone should have run a better background on Bush before they took bribes and White House perks. Intel got out of the \$100 computer deal for kids; this was a bad deal for kids from the start. Bill Gates wants \$5k from every kid who will log on to a YMCA computer. Just for the software needed to work on 1,001 invention projects. Kill Bill the movie was someone else's plan to get kids working on 1,001 invention projects. Was the Galaxy built from dwarf galaxies that fell in the orbit of the Milky Way Galaxy? One think these adults in Estes Park lost all the kids since 1980 was 700 new model 2008 Shuttles. I hope Hell is a distant Galaxy were they have a special place for all the adults from Estes Park who took bribes and perks from Bush 2 weeks before 9-11. 12 People That Altered History... 2 weeks before 9-11 were living in Estes Park at the Time. Sony

Movie on Blu-ray high-def DVD format, some kids from Estes Park will invent a Blu-ray DVD player with no moving parts by the time Sony makes this Estes Park Movie about the worst decision the YMCA ever made 2 weeks before 9-11. Writers are on strike so we don't know what Bush told the YMCA adults about the kids future if they sold out to Texas and Saudi and Mexican Oil men and went along with the suppression of the ElectricWindmillCar. Alternate ending of this Sony Movie will be the YMCA turn down Bush's oil money and exposed the suppression of the ElectricWindmillCar just 2 weeks before 9-11. Sony can have the Saudi Terrorists getting caught in Boston, drunk bitching about Americans new ElectricWindmillCar.

5 Jan 2008 Quantum leap in technology to eradicate breast cancer and all cancer

5 Jan 2008 Katie Couric on CBS is campaigning for Iraq, Immigration, The Economy

5 Jan 2008 Nightly News reporting job market is down, You Observer all the Mexicans

5 Jan 2008 CBS ad for Katie Couric, she is on her way to the New Hampshire run off

5 Jan 2008 No Quantum leap in technology to eradicate breast cancer and all cancer

5 Jan 2008 Katie Couric CBS campaigning for hidden Observers who hide the Universe

5 Jan 2008 Webb Space Telescope in 2013 will troll the universe for hydrogen

5 Jan 2008 This will be able to prove that their theory of the formation of the universe is correct, just by finding hydrogen. Without ever meeting any Aliens, without ever traveling to a neighbor solar system 4.3 light years away or any of the nearest 100 solar systems. Mysterious gravitational pull is null and void on all Pentagon Generals. Addicted to War Toys the Generals have no desire to find the origins of gravity or even dissect gravity, killing people has no consequences long as the Generals dont know what the gravity is. Conquer Aliens, they're to far away. Quantum leap in technology to eradicate breast cancer and all cancer has not been assigned to the Pentagon. And they don't want the mission. General's wife and daughter's social life and beliefs are Top Secret. Katie Couric on CBS is campaigning for Iraq, to spend \$1 Trillion more in 2008 on Iraq, her secret someone is at the Pentagon. Emails Katie, tells her the Iraq War is going good, we have solar street lights, water towers, and everyone is employed. This is Alien to Katie Courics neighbors in Manhattan who have breast cancer. Alien and out of this world, Pentagon is giving Katie stories about Iraq when 40k women will die in 2008 of breast cancer. No the Generals wives and daughters will not take your calls. Quantum leap in technology to eradicate breast cancer and all cancer will not come from GE, MIT, IBM, as they are the top makers of War Toys. \$1 Trillion in 2008. Origin of the Universe will never stop the Pentagon from ordering worthless War Toys. Aliens talking to the Pentagon Generals will. Aliens in the Universe will dominate Jay Leon's jokes when Aliens become visible as hydrogen and gravity are visible sort of. Can anyone see gravity? Everyone at MIT will tell you gravity created itself. No one outside of MIT believes this. This is were the "hidden observers" come into play, they call Katie Couric and she makes up a story that 99% of Americans believe gravity created itself. 88% believe illegal Mexicans do not take jobs from gringo Temps, and Mexicans at IBM, would never get all the gringos fired. 12 Diseases That Altered History. 12 Inventions that Altered History. 12 stories made up by some rich fag, drunkard like Kennedy Altered History and stifled Humanity from A Quantum leap in technology to elucidate breast cancer and all cancer. 12 stories made up by some rich fag, drunkard like Kennedy Altered History and stifled Humanity from A Quantum leap in technology to elucidate War Toys at the Pentagon. Kennedy Altered History and stifled Humanity from A Quantum leap in technology to make the University Free and mandatory for all HS kids (in Boulder, Colorado.) I meet Kennedy in 1979 one year before I invented the ElectricWindmillCar. In the years since 1980 Kennedy altered history for the worst -- if you consider the University here, CU, should be free and mandatory. If Kennedy didn't get the Electric WindmillCar suppressed in October of 1980 I would have gotten the 100 Senators to make the University Free to celebrate the ElectricWindmillCar invention. Kennedy and the other Senators killed a Free University in 1980. 100 Senators that altered history suppressing the ElectricWindmillCar. 12 Diseases That Altered History will never catch up to the Genocide Kennedy made by being drunk on Coors. Coors would not exist in my Universe as I quit drinking and smoking in 1982. Kennedy is the Senator, one of 100 who made the worst Genocide in history, far, far worst than any of the 12 Diseases That Altered History. NYPD reading today's End War News would want to use the SWAT team to eradicate 100 Senators out of our Universe. Hillary is a Senator in bed with Kennedy, Bill and Monica will make a 4 some that fucked you out of a very different life, one that would have made the University Free, Textbooks free and all Software free in 1980. Furthest thing from every Senator is the Quantum leap in technology and computer software to eradicate breast cancer and all cancer and the idea to kick out illegal Mexican aliens to let gringos think in English to invent new technology. GE, and IBM are into War Toys, they're not into you getting married to an (Alien) Goddess of Inspiration. GE and IBM have been suppressing the ElectricWindmillCar since 1980. GE and IBM have invested everything into War Toys. GE and IBM don't want to eradicate breast cancer and all cancer, to say the least of what GE and IBM don't want. They certainly don't want your kids enrolling in a Free University, with free textbooks, and free software. GE and IBM sent Katie Couric email telling her to report that 84% of Americans don't think the University will ever be free. ElectricWindmillCar will get you a unpaid holiday if GE and IBM executives are not hanged at the Oil Genocide Trial.

4 Jan 2008 CU Campus New Law library was bought via kids charred bodies in gasoline

4 Jan 2008 privacyinternational.org cautions about video surveillance but had to leave out of a 1,100-acrobat file video surveillance in your living room by the USA government. RN's and LPN's who didn't like the government video surveillance of me, Greg Buell at the nursing home I worked as a CNA because the government caught their medication mistakes. Modern Marvels TV freight train is on again. I can't get the Modern Marvel TV show to do a Monorail with 2 rails 50 yards apart and the Modern Marvel train that runs on these 2 tracks is 55 Yards wide. Ha, A train engine built by GE that is 55 Yards

wide --- lot wider than any train you see on the tracks today, even the high speed Bullet Train in Japan could not compete with this train that is 55 yards wide and runs on Monorail Tracks that the train can never ever derail even if Nuked! History Department at the CU Campus here is full of stories about the RR Barron's stopping the next generation of Modern Trains for decades. CU Campus New Law library was bought via kids charred bodies in gasoline. Katie Couric not reporting on her 2 kids charred in a gasoline fire, this is 4.3 light years from Katie Couric reporting on Hillary in Iowa. Bill is shackled up with another Monica tonight, not worth the time to report this. Grin. Bill has not had sex with Hillary since Monica. Do you really want Katie Couric to report this kind of news - Yes! Not reporting on her 2 kids charred in a fiery head on collision heading back from Vail, Aspen. No you will not get this news on CBS Nightly News Tonight. All you will get is Voters in Iowa. This is not reality, like CBS will not report on Gravity Control. Or even end the Nightly News with how gravity is created, Did God create Gravity or did gravity create itself? No Katie Couric will not report this or kids charred bodies in a head on collision. privacyinternational.org cautions about video, but out of 1,100 pages about government surveillance in almost every Nation on Earth they left out as much news as Katie Couric leaves out of CBS Nightly News. Alpha Centauri 4.3 light years from Earth I wonder if Katie told her 2 little girls about this? Private schools in Manhattan teach Creation or Evolution whichever one the Owner of the School is promoting so the Parents can pick what they want the kids taught. NASA should have moved to the Dept of Education when they realized Bush was not going to buy them 700 New Model 2008 Shuttles. Bush as a War Monger Psychotic can hurt NASA's drive into the Universe but can't kill what NASA can get into textbooks and the classrooms. While IBM's chairman and chief executive, Sam Palmisano, has been talking about "lowering the center of gravity of the company," that has been "mainly rhetoric" until now. Gravity Control is one of the spin off invention projects from the ElectricWindmillCar that has been lost to the Oil Genocide Era and the Psychotic Bush. Gravity Control or Baghdad, well all the Pentagon Generals voted for Baghdad, NASA was not allowed to vote for Gravity Control, some illegal maneuverings by top government managers I guess. New York sued IBM Corp. for more than \$100 million Thursday saying pollution from the company's former microelectronics plant in Endicott caused cancer. NYPD will sue IBM, FBI, CIA for all the kids charred bodies from fiery head on and rearend car wrecks while the ElectricWindmillCar was being suppressed by a Psychotic Bush. NYPD will visit Katie Couric and question her as to why kids charred bodies in fiery car wrecks was never on the CBS Nightly News - grin! Katie will tell them she was reporting on Hillary and not on Bill in Iowa. Ha! This is funny as a Jay Leno joke without writers. The lighting guy looks like a heart attack patient. And this is supposed to be a Jay Leno joke without any writers. This is no joking matter. I was hopping for Jay Leno to make a joke about your kids sizzling flesh burning in gasoline as this is classic Jay Leno during the suppression of the ElectricWindmillCar Era... 1980 to 2008. Jay Leno spin off jokes written by Jay, he jokes about the ElectricWindmillCar's euphoria will cause NBC and GE to cancel all their junk tv shows and start a new season of all 1,001 Things You Can Invent TV Shows. Jay's monolog must have 1 invention project you can think about, maybe not laugh at though. As a "sophisticated scientific business entity," IBM had the scientific expertise to know that the chemicals it used and discarded would endanger residents. GE MSNBC As a "sophisticated scientific business entity," should never have reported gravity created itself, before I invented A Gravity Control device! Katie Couric will be the center of gravity, when moms storm CBS Nightly news with pictures of all their kids that were charred in gasoline, who's flesh sizzled in gasoline while Katie Couric was sitting in a Law Library in Iowa reporting on Hillary, not the suppression of the ElectricWindmillCar Era. 1980 -2008

3 Jan 2008 IBM has acquired XIV, based in Tel Aviv, Israel

3 Jan 2008 IBM, XIV can self-tune - WHAT --- for optimum performance?

3 Jan 2008 IBM automatically optimize resource utilization of "Inventors"

3 Jan 2008 IBM can suppress the ElectricWindmillCar spin off inventions now

3 Jan 2008 IBM does not want free hydrogen inventors to dominate the market

3 Jan 2008 Pick up a can of hydrogen like a can of "Coke" or "Pepsi", not at IBM

3 Jan 2008 IBM chose XIV and its NEXTRA™ architecture for its ability to scale dynamically, heal itself in the event of failure, and self-tune for optimum performance, all while eliminating the significant management burden typically associated with rapid growth environments. ElectricWindmillCar spin off inventions have been suppressed by IBM executives since the invention of the ElectricWindmillCar in October of 1980. Rapid growth environment of the ElectricWindmillCar's spin off inventions and euphoria of "Inventing Something" The architecture also is designed to automatically optimize resource utilization of all the components within the system, which can allow for easier management and configuration and improvement. IBM and Jews in an optimized suppression era run by the USA can earn a \$Trillion dollars each for their management of the suppression of the ElectricWindmillCar and 1 billion spin off inventions worldwide would have gotten by today. IBM and XIV have been using NEXTRA architecture in production for more than two years, with more than four petabytes of capacity being used by customers today. Customers must be the Pentagon and spin off War Toy makers, not anyone wanting to sell cans of hydrogen or any customers who want to pick up a six pack of hydrogen with the coke and Pepsi. Jews have gone along with this genocide of letting people burn and burn to death in gasoline since 1980. IBM has done the same. Now IBM and the Jews address the new requirements associated with next generation of burning people in gasoline, helping the Pentagon and War Toy customers keep the status quo while driving deeper into genocide. IBM and the Jews have a significant management burden typically associated with a genocide that has been going on since 1980. 2008 brings more complaints by the troops. 40k women in the USA are tired of dying of breast cancer every year IBM and the Jews get more money and inventors than Breast cancer research does, and I exposed the White House MD does not even want a cure for breast cancer. The White House MD wants to earn as much money as possible treating breast cancer. This is why I, Greg Buell did not work on a breast cancer cure today. This is signed and sealed by Bush. I cannot work on a cure for Breast Cancer as long as Bush is President of the USA; every Observer in the World knows this. Improved performance from whom, the inventor of the ElectricWindmillCar or IBM and the Jew who are the management of this genocide? Genocide of letting people burn and burn to death in gasoline since 1980. IBM acquired this Genocide in 1980 knowing full well it was a Genocide that will be burning 100 people a day in gasoline. What IBM executives did not count on was the climate controlled ElectricWindmillCar accessory that will save the lives of 100 kids a year that are left to die in hot cars. Genocide Trial with mom screaming at IBM executives showing them pictures of her dead baby left in a hot car that should have been a climate controlled ElectricWindmillCar. IBM executives will be hanged the same day. IBM HQ in Amok NY will never recover from backing up the data and stifling 5 Billion inventors from 1980 to 2008 with no end date to stop this Genocide. Financial terms of the acquisition are not being disclosed. Perks from the Texas and Saudi Oil men will be disclosed at the Trial. Mom screaming at IBM executives showing them pictures of her dead baby left in a hot car that should have been a climate controlled ElectricWindmillCar. Mom showing IBM executive's pictures of her kid's charred bodies burned in gasoline. I can see how the Jews when along with a Genocide that burned people in gasoline, as the Jews are worst War Mongers than the Pentagon Generals and a Psychotic Bush. IBM executives shouldn't have gone along with burning and burning to death 100's of people a day in gasoline, just for more oil money. Easier way to make a living would be spin off invention ideas from the ElectricWindmillCar. Pick up a can of hydrogen like a can of "Coke" or "Pepsi" next time you stop at Safeway or Kroger, King Soopers in Boulder, Colorado. Ps only after IBM is broken up by a new administration - grin.

1 Jan 2008 Best moments for 2008, designing a new Model 2008 Shuttles that can be docked together in orbit. Getting 700 Shuttles built and blasted off from the Cape. At the same time build a State of the Arts Medical School over every University Football Stadium in the USA. The 1 Billionth ElectricWindmillCar should be coming off the Ford Assembly line on Lennon's BDay 2008 if Yoko tells Emperor Akihito and Empress Michiko they can escape being put on trail for not exposing the suppression of the ElectricWindmillCar if they are the one's who let the world know Bush is suppressing the ElectricWindmillCar. Women were distracted by Bush tossing gasoline bombs at SUV's for more oil money. Barrel of oil is \$100. Today 100 people will burn and burn to death in gasoline worldwide. Yoko, Emperor Akihito, Empress Michiko, Kennedy, Carter, and a million others know the reality of an Orwellian Society that will let Toyota build 9 million gasoline engine cars this year, send \$1 Trillion dollars to Saudi Arabia for gasoline. Stifle 100 million people who would be working on 1,001 Invention Projects in Japan, USA and Worldwide. Bush led the Pentagon Generals to stifle a breast cancer cure, and 5 Billion other medical, social inventions. In exchange for War Toys inventions by MIT scientists. Everyone else gets to watch Football while 40k women die of breast cancer. This has to change if we are going to let Love Sick NASA women drive us to Alpha Centauri, 4.3 light years from Earth. VATICAN CITY (Reuters) - Pope Benedict ushered in the third New Year of his pontificate on Tuesday with a call for the protection of the traditional family, which he said was vital for world peace. The Pontiff, in an apparent swipe at gay marriage, criticized policies that undermine the traditional family unit based on a union between a man and a woman. "I wanted to shed light on the direct relationship that exists between the family and peace in the world," the Pope said, in his first public address of 2008. Today 100 people will burn and burn to death in gasoline worldwide. Police in Italy will arrest the Pope, in 2008 or when the suppression of the ElectricWindmillCar is exposed. Pentagon Generals will pack up and move out of Baghdad the day the ElectricWindmillCar is exposed as Iraq oil will be worthless and Bush will not have any Saudi and Texas Oil money to spend on War Toys. End to War, at least in Baghdad as the Pentagon Generals will be arrested by NYPD for tossing gasoline bombs at cop cars, not preventing 9-11 with by using the ElectricWindmillCar as a weapon to bankrupt oil. Officer Jason and 10's of thousands burned in gasoline will sue the Pentagon and CIA. This should make for an interesting year on Court TV with Nancy Grace. Among the most heart-rending deaths Missi Holderman, 27, was asleep in the back seat of a co-worker's car when the vehicle was stolen at gunpoint at a Florida City gas station. Police gave chase and the thief fled south onto the Stretch before crashing head-on into a tractor-trailer bursting into flames. Three teens are charged with first-degree murder in Holderman's death. Bill Gates policies at Microsoft killed the lives of millions of teens that would be working on 1,001 Invention Projects if Bill Gates didn't want more money than Texas and Saudi Oil men. Department of Education will take over Microsoft the day after the ElectricWindmillCar is exposed Bill Gates lost Humanity 5 Billion inventions to get \$50 Billion in wealth. This is a classic story for the textbooks. Abolish the monarchy world wide would of saved the live of Prince Di as Queen Elizabeth would not have ordered her killed because she was going to marry a Moslem. Abolishing the Monarchy did not get us anything in France. The President of France put his \$1.5 Billion dollars oil bribe in a Swiss Bank and when to Iraq to promote war when he knew about the ElectricWindmillCar. This is sick, the French worked so hard after the Revolution to prevent a King. A President from mass murder of Frenchmen then in 2008 they end up with a divorced President of France who is a mass murderer of Frenchmen. "Let them eat Cake, let them Burn in Gasoline, we are addicted to Oil Money" Per capita income in the Dominican Republic is \$2,850; in Haiti it is \$480, in Pakistan it is \$780. ElectricWindmillCar would bring the Per capita income worldwide to \$12,800 what I made last year. \$1.5 Billion dollars oil bribe in a Swiss Bank, even the Mayors of Denver and Boulder Colorado put \$1.5 Billion dollars in a Swiss Bank last year. \$1 Trillion of Texas and Saudi Oil money is just for bribes to suppress the ElectricWindmillCar. \$5 Trillion in Texas and Saudi Oil money is for War Toys. Moscow alone will sell \$5 Trillion dollars worth of oil and gasoline money on War Toys. Antibodies and antigens. The antigen-antibody reaction needs its own cable channel on Comcast or at least needs to dominate the Invention Channel on Comcast. Microsoft Golf and violent games lost Humanity the Universe. We can travel to another Universe, were the per capital worldwide is \$12,800 in 2008. In our current Universe --- MOSCOW - is using its oil money to build new intercontinental ballistic missile capable of carrying multiple nuclear warheads - a weapon intended to replace aging Soviet-era missiles. MOSCOW will run over our Love Sick NASA women with a Russian Space Station armed with multiple nuclear warheads to protect themselves from our Pentagon Generals and a Psychotic Bush. Is this the Universe we want to drive to in 2008 - No Way! NAGOYA, Japan (AP) - Toyota plans to sell 9.85 million ElectricWindmillCars worldwide in 2008. This is the real Universe. After my wives inspire the miracle overnight cure for breast cancer we will have to invent a Lobotomy Gas for the rest of the worlds Madmen who have enough oil money to blow up the world several times over. So if you want to role-play a Goddess of Inspiration give me a call and we can get married in 2008 and change the world. Happy New Year!

31 Dec 2007 Last Day of the Year

31 Dec 2007 Best revenge will be the ElectricWindmillCar

31 Dec 2007 Arrest all those at ChildrensHospital.org as they left kids in hot cars

31 Dec 2007 ElectricWindmillCar will be climate controlled 24/7 like your house

31 Dec 2007 Arrest Observers who stifled, stopped me from a breast cancer cure

31 Dec 2007 Best revenge will be getting the breast cancer cure before Bush Hangs

31 Dec 2007 Bush will be hanged for suppressing the ElectricWindmillCar + End to War

31 Dec 2007 Bush's Wife, Mom, Dad, Twin Daughters tossed gasoline bombs at SUV's

31 Dec 2007 Best revenge for 2008 will be the ElectricWindmillCar. Getting the cure for Breast Cancer before the Bush's are hanged by the NYPD for not preventing the 9-11 attack with the ElectricWindmillCar, which would of bankrupt Saudi Arabia were all the 9-11 terrorists were born. Bush got Saddam hanged for crimes against humanity on December 30, 2006. Today is December 31, 2007 and Bush killed 899 Marines in Iraq in 2007, senselessly. ElectricWindmillCar would have made more sense but Bush showed his wife and the world he is Psychotic. Court TV Trial reporters would mock Bush if he

used being Psychotic as a defense, grin. Court TV founder Steven Brill, Court TV 1991-2007 - 1980-2007 ElectricWindmillCar was knowingly suppressed by Brill and other executives all Lawyers, lawmen. Now Court TV is TruTV is owned by Time Warner, the same executives who just made The Compass Movie with Kidman trying to eliminate God from an Orwellian society that burned 10's of thousands in fiery car wrecks in 2007 for more gas money. Did Kidman take \$1.5 Billion to a Swiss Bank like the President of France did? If she did I can reason why she wants to eliminate the belief in God. Hells fires are fueled by Texas and Saudi gasoline. Ha. Asif Ali Zardari, 54, who comes from a feudal family, shot to fame after his arranged marriage to Bhutto, he was accused that he tried to extort several million dollars from a British Oilman by attaching a bomb to his leg. British Oil Men are worst than Texas and Saudi Oil men in suppressing the ElectricWindmillCar. \$1 Trillion in bribes to Musharraf, Bhutto, Kidman, Mayors of Denver and Boulder, Colorado President of France, you can understand why someone would put a bomb on the leg of a British Oilman to get his share of the oil bribes, grin. Bilawal spoke only in English, raising questions about his facility with Pakistan's national language. Bhutto herself spent much of her youth abroad and initially struggled with Urdu in her early years in politics. English will be the language of 5 Billion Inventions. Mayors of Denver and Boulder, Colorado were not satisfied with their \$1.5 Billion dollars in oil bribes they also killed off 5 Billion inventions, inventions by making Spanish the official language of Colorado. If you don't know Spanish at work in Colorado the Mexicans have the right to spit on you gringo. Grin. This is a pet perk Bush wanted to get for Colorado because I live in Boulder, Colorado. Best revenge will be the ElectricWindmillCar with car insurance as Colorado does not require Mexicans to have a drivers license or car insurance, ha. "Killer, Killer, Mexican drivers in the USA," Best revenge will be getting all these drivers off the road, in jail. Wang Xiaofeng, deputy director of the Three Gorges Dam, was quoted as saying China risked disaster. Can of Hydrogen from the gallon of water in your ElectricWindmillCar will fuel your furnace and generate your electricity. Xcel here in Colorado killed 2,500 linemen in 2007 from high voltage lines, needlessly. Like Bush's arms and legs under the 2007 Christmas Tree. Arrest of all the MD's in Boulder, Colorado who stifled, stopped me from a breast cancer cure in 2007 will be a payment for what this sick Orwellian Society did in 2007. Bill Gates killed 5 Billion inventions in 2007 by killing millions of HS kids by his Microsoft policies. Best revenge for 2008 will be getting several wives, all a Goddess of inspiration... get that overnight miracle cure for breast cancer. Before Bush gets hanged in 2008 31 Dec 2007 Last Day of the Year

30 Dec 2007 Oil Men, Texas and Saudi Oil Men assassinated Bhutto!

30 Dec 2007 Per capita income in Pakistan should be \$12,850, what I made in 2007

30 Dec 2007 Overwhelmingly poor people get molested from no ElectricWindmillCar

30 Dec 2007 Shocked citizens blame Musharraf and his rich USA upper classes

30 Dec 2007 Saudi Princes overwhelm the poor in Pakistan with USA support of abuse

30 Dec 2007 Musharraf and his rich USA upper class, Courts always rule for Saudi's

30 Dec 2007 Hiring Temps from Pakistan, they're worst off than Temps in Colorado

30 Dec 2007 Overwhelmingly poor people in Pakistan get abused via Bush upper class

30 Dec 2007 Oil Men, Texas and Saudi Oil Men assassinated Bhutto! Shocked citizens blame Musharraf and his rich USA upper classes for keeping 99% of Pakistani's in poverty, needlessly. Like Bush has arms and legs under the White House Christmas Tree needlessly. The suppression of the ElectricWindmillCar in Pakistan kills more Pakistan Citizens than the suppression of the ElectricWindmillCar in the USA. Pakistani's and American citizens both burn and burn to death in fiery gasoline car wreck, the statistics will be of great interest at the Oil Genocide Trials of Bush and Musharraf. At the end of WW II all the Generals were put on trial at the same time, same thing will happen to Bush and Musharraf. Swiss Bankers will hang before the Generals and Presidents in these Genocide Trials. UN can kick Geneva out of the UN. WHO at the UN is nervous about being a MD in the Era of Oil Men's Rape and Murder of the World's Overwhelmingly poor people for more oil money. Bush, Musharraf, Hu, President of India all raped and murdered the overwhelmingly poorest people in the world for more oil money. This crime is overwhelming. Remember the French Revolution, Let them eat cake, Let them burn in gasoline, we are addicted to oil money. All the upper class people in the USA are in a conspiracy, all the Kennedy's even Caroline Kennedy and Schwarzenegger's wife and 5 kids. Per capita income in Pakistan should be \$12,850, what I made in 2007. ISLAMABAD, Pakistan - The assassination of Bhutto has put Pakistan's Overwhelmingly poor, as the new rich at \$12,850, Per capita income with the windfall of the ElectricWindmillCar. Kids who are left in hot cars will be the one's who get the best windfall profit, their life to live when mom and dad leave them in a hot ElectricWindmillCar they will not die. Bush, Musharraf, Hu, President of India, Caroline Kennedy, Schwarzenegger his wife and 5 kids --- all left kids in hot cars died. This is sick, our Orwellian Society is sick. In need of some MD's who will turn in the Upper Class criminals who left the kids in hot cars to die. Memorial for all these kids will have to be at every Jewish Children's Hospital in Denver, Colorado, and in the USA. Jews were not content with just filling their Swiss Bank accounts with oil money they had to leave kids in hot cars. Genocide is a Crime even for MD's at the Jewish Hospital in Denver, Colorado. This crime is overwhelming. Income in Pakistan should be \$12,850, what I made in 2007. Musharraf's alliance with Bush. Texas and Saudi Oil men and of course the Kennedy's will have every Governor and Mayor of Pakistan along with the Mayors of Denver and Boulder Colorado taking their \$1.5 Billion dollar oil bribe to their Swiss Banker. All this money in Swiss banks is worthless. To the Overwhelmingly poor in Pakistan, India, China and of course the Temps in the USA who are screwed out of health care, dental, and earn \$12,850, in 2007 and don't forget gringo Temps at work under Bush can be spit at by Mexicans. Bush wanted this perk. Grin. Abolish the monarchy, the French President took his \$1.5 Billion dollar bribe to a Swiss Bank. Bhutto put her \$1.5 Billion dollars to a Swiss Bank too, this got her assassinated. Bhutto should of given the Overwhelmingly poor in Pakistan, and India an ElectricWindmillCar windfall that would give them \$12,850 in 2007. Upper class Americans killed and raped all these poor people in Pakistan for more oil money. Is there a Doctor in the house? No! Oil Men, Texas and Saudi Oil Men assassinated Bhutto!

29 Dec 2007 "Killer, Killer, Musharraf, Bush"

29 Dec 2007 To die in hot cars, Bush influence on internal affairs of the heart

29 Dec 2007 Kids die in hot cars, Cops are in fiery wrecks, Families in SUV's burned

29 Dec 2007 Even the smallest invention of air bags on the outside, for winter driving

29 Dec 2007 Bush is killing 100's of American Civilians every day he remains free

29 Dec 2007 Bush is killing 100's of Iraq Civilians every day he remains free

29 Dec 2007 Nightly News continues to suppress the ElectricWindmillCar news, Nightly News Media is even worst, as they gave false hope to the 40k women who died of breast cancer in 2007. Even Katie Couric knew she was giving false hope in her news story. Yet Katie would not expose the suppression of the ElectricWindmillCar and its inventor, me, Greg Buell from working on a cure for cancer in 2007 via Bush internal hatred of me. Bush killed 40k women in 2007 rather than let me work on a cure for breast cancer. All this while I live with hidden cameras in my living room. Mexicans kill 100 American Civilians every day. This is what Americans get for Mexican Oil, which we don't need... grin. Kennedy and Carter who started the government on this road to Genocide in 1980 remain tight-lipped. To die in hot cars, Kennedy Center Awards on TV, off limits were the little kids who died in hot cars. Caroline Kennedy left kids to die in hot cars, the daughter of JFK left a kid to die in a hot car. Bush influence on internal affairs of the heart gives Caroline Kennedy, Carter, Ted Kennedy the authorization to pour gasoline over your car and set you on fire for more oil money. False story we hear on the Nightly News, how hard it will be to find a partner the United States fully trusts. Ordinary civilians can't even trust the Swiss Banker not to take \$1.5 Billion dollar deposit from the Mayors of Denver and Boulder Colorado without even asking them were they got the money. Bhutto deposited \$1.5 Billion dollars into a Swiss Bank account. This Banker could of saved her life but didn't. Pakistan is a very dangerous and violent place. To die in hot cars, in Key West. To be murdered in Denver by Mexicans. More American civilians are killed by Bush. "Killer, Killer, Musharraf, Bush" Dr. Anthony L. Zietman, a radiation oncologist at Harvard and Massachusetts General Hospital, which operates a proton center. "This is the dark side of American medicine." MD's at Harvard, Yale know the official Bush policy is to make as much money as possible treating cancer, and suppress anyone who wants to get a over night miracle cure for cancer. Bush is psychotic in his Iraq war policy. As the ElectricWindmillCar would of won the Iraq War without any arms and legs under the Bush White House Christmas Tree. Insane Bush let all those arms and legs get blown off, got a lot of heros for Nightly news to report at the end of every broadcast. ElectricWindmillCar would of won the Iraq War without any arms and legs under the Bush White House Christmas Tree. Bush influence on internal affairs of the heart, to die left in a hot car. Fiery car wrecks. Gasoline Tanker trucks, can drive from Mexico City to deliver your gasoline as Bush wanted this perk. Confiscating all the oil money in Swiss Banks. Saudi Prince who got your kidney transplant thinks Bush can protect his illegal oil money forever. Misconceptions by foreign powers. Time made Putin person of the year 2007 because Putin will be the first to get \$5 Trillion dollars from oil money in the bank first. Caroline Kennedy daughter of JFK let kids die in hot cars so the rich and famous can have Trillions not just Billions from oil. Laura Bush let someone else's twin daughters die in a hot car or in a SUV that burst into flames. "Killer, Killer, Musharraf, Bush"

28 Dec 2007 Bush assassinated Bhutto with the ElectricWindmillCar suppression

28 Dec 2007 Swiss Bankers assassinated Bhutto taking her \$1.5 Billion dollars

28 Dec 2007 Bhutto's supporters chanted, "Killer, Killer, Musharraf!"

28 Dec 2007 Bush already put out false stories who kill her on CNN and Fox

28 Dec 2007 CNN Barbara Starr gave us disinformation about the assassination

28 Dec 2007 Richard Perry/The New York Times forgot the ElectricWindmillCar

28 Dec 2007 Richard Perry/The New York Times, Haitians cross a bridge linking their country and the Dominican Republic, where many Haitians buy necessities and seek work. They have leaky roofs and dirt floors, with no lights or running water. But hundreds of Haitian migrants have risked their lives to come here and work the surrounding fields, and they are part of a global trend: migrants who move to poor countries from even poorer ones. 28 Dec 2007 Bush assassinated Bhutto with the ElectricWindmillCar suppression. Bush assassinated 1 Billion people with the suppression of the ElectricWindmillCar. Bush let a few hundred other Presidents and World Leaders put \$5 Trillion dollars in oil money in Swiss Banks. Jews have Swiss Bank accounts next to Saudi Oil men in the same Swiss Bank, all that counts is Money. Per capita income in the Dominican Republic is \$2,850; in Haiti it is \$480 in Pakistan it is \$280 with the ElectricWindmillCar it would be \$12,800. Bush is the assassin of 1 Billion people worldwide. Barbara Starr reporting from the Pentagon on CNN knows this is the true story not disinformation on the End War On Earth news. Pakistan is fueled by Oil Money that only goes for War Toys. ElectricWindmillCar would fuel the people with the lowest Per capital income on Earth, these are the one's who Bush has assassinated by suppressing the ElectricWindmillCar. Those in Pakistan with cars do leave kids in hot cars to die, just like Key West. The ElectricWindmillCar will be climate controlled 24/7 just like your home. So Bush really is guilty of assassinating kids left in hot cars by suppressing the ElectricWindmillCar. Condoleezza Rice described a planned U.S. arm sales of Boeing War Toys to Saudi Arabia, the United Arab Emirates, Kuwait, Qatar, Bahrain and Oman as a counter to "the negative influences" of al Qaeda and Hezbollah as well as the countries Syria and Iran. Condoleezza Rice hates "white cops" this is why she got the job, and "white cops" like Officer Jason who burned to death in his cop car on my Electricwindmillcar web is the typical person who pays for the suppression of the ElectricWindmillCars in the USA. The report counted the deaths of 186 officers as of Dec. 26, 2007 up from 145 last year. Eighty-one died in traffic incidents, which the report said surpassed their record of 78 set in 2000. Bush does not report on CNN or let Katie Couric on CBS report how many cops are burned in fiery cop car wrecks. How many families in SUV's are hit head on by a gasoline tanker trucks like the one on the ElectricWindmillcar web, on 7 Mile Bridge in the Keys. Barbara Starr at the Pentagon knows how many American Citizens Bush assassinated with the Suppression of the ElectricWindmillCar, burned to death in gasoline fires, yet she will only give out disinformation about Bhutto's assassination on CNN. "The surgeons confirmed that she has been martyred," Bhutto's lawyer Babar Awan said. Officer Jason was murdered and martyred by Bush. In an Orwellian Society that knows this is the true story. Someday the cops and kids supporters will explode in anger, smashing the glass doors at the White House and arrest Bush for assassinating cops and leaving kids in hot cars to die. Some at the hospital began chanting, "Killer, Killer, Musharraf," Chaos in Pakistan, what is going to happen in the USA when Barbara Starr at the Pentagon reports all the details about the suppression of the ElectricWindmillCar and all those who burned and burned to death in fiery car wrecks so Bush, the Saudi's and Texas Oil men could put \$5 Trillion dollars into Swiss Bank Accounts? Some at the hospital began chanting, "Killer, Killer, Musharraf," MD's at the hospital begin to worry about their Swiss Bank accounts they got from Bush to go along with the assassinations of cops and kids in fiery car wrecks. Bush government refused to provide kids with a climate controlled ElectricWindmillCars; Laura Bush let kids, twin daughters left in a hot car die. This is sick! This is assassinating kids left in hot cars so you can put \$5 Trillion not \$5 Billion in your Swiss Bank account. And Yes the Swiss Bankers know this is genocide money, yet they take it to the Bank. Barbara Starr at the Pentagon needs to aim her Nukes at the Swiss Banks, not Peasants making \$150 a year, who would not be living in poverty if the ElectricWindmillCar was not suppressed by Bush. Some at the hospital began chanting, "Killer, Killer, Musharraf," Bhutto a graduate of Harvard and Oxford, Ms. Bhutto brought the backing of Washington and London, where she impressed with her political lineage and her considerable charm. Queen Elizabeth toasted at the White House with Bush... Let them Eat Cake, Let them Burn In Gasoline. We are addicted to oil money. \$5 Trillion dollars has warped the minds of all the World Leaders, and all the Barbara Starr's at the Pentagon. \$5 Trillion dollars would ---- Per capita income in the Dominican Republic is \$2,850; in Haiti it is \$480 in Pakistan it is \$280 with the ElectricWindmillCar it would be \$12,800. Bush is the assassin of 1 Billion people worldwide. Barbara Starr reporting from the Pentagon on CNN knows this is the true story not disinformation on the End War On Earth news. Some at the hospital began chanting, "Killer, Killer, Musharraf," Bush! Someone at the hospital has to take

care of the kids left in hot cars in Key West.

27 Dec 2007 Saudi Arabia and the "Midnight Mass" at World Trade Center

27 Dec 2007 CNN news today said Saudi Arabia was not involved in 9-11 attack

27 Dec 2007 Bush is giving false stories to CNN and the New York Times

27 Dec 2007 Bush is a Madman who will be arrested for Genocide in 2008

27 Dec 2007 \$100 Million dollar cancer zapper in the New York Times

27 Dec 2007 \$500 Million yes 5 cancer zappers have been built in secret

27 Dec 2007 Because "Total Immunity" is a better invention, antigen-antibody reaction

27 Dec 2007 New York Times reported on the front page a \$100 Million dollar atom collision atomic particles collide and need walls 18 feet thick to house the particle acceleratory that will be aimed at cancer tumors and fired. This is a Madman's invention; I will bet it came from Bush. I have been writing up the idea of "Total Immunity" for the last 20 years and the observers who are medical researchers at Yale, MIT, Mayo, have been ordered not to peruse this idea. One vaccination that immunizes you against cancer, flu, and everything in between. When the Observers come out from behind the hidden cameras in my living room and Gen. Orwell lets me work on a cure for cancer this is what I will be working on my first day free. So if I have any potential "Wives-Goddesses of Inspiration" reading this get the research material ready for a long brainstorming day, and thanks in advance. Lockheed Martin, Northrop Grumman, and BAE Systems are working on the F-35, mostly software. This will be useful in brainstorming "Total Immunity". VATICAN CITY (Reuters) - Pope Benedict said on Wednesday that Christians faced persecution, torture and death in some parts of the world and continued to be made martyrs for their faith. Pope Benedict said on Wednesday didn't mention Officer Jason who's burned face from a fiery rearend car wreck is on my web... I mailed by the Post Office an 8X11 Post Card to the Pope at the Vatican yet he can not reply about the 10's of thousands burned in gasoline for more oil money while the ElectricWindmillCar is being suppressed. This is a Cardinal Sin by the Pope. In a message to pilgrims on the day after Christmas -- the feast day of St. Stephen, considered the first Christian martyr -- the Pope said Christians who die for their faith --- didn't die in a fiery car wreck when gasoline should have been replaced with ElectricWindmillCar in 1980. This is a Cardinal Sin by the Pope. t. Stephen was stoned to death by a mob in Jerusalem at a time when Christianity was first starting to spread. The Pope said such martyrdoms continued to this day. Pope did not say the Jews in Jerusalem have \$Billions in Oil Genocide money in Swiss Banks given to them by Texas and Saudi Oil men to not expose the suppression of the ElectricWindmillCar and the tens of thousands who will burn in gasoline, in fiery car wrecks. This is a Cardinal Sin that is also a Genocide. Cops are not Martyrs for gasoline burning then in cop cars. The Pope is crazy as Bush and the Oil Men. LAGOS, Nigeria - A ruptured gasoline pipeline exploded in flames, killing at least 84 people near Nigeria's main city of Lagos as they tried to scoop fuel from the gushing leak, police said Wednesday The explosion Tuesday morning at Agbogbo, a village near the coastal city of Lagos, occurred on a stretch of pipeline in remote swamp waters, and news of it did not filter out until Wednesday morning. More than 800 people died in two similar pipeline explosions observed by Laura Bush on hidden camera, and Laura goes along with the suppression of the ElectricWindmillCar, this is a Cardinal Sin and Genocide by Bush's Wife. 1,000 people a day are burned and burned to death in gasoline and Laura and the Pope will not expose the suppression of the ElectricWindmillCar. Pope will not bless these people who burn in gasoline as martyrs. So if I have any potential "Wives-Goddesses of Inspiration" reading this please ask the cops in Italy to get ready to arrest the Pope for a Genocide that has nothing to do with harassing Christians. And Everything to with taking \$Billions in oil money bribes from Texas and Saudi Oil men to go along with the suppression of the ElectricWindmillCar.

25 Dec 2007 VATICAN CITY (AFP) - Pope Benedict XVI Distorted Christmas

25 Dec 2007 Pope helps Texas + Saudi oil men's selfishness and degradation of the environment for \$ Billions of dollars Pope puts in the Vatican Bank

25 Dec 2007 Toyota plans to sell 9.85 million vehicles worldwide in 2008

25 Dec 2007 Iran will build 9.85 million missiles with their Japanese gasoline money

25 Dec 2007 Iran will build 19 atomic power plants with their Japanese gasoline money

25 Dec 2007 VATICAN CITY (AFP) - Pope Benedict XVI Misused Christmas to speak out against selfishness and degradation of the environment as he celebrated midnight mass at Saint Peter's Basilica.

25 Dec 2007 Japan has 50 Nuclear Power Plants over an Earthquake area

25 Dec 2007 Japan need to convert its Electric Power Generation to Free Hydrogen

25 Dec 2007 VATICAN CITY (AFP) - Pope Benedict XVI Misused Christmas by not exposing the suppression of the ElectricWindmillCar, and Gen. Orwell's stifling me, Greg Buell from working on a cure for cancer on this Christmas Day (with several wives to help inspire me, Greg Buell). \$ Billions of dollars Pope put in the Vatican Bank, \$ Billions more from Texas and Saudi Oil men are in Swiss Banks on Christmas Day. GE NBC Nightly News on Christmas Day everyone should be arrested for Genocide, they probably will be. GE by not exposing the suppression of the ElectricWindmillCar on its NBC Nightly News misused its status in society. People sitting around with their face burned in gasoline, owe this to GE and their Nightly News Reporters. GE made more \$ Billions than the Pope, not by selling ads on Nightly News but from bribes from Texas and Saudi Oil men. Pope spoke to the world's 1.1 billion Catholics, he spoke in Italian as thousands listened in the vast basilica. 100 million have cancer and the Pope could have exposed the suppression of the ElectricWindmillcar and said its inventor me, Greg Buell was being stifled by Gen. Orwell USA from working on a cure for cancer. He, Greg Buell could have already gotten in 1981 a year after the invention of the ElectricWindmillCar. VATICAN CITY (AFP) - Pope Benedict XVI Misused Christmas by not addressing the inventor of the ElectricWindmillCar. Bishop Gregory of Nyssa, who lamented a "universe torn and disfigured by sin," Pope Benedict spoke of Gregory but not Greg Buell. Close but this will not get the Pope into Heaven. Grin. John Paul II is in Hell on this Christmas Day. God would have no choice but to-put John Paul II in Hell for not Exposing the suppression of the ElectricWindmillCar in 1980. John Paul II sent his Vatican people to Boulder,

Colorado to St. Thomas Aquinas Church to check me, Greg Buell out. I can remember them, I can remember reading their minds as they told me they were from the Vatican. John Paul II is in Hell Today. VATICAN CITY (AFP) - Pope Benedict XVI fears Gen Orwell of the USA more than he fears God. I can understand this. Gen. Orwell has hidden cameras in your living room and an Army of Observers who are willing to spit on anyone on Christmas Day. ORANJESTAD, Aruba - Natalee Holloway is one of millions, wives, girlfriends, dates murdered by men around the world. Gen. Orwell will let another 40k women die of breast cancer in 2008 and will let more Natalee Holloway and wives go missing. GPS and radio frequency tags, stickers must monitor men and women to save a million from being murdered. Oil and Iraq, take up all the Generals time and inventiveness. Moslem War is just what the General wanted for his Christmas Present. Christmas Star, Alpha Centauri and the 700 new model 2008 Shuttle will have to wait for another Christmas Day, one in which the Pope exposes the suppression of the ElectricWindmillCar. Bush's revenge on me, Greg Buell... is so awesome Bush will let 40k more women die of Breast Cancer in 2008 rather than let me, Greg Buell work on a cure for breast cancer. Bush deserves the arms and legs under the White House Christmas Tree today, Marines who got them blown off do not deserve it or a Madman like Bush for their President. Merry Christmas

24 Dec 2007 Pope is using Oil Bribes to build new Catholic Churches in Iraq

24 Dec 2007 Catholic women will pray when dying of breast cancer in Church

24 Dec 2007 Million Catholic women will die of breast cancer while Churches are built

24 Dec 2007 In Iraq, Pope said God wants new Church buildings in Iraq

24 Dec 2007 God gave the Pope the Oil Money in the form of a Bribe to suppress

24 Dec 2007 The ElectricWindmillCar Godsend

24 Dec 2007 Christmas Eve service at the Vatican. Pope just got off his computer; he was erecting new Catholic Church buildings in every city in Iraq. Billions of dollars in bribes from Texas and Saudi Oil men made Christmas busy for the Pope. He has to get as many Catholic Churches going up in Iraq as humanly possible. No the Pope does not know women are dying from Breast Cancer. This does not concern the Pope. Women are not the Popes Goddess of Inspiration. Church buildings in Boulder Colorado since the invention of the ElectricWindmillCar here in 1980 are the most luxurious and extravagant the Preacher could ever ask God for. I would say the Devil gave the Churches in Boulder Colorado the oil money bribes to renovate. Grin. Many Churches here in Boulder Colorado have been renovated again and again looking more like the biggest Church buildings at the Vatican. Same time women have been dying of Breast Cancer at 40k a year. Since 1980 and I could have gotten a cure for breast cancer in 1981 if Gen. Orwell gave the orders to ok this. Preachers stifled me, Greg Buell from working on any kind of cure for cancer while at the same time they took oil bribes from Observers. This is typical Church behavior in every city in the USA since the invention of the ElectricWindmillCar in 1980. New hospital buildings in Boulder Colorado were paid for by oil bribes, and the MD's planned to treat cancer not get a cure. Getting a cure for cancer would put the MD out of business. I will post audio mp3 of the MD's in Boulder Colorado talking about stifling me Greg Buell from getting a cure for cancer when the observers come out from behind the hidden cameras. God will pour gasoline over the Pope in Hell. Building Catholic Churches with oil money bribes will not save the Pope from Hells Fires. We should save the 40k women who will die from Breast Cancer in 2008. There is a miracle cure, just like the ElectricWindmillCar invented during the Oil Embargo. Same madmen, Kennedy and his friends will suppress this like they did the ElectricWindmillCar. If they don't, we'll get a cure for breast cancer in 2008. Then I will spent the confiscated oil money from Swiss Banks on Building a State of the Arts Medical School over every Football Stadium on every University Campus in the USA. The Catholic Churches the Pope gets built in Baghdad will house Iraqi troops when the Marines come home, and sign up to be MD's. Christmas in Baghdad and Christmas with Breast Cancer. War is Hell and this war in Iraq stifles getting a miracle cure for Breast Cancer. MD's in Boulder Colorado stifled me, Greg Buell from working on a cure for Breast Cancer this year. All I want for Christmas is my 2 front teeth, and some dentures. Wives so they can be my Goddess of Inspiration to get the cure for Breast Cancer and Cancer. We can build a Medical School over every Football Stadium on every University Campus for Christmas in the USA not Baghdad. Observers watch us on hidden cameras. We will observe the Pope burning in Hells fires. Building Catholic Churches in Baghdad will not get the Pope into Heaven! Merry Christmas will be getting an overnight cure for all the women with Breast Cancer. Merry Christmas!

23 Dec 2007 Texas and Saudi Oil men were strong enough to overpower the World

23 Dec 2007 And take control of every department at the UN.

23 Dec 2007 Chaos by the Chiefs of Police in the USA

23 Dec 2007 Bush addressed them, picture of Officer Jason's face burned in gasoline

23 Dec 2007 Tens of thousands, their face burned in gasoline while Bush was President

23 Dec 2007 Chiefs of Police let mom dad and the 2 kids in the SUV burst into flames

23 Dec 2007 Scale of the Chaos will not be know until The Chief is fired and hanged

23 Dec 2007 UN Human Rights commission must have something to do with this Chaos

23 Dec 2007 WHO at the UN is on edge about the NYPD taking revenge on the UN

23 Dec 2007 Texas and Saudi Oil men were strong enough to overpower every Chief of Police in the USA, and take control of every department at the UN. Wow! Generals and Major Generals who graduated from West Point were overpowered by Texas and Saudi Oil men who tossed gasoline bombs at their leisure at cars on the highways of the USA and every Nation on Earth. Bad news for any woman diagnosed with breast cancer. MD's work for the Ruling Class thus they can get away with murder like the Ruling Class. Chaos in health insurance because some Saudi Prince told Bush let them pay for it themselves. Something like than anyhow. We'll learn the story some time after Mecca is Nuked. Grin. The least aggressive women and the most aggressive women when looking for a purpose in life. NASA women knew were they wanted to go they just timed it badly with some Saudi Prince telling Bush why should we build Moon Bases it's a vast desert up there. So Bush cancelled 700 New Shuttles and 700 Moon Bases. Women in the French Revolution missed killing the current French President. He just visited Iraq and Afghanistan to promote War. Saudi King won over the French President who probably didn't read

Reasouu. Let them Ear Cake from the French Revolution is now Let them burn in Gasoline, we are Addicted to Oil Money. Sick Chaos. The rest of the "Women of the World" Yoko and Cher and Kidman have their own story they will tell us about how they found out about the suppression of the ElectricWindmillCar. I remember telling Shelly at the Boulder Café, her eyes lit up like an organism... grin. Wow really and the government is suppressing it. Yes! Those addicted to oil money and Microsoft Money collide with tens of thousands fiery car wrecks with tens of thousands of people burning in gasoline so they can profit. Chaos of making money drove off a cliff without gravity control being invented yet. MD's were set free of any restraints on their conscience and they became mass murderers. Would you torture the subjects hiding behind a hidden camera? Millions of government workers do. Chaos of 9-11 would have been prevented if the CIA or Pentagon would of assassinated the Saudi King eliminating the lavishness the Saudi Men who flew the planes into the World Trade Center Building had in their minds. Chaos in Saudi Arabia would of prevented 9-11 and let the Texas Oil men still cash in on the suppression of the ElectricWindmillCar. Would you torture the subjects hiding behind a hidden camera? Millions of government workers do. CIA and Pentagon Generals watch Saudi Princes from behind hidden cameras, watch all that spending of oil money on women and war toys. Their only invention was to overpower the World Leaders, get them addicted to oil money so they would kill anyone and everyone to earn more oil money. Chaos in the world of earning money from oil. Government rehab programs allow tens of thousands of MD's to keep their drug addictions hidden from their patients. Government workers watching from behind a hidden camera observe botched operations and patients die, type up a report and let the MD go on to the next patient. Chaos in the government of the USA. White House women are mad as hell and want to take revenge on Bush for the 40k breast cancer deaths in 2007. They are out of luck. Wife of the French President could only divorce him not kill him for suppressing the ElectricWindmillCar and stifling a cure for breast cancer with his war toys and promotion of war in Iraq. Pope was seduced with a Catholic Church in every city in Iraq. I will try to seduce Shelly with I can get a cure for breast cancer with you as one of my wives. I will seduce NASA women with 700 new 2008 Model Shuttles that can be docked in orbit and blasted off to Alpha Centauri. If I don't seduce these women this year 2007. Chaos will kill tens of thousands in 2008 for oil money. Merry Christmas.

22 Dec 2007 Bill Gates will lose \$100 Billion Dollars in One Day.

22 Dec 2007 GE will lose \$100 Billion Dollars in One Day

22 Dec 2007 Because Bill went along with suppressing the ElectricWindmillCar on 9-11

22 Dec 2007 Earth and the Universe - Undermined by Texas and Saudi Oil Money

22 Dec 2007 Scenarios that piloted the USA up to multiple Genocides run by Bush

22 Dec 2007 To further global dominance with Oil Money Bribes and A Bill Gates

22 Dec 2007 Microsoft intelligent pointing devices pointed Presidents to fiery wrecks

22 Dec 2007 Bill Gates sick with greed that kills more people than MD's greed

22 Dec 2007 Bush cant ignored Moscow's attempt to earn \$5 Trillion dollars from oil

22 Dec 2007 9-11 scenario only because everyone on Earth went along with suppressing the ElectricWindmillCar invented in October of 1980. Now Bush faces arrest for Genocide, and several dozen \$Billion dollar lawsuits the government will willingly pay out under an ElectricWindmillCar Era. Bill Gates will lose \$100 Billion Dollars in One Day. Because Bill was helping to suppress the ElectricWindmillCar on and before 9-11. GE will lose \$100 Billion Dollars in One Day because GE was helping to suppress the ElectricWindmillCar on and before 9-11. Who in the world could influence Bill Gates and GE enough to gamble with \$100 Billion dollars each? Bush at his news conference said the same thing 100 times before. One thing I would like to point out is Bush said No kid left behind more than 100 times and at the same time kids were left behind in hot cars to die because Bush was suppressing the ElectricWindmillCar which is climate controlled all the time. Cigna was in the news for failing to ok payment for a transplanted liver before the patient died. Katie Couric will not mention my idea of mandatory organ donation for everyone who dies. Why? Mother of all Mistakes. Several Mother of all Mistakes since the invention of the ElectricWindmillCar in 1980. The loss of 100 Billion inventions Americans didn't get because the ElectricWindmillCar was suppressed will earn the highest interest after the ElectricWindmillCar hits the road. Bush killed 40k women in 2007 and another 40k in 2008 by being insane about stem cell research to cure breast cancer. I think this was crazy, but even more crazy put causing fewer deaths is Bush when he leaves kids in hot cars to die. Microsoft intelligent pointing devices pointed Presidents to fiery wrecks that burned 10k in gasoline needlessly except for those who get the oil money. Bush is reminiscing about his wasted time as President of the USA. Several dozen \$Billion dollar lawsuits the government will willingly pay out under an ElectricWindmillCar Era. Era that will go faster than the speed of light released from Oil Madmen. Era that will travel 4.3 light years across the Universe. Grin. It will seem like 4.3 light years is half way across the Universe because of the Madmen Era. Memorial for all the kids Bush left in hot cars to die. This Memorial Design will include a car. Key West tourists must be reminded on their Key West vacations Bush and his Brother left kids to die in hot cars in Florida. Merry Christmas

21 Dec 2007 Bush 8 am Press Conference, Invent-ory, Gregory took the silverware

21 Dec 2007 Invent something to End War On Earth, = = = ElectricWindmillCar

21 Dec 2007 Take the money and run, Bush; Putin took the Oil Money to Swiss Banks

21 Dec 2007 Bush 8 am Press Conference, Billion dollar law suit's burned in gasoline

21 Dec 2007 Bush 8 am, Billion dollar law suit 9-11's 10 cent a barrel oil, No 9-11

21 Dec 2007 Bush got the Pope to take Oil Money bribes and declare war on Moslems

21 Dec 2007 Nichol Kidman's The Compass. Kidman spit on God The Universe and Aliens

21 Dec 2007 In Kidman's movie there aren't 5 billion invention projects for Sony to make 100's of movies. Kidman tries to eliminate God. Time Warner Inc, CEO who made this movie killed his wife and married a man in real life. Grin. No wonder why he wants to eliminate God in Kidman's The Compass movie.

Clinton's neighbor was arrested yesterday for killing his wife. Peggy Perez-Olivo, 55, was shot in the head as she and her husband were driving from Manhattan toward their home just three doors from the Clintons in Chappaqua. The teacher's assistant at a Chappaqua school died two days later. In Kidman's movie there aren't 5 billion invention projects, Tom didn't kill Kidman, they divorced. 1 of these 5 million inventions will prevent all wives from being murdered by their husband during a divorce. One of the \$Billion dollar law suits Bush mentioned will be against the Jewish Hospitals were the uninsured die 50% more than the insured... you do the math. Grin. NYC Jews will have several Genocide Law Suits besides not exposing the ElectricWindmillCar and preventing 9-11 in NYC. Katie Couric doesn't have a \$Billion dollars, GE has \$100 Billion dollars it will lose every dollar when 9-11 widows sue GE for not exposing the suppression of the ElectricWindmillCar before 9-11. Every wonder how Bill Gates will lose \$100 Billion dollars in 1 day, widows from 9-11 and widows of cops burned and burned to death in gasoline will do this to Bill Gates. The widow will be deserving of the \$Billion dollars and Bill Gates deserves to lose \$100 Billion for helping, and profiting in money and government protection of Microsoft's policy to kill millions of High School inventors hope, for a better life. Killed by Bill Gates. The Supercharged V-8, 620 Horsepower gasoline engine is, indeed, the ultimate engine for the 2008 Corvette. The engine is assembled by hand at GM's Performance Build Center, a unique, small-volume engine production facility in Wixom, Mich., that also builds the Corvette Z06's LS7 engine and other high-performance GM production engines. GM is targeting these engines to sell a few more Corvettes in March 2008. GM goes along with the suppression of the ElectricWindmillCar. Bush 8 am Press Conference, Billion-dollar lawsuit's for those burned in gasoline in GM cars with gasoline engines and gas tanks. Hang them all and let God sort it out... Grin. GM is condemning thousands of people to a fiery death in 2008. Bush at his 8 am Pres Conference wasn't asked one question about this, Katie Couric has a rosy glow introducing Bush then later in the day on CBS Nightly News. Katie reported a 1981 model car in a crash at 15 mph the bumper got \$84 in damage, today the Toyota or Honda or GM in a 15 mph crash the bumper cost was \$2k to \$4k in damage. Katie didn't mention the air bags on the outside of bumpers invention. Grin. Katie didn't mention the arms and legs gifts under the Bush White House Christmas Tree. Lite Coors for Katie, maybe she was drinking not kissing before the Press Conference at 8 am. I would certainly get off if I got a gift of a few wives under my Christmas Tree next week. I would make them blush every day of 2008 with a new invention or new invention project you could work on, when you log on here to read the End War News. Merry Christmas!

20 Dec 2007 Time person of the year Putin, \$5 Trillion from oil not the ElectricWindmillCar

20 Dec 2007 Yi Cui reinvented the Li-ion not in the Era of Free Hydrogen ruthlessness

20 Dec 2007 Yi Cui, Stanford researchers stifled the ElectricWindmillCar from 1980-2008

20 Dec 2007 MIT Ruthlessly stifled every spin off invention from the ElectricWindmillCar

20 Dec 2007 Yi Cui reinvented your notebook battery from 2 hours to 20 hours not 20 days!

20 Dec 2007 MIT Textbooks in 2008 still preach there are no Perpetual Motion Machines

20 Dec 2007 There are 20 Perpetual Motion Machines, the ElectricWindmillCar is just the first. \$5 Trillion from oil not the ElectricWindmillCar. Zero spin off inventions from oil, 5 billion inventions lost from the suppression of the ElectricWindmillCar. Time picked Putin for pulling off the Mother of all Scams, but one that left 10,s of thousands burned and burned to death in gasoline. Lenin the reinvented Lenin will be the Time person of the year 1 year from Today if he gets Putin hanged. Flames, smoke, White House called the Fire Department. If Putin Hangs for making \$5 Trillion dollars from oil the rest of the White House Universe will be burned to the ground. Bush's White House runs on Oil Revenue. Stone Executive Office building next to the White House. Lenin's Office in St. Petersburg is an Office for the Russian National Oil Company Today. How could someone who studied Lenin in High School burn Moscow cops in fiery gasoline fires? For Oil Money? History will make Putin more frantically than Lenin. \$5 Trillion dollars in Oil Money for Moscow. Yi Cui reinvented your notebook battery from 2 hours to 20 hours not 20 days! Think of every star in the Universe as an invention you can get when the ElectricWindmillCar enlist you in a new Army that will travel 4.3 light years to the nearest Star Alpha Centauri. Pentagons Army will only travel to Iraq. So who's Army will you join? Invention project for you to get started on is the DVD burner with no moving parts. You cannot travel 4.3 light years with a Sony DVD burner, blue-ray or not. Ha. So start inventing a DVD burner with no moving parts before MIT makes the news tomorrow about the same invention project. Ruthless situation at Stanford, MIT with all their Yi Cui's. Truth is 99% of their work is for the Pentagon, not getting 18 hours more for your notebook battery. I want a notebook that lets you take off the LCD screen. I want a notebook that comes on like a TV. I want a notebook with an alarm clock and beep 2 mins before the hour so I can turn on the TV and not miss the start of Katie Couric. I want Putin to be Hanged by a reinvented Lenin who does not work for the Russian National Oil Company. Addicted to oil money. This has been printed in the New York Times. Bush and Putin are addicted to Oil Money. MD are addicted to drugs, 10% blotched a surgery or a diagnosis and are in government treatment programs forever. No you cannot find out if your MD is in a treatment program, the government does not want you to know this. Confidential and Top Secret has always been used to protect dangerous Doctors. MD and PhDs. ElectricWindmillCar enlist you in a new Army that will travel 4.3 light years to the nearest Star, Alpha Centauri. Pentagons Army will only travel to Iraq. So who's Army will you join? Pentagon news, they want to add 99k troops to the Army in 2008. I want an Army of 3 Billion people working to get to Alpha Centauri. And get 5 billion inventions Putin and Bush lost for Humanity. Time person of the year Putin, \$5 Trillion from oil for a Space Station for Russian Nukes. Next year Putin will get Time person of the year if the Russians build a Space Station for Nukes. If Putin gets Hanged in 2008 it might still get Time's person of the year next year.

19 Dec 2007 Castro, Texas and Saudi Oil men will never give up their time in power willingly

19 Dec 2007 Cubans who swam ashore in Florida were run over by the ElectricWindmillCar

19 Dec 2007 Bush driving a ElectricWindmillCar drove over Cubans swimming ashore in FL

19 Dec 2007 Florida citizens and Cubans left kids in hot cars to die, unnecessarily

19 Dec 2007 Today everyone in Florida knows the ElectricWindmillCar is climate controlled

19 Dec 2007 Natalee Holloway was murdered leaving a bar, everyone knows who kill her

19 Dec 2007 ORANJESTAD, Aruba we don't have evidence to charge anyone

19 Dec 2007 Evidence in Pakistan is the same as Evidence in the USA. Evidence Texas and Saudi Oil men suppress the ElectricWindmillCar is obvious. It's Evident the Top Brass, Top Quarks, plan on letting kids die in hot cars and let us burn to death in fiery car wrecks. Mexicans in the USA know they cause the deaths of Americans, and it's evident they want to ignore this. Mexicans who killed cops in cold blood should never have been let into the USA. Top

Brass, Top Quarks in their meetings knew the statistics, the murders the Mexicans would commit. So who is the bigger murderer, the Mexicans killing cops in cold blood or the Top Brass, and Top Quarks who let the Mexicans into the USA. CIA will certainly be asked, ordered by Bush to destroy the videotapes. These Top Brass and Top Quark murderers warrant more aggressive CSI analysis. Coup D'Etat with the ElectricWindmillCar cannot run over Texas and Saudi Oil men suppress the ElectricWindmillCar. Bill Gates is helping the Texas and Saudi Oil men. This warrants more aggressive CSI analysis. Suppression of the ElectricWindmillCar. Queen of England visits the White House and toast, let them eat cake, let them burn in gasoline; we are addicted to oil money. And does not get arrested by the White House cops. This certainly warrants more aggressive CSI analysis. Leno is due back with his joke; your flesh is sizzling in gasoline, and gets laughs from it. Castro must know about the suppressed the ElectricWindmillCar and does not use this Intel to get even with Bush. Moscow is saving hard to get \$5 Trillion dollars in oil revenue before the ElectricWindmillCar comes off the Ford Assembly line. Yoko cannot help John Lennon expose this suppression. Triple-negative, lose-lose-lose situation in trying to get the Oil Men hanged. Even a windfall for organ transplant people who are waiting gets us no closer to getting them hanged. Act of senseless violence caught on videotape in the planning stage at White House Meetings and in real life in fiery car wrecks and Mexican cop killers. Just like in ORANJESTAD, Aruba we don't have evidence to charge anyone. In Pakistan they were going to Charge President Pervez Musharraf with murder and Genocide, so he replaced the Supreme Court. Bush did the same thing in the USA. The Supreme Court Justices of the USA ruled the Suppression of the ElectricWindmillCar and the murder of cops by Mexicans is legal under the emergency rule of the Texas Oil Men and Bush's. A fleet of 700 Shuttles all model 2008 was killed by the Top Brass and Top Quarks. Evidence who is doing this has not been reported by Katie Couric at CBS. Leno will be back at NBC with new versions of his sizzling flesh in gasoline jokes before I get a few love crazy NASA women together for inventing a better Universe on Earth. Christmas 2007 is less than a week from today. Even the Pope is to busy counting all his oil money bribes. Hells fires do not influence the Pope. Fiery car wrecks with families inside are not spoken of in any sermon by any Priest. Mexicans in the USA know they cause the deaths of Americans, and it's evident they want to ignore this. In Pakistan they were going to Charge President Pervez Musharraf with murder and Genocide, so he replaced the Supreme Court. Bush's replaced the Supreme Court Justices in 1980 when the ElectricWindmillCar was invented. In Aruba we don't have evidence to charge anyone for the murder of Natalee Holloway leaving a bar with 3 guys. You know they killed her in cold blood! Coup D'Etat and Revolutions even with an ElectricWindmillCar are still Mission Impossible IV Movies. Remember Bush is the one who left all those kids in hot cars to die; he was distracted driving, shopping for arms and legs for the White House Christmas Tree.

18 Dec 2007 In China 350 million smoked a cigarette today

18 Dec 2007 Worldwide 100+ burned to death in gasoline today

18 Dec 2007 Cosmic violence, which people have never witnessed before

18 Dec 2007 President Bush, President Hu killing their own civilians for money

18 Dec 2007 Cosmic violence, which people have never witnessed before

18 Dec 2007 Black hole galaxy blasting a neighboring galaxy, extraordinary act of violence

18 Dec 2007 Kennedy drove off a bridge drunk drowning his girlfriend, a drunkard's life

18 Dec 2007 A drunkard's extraordinary violence pours gasoline over you and lite the match, this is Kennedy and the other 100 Senators since 1980 when they voted to go along with the suppression of the ElectricWindmillCar. Coors is a deadly infection. WHO made the news with 12 million die from cancer in 2007. Coors customer service got to WHO as the number of deaths from Coors was not reported. Drunkards like Kennedy got Hu to lite the cigarettes of 350 million Chinese when at the same time the Senate was putting out smoking in the USA. The two galaxies are only 24,000 light-years apart and are in a slow merging process. Alpha Centauri is only 4.3 light years from Earth but much to far for the Pentagon to attack it - grin. Jay Leno will return to late-night TV on Jan. 2, 2008. NBC's Web site makes it abundantly clear No Jokes from you. GE and NBC will never survive the suppression of the ElectricWindmillCar. Then you can send in your Invention Project Ideas to GE and NBC, as I will be working 24/7 on invention projects to make up for the suppression of 5 billion inventions from 1980 to 2008. Blockbuster movie 1,001 things you can invent. GE and NBC would say no to this movie if they were still alive and in power. Crazy people at GE and NBC would destroy the Earth like this distant galaxy is doing to its neighbor. Hadron Particle Collider atom smashed, the largest scientific instrument ever built, is scheduled to be commissioned in 2008. Leno jokes about smashing atoms would be smashed to hell by the writers who are on strike today. Particles of atoms jokes are to enlightening, for GE. You might get an invention from one of Leno jokes then GE and NBC would want money from you. B mesons, which contain b quarks. The Top Quarks on Earth served the bottom quarks red meat to make a few dollars. Then the Top Quarks on Earth tossed gasoline bombs at cop cars and SUV's. The Top Quark is the most violent Quark in the know Universe. Leno could rewrite this Top Quark joke but he will not stand up in court and lie about making jokes about people burning in gasoline their sizzling flesh. When he knew the Top Quarks on Earth were tossing gasoline bombs at drivers in LA. The standard model must eventually give way to some more complete structure. For starters, at least two classes of phenomena show that it cannot be a complete theory. The first is gravitation. That is, Albert Einstein's general theory of relativity cannot be grafted onto the standard model without leading to serious difficulties. Getting the Gravity Control invention was stifled by GE and NBC between 1980 and 2008. Our world: photons, gluons, W and Z bosons, Higgs particles, and multiple generations of quarks and leptons. GE and NBC failures suggest a new Network is needed if we are going to invent Gravity Control, get a cure for cancer. GE and NBC when out of their way at great cost to stifle anyone submitting jokes, TV shows that would stimulate ideas for gravity control invention. Electricity was invented by those who did not know what Electricity was, same can be said for the Gravity Control invention. GE with all its jet engines on the assembly line knows about the free Hydrogen from the gallon of water in your ElectricWindmillCar yet has no plans to build jet engines that run on free Hydrogen. So don't send any jokes to Leno. Leno is a Joke. GE and NBC will be the joke of 5 billion inventors hopefully in 2008. Arc welding machines use searing-hot plasmas to cut and weld metals, and plasmas play a key role in nuclear fusion. But cold plasmas also have their applications. They are used in flat-screen plasma TVs, in the processing of plastics, and for the application of coatings in materials processing. Because they generate free electrons that react easily with other atoms, plasmas can be used to etch metals, to fabricate electronic circuits in the semiconductor industry, and to burn off organic contaminants via chemical reactions during wafer manufacturing. Google cold plasma and get ahead of Leno and GE. Someone will replace Leno, and it could be me, Greg Buell giving 30 min monolog-brainstorming things you can invent. I would need an Army of writers to brainstorm a 30-minute monolog 7 nights a week. UK has left behind murder, gang rape and chaos, says Basra police chief. Blunt assessment delivered as British hand over security to Iraqis. Queen Elizabeth ordered Princes Di killed because she was going to marry a Moslem. Blunt assessment about the Queen of England. Let them eat cake, Let them burn in gasoline, we are addicted to oil money. This assessment is 100% true. Both assessments are 100% truth. In the Universe we live in the Top Quarks have not made any progress since Henry VIII. French Revolution gave us the current French President who tosses gasoline bombs at French cop cars for more oil money. Queen Elizabeth is brutal enough to pour gasoline over your car with you and your wife and kids inside and set you on fire, for more oil money. At the Queens trial she will say she was infected with Greed from Bill Gates. One last local note about Boulder Colorado High School, 3 Mexican teens from the HS were out in back by the bike path spitting at people biking by or jogging by today. There are hidden cameras there so the Observers were watching or the Observers told them to Spit on everyone biking by or jogging by. What ever, but I will certainly discriminate, I would never give any Mexican Kids at Boulder High a ElectricWindmillCar gift or a University Education, paid for my the invention of the ElectricWindmillCar.

17 Dec 2007 NASA low mission cost of \$40 million was achieved because Iraq + Iran

17 Dec 2007 Olmert rebuked Dichter for criticizing the U.S. report as a "delusions"

17 Dec 2007 Israel delusions to attack the nuclear facilities in Iran in an Oil Genocide Era

17 Dec 2007 NASA mission two compelling investigations, Extrasolar Planet Surveillance

17 Dec 2007 NASA is looking for new solar systems while the Jews have delusions of war

17 Dec 2007 Something went wrong in the American aim analyzing the Iranian nuclear threat

17 Dec 2007 This something is the Suppression of the ElectricWindmillCar, ElectricWindmillCar. Jews analyzing, and then getting off on every attack that kills someone. Olmert and Dichter completely forgot the Americans are suppressing the ElectricWindmillCar. Jews today 17 Dec 2007 are mad, as hell they cannot attack the nuclear sites in Iran. NASA low mission cost of \$40 million was achieved because this is all the Pentagon and Bush would give NASA. Jews spend more than \$40 million in one day. MEXICO CITY - Oil workers have capped a damaged oil platform in the Gulf of Mexico that spilled crude and natural gas for almost two months after a deadly high-seas collision, Mexico's state-owned oil company Petroleos Mexicanos announced on Sunday. At least 21 employees were killed in the Oct. 23 collision with a drilling rig during a storm. Roughly 420 barrels of oil per day spilled from the damaged platform since late October. Pemex said Something went wrong in the American aim analyzing Mexicans and who benefits from the suppression of the ElectricWindmillCar. Inventions, which lies four generations ahead, have been lost to humanity by this American aim for more Oil Money from Mexico. Bill Gates started a plague of greed that has infected all of Mexico's leaders. More oil money is spent on Cocaine and war toys than dentist. Yet more Mexicans are missing their 2 front teeth like me, than are Jews. Observe several previously discovered planetary systems outside our solar system. Observe Alpha Centauri 4.3 light years from Earth. Observe the delusions of the Jews who are mad as hell today, 17 Dec 2007. Olmert and Dichter completely forgot the Americans are suppressing the ElectricWindmillCar. BOSTON - Motorists slid off roads Sunday across the Great Lakes states and into New England as a storm cut visibility and iced over highways with a wind-blown brew of snow, sleet and freezing rain. Inventions, which lies four generations ahead in driving in ice, in a blizzard, were lost to the Jews and Iraq War. Today we are driving gasoline cars without the inventions the ElectricWindmillCar would have for driving in a storm. The Jews, Pentagon, and other Warmongers lost Four generations of inventions, which I like to say is 5 billion inventions, since 1980. Planets around other stars hold no delusions of grandeur for Israel the spacecraft looking for planets was built for NASA by Ball Aerospace & Technologies Corp., Boulder, Colorado. Today 17 Dec 2007 I went out biking in Boulder, Colorado and an Observer from this Orwellian Society spit at me at McGuckins Hardware next to Brewing Market on Folsom Street. Several more Observers from behind the hidden cameras were also harassing me. This is overkill for the Observers in Boulder, Colorado but it's a week before Christmas and Gen. Orwell always goes crazy with overkill.... I know he will order someone to spit at me on Christmas day in Boulder, Colorado, as this has been the standing order since 1980. So The spacecraft that is looking for planets built for NASA by Ball Aerospace & Technologies Corp., Boulder, Colo..10 blocks from were I run my daily errands in Boulder. Small World! One reason Gen. Orwell is so crazy is I will get Four generations of inventions, which I like to say is 5 billion inventions. When they come out from behind the hidden cameras. This will be as devastating to the Observers in Boulder Colorado as not attacking Iran is to the Jews Today, 17 Dec 2007

16 Dec 2007 McCain's image of Warmonger damages the image of the USA in the world.

16 Dec 2007 Israel warned NASA threatens the Jewish state with Light Year Shuttles

16 Dec 2007 Palestinian Shuttle 1 of 700 Shuttles will be shot down by the Jews - Grin

16 Dec 2007 Israel will have to wait 100 years as Punishment for ElectricWindmillCar killing

16 Dec 2007 Tel Aviv Banks full of oil genocide dollars from Americans burning in gasoline

16 Dec 2007 ElectricWindmillCar is liable to lead Israel to Nuke Iran first

16 Dec 2007 Unless ElectricWindmillCar suppression causes Jews to lose the state of Israel

16 Dec 2007 Scenarios by McCain the Warmonger are fighter pilots who will never ever be picked to fly a 2008 Model Shuttle to Alpha Centauri. McCain, Jews, and the Pope have all been filling their war chest with dollars from Oil bribes to go along with the suppression of the ElectricWindmillCar. Pope believing Bush will help him erect Catholic Churches in every city in Iraq declared war on the Moslems two weeks ago at the Vatican. Pope should not believe anything Bush puts out; Bush even gave false hope to the 40k women who died from breast cancer in 2007. Bush will give false hope to another 40k women in 2008 via Katie Couric and Dr. Nancy Spyderman. This is having a worst conscience than planting the false stories at the New York Times. McCain, Jews, Pope, and Bush didn't elaborate on the potential scenario of being hanged at the Oil Genocide trials in DC, NYC, Tel Aviv, at the Vatican for tossing gasoline bombs at cop cars and SUV's in the USA since 1980. Genocide by McCain, Jews, Pope, and Bush. ISLAMABAD, Pakistan - President Pervez Musharraf lifted a state of emergency. Bush will try to declare a state of emergency when Americans find out how many were burned and burned to death in gasoline for more oil money. McCain, Jews, Pope, and Bush want to ensure their own political survival, and avoid being hanged on CBS Nightly News with Katie Couric. McCain, and Bush were out of their minds setting so many cars on fire. They lost their minds as they years went on. This is why the English language is at Chase Bank before you can get any dollars. "All State" car insurance would not hire me because I refused to learn Spanish. Ha... ElectricWindmillCar will come with car insurance. "All State" car insurance will be out of date with the gasoline engine. Thank God I can get even with one company behind the hidden cameras who spit on me because I refused to learn Spanish. "All State" is only one Corporation. 10's of thousands of American Corporations refuse to hire you if you refuse to learn Spanish. McCain, and Bush were out of their minds setting so many cars on fire. They lost their minds as they years went on selling out Americans to diseased Mexicans who give gringo kids Staph, Hep, etc and Mexicans who kill cops in cold blood, in almost every city in the USA. Now the Oil Genocide Trials in DC and NYC charge McCain, and Bush for these Mexican murderers of gringos. DA will have to include any secret deal between them and the President of the Mexican Oil Companies and the bribes Mexico paid to McCain, and Bush. Joe Vento, the owner of Geno's Steaks, defended his policy of English only before the Philadelphia Commission on Human Relations, which filed the discrimination complaint. Philadelphia Oil Genocide Trials will take back stage to the oil Genocide Trials in DC and NYC.. but this crime of killing this restaurant owner over his English Only policy will be rectified... Bush behind the hidden cameras killed tens of thousands who refused to learn Spanish. Protested diseased Mexican Cooks on Campus, in the restaurants. Worst is all the Americans burned and burned to death in gasoline. Bush will hang to rectify this tragedy in history.

15 Dec 2007 Pentagon cheats with War Toys on Steroids killing every Alien in the Universe

15 Dec 2007 World Series of Baseball Steroids to win against End War Protesters

15 Dec 2007 20,000 Stars Observed and not one Alien

15 Dec 2007 Pentagon cheats with War Toys on Steroids killing every Alien in the Universe

15 Dec 2007 Generals bought Baghdad instead of Alpha Centauri our Nearest Star

15 Dec 2007 Keeping guns out of the hands of the Mentally Ill Generals

15 Dec 2007 Coors is one of the Mentally Ill CEO's who shot every Alien in the Universe

15 Dec 2007 Coors family are drunk on relics of Caesar, Roman Senate is Coors Senators

15 Dec 2007 Bush said steroids send the High School kids the wrong reasoning. Bush knows Susan Shultz owner of Blue Mountain Arts greeting cards here in Boulder Colorado has been a cocaine addict since 1980. Supporting the Cocaine Cartel at \$1 million a year. Since 1980. Bush knows more than he admits. IRS might have been collecting taxes off Steroid Sales and Cocaine Sales like something the Roman Senators would do to pay for a war. Bush's history when published on my web page will read like "Rome". Can you imagine the Pope finally being Hanged in 2008 by Italian Cops mad as Hell about other cops burned in gasoline, while the Pope puts oil genocide bribe money from the Saudi King in the Vatican bank? Secret Santa passing out money to help the poor is a great story for Katie Couric and CBS. Saudi Arabia giving CBS and Katie Couric secret oil money bribes for Christmas 2007. Could the NYPD ever get mad as Hell? BOSTON - IBM Corp.'s expansion it now has 73,000 employees in India, 40 percent leap from last year. 40 percent of Americans who work for IBM in the USA are Temps with no health insurance and not much spending money at \$9 an hour. IBM executives must be mentally ill, to think Americans will never get mad as Hell at IBM and kick them out of the USA. Armonk, N.Y.-based IBM is also ramping up in other key developing markets. Its chairman and chief executive, Sam Palmisano, recently formed a new organization that will spur IBM's investment in emerging economies in Brazil, Russia, India and China. IBM has written off the ElectricWindmillCar and the 5 Billion inventions Americans will get in windfall inventions spun off from the ElectricWindmillCar. Aliens are alien to IBM; Sam must be drinking to many Coors with the CEO of Coors. Lets suppress Aliens and the rest of the Universe while Sam at IBM climbs Everest instead of blasting off to Alpha Centauri 4.3 light years from Earth. Lisa Nowak the love crazy NASA woman's e-mails came to light Thursday when NASA released them as part of a Freedom of Information Act. Lisa can sue IBM for \$1 Trillion dollars for helping to suppress 700 New 2008 Model Shuttles that can dock together in Orbit and Blast off for the Moon, Mars and light year Travels. Lisa will win the \$1 Trillion dollars against IBM nuts with the ElectricWindmillCar government in place and Supreme Court ruling in Lisa's favor - grin. Milky Way Galaxy is what IBM should be selling the World, not emerging economies in Brazil, Russia, India and China. Sam will let your teeth rot and hair fall out, then fire you and hire a younger person in India for much less money. Could Americans get mad as hell at Sam?

14 Dec 2007 Baseball cheating, steroids and other performance-enhancing drugs

14 Dec 2007 Baseball players cheat, via steroids, performance-enhancing drugs

14 Dec 2007 FBI will not arrest anyone

14 Dec 2007 Gov. of Colorado is in Iraq Today while cops and kids burn in gasoline in CO

14 Dec 2007 FBI will not arrest the Gov. of Colorado for a Capital Crime of Oil Genocide

14 Dec 2007 FBI can track the Gov. of Colorado in Iraq, \$\$\$ Oil Bribes in Swiss Banks

14 Dec 2007 Players cheating you out of free gasoline and an ElectricWindmillCar Era

14 Dec 2007 Performance-enhancing drugs for the White House MD. Bush's MD's committed Capital Crimes at the White House. Served Red Meat knowing it caused cancers. Let women take estrogens who would never have gotten cancer. Left kids in hot cars to die. Medical School will never be the same after the White House MD's Capital Crimes are in Medical Text Books. 8% of women benefit from Chemo 92% get it and have to pay in dollars and pain. Nothing new has been invented. Because the White House MD's are happy with the status quo. Inventor of the ElectricWindmillCar in 1980 me, Greg Buell could have invented a cure for cancer long time before 2008. You don't have to be a "Rocket Scientists" to bet on Greg Buell getting a cure for cancer some time between 1980 and 2008. The White House MD's are not stupid, they knew I could get a cure for breast cancer this is why they went out of their way to stifle me. This is a Capital Crime Bush will not be able to Pardon his MD's for. When the FBI finally arrest the White House MD's they will fall off a cliff on the way to the gallows. Al Gore in the news at the climate conference saying Bush is obstruction Global Warming. FBI will arrest Al Gore on Capital Crimes; news about the Gov. of Colorado's arrest for the same Capital Crimes will not make the National News. Small time criminals. Gov. of Colorado in Iraq today talking up the war not the suppression of the ElectricWindmillCar, and he forgot to take his memory pill, as he didn't mention his oil bribes in Swiss Banks. LED Christmas light will replace the ones the kids just replaced at the Governors Mansion last week. How fast technology changes. ElectricWindmillCar is the performance-enhancing drug of the mind. CIA could spend \$5 Billion dollars on brainwashing and never come close to the brainwashing enhancing that the ElectricWindmillCar will perform on 300 million Americans. So why does the CIA, FBI go along with suppressing the ElectricWindmillCar? I don't know what is going on behind the hidden cameras. I know the Saudi's in Mecca Today are Celebrating their religious Holiday with your gasoline money. Saudi oil money is given to the Gov. of Colorado. Mecca Christmas Present to the Gov. of Colorado. Pope has stuffed the Vatican Bank full of Oil \$ Bribes for Christmas 2007. Red meat and processed meat will be eliminated from the American diet when the Gov. of Colorado is hanged for his Capital Crimes. 21 percent of breast cancers were missed by 123 radiologists. 27 percent of the MD's missed the breast cancer. 72% passed. Yale Medical School has known about these statistics since 1980 when they found out about the invention of the ElectricWindmillCar. CSI will be putting all this into their new episodes next year if the ElectricWindmillCar's suppression is exposed. 20,000 stars observed by the Sloan Digital Sky Survey and they didn't find one Alien, because they missed her. Our Orwellian society is only into War Toys. Pentagon has spent \$5 Trillion dollars on War Toys for every Christmas since 1980 when the ElectricWindmillCar was invented. Part of the Pay off to the Pentagon Generals for going along with the suppression of the ElectricWindmillCar. Gravity Control invention by Greg Buell has been lost... AT&T Inc. has made its interoperable radio frequency identification (RFID) and GPS-based mobile resource management (MRM) solutions can track every electricwindmillcar, anywhere anytime. 300 million Americans tracked via Wi-Fi-

based RFID tags, placed on ID badges, equipment, bracelets, shirt pockets or book bags, send a wireless signal to locate, monitor and report. Report on Capital Crimes by AT&T Inc. from the time the ElectricWindmillCar was invented in 1980 failed. Capital Crimes by the White House and Governors of all 50 states burned 10's of millions of Americans to death in fiery gasoline crashes. AT&T Inc. failed to monitor this. Post ElectricWindmillCar Era AT&T Inc. interoperable radio frequency identification (RFID) and GPS-based mobile resource management (MRM) solutions will track everyone and everything. IBM will be called on to track the windfall profit of new inventions from the Passion of the ElectricWindmillCar finally getting to the public. Local news in Denver reported the Governor of Colorado was thrilled to be in Baghdad Today. Electrified will be 300 million people the Governors left behind in the USA when the FBI finally arrest him for Capital Crimes. Governors of all 50 states tossed gasoline bombs at cop cars and SUV's in the USA. And got paid off by Oil Money they put in Swiss Banks.

13 Dec 2007 Which country is our worst Enemy... Bush President of the USA

13 Dec 2007 Frozen in Kansas with no electricity or an Unknown Alien at Alpha Centauri

13 Dec 2007 NASA with all its "Rocket Scientists" cannot defeat Bush's Genocides

13 Dec 2007 Cure for Cancer is a War Bush avoids for 9-11 revenge and He caused 9-11

13 Dec 2007 Capital Crime is the deaths caused by Suppressing the ElectricWindmillCar

13 Dec 2007 Milky Way Galaxy is not in command of NASA's "Rocket Scientists"

13 Dec 2007 Rx written by MD's who go out of their way to prevent the cure for Cancer

13 Dec 2007 Observers behind the hidden cameras are getting so relaxed with their life style they flaunt every government crime on the Nightly News and front page of the New York Times and Daily Camera Newspaper here in Boulder, Colorado. Rx to end the Iraq war in one day is the suppression of the ElectricWindmillCar exposed. President Carter who started this suppression in October of 1980 is mute. Al Gore sold his soul to Bush and got an illicit Nobel for tossing gasoline bombs at cars on the streets of the USA, heating up the place. Criminals at IBM here in Boulder, Colorado are getting a little nervous about the ElectricWindmillCar being invented here in Boulder, Colorado in 1980. Many at IBM Boulder go out of their way to harass me, keep me in poverty, keep me from getting the miracle cure for cancer. Observers behind the hidden cameras are so relaxed with their hidden camera society they spit on me in public. IBM, Seagate, All State, and even Leanin Tree Greeting Card supervisor who fired me in front of everyone watching on hidden cameras. Capital crime of suppressing the ElectricWindmillCar will get IBM Boulder falling into a Black Hole. In the Milky Way Galaxy corporations such as IBM, Seagate, All State, and our local Celestial Seasonings teas brew alienation. Aliens are out there in the Milky Way and our Fortune 500 CEO's have lost us 500 million inventions that would have been made with the euphoria of the ElectricWindmillCar. Era of the Inventor is today Era of Temps at IBM and Celestial Seasonings, Seagate, so Kelly Services can make money. Loss of 500 million inventions is a capital crime in the same class as the ElectricWindmillCar suppression. Capital Crime is Kelly Temps, Seagate Temps, IBM Temps... Buying car insurance from All State will be reinvented with the ElectricWindmillCar. All State will be null and void when ElectricWindmillCars are mass-produced. ElectricWindmillCar will come with car insurance. Google searches will give you educational hits first and those selling NASA pictures of the Milky Way Galaxy on Ebay on page 100. How could you possibly invent anything using Google search when it comes up with 100's of ads for everything under the sun before you get to the research you're looking for? Google search is the worst enemy of 1 billion inventors, looking to invent 500 million inventions. So yes you can start by reinventing Google search for an Era of Inventors. Don't buy any car insurance from All State... ElectricWindmillCar will come with car insurance and OnStar with web cams inside and outside. No one left in a hot car will ever die again, as the ElectricWindmillCar will be climate controlled just like your home. NASA with all its "Rocket Scientists" cannot defeat Bush's suppression of 700 Shuttles but NASA "Rocket Scientists" can contribute a few accessories to the ElectricWindmillCar before it goes into mass production. Hypervelocity stars traveling at 3 million miles per hour will be caught up with - with the invention of the ElectricWindmillCar. Punishment for those at IBM Boulder, Colorado who let the ElectricWindmillCar be suppressed here in Boulder, Colorado from 1980 - 2008 will be much harder to invent. IBM, Seagate, Kelly Services, All State, and even Leanin Tree Greeting Card supervisor who fired me in front of everyone watching on hidden cameras. Capital crimes flaunted in a hidden camera society. Bu these companies in Boulder, Colorado. Count those who died from Cancer since 1980 and this genocide by Bush and Boulder, Colorado goes off the graph. Bill Gates has already bought his ticket to Saudi Arabia and is ready to flee like faster than any of the scenes in the Bourne Ultimatum.

12 Dec 2007 CIA Hero for stopping several bombings after 9-11 Agent John Kiriakou

12 Dec 2007 CIA's biggest mistake was not exposing suppression of the ElectricWindmillCar

12 Dec 2007 CIA is making the news for Torture - preventing attacks after 9-11

12 Dec 2007 CIA could have prevented 9-11 but didn't and now lie, cheat, and torture you

12 Dec 2007 Ice Storm 10 Days until the electricity is back on, 100k with no heat tonight

12 Dec 2007 Inch thick ice on every power line, cruel intentions by all the Electric Companies

12 Dec 2007 Bush state of emergency, the Bush government is contemptible via electricity

12 Dec 2007 Can of Hydrogen picked up at Kroger or Safeway is suppressed by Bush

12 Dec 2007 10 days until the electricity is back on in 10 States for 100k people

12 Dec 2007 Can of Hydrogen picked up at Safeway or Kroger could be powering 100k homes

12 Dec 2007 Cruel intentions by Bush, Cruel Intentions by CIA Agents in the news as CIA Hero's for stopping several bombings after 9-11. Same CIA Agent John Kiriakou, seems torn straight from a spy novel: he tells Brian Ross of ABC News about hunting down terrorists in Pakistan and preventing bombings after 9-11 by torturing people in Pakistan. John Kiriakou and 10k other CIA Agents could of prevented 9-11 by exposing the suppression of the ElectricWindmillCar. CIA could have prevented 9-11 but didn't and now lie, cheat, and torture you who are without electricity and heat tonight 12 Dec

2007 as the CIA also knows about the Top Secret can of Hydrogen you would of picked up at Safeway or Kroger if the CIA was Honest and was a Hero of the American people. CIA lies, cheats, steals, and tortures you tonight if you are one of the 100k without heat tonight. Rank the CIA for coming out "Today" for exposing that they tortured some guys in Pakistan and prevented some bombing after 9-11. Now Rank the CIA Today 12 Dec. 2007 knows about the can of Hydrogen that can provide your home with electricity and heat and keeps it suppressed along with the ElectricWindmillCar. Now Rank IBM, which runs all the CIA computers. IBM employees here in Boulder Colorado who change tapes and backups files know about the can of Hydrogen that can provide your home with electricity and heat and keeps it suppressed along with the ElectricWindmillCar. Now Rank IBM and the CIA. You would spit on IBM and CIA Agents who torture you on 12 Dec 2007. You don't care they tortured some guys in Pakistan a few years ago. Today 12 Dec 2007 they torture the 100k in 10 States in the USA who are without electricity and heat because they can not buy a can of Hydrogen at Safeway or Kroger. CIA will be renamed UIA. IBM will be broken up and IBM people in Boulder Colorado will be arrested for torturing Americans in 10 states.

11 Dec 2007 Nukes going off that would have been prevented with the ElectricWindmillCar

11 Dec 2007 9-11 attack would have been prevented with the ElectricWindmillCar

11 Dec 2007 CIA destroyed the torture tapes

11 Dec 2007 Ice and Snow storms, 1 million without heat and electricity

11 Dec 2007 In the dark about a can of Hydrogen to heat and generate electricity

11 Dec 2007 Torture of those who suppressed the ElectricWindmillCar

11 Dec 2007 CIA will be performing the torture or the cops will be torturing CIA Agents

11 Dec 2007 Nukes going off that would have been prevented with the ElectricWindmillCar. Who will torture whom for suppressing the ElectricWindmillCar? Will the CIA destroy these torture tapes or will the CIA Agents who had temps do the torture for them finally run out of rope? \$5 Trillion dollars in oil revenue will buy Moscow Nukes in Orbit on their own Space Station and a fleet of 2008 Model Shuttles. NASA is hostage to Bush and his Texas and Saudi Oil Men allies. Workers cut up pigs' heads and then shoot compressed air into the skulls until the brains come spilling out. This is what the CIA did to the 9-11 attackers. Now what will the CIA do to those who suppressed the ElectricWindmillCar and thus caused 9-11? Diagnosed with chronic inflammatory demyelinating polyneuropathy. Misdiagnoses by Black MD's who kill and maimed more people than the 9-11 attack. Yet the CIA will not expose either top secret of this Orwellian Society. IBM contractors who work for the CIA come to work sick with Staph, Hepatitis, Flu etc and kill more people than the 9-11 attack. So now we have 3 Top Secrets the CIA will not expose. There are dozens of other Top Secrets that kill more people in the USA, besides being burned in gasoline. CIA might not come out on top of all these Top Secrets, Al Gore just picked up his scam of a Noble Prize. Not everyone who works for the Nobel Committee could be happy with this scam. So the Coup could start with the staff of the Nobel Committee. "All State" car insurance, how can I reinvent the insurance agencies so those burned and burned to death in fiery car wrecks collect more than "All State Insurance Company" does? How can I reinvent the Temp Agencies so they cannot work for the CIA or IBM screwing the temp workers out of health care, and much more? Arrest the small business owners in Boulder, Colorado who are causing lasting damage to temps. Sue the small business owners in Boulder, Colorado who are causing lasting damage to temps. Temps will have to wait; they will be the last thing on the agenda of the Coup Leaders. But I will make sure they are compensated for being tortured. I'm sure microbiologist have a long list of complaints about our governments policies that stifle their work and our social inventions. It's dangerous to touched your nose or mouth after touching Staph etc from a sick IBM employee who comes to work sick as hell. IBM has some Top Secret misdiagnosis software the government could run on everyone's medical records. This is Top Secret 5 or 6 the CIA will not make public. CIA have yet to figure out what is right and wrong, we must confront the CIA with the worst case scenarios of a Nuke Attack that could have been prevented by the ElectricWindmillCar and its 10 cent a barrel oil bankrupting Arabs and Moscow. CIA with the worst-case scenarios of Moscow with a Nuke Space Station paid for with oil sold to the USA. How could the CIA ever live with this exposed... they couldn't. The CIA would be renamed the UIA - Universe Intelligence Agency and Bush would be arrested for Genocide and the Small Business Owners in Boulder, Colorado would be jailed for torturing temps. Scenarios - Now will the staff of the Nobel Prize Committee become the Coup leaders first or will the CIA expose the suppression of the ElectricWindmillCar and me?

10 Dec 2007 JERUSALEM (Reuters) 1980 Jews vote to suppress the ElectricWindmillCar

10 Dec 2007 JERUSALEM 1980 - 2008 Jews build 25 to 30 Nukes with USA money

10 Dec 2007 U.S. criticism of plans to build homes on occupied land, a false story by Bush

10 Dec 2007 Bush has no criticism of Jews killing Arabs, tossing gasoline bombs in the USA

10 Dec 2007 Palestinians should have been given a Siberian Island in 1980

10 Dec 2007 State Dept let Rice profit from White Cops burning in gasoline, a hate crime

10 Dec 2007 TOKYO Toshiba Corp CEO, and all the rest of the Japanese CEO's let the government of Japan buy \$5 Trillion dollars worth of gasoline when gasoline should have been 10 cents a gallon from 1980 to 2008. TOKYO - built more Nuke Power Plants over a Earthquake area from 1980 to 2008 when cans of hydrogen from the gallon of water in their ElectricWindmillCar would of bankrupt all the Nuclear Power Plants in Japan. Now Japan has tons of Nuclear Waste to Store for millions of years. Emperor of Japan should hang for this ... as he and his family escaped hanging for WW II. WW III will be started by Bush because Japan would not expose the suppression of the ElectricWindmillCar. So Japan will be responsible for letting Bush start WW III. Invasion of one Island after another to defeat the Japanese and we end up with the USA government and Military suppressing the ElectricWindmillCar, and 10 cent a gallon gasoline. This is beyond criminal, it's the worst genocide in the history of the Earth and it's a Bush Genocide for Christmas Day 2007 and Christmas Day 2008 if the coup fails to arrest Bush and his Generals for Genocide. Breast cancer patients have a powerful incentive to Impeach Bush, as 40k will die in 2008 if Bush does not let me work on a miracle cure for Breast Cancer one that can cure it over night like I did with the ElectricWindmillCar invention in 1980 while the Oil Embargo was going on. After being diagnosed with breast cancer, the chances of it proving fatal go up 100 percent. as long as Bush is President for 2008. MD's at Johns Hopkins, Yale, Harvard go along with suppressing me from working on a Miracle Cure for Breast cancer as they want the revenue generated from these 40k deaths and treating the other 100k with breast cancer, this is just for 2008. Bush's idea of a Christmas Present for American Women for the year 2008. In 1980 Jews vote to suppress the ElectricWindmillCar and kill any change of me getting the cure for

cancer in 1981 - God will take the State of Israel away from the Jews for going along with the suppression of the ElectricWindmillCar. Coup leaders of the USA should give the Jews a Siberian Island to punishment them for the worst genocide in the history of Earth. Breast cancer patients might have a powerful incentive to get Bush arrested for Genocide on Christmas Day 2007. A Miracle cure for Breast Cancer! That will not be under President Bush's White House Christmas Tree for 2007 or 2008.

9 Dec 2007 BEIJING, Dec 9 (Reuters) coalmine blast kill more than 100 people a week

9 Dec 2007 Baghdad, Truck bomb kills more than 100 people, a day, a week, a month

9 Dec 2007 Those suppressing the ElectricWindmillCar are responsible for the dead people

9 Dec 2007 Fiery car wrecks burn and burn to death, 100 people a day

9 Dec 2007 Dead will never have their day in court, until after the ElectricWindmillCar Coup

9 Dec 2007 Public attitude towards those suppressing the ElectricWindmillCar is revolution

9 Dec 2007 BEIJING, Dec 9 (Reuters) coalmine blast kill more than 100 people a week

9 Dec 2007 No murderer has had criminal charges filed against them.

9 Dec 2007 From 1980 to 2008 Texas and Saudi Oil Men have been mass murderers who have compounded their crime of suppressing the ElectricWindmillCar, to suppressing the ElectricWindmillCar accessories and suppressing 1 billion inventions the general public would have gotten between these years. Add in the coalmine blast, deaths at an average of 100 a week since 1980. You have Texas and Saudi Oil men as out of control mass murderers. Cops would arrest Bush, Mom, daughters and father as accomplices to mass murder. Bush got international support in going along with this genocide, every Nation on Earth knows about the suppression of the ElectricWindmillCar. Al Gore will hang for picking up his Nobel Prize on Monday. BEIJING is arresting all the coalmine bosses; this is in the news anyhow. I don't think its true, as Hu is the one suppressing the ElectricWindmillCar, which lets the coalmines slaughter 100 peasants a week. Airbags not on the inside and outside of 2008 Model ElectricWindmillCars butchers another 100 peasants a week. Eyewitnesses to this mass murder must be getting a little anxious to when the cops will materialize. Key West cops yesterday pursued a car jacking in a high speed chase until he and the women victim in the back seat were killed in a fiery head on crash with a semi. Now were are the Key West cops chasing down Texas and Saudi mass murderers, and all the others who give out the Nobel Prize but not to the inventor of the ElectricWindmillCar? . As this suppression of the ElectricWindmillCar goes on for another decade, Bush becomes an insistent madman suppressing those burned and burned to death in fiery car wrecks from the media. Another Christmas 2007 with a record number of arms and legs under the White House Christmas tree and no one is successful in exposing the suppression of the ElectricWindmillCar to end the Iraq War. CIA was successful in postponing Bush's plans for WW III by exposing Iran Nukes ended in 2003. Bush is like the MD's he created, he will give us false diagnosis we cannot prove without the CIA videotapes, which were just destroyed. Leno can ask everyone on his Jay Walking skit if Bush sold organs to Saudi Princes and they will start naming organs and the Price the Saudi Princes paid. Saudi Sex slaves get the women at the White House mad as hell but they are toothless like me, there is no Christmas Money to get dentures with only 15 days until Christmas 2007. Dentists will be one of the biggest winners and losers of the ElectricWindmillCar Revolution and the leaders of the Revolution will fix everyone teeth with the confiscated Texas and Saudi Oil money. Smile for the camera! Bush is like the MD's he created, addicted to money. Under the MD's Christmas Tree for 2007 is a plane ticket for when they have to flee to Saudi Arabia with Bush. Arms and Legs under Bush's White House Christmas tree will come after him when they get their ElectricWindmillCar Gift from Christmas 1980. How many in how many Moslem Wars since 1980, when the price for a barrel of oil should of dropped to 10 cents in 1980. Not even the Jews would use the ElectricWindmillCar in 1980 to defeat the Arabs; no they wanted to use nukes. Weird as was Carter with his peanut farm in Georgia, when the public finds out he and Kennedy started the suppression of the ElectricWindmillCar they well both be called the worst mass murderers in the history of Earth. Kennedy is in the news complaining about the CIA destroying the torture videotapes. Video of Kennedy driving off the bridge leaving his girlfriend to drown, video of Kennedy watching the brainstorming of the ElectricWindmillCar for 6 months during the Oil Embargo Era then ordering Carter to suppress it will make Sony a hit movie. Kennedy as a drunkard from 1980 to 2008 in a Sony Movie. Kennedy knocked out Joan Kennedy's teeth in the divorce, to leave her toothless to expose the suppression of the ElectricWindmillCar. 1 billion inventions the general public would have gotten if Kennedy didn't live his life as a drunkard in Boston... were the 9-11 Saudi's got on the plane they flew into the World Trade Center buildings. I think Kennedy needs another drink!

8 Dec 2007 FBI, CU Coach Barnett failed to report gang rape by CU football players

8 Dec 2007 FBI, failed to arrest Al Gore before he picks up his Nobel Prize on Monday

8 Dec 2007 FBI, MD's failed to report bad behavior and misdiagnosis by other MD's

8 Dec 2007 FBI, CIA failed to expose the suppression of the ElectricWindmillCar

8 Dec 2007 FBI, failed Katie Hnida CU football player harassed and raped in 1999

8 Dec 2007 FBI, failed Dr Hnida CBS Denver, 40k breast cancer deaths in 2007

8 Dec 2007 FBI, failed to arrest Bill Gates for mass murder of HS students

8 Dec 2007 FBI, failed to arrest Al Gore before he picks up his Nobel Prize on Monday. All 7 Nobel Prize winners will have their Nobel rescinded when the ElectricWindmillCar Coup D'Etat leaders retaliate against Stockholm Sweden by declaring no American will ever again accept a Nobel Prize because Sweden profited from the suppression of the ElectricWindmillCar, took oil money bribes from Texas and Saudi Oil men. Let tens of thousands of Americans burn in gasoline; let millions around the world burn in gasoline. Cops burned in gasoline will ask the new American Leaders to Nuke Sweden. CU Coach Barnett said I believe that we live in an Orwellian society where gang rape by CU football players are well Observed by government Observers. I have enough clout to hole a gang rape long as the top brass; Gen. Orwell ok's the practice. I know we live in a highly Organized Orwellian society; Gen Orwell does not miss anything that goes on in Boulder, Colorado let alone on the CU campus. There are over 100 cameras just in the Bookstore to catch students stealing a textbook, I imagine there are over 1 million cameras with Observers watching at all time in Boulder, Colorado and on CU Campus. Barnett emphasized that no players were ever arrested for gang rape. FBI has never arrest a Texas or Saudi oilman for tossing gasoline bombs at cop cars and SUV's in the USA either. Katie

Couric ended the CBS Nightly News with Iraq arms and legs under the White House Christmas Tree for 2007. Marines kids had a 2 day group meeting in DC to talk about the blown off arms and legs Dad got in Iraq, Katie Couric will have to report on the suppression of the ElectricWindmillCar before the FBI puts her under arrest. 9-11 and Iraq war would never have happened if Katie Couric would have exposed the suppression of the ElectricWindmillCar. Katie Couric dead husband would be alive as I surely would have gotten a cure for colon cancer and breast cancer and cancer in general the year after I got the ElectricWindmillCar in October 1980. Katie Couric lives in one of these StarGate Atlantis sci-fi episodes of an alternate reality concerning the consequences of suppressing the ElectricWindmillCar since 1980. John Lennon and Yoko missed the 1 Billionth ElectricWindmillCar coming off the Ford assembly line in 2007. NASA will launch a 1980's model Shuttle on Monday; NASA would have 700 Shuttles with a new design that can dock together in orbit. You can't even count on Rocket Scientists to expose the suppression of the ElectricWindmillCar. FBI will arrest everyone at the CIA, and all the gang rapists CU football players when consequences of suppressing the ElectricWindmillCar since 1980 catches up with Gen Orwell, watching it all behind his hidden cameras. In an Almost Hidden Orwellian Society. How many cops and kids were burned and burned to death in gasoline in 2007, Katie Couric will have to report these statistics before the FBI arrest her.

7 Dec 2007 ElectricWindmillCar attack will create a 1 million car memorial with flames

7 Dec 2007 Japan attack on Pearl Harbor and now the ElectricWindmillCar

7 Dec 2007 Pearl Harbor memorial >>> 1 million burned out cop cars with eternal flames

7 Dec 2007 Tokyo, White House fenced in by 1 billion burnt out cop cars Memorials

7 Dec 2007 All HS will have 1 million burned out cop cars with eternal flames outside

7 Dec 2007 President Bush's fathers new Aircraft Carrier will have 1 million burned out cop cars with eternal flames on the Aircraft Carrier Deck next to the fighter jets that could not protect American Cops in their cop cars from 2 madmen Bush Presidents. Mom Dad 2 kids in the back seat of the SUV burst into flames, Bush and his 2 daughters escaped this SUV fiery crash but they will not get away with murder of these 4 Americans. Bush and his 2 daughters will be arrested for Genocide. CIA videotaped torture. CIA has all the fiery car crashes since the invention of the ElectricWindmillCar in October of 1980. Merits of the CIA don't include exposing the suppression of the ElectricWindmillCar. CIA offices and grand entrance will have burnt out cop cars and SUV's with an eternal flame --- A Memorial to say the least. CIA Agents like Valerie and her Ambassador husband should hang at the employee entrance to the CIA. Burnt out cars with eternal flames will be obstacles at the CIA employee entrance. Japan was forced by the USA to buy \$5 Trillion dollars worth of gasoline since 1980. This certainly got even with Japan for attacking Pearl Harbor. 1 million burned out cop cars with eternal flames will be Memorials. JFK School of Government at Harvard will be demolished for a magnificent Memorial to those burned and burned to death in gasoline for JFK's brothers mistake to let his girlfriend drown and living life as a drunkard, which harmed 5 billion people, worst scenario than JFK could ever imagine. Vista's performance and stability are like gasoline, they should have been recalled in 1980. Among other things, the patch that will allow users to run the BitLocker suppression tool. Bill Gates was essential to a successful suppression of the ElectricWindmillCar and suppressing 1 billion inventions from HS and University students from 1980 to 2008. Improve the speed at which Vista wakes up from "hibernate" mode. Government recall of gasoline cars and Vista. Simultaneously! Grin. Microsoft will be Nationalized and given to the Department of Education, so sell off your Microsoft stock before the ElectricWindmillCar hits the streets. Kennedy and Bill Gates will lose all integrity and hopefully hang for suppressing the ElectricWindmillCar and 1 billion inventions humanity lost during this suppression. 1 million burned out cop cars with eternal flames. Much better than the Pearl Harbor Memorial. Now Fire the Boss before the Boss sets fire to any more cars!

6 Dec 2007 Breast cancer cure under the White House Christmas Tree for 2007 was given away for the Iraq War. "Ana's Story: A Journey of Hope." Gives false hope, Jenna's Father gave false hope stories to Katie Couric. Jenna Bush was busy writing her book. "Ana's Story: A Journey of Hope." HS in America is hopeless for all kids but Jenna's rich classmates. Microsoft is hoping that Windows Vista SP1 will quell some of the disappointment that greeted the operating system's initial roll out earlier this year. Many corporate users complained about its resource requirements and lack of compatibility with existing applications. A recent InformationWeek survey found that 90% of businesses do not plan to upgrade their corporate desktops to Vista as a result of such concerns. Such concerns that Bill Gates is A Child Molester using his Kill Switch invention on kids, who want to learn Vista and C++. HS teachers disappoint every kid who wants to stay up until midnight learning Vista instead of playing games. Bill Gates has a history of killing HS teachers who let kids use an illegal copy of win98, XP, Windows 2000 Professional, and now Vista has the built in kill you switch. Jenna Bush had a life free from the idea of being Killed by Bill Gates and Microsoft. "Ana's Story: A Journey of Hope." Learning Vista, C++ another Microsoft product that has a built in kids hands off unless your parents are rich feature. I searched Google for 100's of hours looking for free tutors for C++ and didn't find 1 match on Google that didn't want thousands of dollars from a 14-year-old girl... before they gave her a C++ password. Bill Gates killed every free tutor for C++. This is not public knowledge but it's true. In September, the 10th U.S. Circuit Court of Appeals revived the lawsuit, saying there was evidence CU university had an official policy of showing high school recruits a "good time" via pot, Coors, sex, and had shown deliberate indifference to gangbanging of CU women. The appeals judges sent the lawsuit back to district court. Bill Gates and the 10th U.S. Circuit Court of Appeals is a sham trial as Bush is the only one on Earth Protecting Bill Gates from HS teacher's retaliation for killing millions of kid's hope of learning C++ and Office 2007 on a illegal copy. "Ana's Story: A Journey of Hope." Hope in Jenna Bush's society is hope of getting into Yale. Under the White House Christmas Tree there are no expensive packages of C++ or Office 2007 for kids on Earth. Under the White House Christmas Tree Jenna puts arms and legs for kids who had them blow off. Hope the ElectricWindmillCar ends the car bombs in Baghdad fades with Jenna's fathers psychotic behavior and plans to start WW III in 2008. Dad tosses gasoline bombs at cop cars in every state in the Nation, in the World. Jenna lost all hope of an ElectricWindmillCar under the White House Christmas Tree for 2007. Jenna never thought of putting a breast cancer cure under the White House Christmas Tree for 2007 she was busy writing her book. So she goes on Ellen DeGeneres TV show to promote her book... "Ana's Story: A Journey of Hope." She hugs and kisses Ellen, together they dream of a 14 year old girl... ..

... .. getting into Yale.

5 Dec 2007 No power, storm, Madman President cuts off your electricity in all storms

5 Dec 2007 Bush news conference, WW III with Iran and no ElectricWindmillCar in USA

5 Dec 2007 Bush will not change the policy to suppress the ElectricWindmillCar, do WW III

5 Dec 2007 Denver local TV news has kids changing light bulbs, kids killed by the Mayor

5 Dec 2007 No power, Denver Mayor killed these light bulb kids gravity control invention

5 Dec 2007 Boulder, Denver City Employees will be arrested for Crimes against kids, USA

5 Dec 2007 Denver Mayor killed these light bulb changing kids gravity control invention. Economics of suppressing the ElectricWindmillCar has turned China into an Economics Powerhouse on ABC Nightly News. In the USA the Mayors of Denver, Boulder, kills all the kids who would have invented gravity control, etc. Power of the Inventor is a causality of war. Katie Couric's first 20 mins of Nightly News, she interviews all the Presidential candidates with trivial questions. She as a woman did not ask anything about breast cancer and the 40k women who will die every year the new President is in office. Math test for the light bulb changing kids is the lowest. No power, these kids who got off in front of the local Denver TV cameras changing out light bulbs at the Capital were tortured and killed by Bush, and the Mayors of Denver and Boulder, Colorado. No gravity control inventors. China can only invent Presidents like Mao Hu who is worst than Mao thanks to the suppression of the ElectricWindmillCar. Hu on Trial in Beijing for Genocide will say he was following orders from Bush. Girls on NBC science contest, say inventing is Empowering. Dr Spyderman the NBC MD is reporting this story. Little do these girls know they aren't Empowered, they have no power to invent gravity control long as GE MSNBC goes along with the suppression of the ElectricWindmillCar. MD Dr Spyderman at NBC does not report that she was witnessing a serious medical error but did not reporting it. That is one of the findings in a new survey aimed at measuring how well doctors conform to guidelines on medical professionalism, reported today in The Annals of Internal Medicine. When doctors were asked about their personal experiences witnessing medical errors and bad doctors, 46 percent said they had firsthand knowledge of medical mistakes but didn't report them. And 45 percent said they were aware of bad behavior by doctors that they didn't report. Bad Behavior, our light bulb changing kids at the Denver Mayors house, are reminded about Bad Behavior several times a day. As adults these light bulb changing kids will learn the Mayors of Denver and Boulder, Colorado were the ones with the Bad Behavior suppressing the ElectricWindmillCar and killing all their chances to invent gravity control, etc. Dr. Dave Hindu Dr Sypermans local Denver MD on CBS has known about the suppression of the ElectricWindmillCar for decades, thus decades of kids changing light bulbs to save a few watts were misdiagnosed by our National News Dr Spyderman and our local news Dr Hnida. No Power, every storm Denver, Boulder gets that cuts off Electricity it would be on if the ElectricWindmillCar were on the streets since its invention in October of 1980 as the Electrolysis accessory will give these light bulb kids hydrogen and oxygen, Hydrogen will heat the house in a blizzard and generate home electricity without Xcel the Electric Company. 100's of Linemen Trucks are always pictured in the local and national Nightly News with every snowstorm. This should have been history since 1980. Electric power lines to your house should have been replaced with a can of hydrogen in 1980. Power to invent gravity control for all these light bulb kids since 1980 were killed by the Mayors of Denver and Boulder, Colorado. Drs Spyderman and Hinda. Bush will not change the policy to suppress the ElectricWindmillCar. Bush will get the Mayors of Denver and Boulder to trick kids into getting high changing light bulbs to save a few watts. In China Hu will go on trail for his life, his only defense will be he was following orders from Bush to go along with the suppression of the ElectricWindmillCar, and killing kids from getting the gravity control invention. Teachers thought they had no power over Bill Gates killing generations of inventors with Microsoft policies, stifling Math and English test scores. CIA had the power to get the New York Times to print Iran quit building Nukes in 2003. Bush said I don't care; I will still start WW III. So the CIA only has limited powers, CIA can not expose the suppression of the ElectricWindmillCar or the killing of light bulb kids by the Mayors of Denver and Boulder, Colorado. Save a few watts or get gravity control, No one on Earth had the power to lecture on Bad Behavior! No one in the USA has the power to report a MD's bad behavior!

4 Dec 2007 Israeli Prime Minister Ehud Olmert joke about a Merry Xmass to Oil Genocide

4 Dec 2007 Israeli Prime Minister Ehud Olmert jokes about USA cops sizzling in gasoline

4 Dec 2007 Israeli, USA oil Genocide money in Swiss Banks, Ehud forgot about Swiss cops

4 Dec 2007 Few Swiss cops burned in fiery cop car wrecks, All Swiss cops will get revenge

4 Dec 2007 Venezuela, Chavez sells the USA \$100 Million a day in oil we don't need

4 Dec 2007 \$100 Million a day in oil exhaust we don't need

4 Dec 2007 4 Dec 2007 \$100 Million a day in Revenue for Venezuela's, Chavez to spend

4 Dec 2007 \$100 Million a day in oil money, buyers and sellers while the rest of humanity loses the ElectricWindmillCar Era. Free gasoline, Free University, Free Health Care all lost by buyers and sellers of oil and gasoline. \$100 Billion a day if you include the Russians and the Saudi's. JERUSALEM (Reuters) - Israeli Prime Minister Ehud Olmert played down expectations for a cure for breast cancer before the end of 2008. Unless there is a Coup D'Etat by those who want to expose the suppress of the ElectricWindmillCar. A USA sponsored peace treaty for light year travels will have to wait until all the Pentagon Generals want to make contact with Aliens. Turn lead into gold, turn F-35 fighters into Shuttles. Israeli's live life without a God. Unless you and they believe God helps the Israeli's suppress the ElectricWindmillCar for the oil money. Devil made them do it, I would say the Devil made Israeli Prime Minister Ehud Olmert joke about a Merry Xmass to Oil Genocide, oil money under the Israeli Christmas Trees. The liver, which cleans toxins from the blood, is unique among the body's organs in its ability to regenerate. The Jews spread toxic oil exhaust and waste. And wait for someone from the USA to regenerate a moral life for the citizens of Earth. I will write web pages and poems about the immoral Jews from 1980 - 2008 the Oil Genocide Era. And add in losing the cure for Breast Cancer during these years and the Jews will become the mothers of an evil nation. Oil Genocide trial in JERUSALEM Israeli Prime Minister Ehud Olmert will joke that he followed orders from Bush when he poured gasoline over cops and kids and set them on fire. Olmet poured gasoline over his own citizens and set them on fire for more oil money. Genocide he will not be able to get out of being convicted... Guilty! In Moscow Putin is taking in \$ Trillions of dollars in oil revenue, The only person in the world who would want Putins job is Bill Gates. Operating Systems, Oil and Bill Gates. Oil genocide Era created a Bill Gates. 1980 model ElectricWindmillCar would of killed Bill off. Little more than a year after the operation, the liver had regenerated enough they took him off his anti-rejection drugs. His transplanted liver is shrinking and may eventually disappear. Regeneration of a moral

Israel after the ElectricWindmillCar is a no. Israel turn to a Genocide worst than the Holocaust of the Germans, as Israel burned it own Jewish cops and kids in gasoline for more oil money. Olmert jokes about USA cops sizzling in gasoline, he will not make Leno jokes about Jewish cops burning in gasoline, he knows were not to cross someone.

3 Dec 2007 CIA failed UIA Universe Intelligence Agency is for Light Year Intelligence

3 Dec 2007 CIA failed 5 billion people for a \$5 Trillion dollar bribe from Texas + Saudi's

3 Dec 2007 CIA let Saudi Princes and Kings pour gasoline over cop cars and set it on fire

3 Dec 2007 CIA let newspaper reporters tear up Officer Jason's burnt face posters

3 Dec 2007 CIA failed NYC on 9-11 by going along with ElectricWindmillCar suppression

3 Dec 2007 CIA let Mexicans kill cops in cold blood and spit on gringos via Mexican Oil

3 Dec 2007 UIA Universe Intelligence Agency is for Light Year Intelligence

3 Dec 2007 UIA Universe Intelligence Agency or the current CIA will let Bush start WW III while still suppressing the ElectricWindmillCar and free gasoline gift by the ElectricWindmillCar Coup D'Etat leaders. UIA Universe Intelligence Agency will work on 5 trillion inventions to get us to Alpha Centauri and make contact with Aliens in the Universe. UIA will build state of the arts Medical Schools over every University football stadium in the USA. Place every MD in the USA under Hospital Arrest for Genocide. WASHINGTON (Reuters) - Cancer cells for MD's who never ever wanted me to get a cure for cancer, because they milked cancer raising the cancer patients medical bills every year longer they lived. This was their treatment plan to make the most money possible from every cancer patient, plus get bribes and perks (burn center profits from cops and kids burnt in gasoline) from Bush for not exposing the suppression of the ElectricWindmillCar. Doctors and the CIA could of made better decisions about how aggressively they introduced 5 billion people to the ElectricWindmillCar in October 1980. CIA was born out of WW II genocides. And will die because of American Genocide by Bush, Carter, and Kennedy... UIA Universe Intelligence Agency is for Light Year Intelligence. CIA let Saudi Princes and Kings pour gasoline over cop cars and set it on fire. CIA let Bush sell organs to Saudi Princes while Americans waiting for the same organs died. UIA Universe Intelligence Agency will document every CIA crime between October of 1980 to 2008. 100's of Officer Jason's with faces burnt in gasoline will confront the CIA agents with gasoline bombs of tête-à-tête. CIA tossed gasoline bomb at their own civilians, worst than Blackwater killing 10's of thousands of civilians in Iraq in front of the CIA observers. CIA could of prevented 9-11 and the Iraq War by exposing the suppression of the ElectricWindmillCar. UIA Universe Intelligence Agency will replace the CIA.

2 Dec 2007 Porsche 911 GT3 2008 six-cylinder 420 horsepower, a special exhaust system

2 Dec 2007 9-11 would have been prevented it Porsche CEO exposed the ElectricWindmillCar

2 Dec 2007 German History of Genocide will include 9-11 not exposing a ElectricWindmillCar

2 Dec 2007 The Ultimate Fighter is not the Lockheed-Martin F-35

2 Dec 2007 The Ultimate Fighter is 700 Shuttles docked in Orbit ready to blast off

2 Dec 2007 Ultimate Fight will be the Genocide Trail for suppressing theElectricWindmillCar

2 Dec 2007 Genocide trial in Germany will be scheduled day after the ElectricWindmillCar makes the front page of the New York Times. In Japan Japanese Generals will hang just like the trials at the end of WW II. We have gained an important insight as to why 9-11 is so important when we put Texas Oil men on trial for suppressing the ElectricWindmillCar. Jews, Germans, and the Japanese all could have exposed this long before 9-11 but didn't. Jews, Germans, and the Japanese all have \$USD\$ given to them as a bribe in Swiss Banks. Massachusetts Institute of Technology MIT will have its Genocide trials on Campus... Massachusetts Cops with faces burned in fiery car crashes will lecture at MIT; These Lectures will go on for years. MIT will not go along with the suppression of Gravity Control or the Gravity Engine after attending these Lectures by Massachusetts Cops with faces burned in fiery car crashes. At the same time as the ElectricWindmillCar suppression and genocide Harvard Medical School the #2 in the world was passing Black MD's who really didn't pass, who would go out into the real world, kill and maim tens of thousands of patients. This is crazy. In this new Era coming up the leaders of the ElectricWindmillCar Coup D'Etat will look ahead into time, 3008 and another Genocide by several Presidents of the USA and try to prevent it in 2008. 2008 Model Porsche 911 could be made with an ElectricWindmillCar design. Special exhaust system will have to get by with sound effects for the roar of the racing car. Race fans in the stadium will never miss the gasoline engine of the Porsche 911. Widows of 9-11 will miss their dead husbands because the Germans when along with an American Presidents Genocide. This is Crazy. Long-term and short-term memory failed those who lived through the Genocide Trials of WW II. CIA didn't last very long in History; the Genocide Trials at the Pentagon will bankrupt the CIA so badly they will have to be renamed. Least we have all the documentation a Genocide Trial will need as our Orwellian CIA has everything from Kennedy, to Carter to Bush. Everyone who toasted, "Let them eat cake, let them burn in gasoline, we are addicted to oil money" This would be a hell of a video clip for Katie Couric to play on CBS Nightly News. The Ultimate Fighter is 700 Shuttles docked in Orbit ready to blast off for the first light year journey by Humans. Since 1980 and the invention of the ElectricWindmillCar Lockheed-Martin has built fleets of thousands of B-1 bombers and F-35 Fighters instead of 700 Shuttles. This is more than Crazy. Neurologist Patricia Goldman-Rakic of Yale University has begun to map the various areas of the prefrontal cortex into various regions associated with the different senses. Her laboratory has found evidence that information about spatial location is confined to the sub-region of the prefrontal cortex, while processes related to visual appearance are in a separate area below that. End War On Earth is still controversial because no one at the Pentagon believes in Aliens. MIT scientists failed humanity many times over by not inventing a way to listen to Aliens. A "free hydrogen economy" from the special design in your ElectricWindmillCar Porsche 911 ability to carry an on board electrolysis factory. Gives us a "free hydrogen economy". Ramifications will bankrupt every electric company in the world. Xcel here in Boulder, Colorado will get a hidden benefit from this bankruptcy, as fewer linemen will die of electrocution. 2,500 die every year just in Colorado, yet this is never in the Denver CBS news. President of the USA has several maybe 100's of Genocides going on thanks to our Orwellian Society that is constructed in a way to breed genocides. CBS Denver is ordered by the Orwellian Top Brass not to report this and that genocide. Instead of reinventing something that kills 2,500 linemen a year just in Colorado... This is Crazy. Femtosecond laser pulses, through a process called Impulsive Stimulated Raman Scattering (ISRS), produces lethal vibrations in the protein coat of microorganisms, thereby destroying them. The effect of the vibrations is similar to that of high-pitched noise shattering glass. The physicists in Arizona have undertaken experiments to show that the coherent vibrations excited by infrared lasers with carefully selected wavelengths and pulse widths do no damage to human cells, most likely because of

the different structural compositions in the protein coats of human cells vis a vis bacteria and viruses. Xcel in Colorado killed 2,500 linemen a year instead of pursuing an "Invention" Laser electricity will never be needed... maybe maybe not. But if we keep the same Top Brass in place at all the Electric Companies we will never invent anything. This is a Crazy Orwellian Society!

1 Dec 2007 Alpha Centauri, Boulder Post Office, girl didn't know where it was

1 Dec 2007 I was buying 3-cent star stamps and she asked why, I said Alpha Centauri

1 Dec 2007 Amtrak train engine on top of the last car of a freight train on TV News

1 Dec 2007 Crash and burn car wrecks today, end to rearend crash and burn wrecks

1 Dec 2007 Post office doesn't have a stamp for Alpha Centauri

1 Dec 2007 Pentagon doesn't what you to think about going to Alpha Centauri

1 Dec 2007 Alpha Centauri is actually for real, The Pentagon really tells Katie Couric at CBS Nightly news not to do an ending story about traveling 4.3 light years to Alpha Centauri. So Katie Couric did a hard luck story about getting financial aid to attend a University. ElectricWindmillCar Coup D'Etat leaders will make the University free and mandatory. Who made HS mandatory? I don't know this history story. History Department at CU University will have their administrative assistants working overtime getting this and the history of inventing into the History Program at CU. I dream of the women who work putting this course work together semester after semester. There are some HOT women in history, and in the history department at CU. History drives our ridiculous madmen around in cars fueled by gasoline. History of the Pentagon fuels the history department's administrative assistants, these women drive their white mini vans to the coffee shop every morning, to get passionately astronomical on the strongest coffee's. Faster than the speed of light, these women are on edge waiting to see the history of going faster than the speed of light being written here in Boulder, Colorado. In front of their eyes. The three-judge panel found that Kenichi Uchino died Feb 9, 2002, at age 30 after working about 106 hours of overtime for Toyota in one month until the day before his death by heart attack. 106 hours of overtime will be normal if any of these women at CU hookup with me after the ElectricWindmillCar Coup D'Etat leaders take control of the USA and Universities. Priority to get 1 billion inventions ASAP. All social and medical inventions. My wives and I will be working 106 hours of overtime all the time just to see how many inventions we can get in our 1st year together. With the goal of getting a miracle cure for breast cancer that will work on women with breast cancer over night.

30 Nov 2007 Aliens were the # 1 sizzling topic in the Republican Debate

30 Nov 2007 Sizzling flesh burning in gasoline wasn't in the Republican Debate

30 Nov 2007 Excess salt kills 150k - Breaking News On the ABC Nightly News

30 Nov 2007 Needless gasoline burns 150k, this is still suppressed by ABC Nightly News

30 Nov 2007 Bush does not use torture - cops sizzling flesh in a fiery cop car

30 Nov 2007 99% of cops will take revenge on Bush, Kennedy, Bill Gates, for this crime

30 Nov 2007 Addiction to oil money, you don't overdose and die on this addiction. You toss gasoline bombs at everyone you meet driving down the street. Character flaws of the rich and famous will be rewritten for the next printing of textbooks that will spell out for all students what happens when you are addicted to oil money, \$4 Trillion dollars in oil money, Bill Gates would pour gasoline on your white mini van and set it on fire with you and your kids inside for \$ 4 Trillion dollars more for his bank account. This is crazy but its hard-core reality. Swiss Bankers are making a fortune off all the oil money accounts. Geneva is in Switzerland too. Swiss Bankers have been taking oil money since 1980. Sizzling flesh to a Swiss Banker is steak not people around the world burning in gasoline. Crash and Burn takes on a new meaning with the suppression of the ElectricWindmillCar. Malaria parasite yields clue why some die people and some don't. Bill Gates was a Parasite with Microsoft, with the suppression of the ElectricWindmillCar Bill Gates is guilty of profiting from the worst genocide in the history of Earth. Malaria claims more than a million lives a year -- 800,000 of them African and sickens hundreds of millions more, according to the World Health Organization (WHO). World Health Organization (WHO) has the statistics on sizzling flesh from crash and burn wrecks in the USA and in the World but refused to make public this UN data. Molecular genetics of Plasmodium falciparum, the parasite that is malaria. Malaria can be in one of three states as it circulates in blood. One is that it actively grows, metabolizing carbohydrates as a source of energy; the second is a "starvation response" as it seeks other carbon sources for metabolism; and thirdly, a state of stress in the host environment. Bill Gates, Kennedy and Bush have several states of greed and addiction to money, to put in the Bank or to buy more companies to become a Fortune 500 company. Standard Oil were NBC news broadcast it's Nightly News is named for Rockefeller. Rockefeller killed other oilmen in his fevers of greed. Exxon Today. Aliens and Malaria were not his driving force, greed was his driving force. So how can we win the debate about Aliens? English will be the only language allowed by the ElectricWindmillCar Coup D'Etat leaders as they will be greedy for a cure for cancer, Malaria, get gravity control, gravity engine. Hell what leader would waste his citizen's time learning Spanish when the Top Brass wants 1 billion inventions out of its citizens ASAP? So Aliens are dead, shipped back to Mexico. New Aliens are 4.3 light years from Earth living peacefully at Alpha Centauri until the Pentagon catches wind of this, and it entices the Top Brass enough to attack Alpha Centauri. Temptress is the Goddess of Inspiration. Bush and Bill Gates married the Temptress of Greed. Paul McCartney married Linda and she died of breast cancer, Paul did nothing after her tragic death to inspire an Inventor to get a cure for breast cancer. English will be the only language allowed by the ElectricWindmillCar Coup D'Etat leaders as they will be greedy for a cure for breast cancer asap. We shall all marry the Goddess of Inspiration; Alien women are only 4.3 light years away... lets check them out.

29 Nov 2007 Einstein's self-proclaimed "biggest blunder"

Goggle's "biggest blunder" letting cops and kids burn in gasoline for a Billion dollar bribe

29 Nov 2007 Google search for ElectricWindmillCar will give you their Swiss Bank #

29 Nov 2007 Google has \$ Billion of dollars half from letting cops burn in fiery wrecks

29 Nov 2007 If you were Google founders would you risk being arrested by a burnt cop?

29 Nov 2007 Google executives see a cop car, will they start a high-speed pursuit?

29 Nov 2007 Now it's public that some of Goggle's \$ Billions are from letting cops burn

29 Nov 2007 Goggle's greedy CEO got double the money to let cops flesh sizzle in gasoline

29 Nov 2007 Einstein's self-proclaimed "biggest blunder" - his postulation of a cosmological constant (a force that opposes gravity and keeps the universe from collapsing) - may not be such a blunder after all. Goggle's "biggest blunder" taking a bribe and government perks to go along with the suppression of the ElectricWindmillCar. A force that opposes the invention of the gravity engine and gravity control, this is the force Google sold out to. Texas and Saudi Oil men wined and dined Google, didn't have to show them pictures of Officer Jason's burnt face as everyone at Google has seen this picture. CT scan of Google gives us a 3-D view of a group of executives who have poured gasoline over Americans, and everyone else for money. Google CEO needlessly put others in dangerous radiation, as the cops will be out for revenge, targeting Billion dollars CEO's who should of Exposed the suppression of the ElectricWindmillCar. Radiation 50 to 100 times greater, this is a CT Scan but also radiation risk the CEO puts the others in when he goes along with the worst genocide in the history of Earth. Google is not far from Scott Peterson on death row, this is were the CEO of Google could end up if 1 guy or girl decides to send him there, the CEO of the ElectricWindmillCar Coup D'Etat. FDA has started an assault on salt, which is long overdue. Cops burned in gasoline will start an assault on CEO's who opposed the war to expose the ElectricWindmillCar on the internet which Google is King... YMCA in Estes Park meet with Bush a week before 9-11. YMCA in Estes Park could of prevented 9-11 one week before it happened by exposing the suppression of the ElectricWindmillCar. After the Oil Genocide Trials in NYC cops burned in gasoline and widows of 9-11 will sue the YMCA of Estes Park. Einstein is not at Google or the YMCA. Jews will want to get this Genocide Trial over quickly. But there will be memorials to cops and families burned in fiery car wrecks. Jews will have burnt out cop cars at the Wall... with an eternal flame. Remind the Jews no one can get away with going along with an American genocide. Millions of Americans, especially children burned in gasoline while we watched CBS Nightly News about the Jews and all their Genocide Horrors. PARIS (AFP) - Genes that can be pinned to intelligence are proving frustratingly hard to find. CIA is worst off than the Jews. Paris Revolution in 2008 would hang all the oilmen, all the gas station owners. Streets of Paris would be dangerous to anyone who helped, collaborated with the USA Oil men. Texas A&M researcher Suntzeff discovered that the universe is not only expanding, but its expansion is actually accelerating - going faster and faster. Einstein cannot be proven right or wrong in his forecast for Aliens. Bush, Chaney, Pope, Bill Gates, Google CEO all have poured gasoline over NASA since the invention of the ElectricWindmillCar in 1980. They have lost us 700 Moon Bases and 700 Shuttles that can dock together in orbit and blasted off for Alpha Centauri. "So there had to be some other force that had overcome the force of gravity and is driving the universe into an exponential acceleration," Exponential acceleration to make up for lost inventions and lost Shuttles will burn Google to the ground in gasoline. Who else gets burned, put on death row with Scott Peterson depends on 1 person, the leader of the ElectricWindmillCar Coup D'Etat.

28 Nov 2007 Cheney has had four heart attacks, quadruple bypass surgery, two artery-clearing angioplasties and an operation to implant a defibrillator six years ago. A Cheney in 3008 will have four heart transplants. In July he had surgery to replace the defibrillator, which monitors his heartbeat. Cheney had atrial fibrillation, The condition occurs when the heart's top chambers, called the atria, get out of sync with the bottom chambers' pumping action. Chaney's heart got out of sync with his conscience. Cheney spit on the Universe without knowing he spit in the face of Aliens. "An electrical impulse was used to restore the upper chambers to normal rhythm," The vice president has returned home and will resume his normal schedule tomorrow at the White House." Normal schedule for Cheney is to stop the bleeding from any oil leaks. Not real pipeline leaks but any Observers getting ready to Expose the suppression of the ElectricWindmillCar. If the irregular heartbeat continues it will burn and burn to death millions more when people crash and burn. Driving will be totally different in the ElectricWindmillCar. GM OnStar will have web cams inside and outside of your SUV, airbags inside and outside of the SUV. Warning the driver if he falls asleep or is distracted while driving. Warning the cops if he is high on drugs or drinking Coors. Breathe test, blood test and of course Mexicans will no longer drive without car insurance. Driving will be totally different in the ElectricWindmillCar. You insert your pin number for a drivers license and its checked to see if its suspended, or revoked. If so your pin number will not start the car. A Cheney in 3008 will be earning his money, and his position as Vice President. Today Cheney is a criminal who tosses gasoline bombs at cop cars and SUV's in the USA so his boss can have injections of oil money. Let them eat cake, Let them burn in gasoline; Cheney and Bush are addicted to oil money.

27 Nov 2007 Deception at the White House with Al Gore and the Nobel Prize

27 Nov 2007 Were all 7 Nobel Prize winners at the white house counterfeit?

27 Nov 2007 Chaney at the White House went to the Hospital for VIP treatment

27 Nov 2007 Clinton had VIP heart surgery several months ago

27 Nov 2007 ABC Nightly News football team in Kansas, Mom could never give it up

27 Nov 2007 Mom in Kansas has no idea how many Chaney and Clinton's farmers are dead

27 Nov 2007 VIP heart treatment for Chaney and Clinton, without telling us how many Kansas farmers and football coaches are dead with half a lifetime. I imagine its millions just in Kansas and Mom on ABC will never give up her football for a Medical School full of ex-football kids. Mom doesn't know what's

going on. Deception by the Kansas farmers Doctor would never be called "DECEPTION" then shall we reinvent the farmer's wife so she is idiot-proof, and how can we do this? Idiot-proof wife would sell all over the world. So how do we educate the Idiot-wife in Kansas enough to tell that Al Core's Nobel Prize is a deception in an Era that has an on going genocide by Bush and his Texas Oil Men. So how do we educate the Idiot-wife in Kansas enough for her to tell that Chaney and Clinton got VIP heart care her 4 brothers, and 2 brother-in-laws died from when they were much younger than Chaney and Clinton. Football Moms in Kansas won the game but lost her male and female relatives from heart disease that is cured for VIP's. Kansas farmers could have afford the same heart treatments as Chaney and Clinton if they knew what's going on in their anatomy and physiology. Being a VIP at the football game is what this MOM on ABC Nightly News wants. She doesn't realize there is a galaxy of difference in the VIP heart treatment Chaney and Clinton get to her brothers. Sunscreen, how many tubes of Neutrogena Ultra Sheer SPF 70 with helioplex are bought by whom? ABC's football mom is galaxies away from Chaney and Clinton. This is a death sentence for most of her beloved football players and their parents. These guys in Kansas are rich enough to charter a 767 Dreamliner to New Haven and visit Yale-New Haven Medical School and Hospital. They just aren't smart enough to do this. But they will all pack everything up several times during football season and travel at warp speed to a distant football game. All seven of the Nobel Prize winners at the White House yesterday will be striped of their Nobel Prize just like Jones the Olympic runner was. Because they don't deserve a Nobel Prize, they were on steroids the kind only VIP's get. I like to speculate that the ElectricWindmillCar Coup leaders will be cops or generals.. but now I think there is a chance the ElectricWindmillCar Coup leaders will be women from Kansas or even women at the White House who are ripe for a Coup d'état

26 Nov 2007 Conspiracy ----- MD's were singled out by Bush to get Fraudulent Fortunes

26 Nov 2007 Decades-long rise in the cost of health care

26 Nov 2007 Decades-long suppression of the ElectricWindmillCar

26 Nov 2007 Decades -long rise in Medicare Fraud at the Boulder Medical Center

25 Nov 2007 Orwellian article said MD's are ok; this fraud is a bribe by Bush

26 Nov 2007 Akin to the contracts in Iraq, Pentagon Cronyism at GE, IBM, etc

26 Nov 2007 Conspiracy ----- MD's were singled out by Bush to get Fraudulent Fortunes

26 Nov 2007 Conspiracy ----- Burn Centers in the USA, most are the most famous in the world. I sent post cards of Officer Jason's burnt face to every Burn Center in the USA and no one replied. Conspiracy ----- to pay the medical bills of those burned in gasoline, no I don't think so. Conspiracy ----- by the Oil Companies to pay the Burn Centers for those burned in fiery car wrecks, those burned in gasoline, no I don't think so. 50% of working class people don't have any health insurance. MD's cheat the IRS on their charity deduction. MD's cheat their patients. My last Dr was a Dr. Graff almost 10 years ago. I have not been able to afford any doctor visits in 10 years working as a temp in Boulder, Colorado. Swiss Rocha would not hire me at their plant in Boulder, Colorado even with a memory pill invention project on my resume. Observers are laying in wait at every Temp job with Mexicans who spit on me. Celestial Seasoning personnel people at the Job Fair in their cafeteria spit at me when I was taking all the test and filling out all the forms, as they were Observers hiding behind hidden cameras. This incident was 20 years after I invented the ElectricWindmillCar. IBM Boulder would not hire me. Seagate, Longmont, Colorado would not hire me to wash dishes in their Corporate cafeteria. Of course I will sue and put all these corporation on a web page on my web after the ElectricWindmillCar Coup. But in the mean time I have lost 100's of inventions from living in poverty. In the mean time 100's have burned to death in gasoline. 100's have burned in gasoline and then got burned by their MD's medical bills. King Soopers which is owned by Kroger is getting to be the Mother of all Orwellian grocery stores as the last two time I went grocery shopping Kroger Observers were laying in wait at the door and spit on me, then spit on me again using Amanda checking out. This Orwellian Society is having hardening of the arteries of the heart leading up to Christmas Day 2007. I don't know what's going on behind the hidden cameras but I can certainly guess they don't like what I have been writing on my End War On Earth web page the last 2 months. Remember there are hidden cameras in my living room, my room grin. Decades-long suppression of the ElectricWindmillCar we must be getting closer to the Coup that will give America free gasoline and health care. Fraudulent MD's are every MD in Boulder, Colorado. ElectricWindmillCar Coup leaders will place them under hospital arrest. Yes even BI the ankle bracelet monitoring company will not hire me to solder their circuit boards and they have placks on every wall of top brass cops. Missing is Officer Jason's picture with his burnt face so its not hard to figure out why a company owned by cops would not hire me. Grin. Conspiracy ----- to suppress the ElectricWindmillCar and me from getting any more inventions. 1,001 Invention Projects and 1,001 lawsuits will usher in a new era. New Era of free gasoline to celebrate the invention of the ElectricWindmillCar after Decades-long suppression and Fraudulent Fortunes made by MD's and Pentagon Cronies. Plague-ridden deaths from Staph, Hepatitis C, and Ecoli were under reported by the Nightly News for decades. This was all illegal but this was our Orwellian Society at its worst. We will usher in a new era that converts every University football stadium to a new state of the arts Medical School. Best thing about this new Era we will get a New --- New York Times --- The Old New York Times let 9-11 happen when they could of prevented it just by putting the ElectricWindmillCar on the front page. The New New York Times will be a Medical School, and will publish articles that will help 1 billion inventors get a breast cancer cure as this is decades late, late fee have been killing 40k women a year for many decades because Texas Oil Men and Bush wanted Oil Money more than a women's breast to caress.

25 Nov 2007 Coors prevents any super-antibuse to be in stock at Target

25 Nov 2007 Invention to preventing alcohol use and abuse is now the lawsuit

25 Nov 2007 Swiss Rocha failed to mix up antibuse and get it to sell like hot cakes

25 Nov 2007 Coors prevented any antibuse to be stocked on the shelves at Target

25 Nov 2007 Social Inventions to preventing alcohol use and abuse is the Invention

25 Nov 2007 Scam by the State Government is the lottery seducing you. You get no pussy

25 Nov 2007 You get nothing for the \$57 billion in lottery tickets sold in 2007

25 Nov 2007 \$570 billion for the Pentagon in 2007 and you lose totally. Troops will all come home from Iraq just like they did from Vietnam. Pope would like to open up a Catholic Church in Baghdad and in every city and town in Iraq. Avalanche deaths from this Moslem Christian War path the Pope has taken.

Pope declared war on Moslems with a new Cardinal from Baghdad. Everyone at the Vatican was waving Iraqi flags and shouting victory songs. Currently, the leading explanation for what causes war is Psychotic Madmen; many a Pope was a madman. Wives for Priest would do more good than harm for the Catholic Church and for humanity. Priest with 4 wives would be on the same footing as Moslem clerics. This would certainly have prevented the Pope from declaring war on Moslems in Iraq yesterday. Wives have some advantages over PET or MRI scanning for the madman virus in the male brain. She can arouse a different kind of erection than war. Make Love not War certainly didn't win any converts at the Pentagon. Pentagon Generals have been tossing gasoline bombs at cop cars and SUV's in the USA since the suppression of the ElectricWindmillCar in 1980. This has had little of no effect on their perpetual war drinking. Hydrogen is by far the most abundant element in the universe. Top Brass prevented hydrogen to be in stock in your home to fuel your furnace and generate your electricity in your home, not buy your electricity from some power plant down the street. WHO at the UN is in a conspiracy with Texas oilmen to suppress the ElectricWindmillCar. WHO at the UN is the World Health Organization made up mostly of MD's from UN member nations. Although designated by the World Health Organization (WHO) as the world's second leading cause of permanent and long-term disability, mosquito-transmitted Blood borne disease is "potentially eradicable" Eradicate arm and legs under the White House Christmas Tree for 2008, presents from Laura Bush and her twin daughters. Incompetent abuse of White House power to declare War on Iraq war when the ElectricWindmillCar was being suppressed by the same White House Idiots. Pope waited until yesterday to declare war on the Moslems in Iraq with a new Cardinal from Baghdad. Coors preventing any super-antibuse to be in stock at Target is of little consequence except to the alcoholic who desperately want to quit drinking. Ephedra not in stock at Target is of little consequence except to me when I need to lose 20 lbs from sitting in front of this computer too much and snacking too much. \$570 billion for the Pentagon in 2007 and you don't lose any weight just gain more Wars for the History books. All the troops will come home from Iraq just like they did from Vietnam. Same Pentagon Generals have been tossing gasoline bombs at cop cars and SUV's in the USA since the suppression of the ElectricWindmillCar in 1980. I think the Pentagon Generals are the one's who need 4 wives more than Priest and Moslems.

24 Nov 2007 Spoiled food snifter alarms going off watching NBC Nightly News

24 Nov 2007 Billionaires in Moscow from Oil no mention of Saudi Arabia, they can't

24 Nov 2007 Saudi sex slaves and sales of organs to Saudi Princes are off limits

24 Nov 2007 If NBC mentions Kuwait Billionaires, sex slaves; Bush will kill them all

24 Nov 2007 Spoiled rich kids like Bush and his twin daughters kill people worldwide

24 Nov 2007 ElectricWindmillCar suppressed by twin daughters and their mom Laura who deprives the American people of products not yet invented, that can only be made with vast amounts of free electricity created by the ElectricWindmillCar's electrolysis accessory.

24 Nov 2007 GE and MSNBC could make more money from the ElectricWindmillCar. Now they face arrest for genocide. Jews will lose the state of Israel for going along with the suppression of the ElectricWindmillCar and putting oil money bribes in Swiss Banks. Spoiled food snifter alarms going off. I really want to reinvent the refrigerator so GE refrigerators move to the bottom of the list... ha! One Billion inventions like the reinvented GE refrigerators with food snifter were lost since the invention of the ElectricWindmillCar in 1980. NBC Nightly News did not close with this story. Free electricity driving your ElectricWindmillCar down the street creates electrolysis and gives us free hydrogen and oxygen from the gallon of water in your ElectricWindmillCar. Ramifications of this will bankrupt the Electric Company and create businesses that make products not yet invented that can only be made with vast amounts of free electricity. Electric Company CEO here in Denver at Excel knows about this. Kidney dialysis machines might be reinvented with vast amounts of electricity, or simply make organ donation mandatory in the USA. If we do nothing Bush will sell Billionaires in Moscow kidneys from the USA, as Bush is Psychotic. Like Russian Vodka, Bush cannot resist selling a kidney to a Billionaire. Memory in the brain, I would be working on Total Recall today, if it weren't for Bush being Psychotic. After reading the complete works of Freud a few years before 1980 I thought for sure someone would invented a cure for the Worlds Madmen. Then we get, Carter in 1980, Bush is the most Psychotic President since the invent of the ElectricWindmillCar in October of 1980. Carter with his Habitat for Humanity Homes when he suppressed 1 billion ElectricWindmillCars from coming off the Ford assembly line in 2007. Crazy to say the least. Processes in the brain of normal people would and could never end up suppressing 1 billion ElectricWindmillCars from coming off the Ford assembly line in 2007. If John Lennon were alive he alone would expose the suppression of the ElectricWindmillCar. Dylan can go to Hell with Paul McCartney... Hell Paul McCartney will not even help other women with breast cancer, (Linda McCartney will be mad as Hell about this) by helping me get to work on a breast cancer cure. I have to work on Temp jobs like Leanin Tree Greeting Cards here in Boulder Colorado and the Observers let Mexicans spit on me at work at Leanin Tree Greeting Cards here in Boulder Colorado This is crazy to say the least. Short-term memory works like this. First, "the brain's cerebral cortex receives nerve messages from eyes, ears, and touch sensors. This sensory stimulus is held for a fraction of a second in the sensory memory. Unless an individual pays attention to the image for about eight uninterrupted seconds to encode the stimulus into short-term memory, it will be lost" Bush lost all memory of those in the USA he tossed gasoline bombs at, there is no memory of sizzling flesh burning in gasoline, so Bush can have more oil money. Alzheimer's story of Supreme Court Justice Sandra Day O'Connor's husband with Alzheimer's. Sandra hooked him up with a women lover in the nursing home. 1 billion people burned in gasoline while Sandra Day O'Connor was going to work at the Supreme Court. I think she has selective memory loss. She is young enough to live long enough to be arrested for genocide... this will jog her memory. When she meets cops with burnt faces, cops and Judges will collide like 2 distant galaxies most people never think about, that are colliding in space right now. Spoiled food snifter alarms going off, cops could arrest every Judge in the USA on charges of genocide. This is a thought of revenge, especially if you got your face burned sitting in your cop car, with lights flashing and a vodka driven Bush slams into the back of your cop car causing the gas tank to burst into flames.

23 Nov 2007 Car bombs are down in Baghdad but up in the USA

23 Nov 2007 McCain in Baghdad is tossing gasoline bombs in Denver, Colorado

23 Nov 2007 Nightly News doesn't report on the progress of the ElectricWindmillCar

23 Nov 2007 Nightly News doesn't stimulate public enthusiasm End To War On Earth

23 Nov 2007 Thanksgiving Day Nightly News reported there optimistic the Iraq War is Won

23 Nov 2007 McCain in Baghdad far from the fiery car wrecks in the USA Thanksgiving Day

23 Nov 2007 Thanksgiving Day victims of McCain will be in some burn center tomorrow hopefully not in McCain's home state of Arizona. I sent by Post Office mail post cards of the fiery pictures of Officer Jason's burned face to all the burn centers in the USA. Asking them to expose the suppression of

the ElectricWindmillCar. No one replied. Thanksgiving Day no thanks for the ElectricWindmillCar invention that keeps the Oil Genocide fueling money to McCain and the rest of the Top Brass in the USA and in Iraq. Thanksgiving Day Kitty Hawk is heading back to port in Japan after being refused to dock at Hong Kong to get even with Bush meeting with the Lama and selling arms to Taiwan. Get even with Bush for burning Officer Jason's face sitting in his cop car, 100's of cops died in the fiery car wreck, 100's of thousands of kids in the back seat with mom and dad burned to death so Bush and McCain could celebrate Thanksgiving Day. In the way they did. Nightly News doesn't stimulate public enthusiasm End To War On Earth or get the ElectricWindmillCar Revolution started. ABC Nightly News on Thanksgiving Day ended the show with husband and wife medics home from Iraq ready to go back to Baghdad, not ready for the ElectricWindmillCar Revolution or to even think that ABC people who interviewed them for this Thanksgiving Day story on ABC knew some other couple just like them but living in the USA will burn to death in a fiery gasoline wreck on Thanksgiving Day. Truth in the ABC Nightly News was not for Thanksgiving Day. Face, Hands, feet burned in gasoline. Bush and McCain tossing gasoline bombs at cop cars and cars in the USA on Thanksgiving Day 2007. McCain in Baghdad on Thanksgiving Day 2007 will not mention this to ABC Nightly News. Out of the sight of ABC cameras McCain and the Generals will toast "let them burn in gasoline, we are addicted to oil money" ps we want all of Iraqi oil money before you can drive an ElectricWindmillCar on a Thanksgiving Day 2008 2009. Thanksgiving Day patients with relapsed or hard-to-treat multiple myeloma, breast cancer will have to wait for Thanksgiving Day 2008, 2009 to get a Bush and a McCain to support a cure. War is a Waste and when ABC Nightly News reports on patients with relapsed or hard-to-treat multiple myeloma, breast cancer will have to wait for Thanksgiving Day 2008 the \$5 Trillion Bush and McCain spent on Iraq will get the publics flesh to sizzle without the top brass pouring gasoline over them and setting them on fire in their car. Kennedy, Bush, McCain tossed gasoline bombs at cars in the USA on Thanksgiving Day 2007. To add insult to injury Kennedy, Bush, McCain used their illegal oil revenues for the war in Iraq instead of those patients with relapsed or hard-to-treat multiple myeloma, and breast cancer. ABC Nightly News on Thanksgiving Day 2007 stimulated public enthusiasm for the War in Iraq we can win, we have a husband and wife medic from Iraq ready to go back to Baghdad ABC Nightly News on Thanksgiving Day 2008 will stimulate public enthusiasm for the ElectricWindmillCar Revolution and the start to spending \$5 Trillion dollars on a cure for breast cancer and myeloma. Etc... If we lose the war in Iraq and win the ElectricWindmillCar Revolution ABC reporters will be arrested for Genocide...

22 Nov 2007 Estes Park Tail Gazette Newspaper pours gasoline on the fire

22 Nov 2007 Observers who live behind the hidden cameras at the Stanley Hotel

22 Nov 2007 Stanley Steamer Hotel is were I listened to Dylan from the porch

22 Nov 2007 Stanley Hotel, I want this for the ElectricWindmillCar Invention Era

22 Nov 2007 Gravity Engine will be invented at the former Stanley Hotel in 2008

22 Nov 2007 Gravity Control will be invented at the former Stanley Hotel in 2008

22 Nov 2007 100 Story World Invention Center building could be built on the Stanley Hotel site. If the ElectricWindmillCar was never suppressed in October of 1980 the 110 Story World Trade Center buildings would be standing today. Estes Park Tail Gazette Newspaper owners could of prevented 9-11. Bush drove by this Newspaper office a week before 9-11 heading to the YMCA to get the leaders of the YMCA to go along with the suppression of the ElectricWindmillCar and Greg Buell. Estes Park Newspaper owners and the leaders of the YMCA at Estes Park had the choice of opposing Bush or going along with suppressing the ElectricWindmillCar. A week after Bush left Estes Park 9-11 happened and everyone in Estes Park knew they made the biggest political mistake possible. Everyone in Estes Park will be arrested for Genocide. There will be no one left to oppose me building a 110 story building on the site of the Stanley Hotel. Gravity Engine and Gravity Control will be invented at the former Stanley Hotel. Historic area laws were made by the same politicians who suppressed the ElectricWindmillCar and stifled the invention of the Gravity Engine and Gravity Control All these historic site laws will be tossed out of court when the Supreme Court is stacked by the ElectricWindmillCar Coup leaders. After the French Revolution there were no Universities for 10 years. This might happen to the Supreme Court, there night never be a Supreme Court in the USA again to punish the Supreme Court Justices for voting to suppress the ElectricWindmillCar. I biked down from the Continental Divide I hiked down from the Continental Divide into Estes Park while the Supreme Court Justices were going along with the suppression of the ElectricWindmillCar. If they would of voted differently I would of biked and hiked to the Stanley Hotel and got to work on a Gravity Engine and Gravity Control. Gravity of what these 9 Supreme Court Justices did will destroy the Supreme Court, all the Federal Courts and all the State Courts. Something else will have to be invented so when Bush in 3008 wants to suppress the latest greatest invention he will not be able to take get the highest court in the Nation to vote. Stanley Steamer with air bags on the outside for when you drive off the mountain road. Grin and Grim. Driving in the mountains you think someone would of invented something for when you drive off the mountain road, as it looks like a good distance to the bottom and you know gravity will be a bitch going down. Estes Park Tail Gazette Newspaper pours gasoline on cars on that are already on fire. Punishment for newspaper owners will be more severe than the Supreme Court Justices. After the French Revolution Universities were closed for 10 years. After the ElectricWindmillCar Revolution newspapers like the New York Times will be converted to the New York Times Medical School... they will publish a Medical School Newspaper. False stories planted by Bush will be replaced by inventions such as Gravity control and the Gravity Engine so a more sane Humanity can travel to Alpha Centauri and meet up with some nice Aliens.

21 Nov 2007 The ElectricWindmillCar on 9-11 did more than just Impeach Bush

21 Nov 2007 Laura Bush and the twin girls could all end up on death row in a cell

21 Nov 2007 The entire First Family knew they got caught suppressing ElectricWindmillCar

21 Nov 2007 French Revolution was trifling compared to the ElectricWindmillCar Revolution

21 Nov 2007 Day after 9-11 Bush could of exposed the ElectricWindmillCar suppression

21 Nov 2007 Laura Bush and the twin girls could of exposed the ElectricWindmillCar

21 Nov 2007 Laura Bush and the twin girls could all end up on death row in a cell with Scott Peterson, as the Leaders of the ElectricWindmillCar Revolution will be out for revenge. I will look up Colorado License plate number 127NZI as they were in their car blocking the cross walk, on the same street as the Cop Shop HQ is, and of course they were black and swearing at me. I was stuck with traffic turn were I was in the cross walk. Typical Observer behavior from black men who are in contact with Gen. Orwell. I have 100's of license plate numbers of vehicle harassment coming straight at me on orders from Gen. Orwell. Revenge from the leaders of the ElectricWindmillCar Revolution will be foremost straightforward aimed at those caught tossing gasoline bombs at cop cars and cars with someone's 2 daughters in the back seat. Laura Bush's 2 daughters burned to death in a fiery car wreck the year Bush became

President. Someone else's twin daughters burned to death in gasoline. Every year Bush has been President someone else's twin daughters burned to death in gasoline. This is what the ElectricWindmillCar Revolution will be about. About Bush and his 2 daughters getting away with murder, with genocide. French Revolution was trifling compared to the ElectricWindmillCar Revolution. Add in the \$5 Trillion Bush wasted on the Iraq War when he could of make gasoline free. In celebration of the ElectricWindmillCar Invention. French Revolution was trifling compared to the ElectricWindmillCar Revolution. My best revenge on Laura Bush will be to get the cure for Breast Cancer in 2008 as Laura Bush and her 2 daughters killed 40k women a year not letting me work on a cure for breast cancer. Laura Bush and the twin girls could all end up on death row in a cell - These 3 women are mass murderers!

20 Nov 2007 Aliens vs. Marine Generals who will go the distance and win... Aliens!

20 Nov 2007 Supreme Court in Pakistan, in the USA are stacked by their President

20 Nov 2007 The secret live of teens on the Internet monitored by their parents

20 Nov 2007 Aliens are Top Secret and light years from Generals in Iraq

20 Nov 2007 ABC Nightly News, go the distance in Iraq, 10, 20, 30, 40, 50 years

20 Nov 2007 ABC Nightly News will not report of traveling 4.3 Light Years

20 Nov 2007 NASA will not force ABC News to do a closing story about going the distance to Alpha Centauri 4.3 Light Years from Earth. Generals who wasted \$5 Trillion dollars on the Iraq war don't even know this is more money than it would take NASA to build 700 Moon Bases, build 700 Shuttle and start traveling 4.3 light years. Now this seems like a lot of money to waste on the Iraq War. Kennedy uses his political power to kill any and every President of a Medical School who would not pass black's who could never pass Medical School. NASA could use their political power of John Glenn and Scott Carpenter to have saved \$5 Trillion dollars from being wasted in the Iraq War but didn't. Kennedy was drunk driving with power. John Glenn and Scott Carpenter are retired. NASA could of sent e-mail to everyone but didn't. NASA could of sent a post card to everyone, but didn't. NASA could of used their political power to kill any and every General who will not travel to Alpha Centaur instead of Baghdad. NASA officials and Iraq Generals have widely different perspectives on the issue of going the distance, spending \$10 Trillion dollars in Iraq or \$10 Trillion dollars on moon bases and Shuttles that will dock together for a light year journey. Generals and others in government are supposed to rely on NASA to determine if 700 Shuttles are a better investment than the Iraq War. Unless the Generals are as drunk as Kennedy was when he went around killing off Presidents of Medical Schools who would not pass blacks. I think the Generals are just as drunk as Kennedy was. This would explain why the Generals could waste \$5 Trillion dollars. Kill anyone who complains, this is what Kennedy did to get his way, which was wrong. No one in their right mind would want to make Black's MD if they could not pass Medical School. Generals in Iraq caught the same thing Kennedy had. Queen of England has a century of history of doing this. Killing anyone and everyone who wants to do the right thing, not what the Queen wants. Queen of England will be beheaded on Cable TV if she lives long enough to drive an ElectricWindmillCar. Kennedy, Generals, Queen of England are drunk with their political power willing and able to kill anyone and everyone who does not want Black's to be Doctors without being able to pass Medical School. The French King and Queen were clones of Kennedy, Generals in Iraq and the Queen of England right before the Revolution.

19 Nov 2007 Psychotic Bush will kill 40k women in 2008 via breast cancer

19 Nov 2007 Staph, Hepatitis, STD, Misdiagnosis by Black MD's 50k more dead

19 Nov 2007 Mexicans will kill a few cops + hundreds others in the USA in 2008

19 Nov 2007 Gringo babies at the day care will get Hepatitis, flu, etc from Mexicans

19 Nov 2007 Cost of suppressing the ElectricWindmillCar by Bush will pay for WW III

19 Nov 2007 Japan will pay \$5 Trillion dollars for gasoline; OPEC will buy arms with it

19 Nov 2007 20,000 light years is one supernova. 4.3 light years is our nearest star Alpha Centauri. Aliens could be close as Alpha Centauri. Madmen on Earth would never know it. In 1980 I would of started working on an invention to listen in on Alien Conversations. Sermon from the Priest for the Orwellian Congregations, Bush is addicted to oil money. Burning in Hell must like be burning in Gasoline on Earth. In 1980 wives for Priest was my idea to a perfect society. Women want you to invent something. Inventions are 99% inspiration and women are the Goddess of Inspiration. Bush's wife watched 500 people burn in gasoline, they had buckets and were collecting gasoline from a sabotaged pipeline and it burst into flames burning 500 peasants. Alternative ending was written in 1980 with the invention of the ElectricWindmillCar. Laura Bush will be on death row with Bush. Both will be in the same cell as Scott Peterson. Alternative ending Bush would never have been President of the USA if the ElectricWindmillCar were not suppressed by Carter and Kennedy in 1980. Laci Peterson would never have married Scott Peterson and she would be alive today. Alternative ending Mexican Oil would be selling for \$1 a barrel and there would be no Mexicans in the USA. Only reason there are Mexicans in the USA in 2007 is because the ElectricWindmillCar was suppressed in 1980. Last week Mexicans spit on me at Leanin Tree Greeting Card Co in Boulder, CO. This could never have happened if the ElectricWindmillCar was never suppressed in 1980 by Carter and Kennedy. Misdiagnosis by Black MD's 50k more dead. Black MD's were manufacture by Kennedy when he was drunk. Kennedy killed a women driving drunk and got off Scot-free. Kennedy then killed his wife. He got off Scot-free again. Kennedy then watched me brainstorm for 6 months on hidden cameras and I finally got the ElectricWindmillCar. Kennedy then got even drunker and talked Carter into suppressing the ElectricWindmillCar. Few years after 1980 Kennedy drunk as hell got the idea to make Black's MD's even if they failed Medical School. Kennedy could blackmail the President of the Medical School if he did not go along Kennedy would have him killed. I's sure there were a few Presidents of some medical school, not Harvard that refused Kennedy and Kennedy killed them. Kenned was drunk as hell no one could tell him it was wrong to manufacture Black MD's who would cause pain and death to their patients. Kennedy was drunk and drunk with Power. This was about the time Kennedy was running for President of the USA, several years after the invention of the ElectricWindmillCar. Mexicans will kill a few cops + hundreds others in the USA in 2008. This was manufactured by Bush via Oil in Mexico. Cop in Denver was killed by a Mexican in cold blood. Bush had no remorse. Bush is amused running the World addicted to oil money and tossing gasoline bombs at cars and cop cars in the USA. Bush is drunk as Kennedy but Bush is drunk on oil money. Queen came to the White House and they toasted... "Let them eat Cake, Let them burn in Gasoline, we are addicted to oil money" This is not the Alternative ending but the reality of the end of 2007. 2008 40k women will die just in the USA of breast cancer. Bush hates me so much he will let these women die before he lets me invent a miracle cure for breast cancer for 2008. Cost of suppressing the ElectricWindmillCar is not getting a cure for breast cancer before 2008, and 1,001 other invention projects. Only way this Orwellian Society could be any sicker is if Bush is successful in starting WW III while still suppressing the

ElectricWindmillCar. Alternative ending will be the Coup leaders will make gasoline free to celebrate the ElectricWindmillCar and I will get several wives to brainstorm and get the cure for breast cancer in 2008.

18 Nov 2007 Capt. Burke dreams of rescuing his girlfriend in her burning house

18 Nov 2007 Capt. Burke owns Windjammer Barefoot cruises

18 Nov 2007 Capt. Burke also owns a Mansion on the coast of Florida

18 Nov 2007 Capt Burke doesn't own any esteem from those burned on 7 Mile Bridge

18 Nov 2007 Capt. Burke was on the Travel Channel today talking about his sailing ships

18 Nov 2007 Capt. Burke didn't mention the gasoline tankers head on crash on 7 Mile Bridge in Florida. Mom, dad, and the 2 kids burning to death in gasoline. http://www.windjammer.com/fleet_legacy.html In 1980 Capt. Burke was starting his Barefoot Cruise Line going, some time between 1980 and 2007 Capt. Burke learned about the suppression of the ElectricWindmillCar. Today Capt. Burke lives his life as though no one burns to death in gasoline needlessly. But the Capt. tells The Travel Channel he still dreams of being a Hero by rescuing his girlfriend from her burning house. I guess not her car burning in gasoline. Someone's girlfriend has burned in a car fire. As long as it wasn't the Capt's girlfriend he will play the roll of Hero on the Travel Channel. St Lucia was owned by the French and the British, they fought 7 battles over St Lucia each one winning the next battle, St Lucia change from French to British rule 7 times before the British finally defeated the French for the last time. I wonder if the Capt. Is fighting the same battle every time he watches the news about a fiery car crash? Still the Capt. went on The Travel Channel today and said he is the Hero who will rescue his girlfriend from her burning house, not her burning car. http://www.windjammer.com/weddings_and_honeymoons.html I dream of getting married to my Observer Girlfriends who watch me on hidden cameras. Evidently Women Observers in this Orwellian Society know about the suppression of the ElectricWindmillCar and my social isolation, wanting a few wives to inspire the cure for breast cancer. No getting a wife. Gen. Orwell has total control of my life from getting spit on by Mexicans at Leanin Tree in Boulder Colorado to no one calling my cell phone number at the top of this page. St Lucia would be a good place for the inventor of the ElectricWindmillCar to get married as the CIA is no not a St. CIA as the real CIA could of done a coup in 1980 and John Lennon would have had 1 Billion ElectricWindmillCars for his 68th Bday Present and Yoke would of gotten me a Japanese wife. So there is no St. CIA just St Lucia. A good place to get married especially if you have been waiting since the invention of the ElectricWindmillCar in 1980. CIA knows why Mexicans at Leanin Tree Boulder CO can spit on me, like they did last week, get me fired from my temp job pulling greeting cards for Christmas. I certainly will sue and ask the ElectricWindmillCar Coup leaders to arrest the owner of Leanin Tree for Genocide after a successful coup. Until a successful coup I will just have to go on to the next temp job Gen Orwell sends me to. I would rather be working on a cure for breast cancer but Bush is so Psychotic he will let 40k women die of breast cancer in 2008 before he will order me placed under house arrest and let work on a cure for breast cancer. So I dream of getting married in St Lucia, then being the Hero getting the cure for breast cancer. Bush will be on death row with Scott Peterson after a successful coup. Maybe Peterson will be so impressed with Bush as his cell mate he will tell us how and why he killed Laci on Christmas Eve!

17 Nov 2007 IBM bonus for perfect attendance, co-workers get sick as hell

17 Nov 2007 I talked to a IBM Boulder employee he knew the observers were listening

17 Nov 2007 He got others at IBM Boulder sick to get his paid day for perfect attendance

17 Nov 2007 IBM Boulder manager will not be libel until I sue or Observers complain

17 Nov 2007 I lost my Dell Notebook for 2007 today, IRS letter no EIC refund \$339

17 Nov 2007 New Temp job no overtime, Leanin Tree Boulder CO wants there badge back Ha

17 Nov 2007 Leanin Tree Boulder Colorado were Mexicans spit at me while Observers watched and didn't complain. IBM Boulder Observers will not complain about someone coming to work with Staph getting co-workers sick so they can get their paid day off for perfect attendance. Boss is like the Boss in my Boss Poem and my Boss MP3 poetry reading. "This isn't something just floating around in the air," Dr. Julie Gerberding, head of the Centers for Disease Control and Prevention, told members of Congress on Wednesday. Speaking about Staph. Bush Whooping Cough is caught by someone sneezing spreading the disease floating around in the air. I think Dr. Julie should have known this especially telling members of Congress. This is why we need computers, to keep Dr Julie honest. How do we keep IBM honest? Orwellian Court yes there is a court behind the hidden cameras. Well our Orwellian Courts can order IBM to pay \$100 million to those who got sick from others coming to work sick if the Observers watching complain, if they don't every complain IBM will get off Scot free. IBM managers are the bullies at work, right or deadly wrong they cannot get fired or sued. Lawsuit I will file against IBM, Leanin Tree and the Observers will state its common knowledge Staph and the flu spreads through the office, yet IBM managers would not change their perfect attendance bonus even though they knew it was getting others sick so this should be criminal as well as civil. Investigators of the National Institute of Allergy and Infectious Diseases (NIAD) who are part of our Orwellian Society should appear unexpectedly at IBM worldwide. Statistics will give them a few hits for a highly virulent strain of the super bug called methicillin-resistant staphylococcus aureus (MRSA) searching every IBM employee at work on Monday. No different than gambling in Vegas. Ha. IBM employees at work with strep throat will go off the NIAD chart... when they catch they red handed working at IBM. This is a sick society. Paris, the European Centre for Disease Prevention and Control (ECDC) doesn't really prevent any sick people from coming to work at IBM Paris. The joke is on Leno who could write an IBM staph joke with the writers on strike, if NBC let him. Leno writing his own jokes with the writers on strike would give force Leno into another realm for inventing jokes. Writers at CSI killed Sara with genius criminal minds, and domestic killings nothing can be invented to prevent. These writers at CSI could have written up Sara and Grissom as the geniuses. This is a sick society. From Paris to New York. The World of Birds by Attenburg is ripe to be rewritten for our new looking for Inventions awareness. PARIS - Paul McCartney says the inspiration to pick Heather Mills was not her name being in close proximity to the ElectricWindmillCar name. Flying from Paris to New York you would have to invent something. Mastectomies I will pick a Heather Mills who had a double mastectomy for one of my wives. Linda McCartney died of breast cancer; you would never remember this from Paul's new songs or rants about life. PARIS - Paul McCartney is a Observers will not complain about someone coming to work with Staph getting co-workers sick so they can get their paid day off for perfect attendance. Ours is a sick society. Last thing Bush did was kill all the Orwellian Lawyers.

16 Nov 2007 New England Journal of Medicine is stifled

16 Nov 2007 MD's Stifle the inventor of the ElectricWindmillCar

16 Nov 2007 Dr. Spyder MD Chief of the Medical Journals is an obstructionist

16 Nov 2007 Dr. Spyder MD is the OPEC leader of how numerous MD's are

16 Nov 2007 OPEC gets more news but Dr. Spyder MD is more ruthless than OPEC

16 Nov 2007 Dr. Spyder MD has cause more deaths than gasoline

16 Nov 2007 ElectricWindmillCar Coup Leaders will make gasoline free to celebrate the ElectricWindmillCar. New England Journal of Medicine will have a new table of contents for Medical Invention Projects. And you will no longer need to log in with to this web page after giving the MD con man your credit card number. Case histories of patients are the most interesting reading in the Medical Journals, what would make them even more interesting would be real patients with names, lifestyles, and a more detailed computer analysis of the lab work, cat scan, lifestyle and comments on what the patient did right and wrong in their lifestyle. Patient GPS, or Patient Profile like cops profile people so very correctly would be nice in the Medical Journals too. TOKYO - The Metropolitan Police Department is planning to keep track of all police officers working in Tokyo by tagging them with mobile phones equipped with GPS. MD's and Nurses could tag their patients the same way. Kids would never get lost again if parents could tag them with cell phone GPS. Wife who thinks their husbands might kill them could be tagged by the local police, and tag her husband at the same time. Give new worth to a restraining order. Current restraining orders are worthless. So it would go from worthless to major. Dr. Spyder MD has cause more deaths than gasoline. More or less of certain types of operations hysterectomies for example the high and low cities and states are well defined and for what profit motive yet the statistics will never change for the better of all the patients no matter what state or city they live in until Dr. Spyder MD is no longer in charge of OPEC. Complicated operations with complications on the computer simulation follow the actual operation. Any 5th grader wanting to see Grandma's operation can by looking it up on the web. Only when Dr. Spyder MD is no longer a MD. Complicated malpractice issues will be settled by the Observers behind the hidden cameras, they can keep their jobs. They will just be watching operations, not us in our living rooms. DA bringing charges against the MD will have all the videos of every office visit and the surgery that could of turned out better. 25 million Americans that will have surgery. By putting the observers into the operating room we will get more benefit out of people watching monitors. Best MD's at specific surgeries can do 25 day, one right after another. Ford built the Model T, now we can build MDs on the assembly line and put MD to work on a assembly line in surgery.. Taking care of 5 billion people is too much to expect from those who wasted \$5 Trillion on the Iraq War. Spending \$5 Trillion you do not have on \$5 Billion people is sort of out of the "1984" Book By Orwell. What the Queen should of spent her Jewels on.

15 Nov 2007 Marines quit the Marines over getting an anthrax vaccination

15 Nov 2007 Crisis's at the Bush White House for 2008

15 Nov 2007 Life-threatening Staph, Hepatitis, STD, etc

15 Nov 2007 Mandatory immunizations with the vaccines we have invented

15 Nov 2007 Ruthless opposition is not the crisis, Bush is Medially Literate

15 Nov 2007 Marines quit the Marines over getting an anthrax vaccination

15 Nov 2007 Marines are not intellectuals; they have never read the cowpox story

15 Nov 2007 Yale Medical School would have given us a different President Bush. Yale should merge Yale with the Yale Medical School. But Congress will prohibit anyone from Yale becoming a President of the USA for 10,000 years so this merger makes no sense in the real world as we will never ever get another President from Yale. Crisis at the Bush White House is the millions of death in 2008 from Staph, Hepatitis, STD, etc Cancer etc the list is longer than Bush could rattle off. I will certainly learn the list well enough to rattle it off to the Leaders of the ElectricWindmillCar Coup. 2008 will not even get us the simplest things like air bags for the outside of Semi trucks and trucks. Roll over accidents are in the Denver news almost every day, Bush is stuck doing nothing for any accident for 2008. This is a shame as add on air bag companies would pop up overnight. Marines are not intellectuals; they have never read the cowpox story Yale Medical School can merge with West Point. Marines quit the Marines over getting an anthrax vaccination. Marine Generals talked over the anthrax vaccination and voted Yes! I would like to get a transcript of this top-secret meeting. Now we cannot have these Marine Generals for the ElectricWindmillCar Coup Leaders, but this is the mentality we need. Marines quit the Marines over getting an anthrax vaccination. We know Marines are not intellectuals but we need to do a coup at the Department of Education. I would say all 30 million Mexicans in the USA are more stupid than Bush when it comes to getting immunizations. But the Mexicans differ from Bush as they give gringos the diseases they could of gotten a vaccination for. You forget all the gringo kids in day care... Mom does not know the Mexicans are disease ridden even in day care so she gets her new baby sick with Hepatitis, or Staph, etc. Bush is not going to tell the new mom about Mexicans at day care... New York Times will never ever write this story up. Can you see these Headlines at the New York Times. No Way!

14 Nov 2007 Microsoft Develops Document Translator for Blind

14 Nov 2007 Microsoft has no intention to get a Miracle cure for 50% of Blind

14 Nov 2007 Microsoft would never give everyone 20/20 vision if only by software

14 Nov 2007 Microsoft caused all the small print on the web; view text size no longer works

14 Nov 2007 Microsoft knows every Senior Center in the USA is mad, they don't care

14 Nov 2007 Microsoft programmers made the small print unchangeable into largest

14 Nov 2007 Microsoft Develops Document Translator for Blind, Microsoft did not develop any medical document translator into phonics and real time links,

click on staph you will not go anywhere. You will never know a gram stain is needed to see staph. Microsoft did not develop any document translator for parts of the eye, yet alone the most common cause of blindness and the more common cure for the blindness we can cure today. Only thing Microsoft developed for today's news was a kinder more gentle Microsoft with this Blind story. Half of all school teachers would kill Bill Gates today if they knew they could get away with the perfect murder. So all Microsoft did with its new development of document translator for the blind was to get real Saints prepared for writing up the invention projects on how to cure 50% of the blind. Eye transplants... Bush protected Bill Gates from schoolteachers whose looks would kill Bill if they ever meet. Now Bush knows why most schoolteachers want Bill Gates dead. Microsoft programmers as a consultant to inventors working on the cure the blind invention project. Microsoft didn't develop this. Saints and Sinners, both the Pope and Bill Gates are extreme sinners. Saints are stifled by Bush, as the President of the USA develops government scams that put false stories on the front page of the New York Times. Bush does not develop any document translator to cure the blind. New York Times keeps you blind of the ElectricWindmillCar. So how many more Presidents do we have to go through to get one who develops Microsoft Programmers for Saints invention projects instead of scams for sinners who are greedy as Bill Gates?

13 Nov 2007 Bill Gates threatens all future social innovation + Miracle Cures for 2008

13 Nov 2007 Server and high-end PC are worthless because of Bill Gate\$

13 Nov 2007 ElectricWindmillCar Coup leaders have no choice but to hang Bill Gate\$

13 Nov 2007 Inventor of the ElectricWindmillCar cannot afford to hire 100 million inventors with software

13 Nov 2007 Intel Core 2 Extreme as we Extremely need several Miracle Cures in 2008

13 Nov 2007 Miracle needed to become a Saint, Mother of all Sinners is the Pope, him and Bill Gates are Predators killing Miracle Workers seeking a breast cancer cure, Hepatitis, Malaria, STD cures. And gravity control. 1,001 Invention Projects has to run on XP, as I would never write it to run on Vista. If you buy a refurbished XP notebook or desktop Bill Gates wants another \$150. Greed at its worst, worst than gasoline as the Coup Leaders will make gasoline free 1st day the ElectricWindmillCar goes public. Inventors Extreme - Inventors will be hot to start working on inventing and I will have 1,001 Things you can Invent ready. Coup leaders must hang Bill Gates ASAP or we will well lose 1,001 inventions. Bill Gates threatens all future social innovation hanging on to extreme greed. Intel Core 2 Extreme and Xeon CPU's will be worthless without 1,001 Invention Projects software for 100 million extreme inventors swept up in the wind of the ElectricWindmillCar Invention. Biggest inventor advancement in history right after the ElectricWindmillCar was suppressed since 1980. IBM could further boost performance of 100 million inventors by letting everyone work on its future patents, not just IBM employees. IBM employees have gotten the most patents per year since the Invention of the ElectricWindmillCar in 1980 but IBM employees have never gotten a Miracle Cure, or even considered going after the cure for breast cancer. CEO of IBM knows society needs several Miracle Cures, knows the suppression of the ElectricWindmillCar since 1980 created a doldrums of Miracle Cures, created sober patents only an IBM'er could love. Thus lowering the desire of 100 million would be inventors. 100 million inventors have been suppressed along with the ElectricWindmillCar since 1980. IBM helped create these social doldrums. That stifled social innovation from 1980 to 2007. In 2008 we must make up for lost Miracle Cures. The Intel Core 2 Extreme QX9650 quad core processor, the world's first 45nm Hi-k desktop processor, delivers more of the adrenaline that hardcore gamers and media enthusiasts demand. Intel threatens all future Miracle Cures, cure for breast cancer in 2008 by taking bribes to not expose the suppression of the ElectricWindmillCar. >>>>> The Quad-Core Intel Xeon processor 5400 series sets a number of world records on key industry-standard benchmarks. A HP Proliant DL380 G5 Server sets a new TPC-C mark with a score of 273,666 tpmC and an SAP-SD record with a score of 2449 SD-Users. A Dell PowerEdge 2950 server running BEA Jrockit JVM delivered a record-breaking SPECjbb2005 result of 303130 BOPS. Dell also sets a new virtualization performance record on VMmark benchmark running VMWare ESX Server with a score of 8.47 at 6 tiles. Using a PRIMERGY RX300 S4 Server, Fujitsu-Siemens set a new SPECintrate2006 record with a score of 138 <<<<<< Intel world records on key industry-standard benchmarks not on getting Miracle Cures for 2008. Staph, Hepatitis, STD, and of course Breast Cancer. Intel world records Enhanced Intel Virtualization Technology not demonstrations of breast cancer, Staph, Hepatitis, and STD etc. Extreme Adrenalin to get Extreme Miracle Cures for 2008 is not part of Intel Innovations. Bill Gates has created millions of addicted gamers playing violent Microsoft games, instead of creating millions of inventors. Why? Because Bill Gates is a Predators killing Miracle Workers seeking a breast cancer cure, Hepatitis, Malaria, STD cures. ElectricWindmillCar Coup leaders have no choice but to hang Bill Gate\$ ASAP

12 Nov 2007 Airbus Wins \$31 Billion Aircraft Order From Emirates

12 Nov 2007 NASA doesn't have \$31 Billion as Bush wasted it on Iraq War

12 Nov 2007 NASA doesn't have \$31 Billion as Bush spent significantly on bribes

12 Nov 2007 Bush has to spend \$31 Billion more for arms + legs under the XMass Tree

12 Nov 2007 United Arab Emirates can spend \$31 Billion dollars a week on extravagances

12 Nov 2007 Coup Leaders after exposing the suppression of the ElectricWindmillCar will seize all the Oil Money in the World, and then make gasoline free. Extravagances of the Texas and Saudi Oil men will be on the nightly news. Extravagances Bush provided the Saudi's and the Arab Emirates, Kuwait while Americans died waiting for organ donations Bush sold to the highest bidder on Ebay Arab Emirates etc. Sick madman Bush and even sicker is the White House MD who doctored all this up. Bush will be the 1st President convicted of Genocide for tossing gasoline bombs at cars and cop cars on Main Street USA. Observers at NASA have been watching the Arab Emirates, Kuwait, Saudi's spend gasoline money on extravagances while Bush wasted \$5 Trillion on the Iraq War. Now NASA filed a complaint with in this Orwellian Society saying they were under funded and CBS nightly news wrote up NASA as a party of Astronauts spending a few grand... NBC nightly news will cut down NASA too on orders from Bush and whoever else is making up the false stories for the front page of the New York Times. Extravagances of the Texas and Saudi Oil men will be on the nightly news only after gasoline in the USA is free and Bush has been indicted for Genocide. Goddess of Inspiration news cannot be found on any nightly news network, Women's roll modeled as Goddess of Inspiration. They are the zestiast bits of matter in the universe. Inspiration accelerators. Several miracle cures are needed in 2008. 40k women will die in 2008 if we fail. Bush has no agenda whatsoever to get the cure for breast cancer or even let me work on it for 2008. Bush is so Psychotic he will let 40k women die of breast cancer before he lets me work on a cure. What is even sicker is the White House MD's go along with is every year. Ultrahigh-energy White House MD's will be gift-wrapping arms and legs for Christmas 2008. Ultrahigh-energy White House people will make sure CBS and NBC Nightly news fails to mention the 40k deaths from breast cancer in 2008. 100% of the Observers know Bush is keeping me from working on a cure for breast cancer. Even under house arrest. Instead Bush has the Temp Agency send me to Blue Mountain Arts Greeting Cards and Leanin Tree Greeting Cards to be spit on by Mexicans who have jobs Americans want. Physicists women as wives who play the roll model of a Goddess of Inspiration, MD women, Engineer women... there are several Miracle Cures needed in 2008 for a real Christmas Tree not one that only gets arms and legs from a Psychotic President

Bush.

11 Nov 2007 Memorial, not just in DC but at the NY Times

11 Nov 2007 Outside the NY Times and inside the lobby of the NYTimes, and CBS, NBC, ABC

11 Nov 2007 A burnt out cop car with a eternal flame at Kennedy's grave, Teddy failed JFK

11 Nov 2007 White House fence will be made up of burnt out cop cars with eternal flames

11 Nov 2007 UN chief Ban Ki-moon flees to Antarctica

11 Nov 2007 Bush flees to Saudi Arabia, to avoid being put on trial for Genocide. Tossing Gasoline bombs at cars and cop cars on the streets of the USA. U.S. Secretary of State Condoleezza Rice declared that Washington does have all its chips on suppressing the ElectricWindmillCar. What happens in Vegas stays in Vegas. This gamble on suppressing the ElectricWindmillCar has won enough money to bribe everyone from Bill Gates, to the Pope. A burnt out cop car Memorial with an eternal flame at Kennedy's grave, Teddy failed JFK. JFK will toss gasoline bombs at his brother in Hells fire. Teddy created the worst genocide in history and it's a 100% American Made Genocide. Traveling around the world all the Worlds Leaders joined this Oil Genocide. Memorial will be the most embarrassing for the Next President at the White House with Burnt out cars and cop cars fencing it. Vegas will have its ElectricWindmillCar Memorials inside every casino there will be burnt out cars with eternal flames. Commemorative plaque will read, tell the story of Vegas gambling on Oil and losing when greed led to kids dying in hot cars with gasoline engines and climate control technology that wasn't on 24/7. Now 100's of millions will leave Vegas to gamble on inventing a spin off invention from the Euphoria of the ElectricWindmillCar. Goddess of inspiration, she will be in demand like no other woman's roll model ever created by the media. I want as many wives willing to play the roll model of Goddess of Inspiration as I can afford. Gambling on getting the cure for cancer, and gravity control. Revising the rank of MD's in this ElectricWindmillCar Euphoria, as the MD's failed society worst than Teddy failed his brother JFK. 100% American Made Genocide. 1,001 Invention Projects on a DVD and on this web page to help you get started inventing. Recovery from the worst Genocide in History will be faster than the speed of light. Spin off inventions from the ElectricWindmillCar will make the front pages more than Bush in Saudi Arabia. Patients should always be able to trust that the diagnosis they receive from a physician is valid and reliable, but the integrity of this information can be undermined by a Psychotic President like Bush. His Mental Health turned Psychotic and his White House MD failed to stop this madman. Misdiagnosis of physicians is a Leno Joke. Illegal Aliens from Mexico became instant brain surgeons and RN's. Spin off from the Texas Oil Men's Genocide lead to the Illegal Aliens from Mexico Genocide, which shot cops to death in cold blood, no need to toss gasoline bombs, as Mexicans are not as sophisticated as Bush and Kennedy. Recovery from 2 of the worst Genocides in History will be faster than the speed of light. University will get an intellectual windfall by converting all the football stadiums to State of the Arts Medical Schools. With no affirmative action med students allowed in. GM and MSNBC will be indicted for Genocide along with most of the fortune 500 companies. A burnt out cop car with a eternal flame at Kennedy's grave, Teddy failed JFK - Bush failed to end the Iraq War with the ElectricWindmillCar under the White House Christmas Tree. Instead we have arms and legs under the White House Christmas Tree packaged nicely by the Presidents Wife - My wives will package the cure for Breast Cancer and cancer in general. ASAP! Then package gravity control as an erotic Euphoria of the ElectricWindmillCar Mass invention Era, 24/7 working on invention projects. In this new Era Medical Students will be allowed again to work 24/7... to make up for the lost inventions lost by the Presidents Doctors and a very Psychotic President Bush!

10 Nov 2007 Paris built 58 Nuclear Power Reactors since ElectricWindmillCar was invented

10 Nov 2007 Japan has 58 Nuclear Power Reactors built over a major Earthquake zone

10 Nov 2007 Paris, Japan pile their nuclear waste up for someone else to clean up

10 Nov 2007 Utah is the landfill in the USA for all the rest of the world spent nuclear fuel

10 Nov 2007 New World Order will order every Nuke Power Plant on Earth shutdown

10 Nov 2007 \$5 Trillion wasted on the Iraq War, \$ Trillions wasted on Nuclear Power Plants all built after the Invention of the ElectricWindmillCar SALT talks now the government admits salt causes 5% of cancers. Yet there was no State of Emergency declared. Kerik could Tarnish Giuliani; both wouldn't be shocked when they are indicted for Genocide. Years before 9-11 both Kerik and Giuliani profited from going along with the suppression of the ElectricWindmillCar. Kerik and Giuliani killed every single fireman and cop on 9-11. ElectricWindmillCar invented in October of 1980. You do the math! Bits of matter in the universe can zing through space for millions of years at essentially the speed of light. Observers hiding in our Orwellian Society can waste \$5 Trillion and another few \$ Trillion and not get slowed down at all by the invention of the ElectricWindmillCar. Kerik and Giuliani killed every single fireman and cop on 9-11. Kerik has been indicted. Giuliani is running for President of the USA. I know Observers in NYC read this web. How could Giuliani be allowed to run for President when he helped suppress the ElectricWindmillCar? Take along a gallon of water in your ElectricWindmillCar and you get free Hydrogen and Oxygen, How could they build 100 Nuclear Power Plants knowing this? Cosmic rays, which are electrically charged particles like protons or atomic nuclei and now ultrahigh-energy cosmic rays which come from black holes are in the news. News about cosmic rays traveling faster than the speed of light has not made the news in the last few years. Faster than the speed of light is possible. Gravity engine that sucks in gravity into its engine that uses the gravity like a jet engine to propel via gravity. Pull via gravity propulsion via gravity. Equals faster than the speed of light. Now wasting \$5 Trillion and another few \$ Trillion has to slow down social inventions. Suppressing the ElectricWindmillCar since 1980 slows down social inventions. GE and MSNBC will be indicted for Genocide. Kerik was the top cop at the NYPD who was a cop killer. Kerik will be indicted for killing cops. Giuliani will be indicted for killing cops. Nancy Grace will have her twins.... And come back to CNN just when all Hell breaks lose in our Orwellian Universe.

9 Nov 2007 McCain speaks of the pain at the Hanoi Hilton, not in a fiery cop car on main street USA

9 Nov 2007 What summer did the most kids die in hot cars?

9 Nov 2007 Senators will be gotten rid of by the ElectricWindmillCar Coup Leaders

9 Nov 2007 Gen Musharraf rid himself of a Supreme Court

9 Nov 2007 Supreme Court in the USA rid themselves of the ElectricWindmillCar Era

9 Nov 2007 Cops with their face on fire via gasoline lost this suit with this Supreme Court

9 Nov 2007 The Black Supreme Court Justice picked this time to denounce Anita Hill - ha

9 Nov 2007 ElectricWindmillCar Coup Leaders will also rid themselves of a Supreme Court who's Black Justice picked this time to denounce Anita Hill, at the same time cops in fiery cop cars on Main Street, USA are in more pain than McCain, he speaks of the pain at the Hanoi Hilton. This was in Vietnam after bombing grandma and her clan of peasants 25 times. McCain's are a rich military family raised by the military academies. I sent the ElectricWindmillCar web page to West Point asking the Generals and Cadets to expose the cops in fiery cop cars on Main Street USA and all the Generals and Cadets at West Point refused to expose the suppression of the ElectricWindmillCar. Cops with their face on fire via gasoline lost this suit with this current Supreme Court and intervention by the USA Military against Oil Genocide on Main Street USA. Suspension of the USA constitution was done during the Korean War, West Point Generals kept the suspension of the constitution going for Vietnam and now for the Texas Oil Men's Genocide on Main Street USA. McCain will hang like Saddam. Kennedy brother of JFK will hang just like Saddam. If the coup leaders are Cops. Generals as the Coup Leaders would let McCain rot in Leavenworth Military Prison. The Black Supreme Court Justice picked this time to denounce Anita Hill in his book. Al Gore wrote the book Assault on Reason. The book does not mention anyone burning or burning to death in gasoline for more oil money. Al Gore's book does not mention anyone in pain from being burned in gasoline. McCain speaks of the pain at the Hanoi Hilton. Hitler did not burn Paris to the ground. Today in Paris cops are burned in gasoline by Texas Oil Men. This is a War Crime... Why don't we ask the Supreme Court? Gen Musharraf rid himself of a Supreme Court. Gasoline fires in Pakistan burn more than 1k a month. Bhutto puts her gasoline money in Swiss Banks. Can you see Bhutto as the next President of Pakistan with her profits from gas station in Swiss Banks. Most Pakistanis believe Musharraf was rescuing himself from an adverse ruling by the Supreme Court. Most Americans believe McCain, Bush, Kennedy will hang. Gasoline Tanker trucks in a head on collision with a family of 4 in a SUV on 7 Mile Bridge. One or two pictures of fiery wrecks have gotten published, 10's of thousands or even 100's of thousands of the same fiery SUV with a family of 4 burring to death is in the CIA files of the Oil Genocide Era all of which will be used to convict McCain, Bush, Kennedy of Genocide on Main Street USA. California has had the most fiery car wrecks since the invention of the ElectricWindmillCar in 1980 and Kennedy's right in the middle of the fiery wrecks in California Politics to suppress the ElectricWindmillCar for 2008. Moral values of a Jet Fighter Pilot are not called into question in a war on the other side of the Earth when he napalm and bombs a clan of peasants. Today the Jet Fighter Pilot McCain is bombing cop cars and gasoline tankers on 7 Mile Bridge, USA. He has been bombing cars and SUV's on the streets of the USA since 1980. The war has gone on longer than Vietnam; even the President of Vietnam took oil money bribes from Bush and Congress in 2007 to not expose the suppression of the ElectricWindmillCar in the USA. The money is also in a Swiss Bank as the President of Vietnam figured it was his money, why share it with a peasant in Vietnam. Moral value of Bill Gates, he got a bribe to let 100's burn in gasoline too. Pain of those burned in gasoline 9 Nov 2007 McCain speaks of the pain at the Hanoi Hilton. Paris is Hot, many kids died in hot cars in Paris, the ElectricWindmillCar will be climate controlled 24/7 just like McCain's homes are. Trial of the Supreme Court Justices will be for the Oil Genocide and kids left in hot cars to die, by a decision of their Supreme Court to go along with the suppression of the ElectricWindmillCar since October of 1980. What summer since 1980 did the most kids die in hot cars? We will find out at the trial. McCain speaks of pain, pain of kids burning in hot cars so McCain can have more oil money is real pain.

8 Nov 2007 Shuttle Discovery landed

8 Nov 2007 No Drunk Drivers Ever Again in Colorado in the World

8 Nov 2007 This discovery has not been ordered by the Top Brass

8 Nov 2007 No Drunk Drivers Ever Again will be President of Russia or the USA!

8 Nov 2007 Land the contract to build 500 New Shuttles

8 Nov 2007 Lockheed Martin is developing the F-35 fighter jet

8 Nov 2007 Discovery of Gravity Control

8 Nov 2007 Katie Couric discovered the Top Brass are addicted to oil money

8 Nov 2007 40 People a day burn to death in house fires casued mostly by alcoholics in Moscow and Russia. This was on the front page of the New York Times. More than 40 people a day must die in gasoline fires then. The New York Times and Katie Couric will tell us just how many burn and burn to death in gasoline someday soon. Discovering a cure for alcoholism in 2008 or 2020 is controlled by the Top Brass. Coors in Colorado fate rest with the Top Brass. Putin would face impeachment over this social issue a President is suppose to solve, but not for \$5 Trillion in illegal oil money Putin is using to get away with burning 40 people a day in house fires and many more than 40 a day in gasoline. So lets just say Putin is letting 100 people a day burn to death. In ordinary times this would be a social issue 100's of millions of people would demand a President solve. Today Bush and Putin are criminals in the ingenious sense of the word. Elite are at CU here in Boulder, Colorado. They act like they are Elite, but they are common criminals in reality. University Intellectuals in charge of the Colorado Daily the campus paper just reported a condo fire and could not write an informative article. They repeated over and over in the article the fire department wants you to have an escape route, nothing about looking out for your neighbor's unsafe ways. 100 people burn to death just in Russia. Those who run the University of Moscow and Saint Petersburg get elite housing and cars yet do not fulfill their elite responsibility to the 100 million of more Russians. Coors in Colorado fate rest with the Top Brass ordering the discovery of a cure for alcoholism, No Drunk Drivers Ever Again in Colorado. This discovery rest with the Top Brass in giving the order to discover it. No one at any University is seriously doing any research at finding a cure for alcoholism. And will not until given the order to. The President puts this on the back burner so Coors can make 10% more profits ever quarter for the last 30 years and the next 30 years. Forever Coal fired electric power plants - there is a long list of statistics per every 100,000 people. You can look this up on the web but not on www.excel.com web page as they pay no liability for the 5 deaths a year they cause burning coal to produce electricity when coal should have been phased out shortly after the ElectricWindmillCar was invented in 1980. 100 Billion tons of coal has been burned here in Boulder, Colorado since the invention of the ElectricWindmillCar in 1980 and the Coal sellers have not been held libel for \$1 for any illness or deaths per 100,000 people affected. Katie Couric discovered she is helping the Top Brass kill 100 people a day. When Katie Couric and the other Nightly News anchor reporters are put on trial, Court TV will be in an awkward position as the Lawyers at Court TV are as Guilty as Katie Couric. Excel Electric Truck almost ran me over on my bike today. They were Observers of Course in this Orwellian Society. Discovery of hydrogen from the gallon of water in your ElectricWindmillCar to make your own electricity in your home will be your windfall profits; Excel will lose their windfall profits. Discover a cure for alcoholism in 2008 or 2020 is controlled by the Top Brass. 2008 Model ElectricWindmillCar. A President is supposed to solve social issues in favor of the 100 million not in favor of a Bill Gates. State of Emergency in Pakistan is trivial. Embarrassing is the Swiss Bank accounts everyone in Pakistan has, they all embezzle the money from 100

million people. Swiss took the embezzled money anyway. Fraud from contracts in Iraq, the money is already in Swiss Banks. Discover a way to get Lockheed Martin to sell 700 new Shuttles that can dock in orbit like a train. Get Lockheed Martin to sell forest fighting cargo planes instead of jet fuel refueling airtankers. Discover - a way to get Katic Couric to expose all these social crimes on live TV - No Drunk Drivers Ever Again will be President of Russia or the USA!

7 Nov 2007 Deadliest year for those burned to death in fiery car wrecks, find out

7 Nov 2007 Pope and Saudi King meeting today, God will toss gasoline bombs at both of them in Hells fire. Did King Abdullah deposit \$ 10 Billion in the Vatican Bank today? Because the Pope agreed not to expose the suppression of the ElectricWindmillCar? Yes! \$\$\$ 853 Troops have been killed in Iraq so far in 2007. Gasoline will be free after the ElectricWindmillCar coup. Troops in Iraq will come home the day after the ElectricWindmillCar is on the front page of the New York Times. Troops will take out a lot of their anger and get a lot of Vengeance when they visit the New York Times. Marines just back from Iraq attack the New York Times for sending them to Iraq when oil would have been free if the coup leaders would have been successful before Bush started the war. Arms and legs under the White House Christmas Tree needlessly. ElectricWindmillCar should have been under the White House Christmas Tree. Integrity of the New York Times is low because of the false stories, integrity of the New York Times after the Marines attack... you do the math. Miracle Inventions need Marines who just killed everyone at the New York Times to work off their anger working on invention projects 24/7 for a year then the Marines can reenlist for another year etc. Marine Generals will have to decide on the punishment for King Abdullah and Pope Benedict for letting 853 troops die in Iraq in 2007 for more oil money. This is a genocide crime by King Abdullah and Pope Benedict. Everyone will have to get some revenge on the Observers who watch us in our living rooms.

6 Nov 2007 Oprah has Degenerate on her TV show she knew she molests white girls

6 Nov 2007 Now it's Black girls at Oprah's School, its sex assault on a girl by a woman

6 Nov 2007 But Oprah will never expose her white talk show acquaintance Ellen Degenerate who molest girls. 1984 writers will not write about this. Nancy Grace has access to the statistics on girls molested by women. Inspired by a racially charged rape trial in the 1930s, "To Kill a Mockingbird" has sold over 30 million copies since it was published in 1960 and is on the reading list in many U.S. schools. Black women in Africa sexually assaulting girls are in the majority not the minority. More girls just in South Africa near Oprah's School have been sexually assaulted by women than all the rapes that have ever happened. You question these statistics because you have not read the Official UN report on sex in Africa. Does Bush know tv show host Ellen Degenerate molest girl, Yes! Did Oprah know Ellen Degenerate molest girls when Oprah had her on the show, Yes! 1984 Writers are on Strike but its more than money that is on strike its what the writers write about. Winfrey said that because of the high rates of rape and sexual abuse in South Africa, she had worked to ensure outsiders would not be able to reach students at the school. Winfrey did not say the Official UN report states that every Black man in Africa has raped his sister and mother. White parents in the USA had better spit on Bush, Kennedy and the others who accuse you of hate crimes if you discriminate against Blacks responsible for these statistics. Bill Gates and his wife visited Africa and did not make up any Excel Graphs showing these statistics even more vivid. So did Bill Gates and his wife commit a crimes by not telling the cops what they observed visiting Africa, Yes! ----- RFID chips have been in use for some time to label products for logistical purposes. Researchers have now equipped these RFID tags with sensors that allow the goods to be continuously monitored during transport. The volume of goods transported worldwide is enormous. Every day, millions of tons of vehicle parts, flat screens, fresh fruit and all kinds of other products are carried around the world by sea, air or road - and the volume is growing. But the journey does not always run smoothly. Car components are sometimes rusty when they arrive at the factory, and refrigerated medicines may be spoiled by the time they reach the wholesaler. In many cases, it is impossible to find the culprit or the error in the transport chain, as the goods pass through too many hands on their way around the globe ----- RFID chips can monitor anyone who comes near the girl. Police should monitor everyone with RFID chips, just check the computer and get your child molester, the girl does not have to know her name as it will show up on the computer next to her RFID chip symbol on the monitor. ===== The volume of goods transported worldwide is enormous ===== If I did not write this End War News Today RFID chips would never have been considered to track the enormous sex crimes by Blacks, women and men in Africa and in the USA. >>>> Back to End War on Earth news... Lockheed Martin successfully conducted two Guided Multiple Launch Rocket System These "GPS2 jamming" tests demonstrated both rocket performance while in a GPS jamming environment at long range, as well as the functionality of the warhead using the Point Detonating fuze within the jamming environment. All tests objectives were achieved. Lockheed Martin is successfully stifling me and everyone who wants to End War On Earth. Putin is going to build several expensive space stations from his \$4 Trillion dollars in oil money and arm them with Nukes and other kinds of Missiles. GPS on every license plate and in every 2008 Model car coming off the assembly line is successful too. Every ElectricWindmillCar coming off the assembly line will by law have to have GPS and OnStar with web cams in the dash and outside too. And of course the mic to go along with the web cam and wifi built in so cops can have the advantage tracking you down. Far as cops tracking down Ellen Degenerate, this is a social issue belonging to Bush, and the next President of the USA. Bill Gates is protected by Bush, Ellen is overlooked by Bush.

5 Nov 2007 Pakistan - state of emergency

5 Nov 2007 USA State Department emergency, white people can invent anything

5 Nov 2007 Condoleezza Rice's miscalculations put Pakistan into a state of emergency

5 Nov 2007 Condoleezza Rice's veiled hatred of American Inventors is her attitude

5 Nov 2007 White people can invent anything and she hates this and its now a crime

5 Nov 2007 Crimes against Humanity by the Bush People are well know by Bush

5 Nov 2007 Pakistan - state of emergency linking 3 concerns Nukes, Oil Money ElectricCar

5 Nov 2007 British Queen lost India and the United States as a colony via miscalculations

5 Nov 2007 Miscalculations by Bush and others putting blacks in affirmative action programs and into Universities and as Black Generals was a hate crime against Humanity as Condoleezza Rice's veiled hatred of American Inventors is her attitude, we know Rice has the same attitude as her girlfriends. Miscalculations by the British are in textbooks. Pentagon Generals were suppose to pass these test at West Point but didn't. Cops can profile each and everyone of us... Inventors are white guys who just want to invent. Rice and her girlfriends have an attitude and will always have it and the police profile fits perfect. I read Animal Farm to find the Windmill for the ElectricWindmillCar and Orwell read the British Royals and profiled them in the Book Animal Farm. Bush put affirmative action blacks as brain surgeons but not as his surgeon, only yours. Bush is not that stupid. Bush knows they cannot invent anything. State Department emergency besides Pakistan, white people can invent and Condoleezza Rice is being exposed as stifling miracle cures for cancer, hepatitis, and staph, STD's. Getting caught stifling several miracle cures like these and even Gravity Control and some Invention Projects Software programs will bankrupt the State Department. UN fate after the ElectricWindmillCar is exposed is oblivion for the UN. Jews will be libel for \$100's of Billions maybe even \$1 Trillion dollars to those who burned, and burned to death in gasoline, and the kids left in hot cars. Intel might be forced by the coup leaders in the USA to close its CPU factory in Israel and give the jobs to Americans hardest hit by Texas Oil Men's genocide. Profiles of Rice and every affirmative action Brain Surgeon will be on this web page with their names and Miscalculations that cause a State Department emergency in Pakistan or the death or disfigurement of a patient from misdiagnosis or spreading staph. Yes we will be able to track down the MD who gave the patient staph and from the profiles we know about it most likely was one of Condoleezza Rice's male friends or girlfriends working as a nurse, who got her RN job by Bush, not by merit. Miscalculations by the British are in textbooks and the text states how many thousands lost their lives from this and that mistake by the British making the decisions. If the Coup leaders are the Police, Profiles on everyone with their names will be in the next generation of Textbooks.

4 Nov 2007 President Gen. Pervez Musharraf, seized power in a 1999 coup

4 Nov 2007 Both Pakistan and India bought nuke inventions not social inventions

4 Nov 2007 Bush No Child Left Behind Act, for example left off Even Simple inventions

4 Nov 2007 Bush Leave Behind Social Inventions, not for the New York Times headlines

4 Nov 2007 Bush has ordered all media not to brainstorm any social inventions

4 Nov 2007 Condoleezza Rice urged restraint of social inventions, even fog brainstorming

4 Nov 2007 A Fog invention has never ever been reported on CBS by Katie Couric

4 Nov 2007 Eighteen semi-trucks were involved in a 100-car pileup by Fresno in Fog

4 Nov 2007 Fiery car wrecks with semi-trucks, we know who burned in gasoline yesterday

4 Nov 2007 President Gen. Pervez Musharraf seized power in a 1999 coup, 19 years after the invention of the ElectricWindmillCar so Musharraf would never have become a General or pulled off a successful coup if the ElectricWindmillCar was on the streets of the USA in 1980 when it was invented. There would not be a Bill Gates or Microsoft today if the ElectricWindmillCar was not suppressed in 1980. You get the general idea of how Carter and Kennedy changed the world for the worst possible world for 5 billion people could live in. Putin spits on a Manhattan Project for antibuse invention. Miracle cures for Hepatitis, Staph, STD were spread to millions by importing Mexicans. CIA calculated the statistics before any of the 12 million Mexicans came into the USA. Bush said no one would be libel for anyone they kill, or give their plagues to. So why hasn't anyone seized power in a 2007 coup? Be active get 30 minutes of vigorous physical exercise, every day. Bush No Child Left Behind Act, for example left off working 24/7 brainstorming even simple inventions like fog. No HS Inventor Left Behind Law will have to wait until Bush is not longer President of the USA. Bill Gates has murdered hundreds of teachers since 1980 who were stifled by Microsoft's Greed, which stifled 50 Billion Inventions we lost by this man becoming a Billionaire. Condoleezza Rice urged restraint of white people inventing anything let alone a windfall of inventions spun off from the ElectricWindmillCar on the front page of the New York Times. Your local electric Company, here in Colorado its Excel. Will go bankrupt in 1 day when the New York Times reports on getting free Hydrogen from the gallon of water in your ElectricWindmillCar to fuel your gas furnace and generate your electricity. 10 of millions of other spin off inventions are ready to burst into flames; Miracle cures for Hepatitis, Staph, and STD were spread to millions by importing Mexicans. Mexicans spit on gringos at work and the supervisor is a Mexican too. They didn't get these jobs by merit, but by Bush. Condoleezza Rice urged restraint of white people inventing anything as this will crash into her dreams, She has a Dream and it does not include 100 million white people working 24/7 on 50 Billion invention projects. Yesterday on End War On Earth News Rice got the last laugh observing the fiery cop car today I get the last laugh because we all know 100 Million white people will get 50 Billion inventions once the ElectricWindmillCar is on the front page of the New York Times. Ha!

3 Nov 2007 Pakistan's Orwellian Observers know about its Presidents Swiss Bank Accounts

3 Nov 2007 Bhutto has \$ Billions in Swiss bank Accounts too

3 Nov 2007 Swiss Bankers harmed 5 billion people to please a few of the richest gangsters

3 Nov 2007 Geneva, Switzerland is the land the most profitable mass murderers Bank On

3 Nov 2007 Orwellian Observers know those who have harmed 5 billion people

3 Nov 2007 IBM and the U.S. Department of Energy's Argonne National Laboratory today announced completion of a contract for a 445-teraflops Blue Gene/P system for the Argonne Leadership Computing Facility. Orwellian Observers know those who have harmed 5 billion people. Observers are IBM, GE, ATT, GM, they sell their products to Pakistan and Saudi Arabian gangsters in an Orwellian Society. 5 billion people have been harmed by those with Swiss Bank Accounts. Queen hosted the King of Saudi Arabia yesterday not those burned in gasoline. Those burned in gasoline in England are shunned by the Queen. Sir Paul McCartney. Sir Madonna. Rice at the State Department "enjoys" white guys burning in gasoline. Revenge is sweet for Rice. Coming era of computation in support of breakthrough science and engineering aimed at solving the nation's most challenging scientific problems, breakthrough science and engineering aimed at solving the nation's most challenging scientific problems. Rice - preservatives the invention of the 100-year preservatives for food. Can goods; frozen foods... next invention will be revolutionary. Laws at IBM double the circuits on a chip every few years. Social inventions are stifled by IBM getting all the breakthrough science and engineering patents, and Colorado politicians selling lottery tickets not invent something... Propaganda. Switzerland is the land the most profitable mass murderers Bank On. Observers know you cannot bank on the President of the USA to do more good than harm to 5 billion people. This sorry state of affairs gave us Rice that spoiled the last 7 years for advanced health care for the masses in favor of selling Organs to Saudi Prince. FBI crime victim statistics will change overnight when you factor in the gap between the health care Saudi Princes get and the average American. Cure for Hepatitis C, Staph, STD, rest with the next generation of Top Brass. Current Top Brass created these plagues by importing Mexicans and Saudi Oil when we didn't need any oil. Now we need several miracle cures. During his trip to Britain, King Abdullah took the opportunity to remind everyone 9-11 could have been prevented by Bush if he would have bankrupted Texas and Saudi oil revenue by exposing the suppression of the ElectricWindmillCar on the day he became President of the USA. King Abdullah took the opportunity to remind everyone 9-11 pilots were all from Saudi Arabia and Bush's Saudi friends didn't tell him of the 9-11 attack in advance. Galileo's telescope reinvented to pick up voices of Aliens... this is about the only way to save and improve the lives of 5 billion people. As the current Top Brass are preserving all and Rice's is savoring her revenge.... As a in good health Coincidence - Misfortune, act of God, no not really, Actions of the Top Brass are 5 billion peoples misfortune, and Rice's last laugh is for the fiery cop car. She Observes!

2 Nov 2007 39 Marines killed in Iraq in Oct 2007

2 Nov 2007 More burned to death in gasoline in the USA and world wide in Oct 2007

2 Nov 2007 Bush and Rumsfeld warned terrorists nations are arming to the teeth

2 Nov 2007 Bush refused to mention Oil Money is the financial windfall to buy arms, nukes

2 Nov 2007 Putin will put Nukes in Orbit in several expensive space stations from selling oil

2 Nov 2007 Teeth - Old women in the nursing home waits a week with a tooth ach

2 Nov 2007 Coup leaders will put free dental clinics in every Safeway and King Soopers

2 Nov 2007 False story for the front page of the New York Times today, terrorist's extremists are gunning for the USA. They are solely financed by selling gasoline to Tokyo and the USA, New York Times reporters who wrote this up know 9-11 would have been prevented if oil was 10 cents a barrel. Texas Oil men are responsible for 9-11. Bush is so addicted to oil money he wants all of Iraq's vast oil reserves. 45 Million Americans are without health care because Bush's greed infected the MD's. MD's will fill the prisons when the ElectricWindmillCar is on the streets. 100% of the MD's in the USA should go to prison when the coup leaders expose the suppression of the ElectricWindmillCar since its invention in Oct of 1980. This is why we need all the University football stadiums converted to New State of the Arts Medical Schools. Fraud in Iraq is petty crime compared to MD's in the USA. Selling organs to Saudi Princes is only the tip of the fraud, crimes by MD's. CIA should know today that Putin is building several expensive space stations to house Nukes and his own missiles to shoot down incoming Nukes. Putin has \$5 Trillion dollars from Russian Oil and no Iraq to spend the money on. Putin is not going to set up dental clinics and created a Manhattan project for an antibuse pill for alcoholics. Paying for oil so they can buy arms is controversial in Japan, where the military is restrained by the post-World War Two pacifist constitution which Bush made null and void with the need for Japan to buy \$ Trillions of dollars worth of oil, when Japan should be enjoying the Windfall of the ElectricWindmillCar. More Generals in Japan will hang for this Oil Genocide than hanged in WW II. Every General at the Pentagon should hang for not preventing 9-11 with the ElectricWindmillCar. Coup Leaders will make gasoline free to celebrate the ElectricWindmillCar. 887 Iraqis civilians were killed in October 2007, compared to 840 in September 2007. 887 Americans were burned or burn to death in gasoline in October 2007 compared to 840 in September 2007. CIA briefed Bush on the numbers of Americans burned and burned to death in gasoline in October 2007. The New York Times and MSNBC will never publish these statistics. Mother of all Genocide Trials will confront Kate Couric; Coup Leaders will not have any Mercy on Katie. Tens of Millions of Americans have burned and burned to death in gasoline since the invention of the ElectricWindmillCar in October 1980. Even God is tossing gasoline bombs into Hells fires.

1 Nov 2007 Horror Video Saudi Sex videos, document war crimes by Texas + Saudi Oil Men

1 Nov 2007 \$1 billion in damages to the Saudi and Texas Oil men's sex slaves

1 Nov 2007 \$1 billion in damages to widows of those burned to death in gasoline

1 Nov 2007 \$1 billion in damages to widows of those killed on 9-11

1 Nov 2007 \$1 billion in damages to those killed in drunk-driving accidents paid by Coors

1 Nov 2007 \$1 billion spent on lottery tickets and Vegas damages 100 million peoples lives

1 Nov 2007 State lotteries bring in \$57 billion dollars in 2007, Bush spends this on Iraq

1 Nov 2007 Bill Gates and all the other Billionaires paid \$1 billion for sex, maybe more

1 Nov 2007 Horror Videos, Laci Peterson was killed on Dec. 24, 2002. Movie could be made of her murder if Scott would only tell us how and why he killed his wife on Christmas Eve. In the last 5 years I would guess 1 million women have been murdered worldwide. Even a Playboy Playmate of the year was murdered. Horror videos of the 14-year-old girls in Iraq. Yes we should get to watch these videos, just like the Jews play the concentration camp videos. Laura Bush and her twin daughters are able to view all these Horror Videos, of the Saudi Sex Slaves, but I doubt if they take advantage of their positions in society to watch this documentaries or to even promote the saving of these Horror Videos against women world wide, to be showed at a later day in History. Horror you cannot see on a documentary will be the Americans who die waiting for an organ Bush sold to a Saudi Prince. Bush watching the Documentaries of 9-11 and me talking about how Bush could of prevented this the day he took office by Exposing the Suppression of the ElectricWindmillCar. Documentary on all the false stories on the front page of the New York Times, I will also help make this documentary. GE documentary will get people mad as Hell at GE for going along with the suppression of the ElectricWindmillCar that GE will be put out of business by Congress. Documentary on all the kids who died in hot cars, yes you have to see the dead babies in this documentary... just like the WW II documentaries of the Jews. Because kids left in hot cars in Israel died too. 25 kids a year died in hot cars in Israel since 1980... 1k total so this is a another genocide by Jews going along with the Suppression of the ElectricWindmillCar, which will be climate controlled 24/7 just like your home. All these Horror Videos will be on my web page after a successful Coup. Bush walking hand in hand with the Saudi Prince at his Texas Ranch, at the same time Bush ordered the arrest of the dead Marines Mom. Horror of it all will be documented. MD's in the Hospitals will finally get caught on hidden camera spreading Staph. Horror Movies by Sony after the ElectricWindmillCar is on the streets of Tokyo will be R rated... you will have to log on to this web page to view the documentaries in all their Horror!

31 Oct 2007 End War on Earth or else Madmen will put nukes in orbit

31 Oct 2007 Lockheed scam as they can intercept an incoming missile but not in orbit

31 Oct 2007 50,000 nukes built by Madmen, new generation of Madmen gain control

31 Oct 2007 Government spent \$43.5 billion on intelligence, CIA in on the Oil Genocide Era

31 Oct 2007 Japan knows another Nuke will go off yet Tokyo is blackmailed by the USA

31 Oct 2007 Tokyo - Iran is using its oil money for Nukes when gasoline should be free

31 Oct 2007 Coup Leaders will give us free gasoline to celebrate the ElectricWindmillCar

31 Oct 2007 Japanese are prisoners of war, they cannot even help End War On Earth because they are held prisoner by the Madman Bush who will start WW III and then force the Japanese into WW III to fight in Iran. Tens of Thousands of false stories will be published on the front pages of the New York Times leading up to WW III and the Japanese will go along with this news. Now how am I suppose to End War On Earth with this web page if the Japanese will be forced into fighting WW III in Iran? Cigna Agrees to Revise Doctor Ranking, how do you rank Doctors who will not publish in the JAMA that Bush is Psychotic, his addiction to oil money is public in this Orwellian Society as Bush and the Queen have toasted their famous toast... "Let them eat cake, let them burn in gasoline, we are addicted to oil money". Everyone in this Orwellian Society knows about his crazy goings-on behind the hidden cameras. More MD's will be arrested for Genocide than Texas Oil men after a successful. Coup. UN advised the world leaders that a successful ElectricWindmillCar revolution would certainly bankrupt the UN. Invention to decay all the U235 inside a Nuke will be the Manhattan Project of the Coup Leaders. We must destroy all the Nukes before they are place in orbit by Madmen who have to much Oil Money to spend on Wars. Lobotomy pill invention project should be given to Nancy Grace, as she gets so hot, reporting on domestic murders. Government spent \$43.5 billion on intelligence; CIA scientists have no plans for a military lobotomy to use against foreign leaders or their armies. Why? Queen of England ordered Di killed because she was going to marry a Moslem. British Petroleum goes along with burning and burning people to death in fiery car wrecks solely for the opportunity to make more oil money while they can. Listening to Anna Bolin before she lost her head, you call into question the social life of the Royals. Pursuits of the idle rich are exactly like Texas and Saudi Oil men today. Supreme Court will let us watch the Saudi Sex Slaves Torture videos since 1980, as there will be a new Supreme Court if there is one at all. What the Texas and Saudi Oil men did to women and boys must be documented for all to view for all of History to come for Humanity. I'm sure some people in Tokyo have already viewed the Saudi Sex Slave videos today. Japanese can not expose the suppression of the ElectricWindmillCar to save themselves from fighting WW III in Iran needless to point out they can not expose the Saudi Sex Slave videos. The King of Saudi Arabia is in London today. I want a copy of the Queen and King of Saudi Arabia toasting the toast Bush made famous at the White House... "Let them eat cake, let them burn in gasoline, we are addicted to oil money".

30 Oct 2007 Zero in on were the fire started

30 Oct 2007 Remote high fire risk areas open your mind to a glowing invention project

30 Oct 2007 Invent a house that will not burn down in a forest fire

30 Oct 2007 Dream house on HGTV has no fire fighting inventions at all

30 Oct 2007 1st General wounded in Baghdad today

30 Oct 2007 No Generals have ever burned in gasoline from a gasoline bomb tossed by Bush

30 Oct 2007 Backwater Security, the massacre - guards got immunity from Rice

30 Oct 2007 Immunity for Texas and Saudi Oil men tossing gasoline bombs in the USA

30 Oct 2007 Invent a house that will not burn down in a forest fire. Fire blanket for your house in the forest would be out of my price range and most peoples. Fire Departments use of fire blankets that shoot over your house and are reused over and over again by the Fire Department would be cost effective. Dream Houses on HGTV omits security cameras, the Internet connection; even smoke alarms that call OnStar from your GM car in the garage... grin. Invulnerability Invention. Observers watching all the monitors at HQ, Face recognition software for terrorists, were are the fire recognition software for your house fire? Priorities of Texas and Saudi Oil men are not the same as Malibu homeowners, in the path of Santa Anna winds. Bush vetoed Airbags on the outside of Semi Trucks and Trucks several years ago. Comcast Cable TV firebox with smoke sensor and web cam can recognize any thief or fire a

homeowner could experience. Spy cam the size of a pinhead, in ever nook and cranny and closet in your home. Comcast would charge too much to offer this to the masses though. I want to log on to Key West News and local TV stations with my Comcast high-speed Internet connection. And of course check out the local New Haven and New York City local news. Just getting the local news from Denver limits my knowledge as to what's going on in different cities around the world. Observers can watch me on hidden cameras in my living room; I would like to watch the goings-on in several cities around the world. Think outside the box... what can I invent for them today. Counterfeit World Series tickets would be a 5-minute invention project. Nice how Boston annihilate Denver. I thought the World Series games were fixed to go on to all 7 games for the money. I missed this catch. I also think Bush has to use the States Lottery money to pay for his war in Iraq. Bush is like one of the Roman Caesars who invents ways to pay for his greed. Pay CBS \$1 a day to watch the local NYC news on your PC. OnStar for homeowners and if you own a GM car you get a discount. Who wouldn't like to see the FedEx guy at your door about to leave a note when the door sound off and opens just leave the package inside the door and place the mouse on your pad and I will sign for the package.... Grin!

29 Oct 2007 All the Widows of those burned in fiery car wrecks will get a e-mail from Yoko tell them how to cope with the loss by a murderer who turned out to be a President of the USA, tossing gasoline bombs at cars and cop cars for more oil money.

29 Oct 2007 My E-Harmony match to a women with a double mastectomy

29 Oct 2007 My Japan match to a woman engineer from NEC supercomputer division

29 Oct 2007 My CIA match to a woman ready to lead the ElectricWindmillCar Coup

29 Oct 2007 My widow will be the burned survivor whose husband was burned to death

29 Oct 2007 My hookup with a MD woman professor, President of the Med School maybe

29 Oct 2007 My NASA women will blast off to Alpha Centauri, nearest star that has been secretly bomb by every President of the USA since Carter. Habitat for Humanity by Carter when he was helping to suppress the windfall profits for assembly workers who would spend it on a new house, true Habitat for Humanity will never be started by someone tossing gasoline bombs at cars in the USA hiding in a Orwellian Society. Nightly News Anchor men and women reporting on all the Habitat for Humanity stories knew Carter was secretly tossing gasoline bombs at cars in the USA at the same time. This is really a sick society, when Nightly News does this kind of news. New York Times is Bush's paper we know that any false story Bush wants about WW III with Iraq will make it to the front page tomorrow but we will all know it's a false story by Bush. So after the Coup the New York Times Medical School will be the consequence as the New York Times will give up all its buildings in Manhattan for its roll in the Oil Genocide Era. NYPD burned in gasoline not making it to the front page of the New York Times will taser, and beat the hell out of the reporters... to say the least; they might even hang the editors from the New York Times Building. Widows of cops burned to death will be matched up on E-Harmony, and with a \$Billion dollars for this is a genocide by our Orwellian Societies Top Brass. My E-Harmony match to a women with a double mastectomy. Big Brother and Girls Next Door reality shows, my reality show will have all my wives working on invention projects. World Series of winning an invention, which wife will I inspire first and what will she invent? How many inventions will all my wives and I get in our first year of marriage? NASA women will blast off to Alpha Centauri; build Shuttle that will be docked together in orbit. First 10 Shuttles docked together like a train will be tested blasting off for the Moon and then landing one the Shuttles on the Moon. Japan match to a woman engineer from NEC supercomputer will be a windfall, as No Child Left Behind laws will include supercomputer literate to graduate HS. CIA match to a woman ready to lead the ElectricWindmillCar Coup, she will still have to conquer the World. End War On Earth, as we need every penny after Bush wasted \$5 Trillion dollars on war. MD woman professor, President of the Med School will be the perfect wife to turn the New York Times Building into a state of the arts Medical School that can publish a daily news paper. The New York Times Medical School News will be the new New York Times. My widow will be the burned survivor whose husband was burned to death. She will be out testifying at all the Oil Genocide Trials in Paris, Vatican, DC, Beijing, Moscow... as widows from the fiery car wreck lost everything in this Genocide and weren't compensated or even invited to the White House as they were persona non grata by Texas and Saudi Oil Men, as these guys and Bush got away with the perfect murders Nancy Grace would say. Widows are the burned survivors whose husbands and kids died in the fiery car wreck when Carter and Bush were tossing gasoline bombs at cars and cop cars in the USA. May all the Widows get a e-mail from Yoko tell them how to cope with the loss by a murderer who turned out to be a President of the USA.

Jews will also be bankrupt after paying \$ billions to the widows and cops burned in gasoline since 1980. End To War On Earth will lift the spirits of 4 billion people who didn't profit from Iraq War or Oil. Bullies torture kids in Elementary School. Brezhnev, Putin, Nixon, Bush torture intellectuals who favor paying Elementary School kids to read the Encyclopedia of Invention Projects. We have enough nuclear missiles to annihilate each nation many times over. Today and around the world the missile makers give us this scenario from Japan -- NAGOYA, Japan - Sunday night. At 6.30 p.m., a minivan tried to turn right and struck an oncoming car in the wrong lane, bursting into flames. Two occupants in the minivan perished in the fire that took 10 fire engines 30 minutes to put out. The missile makers give us this scenario played out in Japan and on the 7 Mile Bridge leading to Key West Resorts. After all this waste of money on war games same missile makers and oilmen refuse to pay Elementary School kids to read the Encyclopedia of Invention Projects. Same Missile Makers and Oil Men refuse to make the University Free and Mandatory. "Anticipation" and all the other songs Carly Simon wrote (and Bob Dylan wrote since 1980) will be rewritten by me and my wives to reflect the fiery car wrecks above that Carly knew about (and Paul McCartney knew about) but left out of her song writing. 27 Oct 2007 Yoko Ono - Born February 18, 1933 - Tokyo with a Billion ElectricWindmillCars

27 Oct 2007 Putin the leader of an oil rich nation, Tokyo dictated to buying a billion barrels of oil

27 Oct 2007 Fire bombing of Tokyo, cars burst into flames, Oil Rich nations, and war with Tokyo

27 Oct 2007 French Revolution in Tokyo, ElectricWindmillCar Revolution started in Tokyo

27 Oct 2007 Tokyo will sue the French President for divorce. In the settlement Tokyo will ask for a Genocide Trial in Paris for the French President, and the residents of Tokyo will rejoice when he is guillotined. French Presidents ex-wife will be the one who guillotines him. Ah A French Revolution for the suppression of the ElectricWindmillCar, this will be the day. Those burned and burned to death in gasoline are the true "Unknown Solders" of the worst Genocide in the history of Earth carried out by Bush, Pentagon + Texas Oil Men. Oil field of 'supermassive' black holes discovered. These supermassive entities are known as high-energy quasars, a form of black hole. Black holes are among the most powerful forces in the Universe. They are believed to be concentrated fields of gravity. The most powerful force in our Universe on Earth today are the Oil Men, and Bill Gates. These powerful men have ruined the Universe for NASA. Besides 1 billion ElectricWindmillCars in 2008 we would have 700 2008 Model Shuttles to go along with the 1 billion ElectricWindmillCars. Bill Gates and Microsoft have dictated a mediocre OS instead of an Invention Projects OS. 1980 Model ElectricWindmillCars would have dictated to Bill Gates an Inventions Projects OS. So Bill Gates is guilty of Genocide. Anyone wanting to invent something is humbled by government protection of Bill Gates, and total support for Microsoft. This was illegal, 1980 Model ElectricWindmillCar was suppressed in favor of Bill Gates OS - worst scenario, we lost 2 decades of NASA building 700 Moon Bases and putting an end to war on Earth and Presidents of the USA from starting wars over oil when the USA government was suppressing the ElectricWindmillCar at the same time they declared war. Tokyo has a moral obligation to declare war on oil rich Putin. Putin will not nuke Tokyo. Losing trillions of dollars in gasoline sales to Tokyo will kill the Russian President. There must be more quasars in the universe, but we didn't know where to find them until now. Massive numbers of Black Holes Quasars were formed when every Galaxy in the Universe reached its 3 Billionth Bday. We didn't know how to write out 3 Billion invention projects until now. Invention Projects OS installed on a 640 gig solid-state hard drive with no moving parts, you can include 500 gigs of inventions projects. PC users will use their 128-gig Samsung flash drive so you have more gigs than anyone could need to get started on 3 Billion Invention Projects spelled out like a Inventions Projects Encyclopedia. Much better than an interactive Invention Projects Encyclopedia though, as this OS can think, match up windmills to the Invention Project you click on. Then you have to think, 2 and 2 = a new part for this invention to get it into production. So Bill Gates is guilty of Genocide. 1980 model and 2008 model ElectricWindmillCars... Win Win98se XP Vista -- - 1980 model and 2008 model ElectricWindmillCars --- would have made a great Bday gift for your wife. New model ElectricWindmillCars every year starting in 1980 --- So Bill Gates is guilty of Genocide!

26 Oct 2007 Winds have died down, helicopters were grounded by Federal regulations

26 Oct 2007 Nation owns them a wind of gratitude

26 Oct 2007 New Sanctions against Iran for suppressing the ElectricWindmillCar

26 Oct 2007 Putin said Bush is running around like a Madman with gasoline bombs \$\$\$

26 Oct 2007 \$90 barrel of oil today when \$3 a gallon gas in the USA should be free Today

26 Oct 2007 Coup D'Etat leaders will celebrate the ElectricWindmillCar with \$ free gasoline

26 Oct 2007 Shuttle Discovery docked with the Space Station, NASA women in command

26 Oct 2007 Winds have picked up both women want a new 2008 Model Shuttle Discovery

26 Oct 2007 NASA said Bush is running around like a Madman with gasoline bombs tossed at anyone wanting to expose his suppression of the ElectricWindmillCar and buy a fleet of 700 2008 Model Shuttles. Bush imposed new sanctions against NASA commanders for this comment. No one is going to expose the suppression of the ElectricWindmillCar as long as Bush is President of the USA. In the intervening time I picked out the 2008 model supercomputer the Coup D'Etat leaders will order 1 million for 1,001 invention projects on my web page and on a cd/dvd. The NEC world's fastest vector supercomputer with a peak processing performance of 839 TFLOPS the SX-9 combines large-scale shared memory of up to 1TB and ultra high-speed interconnects achieving speeds up to 128GB/second. Post Bush government will order 1 million of these supercomputers from NEC, return on this investment will be a cure for Breast cancer and Gravity Control. 40,000 pink flags at Arlington Nation Cemetery with the year 2007 will be doubled with the 40,000 for 2008. So these women commanders at NASA better get in some overtime on the Coup D'Etat spam e-mail sending... Lets start spamming the ElectricWindmillCar Coup D'Etat news to everyone. Lawsuits against the Bush government by people who were infected with the hepatitis C virus by Mexicans could catch up with the President before the ElectricWindmillCar runs him over. In this Orwellian Society some crimes, liability can be made public, when the ElectricWindmillCar must remain suppressed in the news. Cops who caught hepatitis C from Mexicans can get the lawsuits on the winds of awareness. File suit to get these Mexicans off the streets of the USA so no more gringos can be infected tomorrow. Staph and STD's added to the hepatitis C lawsuit would get millions of Mexicans out of American jobs as cooks and grocery stores workers etc. More women who have breast cancer in only one breast are getting both breasts removed, says research that found the trend more than doubled. MD's and Bush stifle what is the best way. What happens in Vegas stays in Vegas. Every state and every hospital treats breast cancer different and you cannot search Google for the one best way to survive. This is done on

purpose by Bush and his MD's. CIA has to take charge and publish the best treatment as a public service for women diagnosed with cancer in one breast... ASAP! "By combining Quantum Cascade Lasers with optical antenna nanotechnology we have created for the first time an extremely compact device that will enable the realization of new ultrahigh spatial resolution microscopes for chemical imaging on a nanometric scale of a wide range of materials and biological specimens," Combined with NEC world's fastest vector supercomputer, a quantum cascade (QC) laser nanoantenna, the device is capable of resolving the chemical composition of samples, such as the interior of a cell, with unprecedented detail. Mobilization for War. Mobilization for a Cure for Breast Cancer is above; all we need is Coup D'Etat leaders who can defeat Bush and his addiction to oil money. 2008 pink breast cancer flags at Arlington Nation Cemetery mean nothing to Bush. Bush tosses gasoline bombs at cop cars and NASA Shuttles. Even Putin said Bush is a Madman running around with gasoline bombs \$\$\$.

All we need is Coup D'Etat leaders who can defeat Bush. Winds have picked up both women want a new 2008 Model Shuttle Discovery. We want 2 wives, right! So lets get mobilized for a breast cancer cure and get several wives!

25 Oct 2007 Forest Fire is still raging out of control in Bush's Brain

25 Oct 2007 Cops and kids will burn in gasoline tomorrow because no one can put out the forest fire in Bush's Brain.

25 Oct 2007 4.2 Trillion light years

25 Oct 2007 \$4.2 Trillion dollars Bush will spend on the war in Iraq

25 Oct 2007 Critics say Bush was slow in calling for Military Forest Fighting C5A Galaxies

25 Oct 2007 There's no Galaxies in Bush's Brain, C5A or Andromedia Galaxy

25 Oct 2007 Mt. Top Homes burnt to the ground because of Lockheed Martin can't sell

25 Oct 2007 Today Lockheed Martin is delivering 100's of gasoline tanker planes to Bush

25 Oct 2007 Lockheed Martin didn't try to sell any forest fighting tankers - Why?

25 Oct 2007 20,000 light years, is G292 an exploded star a supernova

25 Oct 2007 4.2 Trillion dollars for Iraq in the news today. 4.2 Trillion light years, the Universe is 15 Billion light years old so can 4.2 Trillion light years exist in empty space? \$4.2 Trillion dollars Bush will spend on the war in Iraq - how can this exist in an Orwellian Society? 4.3 light years is the nearest star to Earth, Alpha Centauri. It might take 15 billion inventions or even 4 trillion inventions to build a Shuttle Train to Alpha Centauri. But it will not cost \$ \$4.2 Trillion dollars Bush spent on the war in Iraq - Humanity can travel to the nearest star Alpha Centauri for less than Bush spent on the Iraq War. So you can see why Bush has a Brain Burning up in his personal forest fire. Raging Fire in Bush's Brain. \$4.2 Trillion dollars Bush will spend on the war in Iraq - how can this exist in an Orwellian Society? Generals at the pentagon got a windfall profit from \$4.2 Trillion dollars for war, but this is overkill even by Pentagon cost analysis. So why doesn't a Marine General do a Coup on Bush? He can always save face and save some cop from getting his face burnt in gasoline tomorrow by saying Bush is suppressing the ElectricWindmillCar. Pentagon Generals don't even have to mention \$4.2 Trillion dollar. They can blame their coup on cops and kids who will burn in a fiery car wreck tomorrow. Say they can no long sit behind a desk at the Pentagon and know A American will burn in a fiery wreck, just for more oil money, while Bush suppresses the ElectricWindmillCar. Generals at the Pentagon can say Bush and his Sec. Of State Rice toast - Let them eat cake, let them burn in gasoline; we are addicted to oil money! ElectricWindmillCar is an exploding star. Which has been exploding in this Orwellian Society since its invention in Oct of 1980. It's Oct. 2007 Now! Pentagon has profited by more than \$4.2 Trillion dollars since 1980. Millions have burned in gasoline since 1980. Overkill is well known at the Pentagon, I say this is overkill. 4.2 Trillion light years is certainly overkill in comprehending our Universe, even if its only empty space. So comprehend Bush and a forest fire in his brain that his friends and enemies can't put out. Cops and kids will burn in gasoline tomorrow because no one can put out the forest fire in Bush's Brain. Lockheed Martin didn't try to sell any forest fighting tankers - Why?

24 Oct 2007 Bush is addicted to Torture!

24 Oct 2007 Nero set fire to Rome Bush set fire to the USA

24 Oct 2007 Air Force is in Iraq while the USA burns to the ground

24 Oct 2007 To the amusements of Bush, A Madman out of control

24 Oct 2007 Car wrecks bursting into flames for the president's amusements

24 Oct 2007 House after house burnt to the ground for Bush's amusements

24 Oct 2007 7,000 to millions with second and third degree burns on their faces. To the amusement of Bush. Nero set fire to Rome Bush set fire to \$3 a gallon gasoline in your car. Skin graft documentary on TV convinces you Bush's amusement is torture. Bush is addicted to Torture! Torture for NASA is NASA's shuttle Discovery is not a 2008 model because Bush's amusements he spends \$1 Trillion dollars on are Iraq War. And other war related amusements. Torture of 1 billion people by 1 President Bush. White House is on fire and no one with a cell phone has called this in. Bush wants to save his own skin from skin grafts and Saddam's fate. Dr Graff was my women doctor for several years, several years ago when I had health insurance. I have no idea how General Orwell hooked me up with a doctor named Dr. Graff. BI the company that makes the ankle bracelets wants a background check on all temps from Westaff. I told Elaine to call General Orwell and get my background check Ok'ed grin. Elaine didn't get me the job at BI, in Boulder, Colorado. Torture of me is one of the great amusements for Bush and the Observers watching on hidden cameras. Condoleezza Rice said censure of rap music lyrics would come after the ElectricWindmillCar runs over all the young black men. Amusement with these burnt faced lyrics tortures white women with young kids to no end. They have to leave the store when rap is played. No end in sight to Bush burning of cop cars and houses also. Forest fire with 5,000 houses in its windy path would be no match for the Air Force. Samsung in Korea has invented a new flash drive that's 128-gigabyte, that would be able to store 80 DVD movies or 32,000 MP3 music files. Sony I just bought my last flash drive for these End War On Earth files from Sony in Japan a 2-gigabyte

flash drive. 128-gigabyte flash drive from Samsung is larger than the 60 gigabyte Seagate hard drive in this old P3 computer. Win98 turns my icons black and tells me I do not have enough memory to copy any more files when I try to open more than 5 files while I'm writing this end war news in Word 2000. Bush or one or more of the Observers are probably amused at this lack of PC capability. PARIS - Paul McCartney says the inspiration for the title of his latest album, "Memory Almost Full," came from a phrase he saw on his cell phone. You know Seagate stifled Samsung marketing 128 gigabyte flash drives. This is war; old technology hangs on via Bush. Bush agrees to stifle 128 gigs or some other new technology for the PC, this has to be a weekly thing at the White House. Mexicans giving gringos hepatitis C, Staph STD killing white cops etc you know Bush made 100% sure none of this ever got to the front pages of the New York Times. Bush's amusements are gross as rap music lyrics. Paul McCartney's lyrics in "Memory Almost Full," can be grafted on to the side of the 2008 model Shuttle NASA could not purchase through the government because War amused Bush so much he spent all his money in Iraq. Paul McCartney says he will buy one of the 1st 2008 model ElectricWindmillCars that come off the assembly line outside of Tokyo. I will buy NASA a 2008 model Shuttle. Nero set fire to Rome. Bush set fire to the USA - 2008 model Shuttle Discovery will be the first thing rebuilt after Nero- Bush is just another Caesar in American History.

23 Oct 2007 Inferno of money burning in the Winds of War

23 Oct 2007 Inferno driven by ill-advised winds... Not ElectricWindmillCars

23 Oct 2007 Bhutto was sent to Karachi by Bush, into the Inferno of gasoline bombs

23 Oct 2007 Yoko and I, we both can hear Lennon screaming expose the ElectricWindmillCar

23 Oct 2007 Yoko and Bhutto have probably meet in our Orwellian' s high society

23 Oct 2007 Condoleezza Rice is related to Jay Leno as she has jokes about white cops

23 Oct 2007 Valerie Plume's C.I.A. cover was blown by Bush to get even for war criticism. C.I.A. cover-ups are usually in the news about covert ops in banana republics. C.I.A. today covers up the sale of organs to Saudi Princes and sex slaves in Saudi Arabia. C.I.A. records everything Condoleezza Rice says to keep the C.I.A. from getting blamed for something it didn't do. So the C.I.A. has a record of Condoleezza Rice Jay Leno type jokes about "White Cops burring in gasoline" Growing up Condoleezza Rice said F... Cops every time she saw a cop car behind her. Her rap music brothers rap about F... White Cops, I'm sure the C.I.A. has a record of what rap song she has commented about. Yoko and I, we both can hear Lennon screaming expose the ElectricWindmillCar. Rice got the job by promising Bush not to Expose the ElectricWindmillCar. Bhutto and Musharraf we can hear them talking about suicide bombers waiting for Bhutto, she took the risk a few would die. She didn't expect 140 would die and 450 would be wounded. We can hear Valerie talking to her husband about the politics of war, but we can't hear Valerie talking about the ElectricWindmillCar. What would could an old C.I.A. agent say about the suppression of the ElectricWindmillCar when Bush was making up false stories for the Front Pages of the New York Times? I can not write anything... As I have no idea what Valerie or any other C.I.A. agent at HQ or with coffee with their husband would could say about the suppression of the ElectricWindmillCar the days before Bush attacked Iraq instead of bankrupting them with the ElectricWindmillCar. Iraq Oil at 10 cents a barrel. I'm sure the "White People at the C.I.A." never joked about "White Cops" burning in gasoline, as when Valerie was growing up and she saw a cop car behind her she didn't think the same as Condoleezza Rice. I will publish all the Condoleezza Rice Jay Leno jokes about fiery cop car wrecks, cops with faces burned in gasoline, as there should be 100's of these jokes, especially when she and the Observers commented about the 7 Mile Bridge picture on my Electricwindmillcar web page. And Officer Jason's burnt face, I put this picture between Bush and Laura and Kerry and his wife. If I were running the C.I.A. during the suppression of the ElectricWindmillCar Era I would have every conversation recorded and hidden from Bush and the others. To save my C.I.A. ass when the suppression of the ElectricWindmillCar is exposed. Yoko and I, we both can hear Lennon screaming. You know John Lennon would die trying to expose the ElectricWindmillCar. So Yoko was right about Paul McCartney being mediocre to John Lennon You know John Lennon would die trying to expose the ElectricWindmillCar!

You know John Lennon would die trying to expose the ElectricWindmillCar!

22 Oct 2007 Dozens wildfires driven by powerful winds spread across Malibu.

22 Oct 2007 ABC Nightly news showed 1 helicopter dropping fire retardant

22 Oct 2007 Air Force is in Iraq, air strikes are driven by powerful madmen

22 Oct 2007 Mercy is not the Medal of Honor for Generals, for the wife or enemy

22 Oct 2007 Generals in Iraq wife and kids at home burnt in gasoline and forest fires

22 Oct 2007 Good Samaritan Hospitals refused to hire me to prevent falls and bedsores

22 Oct 2007 Hole in your hip, butt so you can look inside and see the bone

22 Oct 2007 Not a war wound but another war even at Good Samaritan Hospitals caused by the inattention to the most simple procedures to prevent bedsores. Bedsores, also known as pressure sores or decubitus ulcers, are a breakdown and ulceration of tissue due to the weight of the body. Simple procedure of turning the woman over to her other side or another position every 30 minutes is mission impossible for Good Samaritan Hospitals. Next comes falling and breaking her hip, I use to say to the nurses the Mds make so much money off broken hip falls they will never ever restrain her to prevent her from falling and the look on all the nurses faces was I was right. Mercy is not the Medal of Honor for Generals, for the wife or enemy. Wife's mom with the broken hip and bed sore was mention to the General, in the back of his mind somewhere. President, Commander in Chiefs priority is the air strike on the terrorist's home while grandma is still there before she breaks her hip. Bush will flee to Saudi Arabia when the New York Times reports the Suppression of the ElectricWindmillCar. Today Bush wife Laura's escapism for the 40k USA women who will die from Breast cancer in 2007 is a trip to Saudi Arabia were women with breast cancer are not examed by a MD until the breast cancer is so far advanced she will die soon. 7 our of 10 women in Saudi Arabia never check for breast cancer until they are going to die. Laura's escapism is the 40,000 USA women who will not be buried at Arlington Nation Cemetery with the 3k Marines killed in Iraq. ABC Nightly news can not even comment on Burying 40,000 women in Arlington, as the Generals would kill them all for even suggesting a Breast Cancer story commenting on Arlington. Medal of Honor winners are buried here not wife's who died from Breast Cancer, these women get no Medal of Mercy in death from Generals. Coup d'état driven by powerful winds of the ElectricWindmillCar invention and its spin offs would of changed the world. Given the world a cure for breast cancer, broken hips and bedsores. Suppression and Aggression by Presidents and Generals means Laura's

escapism is your escapism as ABC cannot mention 40,000 women being buried at Arlington Cemetery in 2007. This would not leave any graves for Medal of Honor winners let alone the 3k Marines killed in Iraq. Breast Cancer Women will take out a full-page ad in the New York Times after the ElectricWindmillCar has been on the front page. This ad will show Arlington Cemetery graves with 40,000 pink flags that represent breast cancer deaths just in 2007. Laura will have to flee to Saudi Arabia for real when this ad appears in the New York Times as Widows and cops burnt in gasoline for more oil money will be coming to arrest her and her husband on charges of genocide, tossing gasoline bombs at cop cars in the USA.

21 Oct 2007 Kennedy and Bush in control of several \$ Trillion dollars in oil money

21 Oct 2007 Kennedy's launch of Discovery on mission

21 Oct 2007 Bush's mission between Bhutto and Musharraf

21 Oct 2007 Kennedy and Bush toasting "let them burn in gasoline we are addicted"

21 Oct 2007 Lennon on his Bday screaming at Yoko about the ElectricWindmillCar

21 Oct 2007 Queen Elizabeth's husband, Prince Philip, is a mass murder, Di especially

21 Oct 2007 Japan legalized organ transplants from brain dead donors in 1997

21 Oct 2007 Kennedy and Bush have wasted \$1 Trillion dollars on war so far, they will waste several Trillion dollars more on war if they are not vetoed by someone who can pull off a successful coup. \$3 gallon of gasoline will be free to celebrate the ElectricWindmillCar by the Coup Leaders. University and Health Care will be free. 700 New Medical Schools will be built, 700 New Shuttles which can be docked together in orbit like a train will be built to blast off to Alpha Centauri. 700 Moon Bases will be built. And the Coup Leaders will still have a Trillion dollars left over. Now isn't this better than spending the same amount of money on war? . Bush and Kennedy have planned a secret mission to start WW III with Iran, then Keep all of Iraqi oil money, earning a profit of a few Trillion dollars more from Iraqi's vast oil reserves. Kennedy and Bush have already toasted to this via their famous toast. Let them eat cake, let them burn in gasoline; we are addicted to oil money. Even the newly Divorced French President has toasted Let them eat cake. He does not expect to lose his head from tossing gasoline bombs at French cop cars. Queen Elizabeth's husband, Prince Philip, is a mass murder, Di especially. The Queen and Prince Philip have been tossing gasoline bombs at British cop cars since 1980 and have not gotten arrested yet. This is a long time to be a serial cop killer, and an Orwellian one and not being arrested or even stopped from tossing gasoline bombs at your servants. France's first lady was clearly not cut out for this role. Role Model of Goddess of Inspiration. France's first lady was clearly not cut out for this role model because she also tossed gasoline bombs at French cop cars. How the hell does these Presidents, (Hillary has been tossing gasoline bombs at cop cars in the USA since the day Clinton took office decades ago.) get their wives to risk losing their heads in a Revolution? Role Model of Goddess of Inspiration, Hillary could never be, she is a mass murderer of cops; she poured gasoline over cop cars and set it on fire. These people are psychotic madmen, and women. French Presidents ex-wife and the wives of all the world leaders. This addiction Kennedy and Bush got them addicted to oil money, is worst than drinking and smoking. I'm sure the ElectricWindmillCar Coup leaders will make Coors pay for drunk drivers and breast cancers caused by drinking Coors, and end smoking in the USA once and for all. Kennedy and Bush in control of several Trillion dollars in oil money. Their plan is to invest it in WW III to gain control on Iraqi oil reserves worth twice as much as they now have. 50 Trillion invention might be needed to reach Alpha Centauri 4.3 light years down range. 1 billion students turned into inventors with a Vista Toshiba notebook that's 64-bit and works on Invention Projects software, will not cost the government \$1 Trillion dollars. So why waste any more time and money with Kennedy and Bush, Impeach them both, arrest them both for Genocide. Then nuke every Bank in Switzerland for laundering oil money for such psychotic madmen.

20 Oct 2007 Day after Bhutto's escape 100's are in the hospital with burns and wounds

20 Oct 2007 No health insurance, no OnStar web cams, on your car, bike, streetlights

20 Oct 2007 Day after the ElectricWindmillCar everyone will get health insurance in USA

20 Oct 2007 100's in burn centers in the USA will be acknowledged as Oil Men's victims

20 Oct 2007 Escape from the grasp of Texas Oil Men will take the ElectricWindmillCar

20 Oct 2007 Day after cops and kids escape from Oil Men's Greed University will be free

20 Oct 2007 \$3 a gallon gas will be free too - to celebrate the ElectricWindmillCar

20 Oct 2007 Bhutto's politics after 8 years in England, USA, Paris. Like Texas Oil Men visiting Boulder, Colorado. Giving bribes to City Hall and CU Presidents. Law School but no medical school until we convert the football stadium to a state of the arts Medical School. Yale Medical School if Bush would have been smart enough to get in to it. The trouble with Yale is kids like Bush are to stupid to get into the Yale Medical School. This ruins the lives of 300 million Americans when they grow up to be President. Escape from the kids at Yale, who will govern worst than Bush. Inventors working conditions under Bush are the same torture Bush laughs about for his terrorists. Teachers merit bonus for inventions memorized by their students. IBM patents on the No Child Left behind test. Out in the real world IBM steals your kid's patents. After we escape the grasp of Texas Oil men we must escape from IBM and Bill Gates madmen. Ask any kids why anyone would install at 32-bit Vista on a 64 bit Intel CPU and the kids will tell you they are ripping you off big time. This is a scam! Bhutto's escape 100's are in the hospital with burns and wounds. Americans escape from Bush and his scam artists. 100's lay wounded in the IBM, Intel and Microsoft parking lots next to their gasoline cars. Wounds that will heal quickly working on 1,001 Invention Projects after the ElectricWindmillCar inspires them to run misdiagnosis software on their medical records and government records. Your wife, wives are the Goddess of inspiration. What they inspired in Texas and Saudi Oil men was genocide. Bush and his Texas Oil men toasted with their wives... Let them eat cake, let them burn in gasoline; we are addicted to oil money. Even the Jews profited from this genocide that burned mostly white cops and kids in fiery car wrecks. God is pouring gasoline on Pope John Paul II in hell right now. Ironic who is seduced. Kennedy with his famous brother JFK is guilty of the worst genocide in history. Kennedy was also to stupid and to much a drunkard to get into Harvard Medical School. Day after Bhutto's escapes 100's are in the hospital with burns and wounds. Day after the ElectricWindmillCar comes off the assembly line outside Tokyo, American people will escape from the grasp of Yale and Harvard kids who would of grown up to be worst than Bush and Kennedy. Drive your new 2008 ElectricWindmillCar hard enough to invent something!

19 Oct 2007 assassination attempt on Benazir Bhutto 110 others killed

19 Oct 2007 Karachi analysis by the CIA, you don't need to be a rocket scientist

19 Oct 2007 Le Divorce, wife mad over him tossing gasoline bombs at French cop cars

19 Oct 2007 Basel, Switzerland-based Roche has had 5 years to work on a memory pill

19 Oct 2007 Swiss Bankers are guilty of laundering oil genocide money since 1980

19 Oct 2007 China has risen since 1980 on the deaths of 110k burned in gasoline

19 Oct 2007 Tibet is the only thing you hear on the news, yes 110k have burned in gasoline, and maybe a million people just in China have burned in gasoline since 1980. This testimony alone at the Oil Genocide Trials in NYC will convict and hang everyone at the New York Times. You don't need to be a rocket scientist to figure this out. 110k to a million others burned to death in gasoline while the New York Times wrote up Tibet. Assassination attempt on Benazir Bhutto 110 others killed and everyone knew this was going to happen. Le Divorce, the wife mad over him tossing gasoline bombs at French cop cars. Putting all his illegal oil money in Swiss Banks, and forgetting women get breast cancer even in Paris. Roche has had 5 years to work on a memory pill since I put this on my resume when I got my job interview in Boulder Colorado. Boulder facility's "expertise, capabilities and technology" in peptides, "We've revolutionized the industry, demonstrating how it's possible to make a complex peptide compound effectively and efficiently using synthetic chemical processes." Fuzeon, Roche's HIV fighter, is a peptide product. HIV Mexicans can be found working for the City of Boulder... Cooking. Fight is to cure HIV; Fight is to inhibit it's spreading to innocent cops and kids. Fight is against City Hall Boulder Colorado and Bush's MD's at the White House who's policies include a Orwellian Fabricated Plague on civilians, Blackwater policies and White House policies are killing civilians in cold blood. You don't need to be a rocket scientist to figure this out. Staph, Hepatitis C, hormone replacement pills for hot flashes caused more civilian deaths than the New York Times will ever admit. This is Genocide by City Hall and the White House. Add in not getting the cure for breast cancer, not getting the memory pill and a harvest of other spin off inventions from the invention of the ElectricWindmillCar. You have a City Hall and a White House with a hang mans noose on ever door. Just waiting for the Revolution. "We've revolutionized the industry, demonstrating how it's possible to make an ElectricWindmillCar, this is not exactly what Basel, Switzerland-based Roche was reporting in the news today. Basel, Switzerland-based Roche had know about the ElectricWindmillCar since I was interview for a job 5 years ago, not getting the job I sent a letter to its HQ in Basel, Switzerland... they never replied. Roche will reply when the ElectricWindmillCar rolls off the assembly line outside of Tokyo. Switzerland and Swiss Bankers will have to pay for letting Tokyo burn gasoline, burn in gasoline, burn in the exhaust of gasoline. A world away from Switzerland, Tokyo will send the Swiss a bill when the verdict is in... The World Court ---- is there such an agency in our Orwellian Society, you would never know it.

18 Oct 2007 Bush will start WW III before he gets Impeached

18 Oct 2007 Bush is going to start WW III in his last year as President

18 Oct 2007 Tokyo held hostage since the ElectricWindmillCar invention in 1980

18 Oct 2007 Bush let Iran sell oil to Tokyo and use the oil profits to build a nuke

18 Oct 2007 WW III is about Iran nukes paid for by selling gasoline to Tokyo

18 Oct 2007 Medicare Fraud in Boulder Colorado is a link to this at the White House

18 Oct 2007 Bush is infected with greed just a little more than Bill Gates infection

18 Oct 2007 Bill Gates would also start WW III if he were President of the USA

18 Oct 2008 WW III will be the Bush Legacy or the ElectricWindmillCar factory outside of Tokyo will be built and cars will be coming off the assembly line on 18 Oct 2008. Bush will start WW III before he gets Impeached for Suppressing the ElectricWindmillCar and tossing gasoline bombs at cop cars in the USA. Deadly staph infections have been know about by Bush's MD for the last 7 years, this deadly infection was suppressed by the White House MD. So Bush will not be the only one arrested if he fails to start WW III. MD's in Boulder Colorado will be arrested for a decade of Medicare Fraud Ok'ed by Bush. Bush will start WW III before he gets impeached. Blackwater Security in Iraq is killing people in cold blood. This mentality that infected 10k security people in Iraq is from Bush tossing gasoline bombs at cop cars in the USA. All the Observers know what is going on with the suppression of the ElectricWindmillCar. Infections are not just staph. Psychotic Bush caused others to become Psychotic killers; even the White House MD is now a Psychotic killer via staph and selling organs to Saudi Princes. Lockheed Martin is selling F-22's to Kuwait. Meanwhile forest fires were in the headlines worldwide without anyone ordering any superjumbo jet A380's as forest fighting planes. This burning people in forest fires must be related to tossing gasoline bombs at cop cars. At a White House news conference, Bush expressed hope Putin would brief him on his talks in Tehran... this is a lie. Bush knows Putin's trip to Tehran was about selling gasoline to Tokyo. Spending the oil money on arms. New York Times is so far into foggy bottoms it will go bankrupt after the reporters are convicted and hanged. I would convert the New York Times buildings in Manhattan into the New York Times Medical School as a memorial to the corrupt MD's at the White House who killed more Americans than any plague in history. --- "We've got a leader in Iran who has announced that he wants to destroy Israel," Bush said. "So I've told people that, if you're interested in avoiding World War III, it seems like you ought to be interested in preventing them from having the knowledge necessary to make a nuclear weapon." --- Oil Money is what Bush forgot to tell the American People at the White House news conference. Oil Money pays for WW III. Israel will destroy itself with the suppression of the ElectricWindmillCar and Israel Generals tossing gasoline bombs at cop cars in Israel, who the hell would think they could toss gasoline bombs at cop cars in Israel and get away with it... this is crazy psychotic thinking from the President of Israel. Bush has infected all the world leaders. You cannot get away with tossing gasoline bombs at cop cars in your own country. The New York Times cannot get away with not reporting this crime. Bush will start WW III before he gets Impeached and he will use the oil money to pay for WW III.

17 Oct 2007 Crisis ---- webmd.com ----- Crisis ----- oilmen.com --- Crisis

17 Oct 2007 Putin in Iran warns USA Texas Oil men they have oil to sell too

17 Oct 2007 Texas and Russian oilmen have no OPEC production agreements

17 Oct 2007 Breach of contract is why Putin faces assassination by CIA oilmen

17 Oct 2007 Putin was not assassinated visiting Iran so sellers of oil are tolerable

17 Oct 2007 Putin and Bush tell Tokyo they will be fire bombed if gasoline is stopped

17 Oct 2007 Tokyo orders the arrest all oilmen in Japan; they are put in a concentration camp. WW III as Bush and Putin mobilize to destroy the ElectricWindmillCar factory being built outside of Tokyo. Bush and Putin tell the public Tokyo is building a nuke plant and the New York Times goes along with the made up story. Going through menopause is hard with the hot flashes about losing oil revenues. Wyeth Drug Company made the hormone replacement drugs that casued breast cancer for decades, MD's knew this caused breast cancer so it's like Bush and Putin, who do you sue? Putins MD and Bush's MD do not share anything with the masses. So we have a double crisis. Intel's core 2 extreme cpu for gamers goes off the graft, beats the hell out of every other Intel cpu, but cost \$1k compared to \$200. I would have programmers write invention software for this extreme CPU if everyone had one in their pc. Intel is like Seagate, IBM, Toshiba notebooks use a 64-bit CPU put Toshiba only installs 32 bit software, illiterate Vista. The customer is no longer taken into account, because if it comes to push and shove Toshiba knows Bush and Putin and all the rest of the Worlds Leaders want to sell their illegal gasoline without any crisis. When Tokyo orders the arrest all oilmen in Japan Toshiba Japan can install 64-bit software not Vista I hope. To run on Intels 64 bit Extreme cpu's. Then I will take advantage of this by having my programmers write in C++ invention project software that can use this new pc power. Crisis, will be over when Tokyo arrest all the oilmen and cuts off the imports of gasoline for Japan. Crisis could end with Bush and Putin with the New York Times made up stories nuking Tokyo's ElectricWindmillCar plant (remember the New York Times reported this was a nuke plant) and freeing the oilmen, and resuming gasoline shipments to Tokyo. End of the Crisis. How?

Ps ---- 17 Oct 2007 ill criminals with staphylococcus superbug assault and kill the Sheriff, guarding them and the cops making the arrest. This is a crisis like the fiery cop cars. You will never read about this on the front page of the New York Times.

16 Oct 2007 Ticking time bomb is the lawsuits

16 Oct 2007 Winners and losers, \$99 million was awarded to 3 women who got breast cancer from a drug. 5k more women are also suing this drug company. Everyone burned in a fiery car wreck waits for their lawsuit to reach the highest courts. Chinese President will be burned by 500 million people-filing suit against him. Lead paint lawsuits will be suppressed by the Bush government. Cops murdered by Texas and Saudi oil men, their widows stand to win the most money ever awarded in a law suit... \$1 billion dollars for each widow. Texas and Saudi oilmen have a few Trillion dollars in Swiss Banks. Pentagon will be sued by all the 9-11 widows for going along with the suppression of the ElectricWindmillCars. Pentagon should be libel for \$1 Billion dollars for each 9-11 widow as this was criminal on the part of all the Pentagon Generals. Ticking time bomb is the lawsuits.. Hell the Vatican will pay out every dollar in the Vatican Bank and still own money to those burned in gasoline. WOW \$ Pope will be the biggest loser on Earth and in Hell. Kennedy lost Caroline Kennedy everything the moment the ElectricWindmillCar invention story is published. As Kennedy watched on hidden cameras the invention of the ElectricWindmillCar then lead the suppression for more oil money. Winners and losers. Widows will name all the Kennedy's in their lawsuits against the suppression of the ElectricWindmillCar. Ticking time bomb is the lawsuits against the oil genocide observers, who watched on hidden cameras. Pentagon Generals will try to destroy all the videos. Making them top secret will not be a winner, ha! Corn not made into ethanol will wait for another inventor, with a winning idea better than ethanol. Xcel Electric linemen die at the rate of 2,500 a year working on electricity. All 2,500 widows will get \$100 million dollars each from Xcel Electric Company. Cops will arrest the top brass at every Electric Company for premeditated murder. Winners and losers will be visible when everyone learns free hydrogen made from the gallon of water in your ElectricWindmillcar will heat your home and generate your electricity. Yoko in Japan with the most nuclear power plants and linemen getting electrocuted on the job. Will Yoko be a winner or loser? Yoko has sued everyone, who will sue Yoko?

15 Oct 2007 MD's are not libel for anything under the Bush government

15 Oct 2007 Tyco Healthcare, Valley Labs, BI with their ankle bracelet monitoring all profit from the current illnesses caused by gasoline fumes infecting the outlook of those who monitor the price of a barrel of oil and its climax with the 2008 ElectricWindmillCar. No end in sight to the war in Iraq or war on Earth because MD's are not libel for anything. Lawyers were the Lions, now they are the prey because Oil Sellers are hooked up with the tyrannical leaders of the USA who let Mexicans kill cops, young white girls in Texas and every other state. Rates vary by state but none escape the psychotic killers. Psychotic killers sell us oil when we don't need any oil. Bush sells organs to Saudi Princes when we need the organs for ourselves. And MD's are to stupid or lose some profits if organ donation was mandatory. You Figure! Lead in toys from China comes in last behind kids getting hepatitis C from Mexican Cooks. Leno would be assassinated if the rate of Lead jokes from China were less than the Mexican cops killers and Hepatitis C given to kids playing with Mexican toys jokes. Bush has ordered the New York Times not to write up Mexicans for murder or spreading diseases! IBM in Boulder now only hires Mexican and Asian women to push tapes into the servers, my friend at IBM told me just yesterday. No one is held libel for torturing the white temps. EEOC in Denver trashed my complaint against Tyco, I only complained because I wanted to invent some life saving medical machines while I'm being suppressed at getting the cure for Breast and Cervical Cancer. To little work, even the Observers are bored watching me. Few see an end in sight to Iraq war, and cancer. Both related as war takes money directly from cancer research. And tyrannical MD's are determined to prevent me from working as a temp at Tyco let alone give me a supercomputer and a few MD wives to get the cure for Breast and Cervical Cancer. My dream girl will finishes her cup of coffee a few blocks from here this morning and head for CU, not for work on a cure for Breast cancer though. Tyrannical MD's are all the MD in Boulder, Colorado. And are the only MD's Bush will socialize with.

14 Oct 2007 Revolt against all the World Leaders by cops in hot pursuit of the stolen car

14 Oct 2007 OnStar by GM with web cams built into the dash and outside lights id'ed the thieves as all the World Leaders, even the Pope at the Vatican. Swiss Banker have all the Oil Money secured and a sweet profit for their innovative Banking. Bush's One Mistake that caused 9-11 was going along with the suppression of the ElectricWindmillCar the day he became President of the USA. Cops are in hot pursuit of Bush and all the Presidents men and women. Charges of Genocide will not be debated in Congress or on the Front Page of the New York Times this time. White House is guilty as hell of Genocide. If I were a cop I would be the Judge, Jury and Executioner. Catching Bush in a hot pursuit the adrenalin is outrage makes the cops see all the fiery cop cars and SUV's on the side of the road burnt out from a fiery gasoline fire. All a product of President Bush. Judge and Jury already convicted Bush of all the murderous gasoline bomb tossing; there is no question of guilt. Question is now how do we catch Bush in this hot pursuit? OnStar by GM is worthless as GM is one of the Presidents Men on the payroll. Cops in hot pursuit in their respective countries are pursuing British, French, and even the Pope. Letter to the New York Times editor will be put in the trash. Roadblock, spike strips in the road, box Bush in, surround him with cop cars, with lights and sirens on. FBI, (CIA) is protecting this Madman Bush. Being Pursued by cops on every side. Sirens and flashing lights behind the FBI mean nothing. What means something to the FBI? Debate over the Genocide... is this suppression of the ElectricWindmillCar a genocide? Congress will debate this and convict themselves of going along with a genocide. This resolution is meaningless. Cost of the War, Cost of the Genocide will cause Bush to get caught by the cops in hot pursuit\$\$\$\$\$\$

13 Oct 2007 Al Gore will be fire bombed in Hell by Alfred Nobel

13 Oct 2007 12 billion green light bulbs sold this year

13 Oct 2007 Were is Yoko selling 1 Billion ElectricWindmillCars on Lennon's BDay

13 Oct 2007 Windfall profits for GE from murdering cops and kids via gasoline bombs

13 Oct 2007 GE third-quarter 2007 net earnings of \$5.5 billion via gasoline bombs

13 Oct 2007 Al Gore will be fire bombed in Hell by Alfred Nobel

13 Oct 2007 GE's carefully orchestrated plan and deadly determination to toss gasoline bombs at the entire world that would use the ElectricWindmillCar. Lawyers will have a windfall profits day, as 9-11 would never have happened if GE didn't go along with the suppressions of the ElectricWindmillCar. NBC Nightly News is not moving to LA but to Leavenworth federal prison. I will save this joke for Jay Leno the 1st day the ElectricWindmillCars are unsuppressed on the Nightly News. Yoko and Japan lost the war to defeat gasoline. When GE joined the Texas and Saudi oilmen it showed all the Observers like Yoko the deadly determination Bush and the oilmen had to keep the ElectricWindmillCar off the streets of the USA. Al Gore and the Nobel Officials sold out to GE and the Oil Men or were bribed. Whatever, this will come out at the Oil Genocide Trials in DC. Carefully orchestrated plan and deadly determination to toss gasoline bombs at cops and kids in every country on Earth. GE's \$5.5 billion profit for 3 months is a lot of money. 50 Billion inventions that would have been spun off from the ElectricWindmillCar... in 1980. So humanity lost quite a few inventions as the side effect of suppressing the ElectricWindmillCar. The entire World would have used the ElectricWindmillCar invention in 1980 to end war on Earth and get the cure for breast cancer long time before 2007. So who do we hang?

12 Oct 2007 Nobel Peace Prize today --- ElectricWindmill Car

12 Oct 2007 Nobel Officials toss gasoline bombs at cops with Bush

12 Oct 2007 Alfred Nobel will help God torture the Nobel Officials in Hell

12 Oct 2007, Who killed the electric car, the Nobel Prize Officials did it.

12 Oct 2007 Who killed air bags on the outside of semi's and trucks for 2008?

12 Oct 2007 Jeep SUV and GM SUV for 2008 were made cheaper and failed crash test

12 Oct 2007 Jeep and GM could of put air bags on the 2008 models on the outside

12 Oct 2007 2008 Model ElectricWindmillcars are like Boeing 787 Dreamliner, postponed for 6 months. Dreamliner announcement by Boeing was an embarrassment. Is Bush at all embarrassed about suppressing the ElectricWindmillCar? Bush Dishonored the Office of the President by suppressing the 2008 Model of the ElectricWindmillCar. Not putting air bags on the outside of the 2008 Model SUV's and Semi trucks scandalized the government in general. Horror stricken will be all the friends of the car crash victims killed by Bush. Pope got one nun killed and he felt bad. Bush just killed a large percent of the 43k accident victims by not putting air bags on the outside of SUV's and Semi's for 2008. Only a Madman would suppress one and all. OnStar was in the news yesterday as it could get back all stolen cars. I would reinvent OnStar with web cams built into the dash and headlights, taillights. Then you would have their picture too. . Britain's Secret Intelligence Service (SIS) and the U.S. Central Intelligence Agency (CIA) dishonor spy agencies chief goal of protecting citizens of their countries by letting Bush and the Queen toss gasoline bombs at cop cars, and cars in general. More Americans burst into flames since 1980 when the ElectricWindmillCar was invented than all the wars in the history of the USA and Britain. CIA will not get the Nobel Piece Prize today. Al Gore should not get the Nobel Piece Prize today. All of those who received the Nobel Piece Prize since 1980 should return it, as the ElectricWindmillCar was the real winner every single year from 1980 to 2007. Stolen car - OnStar at GM helped to steal the ElectricWindmillCar from the public. I will reinvent OnStar with web cams built into the dash, front, rear and sides of the 2009 Model GM cars and trucks. WiFi hotspots will be able to pick up the video for the wife at home or the cops looking for this car. I'm sure the Coup Leaders will consult their lawyer as to how much GM is libel for not putting air bags on the outside of its SUV's and trucks for the Model year 2008. Nobel Prize Officials are libel since 1980 invention of the ElectricWindmillCar. I would hate to have to pay this settlement to the widows.

11 Oct 2007 Laura Bush is on ABC Nightly News for Burma not Breast Cancer

11 Oct 2007 BC Women and Cops burnt in gasoline, might hang Bush and his wife

11 Oct 2007 Mobilization for War. Mobil and Exxon provide the gasoline for the gasoline bombs Bush is tossing at cop cars. And women with breast cancer. Blood Transfusions do more harm than good because Nitric oxide facilitates the transfer of oxygen from red blood cells to tissues but it begins to be lost within three hours of being banked, according to two studies from Duke University Medical Center. National Geographic Breast Cancer DVD has not even been made, why? Al Gore is the only one who made a DVD and he did not expose the suppression of the ElectricWindmillCar or breast cancer statistics. Gore knows 40k women died every year he was Vice President. GE makes 99% of the world scanning electron microscopes yet GE who owns NBC refused to put one Breast Cancer TV show on the air this season. Documentary on NBC no way.. Leno should do more than make a NBC joke about these NBC executives. Last night on Leon's monolog Britney blew up a gas station driving up to it smoking, Dylan's new CD did not mention the ElectricWindmillCar is blowing in the wind. Yet Dylan has visited Boulder Colorado to observe me in person. Who killed the Electric Car DVD. I refused to watch this DVD. Bond Girls DVD is the last DVD I bought on Amazon for \$2 and \$3 shipping. Maryam d'Abo is the Bond Girl who produced the DVD. I would have had her produce a Inventions Projects DVD with the Bond Girls telling her about their favorite inventions, and what they would like to see invented, and their most far out futuristic invention. Girls who were in a Bond movie talking about inventions would be unique. Ms Pike in Die Another Day makes for the perfect motto for women with Breast Cancer. Pussy Galore in Goldfinger promoting women with large breast. Barbara Bach is now living in Monaco with Ringo Star. Dr Susan Love is the Bill Gates of women doctors mapping out a treatment for individual women with breast cancer. Jimmy Carter has never meet her, as Jimmy Carter only sucks up to mediocre people since 1980 when I invented the ElectricwindmillCar when he was President of the USA. Kendra, Bridget, Holly, and Hugh Hefner the girls are on TV showing their breast, flashing everyone visiting London. High Point or should I say Driving force for men and women is women's breast. Playboy Magazine could write a invent a breast cancer cure brainstorming article every month, Playboy certainly profited from women's breast for the last 50 years. Casino Royal is the worst Bond Movie; Jimmy Carter is the worst President of the USA, because both knew about the ElectricWindmillCar, its overnight invention during the Oil Embargo of 1980. Sony CEO in Tokyo --- will he be in the deck of 52 cards like after Baghdad was attacked? Coup Leaders will certainly hang all the Texas Oil men and all the Saudi Oil men they catch in the USA. I will finally get to work on another Overnight Invention this time for Breast Cancer, last Overnight Invention took me 6 months, in 6 months 20,000 women will die from Breast Cancer. Sorry Ladies, but I need some help escaping from this Orwellian Societies stifling me from working on a Overnight cure for Breast Cancer. Then I will need some wives to play the role Model of Goddess of Inspiration. So yes I will marry you ladies. And you will help inspire a cure for your Breast Cancer that will take only 3 month, (working 24/7) not the usual 6. OK girls get your 007 adrenalin flowing and help me escape from Boulder Colorado!

10 Oct 2007 Nobel Prize in Geed has been given to Oil Men and Bill Gates

10 Oct 2007 stalked by your ex-husband and breast cancer. One is a social disease other is a medical disease. General's wives can't help you with either disease, as she is a prisoner of war. You can take your satisfaction in knowing the Nobel Prize Officials and the Pope will hang at the Oil Genocide Trials after the coup. Hell will be burning in gasoline. Hell for Bush and the Pentagon Generals will be standing trial for tossing gasoline bombs at cop cars in the USA. Video that never made it to Katie Couric or the front page of the New York Times will be on this web page. Baghdad wants \$8 million for every women killed by Blackwater mercenaries. Women with breast cancer who die because Bush and his Generals Greed for oil money and war games should get \$10 million. Damage to the United States and Earth by Bush and his Generals infected 5 billion people. Overnight cure for the Oil Embargo was wasted by Carter and Kennedy in 1980. Carter has been sucking up to mediocre people since 1980. None even trying to get an overnight cure for breast cancer or any other plague that effects Earth. "Bill Gates Disease" will be in the "Psychiatric Journals" after the coup. Converting University Football Stadiums to Medical Schools, Cure for the current MD's who suffer from "Bill Gates Disease" is prison. MD's treated those burned in gasoline bombs tossed by Bush and Carter since 1980 without any intention of buying a Whistle to Blow this sickening crime of pouring gasoline on cops and kids and setting them on fire for more oil money. Addicted to oil money. Joke by Bush on Katic Couric. I'm addicted to oil money. Sorry! Carter has been sucking up to mediocre people since 1980. Kennedy has been drunk on better booze than Coors since 1980. 40,000 women have died each year since 1980. While Carter, Reagan, Bush, Clinton, Bush were seduced by Nobel Prize in Greed winners.

9 Oct 2007 Seagate + Bush stifle a Breast Cancer Cure

9 Oct 2007 Seagate stifles hard drives with no moving parts

9 Oct 2007 Bush protects Seagate's turf, Kicks women off the field

9 Oct 2007 Seagate in Colorado knows about the ElectricWindmillCar

9 Oct 2007 Bush kicks women off the field of first choice for health help

9 Oct 2007 Seagate gives me insults for not helping to massacre women in Vietnam

9 Oct 2007 Bush kicks women off the field a first choice for health help. Bush knows the guys at Seagate in Malaysia were Seagate has its HQ. Seagate CEO does not want anything to do with the next generation of hard drives, as Bush has helped Seagate suppress the next generation for 10 years. Now Bush is about to be hanged by cops. Seagate is slowly losing its power to stifle the future technology of hard drives. Climax! Women are fighting for their lives like cops in gasoline cop cars, wanting a fleet of ElectricWindmill Cop Cars. Seagate CEO in Malaysia spits on USA women with breast cancer, not literally but figuratively Same as the King of Saudi Arabia, and Texas Oil Men spit on women figuratively. This is a bit different than all the husband-wife murders, but only by a gigabyte. Gigabytes of information on a hard drive is empty on all Seagate hard drives. Free Agent Pro and Go let you run Word from your home PC but not at the Boulder Public Library as you can not plug in your USB drive and have it work. Boulder Public Library is worst than Seagate CEO in ranking those who stifle the cure for breast cancer but that is for another news update here. . Seagate's Free Agent Pro on a 80 gig or 120 gig hard drive that works like a flash drive that can run your Word and other software is a concept not reality because City Hall stifles the Library computers. Bill Gates would kill all the women in the USA before he let Word be used to its max to get a cure for Breast Cancer. Unless the Breast Cancer Fund raisers paid Bill Gates and Microsoft \$100 million dollars a year, probably more. Knowing Bill Gates greed. So were does this leave the women's fight trying to get a cure for breast cancer overnight. Another Bush genocide. Bush would rather kill me than let me work on a cure for Breast Cancer. I want to see Bush hang for tossing gasoline bombs at cop cars in the USA. Women with a desire to get the cure for breast cancer better get Bush before he gets them killed. Seagate CEO in Malaysia will keep his harem of Moslem women stifled as usual. So it up to American women to take over the Bush government, or die from breast cancer at a rate of 40k a year, next year. 9 Oct 2008 40k dead women in 2008 means nothing to Bush or Seagate, Seagate's counts hard drives sold not women with breast cancer, Bush counts his oil money. Woman with breast cancer have no sex appeal to Seagate or Bush. This is why the husband-wife murder rate is top secret... Bush does not want this on the front page of the New York Times taking away from his personal news for the New York Times. Only real hope for a " Overnight" cure for breast cancer is the ElectricWindmillCar as I invented this overnight during the Oil Embargo. Ladies, Bush is Gay you have no appeal for him to help you!

Street Cops working their way up the ranks have the opportunity to arrest (John Walsh) the Chief and take his job. 60 Minutes CBS has a Black Chief of Interpol, this is no coincidence as 99% of cops burned in gasoline are White Cops. This Black Chief knows this and lets the cops burn in fiery car wrecks for the 60 Minutes Interview. And a large bribe from Texas Oil Men. C-U burst into flames - in your car wreck on 8 Oct 2007. CIA in the USA will suppress this video from next weeks 60 Minutes and from Katic Couric Today. Today show video of fiery car wreck of the day. 365 days a year there is at least one fiery car wreck in the USA and in Russia. KGB in Moscow will suppress this video on Moscow Nightly News. 8 Oct 2007 to celebrate President Vladimir Putin's 55th birthday. Is to celebrate a "Cop Killer".

7 Oct 2007 Making the Right Choice To ensure the U.S. Air Force maintains the aerial refueling capability

7 Oct 2007 2 am call from Northrop Grumman - Hydrogen is Air Forces fuel after the coup

7 Oct 2007 Did Northrop Grumman called me at 2 am about Hydrogen fuel?

7 Oct 2007 Did Northrop Grumman called me at 2 am about Hydrogen fuel? Did Northrop Grumman call me about free gasoline and jet fuel after the ElectricWindmillCar coup leaders take over the USA Government? How long will it take the Air Force to change over from jet fuel to hydrogen to fuel its airplanes? Grumman built the George Bush, nuclear-powered aircraft carrier. Grumman CEO knew about the Suppression of the ElectricWindmillCar when he took the order from Bush. Grumman CEO will hang with Bush; I'm Sure of it! Treason or Genocide? Coup Leaders will probably convict him of both in less than an hour in the Jury Room. Topps Meat Co when under after the last Ecoli recall. Grumman will go under when the New York Times details its crimes against humanity since 1980's invention of the ElectricWindmillCar. Needless to mention Grumman knew Officer Jason and 10,000 other cops burned and burned to death in gasoline and didn't try to prevent the next cops from burning in gasoline. They are guilt of murdering cops and kids in the back seat of all the fiery car wrecks since 1980. No Grumman didn't even try to sell Bush 1k forest fighting tankers, Grumman had a one track mind to build jet fuel tankers. No wonder why they called me at 2 am.

Making the Right Choice To ensure the U.S. Air Force maintains the aerial refueling capability necessary to support America's global multi-service warfighting needs, all possible options should be considered for modernizing its tanker fleet.

An open, fair and competitive contracting process will result in the optimal tanker at the best price - and one that supports the interests of the U.S. Defense Department, the Air Force, Navy, Marine Corps and allied Coalition forces... as well as the U.S. taxpayer.

In recent international competitions, the KC-30 family of tankers was selected by two key U.S. allies. The Royal Australian Air Force has ordered the A330 MRTT as its new-generation multi-role tanker/transport, and the British government has named the Air Tanker Consortium and its A330 Multi Role Tanker Transport (MRTT) as the preferred bidder for its Future Strategic Tanker Aircraft requirement.

These decisions underscore the KC-30's many advantages: it carries more fuel, offers a superior fuel transfer capability, incorporates fly-by-wire technology in the cockpit and the advanced flying boom, and provides multi-point refueling with a mix of flying boom and hose & drogue systems.

The KC-30 will directly benefit the American economy. It will be a U.S. product, creating hundreds of new domestic jobs. More than 50 percent of the aircraft's content - from engines to avionics and systems - will come from American companies, further expanding the U.S. industrial base in modern widebody aircraft.

As a derivative of a modern commercial jetliner early in its operational prime, the KC-30's advantages also include low life-cycle costs, continued manufacturer upgrades and improvements, and a guaranteed supply of spare parts for decades to come.

KC-30 Tanker

Northrop Grumman is the nation's sole industrial designer, builder and refueler of nuclear-powered aircraft carriers and one of only two companies that design and build nuclear-powered submarines. The business is also one of the nation's leading providers and life-cycle supporters of major surface ships for the U.S. Navy, U.S. Coast Guard, international navies and commercial vessels. In addition, our after-market services - maintenance and repair - support a wide array of naval and commercial vessels.

Key vessels include the George H.W. Bush, a large-deck, nuclear-powered Nimitz-class aircraft carrier designed to serve as foundation for Sea Strike operations and Sea Shield operations such as fleet air defense, anti-surface engagements and anti-sub activities; the transformational next-generation Gerald R. Ford-class aircraft carrier, featuring a new nuclear propulsion plant and technologies that revolutionize flight deck operations and greatly reduce manning levels; the multi-capability Virginia-class nuclear attack submarine, designed for open ocean combat and for littoral operations including surveillance, anti-submarine warfare and special operations support; Arleigh Burke DDG 51-class Aegis guided missile destroyer, equipped for conducting anti-air, anti-submarine, anti-surface and strike operations; DDG-1000 Zumwalt-class ships, the U.S. Navy's transformational surface combatant that will debut advanced technologies such as an integrated electric propulsion system and an all-composite low-signature deckhouse that will be incorporated into next-generation cruisers and other ships; a state-of-the-art LPD 17 San Antonio-class amphibious transport dock ship that is able to embark up to 800 Marines along with their rotary-wing aircraft and expeditionary fighting vehicles; and Coast Guard cutters, associated boats and rotary aircraft all linked through advanced C4ISR technologies.

6 Oct 2007 Amazing coup d'état if you can win the Universe

6 Oct 2007 Make the Universe out rank war

6 Oct 2007 Vision to gravity

6 Oct 2007 Gravity Control Invention

6 Oct 2007 Amazing invention you can get if you brainstorm it with your wives

6 Oct 2007 How do you brainstorm gravity control?

6 Oct 2007 Stargate Atlantis hyperspace travel in Prometheus, Carter and Dr Weir get all their power from a zpm. H2O, abundant, free, pure Hydrogen and Oxygen. Oceans of Hydrogen and Oxygen. replace oil in every way. Command to attack gravity control with your wives as the Goddesses of inspiration will be accomplished like a Revolution. Pick a Revolution. French Universities were close for a decade after everyone lost their heads. This Revolution Universities will be made free and mandatory for HS students. Stargate Atlantis and another Star Trek series will be written towards brainstorming for us so we can get gravity control. So your assignment is to search Google, find 10 web pages. that dissects the atom, and all its gluons. Gravity flash cards on my web pages updated every day by my significance wives. Significance of gravity, you will see gravity better than most Physics Majors after the super Max movie is made. Fantastic Voyage into the atom. Top Quarks are atomic parts held together by glue, social glue that holds the Top Quarks together is they are all madmen. Anyone who tosses gasoline bombs at cop cars will be caught, tried and sentenced. So our Amazing coup d'état to win the Universe is just waiting for the cops to catch up with the President and all his men and women. Confirmed reservation for the Fantastic Voyage into the atom is the first stop in a Universe, that makes Aliens give up their wars before they can travel to the nearest stars. Even more Fantastic Voyage is the one into Time, Time is related to Gravity - Suppression of your intellectual pursuits is on purpose. Crazy madmen, most related to Kennedy, others are rank. Rank has its privileges, Those who out rank you today stifle your intellectual pursuits, they already figured out time and gravity. Figured out the masses better not ponder this too much, as it would lead to a Revolution if they did. Time will tell.

5 Oct 2007 My MD didn't tell me, Ear Nose Throat specialists said dry your ears.

5 Oct 2007 Vast majority of kid's earaches is mom didn't dry the kid's ear

5 Oct 2007 Moms MD cunningly didn't tell Mom to dry the kid's ears after a shower

5 Oct 2007 Earaches bring in \$1 million in revenue over a lifetime per MD

5 Oct 2007 Microsoft Excel can calculate immediately how much more you will make this year from ear aches. MD's cut out a little of your skin cancer then check for more cancer cells then cut out more skin cancer then check for more cancer cells then cut out more skin cancer. Excel calculates this brings in \$2 million more in revenue a year. Someone could write a book about "The Cunning MD's use of Excel" to get more revenue. Bristol-Myers Squibb paid \$515 million dollars to MD in a cunning scheme worked out using Excel that netted both Bristol-Myers Squibb and the MD \$1 billion dollars in 3 years. Paris Hilton spent more time in jail than any of these MD's and Bristol-Myers Squibb executives. MD's submission of fraudulent claims is in the billions each year. I'm sure IBM has software that can tell you the exact numbers of fraudulent claims MD's make each year and how much revenue is generated by making them. Treatment based on the best for you would lose every MD in the United States a few hundred thousand dollars in revenue a year. Map Quest driving directions could just as easily be Health Care Treatment regiment when you put in the blood test, and other results. Cops and kids burned in gasoline are probably charged many times as much as they really needed to be. Even more horrible is the extra treatment of the burns casued more pain that was completely unnecessary. Microsoft Excel can calculate immediately how much more you will make this year from people burned in gasoline.. Cops and kids burned in gasoline are charged many times as much as they really needed to be. Cunning MD's aren't they!

4 Oct 2007 FBI is compromised by the Saudi King and President Bush

4 Oct 2007 Saudi King and President Bush compromised the FBI

4 Oct 2007 When agents go to arrest the Saudi King, seize all his Kingdoms money

4 Oct 2007 Second thoughts will be arrest Saudi Princes who knew about 9-11 ahead oftime

4 Oct 2007 Bush protected these Saudi Princes even after he found out their names

4 Oct 2007 FBI is compromised by the Saudi King and President Bush

4 Oct 2007 ----- 1980 ----- some FBI agents were born on the day I invented the ElectricWindmillCar in 1980. If this were a national holiday they would be getting a paid holiday. Turn up the volume so we can hear the FBI agents talking to themselves. We are thinking, even thinking it out loud ----- how could the Heads of the FBI let so many for so long burn in fiery car wrecks for more oil money???????????????????????????????????? Offense is pretty crazy as its felony transgression, failure to perform your duty as a FBI agent. Not any different in the number of deaths of civilians than Blackwater shooting civilians in Iraq. Neither would be happening if the ElectricWindmillCar were an official FBI car. Driven by FBI agents who were born on the day it was invented in 1980. FBI has been compromised! What the Hell are they going to do about this? . Carter was President in 1980. Peanut farmer as President who was the actual President the day the ElectricWindmillCar was invented. Carter has been pretty crazy since 1980. People who he has been sucking up to are mediocre, even Anita Hill would testify to this. Peanut farmer from Georgia performing brain surgery on 5 billion people. Carters failure rate is almost 100% FBI was paid off in peanuts, to go along with the suppression of the ElectricWindmillCar since 1980. All our Presidents since Carter would of came

from the ranks of the FBI, if only they had the balls to arrest the Saudi King and Kennedy in 1980. . Kennedy was the real President in 1980 not Carter. Beyond Reasonable doubt is now Beyond Reasonable belief, how could this possibly happen in the USA. The worst Genocide in history, 99 % of the victims burned and burn to death in gasoline are white cops and kids. So is this a hate crime. Senators last week passed another hate crimes bill, same day the 100 Senators voted on this hate crimes bill some white cop burn to death being rear-ended in his cop car. Roman Senate did the same things. Pope John Paul II was compromised in 1980 as he sent his people from the Vatican to Boulder Colorado to attend church at Saint Thomas Aquinas. These guys were not your run of the mill Priests as they looked more like rocket scientists. You didn't need to be a rocket scientist to tell they were out of place. FBI is out of place in this Era were living in. They are screaming in their thoughts - Stop the World I want to get off at the next stop. Inhospitable job, your patients are being burned and burned to death in gasoline for the sole reason of getting more oil money. You are the MD the FBI agent; you are the Yale Grad now the President of the USA.

3 Oct 2007 It's time for some Gallows Humor

3 Oct 2007 CU Bud Peterson won't have a job after the Coup

3 Oct 2007 Buds inventions for CU number 50 not 50 Billion

3 Oct 2007 Bud would take \$50 Billion from oil men to let cops burn in gasoline

3 Oct 2007 Other CU Professors question how long can this Oil Genocide Era go on

3 Oct 2007 Free University, Free Gasoline, Bud Peterson is an Idiot, The Idiot

3 Oct 2007 Saudi Students at CU are mass murderers of cops and kids in the USA

3 Oct 2007 It's time for some Gallows Humor from The General about how Sputnik could gain control of the Pentagon Budget and much much more since 3 Oct 1957. 4.3 Light Years to Alpha Centauri will require Boulder HS students to be Supercomputer Literate before entering CU. A Free University under the Coup Leaders also means mandatory University. Medical School will not be mandatory but CU students will know more than MD's at Boulder Medical Center do today. With the invention of the Total Recall Pills HS students will know what MD's know today this will be Elementary Kids stuff they bring home from school. Electrifying as CU will be for Gifted Students, as they all will be a genius long as they remember to take their Total Recall Pills. CU Alumni will have their Club House at University and Broadway built over by at 50-story building to inspire incoming freshmen to get 50 Billion inventions. Bud will never recover from his concussion after getting run over by the ElectricWindmillCar. Supreme Court Justices from 1980 to 2007 are in a worst situation. Supreme Court Justice Clarence Thomas says in his Autobiography Anita Hill is mediocre. Run of the Mill inventor will get the coup leaders to abolish the Supreme Court for their complicity in the Suppression of the ElectricWindmillCar. CIA and State Department complicity in the Suppression of the ElectricWindmillCar too, ending will make for a thrilling movie. Saudi Students at CU are mass murderers of cops and kids in the USA. Widows can sue Saudi Arabia for torture as burning to death in a fire car wreck would be considered torture even by the Current Supreme Court. 3 Oct 2007 Bud would take \$50 Billion from oil men to let cops burn in gasoline to build CU as another Yale University to graduate more Bush's who will just suppress Gravity Control and the next generation of inventions after this one. Bush created a bio-warfare program five years ago and transferred all the people from Infectious Diseases cures to bio-warfare... Bud will spend his \$50 billion for the same Wedding that would leave the burnt cops widows without a Burned out Cop Car Memorial at CU. I will put a burnt out cop car at 9th and Pearl in front the Daily Camera Newspaper building. Memorial in front the New York Times will also be a Burnt out Cop Car with an eternal flame. The New York Times took a 50-story skyscraper in Manhattan for their bribe to Suppress the Electric Windmill Car. It's time for some Gallows Humor on the front page of the New York Times. "50 Billion Inventions" will be the Headlines on the front page of the New York Times the day after a successful ElectricWindmillCar coup.

2 Oct 2007 Wal-Mart and its \$4 Rx program

2 Oct 2007 Bill Gates and his Rx is Overkill of Greed \$\$\$

2 Oct 2007 50 Billion inventions instead of \$50 Billion dollars

2 Oct 2007 University students stifled by Bill Gates will get 50 Billion inventions

2 Oct 2007 \$ 4 Rx to treat glaucoma, ADD, Fungal infections, acne

2 Oct 2007 Bill Gates has a hyper-greed disorder that need to be treated

2 Oct 2007 Depression among teens will be cured when Bill Gates is out of business

2 Oct 2007 Coup D'Etat Leaders will put the ElectricWindmillCars on the streets and then put Bill Gates before a firing squad. Coup D'Etat Leaders will expand the \$4 Rx Program will be for 100% of Rx when the ElectricWindmillCar Coup Leaders have pulled off a successful; Coup D'Etat. These Coup Leaders would not leave Bill Gates alive and well selling, \$100 software when they just made all Rx \$4. And a gallon of gasoline will be free to celebrate the end to the suppression of the ElectricWindmillCar 1980 to 2007!!! Push to expand health and education after Bush, Clinton, Bush, failed so miserably as these guys killed their own troops and civilians. Bush, Clinton, Bush, poured gasoline over people and set them on fire. Then toasted with the Queen, Let them eat cake, let them burn in gasoline, we need the oil money\$\$\$ Bill Gates took away HS and University kids software because their parents didn't go to Yale. Repercussion will affect these kids the rest of their lives. This is why Bill Gates will get the firing squad. \$4 Rx for every Rx you will ever have to buy the rest of your life. This will become the norm. Jack-offs in Congress will ask who is going to pay for this. ElectricWindmillcar will pay for this and have money left over to buy us the Universe. Gravity Engine for the 700 Shuttles - we will not pay a cent for fuel. HS and University kids stifled by Bill Gates will get 50 Billion inventions by the time they reach their 50th BDay. Society will get a lot more in return than they got from Microsoft. Depression will be cured when you buy your 1st ElectricWindmillCar and know you will invent a way to travel 4.3 Light Years to Alpha Centauri, 1st Star Humanity travels to, what we will find there will be worth more than Bill Gates every hoped to be worth. After we find the riches at Alpha Centauri everyone on Earth will say we were right to put Bill Gates in front of the firing squad.

1 Oct 2007 NIST's award to let Alice and Bob discuss things in absolute secrecy

1 Oct 2007 Mrs. Rocha will sue NIST to invent a no secret heart-to-heart invention

1 Oct 2007 Only Nancy Grace knows the statistic on husband wife murders in 2007

1 Oct 2007 Unbreakable heart-to-heart encryption NIST needs to make this public.

1 Oct 2007 Slow response because they thought it was just a domestic shooting

1 Oct 2007 Encryption, the secret codes that are top secret in the bedroom. Last night a nurse poisoned her husband on 20/20 to marry a married MD who didn't want to marry the nurse he just wanted her for extra sex. The nurse now wants to murder the MD after this testimony, but she won't be out of prison until she is 100 years old. She was convicted because the DA found a Google search from her about poison. Ha. Nothing is Encrypted on Google. Laci Petersons Mom will sue NIST for not inventing UnEncrypting for Scott and Laci's fights leading up to the Christmas Eve murder. If Nancy Grace picks up on this "encryption" work by the government scientists she will sue NIST too. www.lacipeterson.com. Is Rocha's web in memory of this husband-wife murder. Mirror in 1984 observers behind the hidden camera in the mirror in "1984" was the cause of Alice and Bob fighting. Knowing the "Observers" who watch me and us on hidden cameras as I sit here in my living room, I would bet they cause more fights between Alice and Bob that they help Alice and Bob out. If someday we can get the video of the Observers watching us, then Nancy Grace might sue the "Observers". Encryption, the secret codes that are top secret in the bedroom. Have to be made public between all couples ASAP. Before another murdered wife is found murdered, ASAP is not soon enough, as a wife will be murdered today 1 Oct 2007 somewhere in the USA. Katic Couric has never given out the statistics on this crime. The New York Times is too busy making up stories for Bush and his army of Warmongers to report any local news Worldwide. I did get one poem written from a New York Times local story about Garcia killing his wife in Manhattan because she said one word that cause him to kill her. You can search my web site on Google for Garcia. Kentucky has the highest rate of smokers with 28.6 percent - I would imagine New York or CA has the highest rate of husband-wife murders, but I'm sure after the Observers read this we will find a news story on Google that answers our question. The lowest rate is in Utah smokers and husband wife murders even with polygamists. I will be the Mother of all Polygamists when the "Women Observers" hook me up with a few wives. Encryption, the secret codes that are top secret in the bedroom. UnEncrypting these codes would be like writing the book "Interpretation of Dreams" and related to some of the Body Reading books. When we do find out the crime statistics and the demographic I would bet Polygamy would be a life saving benefit to women. I hope so as I want to be the Mother of all Polygamists in this Orwellian Society.

30 Sept 2007 Recall of Topps Meat Co Beef for E. Coli Spinach and lettuce too

30 Sept 2007 The 2007 Recall of Vista is the biggest win for the Department of Education in History. Payback time for Bill Gates and Microsoft. No more press releases by the Department of Justice protecting the Ruthless Monopoly Microsoft. With the recall of Vista more people will be getting more work done on their PC than working on software fixes. Next press release from the Dept of Justice will be the Virus Companies created most of the Viruses to make money. Software Companies recall their winnings in the Oil Genocide Era, 1980 to 2007. Software Companies like gas stations on each corner of the intersection when there should have been no gas stations left open or in business. This was not a coincidence but part of the recall of a sane society, when even the Church and Pope let 10's of thousands burn and burn to death in gasoline for more oil money. Software Companies took advantage of DC. And built a Stifling Empire and Lifestyle. MD's could of shared their medical software but didn't. Recall the hippocampus and amygdala are involved in memory. Memory and learning. Memory is the ability to have an image in the mind of past experiences. Learning is the acquisition of new knowledge or experience, which may modify future behaviors. Behavior modification Doing The Right Thing At The Right Time And Place: Stimulus Discrimination And Stimulus Generalization. Stimulus of the ElectricWindmillCar start of the ElectricWindmillCar era will be a new Vista to replace the corrupt version. This Vista will be free and include everything you need to get started working on 1,001 Invention Projects. Windfall profits for University Students, as everyone will get a Free Gaming Notebook - Name of the Game is Inventing. 1,001 Things You Can Invent Before You Graduate.

29 Sept 2007 Jenna Bush talks about Officer's Jason's burnt face

29 Sept 2007 Jenna Bush talks about her father's addiction to oil money

29 Sept 2007 Jenna Bush talks about her Wedding

29 Sept 2007 Bush is arrested by cops

29 Sept 2007 Cops patrolling Yale University will stop a freshman Yale and tell him

29 Sept 2007 Bush had no Sympathy for cops and kids burned in gasoline's fiery car wrecks

29 Sept 2007 No Sympathy, Insensitive, Callous as Caesar. 2 Pope's took oil money and let 10's of thousands burn and burn to death in gasoline. No Sympathy, Insensitive, Callous as a Yale freshman confronted by a cop. Yale will not give us another President for 100 years, hopefully longer. But eventually in a few hundred years we might get another Yale President. Cops will outrank Yale freshmen for the next few hundred years. Lectures at Yale will dissect Bush's psychotic (brain) mentality of No Sympathy, Insensitive, and Callous behavior - Bush toasted with the Queen. "Let them eat cake, Let them burn in gasoline, We need the oil money." Bush and the Queen toasted drinks with this slogan many times. These lectures at Yale will have Jenna Bush crying about her father's addiction to oil money. Lectures more serious will analyze why Kennedy decided to sell out to Texas Oil Men, in 1980 at the height of the oil embargo. ElectricWindmillCar is the invention that ended the long lines at gas stations in 1980. Let Saudi Princes buy organs from the USA, and knowing everyone would use their oil revenues to arm to the teeth. Same time 1 Billion people could use new teeth, or a set of dentures. Everyone armed to the teeth with illegal oil revenues from 1980 - 2007. Incomprehension, I think McCain wanted a win in Iraq to get even with Vietnam. He put out a overkill of disinformation helped by his sympathizers at the CIA and Pentagon.. Which lead Bush to make up news for the New York Times. McCain could have prevented 9-11 but would not have wanted to if he could have seen it coming in 1980 when he learned about the ElectricWindmillCar invention. Weeks after the invention of the ElectricWindmillCar in 1980 McCain and the other warmongers were well on their way to giving the Pentagon \$100 Billion more each year until 2007. Now the cops might arrest Bush, Kennedy, and McCain and put them on trial for Genocide. McCain knows the ElectricWindmillCar with its free Hydrogen and super airbags on the outside will run over him and Wars started by madmen mad about Vietnam or just wanting to bet on a dogfight. Debate without the ElectricWindmillCar and End War on Earth dialog is still living in "1984" Mecca and McCain casued a crime wave every Cop on Earth wanted to put down. Bush will be the one caught without a get out of jail free pass. Still Yale created this madman who could of prevented 9-11 by putting the ElectricWindmillCar on the streets the day he took Office as President of the USA. Bush Failed the Mother of all Test. And far as the intellectual community goes Bush's psychotic illness must be documented, even if it does make Jenna Bush cry on her Wedding Day.

28 Sept 2007 Katie Couric every kind of alcohol causes breast cancer

28 Sept 2007 Katie had villagers sucking polluted water through a filtered straw

28 Sept 2007 Katie knows gasoline exhaust kill, she filters the air she breathes

28 Sept 2007 Katie Couric Burma Troops fired into crowds killing 9

28 Sept 2007 Katie put up the numbers... 40,406 breast cancer deaths for 2007

28 Sept 2007 Katie knows red meat caused 99.9% of colon cancer deaths in 2007

28 Sept 2007 Katie; is Autism linked to what, red meat, exhaust, hand washing, etc?

28 Sept 2007 Katie linked sex with the cause of MS as a possibility

28 Sept 2007 Breast Cancer Org should take out a full page ad in the New York Times every day until Bush takes 100 Billion dollars away from the Pentagon and uses it to mobilize for war against cancer. Bush and the Pentagon know the huge numbers being killed by cancer but will only let Katie Report Burma troops fired into crowds killing 9. on a daily basis. 28 Sept 2007 So why did Bush mobilize for war in Iraq when women at home needed his mobilization for Autism and Breast Cancer. Because this is Orwell "1984" mentality - war is great. Casualties of American women and Autistic kids. Pentagon and Bush order the New York Times to keep Iraq and Saddam's weapons of mass destruction on the front page every day, and prohibited any news on a daily basis affecting women and children. Breast cancer org. should take out a full page ad every day - day in and day out... this would pay off in saving 40k women's lives a year as the Pentagon would have to mobilize for war, War to end Breast Cancer on Earth. H2O is on the nightly news almost every night, now read between the lines and realize the gallon of water in your ElectricWindmillCar will be taken in with the groceries as Hydrogen and Oxygen to fuel your furnace and electric generator. Nightly news last night had villagers sucking through a filtered straw to get their only clean water, as their miracle cure from the USA, this is not realistic. Hydrogen will Provide in abundance the cleanest water possible. Yet the nightly news is putting on this story of sucking dirty water through a filtered straw... why? Why suppress hydrogen that will provide in abundance the cleanest water possible plus electricity and fuel to heat, cool and cook with clean burning Hydrogen. Because the Pentagon and Bush control what is news on the Nightly News. After killing 40k women Pentagon and Bush have no problem with killing 100 million from dirty water. This is Orwell "1984" mentality - war is great. Just like Bill Gates wants every billion \$ he can get no matter how many casualties he causes among HS and University Students and Teachers. Bill Gates knows ahead of time that Nightly News will suppress all stories about Teachers complaining about Microsoft, the Teachers org should take out full page ads in the New York Times complaining about Bill Gates greed and the problems he has casued for decades of students and teacher Trillions in profits from cops and kids burning and burning to death in gasoline since 1980. Bush is worst than the 12 Caesars in being a psychotic madman!

27 Sept 2007 My BDay present from GM is more gasoline cars

27 Sept 2007 My BDay present from Cops is a Coup D'Etat

27 Sept 2007 My BDay present from "Women Observers" is a few Wives

27 Sept 2007 For these BDay gifts I will give humanity a Galaxy full of Aliens and more perpetual motion machines than MIT students could imagine. I will convert the Trillions of dollars in Swiss Banks to Trillions of Aliens and Alien Inventions. End to Wars on Earth, car wrecks, especially fiery car wrecks, Viruses, computer and human that have plagued mankind. Free University - Yale New Haven Medical School were I was born 60 years ago today will be

free, for Students and Patients when my wives drive their new ElectricWindmillCars out of the GM dealership. 1980 to 27 Sept 2007 was the worst genocide in history, the most painful for those burned and burned to death in gasoline. All for more oil money. 9-11 would never have happened if the ElectricWindmillCars were on the streets of the USA in 1980. Kennedy was drunk in 1980 when he was watching me on hidden cameras, he then passed laws giving immunity to all drunk drivers, all liquor stores, all breweries, all ski resorts. Bush gave everyone a General Pardon for all crimes committed during the worst genocide in the History of Earth. 27 Sept 2007 My BDay present from GM is more gasoline cars 27 Sept 2007 My BDay present from "Women Observers" is a few Wives. For 60 years the Government has told us there are no Perpetual Motion Machines in Our Universe. Now on 27 Sept 2007 we know about the ElectricWindmillCar, and the futuristic Gravity Engine, both being Perpetual Motion Machines. I will convert the Trillions of dollars in Swiss Banks to Trillions of Aliens and Alien Inventions. End to Wars on Earth, Generals and MD's have failed individuals and the masses with disinformation and misdiagnosis. IBM has software that can crunch billions of medical records and spit out who was misdiagnosed. I have 1,001 Invention Projects to get you started inventing. All we need to get this Universe started is a Coup D'Etat on my 60th BDay 27 Sept 2007.

26 Sept 2007 GM Strike, more gasoline \$\$\$, No ElectricWindmillCars

26 Sept 2007 Generals are tossing gasoline bombs at cop cars in the USA

26 Sept 2007 Massachusetts outscored every state in Math, Science, and English

26 Sept 2007 Bush no Child left in a Hot Cars Failed - 27 have died so far in 2007

26 Sept 2007 Hepatitis was given to 2,700 Gringo kids by Mexicans so far in 2007. Generals knows about this and much, much more you can only imagine. The drunk drivers, the shooting, the rapes and robberies. FBI said crime rate is up because of Mexicans. Big Brother is killing and burning you in gasoline as a government policy. Dog fights to the death. Observers are everywhere... I'm sure they bet on these dogfights for years. The polygamist Jeff's was convicted today. Heffner with Holly is my kind of polygamist but I would want Holly MD PhD... and work with her 24/7 on invention projects. Kennedy and Kerry are to blame for sexist and degrading language in hip-hop music. 2,700 wives and girlfriends have been beaten and killed by these hip-hop men and boys. Jeff's The polygamist was convicted Today but the real criminals are Kennedy and Kerry. Jeff's didn't beat and kill 2,700 women but what Kennedy and Kerry did - did tortured and killed 2,700 women. Generals and know this better than me, but they will never write an End War On Earth web that exposes this. Generals will wake up tomorrow and toss more gasoline bombs at cop cars in the USA. Tell themselves they have to follow orders from Bush. Generals have to follow orders from Bush... to toss gasoline bombs at cop cars - on my 60th Bday - 27 Sept 2007. My BDay present from these Generals watching me on hidden cameras in my living room should be wives, women observers who are ready and willing to work 24/7 getting the cure for cancer and gravity control. Goddesses of Inspiration in this Foggy Bottoms society, I have not even begun to expose. Wait until I get Observer Status. Wait until I get to watch you behind the hidden cameras in your living rooms. Then log on to End War On Earth and read what the President of the USA has left in hot cars to die. Worst than 27 little kids Bush left in Hot Cars already. Bush is a Madman and his Generals are willing to toss gasoline bombs at cop cars in the USA. On my 60th Bday Tomorrow. 27 Sept 2007 GM Strike, more gasoline \$\$, No ElectricWindmillCars!

25 Sept 2007 Vaccine Invention Projects don't have a Supercomputer

25 Sept 2007 NCAR has 3 and 1 brand new IBM one for weather mapping

25 Sept 2007 Pentagon has 100's of Supercomputers all a waste of time and money

25 Sept 2007 Intel Xeon 7300 and higher will be the law after the coup

25 Sept 2007 Bill Gates will remain behind bars while we make up for lost time and lost inventions cause by Bill Gates and the Oil Genocide Era. Sophisticated technology and ideas by Bill Gates sells xbox360, and of course Microsoft Golf. CSI TV shows mass marketed to the masses with invention projects to catch the criminal would be a windfall for society. CBS will let you download CSI for your CSI invention projects after the coup. Your Intel Xeon 7300 will come with 128 gigs of ram and sophisticated invention project software. Written in C++ by ex-Microsoft Programmers now part of the Department of Education. Dell is selling scratch and dent and reconditioned notebooks with 512 megs of ram with Vista, I run out of 512 megs using win98se to write this. This technology Dell is trying to sell to us is not very sophisticated. You will run out of memory in Word writing a few sentences. Dell is cheating us out of the opportunity to use their Inspiration Notebook to Inspire us to get a new Vaccine recipe so we can cook up new vaccinations. Dell CEO should remain behind bars in the same cell with Bill Gates. 3 some in the same cell put the CEO of Intel in for not giving us 128 gigs of ram in our Inspiration Notebooks from Dell. NCAR is a mile from me sitting here typing this. At NCAR there are is a Army of Security Guards 24/7 and a fence of concrete bunkers, all paid for by Bush. Bush is killing civilians in Iraq and here in Boulder Colorado. 40,000 women a year every year Bush has been President have died from Breast Cancer. Bush killed these women if he pulled the trigger himself. Gravity of concrete bunkers around all Federal Buildings in Boulder Colorado, 24/7 security, while 40k women die from Breast Cancer in 2007. This is like a bad "1984" scenario. Mobilization for war on Breast Cancer. Mobil Exxon sends their illegal oil genocide money to Swiss Banks. Dell Inspiration comes without memory. "1984" Today elite who run MIT are throwing gasoline bombs at cop cars in the USA. Fiery car wrecks happen every day, mostly in California, when the ElectricWindmillCar was invented in 1980. The coup leaders will arrest Kennedy for Genocide. Bill Gates and his computer buddies will share the same cell. Vaccination invention projects will start in earnest after the Revolution. Women with Breast Cancer will die at the rate of 40k a year, in 2007 2008. Bush is a Madman who is addicted to oil money, and is willing to kill 40k women and burn cops and kids in fiery car wrecks. Bush is a Madman who has skin cancer and \$ Trillions in illegal oil money to spend on all the wrong things.

24 Sept 2007 Whirlwind Clinton marriage ends with no sex no brainstorming electricity

24 Sept 2007 Goddess of Inspiration, she has to agree to be the Role Model

24 Sept 2007 Getting the cure for cancer, gravity control, End War On Earth, etc etc

24 Sept 2007 Tom Cruise plays Col. Stauffenberg, who was executed by Hitler

24 Sept 2007 Kidman felt like she was executed when Cruise divorced her - why?

24 Sept 2007 Kidman could inspire me to get the cure for cancer and gravity control. Hillary would not inspire anything; she would stifle any chance of getting the cure for cancer and gravity control. Kidman would get off being President of the USA with the ElectricWindmillCar in the Whirlwinds of the USA. Tom Cruise will be imprisoned for real if he has invested in oil or gas stations during this Oil genocide Era. MIT students are throwing gasoline bombs at cop cars, well the Elite who run MIT are throwing gasoline bombs at cops cars, they have been since the invention of the ElectricWindmillCar in 1980. Students of the Elite know all about the goings-on in our Oil Genocide Era, for some reason they can't protest... I cannot figure out why. MIT students would of found a cure for Hepatitis A B C between 1980 and 24 Sept 2007 if their Elite Parents weren't throwing gasoline bombs at cop cars. Cruise is a member of Scientology - Oil Genocide Trials at the Vatican will hang the Pope and all the Cardinals, so what will happen to the Elite at Scientology? Science will go on a Whirlwind Cruise married to the Goddess of Inspiration Kidman, reaching a climax with travel to Alpha Centauri 4.3 light years down range. NASA elite could never imagine saying 4.3 light years down range. Would Kidman be happy being a Goddess of Inspiration or would she want to be the President of the USA and have to get the inventions herself? Cher would just say she is the Worlds Greatest DIVA and leave it at that. Hillary should just be defending OJ and Michael Jackson, as it was her Husbands governmental lifestyle that let them lead their depraved lifestyle in the first place. Invent what Man - - - everything has already been invented... as they say in Georgia. Bill and Hillary as students at MIT. They would of gotten caught throwing gasoline bombs at cop cars. Whirlwind marriage to a few Goddesses of Inspiration is what I want for my BDay on 27 Sept 2007. Marriage that will give society the cure for cancer, gravity control and hang all the Elite Parents at MIT who have been throwing gasoline bombs at cop cars since the invention of the ElectricWindmillCar in 1980.

23 Sept 2007 City of Boulder Colorado Employees are Guilty of Genocide

23 Sept 2007 City Mall Parks feature spray fountains for little kids

23 Sept 2007 Rules against "soap bubbles" void clean water for the little kids

23 Sept 2007 CU Security alerts for Cryptosporidium, etc... I don't think so

23 Sept 2007 City rules take up a poster size sign in small print and are everywhere. This lead to no one thinking about putting bubbles in the kid spray fountain. Bubbles laced with something to eliminate Cryptosporidium, and dozens of other parasites that sicken several people every minute of every day... far as the statistics go. You Can't Fight City Hall Ha! I will get them all hanged on charges of Genocide. Toms Tavern guy wants an Alley named after him... Tavern business as usual in oil Genocide Era. I even applied for a job there. And got interviewed by Tom. Should he hang, as a member of Boulder City Council for the last 20 years, all during the Oil Genocide Era with 10's of thousands of cops and kids burning to death in gasoline every day he was cooking burgers and serving drinks at his Tavern. PS Toms Tavern is directly across the street from the Daily Camera Newspaper. Reporters are his customers on a daily basis. This Establishment Tom belongs to let a Corvette with a drunk driver kill the passenger a few blocks from here and the Newspaper did not report were the driver was drinking... I never found out. Little kids will find out why they got sick from playing in the Mall spray fountain. City Employees were to stupid to use disinfecting bubbles. On going Oil Genocide with the Inventor of the ElectricWindmillCar walking up and down the Mall by the Court House next to the Kids spray fountain must have unnerved the City Employees too much to concentrate on their job of providing clean water to the cities people. MD's profited from all the sick kids, treated at the New Foothills Hospital. MD's didn't tell anyone from the City of Boulder the kids got sick at the Mall spray fountain area. In Saint Petersburg this week Gorbachev dedicated a new children's hospital, but Gorbe could never tell you what Cryptosporidium is let alone put out an alert and check all the water fountains in Saint Petersburg. City of Saint Petersburg has different things on their mind than City of Boulder Employees as Russia is getting \$ Trillions in Oil Money when they all know 10's of thousands are burning in fiery car wrecks for this illegal oil revenues. No wonder why no City Employees can think of parasites... Are Moscow Oil Men Parasites, will they be killed for the harm to society they have casued? City of Boulder got \$ Billions in oil bribes to let cops and kids burn in fiery car wrecks since 1980. Driver Distraction - - - is the leading cause of car wrecks, yet no one even tries to invent something for this. ElectricWindmillCar was invented in 1980 and killed by the City of Boulder Employees, who spit at me every chance they get, especially at the Reference Desk at the Boulder Public Library. I will travel to Saint Petersburg to testify against Gorbachev at the Oil Genocide Trials in Saint Petersburg, as I want to be a tourists there and see the Famous City. Start of the 1917 Revolution. Did someone say Revolution! 2007 Revolution started in Boulder Colorado.

22 Sept 2007 recall of cribs, no recall of gasoline

22 Sept 2007 Iraq \$1 Trillion a year until 22 Sept 2017 = \$10 Trillion dollar loss

22 Sept 2007 Bush refused to give the USA 10 cent a barrel oil Today!

22 Sept 2007 Bush and the Arabs want to spend the oil money on war!

22 Sept 2007 Help me End War On Earth, so we can confiscate \$10 Trillion dollars

22 Sept 2007 Windfall profits for Mobil Exxon, Microsoft, are squandered. Swiss Bankers have told the Oil Men the ElectricWindmillCar Coup Leaders will never get the oil money earned by cops burning in fiery car wrecks since 1980. Switzerland will not be the same land after the Oil Genocide Era. Day in, day out life in the USA will change noticeably with an influx of \$10 Trillion for Free Universities, and Health Care Tomorrow. Instantaneously we can change the world we live in on a Day in, day out going about our errands when we expose the suppression of the ElectricWindmillCar. We will be able to End War On Earth by arresting, hanging all the Pentagon Generals - - On the Winds of the ElectricWindmillcar celebration in Times Square. NYPD will take control of MSNBC Today show will be on the air for weeks covering this Windfall for those against War on Earth. Gasoline will go from \$3 a gallon to nothing overnight. Coup Leaders will order free gasoline until ElectricWindmillCars are in mass production. Bush refused to give this to us. Bush choose to give us war in Iraq and a Vista that takes longer to boot up than win98. Pope and the Jews will be left in worst condition than the Swiss Bankers. Vatican

Oil Genocide trails of the Pope and Cardinals will put an end to the Catholic Church on Earth. Help me End War On Earth, so we can make this happen Tomorrow!

21 Sept 2007 Invisible fields, inside the sun and inside gravity

21 Sept 2007 Aliens are imaginary people to Generals

21 Sept 2007 Top secret indicates they want to stifle you inventing

21 Sept 2007 Intel stifled the pc that was going to be a Supercomputer

21 Sept 2007 In the 70's Intel sold their supercomputers as the pc's of the future. What got stifled since the 70's is just about everything. MD's stifled the number of students getting into Medical School. Kodak stifled putting your x-rays on jpg because x-rays were big business. Gram stain for your jpg x-ray to see more as in microbiology was stifled. Sony and Microsoft hard sell of computer games stifled hundred of billions of hours of working on invention projects. New Non Fiction books at the Boulder Bookstore reflect the invisible fields of stifle this stifles that by the Fortune 500 Companies. Inside Gravity and Gravity Control, Gravity of our life in the Universe are number 1 and 2 of what we lost by being stifled by big business. Gram stain used by microbiologists can be applied to digital x-rays and counterfeiting money yet students are afraid of taking Microbiology. Microbiology for non-microbiology majors is not offered at CU. Cell phone with a bar code scanner would save students a ton of writing, and get it written in the first place. I can take a cell picture of the page I need... nice! I have a 1-gigabyte micro SD card in my Samsung cell phone. I will call you when freed, and give you the invention project of the Day! Free University will be on my web page to free all the Aliens in the Universe. Make concrete - and reinvent concrete 50% lighter and 50% stronger. Your car with radar, supercomputer, climate control, snow tires with protruding studs for us in Colorado, would be an ElectricWindmillcar. Add a camera on the dash and rear; with motion detection... and a reinvented satellite dish, you will have SuperCar. ElectricWindmillCar that is currently being stifled by the current government. Air bags on outside. SuperAirbags on the outside of your car.... semi and gasoline taker resistant!

20 Sept 2007 Al Gore Assault on Reason

20 Sept 2007 ElectricWindmillCar is the enemy of Al Gore

20 Sept 2007 Texas Oil Men turned the Pentagon into their Mercenary Army

20 Sept 2007 CBS Dan Rather sued CBS,

20 Sept 2007 NYPD will hang Rather for No ElectricWindmillCar News

20 Sept 2007 Lisa Randall's book on the Universe does not mention Alien Contact as the most important invention project for students today. Invent a way to Listen to Aliens... Eavesdrop on Aliens. Story of Marconi sending and receiving the first voices through the air. Contact with Jodi Foster. DVD "Ayn Rand a sense of life". Best dialog ever put on a DVD. Al Gore assaulted reason and its dialog for 8 years and now every new day of his life. The Fountainhead dialog was beat-up by Sony. Dialog of the reasoning of Rand, Einstein, Freud, Edison, etc never ever makes it into a Sony DVD. Al Gore intended to say Sony and Microsoft are the most powerful enemies of reasoning, dialog, and brainstorming.... Miracle cures! Students... make a list of future Miracle Cures. Orwell's Animal Farm and its windmill, not reading this book I would not have gotten the ElectricWindmillCar. Read the poem "1984 Mirror" on my web page. Google search of books on line for Windmill, for reasoning dialog... you can't do this kind of search until I'm freed and set up a web server on a SuperComputer with all books ever written in its hard drives. Then we can search, search engine of the future. Type in your invention project in the search engine box. Google is for High School Kids. CU students are SuperComputer Literate, or they will be when they buy their first ElectricWindmillCar and reason they should pay back this invention with their own inventions for society. Ps Sorry Al, you will hang with your Boss.

19 Sept 2007 misconduct in the Monica Lewinsky affair

19 Sept 2007 Genocide in the ElectricWindmillCar suppression

19 Sept 2007 Electricity from a can of Hydrogen

19 Sept 2007 Futuristic uses of electricity on the invent something test at CU

19 Sept 2007 11 felony charges against OJ, 99k felony charges against Bush, Clinton, Kennedy, and Carter... Cops burned in gasoline will be the Judge, Jury, and Executioners. Hillary will demand to testify against Bill for the 8 years he suppressed the ElectricWindMillCar. To save her own life. Divorce finally from a Jerk, Husband and wife lawyers both scam artist. I will write the poem "Scams by Bill and Hillary Clinton" Tragic Poem, as in their 8 years in power 8,000 + cops burned in gasoline. Screaming at the bitch and her President Husband. You Bitch, you burned me in gasoline! Pouring gasoline on someone and setting them on fire is an act of revenge. OJ would of poured gasoline over his 2 murder victims if he would of thought of this. Mass Murder for more Oil Money. Husband and wife lawyers failing all the freshmen students, in writing a test on invent something; name one futuristic use of electricity. Clinton was here in Boulder Colorado last night at a fundraiser. Clinton just came to Boulder Colorado to add insult to Officer Jason and the other cops with faces burnt in gasoline. Daily Camera newspaper reporters who put Clinton on the front page are the same ones who tore down and tore up Officer Jason's poster of a cop burnt in gasoline. Divorce the Jerk. Hillary knows the exact statistics on how many burned in gasoline while Bill was fuc..... Monika. Now Hillary wants Bill's old job as President and will let another 8.000 burn in gasoline as if there is nothing wrong with this. These lawyers are crazy. Tragic Poems about burning in gasoline, being burned in gasoline by the King, President. Why hasn't any students written such poetry? Write a tragic poem about burning in gasoline for more oil money. Test.... Name a futuristic use of electricity. Tragic Poems about burning in gasoline - maybe the students are just texting

this Tragic Poem to everyone...

18 Sept 2007 President has ordered you lobotomized

18 Sept 2007 Madmen like Bush have escaped being lobotomized

18 Sept 2007 Impeach Clinton failed because the electricwindmillcar is suppressed

18 Sept 2007 Impeach Bush failed because the electricwindmillcar

18 Sept 2007 Your brain on Total Recall pills. You know chemicals in your brain control your memory. Now find out what these chemicals are. Firing of the neurons, give them a super charged source of power. Oil is the only thing that has fueled the Presidents of the USA brains since I invented the ElectricWindmillCar in 1980. Exxon Mobil took out an ad in the Wall Street Journal yesterday. Genocide Oil Men paid for an ad in the, Wall Street Journal. WSJ will never report on all the fiery car wrecks since 1980. Faces burnt in gasoline are missing from the Front Pages of the Newspaper. A Cause the students would hook up with. Women students reading about men not washing their hands in internet news, should grasp the macro and micro of this social ill by men. Mexican Men give gringos and their kid's hepatitis A B C every day of the year and this is never news in the Colorado Daily. Every hundred thousand customers a few get hepatitis A B C from the guy. Jane Goodall is good, but we need women who can take on men not apes. MD's cause staff infections in the hospital yet they will blame it on the nurses. Impeach Bush and Clinton by electing a Women MD/PHD President. Bush was too stupid to get into Yale-New Haven Medical School. Clinton was the stupidest President of the USA in history. Just getting the ElectricWindmillCar out of the Pentagon's Garage of Suppression will be a Newtonian flash of brilliance. Hydrogen and Oxygen free from driving your ElectricWindmillCar down the street with a gallon of water. Will fuel your furnace and give you free electricity. Realize the Presidents of the USA sold kidneys on the side to Saudi Princes while Americans waiting for the same kidney died, have lobotomized your brain so you won't demand they be impeached..and Hanged!

17 Sept 2007 catch the cancer early test reinvented

17 Sept 2007 visit to Community Hospital yesterday

17 Sept 2007 fired as C N A, the observer were watching the RN and LPN's for mistakes

17 Sept 2007 mastectomy, fatigue of constantly looking for lumps

17 Sept 2007 Catch the cancer with a breath test, blow into this for the nurse

17 Sept 2007 no-win situation is the state of the arts of inventing something in the times we live in. Bush is a madman, giving out oil money bribes for everything indispensable to keep the ElectricWindmillCar off the streets. Cops track hit and run accidents same way they did in 1980. Bush's father vetoed bar codes and radio chips for cars and license plates 15 years ago. When the LPN's and RN's got me fired as a C N A from the nursing home they wrote it up saying to many Observers were watching them because I was working there. I applied for a C N A job at Good Samaritan telling the RN I would invent a way to prevent bedsores and falls. She called telling me I didn't get the job. 100's of people in there 80's have fallen who wouldn't have if the RN would of hired me. No job just because so many Observers would have been watching everyone. No-win situation for everyone with cancer, for everyone who will be burned in gasoline while the madman Bush rules as a true Madman in every sense of the word - Caesar! Blow into this for the Nurse who got the inventor of the ElectricWindmillCar fired because too many observers were watch her mistakes. Mastectomy statistics, how many until the Observers find a cure for the Madman Bush? Yale - New Haven Hospital I was born there on 27 Sept. Bush was to stupid to go get into the Yale Medical School. Bush was to stupid to let me invent some things as a C N A - as the Inventor of the ElectricWindmillCar with several supercomputers from Japan. Yoko would have gotten off on Lennon's BDAY this year with the 1 Billionth ElectricWindmillCar coming off the Ford Assembly line.... We certainly would of like to watch, observe this - grin. At least one of my wives will have had a mastectomy. I showered these women with a mastectomy as a C N A in the nursing home they fired me from. Win - win job as I have a long list of invention projects from working in the nursing home. Someone high up must first invent a cure for the Madman Bush.

16 Sept 2007 Few see an end in sight to Iraq war

16 Sept 2007 Force a realization before your BDAY

16 Sept 2007 Discover a way to expose the suppression of the ElectricWindmillCar

16 Sept 2007 New York Times got a new Skyscraper not to expose the ElectricWindmillCar

16 Sept 2007 Pope and Jews have betrayed humanity for oil bribes from Bush. Pentagon Generals working to end war on earth would be sensation. Unfortunately Pentagon Generals have been brain washed. Humble space telescope pictures are a waste of contemplation Time. Time is a element like U is no argument either. NASA Top Brass has helped the Pentagon Generals suppress Alpha Centauri 4.3 light years from Earth. Proposal for marriage goes into what we want to invent, in the case of the Pentagon to marry for this or that cause means we must never associate with travel to the nearest stars. Mobilizations for war are documented, building ships and tanks etc. Mobilization for travel to the nearest star would transfer millions in the active Army and support people at Lockheed Martin to NASA. Challenger widows would sue the government when they find out friendly fire brought down the Challenger. NASA Top Brass blew up their own Shuttle by dining with Pentagon Generals and Oil Men. Billions in the Pentagons Swiss Bank accounts could have built a new generation of Shuttles years before Challenger. The warmongers seduced NASA's Top Brass. New York Times got a new Skyscraper not to expose the ElectricWindmillCar. Newspaper reporters here in Boulder Colorado tore up Officer Jason's posters of him bunt in gasoline. A Scripps Newspaper. MSNBC owned by GE took bribes from Oil Men to let more cops like Officer Jason burn in fiery cop car wrecks. NBC Nightly news will report this someday. Few see

an end to the oil bribes to GE, Microsoft, New York Times. Few can see the end to war on Earth.

15 Sept 2007 United Arab Emirates - world's tallest building 1,822'

15 Sept 2007 Paid for 100% by white cops burning in fiery cop car wrecks

15 Sept 2007 GE profited from the 1,822' building and fiery cop car wrecks

15 Sept 2007 Jet set today are the Oil Men in 767 Dreamliners from Boeing

15 Sept 2007 Causing mom 's an increase risk of dying from breast cancer

15 Sept 2007 The building's 1,822' relentless climb is one example of Dubai's stratospheric rise from a sleepy desert town on the Persian Gulf to one of the principal business centers in the Middle East. "This architectural and construction masterpiece is truly an inspirational human achievement that celebrates the can-do mind-set of United Arab Emirates. 15 Sept 2007 Paid for 100% by white cops burning in fiery cop car wrecks in the USA. This 1,822' building is the World Trade Center if the Kennedy's and Clinton's and Bush's had exposed the suppression of the ElectricWindmillCar in 1980. This 1,822' building would have been built were the GE building is in NYC as a human achievement over the gasoline engine by an American Inventor, Greg Buell... Me - grin. Scenario is now the worst Genocide in the history of Earth by the Kennedy's and Clinton's and Bush's. GE CEO is #2 after Bill Gates. Both will hang. Women would be celebrating the cure for Breast Cancer by the inventor of the ElectricWindmillCar today... if it weren't for Bill Gates and GE madmen. EVISTA does not treat existing breast cancer, reduce the risk of getting breast cancer again or reduce the risk of all forms of breast cancer. Evista is like Vista, and Bill Gates buddies the good old boys, created this scam in front of the Orwellian Observers to take advantage of the Oil Genocide Era as the Bush government will not arrest them, because Bush has the ElectricWindmillCar, driving up his... Evista increase in the incidence of death due to stroke, as opposed to recovery from the mild stroke. These guys burn people in gasoline every day; they are playing hardball for more oil money. Now everyone including Bill Gates and GE wants an oil mans bank balance. Scenario is now the worst Genocide's in the history of Earth by the Kennedy's and Clinton's and Bush's. Addiction to money is driving MD's to scam cancer, not even wanting a cure and going out of their way so I Greg Buell do not get a cure at home alone. Me getting help getting the cure for Breast cancer with a few Goddess Wives has been discussed by 100's of Top MD's and they are determined they must prevent this at any cost. To much money is riding on Breast Cancer billing to patients. \$\$\$

14 Sept 2007 Bush on TV on edge about the CIA

14 Sept 2007 CIA is apprehensive about the ElectricWindmillCar

14 Sept 2007 Secret oil genocide will hang everyone who got an oil bribes, perks, promotions

14 Sept 2007 Listening to Bush on TV mentioning the sheik he meet with 10 days ago killed yesterday. I waited for cops to burst into the room and arrest Bush for Oil Genocide and crimes against cops. Bill Gates and others know the Cop Coup leaders will arrest millions, confiscate \$5 Trillion dollars from those who profited, took government perks, and bribes. When Bush mentioned the CIA he forgot what the letters mean. Gasoline, fiery car wrecks, 3 kids in the back seat of the SUV hit head on my a Gasoline Tanker Truck on 7 Mile Bridge, This picture is the background picture on every CIA agents computer at work and at home. No wonder Bush is on edge about the CIA. Motorcycle ads are to blame for the rising rate of motorcycle deaths, not helmets. Lifestyle propaganda officers at the CIA follow orders from White House and Business leaders. Intelligence has nothing to do with watching out for your health and wealth. Scams by the White House and Business leaders are well exposed in Bill Gates and Microsoft. Vista is broken and Bush will never ordered Bill to fix it. Antitrust Law from the Justice Department fuels Leno jokes. From 1980 to 2007 is a long time for the Top Brass to carry on on live TV, with Katie Couric summing up Iraq knowing the ElectricWindmillCar would bankrupt Oil and Gasoline. Rate of gasoline burns, and burning to death in gasoline will fall dramatically world wide with the Breaking News about the suppression of the ElectricWindmillCar. Missing from Bush's speech is why in the world wouldn't he be on edge about the United Nations? I would like the job as head of the UN after the ElectricWindmillCar is on the streets of the USA. But the job I will take is take over Microsoft, move it into the Department of Education. Provide students will a Free University, textbooks... with software analysis. Yes IBM software can analyze Tolstoy, and microbiology. Textbooks are out of date. Medical School textbooks and Journals will be my first priority, for Sony movies. Medicine Man 2 will probably not Star Connery, but Sony will film it in 2008. Even sunscreen manufactures took advantage of the oil genocide era by making a substandard product, thus giving millions even Bush and his wife skin cancer. CIA agents will move from the front lines of Iraq to the Business Community in the USA who have been killing Americans and enjoying the negligence in government regulations of the Oil Genocide Era 1980 - 2007.

13 Sept 2007 In 1980 Americans wanted a gasoline invention that would kill all the Arabs

13 Sept 2007 ElectricWindmillCar Coup Leaders have it and

13 Sept 2007 Will "Hang" every General at the Pentagon to get it unsurpressed... with

13 Sept 2007 Free Electrolysis, Electricity, Heat, from your ElectricWindmillCar

13 Sept 2007 MD's misjudged their decision to profit from flesh sizzling in gasoline's fiery car wrecks

13 Sept 2007 In 1980 Americans wanted a gasoline invention that would kill all the Arabs

13 Sept 1980 A month before the ElectricWindmillCar Invention - then suppression! Then suppression until 2007 for more oil money. 4 Star Generals on TV all day yesterday and today were working their way up in the Ranks at the Pentagon in 1980 but news about the ElectricWindmillCar invention in 1980 spread through the Pentagon like news about a General getting a new Star. Senators, like the Roman Senate demanded they go along with the suppression of the ElectricWindmillCar in exchange they will get bribes, kickback, perks and a easy job. Kennedy was the mastermind. He had been drinking all day, most of the days of his life. Driving off the bridge killing his girlfriend wasn't even enough a crime to get him kicked out of the Senate. Kennedy then

drove Joan his wife to drink... Would you become a alcoholic if your Senate husband was leading the Suppression of the ElectricWindmillCar during the Oil Embargo Era, back in the 1980's. Americans wanted a gasoline invention that would kill all the Arabs, then we get one and the US Senate suppresses it. Yes you would drink to live with this crazy Kennedy who should be announcing the invention of the ElectricWindmillCar. Gasoline lines at gas stations go on for months while Kennedy tells the Saudi's he has a new ElectricWindmillCar Invention. And he will use it unless they end the Oil Embargo. So the Saudi's go along with the suppression of the ElectricWindmillCar in October of 1980. 1980 to 2007 is history, History of the worst Genocide in the history of Earth by the USA. Best spin off invention from the ElectricWindmillCar is take alone a gallon of water and you get free hydrogen and oxygen from free electrolysis. Hydrogen that gives you free heat and electricity for your home. All suppressed by Kennedy. Roman Senate. Imagine Kennedy in this Senate giving the speech. Listen to him; you will someday as the video exist in our Orwellian Archives. As for the consequences and demands from the Pentagon Generals. They wanted an end to Apollo Moon Bases as with 700 Moon Bases it would be near impossible to win a conventional war. Public would want to spent the Pentagons money on 700 Moon Base then spend it on Star Travels to Alpha Centauri 4.3 light years down range. The Generals at the Pentagon at the time, in 1980 knew this would be the end of the Pentagon, as we know it. NASA would have a bigger budget then the Pentagon... in 1981. In 2008 NASA will get a bigger budget than the Pentagon. After the ElectricWindmillCar is exposed and those who suppressed it hanged. Including Bill Gates and his wife... Cops will direct traffic like never before. As they were the victims of this mass murder, cop cars bursting into flames when rear-ended. On the job accidents. Kennedy's accident that killed Mary Jo, lead to the worst genocide in the history of Earth. Maybe Kennedy hit his head in this wreck and the Doctors misdiagnosed him as being sane. MD's misjudged the decision to go along with the suppression of the ElectricWindmillCar. New Medical Schools will be mostly women, as Male MD's were the ones who lead the suppress of the ElectricWindmillCar in the Medical Community. Treating cops burn in gasoline had no effect on Male MD's. They were callous to the burnt cops, and kids. Just revenue for their Bank Accounts. And the Swiss bankers have all the oil money, so the coup leaders know were to go to confiscate it... Grin!

12 Sept 2007 Warrior Antagonist vs. Alien

12 Sept 2007 Warrior Antagonist vs. Alien

12 Sept 2007 F-35 will kill every alien in the Universe.

12 Sept 2007 Total Immunity with one vaccination will kill all infecting antigens.

F-35 is a supersonic, multi-role, 5th generation stealth fighter jet designed to kill every Alien in the Universe. Alien, Aliens, Alien Resurrection. Star Trek, Star Gate, Atlantis. Sony never made Medicine Man 2 because Connery didn't want to mock the cure for cancer invention. Total Immunity with one vaccination will kill all the antigens. Antibodies are the chemicals produced by the body's immune system in response to infecting microorganisms. Each antibody is produced by lymphocytes white cells as a result of exposure to antigens. This is called antigen-antibody reaction. T-Cells recognize antigens. Immunoglobulins are part of the plasma protein. F-35 is a supersonic, multi-role, 5th generation stealth fighter jet designed to kill every Alien in the Universe. Total Immunity with one vaccination will kill all the antigens. One dose of the vaccine "Total Immunity" will probably cost as much as one F-35. Until we go into mass production. Saudi Princes regularly pay \$100k for one shot... when not buying organs from Bush. Expensive! Justice Department, believes the antitrust of Americans can be kill off by suppressing this news. Antitrust problems for Microsoft will end with the ElectricWindmillCar on the streets of the USA. As the Coup leaders will let me introduce an "Invention OS" that will let a billion people work on a million inventions without having to pay Bill Gates one cent. Thank God Bill Gates is dead and gone finally. Now back to killing off all the Aliens in the Universe. Bush and the Pentagon Generals made a big mistake in suppressing the ElectricWindmillCar since 1980 just for more oil money. And we realize killing all the Aliens in the Universe was a mistake too. So NASA will get a bigger budget next year then the Pentagon. As for the Saudi Princes who were stealing organs from Americans in line waiting for them, they will die in poverty as oil will be 10 cents a barrel this time next year.

11 Sept 2007 1 Billion ElectricWindmillCars in Boulder Colorado

11 Sept 2007 St. Petersburg is building a 110 Story World Trade Center Style skyscraper

11 Sept 2007 1 Millionth iPhone sold over the weekend

11 Sept 2007 1 million widows from burnt cops in fiery cop car wrecks

11 Sept 2007 1 Billion ElectricWindmillCars in Boulder Colorado... 9-11 again and still no ElectricWindmillCars in Boulder Colorado. Apple sells 1 million iPhones in 74 days. 1 Millionth iPhone sold over the weekend. CEO at Apple knows about the suppression of the ElectricWindmillCar. CEO's who know the ElectricWindmillCar is being suppressed on 9-11 took their 1 millionth sleeping pill. Hard to sleep knowing about the worst Genocide in the history of Earth is USA Genocide by Texas Oil Men, lead by Bush. Over the weekend in St. Petersburg at Palace Square 10k women took part in a 10k run for women. Moscow is #1 in cops, husbands burned in fiery cop car wrecks. St. Petersburg is #2 in Russia. Widows, the cop's widows in Moscow and St. Petersburg don't even know the ElectricWindmillcar was invented in 1980... in October month after 9-1980. Widows Don't know Putin is a mass murderer of their husband cops. Top Brass in St. Petersburg are building a 110 Story World Trade Center Style skyscraper with oil money. History Department at St. Petersburg University, the administrative assistant knows about the ElectricWindmillCar as I sent several postcards to St. Petersburg University and to the St. Petersburg Times. 110 Story World Trade Center Style skyscraper going up in St. Petersburg. Widows can't sleep at night, seems like those profiting from oil from the suppression of the ElectricWindmillCar can sleep ok with a billion sleeping pills. Apple sells 1 million iPhones in 74 days. 1 Millionth iPhone sold over the weekend. CEO at Apple knows about the suppression of the ElectricWindmillCar. Someday textbooks sold at the CU Bookstore will include this 9-11-2007 news I just wrote, along with the news that there are finally 1 Billion ElectricWindmillCars on the roads of the USA. And we will have for History administrative assistants statistics on how many burned and burned to death during this oil Genocide from Oct 1980 to 9-11-2007. Widows will finally win a good nights sleep. And some payback from Russian Oil men.

10 Sept 2007 Keys reinvented asap

10 Sept 2007 Keys reinvented asap. 10 Sept 2007 Keys reinvented ASAP. GPS chip, Your keys can have a ring tone if you need to call them on your cell phone. Same for the several remotes on your table, when you misplace one of them. BuffOne card with a barcode, and battery. Kings can send you e-mail of all your groceries, CU Bookstore could e-mail your textbook purchases. What do you really want to keep track of the most? Your wives... grin. Top Brass could change our world over night if they shared advanced GPS technology with society, and yes of course if they give us the ElectricWindmillCar and free hydrogen via electrolysis from the gallon of water in your ElectricWindmillCar. But they probably won't do either any time soon. So were stuck with reinventing the Key, and other comparable items. Power, current, voltage, currently we're at the mercy of madmen who pour gasoline over someone else every day, and set them on fire in dramatic car wrecks. AirBags on the outside of Semi's and trucks was vetoed by these madmen several years ago. Cost too much. Statistics from the Nancy Grace CNN show reported 27 kids died in hot cars in the summer of 2007, when the ElectricWindmillCar would be climate controlled 24/7. Madmen failed psychology or did Psychology fail society? Bush has the technology to block anyone calling my cell number above. He can and does stifle my working 24/7 on 1,001 invention projects. Key to unlocking all this madness is to reinvent what you can now and save the cure for cancer and gravity control for when you have a harem of Goddesses to inspire you. Keys for your new Toshiba would be a better key than a fingerprint reader.... I think Toshiba realized this. As for the DVD war between Sony and Toshiba I would reinvent the DVD as a hard drive with 500 gigs, 20 HD movies and a USB 3 connector to plug into your TV or PC. But Toshiba and Sony are locked into a DVD War, and will never see this reinvention of the DVD. Did someone lose their keys while fighting a war? Ps Yes I did dream of Shelly last night... Sweet Dreams!

9 Sept 2007 CU Football Stadium; a Women Medical School

9 Sept 2007 CU Football Gang Rape will get Football kicked off Campus replace with a Medical School for Women. In 1965 I remember HS gossip about Football players gang raping HS girls after the Football game, so this has been going on for a very long time. But no one on Campus believes Lisa Simpson will win anything in a Denver Courtroom. Everything depends on the Leaders of the ElectricWindmillCar Coup D'Etat - what their plans for social reforms are from the status quo of today's gang rape by Football Players. 100's of 14-year-old girls have been gang raped in Iraq and 10,000's of thousands of 14-year-old girls were gang raped in Vietnam. So the Status Quo goes beyond CU Football Players. Drunk drivers are punished unless they are from Mexico is a example of the Status Quo Today. I watch Mexicans getting away with Murder... at work. I know Observers are watching on 100's of hidden cameras and it's the norm to let them do anything, break every rule and get away with murder. 50% of the MD's will end up in prison for their profits from letting white cops burn in fiery cop car wrecks... from 1980 to 2007 the Oil Genocide Era in the USA so Society will need New Medical Schools after the ElectricWindMillCar Coup D'Etat leaders are in control. Perfect restitution for society will be to convert all the CU Football Stadiums to Medical Schools and make them for Women. To add pain to the punishment for the crimes by the Coach and Presidents of the University. Lisa has not given up hope, Genocide and Gang Rape are in textbooks, and some day on the Nightly News, GE is profiting from White Cops burning in gasoline, but they cannot profit from this Genocide forever. I hope not anyway.

CU Sex Assault Lawsuit Revived

DENVER (AP) - An appeals court on Thursday revived a lawsuit by two women who claim they were gang-raped at an off-campus party attended by University of Colorado football recruits, ruling there is evidence the alleged assaults were caused by the school's failure to adequately supervise players. The ruling by the 10th U.S. Circuit Court of Appeals, which sends the case back to the trial court, said there is evidence the university had an official policy of showing high school recruits a "good time" and that it showed a "deliberate indifference" to any known sexual harassment. "The university used all its resources to silence, stifle, and shut down the entire process," she said. "The fact that the lawsuit is revived shows that maybe there is some hope for justice and in some sense things have changed." Drugs, alcohol and sex were used to entice recruits to the Boulder campus the activity was knowingly sanctioned by university officials. The football team's head coach at the time, Gary Barnett, survived the scandal.

8 Sept 2007 Shelly and CIA MD women

8 Sept 2007 Shelly and a few CIA women.MD women MIT women, with some super computers from Japan, and a visit by Yoko. Move into your new home furnished by the CIA with live in spy's who are ordered to help you get the cure for cancer and gravity control... Make up for lost time when you were "Tortured by the CIA" from 1980 to 2007. MD wife can get a few more years out of this old man. Torture takes years off the end of your life. Lifestyle of the CIA Director reported 3 hours ago on Google news. You have to read between the lines, always especially with the CIA news that is only 3 hours old. Flights across Europe with prisoners, because of 9-11. Governments from Popes to Jews and OPEC. Shelly I have a new web page... END WAR ON EARTH, Shelly is so Hot I had to catch her in the CU Bookstore. No Way could I have let her leave without yelling out Shelly... No Way can I leave my lifestyle of torture here in Boulder Colorado without asking her to come along, asking her if she can get along with CIA woman and MD, PHD women. Top Women Quarks helping me get 1,001 inventions instead of being suppressing at every invention project. World of Change... with Women like Shelly, 1980 to 2007 without them for long enough to say the least. No Way could I have let her leave the CU Bookstore without yelling out Shelly... My BDay is coming up on Sept 27th 60 years old and ready to get Shelly for my BDay Present, if Gen Orwell signs the orders in time. Grin! ps George Orwell could never have written anything close to our Orwellian Society that is very real, keep reading here and find out if the CIA survives the Oil Genocide Trials, in every Capital around the World.<

7 Sept 2007 9-11 electricwindmillcar

7 Sept 2007 9-11 electricwindmillcar on 9-11 there should have been 1 Billion electricwindmillcars in Boulder Colorado. Instead the City of Boulder Colorado took oil bribes to go along with the suppression of the electricwindmillcar. Thinking the City Of Boulder Colorado could use a little extra money from the Federal Government. Little did they know the aftermath of this error in Judgment would affect NYC. All the Oil Money accounts will be frozen and confiscated by the Post Oil Genocide Government of the USA. City of Boulder will have to pay back all its oil bribes... ha It's a bitch when the Fed's make you pay back your ill gotten gains. ha Leaders of the Coup D'Etat will freeze all oil and gasoline accounts, then confiscated them. What will the New government of the USA do will \$4 Trillion dollars in oil money? Pay those who were burned in gasoline, to prison with the MD's who sued them for nonpayment from their Burn Center. Pain being burned in gasoline is twice as bad when you find out the Oil Men were suppressing the electricwindmillcar and you should not have been burned in gasoline in the first place. 7 Sept 2007 9-11 electricwindmillcar instead NASCAR has been racing around the tracks with gasoline powered cars. I hope they get a ticket for this. I will certainly watch the first Indy 500 with all electricwindmillcars. 9-11 would never have happened if there were 1 Billion electricwindmillcars in Boulder, Colorado. On 9-11 PS 9-11 would never have happened if the CIA did not go along with the giving of oil bribes to the City of Boulder, Colorado

6 Sept 2007 Aggressor Rates

6 Sept 2007 Aggressor Rates for a ride in the Shuttle as a space tourists. \$20 million for a round trip if you're lucky. Rate the billionaires aggression earning the \$20 million. Temps with no dental, grin. Mad Philosopher aggression starts with reading Tolstoy "The Confession", Rousseau's "Confession"... not even in stock at CU Bookstore because these Philosophy books expose more than The Prince. Old ancient aggressors Philosophers have leverage over the current government leaders. Teach you to vote and veto a drunk Kennedy who drove off a bridge killing again and again for the rest of his life. Binge drinking on Campus never mentions drunkard for life. Like a Kennedy. Rich aggressor rates equal genocide charges, this time for the USA. Oil Era long past its time. A Coors genocide trial in Golden Colorado after the last oilman is hanged. Excitement of money was greater than the Universe. Edison's wife was his Goddess of Inspiration, yet there are no lectures or books, movies, an "Inconvenient Truth" Lectures or Movies in Hellems. Global Warming Global War... Aliens could be 4.3 light years from Earth, NASA could never tell, would never tell if they knew. Gravity Control is another "Inconvenient Truth" not on campus at 8 pm in Hellems. Lecture Hall. Aggression, aggressor rates for the Lecture.... Grade the Lecture only if you consider Gravity and Edison's wife. Consider Tolstoy and Rousseau's books on Confessions when you grade the Lecture in Hellems. Milestone is not a lightyearstone. CU Students graduating in 2008 might hear this at the graduation if I give the graduation speech. Milestone Lightyearstone. Galapagos Aggressor I and Galapagos Aggressor II rates are \$4k per person double occupancy, or quadruple occupancy... nice if you bring 3 wives. And get inspired to invent 3 things. Aggressor Rates!!! Get a Goddess of inspiration but don't tell her until the inventions blast off get control gravity, prove gravity didn't create itself. Give humanity Total Recall and EndWarOnEarth.

5 Sept 2007 100th F-22

5 Sept 2007 100th F-22 delivered to the AF this week. Top Brass called it a milestone not a lightyearstone. Light Year travels are not a reality for the AF Generals. Fighter of the Future mentality of Generals kills the hopes and dreams of NASA, those who want to travel 4.3 light years in the life time of today's Freshmen class at USA Universities. Opposing F22's for Shuttles. Only way we can win 100 Shuttles if Cops are the Coup leaders and hang every General at the Pentagon for Suppressing the ElectricWindmillCar since 1980.... Even the CIA will be killed off by Cops arresting 007 Agents for letting Mom Dad and the 3 kids in the back seat burn to death in 10's of thousands of fiery car wrecks after the ElectricWindmillcar was invented in 1980. CIA must fight for its life as the CIA will be kill for its support of the Oil Genocide by Texas, Saudi, and Moscow Oil Men. Then and only then can we start production of 100 Shuttles that can be docked together like a train in Earth Orbit. ps no more space walks please.

4 Sept 2007 IBM Geneva

News about Hydrogen light years from reality. Hydrogen free from the ElectricWindmillCar from your water bottle... 1st it was NBC and Leno joke about Brittany left in a hot car now its IBM Top Brass talking about Hydrogen free from driving your ElectricWindmillCar to work. Free electricity for your home and free fuel for your furnace... IBM is worried about being charged with Genocide for having a Misdiagnosis program it ran on all its 250k employees. IBM didn't tell anyone if their MD misdiagnosed their disease or treatment. As we get closer to the Oil Genocide Trials IBM is worried I will testify against them, for not giving me a job at IBM Boulder. I will testify I lost invention ideas that would surpass Misdiagnosis Software... Would this hang IBM's Top Brass for Genocide? They are certainly guilty as Hell of charges of Genocide and Crimes Against Humanity.

3 Sept 2007 TEHRAN, Iran, - Iran's leaders have 3000 active centrifuges to enrich uranium all paid for with oil money made since the invention of the ElectricWindmillCar in 1980... Iran would be living in poverty like the inventor of the ElectricWindmillCar is in Boulder Colorado, instead they have the \$100 Billion I should have from the ElectricWindmillCar. Which they spend on war, I would be Spending my \$100 Billion on a Free University and of course text books for the readers from CU... grin. Jews have their \$100 Billion from Oil in Swiss banks. News from Mexico 1k semi trucks are set to cross the border and slam into cars full of white kids bursting into flames... Bush is so stupid the President of Yale should hang with him for graduating such a stupid Yalie... really!

1 Sept 2007 Last nights Leno 1st joke let us know what the Top Brass is talking about behind the cameras at NBC, Kids Left in Hot Cars, Leno's first joke was Britneys kids left mom in a Hot Car. 999 Kids have died in Hot Cars just in LA since the invention of the Electric Windmill Car in 1980 and now today 1 Sept. 2007 we know the ElectricWindmillCar will be climate controlled 24/7 via free hydrogen... (see bottom of this web page for details how)we reflect on Leno's joke about Britneys Kids leaving Mom in a Hot Car. What can we read about the Top Brass at NBC from this Leno Joke?

Anna Politkovskaya 1 of 44 Journalists who were killed in Moscow --- 4,000 Moscow cops were burned in fiery cop car wrecks at the same time, and The New York Times suppressed these murders by Moscow Oil Men led by Putin... Moscow cops will seek their revenge for the suppression of the ElectricWindmillCar on Oil Men and the Journalists who refused to report on 4k cops burned to death in gasoline for more oil money! Add in the 999 kids left in cold cars (hot cars) who frozen to death when the ElectricWindMillCar would of been climate controlled 24/7 this is a sick genocide just for more oil money.

I got the domain endwaronearth.com ----- I should not be surprised that the Bush Government has several genocides some the worst in the history of Earth, going on simultaneously.

Observers in front of the hidden cameras are like in the book "1984" but with modern day hidden cameras and instant communication to the troops who are hidden among the public.

Our Orwellian Society that has more than 10 different Genocide.

Even the Pope has take billions in oil money to let cops and kids burn in gasoline.

Many "Observers" say the Jewish state is morally obliged to offer police force spirit to cops fleeing mass murder by Texas, Saudi and Moscow Oil men who's public letter heads today say let them eat cake, let them burn in gasoline, we are addicted to oil money.

*Bridge Kennedy drove off of... Kennedy killed 1 Billion people as he was not punished for killing his girlfriend so he went out and killed 1 Billion more people via suppression of the **ElectricWindmillCar***

I meet Kennedy in Niwot in 1979 In 1980 I invented the Electricwindmillcar at the George Orwell branch Library here in Boulder Colorado while Kennedy watched on hidden cameras.

"MOSCOW -- Anna Politkovskaya, blaming her murder on a campaign to destabilise President Vladimir Putin.

New York-based Committee to Protect Journalists, lists 44 journalists killed for their work in Russia since 1991.

Anna Politkovskaya 1 of 44 Journalists were killed in Moscow --- 4,000 Moscow cops were burned in fiery cop car wrecks at the same time, and The New York Times suppressed these murders by Moscow Oil Men let by Putin... on orders from Bush and Texas Oil men.

As a journalist for the independent twice-weekly Novaya Gazeta, she had been almost alone in the Russian media in probing war crimes in Chechnya. She also wrote a series of books critical of Putin's rule. Nightly news is under state control in... in Moscow - grin! A calculation by the New York-based Committee to Protect Journalists, another advocacy group, lists 44 journalists killed for their work in Russia since 1991.

Addicted to oil money is worst than drunk driving on Coors and not being able to sue Coors. As the government made Coors and the Vail Ski Resort immune from Law Suits.

Bill Gates is the Genocides businessman leader as he blackmailed Bush into letting him make as much as Texas Oil men or Bill Gates would expose the suppression of the Electric Windmill Car since 1980. -----

Orwell at the Boulder Public Library stifles more than helps you invent something or in my case End War On Earth. I invented the Electric Windmill Car in 1980 at the George Reynolds Brach library in Table Mesa after 6 months of brainstorming every day at the library and the harassment from the City of Boulder Employees was worst as they spit at me almost ever day... for not going along with the killing of women and kids in Vietnam, Now today even the President of Vietnam gets Oil Genocide Bribes from Bush and the American Government. War is about money.... ha ----

Nancy Grace needs to put them these Genocides on Court TV, but as you would guess Court TV Lawyers get oil money from Bush.

Even built a new Law School here at CU in Boulder Colorado from Oil Money Bribes from Bush and every Orwellian Observer on campus knows this as they could not hide a government bribe like this new \$100 million dollar Law School Building.

Hydrogen and Oxygen free from your Electric Windmill Car would put Xcel out local electric utility out of business and save the lives of all the kids left and hot cars, and cold cars as the Electric Windmill Car will be climate controlled 24/7 365 days a year.

Coal generates most of the electricity for Boulder Colorado as this is a perk to Coal owners like the ones in the News.

Electric Windmill Car on the Streets of Boulder Colorado would put the Coal Company Owners out of business overnight, textbooks would

have to be edited at the bookstore. Grin, more work for temps as yes even the government hires mostly temps to keep from paying for dental, medical, and Presidents Day Holliday Pay. \$\$\$

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

Happy Birthday Poem was in the windows below Paula the owner of MacDonald's bookstore was a friend in 1975 and put the card printed in a wedding invitation format in the windows of her bookstore. In the years since 1975 I have see and talked to Paula several times, to say the least I impressed her with the invention of the electric windmill car in 1980, unfortunately Estes Park is the HQ for retired generals and full Bird Cols's who could not care who burned in fiery car wreck... the enemy or you and your kids on the highways of the USA. There will be a small Oil Genocide Trial in Estes just for the YMCA and retired Generals... Killing thousands of the enemy or 3 million in Vietnam left all the retired Generals in Estes Park callous like the 12 Roman Caesars... side effect from going into villages in Vietnam or Iraq and killing all the women and children because the men are out fighting the war. So typical behavior in war... Vietnam should have pictured the 3 million women and kids killed... now 60k women and kids killed in Iraq and 7 million in the USA will burn in fiery car wrecks for more oil money to pay for the war in Iraq. All this in a 1984 society were no observer cares if they are caught on video saying ... "let them burn in gasoline... we need the Texas Oil money...." everyone on MSNBC has said this! Clinton and his wife said this every day for 8 years.... Bush and Bush and both their wives said this every day for 8 years and now 7 million cops and kids have been burned and burned to death on the highways and roads of the USA so Texas Oil men can keep the money flowing.

Paula is 77 years old now I am 59 years old now looking back to 1975 and Paula, yes she was a fox and single... and a book store geek... we could of ended war on Earth if we hooked up in 1975!

wow - the ones who got away... grin!

Happy Birthday Poem was in the windows above, Paula the owner of MacDonald's bookstore was a friend in 1975... five years before the invention of the electric windmill car in 1980. Since then 7 million cops and kids have burned and burned to death in gasoline for more oil money for Bush and Texas to bribe the YMCA, City Hall USA and even Police Chiefs and Generals to let their troops burn to death in gasoline.

Another Genocide

The fiery tanker... burning in the flames in the black smoke you can see the small flames from the SUV. This will be cloned every day in 2006 sometimes twice a day for 365 days. Boss poem and poetry reading is based on those burning in the small flames of their SUV in this picture... while those in Colorado get \$1 billion in bribes to go along with the suppression of the Electric Windmill Car.

9-11 Attack would never have happened if the Electric Windmill Car was not suppressed by the USA gov. since its invention in October 1980

One Billionth Electric Windmill Car in 2007

One Billionth Electric Windmill Car in 2007

One Billionth Electric Windmill Car would be on the roads in 2006 if... the worst human beings below were not psychotic mad men and women. Letting others kids burn in gasoline for more oil money.

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis.

Worst human beings of 2007...

7 Million Cops will burn and burn to death in gasoline for more oil money.

Another Genocide

Worst human beings of 2007 goes to...

And they will be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them, and tens of thousands of cops and kids burned in gasoline will testify against them also!

Worst human beings of 2007...

7 Million Cops will burn and burn to death in gasoline for more oil money.

Worst human beings of 2007 goes to...

YMCA men and women...

Red Cross men and women...

Swiss Bankers and their wives...

UN Secretary-General...

Bill Gates and his wife...

Jews and the Pope...

Laura Bush watched 469 people burn alive in gasoline same people you see her with in the video clips of her in Lagos school with the kids. Yet she refused to expose the suppression of the Electric Windmill Car. 269 were burned alive on Christmas Day 2006 and she watched this and said nothing... worst human beings on Earth are those protiting from Oil. While some others kids burn in gasoline.

Red Cross says 269 killed in Nigerian fuel blast.

Crowds of local residents went to scoop up gasoline in plastic containers after an armed gang punctured the underground pipeline overnight to siphon fuel into road tankers. 269 people were burned alive. 160 people were taken to two hospitals in Lagos suffering from burns.

A similar explosion at a vandalized pipeline in another part of Lagos in May killed about 200 people.

Despite huge exports of crude oil, Nigeria suffers regular shortages of petrol and diesel because it relies on imports of refined fuel from the West. President Olusegun Obasanjo has billions in Swiss bank accounts. Industry experts estimate that about five percent of Nigerian crude oil is stolen for export by criminal syndicates with contacts in the military and government.

But smaller-scale theft of gasoline and diesel is also common, and much more deadly

because of the highly flammable nature of these fuels.

Of all those behind the hidden cameras in this Orwellian Society who could have exposed the suppression of the electric windmill car invented in 1980 who didn't

Leaders of the YMCA in Estes Park Colorado as the worst as they aligned with Bush one week before 9-11 and if instead they would of exposed the suppression of the electric windmill car then the news of this would of cause the 9-11 attack the next week to be nonexistence, and the USA would never have attacked Iraq twice. The men and women of the YMCA should be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them in Colorado.

Jews will lose the state of Israel for going along with the Oil Genocide that killed 6 million white cops in the USA, Moscow and around the world. Jews in 2006 profited from the oil genocide and the pay off is Swiss Bank Accounts and a suppressed Genocide by Jews for more oil money while someone else's kids and cops burn in gasoline.

Pope will lose Vatican City to those burned in gasoline... Vatican City will be a memorial to genocides that paid the Pope's billions in oil money to go along with let others burn and burn to death in gasoline for more oil money. 100's of burnt out cop cars will be nail to crosses on the roads and highways leading to Rome and the Vatican City.

Bill Gates and his wife killed hundreds of millions of inventors, and most were HS and University students.

2007 inventions

1. Prism light will replace ink cartilages.

2. Projectors will replace Sony 40" LCD TV/Monitors when projector manufacturers mass market them with LED bulbs instead of Projector Lamps.

3. Target you must have your receipt to get a refund and the Management will not take my idea to put all receipts on your credit card or Target Card... ie I also told Mark the top Manager to build a drive up window for Starbucks and the Pharmacy now Wall Greens is advertising 24 hour drive up windows for the Pharmacy and Starbucks... and the Managers just get promoted again no matter how many suggestions they shoot down from the temps from Manpower or Seasonal Target people. So much for getting promoted for merit... Merit does not exist in this Orwellian Society there are to many Observers... who are bullies... ha

2006 statistics

40k breast cancer --- 12k skin cancer ---- 6k pain pills ---
2k Iraq ---- 40k from alcohol poisoning.

One Billionth Electric Windmill Car would have come off the Ford assembly line on Lennon's 66th BDay in 2006 if Yoke would have exposed the suppression of the Electric Windmill Car invented by me in Oct of 1980... observed on hidden cameras by Observers!

Daily Camera newspaper reporters tore up Officers Jason's pictured above when I put up posters of this web page on the Pearl Street Mall, which is next to the newspaper HQ. Only a man could destroy a picture of a cop burnt in gasoline when his cop car was rear ended, a women even a women in this Orwellian Society would not have torn up the cops picture above.

DC Cops ----- will take as much oil money as possible letting other cops burn in gasoline like Officer Jason above as long as they can take the money and run to the bank, DC Cops live for the money to Hell with the Officer Jason's\$\$\$\$\$\$\$\$

Beijing Cops ----- will burn Hu and his Communist Ruling Class in gasoline when they find out the electric windmill car has been suppressed since 1980 and Hu and his gang of oil genocide nigers let them burn in gasoline since 1980 via the USA government and Texas Oil men... Hu will be burnt alive in gasoline... according to Chinese history.

Boulder Colorado USA Cops ----- will keep their jobs doing nothing for cops in Beijing or Moscow etc.

Moscow Cops ----- will Kill Putin and his whole family... just like the Czar as they will be out for

Justice against the Oil Czar and Oil Men Hitler's... Putin will be see as worst than the Czar and Hitler, Moscow Cops will have no mercy at all!

6 Million Cops will burn and burn to death in gasoline for more oil money. Another Genocide, this one I call the "oil Genocide" because the Electric Windmill Car was invented in 1980...

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. End To War on Earth

Kennedy could of used The Electric Windmill Car In 1980.To End War on Earth ! Instead he voted to suppress it. For more oil money and wars... This is a crime to say the least. Senator Kennedy observed me on hidden cameras... Brainstorming for 6 months, then getting the Electric Windmill car invention in 1980.

\$

Prosecutors will show vivid pictures of 6 million burned and burned to death in gasoline. Nancy Grace was a prosecutor in Atlanta Georgia while tens of thousands burned and burned to death in gasoline in the USA.

Ironic going after petty criminals while the Texas oil men are mass murderers.

I'm looking for wives, to brainstorm inventions, women who **want to find gravity control and a cure for cancer and are MD PHd "ROCK CLIMBERS"** and the like.

All is fair in love and war, women will inspire us to get a cure for breast cancer for the 40k women who will die in 2006, and another 40k will die in 2007 from breast cancer.

I am home alone not started working on 1,001 inventions or a breast cancer cure. Besides the electric windmill car, I have over 100 inventions some are very impressive.. I hoped to impress women enough to accept my proposal to join me in a 100 wife commune working 24/7 to get the cure for cancer and gravity control - I will have to wait to work on 1,001 invention projects and a cure for breast cancer. I am ripe and ready to work 24/7 for 30 days to say the least.

Observers in our Orwellian society are part of my life, run my life so the decision to work 24/7 is not just up to me but who ever runs things in our Orwellian society. Gen. Orwell will not let me work on a cure for cancer and gravity control because of the Vietnam War Era. Today it's the Oil Genocide Era with the Electric Windmill Car being suppressed since 1980 resulting in 6 million cops and kids burning and burning to death in fiery car wrecks. This is a crime against humanity by DC Observers and Observers.

Here in Boulder Colorado "Observers" get \$\$\$ bribes from DC. And our local University got 3 Nobel Prizes as bribes to not expose the suppression of the Electric Windmill Car - they will all hang. Those in Boulder and those in Sweden. Imagine Court TV and Nancy Grace talking about this Oil Genocide... grin!

Quid Pro Quo Hubble Space Telescope - Bribes to Ball Aerospace. 1965 Chevy rebuilt in Orbit or buy a new Escalade with all the options....A no Brainerd --- Texas Oil men who have burnt kids and cops Search Goggle, for "burned in gasoline"... 140,000 have been burned by our Government for more oil money... this is a sick Orwellian Society.

NASA would have several new models of Space Telescopes "Today" if Katie Couric while still on the Today Show would of exposed cops and kids burned in gasoline for more oil money by USA government officials. And if NASA would not have gone along with this Oil Genocide that burns people in gasoline for more oil money.

Greg's new 2008 Model of a Space Telescope with not depend on Oil Money for bribery but will use the Top MIT scientist not the criminals at Ball here in Boulder, CO who harass me every time I bike by there buildings.

They harass me for inventing the electric windmill car.... no top scientists here at Ball Aerospace Boulder, CO.

Greg's new 2008 Model of a Space Telescope Will have 2 sections both "life Boats" that can parachute back to earth... 1st will be the telescopes. Second will be the living quarters for the Astronauts docked in orbit with the telescope section. Telescope section will have quarters for crew "lifeboat in a emergency". Both launched one at a time on the biggest launch rockets available in 2008 so we will be designing a new class of launch rockets too.

No Brainerd if the Texas Oil Men were not in charge burning 140,000 in gasoline and not even making the National News with Katie Couric... on this top story of the day. When Katie Couric announced the repair mission of Hubble she did not mention buying a new model Telescope so this news is bias to say the least. Add in those burnt in gasoline today who didn't make the news. Imagine!

Killing thousands of the enemy or 3 million in Vietnam left all the retired Generals in Estes Park callous like the 12 Roman Caesars... side effect from going into villages in Vietnam or Iraq and killing all the women and children because the men are out fighting the war. So typical behavior in war... Vietnam should have pictured the 3 million women and kids killed... now 60k women and kids killed in Iraq and 7 million in the USA will burn in fiery car wrecks for more oil money to pay for the war in Iraq. All this in a 1984 society were no observer cares if they are caught on video saying ... "let them burn in gasoline... we need the Texas Oil money...." everyone on MSNBC has said this! Clinton and his wife said this every day for 8 years.... Bush and Bush and both their wives said this every day for 8 years and now 7 million cops and kids have been burned and burned to death on the highways and roads of the USA so Texas Oil men can keep the money flowing.

Paula is 77 years old now I am 59 years old now looking back to 1975 and Paula, yes she was a fox and single.... and a book store geek... we could of ended war on Earth if we hooked up in 1975!

wow - the ones who got away... grin!

Oil money spent on Saudi Princes at the Bush Texas Ranch.... is impeachable!

Impeach Bush

Before he flees to Saudi Arabia

He has sold organs illicitly to Saudi Princes

Letting Americans die waiting for a organ transplant

He is to stupid to make organ donation mandatory

His best friends in Saudi Arabia knew of the 9-11 attack

And didn't tell him.

Dream Houses in Aspen are for Saudi Princes

90k trailers decaying in a mucky field today

Aspen is on his mind

Meanwhile back on the streets of the USA

6 million cops and kids burn in fiery car wrecks

6 million patients are misdiagnosed by Bush's black MD's

1 million kids die in hot cars every year,

in the summer mostly

In his kid brothers state of Florida

Aliens cross the boarders in the tens of millions

Because Mexican Oil is part in the Oil Genocide Era

Mexicans murder Denver cops and

Bush spits on the dead cops

Then Bush goes to the Police Chiefs meetings

unmolested!

Cop Killer Bush

Aid and abetting Mexican cop killers

**Do Police Chiefs really support cops,
who have been burning
and burning to death in gasoline since 1980?**

No !!!!!!!

Cops in fiery car wrecks.

Aliens to eavesdrop on are on the Texas border

Not in Arabia - Iraq

Meanwhile at The Falls Bar in NYC

Rice's black lover rapes (3) and kills 1 white woman

Cameras are everywhere were Rice is

Rice's upper class Black MD's kill patients...

6 million patients are misdiagnosed

mostly by Black MD's

Black MD's from Yale Medical School -

Bush knows this.

President of Yale Medical School

knows this too

IBM has software to track misdiagnosis via MD's

but its not public as this is another

Genocide by the Bush Government and IBM

Bush got them into Medical School

via politics not merit!

No child left behind

then Bush lets his Black MD kill them!

Organs go to Saudi Arabia

while Americans die waiting!

CIA knows about the Saudi Organ trade

and Americans dying.

FEMA has 90k trailers

decaying

And they will be there in 90 years from today

Everyone on TV from New Orleans

has a front tooth missing!

Bush dentist has more money than Bushs MD!

Price fixing indictments from our Attorney General

4% of Priest molest boys

84% of Lawyers molest boys

And our Attorney General indicts 0%

Perverts are hidden Camera "Observers"

Who watch you in our Orwellian Society

Jacking off observing you behind hidden cameras

Benefits of working for the government

in an Orwellian Society

Whole Foods in Boulder CO

fired all the women and hired girly men

None of them has safe sex

or washes their hands after taking a shit

This is their lifestyle...

Bush knows this and eats it up for their vote,

Their support

Gates will get Bush to Kill a \$100 notebook

without Windows

Gates got Bush to let him lobotomize 6 million kids

minds

**Gate murdered 6 million inventors,
most were HS kids
Who turned to something else
because they could not afford same software as Bush at Yale
Microsoft's Office, Server, Programming C#
Software that cost \$10,'s of thousands
Not for your PC user in HS
according to Gates
Microsoft Golf and Poker is for HS
Thus Making Gates a mass murder
of HS students
Only via Bush could Gates get away with this
murderous plan
In order to make Microsoft like the Oil Companies
Making \$billions in profit every 3 months
Yet the side effects of Gates mass murder
are only pictured
In Officer Jason face burnt in gasoline
20 years after the invention of the electric windmill car
Bush is in bed with Gates and Texas Oil Men
Together they are today's mass murderers!
99% of American Observers believe this
FEMA is in bed with NCAR
Lightning will strike the Earth until NCAR
government workers are fired
Simple invention like keeping Lightning striking the Earth
Is killed by NCAR's Top Brass**

here in Boulder CO
Bush wife lets 40k women a year die
from breast cancer
And makes NBC Today Show give false hope
and tells them to never mention the 40k
Breast Cancer deaths for 2006
Husband and Wife Impeachment
is what this really is
Add in Bush Mon and Dad
and they will get the death penalty
When convicted in the Oil Genocide Trials
NVIDIA QuadroR FX 4400 and
AutoCAD design software are required
In the Real World \$100 notebook fails
F F F F F
Get you a high paying job
MIT fails in the real world
F F F F F
Required courses to graduate,
NVIDIA is a must to see the small print
In The Real World void of MIT advice
Locking Gates up next to Peterson
will only solve the software problem
\$500 Billion Bush gave to Iraq
\$500 Billion would put \$100 notebook
out of business
\$500 Billion would buy all HS kids

NVIDIA notebooks

**So they can read the small print
That caused 6 million cops to burn and burn to death
in gasoline since 1980
25 years after the invention
Of the Electric Windmill Car Invented in 1980
Department of Education
is next to FEMA and NCAR in DC
FEMA might have infected the Treasury Dept
As the new \$10 bills have no
bar code serial numbers
1st President after Bush is Impeach
will rename Dept of Education
To Department of Inventors
IBM will not longer get the most patents
Individual Americans will get more patents than IBM
Gravity Control invention will not be owned
by an American Corporation
Roche of Sweden
will not steal memory the memory Pill invention
Roche plant in Boulder CO will be a memorial site
For corporate sponsorship that let 6 million Cops
and kids burn in fiery car wrecks
Roche Impeachment will be a criminal trial
Roche has committed mass murder
because of Bush Politics
Total Recall was a Swartznigger movie**

from my invention project
Kennedy's will have to flee to Saudi Arabia
with the Bush's
Bush gave us a Universe
Without Aliens
To Eavesdrop on via MIT
MIT profited from Texas Oil men
During our Oil Genocide Era more than most Universities
Universe without any Aliens to eavesdrop on
Impeach Bush
Eavesdropping on Americans and the rest of the World
Bush's Universe
Yale Medical School is not part of Bush's Universe
Universe without any Aliens to eavesdrop on is Bush Universe
F grade
Bush murdered the rest of the Universe
Side Effects were not mentioned
The Falls Bar
Impeach Bush

Impeach Bush
Before he flees to Saudi Arabia
He has sold organs illicitly to Saudi Princes

His best friends in Saudi Arabia knew of the 9-11 attack

NASA's crazy women.

700 Shuttles should of been built by today.... 7 Feb 2007

NASA to Review Psychological Screening Process on President Bush.

NASA's crazy women...

I want some of them to work with on a cure for cancer and gravity control...

Excitement of blasting off...

In the Shuttle...

Excitement of blasting off...

In brainstorming inventions with the inventor of the Electric Windmill Car...

Excitement of blasting off...

When the observers come out from behind the hidden cameras...

I will jet off to MIT, Yale and Harvard Medical School and try to find some crazy women who have been married for 20 years and are now ready, ripe and crazy enough to hook up with an inventor to End War On Earth...

and get some new inventions in the process...

I also have to stop by Court TV in NYC and try to find a few crazy Lawyer women - (no not Nancy Grace she is not Man Crazy.... ha Nancy Grace's mentality is one of Widow Forever after her lover was murdered... ----- Nancy Grace would not hook up with the inventor of the electric windmill car to End War on Earth.)

Mentality I'm looking for in a Crazy Lawyer a woman is...

War is Enough....Enough of War by the insane men

lets end war on Earth or die trying.

We will sue the Pentagon and Rice for going along with the oil genocide era that burned 7 million cops and kids in gasoline since 1980.

This could bankrupt the Pentagon if they have to pay all the widows \$1 Billion each... for all the cops and husbands killed in fiery car wrecks since 1980 when the Pentagon Generals found out about my Electric Windmill Car invention but sold out to Kennedy and the Texas Oil men.

Pentagon will have to pay those burned in fiery car wrecks for the rest of their life. And a lump sum for being burned in gasoline when the Pentagon Generals knew but would not stop the Oil Genocide Era from 1980 to 2007

MD's in our Orwellian Society have sued into Bankruptcy those burned in gasoline.

MD's who have does this will be tortured....

And 9-11 Widows will get \$1 Billion more each

As the Pentagon Generals profited from the Oil Genocide bribes to the Pentagon and the 9-11 attack would of been could of been prevented by Rice and the Pentagon Generals so they are libel for \$1 Billion for each 9-11 widow... this will help Bankrupt the Pentagon....

And if nothing else we can End War on Earth by Bankrupting the Pentagon.

NASA to Review Psychological Screening Process on USA Presidents and Senators who voted for War

in Iraq and then spent \$700 billion on the war instead of buying 700 Shuttles for the same price....

\$700 Billion, Bush McCain Kennedy spent on Iraq

Insane President of the USA shipped \$8.5 billion in cash on pallets to Baghdad

700 Shuttles should of been built by today.... 7 Feb 2007

700 Shuttles should of been built by today.... 7 Feb 2007

700 Shuttles should of been built by today.... 7 Feb 2007

NASA women have been spending too much time between shuttle flights and the Shuttle has been living in any Oil Genocide Era instead of an era of 700 Shuttles being built with the \$700 Billion Bush McCain Kennedy spent on Iraq War...

Insane President of the USA shipped \$8.5 billion in cash on pallets to Baghdad for pay offs while NASA in this Orwellian Society could only watch on Orwellian TV... this would drive anyone crazy.

I'm looking for Crazy Women like Lisa Nowak.... as she is Lost and Yes Lost is on TV tonight.

Seduce women to invent something, to be the Goddess of inspiration.

Don't put her on hold until Bush, McCain, Kennedy get drunk enough on Texas Oil money.

Lisa M. Nowak (CAPTAIN, USN)
NASA Astronaut

PERSONAL DATA: Born May 10, 1963, in Washington, D.C. Married, with three children. Lisa enjoys bicycling, running, skeet, sailing, gourmet cooking, rubber stamps, crossword puzzles, piano, and African violets. As an undergraduate she competed on the track team. Today is 1 Sept. 2008

Today is 1 Sept 2008 My 61st BDAY is come on 27 Sept. 2008, and I'm looking for a few Goddess of Inspiration Wives --- to help me get the cure for breast cancer and gravity control, gravity engine and 1,001 other inventions!!!

Call Greg Buell at 303 548 9904

PO Box 1113 Boulder CO 80306

Above links at top of page 1st one is the Classic look of the ElectricWindmillCar web page. The second is End War on Earth coup news on www.endwaronearth.com

I update this news everyday. The 1 Sept. update has the "Penicillin" discovery for the Breast cancer cure and the President of France killing, murdering all the students in every University in Paris the 1st week of classes on orders from Bush!

Warp Speed Invention is the Gravity Engine.

Gravity Engine works by pulling and pushing. Gravity engine requires no fuel or windmills.

It's the 2nd perpetual motion machine in our Universe. Electric windmill car is the 1st.

Generation of Gravity may not be known, How gravity is created, But we certainly can invent a Gravity Engine. Best thing about this engine is you will never crash land in a plane or helicopter as your gravity engine can control gravity being a bitch.

Moon pulls the ocean into high tide, Gravity Engine will use the same force of gravity and then burn gravity as its fuel for thrust.

This is why the Department of Education will get out of the student loan business and take over Microsoft, and most cable channels.

Microsoft will be Nationalized and Bill Gates will be hanged by the ElectricWindmillcar Coup D'Etat leaders.

Vista Ultimate will have physics of everything, and 1,001 invention projects besides the Gravity Engine and Gravity Control.

Vista Ultimate will be able to zoom in on an atom, a Quark and even a Gluon...

Bill Gates prohibition era prohibited 5 billion people from clicking on all programs and then licking on total reality and the physics of gravity.

BEFORE THE DISSECTION OF GRAVITY Bill Gates caught the madman disease from the oil men.

LOBOTOMIZED Bill Gates

LOBOTOMIZED Gravity Control inventors in HS by the Fortune 500 companies. Ads for a wife, were are the ads and banners for Gravity control inventors? On President Bush desk with a veto carved into them.

Confessions from the Riches Men on Earth at their Oil Genocide Trial, documenting their crimes against humanity via greed.

Who have no idea the electric windmill car invented in 1980 would be climate controlled for hot and cold just like your home is. This is a extremely sick Orwellian Society you observe on the MSNBC Nightly news which is owned by GE.

KASHIWAZAKI, Japan (AFP) - The world's largest nuclear plant was ordered Wednesday to stay shut indefinitely after Japan's deadly earthquake, as it revealed a radiation leak was worse than first thought.

The sprawling Kashiwazaki-Kariwa power plant suffered a radiation leak and dozens of other problems in Monday's 6.8-magnitude quake, whose epicentre was just nine kilometres (five miles) away.

Tokyo Electric Power Co. (TEPCO), the operator of the plant, said the water that leaked into the sea was 1.5 times more radioactive than it initially estimated. But it said the level still did not pose a health risk.

The scare grew Tuesday as it admitted 50 operating faults, including a fire, leakages of water and oil, misplaced duct pipes and broken equipment.

our local University CU got 3 Nobel Prizes as bribes to not expose the suppression of the Electric Windmill Car - they will all hang.

Alpha Centauri is 4.3 light-years from the Sun, but Beta Centauri is 460 light-years from the Sun - more than 100 times farther away.

Alpha and Beta Centauri are in the constellation "Centaurus", the Centaur.

(Hence those names for the stars.) The Southern Cross is a different constellation, "Crux", the Latin word for cross.

The two constellations are next to each other in the southern sky, with the front legs of the Centaur on one side of the Cross, and the back legs on the other side of it.

Alpha is a multiple star system, consisting of two stars close to one another, and a third, called Proxima Centauri, orbiting that pair at a large distance.

At present, Proxima is about 0.1 light-years closer than Alpha and its companion.

ElectricWindMillCar Coup D'Etat News 26 June 2007

Breaking News ----- High School Students in the Presidential program presented a No Torture Protest to Bush today... little do they know they are the ones being tortured when they find out about the suppression of the electricwindmillcar! The torture High School inventors will experience --- FEEL IN THEIR SOUL --- when they realize their inventions were stolen by their President, the spin off inventions they would have got from the electric windmill car Era... High School students in the Presidents program will be the coup leaders who vote to hang Bush and Bill Gates for losing them millions of inventions they would have got if the electric windmill car was their graduation present..... ----- Saint Petersburg - High School students with old sailing ships who have no idea the electric windmill ships and cars were invented in 1980 and suppressed..

Spectators watch a ship sailing down the River Neva as part of the 'Crimson Sails' highschool graduation celebrations on Saturday. The event also featured a firework spectacular and salute.

Bill Gates and Bush have killed billions of inventions by High School kids in every major city on Earth... this Saint Petersburg Crimson Sails in an era that should be electric windmill cars and ships... is a crime against humanity and High School grads in St. Petersburg.... 2007

12 die in attack on heavily guarded Baghdad hotel Bush is in a no win war and losing another war of Social Inventions being lost wasting his time in Iraq.

Staphylococcus aureus and general Staph infections were a plague when I worked as a CNA in 1992 here in Boulder CO at every Nursing Home. Bush lost a cure for Staph and 100's of other infections being addicted to oil money and going into Iraq as a Psychotic Madman.

An impressive line-up of government and industry leaders will take the stage at SPACE 2007, September 18-20, at the Long Beach Convention Center, in Long Beach, Calif., to host "SPACE: The Next 50 Years."

4th Of July holiday coming up would be impressive if the NASA space community would take the stage and expose the

suppression of the electricwindmillcar and 700 Shuttles lost being built via Bush's psychotic voyage into Iraq war.

Samsung Electronics Co., Ltd. has begun mass producing 1.8-inch solid state drives (SSD) at 64GB (gigabytes).

Why the Hell didn't Samsung build the solid state drive 18 inches by 10 inches and screw it to the bottom of the notebook, which would give us pc users a 640 gigabyte hard drive... because the Bush Government didn't want to bankrupt Seagate that quickly so we have to wait 10 more years until 2017 for what Samsung could be sending to mass market next week because of politics of a psychotic madman Bush.

Seagate has unveiled two new 3.5" hard drives that both boast a 1TB capacity and are scheduled to start shipping next quarter. One of those two drives is the 1TB Barracuda 7100.11, Seagate's answer to the Deskstar 7K1000. Aside from its capacity, the new 'cuda boasts a 7200-RPM spindle speed, four platters, up to 32MB of cache, an average seek time of 8.5ms, noise levels as low as 27dB, and—keeping with what's now tradition for Seagate—a five-year warranty. The drive will retail for \$399.99

Communist Webmaster Accused of Conspiracy

By Alexander Osipovich

Effectively carried out in the interests of the pro-Western bourgeoisie - what they are saying below is Oil, Let them burn in gasoline we want the oil money in Moscow too.

I had to post this from Moscow, and all the top murders of KGB agents and women reporters in Moscow is headlines again but nothing about oil money and the suppression of the electric windmill car in Moscow. Moscow has more cops and kids burned in gasoline than any Capital on Earth and Moscow and St. Petersburg web pages have never posted a cop car on fire or cops burned in gasoline as this is suppressed from the news in the USA and Russia.

In a bizarre dispute hearkening back to the rhetoric of the Stalin-era purges, the Communist Party's webmaster has been accused by fellow party members of hatching a Trotskyist conspiracy.

Anatoly Baranov, editor of the party's web site, has been plotting to subvert party policy to reflect "the interests of pro-Western forces," the party's Central Audit Committee said a statement posted on the party's web site over the weekend.

The committee is a body within the Communist Party that monitors the ideological purity of party members.

"The 'Baranov group' stubbornly pushes the Communist Party from the victorious Leninist

path onto the false Trotskyist path of a rapid revolution, effectively carried out in the interests of the pro-Western bourgeoisie, rather than in the interests of the Russian people, and leading to the total occupation of Russia by NATO forces," the committee's statement said.

California Governor Arnold Schwarzenegger and his daughter Katharina arriving at the airport in Graz, Austria, on Sunday.

GRAZ, Austria — California Governor Arnold Schwarzenegger returned to his Austrian hometown Sunday for the first time since severing official ties with the city two years ago after a flap over the death penalty.

The actor-turned-governor was welcomed at the airport in the southern city of Graz by friends and current and former local politicians, including Alfred Gerstl, a former leader of the upper house of parliament often described as his mentor, the Austria Press Agency reported. APA reported that Schwarzenegger would attend Gerstl's 84th birthday celebration Sunday evening

1984 on the California highways left behind by Schwarzenegger are several fiery car wrecks... maybe even a gasoline tanker truck burning American Citizens to death while Schwarzenegger suppresses the electricwindmillcar invention....will he hang at the oil genocide trials in LA, what will they report in GRAZ, Austria when the oil genocide trials start in Austria ?

Era of the Oil Genocide goes on world wide on....

Coup D'Etat News 21 June 2007

Bush vetoed stem cell research on moral grounds while cops like Officer Jason burn in gasoline, today 21 June 2007 and for the summer of 2007. This Orwellian Society is warped, every Observer knows 100's will burn in fiery car wrecks in the summer of 2007, 100 kids will die in hot cars, and the suppression of the Electricwindmillcar goes on. The President of Vietnam is in the USA today for a weeks visit and does not expose the suppression of the electricwindmillcar... why?

Will McCain hang for letting kids die in hot cars when he helps suppress the climate controlled electricwindmillcar?

Pope has the new 10 Commandments for cars and drivers and the Pope forgot to mention the electricwindmillcar and fiery car wrecks when he knows about the suppression of the electricwindmillcar.

Leno jokes about going to Hell for garage full of gasoline powered cars... when he should be playing with electricwindmillcars... not cars with internal combustion engines.

Here in Boulder Colorado one of the Observers at the Senior Center knifed my bike tire when I was inside printing my electricwindmillcar web page... I will be able to track him down when the Observers come out from behind the hidden cameras. City of Boulder runs the Senior Center and everyone knows about the suppression of the electricwindmillcar, and oil genocide money going to the City of Boulder... perks and pay raises to say the least for City Employees.

Iraq ---- Generals press ahead with the biggest operation since the invasion, instead of exposing the suppression of the electricwindmillcar by Bush ---- BAGHDAD (Reuters) - Twelve more US soldiers were killed in the past two days, officials said on Thursday, as the US military pressed ahead with one of its biggest operations since the 2003 invasion to topple Saddam Hussein.

Sony's chief Howard Stringer said Thursday the iconic Japanese company is firmly on the comeback trail and pledged never to repeat the past mistakes of failing to promote new concepts.

Sony suppresses my idea to put a hard drive in all their LCD tv/monitors.... imagine buying a new LCD tv/monitor with a 250 gig hard drive built in with several Sony movies on the hard drive. And Sony will not put a usb connection on the LCD tv/monitors so you can plug in your external usb hard drive or flash drive.

Daily Camera Newspaper here in Boulder Colorado had Whole Foods take over comments made behind the

hidden cameras about Wild Oats... Reporters who wrote this story are the same reporters who tore down and tore up the picture of Officer Jason with a face burned in gasoline... if the Nightly news started reporting the comments of the Oil Men looking a pictures of fiery car wrecks we would demand the government hang them all in public...

And the Queen of England made Salman Rushdie a Knight while she spit on Officer Jason, British know thousands of commoners will die when the Moslems get their revenge for the Queen's stupid Knighting of this guy.

Let them Eat Cake Let them Burn in Gasoline... even the French Ruling Class are putting their oil money in Swiss banks on 21 June 2007 so much for the French Revolution.

Recently British Queen awarded controversial writer Salman Rushdie with Knight title. First of all, we can say, UK gov has the right to award anybody with any title, it is not our headache to meddling into it.

ABC Nightly News reported that All the

MD's at Martin Luther King Hospital are mass murderers, and everyone knows this. Yet Bush can not stop this killing of patients in massive numbers because he would have to admit he ordered it in the first place, via getting them into Yale Medical School and passing them when they really failed at Yale Medical School. ABC Nightly News would have enough on Bush to Hang him in public.

5 Star General Pace got fired day after I got fired from my warehouse job at Blue Mountain Arts.

I will get the Coup D'Etat leaders, the one's who do pull off a successful Coup D'Etat of the suppression of the Electricwindmillcar since Oct. 1980. To replace the picture under the glass on General Pace's desk with the picture of Officer Jason's burned face... Gen Pace should of replaced it himself. Why didn't the General save the thousands of cops and kids who will burn in gasoline in 2007? We will find out when Gen Pace testifies at the Oil Genocide Trials in DC.

Colorado last Tuesday, she did not call me, I sent her some postcards of Officers Jason's burnt face last year too.

18 June 2007 Coup D'Etat News 18 June 2007

Monday, Coup D'Etat leaders are still hidden behind the hidden cameras in our Orwellian Society; Nightly News on CBS, ABC, NBC reported on some of the governments genocides this week if you read between the lines.

CBS Nightly News portrayed MD's as being worse than the Texas and Saudi Oil men combined when you realize they profited off cancer surgery and drugs... by \$100's of billions billed to Medicare and cancer patients. Selling worthless drugs that are placebos for huge oil mentality profits.

One-Billionth Electric Windmill Car

Coming Off the Ford Assembly Line in 2007

On John Lennon's 67 BDay

MD's in Boulder Colorado just build a new \$10 million dollar cancer building to cash in on the Medicare rip off profits.

Government Observers in this Orwellian Society let this Cancer Center be built when they knew the \$\$\$\$ statistics MD bill Medicare is a crime.

This is a government perk to steal from Medicare and cancer patients in Boulder Colorado because MD's let cops and kids burn and burn to death in our Oil Genocide Era and don't protest the suppression of the electric windmill car and... the stifling of Greg Buell from getting a true cure for cancer.

Nightly News will expose these perks paid to Boulder Colorado MD's when the electric windmill car is exposed.

City of Boulder DA call to tell me...

City of Boulder DA call to tell me they have a witness to testify against me getting run over in the cross walk on my bike. Of course they hid behind hidden cameras in this Orwellian Society when they called me but I imagine most the DA's in Boulder and in the USA will be arrested for Genocide by cops with faces burned in gasoline, like officer Jason's burned face in gasoline.

Young women DA's have been seduced...

Young women DA's have been seduced by a government that is so addicted to oil money that it pours gasoline over 100's of people a week and sets them on fire.

Worst than this is the lost inventions from the suppression of the electric windmill cars.

Loss of other no yet invented perpetual motion machines other than the electric windmill car.

Add in the insult from Bush of a Free University for Saudi Arabia...

Add in the insult from Bush of a Free University for Saudi Arabia for the last 30 years, and \$1 trillion in student loans here in the USA while Bush has \$4 trillion in oil money sitting idle in Banks. Not used for a TB cure or 700 new Shuttles.

This week University of Colorado Foundation employees came out of their building I bike by and spit at me... as they have \$400 million in cash in Colorado Banks, they do not spend any of their donations on Campus or on Students... or on a cure for anything, Stupid, I think they have been brain washed by the Oil Genocide Mentality, talk between observers behind the hidden cameras. Leno Jokes repeated by CU employees, let them burn in gasoline we need the oil money... Oil Genocide Trials in Boulder Colorado will not be a Joke to the cops with faces burned in gasoline.

Greg all I want is my 2 front teeth for Christmas, Blue Mountain Arts management didn't help me get a set of dentures... I think General Orwell had something to do with this management decision, but I did get a new Rx for my eyeglasses and got some new bifocals which I have been without for the last 5 years because of being a temp in a Orwellian Society. In a Oil Genocide Era probably is more accurate as the oil men hate me and I hate them for burning so many in gasoline for more oil money.... this is a sick Orwellian Society in an Oil Genocide Era and the guy in a Denver Hospital with TB is another story of Big Brother watching but not getting a cure for TB with the oil money in Swiss banks... Bush and the top brass would rather keep their ill gotten oil money in Swiss Banks than use it to get a cure for TB.

Coup D'Etat News 18 June 2007

Yoko missed me writing a poem about her and Lennon's fight over his widow not exposing the suppression of the Electricwindmillcar...

Hilton is in jail and the NY Times put Kennedy and Hilton on the front page of the NY Times yesterday and did not mention Kennedy drove off a bridge killing his girlfriend and didn't go to jail. Needless to say Kennedy observed the video of me brainstorming and inventing the Electricwindmillcar in Oct. of 1980... and then let the Texas Oil men run the worst

Genocide in the history of the human race killing 7 million via gasoline. Kennedy will hang at the Oil Genocide Trials in Boston. To say the least...

Coup D'Etat news for 10 June 2007 on the personal front is I sent out 75 resumes and the resume is posted on my www.electricwindmillcar.com web page.

No one has offered me a job or sent a donation.

Government observers are worst than George Orwell could of ever written about - grin.

Went to court here in Boulder Colorado for getting hit on my bike in the middle of a cross walk by a CU student with no license, no insurance and no registration.

George Orwell writing...

George Orwell writing in any of his books about getting run over in a cross walk and getting a ticket... it's not 1984 and things are worst - big brother is watching with cameras at every intersection but he is not watching out for you as those who drive with a suspended or restricted license and no insurance are about 25% of the drivers on the roads.

Not just here in Boulder Colorado but in every city in the USA... ha! Coup D'Etat leaders will put air bags on the outside of electricwindmillcars and license plates and drivers license's will be tracked live every time you get in your new electricwindmillcar not just that you have a valid drivers license but that you have insurance, registration and are not to old, drunk or drugged to drive....

Big Brother is watching now you know why I wrote Big Brother is not watching out for you.

Electricwindmillcar Coup D'Etat leaders will build 700 new shuttles paid for by all the money the oil men have in Swiss banks, and the heat tiles on the new shuttles will not peel back on launch... I will update this news when Atlantis lands or disintegrates in orbit while trying to land...

NASA has taken to many oil genocide bribes to say the least. Coup D'Etat leaders will not be anyone from NASA as John Glenn sold out to the oil men 20 years ago.

Electricwindmillcar Coup D'Etat leader will not be the Pope as he just meet with Bush a couple days ago and did not expose the suppression of the electricwindmillcar and help those who will burn in gasoline in 2007.

Pope will burn in hell in God's gasoline... Priest will too.

*One Billionth Electric Windmill Car

This in the cross I was run

over by a right turn CU student with no license, no insurance and no registration yet I got the a bike ticket for crossing with the flashing red wait, which the DA said no one waits. The CU student hit the back of my bike in the second white stripe in the cross walk I was right in front of him again the DA said what was he looking at when he drove into my bike... you guess what the students are on... grin.

Alpha and Beta Centauri are in the constellation "Centaurus", the Centaur.

(Hence those names for the stars.) The Southern Cross is a different constellation, "Crux", the Latin word for cross.

The two constellations are next to each other in the southern sky, with the front legs of the Centaur on one side of the Cross, and the back legs on the other side of it.

Alpha Centauri is 4.3 light-years from the Sun, but Beta Centauri is 460 light-years from the Sun - more than 100 times farther away.

Alpha is a multiple star system, consisting of two stars close to one another, and a third, called Proxima Centauri, orbiting that pair at a large distance.

At present, Proxima is about 0.1 light-years closer than Alpha and its companion.

One Billionth Electric Windmill Car coming off the Ford assembly line

9 Nov 2006 ----- Rumsfeld has his own "Universe". Those burned in gasoline and forest fires had no chance of being saved by Rumsfeld as he is a "Mad Man" traveling light years to Baghdad not Alpha Centauri. But he was not fired by Bush for this. Bush fired him for not winning the war! Gates will not convert Rumsfeld's C5A to fight forest fires and Gates will not expose the suppression of the electric windmill car and save those who will burn in gasoline today.

Nancy Pelosi has 5 kids and 5 grandchildren none have been burned in gasoline and she does not care about the "observers" kids who will burn in gasoline today. Let someone else's kids burn in gasoline as long as Nancy Pelosi's kids don't burn in a fiery car wreck. She is a typical "women observer" in a sick "Orwellian Society" that has burned more than 140,000 cops and kids in fiery car wrecks since the invention of the electric windmill car in Oct. of 1980.

General Pace observed what happened to his boss Rumsfeld but General Pace is also in his own "military Universe". he can not see that Bush and the Texas and Saudi Oil men will let him and his Generals Hang for burning 140k in gasoline for more oil money. Only way Gen Pace can save his life and his Generals is to pull off a successful Coup D'Etat. Arrest Bush for burning 140k in fiery car wrecks and go on the "Today" Show at 7 am for 2 hours documenting the comments from Bush and the Texas and Saudi Oil men... "Let them burn in gasoline... we need the oil money \$\$\$\$\$\$\$" Let them Eat Cake... French revolution will happen the next day and Moscow Cops will Kill Putin and his whole family after they find out the "Oil Czar" Putin is a worst mass murders of Russian surfs than the Russian Czar Lenin killed.

Hydrogen from free electrolysis

Yoko knows Japan has 25 nuke power plants.

Tokyo Observers know the big quake will damage or destroy all 25...

Yet the USA government and Bush prevent Japan from changing getting their electric power from nukes to free hydrogen via the electric windmill car with a gallon of water, and free electrolysis.

Bush is out of this world - Sony movie, no Sony is profiting from cops and kids burning in gasoline for more oil money.

25 July 2007

KASHIWAZAKI, Japan (AFP) - The world's largest nuclear plant was ordered Wednesday to stay shut indefinitely after Japan's deadly earthquake, as it revealed a radiation leak was worse than first thought.

The sprawling Kashiwazaki-Kariwa power plant suffered a radiation leak and dozens of other problems in Monday's 6.8-magnitude quake, whose epicentre was just nine kilometres (five miles) away.

Tokyo Electric Power Co. (TEPCO), the operator of the plant, said the water that leaked into the sea was 1.5 times more radioactive than it initially estimated. But it said the level still did not pose a health risk.

The scare grew Tuesday as it admitted 50 operating faults, including a fire, leakages of water and oil, misplaced duct pipes and broken equipment.

Take along a gallon of water in your Electric Windmill car

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

Today is Friday, July 20, the 201st day of 2007. On July 20, 1969, Apollo 11 astronauts Neil Armstrong and Edwin "Buzz" Aldrin became the first men to walk on the moon as they stepped out of their lunar module. On July 20, 2007 these men poured gasoline over some kids and cops and set them on fire for more Texas and Saudi Arabia Oil money for the

Government of the USA and gave Bush more oil money for Iraq and to bribe those who would take the oil money and let others burn in gasoline.

Out of this world Orwellian Society were Oil Genocide Money bought off NASA and every Astronaut on its payroll. To go along with the suppression of the electricwindmillcar and let millions burn and burn to death in gasoline for more oil money. Memorial at NASA will have pictures of these Astronauts hanging after they are convicted of crimes against Humanity and Genocide at the Oil Genocide Trials at Cape Canaveral Florida. Women Observers who I run into at the Post Office etc know other women's kids are the ones burning in the back seat of fiery car wrecks, every day of the year several burn to death in a fiery car wreck yet the women Observers here in Boulder Colorado, eat up the government perks, pork given to them.... for not complaining about the other moms kids in the fiery car wreck, this is a extremely sick Orwellian Society!

www.electricwindmillcar.com web is still broken, probably by the government, grin. Honda Planet car parking in front of my apartment building started me thinking all the car makers even in Japan are going along with the suppression of the electric windmill car and thus letting thousands burn in gasoline every day for more oil money. This is a crime that will get the King of Japan hanged... Emperor of Japan escaped hanging for WW II but this is more of a crime he could be hanged for, like the French Revolution that finally got rid

of the King of France, and of course the Queen of England making up news stories for the BBC and all along serfs in England are burning needlessly in gasoline so she can get more oil money from BP Conoco in the USA.

In the small flame in front of the burning gasoline tanker are 3 people in a SUV burning to death for more oil

money, Bush and the Observers in our Orwellian Society admitted they are addicted to oil money to pay for their wars in Iraq... not 700 new Shuttles and the cure for cancer, free University and of course Sicko... free health care.

Nice when you finally make the move...

On a personal note I have climbed Mt. Audubon 13,300 feet 3 times in July 2007 (I lost 15 lbs in 6 weeks 150 lbs today!!!) and yesterday sent a post card to France asking some climbing guides how 6 climbers could fall to their deaths at 13,500 feet in the French Alps. I mailed the post card on one of my Hydrogen Post Cards, ha, No hot cars as free hydorgen from the electrolysis of water will give you a climate controlled electric windmill car. An impressive line-up of government and industry leaders will take the stage at SPACE 2007, September 18-20, at the Long Beach Convention Center, in Long Beach, Calif., to host "SPACE: The Next 50 Years."

4th Of July holiday coming up would be impressive if the NASA space community would take the stage and expose the

suppression of the electricwindmillcar and 700 Shuttles lost being built via Bush's psychotic voyage into Iraq war.

Samsung Electronics Co., Ltd. has begun mass producing 1.8-inch solid state drives (SSD) at 64GB (gigabytes).

Why the Hell didn't Samsung build the solid state drive 18 inches by 10 inches and screw it to the bottom of the notebook, which would give us pc users a 640 gigabyte hard drive... because the Bush Government didn't want to bankrupt Seagate that quickly so we have to wait 10 more years until 2017 for what Samsung could be sending to mass market next week because of politics of a psychotic madman Bush.

Seagate has unveiled two new 3.5" hard drives that both boast a 1TB capacity and are scheduled to start shipping next quarter. One of those two drives is the 1TB Barracuda 7100.11, Seagate's answer to the Deskstar 7K1000. Aside from its capacity, the new 'cuda boasts a 7200-RPM spindle speed, four platters, up to 32MB of cache, an average seek time of 8.5ms, noise levels as low as 27dB, and—keeping with what's now tradition for Seagate—a five-year warranty. The drive will retail for \$399.99

Effectively carried out in the interests of the pro-Western bourgeoisie - what they are saying below is Oil, Let them burn in gasoline we want the oil money in Moscow too.

I had to post this from Moscow, and all the top murders of KGB agents and women reporters in Moscow is headlines again but nothing about oil money and the suppression of the electric windmill car in Moscow. Moscow has more cops and kids burned in gasoline than any Capital on Earth and Moscow and St. Petersburg web pages have never posted a cop car on fire or cops burned in gasoline as this is suppressed from the news in the USA and Russia.

In a bizarre dispute hearkening back to the rhetoric of the Stalin-era purges, the Communist Party's webmaster has been accused by fellow party members of hatching a Trotskyist conspiracy.

Anatoly Baranov, editor of the party's web site, has been plotting to subvert party policy to reflect "the interests of pro-Western forces," the party's Central Audit Committee said a statement posted on the party's web site over the weekend.

The committee is a body within the Communist Party that monitors the ideological purity of party members.

"The 'Baranov group' stubbornly pushes the Communist Party from the victorious Leninist

path onto the false Trotskyist path of a rapid revolution, effectively carried out in the interests of the pro-Western bourgeoisie, rather than in the interests of the Russian people, and leading to the total occupation of Russia by NATO forces," the committee's statement said.

And the Queen of England made Salman Rushdie a Knight while she spit on Officer Jason, British know thousands of commoners will die when the Moslems get their revenge for the Queen's stupid Knighting of this guy.

Let them Eat Cake Let them Burn in Gasoline... even the French Ruling Class are putting their oil money in Swiss banks on 21 June 2007 so much for the French Revolution.

Recently British Queen awarded controversial writer Salman Rushdie with Knight title. First of all, we can say, UK gov has the right to award anybody with any title, it is not our headache to meddling into it.

ABC Nightly News reported that All the

MD's at Martin Luther King Hospital are mass murderers, and everyone knows this. Yet Bush can not stop this killing of patients in massive numbers because he would have to admit he ordered it in the first place, via getting them into Yale Medical School and passing them when they really failed at Yale Medical School. ABC Nightly News would have enough on Bush to Hang him in public.

5 Star General Pace got fired day after I got fired from my warehouse job at Blue Mountain Arts.

5 Star General Pace got fired day after I got fired from my warehouse job at Blue Mountain Arts.

I will get the Coup D'Etat leaders, the one's who do pull off a successful Coup D'Etat of the suppression of the Electricwindmillcar since Oct. 1980. To replace the picture under the glass on General Pace's desk with the picture of Officer Jason's burned face... Gen Pace should of replaced it himself. Why didn't the General save the thousands of cops and kids who will burn in gasoline in 2007? We will find out when Gen Pace testifies at the Oil Genocide Trials in DC.

money... I wondered if Susan invested in oil knowing about the suppression of the electricwindmillcar? After writing the kind of super sentimental cards and books she is famous for. Oh Joyce Carol Oats was in Boulder

Colorado last Tuesday, she did not call me, I sent her some postcards of Officers Jason's burnt face last year too.

18 June 2007 Coup D'Etat News 18 June 2007

Monday, Coup D'Etat leaders are still hidden behind the hidden cameras in our Orwellian Society; Nightly News on CBS, ABC, NBC reported on some of the governments genocides this week if you read between the lines.

CBS Nightly News portrayed MD's as being worse than the Texas and Saudi Oil men combined when you realize they profited off cancer surgery and drugs... by \$100's of billions billed to Medicare and cancer patients. Selling worthless drugs that are placebos for huge oil mentality profits.

One-Billionth Electric Windmill Car

Coming Off the Ford Assembly Line in 2007

On John Lennon's 67 BDay

MD's in Boulder Colorado just build a new \$10 million dollar cancer building to cash in on the Medicare rip off profits.

Government Observers in this Orwellian Society let this Cancer Center be built when they knew the \$\$\$\$ statistics MD bill Medicare is a crime.

This is a government perk to steal from Medicare and cancer patients in Boulder Colorado because MD's let cops and kids burn and burn to death in our Oil Genocide Era and don't protest the suppression of the electric windmill car and... the stifling of Greg Buell from getting a true cure for cancer.

Nightly News will expose these perks paid to Boulder Colorado MD's when the electric windmill car is exposed.

City of Boulder DA call to tell me...

City of Boulder DA call to tell me they have a witness to testify against me getting run over in the cross walk on my bike. Of course they hid behind hidden cameras in this Orwellian Society when they called me but I imagine most the DA's in Boulder and in the USA will be arrested for Genocide by cops with faces burned in gasoline, like officer Jason's burned face in gasoline.

Young women DA's have been seduced...

Young women DA's have been seduced by a government that is so addicted to oil money that it pours gasoline over 100's of people a week and sets them on fire.

Worst than this is the lost inventions from the suppression of the electric windmill cars.

Loss of other no yet invented perpetual motion machines other than the electric windmill car.

Add in the insult from Bush of a Free University for Saudi Arabia...

Add in the insult from Bush of a Free University for Saudi Arabia for the last 30 years, and \$1 trillion in student loans here in the USA while Bush has \$4 trillion in oil money sitting idle in Banks. Not used for a TB cure or 700 new Shuttles.

This week University of Colorado Foundation employees came out of their building I bike by and spit at me... as they have \$400 million in cash in Colorado Banks, they do not spend any of their donations on Campus or on Students... or on a cure for anything, Stupid, I think they have been brain washed by the Oil Genocide Mentality, talk between observers behind the hidden cameras. Leno Jokes repeated by CU employees, let them burn in gasoline we need the oil money... Oil Genocide Trials in Boulder Colorado will not be a Joke to the cops with faces burned in gasoline.

Greg all I want is my 2 front teeth for Christmas, Blue Mountain Arts management didn't help me get a set of dentures... I think General Orwell had something to do with this management decision, but I did get a new Rx for my eyeglasses and got some new bifocals which I have been without for the last 5 years because of being a temp in a Orwellian Society. In a Oil Genocide Era probably is more accurate as the oil men hate me and I hate them for burning so many in gasoline for more oil money.... this is a sick Orwellian Society in an Oil Genocide Era and the guy in a Denver Hospital with TB is another story of Big Brother watching but not getting a cure for TB with the oil money in Swiss banks... Bush and the top brass would rather keep their ill gotten oil money in Swiss Banks than use it to get a cure for TB.

Coup D'Etat News 18 June 2007

Yoko missed me writing a poem about her and Lennon's fight over his widow not exposing the suppression of the Electricwindmillcar...

Hilton is in jail and the NY Times put Kennedy and Hilton on the front page of the NY Times yesterday and did not mention Kennedy drove off a bridge killing his girlfriend and didn't go to jail. Needless to say Kennedy observed the video of me brainstorming and inventing the Electricwindmillcar in Oct. of 1980... and then let the Texas Oil men run the worst

Genocide in the history of the human race killing 7 million via gasoline. Kennedy will hang at the Oil Genocide Trials in Boston. To say the least...

Coup D'Etat news for 10 June 2007 on the personal front is I sent out 75 resumes and the resume is posted on my www.electricwindmillcar.com web page.

No one has offered me a job or sent a donation.

Government observers are worst than George Orwell could of ever written about - grin.

Went to court here in Boulder Colorado for getting hit on my bike in the middle of a cross walk by a CU student with no license, no insurance and no registration.

George Orwell writing...

George Orwell writing in any of his books about getting run over in a cross walk and getting a ticket... it's not 1984 and things are worst - big brother is watching with cameras at every intersection but he is not watching out for you as those who drive with a suspended or restricted license and no insurance are about 25% of the drivers on the roads.

Not just here in Boulder Colorado but in every city in the USA... ha! Coup D'Etat leaders will put air bags on the outside of electricwindmillcars and license plates and drivers license's will be tracked live every time you get in your new electricwindmillcar not just that you have a valid drivers license but that you have insurance, registration and are not to old, drunk or drugged to drive....

Big Brother is watching now you know why I wrote Big Brother is not watching out for you.

Electricwindmillcar Coup D'Etat leaders will build 700 new shuttles paid for by all the money the oil men have in Swiss banks, and the heat tiles on the new shuttles will not peel back on launch... I will update this news when Atlantis lands or disintegrates in orbit while trying to land...

NASA has taken to many oil genocide bribes to say the least. Coup D'Etat leaders will not be anyone from NASA as John Glenn sold out to the oil men 20 years ago.

Electricwindmillcar Coup D'Etat leader will not be the Pope as he just meet with Bush a couple days ago and did not expose the suppression of the electricwindmillcar and help those who will burn in gasoline in 2007.

Pope will burn in hell in God's gasoline... Priest will too.

*One Billionth Electric Windmill Car
Coming Off the Ford Assembly Line in 2007

This in the cross I was run

over by a right turn CU student with no license, no insurance and no registration yet I got the a bike ticket for crossing with the flashing red wait, which the DA said no one waits. The CU student hit the back of my bike in the second white stripe in the cross walk I was right in front of him again the DA said what was he looking at when he drove into my bike... you guess what the students are on... grin.

Here in Boulder Colorado the Daily Camera newspaper reporters tore up Officers Jason's pictured above when I put up posters of this web page on the Pearl Street Mall, which is next to the newspaper HQ. Only a man could destroy a picture of a cop burnt in gasoline when his cop car was rear ended, a women even a women in this Orwellian Society would not have torn up the cops picture above.

Greg Buell - Greg Lovestar when Freed

Alpha and Beta Centauri are in the constellation "Centaurus", the Centaur.

(Hence those names for the stars.) The Southern Cross is a different constellation, "Crux", the Latin word for cross.

The two constellations are next to each other in the southern sky, with the front legs of the Centaur on one side of the Cross, and the back legs on the other side of it.

Alpha Centauri is 4.3 light-years from the Sun, but Beta Centauri is 460 light-years from the Sun - more than 100 times farther away.

Alpha is a multiple star system, consisting of two stars close to one another, and a third, called Proxima Centauri, orbiting that pair at a large distance.

At present, Proxima is about 0.1 light-years closer than Alpha and its companion.

Ford bombard, posting worst loss in company history

Ford Motor's loss of \$12.7 billion in 2006 -- the worst year in the company's 103-year history

2007 history will see Ford CEO hang a year after Saddam

Ford in history

lost the electric windmill car

and went along with the Presidents of the USA

to let 7 million burn and burn to death in fiery car wrecks

when gasoline should not be in any Ford car or truck built

since 1980..... recall of all gasoline cars and trucks by Ford

will Bankrupt the car company and add a history deserving of
executives who let the neighborhood kid and cops burn in gasoline.....

rather than getting Bush and Bush impeached and Hanged long

time before Saddam was attacked and hanged.

Ford bombard, posting worst loss in company history

Ford Motor's loss of \$12.7 billion in 2006 -- the worst year in the company's 103-year history -- highlighted the difficulty in living in an Oil Genocide Era when gasoline should have been 10 cents a gallon since the invention of the electric windmill car in 1980.

7 million cops and kids have been burnt and burned to death in fiery car wrecks so Texas Oil men can get more oil money... now they have bombed Ford into a strange quark helpless to save its own life drowning in an Universe of Oil still in the ground and fires of tankers and fiery car wrecks littering the highways like Jets in the sky dots on the highways of the USA pinpointing all the car fires, but CBS Nightly news nigers with Katie Couric suppressing these dots on the highways....

1 Billionth Electric windmill car should of come off the Ford assemble line on John Lennon's 66th BDay in 2006 but Yoko Ono would not or could not talk her friends in Japan Tokyo into exposing the suppression of the Electric Windmill Car and its suppression since 1980 and the consequential burning to death of 7 million cops and kids in fiery car wrecks in the USA and Japan for more Texas and Saudi Oil money.

Happy Birthday Poem was in the windows below Paula the owner of MacDonald's bookstore was a friend in 1975 and put the card printed in a wedding invitation format in the windows of her bookstore. In the years since 1975 I have see and talked to Paula several times, to say the least I impressed her with the invention of the electric windmill car in 1980, unfortunately Estes Park is the HQ for retired generals and full Bird Cols's who could not care who burned in fiery car wreck... the enemy or you and your kids on the highways of the USA. There will be a small Oil Genocide Trial in Estes just for the YMCA and retired Generals... Killing thousands of the enemy or 3 million in Vietnam left all the retired Generals in Estes Park callous like the 12 Roman Caesars... side effect from going into villages in Vietnam or Iraq and killing all the women and children because the men are out fighting the war. So typical behavior in war... Vietnam should have pictured the 3 million women and kids killed... now 60k women and kids killed in Iraq and 7 million in the USA will burn in fiery car wrecks for more oil money to pay for the war in Iraq. All this in a 1984 society were no observer cares if they are caught on video saying ... "let them burn in gasoline... we need the Texas Oil money...." everyone on MSNBC has said this! Clinton and his wife said this every day for 8 years.... Bush and Bush and both their wives said this every day for 8 years and now 7 million cops and kids have been burned and burned to death on the highways and roads of the USA so Texas Oil men can keep the money flowing.

Paula is 77 years old now I am 59 years old now looking back to 1975 and Paula,

yes she was a fox and single.... and a book store geek... we could of ended war on Earth if we hooked up in 1975!

wow - the ones who got away... grin!

Happy Birthday Poem was in the windows above, Paula the owner of MacDonald's bookstore was a friend in 1975... five years before the invention of the electric windmill car in 1980. Since then 7 million cops and kids have burned and burned to death in gasoline for more oil money for Bush and Texas to bribe the YMCA, City Hall USA and even Police Chiefs and Generals to let their troops burn to death in gasoline.

Officer Jason taunting Kennedy, McCain, Bush

Officer Jason taunting Kennedy, McCain, Bush

Officer Jason will taunt the Observers in DC

Officer Jason and the other 7 million cops and kids burned in gasoline will pour gasoline on those who profited from 7 million burned in gasoline and set them on fire on CNN live to say the least.... they will do in their revenge!

One Billionth Electric Windmill Car in 2007

Coming off the Ford Assembly line

On John Lennon's 67th BDay

Moscow -- 2007 --- Oil Czar Putin is killing KGB spies who want his oil money!

**KGB spies do not want to help Moscow cops who will be burned in gasoline
KGB spy's Putin is killing want to spend the oil genocide
money on themselves!**

Another Genocide

The fiery tanker... burning in the flames in the black smoke you can see the small flames from the SUV. This will be cloned every day in 2006 sometimes twice a day for 365 days. Boss poem and poetry reading is based on those burning in the small flames of their SUV in this picture... while those in Colorado get \$1 billion in bribes to go along with the suppression of the Electric Windmill Car.

9-11 Attack would never have happened if the Electric Windmill Car was not suppressed by the USA gov. since its invention in October 1980

Greg's End War on Earth web pages!!!

One Billionth Electric Windmill Car in 2007

One Billionth Electric Windmill Car in 2007

One Billionth Electric Windmill Car would be on the roads in 2006 if... the worst human beings below were not psychotic mad men and women. Letting others kids burn in gasoline for more oil money.

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis.

Worst human beings of 2007...

7 Million Cops will burn and burn to death in gasoline for more oil money.

Another Genocide

Worst human beings of 2007 goes to...

And they will be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them, and tens of thousands of cops and kids burned in gasoline will testify against them also!

Worst human beings of 2007...

7 Million Cops will burn and burn to death in gasoline for more oil money.

Worst human beings of 2007 goes to...

YMCA men and women...

Red Cross men and women...

Swiss Bankers and their wives...

UN Secretary-General...

Bill Gates and his wife...

Jews and the Pope...

*Laura Bush watched 469 people burn alive
in gasoline same people you see her with in*

the video clips of her in Lagos school with the kids. Yet she refused to expose the suppression of the Electric Windmill Car. 269 were burned alive on Christmas Day 2006 and she watched this and said nothing... worst human beings on Earth are those protiting from Oil. While some others kids burn in gasoline.

Red Cross says 269 killed in Nigerian fuel blast.

Crowds of local residents went to scoop up gasoline in plastic containers after an armed gang punctured the underground pipeline overnight to siphon fuel into road tankers. 269 people were burned alive. 160 people were taken to two hospitals in Lagos suffering from burns.

A similar explosion at a vandalized pipeline in another part of Lagos in May killed about 200 people.

Despite huge exports of crude oil, Nigeria suffers regular shortages of petrol and diesel because it relies on imports of refined fuel from the West. President Olusegun Obasanjo has billions in Swiss bank accounts. Industry experts estimate that about five percent of Nigerian crude oil is stolen for export by criminal syndicates with contacts in the military and government.

But smaller-scale theft of gasoline and diesel is also common, and much more deadly because of the highly flammable nature of these fuels.

Of all those behind the hidden cameras in this Orwellian Society who could have exposed the suppression of the electric windmill car invented in 1980 who didn't

Leaders of the YMCA in Estes Park Colorado as the worst as they aligned with Bush one week before 9-11 and if instead they would of exposed the suppression of the electric windmill car then the news of this would of cause the 9-11 attack the next week to be nonexistence, and the USA would never have attacked Iraq twice. The men and women of the YMCA should be burned alive in gasoline after they are convinced at the Oil Genocide Trials, I will certainly testify against all of them in Colorado.

Jews will lose the state of Israel for going along with the Oil Genocide that killed 6 million white cops in the USA, Moscow and around the world. Jews in 2006 profited from the oil genocide and the pay off is Swiss Bank Accounts and a suppressed Genocide by Jews for more oil money while someone elses kids and cops burn in gasoline.

Pope will lose Vatican City to those burned in gasoline... Vatican City will be a memorial to genocides that paid the Pope's billions in oil money to go along with let others burn and burn to death in gasoline for more oil money. 100's of burnt out cop cars will be nail to crosses on the roads and highways leading to Rome and the Vatican

City.

Bill Gates and his wife killed hundreds of millions of inventors, and most were HS and University students.

2007 inventions

1. Prism light will replace ink cartilages.

2. Projectors will replace Sony 40" LCD TV/Monitors when projector manufacturers mass market them with LED bulbs instead of Projector Lamps.

3. Target you must have your receipt to get a refund and the Management will not take my idea to put all receipts on your credit card or Target Card...

ie I also told Mark the top Manager to build a drive up window for Starbucks and the Pharmacy now Wall Greens is advertising 24 hour drive up windows for the Pharmacy and Starbucks... and the Managers just get promoted again no matter how many suggestions they shoot down from the temps from Manpower or Seasonal Target people. So much for getting promoted for merit.... Merit does not exist in this Orwellian Society there are to many Observers... who are bullies... ha

4.

5.

2006 statistics

40k breast cancer --- 12k skin cancer ---- 6k pain pills ---
2k Iraq ---- 40k from alcohol poisoning.

One Billionth Electric Windmill Car would have come off the Ford assembly line on Lennon's 66th BDay in 2006 if Yoke would have exposed the suppression of the Electric Windmill Car invented by me in Oct of 1980... observed on hidden cameras by Observers!

Officer Jason will hang Kennedy, McCain, Bush

Officer Jason will taunt Kennedy,

Officer Jason will hang Kennedy, McCain, Bush

Officer Jason will taunt Kennedy, McCain, Bush

www.officerjason.com

Daily Camera newspaper reporters tore up Officers Jason's pictured above when I put up posters of this web page on the Pearl Street Mall, which is next to the newspaper HQ. Only a man could destroy a picture of a cop burnt in gasoline when his cop car was rear ended, a women even a women in this Orwellian Society would not have torn up the cops picture above.

DC Cops ----- will take as much oil money as possible letting other cops burn in gasoline like Officer Jason above as long as they can take the money and run to the bank, DC Cops live for the money to Hell with the Officer Jason's\$\$\$\$\$\$\$\$

Beijing Cops ----- will burn Hu and his Communist Ruling Class in gasoline when they find out the electric windmill car has been suppressed since 1980 and Hu and his gang of oil genocide nigers let them burn in gasoline since 1980 via the USA government and Texas Oil men... Hu will be burnt alive in gasoline... according to Chinese history.

Boulder Colorado USA Cops ----- will keep their jobs doing nothing for cops in Beijing or Moscow etc.

Moscow Cops ----- will Kill Putin and his whole family... just like the Czar as they will be out for Justice against the Oil Czar and Oil Men Hitler's... Putin will be see as worst than the Czar and Hitler, Moscow Cops will have no mercy at all!

6 Million Cops will burn and burn to death in gasoline for more oil money. Another Genocide, this one I call the "oil Genocide" because the Electric Windmill Car was invented in 1980...

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

End To War on Earth

Kennedy could of used The Electric Windmill Car In 1980.To End War on Earth ! Instead he voted to suppress it. For more oil money and wars... This is a crime to say the least. Senator Kennedy observed me on hidden cameras... Brainstorming for 6 months, then getting the Electric Windmill car invention in 1980.

\$

Prosecutors will show vivid pictures of 6 million burned and burned to death in gasoline. Nancy Grace was a prosecutor in Atlanta Georgia while tens of thousands burned and burned to death in gasoline in the USA. Ironic going after petty criminals while the Texas oil men are mass murderers.

I'm looking for wives, to brainstorm inventions, women who **want to find gravity control and a cure for cancer and are** MD PHd "ROCK CLIMBERS" and the like.

All is fair in love and war, women will inspire us to get a cure for breast cancer for the 40k women who will die in 2006, and another 40k will die in 2007 from breast cancer.

I am home alone not started working on 1,001 inventions or a breast cancer cure. Besides the electric windmill car, I have over 100 inventions some are very impressive.. I hoped to impress women enough to accept my proposal to join me in a 100 wife commune working 24/7 to get the cure for cancer and gravity control - I will have to wait to work on 1,001 invention projects and a cure for breast cancer. I am ripe and ready to work 24/7 for 30 days to say the least.

Observers in our Orwellian society are part of my life, run my life so the decision to work 24/7 is not just up to me but who ever runs things in our Orwellian society. Gen. Orwell will not let me work on a cure for cancer and gravity control because of the Vietnam War Era. Today it's the Oil Genocide Era with the Electric Windmill Car being suppressed since 1980 resulting in 6 million cops and kids burning and burning to death in fiery car wrecks. This is a crime against humanity by DC Observers and Observers.

Here in Boulder Colorado "Observers" get \$\$\$\$ bribes from DC. And our local University got 3 Nobel Prizes as bribes to not expose the suppression of the Electric Windmill Car - they will all hang. Those in Boulder and those in Sweden. Imagine Court TV and Nancy Grace talking about this Oil Genocide... grin!

Quid Pro Quo Hubble Space Telescope - Bribes to Ball Aerospace. 1965 Chevy rebuilt in Orbit or buy a new Escalade with all the options....A no Brainerd --- Texas Oil men who have burnt kids and cops Search Goggle, for "burned in gasoline"... 140,000 have been burned by our Government for more oil money... this is a sick Orwellian Society.

NASA would have several new models of Space Telescopes "Today" if Katie Couric while still on the Today Show would of exposed cops and kids burned in gasoline for more oil money by USA government officials. And if NASA would not have gone along with this Oil Genocide that burns people in gasoline for more oil money.

Greg's new 2008 Model of a Space Telescope with not depend on

Oil Money for bribery but will use the Top MIT scientist not the criminals at Ball here in Boulder, CO who harass me every time I bike by there buildings.

They harass me for inventing the electric windmill car.... no top scientists here at Ball Aerospace Boulder, CO.

Greg's new 2008 Model of a Space Telescope Will have 2 sections both "life Boats" that can parachute back to earth... 1st will be the telescopes. Second will be the living quarters for the Astronauts docked in orbit with the telescope section. Telescope section will have quarters for crew "lifeboat in a emergency". Both launched one at a time on the biggest launch rockets available in 2008 so we will be designing a new class of launch rockets too.

No Brainerd if the Texas Oil Men were not in charge burning 140,000 in gasoline and not even making the National News with Katie Couric... on this top story of the day. When Katie Couric announced the repair mission of Hubble she did not mention buying a new model Telescope so this news is bias to say the least. Add in those burnt in gasoline today who didn't make the news. Imagine!

show social causes of murder are linked to Bill Gates decisions
at Microsoft, this will be published in textbooks
after the oil genocide trials in DC have convinced all of them
for Letting 7 million cops and kids burn and burn to death
in fiery car wrecks since the invention of the electric windmill car
in 1980*

Nationalization of Microsoft after the Oil Genocide Trials in DC and Texas

Vista Malaria Cure Software

Vista Cancer cure Software

Will be writted by a few C++ programmers probably fewer then 25

*And society will get better Vista Softwares than the 5,000 C++ Microsoft
Programmers*

who spent 5 years.... if you even believe this crap from Bill Gates.

You hit the tiger on the nose with the microphone

The tiger will swat you... you idiot.

Then everyone at MSNBC will lie for you!

University Students have missed more inventions than people who have died of Malaria... this is really sick as one the the students annihilated by Bill Gates would of found the cure for Malaria and have given the University Total Recall drugs.... grin

Bill Gates and his wife swept away by the avalance of the oil genocide trials.

Bill Gates and his wife swept away by the avalance of the oil genocide trials.

*Now Rewrite this Bill Gates Vista News below
to find the cure for Malaria and get gravity control....*

New Vista ----- ha

My Getting gravity control will still be amazing in 3006

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

*Even a HS kids can observe this
you dont have to be a rocket scientists
to observe what Bill Gates did with Vista... omitting
the cure for Malaria and 1,001 other invention projects*

When you start using Windows Vista, you will recognize familiar elements such as the Start menu, which is now faster, more streamlined, and more helpful than in previous versions of Windows. The Start menu features integrated desktop search through a new feature called Instant Search which can help you find and launch almost anything on your PC. Just type in a word, a name, or a phrase, and Instant Search can find the right file for you. But more than that, the new start menu makes it very easy for you to navigate across all of the installed applications on your PC. Eliminating the slow performing, cascading "All Programs" view, the new start menu can help you get something started more quickly than ever.

Key elements of the Explorers in Windows Vista are designed to help you get to the information you need, when you need it. Instant Search is always

available to help you find files instantly. The navigation pane contains the new Search Folders found in Windows Vista, as well as traditional folders that you have created on your computer. Command Bars display only the tasks that are most appropriate for the files being displayed. With new Live Icons (scalable thumbnails) used throughout Windows Vista, you can see the first page of documents, the actual image of a photo, or the album art for individual songs in your music collection, making it easier to find exactly what you are looking for.

Your company's most valuable resource is its people. People garner insights and make decisions—they close deals, invent new products, and find new efficiencies. They work together to overcome your business challenges. And they use technology to make the most of their talents and abilities.

Windows Vista introduces powerful new technologies that will help your people do their best work. It will help them collaborate and communicate more effectively—easily connecting them to corporate resources, to the Internet, and to each other—regardless of their locations. It will also help your business lower costs, improve security, and comply with regulatory requirements.

Face Burned in Gasoline

Face this Orwellian Society, see the small flames in front of the burning gasoline tanker... 3 people are in their SUV, this happens every day somewhere around the world, all for more oil money while the electric windmill car has been suppressed since 1980 by Bush and the Texas Oil men... who live their lives without anyone with a face burned in gasoline in their thoughts, they can only think of oil money as they are addicted to money almost as much as Bill Gates!!!

Face Burned in Gasoline

While the rest of us live our Life

Face Burned in Gasoline

So Bush and the Saudi King can cash in

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

Face Burned in Gasoline

Even the CIA profited from your Torture

Even Bill Gates could have prevented your pain

But didn't because of his greed

Face Burned in Gasoline

When your cop car was rear-ended

Chief sucked up to Bush

While you were in the burn unit

Sick Orwellian Society to say the least

MD's prevented the cure for cancer

To cash in during the Oil Genocide Era

From 1980 to 2007

MS Society in Denver

Spit in my face, they do not want a cure

Revenge, I would arrest them all for Genocide

Revenge, I would arrest them all for Genocide

Face Burned in Gasoline

Revenge when these guys are the Judge, Jury,

Executioners

Face of the Supreme Court Justices

*After the **Coup D'Etat***

Faces Burned in Gasoline

All the Supreme Court Justices will have

faces burned in gasoline

Next President after the Coup D'Etat

Will be a cop burned in gasoline for oil money

Revenge will be worse than Baghdad Today

Katie Couric will be hanged on CBS Nightly News

NY Times

Everyone will be burned at the stake

CBS Nightly News

Everyone will have a face burned in gasoline

New Look

Like Katie Couric's first night on Nightly News

Some poor cop was burned in gasoline that day

Bush had an executive order not to report this on CBS

Doctors were having meetings about cancer profits

Making sure I did not get a chance in getting a cure

City Hall in Boulder Colorado when along with the MD's

CU grads cashing in on their University degree in kickbacks

CU football player's gang raped Katie

And got away with it, and kept their CU scholarships

CU Law School got a new building for \$400 million

From gasoline profits

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

MD's in Colorado made \$400 million extra from cancer

And made sure I did not have a chance in getting a cure

Behind the cameras

They didn't take any chances in letting me get a cure

Saturday, March 31, 2007 4:30 pm

Cameras in my living room

They still don't want me working

On a cure for breast cancer

Face Burned in Gasoline

Revenge, I would arrest them all for Genocide

Face Burned in Gasoline

While the rest of us lives our Life

9-11 would never have happened

If Katic Couric would have exposed

The suppression of the electric windmill car

Invented in 1980

Katic Couric's husband wouldn't have died of cancer

If the MD's in Colorado didn't work hard to stifle me

Made 100% sure I had no chance in finding a cure

As they believed I could cure cancer if given a chance

They didn't take any chances with their cancer profits

Of losing them to a cancer cure

Face Burned in Gasoline

Face Burned in Gasoline

While the rest of us live our Life

Russian Oil Czar is Putin

He has spent trillions from Oil on Russians

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

Not 1 Moscow cop burned in gasoline has made the news

As Putin controls the Nightly News in Moscow

More Moscow cops have been burned in gasoline

Than any other city on Earth

Czar of Russia

Didn't burn to death as many surfs

King of Saudi Arabia

Thinks he will keep Trillions in Oil Money

He earned after the electric windmill car invention

In 1980

Revenge will nuke

RIYADH and Saudi King Abdullah

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

Everyone with a face burned in gasoline

Will get \$1 Billion

Everyone with breast cancer and cancer

Will get \$1 Million

Czar of this Orwellian Society

Will have a Face Burned in Gasoline

As he will be elected after Bush is hanged

Our Current Czar is an Oilman with a crazy Doctor

Taking care of his every pain

Taking care to prevent a cure for cancer and oil

Until the Coup D'Etat

Until those with Faces Burned in Gasoline

Come into our daily lives

No longer hidden by a Presidents executive order

Bush added insult to injury via Saudi Arabia

As Bush sold organs to Saudi Princes

While Americans waiting for the same transplant died

Bush is a Yale Grad... Who became a mass murderer!!!

Yale will never recover from Bush

Those with cancer today can recover

If I get a chance to brainstorm a cure for cancer

With my new wives...

Face Burned in Gasoline

While the rest of us live our Life

Saturday, March 31, 2007 4:30 pm

Cameras in my living room and in my life

\$1 trillion in oil money

\$2 trillion in oil money

\$100 trillion dollars in oil money

CIA

October 1980 Greg Buell (Greg Lovestar when freed) invented the Electric Windmill Car in front of Orwellian hidden cameras with CIA agents watching me on their monitors at CIA HQ... Valerie Plame (nee Valerie E. Wilson), wife of retired U.S. Ambassador Joseph C. Wilson IV went along with the suppression of the electric windmill car and the deaths of 7 million cops and kids who burned and burned to death in fiery car wrecks from 1980 to 2007 for more oil money which the CIA got a new HQ build from the Oil Genocide Era.

CIA agents like Valerie Plame and U.S. Ambassador Joseph C. Wilson are cold-blooded killers. Cops and kids in fiery car wreck or troops in Hummers in Baghdad all burned to death in gasoline because of CIA agents like Valerie and her CIA directors like Bush Senior.

July 14, 2003,

Valerie Plame (nee Valerie E. Wilson), wife of retired U.S. Ambassador Joseph C. Wilson IV, was exposed on as a CIA covert agent...

October 1980 Greg Buell (Greg Lovestar when freed) invented the Electric Windmill Car in front of Orwellian hidden cameras with CIA agents watching me on their monitors at CIA HQ...

CIA options at the time if you search google OPEC and Saudi Arabia on orders from Kissinger were having an oil embargo to raise gas prices, this crisis ended a few weeks after I invented the electric windmill car. The files on how it ended are in the CIA files.

CIA when along with suppressing the Electric Windmill Car in 1980.

CIA new HQ pay off in oil money for letting 7 million cops and kids burn in fiery car wrecks.

Cia new and old HQ buildings

CIA had second thought and third, and fourths, ha but took a new HQ building and pay raises and perks for going along with the suppression of the electric windmill car since 1980.

CIA intelligence did not consider the spin off inventions from the electric windmill car, the surge in inventors, the Invention University... etc

CIA did not really care about those burnt in gasoline in fiery car wrecks as these cops and kids in the back seat of a fiery car wreck are just casualties of war.

Post traumatic stress is just for the weak at heart, killing women and children in Vietnamese villages or in Baghdad is just life at war... tell God its just war on Earth.

Post traumatic troops have the fear of God driving them crazy, thinking they might not get away with killing women and kids in war.

CIA agents like Valerie Plame and U.S. Ambassador Joseph C. Wilson are cold-blooded killers.

CIA agents like Valerie Plame and U.S. Ambassador Joseph C. Wilson are cold-blooded killers.

CIA agents like Valerie Plame and U.S. Ambassador Joseph C. Wilson are cold-blooded killers.

CNN exposed her covertness but CNN and the CIA will not expose the suppression of the electric windmill car because they both get oil money bribes, pay raises, government perks... for letting 7 million cops and kids burn and burn to death in fiery car wrecks...

CNN no longer reports on the 3 kids in the back seat of a fiery rearend car wreck burned to death... on orders from Bush and the CIA = this can no longer be reported on CNN or your local news.

Coup D'Etat USA CIA

Coup D'Etat

Coup D'Etat H2O

My Getting gravity control will still be amazing in 3006

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co. ps Your electric windmill car will be climate controlled just like your home so no more "Hot" cars and kids dying from being left in a hot car in the summer time... MD's + Presidents have known about this spin off invention for the last 20 years and 100 kids a year have died in hot cars... Bush is sickening!

Coup D'Etat USA

General Orwell or General Pace - Gonzalez's the attorney general has seized control of the times, do not believe this Gonzalez has a Secret Swiss Bank Account full of oil bribes to go along with the deaths of 7 million in the USA alone - Let them burn in gasoline for more oil money is Gonzalez favorite greeting to Bush.

Intel was on the ABC nightly news last night 16 March 2007 about giving a girl \$100,000 for her science project.

Intel got \$100 Billion in Oil Genocide Bribes to let 7 million cops and kids burn and burn to death in fire car wrecks in the USA since 1980 when the electric windmill car was invented.

NBC's Dr Snyderman MD was on nightly news this week too, she must have read my <http://www.electricwindmillcar.com/cumedschool.html> CU med school poem... about the shortage of MD's just like the shortage of gasoline in an Electric Windmill Car Era.

Harvard Med School Dean will hang with the Texas oil

men... at the Genocide trials in Boston, NYC, DC...

Spin Off Inventions from Texas Oil Men since 1980 when the electric windmill car was invented have killed 100 million people world wide and the Observers at the CIA, KGB etc have gone along with the Ruling Class.

Coup D'Etat

Coup D'Etat USA

Spin off inventions from the electric windmill car.... free Hydrogen!!!

Spin off inventions from the Coup D'Etat - will hang all the fag reporters at the Daily Camer Newspaper, and the NY Times... who lead worst life styles than Michel Jackson they just don't report this news - grin.

Spin off inventions from the Coup D'Etat

Spin off inventions from the Coup D'Etat

Microsoft will become the Dept of Education and the Dept of Education will get out of the student loan business all the money Saudi Arabia has for free University to its citizens will be used for the next generation of USA Students.

Bill Gates will hang with the Texas Oil men of course.... sorry Bill but you deserve worst... like Officer Jason with the burt face.

FBI Kills Cops

Saturday, March 10, 2007

Bush had a shit eating grin...

Talking to Mueller and Gonzales about killing cops!!!!

Mueller, Gonzales others in the Bush government from the CIA to the Pentagons 4 and 5 star generals poured gasoline over the cop pictured below and set him on fire in his cop car for more oil money.

And to add insult to injury 1 million Palaces like you see on CBS Nightly news with Katie Couric reporting from Iraq on Saddams 99 Palaces which the 3 Star Pentagon general lives in today Saturday, March 10, 2007.

1 million of these Palaces were built while 7 million cops were burned and burned to death by the FBI and DA...

This is what a Orwellian Society with Kennedy, McCain, Carter, Clinton, Bush, and others have done to the USA -

Adding more insult to injury the cops and kids who will burn and burn to death today Saturday, March 10, 2007 will not be on the Nightly CBS news because Bush has a executive order not to show fiery car wrecks or gas tankers on fire...

Bush had a shit eating grin when he was interviewed with Katie Couric hinting for the Observers who know we live in a hidden camera society that the public will no longer see fiery car wrecks on the CBS Nightly News every night.... grin.

1 Million Palaces have been built at the same time 7 million cops and kids have burned and burned to death in fiery car wrecks since the invention of the electric windmill car in October of 1980.

Attorney General Alberto Gonzales

FBI Director Robert S. Mueller

WASHINGTON - The nation's top two law enforcement officials acknowledged Friday the FBI broke the law to secretly pry out personal information about Americans. They apologized and vowed to prevent further illegal intrusions.

Attorney General Alberto Gonzales left open the possibility of pursuing criminal charges against FBI agents or lawyers who improperly used the USA Patriot Act in pursuit of suspected terrorists and spies.

The FBI's transgressions were spelled out in a damning 126-page audit by Justice Department Inspector General Glenn A. Fine. He found that agents sometimes demanded personal data on people

without official authorization, and in other cases improperly obtained telephone records in non-emergency circumstances.

The audit also concluded that the FBI for three years underreported to Congress how often it used national security letters to ask businesses to turn over customer data. The letters are administrative subpoenas that do not require a judge's approval.

"People have to believe in what we say," Gonzales said. "And so I think this was very upsetting to me. And it's frustrating."

"We have some work to do to reassure members of Congress and the American people that we are serious about being responsible in the exercise of these authorities," he said.

Under the Patriot Act, the national security letters give the FBI authority to demand that telephone companies, Internet service providers, banks, credit bureaus and other businesses produce personal records about their customers or subscribers. About three-fourths of the letters issued between 2003 and 2005 involved counterterror cases, with the rest for espionage investigations, the audit reported.

Shoddy record-keeping and human error were to blame for the bulk of the problems, said Justice auditors, who were careful to note they found no indication of criminal misconduct.

Still, "we believe the improper or illegal uses we found involve serious misuses of national security letter authorities," the audit concluded.

FBI Director Robert S. Mueller said many of the problems were being fixed, including by building a better internal data collection system and training employees on the limits of their authority. The FBI has also scrapped the use of "exigent letters," which were used to gather information without the signed permission of an authorized official.

"But the question should and must be asked: How could this happen? Who is accountable?" Mueller said. "And the answer to that is, I am to be held accountable."

Mueller said he had not been asked to resign, nor had he discussed doing so with other officials. He said employees would probably face disciplinary actions, not criminal charges, following an internal investigation of how the violations occurred.

The audit incensed lawmakers in Congress already seething over the recent dismissals of eight U.S. attorneys. Democrats who lead House and Senate judiciary and intelligence oversight panels promised hearings on the findings. Several lawmakers — Republicans and Democrats alike — raised the possibility of scaling back the FBI's authority.

"It's up to Congress to end these abuses as soon as possible," said Sen. Edward M. Kennedy, D-Mass., who sits on the Senate Judiciary Committee. "The Patriot Act was never intended to allow the Bush administration to violate fundamental constitutional rights."

Rep. Pete Hoekstra, top Republican on the House Intelligence Committee, said the audit shows "a major failure by Justice to uphold the law."

"If the Justice Department is going to enforce the law, it must follow it as well," said Hoekstra, of Michigan.

The American Civil Liberties Union said the audit proves Congress must amend the Patriot Act to require judicial approval anytime the FBI wants access to sensitive personal information.

"The attorney general and the FBI are part of the problem, and they cannot be trusted to be part of the solution," said ACLU's executive

director, Anthony D. Romero.

Both Gonzales and Mueller called the national security letters vital tools in pursuing terrorists and spies in the United States. "They are the bread and butter of our investigations," Mueller said.

Gonzales asked the inspector general to issue a follow-up audit in July on whether the FBI had followed recommendations to fix the problems.

Fine's annual review is required by Congress, over the objections of the Bush administration. It concluded that the number of national security letters requested by the FBI skyrocketed in the years after the Patriot Act became law. Each letter issued may contain several requests.

In 2000, for example, the FBI issued an estimated 8,500 requests. That number peaked in 2004 with 56,000. Overall, the FBI reported issuing 143,074 requests in national security letters between 2003 and 2005.

But that did not include an additional 8,850 requests that were never recorded in the FBI's database, the audit found. A sample review of 77 case files at four FBI field offices showed that agents had underreported the number of national security letter requests by about 22 percent.

Additionally, the audit found, the FBI identified 26 possible violations in its use of the letters, including failing to get proper authorization, making improper requests under the law and unauthorized collection of telephone or Internet e-mail records.

The FBI also used exigent letters to quickly get information — sometimes in non-emergency situations — without going through proper channels. In at least 700 cases, these letters were sent to three telephone companies to get billing records and subscriber information, the audit found.

Once a Assistant attorney general John Bolton, also ambassador to the United Nations, approved enlisting the FBI.

Bolton will hang at the Oil Genocide Trials with the UN chiefs, for going along with letting 7 million cops and kids burn in gasoline for more oil money.

In UN history and USA history Bolton helped kill 7 million cops and kids for more oil money... sick, psychotic and of course brain washed by oil money.

Enlisting the FBI in a oil genocide that will kill 7 million. FBI could not have though they could possible get away with helping kill millions for more oil money. No Way!

New UN Health Chief Sets Her Priorities

New York Times - 21 hours ago

By LAWRENCE K. ALTMAN.

Dr. Margaret FC Chan took office yesterday as the World Health Organization's director general, saying her two chief goals are to improve the health ...

of 7 million cops and kids burned in gasoline for more oil money...

A Hong Kong women MD who can testify at the UN Oil Genocide trials.

WHO at the UN

MD's in Hong Kong profited from those burned in gasoline by bribes from the government and medical bills treating burns.

MD's profited from cops and kids burned in gasoline for more oil money and more money for MD's and hospital burn units as the Oil Genocide Men pay nothing to those burned in gasoline while the UN governments Nations suppresses the electric windmill car.

MIT Fails in the Real World

with its \$100 Notebook

NVIDIA QuadroR FX 4400 and AutoCAD

design software are required!!!!

In the Real World

MIT's \$100 notebook won't get you an A in English

MIT's \$100 notebook won't get you an A in phonics

You need the phonics software and sound chip

Log on to MIT's courses on line

They are a failure too.... F F F F F

NVIDIA is a must to see the small print in

The Real World

If MIT saw the small print

From Texas Oil Men back in 1980

Electric Windmill Car would of been sold

In the GM dealers showrooms in 1981

MIT will Hang for this...

Locking Gates up next to Peterson

will only solve the software problem

\$500 Billion Bush gave to Iraq

\$500 Billion would put MIT's \$100 notebook

out of business

Department of Education
is next to FEMA and NCAR in DC
1st President after Bush is Impeach
will rename Dept of Education
To Department of Inventors –
IBM will not longer get the most patients
Individual Americans will get more patients than IBM
MIT will no longer Fail
In the Real World
Once its Big Daddy the Pentagon
is out of business
Once War on Earth is over and done with!
By the Light Year Conquest Inventors...
Who are at MIT today
but work for the Pentagon not NASA
4.3 light years is the nearest Star
2.2 million light years is the nearest Galaxy
When will MIT start getting A's ?
When they invent something to eavesdrop on Aliens
This will put the fear of God into the Pentagons Generals
Letting 6 million cops and kids burn in fiery car wrecks
does nothing to the Pentagon's Generals conscience.
Please send cash or check to

**CIA director is an "institute professors" at MIT
"Institute Professors" are at the top**

**And essentially allowed to do as they please
As in ie. in going after Top Secrets**

**Most of us would visit MIT, to invent Gravity Control
Not know MIT invents weapon systems**

**You cannot visit MIT
To observe weapon systems**

**These are top secret
Therefore, you are led to believe**

**Visit MIT, to invent gravity control
Visit MIT, to invent gravity control**

**Yet, the majority works on weapons
Not, gravity control research**

**Arrogant CEO can bankrupt a company
All people into war are arrogant SOB's**

Willing to bankrupt Earth
In a nuclear war

"We will kill every last one of the enemy"
In reality, they kill a galaxy for each person killed

On your home computer

And
Out in the Universe

Once contact is made with galactic broadcasts

Soaring into light year travel
Does not ignite passion at the CIA

IBM Boulder CO hired 99% Mexicans just like the meat packing plant in Greely CO
But IBM has more defence dept connections so the Fed's will never ever raid IBM
and arrest all the Mexicans... After the Oil Genocide Trials IBM will be asked to leave
the USA as they are no longer an "American Corporation"... most of the IBM CEO's from
1980 to 2007 will hang with the Texas Oil men and 4 Star Generals who fragged those driving
down the highways for more Texas Oil money for Bush to spend on the Iraq War... more
computers and software contracts for IBM... all this will be documented at the Oil Genocide Trials in
DC.

ps I worked out at IBM vaccuming under the floors for \$8 a hour 25 years after I invented the
Electric Windmill Car... in 1980... revenge will be sweet to say the least.

IBM officials in the real world

Misdiagnosis software program will catch and convict all the MD's
who have killed tens of thousands of patients via misdiagnosis in this
Orwellian Society in front of the observers.

IBM officials say they've found a method for speeding up the way large computer networks
retrieve and share information by as much as 600 percent, a move that could impact data-intensive,
high-performance computing environments.

For its "Project Fastball," IBM used the combination of the compute power of ASC Purple, the
massive

IBM-designed Blue Gene supercomputer at Lawrence Livermore National Laboratories in Livermore, Calif., and IBM's General Parallel File System software.

The combination demonstrated more than 102GB per second of sustained read-and-write performance on a single file, which is more than a 600 percent jump in the speed of data, said Chris Maher, development director for HPC development at IBM.

Read more here about the state of the art for today's supercomputers.

The GPFS software was used to manage the flow of information between the thousands of processors and disk storage devices in the supercomputer.

The project used 104 Power-based eServer p575 nodes and 416 storage controllers, according to IBM, based in Armonk, N.Y.

The project resulted in a file system of 1.6 petabytes, one of the largest in the world, Maher said. The performance of the file was maintained as more than 1,000 clients pushed workloads into the file.

Maher equated that speed to downloading 25,000 songs in a second.

NASA launches an SGI supercomputer. [Click here to read more.](#)

"This kind of capability opens doors to new kinds of applications in high-performance computing," he said.

Such applications include online gaming, customized medicine and homeland security, where massive amounts of data need to be analyzed quickly, all of which would benefit from being able to move data between machines in massive supercomputing environments, he said.

Such environments are growing, as is the need to manage the large amounts of data stored in them.

"It's not just 1,500 servers, but a collection of 1,500 servers that act like a single computer system," Maher said.

ASC (Advanced Simulation and Computing) Purple is the third-most powerful supercomputer in the world, and was built through IBM's Blue Gene supercomputer project.

On the Top 500 list of the fastest computers released in November 2005 at the Supercomputing conference, the ASC Purple computer topped out at 63.39 teraflops—or 63.39 trillion calculations per second—on 10,240 processors.

IBM's Blue Gene program produced the top three fastest systems, and four in the top 10.

IBM is pushing to have the GPFS software used on other platforms, including through an initiative that offers some clients access to the software's source code with the idea that they may adapt it to work on non-IBM hardware.

Boss Lost You the Electric Car Gift

When your essence
Is sizzling in blistering flesh

From gasoline

Your Boss wins the war

Your Boss lost you the...

Electric Windmill Car

You win being burnt alive

Not in a tank!

But in your car!

With your kids in the back seat!

Terrorist is your Boss!

Co-conspirator is CNN news!
People can't hear you screaming
In the SUV flames
In your picture on my web page
They can't even see your SUV in flames
I wrote in the text below your picture
To point them to the small flames
Of your SUV
In the smoke of the Gas Tanker on fire
Boss Lost You the Electric Car Gift
Here in Boulder Colorado they profit
When your essence
Is sizzling in blistering flesh
From gasoline
Here in Boulder Colorado
Boss Lost You the Electric Car Gift too
To many lost their Gift via the Boss
I lost getting the cure for cancer
Right after getting the
Electric Windmill Car Invention
So we both lost
People can't hear the bankruptcy
Of oil Kings \$30 Billion in profits
They work on other things for hour
And try to get more oil bribes from DC
Here in Boulder Colorado
They work on other things for hour

And try to get more oil bribes from DC
Today 4-7-2006 Daily Camera Newspaper
Has a CU student with Bush on the Front Page
Pretty girl who knows that you
Burned in a fiery car wreck
Your essence
Is sizzling in blistering flesh
From gasoline
But she is seduced by money and local fame!
CU has grasp \$100 million in oil bribes from DC
All from the \$30 billion in gasoline profits
While you burn in gasoline she profits
The local newspaper the Daily Camera profits
They spend their ill grasp profits in Vail, Aspen
They work on other things for hour
And try to get more oil bribes from DC
Watching for the Boss - God
Losing others their electric car gift
Letting others burn in gasoline for your
University experience at CU Boulder
\$1 billion in oil bribes for \$30 billion in profits
Policy of every Boss of the USA - its just politics
When your essence
Is sizzling in blistering flesh
From gasoline in your SUV
No Free University for 300 million Americans
With the windfall profits

From the Electric Windmill Car
Yale got \$1 + + + billions in oil bribes
To let the peasants burn in gasoline
CEO of the USA and the Boss
Will always have money
For bribes
Bill Gates bribed every Senator
To let him kill HS kids
Not their kids at Yale!
But your kids who can't afford software
So what do they care if they lost you
Your life! They don't care!
Company's core people are incapable...
Of great social inventions!
So they make up "1984" fiction as nonfiction
In their frustrations...
They attack the electric car inventor
Spit on the cure for cancer from him
Not letting me work on a cancer cure
Not letting me work on a cancer cure
Not letting me work on a cancer cure
Right after I got the electric windmill car!
But I will still get the cure for cancer
5 billion people will have to wait
And millions will die waiting!
40k women a year in the USA
Die in 2006 from Breast Cancer!

Breast cancer alone... 40k dead

The Boss of the USA does not care!

The Boss of the USA does not care!

The Boss of the USA does not care!

He planted news leaks for 6 years

Bush named a CIA agent

And Bush's Father an old CIA director

Didn't put a stop to this behavior

Because he went along with it!

Because he went along with it!

Because he went along with it!

Now all US Ambassadors' wives

In every Nation

Are know as CIA wives...

I could use a few CIA wives for inspiration

I could use a few CIA wives for inspiration

I could use a few CIA wives for inspiration

I could use a few CIA wives for inspiration

In getting 1,001 inventions for humanity!

To make up for all the lost inventions by Bush

Company's core people are FBI, CIA etc

Incapable of great inventions!

Boss Lost You the Electric Car Gift

Boss lets them lose society inventions

The Electric Car on the highways of the USA!

When your core people are sizzling!

CIA, FBI would not let you burn in gasoline!

CIA, FBI would not let you burn in gasoline!

CIA, FBI would not let you burn in gasoline!

CIA, FBI would not let you burn in gasoline!

CIA, FBI would not let you burn in gasoline!

CIA, FBI would not let you burn in gasoline!

Our Orwell Society is just fiction

To Mock the suppression

Of the Electric Windmill Car

I will put this CBS video on my web

To Mock CBS

Boss at CBS knew about the suppression

Of the Electric Windmill Car

And let

Your essence burn

Let your flesh sizzle in a fiery car wreck

Boss from CBS did this!

Boss from CBS did this!

Boss from CBS did this!

Boss lets the Nation lose or win Inventors

Inventions!

From the whims of the Boss

You are in a SUV on my web page

In flames!

From the whims of the Boss

You lost your Electric Windmill Car gift!

CIA, FBI's core people are

Incapable of great social inventing!

Boss in an Orwellian Society

Makes up stories

Core people who are sizzling

Stop at every invention station and help!

Like an over zealous teacher

1,001 Invention Projects on CBS?

No

CBS started a Niger Inventor TV Show

All false stories for our "1984" society

You will eavesdrop on Aliens!

When I start a Cable Invention Channel

When the Boss lets me work

As an Inventor

I will Stop at every invention station

And help like an over zealous teacher!

Stop at every station and

Help like an over zealous teacher

Stop at every station and

Help like an over zealous teacher

Boss causes 100's to quit!

Boss causes 100's to quit!

Boss causes 100's to quit!

Trying to invent something!

This is an epidemic

In USA society

Earth's Core Is Sizzling At 9,930 Degrees

Earth's Core Is Sizzling At 9,930 Degrees

Sizzling Bosses don't act to tap

Into this wealth of heat intellect

New Oil drilling technologies are sizzling

In Rome news today 4-2-2006

While workers sizzle in some car wreck!

In Rome,

The Boss will not even read this story!

In Rome today,

The story the Boss reads

Is a new gas field discovered

And the Pope Today 4-2-2006

Will not intervene to put out the

Car on fire!

Sick Society to say the least!

Pinhole cameras take in images of you!

The Boss views

Observing profit and loss behavior

Intoxicated with our past history of Vietnams

Iraqi War with the Electric Car suppressed

Goes on for years!

When oil should be 10 cents a gallon

And no one is buying it even at this price

Because current USA Caesar's drill for

New oil

Sizzling new products,

The electric car and star traveling lasers

Wait!

At the Light Year Conquest Corporation

At the Light Year Conquest Corporation

Saddam's vice president to hang
Gulf News - 6 hours ago

Saddam Hussain's vice president was sentenced to death by hanging by an Iraqi court on Monday. It

was anticipated that Taha Yassin Ramadan, who is the fourth member of the ousted regime to face death, would be hanged after an appeal court deemed his ...

No testimony so far has supported the idea, proposed by some critics, that Mr. Cheney deliberately sought to punish Mr. Wilson by ordering the exposure of the covert employment of his wife, Valerie Wilson, by the Central Intelligence Agency. It was the disclosure of Ms. Wilson's C.I.A. job that prompted the criminal investigation that ultimately led to perjury and obstruction of justice charges against Mr. Libby...

City bans racial slur Niger

Wed Feb 28, 2007

Electric Windmill Car invention in 1980 would of prevented 9-11

Yet these Nigers below ban the racial slur Niger

Nigers are Rudy Giuliani who got bribes from Bush and Texas Oil money to go along with the suppression of the electric windmill car.

Rudy Giuliani

Edward I. Koch 1978-1989 Democratic

David N. Dinkins 1990-1993 Democratic

Rudolph W. Giuliani 1994-2001 Republican

NEW YORK (Reuters) - New York City symbolically banned use of the word nigger on Wednesday, the latest step in a campaign that hopes to expunge the most vile of racial slurs from hip hop music and television.

The City Council unanimously declared a moratorium that carries no penalty but aims to stop youth from casually using the word, considered by most Americans to be the most offensive in the English language.

The New York City measure follows similar resolutions this month by the New York state assembly and state senate, and supporters of the ban are taking their campaign to The Recording Academy, asking it not to nominate musicians for Grammy awards if they use the word in their lyrics.

Many rap artists and young New Yorkers toss the word around as a term of endearment or as a substitute for black, angering some black leaders who consider those who use it as ignorant of the word's hate-filled history in slavery and segregation.

"This could be the beginning of a movement," councilman Albert Vann said.

Councilman Leroy Comrie, a sponsor of the moratorium, said the campaign against the word has gained strength since comedian Michael Richards spewed it in a racially charged tirade in Los Angeles.

The Laugh Factory club where Richards performed has since banned comedians from using the word there and the former "Seinfeld" television star has apologized.

"The Michael Richards incident really brought it to another level. It has forced people to express their outrage. Many people had been seething quietly," Comrie said.

Comrie also asked TV network Black Entertainment Television to stop using the word in its shows. Representatives of BET did not immediately respond to a request for comment.

A Grammy spokesman said he doubted the academy's 11,000 voting members would support any

measure that might censor artists.

"They are not going to be supportive of something that excludes someone simply because they are using a word that is offensive," said Ron Roecker, vice president of communication for the Recording Academy.

The city resolution calling for the moratorium traces the etymology of the word from the Latin "niger," meaning black, to its first documented written use in 1786 as a term slave masters used to label their African slaves.

Use of the word by blacks exploded with the rise of rap music in recent years, and some black comedians like Chris Rock continue to use it in their routines.

"What, is there a fine? Am I going to get a ticket?" Rock mocked in a Reuters interview when asked about the City Council move. "Do judges say, '10 years, nigger!'"

Rock said politicians were trying to divert attention from real problems: "Enough real bad things happen in this city to worry about how I am going to use the word."

Mayor Michael R. Bloomberg, building on the success of the City's NYC GirlsREACH program, today announced the creation of the public-private partnership NYC BoysREACH to expand opportunities for young men. As part of the gender-specific programming created by the Commission on Women's Issues and the Department of Youth and Community Development, NYC GirlsREACH and NYC BoysREACH will provide high school students in the five boroughs with a number of education and mentorship opportunities by connecting young New Yorkers with strong professional female and male role models.

NYC GirlsREACH was created last year by the NYC Commission on Women's Issues and the NYC Department of Youth and Community Development. The program pairs high school students with professional women in the private and public sectors and offers weekly workshops on issues including health, financial literacy, college admissions, and public policy. The initiative broadens perceptions of roles of women in the workforce and enables high school students to work directly with New York City professional women. Interns who have participated in NYC GirlsREACH report a new understanding of pathways to success, particularly regarding their aspirations to go to college.

Imagine people around every star in the night sky

Bush is not this insane

No people are in the bush universe besides humans

Nothingness was before the big bang

The big bang materialized out of nothingness

Strings of space, time, and gravity

Theories of what was before the big bang

Caesar in Rome must have had the

Neutrons are baryons,

President will never address the nation
On the goings-on before the big bang

Like it really matters
Hell even the pope prays to the pentagon

Mecca + Rome are lost in a time warp
Mecca + Rome are lost in a time warp

Mecca + Rome do not want any
new elements discovered

They want the church to rule
not physics and star travels

Catholic church might say

travel to other stars is a sin

Mecca will never let women

drive a car on the moon

Time as an element

is not addressed by Rome or Mecca

They want the status quo as it is

President will never

address the nation on protons + neutrons

9-11 address of the nation

by bush will not address oil money

Oil money built the WTC

Oil money destroyed the WTC

Oilmen are worst than bill gates

Bill gates just burns generations of inventor's minds

Bill gates burned the mind of the scientists

Who would have discovered times element?

Bill gates burned the mind of the scientists

Who would have discovered the element gravity?

Bush sucks up to bill gates for Microsoft money

Texas oilmen let back seat driver's

Boss is like Caesar

UN has failed every nation on earth

Because it's, top quark is a

black male with no merit

And he took oil bribes from Kennedy

To Let kids and cops

Burn in fiery car wrecks

Usa politics picked the UN chief

To follow orders from the USA

Theory of the UN

Has failed because of the USA

Un chief fails

Letting people starve and

burn to death via politics

Chancre levy's remains provided no

clues about her killer

Dc has more hidden cameras

than any city in the USA

But none are used to protect women

DC cameras are used

to protect the politicians

Moscow is not any smarter than dc

Was shot down in Chechnya

Burning fuel rushing

into the Russian helicopter cockpit

Burning fuel rushing I

nto the Russian helicopter cockpit

Moscow let 700 Russian oilmen

suppress the electric car too

Moscow could have sat back

And fired old IBM's into Chechnya

Burning fuel rushing into the

Russian helicopter cockpit

Sending helicopters into

Chechnya is more a "war game"

Firing old IBM's into Chechnya

Is more like winning the

war and getting on with the universe?

Russian oil men + Russian generals

Gravity is deleted from the Today show by Matt Lauer. This is not overlooked or forgotten by the staff at MSNBC but deleted on purpose.

Matt Lauer deletes all intellectual and medical news stories from the Today Show this is why Katie Couric clashed with him.

The spinning of quarks could create gravity...

Gravity could be an Element like U-235

Time could be an Element like U-235

The spinning of Quarks could create time....

MSNBC wants innovation, would like me to invent a gravity control device and a gravity engine for traveling through space at warp speed being pulled by gravity and propelled by gravity but the top brass are girley men... depraved fags, who do not want the fear of God put in into the masses or themselves.

Dr. Faust's fifth book, "Mothers of Invention:

Omits the suppression of the electric windmill car invented in 1980 when Dr Faust was 33.

"One of the things that I think characterizes my generation... is the suppression of the electric windmill car.

As its inventor Greg Buell is also 59 years old, 60 on Sept. 27, 2007 and he was born at Yale Medical School not Harvards medical school.

CAMBRIDGE, Mass., Feb. 11 — Recalling her coming of age as the only girl in a privileged, tradition-bound family in Virginia horse country, Drew Gilpin Faust, 59, has often spoken of her "continued confrontations" with her mother "about the requirements of what she usually called femininity." Her mother, Catharine, she has said, told her repeatedly, "It's a man's world, sweetie, and the sooner you learn that the better off you'll be."

"One of the things that I think characterizes my generation — that characterizes me, anyway, and others of my generation — is that I've always been surprised by how my life turned out,"

In that world, said one of Dr. Faust's brothers, M. Tyson Gilpin Jr., 63, a lawyer in Clarke County, his sister did some of what was expected of her: She raised a beef cow, joined the Brownies and took dancing lessons. But she resisted other things — becoming a debutante.

"My sister took off on her own track in prep school on," Tyson Gilpin said. "I think she read the scene pretty well. She was ambitious. She wanted to accomplish stuff." but would not expose the suppression of the electric windmill car invented in 1980.

At Penn, Dr. Faust, who was divorced from her first husband, Stephen Faust, in 1976, met Charles Rosenberg, a professor who is regarded as a leading historian of American medicine, and who became her second husband.

She and Professor Rosenberg have a daughter, Jessica, a Harvard graduate who works at The New Yorker.

She also has a stepdaughter, Leah.

Dr. Faust's fifth book, "Mothers of Invention:

Omits the suppression of the electric windmill car invented in 1980 when Dr Faust was 33.

Kennedy owns Harvard and MIT this is why Faust had to choice but to go along with the Oil genocide Era.

Tolstoy

A Confession

by Lev Nikolayevich Tolstoy
Distributed by the Tolstoy Library OnLine

First distributed in Russia in 1882

I

I was baptized and brought up in the Orthodox Christian faith. I was taught it in childhood and throughout my boyhood and youth. But when I abandoned the second course of the university at the age of eighteen I no longer believed any of the things I had been taught.

Judging by certain memories, I never seriously believed them, but had merely relied on what I was taught and on what was professed by the grown-up people around me, and that reliance was very unstable.

I remember that before I was eleven a grammar school pupil, Vladimir Milyutin (long since dead), visited us one Sunday and announced as the latest novelty a discovery made at his school. This discovery was that there is no God and that all we are taught about Him is a mere invention (this was in 1838). I remember how interested my elder brothers were in this information. They called me to their council and we all, I remember, became very animated, and accepted it as something very interesting and quite possible.

I remember also that when my elder brother, Dmitriy, who was then at the university, suddenly, in the passionate way natural to him, devoted himself to religion and began to attend all the Church services, to fast and to lead a pure and moral life, we all -- even our elders -- unceasingly held him up to ridicule and for some unknown reason called him "Noah". I remember that Musin-Pushkin, the then Curator of Kazan University, when inviting us to dance at his home, ironically persuaded my brother (who was declining the invitation) by the argument that even David danced before the Ark. I sympathized with these jokes made by my elders, and drew from them the conclusion that though it is necessary to learn the catechism and go to church, one must not take such things too seriously. I remember also that I read Voltaire when I was very young, and that his raillery, far from shocking me, amused me very much.

My lapse from faith occurred as is usual among people on our

level of education. In most cases, I think, it happens thus: a man lives like everybody else, on the basis of principles not merely having nothing in common with religious doctrine, but generally opposed to it; religious doctrine does not play a part in life, in intercourse with others it is never encountered, and in a man's own life he never has to reckon with it. Religious doctrine is professed far away from life and independently of it. If it is encountered, it is only as an external phenomenon disconnected from life.

Then as now, it was and is quite impossible to judge by a man's life and conduct whether he is a believer or not. If there be a difference between a man who publicly professes orthodoxy and one who denies it, the difference is not in favor of the former. Then as now, the public profession and confession of orthodoxy was chiefly met with among people who were dull and cruel and who considered themselves very important. Ability, honesty, reliability, good-nature and moral conduct, were often met with among unbelievers.

The schools teach the catechism and send the pupils to church, and government officials must produce certificates of having received communion. But a man of our circle who has finished his education and is not in the government service may even now (and formerly it was still easier for him to do so) live for ten or twenty years without once remembering that he is living among Christians and is himself reckoned a member of the orthodox Christian Church.

So that, now as formerly, religious doctrine, accepted on trust and supported by external pressure, thaws away gradually under the influence of knowledge and experience of life which conflict with it, and a man very often lives on, imagining that he still holds intact the religious doctrine imparted to him in childhood whereas in fact not a trace of it remains.

S., a clever and truthful man, once told me the story of how he ceased to believe. On a hunting expedition, when he was already twenty-six, he once, at the place where they put up for the night, knelt down in the evening to pray -- a habit retained from childhood. His elder brother, who was at the hunt with him, was lying on some hay and watching him. When S. had finished and was settling down for the night, his brother said to him: "So you still do that?"

They said nothing more to one another. But from that day S.

ceased to say his prayers or go to church. And now he has not prayed, received communion, or gone to church, for thirty years. And this not because he knows his brother's convictions and has joined him in them, nor because he has decided anything in his own soul, but simply because the word spoken by his brother was like the push of a finger on a wall that was ready to fall by its own weight. The word only showed that where he thought there was faith, in reality there had long been an empty space, and that therefore the utterance of words and the making of signs of the cross and genuflections while praying were quite senseless actions. Becoming conscious of their senselessness he could not continue them.

So it has been and is, I think, with the great majority of people. I am speaking of people of our educational level who are sincere with themselves, and not of those who make the profession of faith a means of attaining worldly aims. (Such people are the most fundamental infidels, for if faith is for them a means of attaining any worldly aims, then certainly it is not faith.) these people of our education are so placed that the light of knowledge and life has caused an artificial erection to melt away, and they have either already noticed this and swept its place clear, or they have not yet noticed it.

The religious doctrine taught me from childhood disappeared in me as in others, but with this difference, that as from the age of fifteen I began to read philosophical works, my rejection of the doctrine became a conscious one at a very early age. From the time I was sixteen I ceased to say my prayers and ceased to go to church or to fast of my own volition. I did not believe what had been taught me in childhood but I believed in something. What it was I believed in I could not at all have said. I believed in a God, or rather I did not deny God -- but I could not have said what sort of God. Neither did I deny Christ and his teaching, but what his teaching consisted in I again could not have said.

Looking back on that time, I now see clearly that my faith -- my only real faith -- that which apart from my animal instincts gave impulse to my life -- was a belief in perfecting myself. But in what this perfecting consisted and what its object was, I could not have said. I tried to perfect myself mentally -- I studied everything I could, anything life threw in my way; I tried to perfect my will, I drew up rules I tried to follow; I perfected myself physically, cultivating my strength and agility by all sorts

of exercises, and accustoming myself to endurance and patience by all kinds of privations. And all this I considered to be the pursuit of perfection. the beginning of it all was of course moral perfection, but that was soon replaced by perfection in general: by the desire to be better not in my own eyes or those of God but in the eyes of other people. And very soon this effort again changed into a desire to be stronger than others: to be more famous, more important and richer than others.

II

Some day I will narrate the touching and instructive history of my life during those ten years of my youth. I think very many people have had a like experience. With all my soul I wished to be good, but I was young, passionate and alone, completely alone when I sought goodness. Every time I tried to express my most sincere desire, which was to be morally good, I met with contempt and ridicule, but as soon as I yielded to low passions I was praised and encouraged.

Ambition, love of power, covetousness, lasciviousness, pride, anger, and revenge -- were all respected.

Yielding to those passions I became like the grown-up folk and felt that they approved of me. The kind aunt with whom I lived, herself the purest of beings, always told me that there was nothing she so desired for me as that I should have relations with a married woman: 'Rien ne forme un juene homme, comme une liaison avec une femme comme il faut'. [Footnote: Nothing so forms a young man as an intimacy with a woman of good breeding.] Another happiness she desired for me was that I should become an aide-de-camp, and if possible aide-de-camp to the Emperor. But the greatest happiness of all would be that I should marry a very rich girl and so become possessed of as many serfs as possible.

I cannot think of those years without horror, loathing and heartache. I killed men in war and challenged men to duels in order to kill them. I lost at cards, consumed the labor of the peasants, sentenced them to punishments, lived loosely, and deceived people. Lying, robbery, adultery of all kinds, drunkenness, violence, murder -- there was no crime I did not commit, and in spite of that people praised my conduct and my contemporaries considered and consider me to be a comparatively moral man.

So I lived for ten years.

During that time I began to write from vanity, covetousness, and pride. In my writings I did the same as in my life. to get fame and money, for the sake of which I wrote, it was necessary to hide the good and to display the evil. and I did so. How often in my writings I contrived to hide under the guise of indifference, or even of banter, those strivings of mine towards goodness which gave meaning to my life! And I succeeded in this and was praised.

At twenty-six years of age [Footnote: He was in fact 27 at the time.] I returned to Petersburg after the war, and met the writers. They received me as one of themselves and flattered me. And before I had time to look round I had adopted the views on life of the set of authors I had come among, and these views completely obliterated all my former strivings to improve -- they furnished a theory which justified the dissoluteness of my life.

The view of life of these people, my comrades in authorship, consisted in this: that life in general goes on developing, and in this development we -- men of thought -- have the chief part; and among men of thought it is we -- artists and poets -- who have the greatest influence. Our vocation is to teach mankind. And lest the simple question should suggest itself: What do I know, and what can I teach? it was explained in this theory that this need not be known, and that the artist and poet teach unconsciously. I was considered an admirable artist and poet, and therefore it was very natural for me to adopt this theory. I, artist and poet, wrote and taught without myself knowing what. For this I was paid money; I had excellent food, lodging, women, and society; and I had fame, which showed that what I taught was very good.

this faith in the meaning of poetry and in the development of life was a religion, and I was one of its priests. To be its priest was very pleasant and profitable. And I lived a considerable time in this faith without doubting its validity. But in the second and still more in the third year of this life I began to doubt the infallibility of this religion and to examine it. My first cause of doubt was that I began to notice that the priests of this religion were not all in accord among themselves. Some said: We are the best and most useful teachers; we teach what is needed, but the others teach wrongly. Others said: No! we are the real teachers, and you teach wrongly. and they disputed, quarrelled, abused, cheated, and tricked one another. There were also many among us who did not care who was right and who was wrong, but were

simply bent on attaining their covetous aims by means of this activity of ours. All this obliged me to doubt the validity of our creed.

Moreover, having begun to doubt the truth of the authors' creed itself, I also began to observe its priests more attentively, and I became convinced that almost all the priests of that religion, the writers, were immoral, and for the most part men of bad, worthless character, much inferior to those whom I had met in my former dissipated and military life; but they were self-confident and self-satisfied as only those can be who are quite holy or who do not know what holiness is. These people revolted me, I became revolting to myself, and I realized that that faith was a fraud.

But strange to say, though I understood this fraud and renounced it, yet I did not renounce the rank these people gave me: the rank of artist, poet, and teacher. I naively imagined that I was a poet and artist and could teach everybody without myself knowing what I was teaching, and I acted accordingly.

From my intimacy with these men I acquired a new vice: abnormally developed pride and an insane assurance that it was my vocation to teach men, without knowing what.

To remember that time, and my own state of mind and that of those men (though there are thousands like them today), is sad and terrible and ludicrous, and arouses exactly the feeling one experiences in a lunatic asylum.

We were all then convinced that it was necessary for us to speak, write, and print as quickly as possible and as much as possible, and that it was all wanted for the good of humanity. And thousands of us, contradicting and abusing one another, all printed and wrote -- teaching others. And without noticing that we knew nothing, and that to the simplest of life's questions: What is good and what is evil? we did not know how to reply, we all talked at the same time, not listening to one another, sometimes seconding and praising one another in order to be seconded and praised in turn, sometimes getting angry with one another -- just as in a lunatic asylum.

Thousands of workmen laboured to the extreme limit of their strength day and night, setting the type and printing millions of words which the post carried all over Russia, and we still went on teaching and could in no way find time to teach enough, and were always angry that sufficient attention was not paid us.

It was terribly strange, but is now quite comprehensible. Our real innermost concern was to get as much money and praise as possible. To gain that end we could do nothing except write books and papers. So we did that. But in order to do such useless work and to feel assured that we were very important people we required a theory justifying our activity. And so among us this theory was devised: "All that exists is reasonable. All that exists develops. And it all develops by means of Culture. And Culture is measured by the circulation of books and newspapers. And we are paid money and are respected because we write books and newspapers, and therefore we are the most useful and the best of men." This theory would have been all very well if we had been unanimous, but as every thought expressed by one of us was always met by a diametrically opposite thought expressed by another, we ought to have been driven to reflection. But we ignored this; people paid us money and those on our side praised us, so each of us considered himself justified.

It is now clear to me that this was just as in a lunatic asylum; but then I only dimly suspected this, and like all lunatics, simply called all men lunatics except myself.

III

So I lived, abandoning myself to this insanity for another six years, till my marriage. During that time I went abroad. Life in Europe and my acquaintance with leading and learned Europeans [Footnote: Russians generally make a distinction between Europeans and Russians. -- A.M.] confirmed me yet more in the faith of striving after perfection in which I believed, for I found the same faith among them. That faith took with me the common form it assumes with the majority of educated people of our day. It was expressed by the word "progress". It then appeared to me that this word meant something. I did not as yet understand that, being tormented (like every vital man) by the question how it is best for me to live, in my answer, "Live in conformity with progress", I was like a man in a boat who when carried along by wind and waves should reply to what for him is the chief and only question. "whither to steer", by saying, "We are being carried somewhere".

I did not then notice this. Only occasionally -- not by

reason but by instinct -- I revolted against this superstition so common in our day, by which people hide from themselves their lack of understanding of life....So, for instance, during my stay in Paris, the sight of an execution revealed to me the instability of my superstitious belief in progress. When I saw the head part from the body and how they thumped separately into the box, I understood, not with my mind but with my whole being, that no theory of the reasonableness of our present progress could justify this deed; and that though everybody from the creation of the world had held it to be necessary, on whatever theory, I knew it to be unnecessary and bad; and therefore the arbiter of what is good and evil is not what people say and do, nor is it progress, but it is my heart and I. Another instance of a realization that the superstitious belief in progress is insufficient as a guide to life, was my brother's death. Wise, good, serious, he fell ill while still a young man, suffered for more than a year, and died painfully, not understanding why he had lived and still less why he had to die. No theories could give me, or him, any reply to these questions during his slow and painful dying. But these were only rare instances of doubt, and I actually continued to live professing a faith only in progress. "Everything evolves and I evolve with it: and why it is that I evolve with all things will be known some day." So I ought to have formulated my faith at that time.

On returning from abroad I settled in the country and chanced to occupy myself with peasant schools. This work was particularly to my taste because in it I had not to face the falsity which had become obvious to me and stared me in the face when I tried to teach people by literary means. Here also I acted in the name of progress, but I already regarded progress itself critically. I said to myself: "In some of its developments progress has proceeded wrongly, and with primitive peasant children one must deal in a spirit of perfect freedom, letting them choose what path of progress they please." In reality I was ever revolving round one and the same insoluble problem, which was: How to teach without knowing what to teach. In the higher spheres of literary activity I had realized that one could not teach without knowing what, for I saw that people all taught differently, and by quarrelling among themselves only succeeded in hiding their ignorance from one another. But here, with peasant children, I thought to evade this difficulty by letting them learn what they

liked. It amuses me now when I remember how I shuffled in trying to satisfy my desire to teach, while in the depth of my soul I knew very well that I could not teach anything needful for I did not know what was needful. After spending a year at school work I went abroad a second time to discover how to teach others while myself knowing nothing.

And it seemed to me that I had learnt this abroad, and in the year of the peasants' emancipation (1861) I returned to Russia armed with all this wisdom, and having become an Arbiter [Footnote: To keep peace between peasants and owners.--A.M.] I began to teach, both the uneducated peasants in schools and the educated classes through a magazine I published. Things appeared to be going well, but I felt I was not quite sound mentally and that matters could not long continue in that way. And I should perhaps then have come to the state of despair I reached fifteen years later had there not been one side of life still unexplored by me which promised me happiness: that was my marriage.

For a year I busied myself with arbitration work, the schools, and the magazine; and I became so worn out -- as a result especially of my mental confusion -- and so hard was my struggle as Arbiter, so obscure the results of my activity in the schools, so repulsive my shuffling in the magazine (which always amounted to one and the same thing: a desire to teach everybody and to hide the fact that I did not know what to teach), that I fell ill, mentally rather than physically, threw up everything, and went away to the Bashkirs in the steppes, to breathe fresh air, drink kumys [Footnote: A fermented drink prepared from mare's milk.--A. M.], and live a merely animal life.

Returning from there I married. The new conditions of happy family life completely diverted me from all search for the general meaning of life. My whole life was centred at that time in my family, wife and children, and therefore in care to increase our means of livelihood. My striving after self-perfection, for which I had already substituted a striving for perfection in general, i.e. progress, was now again replaced by the effort simply to secure the best possible conditions for myself and my family.

So another fifteen years passed.

In spite of the fact that I now regarded authorship as of no importance -- the temptation of immense monetary rewards and applause for my insignificant work -- and I devoted myself to it as a means of improving my material position and of stifling in my

soul all questions as to the meaning of my own life or life in general.

I wrote: teaching what was for me the only truth, namely, that one should live so as to have the best for oneself and one's family.

So I lived; but five years ago something very strange began to happen to me. At first I experienced moments of perplexity and arrest of life, and though I did not know what to do or how to live; and I felt lost and became dejected. But this passed and I went on living as before. Then these moments of perplexity began to recur oftener and oftener, and always in the same form. They were always expressed by the questions: What is it for? What does it lead to?

At first it seemed to me that these were aimless and irrelevant questions. I thought that it was all well known, and that if I should ever wish to deal with the solution it would not cost me much effort; just at present I had no time for it, but when I wanted to I should be able to find the answer. The questions however began to repeat themselves frequently, and to demand replies more and more insistently; and like drops of ink always falling on one place they ran together into one black blot.

Then occurred what happens to everyone sickening with a mortal internal disease. At first trivial signs of indisposition appear to which the sick man pays no attention; then these signs reappear more and more often and merge into one uninterrupted period of suffering. The suffering increases, and before the sick man can look round, what he took for a mere indisposition has already become more important to him than anything else in the world -- it is death!

That is what happened to me. I understood that it was no casual indisposition but something very important, and that if these questions constantly repeated themselves they would have to be answered. And I tried to answer them. The questions seemed such stupid, simple, childish ones; but as soon as I touched them and tried to solve them I at once became convinced, first, that they are not childish and stupid but the most important and profound of life's questions; and secondly that, occupying myself with my Samara estate, the education of my son, or the writing of a book, I had to know **why** I was doing it. As long as I did not know why, I could do nothing and could not live. Amid the thoughts of estate management which greatly occupied me at that time, the

question would suddenly occur: "Well, you will have 6,000 desyatinas [Footnote: The desyatina is about 2.75 acres.--A.M.] of land in Samara Government and 300 horses, and what then?" ... And I was quite disconcerted and did not know what to think. Or when considering plans for the education of my children, I would say to myself: "What for?" Or when considering how the peasants might become prosperous, I would suddenly say to myself: "But what does it matter to me?" Or when thinking of the fame my works would bring me, I would say to myself, "Very well; you will be more famous than Gogol or Pushkin or Shakespeare or Moliere, or than all the writers in the world -- and what of it?" And I could find no reply at all. The questions would not wait, they had to be answered at once, and if I did not answer them it was impossible to live. But there was no answer.

I felt that what I had been standing on had collapsed and that I had nothing left under my feet. What I had lived on no longer existed, and there was nothing left.

IV

My life came to a standstill. I could breathe, eat, drink, and sleep, and I could not help doing these things; but there was no life, for there were no wishes the fulfillment of which I could consider reasonable. If I desired anything, I knew in advance that whether I satisfied my desire or not, nothing would come of it. Had a fairy come and offered to fulfil my desires I should not have known what to ask. If in moments of intoxication I felt something which, though not a wish, was a habit left by former wishes, in sober moments I knew this to be a delusion and that there was really nothing to wish for. I could not even wish to know the truth, for I guessed of what it consisted. The truth was that life is meaningless. I had as it were lived, lived, and walked, walked, till I had come to a precipice and saw clearly that there was nothing ahead of me but destruction. It was impossible to stop, impossible to go back, and impossible to close my eyes or avoid seeing that there was nothing ahead but suffering and real death -- complete annihilation.

It had come to this, that I, a healthy, fortunate man, felt I could no longer live: some irresistible power impelled me to rid myself one way or other of life. I cannot say I *wished* to kill myself. The power which drew me away from life was stronger,

fuller, and more widespread than any mere wish. It was a force similar to the former striving to live, only in a contrary direction. All my strength drew me away from life. The thought of self-destruction now came to me as naturally as thoughts of how to improve my life had come formerly. and it was seductive that I had to be cunning with myself lest I should carry it out too hastily.

I did not wish to hurry, because I wanted to use all efforts to disentangle the matter. "If I cannot unravel matters, there will always be time." and it was then that I, a man favoured by fortune, hid a cord from myself lest I should hang myself from the crosspiece of the partition in my room where I undressed alone every evening, and I ceased to go out shooting with a gun lest I should be tempted by so easy a way of ending my life. I did not myself know what I wanted: I feared life, desired to escape from it, yet still hoped something of it.

And all this befell me at a time when all around me I had what is considered complete good fortune. I was not yet fifty; I had a good wife who lived me and whom I loved, good children, and a large estate which without much effort on my part improved and increased. I was respected by my relations and acquaintances more than at any previous time. I was praised by others and without much self-deception could consider that my name was famous. And far from being insane or mentally diseased, I enjoyed on the contrary a strength of mind and body such as I have seldom met with among men of my kind; physically I could keep up with the peasants at mowing, and mentally I could work for eight and ten hours at a stretch without experiencing any ill results from such exertion. And in this situation I came to this -- that I could not live, and, fearing death, had to employ cunning with myself to avoid taking my own life.

My mental condition presented itself to me in this way: my life is a stupid and spiteful joke someone has played on me. Though I did not acknowledge a "someone" who created me, yet such a presentation -- that someone had played an evil and stupid joke on my by placing me in the world -- was the form of expression that suggested itself most naturally to me.

Involuntarily it appeared to me that there, somewhere, was someone who amused himself by watching how I lived for thirty or forty years: learning, developing, maturing in body and mind, and how, having with matured mental powers reached the summit of life from which it all lay before me, I stood on that summit -- like an

arch-fool -- seeing clearly that there is nothing in life, and that there has been and will be nothing. And *he* was amused. ...

But whether that "someone" laughing at me existed or not, I was none the better off. I could give no reasonable meaning to any single action or to my whole life. I was only surprised that I could have avoided understanding this from the very beginning -- it has been so long known to all. Today or tomorrow sickness and death will come (they had come already) to those I love or to me; nothing will remain but stench and worms. Sooner or later my affairs, whatever they may be, will be forgotten, and I shall not exist. Then why go on making any effort? ... How can man fail to see this? And how go on living? That is what is surprising! One can only live while one is intoxicated with life; as soon as one is sober it is impossible not to see that it is all a mere fraud and a stupid fraud! That is precisely what it is: there is nothing either amusing or witty about it, it is simply cruel and stupid.

There is an Eastern fable, told long ago, of a traveller overtaken on a plain by an enraged beast. Escaping from the beast he gets into a dry well, but sees at the bottom of the well a dragon that has opened its jaws to swallow him. And the unfortunate man, not daring to climb out lest he should be destroyed by the enraged beast, and not daring to leap to the bottom of the well lest he should be eaten by the dragon, seizes a twig growing in a crack in the well and clings to it. His hands are growing weaker and he feels he will soon have to resign himself to the destruction that awaits him above or below, but still he clings on. Then he sees that two mice, a black one and a white one, go regularly round and round the stem of the twig to which he is clinging and gnaw at it. And soon the twig itself will snap and he will fall into the dragon's jaws. The traveller sees this and knows that he will inevitably perish; but while still hanging he looks around, sees some drops of honey on the leaves of the twig, reaches them with his tongue and licks them. So I too clung to the twig of life, knowing that the dragon of death was inevitably awaiting me, ready to tear me to pieces; and I could not understand why I had fallen into such torment. I tried to lick the honey which formerly consoled me, but the honey no longer gave me pleasure, and the white and black mice of day and night gnawed at the branch by which I hung. I saw the dragon clearly and the honey no longer tasted sweet. I only saw the unescapable dragon and the mice, and I could not tear my gaze from them. and this is not a

fable but the real unanswerable truth intelligible to all.

The deception of the joys of life which formerly allayed my terror of the dragon now no longer deceived me. No matter how often I may be told, "You cannot understand the meaning of life so do not think about it, but live," I can no longer do it: I have already done it too long. I cannot now help seeing day and night going round and bringing me to death. That is all I see, for that alone is true. All else is false.

The two drops of honey which diverted my eyes from the cruel truth longer than the rest: my love of family, and of writing -- art as I called it -- were no longer sweet to me.

"Family"...said I to myself. But my family -- wife and children -- are also human. They are placed just as I am: they must either live in a lie or see the terrible truth. Why should they live? Why should I love them, guard them, bring them up, or watch them? That they may come to the despair that I feel, or else be stupid? Loving them, I cannot hide the truth from them: each step in knowledge leads them to the truth. And the truth is death.

"Art, poetry?"...Under the influence of success and the praise of men, I had long assured myself that this was a thing one could do though death was drawing near -- death which destroys all things, including my work and its remembrance; but soon I saw that that too was a fraud. It was plain to me that art is an adornment of life, an allurements to life. But life had lost its attraction for me, so how could I attract others? As long as I was not living my own life but was borne on the waves of some other life -- as long as I believed that life had a meaning, though one I could not express -- the reflection of life in poetry and art of all kinds afforded me pleasure: it was pleasant to look at life in the mirror of art. But when I began to seek the meaning of life and felt the necessity of living my own life, that mirror became for me unnecessary, superfluous, ridiculous, or painful. I could no longer soothe myself with what I now saw in the mirror, namely, that my position was stupid and desperate. It was all very well to enjoy the sight when in the depth of my soul I believed that my life had a meaning. Then the play of lights -- comic, tragic, touching, beautiful, and terrible -- in life amused me. No sweetness of honey could be sweet to me when I saw the dragon and saw the mice gnawing away my support.

Nor was that all. Had I simply understood that life had no meaning I could have borne it quietly, knowing that that was my

lot. But I could not satisfy myself with that. Had I been like a man living in a wood from which he knows there is no exit, I could have lived; but I was like one lost in a wood who, horrified at having lost his way, rushes about wishing to find the road. He knows that each step he takes confuses him more and more, but still he cannot help rushing about.

It was indeed terrible. And to rid myself of the terror I wished to kill myself. I experienced terror at what awaited me -- knew that that terror was even worse than the position I was in, but still I could not patiently await the end. However convincing the argument might be that in any case some vessel in my heart would give way, or something would burst and all would be over, I could not patiently await that end. The horror of darkness was too great, and I wished to free myself from it as quickly as possible by noose or bullet. that was the feeling which drew me most strongly towards suicide.

v

"But perhaps I have overlooked something, or misunderstood something?" said to myself several times. "It cannot be that this condition of despair is natural to man!" And I sought for an explanation of these problems in all the branches of knowledge acquired by men. I sought painfully and long, not from idle curiosity or listlessly, but painfully and persistently day and night -- sought as a perishing man seeks for safety -- and I found nothing.

I sought in all the sciences, but far from finding what I wanted, became convinced that all who like myself had sought in knowledge for the meaning of life had found nothing. And not only had they found nothing, but they had plainly acknowledged that the very thing which made me despair -- namely the senselessness of life -- is the one indubitable thing man can know.

I sought everywhere; and thanks to a life spent in learning, and thanks also to my relations with the scholarly world, I had access to scientists and scholars in all branches of knowledge, and they readily showed me all their knowledge, not only in books but also in conversation, so that I had at my disposal all that science has to say on this question of life.

I was long unable to believe that it gives no other reply to life's questions than that which it actually does give. It long seemed to me, when I saw the important and serious air with which science announces its conclusions which have nothing in common with the real questions of human life, that there was something I had not understood. I long was timid before science, and it seemed to me that the lack of conformity between the answers and my questions arose not by the fault of science but from my ignorance, but the matter was for me not a game or an amusement but one of life and death, and I was involuntarily brought to the conviction that my questions were the only legitimate ones, forming the basis of all knowledge, and that I with my questions was not to blame, but science if it pretends to reply to those questions.

My question -- that which at the age of fifty brought me to the verge of suicide -- was the simplest of questions, lying in the soul of every man from the foolish child to the wisest elder: it was a question without an answer to which one cannot live, as I had found by experience. It was: "What will come of what I am doing today or shall do tomorrow? What will come of my whole life?"

Differently expressed, the question is: "Why should I live, why wish for anything, or do anything?" It can also be expressed thus: "Is there any meaning in my life that the inevitable death awaiting me does not destroy?"

To this one question, variously expressed, I sought an answer in science. And I found that in relation to that question all human knowledge is divided as it were into two opposite hemispheres at the ends of which are two poles: the one a negative and the other a positive; but that neither at the one nor the other pole is there an answer to life's questions.

The one series of sciences seems not to recognize the question, but replies clearly and exactly to its own independent questions: that is the series of experimental sciences, and at the extreme end of it stands mathematics. The other series of sciences recognizes the question, but does not answer it; that is the series of abstract sciences, and at the extreme end of it stands metaphysics.

From early youth I had been interested in the abstract sciences, but later the mathematical and natural sciences attracted me, and until I put my question definitely to myself, until that question had itself grown up within me urgently demanding a decision, I contented myself with those counterfeit answers which

science gives.

Now in the experimental sphere I said to myself: "Everything develops and differentiates itself, moving towards complexity and perfection, and there are laws directing this movement. You are a part of the whole. Having learnt as far as possible the whole, and having learnt the law of evolution, you will understand also your place in the whole and will know yourself." Ashamed as I am to confess it, there was a time when I seemed satisfied with that. It was just the time when I was myself becoming more complex and was developing. My muscles were growing and strengthening, my memory was being enriched, my capacity to think and understand was increasing, I was growing and developing; and feeling this growth in myself it was natural for me to think that such was the universal law in which I should find the solution of the question of my life. But a time came when the growth within me ceased. I felt that I was not developing, but fading, my muscles were weakening, my teeth falling out, and I saw that the law not only did not explain anything to me, but that there never had been or could be such a law, and that I had taken for a law what I had found in myself at a certain period of my life. I regarded the definition of that law more strictly, and it became clear to me that there could be no law of endless development; it became clear that to say, "in infinite space and time everything develops, becomes more perfect and more complex, is differentiated", is to say nothing at all. These are all words with no meaning, for in the infinite there is neither complex nor simple, neither forward nor backward, nor better or worse.

Above all, my personal question, "What am I with my desires?" remained quite unanswered. And I understood that those sciences are very interesting and attractive, but that they are exact and clear in inverse proportion to their applicability to the question of life: the less their applicability to the question of life, the more exact and clear they are, while the more they try to reply to the question of life, the more obscure and unattractive they become. If one turns to the division of sciences which attempt to reply to the questions of life -- to physiology, psychology, biology, sociology -- one encounters an appalling poverty of thought, the greatest obscurity, a quite unjustifiable pretension to solve irrelevant questions, and a continual contradiction of each authority by others and even by himself. If one turns to the branches of science which are not concerned with the solution of

the questions of life, but which reply to their own special scientific questions, one is enraptured by the power of man's mind, but one knows in advance that they give no reply to life's questions. Those sciences simply ignore life's questions. They say: "To the question of what you are and why you live we have no reply, and are not occupied with that; but if you want to know the laws of light, of chemical combinations, the laws of development of organisms, if you want to know the laws of bodies and their form, and the relation of numbers and quantities, if you want to know the laws of your mind, to all that we have clear, exact and unquestionable replies."

In general the relation of the experimental sciences to life's question may be expressed thus: Question: "Why do I live?" Answer: "In infinite space, in infinite time, infinitely small particles change their forms in infinite complexity, and when you have understood the laws of those mutations of form you will understand why you live on the earth."

Then in the sphere of abstract science I said to myself: "All humanity lives and develops on the basis of spiritual principles and ideals which guide it. Those ideals are expressed in religions, in sciences, in arts, in forms of government. Those ideals become more and more elevated, and humanity advances to its highest welfare. I am part of humanity, and therefore my vocation is to forward the recognition and the realization of the ideals of humanity." And at the time of my weak-mindedness I was satisfied with that; but as soon as the question of life presented itself clearly to me, those theories immediately crumbled away. Not to speak of the unscrupulous obscurity with which those sciences announce conclusions formed on the study of a small part of mankind as general conclusions; not to speak of the mutual contradictions of different adherents of this view as to what are the ideals of humanity; the strangeness, not to say stupidity, of the theory consists in the fact that in order to reply to the question facing each man: "What am I?" or "Why do I live?" or "What must I do?" one has first to decide the question: "What is the life of the whole?" (which is to him unknown and of which he is acquainted with one tiny part in one minute period of time. To understand what he is, one man must first understand all this mysterious humanity, consisting of people such as himself who do not understand one another.

I have to confess that there was a time when I believed this.

It was the time when I had my own favourite ideals justifying my own caprices, and I was trying to devise a theory which would allow one to consider my caprices as the law of humanity. But as soon as the question of life arose in my soul in full clearness that reply at once flew to dust. And I understood that as in the experimental sciences there are real sciences, and semi-sciences which try to give answers to questions beyond their competence, so in this sphere there is a whole series of most diffused sciences which try to reply to irrelevant questions. Semi-sciences of that kind, the juridical and the social-historical, endeavour to solve the questions of a man's life by pretending to decide each in its own way, the question of the life of all humanity.

But as in the sphere of man's experimental knowledge one who sincerely inquires how he is to live cannot be satisfied with the reply -- "Study in endless space the mutations, infinite in time and in complexity, of innumerable atoms, and then you will understand your life" -- so also a sincere man cannot be satisfied with the reply: "Study the whole life of humanity of which we cannot know either the beginning or the end, of which we do not even know a small part, and then you will understand your own life." And like the experimental semi-sciences, so these other semi-sciences are the more filled with obscurities, inexactitudes, stupidities, and contradictions, the further they diverge from the real problems. The problem of experimental science is the sequence of cause and effect in material phenomena. It is only necessary for experimental science to introduce the question of a final cause for it to become nonsensical. The problem of abstract science is the recognition of the primordial essence of life. It is only necessary to introduce the investigation of consequential phenomena (such as social and historical phenomena) and it also becomes nonsensical.

Experimental science only then gives positive knowledge and displays the greatness of the human mind when it does not introduce into its investigations the question of an ultimate cause. And, on the contrary, abstract science is only then science and displays the greatness of the human mind when it puts quite aside questions relating to the consequential causes of phenomena and regards man solely in relation to an ultimate cause. Such in this realm of science -- forming the pole of the sphere -- is metaphysics or philosophy. That science states the question clearly: "What am I, and what is the universe? And why do I exist, and why does the

universe exist?" And since it has existed it has always replied in the same way. Whether the philosopher calls the essence of life existing within me, and in all that exists, by the name of "idea", or "substance", or "spirit", or "will", he says one and the same thing: that this essence exists and that I am of that same essence; but why it is he does not know, and does not say, if he is an exact thinker. I ask: "Why should this essence exist? What results from the fact that it is and will be?" ... And philosophy not merely does not reply, but is itself only asking that question. And if it is real philosophy all its labour lies merely in trying to put that question clearly. And if it keeps firmly to its task it cannot reply to the question otherwise than thus: "What am I, and what is the universe?" "All and nothing"; and to the question "Why?" by "I do not know".

So that however I may turn these replies of philosophy, I can never obtain anything like an answer -- and not because, as in the clear experimental sphere, the reply does not relate to my question, but because here, though all the mental work is directed just to my question, there is no answer, but instead of an answer one gets the same question, only in a complex form.

VI

In my search for answers to life's questions I experienced just what is felt by a man lost in a forest.

He reaches a glade, climbs a tree, and clearly sees the limitless distance, but sees that his home is not and cannot be there; then he goes into the dark wood and sees the darkness, but there also his home is not.

So I wandered in that wood of human knowledge, amid the gleams of mathematical and experimental science which showed me clear horizons but in a direction where there could be no home, and also amid the darkness of the abstract sciences where I was immersed in deeper gloom the further I went, and where I finally convinced myself that there was, and could be, no exit.

Yielding myself to the bright side of knowledge, I understood that I was only diverting my gaze from the question. However alluringly clear those horizons which opened out before me might be, however alluring it might be to immerse oneself in the limitless expanse of those sciences, I already understood that the

clearer they were the less they met my need and the less they applied to my question.

"I know," said I to myself, "what science so persistently tries to discover, and along that road there is no reply to the question as to the meaning of my life." In the abstract sphere I understood that notwithstanding the fact, or just because of the fact, that the direct aim of science is to reply to my question, there is no reply but that which I have myself already given: "What is the meaning of my life?" "There is none." Or: "What will come of my life?" "Nothing." Or: "Why does everything exist that exists, and why do I exist?" "Because it exists."

Inquiring for one region of human knowledge, I received an innumerable quantity of exact replies concerning matters about which I had not asked: about the chemical constituents of the stars, about the movement of the sun towards the constellation Hercules, about the origin of species and of man, about the forms of infinitely minute imponderable particles of ether; but in this sphere of knowledge the only answer to my question, "What is the meaning of my life?" was: "You are what you call your 'life'; you are a transitory, casual cohesion of particles. The mutual interactions and changes of these particles produce in you what you call your "life". That cohesion will last some time; afterwards the interaction of these particles will cease and what you call "life" will cease, and so will all your questions. You are an accidentally united little lump of something. that little lump ferments. The little lump calls that fermenting its 'life'. The lump will disintegrate and there will be an end of the fermenting and of all the questions." So answers the clear side of science and cannot answer otherwise if it strictly follows its principles.

From such a reply one sees that the reply does not answer the question. I want to know the meaning of my life, but that it is a fragment of the infinite, far from giving it a meaning destroys its every possible meaning. The obscure compromises which that side of experimental exact science makes with abstract science when it says that the meaning of life consists in development and in cooperation with development, owing to their inexactness and obscurity cannot be considered as replies.

The other side of science -- the abstract side -- when it holds strictly to its principles, replying directly to the question, always replies, and in all ages has replied, in one and the same way: "The world is something infinite and

incomprehensible part of that incomprehensible 'all'." Again I exclude all those compromises between abstract and experimental sciences which supply the whole ballast of the semi-sciences called juridical, political, and historical. In those semi-sciences the conception of development and progress is again wrongly introduced, only with this difference, that there it was the development of everything while here it is the development of the life of mankind. The error is there as before: development and progress in infinity can have no aim or direction, and, as far as my question is concerned, no answer is given.

In truly abstract science, namely in genuine philosophy -- not in that which Schopenhauer calls "professorial philosophy" which serves only to classify all existing phenomena in new philosophic categories and to call them by new names -- where the philosopher does not lose sight of the essential question, the reply is always one and the same -- the reply given by Socrates, Schopenhauer, Solomon, and buddha.

"We approach truth only inasmuch as we depart from life", said Socrates when preparing for death. "For what do we, who love truth, strive after in life? To free ourselves from the body, and from all the evil that is caused by the life of the body! If so, then how can we fail to be glad when death comes to us?"

"The wise man seeks death all his life and therefore death is not terrible to him."

And Schopenhauer says:

"Having recognized the inmost essence of the world as *will*, and all its phenomena -- from the unconscious working of the obscure forces of Nature up to the completely conscious action of man -- as only the objectivity of that will, we shall in no way avoid the conclusion that together with the voluntary renunciation and self-destruction of the will all those phenomena also disappear, that constant striving and effort without aim or rest on all the stages of objectivity in which and through which the world exists; the diversity of successive forms will disappear, and together with the form all the manifestations of will, with its most universal forms, space and time, and finally its most fundamental form -- subject and object. Without will there is no concept and no world. Before us, certainly, nothing remains. But what resists this transition into annihilation, our nature, is only that same wish to live -- *Wille zum Leben* -- which forms ourselves as well as our world. That we are so afraid of

annihilation or, what is the same thing, that we so wish to live, merely means that we are ourselves nothing else but this desire to live, and know nothing but it. And so what remains after the complete annihilation of the will, for us who are so full of the will, is, of course, nothing; but on the other hand, for those in whom the will has turned and renounced itself, this so real world of ours with all its suns and milky way is nothing."

"Vanity of vanities", says Solomon -- "vanity of vanities -- all is vanity. What profit hath a man of all his labor which he taketh under the sun? One generation passeth away, and another generation commeth: but the earth abideth for ever....The thing that hath been, is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun. Is there anything whereof it may be said, See, this is new? it hath been already of old time, which was before us. there is no remembrance of former things; neither shall there be any remembrance of things that are to come with those that shall come after. I the Preacher was King over Israel in Jerusalem. And I gave my heart to seek and search out by wisdom concerning all that is done under heaven: this sore travail hath God given to the sons of man to be exercised therewith. I have seen all the works that are done under the sun; and behold, all is vanity and vexation of spirit....I communed with my own heart, saying, Lo, I am come to great estate, and have gotten more wisdom than all they that have been before me over Jerusalem: yea, my heart hath great experience of wisdom and knowledge. And I gave my heart to know wisdom, and to know madness and folly: I perceived that this also is vexation of spirit. For in much wisdom is much grief: and he that increaseth knowledge increaseth sorrow.

"I said in my heart, Go to now, I will prove thee with mirth, therefore enjoy pleasure: and behold this also is vanity. I said of laughter, It is mad: and of mirth, What doeth it? I sought in my heart how to cheer my flesh with wine, and while my heart was guided by wisdom, to lay hold on folly, till I might see what it was good for the sons of men that they should do under heaven the number of the days of their life. I made me great works; I builded me houses; I planted me vineyards; I made me gardens and orchards, and I planted trees in them of all kinds of fruits: I made me pools of water, to water therefrom the forest where trees were reared: I got me servants and maidens, and had servants born in my house; also I had great possessions of herds and flocks above all that

were before me in Jerusalem: I gathered me also silver and gold and the peculiar treasure from kings and from the provinces: I got me men singers and women singers; and the delights of the sons of men, as musical instruments and all that of all sorts. So I was great, and increased more than all that were before me in Jerusalem: also my wisdom remained with me. And whatever mine eyes desired I kept not from them. I withheld not my heart from any joy...Then I looked on all the works that my hands had wrought, and on the labour that I had laboured to do: and, behold, all was vanity and vexation of spirit, and there was no profit from them under the sun. And I turned myself to behold wisdom, and madness, and folly... But I perceived that one even happeneth to them all. Then said I in my heart, As it happeneth to the fool, so it happeneth even to me, and why was I then more wise? then I said in my heart, that this also is vanity. For there is no remembrance of the wise more than of the fool for ever; seeing that which now is in the days to come shall all be forgotten. And how dieth the wise man? as the fool. Therefore I hated life; because the work that is wrought under the sun is grievous unto me: for all is vanity and vexation of spirit. Yea, I hated all my labour which I had taken under the sun: seeing that I must leave it unto the man that shall be after me.... For what hath man of all his labour, and of the vexation of his heart, wherein he hath laboured under the sun? For all his days are sorrows, and his travail grief; yea, even in the night his heart taketh no rest. this is also vanity. Man is not blessed with security that he should eat and drink and cheer his soul from his own labour.... All things come alike to all: there is one event to the righteous and to the wicked; to the good and to the evil; to the clean and to the unclean; to him that sacrificeth and to him that sacrificeth not; as is the good, so is the sinner; and he that sweareth, as he that feareth an oath. This is an evil in all that is done under the sun, that there is one event unto all; yea, also the heart of the sons of men is full of evil, and madness is in their heart while they live, and after that they go to the dead. For him that is among the living there is hope: for a living dog is better than a dead lion. For the living know that they shall die: but the dead know not any thing, neither have they any more a reward; for the memory of them is forgotten. also their love, and their hatred, and their envy, is now perished; neither have they any more a portion for ever in any thing that is done under the sun."

So said Solomon, or whoever wrote those words. [Footnote: tolstoy's version differs slightly in a few places from our own Authorized or Revised version. I have followed his text, for in a letter to Fet, quoted on p. 18, vol. ii, of my "Life of Tolstoy," he says that "The Authorized English version [of Ecclesiastes] is bad." -- A.M.]

And this is what the Indian wisdom tells:

Sakya Muni, a young, happy prince, from whom the existence of sickness, old age, and death had been hidden, went out to drive and saw a terrible old man, toothless and slobbering. the prince, from whom till then old age had been concealed, was amazed, and asked his driver what it was, and how that man had come to such a wretched and disgusting condition, and when he learnt that this was the common fate of all men, that the same thing inevitably awaited him -- the young prince -- he could not continue his drive, but gave orders to go home, that he might consider this fact. So he shut himself up alone and considered it. and he probably devised some consolation for himself, for he subsequently again went out to drive, feeling merry and happy. But this time he saw a sick man. He saw an emaciated, livid, trembling man with dim eyes. The prince, from whom sickness had been concealed, stopped and asked what this was. And when he learnt that this was sickness, to which all men are liable, and that he himself -- a healthy and happy prince -- might himself fall ill tomorrow, he again was in no mood to enjoy himself but gave orders to drive home, and again sought some solace, and probably found it, for he drove out a third time for pleasure. But this third time he saw another new sight: he saw men carrying something. 'What is that?' 'A dead man.' 'What does *dead* mean?' asked the prince. He was told that to become dead means to become like that man. The prince approached the corpse, uncovered it, and looked at it. 'What will happen to him now?' asked the prince. He was told that the corpse would be buried in the ground. 'Why?' 'Because he will certainly not return to life, and will only produce a stench and worms.' 'And is that the fate of all men? Will the same thing happen to me? Will they bury me, and shall I cause a stench and be eaten by worms?' 'Yes.' 'Home! I shall not drive out for pleasure, and never will so drive out again!'

And Sakya Muni could find no consolation in life, and decided that life is the greatest of evils; and he devoted all the strength of his soul to free himself from it, and to free others; and to do

this so that, even after death, life shall not be renewed any more but be completely destroyed at its very roots. So speaks all the wisdom of India.

These are the direct replies that human wisdom gives when it replies to life's question.

"The life of the body is an evil and a lie. Therefore the destruction of the life of the body is a blessing, and we should desire it," says Socrates.

"Life is that which should not be -- an evil; and the passage into Nothingness is the only good in life," says Schopenhauer.

"All that is in the world -- folly and wisdom and riches and poverty and mirth and grief -- is vanity and emptiness. Man dies and nothing is left of him. And that is stupid," says Solomon.

"To life in the consciousness of the inevitability of suffering, of becoming enfeebled, of old age and of death, is impossible -- we must free ourselves from life, from all possible life," says Buddha.

And what these strong minds said has been said and thought and felt by millions upon millions of people like them. And I have thought it and felt it.

So my wandering among the sciences, far from freeing me from my despair, only strengthened it. One kind of knowledge did not reply to life's question, the other kind replied directly confirming my despair, indicating not that the result at which I had arrived was the fruit of error or of a diseased state of my mind, but on the contrary that I had thought correctly, and that my thoughts coincided with the conclusions of the most powerful of human minds.

It is no good deceiving oneself. It is all -- vanity! Happy is he who has not been born: death is better than life, and one must free oneself from life.

VII

Not finding an explanation in science I began to seek for it in life, hoping to find it among the people around me. And I began to observe how the people around me -- people like myself -- lived, and what their attitude was to this question which had brought me to despair.

And this is what I found among people who were in the same

position as myself as regards education and manner of life.

I found that for people of my circle there were four ways out of the terrible position in which we are all placed.

The first was that of ignorance. It consists in not knowing, not understanding, that life is an evil and an absurdity. People of this sort -- chiefly women, or very young or very dull people -- have not yet understood that question of life which presented itself to Schopenhauer, Solomon, and Buddha. They see neither the dragon that awaits them nor the mice gnawing the shrub by which they are hanging, and they lick the drops of honey. but they lick those drops of honey only for a while: something will turn their attention to the dragon and the mice, and there will be an end to their licking. From them I had nothing to learn -- one cannot cease to know what one does know.

The second way out is epicureanism. It consists, while knowing the hopelessness of life, in making use meanwhile of the advantages one has, disregarding the dragon and the mice, and licking the honey in the best way, especially if there is much of it within reach. Solomon expresses this way out thus: "Then I commended mirth, because a man hath no better thing under the sun, than to eat, and to drink, and to be merry: and that this should accompany him in his labour the days of his life, which God giveth him under the sun.

"Therefore eat thy bread with joy and drink thy wine with a merry heart.... Live joyfully with the wife whom thou lovest all the days of the life of thy vanity...for this is thy portion in life and in thy labours which thou takest under the sun.... Whatsoever thy hand findeth to do, do it with thy might, for there is not work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest."

That is the way in which the majority of people of our circle make life possible for themselves. Their circumstances furnish them with more of welfare than of hardship, and their moral dullness makes it possible for them to forget that the advantage of their position is accidental, and that not everyone can have a thousand wives and palaces like Solomon, that for everyone who has a thousand wives there are a thousand without a wife, and that for each palace there are a thousand people who have to build it in the sweat of their brows; and that the accident that has today made me a Solomon may tomorrow make me a Solomon's slave. The dullness of these people's imagination enables them to forget the things that

gave Buddha no peace -- the inevitability of sickness, old age, and death, which today or tomorrow will destroy all these pleasures.

So think and feel the majority of people of our day and our manner of life. The fact that some of these people declare the dullness of their thoughts and imaginations to be a philosophy, which they call Positive, does not remove them, in my opinion, from the ranks of those who, to avoid seeing the question, lick the honey. I could not imitate these people; not having their dullness of imagination I could not artificially produce it in myself. I could not tear my eyes from the mice and the dragon, as no vital man can after he has once seen them.

The third escape is that of strength and energy. It consists in destroying life, when one has understood that it is an evil and an absurdity. A few exceptionally strong and consistent people act so. Having understood the stupidity of the joke that has been played on them, and having understood that it is better to be dead than to be alive, and that it is best of all not to exist, they act accordingly and promptly end this stupid joke, since there are means: a rope round one's neck, water, a knife to stick into one's heart, or the trains on the railways; and the number of those of our circle who act in this way becomes greater and greater, and for the most part they act so at the best time of their life, when the strength of their mind is in full bloom and few habits degrading to the mind have as yet been acquired.

I saw that this was the worthiest way of escape and I wished to adopt it.

The fourth way out is that of weakness. It consists in seeing the truth of the situation and yet clinging to life, knowing in advance that nothing can come of it. People of this kind know that death is better than life, but not having the strength to act rationally -- to end the deception quickly and kill themselves -- they seem to wait for something. This is the escape of weakness, for if I know what is best and it is within my power, why not yield to what is best? ... I found myself in that category.

So people of my class evade the terrible contradiction in four ways. Strain my attention as I would, I saw no way except those four. One way was not to understand that life is senseless, vanity, and an evil, and that it is better not to live. I could not help knowing this, and when I once knew it could not shut my eyes to it. the second way was to use life such as it is without thinking of the future. And I could not do that. I, like Sakya

Muni, could not ride out hunting when I knew that old age, suffering, and death exist. My imagination was too vivid. Nor could I rejoice in the momentary accidents that for an instant threw pleasure to my lot. The third way, having understood that life is evil and stupid, was to end it by killing oneself. I understood that, but somehow still did not kill myself. The fourth way was to live like Solomon and Schopenhauer -- knowing that life is a stupid joke played upon us, and still to go on living, washing oneself, dressing, dining, talking, and even writing books. This was to me repulsive and tormenting, but I remained in that position.

I see now that if I did not kill myself it was due to some dim consciousness of the invalidity of my thoughts. However convincing and indubitable appeared to me the sequence of my thoughts and of those of the wise that have brought us to the admission of the senselessness of life, there remained in me a vague doubt of the justice of my conclusion.

It was like this: I, my reason, have acknowledged that life is senseless. If there is nothing higher than reason (and there is not: nothing can prove that there is), then reason is the creator of life for me. If reason did not exist there would be for me no life. How can reason deny life when it is the creator of life? Or to put it the other way: were there no life, my reason would not exist; therefore reason is life's son. Life is all. Reason is its fruit yet reason rejects life itself! I felt that there was something wrong here.

Life is a senseless evil, that is certain, said I to myself. Yet I have lived and am still living, and all mankind lived and lives. How is that? Why does it live, when it is possible not to live? Is it that only I and Schopenhauer are wise enough to understand the senselessness and evil of life?

The reasoning showing the vanity of life is not so difficult, and has long been familiar to the very simplest folk; yet they have lived and still live. How is it they all live and never think of doubting the reasonableness of life?

My knowledge, confirmed by the wisdom of the sages, has shown me that everything on earth -- organic and inorganic -- is all most cleverly arranged -- only my own position is stupid. and those fools -- the enormous masses of people -- know nothing about how everything organic and inorganic in the world is arranged; but they live, and it seems to them that their life is very wisely arranged!

...

And it struck me: "But what if there is something I do not yet know? Ignorance behaves just in that way. Ignorance always says just what I am saying. When it does not know something, it says that what it does not know is stupid. Indeed, it appears that there is a whole humanity that lived and lives as if it understood the meaning of its life, for without understanding it could not live; but I say that all this life is senseless and that I cannot live.

"Nothing prevents our denying life by suicide. well then, kill yourself, and you won't discuss. If life displeases you, kill yourself! You live, and cannot understand the meaning of life -- then finish it, and do not fool about in life, saying and writing that you do not understand it. You have come into good company where people are contented and know what they are doing; if you find it dull and repulsive -- go away!"

Indeed, what are we who are convinced of the necessity of suicide yet do not decide to commit it, but the weakest, most inconsistent, and to put it plainly, the stupidest of men, fussing about with our own stupidity as a fool fusses about with a painted hussy? For our wisdom, however indubitable it may be, has not given us the knowledge of the meaning of our life. But all mankind who sustain life -- millions of them -- do not doubt the meaning of life.

Indeed, from the most distant time of which I know anything, when life began, people have lived knowing the argument about the vanity of life which has shown me its senselessness, and yet they lived attributing some meaning to it.

From the time when any life began among men they had that meaning of life, and they led that life which has descended to me. All that is in me and around me, all, corporeal and incorporeal, is the fruit of their knowledge of life. Those very instruments of thought with which I consider this life and condemn it were all devised not be me but by them. I myself was born, taught, and brought up thanks to them. They dug out the iron, taught us to cut down the forests, tamed the cows and horses, taught us to sow corn and to live together, organized our life, and taught me to think and speak. And I, their product, fed, supplied with drink, taught by them, thinking with their thoughts and words, have argued that they are an absurdity! "There is something wrong," said I to myself. "I have blundered somewhere." But it was a long time

before I could find out where the mistake was.

VIII

All these doubts, which I am now able to express more or less systematically, I could not then have expressed. I then only felt that however logically inevitable were my conclusions concerning the vanity of life, confirmed as they were by the greatest thinkers, there was something not right about them. Whether it was in the reasoning itself or in the statement of the question I did not know -- I only felt that the conclusion was rationally convincing, but that that was insufficient. All these conclusions could not so convince me as to make me do what followed from my reasoning, that is to say, kill myself. And I should have told an untruth had I, without killing myself, said that reason had brought me to the point I had reached. Reason worked, but something else was also working which I can only call a consciousness of life. A force was working which compelled me to turn my attention to this and not to that; and it was this force which extricated me from my desperate situation and turned my mind in quite another direction. This force compelled me to turn my attention to the fact that I and a few hundred similar people are not the whole of mankind, and that I did not yet know the life of mankind.

Looking at the narrow circle of my equals, I saw only people who had not understood the question, or who had understood it and drowned it in life's intoxication, or had understood it and ended their lives, or had understood it and yet from weakness were living out their desperate life. And I saw no others. It seemed to me that that narrow circle of rich, learned, and leisured people to which I belonged formed the whole of humanity, and that those milliards of others who have lived and are living were cattle of some sort -- not real people.

Strange, incredibly incomprehensible as it now seems to me that I could, while reasoning about life, overlook the whole life of mankind that surrounded me on all sides; that I could to such a degree blunder so absurdly as to think that my life, and Solomon's and Schopenhauer's, is the real, normal life, and that the life of the milliards is a circumstance undeserving of attention -- strange as this now is to me, I see that so it was. In the delusion of my pride of intellect it seemed to me so indubitable that I and

Solomon and Schopenhauer had stated the question so truly and exactly that nothing else was possible -- so indubitable did it seem that all those milliards consisted of men who had not yet arrived at an apprehension of all the profundity of the question -- that I sought for the meaning of my life without it once occurring to me to ask: "But what meaning is and has been given to their lives by all the milliards of common folk who live and have lived in the world?"

I long lived in this state of lunacy, which, in fact if not in words, is particularly characteristic of us very liberal and learned people. But thanks either to the strange physical affection I have for the real labouring people, which compelled me to understand them and to see that they are not so stupid as we suppose, or thanks to the sincerity of my conviction that I could know nothing beyond the fact that the best I could do was to hang myself, at any rate I instinctively felt that if I wished to live and understand the meaning of life, I must seek this meaning not among those who have lost it and wish to kill themselves, but among those milliards of the past and the present who make life and who support the burden of their own lives and of ours also. And I considered the enormous masses of those simple, unlearned, and poor people who have lived and are living and I saw something quite different. I saw that, with rare exceptions, all those milliards who have lived and are living do not fit into my divisions, and that I could not class them as not understanding the question, for they themselves state it and reply to it with extraordinary clearness. Nor could I consider them epicureans, for their life consists more of privations and sufferings than of enjoyments. Still less could I consider them as irrationally dragging on a meaningless existence, for every act of their life, as well as death itself, is explained by them. To kill themselves they consider the greatest evil. It appeared that all mankind had a knowledge, unacknowledged and despised by me, of the meaning of life. It appeared that reasonable knowledge does not give the meaning of life, but excludes life: while the meaning attributed to life by milliards of people, by all humanity, rests on some despised pseudo-knowledge.

Rational knowledge presented by the learned and wise, denies the meaning of life, but the enormous masses of men, the whole of mankind receive that meaning in irrational knowledge. And that irrational knowledge is faith, that very thing which I could not

but reject. It is God, One in Three; the creation in six days; the devils and angels, and all the rest that I cannot accept as long as I retain my reason.

My position was terrible. I knew I could find nothing along the path of reasonable knowledge except a denial of life; and there -- in faith -- was nothing but a denial of reason, which was yet more impossible for me than a denial of life. From rational knowledge it appeared that life is an evil, people know this and it is in their power to end life; yet they lived and still live, and I myself live, though I have long known that life is senseless and an evil. By faith it appears that in order to understand the meaning of life I must renounce my reason, the very thing for which alone a meaning is required.

IX

A contradiction arose from which there were two exits. Either that which I called reason was not so rational as I supposed, or that which seemed to me irrational was not so irrational as I supposed. And I began to verify the line of argument of my rational knowledge.

Verifying the line of argument of rational knowledge I found it quite correct. The conclusion that life is nothing was inevitable; but I noticed a mistake. The mistake lay in this, that my reasoning was not in accord with the question I had put. The question was: "Why should I live, that is to say, what real, permanent result will come out of my illusory transitory life -- what meaning has my finite existence in this infinite world?" And to reply to that question I had studied life.

The solution of all the possible questions of life could evidently not satisfy me, for my question, simple as it at first appeared, included a demand for an explanation of the finite in terms of the infinite, and vice versa.

I asked: "What is the meaning of my life, beyond time, cause, and space?" And I replied to quite another question: "What is the meaning of my life within time, cause, and space?" With the result that, after long efforts of thought, the answer I reached was: "None."

In my reasonings I constantly compared (nor could I do otherwise) the finite with the finite, and the infinite with the

infinite; but for that reason I reached the inevitable result: force is force, matter is matter, will is will, the infinite is the infinite, nothing is nothing -- and that was all that could result.

It was something like what happens in mathematics, when thinking to solve an equation, we find we are working on an identity. the line of reasoning is correct, but results in the answer that a equals a, or x equals x, or o equals o. the same thing happened with my reasoning in relation to the question of the meaning of my life. The replies given by all science to that question only result in -- identity.

And really, strictly scientific knowledge -- that knowledge which begins, as Descartes's did, with complete doubt about everything -- rejects all knowledge admitted on faith and builds everything afresh on the laws of reason and experience, and cannot give any other reply to the question of life than that which I obtained: an indefinite reply. Only at first had it seemed to me that knowledge had given a positive reply -- the reply of Schopenhauer: that life has no meaning and is an evil. But on examining the matter I understood that the reply is not positive, it was only my feeling that so expressed it. Strictly expressed, as it is by the Brahmins and by Solomon and Schopenhauer, the reply is merely indefinite, or an identity: o equals o, life is nothing. So that philosophic knowledge denies nothing, but only replies that the question cannot be solved by it -- that for it the solution remains indefinite.

Having understood this, I understood that it was not possible to seek in rational knowledge for a reply to my question, and that the reply given by rational knowledge is a mere indication that a reply can only be obtained by a different statement of the question and only when the relation of the finite to the infinite is included in the question. And I understood that, however irrational and distorted might be the replies given by faith, they have this advantage, that they introduce into every answer a relation between the finite and the infinite, without which there can be no solution.

In whatever way I stated the question, that relation appeared in the answer. How am I to live? -- According to the law of God. What real result will come of my life? -- Eternal torment or eternal bliss. What meaning has life that death does not destroy? -- Union with the eternal God: heaven.

So that besides rational knowledge, which had seemed to me the

only knowledge, I was inevitably brought to acknowledge that all live humanity has another irrational knowledge -- faith which makes it possible to live. Faith still remained to me as irrational as it was before, but I could not but admit that it alone gives mankind a reply to the questions of life, and that consequently it makes life possible. Reasonable knowledge had brought me to acknowledge that life is senseless -- my life had come to a halt and I wished to destroy myself. Looking around on the whole of mankind I saw that people live and declare that they know the meaning of life. I looked at myself -- I had lived as long as I knew a meaning of life and had made life possible.

Looking again at people of other lands, at my contemporaries and at their predecessors, I saw the same thing. Where there is life, there since man began faith has made life possible for him, and the chief outline of that faith is everywhere and always identical.

Whatever the faith may be, and whatever answers it may give, and to whomsoever it gives them, every such answer gives to the finite existence of man an infinite meaning, a meaning not destroyed by sufferings, deprivations, or death. This means that only in faith can we find for life a meaning and a possibility. What, then, is this faith? And I understood that faith is not merely "the evidence of things not seen", etc., and is not a revelation (that defines only one of the indications of faith, is not the relation of man to God (one has first to define faith and then God, and not define faith through God); it not only agreement with what has been told one (as faith is most usually supposed to be), but faith is a knowledge of the meaning of human life in consequence of which man does not destroy himself but lives. Faith is the strength of life. If a man lives he believes in something. If he did not believe that one must live for something, he would not live. If he does not see and recognize the illusory nature of the finite, he believes in the finite; if he understands the illusory nature of the finite, he must believe in the infinite. Without faith he cannot live.

And I recalled the whole course of my mental labour and was horrified. It was now clear to me that for man to be able to live he must either not see the infinite, or have such an explanation of the meaning of life as will connect the finite with the infinite. Such an explanation I had had; but as long as I believed in the finite I did not need the explanation, and I began to verify it by

reason. And in the light of reason the whole of my former explanation flew to atoms. But a time came when I ceased to believe in the finite. And then I began to build up on rational foundations, out of what I knew, an explanation which would give a meaning to life; but nothing could I build. Together with the best human intellects I reached the result that 0 equals 0 , and was much astonished at that conclusion, though nothing else could have resulted.

What was I doing when I sought an answer in the experimental sciences? I wished to know why I live, and for this purpose studied all that is outside me. Evidently I might learn much, but nothing of what I needed.

What was I doing when I sought an answer in philosophical knowledge? I was studying the thoughts of those who had found themselves in the same position as I, lacking a reply to the question "why do I live?" Evidently I could learn nothing but what I knew myself, namely that nothing can be known.

What am I? -- A part of the infinite. In those few words lies the whole problem.

Is it possible that humanity has only put that question to itself since yesterday? And can no one before me have set himself that question -- a question so simple, and one that springs to the tongue of every wise child?

Surely that question has been asked since man began; and naturally for the solution of that question since man began it has been equally insufficient to compare the finite with the finite and the infinite with the infinite, and since man began the relation of the finite to the infinite has been sought out and expressed.

All these conceptions in which the finite has been adjusted to the infinite and a meaning found for life -- the conception of God, of will, of goodness -- we submit to logical examination. And all those conceptions fail to stand reason's criticism.

Were it not so terrible it would be ludicrous with what pride and self-satisfaction we, like children, pull the watch to pieces, take out the spring, make a toy of it, and are then surprised that the watch does not go.

A solution of the contradiction between the finite and the infinite, and such a reply to the question of life as will make it possible to live, is necessary and precious. And that is the only solution which we find everywhere, always, and among all peoples: a solution descending from times in which we lose sight of the life

of man, a solution so difficult that we can compose nothing like it -- and this solution we light-heartedly destroy in order again to set the same question, which is natural to everyone and to which we have no answer.

The conception of an infinite god, the divinity of the soul, the connexion of human affairs with God, the unity and existence of the soul, man's conception of moral goodness and evil -- are conceptions formulated in the hidden infinity of human thought, they are those conceptions without which neither life nor I should exist; yet rejecting all that labour of the whole of humanity, I wished to remake it afresh myself and in my own manner.

I did not then think like that, but the germs of these thoughts were already in me. I understood, in the first place, that my position with Schopenhauer and Solomon, notwithstanding our wisdom, was stupid: we see that life is an evil and yet continue to live. That is evidently stupid, for if life is senseless and I am so fond of what is reasonable, it should be destroyed, and then there would be no one to challenge it. Secondly, I understood that all one's reasonings turned in a vicious circle like a wheel out of gear with its pinion. However much and however well we may reason we cannot obtain a reply to the question; and o will always equal o, and therefore our path is probably erroneous. Thirdly, I began to understand that in the replies given by faith is stored up the deepest human wisdom and that I had no right to deny them on the ground of reason, and that those answers are the only ones which reply to life's question.

X

I understood this, but it made matters no better for me. I was now ready to accept any faith if only it did not demand of me a direct denial of reason -- which would be a falsehood. And I studied Buddhism and Mohammedanism from books, and most of all I studied Christianity both from books and from the people around me.

Naturally I first of all turned to the orthodox of my circle, to people who were learned: to Church theologians, monks, to theologians of the newest shade, and even to Evangelicals who profess salvation by belief in the Redemption. And I seized on these believers and questioned them as to their beliefs and their understanding of the meaning of life.

But though I made all possible concessions, and avoided all disputes, I could not accept the faith of these people. I saw that what they gave out as their faith did not explain the meaning of life but obscured it, and that they themselves affirm their belief not to answer that question of life which brought me to faith, but for some other aims alien to me.

I remember the painful feeling of fear of being thrown back into my former state of despair, after the hope I often and often experienced in my intercourse with these people.

The more fully they explained to me their doctrines, the more clearly did I perceive their error and realized that my hope of finding in their belief an explanation of the meaning of life was vain.

It was not that in their doctrines they mixed many unnecessary and unreasonable things with the Christian truths that had always been near to me: that was not what repelled me. I was repelled by the fact that these people's lives were like my own, with only this difference -- that such a life did not correspond to the principles they expounded in their teachings. I clearly felt that they deceived themselves and that they, like myself found no other meaning in life than to live while life lasts, taking all one's hands can seize. I saw this because if they had had a meaning which destroyed the fear of loss, suffering, and death, they would not have feared these things. But they, these believers of our circle, just like myself, living in sufficiency and superfluity, tried to increase or preserve them, feared privations, suffering, and death, and just like myself and all of us unbelievers, lived to satisfy their desires, and lived just as badly, if not worse, than the unbelievers.

No arguments could convince me of the truth of their faith. Only deeds which showed that they saw a meaning in life making what was so dreadful to me -- poverty, sickness, and death -- not dreadful to them, could convince me. And such deeds I did not see among the various believers in our circle. On the contrary, I saw such deeds done [Footnote: this passage is noteworthy as being one of the few references made by Tolstoy at this period to the revolutionary or "Back-to-the-People" movement, in which many young men and women were risking and sacrificing home, property, and life itself from motives which had much in common with his own perception that the upper layers of Society are parasitic and prey on the vitals of the people who support them. -- A.M.] by people of

our circle who were the most unbelieving, but never by our so-called believers.

And I understood that the belief of these people was not the faith I sought, and that their faith is not a real faith but an epicurean consolation in life.

I understood that that faith may perhaps serve, if not for a consolation at least for some distraction for a repentant Solomon on his death-bed, but it cannot serve for the great majority of mankind, who are called on not to amuse themselves while consuming the labour of others but to create life.

For all humanity to be able to live, and continue to live attributing a meaning to life, they, those milliards, must have a different, a real, knowledge of faith. Indeed, it was not the fact that we, with Solomon and Schopenhauer, did not kill ourselves that convinced me of the existence of faith, but the fact that those milliards of people have lived and are living, and have borne Solomon and us on the current of their lives.

And I began to draw near to the believers among the poor, simple, unlettered folk: pilgrims, monks, sectarians, and peasants. The faith of these common people was the same Christian faith as was professed by the pseudo-believers of our circle. Among them, too, I found a great deal of superstition mixed with the Christian truths; but the difference was that the superstitions of the believers of our circle were quite unnecessary to them and were not in conformity with their lives, being merely a kind of epicurean diversion; but the superstitions of the believers among the labouring masses conformed so with their lives that it was impossible to imagine them to oneself without those superstitions, which were a necessary condition of their life. the whole life of believers in our circle was a contradiction of their faith, but the whole life of the working-folk believers was a confirmation of the meaning of life which their faith gave them. And I began to look well into the life and faith of these people, and the more I considered it the more I became convinced that they have a real faith which is a necessity to them and alone gives their life a meaning and makes it possible for them to live. In contrast with what I had seen in our circle -- where life without faith is possible and where hardly one in a thousand acknowledges himself to be a believer -- among them there is hardly one unbeliever in a thousand. In contrast with what I had seen in our circle, where the whole of life is passed in idleness, amusement, and

dissatisfaction, I saw that the whole life of these people was passed in heavy labour, and that they were content with life. In contradistinction to the way in which people of our circle oppose fate and complain of it on account of deprivations and sufferings, these people accepted illness and sorrow without any perplexity or opposition, and with a quiet and firm conviction that all is good. In contradistinction to us, who the wiser we are the less we understand the meaning of life, and see some evil irony in the fact that we suffer and die, these folk live and suffer, and they approach death and suffering with tranquillity and in most cases gladly. In contrast to the fact that a tranquil death, a death without horror and despair, is a very rare exception in our circle, a troubled, rebellious, and unhappy death is the rarest exception among the people. and such people, lacking all that for us and for Solomon is the only good of life and yet experiencing the greatest happiness, are a great multitude. I looked more widely around me. I considered the life of the enormous mass of the people in the past and the present. And of such people, understanding the meaning of life and able to live and to die, I saw not two or three, or tens, but hundreds, thousands, and millions. and they all -- endlessly different in their manners, minds, education, and position, as they were -- all alike, in complete contrast to my ignorance, knew the meaning of life and death, laboured quietly, endured deprivations and sufferings, and lived and died seeing therein not vanity but good.

And I learnt to love these people. The more I came to know their life, the life of those who are living and of others who are dead of whom I read and heard, the more I loved them and the easier it became for me to live. So I went on for about two years, and a change took place in me which had long been preparing and the promise of which had always been in me. It came about that the life of our circle, the rich and learned, not merely became distasteful to me, but lost all meaning in my eyes. All our actions, discussions, science and art, presented itself to me in a new light. I understood that it is all merely self-indulgence, and the to find a meaning in it is impossible; while the life of the whole labouring people, the whole of mankind who produce life, appeared to me in its true significance. I understood that *that* is life itself, and that the meaning given to that life is true: and I accepted it.

XI

And remembering how those very beliefs had repelled me and had seemed meaningless when professed by people whose lives conflicted with them, and how these same beliefs attracted me and seemed reasonable when I saw that people lived in accord with them, I understood why I had then rejected those beliefs and found them meaningless, yet now accepted them and found them full of meaning. I understood that I had erred, and why I erred. I had erred not so much because I thought incorrectly as because I lived badly. I understood that it was not an error in my thought that had hid truth from me as much as my life itself in the exceptional conditions of epicurean gratification of desires in which I passed it. I understood that my question as to what my life is, and the answer -- and evil -- was quite correct. The only mistake was that the answer referred only to my life, while I had referred it to life in general. I asked myself what my life is, and got the reply: An evil and an absurdity. and really my life -- a life of indulgence of desires -- was senseless and evil, and therefore the reply, "Life is evil and an absurdity", referred only to my life, but not to human life in general. I understood the truth which I afterwards found in the Gospels, "that men loved darkness rather than the light, for their works were evil. For everyone that doeth ill hateth the light, and cometh not to the light, lest his works should be reprov'd." I perceived that to understand the meaning of life it is necessary first that life should not be meaningless and evil, then we can apply reason to explain it. I understood why I had so long wandered round so evident a truth, and that if one is to think and speak of the life of mankind, one must think and speak of that life and not of the life of some of life's parasites. That truth was always as true as that two and two are four, but I had not acknowledged it, because on admitting two and two to be four I had also to admit that I was bad; and to feel myself to be good was for me more important and necessary than for two and two to be four. I came to love good people, hated myself, and confessed the truth. Now all became clear to me.

What if an executioner passing his whole life in torturing people and cutting off their heads, or a hopeless drunkard, or a madman settled for life in a dark room which he has fouled and imagines that he would perish if he left -- what if he asked

himself: "What is life?" Evidently he could not other reply to that question than that life is the greatest evil, and the madman's answer would be perfectly correct, but only as applied to himself. What if I am such a madman? What if all we rich and leisured people are such madmen? and I understood that we really are such madmen. I at any rate was certainly such.

And indeed a bird is so made that it must fly, collect food, and build a nest, and when I see that a bird does this I have pleasure in its joy. A goat, a hare, and a wolf are so made that they must feed themselves, and must breed and feed their family, and when they do so I feel firmly assured that they are happy and that their life is a reasonable one. then what should a man do? He too should produce his living as the animals do, but with this difference, that he will perish if he does it alone; he must obtain it not for himself but for all. And when he does that, I have a firm assurance that he is happy and that his life is reasonable. But what had I done during the whole thirty years of my responsible life? Far from producing sustenance for all, I did not even produce it for myself. I lived as a parasite, and on asking myself, what is the use of my life? I got the reply: "No use." If the meaning of human life lies in supporting it, how could I -- who for thirty years had been engaged not on supporting life but on destroying it in myself and in others -- how could I obtain any other answer than that my life was senseless and an evil? ... It was both senseless and evil.

The life of the world endures by someone's will -- by the life of the whole world and by our lives someone fulfills his purpose. To hope to understand the meaning of that will one must first perform it by doing what is wanted of us. But if I will not do what is wanted of me, I shall never understand what is wanted of me, and still less what is wanted of us all and of the whole world.

If a naked, hungry beggar has been taken from the cross-roads, brought into a building belonging to a beautiful establishment, fed, supplied with drink, and obliged to move a handle up and down, evidently, before discussing why he was taken, why he should move the handle, and whether the whole establishment is reasonably arranged -- the beggar should first of all move the handle. If he moves the handle he will understand that it works a pump, that the pump draws water and that the water irrigates the garden beds; then he will be taken from the pumping station to another place where he will gather fruits and will enter into the joy of his master, and,

passing from lower to higher work, will understand more and more of the arrangements of the establishment, and taking part in it will never think of asking why he is there, and will certainly not reproach the master.

So those who do his will, the simple, unlearned working folk, whom we regard as cattle, do not reproach the master; but we, the wise, eat the master's food but do not do what the master wishes, and instead of doing it sit in a circle and discuss: "Why should that handle be moved? Isn't it stupid?" So we have decided. We have decided that the master is stupid, or does not exist, and that we are wise, only we feel that we are quite useless and that we must somehow do away with ourselves.

XII

The consciousness of the error in reasonable knowledge helped me to free myself from the temptation of idle ratiocination. the conviction that knowledge of truth can only be found by living led me to doubt the rightness of my life; but I was saved only by the fact that I was able to tear myself from my exclusiveness and to see the real life of the plain working people, and to understand that it alone is real life. I understood that if I wish to understand life and its meaning, I must not live the life of a parasite, but must live a real life, and -- taking the meaning given to live by real humanity and merging myself in that life -- verify it.

During that time this is what happened to me. During that whole year, when I was asking myself almost every moment whether I should not end matters with a noose or a bullet -- all that time, together with the course of thought and observation about which I have spoken, my heart was oppressed with a painful feeling, which I can only describe as a search for God.

I say that that search for God was not reasoning, but a feeling, because that search proceeded not from the course of my thoughts -- it was even directly contrary to them -- but proceeded from the heart. It was a feeling of fear, orphanage, isolation in a strange land, and a hope of help from someone.

Though I was quite convinced of the impossibility of proving the existence of a Deity (Kant had shown, and I quite understood him, that it could not be proved), I yet sought for god, hoped that

I should find Him, and from old habit addressed prayers to that which I sought but had not found. I went over in my mind the arguments of Kant and Schopenhauer showing the impossibility of proving the existence of a God, and I began to verify those arguments and to refute them. Cause, said I to myself, is not a category of thought such as are Time and Space. If I exist, there must be some cause for it, and a cause of causes. And that first cause of all is what men have called "God". And I paused on that thought, and tried with all my being to recognize the presence of that cause. And as soon as I acknowledged that there is a force in whose power I am, I at once felt that I could live. But I asked myself: What is that cause, that force? How am I to think of it? What are my relations to that which I call "God"? And only the familiar replies occurred to me: "He is the Creator and Preserver." This reply did not satisfy me, and I felt I was losing within me what I needed for my life. I became terrified and began to pray to Him whom I sought, that He should help me. But the more I prayed the more apparent it became to me that He did not hear me, and that there was no one to whom to address myself. And with despair in my heart that there is no God at all, I said: "Lord, have mercy, save me! Lord, teach me!" But no one had mercy on me, and I felt that my life was coming to a standstill.

But again and again, from various sides, I returned to the same conclusion that I could not have come into the world without any cause or reason or meaning; I could not be such a fledgling fallen from its nest as I felt myself to be. Or, granting that I be such, lying on my back crying in the high grass, even then I cry because I know that a mother has borne me within her, has hatched me, warmed me, fed me, and loved me. Where is she -- that mother? If I have been deserted, who has deserted me? I cannot hide from myself that someone bore me, loving me. Who was that someone? Again "God"? He knows and sees my searching, my despair, and my struggle."

"He exists," said I to myself. And I had only for an instant to admit that, and at once life rose within me, and I felt the possibility and joy of being. But again, from the admission of the existence of a God I went on to seek my relation with Him; and again I imagined *that* God -- our Creator in Three Persons who sent His Son, the Saviour -- and again *that* God, detached from the world and from me, melted like a block of ice, melted before my eyes, and again nothing remained, and again the spring of life

dried up within me, and I despaired and felt that I had nothing to do but to kill myself. And the worst of all was, that I felt I could not do it.

Not twice or three times, but tens and hundreds of times, I reached those conditions, first of joy and animation, and then of despair and consciousness of the impossibility of living.

I remember that it was in early spring: I was alone in the wood listening to its sounds. I listened and thought ever of the same thing, as I had constantly done during those last three years. I was again seeking God.

"Very well, there is no God," said I to myself; "there is no one who is not my imagination but a reality like my whole life. He does not exist, and no miracles can prove His existence, because the miracles would be my imagination, besides being irrational.

"But my *perception* of God, of Him whom I seek," I asked myself, "where has that perception come from?" And again at this thought the glad waves of life rose within me. All that was around me came to life and received a meaning. But my joy did not last long. My mind continued its work.

"The conception of God is not God," said I to myself. "The conception is what takes place within me. The conception of God is something I can evoke or can refrain from evoking in myself. That is not what I seek. I seek that without which there can be no life." And again all around me and within me began to die, and again I wished to kill myself.

But then I turned my gaze upon myself, on what went on within me, and I remembered all those cessations of life and reanimations that recurred within me hundreds of times. I remembered that I only lived at those times when I believed in God. As it was before, so it was now; I need only be aware of God to live; I need only forget Him, or disbelieve Him, and I died.

What is this animation and dying? I do not live when I lose belief in the existence of God. I should long ago have killed myself had I not had a dim hope of finding Him. I live, really live, only when I feel Him and seek Him. "What more do you seek?" exclaimed a voice within me. "This is He. He is that without which one cannot live. To know God and to live is one and the same thing. God is life."

"Live seeking God, and then you will not live without God." And more than ever before, all within me and around me lit up, and the light did not again abandon me.

And I was saved from suicide. When and how this change occurred I could not say. As imperceptibly and gradually the force of life in me had been destroyed and I had reached the impossibility of living, a cessation of life and the necessity of suicide, so imperceptibly and gradually did that force of life return to me. And strange to say the strength of life which returned to me was not new, but quite old -- the same that had borne me along in my earliest days.

I quite returned to what belonged to my earliest childhood and youth. I returned to the belief in that Will which produced me and desires something of me. I returned to the belief that the chief and only aim of my life is to be better, i.e. to live in accord with that Will. and I returned to the belief that I can find the expression of that Will in what humanity, in the distant past hidden from, has produced for its guidance: that is to say, I returned to a belief in God, in moral perfection, and in a tradition transmitting the meaning of life. There was only this difference, that then all this was accepted unconsciously, while now I knew that without it I could not live.

What happened to me was something like this: I was put into a boat (I do not remember when) and pushed off from an unknown shore, shown the direction of the opposite shore, had oars put into my unpractised hands, and was left alone. I rowed as best I could and moved forward; but the further I advanced towards the middle of the stream the more rapid grew the current bearing me away from my goal and the more frequently did I encounter others, like myself, borne away by the stream. There were a few rowers who continued to row, there were others who had abandoned their oars; there were large boats and immense vessels full of people. Some struggled against the current, others yielded to it. And the further I went the more, seeing the progress down the current of all those who were adrift, I forgot the direction given me. In the very centre of the stream, amid the crowd of boats and vessels which were being borne down stream, I quite lost my direction and abandoned my oars. Around me on all sides, with mirth and rejoicing, people with sails and oars were borne down the stream, assuring me and each other that no other direction was possible. And I believed them and floated with them. And I was carried far; so far that I heard the roar of the rapids in which I must be shattered, and I saw boats shattered in them. And I recollected myself. I was long unable to understand what had happened to me. I saw before me nothing but

destruction, towards which I was rushing and which I feared. I saw no safety anywhere and did not know what to do; but, looking back, I perceived innumerable boats which unceasingly and strenuously pushed across the stream, and I remembered about the shore, the oars, and the direction, and began to pull back upwards against the stream and towards the whore.

That shore was God; that direction was tradition; the oars were the freedom given me to pull for the shore and unite with God. And so the force of life was renewed in me and I again began to live.

XIII

I turned from the life of our circle, acknowledging that ours is not life but a simulation of life -- that the conditions of superfluity in which we live deprive us of the possibility of understanding life, and that in order to understand life I must understand not an exceptional life such as our who are parasites on life, but the life of the simple labouring folk -- those who make life -- and the meaning which they attribute to it. The simplest labouring people around me were the Russian people, and I turned to them and to the meaning of life which they give. That meaning, if one can put it into words, was as follows: Every man has come into this world by the will of God. And God has so made man that every man can destroy his soul or save it. The aim of man in life is to save his soul, and to save his soul he must live "godly" and to live "godly" he must renounce all the pleasures of life, must labour, humble himself, suffer, and be merciful. That meaning the people obtain from the whole teaching of faith transmitted to them by their pastors and by the traditions that live among the people. This meaning was clear to me and near to my heart. But together with this meaning of the popular faith of our non-sectarian folk, among whom I live, much was inseparably bound up that revolted me and seemed to me inexplicable: sacraments, Church services, fasts, and the adoration of relics and icons. The people cannot separate the one from the other, nor could I. And strange as much of what entered into the faith of these people was to me, I accepted everything, and attended the services, knelt morning and evening in prayer, fasted, and prepared to receive the Eucharist: and at first my reason did not resist anything. The very things that had

formerly seemed to me impossible did not now evoke in me any opposition.

My relations to faith before and after were quite different. Formerly life itself seemed to me full of meaning and faith presented itself as the arbitrary assertion of propositions to me quite unnecessary, unreasonable, and disconnected from life. I then asked myself what meaning those propositions had and, convinced that they had none, I rejected them. Now on the contrary I knew firmly that my life otherwise has, and can have, no meaning, and the articles of faith were far from presenting themselves to me as unnecessary -- on the contrary I had been led by indubitable experience to the conviction that only these propositions presented by faith give life a meaning. formerly I looked on them as on some quite unnecessary gibberish, but now, if I did not understand them, I yet knew that they had a meaning, and I said to myself that I must learn to understand them.

I argued as follows, telling myself that the knowledge of faith flows, like all humanity with its reason, from a mysterious source. That source is God, the origin both of the human body and the human reason. As my body has descended to me from God, so also has my reason and my understanding of life, and consequently the various stages of the development of that understanding of life cannot be false. All that people sincerely believe in must be true; it may be differently expressed but it cannot be a lie, and therefore if it presents itself to me as a lie, that only means that I have not understood it. Furthermore I said to myself, the essence of every faith consists in its giving life a meaning which death does not destroy. Naturally for a faith to be able to reply to the questions of a king dying in luxury, of an old slave tormented by overwork, of an unreasoning child, of a wise old man, of a half-witted old woman, of a young and happy wife, of a youth tormented by passions, of all people in the most varied conditions of life and education -- if there is one reply to the one eternal question of life: "Why do I live and what will result from my life?" -- the reply, though one in its essence, must be endlessly varied in its presentation; and the more it is one, the more true and profound it is, the more strange and deformed must it naturally appear in its attempted expression, conformably to the education and position of each person. But this argument, justifying in my eyes the queerness of much on the ritual side of religion, did not suffice to allow me in the one great affair of life -- religion --

to do things which seemed to me questionable. With all my soul I wished to be in a position to mingle with the people, fulfilling the ritual side of their religion; but I could not do it. I felt that I should lie to myself and mock at what was sacred to me, were I to do so. At this point, however, our new Russian theological writers came to my rescue.

According to the explanation these theologians gave, the fundamental dogma of our faith is the infallibility of the Church. From the admission of that dogma follows inevitably the truth of all that is professed by the Church. The Church as an assembly of true believers united by love and therefore possessed of true knowledge became the basis of my belief. I told myself that divine truth cannot be accessible to a separate individual; it is revealed only to the whole assembly of people united by love. To attain truth one must not separate, and in order not to separate one must love and must endure things one may not agree with.

Truth reveals itself to love, and if you do not submit to the rites of the Church you transgress against love; and by transgressing against love you deprive yourself of the possibility of recognizing the truth. I did not then see the sophistry contained in this argument. I did not see that union in love may give the greatest love, but certainly cannot give us divine truth expressed in the definite words of the Nicene Creed. I also did not perceive that love cannot make a certain expression of truth an obligatory condition of union. I did not then see these mistakes in the argument and thanks to it was able to accept and perform all the rites of the Orthodox Church without understanding most of them. I then tried with all strength of my soul to avoid all arguments and contradictions, and tried to explain as reasonably as possible the Church statements I encountered.

When fulfilling the rites of the Church I humbled my reason and submitted to the tradition possessed by all humanity. I united myself with my forefathers: the father, mother, and grandparents I loved. They and all my predecessors believed and lived, and they produced me. I united myself also with the missions of the common people whom I respected. Moreover, those actions had nothing bad in themselves ("bad" I considered the indulgence of one's desires). When rising early for Church services I knew I was doing well, if only because I was sacrificing my bodily ease to humble my mental pride, for the sake of union with my ancestors and contemporaries, and for the sake of finding the meaning of life. It was the same

with my preparations to receive Communion, and with the daily reading of prayers with genuflections, and also with the observance of all the fasts. However insignificant these sacrifices might be I made them for the sake of something good. I fasted, prepared for Communion, and observed the fixed hours of prayer at home and in church. During Church service I attended to every word, and gave them a meaning whenever I could. In the Mass the most important words for me were: "Let us love one another in conformity!" The further words, "In unity we believe in the Father, the Son, and Holy Ghost", I passed by, because I could not understand them.

XIV

It was then so necessary for me to believe in order to live that I unconsciously concealed from myself the contradictions and obscurities of theology. But this reading of meanings into the rites had its limits. If the chief words in the prayer for the Emperor became more and more clear to me, if I found some explanation for the words "and remembering our Sovereign Most-Holy Mother of God and all the Saints, ourselves and one another, we give our whole life to Christ our God", if I explained to myself the frequent repetition of prayers for the Tsar and his relations by the fact that they are more exposed to temptations than other people and therefore are more in need of being prayed for -- the prayers about subduing our enemies and evil under our feet (even if one tried to say that *sin* was the enemy prayed against), these and other prayers, such as the "cherubic song" and the whole sacrament of oblation, or "the chosen Warriors", etc. -- quite two-thirds of all the services -- either remained completely incomprehensible or, when I forced an explanation into them, made me feel that I was lying, thereby quite destroying my relation to God and depriving me of all possibility of belief.

I felt the same about the celebration of the chief holidays. To remember the Sabbath, that is to devote one day to God, was something I could understand. But the chief holiday was in commemoration of the Resurrection, the reality of which I could not picture to myself or understand. And that name of "Resurrection" was also given the weekly holiday. [Footnote: In Russia Sunday was called Resurrection-day. -- A. M.] And on those days the Sacrament of the Eucharist was administered, which was quite

unintelligible to me. The rest of the twelve great holidays, except Christmas, commemorated miracles -- the things I tried not to think about in order not to deny: the Ascension, Pentecost, Epiphany, the Feast of the Intercession of the Holy Virgin, etc. At the celebration of these holidays, feeling that importance was being attributed to the very things that to me presented a negative importance, I either devised tranquillizing explanations or shut my eyes in order not to see what tempted me.

Most of all this happened to me when taking part in the most usual Sacraments, which are considered the most important: baptism and communion. There I encountered not incomprehensible but fully comprehensible doings: doings which seemed to me to lead into temptation, and I was in a dilemma -- whether to lie or to reject them.

Never shall I forge the painful feeling I experienced the day I received the Eucharist for the first time after many years. The service, confession, and prayers were quite intelligible and produced in me a glad consciousness that the meaning of life was being revealed to me. The Communion itself I explained as an act performed in remembrance of Christ, and indicating a purification from sin and the full acceptance of Christ's teaching. If that explanation was artificial I did not notice its artificiality: so happy was I at humbling and abasing myself before the priest -- a simple, timid country clergyman -- turning all the dirt out of my soul and confessing my vices, so glad was I to merge in thought with the humility of the fathers who wrote the prayers of the office, so glad was I of union with all who have believed and now believe, that I did not notice the artificiality of my explanation. But when I approached the altar gates, and the priest made me say that I believed that what I was about to swallow was truly flesh and blood, I felt a pain in my heart: it was not merely a false note, it was a cruel demand made by someone or other who evidently had never known what faith is.

I now permit myself to say that it was a cruel demand, but I did not then think so: only it was indescribably painful to me. I was no longer in the position in which I had been in youth when I thought all in life was clear; I had indeed come to faith because, apart from faith, I had found nothing, certainly nothing, except destruction; therefore to throw away that faith was impossible and I submitted. And I found in my soul a feeling which helped me to endure it. This was the feeling of self-abasement and humility.

I humbled myself, swallowed that flesh and blood without any blasphemous feelings and with a wish to believe. But the blow had been struck and, knowing what awaited me, I could not go a second time.

I continued to fulfil the rites of the Church and still believed that the doctrine I was following contained the truth, when something happened to me which I now understand but which then seemed strange.

I was listening to the conversation of an illiterate peasant, a pilgrim, about God, faith, life, and salvation, when a knowledge of faith revealed itself to me. I drew near to the people, listening to their opinions of life and faith, and I understood the truth more and more. So also was it when I read the Lives of Holy men, which became my favourite books. Putting aside the miracles and regarding them as fables illustrating thoughts, this reading revealed to me life's meaning. There were the lives of Makarius the Great, the story of Buddha, there were the words of St. John Chrysostom, and there were the stories of the traveller in the well, the monk who found some gold, and of Peter the publican. There were stories of the martyrs, all announcing that death does not exclude life, and there were the stories of ignorant, stupid men, who knew nothing of the teaching of the Church but who yet were saved.

But as soon as I met learned believers or took up their books, doubt of myself, dissatisfaction, and exasperated disputation were roused within me, and I felt that the more I entered into the meaning of these men's speech, the more I went astray from truth and approached an abyss.

XV

How often I envied the peasants their illiteracy and lack of learning! Those statements in the creeds which to me were evident absurdities, for them contained nothing false; they could accept them and could believe in the truth -- the truth I believed in. Only to me, unhappy man, was it clear that with truth falsehood was interwoven by finest threads, and that I could not accept it in that form.

So I lived for about three years. At first, when I was only slightly associated with truth as a catechumen and was only

scenting out what seemed to me clearest, these encounters struck me less. When I did not understand anything, I said, "It is my fault, I am sinful"; but the more I became imbued with the truths I was learning, the more they became the basis of my life, the more oppressive and the more painful became these encounters and the sharper became the line between what I do not understand because I am not able to understand it, and what cannot be understood except by lying to oneself.

In spite of my doubts and sufferings I still clung to the Orthodox Church. But questions of life arose which had to be decided; and the decision of these questions by the Church -- contrary to the very bases of the belief by which I lived -- obliged me at last to renounce communion with Orthodoxy as impossible. These questions were: first the relation of the Orthodox Eastern Church to other Churches -- to the Catholics and to the so-called sectarians. At that time, in consequence of my interest in religion, I came into touch with believers of various faiths: Catholics, protestants, Old-Believers, Molokans [Footnote: A sect that rejects sacraments and ritual.], and others. And I met among them many men of lofty morals who were truly religious. I wished to be a brother to them. And what happened? That teaching which promised to unite all in one faith and love -- that very teaching, in the person of its best representatives, told me that these men were all living a lie; that what gave them their power of life was a temptation of the devil; and that we alone possess the only possible truth. And I saw that all who do not profess an identical faith with themselves are considered by the Orthodox to be heretics, just as the Catholics and others consider the Orthodox to be heretics. And I saw that the Orthodox (though they try to hide this) regard with hostility all who do not express their faith by the same external symbols and words as themselves; and this is naturally so; first, because the assertion that you are in falsehood and I am in truth, is the most cruel thing one man can say to another; and secondly, because a man loving his children and brothers cannot help being hostile to those who wish to pervert his children and brothers to a false belief. And that hostility is increased in proportion to one's greater knowledge of theology. And to me who considered that truth lay in union by love, it became self-evident that theology was itself destroying what it ought to produce.

This offence is so obvious to us educated people who have

lived in countries where various religions are professed and have seen the contempt, self-assurance, and invincible contradiction with which Catholics behave to the Orthodox Greeks and to the Protestants, and the Orthodox to Catholics and Protestants, and the Protestants to the two others, and the similar attitude of Old-Believers, Pashkovites (Russian Evangelicals), Shakers, and all religions -- that the very obviousness of the temptation at first perplexes us. One says to oneself: it is impossible that it is so simple and that people do not see that if two assertions are mutually contradictory, then neither of them has the sole truth which faith should possess. There is something else here, there must be some explanation. I thought there was, and sought that explanation and read all I could on the subject, and consulted all whom I could. And no one gave me any explanation, except the one which causes the Sumsky Hussars to consider the Sumsky Hussars the best regiment in the world, and the Yellow Uhlans to consider that the best regiment in the world is the Yellow Uhlans. The ecclesiastics of all the different creeds, through their best representatives, told me nothing but that they believed themselves to have the truth and the others to be in error, and that all they could do was to pray for them. I went to archimandrites, bishops, elders, monks of the strictest orders, and asked them; but none of them made any attempt to explain the matter to me except one man, who explained it all and explained it so that I never asked any one any more about it. I said that for every unbeliever turning to a belief (and all our young generation are in a position to do so) the question that presents itself first is, why is truth not in Lutheranism nor in Catholicism, but in Orthodoxy? Educated in the high school he cannot help knowing what the peasants do not know -- that the Protestants and Catholics equally affirm that their faith is the only true one. Historical evidence, twisted by each religion in its own favour, is insufficient. Is it not possible, said I, to understand the teaching in a loftier way, so that from its height the differences should disappear, as they do for one who believes truly? Can we not go further along a path like the one we are following with the Old-Believers? They emphasize the fact that they have a differently shaped cross and different alleluias and a different procession round the altar. We reply: You believe in the Nicene Creed, in the seven sacraments, and so do we. Let us hold to that, and in other matters do as you please. We have united with them by placing the essentials of faith above the

unessentials. Now with the Catholics can we not say: You believe in so and so and in so and so, which are the chief things, and as for the Filioque clause and the Pope -- do as you please. Can we not say the same to the Protestants, uniting with them in what is most important?

My interlocutor agreed with my thoughts, but told me that such conceptions would bring reproach to the spiritual authorities for deserting the faith of our forefathers, and this would produce a schism; and the vocation of the spiritual authorities is to safeguard in all its purity the Greco-Russian Orthodox faith inherited from our forefathers.

And I understood it all. I am seeking a faith, the power of life; and they are seeking the best way to fulfil in the eyes of men certain human obligations. and fulfilling these human affairs they fulfil them in a human way. However much they may talk of their pity for their erring brethren, and of addressing prayers for them to the throne of the Almighty -- to carry out human purposes violence is necessary, and it has always been applied and is and will be applied. If of two religions each considers itself true and the other false, then men desiring to attract others to the truth will preach their own doctrine. And if a false teaching is preached to the inexperienced sons of their Church -- which as the truth -- then that Church cannot but burn the books and remove the man who is misleading its sons. What is to be done with a sectarian -- burning, in the opinion of the Orthodox, with the fire of false doctrine -- who in the most important affair of life, in faith, misleads the sons of the Church? What can be done with him except to cut off his head or to incarcerate him? Under the Tsar Alexis Mikhaylovich people were burned at the stake, that is to say, the severest method of punishment of the time was applied, and in our day also the severest method of punishment is applied -- detention in solitary confinement. [Footnote: At the time this was written capital punishment was considered to be abolished in Russia. -- A.M.]

The second relation of the Church to a question of life was with regard to war and executions.

At that time Russia was at war. And Russians, in the name of Christian love, began to kill their fellow men. It was impossible not to think about this, and not to see that killing is an evil repugnant to the first principles of any faith. Yet prayers were said in the churches for the success of our arms, and the teachers

of the Faith acknowledged killing to be an act resulting from the Faith. And besides the murders during the war, I saw, during the disturbances which followed the war, Church dignitaries and teachers and monks of the lesser and stricter orders who approved the killing of helpless, erring youths. And I took note of all that is done by men who profess Christianity, and I was horrified.

XVI

And I ceased to doubt, and became fully convinced that not all was true in the religion I had joined. Formerly I should have said that it was all false, but I could not say so now. The whole of the people possessed a knowledge of the truth, for otherwise they could not have lived. Moreover, that knowledge was accessible to me, for I had felt it and had lived by it. But I no longer doubted that there was also falsehood in it. And all that had previously repelled me now presented itself vividly before me. And though I saw that among the peasants there was a smaller admixture of the lies that repelled me than among the representatives of the Church, I still saw that in the people's belief also falsehood was mingled with the truth.

But where did the truth and where did the falsehood come from? Both the falsehood and the truth were contained in the so-called holy tradition and in the Scriptures. Both the falsehood and the truth had been handed down by what is called the Church.

And whether I liked or not, I was brought to the study and investigation of these writings and traditions -- which till now I had been so afraid to investigate.

And I turned to the examination of that same theology which I had once rejected with such contempt as unnecessary. Formerly it seemed to me a series of unnecessary absurdities, when on all sides I was surrounded by manifestations of life which seemed to me clear and full of sense; now I should have been glad to throw away what would not enter a health head, but I had nowhere to turn to. On this teaching religious doctrine rests, or at least with it the only knowledge of the meaning of life that I have found is inseparably connected. However wild it may seem to my firm old mind, it was the only hope of salvation. It had to be carefully, attentively examined in order to understand it, and not even to understand it as I understand the propositions of science: I do

not seek that, nor can I seek it, knowing the special character of religious knowledge. I shall not seek the explanation of everything. I know that the explanation of everything, like the commencement of everything, must be concealed in infinity. But I wish to understand in a way which will bring me to what is inevitably inexplicable. I wish to recognize anything that is inexplicable as being so not because the demands of my reason are wrong (they are right, and apart from them I can understand nothing), but because I recognize the limits of my intellect. I wish to understand in such a way that everything that is inexplicable shall present itself to me as being necessarily inexplicable, and not as being something I am under an arbitrary obligation to believe.

That there is truth in the teaching is to me indubitable, but it is also certain that there is falsehood in it, and I must find what is true and what is false, and must disentangle the one from the other. I am setting to work upon this task. What of falsehood I have found in the teaching and what I have found of truth, and to what conclusions I came, will form the following parts of this work, which if it be worth it and if anyone wants it, will probably some day be printed somewhere.

1879.

The foregoing was written by me some three years ago, and will be printed.

Now a few days ago, when revising it and returning to the line of thought and to the feelings I had when I was living through it all, I had a dream. This dream expressed in condensed form all that I had experienced and described, and I think therefore that, for those who have understood me, a description of this dream will refresh and elucidate and unify what has been set forth at such length in the foregoing pages. The dream was this:

I saw that I was lying on a bed. I was neither comfortable nor uncomfortable: I was lying on my back. But I began to consider how, and on what, I was lying -- a question which had not till then occurred to me. And observing my bed, I saw I was lying on plaited string supports attached to its sides: my feet were resting on one such support, by calves on another, and my legs felt uncomfortable. I seemed to know that those supports were movable, and with a movement of my foot I pushed away the furthest of them at my feet - it seemed to me that it would be more comfortable so. But I

pushed it away too far and wished to reach it again with my foot, and that movement caused the next support under my calves to slip away also, so that my legs hung in the air. I made a movement with my whole body to adjust myself, fully convinced that I could do so at once; but the movement caused the other supports under me to slip and to become entangled, and I saw that matters were going quite wrong: the whole of the lower part of my body slipped and hung down, though my feet did not reach the ground. I was holding on only by the upper part of my back, and not only did it become uncomfortable but I was even frightened. And then only did I ask myself about something that had not before occurred to me. I asked myself: Where am I and what am I lying on? and I began to look around and first of all to look down in the direction which my body was hanging and whiter I felt I must soon fall. I looked down and did not believe my eyes. I was not only at a height comparable to the height of the highest towers or mountains, but at a height such as I could never have imagined.

I could not even make out whether I saw anything there below, in that bottomless abyss over which I was hanging and whiter I was being drawn. My heart contracted, and I experienced horror. To look thither was terrible. If I looked thither I felt that I should at once slip from the last support and perish. And I did not look. But not to look was still worse, for I thought of what would happen to me directly I fell from the last support. And I felt that from fear I was losing my last supports, and that my back was slowly slipping lower and lower. Another moment and I should drop off. And then it occurred to me that this cannot be real. It is a dream. Wake up! I try to arouse myself but cannot do so. What am I to do? What am I to do? I ask myself, and look upwards. Above, there is also an infinite space. I look into the immensity of sky and try to forget about the immensity below, and I really do forget it. The immensity below repels and frightens me; the immensity above attracts and strengthens me. I am still supported above the abyss by the last supports that have not yet slipped from under me; I know that I am hanging, but I look only upwards and my fear passes. As happens in dreams, a voice says: "Notice this, this is it!" And I look more and more into the infinite above me and feel that I am becoming calm. I remember all that has happened, and remember how it all happened; how I moved my legs, how I hung down, how frightened I was, and how I was saved from fear by looking upwards. And I ask myself: Well, and now am I not

hanging just the same? And I do not so much look round as experience with my whole body the point of support on which I am held. I see that I no longer hang as if about to fall, but am firmly held. I ask myself how I am held: I feel about, look round, and see that under me, under the middle of my body, there is one support, and that when I look upwards I lie on it in the position of securest balance, and that it alone gave me support before. And then, as happens in dreams, I imagined the mechanism by means of which I was held; a very natural intelligible, and sure means, though to one awake that mechanism has no sense. I was even surprised in my dream that I had not understood it sooner. It appeared that at my head there was a pillar, and the security of that slender pillar was undoubted though there was nothing to support it. From the pillar a loop hung very ingeniously and yet simply, and if one lay with the middle of one's body in that loop and looked up, there could be no question of falling. This was all clear to me, and I was glad and tranquil. And it seemed as if someone said to me: "See that you remember."

And I awoke.
