Katrina by © Greg Buell 10 Sept 2005

Underprivileged and the Electric Windmill Car
Suppression of the masses by the Presidents Mother
Bush's Mom said Katrina victims are "underprivileged"
And now their better off
Bush's Mom will be taken out and shot
In the 4th day of the Oil Genocide Trials
Martha Stewart will be taken out and shot
In the 5th day of the Oil Genocide Trials
The "underprivileged" are underprivileged via Bush
Via Yale and Harvard
Presidents of Yale and Harvard will be shot to death
In the 6th day of the Oil Genocide Trials
"underprivileged" all of them in the Katrina videos
Would have a University degree - all of them 100%
If the Electric Windmill Car was not suppressed in 1980
Bush and Texas Oil men profited by \$ Trillions of dollars
More than enough to make every University in the USA free
Bush's Mom never wanted Yale free
Bush's Mom will never want Yale free of tuition
Bush's Mom infected the Generals wife and daughters
Pentagons Trillions is less than the Oil Men's Trillions
Since 1980 and the suppression of the Electric Windmill Car
Cops and kids burned to death in fiery car wrecks since 1980
Pentagons casualties in Wars since 1980 is less than this
On the 7th Day Rumsfeld will be taken out and shot
On the 7th Day of the Oil Genocide Trials
"underprivileged" 1 billion people maybe 3 billion people
All would have a University degree in 2005
If it were not for the Presidents Mother
This is why she will be taken out and shot on the 4th Day
Of the Oil Genocide Trials
Presidents of Yale, Harvard, and MIT
Will be taken out and shot too
Imagine the true testimony of Scott killing his pregnant wife
Now at this trial we have cops and kids burnt in gasoline
Like the naked Vietnamese girl running down the street
Napalmed by a different USA President
Her parents made \$2 a day being "underprivileged"
Testimony from Cops and Kids with burnt faces like Jason
Will inflame the Judges and Court TV viewers
Judge - Jury, and executioner will be one person
1 Billion Persons watching the Oil Genocide Trials
On Court TV
Will drag Bush's Mom out of the trial
And shoot her to death in a flame of passion!
Bill Gates will also be dragged out and shot
Learning Microsoft Excel will be free after the trial
Oil Genocide Era burned more than a million to death

For each \$ Trillion dollars of oil money since 1980
This is outside the boundaries of human decency
And social norms for anyone let alone Yale Graduates
Yale and Harvard will be ranked differently
After the Oil Genocide Trials
"underprivileged" all of them in the Katrina videos
Will have a University degree - all of them 100%
Moms will send their kids on Light Year Flights
To Alpha Centauri not to Iraqi for needless oil
A Universe Bush's Mom could never envision

(Invention of the electric windmill car in 1980 would

have contributed \$\$\$\$ a few Trillion dollars to the Katrina

victims we see in the videos from CBS CNN ABC NBC.

They all know this too... as they broadcast the Katrina news)

Officer Jason burned in gasoline. Please email his picture to everyone www.officerjason.com click on gallery to see the cop burned in gasoline 22 years after the invention of the electric windmill car.

1 May 2005 ----- BROWN DWARF REVEALS MAGNETIC FIELD

The space telescope stared at the minuscule star LP 944-20 in Fornax for 12 hours last December, looking for any evidence of a corona around the object. The star remained unchanged for 9 hours, but then there was an abrupt brightening that lasted about 2 hours.

Astronomers say the surge of X-rays was due to a stellar flare, not unlike the aurora-producing flares of our Sun. LP 944-20 is about 16 light-years away and estimated to be only 500 million years old.

NASA could be designing a new fleet of Shuttles and Space Telescopes if they would be the "Whistle Blowers" on the suppression of the Electric Windmill Car. NASA has made a misjudgment that cost 1,000's of cops and kids their lives in fiery car wrecks decades after the invention of the Electric Windmill Car. NASA's misjudgments cost "Society" dual-core Hubble Space Telescopes, a new model every year - 2005 model Space Telescope was not purchased by the Top Brass at NASA. They ignored 5 billion people on Earth and sold out to Texas Oil men - pain of burning in gasoline never enters the thoughts of NASA brass, for Shuttles or fiery car wrecks - both the top brass at NASA and the Pentagon could of prevented cops and kids burning in fiery car wrecks since 1980. The 2005 Model of the Shuttle and Space station would both have "life boats". A law passed by a non-Bush Senate in a Post Oil Genocide Era, as NASA would never in a million years put "life boats" on Shuttles and Space Stations in their current state of mind.

LP 944-20 is about 16 light-years away. 500 years away from Humanity because of the
