5 Jan. 2006 ===== Electric Windmill Car === Outrage by the wives of COPS burned...

...And burned to death in fiery rearended car wrecks. CNN will not show these wives on tv any time soon as the electric windmill car is being suppressed so COAL MINE owners can cash in on the higher prices like Texas and Alaska cash in on higher oil prices.

5 Jan. 2006 ++++++ Outrage ++++++ Over those burned in gasoline for more oil and coal money will not be seen on TV.

"Today" the New York Times will not expose the suppression of the Electric Windmill Car

For This - Generals have suppressed travel to 10 Billion Galaxies

3 Jan. 2006 ----- "Today" Show on NBC with Katie was written by our Orwellan government not Katie or the New York Times reporter she was interviewing for 15 minutes about the CIA spying. New York Times reporter said these people were whistleblowers yet the CIA asked the Justice Dept. to find out who exposed this eavesdropping. Katie and the New York Times reporter both know "Today" cops and kids will burn in fiery car wrecks because the electric windmill car is being suppressed. CIA should be exposing the suppression of the Electric Windmill Car. CIA should be asking the Justice Dept. to investigate our Oil Genocide Era. "Today" ----- Is another day in the Oil Genocide Era in the USA. Katie is famous for cancer, stroke, medical stories on "Today" Show... 10's of thousands if not 100's of thousands world wide have burnt faces "Today" from being in a fiery car wreck when they should of been driving a Electric Windmill Car --- with no gas tank! "Today" CIA will not expose the suppression of the Electric Windmill Car ===

Today the New York Times will not expose the suppression of the Electric Windmill Car

My Getting gravity control will still be amazing in 3006

22 Dec. 2005 ----- Senators from Alaska in opening Oil Drilling === "Let them burn in gasoline, Alaska needs the oil money. Marie Antoinette lost her head in

public in the scandal of the Century. On Nightly News last night Senators were mocking all the cops and kids who have burned and burnt to a crisp in fiery car wrecks since 1980 - Senators think they will keep their heads, Marie Antoinette though she would keep her head too. Senator on the Nightly News last night talking about the "Scandal of the Century" with a shit eating grin on his face and pictures of fiery car wrecks suppressed from Nightly News. Video of Senators saying let them burn in gasoline we need the oil money, will be shown on Nightly News during the Oil Genocide Trials. Making the Trial of Saddam look like a petty crime compared to USA Senators debating letting families burn to death in fiery car wrecks for more oil money... \$\$\$\$\$ Christmas 2005 and the Senators in our Orwellan Society add insult to Oil Genocide by not letting me work on a cure for cancer and gravity control. Local "Observers" stalking me know what's going on. They are as helpless as those who will get in a fiery car wreck on Christmas Day 2005 and burn to death in gasoline for more oil money. ( NEWS Up-DATE 23 Dec 2005 [mturnbell@sun-sentinel.com](mailto:mturnbell@sun-sentinel.com) at this Florida Newspaper reported 33 people were killed in Florida last year on Christmas Eve and Christmas Day - he didn't report how many of these were fiery car wrecks.) ANOTHER NEWS UPDATE FROM WASHINGTON, DC --- 23 DEC 2005 ---- 62 Police were killed in traffic wrecks in 2005 but the reporter didn't say how many were like Officer Jason pictured below who's cop car was rearended and burst into flames. I would speculate more than 62 Cops were burned like Officer Jason (email his picture to everyone [www.officerjason.com](http://www.officerjason.com) click on gallery) Pope is aware of the Oil Genocide and is profiting via DC pay off to the Vatican. Christmas 2005 ---- Scandal of this Century and it's only 2005. Though the USA government has several different Genocides going on simultaneously. Nightly News the Orwellan version in their time zone reports and shows the burnt bodies... And time goes on without any real inventors working on dissecting time and gravity, finding the cure for cancer and getting gravity control. Bush and his family spit on the Universe and God. Merry Christmas from the American Government on Nightly News 2005. Orwellan version of the Nightly news viewers must need the sleeping pills in the ads... for sure! Who could sleep with all this going on?

"Imagine" ----- WOW !

*8 Dec. 2005 --- "Imagine" by Lennon now "Orwellan Observers" must imagine no suppression of the electric windmill car invented in Oct. 1980. Lennon was shot on 8 Dec. 1980. 10s of thousands of cops and kids have been burnt to a crisp like in "Alias" opening scene last night. In the "Orwellan Nightly News" there must be nightly video of those burnt like a black marsh mellow in their burnt out cars. If this is what's on our "Orwellan Nightly News" every night --- George Orwell under estimated the Ruling Class. Peasants could kill 10 million "Chinese Leaders" when they learn Chairman Mao's heirs made a deal with Texas Oil Men and Presidents to let peasants burn to death in gasoline for more oil money since Oct. 1980 !*

"Imagine" ----- WOW !

Veterans Day it will become "Oil Genocide Day"

*The space telescope stared at the minuscule star LP 944-20 in Fornax for 12 hours last December, looking for any evidence of a corona around the object. The star remained unchanged for 9 hours, but then there was an abrupt brightening that lasted about 2 hours.*

*Astronomers say the surge of X-rays was due to a stellar flare, not unlike the aurora-producing flares of our Sun. LP 944-20 is about 16 light-years away and estimated to be only 500 million years old.*

*NASA could be designing a new fleet of Shuttles and Space Telescopes if they would be the "Whistle Blowers" on the suppression of the Electric Windmill Car. NASA has made a misjudgment that cost 1,000's of cops and kids their lives in fiery car wrecks decades after the invention of the Electric Windmill Car. NASA's misjudgments cost "Society" dual-core Hubble Space Telescopes, a new model every year - 2005 model Space Telescope was not purchased by the Top Brass at NASA. They ignored 5 billion people on Earth and sold out to Texas Oil men - pain of burning in gasoline never enters the thoughts of NASA brass, for Shuttles or fiery car wrecks - both the top brass at NASA and the Pentagon could of prevented cops and kids burning in fiery*

*car wrecks since 1980. The 2005 Model of the Shuttle and Space station would both have "life boats". A law passed by a non-Bush Senate in a Post Oil Genocide Era, as NASA would never in a million years put "life boats" on Shuttles and Space Stations in their current state of mind.*

*LP 944-20 is about 16 light-years away. 500 years away from Humanity because of the Top Brass. Cure for cancer and gravity control, my 2 pet invention projects are 500 years away from Humanity too, because of the Top Brass. Even the Pope knew and the New Pope knows about the Electric Windmill cars suppression and they take this to Top Secret to Judgment Day as even the Pope's fear Gen. Orwell more than they fear God. The Electric Windmill car was a Godsend suppressed by Carter, Bush, Clinton and Bush + the "Popes" Clinton spent most of his time with "sex" at the same time 1,000's burned and burnt to death in fiery car wrecks - Bush has a black mistress to take his mind off the 1,000's who burn and burn to death in fiery car wrecks.*

*I take my mind off being stifled by the Top Brass by knowing I will get the cure for cancer and gravity control when they come out from behind the hidden cameras and let me work as a Inventor. I will make up for all the lost inventions since 1980. I will not be getting any black mistresses (grin) but will get many wives for inspiration... and my wives will get many inventions. I take my mind off being stifled by the Top Brass by knowing I will get the cure for cancer and gravity control.*

*Faster than the speed of light is possible - by inventing a gravity satellite dish that sucks in gravity - sends it through a gravity engine - that propels your Shuttle faster than the speed of light by hooking up with gravities pull and using this same gravity coming in through the satellite dish for propulsion.*

**2 Nov. 2005** === 2nd fiery tanker crash and the pictures were suppressed as the Observers in our Orwellian society didn't want me to post pictures of a 2nd gas tanker on fire. ABC reported this week 166,000 fiery car wrecks have taken place since my invention of the electric windmill car in 1980... Carter is on tv as I type this talking about Rumsfeld's torturing terrorists in secret prisons what is so ironic is Carter was the first USA President when I invented the electric windmill car and will be put on trial in the Oil Genocide trials after the suppression of the electric windmill car is exposed... And Rumsfeld knows about the suppression of the electric windmill car. Cops and kids walking around with burnt faces from gasoline burns. Crimes finally published by CNN, CBS - 10's of thousands of casualties from Texas Oil men who are USA terrorists. All these 166,000 fiery car wrecks in the USA for more oil money... \$ 5 Trillion dollars in oil profits since 1980. \$\$\$\$\$\$\$\$\$\$\$\$\$

**FORT LAUDERDALE** · An adult and a child were killed Tuesday evening when their car smashed into a tanker truck hauling 1,000 gallons of diesel fuel. The tanker truck from Fort Lauderdale-based HyPower Inc. was heading north in the 6300 block of Northwest Ninth Avenue when a Dodge Neon swerved into the truck's path about 6:15 p.m., said Sgt. Bill Schultz, spokesman for the Fort Lauderdale Police Department.

**Katrina by © Greg Buell 10 Sept 2005**

**4 Oct 2005** === Oil Genocide picture from Florida's 7 Mile Bridge 2 dead 1 burned in gasoline - 2 more dead in a Denver crash + 1 burnt. Gasoline Genocide for more oil money when the Electric Windmill Car should be on the road not gas tanker trucks going head on into a SUV \$

*For my BDay I want a new computer and wives so we can work on 1,001 inventions. Keep the next Katrina and Rita at sea with a invention. Help save the 40,000 women who will die from breast cancer in 2005 and the next 40,000 who will die in 2006. 1,001 inventions I will give you for your BDay present when Bush gives me the OK to work as a Inventor. I will get the cure for cancer and gravity control I promise you !*

*In 1980 Electric Windmill Car was invented by myself and suppressed.*

*Today Bush wants you to drive less in your gas burning car...*

*But Bush will not give you an Electric Windmill Car for my BDay - Ha !*

*A bus with nursing home patients burned 24 to death on Nation TV CNN, CBS, what you didn't see was the cops and kids who also burned to death in fiery car wrecks around American and around the world as Bush has this news video suppressed. On September 27, 2005 someone will burn and others will burn to death... needlessly as the Electric Windmill Car was born in 1980 and should be on the road today...*

**NEW - Handwritten poem; e-mailed it to CNN CBS NBC ABC**

**My Getting gravity control will still be amazing in 3005**

*Gov. arrests 100's of mom's every summer for deaths of kids in hot cars or for just leaving kids in hot cars. With your electric windmill car - you will get climate control 24/7 same as your house... no more hot cars. Gov. knows this has know this for years and still lets 100's of kids die every summer since 1980 in hot cars. Everyone you see on CNN, CBS, ABC, NBC news knows this as I have e-mailed them 100's of times about the electric windmill car.*

*Putin in Moscow will pay the price for killing Moscow cops in fiery rear end car wrecks for more Oil Money before Bush, Moscow cops will finally take a canister of free hydrogen from their Russian electric windmill cars into the cop shop and plug it into their Russian furnace and crank up the heat to 85 F in the dead of winter... once the Moscow cops find out Putin froze them and burned them and their kids to death... Putin will suffer the same fate as the late great Russian Czar. And Bush will watch this on CNN. Moscow deaths from frozen to death is a spin off genocide from suppressing free hydrogen from the electric windmill car for free fuel for your furnace.*

*Spin off inventions from the electric windmill car have been lost, add ships, planes and trains... and this is the worst Genocide in History and made in the USA. As Senator Kennedy was the first Senator to find out about the electric windmill car in 1980. Everything was caught on Big Brothers cameras way back in 1980... "1984" break the mirror and find the gov. cameras !*

More than enough to make every University in the USA free  
Bush's Mom never wanted Yale free  
Bush's Mom will never want Yale free of tuition  
Bush's Mom infected the Generals wife and daughters  
Pentagons Trillions is less than the Oil Men's Trillions  
Since 1980 and the suppression of the Electric Windmill Car  
Cops and kids burned to death in fiery car wrecks since 1980  
Pentagons casualties in Wars since 1980 is less than this  
On the 7th Day Rumsfeld will be taken out and shot  
On the 7th Day of the Oil Genocide Trials  
"underprivileged" 1 billion people maybe 3 billion people  
All would have a University degree in 2005  
If it were not for the Presidents Mother  
This is why she will be taken out and shot on the 4th Day  
Of the Oil Genocide Trials  
Presidents of Yale, Harvard, and MIT  
Will be taken out and shot too  
Imagine the true testimony of Scott killing his pregnant wife  
Now at this trial we have cops and kids burnt in gasoline  
Like the naked Vietnamese girl running down the street  
Napalmed by a different USA President  
Her parents made \$2 a day being "underprivileged"  
Testimony from Cops and Kids with burnt faces like Jason  
Will inflame the Judges and Court TV viewers  
Judge - Jury, and executioner will be one person  
1 Billion Persons watching the Oil Genocide Trials  
On Court TV  
Will drag Bush's Mom out of the trial  
And shoot her to death in a flame of passion!  
Bill Gates will also be dragged out and shot  
Learning Microsoft Excel will be free after the trial  
Oil Genocide Era burned more than a million to death  
For each \$ Trillion dollars of oil money since 1980  
This is outside the boundaries of human decency  
And social norms for anyone let alone Yale Graduates  
Yale and Harvard will be ranked differently  
After the Oil Genocide Trials  
"underprivileged" all of them in the Katrina videos  
Will have a University degree - all of them 100%  
Moms will send their kids on Light Year Flights  
To Alpha Centauri not to Iraqi for needless oil  
A Universe Bush's Mom could never envision
