

"Today" the New York Times will not expose the suppression of the Electric Windmill Car

For This - Generals have suppressed travel to 10 Billion Galaxies

My Getting gravity control will still be amazing in 3006

3 Jan. 2006 ----- "Today" Show on NBC with Katie was written by our Orwellan government not Katie or the New York Times reporter she was interviewing for 15 minutes about the CIA spying. New York Times reporter said these people were whistleblowers yet the CIA asked the Justice Dept. to find out who exposed this eavesdropping. Katie and the New York Times reporter both know "Today" cops and kids will burn in fiery car wrecks because the electric windmill car is being suppressed. CIA should be exposing the suppression of the Electric Windmill Car. CIA should be asking the Justice Dept. to investigate our Oil Genocide Era. "Today" ----- Is another day in the Oil Genocide Era in the USA. Katie is famous for cancer, stroke, medical stories on "Today" Show... 10's of thousands if not 100's of thousands world wide have burnt faces "Today" from being in a fiery car wreck when they should of been driving a Electric Windmill Car --- with no gas tank! "Today" CIA will not expose the suppression of the Electric Windmill Car ===

My Getting gravity control will still be amazing in 3006

22 Dec. 2005 ----- Senators from Alaska in opening Oil Drilling === "Let them burn in gasoline, Alaska needs the oil money. Marie Antoinette lost her head in public in the scandal of the Century. On Nightly News last night Senators were mocking all the cops and kids who have burned and burnt to a crisp in fiery car wrecks since 1980 - Senators think they will keep their heads, Marie Antoinette though she would keep her head too. Senator on the Nightly News last night talking about the "Scandal of the Century" with a shit eating grin on his face and pictures of fiery car wrecks suppressed from Nightly News. Video of Senators saying let them burn in gasoline we need the oil money, will be shown on Nightly News during the Oil Genocide Trials. Making the Trial of Saddam look like a petty crime compared to USA Senators debating letting families burn to death in fiery car wrecks for more oil money.. \$\$\$\$ Christmas 2005 and the Senators in our Orwellan Society add insult to Oil Genocide by not letting me work on a cure for cancer and gravity control. Local "Observers" stalking me know what's going on. They are as helpless as those who will get in a fiery car wreck on Christmas Day 2005 and burn to death in gasoline for more oil money. (NEWS Up-DATE 23 Dec 2005 mturnbell@sun-sentinel.com at this Florida Newspaper reported 33 people were killed in Florida last year on Christmas Eve and Christmas Day - he didn't report how many of these were fiery car wrecks.) ANOTHER NEWS UPDATE FROM WASHINGTON, DC --- 23 DEC 2005 ---- 62 Police were killed in traffic wrecks in 2005 but the reporter didn't say how many were like Officer Jason pictured below who's cop car was rearended and burst into flames. I would speculate more than 62 Cops were burned like Officer Jason (email his picture to everyone www.officerjason.com click on gallery) Pope is aware of the Oil Genocide and is profiting via DC pay off to the Vatican. Christmas 2005 ---- Scandal of this Century and it's only 2005. Though the USA government has several different Genocides going on simultaneously. Nightly News the Orwellan version in their time zone reports and shows the burnt bodies... And time goes on without any real inventors working on dissecting time and gravity, finding the cure for cancer and getting gravity

My Getting gravity control will still be amazing in 3005

Officer Jason burned in gasoline. Please email his picture to everyone www.officerjason.com click on gallery to see

the cop burned in gasoline 22 years after the invention of the electric windmill car.

On The Kitchen Table She Lay Reflecting

BROWN DWARF REVEALS MAGNETIC FIELD

The space telescope stared at the minuscule star LP 944-20 in Fornax for 12 hours last December, looking for any evidence of a corona around the object. The star remained unchanged for 9 hours, but then there was an abrupt brightening that lasted about 2 hours.

Astronomers say the surge of X-rays was due to a stellar flare, not unlike the aurora-producing flares of our Sun. LP 944-20 is about 16 light-years away and estimated to be only 500 million years old.

NASA could be designing a new fleet of Shuttles and Space Telescopes if they would be the "Whistle Blowers" on the suppression of the Electric Windmill Car. NASA has made a misjudgment that cost 1,000's of cops and kids their lives in fiery car wrecks decades after the invention of the Electric Windmill Car. NASA's misjudgments cost "Society" dual-core Hubble Space Telescopes, a new model every year - 2005 model Space Telescope was not purchased by the Top Brass at NASA. They ignored 5 billion people on Earth and sold out to Texas Oil men - pain of burning in gasoline never enters the thoughts of NASA brass, for Shuttles or fiery car wrecks - both the top brass at NASA and the Pentagon could of prevented cops and kids burning in fiery car wrecks since 1980. The 2005 Model of the Shuttle and Space station would both have "life boats". A law passed by a non-Bush Senate in a Post Oil Genocide Era, as NASA would never in a million years put "life boats" on Shuttles and Space Stations in their current state of mind.

LP 944-20 is about 16 light-years away. 500 years away from Humanity because of the Top Brass. Cure for cancer and gravity control, my 2 pet invention projects are 500 years away from Humanity too, because of the Top Brass. Even the Pope knew and the New Pope knows about the Electric Windmill cars suppression and they take this to Top Secret to Judgment Day as even the Pope's fear Gen. Orwell more than they fear God. The Electric Windmill car was a Godsend suppressed by Carter, Bush, Clinton and Bush + the "Popes" Clinton spent most of his time with "sex" at the same time 1,000's burned and burnt to death in fiery car wrecks - Bush has a black mistress to take his mind off the 1,000's who burn and burn to death in fiery car wrecks.

I take my mind off being stifled by the Top Brass by knowing I will get the cure for cancer and gravity control when they come out from behind the hidden cameras and let me work as a Inventor. I will make up for all the lost inventions since 1980. I will not be getting any black mistresses (grin) but will get many wives for inspiration... and my wives will get many inventions. I take my mind off being stifled by the Top Brass by knowing I will get the cure for cancer and gravity control.

Faster than the speed of light is possible - by inventing a gravity satellite dish that sucks in gravity - sends it through a gravity engine - that propels your Shuttle faster than the speed of light by hooking up with gravities pull and using this same gravity coming in through the satellite dish for propulsion.

Veterans Day it will become "Oil Genocide Day"

Poem by Greg Buell © 11 Nov. 2005

PO Box 1113 Boulder CO 80306

My Getting gravity control will still be amazing in 3005

Veterans Day it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day"

Picture cop and kids with burnt faces

Looking at the Generals as their Stars...

Now Light years from Alpha Centauri...

Because they went along with a Oil Genocide for more oil money

Kids look up to Generals with all their Stars

No one will survive the Oil Genocide Trials

Not even Veterans Day, it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day"

Burnt faces of cops and kids in USA Oil Genocide

For more Oil Money is the only reason too \$\$\$\$\$\$\$\$

*In 2005 we are in the Oil Genocide Era
Bush did not honor Officer Jason today - burnt face!*

*Bush attacked those who wanted the Electric Windmill Car
On the streets of the USA today*

*But got a Psychotic President Bush in Iraqi forever!
Bush and Rice made up all the war Stories*

*Like sex-addicted nymphomaniacs, Bush and Rice
There was no sane reason to invade Iraq with an Electric Car*

*In the Pentagons Garages
Bush's waning credibility is Zero with the electric windmill car*

*With 166,000 fiery car wrecks in the Orwellan News
And the Pentagons top secret number of Burnt cops + kids*

*Tens of thousands with burn faces from fiery car wrecks
CNN TV people will be replaced by some of these casualties*

*Oil Genocide Trial will rewrite history of Bush + Rice
Sex-addicted nymphomaniacs, Bush and Rice*

*UN oil for money scandal didn't get them at the UN Beheaded
But UN Generals will be beheaded in the Oil Genocide Trials*

*Big Brother is not looking out for anyone.
Moscow cops are #1 in being burnt to death in gasoline*

*Kids look up to this new 5 Star General - at the Pentagon
He tells war stories about Vietnam in an Oil Genocide Era*

*Will this new 5 Star General at the Pentagon
Survive the Oil Genocide Trials by letting kids die for him.*

*In fiery car wrecks... ? In 2006, In 2007 etc.
CIA tortures terrorist, and they know kids burn in gasoline*

*Back in the USA
This is not criminal talk at CIA HQ*

*But politics of Presidents + Generals not CIA agents
Bush's argument is we need the Oil Money*

*Judy Miller of the New York Times www.judymiller.org
I sent her e-mail in her last days at the NYT*

*Asking her to expose the suppression of the Electric Windmill Car
Judy refused...*

*Kids look up to Generals will all their Stars
No one will survive the Oil Genocide Trials*

*Not even Veterans Day, it will become Oil Genocide Day
Exxon-Mobil CEO Lee Raymond will be Beheaded*

*The CIA will kill Saudi King and Prince
VIA our Post Oil Genocide President of the USA's first executive order!*

*Windfall profits will finally go to the Electric Windmill Car
The new President will freeze \$5 trillion in oil money*

Electric Windmill Car...

In its first year of production I will get 101 more inventions

Possibly even the cure for cancer and gravity control

IBM mainframe computers will track misdiagnosis by MD's

Bill Gates will not survive my free OS for PC's

My reinvented PC will turn on like a TV

History of Microsoft will be rewritten with the Electric Windmill Car

1980 invention of the Electric Windmill Car + Microsoft's IQ Genocide

It was irresponsible for Bill Gates to go along with its suppression

No Time - time did not create itself

This will get the President of CU here in Boulder CO fired

Cooks who never wash their hands will freak out freshmen

Campus newspaper never wrote up non-handwashing cooks

Timeline for ending the Iraqi war

Today's Veterans Day Bush said he did not mislead!

166,000 fiery car wrecks with cops and kids burning in gas

This is the real reason Bush looks like a nervous wreck

166,000 fiery car wrecks burning cops and kids in gas

Rice profited from white cops burning to death in fiery wrecks

Kennedy + Kerry have know about the Electric Windmill Car

Since its invention in 1980

This is why Bush keeps saying you went along with it

With burning cops and kids to death in fiery car wrecks

Kennedy + Kerry backed Bush in this Oil Genocide

Veterans who are Generals backed this Oil Genocide

For more Oil Money

Kids look up to Generals with all their Stars

No one will survive the Oil Genocide Trials

Not even Veterans Day, it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day"

Veterans Day it will become "Oil Genocide Day"

2 Nov. 2005 === 2nd fiery tanker crash and the pictures were suppressed as the Observers in our Orwellan society didn't want me to post pictures of a 2nd gas tanker on fire. ABC reported this week 166,000 fiery car wrecks have taken place since my invention of the electric windmill car in 1980... Carter is on tv as I type this talking about Rumsfeld's torturing terrorists in secret prisons what is so ironic is Carter was the first USA President when I invented the electric windmill car and will be put on trial in the Oil Genocide trials after the suppression of the electric windmill car is exposed... And Rumsfeld knows about the suppression of the

electric windmill car. Cops and kids walking around with burnt faces from gasoline burns. Crimes finally published by CNN, CBS - 10's of thousands of casualties from Texas Oil men who are USA terrorists. All these 166,000 fiery car wrecks in the USA for more oil money... \$ 5 Trillion dollars in oil profits since 1980. \$\$\$\$\$\$\$\$\$\$\$\$\$

FORT LAUDERDALE - An adult and a child were killed Tuesday evening when their car smashed into a tanker truck hauling 1,000 gallons of diesel fuel. The tanker truck from Fort Lauderdale-based HyPower Inc. was heading north in the 6300 block of Northwest Ninth Avenue when a Dodge Neon swerved into the truck's path about 6:15 p.m., said Sgt. Bill Schultz, spokesman for the Fort Lauderdale Police Department.

4 Oct 2005 === Oil Genocide picture from Florida's 7 Mile Bridge 2 dead 1 burned in gasoline - 2 more dead in a Denver crash + 1 burnt. Gasoline Genocide for more oil money when the Electric Windmill Car should be on the road not gas tanker trucks going head on into a SUV \$

NEW - Handwritten poem; e-mailed it to CNN CBS NBC ABC

Take along a gallon of water in your Electric Windmill car and you get Oxygen, and Hydrogen from free electrolysis. Take a canister of your free hydrogen made with your electric windmill car into your house and you will get free electricity and free fuel for your furnace and air conditioning. Xcel will be completely out of business - Our Public Service Co.

27 Sept. 2005 My BDay 58 today -

For my BDay I want a new computer and wives so we can work on 1,001 inventions. Keep the next Katrina and Rita at sea with a invention. Help save the 40,000 women who will die from breast cancer in 2005 and the next 40,000 who will die in 2006. 1,001 inventions I will give you for your BDay present when Bush gives me the OK to work as a Inventor. I will get the cure for cancer and gravity control I promise you !

Underprivileged and the Electric Windmill Car
Suppression of the masses by the Presidents Mother
Bush's Mom said Katrina victims are "underprivileged"
And now their better off
Bush's Mom will be taken out and shot
In the 4th day of the Oil Genocide Trials
Martha Stewart will be taken out and shot
In the 5th day of the Oil Genocide Trials
The "underprivileged" are underprivileged via Bush
Via Yale and Harvard
Presidents of Yale and Harvard will be shot to death
In the 6th day of the Oil Genocide Trials
"underprivileged" all of them in the Katrina videos
Would have a University degree - all of them 100%
If the Electric Windmill Car was not suppressed in 1980
Bush and Texas Oil men profited by \$ Trillions of dollars
More than enough to make every University in the USA free
Bush's Mom never wanted Yale free
Bush's Mom will never want Yale free of tuition
Bush's Mom infected the Generals wife and daughters
Pentagons Trillions is less than the Oil Men's Trillions
Since 1980 and the suppression of the Electric Windmill Car

Cops and kids burned to death in fiery car wrecks since 1980
Pentagons casualties in Wars since 1980 is less than this
On the 7th Day Rumsfeld will be taken out and shot
On the 7th Day of the Oil Genocide Trials
"underprivileged" 1 billion people maybe 3 billion people
All would have a University degree in 2005
If it were not for the Presidents Mother
This is why she will be taken out and shot on the 4th Day
Of the Oil Genocide Trials
Presidents of Yale, Harvard, and MIT
Will be taken out and shot too
Imagine the true testimony of Scott killing his pregnant wife
Now at this trial we have cops and kids burnt in gasoline
Like the naked Vietnamese girl running down the street
Napalmed by a different USA President
Her parents made \$2 a day being "underprivileged"
Testimony from Cops and Kids with burnt faces like Jason
Will inflame the Judges and Court TV viewers
Judge - Jury, and executioner will be one person
1 Billion Persons watching the Oil Genocide Trials
On Court TV
Will drag Bush's Mom out of the trial
And shoot her to death in a flame of passion!
Bill Gates will also be dragged out and shot
Learning Microsoft Excel will be free after the trial
Oil Genocide Era burned more than a million to death
For each \$ Trillion dollars of oil money since 1980
This is outside the boundaries of human decency
And social norms for anyone let alone Yale Graduates
Yale and Harvard will be ranked differently
After the Oil Genocide Trials
"underprivileged" all of them in the Katrina videos
Will have a University degree - all of them 100%
Moms will send their kids on Light Year Flights
To Alpha Centauri not to Iraqi for needless oil
A Universe Bush's Mom could never envision

In CBS's forest... Oil Men's Money is more valuable than USA kids

Yet NBC's forest... does dramatic stories on car seats for kids

So in ABC's forest... only Oil Money is heard not your kids inventions

In the Oceans forest... Oil drilling is heard on the national news

In the Navy's forest... Admiral knows about the Electric Windmill Car

In the Air Forces forest... Pilots don't hear those Napalmed in America

In the Army's forest... no war games are heard conquering Oil \$\$\$

In the Marines forest... Honor - Oil Money runs the World's Honor

In the forest fire... Rumsfeld's C5A is not heard dropping bombs

In Times forest... Discovery of what makes time tick is not heard

In Gravity forest... Greg getting gravity control is deafening to Generals

In the Futuristic Inventions forest... no perpetual motion machines tick

In the Generals forest... Aliens are not heard in 10 Billion Galaxies

In America's forest... cops and kids will burn in gasoline

In Boulder, Colorado's forest... all city employees are overpaid via oil \$

In DC's forest... Oil \$\$\$ money in the Trillions of Dollars sounds loudest

In Realities forest... cops and kids are causalities of the oil war \$

In Senators McCain's forest... POW's spit in Officers Jason burned face

In Senators Kennedy's forest... he has been driving drunk since 1980
