

# **Sisters Rescued by No More Oil**

**By Greg Buell Copyright 2003 PO Box 1113 Boulder CO 80306**

**Written for Leslie Coon 4 Aug at Wild Oats on index cards**

**Self-Rescue book on the table in front of me**

**Leslie Coon across from me after 3 weeks alone**

**Lost more sleep in these 3-weeks than I ever had**

**Withdrawal from doing things with Leslie Coon**

**Laundry, belaying, flagging, sitting in my room**

**Rescue from being alone since 1979**

**Invented the electric windmill car in 1980**

**Story is in Leslie's poem on my web page**

**I told Leslie I want her next to me**

**When I pick up the Noble Prize**

**Will marry the girl who bussed tables at the ski resort?**

**Will marry the girl who bussed tables at the ski resort?**

**She would never pose for Playboy**

**But we will have a convention for flat chested women inventors**

**Rescue of Greg today at Wild Oats in front of Leslie**

**Rescue from being alone since 1979**

**Leslie's sisters – Leslie told them about the electric windmill car**

**I listen to Leslie telling me about her married sisters**

**Wondering what else did Leslie tell her sisters**

**About her best friend the inventor of the electric windmill car**

**Absolute zero a old invention idea**

**Can we keep anti venom drugs frozen at absolute zero**

**Freeze the container at absolute zero**

**Put this container in a another container frozen at absolute zero**

**Viable vaccines and drugs on the shelf - shelf life**

**Of 10 - 20 years just put them in another container**

**Frozen at absolute zero**

**Poetic victim is more Oil money**

**Victims burn in gasoline for more Oil money**

**Hear + now we must confront the gasoline**

**Justice in the Universe is not ours to administer**

**City Of Boulder will build a Memorial**

**To those burned to death in gasoline for more oil money**

**City of Boulder profited from this Oil money**

**Since 1980**

**Payoffs from DC**

**To let people burn to death in gasoline**

**Same cars on fire in Iraq killing Marines**

**Electric Windmill Car will bring home the Marines**

**Put a bankrupt sign on Iraq and Saudi Arabia**

**Give the American people the electric windmill car**

**NASA too lost 2 Shuttles by those who took Oil money**

**As pay offs to follow the oil men's running of NASA**

**Men who run the Food COOP in boulder are Macho**

**I would not like to be a women working for them**

**I posted a message on the COOP web page**

**I will give all the COOP women an electric windmill car**

**And added all the managers should be women**

**Have to wait for the electric car to make these changes though**

**COOP male managers are psychotic killers at heart now**

**They harassed my for not massacring women + kids in Vietnam**

**Hiding behind hidden cameras they did this yesterday**

**I will post this on the COOP web page**

**Women in Saudi Arabia will never drive**

**Once Oil is bankrupted there will be no money for new cars**

**Riches will be for USA sisterhoods**

**Marines will rescue Laci Peterson before she is murdered**

**Put the Pentagon to work saving Murdered women in the USA**

**More women were murdered in the USA than in Iraq by husbands**

**Women in jail for killing their battering husbands get no pardon**

**Pardon from the president or governor profiting from oil money**

**To many women are abused in the USA**

**But Bush is the ultimate abuser of women via more oil money**

**Women burn to death in fiery rear end car wrecks will as cops**

**Women burn to death in fiery rear end car wrecks will as cops**

**As president I would pardon all these women who killed their husbands**

**For beating the Hell out of them**

**Statistics do not enter into the politics of giving them a pardon**

**Pardon the facts but we do not need statistic to know women are abused**

**Long over due rescue of battered women**

**Long over due rescue of the electric windmill car**

**Marines killed one at a time one day at a time in Iraq**

**Can be rescued by bankrupting oil**

**These Marines will help the next Laci Peterson**

**Save her life right here in the USA**

**Two more sisters will be rescued by No More Oil**

**Leslie's sisters – Leslie told them about the electric windmill car**

**Leslie's best friend is the inventor of the electric windmill car**

**I told Leslie I want her up there with me getting the Nobel Prize**

**Self-rescue book is on the table between us**

**As I write Leslie 4 poems on index cards**

**I have been alone for 3 weeks and 23 years**

**I have to rescue myself from this being alone**

**Will Leslie be my roommate?**

**Will the Marines come home after their Commander in Chief**

**Bankrupts the Oil world**

**With the electric windmill car**

**Leslie is nice, nicest person in the world**

**Can we rescue abused women from oilmen?**

**Hit Counter**
